It's surprising how success rubs off

The National Bank has been dealing with established Australians and their families for nearly 115 years now. They're the sort of people who have grown, developed and succeeded with Australia. Maybe you're about ready to

move to the National too. It's surprising how success rubs off. The National — an established Australian bank, for established Australians.

ANOTHER DAY OF UPSETS

ST. BERNARD'S, BLACKS, ORMOND BEATEN

Many still with final four chances

By GEORGE McTAGGART

Last Saturday's round caused another batch of upsets, and once again 17 teams in the "fours" were beaten, while another managed only a draw.

Included in the 17 were five leading teams — St. Bernard's, Coburg Juniors, and three in the Reserves, St. Bernard's, Ivanhoe and Old Geelong, with Monash Whites Reserves having to be content with a draw.

St. Bernard's were pipped by two points at Coburg, University Blacks went down by nearly seven goals to Old Trinity and Ormond finished 14 points behind Old Paradians.

With only two rounds of home-and-home matches to be played, there are still many of the "fours" to be decided.

Poor forward work was a big factor in the defeat of Ormond and the Blacks, and St. Bernard's could not hold off Coburg's strong finishing burst.

Ormond were only 2 goals behind Old Paradians at three-quarter-time, and had the wind in the last term, but kicked only one goal from 8 shots, and actually lost ground as Parade added 2-3.

Ormond led by 15 points at the interval, with both sides off the target in the first half, but Parade opened the third quarter with 3 quick goals and finished with 6-1 for the quarter.

Old Trinity got on top of the Blacks from the outset and never allowed them to get into the game. Trinity led by 29 points at half-time and the result was never really in doubt. The Blacks were goalless in the first and last quarters.

Coburg looked a beaten side when they trailed St. Bernard's by 34 points at the final change, even with the wind advantage in the last term, but they added 6-7 to 1-1 and got up to win by 2 points.

St. Bernard's were 4 points in front at half-time then broke away

with 6 goals in the third term.

A winning centreline and a strong half-back line were telling factors in North Old Boys' win over Monash Blues. Monash lost any chance they had when they kicked 4-10 in the second quarter to be 20 points down at the interval.

After that it was all North, who went away to win by more than 10 goals.

An 8-goal burst in the second quarter carried Reservoir Old Boys to a commanding lead over Geelong and they coasted home to an easy win.

Reservoir are now second on percentage from the Blacks and North, with Coburg only a game outside the four. Only St. Bernard's (two games clear) are absolutely safe for the finals.

Marcellin kept their hopes alive with a 12-point win over De La Salle but Collegians' chances were wiped out when they went down to Ivanhoe by 16 points.

Old Scotch made themselves safe from relegation when they scored a decisive win over Old Carey. Caulfield Grammarians overwhelmed Key but Old Haileybury ran University Blues to 17 points, Blues accurate

kicking (19-8) saving the day for them.

Melbourne High ousted Old Ivanhoe from second place when they scored by 27 points and Uni. High dropped out of the running when they went down to Alphington by 15 points.

Alphington have just an outside chance, Parkside's win over Old Melburnians virtually clinching their place in the four.

In D Section, the four is practically settled, State Savings Bank having written themselves off when they were easily beaten by Assumption.

The top four, Fawknor, Hampton Rovers, Old Xaverians and Old Geelong, all recorded comfortable wins.

Elsternwick beat LaTrobe Blacks by 6 goals, AJAX beat St. Pat's-Monivae by 26 points and Old Mentonians' 9-point win over North Brunswick knocked North out of the four, their place being taken by AMP Society, who scraped home from bottom team West Brunswick by only a point.

ANZ Bank were surprised by St. Bede's, who won by 3 goals.

Monash Whites were well beaten by Thornbury, the margin being 44 points, but Heatherton, Bulleen United and Beverley Hills all had easy wins. Footscray Tech. moved up a peg when they beat University Reds by 4 points.

Junior leaders, Coburg, were handed out a thrashing by University Blues, who won by 11 goals. Ivanhoe beat Monash University by 20 points

and Ormond had a big win over University Blacks.

