EDITORIAL by Phil Stevens

Good afternoon football followers.

In last week's edition of The Amateur Footballer readers were alerted to the progress and preparation of our A-B Grade representative team to play South Australia at Waverley Park on June 8th 1992.

This week, to complete the "Interstate Report", we focus our attention on our C-F Grade team to play the South Australians at Elsternwick Park on Sunday June 7th 1992.

Ken Bremner (Assistant Coach at C'wealth Bank) has been appointed coach. Soon after his appointment in early April, Ken set about surrounding himself with assistants in coaching and selecting, to draw up an initial list of 55 players who were invited to train.

As the number of players is so diverse amongst the sections, Ken's assistants include Garry Connolly (St Mary's), Craig Jackson (C'wealth Bank), John Keenan (Fawkner), Gordon McGregor (Hampton Rovers) and George Voyage.

The first training run commenced on Sunday, April 20, and has continued each Sunday and Wednesday since. This initial squad of 55 was reduced to 35 on May 6 and the final 25 will be known after training on Sunday. Ken is receiving good back up from Team Manager

David Cook (Executive), Team Manager Richard Evans (Executive), Ken Seeley (St Bede's) as well as a very willing training staff - Norm Crisp (Fawkner), Hugh Muir (Therry) and Brian Kays (Therry) - and physio Peter Dixon.

Training has been very good and the most pleasing aspect has been the way the players have come together as a single, enthusiastic unit.

As well, this co-operation and encouragement from the "boys" in the A-B squad has been excellent and appreciated. A practice match is planned between the squads on Wednesday, June 3.

Jumpers will be presented to the fortunate recipients at a Presentation Dinner at Elsternwick Park on the Friday before the big game.

All Amateur supporters are assured of a great game and your attendance will give the team a great boost. Make a note for Sunday June 7 at Elsternwick Park and cheer on our "first leg" of the double on the Queen's Birthday weekend.

The A/B section team for the Queen's Birthday (Monday) is continuing with its intense preparation and the squad of 33 at the moment is as follows:

A SECTION by Adam Kenyon

Collegians maintained top spot in A Section with a 26 point victory over **Old Haileybury.**

It took until the final quarter for the **Lions** to shake off their opponents.

Once again the **Bloods** struggled to find goal scorers. Only **Meehan, Carty** and **DeMattia** were able to convert.

Gary Irvine made a welcome return to the Collegians' side and along with those potent forwards, David Hoyle, Rick Schober and Stephen Mount the Lions overcame a gallant Haileyburian combination.

Jeremy Rae and Wayne Phillips did well across the centre again, but the Bloods are now looking favourites for relegation.

Scotch continued their good form when they downed **Therry** by 6 points in a thriller at Elsternwick Park.

This was a very tight game all day with the stars from both teams coming from the midfield and on-ball positions.

For Therry, Mick Grocock, David Wrigglesworth, Matt Fitzpatrick and John Chapman lead the charge only to see Scotch hold on to win.

Gavin Eagle, Rohan Aujard, Justin Hart and Rod Austin provided the steadiness needed.

Old Xaverians turned the tables on St Bernard's. After holding a 33 point half time lead the Old Xavs

relaxed to let St Bernard's back in the game, but the "Doggies" couldn't maintain their charge in the final quarter.

Dale Holmes, Richard Green and John Bowen continued their good form, as did Luke Gollant and Wayne Carey for St B's.

The real test comes this week when **Xavs** take on **Collegians.**

Ormond finished too strongly for **North Old Boys** to run out victors by 15 points.

Andrew Jobling, Matt McConvill and Brett Connell gave enough opportunities to Paul Schuhkraft and Stephen Grace to kick a winning score.

As has happened so often this year **North** did not have any big goal kickers.

Nick Culnane continues to impress and the regulars such as Egan, Cahill and Conti are still "putting in", but the Old Boys just can't find their feet. I'm still not about to write them off, but don't tempt me!

Marcellin caused the upset of the year when they outplayed **De La Salle.** Outplayed is the right term – they had a game plan, they were hungry and they refused to lie down.

Matt Chun did the job on Col McClounan and he, along with Andrew Tranquilli, Joe Amad and Tony Zannoni were able to get the ball down to the high flying Gary Petroff who booted 8 big ones. Chris Belleville, Chris Campbell and Julian McCarthy battled hard all day for De La, but Marcellin had a committed defense which wasn't going to let De La kick a winning score.

This was a great game of footy and congratulations to both teams for providing such a spectacle.

PREVIEW

Scotch take on De La Salle at Flinders park in what should be a great game. De La forward, Nick Fraser, should make a return to the line up which will greatly improve their chances in this game. The Scotch onball brigade hit their straps last week, but De La have just as much strength in this department. Tony Wilson at centre half forward for the Cardinals has been a great pick up and he will have to be watched very carefully. Chris Campbell and Gavin Eagle will have a good contest on the wing, but I feel that the De La machine is unlikely to lose 2 in a row. Scotch can really turn it on but today just might not be their turn – De La to win by 10 points.

Ormond are at home to Therry and will start this game as warm favourites. With Grace and Schuhkraft kicking goals and players such as Jobling and Connell running into form it is hard to see Therry stealing this game. Therry's Simon Eastmure is a talented forward, but he seems to be moved all over the ground to plug holes. Paul Matton has been sensational all year and directs play from the back line, but it seems that the loss of Tim Taylor has upset the Therry line up. David Wrigglesworth and Matt McConvill will dictate this game from the ruck and whoever wins this duel will give his side a marked advantage. Ormond look a little more settled than Therry and with their home ground advantage will win this game – Ormond by 12 points.

