# ANOTHER CLOSE CALL FOR U.H.S. CAULFIELD'S LATE BID JUST FAILS *Monash Too Strong For De La Salle*

By GEORGE McTAGGART

Melbourne High had another close call against Caulfield Grammarians in the main game last Saturday, when they held off a strong finish by Caulfield to win by two points.

The previous week they beat Monash University by a similar margin.

Monash drew away from De La Salle after an even first half and ran out winners by four goals.

Melbourne High Juniors caused an upset when they beat the leaders Monash by 28 points. All other leading teams recorded wins.

High started well and led by 17 points at the interval and looked safe with a 16 point lead at three-quarter-time. Caulfield fought back to within 5 points but Melbourne went away to lead by 3 goals.

Caulfield came again but their effort just failed. They added 7-5 to High's 5-3 in the last quarter.

Ivanhoe had no counter to Coburg's play-on game and the leaders won as they liked.

Ormond were much too strong for a tired University Blues side and were also untroubled to win by a big margin, while Collegians' better teamwork and greater accuracy enabled them to score easily from Old Paradians.

Old Scotch beat St. Bernard's by 2 goals in an even game and Geelong had to battle to beat Old Xaverians by 13 points. Commonwealth Bank led Kew by nearly 4 goals at half-time but Kew added 8-4 to 3-2 in the second half and won by 9 points.

North Old Boys gave University Blacks little trouble and Alphington opened their winning account at the expense of Footscray Tech.

Old Melburnians scraped home by 2 points from Old Carey in a thriller at

Elsternwick Park, their more accurate kicking (9-8 to 8-12) being the deciding factor. Uni High can also thank better kicking for a 1-point victory over National Bank (9-8 to 8-13).

Old Haileybury Assumption and St. Kilda CBC scored easily in the other games.

Old Trinity beat Fairfield by 7 points in a match where the scores were close all day and St. Kevin's beat West Brunswick by 8 points. Old Geelong, Old Brighton and Parkside had little trouble against their respective opponents, although Glenhuntly kept with Old Geelong for three quarters.

Old Ivanhoe were almost 5 goals behind State Savings Bank at half time, but finished too strongly for the Bankers and won a high-scoring game by 10 points.

There was little between Brunswick and Old Camberwell for three quarters but Brunswick went away in the last quarter to win by 28 points.

ANZ Bank and Elsternwick battled out a low-scoring struggle with Bank's better kicking (6-2 to 4-11) giving them a 3-point win. Reservoir Old Boys ran right away from AJAX in the second half to score an easy win.

A third quarter burst of 5 goals by Old Scotch Juniors enabled them to draw away from Coburg and win by 27 points, and Ormond finished too strongly for Ivanhoe.

In Section 2, Power House suffered their first defeat when they went down to Hampton Scouts by 9 points in an even game. Elsternwick led Caulfield Grammar by 19 points at the interval but failed to finish on and went down by 3 goals. There were some close results in the Reserves — Commonwealth Bank beat Kew by 5 points. Old Scotch went down to St. Bernard's by 9, Tooronga-Malvern beat Assumption by 4, Old Carey's poor kicking cost them a 6-point defeat by Old Melburnians and Old Xaverians pipped LaTrobe University by a point.

## UMPIRE'S CORNER

---

Rule 21:—

- (a) When the ball is signalled by the boundary umpire as out of bounds and the signal is not seen by the field umpire and play goes on —

The boundary umpire must run after the field umpire and notify him at once.

- (b) The field umpire shall stop the play and order any intervening score to be annulled, (unless in the meantime a free kick has been given for a breach of the laws) and the ball shall be taken back to the spot where it went out of bounds and thrown in.

Re the new rule of kicking out on

the full — if the ball is kicked and hits the behind post on the full, it is deemed to be out and a free kick given — if the ball hits the ground and then hits the behind post the throw-in rule is observed.

Rule 28 states:—

If the ball is in transit towards goal, from a free kick — mark or field kick and an opponent shakes the goal post.

If in the opinion of the field umpire such action could have affected the result of the kick, the umpire shall give the player kicking for goal the option of another kick, but if a teammate shakes the goal post, the field umpire shall blow his whistle and award a free kick to the nearest opponent at the spot where the ball was kicked.

It is a reportable offence to shake the goal or behind post.

How about our men in white? 4 new umpires and 2 girl basketball players all born since the season began — congratulations to all the proud parents.

Don't forget our big tennis day at Sandringham in June if you can't play come and learn from the stars.

“JUST IN FUN”

One day Old Nick knocked on the Pearly Gates — which were opened by St. Peter.

