PARADE SURPRISE ORMOND MELB. HIGH LOOK SAFE IN FOUR But Many Sections Still Wide Open *Two Players Reach 100 Goals*

By GEORGE McTAGGART

Old Paradians caused an upset last Saturday when they outplayed Ormond and ran out winners by 10 points.

Melbourne High broke a run of four successive defeats with a big win over Ivanhoe to virtually clinch their place in the four.

Coburg's star full-forward Rod McFarlane kicked three goals against Monash University to bring his tally to 100 for the season, kicked in 15 games.

He had kicked 97 prior to last week. State Savings Bank player, Paul Cavanagh, who needed only one goal for his century last Saturday also just managed to get there. He kicked only one — in the last quarter.

Although the A Section four is settled, barring a miracle, this is not the case in many of the other Sections. The position is wide open in B and C Sections particularly.

Monash's hopes of taking part in the finals have almost disappeared following their defeat by Coburg. Monash had more of the play than the leaders but failed to capitalise on many of their scoring opportunities through hurried kicking up forward.

Coburg had three fewer scoring shots but won by 27 points.

Old Paradians were too strong in the ruck for Ormond and gained a big lead in the first half being 34 points in front at half-time, and although Ormond rallied after the interval, Parade held on to win well.

They now have a good chance of avoiding relegation.

De La Salle looked to have the edge on Collegians when they led by 15 points at half-time, and 11 points at the last change, but Collegians finished strongly to snatch a 2-point win.

A poor first half by University Blues, in which they kicked only 1-7 and trailed Caulfield Grammar by 38 points spoilt any chance the Blues had of winning and they went down by 19 points.

Melbourne High started well against Ivanhoe and were 28 points ahead at half-time. Ivanhoe hit the front in the third term but High swamped them in the last when they added 8-6 to nothing, and won by 51 points.

St. Bernard's broke Geelong's winning run when they finished 2 goals in front. St. Bernard's opened well with the wind, but Geelong were only 3 points down at half-time.

Hampton Rovers surprised Old Melburnians in the first half and held a narrow lead, but OM's went right away in the second half to score by more than 7 goals.

Uni. High and Assumption were engaged in a low-scoring game, which UMS won by 21 points.

Shocking inaccuracy in front of goals almost cost Old Geelong the match against Old Brighton. OGG's kicked 7-23 to 9-10 and scraped home by a point.

St. Kevin's trailed Old Trinity by 9 points, at the interval but finished on to win by 2 points.

Fairfield were too strong for Parkside, whose poor kicking (1-9 at half-time) contributed to their 10 point defeat.

Old Camberwell made themselves safe for the four when they scored a 4-goal win over State Savings Bank. A 5 goal burst in the third term clinched the game.

Elsternwick kept with Reservoir Old Boys in the first-half but Reservoir went away after the interval to win by six goals.

In the Juniors, University beat Old Scotch by 32 points after being only a goal in front at half-time. Invanhoe were much too strong for Melbourne High and scored a big win.

In Section 2 National Bank had their second win for the season when they beat Parkside by 3 goals.

Most notable results in the Reserves were University Blues' easy win over Caulfield Grammar, and Coburg's 4-goal victory over Monash. Footscray Tech's accurate kicking (11-3) gave them a 1-point win over the Blacks. Assumption beat Uni. High by 20 points, Power House beat St. Kilda CBC by 9, Old Trinity easily beat St. Kevin's, Parkside went down to Fairfield by 3 points and Elsternwick beat Reservoir by 4 points. It was Reservoir's first defeat.

In B Section, four teams are level in second place, two games behind the leaders, Geelong — Old Scotch, University Blacks, St. Bernard's and North Old Boys.

The Blacks are at home to St. Bernard's today and North visit Geelong.

Assumption, Old Haileybury, St. Kilda CBC and Old Melburnians are equal third in C Section with only 7.7% separating them. Old Haileybury meet Old Carey (second) today and St. Kilda CBC play leaders Uni. High.

In D Section, St. Kevin's have just a faint chance of making the four, West Brunswick and Tooronga-Malvern are equal fourth in Junior Section 2. Fourth place is in the balance in four of the five Reserve Sections.

Failure to handle the blustery conditions and lack of team play saw the end of De La Salle Reserves' hopes for a win. Those who battled hard all day were Danny Kean, Paul Kingston, Mick Burke and old timer Faul.

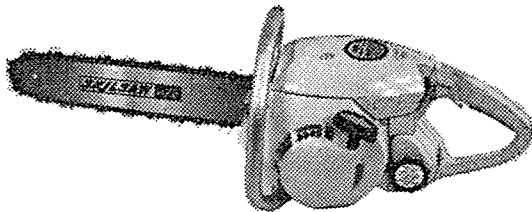

Ian Johnston, Old Carey's dashing half back flanker was in good form last Saturday. He marked safely and relieved many attacks with great dash, making him Old Carey's best of a very even side.

