Coburg finish well to beat Caulfield

Ormond too strong for Monash

Three still share lead in B Section

By GEORGE McTAGGART

After trailing Caulfield Grammar for more than three quarters last Saturday, unbeaten leaders Coburg unleashed a strong finishing burst in the last quarter to win by 21 points.

Ormond's greater accuracy in front of goal was a key factor in their 5-goal win over Monash University, who troubled Ormond with their pace and play-on style.

Melbourne High lost their third game in a row when they went down narrowly to the lowly placed Old Paradians, but they held their place in the four.

Geelong, Old Scotch and University Blacks still share the lead in B Section, each having been beaten once. They are three games clear of St. Bernard's and North Old Boys, who are equal fourth.

Caulfield held a 25-point lead over Coburg at half-time in a high-scoring game, but their lead had dwindled to 4 points at the final change. Then Coburg at half-time in a high-scoring mined football in the last term as Caulfield tired.

Ormond were more purposeful in attack generally than Monash who wasted many opportunities around the goals. Otherwise the game was fairly even.

Except for a burst by Collegians late in the third quarter, University Blues were in control for most of the day, and ran out winners by 6 goals. Collegians were 26 points down at the interval, but edged up to within 13 points at three-quarter time. Then the Blues finished on in the last quarter, when they added 3-6 to a point.

Parade played strongly against Melbourne High who were struggling to score, and Parade led by 2 goals at half-time. High hit the front early in the last term but Parade got up to win by 4 points.

De La Salle adapted themselves to the conditions better than Ivanhoe and went to a 28-point lead at half-time, and despite a strong second half by Ivanhoe, "De La" held on to win by 11 points.

St. Bernard's made a valiant effort in the second half to overhaul North Old Boys but failed by 8 points. North led by 27 points at half-time.

Old Scotch were not troubled by Old Xaverians whom they beat by 5 goals, but Scotch could manage only 2 points in the second half.

University Blacks ran right away from Commonwealth Bank after half-time and Geelong did much the same to Footscray Tech.

Alphington and Kew staged a close contest which Alphington won by 10 points.

Assumption trailed Old Melburnians by 2 goals at the interval but swamped O.M.'s after that and ran out winners by 31 points.

Old Carey beat National Bank by 11 points, Tooronga-Malvern had 17 points to spare from St. Kilda CBC, and Uni. High won by a big margin from Power House.

Parkside thrashed Old Geelong, who kicked only 1-1 for the match and were beaten by 44 points.

Old Brighton kicked 7-7 to one point in the first quarter against Old Trinity and still led by 13 points at half-time, but Trinity came home strongly to win by 26 points.

Glenhuntly led West Brunswick by a point at the interval but added 9-4 to 2-2 in the second half and were easy winners.

Fairfield were too strong for St. Kevin's and won a low-scoring game by 19 points, while AMP Society scored by 33 points over St. Pat's.

La Trobe University knocked Brunswick out of top place when they won by 9 points, after being 11 points down at the half-way mark. Old Camberwell kicked a big score against Old Essendon and Reservoir Old Boys and Elsternwick had a big win over ANZ Bank and AJAX respectively.

In the Juniors Monash beat Ormond by 17 points and Melbourne High beat Old Scotch by 6 points in a low-scoring struggle — so low-scoring in fact that each side kicked only one point in the last term.

Old Paradians beat Coburg by a point in a tense finish to a close encounter.

But matches in Section 2 were all decided by relatively big margins.

There were some close games in the Reserves — the Blues beat Collegians by 9 points and Parade beat M.H.S. by the same margin. Ivanhoe beat De La Salle by 8 points, Old Scotch beat Xavier by a point, Footscray Tech. beat Geelong by 4. Power House beat Uni. High by 4, Hampton Rovers beat Old Haileybury by one point, Elsternwick beat AJAX by 2, and La Trobe drew with Brunswick.

St. Kevin's suffered their first defeat when they went down by 11 points to Fairfield, while Old Melbourne crashed against Assumption.

PERMITS CLOSE SOON

Applications for permits for season 1970 will close with the Records Secretary of the V.A.F.A. Mr. Bruce De Lacy, 67 Charman Road, Mentone. 3194 on July 1st.

The only application considered after that date will be that of a player affiliated with a club in the amateur body of South Australia, Western Australia or Tasmania, who is transferred to Victoria in his employment, or a National Serviceman who returns to Victoria.

A player who has played with a club in the V.A.F.A. this season, and has subsequently played with another club, must stand down for two matches before being eligible to play for his V.A.F.A. club again.

In a case such as this, the date on which he last played with the other club must be shown on his permit application.

Re-registration of a player whose permit is still in force, that is, a player who has not played with any other club since he last played with the club with which he is seeking re-registration may be made at any time up to the last home and home match.

