LAST QUARTER FIGHT-BACK SAVES COBURG

M.H.S. Pip Monash by 2 Points

Ivanhoe Trouble Ormond

By GEORGE TAGGART

De La Salle, after leading for most of the day, could not withstand a strong fight-back in the last quarter by Coburg, who finished strongly to win by 17 points last Saturday.

In a thrilling finish, Melbourne High scraped home by two points from Monash University after they too had trailed for most of the match.

Ivanhoe gave Ormond a lot of trouble in a see-saw game with Ormond finally winning by two goals. Better scouting around the packs was a big factor in Ormond's win.

University Blacks won the battle for outright leadership of B Section when they beat Old Scotch by 33 points. Both sides were undefeated prior to this match with Scotch leading on percentage.

Four other leading teams were beaten — Assumption, Parkside, Elsternwick and Assumption Reserves, and another (Monash Juniors) won narrowly.

De La Salle outplayed Coburg in the first half to lead by 25 points at the interval, and it was half-way through the last quarter before Coburg took the lead, "De La" adding only 9 points in the second half.

Monash handled the wet conditions better than Melbourne High and were 20 points in front at half-time of a low-scoring game. But MHS finished determinedly and took the lead a few minutes before the siren.

Caulfield Grammar held Collegians for three quarters and although Collegians came back well in the last, their leeway was too great and they were beaten by 33 points.

Old Paradians kicked 6 goals in the first 7 minutes against University Blues and then succeeded in closing up the game to hold Blues' out for a 13 point win.

Old Xaverians scored their first win for the season when they beat Footscray Tech by 3 goals and North Old Boys beat Commonwealth Bank by nearly 7 goals.

Geelong thrashed Kew to the tune of more than 11 goals and St. Bernard's had an easy win over Alphington.

Scotch's defeat by the Blacks caused them to slide from top place to fourth, Geelong now being second on percentage.

Matches in C Section were remarkably even, the widest margin in the five games being Old Haileybury's 13 point win over Tooronga-Malvern.

Old Carey inflicted the first defeat on the leaders, Assumption, scoring by 22 points, and Uni. High beat Old Melburnians by 10 points, to be outright leaders of the Section.

Hampton Rovers beat Power House by 3 goals and St. Kilda CBC had 11 points to spare over National Bank.

Parkside beat Glenhuntly by 7 points in a low-scoring struggle and Old Brighton scored by 3 goals over AMP Society. Old Trinity, St. Kevin's and Fairfield had comfortable wins over West Brunswick, Old Geelong and St. Pat's respectively; with Trinity now on top.

FIRST BALL MADE FOR AUSTRALIAN GAME — Still Leads The Field

Latrobe University replaced Elsternwick in E Section top place when they beat the 'Wicks' by 11 points, Elsternwick dropping to fourth.

Old Mentonians scored their first win for the season when they surprised ANZ Bank and won by nearly 7 goals. Reservoir Old Boys beat Old Ivanhoe by 17 points and State Savings Bank kicked a big score 32-22 (214 points) in beating Old Essendon.

Junior Section leaders, Monash University, beat St. Bernard's by only 5 points and Old Scotch scraped home by 3 points from bottom team St. Kilda CBC. Both were low-scoring games. Ormond had a big win from Melbourne High, who are having a lean season.

Section 2 leaders, Army Apprentices, who kicked 677 points in the first five games, were held to a score of 4-14 (38 points) by West Brunswick, who however, could manage only 2-6 (18 points).

Old Brighton easily beat Elsternwick, the margin being nearly 13 goals and Toronga-Malvern scored a big win over Ajax.

There were a number of close games in the Reserves — Collegians beat Caulfield Grammar by 5 points. Commonwealth Bank beat North Old Boys by 4, Old Xaverians beat Footscray Tech by 2, the same margin by which Power House beat Hampton Rovers.

ANZ Bank beat Old Mentonians by 8 points and in a battle of the backlines, Old Camberwell beat Old Xaverians by 5 points — 3.3 to 2.4.