"Time-on" must be added (1) when signalled by the Field Umpire and (2) when a goal or behind has been scored. In the case of a goal, take the time from the waving of the flags by the Goal Umpire to the bouncing of the ball in the centre by the Field Umpire and, in the case of a behind, take the time from the waving of the flag to the kick-off.

UMPIRE'S CORNER

This will be the final issue of this corner for 1970 and with it comes a "Note for all V.A.F.A. clubs re club report on umpire".

This season of a possible 1984 club reports on umpires, only 1704 have been received, a total of **280 missing**.

This means that over 17 clubs each week did not lodge umpire report forms. Clubs who fail in this respect, are not helping themselves or the umpire committee.

It is impossible for this committee or the umpire's advisor to assist umpires unless there reports are received each week.

To those many clubs who each week did send in their constructive reports, you can be assured, they were very carefully read and action taken when necessary.

How about a 100 per cent effort in 1971?

SOCIAL

It is possible, all of our men in white may not be top umpires (and I only say possible) but there is one department in which each and every umpire is a top man—**Fellowship**.

I refer to that large group of men who a few weeks ago decided on a weekly "workathon" at the home of Mrs Ethel Thorpe, widow of our late friend Alan.

For the past six weeks these men have given up their Sunday relaxation to completely repaint the home of Mrs Thorpe and do any other work they considered necessary.

Knowing these umpires as I do, I know they will be embarrassed by this effort being made public. Perhaps it is best to say "Well done and thank you" this action has made us all very proud of being umpires.

If that D Section umpire of last week forgets his support again — "Please, oh please" do not wear those orange coloured briefs with the black

spots, they show thru your white shorts.

No prize if you know the answer to this: "Who is short, rotund and keeps his ukelele hidden in the wardrobe?"

Two big nights next week—Annual Dinner on Monday and Training on Tuesday.

A word of advice to one of our eligible umpires. That sweetie with whom you dined last Saturday week, works on the same office floor as the other girl you feted at "Marco Polo" a few nights later. Careful young man. Girls do talk.

Don't forget the two football matches we are to play at the season's end. V.A.F.A. umpires have never been beaten in these games—so keep it up this year when we play at Drouin.

ARRANGEMENTS FOR FINALS

Clubs taking part in the final series must arrange between themselves the following:—

(a) Which club will wear black knicks, and which white.

(b) Which club will supply goal flags, time bell, numbers for scoring board etc.

Check with the home club of the ground being used whether these items are available.

(c) Check with the home club of the ground being used regarding keys to dressing rooms.

(d) **EACH CLUB MUST PROVIDE ONE NEW BALL**, the winners to have first choice of balls after the game.

(e) **EACH CLUB MUST PROVIDE a Goal Umpire's Coat (laundered).**

(f) **EACH CLUB should arrange to provide its own boot last and hammer.**

(g) **EACH CLUB MUST BE PREPARED to supply a Boundary and Goal Umpire if required. (Independent Boundary and Goal Umpires may be supplied at some games.)**

The WINNING CLUB is responsible for telephoning final scores to the HERALD Office and the PRESS CORRESPONDENT (with goalkickers and six best players being included in the call to the Press Correspondent — ALL SECTIONS).

BALL BRIEFS

Old Carey Reserves are continuing on their winning way. They combined well with each other against Tooronga-Malvern and moved the ball like a top senior side. It was hard to separate six good players from a side of 18 winners. Coach Ian Ustick is all smiles these days.

Ian Downs played one of his best games for the year against Old Carey, and was ably supported by **Alan Cockerell** and **Mick Parker**. **Geoff Newton** ran into form after his holiday, and also ran into his opponent once or twice, to try and put some life into the Tooronga-Malvern side. Not such a bad effort considering the players who did not turn up.

OM's had a comfortable win last Saturday. **Dick Hallo** dominated the rucks for the second week in a row and seems to have hit top form at the business end of the season. **Pete Roberson**, **Russell Weir** and **Pete Rattray** roved well all day but Russell fell further behind in the goalkicking when he failed, unlike the others, to score a goal. **Mick Loughlin**, a consistent performer on the wing, again fed the forwards with plenty of opportunities and **Dave Wilson**, returning to the side after an injury played well in the unfamiliar position of halfback flank.

Today **Garry Marshall**, **Old Haileybury** vice-captain plays his 50th game for the "Bloods". Congratulations **Garry**. Good luck for today's game, particularly in your capacity as captain, in **Andy Howe's** absence.

