## EDITORIAL by Phil Stevens

Good afternoon football followers.

One of my roles is to work closely with the Umpires' Appointment Panel each week. Part of that role is to receive and forward **written** (only) complaints about umpire performances to the Umpire Advisors. Many of the letters received seem to indicate that our umpires don't understand the "order-off" rule well, when in fact our coaches, players and officials are uncertain of the rule and its application.

Today I have asked Umpire Chairman **Phil Rowell** to update an editorial he wrote for me last year. I urge everyone to read it carefully.

**Phil Stevens**  
General Manager

### "ORDER-OFF" IN AMATEUR FOOTBALL

There have been a number of enquiries from officials, players and supporters of clubs regarding the application of the order-off rule in Amateur football and I have been asked to provide, if possible, a simple summary to quell any confusion and settle any arguments.

#### A. SENIOR AND JUNIOR FOOTBALL (Inc. G Section Football)

- (1) Any player reported for any offence under the rules by the field umpire **must** be ordered-off the field for either 15 minutes of playing time or for the remainder of the match. \*This player **cannot** be replaced by an interchange player.
- (2) It is entirely in the umpire's discretion as to whether the period the player is ordered-off is 15 minutes or the remainder of the match. Umpires are instructed that serious reports e.g. "king hitting" without provocation, assaulting an umpire or kicking etc., require the player to be ordered-off for the remainder of the match.
- (3) If a player is to be ordered from the field for the remainder of the game, rather than for 15 minutes, the umpire shall at the **first appropriate break in play** advise the runner of the player's club of the fact that the player is ordered-off for the remainder of the game. The player is not replaced.
- (4) Any player reported for **any** second offence during the one game must automatically be ordered-off for the remainder of the game. Again this player cannot be replaced by an interchange player.
- (5) The player ordered-off must leave the area at the interchange area where his exit is recorded. It is the responsibility of the runner for the club to liaise with the timekeepers to notify the runner when 15 minutes of play has elapsed. At that time the player or an interchange player for him may then return to the ground. This must also be recorded by the interchange steward.
- (6) If a player is reported by an Association appointed goal or boundary umpire the player does not leave the field until the goal or boundary umpire has conferred with one of the field umpires who will then direct the player to leave the field and will advise as to the duration that the player is ordered-off.
- (7) For audible obscenities players are ordered-off for 15 minutes but not necessarily reported. The player is of course not replaced.
- (8) In junior football for obscenities, whether audible from off the field or not, players are ordered-off for 15 minutes but are **not** necessarily reported.

#### B. RESERVE GRADE FOOTBALL

- (1) The rules mentioned above for Senior and Junior football apply equally for Reserve Grade football.
- (2) Club appointed field umpires also have the power in reserve grade matches to order-off for 15 minutes **without** reporting a player or players. In such circumstances the player or players cannot be replaced during the 15 minutes.

### REVIEW

After 3 rounds **Collegians** remain the only undefeated team in A Section.

The **Lions** were most impressive last week when they brushed aside **Ormond**. The game was all but over at ¼ time when **Collegians** led by 39 points. **Danny Thomson** continued to impress with his roving skills and finished the game with 6 goals. The return of **David Hoyle** has given **Collegians** more fire power up forward and, at the same time, given opposition defenses more to worry about.

**Ormond's** best players were fairly predictable: **Grace, Sebo, Kingston, Barnes** and **McDonald**. Surely these players cannot continue to carry the side — the younger brigade must start to take some responsibility at the club?

**St Bernard's** and **Therry** had an entertaining battle at Elsternwick Park with **Therry** looking the better side all day. **St Bernard's** certainly "have a go" and will do well this year if they continue with this type of attitude.

**Therry** skipper **Paul Matton** directed traffic from his half back flank and **Paul Gilmour** and **David Wrigglesworth** provided the runners with fine targets — can Gilmour take a mark!

The **Gollant's** and **Comito's** have slotted well into A Section for **St Bernard's**, and they could have easily stolen this game, but the better team won on the day.

**Old Scotch** took the monkey off **Russell Greene's** back when they downed **Marcellin** by 25 points.

**Andrew Millar** was basically the difference between the two sides, booting 9 goals in another fine forward display.

**Marcellin**, on the other hand, lacked a dominating forward and also found it difficult to stop **Mark Brady, Andrew Smith** and **Rohan Aujard**.

**Denton Merton** and **Anthony Tranquilli** did well at half back for the **Eagles**, but were left in despair at the lack of a key forward to kick to.

Anyway **Scotch** are on the board — can they keep going?

**North Old Boys** suffered their second upset defeat in a row when they went down to **Old Haileyburians** by 17 points. Although the **Old Boys** had 11 goal scorers they too, lacked a dominant forward.

**Paul Woff** has been a sensational recruit for **Old Haileybury** this year and with mid-field assistance from **Wayne Phillips, Matthew Armstrong** and **Peter Theissen** many scoring opportunities were given to the forward line. **Matt Demattia** booted 6 goals to seal **NOB's** fate.

**Darren Martin** continued his good form in the ruck as did **Peter O'Farrell, Ben Herral** and **Tony Cahill**.

**Robert Hyde** will be trying desperately to find the reason for **NOB's** ordinary form, whilst **Simon Meehan** will be hoping that his team can continue on in A-Section.

**De La Salle** slaughtered **Old Xavs**. After loafing in the first half, **De La** came out with all guns firing, booting 20 goals in the second half.

Forwards **Pat Mannix** and **Nick Fraser** kicked 10 goals between them as little blokes like **McClounan, Mahony** and **Smith** ran riot.

**John Bowen, Geoff Clare** and **David McKay** could not stop the deluge of opportunities coming from mid field. **De La's Peter Rennie** stopped **Matt Bourke** which all but ended **Old Xavs'** chances in this game.

**De La** are "back in town" and once again looking the goods.

### PREVIEW

**Therry** are at home to **Collegians** and will need to use every ounce of their home ground advantage if they are going to win this one.

**Tony Crotty** made a passionate plea to his players last week to work on their weaknesses in preparation for this game. **Paul Matton** will mind **David Hoyle** in what should be a fine duel, as will **Matt Galbraith** and **Tim Taylor** in the centre. New **Collegian** rover **Danny Thomson** will have to be bagged by **Therry** — by whom I don't know. **David Wrigglesworth** will lead the **Therry** charge along with **Simon Eastmure** and **Gerard Biddlestone**.

Good players are abundant in the **Collegian** line up — **Bennett, Hibbins, Lake, Woolhouse** and **Schober** can all play and somehow I think that the **Lions** will just have too much talent for their aggressive opposition today.

**Collegians** to win by 15 points in what should be an entertaining game.

**De La** are at home to **St Bernard's** and have no fears about this being a tough, physical game.

**Frank Dunell** has instilled a "never give in" attitude into his players and they will have a red hot go today.

**De La** are blessed with talent, but can be put off their game.

**Andrew Mackintosh** and **Julian Moloney** will give **Pat Mannix** and **Nick Fraser** plenty of chances up forward, whilst **Luke** and **Jason Gollant** will be endeavouring to kick a winning score.

**Gavan Keane** has the ability to kick a bag and **De La's Peter Rennie** will have to be right on him. Rover **Matt Mulkearns** will have a good test with **De La's Brett Mahony** and the outcome of this duel could well be decided upon the form of **St Bernards'** ruckman **Wayne Carey**.

**De La** appear to be running themselves back into form — their ability to run the ball out of the backline coupled with some fine ball skills have earned them a reputation as the finest team in A Section, but they sometimes over finesse and are left chasing a rebounding football.

**St Bernard's** are tough, but really do lack a couple of players to be a force at this stage — **De La** will win this game by 24 points.

**Marcellin** travel to **Ormond** with both teams coming off losses. On paper this game should easily go in **Ormond's** favour, but in reality **Ormond** just don't seem to be the side they used to be.

**Paul Schuhkraft** remains dangerous at full forward as does **Stephen Grace** on the flank. **Anthony Tranquilli** and **Nick Burke** on the half back line have the ability to control the game for the **Eagles**, but there appears to be very little to kick to up forward. **Steve Boysen** looked set to become a top full forward, but has found himself plugging holes this season and even if he was to line up in the goal square he would be welcomed by **Ormond's Nick Sebo** – who is a fine player.

Two old timers, **Russell Barnes** and **Tony Caffry** will have an interesting competition as will **Luke Getson** and **Andrew Jobling**.

Overall, I see **Ormond** being that bit too talented, but desperation could well win this one – **Ormond** by 10 points.

