OFFICIAL JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

MIKE BIRRELL — OLD CAREY'S SUPER RUCKMAN

Two Best and Fairest awards and once Runner-up in three seasons of football — that's the record of Old Carey's star ruckman, Mike Birrell.

Mike started with Old Carey in 1971 and won the B Section Best and Fairest in his first season, when he was 18.

Just to prove it was no fluke he repeated the performance the following year, (and was Runner-up in 1973). On each occasion he was six points clear of his nearest opponent.

Then in 1973 he was beaten by only a point by Phil Pryor, of Collegians.

But that's not all — Mike was selected in the Victorian team to play against South Australia at Adelaide in 1972 and won the award for best player in the Victorian side.

It wasn't altogether surprising that this performance earned him a place in the team to visit Launceston for a match against Tasmania later in the same season, and it's probably not surprising to learn that he was adjudged the best player in that Victorian team also.

Yes, that's right — two Association Best and Fairest and two Best Player trophies in Interstate games in his first two seasons of Amateur football.

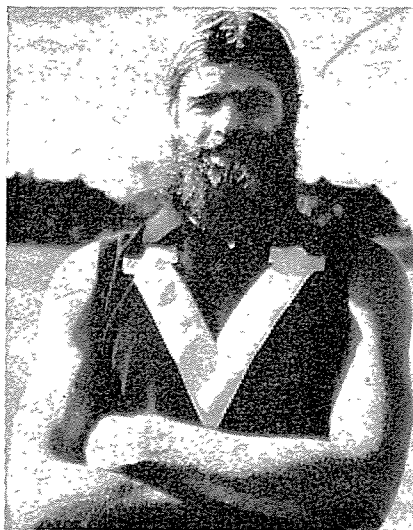

Mike was a member of the Victorian Carnival team in 1973 (at Melbourne) but missed almost the whole of last season when he was travelling around Australia.

But he's back in business again in 1975, and played in the Victorian team against Tasmania at Elsternwick Park in June, being mentioned among the best players.

Mike who is only 22, stands at 6 ft. 4 ins. and weighs 13-7 according to the information given for the Interstate match this year. At the 1973 Carnival his weight was given as 14-7.

Perhaps the fact that he plays in the ruck, usually for the whole game has caused him to shed some weight or was it the trek round Australia last year that did it?

In his short space of time on the Amateur football scene, Mike Birrell has certainly made a name for himself — who knows to what further heights he may climb!

The ball officially approved for use in all V.F.L. matches since 1897.

BLACKS HOLD OFF RESERVOIR ORMOND DOWN NORTH — KEEP FOUR OPEN *Coburg's Great Last Quarter*

By GEORGE McTAGGART

The four is still wide open — and seven teams, possibly eight, are still in the running for the finals at the end of the month.

University Blacks held off a strong challenge by Reservoir Old Boys to retain second place and Ormond's win over North Old Boys kept the fight for the four still alive.

Had North won, it would just about have closed the door, but they were badly off target and paid the penalty.

There were upsets in other sections also — University Blues were thrashed by Caulfield Grammarians, Parkside beat Old Ivanhoe and Fawkner went down to State Savings Bank, to mention but a few.

Coburg and Monash Blues, fighting to keep in the running for the finals staged an even three quarters, but Coburg ran right away from their opponents in the last term, kicking 11-10 to 2 behinds, and romped home easy winners.

Coburg made better use of the wind and looked to have a slight edge when they led by 2 goals at the interval.

University Blacks broke away from Reservoir in the second term and went to a lead of 23 points. They maintained their advantage and were in a strong position when they turned for home with a 4-goal advantage.

But Reservoir held the Students to 2 points in the last term and made a bold bid for victory. The Blacks held firm and scored by 3 points, to remain in second place.

North Old Boys virtually handed the game to Ormond in the first quarter when they could manage only 8 behinds with the strong wind, and were a point behind at the first change.

Ormond showed how it was done in the second term when they added 7 goals and were 31 points to the good at the interval.

North were still off the target in the third quarter and Ormond kicked another 7 goals in the last to score a comfortable win — their first in six matches.

St. Bernard's also had difficulty in scoring goals in the first term against Old Trinity, who trailed by only 14 points at quarter-time.

But St. Bernard's held Trinity well in the second quarter and were still 13 points in front at the long break.

St. Bernard's rattled on 8 goals in a solid third quarter and looked to be well in control with a lead of 44 points but Trinity came back strongly in the closing stages and were beaten by only 16 points.

Old Paradians trailed Geelong by 8 points at the interval of an even game but they put on 6 goals in the third term and finished strongly to win by 39 points.