UHS Old Boys' Briefs: Last season's senior coach, **Max Fairchild** has given up football for a career on stage. Max has a part in the musical Promises, Promises which starts tonight at Her Majesty's Theatre. "C.K." and "Knokka" are planning to go overseas next January. I wonder who will look after who? "Dickie" Taylor" is costing the club a fortune in tape each Saturday. During the game he has both hands

strapped up, then after the game he re-tapes his hands again. Boy, those fingers must be getting knocked around.

Con Illiopolus kicked a point last Saturday, but from the actions of the goal umpire it appeared to be dead centre. **Robert Reid** definitely feels he is a wingman rather than rover after last Saturday, although the goal he kicked in the second quarter was that of a "top class" rover—Ha! Ha! Ha!

A really great effort by **Assumption** in their defeat. With star players, **Graham Howard**, **Bernie McMahon**, **Steve Cooper**, **Renalto Serafini** and the entire half forward line of **Chris Jeacle**, **Des Tuck** and **Peter Faulkner** all missing, a vastly understaffed side had to dig deep into the G&D bag to stave off a mammoth defeat. **Kevin Briston** recalled to the full back position completely outpointed his opponent all day. Big **Mike Canavan** in his first attempt at centre half back showed that he can pull a big game out of himself when called on for an exceptional effort.

A winning centre line saw **St. Kilda CBOC** draw away in the second half to comfortably defeat Power House last week in windy but dry conditions. **Bilson**, **Clinch**, **Drinan** and **Martin** stood out. Our reserves were not so fortunate, going down by a narrow margin. **Tony Sherman** turned in another top display at full back whilst **Kennedy** and **Griffin** rucked well.

Bad news for **Old Brighton**. This week sees the last game for **Graham Willis**. After five years with the club, Graham spends the next three years with the Education Department and the Army. During his time at Brighton he has played in every position and in all three teams. His loss will mean a big gap for Brighton to fill—at least the press correspondent thinks so, anyway.

Ball Briefs — continued

Solid defender for **Old Geelong, Bill Tunbridge** played a great game on his return to the side after illness. Obviously the flu didn't affect his vocal chords as his encouragement to his team mates drowned out Hassa's roar of approval at the Demon's win.

AMP will gain some consolation in 1970 when the reserves take the flag. They have a habit of reaching the final four but **Rig Bell's** big test is to take the side one step further. The club is indebted to **Bob "Black Daffodil", Rod "Pastel" Mathews, Barry "Gut" Campbell, Frank Houghton** and **Norm Anand** for services rendered and very much appreciated.

Notable events at **St. Kevins** this week—a really great two point win which keeps our final four chances alive; fifty goals to **Keith Hoare**; five pies to "**Lungs**" **Fernon**.

Sunday salutations **Gympie, Poison Pen, Pussy Cat**. The smile is back, **Fairfield** won, so enough said. We had a bag full of good players, among whom was "**Crazy Horse**", "**Bones**" and "**Biscuits**" (reads like **Sitting Bull's** drive in tepee). Had an enjoyable night after the match and shared a few? ambers with old friends. Missed the **Poison Pen**, maybe he was whistling in the dark elsewhere. I met one of your mates, **Gympie**, an ex-banker. A chap called **Ian Jenkin**. He's also an umpire, but surprisingly, he's a real nice bloke (sorry ump. I was only joking).

The Bleeder

Gary "Baker Boy" Welsh is notching a few goals for **Parkside reserves** in each match recently. Gary is also the bread supplier for the club, and the ladies' committee would like to thank him for supplying each week this commodity which is necessary so that a profit can be ensured from the sale of hot dogs at home matches by the girls. "**Baker Boy**" gives his wife an occasional role in this club activity. Keep up the splendid work on and off the field for **Parkside, "Gazza"**.

A coach who knows only attack wins games and 20 players who followed that out, won the day for **Glenhuntly**. **Noel Valle** never loses touch, **Laurie Ardley** and **Grange Crawshaw** did not make a mistake and the "**Big Boy**" deserves another mention for an inspired game and five goals.

Old Camberwell clinched a place in the four with strong play from **Daves, Richmond** and **Tucker** and **Ian Vincent** on the back line. **Ferrari** turned on his best game for the season to put the side into attack on many occasions. The forwards found the wind difficult, but were first to score enough goals in the third quarter to enable the side to win.

A great game was played for **ROB Reserves** by **Robin (Whiskers) Laird** a great comeback to kick five goals. Thanks also to our boundary umpires for a job well done. **Dale Jackson** and **Ross (Bull) Letson** (temporary).

A great captain's game by **John "Tripo" Galpin** led **Elsternwick** reserves to a good win last Saturday, ably supported by **Don Perkins** and **Greg "Noddy" Walters**.