Collegians play Old Xaverians at the Harry Trott and on paper should win this game easily. The Old Xavs don't care much for how they look on paper - they are a determined, hard working combination who want to succeed in A Section. Collegians have a star studded line up and they certainly do play an exciting brand of football. Xavs will have to clog up the play and stop the Lions from running. If the feeders such as Mark Hibbins, Danny Thomson, Tony Wallace and Matt Galbraith are not cut out of this game then Xavs will find too many chances being given to Mount, Schober and co. In contrast Xavs certainly do boast great talent in the form of Richard Green, John Bowen, Dale Holmes and Matt Bourke and these players should not be taken lightly. Overall **Collegians** will be a little cooler, whereas the Xavs may win this one - Collegians by 15 points.

Marcellin are at home to Old Haileybury and this is very much a "must win" game for the Bloods. Marcellin has strengthened its line up with the return of Chris Castagna and he, along with Gary Petroff, now forms a strong marking forward set up. The Bloods still lack goal kickers but do have some great free running mid-fielders in the form of Peter Theissen, Wayne Phillips, Simon Meehan and Jeremy Rae. The bustling style of Joe Amad and Matt Chun coupled with the skill of Tony Zannoni and Andrew Tranquilli has turned the Eagles into a most competent team. My only concern about Marcellin is if Gary Petroff doesn't fire. Billy Baxter will be doing his best to ensure that Petroff has a nasty day. On form I have to stick with Marcellin – the Eagles by 15 points.

North Old Boys take on St Bernard's on Sunday at Elsternwick Park. The key to this game will be the form of Luke Gollant. Peter O'Farrell is a fine defender and he will wear Gollant like a "second skin". With Darren Martin out on suspension St Bernard's powerhouse Wayne Carey will control the ruck. Matt Mulkearns should have a field day and will need to be tagged if the Old Boys want to have a show today. As I have said before, North seem to lack a prolific goal scorer - surely the burden of kicking a bag cannot rest on Brian Hanlon. Tony Egan needs support from Luke Boyle and Gerard Phyland in the form of accurate passing otherwise his job at full forward is all but mpossible. This game could go either way but North surely are due to put a good one together - North by 10 points.

PERSONALITY PARS – A

150 GAMES UP TO ORMOND BOUNDARY UMPIRE

Last Saturday (16/5) **Mick Collins** umpired his **150th** game as Ormond Reserves boundary umpire. Mick played football with the Reserves for a few seasons in the early 70's, before beginning his boundary umpire career in 1984. His service as a boundary umpire has been greatly appreciated. In 1984 he received the "Neil Le Page Club Person of the Year" award for his services behind the scenes at the club. All at Ormond wishes Mick well and we all hope that he continues for many more seasons to come.

100 GAMES TO BRETT CONNELL

Ormond's Brett Connell played his 100th game last Saturday (16/5). "Bear" as he is commonly known has been a fine player for his club, playing in Ormond's 1987 to 1990 Premiership sides. His career was highlighted with selection in the State Team in last year's carnival in Perth, he played so well with subsequent selection in the All Australian side. This year Brett was appointed Ormond Vice-Captain. We thank you "Bear" for your great service and hope there will be many more fine games to come.

100 GAMES AT MARCELLIN

All at Marcellin would like to congratulate Adrian "Gags" Gallagher on playing his 100th game on 3 May '92 at Amateur Headquarters against Ormond. We hope to see you play another ton "Gags"!

Also congratulations to Steve Boysen, Gavin Walsh and Andrew Tranquilli on playing their 50th games for the Eagles. Let's hope you all play many more games for Marcellin.

A big cheerio to two great Amateur football stalwarts who have been sidelined by illness recently - Fred Coldrey and Gordon Tamblyn. Both gentleman put in many hours during the week at Elsternwick Park. Fred in mailing out Amateur Footballers each week to sponsors, Life and Gold Pass Members and people who pay to be placed on mailing lists, and Graham who spends up to 16 hours each week recording best and fairest votes for all sections and doing ladder checks.

It's only when you don't have people around you take for granted, then you realise the amount of work that has to be done by others to keep the motors humming along.

One of our leading umpires, David Harford, each Thursday runs a Northern Development Squad which comprises young umpires from the northern suburbs who run for the Diamond Valley Football League on Sundays and who are interested in running for the VAFA as a boundary or a goal umpire on a Saturday.

Any young umpire who would like to be involved in the Northern Development Squad can talk to David Harford on 432 2387. David is to be congratulated on his interest and enthusiasm in development of umpires at the grass roots level.

Queen's Birthday weekend sees the playing of the two interstate matches against South Australia – VAFA (C-F) vs S.A. (A3-A6) at Elsternwick Park on Sunday and VAFÁ (A-B) vs S.A. (Á1-A2) at Waverley Park on Monday.

For this weekend we will be producing a special football record totally devoted to these two matches these will be available only at Elsternwick Park on the Sunday and outside Waverley on the Monday. Cost per record will be only 50 cents.

Last weekend's Sunday Herald Sun/Trophy Town player of the week was St Bernards' powerfully rover Matt Mulkearns, a former B-section best and fairest winner and this year's club captain.

