# ORMOND FAIL TO STOP COBURG'S RUN GREAT FINISH BY COLLEGIANS Old Scotch Down To North Old Boys

By GEORGE McTAGGART

Ormond failed to stop Coburg's unbeaten run when they met in the main match of the last round a fortnight ago, and Coburg ran out winners by 16 points.

Collegians put in a great last quarter effort against Monash University to turn what looked like certain defeat into a 22-point win. They added 10-2 to two points in this term.

North Old Boys caused an upset when they led all day and toppled joint B Section leaders, Old Scotch. North's winning margin was two goals.

After an even first quarter, notable for Coburg's inaccuracy in front of goal, the leaders drew away in the second term and had established a 25-point lead at the interval.

Coburg went further ahead in the third quarter and appeared to have a firm grip on the game when they were 40 points in front at three-quarter-time, but Ormond rallied in the last quarter and really made a game of it, finally going down by 16 points.

Monash had the edge on Collegians in the first half and after leading by a goal at half-time, cleared right away in the third term to hold a 38-point advantage at the last change. But Collegians swamped them in the last quarter and won by a comfortable margin.

Old Paradians trailed Caulfield Grammar in the first half, but rattled on 7-7 to 3 goals in the third quarter, and went down in a fighting finish by only 5 points.

Melbourne High were always in front of De La Salle and their extremely accurate kicking played a big part in their 27-point win. They finished with 16-2, and kicked 11 goals straight after the first quarter.

University Blues built up a winning lead over Ivanhoe in the first half, and carried on to win by more than 8 goals.

North Old Boys led Old Scotch by 43 points at three-quarter-time (14 points at the interval), and although Scotch held North scoreless in the last term, the leeway was too great. Geelong and Commonwealth Bank were locked in a close tussle all day with Geelong emerging victors by a point, after trailing for most of the game.

Alphington held University Blacks for three quarters but the Students broke away in the last to add 8 goals and win easily.

Kew trailed Old Xaverians for three quarters but finished too strongly to win by 15 points, and St. Bernard's proved too strong throughout for Footscray Tech.

Uni. High crashed against Old Carey who led by 2 goals at half-time but went right away in the last quarter to score by 38 points. It was Uni. High's first defeat for the season.

St. Kilda CBOC also finished too strongly for their opponents, Old Melbourne, who went down by 47 points after trailing by only 10 points at half-time.

Old Haileybury scored by 5 points over Assumption in a thrilling finish to a closely-contested game, and Tooronga-Malvern beat Power House by 14 points.

Old Trinity raced away from Old Geelong in the last quarter adding 8-3

to 2-3 to win by 5 goals. Fairfield were a little too strong for A.M.P. Society and won by 12 points, while Parkside forged ahead of St. Kevin's in the second half to win by 16 points.

State Savings Bank were 26 points behind Elsternwick at half-time but finished on well to win by 8 points and Old Ivanhoe were too strong for ANZ Bank, finishing with 32 points to spare.

In Junior Section matches, University came from behind to gain a 7-point win over Monash. They were 14 points down at the interval. Melbourne High easily beat St. Bernard's but Old Scotch had to struggle to beat Parade by 7 points.

West Brunswick snatched a 3-point win against Caulfield Grammar, who were 13 points in front at half-time, and Power House just scraped home by 2 points from Tooronga-Malvern.

Notable amongst the Reserves were Ormond's easy win from Coburg, Parade's 6-point victory over Caulfield Grammar whose kicking let them down, and Monash's close struggle with Collegians, who ran them to 9 points. Xavier pipped Kew by a point, St. Bernard's beat Footscray Tech. by 11 points, Uni. High crushed Old Carey by 33 points, Old Geelong beat Old Trinity by 8, Parkside beat St. Kevin's by 11, and Elsternwick beat State Savings Bank by the barest possible margin (one point).

AJAX beat La Trobe University by

15 points and Reservoir Old Boys finished 25 points in front of Old Xaverians.

Be sure to listen to this broadcast.

## TIMEKEEPERS INSTRUCTIONS REGARDING "TIME-ON"

"Time-on" must be added (1) when signalled by the Field Umpire and (2) when a goal or behind has been scored. In the case of a goal, take the time from the waving of the flags by the Goal Umpire to the bouncing of the ball in the centre by the Field Umpire and, in the case of a behind, take the time from the waving of the flag to the kick-off.

## HOW TO CONTACT EMERGENCY UMPIRES

Emergency umpires for all sections will be located at Elsternwick Park, and will be available to proceed to any ground if required.

The telephone number will be 53-8491.

Should the appointed umpire fail to appear, it will be necessary to phone Elsternwick Park and ask for an emergency umpire to be sent.

Clubs must make themselves familiar with the system, and ring the correct number:

# Will Europe ever see you?

Or Rio, Cairo, Manila, Chicago?  
There's a plane and a ship leaving  
today and you're not on it; again!

Even if you buy an AMP insur-  
ance policy today you probably  
won't be going next month either;  
or even next year.

But at least you'll have your plan  
started.

AMP insurance has paid for tens  
of thousands of overseas trips. The  
people who enjoy their travel have  
planned ahead.

Little by little they have built a

fat nest egg; and suddenly, they fly.

Even if you don't want to go  
anywhere, AMP insurance can build  
a beach home, pay for a son's edu-  
cation or the time to read all those  
good books you've had to skip.

AMP pays out 2 million dollars a  
week to people just like you.

Sometime they spoke to an AMP

they stuck to it.

That's all it takes: a quiet chat to  
an AMP man. Talk to one soon.

# BALL BRIEFS

**Ormond Reserves** still unbeaten and doing it nicely. **Kennie Rowse** really has his boys firing at this stage and look odds-on for a flag. Perhaps some of these boys may even get to Senior selection after the weak effort by some of the "Senior" players?

Congratulations to **Ivanhoe Juniors** rover **Bill Earl** on another courageous game, backed up by four goals in the match against St. Kilda CBCOC. Bill's effort in the third quarter to soccer one through led the 'Hoes' recovery and eventually to their comfortable win.

**De La Salle's David Broman** played an excellent game on the half-back flank and never gave up trying until the final bell. Others to show out were **Paul Mitchell** who kicked 3 fine goals and **David Whitelaw**.

**Collegians'** best in the game against Monash was hard to pick as the win was a team effort, but here goes for a try at it anyway. Our No. 1 would be **Chris Roach** for an extra good display all day and for his five very valuable goals, **Peter Lucas**, and **Phil Hughes** who celebrated his election to the Seniors with a sound display. **Peter Hammett**, **Phil Pryor** and his 3 goals, and **Skipper Edwards** for a sound display and his leadership was very good, also he kicked 3 goals. We missed the services of **David Vivian** who was taken ill during the week, best of luck David for a speedy recovery from all your teammates.

**Monash** highlights. Great fightback by the Reserves to take out the points; **Phil Knights'** rugged game; **John North's** good game on the back-line; **Jeff Peer's** fine game at full forward, notching six; **John Kelly's** stubborn game at full back; **Tim Collicie's** good first-up for the Reserves; **Peter Bunn's** good ruck work.

With a strong win over Old Scotch last week, **North Old Boys** continue to press for a place in the B Section

four. Withstanding tremendous pressure from Old Scotch in the last quarter, players like **Bob Spurling**, **Noel Robertson**, **Lex Arthurson** and **Maurie Drew** kept North two goals in front and provided us with one of our best wins in recent years.

**Pat Hilbert**, just back from his honeymoon, plays his 50th game with **St. Bernard's** today. Over the years Pat has been a very consistent player for the club, and we all hope he continues his good form now that he is a married man.

**Ian Murley**, **Footscray Tech's** rover played his 50th senior game against St. Bernards. "Murls" turned in a great game in the mud and capped it off with a magnificent snap goal from the boundary in the last term.

"**Dame**" **Cartwright** is persistent, to say the least. He played on Saturday with the Reserves and was presented with a tankard after the game, so he fronted again on Sunday morning in the hope of finding something to put in it. **Alphington** will miss him.

**T-Ms** returned to the winning list at Power House last week, and one of the reasons behind the win was **Gordon Jones'** dominance of the centre, and **Peter Hoey's** brilliance on the wing. **Noel Graham** and **Mick Parker** lead the goal kicking department, and **Alan Cockerell** beat everything but the goal post.