Ivanhoe scored a comfortable win over Marcellin, the margin being 31 points. This proved costly to Marcellin, as they lost their place in the four to Caulfield Grammarians, who scored a runaway win over the leaders, University Blues.

But the Blues are still firmly entrenched in top place, two games clear of De La Salle and Ivanhoe.

Kew scored a surprise 3-point win over Old Carey, whose final four hopes suffered a setback. Collegians beat Old Haileybury by 25 points and De La Salle overwhelmed Old Scotch.

Parkside held their place in the C Section four with a convincing 38-point win over Old Ivanhoe, and Alphington had to battle to score by 17 points from Old Melburnians in a high-scoring game.

St. Kilda CBC knocked Power House down to seventh when they won by nearly 9 goals, while Uni. High and Melbourne High had big wins over Brunswick and Old Brighton respectively.

The keen fight for positions in D Section continued with Fawkner losing top place to Hampton Rovers and Old Geelong swapping fourth place for Old Xaverians' third.

Fawkner's shocking kicking (7-24) cost them the game against State Savings Bank, who kicked 13-4 to win by 16 points and stay in the running for the four, particularly in view of National Bank's shock 3-goal win over Xavier.

Elsternwick trounced St. Pat's-Monivae by nearly 10 goals to jump into second place and North Brunswick kept the Section wide open by beating LaTrobe Blacks by 3 goals.

An even bigger surprise was ANZ Bank's defeat of the leaders, AJAX, by 27 points, and Old Mentonians jolted AMP Society's hopes with a 21-point win over them.

Heatherton scraped home from Bulleen United by 5 points and LaTrobe Reds beat University Reds by 6 points. Beverley Hills kept themselves in the fight with a comfortable win over Glenroy.

The four in Junior Section 1 is practically decided, although Old Scotch, with a 4-goal win over Power House, still retain a faint chance of making it. Coburg and University Blues had easy wins over University Blacks and

Monash University respectively in the other games.

Section 2 is very much alive, with Reservoir, St. Bernard's Bulleen-Templestowe and Thomastown fighting for fourth place, and the first three are level on points.

Reservoir overwhelmed St. Bernard's by more than 20 goals, knocking them out of the four, and Bulleen-Templestowe beat Thomastown by 33 points.

Old Trinity dropped from top to third in the Reserves when they went down to St. Bernard's by 40 points and University Blacks beat Reservoir by 35 points. Ormond dashed North Old Boys' hopes when they beat North by 5 points.

A 9-goal defeat by Ivanhoe sent Marcellin down from second to fourth, Melbourne High's big win over Old Brighton and Old Ivanhoe's 7-goal defeat by Parkside put High in the four and dropped Old Ivanhoe to sixth. St. Kilda CBC beat Power House by 14 points but House held their place.

Fawkner easily beat State Bank, who are now fourth only on percentage from Old Xaverians, comfortable winners over National Bank.

AJAX beat leaders ANZ Bank by 25 points, A.M.P. won easily from Old Mentonians, Heatherton beat Bulleen United by a goal and Thornbury beat Footscray Tech. by 7 points in a low-scoring struggle.

Last week's results did little but add to the confusion in most sections — perhaps today's games will clear the air a bit more.

EMERGENCY UMPIRES

91-6491

Alan joined the club in 1972 and has played most of his games in the firsts. There is a nasty rumour going round the club that Alan is related to the senior coach, when the coach was asked about this he commented 'no comment!' Norm first played for Melbourne High in 1973 and has only missed one game in two and a half seasons, which is a very good record indeed. Despite his insistence that he is really a ruckman, Norm is usually found in a forward pocket handballing to anyone that will accept it. Congratulations from all at M.H.S. to these three players who are all well known for their sense of humour.

LOOKING BACK

By Noel Rundle

5 Years Ago

Well, it finally happened. Coburg, with five players in the Carnival side, suffered their first defeat for the year when they went down to De La Salle by 31 points. The side played without confidence, and fumbled badly all day.

Monash stayed close to the four when, after being inaccurate early, they hit the target in the last term to kick 8.1 to Melbourne High's 3.4, and win by 16 points.

Alphington, trying to avoid relegation in 'B' Section were unlucky to go down to St. Bernard's (4th) in a high-scoring game, 18.9 (127) to 17.10 (122). Johannsen (5), Hartigan and Skerry were Alphington's best.

With Footscray Tech, yet to win, almost certain of relegation, the other "hot seat" was shared by Old Xaverians, C'wealth Bank, and Alphington all level on 12 points.

