EDITORIAL by Phil Stevens

Good afternoon football followers.
At last Monday's Members' Meeting, Permit and Reinstatement Chairman, **Andrew Langford-Jones**, delivered to all members an excellent paper on Reinstatement – arguments for, arguments against, professionalism and areas of concern.
With much debate raging at the moment, today I have provided excerpts from Andrew's paper for the general interest of all football followers.

“FOR THE LOVE THE GAME”

AND

Reinstatement is the vehicle that is used by a professional footballer to regain his amateur status so that he may play amateur football again. Without it the former professional cannot ever hope to play as an amateur again.

The arguments against reinstatement at all:

1. We are an amateur competition for amateur players.
2. No one forced players to take money – it's their choice.
3. If you reinstate some where do you draw the line?
4. Traditionally, reinstatements only effect A and B grade clubs. Very few players are ever reinstated to C to F sides. This, in fact, is widening the gap further between the grades making it even harder to go from F to A.

The arguments for reinstatement:

1. As a junior football body it's our duty to encourage all those who wish to try out at the highest level i.e. AFL to do so. If they don't make it they should be encouraged to return to their clubs. Hence they would need reinstatement.
2. Players under the age of 21 often make mistakes regarding match payments due to their immaturity. As such it is felt that they should be given a second chance.
3. Reinstatement of certain kinds of players improves the standard of the competition.
4. Players who left school and went straight to AFL in most cases go there because of the challenge of playing against "the best" not the money.

When is a player professional?

- A player is deemed to be a professional footballer in our eyes when:
- (a) Prior to 1990 he received any more than \$1000 in any one year, or
 - (b) Prior to 1990 had received money in excess of \$300 over his entire career, or
 - (c) In season 1991 received more than \$1500 for the season, or
 - (d) As a result of his 1991 earnings his total money received from football now totals in excess of \$4500

- (e) The money received each year cannot be justified by way of travelling expenses, at a rate of 25c per km in travel to and from training and games. Each season individually must be justified.
- NB** A player maybe declared a professional if he received eg. \$300 in a particular year if he CANNOT justify this money by way of travel expenses.

Areas of Contention

Should there be guidelines to reinstatement? i.e. Should a player have to have an amateur connection to get back or should it be open to whichever club he chooses?

Under the current guidelines he need have no amateur connection or background to get into the VAFA under guidelines 1-3-4.

Under guideline 2 he needs to have either (a) played with a team of the VAFA; (b) a junior club of a team of the VAFA; or (c) a school of a team of the VAFA.

This in the past has never been an area on contention. What is of contention is the issue of where a player has been able to gain a permit in the VAFA via guideline 2, should he then be able to transfer to another club straightaway.

Under current guidelines a player must serve two full seasons with his reinstated club before being eligible for a clearance.

Arguments for this rule

1. Why should any club be able to recruit a player who was ineligible to come direct to them, via another club. eg. A player wishes to play A grade football but is only eligible to be reinstated to a "C" grade club. Should the A grade club be able to gain recruits via a lower club?
 2. If this was allowed to happen, lower grade clubs would find it very difficult to retain eligible reinstatement prospects who may prefer to play A grade.
 3. The gap in standard between A and the rest would widen making it much harder to move through the grades.
- Many would agree that the player should return to

REVIEW

Old Xaverians were in fine form last weekend as they notched their second victory of the year against a disappointing **Old Haileyburians**.

In form ruckman **Doug Bailey** led the charge after quarter time as **Xavs** piled on 17 goals to 10 in the final 3 terms.

Wayne Phillips and **Wes Byrns** were fighting hard for the **Bloods** but the desperation of the **Xav** team was too great.

Other good performers in the red and black included **Richard Green**, **Matt Bourke** (6 goals) and **John Bowen**.

Well done **Xavs**, and thanks for the hospitality at the Alex!

After a relatively even first half **Ormond** took control of their match against **Marcellin**.

Stephen Grace booted 7 goals from his half forward flank in a best on ground display.

Marcellin only had one avenue to goal and that was through **Gary Petroff**, who finished with 4 majors – he was given little assistance by his other forwards.

Andrew Jobling and **Matt McConville** formed a winning on-ball combination despite the efforts of **Marcellin** rover **Anthony Carafa**.

Marcellin regain **Amad** this week and they certainly need as much help as they can get, as the losses of **Gross** and **Slattery** start to take their toll out at Eagleland.

De La Salle fought off a gallant **St Bernard's** and ran out victors by 27 points.

Nick Fraser was the dominant player on the ground booting 10 goals from half forward in a match winning performance.

Luke Gollant continued to impress for **St Bernard's** ending the game with 6 goals beside his name.

The **De La** defence was well on top with **Peter Rennie** and **Mick Hegan** leading the way.

Gavin Keane is starting to find his true form and he will cause many headaches for defences this year.

A true indication of how good **De La** are will take place tomorrow when they play **Collegians**, but apart from that **St Bernard's** have arrived in A Section and must be respected.

Old Scotch pulled one "out of the bag" when they slaughtered **North Old Boys** by a massive 93 points at Flinders Park.

Scotch trailed at quarter time by 3 points and extended that lead to 14 points at half time – then the flood gates opened as the **Cardinals** slammed on 15 second half goals to **North's** 3.

Tony Wilson at centre half forward was best afield and he was well supported by **Rob Fuller**, **John Later**, **Mark Brady** and **Andrew Smith**.

North are in a major slump having lost to **Scotch**, **Haileybury** and **Marcellin** in consecutive weeks.

Nick Culnane was one of few winners for the **Old Boys**, but he did gain some support from **Brian Hanlon** and **Owen Abrahams**. It seems that **North** lack the goal kicking power that saw them at the top of A Section last year.

In the final game **Collegians**, with an 8 goal third term sealed victory over **Therry**.

Danny Thomson continues to impress as a fine rover and he has completed an on-ball brigade along with **Mark Hibbins** and **Chris Pollock** that will be hard to defeat.

The **Lions** half back line of **Andrew Lord**, **Rob Oliphant** and **Darren Warner** was impassable.

Paul Matton was again **Therry's** best player along with **Gerard Biddlestone** and **Mark Crotty**.

The injury to **Tim Taylor** will be of great concern to **Therry** as they attempt to find some type of consistency.

PREVIEW

Old Scotch take on **Ormond** at Flinders Park with both teams coming off big wins. The battle between **Rob Fuller** and **Stephen Grace** will be well worth watching as will the **Mark McDonald** and **Tony Wilson** duel. Two fine full forwards will be in action in this game – **Paul Schuhkraft** for **Ormond** and **Andrew Millar** for **Old Scotch**. **Russell Greene** has certainly played around with the **Scotch** line up, moving **Mark Brady** to the forward pocket and **Rohan Aujard** away from centre half forward to an on-ball role. **Ormond** will line up in their usual manner with **Andrew Jobling** on the ball – he will most likely be tagged by **Steve Reddish** in what may be the deciding factor in this game. Basically both teams have goal kicking ability and the team with the most committed defence will win this one. **Scotch** may have too many legs and a bit too much confidence for **Ormond** today. **Scotch** by 10 points in a thriller.