The answers to last week's editorial question were as follows: Robert Fuller (No. 4);

John Manton (No. 19);

Barry Richardson (No. 17).

New jumper lists appear this weekend in The Amateur Footballer. Hopefully from this weekend on with more settled lists, the number of players wearing incorrectly numbered jumpers will diminish.

Another update opportunity will arise for teamlists to be amended on the weekend of July 11 (following the closing of permits) and for the finals series.

Fines as usual will be levied for each player wearing a numbered jumper that is not listed for that player in The Amateur Footballer.

B SECTION by Tom Johnston

Old Paradians were fired up for their clash with Trinity but after a sensational first quarter by Parade, Trinity doused the brilliant Parade on-ballers and slowly took control of the match. There was little difference at ½ time and ¾ time, but in the last qtr the Trinity teamwork and the most versatile forward set-up in B Grade took control and gave Trinity the winning edge to run out comfortable winners by 33 pts. Trinity's better players were Graham Pavey, Adrian Dunn and Dave Balagzy. Parade's best was ruckman David Way, back to his best form, the exciting Nick Wayman and Simon Vincent.

The upset of the round was a huge reversal of form by both sides. **Old Melburnians**, pathetic last week against Trinity, finally got their act together to thrash **Uni Blues** by 73 pts (who had won 3 on the trot). What can you say about football except that you can only take it week by week. For the **Blues** maybe the snow excursions came a little earlier than usual. **Old Melb's** best player was winger **Doug Maskiel**, State hopeful **Scott Teal** continues to impress, as does the everreliable **Richard Webb**. **Blues'** best was defender **Bryce Van Den Dren, Darryl Gust** and **Andrew Mitchell** at least had a go.

The clash at the park between **Monash** and **Old Mentonians** was a very tame affair. Right from the start this match did not reach a very high standard. The **Panthers** looked a better side, but it took until the 3rd qtr when **Old Mentonians** kicked 7.8 to **Monash** 0.2 – so in effect the game was over. In a lack lustre final qtr **Old Mentonians** went on to win this game by 60 pts. **Panthers**' best was on-baller **Tony Bournon** (congratulations to Tony on playing his **100th** game next week), **Gary Dickson** and **John Sly** had good games. **Monash** best player was forward **Lee Bearing**, wingers **Ian Kohler** and **Adrian Barker** were good contributors for their team.

At Pitcher Park Parkside, the home side, were simply out-played and out-classed by a very good team in Old Brighton. The Red Devils made the Tonners work hard in the 1st half. Parkside, playing on youth and enthusiasm, had a go but after ½ time Brighton kicked 23.6, an amazing effort and also the score of 33.13.211 was a club record for the Tonners. Parkside must regroup and if they play to the best, they can cause an upset of two. Old Brighton's best player was full forward Tom Hayden, kicked 12 goals but should have been more. Alex Rickerby and Matt Talbot continue to impress. Parkside's best were Stuart Tustin, Che Williams and Steve Papadandou, good debuts by the Bugden bros, Peter and Jamie.

A good result for the competition was the win of Banyule over Whitefriars. Banyule finally got their act together for 4 gtrs and when the Bears all fire for Simmo, Banyule are more than competitive. The fact that they doubled the Friars score would worry the Friars' braintrust! The Bears have been working up to this victory and **Simmo** would be more than pleased for the very first time this season. **Banyule's** best was the elusive forward **Greg Sutterby** whose 6 gls was a long time coming; **Stephen Gray** and **Bruce Moloney** were great value along with the big fellow **Dave Williams**. **Whitefriars'** best was State hopeful **Simon Strike**, **Robert Reidy** and **Michael Jackson** won plenty of the ball.

TODAY'S GAMES

Old Trinity welcome last round winner Banyule in the match of the day at Timberidge. Trinity will know they have got a match on their hands if Banyule play to their full potential. Make no mistake about this match – this will be a ripper. Barring a draw, there can only be one winner and I am tipping Old Trinity by 17 pts.

Uni Blues at home to Old Paradians is a game that has a lot of appeal to it. Both sides stumbled last round and I suggest both teams would like to forget last week's performances and results. Parade have struggled after ½ time in the past 2 matches which is the reason I am leaning to the home side. Uni Blues by 11 pts in what should be a good game.

Old Mentonians play host to a rather inconsistent Old Melburnians who have tons of talent but often play as individuals. Mentone are a very good home side, in fact I believe the home side factor is very significant but cannot overlook the talent of Old Melbs. Bloods must continue to improve for them to be a genuine final contender. In a very tight contest, Old Melbs by 7 pts.

Parkside at home to Monash Blues is a game with little more than pride riding on the outcome. I believe both sides are certain for relegation but for the future of both teams, a win is a must. Monash will beat my old side but if Parkside play as a team the Red Devils could sneak a surprise win – Monash by 11 pts.

Whitefriars travel south to do battle with the ladder leaders, Old Brighton. After notching 6 wins on the trot Brighton will expect to notch No. 7 on the notorious Beach Oval. Brighton have a very talented forward line as well as very good on ballers. Whitefriars leave too much to too few and for this reason, as long as Brighton play as a team, Brighton will win by 39 pts.

SELECTIONS: Old Trinity University Blues Old Melburnians Monash Blues Old Brighton Please fax me your club best players using full names and positions by 1pm each Monday. Fax: 489 9051; Phone: 489 9511.

