# COBURG UNBEATEN AT HALF-WAY MARK IVANHOE'S SHOCK DEFEAT OF M.H.S. SETBACK TO COLLEGIANS' HOPES

By GEORGE McTAGGART

With half of the home-and-home matches completed, Coburg remain at the head of the list, undefeated. Five other teams have yet to suffer defeat in other sections — UHS Old Boys, and four Reserve teams, Ormond, University Blacks, St. Kevin's Old Boys and Reservoir Old Boys.

Army Apprentices School in Junior Section 2 have not been beaten but were forced to forfeit last week's match, together with today's and next week's. Ivanhoe surprised Melbourne High by leading practically all day and running on to win by 23 points. It was High's second successive defeat and they have now dropped to fourth.

Collegians' hopes, boosted as a result of two wins in a row, suffered a setback when they went down narrowly to De La Salle.

Coburg proved far too strong for Monash University and were never in danger of defeat. They led by more than 9 goals at three-quarter time and went further ahead in a sensational last term when 16 goals were scored — 10 by Coburg and 6 by Monash.

Ormond overwhelmed a very disappointing Old Paradians who showed very little worthwhile form and Ormond won by 18 goals.

De La Salle's pace and teamwork gave them the advantage over Collegians, who trailed by 39 points at the last change, and although Collegians rattled home in fine style to kick 8-2 in the final term they could not quite bridge the gap and were beaten by 7 points.

Melbourne High, 3 points down at three-quarter time, hit the front against Ivanhoe early in the last quarter, but could not withstand the home team's strong finish and were beaten by 23 points — 19-16 to 16-11.

University Blues matched Caulfield Grammar in the first half of a high-scoring game, but Caulfield went away to win well. Twelve goals were kicked in the last quarter in this

match, and Caulfield finished with 25-16 to the Blues' 17-14.

University Blacks received a scare from bottom team Footscray Tech. (yet to break the ice), and scraped home by only a point. Tech. trailed by 21 points at the interval but kicked 5 goals in the third term to take the lead.

Geelong were too strong for St. Bernard's in the second half and went on to win by nearly 7 goals. They were 4 points down at the interval but added 8-8 to 1-5 in the second half.

A burst of 11 goals in the second quarter paved the way for Old Xaverians to score a big win over Alphington, Commonwealth Bank gave little trouble to Old Scotch and North Old Boys easily beat Kew.

Uni. High scored a runaway win over Assumption, who managed only one goal in the first half, when they were more than 10 goals behind. They showed better form in the second half but U.H.S. won by 73 points.

Old Carey faded out in the second half and went down by a goal to Tooronga-Malvern who had won only one game previously.

THE AMATEUR FOOTBALLER — June 13, 1970

Old Geelong ran right away from Old Brighton after the interval to win by more than 9 goals, while Glenhantly with a burst of 7 goals in the last term beat St. Kevin's by 40 points. It was only the second win for Glenhantly and it pushed St. Kevin's down from second to fourth.

Fairfield scored a crushing 55-point win over the leaders, Parkside, after a fairly even first half and Parkside lost top place to Old Trinity as a result of this defeat.

Reservoir Old Boys beat Elsternwick by 31 points, State Savings Bank surprised Old Camberwell with a 25-point victory in a high-scoring game. Old Ivanhoe trounced AJAX and Dookie and Longerenong scored their first win in the V.A.F.A. at the expense of Old Essendon.

It seems to be fashionable for the Junior Section leaders to be beaten, for last Saturday was the third week in succession that this happened. Firstly Monash went down to Melbourne High, then Old Scotch beat Ormond and now Old Scotch were beaten by University, whose winning margin was 45 points.

Main interest in Section 2 was National Bank's 19-point win over Parkside. It was the Bank's first win for three years.

Among the Reserves, Coburg beat Monash by 22 points, the Blacks beat Footscray Tech. by 13, Old Scotch

beat Commonwealth Bank by 11, bottom team Geelong beat St. Bernard's (second), by 8 points. Old Haileybury beat National Bank by a goal in a low-scoring game, after being 3 goals down at the interval, Assumption scored by a big margin over Uni. High, AMP Society easily beat West Brunswick and ANZ Bank beat La Trobe by 4 points.