Nick said — “Hey! St. Peter, my Demons want to play your blokes a game of football.”

St. Peter said — “Break it down Nick, you couldn't win — I've got the Saints up here”.

Nick replied — “Don't worry about that, I have all the umpires down with me”.

MHS saw the comeback of two star players last week in "Wassa" Dick who has just completed intensive studying (in football?) and Ian "Muscles" Harrison who has been up bush teaching (football I believe). Both players were back in top form and the way they played, led one to believe they've been completing a "kill-'em" program over the last year or two. Congratulation fellas on a terrific game and keep 'em coming.

### BRUNSWICK'S NEW SECRETARY

The new Secretary of Brunswick Club is Mr. C. R. MEYER, Flat 6, Mansfield Street, Thornbury 3071 (Phone — 66-6026 Ext. 6191 (Day).

Monash Reserves after a big loss to Ormond in the first round have played consistently to win all games following. Congratulations to "Stumpy" Coleman on fighting his way to the Monash firsts.

An enormous game by MHS Juniors last week saw them thrash top-of-the ladder Monash University after having had a bad run in recent weeks. Great play by Steve "Hans" Haas, Brian Cormack, Brian McDonnell, Ross Wood, Ric "Hedges" Benson and a gutsy effort by Pete Cameron saw MHS combining well to down the stronger, taller Monash. Four good goals by Pete Senine was a wonderful effort.

"Darrel" Dankert, Billy Kennedy and Mick Rahilly were the stars of St. Kilda CBOC's Reserves comfortable win over Hampton Rovers. A few easy shots that should not have been missed cost us a percentage-boosting winning margin. K. Drinan's claim for three points of your correspondent's goal is duly acknowledged.

## "South British United Football Award"

Round 7 of the South British United Football Award applied to D Section Clubs of the V.A.F.A. The award was won by the Old Brighton Grammarians Club who scored the greatest winning margin in D section during round 7 in defeating the St. Patrick's OC Club 17-20-122 to 8-10-58.

Congratulations to the Old Brighton Club. You will receive a new quality

football through the courtesy of The South British Insurance Group of Companies.

The eligible teams competing for the award during round 8 will be E Section Teams. Results to be announced in next week's Record.

Our motto — "our client is No. 1 with us."

## BALL BRIEFS

Old Trinity's **Roberts Moore** is well ahead on points in this year's "Stayers Stakes", **Rod Jones** was doing well early but bombed out badly at last Saturday's gathering at Gillespie-Jones. Rumour has it that this year's contest will be a struggle between **Roberts** and coach **Terry Hense**.

Old Brighton Juniors seem to be back on the road to the finals again. With players of the calibre of **Brian Grandin**, **Roger "Podge" Davies**, **John Levy** and **Rowan Wyeth** this could prove to be our year. We hope so, anyway!

St. Kilda CBOC Juniors again just missed out on notching up their first win. With **Tony Dynon** getting blisters on his hands and feet from handling the ball so often, and players like "**Monkey**" **Clinch**, "**Pip**" **Vine**, "**Stretch**" **McDonald**, "**Hook**" **Lynch** and **Rod McDonald** ably assisting we should have won by ten goals. All goes to show you have to play well for four quarters to win games. If **Phil Head**, that devastating forward, can kick goals and be among the best players, anyone can.

Despite their lack of experience **Melbourne High Juniors** **Stephen Haas** and **Stephen Taubert** are out-rucking their stronger opponents each week. **Brian McDonald** is capitalizing on their opportunities and with "**Lou**" **Senini** firing at full-forward MHS are starting to play with determination and co-ordination. It won't be long before we are back in our rightful position — in the Four.

Who said recently that **Des McGowan**, of **St. Bernard's**, needed a see-eye dog? He was on the ball last Saturday against University and saw everything that came his way, even a few of the opposition.

Congratulations to **Lance Heather** and **Bob Craven** of R.O.B.'s on a great game last week. **Lance** and **Bob** were

lifted from the Reserves side and showed good form. You First Eighteen players had better watch your step as it looks like there is some talent in that Reserve side of ours. Thanks also to **Paul Brooks** and **Dale Jackson** for goal and boundary umpiring again.

**ANZ Bank** got back on the winning trail against **Elsternwick**, with an exciting three-point win. The final quarter was so hectic that supporters on both sides were suffering from all high blood pressure after it was all over. We welcomed back captain **Peter O'Sullivan** and coach **John Bloom**, after injuries. They certainly made a difference to the team play.

