# SECOND HALF RECOVERY GIVES ORMOND WIN 6-PT. MARGIN OVER MELB. HIGH *Geelong Pips Blacks by a Point*

By GEORGE McTAGGART

A great second half by Ormond enabled them to beat Melbourne High by a goal in last week's main game.

Ormond looked to be in an almost hopeless position at half-time when they were 28 points behind but they brought themselves back into the game with a burst of eight goals in the third term.

Geelong went into top place on percentage when they beat the previous leaders University Black by a point. A late bid by the Blacks just failed.

Other leading teams to "bite the dust" were La Trobe University, Ormond Juniors and St. Kilda CBC Reserves.

Collegians and Ivanhoe staged a neck-and-neck struggle with Collegians holding on well in the last quarter to win by 11 points. A feature of the game was Ivanhoe's accurate kicking — 11 goals straight at one stage, and they finished with 18-5.

De La Salle gave Caulfield Grammar a lot of trouble until well into the last quarter, but then Caulfield cut loose and slammed on 10 goals in less than 20 minutes to win by a big margin.

Coburg built up a big early lead over Old Paradians and coasted home to an easy win.

Melbourne High put on 8-7 to Ormond's one point in the second quarter and looked to have the game won. Ormond's third quarter burst gave them a 21-point advantage at three-quarter time and although High drew level shortly before the finish, Ormond goaled in the last minute for a thrilling win.

In the University Blues-Monash match, played on Wednesday May 20th the Blues failed to take advantage of the wind in the third quarter and went down by 7 goals. They kicked 8-4 to a goal in the first term, but Monash added 9-4 to 2 goals in the second and ran right away with another 8 goals in the last quarter.

Geelong led the Blacks by 6 goals at the interval and were 44 points ahead at the last change but the Blacks kicked 8-7 to 2 goals in the final term to go down by only a point.

North Old Boys held on to withstand a last quarter effort by Old Xaverians and won by 5 points and a 7-goal burst in the third term helped Alphington to beat Commonwealth Bank by 20 points.

St. Bernard's easily beat Kew and Old Scotch went way from Footscray Tech in the second half.

Geelong, Old Scotch and the Blacks now share top places four points ahead of St. Bernard's.

Old Haileybury knocked Old Melbourne out of the four when they scored a decisive 34-point win over OM's. They virtually led throughout the match.

Hampton Rovers put up a remarkable effort of accurate kicking against Uni High. They kicked 10 goals without a behind, but were well beaten. Uni. High kicked 10-5 to a goal in the first quarter.

St. Pat's gave Glenhuntly a big start at the half way mark but finished in good style to scrape home by 3 points. They trailed by more than 7 goals at half-time.

St. Kevin's beat Old Trinity by 13 points due mainly to more accurate kicking and Parkside beat Old Brighton by 3 goals.

Reservoir Old Boys tossed leaders, La Trobe University by 4 goals with a strong finish, enabling Brunswick to take over top place.

Ormond leaders in Junior Section 1 went down to Old Scotch by 3 points in a close struggle. St. Bernard's finished too strongly for Coburg and won by 2 goals. Old Scotch who were second to Ormond on percentage are now clear leaders.

In Section 2, Army Apprentices beat Old Brighton by more than 10 goals and West Brunswick scored from Elsterwick by a similar margin.

In the Reserves Collegians got up to draw with Ivanhoe, De La Salle beat Caulfield Grammar by 5 points and the Blues beat Monash by 23 points (on May 20th).

Footscray Tech downed Old Scotch by 19 points. St. Kilda CBC went down to Assumption by 10 points. St. Kevin's beat Old Trinity by 31 points. Fairfield beat West Brunswick by 21 points and Reservoir overwhelmed La Trobe.

## UMPIRE'S CORNER

---

### HOLDING THE BALL: HOLDING THE MAN RULE

A player in possession of the ball, when held firmly by an opponent (firmly enough to stop him or retard his progress), should be given a reasonable chance of disposing of it, by kicking or handballing, otherwise a free kick shall be awarded to his opponent for holding the ball.

A player who lies on or over the ball is deemed to be in possession of it, and if tackled **correctly** will be penalised.

A player held by an opponent when not in possession of the ball shall be awarded a free kick.

If a player bounces the ball while being held — holding the ball.

If the hold and the bounce are made simultaneously — play on.

A player held by one arm while he retains possession of the ball with the other — holding the ball.