It was good to see **Richard Wilcox** of **Old Carey** strike something like his old form against National Bank. Playing in the centre in place of **Reg Elliott**, out injured, he got a bag full of kicks. In the last quarter he seemed to draw the ball like a magnet and was instrumental in Old Carey running out winners.

Old Carey have been very badly hit by injuries. In order to fill the Reserves team they had to call on "old timers" **Frank Jones** and **Chris Thomas**, neither of whom has played for about 3 years. They both acquitted themselves well, Frank kicked 2 goals in his old style, and Chris came under notice for a couple of smart passes to his forward.

"Roly" **Wood**, "Tiger" **Cameron** and "Baby" **McDonald** gave **Melbourne High Juniors** tremendous drive in the sloppy conditions against Old Scotch last week. With 2 "big ones" down MHS can well feel pleased with the results in the past few weeks.

Tech's ruckman who has the reputation for his marking, or lack of it, proved it correct once again last week. "Lurch," the best trier we have will always give his best even when the side is down. They say his heart is as big as his head, if so let's hope Dr. Barnard is not looking for an elephant transplant. Seriously Bob, keep up the good work.

Well, "Stumpy" Connor has done it again. Eight goals and large, undisclosed number of behinds. There's a rumour around the Old Camberwell club that "Stumpy" is advocating the use of junior size footballs to improve his kicking. He reckons the ones in use are too big for him!

Footscray's big **Tom Henderson** showed his "pace" to advantage in the game against Geelong last week. Sneaking around in the goal square Hendo out-paced the pack which had just formed on the half-forward line to run in and soccer a goal from the ground in the first term. To prove it was no fluke Tom did the same again later to "dob" his second major in the one game.

AMATEUR DEFINITION

An amateur is one who has never competed for a money prize, staked bet or declared wager, or who has not knowingly or without protest competed with or against a professional for a prize of any description or for public exhibition, or who has never taught, pursued or assisted in the practice of any athletic exercise as a means of livelihood or pecuniary gain. (This definition is subject to certain exceptions set out in the rules of the Australian Amateur Football Council.)

BALL BRIEFS

Someone apparently kept a secret from **Dick "Rocker" Weibye** of **Old Geelong** last Saturday. It seems as though no one told Rocker that, since the oval was 4 inches of water over 6 inches of mud, the ball would be slippery. So he went out and marked and handled the ball as though it was dry.

Well done **Glenhuntly!** "**Rosie**", **Denis** and **Clarky** were the architects in a fine team effort where all (nearly!) followed **Bill's** instructions. **Ian Beckerleg** and **Grange Crawshaw** gave all in the reserves. Records show today is **Noel Wilcox's** 50th game. He claims his good form this year is due to application, others feel it is **Dianne** ensuring early nights!

Good wins to both **Firsts** and **Reserves** for **Old Camberwell** last week. In the reserves the outstanding player was **Stewy Cripps** at centre half back. He was practically impassable all day and gave great drive with his intelligent use of the ball. **Peter (Mudlark) Waterworth** was best afeld for the firsts. He revelled in the muddy conditions which he always seems to love playing in. Others to show out were **Darrell Gretgrix** who played a great game on the forward flank, **Max Redman** who is making a welcome comeback, and **Glen Foster** who won a ton of kicks on the wing.

Congratulations go to **Old Essendon's Neil (Apples) Alpin** on his engagement, and to **Bob (Twinkle Toes) Lloyd** on the successful recovery from his honeymoon.

In a very even winning side, **Wayne Stokes** gave a grand display at centre half back for **Tooronga-Malvern Juniors**. And he was well supported by **Graham Watts**, **Greg Cullen**, **John Black**, **Rob Perkins** and **John McMaster**. Keep this up boys, and you must go places.

Congratulations to **Fred (Chewy) Tuininga** and **Margaret** of **R.O.B.'s** on the announcement of their engagement. We wish you both the best of of luck. P.S. They tell me the mozz has been put on **Barny** and **Besty** for the next to go.

University Juniors after a slow start came home strongly to defeat **St. Kilda**. **Peter Cusack** played very well all day. **Terry Ryan** turned in his usual consistent game and at the same time strengthened his claims to being the worst kick in the team. **Bob Girdwood** gave a remarkable display of goalkicking, registering 2 goals from 12 shots. **Dave "No Worries Pal" King** made a welcome return to the side after sustaining injury in unusual (but not for him) circumstances.

Things are becoming a little disappointing down at **Old Brighton** for coaches **Kevin Deer** and **Bill Faul**. All three sides seem to have lost the will to win and thus our places on the ladder. Perhaps the new clubroom might make a difference, let's hope so.

Gerard is the youngest of four **Mahoney** brothers playing for **St. Bernard's** but he is by no means the least talented. Last Saturday he gave the juniors his best game yet and showed he is a footballer with a big heart, as well as talented.