A switch to centre half-back from the ruck has made all the difference to the form of **Old Camberwell's** **Dick Hewitt**. Since the change **Dick** has been amongst the best players each week and last week was best man afield. He marked strongly and drove the ball well into attack with long, driving kicks and clearing dashes. **Dick** was ably backed up by **Dave Tucker** on the flank who has yet to turn in a bad game. **Dave**, who backs his judgement, goes in for the ball regardless and usually comes out on top.

That player down at **Brunswick** is still reminding this reporter of how many games he has to go for his hundred games. Come on **Abba** how about it. Knock if off, mate!!

A solid performance by **OM's** Reserves backline played a big part in the team's win with "**Daza**" **Cox**, **Pete "Smokes"** **Boyle** and **Tony Rudd** showing out. **Les Caldwell** gave bite around the packs and **Tony Ratten** provided numerous opportunities to the forwards from the centre. Both teams would like to thank **Henry**, our teams' manager, for his enthusiasm and support last season and for the games this year. Good work **Lou!**

## Ball Briefs — continued

Another **Old Haileyburian** over from Perth this week was **Colin Quick** who played with the Reserves to notch up his 49th game. Hope to see you back for the 50th shortly **Colin**.

**Ian Moore** played a great game for **Toorong-Malvern Juniors**. Whether on the ball or up forward and finished with 5 goals. **Peter Allen** was always in the picture, and others to show out were **Dave Braun**, **Wayne Stokes**, **John Young** and **Graham Watts**.

**Assumption** coach **Bryan Harding** could easily have thought his team was wearing the wrong guarnseys as the lowly-rated opposition piled on goal after goal in the first quarter. However, mainly due to great individual efforts by forwards **Barry Dyer**, who equalled "Tim's" goal-kicking record of earlier in the season, and **Renalto Serafini** who gave an exhibition in marking all day, the Blues were able to take a decisive victory. Little man **Mick Avery** was scarcely able to see over the mud in parts of the ground but showed that brute force is not all that's needed to make a good footballer by making his presence felt all over the ground.

In distinct contrast to the present trend, the short back and sides all over the top being worn by **Alphington's Murray Smith** makes him look about as tall as **Len Belcher** and **Len** can pull his socks up over his head. When **Murray** finishes his training we understand he is to infiltrate **Penridge**, hence the hair style.

Unfortunately all **St. Bernard's** players couldn't match the fine performance of **P. A. (Hanna) Hannebery** last Saturday. After being in bed all week **Hanna** turned in another of his great club games for **St. Bernard's**. Perhaps the tonic the Assistant coach **Mick Perrett** gave **Hanna** in Gælong and surrounding "establishments" the day before the game had something

to do with his recovery. Apart from this all members of **St. Bernard's**, players and supporters congratulate **Hanna** on being selected in the State squad, and we all hope he gets to the West in July.

**Footscray's Mal McNeilage** relished the heavy conditions last week at **Alphington**. Receiving a heavy knock in the second term, **Mal** fought back strongly to turn many attacks in the 3rd and 4th terms. Aply supported by **The Camel** in the back pocket, **Mallee's** long kicking was a delight to watch.

**Roger Gamble**, **Old Carey's** regular winger was transferred to a half forward flank against **OM's** to replace **Euan Keddie** who was away on holidays. **Roger** relished the change and capped off a very sound game with 3 goals.

"Scribbler" sits quietly reviewing Saturday's events his hand trembles a little, **National Bank** down by one point to **U.H.S. Old Boys**, when will lady luck smile upon us? How did "**Plumber Bill**" **Mumford** miss that sitter and "**Sherpa**" **McLeod** too? Great game **Bankers** we'll make it yet.

Attacking handling and improved kicking to position were features of **St. Kilda CBOC's** improved form last Saturday. **Martin Bilston** and **Field** provided great drive all day and their form will play an important part in our finals' performances. Nice to see **Hampton Rovers** blokes forget about the few incidents that occurred during the game, and roll up to the after-game function in big numbers.

**Gary Perkins** marked strongly for his 6 goals and **David Morgan** stood out in a scintillating exhibition of teamwork by **Glenhuntly**, at last. Well done **Mark Whelan** — the only flaw was "**Wrecker**" **Johnson's** parking ability!

## Ball Briefs — continued

**Old Geelong Reserves stalwart Scot Jenkins** who has assured this scribe that he (Scot) is one of the best players in the Reserves got his chance in the Firsts last week. Coming on in the last quarter Scottie got a free kick right in front of goals. Although only 70 yards out he was not able to notch a major. Probably be back in the Reserves this week.