Hello **Poison Pen, Bleeder** and the "**Gymp**". The bubble has burst. I was a bit late with my bulletin last week. The Ed. knocked me back on Monday night! Fact is after that win over **Blacks** I drank too much "milk" on that heavy Saturday and Sunday. My saucer was too full! As mentioned earlier **St. Bernards** burst our winning bubble. Should put us on edge for the finals though, I hope. Still we **must** down **North** today. **North** have never lost at **Queens Park**, so they tell me. They've played there twice!! Memo. **Old Xaverians** the record was equalled. Perhaps with **Lou** you might have busted it. Our stars last week included **John Casbault, "Red Smith", Phil Marshall, Mick Allden** and **Dave Leake**. Until next week— **Pussy Cat**

Ball Briefs — continued

Bill Leifiting gave a great exhibition of forward play for **Toorong-Malvern Juniors**. Strong marking, good position play and sound ground work being a feature of his game. **Robert Cowen** gave his usual polished display, **David Braun** and **Greg Cullen** were always in the picture and **John McMaster** and **Robert Perkins** saved many times in defence with sound marking.

Old Brighton welcomes back **Doug "the Drunk" Wood** to the Club after a mysterious absence. Doug's appearance at half time last week has earned him the title: "The Clubman". Well done Doug!

Footscray Tech's Ron Curwood came out of retirement to help the reserves out last week. Playing on the forward line Ron kicked four goals and had a hand in many others. Hope his mind may be changed after last week's effort. Well done, Ron.

Little can be said of **Ormond's** defeat and perhaps the better. **Paradians** were good on the day but the highlight for the "Monds" was the way "**Barrels Newman** sparked the side in the third quarter. Aibly backed up by "**Mel**" **Bourne**, **Peter "Brown" Sierakowski**, "**Cuz**" **Graham** and **Terry Crumpton** the rest of the team kicked but not quite hard enough. More much more is needed fellas.

Collegian's blonde bombshell, **Peter Dunn** (over 100 games) has decided to take on a more serious game, and that is marriage. Peter goes to the altar (I nearly said doom) on 26th September, just after the finals are over. The charming lass that Peter has chosen for his partner is **Jennie Ferrero** (a bit of all right, believe me). We congratulate both and wish them happiness in their future life together. The barbeque at **Phil Pryor's** home in Essendon was well attended and we thank the Pryor family for their courtesy in allowing us the use of their home.

De La Salle's Len Steward kicked four fine goals last Saturday, bringing his tally to 45. Len is having a fine season and should make 50 after today.

David Bartlett has impressed with his pace and tenacity since gaining promotion from **Ivanhoe Juniors** to the senior team. David is one of many young players who have been promoted this year. This had made the task of junior's coach **Don Blackwood** a difficult one. But as usual "**Heppy**" has knuckled down to the job without any fuss and with the support of a fine bunch of players.

Once again we can't let the season finish without a special mention for **Joe Avery** of **Caulfield Grammarians** for another season of loyal season. As unofficial 'chairman of selectors', Joe makes sure there is always someone in the goals.

Today sees the end (temporary only we hope) of **John Graham's** football at Monash. During his 7 years as player, coach and administrator, he has had a big hand in the development of the club in its rise from "E" to "A" Section. John has won several **Vafa Best & Fairest Awards**. Relieved of coaching responsibilities, he has performed very creditably with the **First XVIII**, playing many fine games in the centre. We thank you John for your fine service and wish you and **Kay** the very best for your trip overseas, and for the future. We hope you return very soon.

It was not through his own lack of effort that **Grant Woods** captained **Old Geelong's Reserves** to a loss. But **Woodsie** reckons he must have a jinx on the side. After winning five games straight, the side's normal captain **Joe "Beer Barrel" Cantor** went skiing. **Barry Laws** captained for another win and was promoted to the firsts. Now **Grant** has led the side to its second consecutive defeat.

Ball Briefs — continued

In a determined way, **North Old Boys** continued to press their claims for a position in the B Section final four with a convincing 82-point win over **Kew** last week. This win was preceded by an inspiring, fighting win by the Reserves who played their best football for the year to set the pattern for what was to be a great club day.

Highlight of **St. Bernard's** great win over B grade leaders **Geelong** was, according to **Mick Perrett**, back pocket player, **Mick Perrett's** long goal from near the centre of **Elsternwick Park**. By the time he left **Tub's** place on Saturday night he was heard to quote, or mumble, that it had travelled 95 yards! Other highlights were the fine form shown by **Bill Schuarzenberg**, who capped off a great display of marking and ruckwork with four excellent goals; and the "present" offered by keen supporter and committee man **John Radcliffe** which certainly did not fall on deaf ears.