**Old Scotch** play **North Old Boys** at Flinders Park and one wonders when **North** will start to "strut their stuff". There is no doubt that the loss of **Steve Moloney** has affected the **Old Boys**, but they still have many good players. **Bruno Conti** and **Peter O'Farrell** control the backline and they will have to both combine well to hold **Andrew Millar** down to a meagre tally. Actually if **Millar** can be stopped then **Scotch** struggle.

**Scotch's** loss of ruckman **Rob Emmett** has meant that **Duncan McCall** is needed on the ball, whereas last season he provided a fine back-up for **Millar** when he played in the pocket.

**Tony Cahill** has been in fine touch this year and his duel with **Scotch's Mark Brady** will be well worth watching. **Scotch** captain, **Rob Fuller**, could pick up any of **Boyle, Hanlon, Egan** or **Phylard**.

We all know what **Scotch** are capable of, and for that matter what **North** are capable of – one of these teams will "click" today and I feel that it will be **NOBs** – **North** by 20 points.

The final game today is at Elsternwick Park when **Old Haileyburians** take on **Old Xaverians**.

**Xavs** were flogged last week whereas **Haileybury** knocked off **North Old Boys**.

The **Old Xaverian** strength appears to be its defense consisting of **John Bowen, Geoff Clare** and **David McKay**. Today they will come up against the in-form **Matt Demattia, Simon Meehan** and **Paul Woff**.

**Mick Constable** may be given the job of stopping **Xavs' Matt Bourke**, but I feel that this game will be won across the centre.

**Matthew Armstrong, Wayne Phillips** and **Peter Theissen** are proving to be a fine combination, whereas **Old Xavs** appear to lack drive from this area.

**Ian Kidgell** is yet to show very much form at all – don't worry it won't be far off.

Basically the **Old Xaverians** lack experience, especially A-grade experience – this will be their greatest problem this year and today will be no exception – **Old Haileyburians** by 20 points.

## 150 GAMES TO PAUL SCHUHKRAFT

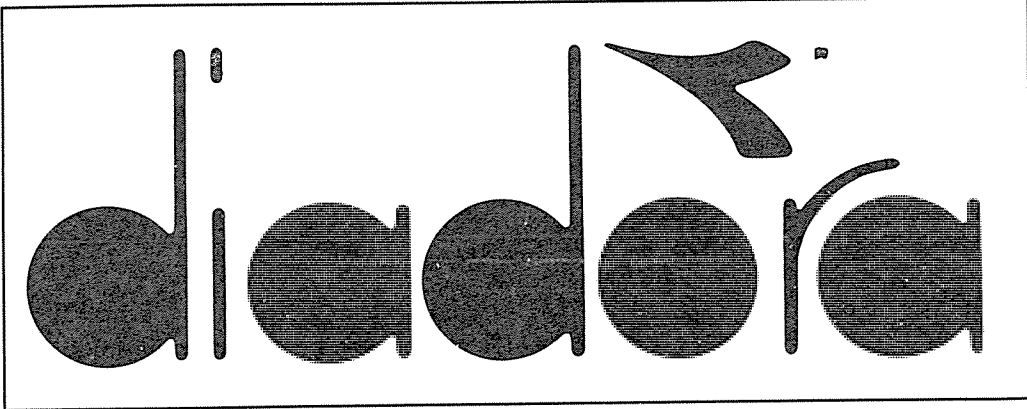

Congratulations are extended to Paul who plays his **150th** game for **Ormond** in today's match (2/5) against Marcellin. Paul commenced his football in the Under 19's in season 1983 and has achieved a long list of football honours winning the Best and Fairest in the Reserves 1985-86 and member of the senior 1987-88-89-90 Ormond Premiership sides. He headed the "A" Section goal kicking list 1987-88-90 representing his state in the full forward position for the last four years culminating with selection in the All Australian side 1988. Paul has always resisted many offers to play elsewhere because he says he enjoys his football at Ormond. We wish him all the best for today and in the future and hope there will be many more games to come.

## TWO TONS UP DOWN AT OLD HAILEYBURY

Two well-known faces down at Old Haileybury recently reached the 100 game milestone. **Michael Constable** achieved his ton against De La Salle in the round before Easter. A "good ordinary" player in his schooldays Mick began his career with the Under 19's in 1985, he made his senior debut with the Bloods in 1987 and has subsequently developed into a hard working defender of great skill and determination. Renowned off the field for his easy-going nature, clumsiness and unwillingness to part with his white Torana, Mick's on-field ability was rewarded when he represented the VAFA at State level in 1988. Serious injury forced him to miss the finals series the following year but "Cunnas" was a member of the record-breaking 1990 "B" Section premiership side.

**Jeremy "Jezza" Rae** sailed past the 100 game mark on Anzac Day against North Old Boys. As a crewman on successful yacht "Wild Thing", Jezza's football career has taken a back seat in the last couple of seasons. Nevertheless, a measure of his obvious footballing skill was shown when he managed to play 7 senior games in 1991. A handy forward who has kicked almost 100 career goals for the Bloods, Jezza never gets on the wrong tack with the coach owing to his ability to run hard all day. Although prone to fainting in more relaxed circumstances, Jezza's determination and marking prowess on the field is unquestioned.

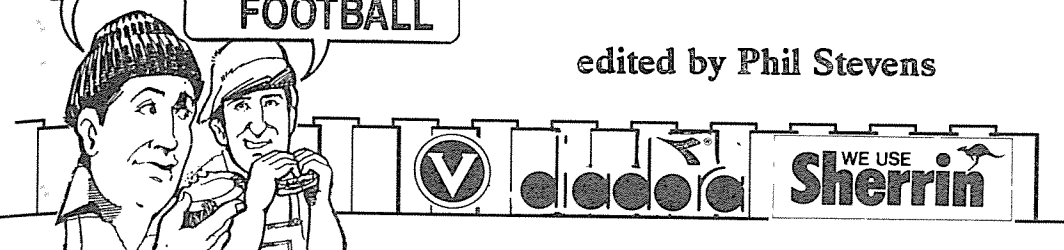

To both players, all down at Old Haileybury congratulate you on your fine achievement and look forward to you playing many more games in the future.

## B SECTION by Tom Johnston

What a team performance by **O. Trinity** at Pitcher Park where **Parkside** were on the end of a good old fashioned hiding. **Trinity** coach, **Alan Johnson**, described the **Trinity** performance as a great team effort. **Trinity** ruckman **Turner** continually won the ball out of the centre enabling **Rogers** and **Balazsy** to pass to full forward **Boxtel** (10 goals) – **Phillips** also chipped in with 5 goals. **Parkside** were very simply outplayed and outclassed by a very good side with **Trinity** winning by a massive 126 pts.

The clash at **University** was a pretty good contest for half a game between **University Blues** and the young pupils from **O. Mentonians**, who held a 1 pt lead at ½ time. A great 2nd half display by the **Blues** with 12 goals in the 3rd qtr followed up by 10 goals in the 4th, whilst the **Panthers** could only kick 6 goals after the long break before losing by 99 pts.

The match at Elsternwick Park between **Whitefriars** and the Lazarus side of B Grade, **Monash Blues**, was a pretty lively affair. Both sides were struggling to gain the ascendancy and numerous mistakes were common, but it made the game a good contest as you had to earn your kicks. **Whitefriars**, with the more skilled players, slowly took control, but could not shake the tenacious **Blues**. In fact, if **Monash** had kicked straighter in the last qtr other than 4.6, they could nearly have pinched the game from **Whitefriars** who, under **Geoff Reiley**, have yet to learn you must finish the opposition off. **Whitefriars' Strike** is a real goer as are **McNeil** and **Reidy**, whilst young U19 players **Bateman** and **Jackson** are players of the future.

**O. Melburnians** had to cross the Yarra to play **Banyule** in a game that promised plenty. **Banyule** had plenty to prove after last week's debacle against **Monash** and started the game with plenty of aggression and the necessary desire. **O. Melbs** were struggling to stay in touch with the **Bears**. **Banyule** had a handy 22 pt lead at the long break, but the loss of **Sutterby** was to prove vital. **O. Melbs**, with **Cordner** at full forward dominating, had the **Bangers** struggling. The tide had turned as **O. Melbs** crept a little bit closer to only trail by 11 pts at ¾ time. **Banyule** were 4 goals up with 10 mins to play. **O. Melbs'** big men took control: **Teal** (18 marks for the day) and **Cordner** 8 goals were the difference between the two sides. **O. Melbs** took control and won the match by 7 pts. **Banyule** best was the tireless **Dave Gent**, **Cullen** and **Whitehall**. **O. Melbs'** best was the sensational **Scott Teal**, **Cordner**, **Nichols** and **Beardsley** were more than useful.