St Bernard's will use every ounce of their home ground advantage against the **Old Haileyburians** today. The **Bloods** are missing the drive of **Chris McKenzie** who is still injured. The **Gollant** brothers keep kicking goals and they will need to be closely guarded if **Haileybury** expect to win this one. **Gavin Keane** is another forward option for **St Bernard's** and **Josh Hayter**, **Brett Carty** and **Billy Baxter** will all be given specific instructions to play close today. The **Old Haileyburian** runners such as **Peter Theissen**, **Brett Steenholdt**, **Wayne Phillips** and **Wes Byrns** can be damaging but they lack tall forwards. Keeping this in mind and knowing how difficult it is to beat **St Bernard's** at home, it is more than likely that **Frank Dunell** will coach his third D Section victory today. **St Bernard's** by 30 points.

North Old Boys are at home to **Old Xaverians** and they will be very nervous about this game. **Xavs** impressed last week with their play on game and they believe that they can "make it" in A Section. **North** have been decimated by injury and are really struggling

to find last year's form. **Peter O'Farrell** should have a great battle with **Matt Bourke** as will **Brian Hanlon** and **Richard Green**. **John Bowen** is a dangerous half forward and very much a key to **Xavs** performance. **Paul "Smooth" Booth** or **Bruno Conti** will surely mind him and they will have to run far and wide to keep up with him. **Doug Bailey** and **Darren Martin** will battle it out in the ruck and this will be a fine duel. If **Martin** can give **Hanlon**, **Phyland** and **Boyle** first use of the ball than perhaps **North** could kick a winning score. Somehow I think that **Xavs** will be too strong today and continue on their merry way. **Xavs** by 15 points.

The match of the day is at Elsternwick Park on Sunday when **Collegians** play **De La**. There will be many great duels in this game. **Hibbins** vs **Mackintosh**, **Rennie** vs **Mount**, **Fraser** vs **Oliphant** and the list goes on. **Collegians** are running hard and fast this year with many avenues to goal. **Hoyle**, **Schober**, **Lake**, **Woolhouse**, **Mount** and newcomer **Thomson** can all score goals. At the other end of the ground **De La** rely heavily on **Mannix** and **Fraser** and usually receive value for money from these two. The on-baillers such as **Smith**, **McClounan** and runners like **Campbell** and **Belleville** give these forwards great opportunities. Realistically this game could go either way and it is only guesswork to separate the two. There is no home ground advantage, but I feel the **Lions** will want this one more than **De La**. Happy centenary! **Collegians** by 6 points.

Marcellin play **Thery** at Marcellin in what should be a tough encounter. **Thery** have some great players in their team. The likes of **Beddlestone**, **Matton**, **Eastmuire**, **Wrigglesworth** and **Gilmour** can be matchwinners. But at the same time they can go walkabout. **Marcellin** are struggling and the move of **Steve Boysen** to a ruck roving role may be productive around the ground, but how will they kick a winning score? **Gary Petroff** kicked 4 goals last week as 5 other players contributed 1 goal each - this type of game will not save **Marcellin** today. **Thery** are hungry and the injury to **Tim Taylor** will deplete their line up but not enough to give the **Eagles** a look in today. **Thery** by 30 points.

PERSONALITY PARS - A

DE LA SALLE

During the week prior to the match against St Bernard's De La's coach **Bernie Dunn**, stated that 21 players, who played in the senior team in 1991, had left the Club due to retirement or other reasons. To add to the problems for the St Bernard's game the selection committee had a list of injuries to Ronchie, Crowe, Mahoney, Hines, Sheedy, Kinsella, Scott, Wright, Pat O'Callaghan and Tully plus a loss to Richmond Reserves of Andrew McIntosh during that week.

However, possibly due to the continuous promotion of under-age teams over the last 15 years, particularly the 1991 Under 19s Championship team, De La were able to field a winning team against St B's, even though as Bernie Dunn commented after the game "our skill errors were too numerous and we must all work harder at that in future, nevertheless a good win."

After a very young retirement, 5 years ago, it was pleasing to see **Pete Leonard** play his first senior game after some good results in the Reserves.

Incidentally, the Afternoon Tea prepared by the Ladies Committee is of a very high standard in both quality and quantity. Uni Blues held the mantle for the best afternoon teas, but it looks as though De La has come up with an equal or better provider.

The winning numbers in the 1-1000 Raffle were 921, 47 and 955. The Club thanks **Peter Curtis** for a great effort in organising, also to **Woody Wilson**.

MELEES - BEWARE

A melee is "Where an incident takes place involving players, pushing, scragging, jumping into packs, throwing each other to the ground or other similar such conduct"

CLUB SECRETARIES/PRESS CORRESPONDENTS

AFTER MATCH SCORES

Club secretaries were advised in a March Memo (No. 8/92) of the procedure to be followed in phoning after match scores and information. This was extremely poorly followed for Round 1, however all fines will be waived for Round One as many callers (press correspondents) indicated their secretary didn't pass on the memo to them.

The procedure is as follows:

- **G SECTION AND RESERVE MATCHES**
Final scores to Elsternwick Park 531 8333 - ask for Nancy McTaggart (by 3pm)
- **U19 AND SENIOR MATCHES**
Final scores to Nancy McTaggart 528 3319/528 2471 before 5 pm
- **A AND B SECTION MATCHES** Both team's goalkickers, best player and ¼ by ¼ scores to be phoned to Norm Nugent 467 2857 before 5.30 pm.
- Home team secretary/press correspondent to provide this information.

Nancy and Norm (Saturday scores and match details recorders) tell me that they are being thwarted in their work, particularly on Saturday evenings with people calling them asking for scores.
Please note that this must desist - we are all working to a very tight Saturday evening schedule and these offenders are holding up the system.
 The **TELEPHONE MAILBOX** (Phone 644 3921 after 5.30pm) provides callers with all final siren scores.

- ★★★★
 Whilst on scores could those phoning in with scores please follow the format as outlined:
- State "section"
 - State "home team score" first (incl. points)
 - Then state "away team score" (incl. points)
- Again, please don't seek scores from other matches played.**

 The second (of four for the season) opportunity for clubs to update (or even include for the first time) team lists is nearly here with new amended lists appearing on the weekend of 23/24 May.
 Clubs wishing to take the opportunity to do this please send to Elsternwick Park by Friday May 15.

- ★★★★
CLUB RUNNERS PLEASE NOTE
- Some of your flock are:
 - Loitering on the ground and having messages relayed to you by water carriers.

- Interrupting with the course of play particularly when an opposition player is unattended (ie runner is obstructed by a player on his own).
 - Jumping into "disturbances" and pulling players apart.
- Clubs are reminded the the club runner's duty is to deliver a message directly from a coach to a player/couple of players, and then return immediately to the coach without having a close up look at play.

★★★★
 At last Monday's Members' Meeting each club delegate was given a pack of 5 history books "For The Love of the Game".
 Each club will be invoiced \$30 per book and it is hoped that each club will sell the books from between \$35-\$40 per book, thus generating a few dollars for the club.