When a player is knocked on arm or elbow causing him to drop the ball — play on. When a player has his arm pinned to his sides, causing him to drop the ball — play on.

If an opponent is carried forward in a push-ball movement even though he is in possession of the ball — free kick. (This is incorrect tackling.)

### SOCIAL NEWS

President Brian Hagarty and secretary Norm Sharpe enjoyed the hospitality of VFL reserve umpires at their smoke night. Perhaps this is why they got extra training the following day.

At least one umpire was pleased he followed instructions of adviser **Max Barker** and carried two whistles.

Congratulations to the umpires selected to control the recent Australian inter-varsity carnival held at Monash University, interstate players were loud with their praise.

V.A.F.A. supporters may be interested to learn our "knights of the whistle", officiate at all matches controlled by the Public Schools, associated grammar schools and high school competitions.

No names — no pack drill — but the writer hopes the two umpires concerned are more alert on the field — than when they are passing over road amplifiers.

### Just in fun —

Overheard at football game (no V.A.F.A.) player was discussing umpire, with member of the umpire's appointment board.

**Player** — "do you have trouble getting umpires? Where do they come from?"

**Official** — "Hell! no we just wait until parking attendants get married and have sons and we make them umpires."

Who said backmen never make good key forwards? **Melbourne High Juniors' Ken Robertson** is doing just this at centre half forward. He is now, regularly among our best players. Keep up the good work Ken.

Old Trinity's resident critics wonder what has happened to the players who won seven out of the last ten games last year. So far this year these players have left it to recruits Phil Cohen, Marc Pruden and Dale Emerson backed by Alan Gillespie-Jones, Peter Cohen and a couple of others. The time has come for the bulk of the players to pull the proverbial out, think about their game and put in 100 minutes of football a week. How about it fellas?

Ken Redford looks as if he has solved Old Carey's problem at full forward. A good kick and a strong mark. Ken capped off a good game with 4 goals, against Power House.

If all St. Kilda players showed the same determination all day that Maurie Bilston has shown all season, we would not be among the also rans. Week after week, Mocca's fine play in the centre, despite the buffeting he receives from bigger and less talented opponents, keeps us in the game when the side is floundering against tough opposition. Keep up the great work Maurie and the best and fairest trophy is yours.

The runner, in carrying such messages, must take the shortest possible route to the player concerned, and leave the field immediately after delivering the message.

## ADMISSION TICKETS

Admission tickets issued to clubs for matches at Elsternwick Park are for the use of players and officials only. Any player who cannot produce a ticket will be required to pay for admittance.

# BALL BRIEFS

Good to see **Peter Phillips** back in action with **Ivanhoe**, especially in such good form so soon after a long lay-off. With speedsters **Darryl Kelly** and **Neville Henderson** killing them on the wings, the 'Hoes can at least feel confident about their centre line in the games to come.

**Peter "Chaffey" McInerney** has taken over the pivot for **Ormond** like a veteran and will be hard to displace on his form. Another improver is **Damien Grace** in the ruck, not much of him but good to see him putting these very serviceable games together.

**MHS** veteran of over 270 games "**Jocka**" **Nelson**, putting in his usual enormous game was seen coming off the field last Saturday with his nose bleeding and at right-angles to his face. Upon asking "**Jocka**" will this put him out for a few weeks he replied, "no but it will help me drink my glasses of beer easier and will be great for sniffing around corners".

Once again **De La's Paul Mitchell** played a great game in the reserves, it would probably be one of his best performances, he certainly deserved that trophy. Surely Paul must be pressing for firsts selection.

After a frustrating run of defeats in **VFA** games, most of **University Blues** tasted victory once more when **Melbourne** came through undefeated to win the intervarsity championship at **Monash**. The star of the series was **Blues'** captain **Barry Church** who led the side brilliantly. **Barry** won the best and fairest trophy by one vote from another **Blues** player **Mike Nicholls**, and was chosen as captain of the **All-Australian** universities team. Besides these two, **Blues** forward **David Barkley** and **Blacks** **Chris Cordner** and **Ian Duffy** were chosen in the combined team.

Following **John Elderfield's** 100 games last week, still another milestone has been reached by a **North Old Boy** player — this time 50 games to **Kevin Meredith**. **Kev** joined the club the year after its inception in 1964, and since that time has shown his worth as a clubman and a player many times over, even when times were tough. Congratulations **Kev**, from all at the club and we hope you'll be around for many more games to come.