**O. Paradians** travelled to the Beach Oval to play **O. Brighton** and from all reports for the 2nd week running **Parade** were very inaccurate – this proving costly. The first 3 qtrs were a real hard struggle. The last qtr was all **Brighton** and **Grant's** 4 goals in the last qtr was a fine individual effort. 9 goals in the last qtr was a good team effort by **Brighton**, however **Parade** had 31

### TODAY'S GAMES

**Monash Blues** vs **O. Trinity** at Monash University. **O. Trinity** had a day out last week with a huge win over **Parkside**: **Monash** really struggled at Elsternwick Park but at home are a tough nut to crack. I believe **Trinity** will win the game with their aerial supremacy whilst **Monash** lack big blokes and for this reason I expect **Trinity** to nudge their way closer to A Grade with a 39 pt victory.

**Parkside** vs **University Blues** at Pitcher Park will be a very one sided contest. **Blues** are looking the goods. Their 2nd half demolitionism of **O. Mentonians** last week was the result of the good work coach **Alan Jarrot** has put into this side. **Parkside** are rebuilding – they are young, they are largely inexperienced, but they will give their very best. **University Blues** by 49 pts.

**O. Mentonians** clash with **O. Brighton** at Mentone. **O. Mentonians** always play good football at home: **Brighton** of old would have expected to lose this match but under **Mark Parker** the **Tonnars** are a different proposition. **O. Mentonians** are a better side than the results have shown but I expect **O. Brighton** to have too many gun on-ball players for coach **Bert Calvert** to tag. This game will see if **O. Brighton** can handle their 1992 status as a good side. **O. Brighton** by 19 pts.

**O. Melburnians** clash with the undefeated **Whitefriars** at the Junction Oval. This match promises to be a cracker of a game. **O. Melbs** came from behind last week to notch two wins on the trot. **Whitefriars** are undefeated but I thought looked a little ordinary last week against **Monash** at Elsternwick Park. **Whitefriars** have won 3 games against bottom of the ladder sides. **O. Melbs** will be their first serious test and a test I expect them to fail! **Old Melburnians** by 19 pts.

**O. Paradians** at home take on **Banyule** in a very vital game for both sides. Both have one win apiece so there is much hinging on the result. **Banyule** will be strengthened by the return of three very good players. **Parade** have promised much this season but delivered little, but they are hard to beat at home. **Banyule** have lost two on the trot but I expect the **Bangers** to produce the goods and win a hard fought match in another game that could go either way. **Banyule** by 5 pts.

## PERSONALITY PARS – B

### 150 FOR "SHERL"

Although slightly belated, **Parkside** congratulate **Mark Sherlock** on reaching **150** games. Sherl is one of the most long serving players still playing in the senior side, and received his life membership last year in recognition of his devotion to the club. Rewarded with the job of deputy vice-captain this season, Sherl has his eyes set on reaching the 200 game milestone.

### 100 FOR OLD PARADIAN CAPTAIN

Old Paradians' congratulate captain **Matt Considine** on reaching his **100th** on Saturday, 2 May 1992. Matt started his Amateur career in our Under 19's, played in the 1986 "B" Section premiership and is a true captain leading by example. All at OP's wish you all the best for another 100 games.

### 50TH FOR OP's PAUL ZAPPA

Congratulations Paul on playing your **50th** game against Banyule on 2 May 1992. Paul returned to Old Paradians after one year at Fitzroy Under 19's and has become one of our regular senior players since his return.

### 50 GAMES TO TWO YOUNG PARKSIDERS

**Anthony Stuart** and **Jamie Chilcott** have both reached the **50** game mark in Round 2 and 3 respectively. "Gobby" and Jamie have both been around the club for years, and are actively involved in both the football and cricket clubs. We look forward to both boys producing many more senior games in the coming years.

### REVIEW – ROUND 3

Someone shook my tree last week and I all but hit the ground with only 1 winner and a case of disorientation by suggesting that **St Kilda/Sth Caulfield** would win at home when in fact they played at Fawkner. Thanks for the correction "J.K.". Doesn't matter though, a "**Squirrel**" is a resilient little beast and he'll bounce back this week with a bagful of winners.

At Oval 4, Albert Park the home ground specialists (**Comm. Bank**) toughed it out for an 8 point victory over **MHSOB**. Both teams appeared likely winners at various stages of the game and in the last stanza the lead changed several times. Better players for the bankers were **Linford** (HFF), **Keighran** (B/Pkt) and **Short** (Wing) whilst for the **Schoolers** new player, former **Williamstown** VFA man, **Bruce Mourney** (R/Rvr), **Rosman** (R/Rvr) and **Bamert** (CHF) all shone out. The game in effect was dominated by the half back lines and much of the play was bottled up midfield. **Bankers** back on track and for **MHSOB**, if ever there was one, not such a bad loss!

Action also aplenty at neighbouring Oval 2 where the **Jackers** took apart **Kew** to the tune of 60 points. I had reasoned the strength of the **K's** would overpower the speed and sure disposal of the **Jackmen** but obviously wrong again. More wins in store for **AJAX** and I'm sure "**Bomber**" **Burden**, **Kew's** mentor, will use this loss to re-structure his teams' balance and at the same time gee his charges up for next week's clash. For **AJAX** an encouraging display by a youthful side. An excellent "team" effort with **Roth**, **Buckey** and **Gross** leading by example and **Sheeza** in for another 6. Special mention to youngster **Josh Hoppe** with 7 goals in his first senior game. Well done.

Not only a case of disorientation with the **Fawkner v St Kilda/Sth Caulfield** game but I also missed picking the winner, **Fawkner**, who got home by 13 points. Not much in this game all day with **Fawkner** establishing the biggest break by about 4 twins towards the end of the second quarter. The **Saints** clawed their way back into the game courtesy again of their accuracy for the second week in a row but fell short come siren time. For the **Northerners** young **Craig Ford** continues to improve and a special rap for persistency in the case of **Ian Haggood** at fullback. Whilst letting **Bergman** in for a bag of 5 he kept at his task and his 4 telling "grabs" towards the end ensured victory for his team. Also a welcome return to form for **Greg Mitchell**.

**Ivanhoe** and **Bulleen-Temp.** turned on a goal scoring bonanza at the Boulevard rattling up 19 snags each and a sum total of 37 behinds between them, however the major difference was that **Ivanhoe** owned 20 of them and the **Bullants** the remaining 17 which all tallied up to a "**Hoe**" victory by 3 points. Word has it that the flag wavers claimed "Workcare" as a result of RSI. This win along with the **AJAX** and **Comm. Bank** victories means that after only 3 rounds no team remains undefeated. For both **Ivanhoe** and the **Bullants** the season promises much and opposing teams could do well to send their "scouts" out in an attempt to identify any obvious weaknesses.

In the "Derby" of the early season cellar dwellers, **Uni Blacks** stood up to be counted and left **Thomastown** labouring winless at the bottom of the table running out comfortable victors by 35 points. For the **Blacks**, **Evans** bagged 4 and **O'Neill**, **Brommel**, **Spinks** and **Rourke** each chipped in for 3 in an improved forward line set-up. Better players being the abovementioned along with **Gray**, **Burnett** and **Merritt**. The **Bears** major scorer was **David Fellows** with 5. Shining lights on an otherwise rather dull day was first gamer **Paul Ristevski** up from the U/19's with another junior **Scott Plant**. **Tony Fellows**, **Tony Colosimo** and **Adam Smith** (welcome back) were other good **Bears'** players.

### PREVIEW – ROUND 4

**St Kilda/Sth Caulfield vs Comm. Bank:** Current form indicates that the **Saints** are not living up to their early season promise whilst the **Bankers** are back on track. The **Saints** can ill-afford to drop back from the pack and they will be revved up for this game against a foe that are nigh on invincible at home but notoriously bad travellers. Kiss of death for the **Saints** to win by 15 points.

**MHSOB vs AJAX:** The **Schoolers** on the rebound to an in-form **Jackers'** side brim full of confidence. Heaps of talent within the ranks of the Sth Yarra boys but they must put it all together and on the other **AJAX** an even team of real "goers". The ingredients of a great game and I'm swayed the home teams way largely due to their ability to play the School Oval so well. **MHSOB** by 22 points.