**Peter Hart** captained the 1st XVIII at **St. Kevin's** last year and has settled very well into the Old Boys team whether playing at full-back or centre half-back. He is known for his long clearing dashes when he occasionally overruns the ball and for a long series of injuries which have earned him the name Hypo.

Most of **Fairfield** turned up at a "do" put on by the "Cock-Roach's" old side — a Country and Western Night. It was a real good turn. I saw of lot of Western stars, some of whom came from the sunny South all making a dickens of a noise and to "Toppa" good night off we weren't treated like icebergs.

At **Parkside** last week the votes went to the "Y's". A couple of yes-men from way back "Yah Yah" and "Yap Yap" did not answer the umpire back once, and probably came under his eye. **Ron "Yah Yah" Moore** with two Reserve best and fairest awards to his credit looks like giving the Senior best and fairest trophy a shake this season if his displays so far on the wing are any indication. Skipper **Billy Rodda** had better get on his game if he expects to notch his fourth, and does not want "Yah Yah" to take his crown.

**AMP Reserves** never looked like closing the gap against **Parkside** in a low standard game caused by the atrocious condition of the ground. Even the sea-gulls wore pegs on their beaks to escape the stench. **Gary**

**Rutty** was a constructive rover and made an impressive debut with the club. **Tony Carr**, "**Snail**" **Jenkins** and "**Alfie**" all relished the conditions and **Littlejohn**, **Graham** and "**Moose**" all deserved mentions for sound displays.

It's hard to see the wood for the trees at **Old Brighton**. **Mike "Fat Max" Wood**, **Peter "Jockey" Wood** and **Doug "The Drunk" Wood** all starred with the reserves last week, where "wood" we be without them?

Congratulations to **Grant Powell** who played his 50th game for **La Trobe Reserves**. Great stuff, Grant.

The Seniors again played football for only part of the game, however "**Toadstools**" **Sceney** still bagged 7 goals and **Paciocco**, **Pemberton**, and **Nadenbousch** were also on target.

Once again, **Dookie & Longerenong** dropped their bundle in the last half. Those to show up early were **John Locco** (C.H.F.), **Greg Kotschet** (rover), **Bruce Healey** (Back Pocket), **Peter Dance** (Centre) and our vice-captain, **Russ Allison** (Ruck), who never knows when to give up — another great 100 minutes of football, Russ.

**De La's** best against **Monash** were **David Whitelaw** who is really having a great season, it is getting monotonous giving him that trophy each week. **John Lynch** also deserves a mention for a great game all day, and it must have been hard to pick the best between these two.

**John Graham** relished the muddy conditions on Wednesday to be one of **Monash's** best players against **University Blues**. John, the only **Monash** player to have played in all grades of Amateur football, broke away from the centre bounce time and time again to drive **Monash** into attack. His fine centre play was instrumental in **Monash's** victory.

Well done John, keep up the good form!

## Ball Briefs — continued

**Commonwealth Bank**, desperately needing a win, pleased their committee, when although beaten narrowly, they showed a welcome return to form. Senior players to show out were **Tony Borrack** — sheer tiredness beat him in the end; "**Action Again**" **Edwards**, **Wayne McCrimmon** and high marking **Tony D'Orsa** played well. What I liked about Bank's play, was their desire to win the ball — at times they looked as though they would eat a football. When a Kew supporter told me we are not good enough for B Section, my only answer was "Watch Us Rise".

Proud father **Doug "Fine Foods" Fletcher** bashed the ears off **Caulfield Grammarian** players and supporters when he paraded his latest product **Stewart Douglas** at last Saturday night's barbeque at the club house. The Ladies' Auxiliary for which wifey **Heather** is treasurer will no doubt also be anxiously awaiting her return to the duty of looking after their horde. All **Caulfield Grammarians** and friends extend a hearty congratulations to the popular parents and their sitters **Alf** and **Jean Shaw**.

We at **Collegians** congratulate **Peter Dunn** for having completed 100 games, he capped his century with a fine display, also **Harley Harber** celebrated his return to **Collegians Club** with a good game, we hope to see more of these two blokes in the near future.

Although **Ivanhoe** is not having the best of seasons, it is encouraging to see former players deciding to strip again with the club. **Peter Hartney** was back in action with the reserves last week and capped off a solid game with two goals. The 'Hoes captive albino, **Norman J. Shearer** cut his teeth for this season as boundary umpire. But rumor has it he thinks there could be a vacancy on the half

forward flank for a young, pacy player. Norm's trying to tee one up.