"**Jimmy**" **Bonwick**, **Old Haileyburians'** utility player reaches his 50th game today. Jimmy who is vice-captain of our Reserves finds himself in most positions on the field from back pocket to roving, you name it and Jimmy will always give his best.

**Old Carey** had many good players against UHS but special mention is due to **Geoff Freeman** who roved tenaciously, **Euan Keddie** for clever forward play and **Pete Dambrosio** who showed glimpses of his old form.

## Ball Briefs — continued

To **Power House** captain **Peter Hutchinson** and his wife **Gwen** — a son. Both well. Hutchy, one of the best rucks to play amateur football has played for **Power House** since 1956. We trust young Peter will in a few years time also ruck for **Power House** with his mother's consent — we stand corrected, young Peter's name is **John Ronald**.

Congratulations to **U.H.S. Old Boys** new reserves captain coach **Billy Taylor**. The committee have shown their confidence in Billy to do the job and he has not let them down — since his appointment the side has shown very good form winning their last two games; last week over top side **Old Carey Gramm**. Well done **Bill**. Good to see **Bob Reid** return to the side after a few weeks out due to a serious eye injury.

**Old Trinity Reserves** should have taken a leaf out the book of vice captain **Barry "Doc" Lansdell** against **Old Brighton**. **Barry** turned in an inspiring game, and it certainly wasn't his fault that his team-mates were disinclined to follow his example. Without **Barry** and his five goals the loss would have been much worse.

**St. Kilda CBOC's Peter Cooke** plays his 50th game for the firsts against **Old Carey**. **Peter** started with the Juniors, with whom he was a leading goalkicker, and his skill has won him a place in the senior side, where he is currently playing in fine form. Fifty more of the same type, please **Cookie**.

**Bryan Harding**, **Assumption's** coach had the misery of defeat on top of his recent cartilage trouble. After seemingly taking the lead and ready to go on to a good win, the Blues faltered and allowed the opposition to come back and snatch a late win. The present lean patch is most disconcerting to supporters. Past captain coach in **Bernie Curtain** must

get the impression that he's a **Jonah** as every time he makes the long trip down from **Berrigan** he invariably watches a defeat. Perhaps the week's rest and the festivities at **Porepukah** may revive the will to win. Let's hope so.

**National Bank's** sound win over **Hampton Rovers** was a good warm up for their interstate clash against **South Australian** counterparts in **Adelaide** on "Independence" weekend. "**Pressure Pack**" **Morley** roved well again but should have doubled his number of "sausages". Young **Rod Watts** playing on the wing contested everything that came his way in a very solid performance.

For the second time this year **Old Brighton's Rick "Tiny" Trewavas** plays his 50th game this week. This does not mean he has played 100 games but that in the first instance **Rick** could not count. Par for the course.

**David Tidd** was at his brilliant best with a great game for **Glenhuntly** — made even more memorable by the strength of the opposition. "**Sexy**" **Peterson** played his usual sterling game as did "**Butch**" **Nathan**.

Down **Fairfield** territory you don't need a deed poll to change your name only a change of clothing will suffice, take **Colin Richardson** for instance, when he wears his long white coat, and waves his flags, he is known as "**Eagle Eye**" then, when he dons the runner's armband he becomes "**Fleetfoot**"; in both jobs he gives good service.

**Old Haileybury** were lucky to win their last game against **Assumption**. Kicking into a strong wind in the last quarter they were down by 7 points half way through, however two great goals to **Andy Home** and **Andy Langford-Jones** turned the tide and with good defence the **Bloods** recorded a hard earned win.

## Ball Briefs — continued

Hearty hearsays, **Bleeder** old boy. Your contribution was short and sweet last week, and as the Chinese say Sweet and Sour especially when you mention our efforts at those memorable games' nights from your point of view. Well old **Poison** got around last Saturday to see both junior and senior games. He was crying tears of blood when he witnessed the display put on by **Parkside** juniors and could not stay around to the bitter end. However several players took my eye, I won't mention names, as they could be playing senior football in the near future. At Pitcher Park the story was an entirely different one, and some say St. Kevin's were talked out of the game in both the reserves, and senior matches. **Ray "Tiny" Ford** will have to do some smart talking if he hopes to strip for Parkside for the rest of the year. It was pleasing to see **Doug Robertson** with half a smile on his face, and he was happy that Parkside had at last begun to grind other sides into the ground and he hopes this becomes a regular occurrence. Hope Fairfield have a regular grind.

POISON PEN

**Mick and Haans Lewin** decided to have a quiet night in front of the TV after **St. Kevin's** defeat last week. They invited old friends **Smithy** and wife over for a bite to eat. Then **Len Johnson** arrived with 'Max' who'd been away just a little too long. Then came **Maurie Molan** with \$10. A little later "**Goofy**" **Hoare** turned up. **Ecka Johnson** and "**Lungs**" **Fernon** lobbied straight from an 'annual meeting'. "**Bomma**" **O'Malley** and "**Flea**" **Foley** were next. And just to round it off **Maurie Sheehan** and **Keith Hoare** arrived just as people were about to leave. Just a nice quiet night.

The best way to a man's heart is through his stomach so they say. Well **St. Pat's** newly formed Ladies

Group is really getting to me. Last week's barbeque and those sandwiches were great. The seconds players and officials were overjoyed. Our very special thanks to **Mrs. Hynes, Colleen, Lyn, Carmel, Jan, Sadie** and others for the efforts. P.S. I just happen to love barbeque chops.

Playing in shocking conditions **Brunswick** gained a great percentage builder at the expense of Old Essendon Grammarians. Another good display of football by **Keith (Stretch) Weybury** who gave many opportunities to his team-mates.

Miracles never cease to happen — **Elsternwick** junior **Gary "Wacker" Rosewarne** was kept quiet for five minutes last Saturday; would the Parkside player who was responsible please advise the Elsternwick club how he was able to do it.

**La Trobe Uni** coach **Kevin Easton** was back in harness after an argument with a lawn mower. Great to have you back Kevin! **La Trobe** hit their straps for the first time this year to annihilate Ajax. Best in a brilliant side were: "**Old Man**" **Sceney**, "**Big**" **Al Monohan**, "**Shag**" **Anyon**, "**Leon Keward**", "**The Patch**" and "**Moses**" **Sheehan**.

The **Old Camberwell** back line played a major part in the firsts' win last week. With **Dave Tucker** and **Dick Hewitt** again in great form little was left for other backmen to do. On the forward line **Darrell Gretgrix** made the most of his opportunities and was well backed up by **Mark Tipping** and **Glen Foster**. **Butch MacCallum** rucked well all day and **Peter Waterworth** was very busy in the centre.

Melbourne High had a convincing win over **St. Bernard's Juniors**. It would have been a runaway win but for **St. Bernard's** defenders **Kevin Mahoney**, **Damien Santamaria**, and **Noel Gulliver**. Congratulations chaps on a really fine game.

## Ball Briefs — continued

University Juniors just scraped home from Monash in a tremendous game last week. **Barry Johnston** displayed his coaching genius by the interchange of full forward "**Fatty**" **Lowe** and centre half forward **Ian Voigt** at three quarter time. Ian turned in a great last quarter, kicking three magnificent goals. "**Lowy**" playing his first game for 10 weeks showed good form, kicking three goals, although starved for opportunities. The whole defence led by the superb combination of **John Clarke** and **Russell Tucker** showed why they are on top in the Section.

We hear that **National Bank Junior Garry Skelton** has been eating his meals standing up after collecting a stop when his back was turned. Also it is good to see the unlucky players not selected help **Des Stayches** to get the side on the field.

**Old Brighton's** Sunday morning training is becoming a popular feature at the club. Last week's handball competition was keenly fought out even though a certain coach cheated. The only problem is the lack of refreshments but this should come after we win the final.

Skipper **Rob Cowen** played a grand game for **Toorong-Malvern Juniors** in a valiant effort to bring victory to his side, finishing with 4 goals himself and assisting in others. New-comer **John Tink** made a brilliant debut, whilst **Paul Mitchell**, **Wayne Stokes**, **John Black** and **Graham Watts** all gave of their very best.