150 games to Ian Job who had given great service to Kew both as a player and committee member.

10 Years Ago

One of the real veterans, Les Gordon, of Power House, played his 250th game, the last 200 consecutively.

Geelong were shocked at the sudden passing of life member and former player,

and coach, Ross Quick who had also coached the Geelong College team for some years.

100 games to AJAX brothers, Daryl and Trevor Cohen, also to Mark O'Shea (Old Paradians), Graham Holmes (Elsternwick) and Kevin Williamson (National Bank).

Reservoir Old Boys were still undefeated in F Section, two games clear of Old Ivanhoe.

Four of the teams that made up 'F' section are no longer with us — Patricians, Cassie, RAAF Cadets, Postal Institute.

M.H.S.O.B. lost a great chance to consolidate their place in the four when a more determined Commonwealth Bank wore them down to win in a thrilling last quarter.

Soraghan, Cleary and Tony Borrack starred for Bank in the one-point win.

25 Years Ago

"We understand Freddie Dawson is looking for a sparring partner, so if Linton McLeod applies, he's a moral for the job".

(Freddie Dawson was a devastating U.S. negro lightweight boxer fighting in Australia in 1950. Linton McLeod was at the time playing for Parkside. Must be a story there, Linton!)

(Linton is secretary to the V.A.F.A. umpires' committee in 1975).

Again among Parkside notes, "that model of consistency again gave a lion-hearted display. Whether half-back, ruck, rover, or forward, hats off to Harry Nance and he reckons he's 4 yards too slow".

(Harry was assistant umpires' coach until retiring in 1973.)

UMPIRE'S CORNER

By Kevin McKay

TOP UMPIRES COME FROM HARD WORK AND CONCENTRATION

You must be keen to hit the top as a football umpire.

By "keen" I mean a lot more than the mere desire to umpire a game.

There has to be ambition to succeed, determination to overcome the many disappointments.

There's got to be plenty of "natural guts", a good Australian word that, to absorb the set-backs that will come the way of every umpire.

It takes a tremendous amount of sand to accept the back slaps and hand-shakes one day and the next Saturday just plain nobody.

One day you umpire well — they flock around — you get the natural feeling of elation — "it's good" —

The next week nothing will go right, you feel like handing in your whistle — "you could be a leper" — The way you're shunned.

If you battle over over all the setbacks, all the disappointments that will come your way, and stick to it, you have the first essential to become a top "whistle-blower".

Next test of an umpire's character comes with the monotony of training.

It can be monotonous too. I know all about it — I've been through it.

It's mighty easy to think about skipping training, particularly if it's wet and cold "Don't do it".

Boys come to me straight from school who are just about right for development into field umpires — (there's always one or two rough edges).

Perhaps one boy is not aware of the importance of an umpire's position, may be another doesn't realise his time-on signals are not right.

There are always a lot of men around ready to impart advice to young umpires, but they are what I call false prophets.

They don't know nearly as much as they profess.

On the other hand there are many good men around who have been "out in the centre" and know what it's all about and are just as keen for your success as you are.

When a good fellow — perhaps an old umpire takes an interest in you, listen to his tips. Sort out the wheat from the chaff and try to build on it.

Some boys have a natural ability to be an umpire, others have to work really hard at it. Many times I have seen the hard working hack athlete outstrip the junior champion or, shall I say, "the natural".

He has to start a long way behind, but by dint of hard work, and a lot of sweat and determination, "he has made it".

I think the "natural umpire" starts a long way out in front, but he can also fall a long way in arrears unless he battles on to make himself even better.

This all leads me to the crux of the position — you must have the will to be a top umpire.

You must have the determination to pick yourself up when the setbacks have knocked you down.

It takes character — it's the will to win, despite everything.

Remember that you umpire only as well as you are fit.

The "three quarters" umpire lacks the will to get to the top, if he's finished physically he can't go on with the job in that vital last quarter when the call is the greatest.

So again I say — "Never slack your training". It's hard to come up fighting Saturday after Saturday, I've been through it, I can sympathise.

But there's only one remedy. Get up with the field. The field won't come back to you.

So it's back to the old grind, training, development work and more training.

Early this season I asked a young umpire if he was enjoying umpiring — his reply — "Yes I really like it, but isn't it lonely out there" (how very true!).

REPLY TO CLUB SECRETARY — 19.7.75

1. There is certainly no free kick called "flying too soon".

2. If a player bounces the ball and is then grabbed and does not re-take possession of the ball he must receive a free kick for holding the man, the umpire should of course allow the player doing the tackling a chance to release his hold on the player who was grabbed.