#### AN APPRECIATION

"The widow and two infant children of the late Alan John Thorpe, former V.A.F.A. field umpire, wish to sincerely thank the umpires and the players, committees and supporters of all Amateur football clubs who were kind and thoughtful enough to contribute in some way to the Appeal Fund established by Alan's former umpiring colleagues.

The Appeal raised the princely sum of \$2,422, which greatly assisted Ethel in meeting the huge financial commitments invariably associated with a tragedy of this nature.

Ethel has now seen and experienced the true Amateur Spirit."

Stan E. Waites — Solicitor  
for the Estate.

Elsternwick's "Bobby" Garbutt will certainly be glad to hear the end of police week after all the reminders he's been getting from blokes like Geoff "Chips" Freer, Tony "Smacka" Fitzsimmons, Paul Park and others.

A devastating final quarter by **MHS Juniors** ensured a confidence-boosting victory over Ivanhoe. At no stage in the second half did MHS allow the opposition to break away as they had done. All at MHS are looking forward to a repetition of current form against top side Old Scotch today. If determination and ability are the criteria then MHS will win through.

With all sides having met once this season, **St. Kilda CBOC** has just finished on the right side of the ledger, winning five and beating only one of the sides above us on the ladder. Our consistent performances have been few, only **Bilston, Drew, Tesoriero, Drinan** and **Kev White** playing reliably. Perhaps an increase in support from fairweather supporters could herald our return to "B" grade.

De La Salle's speedster Mark Jackson played a tremendous game against Collegians and was named our best player. It must be very frustrating for Mark's opponents, when he starts ten yards behind them and never fails to beat them for the ball. Well done Mark.

Just how good is Keith Hoare? You might well ask. If you really want to know and you've got a spare hour, ask him. Seriously though, Keith, keep up the good work at St. Kevin's Old Boys.

**Col Clover** for "De La" Reserves played a great game last Saturday. Col's experience certainly showed up, and those long dashes from the half-back flank and a driving drop kick to the forwards is certainly a fine example of Col's play.

What a brilliant player **Jeff Russ** is. To watch this boy in operation is a real treat. Ormond are justly proud of their new snow-topped star. Two more improvers in "**Meaty**" **Curtis** and **Peter Lavery** are now hitting their straps in fine style.

**Melbourne High** welcomes the return of A grade form by big man "**Wassa**" **Dick**, who has recently completed his accounting studies. "Wassa's" big knocks and marks around the ground were a welcome sight to the smaller Old Boys side which has been hit recently by injuries, especially the taller players. Great going "Wassa" and congratulations also to **Ian Harrison** who, after having been up bush in recent years, returned to the Senior side last week to play a very encouraging game.

All the UHS Old Boys congratulate "Pturk" Stapleton (note the silent "P") on his 50th game today. Pturk has been one of our best clubmen, a very handy forward pocket or half-forward flanker where he usually manages to show his great pace to break away and kick goal (s).

Once again Old Brighton's social team showed their skill last Saturday by easily defeating Hampton Rovers. With stars like Lyndon "Punchy" Adanson, Brian "Criminal" McKenna and Ken Kendall the social's look like challenging the firsts.

Old Essendon Gramm. forfeited to Old Xaverians.

"Rocky" Newton's strong play at centre half-back was a feature of Toorong-Malvern's great come-back against Old Carey last week. Alan Cockerell played his usual dashing game, and Gordon Jones won kicks all around the ground. Len Bean, Mick Parker and Noel Graham marked well all day and for the first time this year we won in the marking department.

A belated happy birthday goes to Brunswick's Johnny (Freckles) Dwyer, 20 years old and already a star. We hope that the dressing gown we bought you is OK John.

# BALL BRIEFS

Congratulations to **Daryl Leorke** who played his 50th Senior game for **La Trobe Uni**. We hope the next 50 are just as good Daryl.