**Kew vs Thomastown:** An angry **Kew** coming off a loss plays host to a not so menacing **Bears** combination. It's hard to see the **Townners** downing the **K's** in this one as **Kew** appear to hold all the ace cards with their prime movers out of the centre providing their talented forwards with ample opportunities. **Thomastown's** problems appear to be a distinct lack of goal scoring power. **K's** by 66 points.

**Bulleen-Temp. vs Fawkner:** This match-up looms as a very interesting affair. Scorelines thus far show that the **Bullants** aren't short on scoring power whilst **Fawkner** have a defence capable of negating all that's thrust at it. The key to game may well lie within the vital centre square issues and it's in this department that **Fawkner** might well hold the leading hand with "**Henry**" **Lawson** and a back in-form **Greg Mitchell**. On a song and a prayer I'm leaning to the **Fawkner** troops to salute by the slender margin of 5 points.

**Uni Blacks vs Ivanhoe:** After registering their first win of the season the **Blacks** will be keen to notch up another. Only obstacle as I see it is a very formidable opponent in **Ivanhoe** who have taken all before them in recent weeks. The around the ground evenness of the **Hoes** will be too much for the **Students** to overcome and the final siren may well be a pleasing sound to their ears. A case of shut the gate, how far the **Hoes** . . . 72 points.

### 100 TO AJAX DEFENDER

Congratulations to **Mark Roseman**, AJAX defender who plays his **100th** game with the club against MHSOB today (2/5). Mark has been a loyal and devoted clubman who despite several serious injuries has fronted up each season with the same determination. All at AJAX respects this true gentleman and hope that he goes on to another ton. Well done ROSIE!

### CAPTAIN MAKES DEBUT

Congratulations to **Josh Hoppe** – captain of AJAX Under 19's who made his debut with the senior team last week (25/4). Seven goals was a fine effort and his father, Jack, a club stalwart was the proudest man in Melbourne. Keep up the good work Josh.

## D SECTION by Peter Lemon

One of the people with whom I work picked 7 correct results for the AFL Easter weekend, including the West Coast/Bears draw! I immediately asked her to take over this column, but she declined – said it would be too tough! 3 out of 5 for me last Saturday was another slight improvement.

**Old Ivanhoe** are now the only undefeated D Section team after they edged out **St Bede's** in a fairly close encounter. The rest of the section is giving every indication of being pretty even. The **Bedas** did not do enough early in a congested opening, and trailed by 4 goals at ½ time. A strong 3rd term performance saw them back to level at the last break, but the effort took it out of them and the **Hoes** went away in the last 15 mins. The **Bedas** had a number of good contributors, including first-gamers **Jason Selby** at full back, and **David Goodchild** up from last year's U19s. The **Hoes** were happy with fine performances from defenders **Chris Dunnes** and **Glen Alexander**, whilst at the other end **Marty Stewart** exhibited some show-stopping skills.

**Caulfield Grammarians** suffered their first defeat, at the hands of **Preston**. The home side established a narrow lead early, and then answered every goal, courtesy the efforts of veteran defender **Peter Yendall**, whilst **Mark Zubak** shut his opponent right out of the game and **Ricky Johnstone** came under notice on the backline. The effort of playing catch-up football was too much for **Caulfield** and the **MBOBs** drew away in the final term. **Caulfield's** best were all backmen: **Andy Lourie**, **Clint Simpson**, **Rod Royals** and **David Cronin**.

**Hampton Rovers** had **Mazenod** playing catch-up football well and truly as they (the Rovers) stormed to a 7 goal lead in the first half. **Salmon** in the ruck was a dominant factor, as was **Garry Hetherington** at centre half forward: he went on to bag 8 for the game and was a real focal point. **Mazenod**, blasted at half-time, came back somewhat in the 3rd – or did the home side relax? – with **Steve Noble** showing some good marking skills. The **Rovers** steadied, however, with their running players – **Deveraux**, **McDonald**, **Capp** – regaining control and they went on to record a comfortable victory.

**St Kevin's** put on a good one for their well attended Past Players Day, to notch up a comfortable win against **Old Geelong** who disappeared after ½ time, and who were not helped by a swag of injuries. G. and R. Gross's father has nominated **R. and G. Gross** as the **SKOB's** best players by a mile (they did play well), but from less biased sources, **Andy Beale** took the points, along with full back **Hartley Stone**, whilst **Michael Pivetta's** pace was a major headache for the OGs. **Jimmy Taylor** (related to VAFA Vice-President, Nugget Stephens who showed similar promise at the same age, so I am told) was **OG's** best, whilst **Mike Davis** and **Cullen Gunn** were amongst the triers.

**Old Camberwell** opened their account comfortably at the expense of **Williamstown**, and neither side contacted me with any details. Again!

### THIS WEEK

Contrary to my early expectations, neither of the sides up from E Section are yet setting D Grade on fire. **Williamstown** will be keen to reverse the result of last year's Grand Final, but I expect **Mazenod** to come out the winners at home.

**Old Geelong** are looking as steady as a half-set jelly in a hurricane at the moment with stacks of injuries. **Hampton Rovers**, on the other hand, have lost only to Old Ivanhoe, are kicking big scores, and their confidence is sky high. The **Rovers** should take this one comfortably. (Which won't please them at all, as I am yet to make a correct prediction for them this season.)

**Old Ivanhoe** at home to **Preston MBOB** will be an interesting clash: the visitors have really come good after their narrow, first round loss, and could well push the home side, but the **Hoes** will keep their unbeaten record intact.

**St Kevin's** were well pleased with their win last week, but their opponents had just 15 fit men in the 2nd half: this week they (**SKOBs**) will find the going harder in the form of an away game against **Caulfield Grammarians** on the rebound. Both clubs have fast mid-field players, and the outcome of the centreline clashes will be telling. I expect the **Fields** to take the points in a close one.

**St Bede's** performed pretty well against the Hoes last week, and were far from disgraced. This week, hopefully with the return of **Beasley**, they travel to **Old Camberwell** who seem to be finding form. I expect **St Bede's** to take a close one.

### 100 GAMES FOR TWO BEDA'S

Well done **Brendan "Caveman" Hambridge** and **Roger "Wrong Way" Grech** on reaching this milestone. Hammo, in a Best on Ground performance showed just why he featured as guest fisherman with Rex Hunt with his long "right foot" casts to goal. Whilst Roger "Pontiac King" Grech has found a new lease of life this season with his new found position of 'on the mark'. The social guru of St Bedes' Old Collegians, Roger is also Telecom's No. 1 customer reporting his every head high tackle to the Toowoomba Base Nursing Home! All at St Bedes' look forward to their next **100** games as much as their first.

### STEWIE PLAYS 100

Everybody at Roverland would like to congratulate **Stuart McDonald** on playing his **100th** game for the club (Rd 4). Stewie started at the club in 1985 and has progressed through to the seniors, where this year he is in outstanding form. Keep up the good work Stewie, and well done.

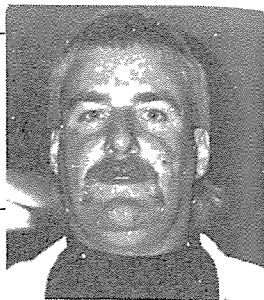

### 50 GAMES AT CAULFIELD GRAMMARIANS

Congratulations to **Rob (Pluggger) Harrison** on playing his **50th** game against Old Geelong (11/4). Rob started with the club in 1987 and always gives of his best in the seniors or reserves.

## E STREET by Tom Brain

**Glenhuntly** completely overwhelmed a struggling **North, ANZ** and **Brunswick** maintain the pressure by keeping their unbeaten records intact and the **Doves** and the **Bloods** record their first victories. Only 4/5 this week which keeps my accuracy still fairly high and way ahead of the other experts.

### REVIEW

As always during Uni holidays the **Trobbers** had a few missing, but this takes nothing away from **Aquinas'** first up win. Although the scoreboard does not totally show, it was a game dominated by the defenders who made scoring very difficult with only 3 goals in total being kicked after ½ time, but the **Bloods** not totally used to such a big ground were happy to take the pts. Needless to say, all their best players came from the backline where **O'Connor, Jeffrey** and **Whitehead** all held sway from the start. Nothing to report from **Latrobe** this week who are obviously disappointed with their season so far.

Out at the **Bulleen** oval the unbeaten **Brunswick** tackled the **Bulls** who had been decimated by administration during the week. The game was very even in the first ½ with neither side establishing any clear advantage, but after the long break the **Wicks**, with their great determination and incentive to win 3 on the trot, managed to break away and record a comfortable victory and are now fulfilling the promise they showed on a number of occasions last season. **Kanna** was a dominating player – he was absolutely everywhere, **Hewitt** at full back turned back many forward thrusts and **Blackie** in the forward line created plenty of opportunities. The **Bulls**, although beaten, could be proud of half forward **Humphrey**, half back **Creighton** and rover **Kelly** who all put in all day.