Hello **Poison Pen**, **Bleeder**, **Pussycat**. **Bleeder** should be all smiles after **Fairfield's** win, but the rest of us were losers. **Commonwealth Bank's** winning run came to an end when we failed to make use of the wind in the first and third quarters. **Old Scotch** looked the faster side and must be given a show in the finals. Our best were "**Bull**" **Curtin**, **Les Radford**, "**Waves**" **McCrimmon**, "**Deacon**" **O'Brien**, **Richard Horban** and "**Lengthy**" **Dick**. The Reserves turned in another one of their shockers but we had some battlers in "**Crasher**" **Clarke**, **Sammy Athans** and **G. K Browne**, **Paul Anderson**, **Kevin McNally** and **Brian Joyce** also got themselves a few kicks.

For most clubs it's mothballs today but **Commonwealth Bank** have to keep in training for the annual **Dixon Shield** match against **Adelaide**. As we haven't won there since 1957 we'll have our work cut out this time. We play "**Mr Zach's** mob today and I bet **Steak** and

Kid's mob want us to win as this match holds the key in the relegation stakes. Signing off. **Gympie**.

Two towering marks and deadly goals from **Ivanhoe** reserve's coach, **Ron Lucas** really kicked his team on last week. **Ron's** great form in only his third game this season provided the inspiration that led to a fine fighting win for the 'Hoes.

Collegians with possible relegation staring at them took the field against **De La Salle** last Saturday with determination stamped all over them in a do or die effort. The game was of high standard, and very even throughout the four quarters, despite a strong cross wind. The fortunes of war changed hands several times as one side then the other took the lead and with less than two minutes **Collegians** with good team work coupled with a very strong will to win managed a couple of points and sunk their teeth in and they hung on to come out winners. Best on the day were **Chris Roach**, who gave a classical all-round display of football, **John Varigus**, **Rickie Read**, **John Heron** (who keeps on learning with every game) **John Shinkfield** and stalwart **Phil Pryor**.

A solid win by **Assumption** reserves. After the write-up he got last week, **Wally Arnott** set out to prove that he can concentrate and give a 100 per cent effort. He dominated the heavy stuff all day and gave his rovers an armchair passage. Big "**Tim**" **McDonald** after an absence, returned to the spearhead and gave the others a focal point for attack. Other highlights included the great goal by **Graham Ritchie** having his best season so far and the good form shown by **Paul "The Cartilage Kid"** **Nugent** who must be sorry to see the end of the season coming up just when his knee was coming really good.

Ball Briefs — continued

De La Salle had the game under control for three quarters and then went to sleep. It goes to show that you must play for 100 minutes. Those players who did this were **Mark Janson** on the wing **Henry Halasa** in the ruck and **David Broman** on the half back flank.

A special mention to **Tim George** and **Geoff Tamblyn** for their invaluable efforts in providing match winning football for **Caulfield Grammarians** against **University Blues** last Saturday. For your first up full senior game Tim it was a beauty.

John Kelly has been a fine first year player for **Monash**. John worked himself up from the socials to win a place in the 1st XVIII, and has gained a reputation for his determination and enthusiasm. Speaking of determined players, **Mick Powell** has just about done everything for the club this season. Mick would crash through a brick wall to further the club's interests, and we are very grateful for his work on and off the field. I would like to refute the rumour that Mick does his summer training with **Whelan** the **Wrecker** demolishing buildings.

Another fine bachelor from **St. Bernard's** joined the ranks of engaged men last Saturday when **Brian Cusack** became engaged to **Joan Sheehy**. Everyone at **St. Bernard's** offers them both congratulations and best wishes for the future. The only "oldies" left now are "Boof", "Beau", "Tub" and "Baldy". However, the form that **Col "Baldy" Reidy** is showing at the moment it would not surprise what he got up to next.

If every player at **Tooronga-Malvern** put in the time and effort that **Geoff Vaughan** does, the club would be on top of the ladder. Geoff puts in a tremendous amount of work each week, and the results of the matches must be very disappointing. Another great worker doing ten jobs at once is

"**Albert**" **Smith**, and he has been so busy he has not attended any demonstrations lately. Thanks also to veterans **Bert**, **Johnno** and **Graeme Menagh** for helping out with the reserves.

Peter Hughes and **Greg Tucker** played a major part in **Old Carey's** big win against **Tooronga-Malvern**. Greg marked and moved well on the half forward flank and found Peter, full forward, a number of times with well placed passes. Peter finished with six goals.