Congratutataains to **R.O.B.'s Gary Veith** on the new mo-stash he is sporting. Could those struggling hairs be a transplant from the back of his neck?

**Elsternwick's** brothers **Alan "Al-pal"** and **Ian "Hymie" Ramsay** have both been giving the club great service in every game this season.

Encouraging for **Melbourne High Juniors** to see **Ross "Roly" Wood** come back into the play in the last quarter against **Ivanhoe** despite severe gashes in his head. Courage, and the attribute of never-giving-in, have been keynotes at **MHS** for years — **Ross** does not miss out on either.

**Tooronga-Malvern Juniors** had many good players last week. **Greg Cullen** showed a clear pair of heels to all opposition, **Bill Liefing** and **Ray Martin** were effective up forward, **John Young** followed tirelessly, **Wayne Stokes** and **John Black** were good defenders, and it was good to see captain **Rob. Cowen**, back again after injury, giving his usual good display.

**Bert Park, Footscray Tech's** new centreman, has really burned in his new role. Bert's lack of height doesn't dim his marking ability, whether in front, behind, or propping in front Bert always has his mind set on taking the mark. **Young Mick Maddox** on the flank has proved a real find for us this year. There is always 100 per cent effort from Mick and his example should be followed by others.

A magnificent victory **Glenhuntly!** True form at last, and due in no small way to the **Valle Brothers'** fine form. **Mercurial Paul** turned on a slashing last quarter and **Noel's** return added dash to the backline. All 20 should be listed as best players but there ain't space!

Uncanny ball control by **Joe Doolan** gave **St. Bernard's Juniors** a steady avenue to goal against **Old Paradians**. **Joe** kicked eight himself and had a hand in several others kicked by team mates.

The only reassuring thing about **Assumption's** effort at **Elsternwick Park** was that so many good players could not play so badly again. Good players were few. It it hadn't been for **Barry "Young Feller" Munari**, the deficit would have been much larger than it was. It must have broken his heart to see his brilliant clearing dashes repulsed so effortlessly. **Steve Cooper** in his comeback game earned many kicks and may be hard to displace when some of the injured players return. About the next best for the Blues was boundary umpire **Tony "Those Were The Days" Brown** who put a lot more effort into the game than some of the players.

Congratulations to **Alan Salter** and the players at **Coburg**. The first round over and yet to record a defeat — no wonder the way Alan has the boys teaming so well together. **Rod McFarlane** is again showing how to kick accurately and must be a "cert" to get the century this year. **Norm Beattie** playing great football, took the mark of the year when he rose high on the shoulders of an opponent twice his size to take a one-hander. Could go on mentioning all the players and their great efforts.

**Wayne McCrimmon, Commonwealth Bank** winger, plays his 50th Senior game today. As this is only Wayne's third season with the club it is quite an achievement. "Waves" has joined that band of modern youth which makes a pitiful attempt at growing a moustache. It doesn't detract from his football ability but would put him out of running in a fashion quest. "Mud Mouth" filled me in with this information.

## Ball Briefs — continued

Talk about the hard sell at St. Kevin's Old Boys last Sunday. After a disastrous game against the school Mick Lewin invited coach Ross Oakley back home and there filled him with food etc. and proceeded to tell him ALL the reasons why he (Mick) should be back in the side next week. One of his main reasons was that Mick Fernon, best on the ground last week at centre half-back, was not doing well enough. Best of luck Lew.

We liked Mick Renwick's effort in dobbing eight out of twelve for Ivanhoe Reserves from his half forward flank last week. Peter Hartney impressed again with 3, and Roger Freeman steered through one of his thirty-odd kicks to make up the dozen. Well done on your first win fellas. Ron appeared a little pleased, too.

Good to see "Crewy" Barker of Caulfield Grammarians back in form, and the display of strong marking plus seven goals from Greg Tootell against University Blues was match winning football.

After going down again last week, University Blues are now in a very dangerous position. Congratulations to Simon Trumble, Frank Ross and Rob Jeremiah who have all come up from the Juniors and done well.