In Section 2, Hampton Rovers beat Old Carey by 4 points, and St. Bernard's, downed by Thomastown by 5 goals, lost their place in the four to Bulleen-Templestowe.

In the Reserves, St. Bernard's dropped from top to third after their 16-point defeat by Coburg, and Old Trinity, who beat the Blacks by 2 points, are now on top, ahead of Coburg and St. Bernard's on percentage.

Ivanhoe went down to Collegians by more than 6 goals and De La Salle failed by 4 points against Marcellin. Collegians and Marcellin now share the lead with Ivanhoe and De La Salle equal third.

State Bank dropped out of the four when they were well beaten by Assumption, their place going to Old Xaverians, who beat St. Kevin's by 13 points. Old Camberwell surprised leaders, Old Geelong, beating them by 3 points, and Fawknor are now on top.

AMP Society, with a big win over West Brunswick, took their place in the four. Heatherton went down to Glenroy by 14 points and Monash Whites drew with Thornbury.

300 GAMES IN AMATEURS

Congratulations and felicitations to Brian "Bottles" Vear who has become the Bill O'Malley of St. Pat's-Monivae Old Boys. The proprietor of the Albion Hotel, Dandenong who is easily recognisable in the cellar by his wet suit. On the football field his strength and courage, which won him selection in the rowing eight in the Rome and Tokyo Games, has set an example to both past and current players. He has played in two St. Pat's Premiership sides, coached the side for two years, and been the catalyst between the old and new players in their battle for the 1975 premiership. Early this year he had his mind set playing with the seconds and was elected captain. However, after some early brilliant games, he was quickly promoted, and hasn't looked back since. It is hard to imagine that his record will ever be broken.

LOOKING BACK

By Noel Rundle

5 Years Ago

Monash (fifth) lost their chance of slipping into the four when they went down to Univ. Blues (sixth) in a low-scoring game.

Ormond kicked 3 goals against the wind in the last quarter and beat Melbourne High by 26 points.

It was High's third successive defeat but they held their place in the four as a result of Monash's defeat.

Umpires' Association welcomed Jack Fox, Les Bohan, David Doherty, Bill Mason, Norman Sharpe, and Ron Saunders as life members.

Milton Beattie, who had led Hampton Rovers Reserves to three premierships in a row, played his 250th game.

U.H.S.O.B. full forward Davls kicked 15 of his team's 25 goals against Hampton Rovers.

10 Years Ago

Collegians lost top place for the first time when a very determined Commonwealth Bank beat them by 11 points in a game highlighted by long kicking and high marking.

Melbourne High suffered their third narrow defeat when they went down by a point to Old Paradians and were now out of the running for the four.

The 'B' Section four was settled with Old Scotch and Caulfield Gramm. on top

with 52 points, Ormond and Ivanhoe with 44 and Kew, fifth with 32.

U.H.S.O.B. recalled that their most faithful supporter, Alan Rees, had been first president and captain in the club's initial year, 1932.

Jim Bush was starring on the half-forward flank for National Bank while David Fullagar was in great form at half-back for Hampton Rovers.

25 Years Ago

"The Amateur Footballer" had a good advertising manager back in 1950. Leading 'ad' on page 1 was 'Melbourne Bitter-None Better'.

Ormond got a fright against Geelong at Corio Oval when they trailed by 14 points at half time and only managed to take control in the last quarter to win by 21 points.

Old Paradians battling to get in the 'B' section four, kicked themselves out of it by scoring 4.23 against Collegians, and losing by 5 goals.

PENNANTS, CAPTAINS

Clubs in the running for this year's premiership are requested to notify the Secretary of the V.A.F.A., of the colour requirements of the premiership pennant should they be successful in winning the premiership, for example — blue background, red border, white lettering. This information is required immediately.

The name, address and phone number of the club captain is also required on a separate sheet of club letterhead.

UMPIRE'S CORNER

By Kevin McKay

"HOLDING THE BALL — HOLDING THE MAN LAW"

Although this law was amended to its present form in 1939 it still causes a lot of controversy — yet it should not.