OLD BRIGHTON LEGEND REACHES 150

What a day for Cameron "Marma" Lade at Pitcher Park last Saturday! (16/5). You could probably count Marma's "good ordinary" games on one hand over the years - the rest have been high quality exhibitions from one of the club's greatest ever players. Last week's club record performance was a fitting celebration for Cameron, who was able to enjoy one of his more comfortable afternoons in defence, setting up "the machine" and watching the "young blokes" do the running. Cameron's 150 stretch began on the wing in 1984 when he was "dropped for the Grand Final against St Kilda CBC'', and had to be content with a place in the losing Reserves Grand Final, and an award for the Most Promising player. It wasn't long before Cameron moved to dominate the key defence positions, where he has reigned ever since, captaining the club from 1988-91 and winning the Senior Best & Fairest Award in 1986 and 1989. A superb mark and a long, accurate kick, Cameron has been both an inspiring leader of our club, and also a model representative of the VAFA. He is scrupulously fair and thoroughly honest in the way he plays his footy, and has won great respect from team mates and opponents alike. If Old Brighton is to fulfil its 1992 potential, it will most certainly be able to count on Cameron Lade's ability as a key to its achievement. Well played "Marma" - not long till the 200!

100 UP FOR "T.B." AT OMFC

All at Old Mentonians congratulate Tony Bournon who today (23/5) notches up his 100th game for the club. Tony began at the club in 1987 and over the years has shown to be a very exciting and talented rover/forward. His ability to take the big mark and his pin point accuracy when shooting for goal make him a vital cog in the Panther machine. Well done Tony!

Schweppes.

REVIEW – ROUND 6

Thomastown record a "top" win at the Yarra, Kew in a rampaging last quarter turn a 3 goal deficit into a 7 major victory, Fawkner, away, get home from Ivanhoe by 15 points, Bulleen-Temp. tough out a 15 point win against a more accurate AJAX and Comm. Bank obliterate a lack-lustre Uni Blacks by just on 10 goals.

Oh what a feeling! No, not Toyota but more importantly **Thomastown**. For the second week in succession against supposed better opposition home come the **Towners**, this time against the **MHSOBs** to the tune of 26 points.

The **Bullants** outstayed a dogged and determined **AJAX** outfit to get home by 15 points. **''Ritters''** would be far more happier this week with the accuracy but I'm sure he'd be disappointed the 4 points didn't come his way.

Fawkner registered a narrow but hard earned victory at **Ivanhoe** by 15 points. Fawkner along with Kew are at present on a roll and are proving to be the divisions' 2 most consistent outfits.

St Kilda/Sth Caulfield appeared to have the measure of the K's at three quarter time but Kew had different ideas and went on their own little massacre in the final stanza to come home with wet sails and record a soft win by 46 points.

Comm. Bank toyed with **Uni Blacks** after an even first quarter and the further the game went the further they went ahead. On a "soft" surface at the Uni Oval the standard of footy never got to flattering heights, however the **Bank Boys** were happy to head home 57 point winners.

PREVIEW - ROUND 7

Match up of the day is the **Kew vs Bulleen-Temp.** encounter at Victoria Park, Kew. A promoter's dream with the 2 top of the table teams chock full of ability and best of all, not reliant on individual stars but rather team unity with a good spread of real goers all round the ground. Little separating these teams and forced to pick a winner I'll put the "mocka" on **Bomber** and his boys to get home by **7 points**, but the **Bullants** will be in it right to the bell.

A game between 2 last round losers, **MHSOBs** and **St Kilda/Sth Caulfield** promises to be a close and torrid, last man standing affair. The **Saints** can ill-afford to drop another game, whilst the **Schoolers** won't want to lose sight of the top ''4'' if, and I say if, the **Sth Yarra Lads** get their act together then I'm confident they'll win and win well. I'm backing on them doing so and hence predict a **Schooler** victory by **39 points**.

The "Towners" are back in town, and how! Two wins on the trot and the latter against the **High School** at the proverbial Graveyard by a comfortable margin. This week coming up against an all conquering **Fawkner** side taking all before them at present. I've just gotta go for **Fawkner** on the basis of overall form, however, a turn-up is always on the cards. Have yet to be disappointed by the "**Fawks**" and I'm sticking with them to chalk up another win, this time by **21 points**. AJAX at home will prove a stumbling block for Uni Blacks and now that their kicking blues are behind them (or are they?) will go close to kicking the sweep. Blacks look good on paper, look good man for man size wise but lack cohesion and an attack that can consistently kick a winning score. If I had to select a "certainty" this week then the Jackmen would do me. Jackers by 55 points.

Last, but by no means least, the **Comm. Bank vs Ivanhoe** game has an interesting look to it. **Comm. Bank** got beat in Round 5 at home by the **Bullants**, a first since early in the '90 season and will be hell bent on starting off the winning sequence again. For **Ivanhoe**, a similar position to **Melbourne High**. A loss will see them lose touch with the ''A''. **Bankers** off a big win against a desperate **Ivanhoe** facing 3 losses on the trot. Facts, figures and form point to a **Bank** win and who am I to argue with a line of logic like that. **Jacko's Comm. Bank** combination to salute by **21 points**.