**M.H.S.** star half-back flanker **Nick "Shoulders" Solatgis**, for the fourth successive week was named best man afield last Saturday. With tireless monotony "shoulders" is seen each week playing the ball, baulking, bumping his way through a dozen players and still come up on top. Coupled with him was **Frank "the lip" Perry**, who, playing his first

senior game for the season dominated on the other flank to make this line the best for the day.

A dismal effort by **Assumption Reserves**. Playing the wrong style of football for the conditions they were never in the hunt. Of the Blues only **Simon "Slamming Sammy" Stuart** gave four quarters of opposition. Other players including "**Big Pete**" **Hanvin** and **Peter Paterson** gave token resistance for part of the game but 100% effort was lacking from most players. Some of the players on the sidelines must have felt frustrated at the easy way the opposition was handed the game. Late in the game **Adrian Munari**, moved from full forward, gave a little bite to the side but too late to make any difference.

Another poor performance by **St. Kilda CBOC's Reserves** saw us go under to a far more determined opposition and only **Blackie**, **Spence** and **Selkrig** were consistent kickwinners. If a few had followed Paul's fine example we would have been much closer all day. Perhaps we should change the name of the team to "**Social**" instead of Reserves.

Great news for **Old Trinity** supporters and players is that **Phil Cohen** has had his call up deferred. This news was greeted rather loudly at the Trumble home and also much later at Cohens the celebrations were still going on. Coach Terry was nearly as pleased as Phil himself.

**Dick Mullett** turned in his best game two weeks ago for **Old Camberwell Reserves** so far this season. He marked well, used handball intelligently and kicked to position all day. Keep it up Dick. It was also good to see **Ian Edgar** slip into his stride in the same game. Ian, who was struggling to find form, pushed himself into the game with sheer determination and thus played one of his best games for the club.

THE AMATEUR FOOTBALLER — June 11, 1970

That umpire was not resting, he fell on his tail right in the middle of the cricket pitch. Not to be outdone our Senior goal umpire gave an excellent exhibition of "The Australian Crawl" when he followed suit and went swimming in "The Lake" which covered the goal mouth.

It's no secret that Joe Jamieson makes sure all umpires get hot showers after training — but why must Max Barker and his Assistant always cop the cold water?

The umpires extend their congratulations to all players selected to represent the V.A.F.A. at the Perth Carnival.

We also expect the team to return to Victoria triumphant.

To coach Ted Farrell, congratulations on your appointment, and best of luck in W.A.

## TWO MATCHES ON SAME DAY — IF?

It has been the practice this season to allow a player to play in a Reserve match and a Senior match on the same day.

In future it will be necessary for the Club to furnish to the Executive Committee, immediately after such an occurrence has taken place, a full explanation of the circumstances making it necessary for a player to play two games on the same day.

The Executive Committee may or may not accept the explanation and may order that the game be forfeited.

## Ball Briefs — continued

Old Brighton are always glad to welcome cricketers to the club but this year we find three of the most avid "backyard" cricketers playing for us. **Andrew "Fish" Mullet**, "**Mighty**" **Mike Rossiter** and **Rod "Colonel"** **Sanders** are all playing well this year, maybe they learnt something in the backyard.

**Ray Barton** and **Keith Hodgins** look- ed more like refugees from last Monday's T.V. Ringside than **Glenhuntsly** footballers. Both played well and it is regrettable that such fair ball players should "cop it". Better sharpen up those reflexes chaps!

**A.M.P. Reserves** celebrated "Fat Lover's" return with a solid win over **Fairfield**. Teamwork is the successful recipe and with a couple of "recruits" due shortly this team could take a big hand in August proceedings. **Col Littlejohn** was a great success up forward and **Ron Bloss** was uncanny in front of the sticks. "Johnno" did the heavy work well and "Snow" put in his best for the club.

It has always been said at **Parkside** that you can always back on a "Winna" receiving a mention at least once every week for their efforts around the club. Well the youngest member of the family has finally cracked it both for a mention in the **Record**, and in general conversation around the club for his battling efforts in the Junior match against **Elsternwick**. If you can continue on from here **Glen "Jew" Winnacott** you will certainly be a winner of a trophy for your efforts in the very near future. All **Parksiders** hope so, especially "Silva" and **Joe**.

Good to see the return to form of **Brunswick's Robert (Stalky) Dean** and **Lee (Elvis) Gordon**. Both played strongly all day.

At the **Glen Iris Ocean** last Saturday **M.H.S.** players surprised the **De La Salle** home team by taking to the

Spied the captain's mother doing an efficient job of bandaging last Saturday. Could it be **St. Bernard's Juniors** have a new first aid member? water attired in togs together with flippers, goggles and snorkels. This was said to be the reason for the surprise underwater attack launched by **Melbourne High**. Coach **Keith Marshall** told the visiting side to attack from between the pool and sand dune then sneak it along the channel for the goals, but defend into the surf near the palm trees. The plan was well thought out and great driving kicks by **M.H.S.** saw them drive the opposition up for air meanwhile scoring unusually accurate goals. Great work by **High** under the adverse conditions.

**Ivanhoe Juniors'** latest win completed the first stage of coach **Don Blackwood's** secret campaign. **Don** reckons that if the boys show similar determination today, stage two will present no problems.

**Ormond** disappointed last week all those who expected a big showing. Looks like some just haven't got it for the big occasion. "**Mel**" **Bourne** was a grand trier all day. **Peter Lavery** also safe and dashing in the back pocket, while **Peter Sierakowski's** game as usual full of guts and determination. What a huge heart this bloke must have! **Jeff Russ**, "**Stubby**" **Blight** and "**Long**" **Wood** were others who never gave up trying.

**Collegians' David Crow** who has not played in recent weeks due to a nagging back complaint was a spectator at the game against **Monash**, and is progressing slowly. **Harley Harber**, who was injured in a recent **Reserves** game, was also a spectator and is progressing satisfactorily. **Shane Ryan**, who showed such good form and promise in the early games, is another player who has been on the casualty list for some time now.

## Ball Briefs — continued

---

**John Rathjens** played his first game with **De La Salle Reserves** and performed well. On the form he showed first up **De La** have a real find.

Against traditional rivals **Footscray Tech Old Boys**, **St. Bernard's** last week finally started to look a team again, after being in the doldrums for a few weeks. The better performance by the team was due largely to the great form of **Mick Mahoney** at centre half-back, and all connected with the club hope **Mick** can continue his great form until the grand final. Another player whose form over the last few weeks has been an inspiration to all players is **Colin Reidy**. Keep up the good work **Col**.

**Footscray Tech's Ellis Paterson** played his last game with us last week before working for 2 years with the Army. "Patto" received a going-away gift from his mates late last week, a mud pack. We'll keep **Helen** happy, mate. Best of luck from all players and members of the club, **Ellis**.

We were beginning to wonder about **John Williams** and how he got on at work wearing the **Alphington** track suit. We had almost given up hope of getting it back as he wore it to and from training for a fortnight, to and from **Geelong** including having tea in a cafe. One can only assume that it needs washing.

**Tooronga-Malvern Reserves**, although down, were certainly not out. **Alan Crouch** played well all day, and two heavy knocks did not deter him at all. **Graeme Dent** marked everything and is certainly "burning" in his comeback. A special mention for **Denty's** wife who actually wants him to play football.

The marking of **Russell McPhee** of **Old Carey** was a big factor in their great win against **U.H.S. Old Boys**. With good judgement he positioned himself in the front of the packs and

grabbed some beautiful marks. He followed up with some strong telling kicks to send **Old Carey** into attack.

**U.H.S. Old Boys** ruckman **Max Johnston** was by far the side's best player last Saturday, repeating his performance of the previous week. **Max** has really been playing well since his return from his honeymoon a few weeks ago — maybe there is some connection.

For the first three quarters **A.M.P.** basked in the previous week's glory and only in the final term did they belatedly produce the good stuff. "**Machine**" **Munro** and captain **Barry Thompson** fortunately produced it all day. They received support from **Brian Ahern** (again) and "**Longie**". **Glenhantly** today **A.M.P.s**, how's the memory?