**Footscray's Barry Chapman** did everything asked of him last week. After being shifted to the back line "**Chappo**" took his opponent out of the game. Also good to see **Graeme Scott** return to form, **Graeme**, because of studies, has been restricted in his football activities however, he has still gained selection in the State training squad. Congrats. from the club, "**Scotty**".

Congratulations to **Kevin Phelan** on his fine first game performance with **St. Bernards** against **Kew** last Saturday. Although relatively new to the club, **Kev** fitted in to the side's pattern of play very well and looks set for a fine future.

The **Alphington** golf day was a huge success. Nobody knew how the prizes were allotted or why, but as **Perc Adams** won the major trophy (a chook that **Tassie Browne** ran over on the way), there were no loud complaints.

**OM's** firsts had a disappointing game last Saturday. **Pete Roberson** played a great game on his half-forward flank showing brilliant marking skill and agility. **Russell Weir** seemed to relish the fact that he only had to goal umpire for two quarters — he hasn't roved better and **Pete Rattray** gave him great support. **Rob Thompson** played a true captain's game and **Rob "Bulldog" Mackay** never gave in against overwhelming odds.

## Ball Briefs — continued

Carley Ventura takes the field today for his 50th Commonwealth Bank senior game. This is Carl's fourth season with the club, and he has seldom put in a shocker. For determined play he has no peer so we hope to have "Onions" with us for many a training night to come.

Old Carey Reserves coach Ian Ustick made a comeback last Saturday against Power House, although he hasn't played for about 2 years he soon showed he had not lost his old skill and won many kicks at full back. However, Ian says one game now is enough. It's much easier coaching from the sidelines.

Congratulations to Bob Pollock who plays his 5th game for Old Haileyburians today. "Pol" who is possibly the smallest player in C Section has proved a great clubman both on and off the field.

A more happy coach than Assumption Reserves' Lindsay "Silver Tongue" Howard would have been hard to find last Saturday. Showing a little more dedication than in other weeks the Blues came from behind to take a well deserved victory. Players to give drive were Noel O'Connell who controlled the centre, Jimmy Morden who burnt off the opposition, Peter Heath and Ewan Phyland who gave the side an edge in the air and Fred "The Wharfies' Mate" Hughson who topped off a strong game at centre half back with a long goal on the run.

Colleagians offer their sincerest best wishes to senior coach Peter Falconer and his charming wife Ann on the birth of their daughter Elizabeth Ann, this week both mother and daughter are doing well, another future member of the afternoon tea brigade.

Ronny Seath, UHS Old Boys rover, playing his first full game with the seniors showed he will be a great asset to the side. His pace around the

packs gave the side great drive and his two goals in the first quarter set the side going. It was unfortunate Ron collected a whack behind the ear in the third quarter and have to leave the field.

Happiness is a win, and there were some wide smiles at Tooronga-Malvern after their first win of the season. The reason for the success was a team effort, but players like Gavan Brady, Alan Cockerell, and Ian Downs were outstanding. Rod Franklin did a good job in his new role as full forward and as well supported by Mick Parker and Noel Graham. We're off the bottom now fellers, and let's move up another rung today.

AMP Reserves came back after an upset loss the previous week and scored a comfortable victory. It's hard to write while one's arm is being twisted but I am forced to write that "Cec" Ruddell was best on the ground turning in a sparkling display in defence and on the ball. Actually I thought Alan Saxby just shaded him with a dashing game at the pivot. Others to do more than their share were "Mouse" Sirianni, return to form, "Blossie", actually gave handpasses, "Jerker" as usual and Steve Carr in defence.

John "Dinger" Stensholt played his 50th game with St. Kevins Old Boys last week. "Dinger" is probably the keenest member of the football club — a committeeman for the past three years, club secretary last year and enthusiastic player. Although not the most talented player in the club he is an example to all in his approach to the game and the club. Congratulations "Dinger".

Cliff "Whiskers" Benns really burned for Brunswick last week his three goals on the run were real gems, keep it up Cliff.

## Ball Briefs — continued

Old Trinity's reporter has heard of several disturbing marital repurcussions this week. **Dennis Cox** has been found at his neighbours watching T.V. while bride of two weeks is doing the washing **Dick Curtis** failed to reach the practice match on Sunday until 12 noon (married 2 weeks). **George Fellows** last week was careless, this week carless. **Jim Charge** now back in stayers stakes after rushed overseas trip by bird. **Chris and Penny Hense** still looking for foster home for goat eating dog. As for **Dick Dart's** comments on Saturday night — well???