100 FOR ROACHY

Today (16/5) Mark "Cocky" Roach plays his 100th game for Fawkner Amateurs. Mark started playing back in 1986 when only 20 years of age. He is known as a speedster at Fawkner and with his talented left foot has played many fine games on the wing at Mutton Reserve. It has taken nearly 7 years for Mark to reach this milestone, due to several niggling injuries. But he always gives 100% when he pulls on a Fawkner jumper. He is a great clubman and is always one of the first to attend club functions. The club, players and supporters all wish Roachy the best in his 100th game. "Well done"!

50 GAMES TO JOHN PASARA

John Pasara (J.P.) reaches the **50** game milestone for St Kilda/South Caulfield Amateur Football Club against Melbourne High School Old Boys today (23/5). J.P. has played most of his career in the backline and is noted for his aerial strength and ability to "run straight at the football". Congratulations on your fine achievement, we look forward to the next 50!

D SECTION by Peter Lemon

A third of the way through the season, with **Old Caulfield** and **Preston** both doing it comfortably, **Mazenod** improving, and no club either head-andshoulders ahead of the field, or hopelessly outclassed. As the grounds get heavier and conditions colder, the effort required will be greater: certainly those teams with just 2 wins on the board at the moment will be aware of a rapidly increasing need for more points and better percentage.

Preston MBOB jumped Old Camberwell in the first quarter last week, kicking 6 goals to the home side's 1, and held that lead for the rest of the day. A "boring encounter" was the best description for the game which saw Preston's backmen Ron Herbert, Dave "Windscreens" O'Brien and Andy Philp their best players, along with Andrew Brydson.

"Boring" was an adequate description also for the Old Geelong/St Bedes' encounter which saw the latter getting home by 4 points. OG nearly stole the game after a last-term comeback, but the match was generally scrambly and unimpressive. Few players stood out, the the 2 Brads (Smith and Tomlinson) were the Bedas' best, whilst Johnny Handbury, playing his 50th, was Old Geelong's best, and new-comer Tom Peddie certainly justified his selection. Old Geelong's forward line was in more trouble than Senator R. and Nick G. put together, whilst the handball and disposal of St Bedes' was superior on the day.

The Old Caufield/Williamstown game was "lacking highlights" (which obviously meant that it, too, was boring) with the Fields' poor kicking for goal doing little to help their cause. There was little in the game which saw Caulfield coming out on top by 11 points, with their better players being defenders Simpson and Lourie, T. Royals in the centre and rover Restarick.

On paper, Hampton Rovers fielded a good team, but they left the required attitude in the rooms in the first half. Result was that SKOBs went beserk, kicking 17 goals to 2 in the first half, with an 11 goal second term. They won the ball continuously from the centre and were superior in the air (and everywhere else by the sound of it). Robert Gross, who went on to kick 8 from the wing was outstanding, as were back flanker Pivetta and rover Marcus Olive. The second half saw something of a reversal, with the Rovers lifting and outscoring the SKOBs, but far too late to make an impression. Mark Crawford finished the game with 9 goals out of the 13 for the Rovers and Shaun Devereaux put in a great game on the wing, whilst Tony Manago was again prominent. SKOB's full forward Phil Callil also kicked 8.

Mazenod broke away early from Old Ivanhoe, and as the game progressed it simply became a question of "how much?". David Murray in the centre was a power house for the Noddies, setting them up time and time again in the forward line, courtesy of over 40 possessions. One beneficiary of this was Wes Marshall who went on to boot 5, whilst another prominent performance was put in by the veteran **Neil Robinson**, Reasonable players for the **Hoes** were **Ian Wells**, **George Farlakas** and **Glen Alexander**, but over all they're hoping for a few players back in the next couple of weeks to lift the performance.

THIS WEEK

St Kevin's take in the sea air down at Willie; the SKOB's record away this year is ordinary – they have yet to win – and the home side pushed top-of-the-ladder Caulfield last week. SKOBs got over-excited by their last home ground win, only to crash the following week and will not find today easy. However, I expect them to just take the points.

The **Wells** have another home game, but I don't think that will do them any good. After their blaze of glory a fortnight ago they reverted to the odinary last week. Today they encounter **Mazenod** who are really hitting their straps and who can be expected to win by a reasonable margin.

Success is currently eluding both **Old Ivanhoe** and **Old Geelong**, but the home side today could return to the winning list. **OG** have to do something about that non-existant forward line (though rumours that I have been asked to re-register are an exaggeration), but even if they manage an improvement it will not be enough.

Preston are back at home, with the **Rovers** making the long drive across town, and what I suspect will seem a longer drive home. The visitors normally play their best when they have their backs to the wall, but **Preston** are very hard to beat at "the Zoo" and are playing well.

St Bedes' have a major danger game – in other words, they are playing at home – against Old Caulfield. If there's more rain this week, the Fields may find their pace advantage negated, but I think their over all skill level will be enough to see them take the points. SELECTIONS:

Williamstown Mazenod Old Ivanhoe Preston MBOB Caulfield Grammarians (4/5 last week - my world best for the season.)

Note: It is now 6 weeks into the season, and the Williamstown and Old Camberwell clubs are yet to make any contribution to this column. Their players could be justified in asking "why?".

E STREET by Tom Brain

After 6 rounds things are starting to form a bit of a clearer picture as the top sides consolidate their positions. Tipping accuracy remains good and your reporting is excellent with the **one obvious exception** and this week it's **Elsternwick**. Come on **Steve**.