Even without his villainous-looking moustache, **Graeme Linley** inspired **Ivanhoe Reserves** with his strength and determination in the mud against **Uni**. **Blues**, not forgetting either the efforts of **Ron Brentnall** or **Geoff Dowley** who defended stoutly all day.

In a game in which all players deserve a mention **Chris Lofts** was in great touch for **De La Salle Reserves**. **Chris** is improving every week and is a definite prospect for the future. He was also well supported by **Kevin** and **Graham Perkins**, **Mick Burke** and **Peter Sherman**.

**Parkside's Bob** and **Glen Winnacott** may sneak into a mention this week. **Bob** "Paunchy" **Winnacott** was mentioning something about sneaking into a back pocket in the Senior side a couple of weeks ago, and it appears the selectors took some notice by placing him on a half-back flank for the Reserves last week. It would be hard to imagine a corpulent fellow like **Robert** fitting into anybody's back pocket, let alone the one so capably being held down by **Colin Thomas** at the present time.

## Ball Briefs — continued

**Collegians Reserves**, who for three quarters looked like beating Monash Reserves, failed to last the full distance and finally went down in the last quarter. The best on the day were **John Varigos** for an extra good effort all day, **John Munn**, **Mark James**, **Bruce Ferguson**, **D. Maddocks** (a first year player who continues to improve with each game) and last but not least the gentle giant, gentleman **Geoffrey Nash**.

It was a great tonic to see **Ian Johnston** of **Old Carey** hit his straps against U.H.S. Old Boys. Playing on a half-back flank he marked well, showed plenty of dash and was a veritable brick wall to U.H.S. attacks.

Revenge, particularly 47 points worth, is sweet and **St. Kilda CBCOC's** drubbing of Old Melburnians repays the sound defeat they handed out to us earlier this season. Good players were many, with "**Bones**" **Drinan**, "**Goose**" **Quirk** and "**Hairs**" **Carey** playing top football all day in defence. Goals to the Skipper and the deputy-deputy Vice prove just how easy they were to come by.

**Old Camberwell Reserves** captain-coach **Peter Sugden**, who is fast approaching his two-hundredth game, is once again having a great season. Winner of the best and fairest trophy for the Reserves in 1968 and 1969, **Suggo** is playing as well as ever. He is a great inspiration to the younger players in his side, and is leading them to one of the most successful seasons ever for the Old Camberwell Reserves' side.

After half-time last Saturday **Melbourne High Reserves** saw a new face take the field in **Peter Rees** and play a terrific half, as well as kick his first goal. A tall young player, Peter will be a great acquisition to the side. "**Dicky Knee**" **Harley** also figured pro-

minently after having a broken finger several weeks ago to go on and have three stitches in his leg for this week's effort. What will be in store for Rick this week? Watch forthcoming editions.

Return to form by **Ed Schwarzman**, fine forward play by rovers "**Tessa**" and "**Long Hair**" **Salter** (he must be joining the army), and **Phil Howe** were features of **St. Kilda CBCOC's** fine performance for the second consecutive week. Having finally hit our straps we will make the going very tough for the sides that will have to meet us in September.

**Old Carey's** convincing win against previously unbeaten U.H.S. Old Boys was due to a great team effort. Every member of the side contributed something. The only blemish was their failure to keep the forward line open resulting in 16 behinds from 28 scoring shots.

Although defeated last week the performance of **St. Kevin's** was much better than that of the previous week. Our way to the final four is now much more difficult but by no means impossible. It requires a continuation of the spirit shown in last week's game.

**St. Pat's (Ballarat)** rattled on goals galore last week to win over West Brunswick in a real grand final type last quarter. Attacking football under such gusty conditions really shows the old **St. Pat's** spirit is still very strong. Keep it up fellas and we'll stay in "D" Grade next year.

In a game fought out right from the first bounce, **Tooronga-Malvern Juniors** went down fighting by the narrow margin of 2 points to top side **Power House**, thus showing that their recent run of successes have been no fluke. A very creditable performance which augurs well for the future.

# FROM HERE AND THERE

## 150 TO TOORONGA-MALVERN PLAYER

John Evans played his 150th game for Toorong-Malvern last week, and turned in his usual good game. John has been a very consistent performer over the years, and it is difficult to recall when he last played in the Reserves. Pace and ball-handling are his greatest acquisitions, and John should prove a headache to the opposition for many years to come.

## 100 UP TO CAULFIELD PLAYER

Congratulations to Graham Craven of Caulfield Grammarians who plays his one-hundredth game with the club today. Graham is a real clubman, always willing to lend a hand with those jobs nobody likes doing. Well done Graham, and good luck for your century.

## TWO OLD HAILEYBURY CENTURIES

Two Old Haileyburians reach 100 games this week, "Dicky" Wetherall and John "Rigs" Rigby play their 100th games for the Bloods. Both have given great service over this period and are to be congratulated on reaching this goal.

## 100 GAMES TO O.G.G.'s STAR

Last Saturday Terry Brown played his 100th game for Old Geelong. In his career with the club Terry has won the club's best and fairest trophy on a couple of occasions as well as most of the other club trophies. Apparently the umpires agreed with the club last year as they voted Terry best and fairest for "C" Grade. We wish him luck in the State selection trials as State representation would be fully deserved.

## FAIRFIELD CENTURY

All Fairfield players and supporters would like to congratulate Bruce "Yack-Yack" Young on his century of games for the Bloods. Bruce has been the backbone of our Reserves'

defence for a long while now, and now we wait for his second ton!

A.M.P. tall timber "Stretch" McLennen finally cracked number 50 and Laurie Taylor and Barry Long will also reach that milestone this week. Congratulations to all three players, each of whom has given great service to the club.

Over to the "B's" in Pussy Cat and Gympie. I believe your match last week was quite a torrid affair. I bet you players like Leake and Flucker for Geelong receive a ribbing every week, but still manage to turn in some good displays for the club. Parkside's full forward, Maurice "Jacko" Jackson has not fired around the goals since returning from his honeymoon. Like South Melb. the young players in Bobby Fletcher, Brian Harvey, and Dennis Thomas, with their keenness, are keeping Parkside in business, and the older players with their guile and experience are steadying the team down when necessary. Len Stenlake, Bill Rodda and Daniel "Boone" Gleeson are three such teammates. Parkside will continue to win, and we hope your clubs will do the same in "B". Poison Pen.

Melbourne High celebrated their great win last Saturday by holding a "Chicken and Changers" night at Johnny Cooper's. A terrific menu, together with plenty to drink, put those who attended in a great mood. "Wild Tiger" Lily writhed her way through many dances with Rolf "ban the bomb" Proft, and Ian Wilson was seen in a clinch in the corner and at one stage even came up for air. "Whiskers" Woodley was voted "roughest chin present" with Johnny Bainbridge sneaking in to take the champs prize of the evening. Thanks from the Old Boys are extended to all the Coopers for a really wonderful party.

## NORTH OLD BOYS 150th

Today North Old Boys plays its 150th game in Amateur football and the club recalls proudly that during its 8 seasons in the V.A.F.A. it has played in all Sections, moving from E-Section to A-Section in successive years, 1964-1968. "North" captured the E-Section flag in 1964, the D-Section flag in 1965, was runner-up to Geelong for the C-Section premiership in 1966 and was again runner-up in B-Section in 1967. The Club's Reserve XVIII won premierships in 1964 (Reserve Section 4), 1965 (D-Section) and 1966 (C-Section). Under the leadership of fine captains, **John Adams**, **Ray Kelsey**, **Robert Spurling** (Captain and Coach 1967-8) and **Les Murray**, North Old Boys has enjoyed much success but in its entire history perhaps "North's" most memorable performances were witnessed, against Glenhantly (E-Section), against O.G.G.'s in the D-Section second semifinal (1965), against Old Brighton Grammarians, in C-Section, at the Beach Oval when after trailing by 50 points at three-quarter-time, we won by two points, and in three epic clashes with Ormond in 1967 in B-Section. Of the 149 games played to date the club has won 98, lost 48 and drawn 3. Of these games **Les Murray**, present captain has played 142.