Spellbound! No it's not a movie ad. It's how we all were at **Fairfield** last Saturday night. We all saw "**Bones**" **Hume** with a bottle of soft drink! Me-thinks it was for **Leah**, but there is always that nagging doubt. Even worms have been known to turn, but **Larry** and soft drink, that's impossible!

Two players returned to the **Parkside** senior side last week and managed to score the goals that made the difference. Back fit, well and rested, **Maurice "Jacko" Jackson** at full forward only scored two majors and it is expected that he will play much better today. It must be pointed out that **Maurie** has just returned from his honeymoon, and all **Parksiders** would like to congratulate him and his good lady on their marriage, but the supporters would also love to see him handle the ball on more occasions this week. On the other hand **Mario Summut** killed the opposition around the packs to be named amongst the **Parkside** best. Though small in size, **Mario** has a heart bigger than a race-horse which he is when he bores in for the ball and at last he was rewarded for his efforts by being able to score six pointers twice.

Much jubilation in **St. Pat's (Ball)** camp last week after a brilliant fight back coming from seven goals down

at half time to snatch victory on the bell. **Brian and Agnes Walsh** very kindly played hosts afterwards at a tremendous B.B.Q. our thanks to all concerned.

**Glenhuntly's** best were **Barry "Flags" Ford**, **Cliffy "Stats" Hayes** and **Davil "Twinkle-Toes" Lee**. **Brian Bolt** played with dash all day — **Nathan** and **Nolan** tried all day, but less said the better. **Neil Alman** led the reserves with a great display of backing up and determination.

Strong play by **Ray Street** who was well backed up by **Jock Sellers**, **Peter Sharpe** and new boy **Greg "The Fly" Walters** enabled **Elsternwick** to take out four points against **Old Ivanhoe**. The reserves notched up another fine win due to great team work by players like **Gary Eaton**, **Grant Williams**, **Ian Ramsay** and **Ian "Big Red" Stoner** just to mention a few.

Tremendous games by **Stephen "Legs" Taubert**, **Ross "Gutsy" Durham**, **Stephen "Hans" Haas** and **Garry "Sleepy Young"** enabled the rovers to move the ball rapidly forward for **Melbourne High Juniors** against **Old Paradians** last week. Let's hope the foursome continues in this fashion.

Sad news at **R.O.B.'s** last week, **Robin Laird** is unable to play for the rest of the season. We will sure miss "**Whiskers**" and his strength on the back line this year. Many thanks for all you have done for the club **Robin** and we hope you will continue to keep up the good work with your co-partner **Bull Letson**.

**Andrew Lingard** on the half forward line gave **Tooronga-Malvern Juniors** plenty of drive in last week's win. **Steve Doran** and **Wayne Stokes** were very effective, on the back line, **Ray Martin** and **Liev Zobie** gave their very best as usual, and **Perc Perkins** followed well all day.

## Ball Briefs — continued

Duncan "Butt" MacCannum played another great game in the ruck last week for **Old Camberwell**. **Dick Hewitt** really turned it on at centre half back with a great exhibition of high marking and long kicking. **Dave Tucker** was as safe as a house on the back flank again and **Glen Foster** was in everything on the forward flank. All in all a handy win for **Old Camberwell** last week. It's a pity the same cannot be said for the reserves.

How tall are they at **Old Brighton**? "Big" **Bruce Halliday**, **Peter Wagner**, **Andrew Dick** and "Maxie" **Powell** all tower over their opponents each week. One wishes inches were goals.

**St. Kilda CBOC Juniors** although beaten convincingly on the scoreboard made **Monash** earn every goal the hard way. It's marvellous what teamwork and hard tackling will do to some of these so-called top sides. Despite the good players that were not available a very good effort was put in by the "Sainters". With players like **Chris Halpin**, "Pip" **Vine**, **Vince Lazaro**, "Hook" **Lynch** and **Jeff Woodham** playing well, other members of the team felt obliged to play equally well.

**Tony Hunt**, **De La's** half forward flanker played a great game against **Caulfield Grammarians** and proved a headache all day for their backmen. Finished up with 3 goals and certainly deserved the weekly trophy. Others to show out were **David Whitelaw** and **John Lynch**.

As the boot of **MHSOB's** captain **John Cooper** thudded in the leather last week after taking a big mark, the umpire's whistle was heard as the ball soared towards the big sticks. Players froze knowing the umpire was going to award another kick for over the mark. No-one even thought of the ball as it passed through the tall timber within reaching distance until the goal umpire signalled two flags.