REVIEW

Doveton certainly stamped their mark on the Street with a resounding victory over ANZ. The Doves set up their victory with a great 9 goal opening stanza forcing the Zeds onto the back foot and play catch up football all day. They could make no impression on this very talented Doveton side, who increased their lead at every break. The Doves were well led by Alan Ladgrove who is also a good player, big Tony Ádhore as usual set it all up in the ruck, Gwin played very well, Dyke made an excellent return with 9 goals and Burgo, Steve Reiger (running out of things to say about him) and Murphy were all good players in a fine team performance. They will take some stopping as the season progresses. ANZ who must now have a rethick could take some solace in the performances of Maurice Sanelli, Tim Reed and Peter Smith.

The **Glenhuntly** versus **Bulleen** match was a close and interesting encounter all day with the steadiness and greater experience of the Hunters just getting them home in the end. The Bulls kept at it and kept persisting all day, so much so that they were still in front at 3/4 time and looking capable of holding on. But nobody expected the great burst from Glenhuntly, who booted 6 goals in the first 12 mins of the final gtr to make victory a certainty. Though still struggling with injuries the Hunters were very happy to return to the winners circle, while for the Bulleen side one feels a win is not too far away. Recently appointed C-F captain Bernie Rafferty again played very well as did a couple of youngsters in Glen Richards and Chris Whelan, Zacs as usual was a very dangerous forward. Ciro and Keays across half forward were competitive Bulls while ever reliable Creighton across half back did make it very hard for the **Glenhuntly** forward line.

Out at Northland both sides were very keen and really put on a good show considering the conditions, which were a little slippery, not that this was reflected in the scoreline. Despite what the final result shows it was a good contest all day. Northies are playing well again, while the Bloods refused to concede and just kept trying all day, with the accuracy of North in front of goal being a key factor in the result. Keith Hehir in the middle set up many opportunities for the talented North forwards where Deano capitalised with another 8 goals. Chris Keay at f. back was another fine player for the victors. The Bloods spoke very highly of the performances of back pocket Kenny, half back O'Connor and veteran Wilkinson.

Brunswick, like all good teams should, bounced back from last week's loss with a big win over Latrobe

who are now speaking. There were not too many highlights in this encounter. **Brunswick** played well, while the **Trobbers** tried hard especially in the last qtr where they went goal for goal with the **Wicks** to hopefully proveto themselves that the ability is around (keep at it). The forward line of the **Wicks** was especially strong where **Willo** and **Richo** had little trouble booting 19 twins between them, **Dasha** was again a goer (early B&F fav), with a special mention to young **Shane Moore** who has been invited to U19 State Squad Training. **Latrobe** could feel very pleased with "**Ronnie**" **Blackett**, "**Gary**" **Sidebottom** and **Bakogiannis** (gee he's been good this year).

Down at Thunderdome No 2 in the game not of the greatest standard Powerhouse, the quiet achievers of the Strett, inflicted an 80 pt defeat on the struggling Elsternwick. House are not making much noise but continue to win which is all you can ask. On the day Powerhouse were just too good for the Wicks. Billy Dodd's aggression at the footy was great all day, Wrighty had another good game keeping Elsternwick at bay, and Jim Hall played well after being moved into the centre. Overall a good team effort by the House.

PREVIEW

Powerhouse face their biggest test of the year this week as they welcome **Glenhuntly**. This should provide an even encounter: the **Huntsmen** are getting players back, **House** have been consistent. The greater physical strength of the visitors should just get them home.

North Brunswick, although their running game will be cramped on the smaller ground, will have no trouble with Elsternwick.

ANZ to rebound and beat the Bulls although they need to be more committed, must not take the visitors lightly.

The **Trobbers** will not stop trying, but will find themselves outclassed by a **Doveton** side that are fast becoming section favourites. **Latrobe** are holding a **Trivia Night** tonight – perhaps the State's Treasurer will figure in a question or two.

The final game of the round is a dangerous one for **Brunswick. Aquinas** play their own ground very well and their running game may worry the **Wicks** a bit. An upset here would not surprise, but apart from one stumble you cannot fault the **Red and Whites**.

SELECTIONS: Glenhuntly North Brunswick ANZ Doveton Brunswick.

THE SHARK MAKES IT TO 100

Andrew "Sharky" Bennett today (23/5) plays his 100th game for ANZ Bank against Bulleen United. "A.B." has been around for a while now and has taken a while to reach this milestone in his career. He has played most of his football in defence and is a very strong attacking backman always giving of his all. He has been Reserves Captain for a few years and this year is our Vice-Captain and after a slow start is now starting to display some good form. Off the field Andy has always been a willing worker serving on the Match Committee and this year he has taken on the important role of Chairman. Socially he never misses a turn and keeps the ladies ever on the alert and has been known to have a good time on end of season trips. All at ANZ congratulate you today "Shark", we hope it's a good one, hopefully you'll get a kick or two and the boys have a win for you, and we all look forward to those LONG LEGS of yours running around for a few more games vet.

50 GAMES AT SALESIAN OCAFC

Two more players reach **50** milestones this week (23/5) – **Rob Cincotta**, the full forward who kicked 17 goals in a game last year, now playing in the back pocket and **Anthony Perna**, last year's CHB now playing at CHF. Congratulations to both players. Hopefully they will play many more. In what positions is anybodies guess!