A great team display by **Coburg** in outclassing **Ivanhoe**. "**Fireball**" **Ellis** really burnt up the track and gave numerous opportunities to the forwards who never let him down. **Ron Seath** has settled into the side well at centre half forward and the co-operation and understanding with **Rod McFarlane**, **Norm Beattie**, **Neil Pearson**, **Robin King** and all the other players was a treat to watch.

In an exciting finish, **Toorongamalvern** reserves won the game with the last kick of the day. "**Tubby**" **Dealy** kicked three goals including the winning one, and was ably supported by veterans **Paul McLean**, **Brian Conquest** and 19th man **Bert Liddell**. Plenty of experience there, as their games total over nine hundred.

Congratulations to **Power House Juniors S. Whitmore**, **C. Staley**, **R. Christie**, **P. Hughan**, **D. Rabe** and **P. Coloe** on their promotion to the seniors.

Supporters of **Old Trinity** were a little worried how the team would go against **Fairfield** in the wet conditions after the poor performance against **Parkside**. The players had other ideas and with **Phil Cohen** and **Mark Pruden** showing the way the rest of the team followed their example to come back in the last quarter for a narrow win.

A few members of **St. Kilda CBOC Juniors** have been doing a bit of propping at the local. If they could play and team together as well as they could drink, the two blues and green would be on top of the ladder. History was made when "**Hook**" **Lynch** bought two jugs the other week, too bad he can't find a five-dollar bill at the bottom of his cupboard more often.

## Ball Briefs — continued

The tremendous win against Monash University last Saturday just shows how the young enthusiastic M.H.S.O.B. Juniors are progressing this season. Under the inspiring leadership of Pete Cameron we are starting to get the taste of success. As the opposition forwards are finding out the half-back line of Richard Benson, Cliff Humphries and Bryan Cormack is providing many opportunities further afield.

Our spy reports that St. Bernard's Juniors' "Pimpernel" Wise was reported in Sydney last Saturday watching Hair. Thought he saw enough every morning when he looked into the

Alan Dunn, C. Davis and H. Dulke again showed great form in ROB's Reserves side last week. It is a pity we let them score a goal in the last few minutes, but still who can complain after winning by 10 goals again? Well done three D's.

John "The Cat" Mehan, after a shaky start this season with Old Camberwell Reserves, has now settled in well in the back pocket. The Cat is a straight through player who marks safely and drives his kicks well down field. He has been well up amongst the best best players over the last few weeks and the Reserves are looking for continued drive from him over the remainder of the season.

A wonderful inspiring game by Reserves captain and coach Barry (Bones) Russ. He really turns it on every week for Brunswick.

Rob 'Bert' Thompson played another great game in the pivot last week for Old Melburnians. Gary 'Okka' Austin and Dave 'Megs' Urquhart gave superb exhibitions of marking at centre-half back and around the ground, respectively. Dave 'Skin' Wilson and Mick Loughlin controlled their wings to give OM's control of the centre-line which was

probably the major factor in the team's good win.

The news is now definite that Old Haileyburian Max Lyons has retired. Thanks Max for your services over the years in your many capacities of coach, captain and committeeman.

We hope you will find time to watch a match or two.

An unlucky loss by Assumption Reserves in appalling conditions. The brightest spot was the great game put in by Peter "Mad Dog" Heath. Another welcome overdue reappearance that of president and ex-senior captain Adrian O'Keefe, playing his first game since his defeat at the hands of appendicitis. Coach Lindsay "Silver Tongue" Howard is sure to bring home heavily the need for greater teamwork and more dedication by some players. Among the few players to concentrate for the whole game were Carlo Furletti and Peter Patterson who put in fine games.

We saw the Alphington forwards get as close as possible to the goals to make sure of a major score, especially after Doug Puddy missed one from 4 yards out. Col Johannsen and Doug Adams got goals from a range of just under six inches.

Congratulations go to all members of St. Bernards Reserves team last week for the way they beat Old Scotch. With fifteen players unavailable from our training list, a tremendous effort by all players led to a fine

We know there are some pretty bad drivers on the road but Lachlan MacKellar of Old Geelong had some anxious moments at the Reserves game last Saturday. A driverless car parked around the ground started to roll and ran into the back of Lachie's car. Only knocked a bit of chrome off the boot which apparently improved the appearance of the car anyway.

## Ball Briefs — continued

win. Things were so grim that our first eighteen coach **Gus Mitchell** and president, **Geoff Tugin**, stripped. However with Gus it must be 'do as I say' and not 'do as I do' after his scintillating lead to the pocket to receive a pass from Tubby which let the 'opp' in for an easy goal.

**Glenn "Boofa" Gribben** who was dropped from Footscray Tech Reserves side two weeks ago showed his selection was worth while against Alphington last week by playing extremely well in damp conditions. Another case of proving selectors wrong. Well done Boof.