- The following clubs **did not** attend the meeting and apart from earning the normal fine for non-attendance each must pick-up their pack of books from Elsternwick Park:

VALE - JOHN BIDDLESTONE

Members of Therry Football Club and amateur football followers generally, mourn the loss of "JB", who passed away on 27 April after a long illness, aged 56. After many years involvement with Corpus Christi Junior Football Club and the Glenroy Amateur Sports Club, John was a foundation committee member when Therry Corpus Christi Old Boys was formed in 1977. John served as club Secretary for five years, Chairman of Selectors and various other capacities that contributed greatly to Therry's success. John was the proud recipient of a VAFA merit award in 1991. While his hard work and dedication to the club will be sadly missed, he will be most remembered for his wonderful sense of humour and true friendship for his courage in attending Therry's first two matches this season was an inspiration to all.
 To his wife Jacqui and family (including son Gerard - a Therry legend), we extend our deepest sympathies.

B SECTION by Tom Johnston

The match between **Monash Blues** and **Old Trinity** went exactly as the Villain predicted. **Old Trinity**, after qtr time, flexed their awesome muscle and the truth is **Trinity** were too tall, too physical and too good for **Monash**, who never stopped trying but were simply outclassed by a very good **Trinity** side whose winning margin of 69 pts was a real indication of the game. **Trinity** have many talented forwards, none better than **Rob Phillips** (6 goals) who played a blinder of a game. **Monash** best player was winger **Ian 'Coke' Kohler**.

The match at Pitcher Park between **Parkside** and **University Blues** was also quite predictable. The **Blues** established its ascendancy early after winning the toss and kicking with the aid of a substantial breeze. After ½2 time **Frith** added to the **Blue's** aerial dominance with a strong display of centre half forward and in the ruck. To **Parkside's** credit they never gave up and outscored the **Blues** in the last qtr even though the breeze had died. Centreman **Mark 'The Diesel' Page** was in fine touch as was rover **Leo Panjari** who was very busy. **Lee Macnamara** was another **Parkside** player who showed out.

The Junction Oval was the venue between **Old Melburnians** and the new B grade side, **Whitefriars**. The first qtr was an even affair with **OM** taking the upperhand with the aid of the wind. **Whitefriars** fought back in the second and led by 1 pt at ½2 time. In the 3rd qtr the defence of **Whitefriars** led by **Lyall, McNeil** and **Strike** kept the inaccurate **Old Melburnians** to 2.9. All day the lead was only 2 straight kicks apart. **Whitefriars** kicked 5.2 to **Old Melburnians** 3.2 in the last qtr to run out winners by 2 pts in a match which never reached the expected high standard. **O. Melb's** best were **Steve Bardsley**, centreman **Richard Webb**, forward **Scott Teal** and defender **Jeremy Nichols**. **Whitefriars'** best was defender **Noel Jenkins** and **Martin Spears**.

Old Brighton's trip to **Mentone** was always going to be a danger and this is exactly how the game was played. The **Tonnars** got away to a good start with **Old Mentonians** playing catch-up football. The **Tonnars** were missing the services of **Andrew Grant** and **Pryor** was below his best. **Old Mentonians** are yet to win a game this season but from all reports, played their best football for the season and gave the **Tonnars** a big fright. **Brighton's** best were **Hamilton**; defender **G. Bennett** was inspirational; **Matt Talbot** and **Anderson** were gun players. **Old Mentonians** best was defender **Stuart Farrow** whose excellent marking made him easily best on ground.

Old Paradians proved this scribe wrong with an impressive win over **Banyule**. **Parade** had a slender 6 pt lead at the long break but for the second successive week **Banyule** were outplayed in the 2nd ½2 and the loss of **Tubby Weston** for the season certainly did not put coach **Simmo** in a good mood.

All credit where due, **Parade** had 13 different goal kickers for the game – an unbelievable stat. **Parade's** best was backman, young **Brett Pannam** whilst **Peter Brabender** plays well at both ends of the ground.

TODAY'S GAMES

Old Trinity play host at Elsternwick Park to **Old Melburnians** in a game of vital importance. **Trinity** have been impressive so far: their depth of talent is enormous. **Old Melburnians** are an "iffy" side – if all their gun players produce then they are unbeatable. **Old Melburnians**, in danger already of missing the four, will give their best. **Old Trinity** by 11 pts.

The battle of the **University** sides will be a very one-sided affair. I watched the **Blues** last week and – boy – they looked the goods! The previous week I watched **Monash** get well beaten by **Whitefriars** – the difference between the top B sides and the bottom sides is huge. A case of shut the gate how far. **University Blues** by 69 pts.

Old Mentonians are at home to **Parkside** in the battle of the bottom sides. Both teams have yet to record a win. **Old Mentonians** played good football last week but lost what they might have won. **Parkside**, with injuries, were well beaten by the **Blues** and the return of several good players will help. **Old Mentonians** to notch their first win of the season. **Old Mentonians** by 11 pts.

The undefeated **Whitefriars** play **Old Paradians** in a game that promises plenty. **Whitefriars** have won some pretty close games. The **Friars** were described to me as a pretty ordinary good side that keep on winning. **Old Paradians** when firing look like a finals side. They produced the goods last week against **Banyule**. This will be a great physical contest and I expect **Parade** to bring the **Friars** back to earth with good old fashioned football. **Old Paradians** by 11 pts.

Old Brighton, back on the Beach Oval, take on **Banyule** with a lot at stake riding on the result. **Brighton** have set the pace in B grade: The blending of experience and youth has been a successful formula so far. **Banyule** must give more: The **Banyule** supporters are worried by the lack of success for a side that promises plenty but have delivered a poor start to the season. **Old Brighton**, on their home ground, will show the **Bangers** a clean pair of heels. **Old Brighton** by 17 pts.

WOODIE MAKES IT 200

David Wood started his playing days at **Monash Blues** in 1978 and played his **200th** game 2 weeks ago (25/4) against Whitefriars. For the 12 years following his appointment as Under 19 captain in 1979, Woodie never let the rigours of training interfere with his career, but with father "Murray" always in support, could be relied on to perform on Saturdays. This year "The Whale" has been given the duty of reserves coach and his new-found enthusiasm for training (do as I say, don't do as I do!) could well be the catalyst for another season. A member of the 1987 Grand Final side, and elected a Life Member in 1987, Woodie has everybody at "The Ashes" right behind him as playing coach of the juggernaut in 1992.

NORTON BREAKS GAMES RECORD AT OMFC

The 361 game record held by Ron Bungey at Old Mentonians for many years was last week broken by **Garry Norton**. All at the club are very proud of Norts on his achievement and congratulate him on adding yet another accolade to his long and colourful career.