What a fine debut Martin Halliday made for Monash last Saturday. Martin came on at half-time and opened up the forward line. He took several fine marks and set an example for the players around him with his determination. Well done Martin, keep it up.

Congratulations to North Old Boys for two good wins over Kew last week. The Firsts' victory was a fine exhibition of skill, while the Reserves was one of determination, and with a combination of both these qualities in future games it should not be long before we have two sides in the four. Congratulations to Phil Elliott, Maurie

Drew and Randall Prior for fine games last week.

Congratulations are extended from all at St. Bernard's to John "Tiny" and Joy Crennan on the birth of their first child last Saturday. However everyone is wondering why Tiny, an expert on cars, did not pay the extra "for an instrument panel." Also congratulations to Alec and Marie Ellard on the arrival of a daughter, after three sons, last week. Alec — a great supporter and donor has stated that he will now "put the cue in the rack."

The Alphington brain drain continues. "Gentleman" Garry Cartwright is the latest deportee and is to pursue his financial chicanery in New Guinea in a couple of weeks. He will be away for a year or so and will be missed from our team and social life. Garry is the only bloke in our club who can sport three days growth on his face and wear old clothes but still look immaculate.

About seven goals down during the second quarter and thinks looked black for Tooronga-Malvern. Then coach Max Trotter made several positional changes, and they all came off. In a heart-stopping finish the combine gradually wore down the opposition and received a well earned four points. A feature of the game was the brilliant marking and ground play of full back and captain Gavan Brady, who turned out the opposition time and again in the last quarter.

Ian Watson, Old Carey's vice-captain, celebrated his 50th game with a great display in the ruck against Tooronga-Malvern. Ian can always be relied upon to give his utmost for 4 quarters and last Saturday was no exception. He rucked with great determination all day and it was not his fault that Old Carey failed to win the 4 points.

## Ball Briefs — continued

OM's had a most satisfying win last week; considering the circumstances the result couldn't have been better! **Dave Wilson** played a great game on the wing and the dynamic "**Rosco**" **Stansfield-Smith** proved an excellent replacement in the centre. **Dave King** played his best game for the season, his ruck work and marking were excellent. **Geoff Cloke** returned to form on his back flank, while **Rob "Buey Sixpence" McKay** and "**Roso**" were mentioned last week — you can't expect a write up every week fellas!

The continued improvement of **Old Haileyburnians Reserves** under the guidance of **Rob McKay** can be attributed to the form of some of our first-year players, namely **Rod Hart**, **Tony Coote** and a much improved **Lou Irving**. Keep it up fellows.

**National Bank's** young follower **Tom Houlihan** turned in a sterling performance against **Old Haileybury** last Saturday. He showed the Bank's forwards the way with three very useful goals.

**U.H.S. Old Boys** welcome the return of **Max Johnston** back to the side after his two week rest. Max has just returned from him honeymoon. Coach gave Max instruction to keep his training up while away. I wonder if he did — looks a bit tired — he must have. **John Driver** was seen buying half-a-D last Saturday morning before the game. He played a real good game too — could there be any connection?

**St. Kilda CBOC's** giant ruckman **Dennis Drew** is really starting to string consistent displays together. Usunig his height to advantage he rarely misses the tap and his accurate shooting around goals, despite his ungainly action, has him at the top of our goalkicking list. With **Peter Cooke** playing his best game for the season as a ruck-rover, and **Tessa** in fine form, **Drewie** has the two

parners to form a powerful first ruck combination.

**Old Brighton Reserves** fielded several heavyweight last week. Newly married **Roger "Joe" Wilson**, **Geoff "Herman Munster" Hosie** and **John "Grassy" Hoppgood** all give the bathroom scales a scare. This puts us "weigh" ahead.