GROUND CHANGE NEXT WEEK (MAY 30th)

Next Saturday's E Section match between La Trobe University and Reservoir Old Boys will now be played at Oval 10, Albert Park, instead of La Trobe University Oval.

RESULTS OF MATCHES

Results of amateur matches are broadcast in the Sporting Sessions of Radio Stations 3LO, 3DB and 3KZ each Saturday evening and from Television Channels ABV-2 GTV-9 and HSV-7.

Channel 2 also provides quarter-by-quarter scores of A Section matches each Saturday afternoon.

Be sure to listen to this broadcast.

TIMEKEEPERS INSTRUCTIONS REGARDING "TIME-ON"

"Time-on" must be added (1) when signalled by the Field Umpire and (2) when a goal or behind has been scored. In the case of a goal, take the time from the waving of the flags by the Goal Umpire to the bouncing of the ball in the centre by the Field Umpire and, in the case of a behind, take the time from the waving of the flag to the kick-off.

HOW TO CONTACT EMERGENCY UMPIRES

Emergency umpires for all sections will be located at Elsternwick Park, and will be available to proceed to any ground if required.

The telephone number will be 53-8491.

Should the appointed umpire fail to appear, it will be necessary to phone Elsternwick Park and ask for an emergency umpire to be sent.

Clubs must make themselves familiar with the system, and ring the correct number:

53-8491.

POST EARLY EACH SUNDAY

BALL BRIEFS

All at U.H.S. Old Boys congratulate **Bruce Pascoe** and his wife on their marriage last Saturday. Bruce made himself available to play last Saturday, but the selectors decided not to take the chance of him 'missing out' because of an injury.

AMP Reserves won the points in a rugged display against **Old Brighton**. New coach **Rig "The Orator"** Bell has done well considering the number of changes enforced weekly. "**Dynamo**" **Collery** roved brilliantly and may force his way into the senior side this week. **Alan Saxby** continues to fire, **Larry Scott** once again was solid in defence and "**Herb**" **Gay** came under notice. The Reserve grade players have an extra incentive to play well now; turn it on or be dropped to the firsts!

Peter Raymond, who was brought into the **Old Carey** firsts to replace **Roger Gamble** who was injured, gave a great exhibition of wing play. With **John Goode** and **Graham Chapman** he made up a tremendous trio of little men who played a dominating role in **Old Carey's** win.

A great opening quarter by **Assumption** was a forerunner to disappointment. After a great start in which **Barry Dyer**, **Chris Jeacle** and **Des Tuck** were stars, the opposition grabbed the ascendancy in the second quarter and held it. Players to battle all day in the slippery conditions were **Michael "Bull" Howe**, **Barry "Young Feller" Munari**, and **Bernie "Crash" McMahon**, who celebrated his selection in the **Carnival** squad with a great game. **Pat O'Dwyer** and **Mick Avery** showed out around the ground, and skipper **Maurie Beaumont** made his presence felt after his late arrival.

Tooronga-Malvern Juniors had many fine players in their win over **Ajax**. **Liev Zobie**, **Ray Martin**, **Bill Leiffing** and **Greg Cullen** were very

ctive forwards, **John Young** and **Perc Perkins** were very good ruckmen, and **Graham Watts** played a good captain's game.

A winning centreline, fine defenders in **McMahon**, **Drinan** and **Kenny**, a great three-goal burst in the last quarter by **Jack White**, and plenty of **G. & D.** led to **St. Kilda CBOC's** good win over **National Bank**. **Tony Tesoriero** and **Jimmy Esmonde** roved tirelessly and kept us in it when their teammates weren't firing.

Coach **Bert Gaurdion** is being driven to drink by **National Bankers** who once again let the opposition off the hook in the dying stages of the game last Saturday.

Parkside defender **Tom "Terrific" Johnston** received his roast before Sunday dinner off coach **Doug Robertson** for giving too much latitude to **Glenhuntly** forwards. Even though, "**Tom Tom**" has a tendency to play this way on odd occasions, "**Johnno**" will wear this bake, but hopes it rubs off onto **Norm Willoughby** and "**Husky Lusk**" whose opponents he has had to check several times. Win that ball and wear down your opposition today, "**Tom Tom**" to prove the goose is not cooked.