REVIEW - ROUND 4

Comm. Bank by virtue of an 8 goal to 1 blast in the first quarter sealed the fate of **St Kilda/Sth Caulfield**. The **Saints** never really fired after the first stanza and played catch-up football all day to finally succumb by 48 points. For the **Bankers**, they had an even spread of real goers headed primarily by **Andy Maher**, **Wazza Keighran**, **Roy Rolfs** and **Bushy Reid** whilst for the **Saints**, **Ralph Bergman** with 8 majors and back pocket player **Andy McGaw** stood out.

MHSOBs proved the theory about bad kicking being costly quite correct when they scrambled home. A costly blow to the **Schoolers** was the loss of "**Chief**" **Newton** in the centre square duels after half time with a nasty ankle injury. **Dean Sheezal** was again productive for the **Jackers** (when isn't he?) with another bag of 5.

At Victoria Park, **Kew**, the home side tore apart a hapless **Thomastown** by the very healthy margin of 79 points. According to reports the **Bears** were quite competitive up to half time.

As **Mike Williamson** was once well known to say, I tipped this **Fawkner** to knock off **Bulleen-Temp.** more comfortably than I thought too, 28 points. **Robert "Henry" Lawson** was able to give his charges first use of the sherrin out of the middle and up forward his team mates capitalized on their opportunities to kick a winning score. Along with **Lawson**, other good players were **Warren Hoare** (first game up this year), **Browny** (yet again) and the "mean machine" **Terry Young** with a "lazy" 8 goals out of the pivot if you don't mind, thank you very much.

To complete what was another great round **Uni Blacks** all but made me eat my words when they went down in time-on to **Ivanhoe** by a mere 2 points. Only joking guys when I tipped the "**Hoes**" to steamroll you by 72 points. Just can't trust the gremlins in the system any longer. Meant it to be 2 points. Quite simple isn't it! Seriously though, **Ivanhoe** jumped out of jail to win this one. Some 33 points down 10 minutes into the last quarter don't exactly engender confidence in your chances, however, like a good team they stuck to their task and got up in the last breath. For the **Blacks** they'll just have to learn to finish off once and for good when and if they have an opponent on the ropes.

PREVIEW - ROUND 5

Comm. Bank host **Bulleen-Temp.** at Oval 4, Albert Park in what promises to be a close, hard fought encounter. The **Bullants** appear to be a little off the boil at present with a 2/2 record after having registered big wins in their first 2 encounters. The **Bankers** on the other hand have re-grouped since their Round 2 hiccup at **Kew** and are playing very good team orientated footy. In a game that could quite easily go either way I'm favouring the home team by 14 points.

St Kilda/Sth Caulfield travel to Oval 2, Albert Park to tackle the might of **AJAX**, given the fact that the **Jackmen** rue last week's loss after having every chance they'll be pumped up this week to avenge it. The **Saints** won't find this any picnic or walk in the park as the **Jackers** jump out of the boxes quicker than any team

in the comp. Their sure disposal and quickness of hand and foot will I suggest catch the **Saints** off guard and the inevitable catch-up football game will be on again. For **St Kilda/Sth Caulfield** to win they'll need to be generally more productive up forward. **Jackers** by 30 points.

I'm tipping that the **Kew v MHSOB** game will be the match of the round. Both teams possess strength, great mid-fielders and lethal attacks. A recipe for a ripper battle. The **K's** coming of a big win will be cherry ripe to face the **Schoolers** who after a Round 3 loss to **Comm. Bank** could and would agree that they only just saved their skins in Round 4 v **AJAX**. The loss of key ruckman, **Robert "Chief" Newton** leaves very big shoes to fill for **MHSOBs** and paves the way for an easier day for **Kew's Peric** and **Schober**. This alone may very well swing the scales in **Kew's** favour. The **K's** by 7 points.

Fawkner, now on a roll, welcome **Uni Blacks** out north. Whilst the **Blacks** now appear to have sorted out their forward line structure to the point where they're dangerous one must remember that in the first instance the ball has to get there. From the pivot I can see **Fawkner** holding sway in this department with **Lawson**, **Mitchell**, **Young** and gang giving their own forwards ample opportunities to kick a winning score. Another factor in going **Fawkner's** way is their hard working and negating defence. It's stood up to be counted all year and I doubt it will fold today. **Fawkner** by 40 points.

In the final game to wrap up the round **Thomastown** are matched up against **Ivanhoe**. I'm sure the **Towners** will be more than competitive but in the final analysis it's hard to see them containing the **Hoes** for the full 100 minutes. **Ivanhoe** have been hit hard by injury, however, it's a test of strength and character for them to rise above it. The **Bears** are on the right track with their youth policy and it's only a matter of time before they crack it, but they'll be waiting another week at least. **Ivanhoe** by 45 points.

D SECTION by Peter Lemon

Preston made it 3 in a row, and in the process defeated **Old Ivanhoe** in a thriller to inflict the latter's first defeat. The **Hoes** established a good lead in the second term, only to find the visitors back level by half time. Again in the third and then in the fourth the **Hoes** moved a couple of goals clear only to see **Preston** come back. The lead changed a number of times in the dramatic final minutes. The battle of the centre line was interesting (the **Hoes** are missing **Stevens** who has his arm in plaster), with **Drew Hepburn** a telling player, booting 5 (glorious) goals from the wing for **Preston**. **Dave O'Brien** at centre half back was also a good player for the **MBOBs**, and they welcomed **Randall McGaw's** return to form and **Scot Tanner's** effort for 4 goals, whilst **Bruce Yarwood** put in a great performance for the **Hoes** in his first game for the year.

A depleted **Old Geelong** surprised **Hampton Rovers** (and this tipster) with 3 good quarters to establish a handy break at the last change. A number of players lifted from previous weeks, including **John Roysmith** and **Fraser Brown** (on loan from **Carlton?**), whilst **Mike Naylor** seized every opportunity near goals. The players' attitude after losing so many through injury in the previous fortnight was excellent. The **Rovers** had their injury problems, too, when captain **Darren McConville** limped off early, though a leg strain did **Mark Crawford** little harm: moved to the square he kicked 6 and was part of sizeable last term comeback. **Shaun Devereaux**, new player **Tony Manago** (did state selector **Max Lyon** work out who he was?) and **The Fish** was the **Rovers'** best.

Caulfield Grammarians, using their pace to great advantage, burst from the blocks to kick 5 in the first 10 minutes and that was about the end of the ball game. The **SKOBs** seemed sluggish and suffering from a let down after their big build-up for the previous week's game: indeed only inaccurate kicking by the victors stood between them and a larger winning margin. Many of the **SKOB's** regular best went missing, leaving it to centreman **Pat Hagarty**, rover "Jock" **O'Connor** and backman **Jon Sargeant** to shoulder the burden. The home side, running and using their ground to perfection had many good players in an even team effort: best were defenders **Andrew Laurie** and **Ben Mathews**, whilst **Holmes** put on a good display in the ruck as did **Richard Harris** in the centre.

Mazenod recorded a substantial victory against **Williamstown**, whilst a dominant backline was the key to **St Bedes'** victory over **Camberwell**. **Jason Selby's** game at full back, with some great punching of the ball away from the **Wells'** forwards, was a highlight, and he was well supported by **Rob Pilos** next door in the back pocket, and a good centre line led by **Tony MacGeorge**. The game was fairly even for the first half, but after that the **Bedas** went right away: their shots for goal were taken from close in, whilst the home side's scoring opportunities came from way out - hence the disappointing 8.20.