In a game containing bursts of brilliant football and poor passages of play, **A.M.P.** came again in the last term to clinch a game it had tried to lose for three quarters. "**Sloanie**," "**Ferret**" and "**The Machine**" formed a dominant centre-line, **Barry Long** indicated a welcome return to form with a strong marking display, **Brian Ahern** turned in a solid one and received strong support from "**Stretch**" **McLennan** who is almost cherry-ripe, "**The Porter**" and "**Fats**" **Thompson** once again did the heavy work around the ground, **Kim Perrin** turned in his best one this year.

Pity the poor Press Correspondent down **Fairfield** way. I take a terrible pounding from one party each week — he claims I'm blind and I never see him play a good game — I even miss the goals he kicks — so he says. This week he has made the big time, so next week you'll see a new two-some, yours truly and **Ray "Dr. Spock" Rudd**.

**David "Kila" Kildea** killed the field, including your truly the old pro. himself, in the Parkside challenge race of  $3\frac{1}{2}$  mil around **Albert Park** lake last Sunday. **Denis** turned in the fine time of 20 minutes for the run. Others to show out were **Billy Rodda**, **Len Stenlake** and **Brian Lauer**. **Ray the "Junior" Senior** sprinted the distance in between walks, especially when the scenery was delightfully fascinating, in the time of 30 minutes. On handicap he would have won I was told.

## Ball Briefs — continued

Congratulations to **Old Trinity's** vice-captain who notched up his 50th game last week. **Peter Quarterman** has been one of the club's best players and an enthusiastic committeeman. Pete is one of the players the club is relying on to help us out of D Grade, we are still waiting to see him at his best this year, but after his performances last year we know what to expect.

A welcome return to **Brunswick's John ((Quinine) Quinn**, his first game back was a real beauty. He created many scoring opportunities up forward.

**Old Ivanhoe** supporters had more to cheer about last week after two poor weeks. Highlight of the main game was the improved work of the forward line which moved the ball around quickly and showed the benefits to be gained from good backing up. **Mike Williams** showed the Reserves the way home, with a dash from centre half-back (a mighty kick and two accurate bounces and in for a goal. Had the crowd roaring their approval.

**Phil "Stumpy" Connor** was best afield for **Old Camberwell** last week. He kicked five goals (and missed about five) in what was a great display of guts and determination. It's a pity more of the "Wells did not follow his example. Others who showed out were **Dave Tucker** (once again), **Ian Vincent** and **"Butch" McCallum**. Butch who has taken many heavy knocks this season received one early in the game last week but played out the game despite a painful ankle. A great effort for his team.

**Melbourne High's** star utility player **Bob "Maf" Staley** playing in his first season with the Senior side was given few opportunities last week. He had booted one goal up until half-time and was raring to go in the second. Then it came "You're on Maf," said a chang-

ing ruckman. Head down, "Maf" charged for the ball amid a pack of players, but alas, he fell heavily and was taken from the ground with a broken collar-bone. After having had the shoulder strapped, he turned and said "any ordinary man would be home in bed by now."

The pity of it is you can only name six best players and after **Ormond's** slashing win last week 12 players missed out. Some players worth a mention were **"Lumpy" Moran**, dashing and safe; **"Mel" Bourke**, reliable as ever; **"Teaser" Ladd**, great at centre half forward, and a big comeback goalsneak **"Lord" Dexter**, **"Lefty" Wright**, oh and all the others!

Congratulations to **Jeff (Trakus) Trevascus** of **R.O.B.'s** on a good performance Sunday morning.

### PERMITS CLOSE SOON

Applications for permits for season 1970 will close with the Records Secretary of the V.A.F.A. **Mr. Bruce De Lacy**, 67 Charman Road, Mentone. 3194 on July 1st.

The only application considered after that date will be that of a player affiliated with a club in the amateur body of South Australia, Western Australia or Tasmania, who is transferred to Victoria in his employment, or a National Serviceman who returns to Victoria.

A player who has played with a club in the V.A.F.A. this season, and has subsequently played with another club, must stand down for two matches before being eligible to play for his V.A.F.A. club again.

In a case such as this, the date on which he last played with the other club must be shown on his permit application.