Good to see **Neil Duncan** really firing for **Glenhuntly**. "**Dunc's**" continually drove the "**Hunters**" forward. Noted mud runners, **Kerry Nolan** and **Bob Contencin** revelled in the conditions and things may have been different with the wind in that dry first quarter.

Congratulations seem to be in order for **North Old Boys** this week both for the good win they recorded over **Commonwealth Bank** last Saturday and for the inclusion of **Les Murray**, **Bob Spurling** and **Kevin Power** in the **Victorian** training squad for the **Amateur Football Carnival** in **Perth** in **July**.

Ball Briefs — continued

Congratulations to **Rod De Boos** and **Barry Lansdell** for their appointment as captain and vice-captain of Old Trinity Reserves. "Smoothy" De Boos celebrated his new position with a new car and new boots. The boots must have helped as Rod ably led the team with an inspiring game. "Doc" Lansdell however was unable to assist Rod in his new role as he was warming the bench for the Senior side.

Who says social sides are unimportant? **Old Brighton** sent a team of old stagers to **Albert Park** last week to show that there is some depth in the club. **John "Nobby" Forster** and **Bob McLennan** showed the way home and the side won easily. Well done, fellas.

Colin Caddy moved back to the half-back flank relished the move and played a great game for **Monash** last Saturday. Some of his marks in the greasy conditions were a treat to watch. Well done Col, keep up the good form!

The coach and all players of **St. Bernard's** appreciate the fine work done each Saturday by our runner **Jack Clarke**. Even though he appears to be trying to outdo "Boof" in the fashion stakes, he is ever ready to do what the coach tells him. The only blemish of Jack's performance is at times he reports to the coach that he is a little tired in not the nicest of terms.

Collegians best against **Caulfield Grammar** were from **Chris Roach** for a good display all day, young **John Shinkfield**, who is yet to play a poor game, **Bob Zent**, **Wes Roach** who gave a vigorous display all day, **Skipper Rick Edwards**, **Ken Boundy** a first year player who is still showing promise of becoming one of our top players of the future. Congratulations to **John Moodie** on his selection to the Senior side, **John The Mood** must

have left his kicking boots in the Reserves room, he could only manage one goal but played well all day.

Welcome back to the **Ivanhoe** fold **Harry Parnell** and **Bruce Wakefield**. Both players made their first appearance on the field for several years against **Ormond** last week. **Harry** started to show a bit of his old touch as the game progressed and "Wakie" settled in quickly after coming on in the last quarter. The **Hoes** look forward soon to some of the great performances provided in the past by these two stalwarts.

Kevin O'Toole played his first game for **De La Salle** last Saturday and by his fine form is assured of a good year, Well done Kevin.

MHS's duplicate find for the season, the "who's who" twins **Henry** and **Michael Ritterman**, continue on their winning way. Coming from the Juniors this year, both have been doing a wonderful job for the club with **Henry** commanding the roving division with nipper **Mike** on the wing last week especially putting on a great display when coming onto the ground during the second quarter and both finishing up in the best players.

St. Pat's (Ballarat) is pleased to see the return of **Des (Test Pilot) Leyden**. **Des** has returned very keen and his enthusiasm really shows. Last week his efforts in organizing players for the **Seconds** did not go unnoticed. This type of player is really showing remarkable club spirit. You're doing a great job **Des**, please keep it up. I know the players in the **Seconds** will co-operate with you. Let's hope we can win some games for your effort!

Congratulations to **Betty** and **Kevin Kinlock** for their daughter, but how about our recruiting program next time, eh **Kev. Brunswick** need em!!

Ball Briefs — continued

Good to see **Hampton Scouts** under new coach **Don McGregor** acquitting themselves so well this season in the Junior ranks. Although they have won only two games and being beaten in a third by less than a goal after leading all day, they have gained tremendous support, and with such a young side augurs well for the future.

Have you ever seen a bright spark try to turn a rotary clothes line with a tent tied to it? A couple of **Fairfield** boys did, and the bloke doing the turning was sober at the time, we think.