Greetings fellow members of the correspondence clan — 'tis **The Bleeder** calling you once more. **Fairfield** were successful again — not as convincing as we would have liked, but winners nonetheless. **Terry "Unpassable" Richardson** turned on his usual reliable game and **Johnny "You Take The" Hyland** nonplussed the opposition with a fine display of accurate (?) kicking. To my pal **Poison Pen** I see a working club final coming up which could be a beauty and to

my other colleagues **Pussy Cat** and **Gympie**, I suppose you are still debating that close finish. —**The Bleeder**.

Hello **Poison Pen**, **Bleeder**, **Pussy Cat**. — I am one out again, as all you fellas had good wins. (Any win is good, **Pussy Cat**!) even if you don't really deserve it. Still, it was not an entirely black day for **Commonwealth Bank** as my summary should prove. We were only one point not good enough.

**Bank**, keeping the ball low nonplussed the Geelong high fliers early and with fierce tackling raced to an early lead. The Country Kids looked like taking control in the early part of the 2nd term, but **Bank** lifted their game to be 9 points up. Geelong threw the kitchen sink at **Bank** in the 3rd but only managed 1-7. When **Bank** goaled early in the last the Baby Cats were in desperate straits, then playing like a top side, Geelong snatched the lead only to see a spirited **Bank** side come back with a rattling run and miss the uprights three times in a row, in the time-on period. Neither side played great football, but spectatorwise the thrills were many. I thought **Les Radford** was good enough for my nod and **Richard Harben** proved himself in big time. **Carl Ventura**, **Bernie Shacklock** and **Neil Torrens** also wore the stamp of courage.

Our Reserves came from behind to score a morale-boosting win over the Baby Cats. I saw some worthy Blue and Golds in "**Stinky**" **White**, "**Ginger**" **Thynne** and "**Frosty**" **Linehan**.

**McGeachy** and **Gympie** renewed acquaintance — **Bernie Brady** lost a window of his car when **George Saylor** kicked out on the full, **Phillip Marshall** said hello, and nothing else happened at the football. —Signing off, **Gympie**.

### 100th AT HAMPTON

Congratulations to Don "Village" Scarlett who will play his 100th game for Hampton Rovers this Saturday. Don has played many fine games with the club commencing his football in the Juniors and working his way up through the Reserves where he played in two premierships sides. Don has played in the ruck in the Senior side for the last two seasons and his weight and height have helped towards his being one of our top ruckmen. Keep up the good work Don as we at Roverland look forward to your next century.

### TWO CENTURIES AT ELSTERNWICK

Last week saw Elsternwick's Ray Street and Dave Anderson play their 100th game for the club. Both have been great clubmen over the years in addition to giving the club many great games.

# IVANHOE DOWN CAULFIELD GRAMM. HIGH NO MATCH FOR COBURG Geelong Thrash Old Scotch

Ivanhoe handed out the surprise of last week's round when they finished too strongly for Caulfield Grammarians to go on and win an otherwise even game by 20 points.

Melbourne High could not match Coburg and went down by 46 points. But apart from the second quarter when Coburg added 7-5 to 1-4 to establish a 35-point lead, the game was fairly even.

Old Scotch suffered their second successive defeat when they were well beaten at Geelong. The home side more than doubled their score.

By **GEORGE McTAGGART**

Collegians had their share of the play against Ormond but poor kicking, especially in front of goal, proved costly and they were beaten by a big margin — almost 9 goals. University Blues had the edge on De La Salle for three quarters and then cleared right away in the last adding 7 goals to win by an even 10 goals. "De La" added only 3 points after the interval.

Monash held Old Paradians who had the wind in the first quarter and went to a 5 goal lead at the interval. Parade fought back well in the third term and hit the front early in the last but Monash went away with a 7-goal burst to win well.

A 10-goal burst in the third quarter by University Blacks ended Kew's hopes of causing an upset, Kew had kept close to the Blacks in the first half but then finished well down. Poor kicking hampered Old Scotch who had kicked only one goal to half-time.

Commonwealth Bank and Footscray Tech staged an even game with Bank emerging winners by 13 points. St. Bernard's scored an easy 8-goal win over Old Xaverians but North Old Boys were in trouble against Alphington until the last quarter when they broke away to score by 28 points.

Old Melburnians opened up a winning lead in the first half against Tooronga-Malvern and coasted home to a big win.

National Bank and Power House staged an interesting game with Bank being a little too strong and winning by 23 points.

Old Haileybury trailed leaders, Uni. High by 25 points at half-time but fought back well to go down by only 5 points. It was only their accurate kicking that saved the day for U.H.S. Assumption were not troubled by Hampton Rovers and Old Carey scored easily at the expense of St. Kilda CBC. Carey kicked 9-2 to nothing in the first quarter but in the second half added only 2-10.

St. Pat's led St. Kevins by 11 points at half-time but weakened in the second half and were beaten by 17 points. Old Brighton were no match for Fairfield who were well in control throughout and won by a big margin. Old Trinity scraped home by 6 points from Parkside, whose poor kicking (8-20) undoubtedly cost them the game. They had 9 more scoring shots than Trinity.

Reservoir Old Boys and Old Cambridge well battled it out in a low-scoring struggle, with Reservoir winning by 9 points — 8-8 to 7-5.

**THE AMATEUR FOOTBALLER — JULY 18, 1970**

All other matches in E Section were decided by big margins.

In the Juniors, Monash opened up a winning lead over Old Scotch in the first quarter, kicking 8-2 to nil. They quietened down after that, adding only 2-12 for the remainder of the game.

Coburg held Melbourne High to an 8-point lead in the first half but M.H.S. drew away after the interval and won by 7 goals.

University led Ormond by 14 points at half-time, thanks to a 6-goal burst in the second term but Ormond were a shade stronger in the second half and won by 9 points. (This match was played a fortnight ago, as a curtain-raiser to the Carnival Trial match).

Power House slammed on 7-7 in the last quarter against Elsternwick, who were scoreless and House won easily. Tooronga-Malvern surprised West Brunswick who went down by nearly 8 goals.

The drought has broken — Monash are back in business. A good first quarter set the pattern as Monash fought off a strong challenge in the third quarter to win well. It was great to see Brian McMaster back after his business trip, Doug Bartley turned in a beauty. Rod Lane and John Kelly were unbeatable on the back line and Chris Cole dobed some timely goals, Rob Wilson and Jeff Thomas were busy all day, and John Graham played his usual dogged game.

Peter Brophy, Footscray Tech's full-forward has really improved his kicking to notch another bag of goals last week. Once an unreliable kick Brophy with help from coach Bill Luke has certainly found the goal kicking touch.

# BALL BRIEFS

**John Rojo** turned in another screamer for **Ivanhoe** last week to make a major contribution to the 'Hoes great win. Others to catch the eye were **Fenton Old Meadow** and **Dennis Hartney**, while **Phil Riley** and "**Quincy**" did some heavy work in the packs.

A few weeks ago a sight like the Glen Iris Swamp would have really upset **University Blues**. But with a place in A section at stake they just gritted their teeth even harder last week against De La Salle. **Barry Church** grabbed his flippers at three-quarter time and kicked 5 goals in a great last quarter. **Ross "Lookout Mate" Macaw** was as brilliant as usual, "**Dino**" **Martini** roved well all over the ground and **Jim Fox** played a good game on the half-forward line. **John "Speed" Renowden** also played a strong game in the nick without getting in the best six.

**De La's Reserves** rover **Gerard Hale** has certainly been playing great football this season. Last Saturday against Uni Blues was no exception. He roved magnificently all day and finished up with three great goals. Gerard must certainly be close to first selection.

**Sammy Grace**, that star reserve for **Ormond's reserves**, please don't get too carried away. It's a long way until the end of the season so how could you possibly hold your form until then?

**Collegians** went down to Ormond by the simple fact of bad kicking and failing to use the wind to their advantage, both teams did not kick accurately by any means. Collegians best for the day came from **Bob Zent**, **Peter Hammett**, **Rob Webster** (in defence) **Bruce Ferguson**, **Phil Pryor**, and of course skipper **Rick Edwards**. Collegians wish the Carnival side the best of luck and may they come

back victorious. We still have a few players off the track through injuries and the Wog, former player/boundary umpire, delegate, selector and vice president **Brian Powell**, missed seeing his first game for a long time. First year player **Phil Hughes** was out through sickness, **John Shinkfield** who missed training through the virus quickly shook off the effects and played.