Elsternwick's juniors returned to the winning list in a big way last Saturday with a very proud coach **Ian "Tooty" Taylor** coming back to the **Elsternwick** rooms with a grin from ear to ear complaining that they didn't play well enough!

A big thank-you goes to **Brunswick's** reserve trainer **Mr. Les Brennan**. No matter whether it is rain, hail or shine Les is always there to help the team and the club.

Thanks again Les, we really appreciate your effort.

Ball Briefs — continued

Old Trinity supporters could well have been excused for going home disgusted at quarter time against Old Brighton last week when their team had not scored a goal and were eight goals behind the home side at the end of the first term. However if they did leave they missed seeing a magnificent comeback over the next three quarters when every player took the example of **Phil Cohen**, brother **Peter**, **Dale Emmerson** and **Geordie Fellows**. Even the coach was pleased, "Smashed Cookies" and all.

In a very poor standard game A.M.P. got the points because they were not quite as bad as the opposition. "The Machine" **Munro** was easily the most effective for A.M.P. and turned in a flawless display. **Barry Long** was prominent again despite Jenny being a spectator. **Brian Ahern** was one of a small band who had a go for 100 minutes, as was "Fats" **Thompson**. "CEC" turned in a dashing display but played loosely at times, and "Flea" didn't give his opponent a sniff. Congratulations to top goal sneak **Max Formby** and reserves defender "Herb" **Gay** on notching up number 50 with the club.

Although **St. Kilda CBOC** juniors lost to University, some resemblance of football is at last coming back. With the school-kids out and with only eighteen men the "Sainters" did well to hold the so-called top team, except for the last ten minutes of the third quarter. With "Head" **Lynch**, "Monkey" **Clinch** and that devastating footballer **Phil Head** playing well, other team-members followed their example. Last seen **Phil Head** was going down for the third time in the mud-patch in the centre. Hope he can be revived in time for today's match.

Last Sunday week the unexpected happened — all **Fairfield** were amazed at the event. **Ross Herbstreit** became

the father to a pair of electric blankets, if he had been entertaining any thoughts of matrimony they have been pushed aside now. Next week he is going to adopt a three point plug.

A magnificent last quarter by **La Trobe University** swamped **Brunswick** after being down most of the game. "Shag" **Anyon** kicked four beauties, and "Chucker" **Gilchrist**, "Four-eyes" **Beynon**, and "Pascal" **Sgro** starred all day. Bad luck reserves, but some steadiness in front of goal mightn't be a bad idea. Anyway, well played for three quarters.

When **Caulfield Grammarians** tired in the last quarter against **Coburg**, they would have lost by more than three goals but for the efforts of **Peter McLaughlin** and **Barry Morphet** who kept the outcome in doubt until the final siren. Some senior players could learn a lesson.

Collegians — There is a rumour that the assistant coach of the reserves **John Moodie** is at last engaged to be married, we did not see the young lady wearing a ring so we won't name the lass yet, possibly **John** might put us in the picture, what about it, "Mood", true or not true is the question. Our sincere thanks to the **Blues** for their hospitality after the game.

Melbourne High have been having a real bone-breaking time in recent weeks. "Dicky Knee" **Harley** having recovered from a cartilage injury played his first senior game this season recently and broke his little finger in two places, veteran "Jocka" **Nelson** received a smack in the face which resulted in a broken nose, **Bob "Maf" Haley** grabbed a piece of ground too lovingly and broke his collarbone whilst an X-ray showed **Ian Wood** that he had a vertical fracture near his ankle. Incidentally, there are still some uninjured players who can struggle onto the field.

Ball Briefs — continued

David Whitelaw played his 50th consecutive senior game for **De La Salle** against **Ivanhoe** last week. David is having a great season and is giving the side tremendous drive from the pivot. Keep up the good work.

Two of **Ivanhoe's** newest recruits, **Joe Homsey** and **Charlie Cody**, have settled in well, and are playing better every week. Here's to a good win today fellas against the "Old School".

A feature of **Ormond's** match against **Monash** last week was the return to form of **Joffa Graham**, two freak goals topped off a fine game. "Meat-Eater" **Curtis** collected many kicks whilst "Lumpy" **Moran** and **Sparks Lavery**, impassable on the back line, were other fine players.

John Kelly played four quarters of fine football last Saturday for **Monash**. John, playing only his second game, relished the wet conditions and kicked and marked well all day. His backing up set an example to the players around him and his encouragement of his team-mates lifted them. Well done John! Keep it up!!

Congratulations to **Mick Perrett** on returning to the 'B' grade team of **St Bernard's** last week. Playing his first main game for a couple of years, the captain-coach of the reserve team did a very creditable job, and if the whole team had played as well as Mick maybe we would have been able to beat our traditional rivals **North Melbourne Old Boys**.