When **La Trobe** plays four quarters of football they will not only beat but murder any side in E Grade. For two quarters they played brilliantly, but the second half! Yet despite the many absences, **La Trobe** won. "**Eddie**" **Pech** turned in a great display while **Nadenbousch**, **Gee** and **Hall** were again sound players.

Elsternwick Juniors' captain **Geoff "Snowy" May** struck real form last week but unable to bring home the points despite the ever reliable support of the **Newton Bros.**

The "young blokes" are certainly doing well with **Old Mentonians**. **Dave "Stalky" Medbury**, **Graeme Watts** and **Noel "The Mo" Bennett** will take a lot of shifting.

Good to see **Ian Vincent** back in **Old Camberwell's** line-up again after a spell with the Reserves. **Ian**, who started slowly this season. Gradually found form with the Reserves and then when given a chance with the **Firsts** last week really turned it on. Playing with plenty of dash and vigour he showed that he is back to his form of last season. Keep it up **Ian!**

Seen at **Dookie & Longerenong's** games in recent weeks has been former **Longerenong Agricultural College** ruckman **Stu. Bennett** who has been playing at **Sth. Melbourne** for four years. **Stu.**, a keen follower of

the club, could be very handy to us at the moment — pity about the Amateur definition at all!

"**Spidge**" **Martin** of **ROB's** again showed his talent last Saturday by dominating in the centre. We haven't seen "**Spidge**" go so well for some time now, but the form he's showing us this year will make him a strong contender for the best and fairest. Keep it up "**Spidge**".

Old Ivanhoe rucks have had a big lift in recent games with the improved form of "**Big John**" **Stevens**. **John** is starting to move around the ground and the big marks he can grab are a big help.

After a certain amount of pre-match confusion **University Juniors** scored a hard, slogging win against **Old Paradians**. **Dave Clarke** turned in a good first-up game on the back flank and **John Clarke** on the other flank also played a consistent game. **Robert Jeremiah** won this week's prize for being the last to arrive when he turned up as the ball was being bounced. It seems that "**Jerry**" just can't keep out of the limelight. **Dave King** kicked six goals after being off the mark the previous week. "**Short Back and Sides**" **Baines** was also a bit off the mark after the game with the final score.

Although **National Bank Juniors** have yet to win a game this year they remain undaunted. What about a big win this week against old rivals **Tooronga**, and then to "**Stewies Stew Pot**" at "**The Flat**" for a victory celebration.

It looks as though **Commonwealth Bank** are not going to lose their reputation for being the last to go home. Despite repeated requests it was noticeable that **Ron**, **Hoss**, **Dusty**, **Shacky** and **Basil** were still there at the **North Melbourne** new gathering place at the last moment. Thanks **Bill!**

Ball Briefs — continued

Just how many kicks can one man have? Geoff Finkmeyer showed that he is one of Old Brighton's stars of the future with his game last week. It is also notable that Geoff has been in the best players every week this year. Keep it up, Geoff!

Top junior team Monash were tired victors last Saturday. They snatched victory with barely 28 seconds to go. It was St. Bernard's team work which kept them at bay all day. It's coming fast St. Bernard's, keep working at it and you'll do more than just frighten top teams before the season is over — you'll be up there yourselves.

Old Haileybury sadly miss their champion full forward Peter Bowring who is overseas this year. In addition a further eight players are missing from last year's premiership 20. Dave Eagle, Max Lyon, Jim Mason, Bruce Langford-Jones (all retired but not too old), Peter MacFarlane (overseas), Garry Miller, Peter Burke (transferred interstate) and Gil Urquhart who has not played this year because of injury (should return shortly). To all these players we say thanks for your past service over the year and look to the "young bloods" to fill these gaps in our Senior side.

Footscray Tech's Keith "Chuck" Berry plays the worthy of being a good clubman unable to win a regular place in the team "Chuck" is still there each week to encourage his fellow team members along. Keep up the support Keith. Also mention to Bruce Alphey, our time-keeper. Bruce follows the club every week and it's good to see an outsider take an interest in the club. Thanks again Bruce.