OM's Reserves "consistent brigade" once again laid the foundation for a comfortable win. **Tim Moore** and **Pete McCallum**, two of the younger "boys" in the team played well in the ruck and lifted a lot of the load from the shoulders of **Andy Ristrom** who turned in his usual good performance. The old-timers **Ross Campbell**, **Harvey Tartakover** and **Les Caldwell** all played well and will be in the running for the Reserves' best and fairest player.

Old Brighton Reserves once again played superb football to trounce **O.G.Gs.** last Saturday. **Geoff "Midget Mind"** **Hosie** kicked four beauties, **Bomber** decided to try and did well, "**Grubby**" **Wilson** yelled all day while the "**V.C.**" had so many kicks he had to be carried off.

In a poor standard match **AMP** went under to **West Brunswick** because the opposition had more desire, and that wasn't hard. The few who turned in 100 minutes included **Laurie Taylor** (25s to 12s in B&F) "**Porter**" **Crompton** (firm on 2s) and "**Cec**" **Ruddell**. Good luck to the teams in finals, my personal tip to take the flag could be the outsiders, **O.G.G.**

Thanks to **Bill**, **Alf**, **Graeme**, **Cliffy**, **Ron** and "**Big Jim**" for that other side of the fence dedication, from the **Glenhuntley** boys. **Jimmy Londkowski**, **Chris Perazzo** and **Trevor Peterson** stood out and "well done" **David Lee** and thanks for those 200 minutes each week.

Ball Briefs — continued

Congratulations to all of the **Fairfield Reserves** on their tremendous effort to make the top four, we'll possibly miss out on percentage, but, it was a good effort chaps.

Gloomy greetings from the bottom of my bleeding heart, Bleeder, old chap. No doubt **Fairfieldians** are extremely happy at bursting **Parkside's** bubble once again this season in the usual close tussles between the red and whites. It appears your side countered the older **Parkside** players in the seniors, except the **Gleasons** in Peter and "Boone", and it was left to the younger brigade, **Eddie Kane**, **Bobby "Mr" Fletcher**, **Denis Thomas** and **Kevin Clarke** to do the lot by themselves. "Bottles" mob might give us paddy whack the drumstick or shillelagh if we don't extract the **Ballaarat** from the fire without shilly-shallying around the big sticks today. All **Parkside**s hope "Jacko" can fire like **Hudson** today and in finals. I noticed many behinds made up the score of both teams, young bleeder must have been wearing the white coat again. Our juniors continue to struggle with **Paul Breen**, **McLay** and that stout "Fell"ow receiving a mention. Say hello to **Gympie** and the **Geelong** high flyer for me, till next edition, **Poison Pen**.

Old Camberwell Reserves kept their final four chances alive by strong determined play from **Justin Lucas** and **Peter "Suggo" Sugden** in the last term. **Pete Keele's** goal in the last was too good to be true — right through the middle.

Another fine display of football was shown by **John (Spidge) Martin** of **R.O.B's** last week against **Elsternwick**. **Spidge** was surely best on the ground followed closely by **Steve (Midge) Aston** and **Alan Ashworth**.

Tooronga-Malvern Juniors had another convincing win last week, showing that if they make the finals they

will be worthy contenders for the title. A very even side, with all players doing their share at some time or other of the game.

Footscray Tech tasted defeat once again at the hands of **Blacks** last week. Having no answer to the opposition's big men we again showed a lack of endeavour and not enough determination. Desperately lacking tall timber we must develop a game around our smaller men and try to fight our way back to **B Section** for season 1972.

"Fitz" who, "Fitz's two. Yes **Parkside** reserves were certainly thankful that **Russ "Long Boot" Fitzgerald** and **Denis "Walkabout" Fitzpatrick** were in form against **Fairfield** last week. It appears these two players may "Fitz" into a regular position with the senior team before the season's end.

Collegians Reserves who defeated **De La Salle Reserves** comfortably had to fight not only a determined opposition team but also a strong cross' wind. Our best players on the day came from (once again a first year player) **Benjamin, Lugg, Boucher, Opie** and **Rickie Day**, also "**Fritz**" **Kerr**.

Footscray Tech Reserves inflicted a noteworthy defeat to top side **Blacks** last week. Desperately short of players, we had only one reserve and three last minute withdrawals yet still managed to hold on and win, kicking against the wind in the final term. Accuracy played a big part in the win and if we can keep this up we may have a big show in the forthcoming final series.

Ex-coach of **Parkside**, **George "Sago" Rice** was not too happy about being over ruled by the field umpire when acting as a goal umpire in the recent drawn game played by **Parkside**. Take heart, **George**, because **Parkside** could have lost the game by five points, and **Billy Rodda** could have asked to have you replaced like some other **Parkside**s we know, "Pres"

AGE, HEIGHT, WEIGHT

Clubs likely to be taking part in Semi-Finals and Finals are requested to furnish the Age, Height and Weight of players from whom the teams for these matches will be chosen, as soon as possible.