For the first time in many years a Saturday actually dawned windless at Oval 15 Albert Park allowing both sides equal chances to score at both ends. Unfortunately the **Elsternwick** side, depleted by injuries, struggled all day against the slick team play of the very committed **Zedders** who put together 4 excellent qrts of football, including a very impressive 10 goal final stanza to run away comfortable winners and secure that vital second position on the ladder. Former **Wicks** player and C-F Rep **Maurice "Daktari" Sanelli** was brilliant all day on the ball and in the pocket, young **Owen Morris** used his pace to advantage to control the wings, **Knighty** won in the ruck, as **Many Nicolosi** and the veteran **Mick Szeitz** gave plenty of options and mobility up forward. **Adam Hankin**, in his first game for 1992, was very good. **Denny Contin** tried hard to keep the backline together and **Jim Stankovich** in the middle, in his debut game for the club, minimised the chances of **J.McD.** Both sides then finished with successful **Karaoke Nights.**

At the end of Albert Park, **Doveton** and **Powerhouse** staged the closest encounter of the round. It was a very

physical and well-contested game, with the **Doves** holding sway for most of the game, but the never-say-die attitude of the **House** players nearly allowed them to snatch the game in the last qtr, but the **Doves** steadied themselves and managed to hold on well under the pressure applied to them. **Doveton** were well led by coach **Ladgrove, Steve Reiger** again rucked tirelessly all day, **Murphy** also was a good player and **Phil Giddens** put in a good last qtr. The **Hall Bros** in the middle were very good players for **Powerhouse**, as was **Lui Gallo** who continually ran the ball out of the backline, and **House's** President most certainly lived up to his nickname "**The Lip**".

The big ground at Hunterland obviously did not suit the style of the **Northies** who, after being in front at ¼ time, were outscored 27 goals to 11 for the remainder of the game. Let's hope for **Dino's** sake it was just an off day, as all day they were outplayed by a much better side. **Glenhuntly** appear to be getting better and better round by round and have now taken over the mantle of the team to beat in this Street. The **Hill Bros** – **Andy** 10 gls in 3 qrts still brilliant and **Tim** 5 gls after ½ time inspirational, were also well served by **Bernie Rafferty** and **Ian Withers** across half back. For **North** no one tried harder than **Keith Hehir** in the middle and he was backed up by **Mark De Morton** and **Joe Boudoloh** also around the centre.

### PREVIEW

Bit of a tough round this week with Top 4 sides playing each other, it will enable a clearer picture to develop.

**Elsternwick** and **Latrobe** have done it hard so far and both will be looking for an on-field win. The **Wicks** play the confines of the ground very well and with the return of a few players will win.

Old rivals **Aquinas** and **Powerhouse** clash out at Ringwood. The **House** have promised themselves a big one today, but I believe the **Bloods'** form has been just that bit better.

Another interesting clash sees **Doveton** await **Bulleen**. Again both sides will really want to win to remain within striking distance. The **Doves** have regained confidence and momentum now and should win albeit closely.

**ANZ** travel to Allard Park where probably only one of their players has taken the field at. **North Brunswick** at any time out there is not pleasant, on the rebound are even worse. The **Zeds** are on a high at the moment and with senior players still returning I feel they can win.

**Brunswick** at **Dunstan Street** is another hard game. No one plays better than them – this is a big test for the **Wicks** and another benchmark for the **Hunters**. I've tossed the coin and it comes down in favour of the visitors.

### 100 GAMES AT NORTH BRUNSWICK

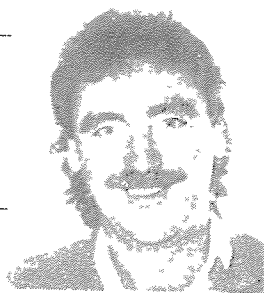

All at North Brunswick would like to congratulate **Carlo Cortese** and **James Briffa** on playing their 100th games with the club last week (25/4) at Glenhuntly. We hope to see more games from both of you. Also we would like to congratulate **Dean DeMorton** on playing his 100th game against ANZ this week (2/5). We hope to see him scoring many more goals.

### MILESTONES AT BULLEEN UNITED

Congratulations to **Greg Cotterill** and **Wayne Olney** who play their 100th and 50th games respectively this week (2/5). "Cotts", a former Reserves Best and Fairest winner, has laboured tirelessly in the ruck of late while "Psycho" Olney has worn the responsibilities of both full forward and full back. Let's hope they play many more games for the mighty "Bulls".

One of the world's great brewers.

Well nice to get 7 of 8 last week. The **Sailors** had weak knees by the end but outlasted the **Cowboys** to pip my perfect score. The **Statues** continue to set the pace which is almost a contradiction in terms.

Thought I'd give my contributing scribes a mention this week as I do appreciate the time they take to provide me with much needed info. The **Undertakers** are covered by Amateur stalwart and maths wizard **Deaf Leopard**; **Dame Edna** has been replaced and the **Elitists** by "**The Frother**" who shows real promise at this stage. The **Beaker** for the **Poets**, **Bucko** for the **Stationmasters** are regular enough to be ready for a **Murdoch** bid, as is **Solvol** from the **Brewers**. **Fast Eddie** is in charge of the **Brigade** whilst the **Beautiful One** handles those who grovel. I'll chase up some more next week.

## REVIEW

- The **Young Poets** had a close tussle for 3 quarters with an improved **Footrotters** combination but pulled away to win comfortably. The **Boys** will crack it soon.
- The **Sailors** virtually fell in at the **Golflinks** but it was a good win away. The **Cowboys** dominated the second half but couldn't snatch it.
- The **Statues** won by a **Bradman** against the **Villagers** to talle their percentage into E-Street but the **Villagers** didn't throw in the towel.
- The **Grovellers** were surprised by the determined **Brigade** and restricted by several injuries to a 5 point win in what was a thrilling final stanza. The **Brigade** are on the improve.
- The **Socialists** had to play at **Bundoora** to host the **Botanists** and were lucky to scrape home in a willing affair.
- The **Bells** had their expected easy win over the **Elitists** who at least threw out a challenge in the third term before tiring in the last.
- The **Undertakers** had a big win over the **Shamrocks** at **Boot Hill** to remain undefeated.
- The **Brewers** would be happy to have registered a win but the **Stationmasters** pushed them all the way.

## MILESTONES

Congratulations to the following F. Troopers on achieving club milestones:

- **Villager, Chris Gellert** played his 100th club game 2 weeks ago.
- Today sees last year's B&F at **Footrot Flats** chalk up his 50th – well done **Paul Byrnes**
- After struggling through the 90's for almost 3 seasons **Jim McQuie** finally makes the ton for the **Brewers**
- **Elitists' Tony Trantino** (50th against **Boronia** and **Andy Kountios** (100th against the **Bells**).

Special mention to "**Old Man**" **Denis Ricketts**, captain coach of **Stationmaster Two's** who became the first to kick 100 goals for the club.

## PREVIEW

- Big match at **Southland** with the **Poets** to beat the **Undertakers** by 3 majors.
- The **Villagers** have a big show against the struggling **Socialists** but will miss out by about 4 twins.
- The **Sailors** will relish the **Reg Ansett** advantage and roll the **Brigade** by a six pack or so.
- The **Brewers** will be buoyed by a win and should hold out the **Cowboys** to win by 4 twins.
- The **Elitists** play the **Zoo** well enough to have an 8 goal advantage at the siren against the improving **Footrot Flat Boys**.
- The **Botanists** will hope the **Statues** fall on the **Slab** but I figure a bit of a walloping after half time.
- Another big one with the **Bells** hosting the **Grovellers**. **Bells** a little steadier to win by 3 or 4 twins.
- The **Shamrocks** should be able to bounce back at **Galway Bay** to roll the **Stationmasters** by 6 to 8 lan's.

## SOCIAL NOTES

- The **Villagers** reckon they're **Easterners** and the **Westerners** reckon they're **Maggies** – I'm starting to get confused.
- The **Cowboys** are holding a **Golden Magpie** hostage on May 9th and want past players, sponsors, supporters and friends to pay the ransom. I'll be there!
- The **Stationmasters** missed training this week because of **Justin Cohen's** 21st last Saturday.
- The **Elitists** go mountain climbing at **Woodend Golf Club** tomorrow and are tuning up for the Annual "Strip the Boycey" on June 13th.