A great fighting effort by Melbourne High saw them just get home against Monash Uni. last week. Four goals down at half time looked bad, but then an inspiring coaching dis-

play by Keith "Smoothie" Marshall sent the team on its way. A thrilling last quarter by both teams saw the lead change four times but an enormous goal by captain John "the foot" Cooper and another by Neil "Mr Elegance" Malone just made the difference.

For the second time in three weeks De La had the game won up to the end of the third quarter, but failed to fight on in the final term.

Experienced Old Carey players Richard Jones and Doug Steele celebrated their first game for this season by turning on excellent performances in the Reserves against Assumption. Richard was probably best man afield and Doug marked and kicked well at full forward. Other former Firts players to do well were John Locke, also playing his first game this year, and Andrew Hicks.

U.H.S. Old Boys' Bob Reid did not make one mistake last Saturday.

Footscray Tech's Reserve winger "Sparrow" turned in a great game in the mud last week. A slender chap, Ray throws himself after the ball at every opportunity and rarely misses. Peter Griffiths also turned in a creditable game with some strong marking in the conditions.

A welcome return to form of Old Mentonians last week. Highlights of the game were 4 goals by Gary "Nuts" Page and the excellent teamwork and understanding between Peter "The Peanut" Ingram, Ian "Syd" Harrison and Drew Pearson.

Still without a win to their credit, but trying hard, are the new boys of Amateurs Dookie & Longerenong Old Collegians. Often producing passages of play which leave other teams floundering, scores are not an indication of their potential — after all, any football team who has only played five games together must take a while to settle down.

Ball Briefs — continued

A certain **Brunswick** player is driving this reporter crazy every week. He informs me of how many games he has to go to get his first hundred up. Knock it off **Abba!**

Apart from having a few injuries **Commonwealth Bank** had to put up with the misfortune of missing **Gympie** at the game. We all hope to see your smiling face again soon Brian; besides who else down at the club can stir as well as you?

Old Camberwell Reserves came good last week with a hard fought win over **Old Xav's**. Playing in poor conditions they clung to a one goal lead in a very low scoring game. It was good to see the determined way the boys went about returning to the winning list despite two bad losses in previous weeks. Highlights from the game: Robo's marking and ruck work; The Cat's solid play in defence; Sugo's inspiring captancy; and **Paul Vincent's** attacking drive from centre half back.

Finishing with fifteen fit men, **St. Kilda CBO's Reserves** were still able to trounce **National Bank** by forty-three points. After our herculean effort, **Heinz** had us crawling in the mud looking for his lost contact lens, which we found in a most unlikely place, still in his eyeball. Thanks **Billy**, you saved us from a long search. **Macca's** effort of four goals in the last quarter after playing the first three quarters at full-back is worthy of note.

The older they get the better they play. **Old Brighton** will testify to this, especially in the case of **Keith "Kav" Peachey**. Each week **Keith** shows the young blokes that he is not finished yet. It's great to see him playing so well, Keep it up, mate.

Bad luck for **Old Trinity's "Jamie" Cox** who broke his ankle against **West Brunswick**, never mind **Jim** perhaps when they mend it they will straighten your kicking at the same time, to en-

able you to get yourself back in front of goals.

Well skippered **Jimmy Londkowski**, plus good 100 minutes of football from **Noel (Flasher) Wilcox** and new boy **Robert**. The back pocket failed to save what was a lamentable **Glenthuntly** exhibition. If a "**Londkowski!**" can play, and well, surely the rest can!!

National Bank will be strengthened by the return this Saturday of "Crow-eaters" **Bob Lloyd** and **Bob Evans**, both boys have been visiting that other State. With **Brian Sheehan** really tiring in the centre we're hoping for that elusive victory.

Continuing their good showing of previous weeks, **Tooronga-Malvern Juniors** whitewashed **AJAX** with an intelligent display of wet weather football, which suggests they will be no chopping block for other sides in future. It was nice to see more members of the committee in attendance too.