Alphington Juniors are grateful for players who bring their fathers to the games, especially when the father hops into helping with the chores and more so when the father is an old player. **George Lee** is the father, known around the village as **Dick** when a boy, when he used to rove in company with **Skinny's** dad to the ruck work of **Jack Shea**.

U.H.S. Old Boys' full forward **Geoff Davis** returned to form last Saturday, kicking 11 goals straight, which proved to be a match winning effort. Well done **Geoff**.

A great rebound by **Assumption** after the previous week's debacle. Led by the big blonds **Des Tuck** and **Chris Jeacle**, who were missed the previous week, and with small men **Mick Avery**, **Peter "Polly" Faulkner** and **Steve Cooper** giving plenty of bite around the ground, the opposition had little hope, although they gave plenty of cheek for three quarters. At full back spectacular **Graham Howard** showed a more determined side to his game after three years on the forward line. At the opposite end **Gerald Harding** added a lot of bulk to the forward line when relieving star forward **Barry Dyer** who took a more active part in the play at centre half forward.

Lack of height up forward told against **St. Kilda CBOC** who could not peg back **Tooronga-Malvern** after giving them a six-goal start. We were close enough if good enough in the last term but the combine held us out. Best players were **Terry Kenny** who is becoming a top-rate defender, **Dennis Drew** and "Mocca" **Bilston** two of our most determined players, whilst **Chris Martin** and **Peter McLaughlin** (4 goals) were others to do well.

Graeme Dryden, promoted to the **Parkside** senior side last week, after winning the best afiel trophy for the reserves the previous Saturday, appears to have just about notched himself a permanent "possie" in the senior team if his form in last week's match is any indication. With a little senior experience under his belt, **Graeme** will become one of the best players in the amateur competition with an ounce of luck and the help of players around him.

Ball Briefs — continued

Congratulations to **Old Melburnian Geoff Cloke** on his engagement to **Jenny Luke** last weekend. Everyone wishes both Geoff and "Mufflers Lukey" all the best. "Lukey" rarely misses a game and her support whether barracking or selling pies is valued highly. By the way Geoff — great game last week son!

Best wishes for the future are offered from all at **Old Haileybury** to **Jimmy Mason** and his fiancée **Judy** who are to be married on Saturday.

What a magnificent season **Alan Cockerell** is turning in for **Tooronga-Malvern**. His goal in the second quarter as a result of one of his many dashes from the half-back line was the highlight of the game. **Gordon Jones** was mainly responsible for the Saints' solitary goal till half-time and "**Rocky**" **Newton** then held down centre half back with distinction after Gordon's exit. **Ian Cameron** and **Johnny Collins** also defended stoutly, **Peter Hoey** was in fine form and **Len Bean** turned in his usual lion-hearted game. **Colin Simms** and "**Butch**" **Sheedy** both returned to the side and did many useful things.

Footscray Tech's Adrian Scott is really firing with the Reserves each week. The wet conditions make no difference to Adrian's marking or ball-handling and last week he again effected many great saves in the back pocket. Ably supported by the "Mal-lee" at full back these two held the opposition out long enough to take the four points.

Congratulations to **Greg Maloney** of **Old Carey** on his good showing in his first game with the seniors. Playing on a half-back flank Greg showed plenty of dash and never gave up all day.

Dear Gympie and friends. — Gym-pie can't understand so I'd better explain. We are on top because (a) we

have been beaten but once, and (b) have the best percentage. She was muddy at Footscray last Saturday but it didn't seem to worry us and the ten goal win seems to show we aren't a bad wet weather side. **Guyan Wilson** marked as if it were dry, **Alan Trevaskis** was a real mudlark and despite it being wet, really burnt! **Mickey Alden** was his usual self and they were backed up by a very even team. **Robbie (Peter Robinson)** kept runner **Russell Morris** (not the singer) busy because every time he fell over (which was often) he got panties dirty and wanted to change 'em. However in between changing pants he found time to take quite a mark and kick quite a goal. The enthusiasm shown by injured ruckman **John Casboubt** behind goals was something to marvel at. His hand signals resembled more a wave but his precision and flag-waving was out of this world. Guess what? **Middleton** (wearing the No. 49 he made famous) raced on as 20th man, fell flat on his face in the mud, but alas, has yet to receive his first kick in the comeback trail. Till next week. — Pussy Cat.

With the wedding of **MHSOB Juniors Daryl Brooks** only two weeks past it seems the fever has caught on. "**Twiggy**" **Durham** is the next to "go." At least we can be sure of an "old wives" association in the future!

St. Kilda CBOC has had its usual run with injuries this season. At the moment **Kev Ryan**, **Robin Harrison**, **Jack Hawkins**, **Heinz Fickler**, **Mick Rahilly**, **Vic McCandlish** and **Dave Mattei** are all on the injured list and none appear likely to return in the near future so serious are their injuries. Add to this the retirement of "Needles" through injury and the loss of "Pippy" to Sydney, and we have a deficit of quality and experience that is almost impossible to cover at one particular time.