Round 3 provided some great football on a day which favoured the skilful ball player. Unfortunately my tipping was not up to the standard provided by the players. A 66% yield was my lot.

## G NORTH

**North Old Boys** really had a day out by the seaside when they annihilated **Williamstown** by 187 points. **North** has already established itself as a side to be regarded as a potential finalist. **Marcellin** players, obviously conscious of my belief in them, vindicated my confidence when they defeated **Old Scotch** by the big margin of 88 points. **Kew** opened their season's account when they outplayed **Eltham** to record a 37 point victory. **Camberwell** made it 2 wins in a row when they defeated **Banyule** by 34 points. **Therry** finally troubled the statisticians although they finished 45 points in arrears against traditional rivals **St Bernard's** who again are a side to be feared. Once again **Bulleen-Templestowe** proved me a poor judge as they were able to defeat **Old Westbourne** by 23 points. **Old Westbourne's** on field performances so far are not of the standard the club had hoped in the pre-season period.

## G SOUTH

**De La Salle** who held **Glenhuntly** scoreless while scoring 45 times themselves, have again shown they are the side to beat. **Old Xaverians** justified my selection when they proved too strong for **Monash Whites** who lost by 23 points. **Bloods** did not have things their own way against **St Kilda/South Caulfield** who went down by 13 points in the closest match of the day. **Mazenod** did prove too strong for **Old Melburnians** when the "Noddies" finished 29 points in front. As I forecast **Old Haileybury** did outplay **Old Geelong** and by so doing the "Bloods" recorded an 89 point victory. **Monash Gryphons** proved my judgement poor when they continued their good form to dispose of **St Kevin's** by 53 points. **Collegians** had the Bye.

## PREVIEW OF ROUND 4

### G NORTH

**St Bernard's** will defeat **Williamstown** much to the pleasure of their home crowd whilst the **North Old Boys** versus **Marcellin** clash will be the match of the day. Both sides are studded with former stars from A Section teams of yore and so the game should be a high standard one as well as one of intensity. At home I favour **North** to win narrowly. **Old Scotch** on their familiar home soil should be strong enough to defeat **Old Westbourne** who appear to be suffering the often rife second season syndrome. In the battle of the east, **Camberwell** should make it 3 wins in a row by defeating **Kew**. It is difficult to see **Kew** holding the Tricolour's forwards led by the accurate **Barker**. **Bulleen-Templestowe** should further consolidate their section leadership by accounting for **Banyule** who have yet

to break the ice. **Therry**, not the best travellers in the section, make the **Research** trip today to find the rebounding "Turtles". **Therry's** form hasn't been the best so I believe that, aided by home ground advantage, **Eltham** will win well.

## G SOUTH

In the contest of **Caulfield** I favour the in form **Monash Gryphons** to defeat **Bloods** who so far this season appear to be only a shadow of their former glory. **Mazenod** journey to **Glenhuntly** and should be too strong for the home side who appear to be struggling for players. Traditional rivals **Old Melburnians** and **Old Geelong** are drawn to play in **Albert Park** which should see both sides at or near full strength. Without any great confidence I select **Old Melburnians** who should be match fitter and whose 1992 form I am better able to judge. **De La Salle** who visit **Collegians** will appreciate the wide spaces of the **Harry Trot Oval** and the **Malvern** based side should be able to record their fourth consecutive victory. **Old Haileyburians** although able to offer stern opposition to the **Old Xaverians**, will not be able to match the "Crocodiles" all day and so I forecast another **Xaverian** victory. Although **Monash Whites** have shown improved form they faltered last week and today they will meet determined opposition from **St Kilda/South Caulfield**. However, I expect the **Whites** to eventually triumph because of their superior speed and fitness. **St Kevin's** have the Bye to enable them to rest in anticipation of Round 5 against **Bloods**.

## UNDER 19 SECTIONS by Max Lyon

Only 5 clubs make the "SHAME LIST" for not providing details from last week's games. **Mazenod, O. C'well, Kew** and **Parade** have all won their 3 games so far but have yet to break the ice on phoning info to me. **Jackers** slipped up for the first time. Winning clubs ring 568 4727 weekends or fax 646 0872 on Monday with details of best players and main goalkicker(s). Also, despite warnings in this column, there are 14 clubs that will start being fined for not supplying their list of official "helpers" as required – fines will continue weekly until they do so!

### REVIEW OF LAST WEEK'S GAMES

#### DIVISION 1

**Xavs** absolutely slaughtered **Collegians** by nearly 300 points with **O'Sullivan** (14), **Cook** (6) and **Stones** (6) being amongst the 22 best afield. The **Eagles** broke the ice with a 20 goal margin over **Mentone**. **Craig Bennie** got 11 and another of the Carafa clan – **Rick** – had a field day. "Old timer" **Cameron Healy** and **Mick Edmonds** also featured. **OM** must have gone into "cruise control" after half time against **Monds**. When I left it was 15 goals to nil in favour of **OM's** but **Monds** matched it with them in the second half. **Branchflower** upped his weekly tally from 4 to 6 whilst other good **OM's** were **Theodore, Vile** and **Thompson**. I was fortunate enough to see the second half of a very good contest at East Malvern where **Bernies'** brought **De La's** 22 game winning streak to an end with a well deserved 3 point win. Had **Bernies'** forwards kicked with any accuracy or system in the third quarter they could have wrapped the game up but it took a couple of quick goals in the last term from **Danny Rogers** to give them an advantage that they were able to hold on to. I was particularly impressed with the chasing and tackling of **Bernies'** backmen – the best I've seen in ages. **Terry** thought his best were **Mick Hande, Sam Taylor** and **Nick Mitchell** but it was an overall good team effort with a very good display of hard football from both teams. Well done **Bernies** – commiserations to **De La**.

#### DIVISION 2 CENTRAL

The unlucky **Hoes** greeted the judge first this time with a good 3 goal win over the **Blues** despite a strong last quarter fight back by the **Students**. **Hoe's** best were **Anderson, Pilkington** and **Ford** and nice to see **Hoes** pay compliment to **Blues'** style of play. **Townners** sealed their game against the **Friars** with a 10 goal first quarter and did it comfortably after that. **Rob Gerimia** still had enough work at full back to be one of **Towner's** best along with **Paul Colosimo** and goalsneak **Greg Scarpa** (6). Man in white – "**Hagar**" **Nugent** – thought "**Mo**" **Daghastini** and **Troy Moroney** also did well for **Townners** whilst "**Bluey**" **Brisbane** and **Parr** were **Friars** best. **Old Carey** continued to do well in their debut year with an 80 point margin over the **Bullants**

with their best being **Nathan Doggett, Marcus Nance** and **Mark Allsop**.

#### DIVISION 2 SOUTH

**Rovers** continued on their merry way as section leaders with another big win this time at the expense of **De La**. Nice to receive the details from **Chris Rowston** – a man who honours his "slab" commitment (take note **Villain, Hagar** and **Hilly!**). **Rovers** had plenty of good players but **Chris** listed **Stephen Anderson, Joel Day, Sean McGee, Ben Payton** and **Grant Taylor** as the ones for a mention this week. Nice to hear from one of last year's regular callers in **John Meyer** whose **Bedas** got up for their first win with a 10 goal gap over the **Fields**. The **Hecker** boys – **Mick** and **Sam** – each booted 4 while **Robbie Randell** did well all day for **Bedas**. Hope you solve the practice ground problem soon **John**. **High** got in by 3 points for the second week in a row this time at **Asher's** expense. Good for the nerves **Steve!!** (**Duketis** and/or **Rush**.) **Steve** thought **Parris** and **Harris** (4) were his best but the **Villain** told me **Kevin Barge** reckons they're all champions at **Melb**. **High**. **Tonnars** retained their share of the league leadership with a cosy win over **Old 'Hoes** deflating any theories about their abilities once they "cross the river" – well done **Tonnars**. **Sam Swannell** kicked 11 of their 23 goals whilst **Jarrod Mendoza** and **Andrew Naughton** also did well. Thanks for your note **Mike** – we do have your list of "helpers"! I saw the first quarter of the **Chirnside vs Oakleigh** game and was impressed with the play of "**Pembo**" and the leading of **Piccioli** who ended with 7. **Mark Thompson** and **Mick Mobillia** were a couple of **Parkers** who did well for 4 quarters. Keep at it **Oaks** – a win isn't far away. A couple of basic skill errors were costly but keep persisting at trying the play-on game.