**Murray Wilcox** Old Carey's centre-half back turned in a great game against Old Melburnians. He was well backed up by fullback **Colin Bell** who cleared in his usual dashing style.

Congratulations to **National Banks' Alan Wilson** who made a really fine debut on the half-back flank last Saturday.

**Brian Sherman** wouldn't have traded his Ph.D for those three goals he snapped in the third quarter, even though one of them was kicked with some rear end assistance. This win puts **St. Kilda CBOC's Reserves** clear on top of the ladder and we intend to stay there until after the grand final.

**Denis McGrory** deserves a special mention for a great game. Despite difficulties such as appendix, thumbs, G.B.'s snoring, Denis always gives 100 minutes. All agreed with **Bill** on Saturday's game for **Glenhuntly**. 100 minutes from the team will win today.

The younger members of the **Fairfield** brigade were treated to a pleasant surprise last Saturday, when "Labyrinth Lass" did a "Nelly Melba" for the umpteenth time — risking a severe? cart-a-ledge injury, this magnificent specimen of manhood stripped

again to assist his injury and illness stricken side — he took a mark too!

**A.M.P.** played from behind all day against Parkside and paid the obvious penalty by notching its lowest score in many seasons! **Alan Sloan** dominated the centre and set an example which was followed by very few team-mates. "Sparrow" grabbed some freakish marks, "Machine" **Munro** and "Ferret" appreciated their return to the wing positions and the "Flea" and "Thommo" were on the job all day. **Paul Blake** played a sound second half and looks if he has turned the corner.

Bad luck for **Old Brighton's Graeme "The Rock" Templeton** against AMP last week. Graeme's nose started to creep around the corner after a hefty bump. Reminded us of **Kahu Mahunga**.

After a run of off-games, **Dookie & Longerenong's** captain, **Wayne Bubb** turned on a ripper. **Bubby** started off at C.H.B., but was later switched to full back on E Section's top goalkicker. **Wayne** showed class by outpointing his new opponent in the air and on the ground.

Congrats on a great game, **Wayne De La's Barry** and **Jeff "Limpy" Lyons** both turned in great games against their rivals **Monash**. The way they both threw themselves after the ball was a fine example to the rest of the team.

**Collegians** started on their way to the top with a sound win over **Old Parade**. Our best on the day were from the **Roach** brothers, **Chris** and **Wes**, **Peter Boag**, **Johnny Shinkfield**, **Paul Munn**, **Peter Hammett** and the rest of the team combined with these fellahs and some good individual displays of team work.

Congratulations and best wishes to **Vern Malloy** and his wife **Jan** on their marriage last Monday, from all at **Coburg**.

## Ball Briefs — continued

Whilst six best players are required to be named in each match, there was not one player in the twenty who did not contribute to **St. Kilda CBOC's** fine win over Hampton Rovers. Even "**Four Eyes**" **Bennett** managed to burst through a few packs and not lose his specs. This great effort puts us in the right frame of mind to knock off Assumption this week. **Tessa's** left foot soccer goal was a highlight as was ex-junior **Peter Field's** consistent display on a wing.

**De La's Marty Scollon** gave a first class exhibition in the reserves against Monash. He really applied himself to the poor conditions and never gave up until the final bell. He certainly deserved that trophy.

Monash Highlights against the Blues — **Col Caddy's** wonderful game on the half-back flank, he marked and kicked superbly in very muddy conditions all day. — **Graeme Watsford's** dogged, determined football over 4 quarters. — **Doug Bartley's** fine dashes from the packs. — **Jeff Peer's** speed and mobility on the forward line started Monash on the road back after a poor first quarter. — **Jeff Thomas' and Nick Rogers'** good forward work.

**Darryl "Race-Horse" Kelley** is burning week after week on the wing for **Ivanhoe**. His favorite trick is drawing away from pursuing opponents while nonchalantly bouncing the ball. Keep up the good work, Darryl.

A large number of **Elsternwick** players would like to thank Hampton Rovers for their hospitality last Saturday night, they said they all had a good night, however, a few were looking a bit worse for wear during Sunday morning's training run.

Congratulations to **Melbourne High** who pounced upon Caulfield Grammarians last week. A great team effort saw the visitors snapping goals but missing even more. Neil "**Fingers**"

**Malone** did a great job at full forward with a bag of points (I think he got some goals too) while **Roger Needham** starring at full back was named best afield. The "who's who" **Ritterman** twins continued to dominate around the ground with **Ian Turnbull** putting in an average with about 40-50 kicks. Two points was a narrow margin but it gained us four points. An exciting well fought game by both teams.