UMPIRE'S CORNER

Law 8. — Kicking off from behind.

(A). When a behind has been scored, unless a subsequent free-kick has been given, any player on the offending side shall kick the ball from within the kick-off line, and when the ball is being kicked off no player of the opposing side shall be allowed within 10 yards of the kick-off lines.

If such player hand balls the ball over the kick-off line the field umpire shall stop play and direct the player to kick off in accordance with this law.

(B). The ball shall not be kicked off from behind until the flag has been waved by the goal umpire.

(C). The ball shall be kicked clean of hand and foot — **not** necessarily over the kick-off lines, and once kicked shall be deemed to be in play.

Note — If this law is not fully complied with (merely touched on the foot) the field umpire shall bounce the ball.

If the player kicking off runs some distance beyond the kick-off area, before kicking the ball, the field umpire shall stop the play and bounce the ball on the kick-off line.

Special Note — If an opposing player attempts to delay play, by moving to or standing within 10 yards of the kick-off line, the field umpire shall direct the defending player to kick off in accordance with this law and shall report the offending player. No other penalty for wasting time shall be awarded.

Social News

Who was the umpire who prior to a recent game decided to help his wife by hanging clothes on the line and then caught his tie in the winding apparatus of the rotary clothes hoist? (sell him a new one Ken).

Two members of Umpire Committee — racquets restrung — seen prac-

tising tennis last week-end. No hope gentlemen, Don's the umpire for all games tomorrow.

After a most enjoyable night as guests of the AJAX Club last Thursday night, Max Barker and myself were "shown over" the Athletic Centre — which can only be described as "fantastic". To AJAX officials and players, thank you.

Bill Jennings who ran the 6-mile cross-country hike "in waders" last week was not out of favor — he left his road shoes home.

One of the strengths of our game is the fact that many of our umpires have been schooled in the ranks of Amateur football teams. Top club in this respect is Commonwealth Bank with whom 6 of our present umpires played.

They are: Don Malcolm, Ken Jorgensen, Bob Hocking and the Jenkin brothers (Ian, David and Russell).

Terry Carman, number 7 member joined us for one season and returned to his club as Senior coach to win the 1969 flag.

Better handling of the very muddy conditions, eagerness to get the ball first, and using every kick to advantage gave Tooronga-Malvern Juniors an early lead which they managed to hold all day, and keep them within distance of the four. A good performance to which all players contributed.

Captain "Hairs" Carey and Vic Calleja returned to St. Kilda CBC's firsts in trying conditions and to do well after enforced layoffs was a lot to ask. Both battled hard all day and will be better for the game. With Ed Schwarzman to return to the side and better weather approaching we may prove a tougher nut to crack than has been the case so far this season.

Ball Briefs — continued

OMs reserves after a great run of wins put in a "shocker" last week-end. **Tony Rudd** played a great return game after being on the sidelines for a couple of weeks while "old hands" in **Harvey Tartakover**, **Tim Alder** and **Ross Campbell** never gave up trying. **Barry Gilbert** played his usual consistent game and "**Rich**" **King** in his first game for the season put in a creditable performance.

A note of welcome from **Old Hailbury** goes to "**Dave**" **Young**. "**Dave**" has made all the difference to our forward line over the past 4 weeks with consistent kicking for goals, we could have to find a new spot for "**Ringer**" if and when he returns from overseas.

We missed recording 50 games to **Trevor Wills** last week so here goes for his 51st with **Alphington juniors**. Not a record with the club but still indicative of an early start. He decided to accompany his older brother **Dennis** and was happy to make up the numbers occasionally for a start, but is now a stalwart of the team.

Unfortunately for **St. Bernard's** one of the club's foremost players and committeemen, **John Harvey** has been transferred interstate in his employment. Over the years 'Harv' has been a great player for the club, and last year was the second best and fairest in the 'B' grade team, and if the whole team had been able to match his endeavours each week we would have been more successful. The writer acknowledges that he lost a 'few' beers last week, and these will be bought when first in **Finley**. We all hope to see you through the year **Harv**.

Last week's win by **Assumption reserves** was notable in that two players completed their 50th outing for the Blues. These were **Jimmy Morden** and **Peter Daly**. **Jimmy** has shown remarkable courage to come back last

year after a serious accident had left him partially disabled and has shown great form in the last few weeks. **Pete** is one who tries week after week and can be relied upon to give a full effort each time. Another pleasing feature of the game was the great form shown by **Des James** whose sparkling play has been missing for a few weeks.

Bert Liddell certainly put shame to those **Tooronga-Malvern** players who didn't front for the reserves. **Bert**, as president of the club, only strips when we're short but usually makes his presence felt. Not content with being one of the best afield, **Bert** then ran the boundary for the seniors in quagmire conditions. The players would like to thank **Bert** for the countless drinks on him after our fine win.