THIS WEEK

St Bedes' (yet to win at home) have an important game against **Mazenod** (yet to win away). The **Bedas** have 2 or 3 of their best players back, and, despite the fact the the **Noddies** kicked the sweep last week, it's the **Bedas** who should come out ahead.

Williamstown will be becoming anxious for a win; they they come up against **Old Geelong** who are expecting a few back. If the **OGs** can take the same mental attitude into this week's game, they should come out with the points.

Old Ivanhoe have another home game, this time against **Old Camberwell**. The **Hoes** will be less than amused by last week's result, and can be expected to bounce back strongly.

Hampton Rovers and **Old Caulfield** should be a great clash this week. After an indifferent start, the **Rovers** regained their concentration in the fourth term last week and looked good. However, it must be doubtful if **Crawford** will take the field which could deprive them of fire power up forward. The **Fields** have a strong running side and might just edge the **Rovers** out.

I have decided to use some logic this week. **Preston** defeated **Caulfield Grammar** at home 2 weeks ago. **Caulfield** defeated **St Kevin's** last week. Therefore **Preston** would have to beat **St Kevin's** today. It's obvious, and I can't work out why I didn't think of it earlier.

SELECTIONS:

St Bedes' **Old Geelong** **Old Ivanhoe**
Caulfield Grammarians (will someone please tell **Chris Rowston** I expect a substantial cheque in the mail for that selection!) **Preston**. (3 out of 5 last week.)

100 GAMES FOR "GUNNY"

Old Geelong's Cullen Gun today (9/5) plays his 100th game for the Club, to add to an already fine career. Firsts' captain in 1990 and 1991, Best and Fairest in 1988 and 1990, and a member of the C-F interstate team in 1988 and 1990, **Gunny** has been one of the great contributors to the Club, and an inspiration to the players around him. (Who will ever forget that goal just before half time in the 1990 Grand Final?) To a tremendous team-man and a fine ball getter, congratulations from all at **OG**.

100TH AND 50TH GAMES AT PRESTON MBOB

There have been a few milestones at **Preston MBOB** recently. Congratulations to **Jamie Culph** (50 games, Round 1) and **Ian Bliss** (50 games, Round 4). Today (9/5) **Phil Bullock** plays his 100th and **Jamie Mounthey** his 50th. To all these players, thanks for the good start to '92 and let's hope you stick with the Bullants in the years ahead.

REVIEW

Elsternwick at home scored their first on field victory for the year and may now have turned the corner as the premiership hangover disappears. **Latrobe**, still having trouble with Uni holidays, must get working quickly or could find themselves in plenty as the year progresses. The **Wicks** were not impressed with the form of **Big Hank** who set it all up for them especially in the first quarter where they made the win. **Denny Contin** continued his excellent 1992 form and **Shane Crowe** roving and in the forward pocket was another fine contributor. The silence still remains golden from **Bunny** land.

As reported **Powerhouse** were really pumped for this game and started at a rate of knots, were very determined and caught the **Bloods** "Halfer asleep" and kicked 6 goals to nil in the first quarter, where **Big Mark Leng** was absolutely unbeatable at the centre bounces brining all his smalls into the game. **Lengy's** performance was even better considering he was struggling with injuries. **Aquinas**, though they tried very hard, were forced to play catch-up footy for the rest of the game and just could not bridge the gap. The **House** put in a great team effort all day in obviously their best win for the year. The **Doctor** made a welcome return to form and **Brendan Hall** was yet again a fine ruck rover. **Bloods** were happy with **Steve Kenry** in the back pocket who assisted his full back **Mr Grierson** very well, while **Bill Commers** had a great tussle with **Hally**.

Doveland was in fine spirits on Saturday night as they recorded their second victory for the year. Overall the **Doveton** side put together a very team orientated game highlighted by the fact they had some 13 goalkickers and they only kicked 17. Although inaccurate it was all instigated by a 6-11 first term where the **Bulls** just appeared to be not tuned in, but their 6 goal final stanza must give them heart that the ability is around. Perhaps concentration, especially early, should be worked on. **Fugde Forgiarani** was always getting the hard ball for **Doveton**, **Steve Reiger** as always rates a worthy mention (he's in good form), the **Coach** again contributed and it's good to see **Johnno** among the best again. Even though beaten **Bulleen's** best all came from forwards **Brian Snape**, Davin Thompson and **Dale Hopkins**.

ANZ set up their victory by playing a very good first quarter opening up a 4 goal break which they maintained and in the end increased. To their credit **North Brunswick** never gave in – they kept persisting all day. Early in the last quarter they got within 18 pts and were a chance, but the **Zedders** steadied, kept their running game going and eventually came away very happy with a 45 pt victory. Somewhat a slow starter this year, **Zedders'** vice captain **Peter Smith** played a very consistent game, as did **Timmy Reed**, fresh from his honeymoon. The rest of them all did their bit. **Dino** tells

me that **Darren Frew** played well on his back flank – **Deano** must have kicked some 6 goals – and ruck rover **Jamie Kakafikas** was always around. Even though the Street's leading goalkickers scored another big tally, I thought **North's** full back was very competitive, and their hospitality in true Ammo spirit was very good.

The match of the round to me did produce a surprise result and this is to take nothing away from **Brunswick**. The steady improvement they made during last year is obviously being continued and **Melts** has them playing some very good football. The **Hunters** perhaps were suffering a bit of a let down from their big victory last week, did have a few injuries, but do not offer this as an excuse. In what was really an outstanding performance for the club, the **Wicks** pressure, tackling and determination (I predicted this) saw them run out very well deserved, convincing winners. I guess everything starts in the centre and for the **Wicks** the ever-reliable duo of **Shaw** and **Dasher** were instrumental and the engine room was firing on all cylinders. Another E-Streeter having a good year is the **Wickers** custodian **Hewitt**. **Glenhuntly** were very disappointed and could only mention **Isaacs** and **Gilley**.

PREVIEW

Even out at the big University oval **North Brunswick** will rebound and record a confidence boosting victory against the very silent **Trobbers**.

Powerhouse will continue their revival, maybe they should be watched. The **Bulls** won't give up easily but the **House** will enjoy their **White Night** (whatever that is) at the club lounge.

Not an easy one this one – both have been good and bad and are still finding their way. **Aquinas** are not tall, **Hankin** is. Even at **Ringwood**, **Adam** should give **Schimma** and **Crowey** enough first uses for the **Red & Blacks** to win. The Big 1000 draw is getting closer.

Doveton are gettin better but are not yet, I believe, totally settled. **Glenhuntly** will be still hurting from last week and on their home turf with the experience of **Raffs** and **Peter Seel's** cousin, will rebound with a win.