It was great to see **Tim Green** and **Russ McPhee** of **Old Carey** show something of their old form in the Reserves last Saturday.

**Footscray Tech's "Mr. Elegance," Doug Smalley** and **Sir Ian Murley** a great display as a ruck-rover combination against Alphington Reserves last week. Both Ian and Doug look likely for senior selection in the near future.

Looking resplendent in pale blue and plaster last Saturday, **Paul Daffey** of **St. Bernards** was not appreciative of his mention in last week's A.F. and expressed his feelings to the friendly press correspondent. However Dino now that you are escorting the captain's sister, when you let alone the Benalla girls, maybe in a few weeks I will be able to give you a much more formal mention.

Although the **Old Melburnian** rucks were dominant, **Freeman** and **Goode** often sharked knock-outs and roving indefatigably they constantly put their team into attack.

**Footscray Tech's** inseparable four, **Ron Carr, Wayne Absolame, Mick Maddox** and **John Dibbon** all turned in good games with their teams last week. **Ron** in his first senior game played extremely well while **Wayne**, and **Mick** once again were in the best players. **John** continues to improve each week and is developing into a consistent footballer.

# FROM HERE AND THERE

## 150 UP TO VISITING HAILEYBURIAN

Peter "Pom" Burke back from W.A. for a week achieved his 150 games against Power House — only the third Old Haileyburian to reach this milestone. You'll be pleased to know "Pom" still looks well — a little overweight and a little thin on top. "Pom" is surely one of the greatest clubmen ever, a member of both our First Eighteen premierships. Congratulations and best of luck Pom, hope to see you back soon on a permanent basis.

## 100 GAMES AT ST. KEVIN'S

Last week Mick Hoare played a great team game showing plenty of heart — just what has come to be expected of him. This game brought up his 100 with St. Kevin's Old Boys. Mick has given great service to the club on and off the field — a committeeman for the last four years; he has even been rumoured to be the anonymous editor of Skob. It is typical of Mick that for the 1967 season he travelled down from Cobram each week to play with the club. Congratulations Mick from all at St. Kevin's.

A vote of thanks to National Bank ladies on a very successful night at "Stewie's Stew Pot" — it was a gourmet's delight.

Monash highlights. Andy Sladen and Col Caddy's fine back play in the slush; Paul Stewart and Rob Wilson's clever scouting and elusiveness; Graeme Watsford's tough, determined football; Doug Bartley's dashes out of the pack. The team performance — 18 triers and excellent teamwork followed.

Howdy do-dee Bleeder, with both Parkside Seniors and Reserves having splendid wins last week old "p p" has no complaints. Doug Robertson really has the boys firing, even Ron

Tennent and Peter Eames are going in hard for the ball. It was pleasing to see that A.M.P. Society were trying to get their signatures on a Form 4 or a life policy. Peter Eames no risk, but "Yappy" might pose a few problems to even this establishment of vast resources. Mario "Soccer" Sammut, must come into consideration for Senior selection, along with Denis "The Toe" Thomas, and Peter "Hippie" Whittaker, after their fine efforts in the Reserves' fighting win last week. It appears that your weary travellers need a rocket. Maybe they should see our Treasurer, "Rocket" Mcorris about financial assistance. He might send them as far as Alphington for refuelling. Have gun will travel like me in style-me-gile. Poison Pen.

A lucky contribution this week Gympie as I raided Geelong last Sunday and was fortunate enough to get past the roadblocks to make a welcome return to print. Our Juniors were kept in the game by West Brunswick's bad kicking last week prior to half-time, and it appeared that the old Red Devil spirit was going to take over in the third quarter and inspire the young chaps to do the job, but it was not to be because the West Brunswick fellows answered the challenge through the agency of their strong defence, rovers and full-forward, even though Parksiders in John Miller, Greg Chisholm, Baker and Wilson battled the game right out to the finish. After the game I had a new experience in trying to locate the nearest phone to our Under 19's new ground, the John Cain Memorial Reserve off Darebin Road, to ring the scores. Till next week, Poison Pen.

Brunswick's Trots Nite was a terrific success. Much to this reporter's sorrow, all the nags that he backed ran backwards.

## From Here and There — continued

A terrific day was had by all at MHS bar-b-que at Upper Beaconsfield last Sunday. Vicky "Flowers" Cosmas was the star of the day with his wild strides with Rolf "In-gear" Proft, a close second. Graeme "Egghead" Bryce provided the best laugh of the day when demonstrating his "unbreakable egg" trick, which unfortunately misfired. Bob "Tranny" Staley was rolling on the ground after catching a glimpse of Arthur Bowater take a "sitter," but still continued, plug in ear, to play with his new found toy. Many thanks to Jenny and Bruce Woodley for providing the venue and facilities for a tremendous day.