If this law is fully understood by coaches, players and supporters, it will be seen just how easy it is to apply.

The spirit of this rule is to keep the ball in motion.

Study the following simple definition and you will see the umpires do apply this law correctly.

A. A player is in the act of kicking or handballing and he is swung off balance and his foot or hand does not connect with the ball — play on —

B. A player is bumped and the ball falls from his hands — play on

C. A player has knocked on the arm or elbow causing him to drop the ball — play on.

D. A player has his arms pinned to his sides, causing him to drop the ball — play on — (This is the most common form of tackling).

E. A player has the ball held to his body by another player — Ball up.

F. A player not in possession of the ball and held by an opponent — FREE KICK — HOLDING THE MAN.

G. A player with the ball is tackled correctly by an opponent and deliberately drops the ball — free kick — to player doing the tackle.

H. It should be noted, the player with the ball only has to make a deliberate attempt to get rid of the ball when correctly grabbed by an opponent.

As you can see the rule is quite simple and is made for the player who is willing to go in and get the ball.

Australian Rules Football in 1975 is far removed from its beginning.

The fast moving, sensation packed spectacle of today began in a stumbling pad dock mob fight, in which brute strength counted far more than skill.

Forty a side, they wrestled and shoved and fought fiercely, with the ball an excuse for, rather than the object of, the contest.

The respective captains umpired the play, giving free kicks only for breaches that really had to be penalised.

To start the game the sides lined up on either side of a centre line, the side with the ball kicked off and they went to it without let or hindrance.

Out of chaos came order — modifications were made, but nothing substantial came of it all, till club delegates met at Nissen's Cafe, in Exhibition Street, Melbourne on May 12th, 1874 and wrote out a code of laws.

There were only 13 laws — a marked contrast to the law book of today.

The first code of laws embraced what today would be termed the major offences of football and referred only to tripping, pushing in the back etc.

A former South Melbourne player writing of his experiences in the early days of football, told how the umpire threw the ball along the ground after it had crossed the boundary line.

It was in 1908 that the game became truly national with the formation of the Australian National Football Council.

(Now called the NATIONAL FOOTBALL LEAGUE.)

The introduction by the A.N.F.C. of the clever, non-stop game in which the emphasis no-dropping rule has resulted in a fast, clever, non-stop game in which the emphasis is on pace all the time.

This type of play is seen at its best in Amateur Football where players willing to go in and get the ball are given the full protection they deserve.

PREMIERSHIP CUPS

Club holding premiership cups, that is, the 1974 premiers in all sections, are requested to return the cups to Mr. J. Hickman, 4th Floor, Beehive Building, 94 Elizabeth St., Melbourne, immediately.

Cups must be cleaned before being returned.

AGE, HEIGHT, WEIGHT

Clubs likely to be taking part in the semi-finals and finals are requested to furnish the age, height and weight of players from whom the teams for these matches will be chosen, as soon as possible.

The information is required not later than MONDAY, AUGUST 18th.

Clubs with Senior and Reserve teams both in the finals are requested to furnish separate lists, showing in the Reserve team list ONLY those eligible to play with the Reserves, and omitting from the Senior list those players who have no chance of being selected in the senior team.

There may be a few players on both lists.

Lists must be in NUMERICAL (NOT ALPHABETICAL) ORDER, and must be in the correct sequence —

Number, Name, Initial, Age, Height, Weight e.g.

1.	SMITH, C.	20	5.11	12.3
3.	PARKER, L.	25	6.4	14.9
4.	ROBINSON, R.	18	5.10½	11.1

and so on.

Forward the information to The Amateur Footballer, Box 1564 P, G.P.O., Melbourne, 3001.

Height is required in feet and inches and weight in stones and pounds (NOT METRIC MEASURE).

Lists should be submitted on forms handed to Delegates at the meeting on August 4th or forwarded to Club Secretary.

THIS ROLLING STONE HAS MADE GOOD

A change is as good as a holiday? Well, Michael Ritterman, of AJAX seems to think so, for he has changed clubs four times in his football career, but is now back with his original club.