And so the big one – after today we will have only **one** unbeatean side in E-Street. The form of both sides has been excellent and cannot be faulted. It promises many great individual clashes and a hard, but fair contest. **Wato** has warned me to be careful who I select, I know I'll be ex-communicated if I don't go for the **Zeds** – but – No - Yes – sorry it's **ANZ** Rod – the loser buys the first beer.

F-Troop sorted itself out last round with two previously unbeaten sides (the **Undertakers** and the **Grovellers**) suffering big losses to the **Young Poets Society** and the **Bells** respectively. These sides are now certainties for the finals together with tearaway ladder leader, the **Statues**, whose forwards are firing. The other three spots are wide open but with a big gap (apparently) between the top and the milk. Pleasing to see the **Socialists' Paddington** joining the ranks of the F-Troop Journos. Also "**Grub**" from the **Crew** who is still sending in home made faxes. **Paddington**, by the way, reckons the **Statues** are the **Two Blues** and play at the **Graveyard**. Well, I've seen lots of statues in graveyards so will go halves **Paddington**. And finally **Bucko** has asked for a bye this week so the **Stationmasters** can properly celebrate their first win of the season last week.

REVIEW

• Jubilation at the **Snakepit** with the **Stationmasters** getting up by 3 points over the **Shamrocks** and **Galway Bay**.

• The **Sailors** had about 4 to spare over the **Brigade** at Reg Ansett Oval reports **Fast Eddie**, whilst **Grub** was impressed with crew members **Spud**, **Nellie** and **Shuttle**.

• The **Grovellers**, says the **Beautiful One**, were put off by injury, canine deposits and the fast-running **Bells** whilst **Jack Horner** was impressed with the **Bells'** four quarter consistency. Jack also wants a correction made to the goalkicking lists. He claims he plays in the ones not the **Magoos**.

• The **Socialists** were about 9 up at the end of their game against the **Villagers** after **Himmler's** boys had kept things even up to the interval.

• Skipper **Dave Miller's** eight goal haul as a rover was the spark for the **Statues** regular Bradman against the **Botanists** reports **Paddington**.

• **Solvol** reports that the **Brewers** are back on track with a big win at home over the **Cowboys** who were outclassed on the day according to **Muscles**.

• Absolute thrashing of the **Undertakers** by the **Poets** leaving the **Beaker** beaming and **Def Leopard** non-plussed. **Mark Tassone's** "Albetti" mark was a highlight.

• The **Elitists** coasted home at the Zoo against the **Footrot Flat Boys**.

• The **Socialists** are having another of their famous **Comedy Nights** at Cafe Lupa, Fitzroy tonight.

• **Cowboys** never stop - now they've got **200 Ticket Shindig** underway. I won one of those recently. I'll buy one **Muscles**.

• 50 games to **Brewer Carl Christianson**. Congratulations.

PERSONALITY PARS - F

100 GAMES AT OLD CAREY (FINALLY)

Jim McQuie plays his 100th game today (2/5) against West Brunswick. Jim has been in the 90's for 2 1/2 seasons as injury slowed his games rate first with a broken leg, then ankle. Jim joined the club in 1984 with the Under 19's and is now a reliable full back in the seniors. Always first with the smart and funny comments, he is also on the social committee and helps out wherever possible. Well done Jim and may there be another 100.

50 GAMES AT OLD CAREY

Carl Christiansen today (9/5) plays his 50th game for Old Carey. Congratulations.

CONGRATULATION ON NEW ARRIVAL

The **Footscray Institute of Technology** would like to extend their congratulations to "**Skeeta**" **Morley** (club president) and his wife Julie on the birth of their second child, Hannah Louise Morley. Well done Julie and Phil.

G SECTION by Norm Nugent

Round 4 netted me a 70% strike rate as the relative strengths of the sides become comparable.

G NORTH

Williamstown recorded their best performance of the season although the "**Seagulls**" still failed against **St Bernard's** by 21 points. **Marcellin** have stamped themselves "as real final's prospect" by their good displays. The "**Eagles**" recorded a big win over **North Old Boys** by 54 points which has dented North's prospects. **Old Scotch** and **Old Westbourne** played an evenly contested match from which **Old Scotch** emerged victorious by 3 points. **Kew** won the eastern contest when they showed improved form to defeat **Camberwell** by 36 points. Leaders **Bulleen-Templestowe** consolidated their position by their 80 point defeat of **Banyule** while **Eltham** defeated an improved **Therry** by 47 points.

G SOUTH

Bloods proved me a poor tipster when with their best 1992 performance they defeated the improving **Monash Gryphons** by 34 points. **Mazenod** had a day out against the depleted **Glenhuntly** and won by the gargantuan margin of 211 points. Likewise **Old Melburnians** had a day out at **Albert Park** when they annihilated **Old Geelong** by the leviathan margin of 214 points. Reigning premiers **De La Salle** recorded a 73 point victory over **Collegians** on the wide expanses of the **Harry Trott Oval**. **Old Haileyburians** and **Old Xaverians** played the closest contact of the round where each side had equal scoring shots. The marginally more accurate **Old Haileyburians** won the match by 5 points. As forecast **Monash Whites** recorded a 64 point victory over **St Kilda/South Caulfield**. **St Kevin's** rested thanks to their Bye.

PREVIEW OF ROUND 5

G NORTH

This week **Bulleen-Templestowe** face the great trek to the seaside where I believe the "**Bullants**" will have too much sting for the local **Williamstown** side. Two of the strong sides, in traditional rivals **Marcellin** and **St Bernard's** meet at **Bulleen** in the match of the day. In my opinion **Marcellin** has shown the better form this season and with the added advantage of playing at home the "**Eagles**" should win. **North Old Boys** have put added pressure on themselves by going down to **Marcellin** last week. Today I can find no respite for them as they meet **Old Scotch** who could well have turned the proverbial corner last week. **Old Scotch** should win this game. **Eltham** travel "down the line" to play **Banyule** where the "**Turtles**" should record another

victory as **Banyule** have yet to "break the ice" this season. **Therry**, whose form has improved since the opening game, will be at home to **Kew** who, despite their long trip to unfamiliar soil, should prove talented enough to win the game. **Old Westbourne** are at home to **Camberwell** who may not enjoy their long westward trek because given **Camberwell's** lack of consistency I have the opinion that **Old Westbourne** will win today.

G SOUTH

Monash Whites assure me that their side has improved. Proof of the claim will come if they can defeat **De La Salle** today. I do not believe they can do so and consequently select **De La Salle**. **Bloods** who found their best form last week when they accounted for **Monash Gryphons**, should make it 2 in a row today by accounting for **St Kevin's** whose 1992 form has not been the best. **St Kilda/South Caulfield** with 1 win are at home to **Old Xaverians** who have won 3 games and narrowly lost the other. Today I select **Old Xaverians** to win this game. An interesting game should be the **Mulgrave** encounter between 2 emerging sides. **Mazenod** and **Old Haileyburians** will provide mutually stern opposition. I lean towards **Mazenod** whose form I believe to have been the better. **Old Geelong** and **Collegians** have both been on the receiving end of big scores lately. Today they should both relish an even contest in which either side can win. At home I go for **Old Geelong** to win by a "**Twigg**". **Monash Gryphons** should return to the winning list in a resounding fashion against neighbours **Glenhuntly** who have not yet been in a winning position this season. **Old Melburnians** have the BYE so they can journey to **Elsternwick Park** to watch their senior side.