The information is required immediately

Clubs with Senior and Reserve teams both in the Finals are requested to furnish separate lists, showing in the Reserve team list only those eligible to play with the Reserves, and omitting from the Senior list those players who have no chance of being selected in the senior team. It is understood that there may be a few players on both lists in these cases, however.

Lists must be in **NUMERICAL ORDER, NOT ALPHABETICAL**, and must be in the correct sequence — No., NAME, INITIALS, AGE, HEIGHT, WEIGHT.

EXAMPLE:—
1. Smith, A. W. 19 6-1, 13-12,
and so on.

Forward the information to The Amateur Footballer, Box 1564P, G.P.O. Melbourne, 3001.

SEMI-FINAL AND FINAL MATCHES

In ALL SECTIONS other than A Section, A Reserve Section, B Section and B Reserve Section, both Semi-Finals will be played on August 22nd, Final on August 29th and Grand Final on September 5th.

In A Section, A Reserve Section, B Section and B Reserve Section, the First Semi-Final will be played on August 22nd, Second Semi-final on August 29th, Final on September 5th and Grand Final on September 12th.

In each case the First Semi-Final is played between the THIRD and FOURTH teams and the Second Semi-Final between the FIRST and SEC-

OND teams. The Final is between the WINNERS of the FIRST Semi-Final and the LOSERS of the SECOND Semi-Final. The Grand Final is between the WINNERS of the SECOND SEMI-FINAL and the WINNERS of the FINAL.

ELIGIBILITY OF PLAYERS FOR RESERVE AND JUNIOR SECTION FINALS

The Rule relating to eligibility of players in Reserve Section Finals now reads:—

A player who has been a member of a senior team of any club in nine or more matches during the home-and-home matches in any season shall not be eligible for inclusion in the reserve team of a club taking part in a final match in the same season unless both the senior and reserve teams are participating in a final match on the same day.

Provided that no player shall be eligible for inclusion in a reserve team taking part in a final match in any season unless such player has been a member of such reserve team in at least TWO home-and-home matches during the said season.

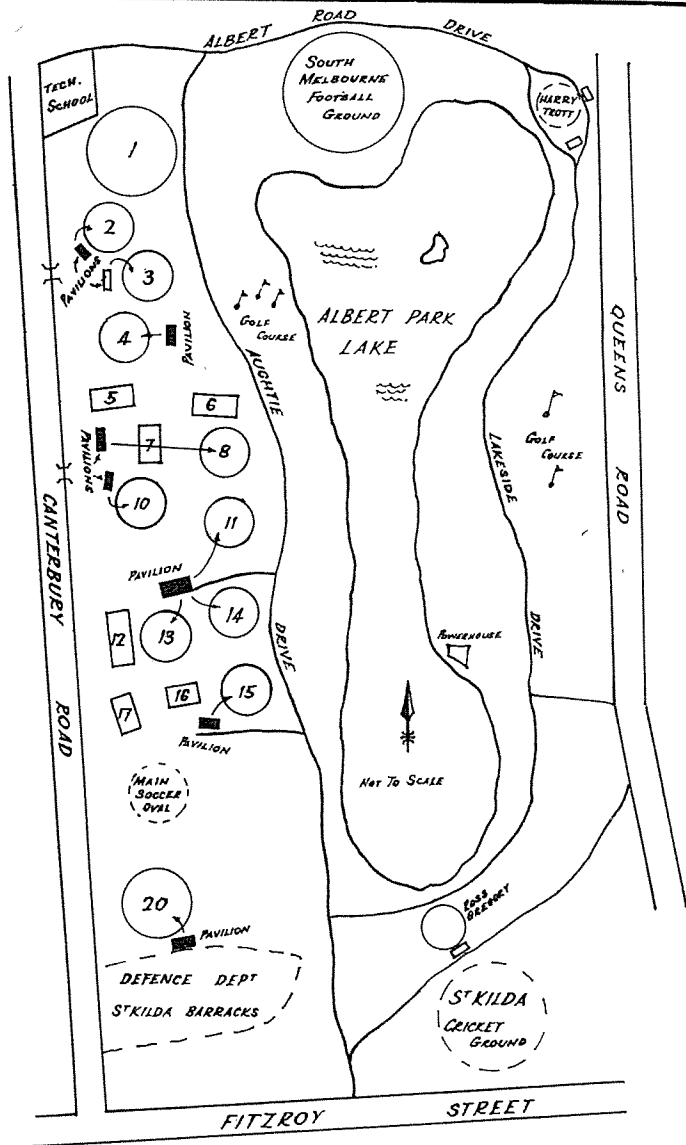

JUNIORS

A player who has been a member of a senior or reserve team in more than five matches during any season shall be ineligible for inclusion in a junior team taking part in a semi-final, final or grand-final match in the SAME SEASON UNLESS he has been a member of the junior team for more than five matches in the same season.