# UMPIRE'S CORNER

Running over opponent's mark (Rule 10).

In the event of an opponent going over the mark when a player is kick-for goal from a mark or a free kick and a goal has been scored the field umpire shall give the "all clear" and the goal shall be counted.

If a goal has not been scored, the player shall be given the option of another kick.

When an opponent goes over any player's mark, the field umpire shall stop the play, direct time-on to be added and allow the player another kick (except as provided in Rule 10 above) unless such action would penalise the side offended against. Little things ALL should know

1. The lines in front of goal posts are the kick-off line NOT the goal square.
2. Time added is time-on — NOT time-off.
3. All clear is the signal given to the goal umpire by the field umpire — indicating that the goal umpire is at liberty to decide whether a goal or behind should be recorded.
4. Goal umpires are the sole judges of scores.
5. The ball must be completely over the scoring or boundary line before a goal or behind can be scored, or to be out of bounds.

Today we present what I believe is unique in Senior football in Victoria. The father and son combination of Hec and Ross Roberts.

Hec, of course, is well known to all V.A.F.A. players and clubs, joining us in 1951 after 3 seasons with V.F.L. He has officiated in all Sections, particularly "A" Section, where for many years he was one of our top men.

A terrific worker for our umpires Hec always has a word of advice for the young up and coming umpires. A gentleman on and off the field he

has gained the respect of his fellow umpires and players.

## Social News

Another umpire born last week, this time the happy parents are Gabrielle and John Posetti. Dad's athletic trainer has already set the 1990 Stawell Gift as baby Michael Francis' mission.

One of our best dressed umpires had a very red face last Saturday when he found his new umpiring socks were Collingwood colours!

June 21st is the day — Royal Avenue, Sandringham is the spot for tennis. Barbeque and plenty of space for the children to play in safety.

It was a tremendous thrill for Hec this year when teenage son Ross joined our ranks and again when both father and son were appointed to the same ground on opening day.

Junior has the job in front of him to emulate dad's feats but I feel sure that he will follow in Hec's footsteps and reach the top.

We wish Ross well and we hope father will still be running when that other little bloke takes on the whistle.

St. Bernard's junior coach Rex Doran hates losing and is not always happy when he wins. Against Old Paradians last Saturday he was projecting himself ahead to the next week as he watched his team take the opposition apart. Even a candid camera would not make him smile when the mood hits but that goal of Doolan's in the last quarter brought a look of pure pleasure to his craggy countenance. Bear up coach!

In a woeful Glenhuntly exhibition. Merv Tranter, Darryl Roberts, Bob Johnson and Neil Alman tried valiantly for four quarters. Some assistance to these boys and today we can redeem ourselves. Clark's reason for 8 behinds — tiredness from the other 31 kicks!

## LOOK AFTER YOUR VALUABLES

A few wallets took a beating after last week's game for Old Brighton. Even though the Reserves won by seven goals their money still went for a walk. We put it down to experience!

## DOUBLE CENTURY TO A.N.Z. BANKER

Congratulations to Peter Treleven of A.N.Z. Bank playing his 200th game today. Peter started his career in 1957 and has been one of our most consistent players year after year. Peter has been worried by injuries this season, but is overcoming these problems and will play a key part in the rest of the season's games. Here's to the next milestone, Peter

## 150 GAMES TO FOOTSCRAY PLAYER

Geoff Fletcher, Footscray Tech's "Senior" ruckman played his 150th game against Uni. Blacks last week. Geoff, always a battler, is the veteran of the Senior team this year and always gives his all for the blue and gold.

## 100 TO ST. BERNARD'S HALF-FORWARD

All at St. Bernard's congratulate Peter Amott on his 100th game today. Over the years Peter has been both a fine player and clubman and everyone hopes that he continues for many years as an elusive half-forward.

Being the coach's son doesn't worry Doug Adams very much; probably he is like most sons and can tune out the old man at will. Occasionally they must coincide at the dining room table which is when Perc can get his thoughts expressed. Still Doug has played 100 games at Alphington with credit to himself, the club and the family, and we look forward to quite a few more.