"Ritter", as he is generally known in football circles, made the State side this year — a most unusual achievement for a player from E Section.

Michael started with AJAX Juniors back in 1967 and graduated to the seniors the following year. After two seasons with them he transferred to Melbourne High School Old Boys, then in A Section, to gain some experience in a higher grade.

In 1971, "Ritter" tried his luck in the V.F.L. and played some 14 or so games with Melbourne Reserves, but couldn't manage to make the senior side.

The next year he transferred to Prahran (V.F.A.) club where he unfortunately suffered a bad knee injury which kept him out of action for the greater part of the season.

He was able to play towards the end of the season, however, and qualified to play in the Reserves Grand Final against Port Melbourne.

He had a break from football in 1973 when he visited Israel to compete in the Maccabi games (Jewish Olympics) in which he represented Australia in Athletics.

"Ritter" rejoined Prahran for the pre-season practice games last year but was persuaded to return to AJAX, and was elected captain this season.

Michael has played nearly 100 games of Amateur football but his biggest thrill undoubtedly was being selected in the Victorian side to play Tasmania last June.

"Ritter" is 23, 5-9 and 11-12 and has played most of his football on the centreline or roving.

He considers Norm Beattie, of Coburg and Rob Roulston of AMP Society among the hardest opponents he has played against and classes Old Carey's Mike Birrell as the bestruckman he has seen in Amateur football.

In the summer, Mike is a keen athlete, competing with Hakoah-AJAX in the Victorian Athletic Association competition. His most successful event is the 400 metres hurdles.

"Ritter" has had a varied sporting career, but certainly a successful one, and we wish him well in his future activities.

OLD MELBURNIANS' ROVER REACHES 150th

Old Melburnians wish to congratulate Russell Weir on playing his 150th game with the club. Russell has spent numerous years on the club's committee: first as club delegate and then as treasurer. In his years of service he has also been vice captain for a number of years and in 1971 won the club's best and fairest award. Congratulations Russell and may you continue onto that magical 200.

Belated congratulations to Greg Poynton, who played his fiftieth game for Assumption Old Collegians against Old Xaverians on August 2nd. Greg started with Assumption in 1971. His fifty games have all been played in Reserve Sections (B, C and D) of Amateur football. He has had the honour, in this time, to have represented the club in a final game. On 26 occasions Greg has 'sneaked' through to register major scores. Greg's club activity is not confined to "on-the-field" service. He has been an enthusiastic 'social' worker since he joined the club, and is a most popular club member. Well done, Greg, and good luck for the next fifty!!

MELBOURNE HIGH CHAMPION 150th. Champion M.H.S. wingman, half-forward, ruck-rover, full forward, utility Warwick Ponton plays his 150th brilliant game for the club today. Rick graduated from the juniors to the seniors in 1969 and immediately came under notice with his strong play, clearing dashes and general all round brilliance. He has won many awards with the club and in 1973 was senior captain. Rick has missed very few games and has often played with injuries that would have kept lesser players out. He has now played 66 consecutive games which is close to the club record. Unfortunately 'Ponton' is also prone to the habitual fracturing of his nasal area. Congratulations to Rick from all at Melbourne High we all expect to see him as part of our Premiership team this year.

100 AND 150 AT OLD GEELONG
 Everyone at Old Geelong would like to congratulate two members who reached milestones in the last couple of weeks — John Spiden who notched his 100th and Richard Welby his 150th game for the club. Both players have given great service — on the field and off it. They have stuck with the club through some pretty lean seasons and have been a major force in the team in its better years. We'd like to say we hope there's many more good games in them yet — but with Richard moving interstate that might prove difficult. As for "Spido" we expect his annual retirement in September followed by his annual re-appearance in April. Well done blokes and thanks for a great effort.

MILESTONE AT MONASH

Congratulations to Mal Barnett who last week played his 100th game for Monash University. Mal joined Monash in 1970 and in his six years has represented the club in Blues, Whites and Junior sides. Known mainly as a dashing backman Mal is one of the most determined footballers to don the Monash guernsey and has rarely been beaten in his consistent career. Well done Mal and keep up the good work.
