Amateur Status Guidelines

The VAFA defines an **AMATEUR** as follows:

An Amateur is one who does not receive or agree to receive, either directly or indirectly, any remuneration or reward whatsoever (whether by match payments or expenses or otherwise) in respect to their participation as a player, in the Victorian Amateur Football Association.

Receive or agree to receive – remuneration or reward may not be offered in an immediate sense or at some point in the future at an unspecified time.

Directly or indirectly - remuneration or reward may not be offered to the individual player or any person associated with that individual.

Remuneration or reward – examples of what is permissible or not permissible as a reward or remuneration refer to table below.

The spirit of the “Amateur” definition will always prevail and each case will be looked at individually on its own merits. Any payment, reward, or benefit that might induce a person to play with a VAFA club will be regarded as a breach of the definition of amateur status. The examples below are provided as a guide, but clubs should always seek guidance from the VAFA as to whether a situation is within, or in breach of, the definition. If such guidance is not sought before the event, a club will not be able to complain after the event if it is found, notwithstanding technical reliance on the examples below, that a given situation is not within the spirit of the definition.

Expenses	Costs directly associated with playing for the club e.g. club related uniforms excluding personal attire (e.g. boots), insurance, membership, or out of pocket costs incurred as a result of football injuries sustained whilst representing the club, provided these are paid to all players. Meals after training may be paid for by the club provided they are provided to all players and not to individuals or a specific group of players. This includes the provision of services in-kind e.g. building, landscaping, professional services, fuel, other travel related expenses or accommodation. They are all examples of expenses that are not permitted.

Education fees		Education fees cannot be paid for or subsidised either directly or indirectly as per above description of the word "Amateur".
Juniors Coaching	Registered VAFA players are able to coach football at their aligned junior club or school for a commercially acceptable fee.