LOST PROPERTY

Lost! One slab of beer. Last heard of being promised to **Richmond Central** if they won their last game, last year by **Peter Hillie**. We have the promise in print (refer Rd 16 Football Record, F-Iroop). The slab has not found its way to the **Snakepit** yet! Peter, if you need the address we are not that hard to find. ## G SECTION by Norm Nugent

Round 6 results saw me gain the perfect score in North and 4 of 6 correct in the South to say nothing to my Under 19 tipping, eh Max!

### G NORTH

Eltham disposed of their seaside visitors by the unbelievable margin of 244 points. A remarkable feature of the game was that a score was recorded every 45 seconds. Such was the "Turtles" superiority. Undefeated leaders Bulleen-Templestowe defeated near neighbours Marcellin by 49 points on their sun soaked and sand striped Timber Ridge Reserve. Bulleen-Templestowe's accuracy was again a feature of their play and co-coach Paul Ryan told me that the "Bullants" have developed a strong and talented team. Results indicate that Paul is entitled to hold this belief! St Bernard's continued on their winning way with a 22 point win over Old Scotch who really are not playing to the standard we have come to expect from this great club. North Old Boys defeated Old Westbourne by 9 points in the lowest scoring match of the round. Kew by their big win over Banyule by 81 points moved up the ladder and kept themselves in touch with the leading sides. Camberwell in the Round 6 episode of "Eastside Story" circa 1992 humiliated Therry by a massive 96 point margin to insure their position in the top four.

### G SOUTH

Bloods closed their percentage gap with the leaders by defeating a disappointing **Öld Geelong** by 101 points. Glenhuntly let me down when they scored only one third as much as St Kevin's whose 50 point victory lifted them 2 places to tenth. Old Melburnians added to their club pleasure in Round 6 through their 31 point victory over St Kilda/South Caulfield who now find themselves one rung from thirteenth place. Collegians continued their good form with their second successive victory; this time by 25 points over Monash Gryphons. Aided by accurate shooting for goal De La Salle powered to a 44 point victory over Old Haileybury. The De La Salle passage back up the ladder was aided by Old Xaverians 9 point victory over Mazenod whose first loss sent them from first to third. The "Crocodiles" now lead the section. Monash Whites reflected on these results from the safety of the Bye.

### **PREVIEW OF ROUND 7**

### G NORTH

Today it is **Kew's** turn to travel to the seaside to play **Williamstown**. I am in no doubt **Kew** will return with the 4 points safely won by a wise margin. **Marcellin**, who have faltered of late, play **Camberwell** whose recent form is beyond criticism. Because of current form I am selecting **Camberwell** to win this game comfortably. Leaders **Bulleen-Templestowe** come to

town to play Old Scotch who are desperate to regain prestige and confidence as they struggle to record another victory. Bulleen-Templestowe's 1992 form which has been very good should win again today after a spirited Scotch attempt to be the first side to lower the "Bullant" colours this season. A new feature of G Section will be the added bonus of a night match on Friday between traditional rivals from the Christian Brothers School, North Old Boys and St Bernard's. Leaders St Bernard's must be favoured because they are as yet unbeaten this year whereas North Old Boys have been fairly inconsistent, St Bernard's are my selection to win and maintain their unbeaten record this season. Two sides yet to win this season, Therry and Banyule, meet at Therry where surely a draw will be well nigh impossible. Neither side has any form to warrant my selection. After much careful prognostication I select Therry because of their home ground advantage. Old Westbourne will play host to Eltham today providing the "Turtles" travel faster than their nom de plume suggests. Once on the field however I cannot see Old Westbourne holding Eltham to a losing score even though the "Turtles" are poor travellers.

### G SOUTH

In what could be the Grand Final Preview De La Salle and Old Xaverians meet today at East Malvern. Over the 6 rounds both sides have demonstrated why they hold the top positions on the ladder. Both have reliable forwards including Dalton (O. Xav.) and Losinno supported by Barnes for De La so picking the winner is no easy matter. De La Salle is my selection for 2 reasons: they are at home and their forward line has registered better scores than their Xaverian counterparts. Collegians have the chance to record their third consecutive win today by defeating St Kevin's. Recent form prompts me to select Collegians to win narrowly. Neighbours Bloods and Glenhuntly, who share the Glenhuntly Oval, meet there today in what appears to be a game, Bloods will win convincingly as they strive for a top four position. Mazenod will be all out to defeat St Kilda/South Caulfield as the 'Noddies know one of the top 2 positions is open to them today and that greater percentage will enable them to hold their position as the season unfolds. I am in no doubt Mazenod will win well. The greatly improved Monash Whites should have an easy victory over the disappointing Old Geelong. I suspect the big interest in this match will be how many goals can Sinn kick? Old Melburnians venture to Caulfield to play the disappointing Monash Gryphons given that OMs have the better recent form I select them and thus abandon the Gryphon bandwagon. Old Haileyburians with the Bye can adjourn to Bulleen to barrack.

#### 100 GAMES TO MONASH WHITES' JAMES YOUNG

James' exploits on and off the field afford him legendary status with the Monash Whites. Since starting with the club in 1986 (and winning the Best 1st Year Player Award) James has played in every position on the field, including ruck and rover. Nowadays he holds down the full-back position on a more permanent basis. Off the field, this former Countdown Revolution host plays his wares on 3RRR and attempts to forget his controversial inclusion in "Truth" as a soft-porn star. Desperate to shake off the tag of "Mitchell's older brother", James' determination and loyalty to the club make him one of Monash Whites' favourite sons. Congratulations from everyone on **100** great games!