3. Kicking in danger is paid under "unduly rough play" — umpires in the Amateur Association are instructed to police this rule strictly.

A player attempting to pick up the ball and kicked in the hand certainly comes into this category and should at least receive a free kick.

4. A non-playing coach is certainly not allowed on the playing arena during the playing of the match, except of course to address his team at a time.

150 GAMES TO ORMOND MAN

Congratulations from all at Ormond are extended to Kevin Ladd on playing his 150th game. And what an impressive record Kevin has to his credit. 10 years at Ormond, leading goalkicker in B Section for three years. Four Vic. jumpers in A Section, Best and Fairest in the club award in 1968 at centre half back and runner-up in the competition the same year. A key man, Kevin must rate amongst the very best at Ormond. Keep the good work up 'Laddy'. There is a lot of football left in you yet.

100 GAMES AT ROVERLAND

Hampton Rovers wish to congratulate Brian Bird on playing his 100th game today. "Birdie", captain of our 1st XVIII is another fine product to come up from the under 19's. This year Brian is playing the same brand of football which won him the 1974 Best and Fairest Award. Once again it's congratulations to the best C.H.B. in the business. Keep up the good work "Birdie" as we at Hampton are proud of you.

CENTURY AT OLD BRIGHTON

Utility player Peter Watkins plays his 100th game for Old Brighton today. Pete's football is characterised by his strength, pace and desire for the ball and he has been a great asset and inspiration since joining the club in 1969. He is also a real personality in the club and it is to players of his experience and ability that the club is looking to help it through its present difficulties. Congratulations Pete on a great effort from all at the Beach Oval.

10 YEARS AS FAWKNER RUNNER

Fawkner congratulate Peter Best in completing 10 years and over 200 games as runner for the club. "Bestie" has officiated under 6 coaches over the 10 years and has been a committee and social committee member. Peter started his association with Fawkner as an under 19 player, he was forced out of football with an injury but his speed on the ground has been put to good use as runner. We look forward to yet another 10 years from him.

University Blues players Geoff Ellison and Peter Brukner both passed the 50th game mark over the last two weeks. Geoff started with the Blues Juniors in 1973 and played in the Finals that season. He was elected Juniors vice-captain in 1974 and played a prominent role in that side's Junior Section 1 Premiership. After an indifferent start with the Reserves this year he is now playing brilliantly and must be close to senior selection. Peter Brukner started with the Blues as Manager of the Juniors in 1972, but it wasn't long before he was called on to play for the Reserves. Again in 1973 the Reserves claimed his attention until he finally made the seniors to complete the season. It was back to the Reserves for most of 1974 until he once again fought his way into the seniors. On his present form history could very well repeat itself. Peter holds the important position of Chairman of the "Blues", a task which he has carried out with a skill and understanding not often found in one so young.

100 GAMES TO ST. KEVIN'S PRESIDENT
Belated congratulations to president Mich-
ael O'Kelly on playing his 100th game two
weeks ago. Since joining St. Kevin's Old
Boys in 1968, Mick has been an inspiration
on the field with his fearless play and a
mainstay in the club's administration. He
has held almost every position possible in
the club — social secretary, secretary,
captain and now president. Congratulations
Mick and we look forward to a continual
long association on and off the field.

He is a good utility player who puts his utmost into a game. Best wishes for the future Jim and we hope we will have you for many more games.

M.H.S. PLAYERS IN THE NEWS AGAIN!

Graham Bryce plays his 100th game and Norm Peatling and Alan Adams play their fiftieth for M.H.S.O.B. today. Graham first played for the club in 1967 and ever since his first game he has pestered the press correspondent to write something nice about him — so here it is. Graham does have the distinction of being the Reserve's vice-captain for one season.

100 TO ST. BERNARD'S PLAYER

All at St. Bernard's congratulate David Burgin on playing his 100th game against Old Paradians today. Since joining the club from the school team Dave has always been a champion. In the beginning David was first rover for many seasons and in this position won the club best and fairest award twice and represented Victoria, as well as winning other club awards. Dave, now playing in the centre is as creative and elusive as ever and we look forward to him fulfilling an ambition of playing in a premiership team. David graduates from medicine at the end of the year and we all hope he has time to continue his great football career in the future.