Congratulations to **Melbourne High's** interstate representatives captain **John Cooper**, **Ian Turnbull** and **Alan Wilson**. The club and supporters wish these players the best of luck on their two week venture. Hurry back soon fellas with the banners still flying the victory sign.

**Jeff Thomas** blames the concussion he sustained a fortnight ago, **Warren McKeown** claims it was the bye last week. All at **Monash** reckon that it was great news! What? Their engagements — **Jeff** to **Pauline** and **Warren** to **Marilyn**. Congratulations and best wishes from the **Monash Uni. Football Club!**

It's about this time of the year that we have a look at two first year players who have fitted into the club, and Amateur Football generally. I think the pick of the recruits for **Commonwealth Bank** would be **Tony D'Orsa**. This lad has blended into the senior side like a natural, and has gained several mentions amongst the best players. **Steve Medcraft**, **Paul Anderson**, **Dave McKinney**, **Kevin McNally**, **Ian McCrimmon**, **Richard Horban** and **Ray Petryniuk** have all turned in serviceable games and speak well for the future. As none have incurred the umpire's displeasure, they have all adjusted to Amateur football, so it is reasonable to expect many years' service and many mentions in store for these players.

## Ball Briefs — continued

It's hard to know where a club would be without its great clubmen. **Uni. Blacks Reserves** is full of them — undefeated this year and helping the seniors on to a flag. Congrats. to coach **Neil Watson** and captain **Brian "Tex" Costello** for having the team right behind them. By the way it's good to see **Ron Carnie** and **Noel Sharpe** cracking the Firsts.

Congratulations to **Bill Schwarzenberg** and **Brian O'Loughlin** on playing their first game in the "B" Grade side for **St. Bernard's** last Saturday. Resting on the backline both players had more to do than they should, but the team's play in the last quarter improved and all at the Club hope that backline players have less work in the future.

**Footscray Tech's** Secretary **Dunc McDonald** made his presence felt when he came on to the ground last week. An opposition player was sandwiched between **Dunc** and "**Hoppy**" **Turner**. Only thing wrong was that **Macca** hit the bloke so hard that the shock waves went straight thru the opponent and cleaned **Hoppy** right up.

"**Fuzz**" **Fennelly**, **Noel Robertson** and **Paul Peasnell** proved the value of taking advantage of opportunities when they each kicked four goals last week in **North Old Boys'** win over **Alphington**. After giving the opposition a considerable start, a determined effort by eighteen players turned the 150th game of **North Old Boys** in the **Amateur Competition** into a memorable occasion.

**OM's First's** showed much better teamwork and form to win well last Saturday. **Geoff Cloke** played brilliantly on the half-back flank and **Dave King** rucked tirelessly for almost four quarters. **Bruce "Coolcat" Niemann** gave the team a focal point in attack with a polished display at full-forward while **Pete Collins** and **Dave Russell** provided the spring-

board for many thrusts from the half-forward line. I must mention **Pete Robertson** and **Dave Wilson** who played so well two weeks ago and due to my negligence missed out on a write-up; I'd be murdered if I didn't.

**Alphington Reserves** played last week as though they were a team of complete strangers, no voice, no back-up, no shepherding, but as someone said after the game they all looked nice with their ties and coats.

Fresh from a six goal victory over their Adelaide counterparts **National Bank's** disposal of **Power House** had their vocal department **Key**, **Noel** and **Bob** almost hoarse. But with a better quality "lubricant" the boys managed to survive. **Bankers** missed the drive from the pivot of **Brian Sheehan** last Saturday, **Brian** fell victim to the "HK" flu.

**U.H.S. Old Boys** were pleased to see the return of **Peter Smith** to the field after a serious arm injury. **Peter** playing his first game for the season with the reserves, quickly showed he was not far from his top form.

**Assumption's** star full forward **Barry Dyer** was his usual embarrassed self after being told that he was the first player for the club to pass 50 goals in a season. With a little more accuracy last week he could also have beaten the match record of 12 set by **Eddy O'Halloran** last year. **Eddy** was seen at **Matty's** last Saturday night and confessed to having itchy feet. Club supporters are hoping that it's not just tinea. With both these in the attack as well as **Des Tuck**, a more formidable attack would be hard to find.

Thanks to **Glenhuntly's** sterling President and wife, **Alf** and **Val Gammon** for after the game festivities. **Kerry Nolan** played one of his best games and **Barry Turner** carried the rucks with a great display.

## Ball Briefs — continued

Old Carey are developing into a strong team in the heavy conditions now prevailing at most grounds. Their big win against St. Kilda CBC was a team effort, but special credit must be given to the rucks led by **Pete D'Ambrosio** and our two indefatigable rovers **John Goode** (5 goals) and **Geoff Freeman** (3 goals). They handled the ball as if it were dry and called the tune all day.

A heavy ground, inaccurate kicking in the second quarter when we had the wind and the rain in the second half saw **St. Kilda CBOC** fail badly last Saturday. Our display however was generally dispirited and interstate jaunts may not have helped some of our top players maintain their good form. Good players were few, but **Bilston**, **Drew** and **Kev White** battled hard all day.

A.M.P. recorded a pleasing win by demolishing Glenhuntingly and keeping its final hopes alive. **Jerry McHugh** turned in a tremendous effort in defence by blanketing a class player in **Warner**. **Thommo** was always creative, "**Longie**" and **Max Formby** dominated up forward and "**Ferret**" did some useful things as did "**Kimbo**" **Perrin**.

Old Trinity were very lucky that Parkside forwards could only manage to kick points in the final stages of the match last week. **Dale Emmerson** and **Neil Hudson** did very well and frustrated many Parkside attacks.

One of the up and coming juniors at Parkside would eat a football if he was given the opportunity, but unfortunately his mates let him down last week when they did not front for a game. **David Kildea** who played, and was named best afield for the reserves was ready, willing and able to saddle up for the junior game.

All Fairfield supporters were rapt in the way last Saturday's reserve game was called. **Peter Collier** gave a dis-

play that Bert Bryant would have been proud of. He didn't miss a kick all day, and his umpiring could not be faulted, especially his goal decisions and he even had time to play a good game too! And speaking of talking — **Merv Day** is coming back.

Old Brighton are gradually smuggling more juniors into the senior side. **Geoff Finkemeyer**, **Peter Wagner** and "**Maxie**" **Powell** are all proving their worth, a good sign for years to come we hope.

"**Ecka**" **Johnson's** turn fulfilled its early promise last week even though the act promised by **Ecka** did not in fact occur — at least up until the time your correspondent left. **Don Martin**, **St. Kevin's** President was there of continued to celebrate the arrival of son **Scott**. And with **Max** entertaining, even the arrival of quick quipping **Bomma O'Malley** could not throw a wet blanket on the turn.

**St. Pat's (Ballarat)** are most appreciative of the generosity by mine hosts **Beryl** and **Bill Bell** in providing after game snacks at our adopted club rooms — **Bell's Freer's Hotel**. Club stewards, **Jumbo**, **Zorba**, and **Taxi** with their speedie service and witty back chat ensure an enjoyable evening.

**Peter (Tommy) Hanlon** gave **Brunswick** selectors a reason to smile with his five goals, so all looks good for the finals.

Handling the blustery conditions better **St. Bernard's Juniors** built up a winning lead by half time against **St. Kilda**. A sound display of attacking defence by quiet spoken **Damien Santamaria**, and solid ruck work by **Len Madin** played a big part. **Gerrard Mahoney** gave a heady display on a forward flank and big brother **Kevin** turned in his usual solid game at centre half back.

Highlights of Elsternwick's game last Saturday included **Jeff Hohmuths** hand passing (not once but several times), **John McIntosh's** fine marking and unselfish play, **Ray Street's**, **Ian Sekac's** and **Paul Shewan's** strong and consistent play for four quarters, not to forget **Bobby "P.C." Garbutt's** two sneaky goals.