The field umpire OK'd the goal and raced towards the centre leaving players with mouths gaping.

A fantastic performance by **Ormond** last week to get up and win after being down 5 goals at half-time and looking "out". Even the old timers had to agree it was one of the best ever seen by an **Ormond** side. Well done "Monds".

Three "Maccas" stood out in **Ivanhoe's** valiant effort to gain the four points against **Collegians**. Captain **Bill McWhinney** turned in a classic effort of constructive team-play. **Dave McMahon** put on another display of aerobical marking and long kicking and **John McKernan** justified the tag "Space-man" with some towering leaps for marks and hit-outs, plus two useful goals.

**Tooronga-Malvern Juniors** had another great win, and are creeping closer to the four each week. Three wins in a row must have **Basil's** pipe puffing furiously. Another win today boys, and you will not be able to see for the smoke. What a pity the reserves went to sleep and stopped us from getting a treble.

**Assumption's** first half had class stamped all over it. However the second half was not so good. Early, with **Des "Friar" Tuck**, **Barry Dyer**, **Bill Daly** and **Bernie "Crash" McMahon** giving tremendous drive it was all the **Blues**, but the pressure applied in the second half caught a few players napping. **Mick Avery** played another clever game. In the full back position the ever reliable **Michael "Bull" Howe** showed that age has had little effect on his skills.

A word about **Old Haileyburians'** indispensable team managers. Seconds manager **Peter McDougall** trains well enough to get a game but we can't afford to let him play as he does such a great job. **Gordon Moore** does a similarly good job for the seniors.

## Ball Briefs — continued

Collegians maintained their winning run with a very fine win over Ivanhoe and although down at one stage they fought back to manage a comfortable win. A feature of the game in the latter part of the last quarter was our defence which never wilted under pressure and the boys sensing a victory went for the doctor and took the points. Collegians' best were **Chris Roach** for a very fine effort and his 6 goals, **Daryl Tucker** and his 5 goals and young **David Vivian** with 4 goals, skipper **Rick Edwards**, **Mark James** and newcomer **Ray Cranwell** (another first year player) well done fellows on a fine effort.

Congratulations go to **UHS Old Boys** captain and coach **Col Kinnear** after leading his side to its ninth consecutive win. I must also apologise for not getting the press report in for last week's record — Col was our best player and missed out getting his name in the record — that will teach you for coming around Sunday afternoon and staying.

**OM's Reserves** convincingly won their game last Saturday. **Pete Collins** and **Pete "Smokes" Boyle** dominated the ruck duels while **Tony Ratten** controlled the centre. **Jamie Pitts** added bite to the half-forward line and **Col Pyman** led a tight backline. Has the club unearthed a dynamic full-forward in **Bruce Murphy**? Watch out **Pete!**

**Old Carey** were pleased with the form of **Russ McPhee** against Power House. It was his first game with the seniors this year and **Russell** showed that he will be a very useful member of the side with his good marking and accurate hitting out in the ruck.

**John Skerry** of **Alphington** had the misfortune to stop a boot with the soft part of his head and was taken off to hospital to see if there was anything in it, so **Terry Bain** went straight from the game to ask John's mother about the patient. This, for

very good reasons, was the first she knew about it and she became the second casualty in the family. Who needs enemies?

Congratulations to **Pat Hilbert** of **St. Bernard's** on his marriage last Wednesday, we all hope to see you back with the team in the very near future.

**North Old Boys** hung on desperately in the last quarter to fight off a determined bid by **Old Xaverians** to snatch the four points. One of the mainstays of the defence was **Steve Maule** who, ably assisted by **Brian Drew**, repelled attack after attack. Steve started the season well but has still improved with every game, and all at **North** hope that the improvement never stops.

Pleasing to see **MHS Juniors' Ross Wood** play such a devastating game in the centre against **Old Paradians** last Saturday. Together with **Nev Weir** and **Pete Cameron** the centreline was constantly driving the ball into attack.

**R.O.B.'s** congratulate **Paul Brooks** on reaching his majority, and thank "**Fatty**" **Carr** and wife for opening their house to us all.

Congratulations to **Brunswick's** getting president **John (I'll make a speech) Woods**. He has really altered the atmosphere around the club, he lives and breathes for the red and white after playing a record number of games for the club. Keep up the terrific work **John**.