What a great job Pat Canny, Ian Ronnie, Bob Blair, Bill Hammond, Russell Cooper, Paul Slattery, Des Dorey and Fred Coldrey do each Saturday to get Hampton Rovers on the field. These boys go about their various tasks with great enthusiasm and it is a pity that their efforts are not rewarded. What about it fellows.

## 100 GAMES TO BOB MILLER

The Power House dynamo "Fiery" Bob Miller played his 100th game against St. Kilda CBCOB. Bob joined 'House in 1963 with the Juniors and was captain in 1964. In 1965 he graduated to the Reserves and has played in both the Seniors and Reserves since then. He won the club's most consistent player in 1964, 1965, 1967 and 1968. Throughout his career he has played in only one position — a rover. Congratulations from all at Power House.

'Tis a fine, bright, beautiful morning this morning it is — Poison Pen's mob went down to Fairfield, 'twas a sight to be seen, Gaympie, old bean. There was not one weak link in the Fairfield chain. Colin "Tip" Topp was there when needed, he didn't loaf all day and he sliced his way through the opposition. Another fine performance was turned in by Alan "Yo-Yo" Jones — he used to be called "Plumb-Bob", something that goes down and stays down, but now he's getting up again, hence the new name! Our two bleary travellers haven't left yet. I have heard they are waiting for a "Harry Lime" (to the uninitiated that's the third man), so perhaps soon I'll have more news. Sorry you didn't get down to drown your sorrows with me Poison Pen, but you may make the Spirits Night. Till the Sabbath rolls round again, Adieu. — The Bleeder.

# From Here and There — continued

## 100 GAMES TO OLD HAILEY-BURIAN

This Saturday Peter "Keke" Davies plays his 100th game for Old Haileybury. Before playing with us "Zeke" played many games with Power House but came across to the "Bloods" in 1962. "Keke" has been a great clubman over many years and would have reached his 100 games far earlier had he not gone overseas for 3 years. Good luck for your next 50.

Congratulations to Jim Green of Old Carey on qualifying for Life Membership of the club. Tim is a veteran of over 150 games which gives him the honour of Life Member.

Sad salutations, Gypmie. Unfortunately I did not get to see my friend in prose last week as I made another flying trip to Geelong where I joined the ranks of the immortals by being labelled the world's worst umpire — I must be going well. I notice Geelong knocked off Uni. Blacks the other week — they did not pussy-foot around in this game I hear and the Blacks were black and blue afterwards. It seems to me the Uni. boys would have been singing the blues after this game. Let's hope Pussy Cat's team keeps playing well and takes off the flag — our hopes were severely dented by Fairfield's splendid victory over us last week. It appears that if the 'Fields and Parkside — the industrials — played off in the Grand Final the turn would never finish, before daylight that is. Hoping the Bank's were the greatest last week, till next week if I'm not in a fog, or haven't the foggiest Poison the Pen.

## CENTURY TO PARADE ROVER

Heartiest congratulations go to popular Old Paradians rover Hughie Ford who played his 100th game for the Club against Ormond last Saturday.

Congratulatory greetings Bleeder, old blood. Well the Bloods certainly turned in a fine performance against the Parks last week. It appears that the hard training your fellows have been doing paid the expected dividends last Saturday. I had my pen poised at the Pleasant Sunday and learnt that it was the hardest game the Norman "Larry the Lip" Willoughby and Ron "Stiff Leg" Tennent had ever played in. I believe Vin "Witchdoctor" George colled your ear, and "Willo" copped one behind the ear — the 'Fields would not come that caper or go home I hear. The amber liquid was pouring that quickly that Jamy the Industrious gent — a boring fellow at anytime — allowed for spillage, but to clear the puddles he armed himself with a brace and bit and it is now acknowledged that Parkside have the happiest mice in Melbourne. Do you have borers in the floor? To end on a happy note I will say our Reserves achieved the desired result. See you soon I trust, Poison Pen.