In a good second half **La Trobe Uni.** annihilated their opposite numbers. Instrumental in this great win were "**Old Man**" **Sceney**, "**Bus Shelter**" **Condon** who did it again, "**Froggy**" **Sgro**, also "**Hooks**" **Gee** also missed a "sitter". Special mention to "**Squizzy**" **Carr** making a return after an enforced absence.

Congratulations to **Fred Tuininga** and **Wayne Farrer** of **R.O.B.'s** on playing their 50th game recently. Also best wishes to **Kevin (Red) Joiner** and **Mike Bates** on reaching their maturity of 21. Another red skin has bit the dust, **Peter (Barney) O'Brien** and **Sue** have become engaged, best wishes to you both from all at **ROB's**.

**Jose Vincent** who arrived at the ground last Saturday with his whiskers trimmed, turned in a great game in the back pocket for **Old Camberwell**. One comment on Jose's game was that perhaps he could see unhindered for a change. Others to do well were "**Butch**" **MacCallum** who rucked and handballed intelligently all day, **Dick Hewitt** who once again played very well at centre half back. And **Max Redman** who never stopped trying.

**Old Brighton Juniors** seem to have found two fine rovers this year. **Peter Watkins** and **Peter "Sierra" Leone** are improving every week, so much so that **Ian Paroissien** has been moved from the roving berth.

In a very even **Tooronga-Malvern Juniors** side, **Robert Perkins** gave an outstanding display in his first game

at full back, he was well supported by fellow defenders **Wayne Stokes**, **John Hendry** and **John Black**, whilst **David Braun**, **Liev Zobie** and **Ray Martin** were always busy around the packs and up forward.

**Uni Blacks**, particularly the "all-stars", will sadly miss "**Cliffo**", both on the field and off. A great clubman over the five years, the club wishes him every success in his new position in Broken Hill. About the only thing **Cliffo** didn't master at the club was "**Organ**" **Morgan's** "**Triple Blair**".

Congratulations to **Diane** and **Ron Faul** on the arrival of their new baby girl. **De La** will have to start basketball team to cater for the female arrivals.

We understand "**Logie**" was even prepared to forgo the "dogs" to take his place at the Ivanhoe selection table this week. **Evan** also claims he is a "special" to make the end of season trip this year. The boys believe it when they see it.

A great fighting effort by **M.H.S.** reserves last Saturday saw them play a tremendous game despite the loss of over half the side. Rapid replacements, **Geoff Walker** and **Steve Healy** are to be thanked for their part in the match. Let's hope this surge in spirit can win some more games for the team. Congratulations to captain **Adrian Taylor** for a great "best on the ground" effort and for his first overhead mark.

After a very disappointing first half, **North Old Boys** produced a superior brand of football in the third and fourth quarters to run out winners against **Alphington** at the **North Melbourne Football Ground** last week. With **Mick O'Neill** marking everything up forward and **Kerry Hughes** letting nothing past at full back, **North** eventually came out winners by a four goal margin.

## Ball Briefs — continued

Collegians Reserves welcomed the return of Alex McKenzie against Ormond after being out for a long time following a severe leg injury last year, anyone who can kick 4 goals in his first match for nearly 2 seasons is not short of match practice is he? The best came from John Munn, M. Critchley (a first year player) Rod Opie, Alex McKenzie (4 goals) and R. Day. Collegians were ably led by Mike Gourlay because of Peter Lucas being interstate and deputy coach (The Mood) John Moodie had to obey the doctor's order and not play, it was not Mike's fault that Collegians went down in defeat.

Congratulations to Marg and John Byrne in the arrival of their new son. A future Ormond star is born for sure. John assures us it is 11 lb. even though the official weigh-in was 10 lb. 11 ozs. and next time Count get the right kid in your sights!!

Ken Redford of Old Carey is holding down the key centre-half forward position well. Good centre half forwards are hard to come by and with regular half forward Rod Sharp on the sidelines with a severe shoulder injury Old Carey are fortunate in having such a good replacement as Ken.

Monash Reserves had to battle hard to defeat Old Paradians last Saturday. Mal Duthie, Geoff Lowcock and Andy Finlay were strong on the half-back line. Warren McKeown and John Colman were handy around the packs and Peter Bunn rucked tirelessly.

Uni. Blacks all join in congratulating Dave Morgan and "Yurick" Hunt on their selection in the State team. No doubt they'll acquit themselves well and will probably show a few people how to do the "Triple Blair".

Footscray Tech's Reserve team played great football in bad conditions to score a runaway win. All players

teamed well, to produce good play on football; special mention to Terry Corr at full forward. His creative unselfish play enabled us to score many goals. Must also mention Robert Enrys' overhead mark. Won't mention that he kicked it into the man on the mark in the goal-square. Very lucky the camel was on hand to help Bob.

The turning point in Assumption reserves game came at three quarter time when a certain press correspondent had the good sense to take himself and his bruised shoulder to the showers and the benevolent sadism of trainer Jim O'Hara and let new recruit "Philip" take the field. When the match was over that ebullient buffoon Walter Arnott took a look about him, noted "Philip", "Bernardine", "Timothy" and "Arthur" and decided that white collars were on the way to becoming mandatory. Highlights of the game (according to Jack "Old Timer" Evans) were his own mark (the only one) and "Tim's" goal (the only one); Both occurring after the game was sewn up.

Old Melburnians' Reserves had another convincing win last Saturday. Barry Gilbert continued his good form on the wing and was supported effectively by Peter Sharp on the other side. Greg White, playing in his second game, dominated the ruck with Andy Ristrom for the second week in a row. Others to do well were Paddy Miller who got amongst the goals at full-forward and Harvey Tartakover who held down the centre half-back position in his usual dogged fashion.

National Bank reserve player Bob Shepherd has the happy knack of getting a bag full of whatever he takes on these days. Seven collects at Cheltenham followed by four "sausages" against Power House, hope your luck continues Bob.

## Ball Briefs — continued

Congratulations to U.H.S. Old Boys full forward **Geoff Davis** who last Saturday broke the club's goal kicking record, with 11 goals, to take his total to 63 for the season which broke the existing record of 57 goals.

In a game which never lacked interest, **Tooronga-Malvern Juniors** kept alive their final four chances with an outstanding display against West Brunswick. All players did their part in contributing to this win, which shows the value of dedication, team work and discipline.

Bad kicking and a number of opportunities wasted cost **Old Camberwell's Reserves** a chance to get in the game against Reservoir Old Boys last week. The back line led by "**Stuie**" **Cripps** was well on top all day but was badly let down by the forward line. Other players to show out were **Peter Molloy**, **John Murphy** and **John Mehan**.

A great game was played for R.O.B.'s reserves by **Laurie Scott** last week, his great ball handling ability enabled him to kick 4 goals, even one along the ground I believe. Keep up the good work **Loza**.

**Elsternwick's John McIntosh**, **Paul Shewan** and **Brian Molyneaux** kicked twenty-eight goals between them last Saturday and that doesn't count the others which they gave away to other players. While talking about goal kickers we shouldn't overlook **Bob "Cocky Raiders" Cochrane's** three fine goals, not a bad effort after all the years of trying, **Graeme Shaw** nearly got one too, oh boy, what a double that would have been.

**Brunswick's** chairman of selectors **Kevin Ellison** is off to the Gold Coast with his bikini for a few weeks. His fellow selectors will miss him around the table on Thursday nights. Happy holiday Kev!!

**St. Kevin's** had a great win over **St. Pat's** last week. Things started badly with a heavy clash between two **St. Kevin's** players putting "**Stinkin'**" **Jack O'Connell** on the sidelines in the first ten minutes. From then on the team played well only in patches and it was well into the last quarter before we hit the front. However, we won — maybe we've turned the corner.

**Old Brighton** welcomes back **Lawrie "Jezza" Weir**. "**Flash**" seems to have lost a few old skills, emphasising his lack of training. Perhaps he could be talked into playing, the only trouble is no-one wants to do it.

I would like to congratulate **Ross Greer** and his wife on the arrival of their son last week, **Ross** is new to **Fairfield** but in the short time he has been here he has shown a ton of promise.