Now for the **Parkside** award of the week. "**Dick the head**" must come into consideration along with **Tom "Terrific" Johnston**, and **Russ Fitzgerald** who if he continues to let down his mates by not training may miss his chance of playing in a premiership side this season. **Jack "the creature from the black lagoon" Maxwell** has been selected to make the award after his mate **Albert "Peter Crayfish" De Forrest** has delivered the eulogy.

Old Geelong's Geoff "Tanglefoot" Grantham was their reserves' best player in last Saturday's win. This was the side's first win for about 18 games. What was so great about **Tanglefoot's** game was that while he normally cannot play in the dry without falling over, his footwork in shocking conditions was perfect.

Mike Bates, "**Spidge**" **Martin** of **R.O.B.'s** showed great form last Saturday and were instrumental in our good win. Congratulations also to **Bob Ashby** and **Colin Davis** on another great game in the reserves.

Ball Briefs — continued

Old Essendon are struggling desperately to win games and the loss of key players has not helped the situation. **Pete (Fox) Mellor** is out for the rest of the season with cartilage trouble. Top ruckman **Russ McKenzie** and the reliable **Wayne McDonald** are both out through suspensions. Both are repeating the words 'never again'. **Coach (Charlie Brown) Edwards** has a difficult job ahead, but with support from all players, the club is certain to improve.

Old Brighton Juniors showed their determination last Saturday, but to no avail. With **Max Powell**, **Rod Eastgate** and **Brian Grandin** all injured, but playing because of lack of numbers, the boys kept trying all day, right up to the final siren.

On a day not suited to good ball handling **Michael Eaton** gave **St Bernard's** junior side tremendous drive all day with a persistent and heady display of roving. Congratulations **Mike**.

All at **Fairfield** will be sorry to hear that **Bill Clarke** has been hospitalized. He is in **The Royal Melbourne** in **Ward 3 West**, visiting hours are 7 till 8 p.m. daily and Wednesday, Saturday and Sunday 3 till 4. So fellas if you have a few minutes to spare **Bill** would like your company.

AMP reserves displayed more teamwork and dedication than the senior side and scored a huge win. **Mick Grubb** proved a very adequate replacement and lobbed seven. **Jerker** mesmerized the opposition with his footwork and "**Alfie**" dominated midfield, "**Moose**", "**Snow**" and **Blossie** also contributed.

Melbourne High's stand-in back pocket player **Ronny "Cycles" Bennett** played a great game when it was found out that regular **Ian "iron-man" Wood** had been playing for the last five weeks with a cracked bone in his ankle. "**Cycles**" was there all day battling for the home side and doing

a wonderful job. After the match he was seen to shower, dress, don his studded leather riding gear, down three to four bottles without blinking, leap on his two-wheeled machine and ride off into the night.

When **Caulfield Grammarians** were defeated by **Coburg** in the opening round, **Caulfield** led by five goals at three quarter time. Last Saturday they led again at the last change and were beaten. Is **John Wilson** taking steps to have the last quarter abolished?

Did you see the way that **Brunswick's Cliff (Whiskers) Benns** got out of trouble last Saturday; he beat four opponents. The way he was blind turning and baulking you would have thought he was a merry-go-round. A good game **Cliff** capped off by two good goals.

Elsternwick's old man **Graeme "big grey" Shaw** appears to be maturing with age judging by his strong and determined play over the last couple of games while other players who are starting to find form are **Ray Street**, **Paul Shewan** and **John Cornhels**.

Donny Dwyer, **Phil Bennett** and **Nev Holberry** were the stars of **St. Kilda CBOC's** Reserves comfortable win over **Tooronga-Malvern**. These three are all small players and it is unfortunate that the **Firsts** are overburdened with players of similar stature, big players being the need for the top side at the present. Those two goals by "**Jexy**" must have been quick, nobody seems to have seen him kick them!

Ivanhoe Reserves are pleased to be suffering from an attack of the left footers. **Wayne Toohey**, **Peter Hartne** and **Kevin Hutton** now have been joined by **Mal Girdwood** who turned in a beauty last week in his first up after a long spell. **Barney** occasionally drops the ball in the vicinity of his left foot, but usually misses.

Ball Briefs — continued

De La Salle Reserves rover **Gerry Hale** played a great game against Ivanhoe. Gerry gained his kicks all around the ground and continually drove the ball to the forwards. He was well supported by "**Iby**" Keating and **Kevin Perkins** in the centre. "**Fats**" Whelan says it was his strong rucking that made Gerry look so good. Well spoken "**Fats**."