All at De La would like to extend their appreciation to the "tent" ladies, those pies and pasties etc. certainly go down well. Keep up the good work girls.

Sorry to hear Footscray Tech. Reserves manager, Jeff Walker met with an unfortunate accident at work last week. A most popular clubman "Squawks" has always given his time and effort to the Tech. teams. From all members of the club and all those associated with it, we wish you a speedy recovery and hope it won't be long before we see you around again.

Congratulations to National Bank Juniors on their first win for three seasons. Special thanks to "Scotto" for great team effort. Keep it up chaps and more wins will come your way.

# From Here and There — continued

Hello Poison Pen and Bleeder. The Observer tells me **Bleeder** is grinning from ear to ear whilst **Poison** is crying into his cup with **Gympie**. **Pussy Cat's** mob is still on top, and I still don't know how.

The Reserves went down in a crowd pleaser — **John White**, **Ross Moffat** and **Russell Joy** were best for **Commonwealth Bank**. Old Scotch with their loose man style of play proved too formidable for the Seniors, who had good players in **Les Radford**, **Carl Ventura** and **Bernie Curtain**. Perhaps we got lost in the fog.

Christened Old Scotch's portable timekeeping box — with their aeroplane type seats I thought I was going to be up and away.

We meet Uni. Blacks today so I suppose I'll have **Andy Smith** crying on my shoulders. — **Gympie**.

Congratulations to **Eric Smith**, **Ken Andrews** and **Robert Foster** who recently played his 50th game; Also to mention **Guyan "Butch" Wilson** is about to play his 100th. Well done "Butch."

Today we go to Footscray. Beware!! Last week's form must have been great. We would love to see the Baby Elephants knock off Blacks.

Till next week,

— **Pussy Cat**.

Once more the **Geelong Amateurs** turned on the hospitality for all from **St. Bernard's** after last week's match at Geelong. This writer was very relieved to read in the Sunday papers that Melbourne was fog bound on Saturday night as the "turn" was so good I wasn't sure whether it was fog or me. Thanks Geelong for the hospitality but not for the thrashing you handed out to both teams — let us hope we learn from them and give you competition for 100 minutes next time we play.

All the **MHS Juniors** are pleased to see the "cheer squad" turn out

every week. Headed by "**Bull**" **Lanyon**, "**Tiny**" **McDuffie** and "**Greasa**" Rees their encouragement is certainly appreciated.

**Collegians** popular and energetic President **Basil Coombs** saw what may be his last home and home game for the season last Saturday. He's going overseas on a business/holiday trip and has been given leave by the club. We wish him well. Whilst he's away **Collegians'** club will be under the guidance of Senior Vice-president **John Ball**, who at one time played cricket for University. John will be ably assisted by a very strong committee.

Dear **Gympie** and **Everyone Else**. After much pestering **Pussy Cat** has taken the hint and returned after an enforced absence. He has not returned just because of **Geelong's** return, and you think probably has something to rave about. Nothing to rave about yet! Sure we're on top but we still have to make the big A. After an ordinary first half, we played after half time as Blacks did in the last quarter a week ago. **St. Bernard's** only goal for the half came 28 minutes into the last quarter. **Mickey Alden** and "**Perdi**" **Jones** were the Geelong stars well backed up by **Alan Trevaskis**, giving his usual "percentage" football, **David Leake** (six goals).

## SPECIAL MATCH ON

A special representative match between teams selected from members of the **Carnival Training Squad** will be played at **Elsternwick Park** on **Monday, June 15 (Queen's Birthday)**, at 2 p.m.

Players and followers of amateur football are urged to attend and see the players who will represent **Victoria** at the **A.A.F.C. Carnival** in Perth next month in action.

REMEMBER THE DATE — **MONDAY, JUNE 15, AT ELSTERNWICK PARK, AT 2 P.M.**

## SOCIAL NOTES

**Footscray Tech's** annual Wine-bottling Day at Fletch's place is on tomorrow, starting at 11 a.m. Don't forget to bring plenty of empty bottles and a good spirit to make this as big a success as last year.