### PREVIEW OF TODAY'S GAMES

#### DIVISION 1

**St Bernard's** fresh from last week's great win won't want to relax at all against the **Eagles** who gave signs last week of fulfilling **Scott's** prediction that it would be 3 or 4 games before they hit their straps. However, I expect the strong **Bernies'** defence should keep the **Eagles** to a losing score. **Tones** will be at home to **Noddars** who should keep their unbaten record intact. Hopefully, for their sake, **Collegians** couldn't repeat the pathetic effort of last week but **Ormond's** good second half against **OM's** was good enough form for them to win today. I thought **Gilla's** boys would be 99 points short last week and I was about half right. This week I'm sorry to say **Gilla** but I think that I might be right this week against **Xavvers**. **Xavs** by 100. Match of the round is **OM's** and **De La**. **D's** gave a good team performance last week and **OM's** have so far done everything right. I am loathe to tip against **D's** for the first time in 2 seasons but I think **OM's** overall skill level

can enable them to just get an edge over the desperate play of **De La. OM's** by a kick.

## DIVISION 2 CENTRAL

There should be some really tight games in this section today with the only possible exception being the **Bullants** game against **Therry** where I think the **Roys** should win comfortably. **Trinity** should give "Frog" his first coaching success but only narrowly from the **Friars**. I expect the **Blues** to bounce back from last week's loss but the **Wells** winning form is good enough to stick with. Despite a few injuries **Carey** are still bobbing along pretty well and I think they can just sneak in against the **Hoes**. Don't know much about the undefeated **Parade** and **Kew** (they won't tell me!) so I guess I'll just make a home team selection. I think **Tonnars** can account for **Blacks**.

SELECTIONS: **Old Trinity** **Old C'well** **Old Carey**  
**Old Parade** **Therry** **Thomastown**

## DIVISION 2 SOUTH

Match of the round is at **Hampton** who host the **Jackers**. Both are unbeaten but I think the **Rovers** have been more impressive so far and "**Red's**" boys will still lead the ladder tonight. **Tonnars** give their percentage a boost at **De La's** expense and **Scotchies** will edge out the **Oaks** who just can't get it together for 4 full quarters. **Ashers** will return to the winning list and home against the **Fields** and I think **Bedas** will continue on with their winning form of last week and roll the **Old 'Hoes** on their Bangholme "patch". Hardest selection is between **Chirnside** and **Melb. High**. **High** have shown in the last 2 weeks that they can win the tight ones - sign of a good team. Rumour (the "**Villain**") has it that they could lose a couple of last week's better players to the "ones" which could give the **Parkers** an edge. I think **High** might have just a wee edge in class which may enable them to survive the trek to Chirnside and give the home boys their first setback for '92.

SELECTIONS: **Old Brighton** **Old Scotch**  
**Hampton** **Monash** **MHSOB** **St Bedes'**

**SLAB CHALLENGE:** Hope I get a better run for the money than last week. I reckon it's worth a slab to **Kew** if they can roll **Parade**. (None of it is for president Ted though fellas if you win it!)

## COACHES CLIPBOARD

edited by  
**Mike McArthur-Allen**

### **"The Other Side of Coaching ... Administration"**

**by Ken Bremner, Assistant Coach Commonwealth Bank**

On Friday 27 March, 1992 I was both honoured and delighted to be appointed coach of the VAFA C to F Grade State Representative team to play Sth Australia on Sunday 7 June, 1992 at Elsternwick Park. The prospect of working with and coaching of the elite of the competition was a real 'buzz', however, the reality of the situation was that before anything could eventuate, much behind the scenes preparatory administration work had to occur. Later in this article I have detailed the administrative steps myself and the match committee have taken to ensure the smooth running of the overall program from initial squad selection, conduct of the training schedule to the matters at hand on the day of the match.

The main thrust of this article is to bring to the attention of many a player the 'other' role of the coach, that is, the unseen and often overlooked administrative role. To a coach, the end of a season simply heralds the start of the next. Reports to players on performance levels, goal setting, areas of strengths and weaknesses to work on and out-of-season training routines are of vital importance now, not later, so as to maintain continuity of the overall program. The importance of keeping 'tabs' on players and officials by constant updating of contact numbers and addresses etc., cannot be played down as once the 'real' pre-season commences he must have at his fingertips relevant data on recruits and existing personnel.

To coin a computer phrase, G.I.G.O., garbage in, garbage out, particular attention has to be paid to accuracy and the updating of data as there's nothing more frustrating than trying to contact a player only to find out "not known at this address" or worse still "wrong number".

With all due respect to support staff around the club the 'clever' coach will gather the information he seeks by his own devices thus assuring himself he has first hand knowledge of the facts, figures and data.

I've only just exposed the 'tip' of the iceberg in this administrative jungle and believe me, it's an on-going process from season to season and club to club. So, I urge you the player, next time you sledge a coach for having an easy time of it, spare a thought for the behind the scenes work he does, more often than not at the expense of private/personal time to ensure that a 'footy' season runs smoothly and according to plan.

If you're still not convinced, read on, listed below is a time frame from 27/3/92 up to 26/4/92 related to the administrative tasks undertaken just to bring everything together for the first training session of the initial training squad.

**Week Ending – Friday 3 April, 1992**

- creation of database for 47 club secretaries/coaches
- letter to club secretaries calling for nominations
- attendance at practice matches, view and talk to coaches
- telephone conferences with club officials/coaches
- VAFA H/Q for administrative tasks
- meeting with A-B Squad coach Barry Richardson
- visits to training grounds, view and talk to officials
- attendance at official VAFA function
- update secretaries/coaches database
- creation of nominated players database

Total = 28 hrs

**Week Ending – Friday 10 April, 1992**

- telephone conference with match committee members
- VAFA H/Q for administrative tasks
- visits to training grounds, view and talk to officials
- preparation of documentation for match committee meeting
- VAFA H/Q for official meeting of match committee

Total = 12 hrs

**Week Ending – Friday 17 April, 1992**

- VAFA H/Q for administrative tasks
- visits to training grounds, view and talk to officials
- update of nominated players database

Total = 8 hrs

**Week Ending – Friday 24 April, 1992**

- telephone conference with match committee members
- visits to training grounds, view and talk to officials
- letter of invitation to nominated players
- update of nominated players database
- preparation of documentation for match committee meeting
- VAFA H/Q for official meeting of match committee

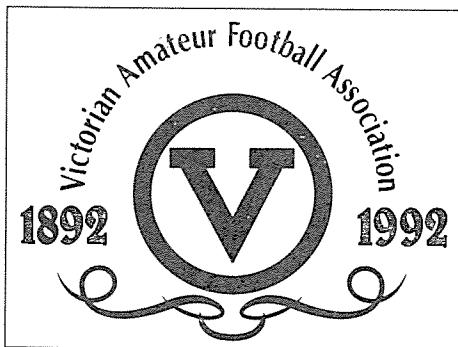

Total = 12 hrs

I conclude by according my thanks to my fellow match committee members, Craig Jackson (Comm. Bank), John Keenan (Fawkner), Gary Connelly (St Mary's), George Voyage (VAFA), Gordon McGregor (Hampton Rovers) and last but by no means least David Cook (VAFA) for their support, encouragement and commitment thus far in our quest for glory and victory.

Yours in football,

**Ken J. Bremner**

P.S. All my records are kept on computer file i.e., database, word processor, spreadsheet and Lotus applications all of which are IBM compatible programs. If any coach/official would like any information re the creation and maintenance of these records and/or programs please feel free to contact me via VAFA H/Q.

## MARKETING NEWS by Mike McArthur-Allen

This week SPORTSCOVER have been given an opportunity to provide some editorial as to their 1992 involvement in the VAFA as a Level 3 Sponsor. This year is the second year of this new Sponsorship. I strongly urge all Club Members including Committee Members and parents to read through this article closely. The reality is that this great game of ours does incorporate the ever-present risk of injury. It is one of the many challenges of the game. However, when the dust settles, the inevitable therapy and rehabilitation after an injury can be costly. Please consider carefully the points made in this article and ensure you are covered. If you currently do not have any cover, you are either very rich or very foolish.

Remember, support at Club and personal level of VAFA sponsors, can only benefit **your** football association. Here below is the SPORTSCOVER comment.

Once again the VAFA Season has kicked off well.

Even at this early stage of the season we have received a number of claims from injured players, which is obvious testament to the vigor and dedication with which all clubs pursue their Goals.

Again this year we have been extremely pleased with the co-operation of all of the clubs, with so many giving full support to the Accident Insurance Program for their players.