UNDER 19 SECTIONS by Max Lyon

Once again the usual weekly gripe about no contact from some winning clubs viz **De La, Noddors, Collegians, Old Trinity, Blues, Jackers, Ashers** and **Scotchies**. Reminder again for WINNING clubs to ring 568 4727 weekends (you need fear nothing from that annoying answering machine Ernie!) or fax 646 0872 on Mondays with best players and main goalkicker(s).

REVIEW OF LAST WEEK'S MATCHES

DIVISION 1

For the second week in a row I saw **De La** in another good game – this time they managed to hang in for a 4 point win over **OMs**. **OM's** prediction at their lunch (thanks **David** and **James** etc.) that I gave them the "kiss of death" by picking them proved correct but only just! Both teams are to be complimented on a good display. **Bernies** continued their good form with a 10 goal win over the **Eagles** after an even first half. **Scott O'Keefe** dominated the ruck giving **Paul Scerri** plenty of chances. **Brett Hemley** also did well in his debut for **Bernies**. **Xavs** got home from **Gilla's** improvers at **Haileybury** by 7 goals. **Cook** again did well for **Xavs** and was well supported by **Durrand** and **Salter**.

DIVISION 2 CENTRAL

Nice to hear from an old "foe", **Reg Miles**, with details of the **Hoes** continuing improvement and recommendations for the State Squad. **Hoes** obviously have learnt from their narrow loss to **Therry** because they were able to go on with it when **Carey** started to peg them back in the last quarter. **Carey** will be concentrating on putting in a good first half next week. **Reg's** best for **Hoes** were **Shane McGowan** and **David Lynch** whilst coach **Rob** also included **Fanelli** and **Devlin**. **John Raywood** booted 4 whilst **Carey** were best served by **Nathan Doggett** (again!), **Simon Greenwood** and **Dan Walsh**. Got a double coverage on the **Old Parade vs Kew** thanks to "Hagar" **Nugent**. "Hagar" gave big wraps on both skippers – **Pagan** for **Parade** and **Lezzgoe** for the **K's**. He also had **O'Keefe** and **Brabender** (brother of ex-U19 rep. **Peter**) doing well for **Parade** and coach **Alex** also threw in half forward **Hooke** for good measure. **Bill Fafoutellis** also did well for the **K's**. **Hagar** has made the long term prediction that **Towners** will beat **Parade** when they meet soon – I'm not so sure. **Adrian Baker** celebrated his return from "holiday" with a BOG plus 7 goal effort for **Therry** against the **Bullants**. Other good efforts for the **Roys** came from **Peter Joyce**, **Michael Elliott** and **Anthony Cohen**. **Towners** certainly must have had lady luck on their side when they snuck in by 7 points against the **Blacks** after having 18 less scoring shots. **Jim Bubis** back from the "ones" got 5 for **Towners** and wingers **Nathan Grech** and **Troy Maroney** were driving forces all day.

DIVISION 2 SOUTH

Tonnors moved to the top of the ladder after a 12 goal win over **De La**. **Sam Swannell** was again in the goals with 6 whilst **Tonnors'** best were **Andrew Skelton**, **John Farrer** and **Jarrold Mendoza**. **Jackers** again put their best effort in during the third quarter with 8 goals in 20 minutes which was enough to knock **Rovers** out of top spot. **Stephen Anderson** was again best for **Rovers** and **Ned Murray-White** and **Denver Artz** also tried hard. My expectations of a tight game between **Chirnside** and **MHSOB** were upended when **Parkers** got home easily by 16 goals. Maybe "Villain's" prediction of a "raid" by **High's** seniors was correct! **Parkers** were best served by **Tony Spirli** and **Shane Foster**. **Bedas** continued their improvement with an easy win over **Old 'Hoes** with **Christian Loos** showing some of his good form of last year. Other fine performers for **Bedas** were **David Kinsella** and the **O'Brien** boys.

PREVIEW OF TODAY'S GAMES

DIVISION 1

De La back on top of the ladder should find today's game a bit easier than their last two. **Collegians** certainly won't do a repeat of their effort against **Xavs** but they haven't got enough all round skill to push **D's**. **OM's** were stiff not to still be undefeated after last week and I expect them to return to the winner's circle today against the **Eagles** (kiss of death again **Pam!**). **Bernies** will still be smarting after losing their hard earned 4 points against **De La** and will show no mercy today against **Tones**. **Ormond**, disappointed last week while **Haileybury** were not disgraced against **Xavs**, should be close but the home ground advantage should swing the result in favour of the **Monds**. **Noddors** and **Xavs** had an "epic" battle last year at Columbia Park. I think the result will be repeated today. **Xavs** to win.

SELECTIONS: **De La** **Old Melb.** **St Bernard's**
Ormond **Old Xavs**

DIVISION 2 CENTRAL

Having tasted success last week, I'm sure **Frog's** boys at **Trinity** will have enjoyed it enough to repeat the dose today at the **Bullants'** expense. **Whitefriars** showed improvement last week but I think they will find the **Blues** a bit too talented for them today. **Ivanhoe** are improving every week whilst **Wells** had their first setback last week by only 2 points. **Hoes** rolled the **Blues** 2 weeks ago and I think they can just scrape in today in what should be a really top game. **Therry** come up against another improver in the **Blacks** who have been a bit unlucky in their last 2 games. Home ground should be a deciding factor in favour of the **Roys**. **Towners** and **Kew** have both been setback by "losing" winning games through "rego" problems so both will be extremely keen to catch up. **K's** disappointed last week and **Towners** have shown an edge in consistency.

Townners today. **Parade** are now the only undefeated team and, whilst I expect **Carey** to take the game right up to them, the **Bundoora Boys** will still sit on top of the ladder tonight.

SELECTIONS: **Old Trinity Uni Blues Ivanhoe**
Therry Thomastown Old Parade

DIVISION 2 SOUTH

Chirnside should be able to give their percentage a kick along today against **De La** as should **Ashers** against **Oakleigh** despite having to get the cobwebs off early for the 11.30 start. The other 4 games should be pretty tight. **Fields** haven't done well since the first game whilst **Old 'Hoos** were very ordinary last week. I think the river crossing may be just a bit much for the **Fields**. **Jackers** surprised me with the ease of their win last week and, as usual, they will be spurred on by their home ground following against **Brighton**. If **Tonnars** put it together for 4 quarters I think they can just edge out the **Jackers**. **Scotchies** are getting better every week whilst the **Rovers** went into reverse last week. Using last week's form as my guide and as **Scotchies** are at home I think the **Cardinals** can just sneak in against **Red's** boys. **Bedas** are showing snippets of last year's form and should be able to make a good showing at the **High "graveyard"**. I think **High's** effort last week must have been too bad to be true and I think they will just get home again by their favourite margin - 3 points.