If a notice appears in the daily papers' lost and found columns referring to the loss of good teamwork and an important match, it will be **Assumption Reserves** coach **Lindsay Howard** trying to locate the spark which had taken his team to four great victories on end and the top of the ladder. Even noted mudlark "**T.W.**" **Fitz** disappeared in the mire after a great first quarter. The good players were few, although **Mick Murray** and **Peter Patterson** admitted no peer on the day and **Jack "Old Timer" Evans**, although outmarked early, gave a hard working performance in the last line of defence.

Congratulations to "**ROB**" **Reserves** on another great win (12 goals this time). Keep it up chaps it looks like an undefeated premiership for this, our first year. **Colin Davis** and **Bob Ashby** showed great form and were a tower of strength all day.

Ball Briefs — continued

AMP exploited a new type of forward play against Brighton. Pack the forward line instead of the backline and give your full forward no breathing space at all. "Flea" Metcalf and Gerry McHugh were two who turned in great displays across the half-back line and "Porter" Crompton lifted the roving division when switched. Others worth a mention were Brian Ahern who had a go all day, Alan Sloan who played desperate football for 100 minutes and goal-sneak Max from limited opportunities.

Kevin Weston wins this week's booby prize — a large packet of Drive from St. Bernard's for turning up in black knickers before the day's romp in the mud.

Collegians football club held a reunion last week when nearly 500 invitations to attend our game were sent, and the old boys cove hom to The Trott from far and near for a day of reunion with their former club mates, and had a good day. It was a pity we could not celebrate the day with a win but despite a fine display by the players in the last quarter the win was not ours. Congratulations to Caulfield, nevertheless. Our club would like to thank Miss Morgan (Mr. Coomb's secretary), Mr. Stan Welham (for the signs he did for us), Mrs Lucas for working all day selling food to the hungry, she was ably assisted by Mrs Powell (Brian Powell's wife). Thanks folks for your effort, also Warrick Nutchell, Brian Powell, and our President Basil Coombs.

The sight of Randell Castle's mane streaming in the wind as he dashes from the backline is becoming a familiar and very welcome one for Ivanhoe supporters. Randell took a little persuading before coach Ron Lucas convinced him he was a full back. Now he has settled in like an old timer.

Good to see the continued winning form of the Monash Reserves and Monash Juniors. In the Reserves, coach Roy Harper has settled in well, and is moulding the team into a strong combination. The Juniors continuing under Pete Wells are again the power of the Junior Section. Pete has developed fine team spirit and enthusiasm is high. Monash are very fortunate in having such talented coaches supporting Sam Birtles.

The Derrimut boys Mick Ginnivan and Ian Harvey certainly unearthed a promising find for St. Bernard's when they recruited Ray King. In his first ever game at full back Ray did an excellent job last week in holding the section's leading goal kicker to one goal. Although it is rumoured Dino—out with a broken hand—was not so impressed everybody else was very pleased with the performance.

All please note that "Jexy" Dancerkert in Round 2 kicked 2 goals and not one goal as was shown in the Record. Incidentally, "Jexy" took his fifth overhead mark for the year last Saturday, this being a five-fold improvement on any other (and there have been plenty) season's effort. As un-elected captain of St. Kilda CBOC's Reserves, Jexy has a perfect coin tossing record — one correct call which was our only loss for the year.

Ian "Paddles" Pannel, Footscray Tech's centre half back really came to life last week. His fearless, dashing style of football kept the ball heading towards the forward line, only to see his team-mates play from behind to lose.

U.H.S. Old Boys recruit Rod Hanton proved he will be a great asset to the side this year. Rod, a school-boy, playing only his second game showed his ability with strong, cool, football in the back pocket last week when under pressure.

Ball Briefs — continued

Good to see each week the good form of little John (Freckles) Dwyer. Boy!! Does this kid battle for Brunswick, he inspires his team-mates.

Young MHS recruits Ron "Tiny" Manly and Tony Chee "Whizz" hit their straps last Saturday in a fine ruck-roving display at Elsternwick Park. Combining well they were a sight for sore eyes to the never-say-die Reserves team.