Good wines improve with age, but do footballers? **Bill McGrory** played well in his 400th game at **Glenhuntly** and proved he has lost none of it! **Stephen Greening** battled valiantly. **Robert Brown** and **David Lee** were unbeaten but outnumbered.

In a one sided display, **AMP Reserves** crushed **Glenhuntly** with **Ron Bloss** dominating the game in the square to the tune of twelve goals, a magnificent performance. **Ian Graham** and "**Granite**" **Grant** were again on top and others who contributed a bit extra included **Collery**, **Sirianni**, **Henderson** and **Littlejohn**.

**Keith (Which-Way) Weybery** held command in the ruck and around the ground all day for **Brunswick**, he really inspires his team-mates to greater things.

There is no truth in the rumor that **Ormond** full back "**Lumpy**" **Moran** will be a full-forward just because he kicked two goals neither do two swallows make a summer.

### SOCIAL

One of our younger goal umpires at present making a name for himself in the chorus of Gilbert & Sullivan shows — not a bad singer either.

Always a smart dresser — Trevor Rowe has become the "Beau Brummell" of the training track, with his Victorian track suit — not to mention those socks.

Umpires are instructed to blow hard on the whistle — one chap last week blew so hard the pea split in half.

Night at the "Rock Kung"—we asked for 20 couples and 40 pairs turned up — caterer was a little worried, but things went off with a bang — a tribute to the popularity of the social secretary — Brian Nicholls.

Song and dance member Harry Marks (tired after a hard day's umpiring) failed to perform, but that

other senior umpire and his lovely wife sure showed the youngsters how to "twinkle" their toes — only thing they dated themselves by dancing the "Black Bottom" hot number of the 30's.

My friend of many years — Black-committeeman, Andy Smith showed his paces by running the boundary at "the shop" last Saturday. "Andy" — perhaps the blisters you suffered were retribution for the previous Sunday's actions?

## Ball Briefs

St. Kilda CBCO's reserves did not give their new coach much heart with yet another indifferent performance to go down by a big margin. Scanlan, Goold, Kennedy and Danckert were triers but they had few mates.

Old Carey Reserves had to call on four schoolboy members to make up their team against St. Kilda CBC. They all acquitted themselves well. Birrell and Douglas were outstanding. Birrell marks and hits out well and Douglas is a smart rover with a future. Let's hope we see them in the firsts next year.

Finding it hard to write something good about De La's performances against Uni. Blues. It was certainly not one of our best. Those who did show out were Jeff "Limpy" Lyons, Mark Janson and David Whitelaw. Congratulations to Chris Lofts who played his first game for the firsts and a big future is assured.

De La Salle Reserves although down were certainly not out. Players to show out were Jack Downey, Iby Keating and Mick Burke. "Fats" Whelan also marked strongly all around the ground and used his weight to advantage.

## SUPER CAM PLAYS 200 GAMES FOR OGG'S

Cam McMillan plays his 200th game for the O.G.G.'s today, nick-named "super" Cam following his wife's remarks, comments about his performance off the field. Cam has established many records with the O.G.G.'s. Besides being the first player to reach this mark he also topped the goalkicking in his grade for several years. He was also the first O.G.G. to be reported (and suspended). We still believe he is one of our best and fairest ever! Good on yer Cossa!

Old Haileyburians captain Andy Howe played his 175th game last Saturday. Good luck for your next 25 to reach that great 200 mark.

## 100 UP TO ORMOND PLAYER

Congratulations go to Ormond's Bernie "Stubby" Blight on playing his 100th game last week. This little champ has been around for quite a while and has taken in the jobs of treasurer, captain (4 years), "umpires adviser", player and also a great inspiration to all at Ormond. Well done Bernie.

## KEW MAN REACHES CENTURY

Congratulations to Barry Lynch for his 100th game with Kew against Uni. Blacks last Saturday. Barry (The Barman) has given tremendous service to the club and is the Reserves Captain this season. Last Saturday he forced his way into the seniors with great play over the past few weeks. Looking forward to the next 100.

## 100 UP TO ST. BERNARD'S PLAYER

Congratulations to Martin (Butch) Sheehan on playing his 100th game for St. Bernard's today. Although not known as (Butch) in the football world

over the years "Marty" has been a very fine player for the club and this was proven by his winning of the prize the "best in the finals" trophy last season. All that St. Bernard's hope that in the future "The Tank" continues his fine form and helps the club finally get to "A" Grade. Keep up your fine form Martin.

## HELLO POISON PEN AND BLEEDER

The drought has broken for us at last which keeps Commonwealth Bank's hopes of avoiding relegation still alive.

Footscray Tech jumped us early and it took us some time to wear them down. It was a pretty even game, and if a few breaks had gone their way, the result could have been different. On general play, BANK were superior but our kicking for goals was very lax.

Carl Ventura was our sportsman of the week, and he received good support from George Saynor, Johnny O'Shea back from a "holiday" Tony D'Orsa, Neil Torrens and Keith Imbery.

The reserves were crushed in a result which ended their meagre hopes of playing in the finals. Sam Athans, Jeff Langsworth and Kevin McNally stood out in a side which was never going like a winner.

A difficult one today as we must keep winning to stay up whilst our opponents North are poised to move into the four. Although low on the ladder, Bank's club spirit is running very high and this may give us the points.

See Parkside struck a snag, but don't know how Bleeder's mob went. The Baby Cats are still winning so our form can't be too bad. Signing off — Gypmie.

## CENTURY TO HAILEYBURY RUCKMAN

"Gil" Urquhart, Old Haileyburians ruckman plays his 100th game today. Gil should have reached this earlier in the year. However, a knee injury has kept him out of 11 games this year. -Congratulations "Gil" and good luck for your next 100.

High and low to you Gympie and Puss Puss. Parkside had a lowlight last week when Maurie Jackson was off the target along with Billy "Sure-Foot" Rodda who coach, Doug Robertson was thinking of banishing back to his backpocket. Parkside played well everywhere else except the scoreboard in both senior and reserve matches. The willow of the wisp that will never bow to defeat bye and bye put in a good solid game at half back, and rovers, Graeme Dryden, Dennis Thomas and Peter Byrne collected many kicks around the packs. "Baker Boy" Welsh made a welcome return to the reserves side to be named amongst the best, but Bernie Groom and Kevin "Bond" Ward did a little better. "B" with you soon fella's, Poison Pen.

All at Brunswick wish John Dwyers father a speedy recovery from his illness and hope he will be back at the club very soon.

Many thanks go to Mr. Laird of R.O.B.'s for his great work in the club, the way he collects the money, so promptly, each week you would think it was for himself.

A sincere thank you to the solid St. Bernard's Junior supporters who rally round each week and do the odd chores necessary to field a team and not a rabble. Your scribe thanks also the good ladies who provide the hot coffee — it was really appreciated in last Saturday's cold wins.

## GREETINGS GYMPIE, THE BLEEDER AND POISON PEN

It was a great win by our boys over Scotch. We, like them, needed the win and we came back to top form and got the points. We had many good players. To name a few — Alan Fluker, Ray Wookey, Eric Smith, Mickey Allden, Ken Andrews "Perdi" Jones and Phil Marshall all turned in great games in a very even side. Good to see Lionel Smith coming back to top form and Alan Foster turned in an excellent second half.

The "haunted House" party was a great success the old Scotch boys stayed to well into the night. No reports on their bus trip at this stage. For the winners it was a great night and we hope that, allowing for the circumstances, our guests managed to wash away their worries! We know how it feels up at Yarra Park!

Good luck all. Till next week. — Puss Cat.

Thanks for the hospitality my bleeding buddy and the younger corpulent red blood. I am well aware that Fairfield were happy with the 14-goal win, and reckon they will despatch Old Trinity and Parkside with ease before the end of the home and away games. Your cockroach was very jubilant when "yappy" tennent delivered the sad news of Parkside's defeat by a goal at the hands of Old Trinity. Let's face it chaps, bad kicking indicates poor football, and 2 goals 8 behinds in the final term is disgusting and means some players deserve their tails kicked. Kevin "Lover Boy" Clarke continued his consistent form for the season, and indeed appears set for the club's most improved award. Top of the ladder to you, and I may tell you another bleeding story next week, pen that's poised down Parkside way.