SELECTIONS: **Chirnside Park Old Brighton**
Old Scotch MHSOB Old Ivanhoe Monash

SLAB CHALLENGE: After disappointing efforts in the other sections we'll try the South boys today and make the offer to **Red's Rovers** if they can roll the **High Schoolers**.

“FOOD FOR SPORT”

by **Garry Connolly – Senior Coach St Mary’s Football Club**

In any sport these days, fitness and skill are not the only factors which play an important role in success. An athlete's diet and the way the body metabolises this food, greatly influences his/her performance.

The following scenario of Terry (an anonymous St Mary's footballer) indicates how he utilises his meal based on complex carbohydrates, e.g.: pasta, vegetables, bread and fruit. In his digestive system, the carbohydrates are converted to glucose which is absorbed into his bloodstream.

Two hours after his meal, Terry jogs down to the milk bar, using the glucose in his bloodstream as fuel to do this. Afterwards he goes to football training and the remaining glucose is used up, therefore having to draw on glycogen (a storage form of glucose deposited in his liver and muscles) for energy. Unfortunately for Terry, the Coach is not happy with his training performance and insists on a further 20 laps of the ground. His glycogen stores are now reduced and his body becomes dependent on fat for energy.

Had Terry skipped training and watched television, the glucose from his meal would have gone into storage of glycogen. Once his capacity for storing glycogen is filled, any extra carbohydrate is stored as fat.

We each have a certain capacity for storing glycogen, and in all sports, glycogen levels are a vital factor. There is a proven relationship between the beginning of fatigue and low levels of glycogen. Therefore, the more glycogen you have stored, the longer you can perform.

Glycogen comes from carbohydrates, therefore, carbohydrates are most important in every athlete's diet.

The golden rules for athletes:

1. Increase carbohydrate – eat more bread, cereals, rice, pasta, vegetables, dried peas, beans and lentils, fruit, milk and yoghurt.
2. Increase dietary fibre – eat more wholegrain and wholemeal products, fruit and vegetables (with skin), beans, nuts and seeds.
3. Decrease fat – try lean meats, low fat dietary products and reduce intake of take-away foods, chips and chocolates.
4. Ensure adequate protein:
 - Medium serves of lean meat
 - Low fat dairy products
 - If vegetarian, don't forget to complement proteins.
5. Decrease EXCESSIVE salt intake:
 - Try not to add salt to food or cooking
 - Eat less salty foods (e.g.: chips, processed foods and manufactured meats).
6. Increase water:
 - Have at least one drink with meals and two between meals
 - Before exercise, drink ½ cup every 15 minutes up to ½ hour before exercise
 - Drink plenty of water after exercise and especially before alcohol.
7. Decrease alcohol:
 - Alcohol is a central nervous system depressant and will slow reaction time, effect hand/eye co-ordination, accuracy and balance
 - Drinking the night before a match also tends to dehydrate you which causes decreased blood flow to muscles.

What to Eat

- Breakfast**
- Unsweetened fruit juice
 - Wholegrain cereal with low fat milk
 - Wholegrain toast, crumpets or muffins
 - Water/tea/coffee (preferably decaf)

► EDITORIAL continued from page 1 . . .

the club of his origins in the VAFA, as it was there that he gained his start.

Those who argue against him having to go to his former club argue that

- (a) As an amateur competition all individuals should be free to play where ever they choose.
- (b) In a lot of cases the player may choose not to play in the VAFA at all rather than play C grade. As such we are better letting him play in A grade than not at all.
- (c) Even though originally a Melbourne High player (for example) he may no longer have any friends there. In fact they may now all be at Haileybury in A grade (for example).

It is a very difficult problem. Is the club bigger than the individuals' freedom of choice?

- (d) Others have argued this works against the lower grades in that potential recruiting to, say, a D grade club via an A or B grade club, is not permitted. This, they claim, hurts the lower grades.

The reality is, however, that for every player that wants to go via a higher grade to get to a lower grade club there would be twenty wanting to go the other way, i.e. to a higher grade via a lower grade.

Some clubs believe that where a player has previously given three or more years of service before leaving the VAFA he should be a free agent to choose the club of his choice on reinstatement, as his former club should

- (a) already have won his loyalty; and
- (b) kept close contact while he was away to make sure he returned voluntarily.

This may have some merit.

Some clubs believe that reinstated players should only be bound to their former clubs for one season. The current guidelines say two. After one year's service maybe they should be able to go and play A grade or wherever their choice may be.

Another major area of contention for many years has been the country player who was born and bred in the country, played there as a kid, taken money mainly because everyone else did, and never had the chance to play amateur football because there was none.

Should the country player who, at the age of 22 or 23, who has either moved to town, in his job, or seeking one, be eligible for reinstatement?

A number of questions need to be answered. Why should a person born in the country have any privileges not offered to city people? If your answer is yes, there should be a provision, then where does the country begin and the metropolitan area finish? Is Werribee, Eltham, Lilydale, Berwick and Frankston city or country? Is there an age limit? Should a 27 year old country player who has received \$10-15,000 be eligible, or is he a professional? Why should a player who, for whatever reason has taken money outside the accepted competition i.e. AFL, VFA etc., ever be able to play as an amateur? After all, it was his decision to take the money. No one forced him.

Conclusion

What is the VAFA all about? Do we want to be perceived as a viable alternative to the AFL or VFA or do we simply want to provide the best possible football for as many players as possible at the cheapest possible cost to those who are eligible to play?

Is promotion and relegation really that important? If we continue to extend the availability of reinstatement to a wider cross section of the community, no doubt the gap between A grade and the rest will widen even further.

Reinstatements do aid the higher grades more than the lower grades, as reinstated players normally are of a good standard and as such wish to play the highest standard available to them.

Do we want to even out the competition? Is that important? Should A grade be encouraged to become more high profile? If we widen the reinstatement guidelines there is no doubt the standard of A grade football would improve. This in turn would make the VFA more highly thought of in football circles.

I welcome people requesting a copy of the complete document which includes case histories and more in-depth explanation (requests in writing to "Amateur Footballer" Editor c/- PO Box 359, Elsternwick 3185).

I also welcome brief, succinct points of view - perhaps I could devote "Talking Football" next week to readers' views. If interested write to me as indicated above.

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

**Our 1991 survey of players showed
89% of mouthguard owners always
wear their mouthguard at matches.
But... Only 10-13% always wear their
mouthguard at training.**

**So, wear your professionally fitted
mouthguard when training and
playing football.**

Make this your GOAL in '92.

A graphic with a black background and white text. At the top, it says 'Keep Teeth' in a bold, sans-serif font. Below this, a thick black diagonal banner contains the words 'WEAR A MOUTHGUARD' in white, bold, sans-serif capital letters. To the right of the banner, the words 'for Life' are written in a smaller, bold, sans-serif font. At the bottom of the graphic, there are two logos: on the left, the Vic Health Foundation logo, and on the right, the Dental Health Services Victoria logo. Between these logos is a row of five white icons representing different sports: a runner, a soccer player, a basketball player, a tennis player, and a basketball player.