### Pie Nights

The Pie Nights, thanks to the help of co-sponsor FOUR'N TWENTY, have again been another great success. The Pie Nights have given players the opportunity to see first hand the vital support the Accident Insurance provides and to have their questions answered.

### EXTENDED BENEFITS

#### "Loss of Wages"

SPORTSCOVER will provide Insurance for those players wishing to insure their WAGES against loss due to time off work resulting from a football injury. Infact this has been a strong discussion point at all PIE NIGHTS held so far.

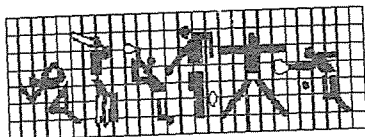

#### "Extra Sports"

Footballers do play other sports and SPORTSCOVER does offer footballers, in fact any sports person, a discount when insuring for more than one sport.

So if you want more information on either of these options please apply direct to SPORTSCOVER today.

We know this is going to be another great season of Amateur Football and especially in this Centenary Year.

SPORTSCOVER is pleased once again to be a part of your competition and we wish each and every club a successful year in Season '92.

### ROUND 4

#### 5 YEARS AGO – 1987

**Ormond** continued its unbeaten run, when only 4 points ahead of **North Old Boys** at the last change, they kicked 8 goals in the final term to win by 46 points. **Ross Booth** praised **Ormond** full forward **Paul Schuhkraft** who kicked 7 for the day and went on to say, "He is tall and strong, in his early 20s, and seems to have found his niche after coming up through the juniors and reserves." Other good players for the **Monds** were **Clark, Mark McDonald, Brad Nash, Scott Taylor** and **Brett Connell**.

**Bernie Sheehy**, former **De La Salle** coach, had been appointed interstate coach, with selectors **Ray Walsh** (Chairman), **Ross Booth, John Pollard, Kevin Fitzpatrick** and **Brian Bourke** (Football Manager).

"C" Section coaches were **Mike Zemski** (AJAX), **Jeff Rosewarne** (Bala.), **Ian Rice** (H. Rovers), **Brett Burden** (Kew), **Ray McGill** (MHSOB), **Brian Ford** (Monash), **Mark Sarau** (Old Brighton), **Wayne Shane** (Old Haileyburians), **Alan Stoneham** (Old Melb.) and **Sam Assetta** (Thomastown).

Name the former VFL players and their clubs. Can you also name the Coach who went on to be a member of an "A" Section premiership team.

Some of our players do go far.

**Tony Sheehan** played his 300th game with **Latrobe University, Tony**, who was a member of the club when it started in 1967 in the Pantion Hills FL, coached the club to an "E" Section flag in 1976 and has played about 40 interspersed games.

What position does **Tony** hold down this season?

200 games to **West Brunswick's Stephen Fyffe**, not only a great player for the club but also a wonderful administrator – 1979 treasurer, 1981-84 secretary, 1985-86 president and this year secretary.

#### 10 YEARS AGO – 1982

250 games to **Old Camberwell** veteran **Bob Green** and 150 to popular little rover **Norm Peatling** (MHSOB). **Old Camberwell** vice-captain **Greg "Les" Morton**, and gentle giant **Len Tenace** (Bulleen-Templestowe).

**Caulfield Grammarians** in "B" kicked 8.1 to **B-T's** 1.1 in the final term but still went down by 10 points, 20.10 to 19.6. Best were **King, Smythe, Pert** (7 goals), (B-T), and **Fish, Bendall, Sisson** (Caulfield Grammarians).

**North Old Boys** and **Ormond** unbeaten in "A" Section after 3 games met under the control of Umpire **G.M. Simpson** to decide "A" Section leadership. **North** were in control throughout and ran out easy winners by 5 goals. Both teams kicked badly, 12.23 to 8.17. Best were **Welch, Wigney, Wilson** (North) and **Hardman, Murphy, Lewis** (Ormond).

**West Brunswick** remained undefeated in "E" with a 9 point win over **Old Mentonians** in a game that was close all day. Best were **R. Brockwell, P. Guatta** (6 goals), **Ivey** (West Brunswick) and **Upham, Mounsey, Zimaris** (Old Mentonians).

50 games to "sinuous, shifty, stalwart" from St Bernard's **Peter "Snake" Pearson**, noted for his scanning, sharking, shepharding, spoiling, shouldering, shouting and smooth supporting.

#### 20 YEARS AGO – 1972

**North Old Boys** caused the season's biggest upset with a 40 point win over **Coburg. Crouch, D. Ryan** and **Dyring** (North) and **Leckie, Willoughby, N. Beattie** (Coburg) were best.

**Ormond** gained revenge for their defeat in 1971 Junior Section Grand Final when they overwhelmed **University Blacks** to win by over 10 goals. Best were **Fitts, Hocking, Cater** (Ormond) and **Bouchler, Lyon, Forrest** (Blacks).

**Geelong** swamped **Kew** in the final quarter, kicking 11.3 to 1.4. **Casboul** (8 goals), **E. Smith** and **Bulleen** were Geelong's best. **Tuck** (Assumption) continued his goalkicking spree with 8 goals for the second successive match – this time against Reservoir Old Boys.

#### 25 YEARS AGO – 1967

In "B" Section **Geelong** scored a thrilling 1 point win over previously undefeated **Commonwealth Bank.**

- Good to see the **re-appearance** last week at training. Yes clubs, **tunnelball teams** do to reach peak fitness. Other blokes, that's what **they** do to reach peak fitness. Other blokes are at their best when the ball goes through their legs.
- Is it true? Is he out of retirement? Seems that one **Benny Goodman** has reached for the **white cleaner** and run a couple of games recently. With a bit of luck he might join **Agate** on **600** games.
- It's that time of year again. **Russell (BDA) Francis** has been inflicted with an injury. **Rusty** broke down again doing the right thing in an Intervarsity game. **Rusty**, we're hoping you can get back in time to look for your **metal detector** in **September**.
- **Peter Gersch** has a new look. Shaving off the **mo** 16 weeks before the finals must have worked. **Welcome to 'B' Grade**.
- For you young up-and-coming umpires (take note, Benny) the **VFA** will be conducting **Level 1 and 2** certificates this year. The co-ordinators are both ex-certificates this year. The co-ordinators are both ex-'A' Grade **grand final** umpires. Level 1 will be run by **Kevin (Chilly) Segota** whilst Level 2 will be run by **Justin (blue label) Tooney**. For any enquiries talk to Kevin or Justin at training.
- Good to see the **VFA Umpires Selection Panel** looking after the older blokes. **Peter (Digger) Wiseman** was appointed to a Sunday game so that he could be in the **Anzac** march on **Saturday**. Was it **WWI** or the **Bore War**? (Yes, the spelling is correct.)
- The recently injured **Kevvy Segota** ventured out to Brunswick last week in control of a **clipboard** for the first time. After a no-show by one goal umpire, **Kev** soon found himself in a white coat. **What a sight – Segota and Murray as partners** in the goals. Looks like **Kevin** may have found a new career – he was

a natural. Have a look at him **K.B.** A great effort **Kevvy**  
 – and the NOB's supporters **still** love him.

- Our newest goal umpire is the subject of this week's **Umpire Profile** – let's meet him.

**Umpire Profile** – let's meet him!

CLUB SECRETARIES/PRESS CORRESPONDENTS

## AFTER MATCH SCORES

Club secretaries were advised in a March Memo (No. 8/92) of the procedure to be followed in phoning after match scores and information. This was extremely poorly followed for Round 1, however all fines will be waived for Round One as many callers (press correspondents) indicated their secretary didn't pass on the memo to them.

The procedure is as follows:

- **G SECTION AND RESERVE MATCHES**  
Final scores to Elsternwick Park 531 8333 – ask for Nancy McTaggart (by 3pm)
- **U19 AND SENIOR MATCHES**  
Final scores to Nancy McTaggart 528 3319/528 2471 before 5 pm
- **A AND B SECTION MATCHES** Both team's goalkickers, best player and ¼ by ¼ scores to be phoned to Norm Nugent 467 2857 before 5.30 pm.
- Home team secretary/press correspondent to provide this information.

# **WEAR A MOUTHGUARD When Training and Playing!**

**Well done VAFA!**

**Our 1991 survey of players showed  
89% of mouthguard owners always  
wear their mouthguard at matches.  
But... Only 10-13% always wear their  
mouthguard at training.**

**So, wear your professionally fitted  
mouthguard when training and  
playing football.**

**Make this your GOAL in '92.**