Old Carey supporters were delighted to see tall ruckman Peter Dambrosio show glimpses of his true form against Assumption last Saturday. In an effort to bolster the forward line he was rested in a forward pocket and showed how much he appreciated the change from the back line by booting four goals.

Despite a very poor first quarter Old Camberwell had a good percentage-boosting win over Dookie and Longerenong O.C. last week. A ten-goal burst in the second quarter set the stage for the twenty-one goal win. Highlights from the game: "Butch" MacCallum's great ruck work; "Panchito" Vincent's faultless game in the back pocket; Dick Hewitt's form at centre half back; Peter Hansen's six goals; and Ivan Hughes four goals straight in the first game that he has been able to get near the goals.

Congratulations to Colin "Conga" Erickson, coach of Old Mentonians Reserves team, and the rest of the players on their efforts in recent weeks. Although yet to win a game a victory is not far away.

It was good to see that "blue eyes" McCrimmon started to come into his own with the Commonwealth Bank Reserves last Saturday and if he continues in the same fashion could displace his older brother.

Holding the opposition well in the first quarter, but letting the game slip through our fingers — this has been the pattern of all Dookie & Longere-

mong Old Collegians games so far this year. But a few players to devote 100 minutes of football were Russ Allison (ruck), Ken Rose (centre), John Locco (ruck), Rob Patrick (wing) and our truly devoted coach Ken Allison.

Joe Homesey has provided some real dash and determination around the packs for Ivanhoe Reserves since he first donned the black and white guernsey a few weeks ago. Well done Joe, especially for your effort last week in very difficult conditions. tions.

Now that his brother is President of St. Bernard's, John Tobin is certainly showing all his capabilities as a player and appears to have found a permanent place in the top side. Keep up the good work John.

Congratulations to the "newies" Alan Drysdale and John Colman on their good first-up games for Monash. Alan played a dogged game on the back line, combining well with Andy Sladen and Phil Knight, while John was continually busy around the packs.

Collegians Reserves returned to the winners' circle last Saturday with a win over Caulfield Grammarians, our Reserves played good sound football all day and in the last quarter when Caulfield came back they hung to their lead with grim determination and came out the winners. Our best on the day came from Storan, Dunn, Day, Manning, new-comer Benjamin and Rod Opie, nice young fellers.

Congratulations to Melbourne High stars John Cooper, Roger Needham, Ian Turnbull and Alan Wilson on being chosen to train with the State squad this year. With these four guys playing for Victoria, have no worries about winning at Perth in July, keen supporters.

150 UP TO O.M. PLAYER

Harvey Tartakover plays his 150th game for Old Melburnians today. Harvey has given great service to the club both as a player and a committeman. If he keeps up the form he has shown this season we might get another 50 games out of him! Good luck, Harvey.

KEW PLAYER REACHES 100

Congratulations from all at Kew to Alan Rodda on reaching 100 games today. "Rod's" never-say-die attitude, together with his ability to create a loose man has proven a big headache to many sides. We hope you keep it up for the next 100.

"Snow", the oldest Blood of all is not bleeding after last week's effort, Bleeder, my friend. Yours truly did a little spying last week to try and find the reason why the juniors can't notch a win, but was unsuccessful, even thought the matter was carefully and thoroughly deliberated upon until the early hours of the morning at the home of "Peter Crayfish" with the Senior one. Darkie the performing seal had his usual "Dago" before he went "Flako". Player McGuane came into the discussion at some stage of the proceedings, and it was decided that he could turn into a handy player for the uner 19's. Our senior reserves have formed into a steady sturdy combination, and it was pleasing to see "Fordy's bung knee" stand up to the test. Daniel "Doone" Gleeson turned in a ripper (right and left) and Mal "Cakes" Purcell put three out of twelve through the middle. Fairfield will have our Blood if they can, Poison Pen.

Collegians ground (Harry Trott Oval), was the scene last Saturday for their reunion day. One of the largest crowds ever seen and the Trott was there to make the day a success. A lot of work was involved.