Two **Glenhuntly** stars in hospital — **Bob Contencin** for removal of nose from ear, **Gary Perkins** to see 7 lb. 5 oz. Tracey. The story is **Bob** is in better condition than **Gary**! Congrats to **Geraldine**, **Garry** and "**Grandma**" **Jackie**.

**Old Brighton's Les Walker** and **Clive Taylor** showed that they still have a few years left after last week's game against **Parkside**. Without these two players who could we give votes to?

## Ball Briefs — continued

St. Kilda CBOC fielded possibly the best side, individually that it has ever put on the field. Twelve of the eighteen have had a wealth of senior experience yet we played as a bunch of individuals to go under to Assumption. Only **Donny Dwyer**, **Billy Kennedy** and **"Hairs" Carey** (till injured) tried to instil some spirit into the side. Our reign at the top of the ladder was shortlived.

Congratulations to **Maurie Molan** on attaining 50 games with **St. Kevin's Old Boys**. Maurie is in his fourth year with the club and is the team vice captain. He has been on the committee for two years and caused financial collapse when holding the position of treasurer. A tenacious "all or nothing" brand of player he is always an inspiration to other players on the field. Well done Maurie — now for 100 games.

We have a player at **Fairfield** whose wife is infanticipating, and the strain is beginning to show. During a briefing session as to action stations for when the blessed event starts to happen, this bloke got the car and the already packed suitcase but left his wife behind, never mind, he'll improve, and then we well have more, wins than forwards.

**Footscray's Trevor Flett** really played well last week against **Old Scotch Reserves**. Shifted from C.H.F. to ruck early "energy" really fired and his teaming with "The Spook" in the ruck helped in a great win.

A real dominating four quarters from **Brunswick** centre-man **Russel (Abba) Abernathy**, he completely controlled play all day.

**Old Trinity** are wondering if there is any connection between **Bob Christie's** acquisition of a billiard table and his ankle injury — has he sprained on cue?

**Old Brighton** have more wingmen than any other club. **Harvey "H.H." Webb**, **Ken "Haircut" Raff**, **Simon**

**"Curls" Young** and **Douglas Wood** are all starring each week. This obviously proves to be a problem for coach **Kevin Deer**.

A flying start by **Assumption** left **St. Kilda CBOC** too big a leeway to make up. We more than matched them in the last half, when a tighter defence led by **Kevin Drinan**, acting captain and **Terry Kenny**, restricted **Assumption's** scoring opportunities. **Rovers' "Alive" Esmonde** and **"Tessa"** well supported by improving **Dennis Drew** were others to battle hard all day.

Congratulations to **MHSOB Juniors' Daryl Brooks** on his forthcoming marriage. His "wife" **Vicki** is always welcome on Saturdays.

Good to see **De La's Nev Tame** down at the game last Saturday and it is hoped he will be back in action soon also **Nev** and his wife **Margaret** are to be congratulated on the arrival of their baby. "Boy of course".

We don't regard **John Williams** as **Alphington's** best looking player but he is distinctive on the field for the effectiveness of his play and previously, his attitude to opponents. The latter is changed now as he he has realised that ignorant and stupid though they might be, each has a bank pass book and could be a customer. Would that **Skinny** could see a potential customer in every opponent.

**G-off Freeman**, **Old Carey's** first rover struck his best form against **Power House**. He won 29 kicks and made his presence felt all over the ground. **Reg Elliott** was not far behind him with a constructive game in the centre.

**Old Haileyburians'** improvement over the past 4 weeks has largely been due to the smaller players who form mosquito fleet and have become formidable weapon. We hope that **"Rocks"**, **"Rick"**, **"Pol"** and **Jimmy Mason** can keep up the good work.

## PERMITS CLOSE SOON

Applications for permits for season 1970 will close with the Records Secretary of the V.A.F.A. Mr. Bruce De Lacy, 67 Charman Road, Mentone. 3194 on July 1st.

The only application considered after that date will be that of a player affiliated with a club in the amateur body of South Australia, Western Australia or Tasmania, who is transferred to Victoria in his employment, or a National Serviceman who returns to Victoria.

A player who has played with a club in the V.A.F.A. this season, and has subsequently played with another club, must stand down for two matches before being eligible to play for his V.A.F.A. club again.

In a case such as this, the date on which he last played with the other club must be shown on his permit application.

Re-registration of a player whose permit is still in force, that is, a player who has not played with any other club since he last played with the club with which he is seeking re-registration may be made at any time up to the last home and home match.