CAR PARKING

Cars must be parked as directed at Elsternwick Park, otherwise they will be refused admittance to the ground.

FROM HERE AND THERE

Another Century at Assumption

Assumption's fifth century player is **Carlo Furetti**, who tops the ton today. Perhaps no player in the club has given so much effort in his struggle to become a better player. His striving took him into the senior side against the predictions of earlier selectors and gained him trophies in the senior side. With the advent of younger faster players he lost his hardwon wing position. Back again in the reserves his strength and tenacity has been put to good use as a ruck rover. Off the field his talents have been unsurpassed as a member of the social committee.

St. Kilda Players in the News

Three members of St. Kilda CBOC reach highlights in their careers today. **Bernie McMahon** left us to go overseas, a pacy rover and returned to us two yards slower and two stone heavier, but still made the firsts in the back pocket. He cracks "the ton" so well done **Bernie**. **Bill Kennedy** plays his fiftieth all of which have been determined efforts. A great clubman, **Billy** is a valuable member of the club. **Kev Curry** leaves us as boundary rider after 73 consecutive games to go bush teaching. A fine job **Kevin** and we hope to see you back as soon as possible.

Two Hundreds at Alphington

Two more centuries at **Alphington**, to **Max Robinson** and **Ian Adams**. **Max** has reached his century much quicker than **Ian** in that his red hair is tempered with a bit more control. **Ian** is apt to act without thinking and as a result has had a couple of holidays which have slowed his progress somewhat. Both have given the club good service and we look forward to many more games from them. Perhaps one could knock off arguing and the other give up his ambition to be 'best boy of the week'.

Monash would like to thank—All A Section clubs for their generous

hospitality during the season. The following club stalwarts: **Jack Lamb** for his hard work on the committee as treasurer; **Geoff Marshall**, team manager and vice president; **Don Wright**, boundary umpire and **Philip Harper**; **Gary Taylor**, reserves manager; **The afternoon tea ladies**, who made sure that supporters were well fed; **David Seccomb** for his conscientious and enthusiastic time-keeping over the past two seasons.

Power House Committee and **Players** would like to say a big thanks to all those people who have helped the club off the field during 1970. **Mark Stokes**, team manager; **John Schulze** and **Keith Cavell**, first aid; **Rex Freeman**, senior runner; **Barry Carozzi** and **Gary Trollope** boundary umpires. A special thanks must go to **Graham Duncombe** and **Les Gordon**, our two coaches.

Fairfield's colours were predominant last Saturday when the man in white couldn't start his car. We were red in the face after pushing frantically, but like the big, bad wolf, a couple of huffs and puffs and away his car went.

Old Camberwell's golf day proved a great success with forty players starting and only 27 finishing the hardest Sunday morning training this season. Some highlights were the **Ferrari** four using their clubs like shovels on the 7th. **Harrison's** 145; **Orwin** and **Cripps** scaling the cliff at the 14th.

V.A.F.A. MEETING

Club Secretaries and Delegates are reminded that the next meeting of the Association will be held at the **Amateur Sports Club, 14 McKillop Street, Melbourne** on **Monday September 7th, at 8 p.m.** This will be the last meeting for the year.

One delegate only is permitted from each club, but make sure your club is represented.

From Here and There — continued

Footscray Tech's ladies in waiting, Irene McDonald, Cheryl Fletcher, Barbara, Mrs Park, Mrs Carr all have done a great job on the refreshment stall all through the year. Also thanks to the special effort girls, Marilyn, Helen, Elizabeth and Sue. The efforts of these ladies are much appreciated by the reserve players and opposing sides. In all weather these girls are there with hot refreshments and a friendly smile. Once again thanks very much girls.

to benefit from
REPCO
technology**

All right, so you don't own a Repco-Brabham, Match Repco, Lotus Repco! But this doesn't stop you taking advantage of the same advanced technology and precision engineering that have won two successive world racing championships for the famous Repco racing engines. Tough and demanding, the world's most gruelling Grand Prix circuits have proved the ideal testing ground for Repco component parts and automotive engineering skills.

These successes have brought world-wide acclaim and recognition for Repco products and Repco technology. So you don't have to go motor racing, Repco does this for you — to produce better Australian-made automotive components for your car, for the Australian vehicle industry and for automotive markets throughout the world.

REPCO — An all-Australian organisation

Manufacturers, Merchandisers, Exporters of automotive components, accessories, hand and machine tools, service equipment for transport, industry and agriculture.