MILESTONES AT ALPHINGTON

More Alphington milestones have been reached. Mr. BIG, known also as Avo Tann, has notched up 150 games over a career beginning in 1963 with our junior team when his weight and mobility made him a terror to the opposition. He still has the weight, so one should avoid being under him

when he falls over. Ian Humphries has reached his century and combines dashing performances on the field with a St. John's hat off it. He provides assistance to the Reserves from his first aid kit before the remainder of our first aiders can get to the ground. Must be reassuring to his opponents to know that he can patch them up after running over them.

We at Old Carey wish Jamle McKinley all the best for his twenty-first which coincided but for one week with his 50th game for the club last Saturday against Kew. "Chuckles" began with us in 1973 from school and has turned in some fine games as ruck rover and forward. His consistent support of our club functions is also greatly appreciated.

Maurie Fanning plays his 50th game for St. Kevin's today. Maurie is a real trier on the field and a great team man. This year he has been a welcome addition to the committee with his keenness and endeavour. All the best Maurie for today and the future.

ELIGIBILITY OF PLAYERS FOR RESERVE AND JUNIOR SECTION FINALS

The attention of clubs is drawn to the restrictions which apply concerning players eligible to take part in Final matches in the Reserve and Junior Sections.

The Rule relating to eligibility of players in Reserve Section Finals reads:—

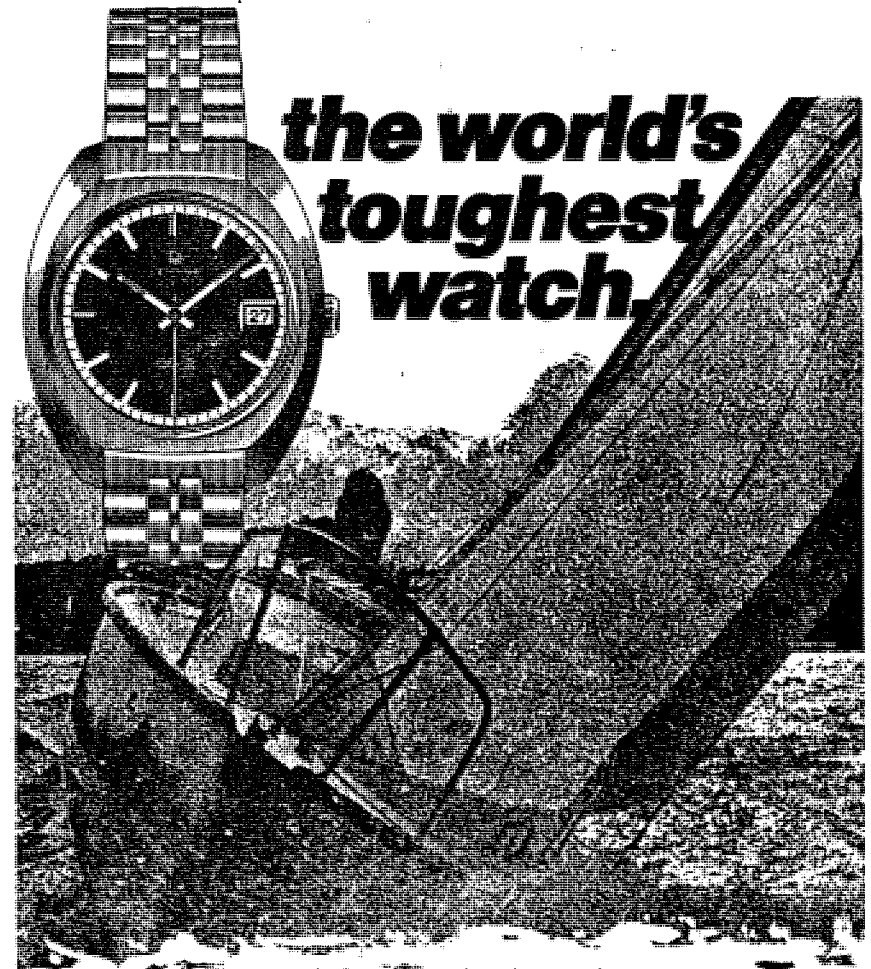

A player who has been a member of a senior team of any club in nine or more matches during the home-and-home matches in any season shall not be eligible for inclusion in the reserve team of a club taking part in a final match in the same season unless both the senior and reserve teams are participating in a final match on the same day.

Provided that no player shall be eligible for inclusion in a reserve team taking part in a final match in any season unless such player has been a member of such reserve team in at least TWO home-and-home matches during the said season.

JUNIORS

A player who has been a member of a senior or reserve team in more than five matches during any season shall be ineligible for inclusion in a junior team taking part in a semi-final, final or grand-final match in the SAME SEASON UNLESS he has been a member of the junior team for more than five matches in the same season.