"Wacker" Mitchell, despite the fact that he is no longer on our committee, worked hard all day helping to set up things. The bag of Spuds was won by Dr. Vivian, club M.O. The ear bashing was won on the bell by the silent one club member Henry "The Yak Yak" Sanders from "Jawbone" Jack McCann. Our thanks to the ladies at afternoon tea, to the employees of the Albert Park Trust, and, of course to the weather, despite being cold no rain arrived during the day, even the Treasurer was known to smile. Well once again, one and all, thanks for a good day.

St. Kilda CBOC's men in white, Messrs Gurry and Spence are doing a great job running the boundary for our first and reserves sides. Kevin and Bernard are always correctly attired, which is a pleasant change from the "uniforms" of some opposition boundary riders.

Special mention to Footscray Tech's ladies who run the stall in allweathers. Their presence is most welcome to the supporters on a cold afternoon where their tea and coffee is always ready. Keep up the good work girls, you're most appreciated.

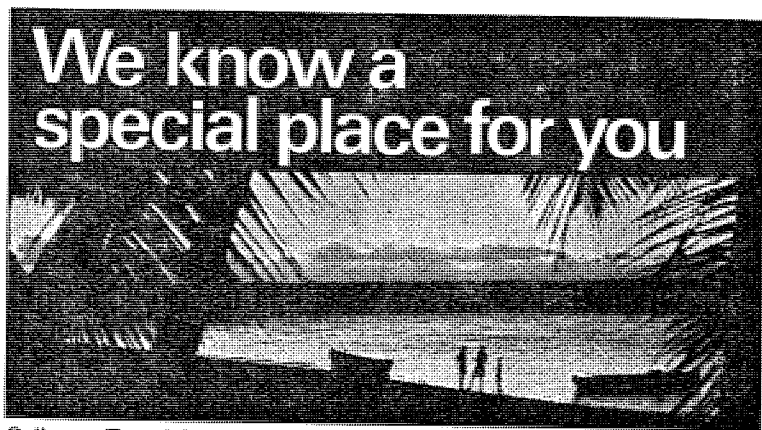

Hi "P.P." and "G" — This is "B". All smiles again this week — Fairfield won — we had a visit from the boss too, he called in to see the last few minutes. It's nice to see he can take the time out to have a look at us so-called lower clubs. I hope both you young chaps are smiling too on this day, too, if so, it means we are all winners. I have received an important despatch from our two weary travellers (they haven't left yet)! Aren't their travels getting exciting? Little Bleeder wants me to tell Gypmie he was elected goal umpire yesterday, he says he did a good job, but that he hasn't thawed out yet. See you next week. — The Bleeder.

From Here and There — continued

Commonwealth Bank would like to thank **North Melbourne** for their hospitality after the game last week, and even though I did not win the raffle, I would like to buy a ticket from such a lovely looking girl as **Pauline**. She was even in agreement with me that our Reserves deserved their win.

No club can exist without off the field helpers. **St. Pat's (Ballarat)** has some real fine stalwarts. Men like **Tony** and **Bill Joyce**, **Des (Rocky Delahunt)**, **Ed Williams**, really give the club fantastic service off the field organising and managing. There are others who should appear on this list whose help is often unnoticed especially **Mrs Van Suylen** who looks after the jumpers so well; **Mary Joyce** and **Mary Anne Fry** who are always giving a lot of time and help. Our very special thanks to all these people.

Still winning in senior ranks, **Gympie** old chap, it does not take long for the word to get around sleepy hollow, even my relations are not talking to me (thank my lucky stars), and are thinking of disinheriting me (that has saved me a few quid). I shall let **Pussycat** work that one out if he has the new knowhow. Anyway I shall not try to do a "Lou Lou" on Geelong again this year or they might declare war and invade us. In a low scoring game at Glenhuntly, **ParkSide** with **Jim "Hawkins" Byrne**, that new **St. Pat's** recruit (you can't have him "Bottles") playing well, and **Len Stenlake** getting a kick or two, held out the opposition when the rain came to score by the narrow margin of seven points. Till next week, **Poison Pen**.