Popular Ormond player **Mick "Tangles" Murray** has recently undergone a cartilage operation and we wish him every success for a comeback attempt. "**Tangles**" is a most fascinating supporter but we think he's a better player. Whilst on the subject of crocks it is very pleasing to see "**Teasa**" Ladd showing dashes of his old brilliance after a serious injury and we are eagerly awaiting the return of stars "**Cuz**" Graham and "**Barrels**" Newman both of whom are finding it hard to get fit.

Monash highlights — **Stuart Galbraith's** fine ruck work, a clear winner all day; **Jeff Peers** brilliant leading and kicking at full forward; **John Graham's** fine centre play; **Graeme Watsford's** solid game ruck-roving.

Football in conditions as at **Alphington** last Saturday certainly separated the men from the boys. As I saw it, the men spent the afternoon leaping from tussock to tussock and the boys dived head-first into the mud and emerged at the final whistle.

Collegians went down to the Blues in a match in which the playing conditions were not the best. Best on the day were **John Shrinkfield**, **Paul Munn**, **Phil Pryor**, **Darryl Tucker**, **Skipper Edwards** and of course **Chris Roach**. It's nice to see the fathers of our young players watching the games among the regulars are **Mr. Read**, **Mr. Zent**, **Mr. Hughes**, **Mr. Varigos**. Gentlemen, we thank you for your support and your company, keep on coming along and bring a friend

with you, you don't need an invitation card.

A great team effort by **MHS's** ace bird-hunters **Graeme "lay-back seats" Bryce** and **Frank "the lip" Perry** saw them combine well last weekend to swing one of the greatest manoeuvres seen by the club for years. Together they planned with regulars **Merrill** and **Lynne** to take-off to Sydney for the three days leaving the inexperienced Reserve team floundering. Thanks go out to these great guys for a job well done and if you can find time soon fellas, we'd like to see you down for a game of football occasionally.

Old Brighton's new recruits this year have all done well. **Jeff Thomas**, **Terry Smith**, **Stan "Sweets" Pascarl**, **Peter Reid** and **Bob "Good" Evans** have all made the senior side. Now it's up to **Bruce Hamilton** to follow suit.

De La Salle's captain **Henry Halasa** led the side to a great win over Ivanhoe. In shocking conditions **Henry** handled the ball as if it was a dry day and was certainly an inspiration to the side. Everyone except "**Ida**" agreed **Henry** was our best player. Others to show out were **Barry Lyons** at centre half-forward, and in defence **Peter Cooke** and **Shane Wright**.

We have a ruthless person as manager of the **Alphington Juniors**. Whenever there is a rumoured shortage of players he gets around the shops peering into the prams looking, one supposes for blue booties. Some of his recruits must surely have come from the kindergarten where he has done so much work.

"**Jaw**" Dawson was all prepared to dash on in the last quarter for **Ivanhoe Reserves** last week, and share in the 'Hoes winning streak when a sharp shower dampened his enthusiasm. So "**Jaw**" watched the triumph from the comfort of the stand.

FROM HERE AND THERE

DOUBLE CENTURY TO BRUNSWICK CAPTAIN

Congratulations to Wes Ball on becoming a Life Member of Brunswick after 200 games — a real terrific effort Wes. Boy!! Are we glad that nobody would speak to you when you went for a try-out at Carlton. Best of luck for your next 200 Wes.

150 TO ANZ BANKER
Congratulations to Bill "Jet" Jackson for playing his 150th game for ANZ Bank. He has been a most consistent player year after year, and we wish him many more games for our team.

PARADE DEFENDER'S 100th
Old Paradians' defender Dick Sambell celebrated his 100th game against M.H.S.O.B. with his usual solid display.

Alphington's thanks are due to Mrs McKay for her generosity last week in having the mob loose in her back yard all night. Apart from taking the normal precautions of locking the doors and windows and alerting the neighbors, she gave the mob a free hand. We do not believe that there was any connection between the evening and her accident yesterday.

100 GAMES AT KEW
Congratulations to Bruce McGinley playing his 100th game for Kew today. Bruce has given Kew a great service as a player and as a committee man. We wish you all the best for the next 100.

100 TO GLENHUNTLY WINGMAN
Congratulations to Kerry Nolan on reaching your 100th game for the "Hunters" and capping it off with your annual goal. A stylish left-footer, leave the opposition turn continues to determine there is none gamier. Real ability, plus fine club spirit, has made Kerry a valuable asset at Glenhuntly and we look forward to the next 100.

THE AMATEUR FOOTBALLER — June 20, 1970

100th GAME TO O.M. UTILITY

Congratulations to "Tiny Tim" Alder who plays his 100th game for the O.M.'s this week. He has given great service to the club both on and off the field. Tim is a "handyman," often being used to block gaps in both the firsts and to block gaps in both the be needed seconds. His services will be needed for at least another couple of seasons.