## DOUBLE CENTURY TO COMMONWEALTH BANK SKIPPER

**Tony Borrack**, Commonwealth Bank skipper became the fourth player in the club's history to achieve 200 senior games, when he took the field against Alphington last week. Tony joined the club in 1959 and after 12 junior games made the senior ranks and has not looked back. Whilst representing the V.A.F.A. in interstate football, Tony had the distinction of his first two kicks scoring goals. A best and fairest winner on several occasions, Tony is also a hard working life member. His club loyalty is undoubted.

Hello Poison Pen and Bleeder — **Commonwealth Bank** suffered a double loss last week against **Alphington** to make our position on the ladder very shaky. "**Action**" **Edwards** tried his hardest with 7 goals which was quite good when one considers he was moved from between the uprights. We didn't play very well at all and I was bitterly disappointed. Perhaps **Bleeder's** weary travellers would like a game with us — I've already contacted **Gordon House** for recruits. Still I suppose if you make every mistake in the book often enough you'll gradually learn. Glad you got through the **Geelong barrier** **Poison Pen** — I've had no trouble getting down there — getting away is the problem.

Gympie

A big thank you from the **National Bank** boys to the "**National**" Ladies who are doing a great job in making this year a fiscal success. Plans for our end of the year ball are already in hand, keep up the good work girls.

## 100th AT HAMPTON

Congratulations to "**John Macnish**" who will play his 100th game for **Hampton Rovers** today. John started

his football with the club in the junior side and after playing for several seasons with the scouts worked his way up through the reserves where he played in two premierships sides. Over the last season or so John has been playing with the senior side on the backline where he has acquitted himself quite well. John has also been an active member of both the social and general committees and has represented the club as a delegate. Keep up the good work John as we at **Roverland** look forward to your next century.

Collegians back rooms boys or officials to them a pat on the back **Ross Foster**, reserve grade secretary, player, some times goal umpire, you name it and **Ross** will give it ago, thanks **Ross**. **Brian Powell**, veteran of over 200 games, boundary umpire to the reserves, section, vice president, and delegate to V.A.F.A. **Peter Lucas**, reserves coach and his deputy **John Moodie**. **Neil Evans** former veteran player and now a vice president, he is the man who collects the players fees and prepares the team. Sheet for the umpire, **Mike Gourlay**, house committee chairman, **Colin Brown** social secretary and his assistant **Andy Murrowood**. Give you some more information next meeting.

## 200 UP TO T-M PLAYER

Last week **Brian Conquest** played his 200th game for **Tooronga-Malvern**, and became the fourth player to achieve this. **Brian** started football with **Tooronga** in 1954, and since then he has turned in many tremendous games. Over the years he has collected many trophies and equally as many half-forwards. A true stalwart of the team and a great clubman, it is hoped that he will continue for a few seasons to come. Congratulations from all at the **Combine**.

## 100 TO IVANHOE DEFENDER

It was **Barry Hecker's** day. One hundred games for Ivanhoe. What better time to shake off that other character at long last and lead the boys out. "Heck" lost the toss but settled into his favourite position on the half-back flank and went within an ace of leading the 'Hoes to the win they have been striving for. Congraulations on your "100" Barry — its one more feather in the cap of a dedicated player and clubman.

The V.A.F.A.'s keenest supporter must be Melbourne Highs "granddaddy of 'em all" "**Pop**" **Shapir**. Over the last forty years, Pop has witnessed every senior game the olds boys have played, except two, and his wife saw those. Every Saturday, Pop can be seen on the sidelines emptying his lungs 'Carn Melbourne High". It's great to know such a keen football supporter follows the old school and we hope to see him around for another forty years.

## DE LA PLAYER REACHES 100

Congratulations from all at De La to **Laurie "Doc" Moran** on playing his 100th game for the club today. Laurie has been in great form this year and is an inspiration to his fellow players. Keep up the good work for your next hundred Laurie.

## AMP MEN REACH MILESTONES

Another A.M.P. man cracked 'the ton' last week against OGG in the person of popular **Mick Johnson**. A "colourful" player would be the most apt description for Mick who revels when the going gets tough and heavy. Today also is a milestone for that gutsy little rover **Graham "Dynamo" Coltery** who has also given everything for A.M.P.S. on and off the field. Tremendous efforts by both of you and club congratulations.