Hi Poison Pen Pal and Gympie Mate — The Bleeder is in need of a transfusion, my smiling face is covered with gloom (and skin). Fairfield went down again — two in a row — it doesn't make good reading and I think some stocktaking will have to be done. Too many people are trying to help with deeds and advice, but are all pulling in different directions. But let's cheer up, sorrow doesn't become me. Our two weary travellers are still with us. I think the Melbourne wet (and Foster's and Vic.) is too strong a tie to break, but one day there will be a drought and they will take off. They even equipped their caravan with a Telly to while away the winter's nights. More next week — The Bleeder.

Hello Poison Pen and Big and Little Bleeder — I wrote you nothing last week as I was down with 'flu, and missed my first game of Amateur football since 15th August, 1961 — must mention thanks to all concerned with Amateur footy who wished me "get well soon, mate", which I promptly did. Now I'm back on deck for another 200 games or so.

We at Collegians congratulate the following players and thank them for the number of games they've played, Peter Dunn (100), Rup Edwards (95), Peter Hammet (78), House Committee chairman Mike Gourlay (75). Mike is responsible for the after-the-game refreshments, so let's thank him twice over, Keith Lugg (85), John Moodie (73). The Mood's total would have been much higher except for a broken leg early last year, Geoff Nash, the gentle giant (92), Rob Webster 95 good games. Keep on going boys and see if any can pass the 200 mark. Next week we'll mention some of the back room boys, club officials, and former players, also it was very nice to see our former President Hal Stewart in the room last Saturday looking a picture of health, and still a Collegian.

What a thriller the Senior game turned out to be! Commonwealth Bank jumped Kew and in a magnificent first half raced away to a 4 goals lead. Back came Kew with a fantastic third quarter when they cracked our defences to kick 6-1 to 1-1. We then grabbed the lead off them, but Kew's confidence won a hard slogging, crowd-pleaser. Yes sirree, a great match, but the points were not ours on the board. The Coach gave Gympie a mention in his pre-match speech so victory would have filled my cup — it was left to Alf Perrin, of Kew to do that.

Parkside up, and Fairfield down, said The Globe. That's the way the ball bounces. Pussy Cat's still winning (I don't know how) and Steak & Kids' mob have cracked the ice. We meet the mighty 'Tons today — but they'll have to be good to beat us.

—Signing off — Gympie.

P.S. Little Bleeder — good goal umps are a dying race — keep up the tradition. (That doesn't mean die — just stay honest).

## From Here and There — continued

**Commonwealth Bank Reserves** continue to show improvement with their third win in a row — but have yet to win by a goal. **George Howard**, whom I have mentioned in earlier briefs as being a trifle slow, really turned on a great game, and I had no hesitation in awarding him my best afield. **Ian McCrimmon**, although lightly built, will crack a Senior berth before the end of the season, and if he continues to show improvement will someday represent the V.A.F.A. — this is no idle boast. **Sam Athans**, **Bob Cooper**, **Russell Joy** and **Ray Petrynuick** also were noticed for courageous and determined play under pressure.

Thanks Kew for the loan of your stretcher — we certainly worked it overtime. Last reports from **Commonwealth Bank** are that **John Corcoran** will require a cartilage operation and **Rod Thompson** has a hairline bone fracture. Incidentally readers, both serious injuries were caused by sheer bad luck — not rough play. To the Ambulance men, your courtesy was appreciated. Is it true that **Commonwealth Bank** club stalwart **Basil Cleary** always goes on these hospital trips, just to meet the nurses?

### V.A.F.A. MEETING

**Club Secretaries and Delegates** are reminded that the next meeting of the Association will be held at the **Amateur Sports Club**, 14 **McKillop Street**, Melbourne, on Monday next, **June 1st**, at 8 p.m.

One delegate only is permitted from each club, but make sure your club is represented.

### DUTIES OF RUNNERS

The duty of an **Official Runner** is to carry messages from the coach to players and NOT to engage in altercations with players.

The runner, in carrying such messages, must take the shortest possible route to the player concerned, and leave the field immediately after delivering the message.

### SCOREBOARD AT ELSTERNWICK PARK

Clubs are advised that the **Scoring Board** at **Elsternwick Park** must be operated by responsible club officials at all times.

Children must not be allowed in the **Scoring Board**.