HELLO DERE POISON PEN AND GYMPIE

'Tis still a bright sunny sabbath. Fairfield were successful once again, they were ably assisted on their winning way by a very fine performance by our Cock-Roach Joe (the unmentionable word) Quadara, who got most of word) Guest who was ever reliable in defence till old age caught up with him. I see in the pink paper that the Red Devils were successful, but alas, poor Gypies strength was their weakness once again. Next week pal, your turn will come. Never mind I'll be able to make the result of the annual sports night. We are very confident of success but then, I suppose the Parksiders are feeling the same way too.

THE BLEEDER.

100 GAMES TO BRUNSWICK

BRUNSWICK'S BACKMAN
Hirst celebrated his 100th game for the club by being Brunswick's best man afield last week after returning to the side after a hand injury. Keep it up John.

100 GAMES TO BOB TORMEY
Congratulations to De La Salle's Bob Tormey on playing his 100th game today. Over the years Bob has been both a fine player and clubman and everyone is looking forward to seeing another 100 great ruck performances.

From Here and There — continued

Tooronga-Malvern were appreciative of the hospitality extended by **St. Kilda C.B.O.C.** after last Saturday's mud-bath. As the night progressed however, someone commented on the ratio of our numbers as against the opposition. Thought it was best to make a move then. Special thanks to Saints' **Peter Harber** who was trapped behind the "jump" all night. Funny thing, though, he seemed to enjoy being there.

Well **Bleeder** the **Parkside** boys bounced back with a fine win against **O.G.G.S.** It was pleasing to see the replacements for the injured players from the previous week fit in and team so well with the regulars. **Kevin Clarke** continued his sparkling form and appears to be in line for the most improved trophy this season. A boating attraction on the **Parkside** lake could be an added feature of the games night to ensure that both red and white teams have plain sailing to the end of home and away games. That is until the last round when I feel sure the decision of the other week will be reversed, and the boot will be on the other foot for the finals. The reserves with many gabs to fill last week lost to a lowly side, and the only players who showed out were **Alan "Boots" Kane** and **Eddie "Killer" Kane** as well as the "old fox" himself making his 99th comeback to form, club president, **Brian "Harry" Lauder**.

POISON PEN.

All at **Kew** wish to thank the **Alphington** trainers for their help in attending to our players last Saturday, when our own did not appear. Thank you.

HELLPOISON PEN AND BLEEDER

The relegation threat has reared its ugly head for **Commonwealth Bank** after last week's inglorious display against **University Blacks**. We had no counter for **Roger Shackleton** and

our best could only be called triers. Of the few to stand out perhaps **Tony Borrack**, **Tony D'Orsa** and **Les Radford** were best. We've just about run out of ideas to lift us, so the situation is grim indeed. We have a new supporter in **Kim Thompson** who we hope will head the ladies committee in 1990. Saw where **Peter Treleaven** of **ANZ** cracked his double ton — I remember when he played his first game. By the way, **Pussy Cat** — How does your mob keep winning? I don't expect the answer today week.

The best part of the reserves game was the fact that **Blacks** had a lady timekeeper. What with clocks stopping and sundry other details, it was a game I hoped would never end. We meet **St. Bernards** today — strange as it may seem it will be my first visit to their ground. If we win, I'll go right off. Till next week—

GYMPIE.

Just a short note today, **Gympie** pal of prose. **Pussy Cat** would be pleased to learn that I found my way out of the fog the other week, and returned to umpiring last week when I had **West's** from his neck of the woods for the second week in a row. Our juniors are still banking for a win, and nearly pulled one off against **Steak and Kid's** kids last Saturday. **Greg "Cath" Chisholm** has struck a purple patch of form at the moment, and is burning against superior opposition. **Ken McLay**, a player **Parkside** has picked up from **Coburg Am's** looks like being a handy player for this club. **Billy "Rickv" Datson** turned in his usual solid game, while **Brian Harvey**, **Batty** "much better", and "out on no" **Airs** all played serviceable games. Up the **Bank's** to the **Field's** this week because I'll stick with the strength, your perishing partner who does not hold pre-post post mortems.

**You don't have to be
a racing driver
to benefit from
REPCO
technology**

All right, so you don't own a Repco-Brabham, Match Repco, Lotus Repco! But this doesn't stop you taking advantage of the same advanced technology and precision engineering that have won two successive world racing championships for the famous Repco racing engines. Tough and demanding, the world's most gruelling Grand Prix circuits have proved the ideal testing ground for Repco component parts and automotive engineering skills.

These successes have brought world-wide acclaim and recognition for Repco products and Repco technology. So you don't have to go motor racing, Repco does this for you — to produce better Australian-made automotive components for your car, for the Australian vehicle industry and for automotive markets throughout the world.

REPCO — An all-Australian organisation

Manufacturers, Merchandisers, Exporters of automotive components, accessories, hand and machine tools, service equipment for transport, industry and agriculture.