To my Colleagues **Poison Pen** and **Gympie**, I say greeting's sorry to read you were ill **Gympie**, old bean, and I and all at **Fairfield** hope you are well again (how's that for a sneaky way to get the club name into a paragraph). This week I'm all smiles, for you know what reason. When this paragraph is being read by all (or both) next Saturday, I will have ventured into Red Devil Country to cross swords with my poison pen pal. The match of the century will take place. So next Sunday we may be out of speaks (I'll suggest Saturday night we will both be vocal). I heard a whisper during the week that our T.W.T. (two weary travellers) were sighted as far north as the Gowerville, but it turned out to be an idle rumour, as they were at the rooms on Saturday night. Well its Adios Amigo, time again, to **Poison Pen**, keep your pencils sharpened, and to **Gympie** stay fit and well, the Editor needs your company — till next week — The Bleeder.

## PARKSIDER REACHES 150th

Congratulations to **Len "The Toe" Stenlake** who will play his 150th game for **Parkside** today against **Fairfield**. If my facts are correct I think "Stena" first started with the club way back in '58 or '59 when Parkside also fielded a team in Under 19 V.A.F.A. competition. If this is the case it has certainly taken Len a long time to reach this milestone of 150, and all Parksiders are proud of the achievement because most of us can remember that Len was an outstanding member of our 1963 Premiership team. At present it appears that he could also be a valuable member of an imminent and expected grand final flag side this year. Well "Stena" I shall end now by wishing you well for today's game.

## From Here and There — continued

Its a Red and White day today, **Bleeder** mien enemy. You will most certainly be bleeding tears of blood after this afternoon's match, I hope. With our big guns, "Howizters", **Bill Rodda** and **Peter Eames**, primed to fire in the seniors, and "Tanks" **Mal Purcell**, **Ian Chanter**, and **Bob "Paunchy" Winnacott** poised for the blitzkreig in the reserves, **Fairfield** does not stand a ghost of a chance even though form was good last week as usual. I am finding it increasingly difficult to read and write to you this season as my obligations to another body prevent me from being conversant with the present situation of Amateur football, even though my able assistants in the Hon. Sec. **Ted "Crocker" Crosling**, Asst. Sec. **Albert "Peter Crayfish" De Forrest**, **Jack "the Gent" Maxwell** and the unmentionable others endeavour to keep me posted on current affairs — illicit immoral, serious and humorously events that seem to occur over the season. **Poison Pen** signs off.

Hi ya **Gympie**, I believe the "Get with" went down against the "strength at **Alphington** last week.

"**Steak and Kid**" would have been very happy, no doubt, and shouted at everyone, he might have made sure you were supplied with plenty of the amber stuff as well, at a price that is. No. I should not be talking about **Steak and Kid** in this manner as we all know that he is such a charitable man — it begins at home — and does a splendid job each week for the **Alphington** club. Would you believe he is the **Alphington** club? The foregoing should at least bring a bite, or be treated with contempt, as it was written with "tongue in cheek" and "teeth in lip." Our juniors are still to notch a win and coach **Ray Senior** reckons the match of the day will be against **National Bank**, not a strength side, when **Billy "Ricky" Datson** or **David "Kila" Kildea** may again be named best a field. Next week, maybe, **Poison Pen**.

### 100 UP TO ANZ BANKER

Congratulations to **Murray Knight** playing his 100th game for **ANZ Bank**. **Murray** is having a good season, and is among the leading scorers of the **E Grade** this year.

## SOCIAL NOTES

All players and supporters of **St. Bernards** are reminded of the coming Old Boys Ball to be held on July 3rd at the Riviera Room. Tables can be booked through **Paul Collins, Brian Cusack** and **Peter Atkinson**. As it promises to be a great night be early with your bookings.

The "**Hampton Rovers**" annual ball will be held at The Moorabbin Town Hall on Tuesday, September 15th. Make sure you contact **Don Scarlett**, early to ensure yourself of a seat, as this ball is a ripper.

Don't forget the barbecue back at the St. Kilda CBOC clubrooms after the Power House game, Saints, as this marks the half-way spot in the season. A big roll-up will give us the filler to go on to the four.

**Parksiders** — don't forget the **Boxing Film Night** on Friday, July 3rd.

See Social Secretary, **Dave McLean** or Committee-members for details.

Don't forget **De La's** party at **Ron Kasetsanski's** place tonight. **Ron and Carol** have been kind enough to offer their place, so make sure you turn up and show your appreciation.

Supporters and players — don't forget **St. Bernard's** "mystery trip" Sunday 14th June. For tickets see **Jim Taylor**.