One of the world's great brewers.

#### REVIEW OF LAST WEEK'S GAMES DIVISION ONE

As usual, no contact from **De La** about their win over the Bloods. However, Gilla told me that last year's Gilla's Gorillas are this years Gilla's Monkeys. He did have a couple of goers in Peter Jenner in defence and skipper Brett Canobe. Collegians lifted their effort against Marcellin in the 2nd half but they had given the Eagles too much start to peg them back. Jon Murray had a field day for Marcellin while Rick Carafa and Matt Russell were also consistent. Darren Sticca booted another 5 as did Giani Fava. OMs returned to their winners circle at Mentone's expense with Ross Egleton and Matthew Thomas their best. The consistent Branchflower got another 5 but was outdone by Thompson and Wallace-Smith who both got 6. Nodders absolutely thrashed Bernies - a rare event at Keilor. Best were Varney, Carbery and Meadows (5). Xavs almost doubled Monds score in a low scoring slog. Xavs' best were Strachan, Fay and Hall.

#### DIVISION 2 CENTRAL

Therry moved into the four after a good win over the injury-plagued Kew. Michael Talbot, John Woodgate and Jason Goodger were the Bloods' best. Uni Blues were too big and strong for the young Bullants. Hagar thought Puls played well for the Bullants as did Brad Hardie look alike "Bulldog" McAitch for the Blues. The good judges (non-umpired) had Rob Calnon and Mark Lazzari as Blues best along with the two big boys, Richie Dodds (8) and David Koczkar (5). Ivanhoe had their crooked boots on but still beat the Friars by 51 points with Raywood being their main straight kicker with 7. "Legend" Reg rated Devlin, Ford and Lee Pearce as Hoes' best. Towners upset my judgment by upending leaders Parade by 50 pts and cost me a green slab – well done fellas. **Paul Risteski** was b.o.g. despite a crook finger, while Jim Bubis got another 6. Steve Petridis and half back Fab De Lorenzo also starred for Towners. Carey went to sleep after a good 1st quarter against Wells and lost by over 10 goals. Carey's best triers were skipper Glindeman, Nance, Morrison and Campbell.

#### DIVISION 2 SOUTH

Bedas moved to equal 4th with a big win over De La with Mick Hecker kicking 5 and Luke Connolly and Brendan Beasley being 2 of many good Beda performers. Chirnside outscored Jackers by 6 goals in the last quarter to get home by one point. "Pembo" had 15 kicks for Parkers in that quarter – a big effort. Big Andrew Schafer was a welcome return after 5 weeks off and Justin Carusi was another good Parker. After an even first half in a good standard game, Scotchies opened up a break in the 3rd and Tonners just couldn't peg them back in thelast. I thought Justin Hosking was Scotchies' best and he had good help from Boyd Penfold and Garry Mills. In another game with an even first half, Rovers kicked away from Oakleigh to keep intouch with the four. Chris Rowston reckons Oaks are not far off a win and I think he's right. Chris gave Rovers' best to Phillipson (4), Williams and Harvey. Melb High gave their percentage a huge boost at the expense of the disappointing Caulfield with winger David McAllister and backman Jade Vidal two of their best. Ashers kicked the sweep with a margin of almost 200 pts over Old 'Hoes. Wes Douglas kicked 19 for the Ashers – half of their goal tally. Ashers had plenty of good players but Steve thought backline boys Matt Bruce and Blain Hanel deserved a mention.

## PREVIEW OF TODAY'S GAMES

Marcellin continue on with their predicted improvement and should have no trouble today against Gilla's Boys, whilst Nodders' form last week suggests that they should be untroubled against the Monds. Tones have yet to break the ice but I think they have shown enough improvement in the last couple of games to go for them against Collegians in an upset. OMs travel to Keilor to take on Bernies on the rebound from a thrashing - quite a challenge. Bernies have lost a couple of key players to the "ones" and I think that has unbalanced them enough to enable OMs to just sneak in. The other game is the replay of last year's grand final between De La and Xavs. I don't think either team is playing as well as they did at the end of last year. De La lowered their colours against Bernies 2 weeks ago, but their excellent record at home over the years is the reason I'll go for them to just get there.

#### SELECTIONS: De La Salle Marcellin Mazenod Old Mentonians Old Melburnians DIVISION 2 CENTRAL

Frog's **Trinity** boys are at home to **Kew** and I think **Kew** might get enough back from injury to enable them to stop **Frog's** hope of a winning hat trick. **Ivanhoe** should be too strong for the **Bullants**, whilst equal leaders **Wells** will roll the **Friars**. **Carey** will keep in touch with the four by beating the **Blacks** today (thanks to **Therry** coach Anthony for his dud mail on Blacks last week!). **Therry** are at home to **Thomastown** and, whilst the **Roys** are playing well, I can't see them putting an end to **Towners** undefeated (on the field!) run. **Blues** and **Paradians** is another vital one for both teams' hopes of the four. **Parade's** form over the last 2 weeks has been ordinary and I expect the **Blues** to inflict the **Bundoora Boys** third loss in a row.

#### SELECTIONS: Kew University Blues Ivanhoe Old Camberwell Thomastown Old Carey DIVISION 2 SOUTH

Hard to decide a winner between **De La** and **Fields** who have both failed to notch a win. **Fields'** effort last

week was pathetic but they had previously put in a oouple of reasonable efforts and should be first past the post today. Whilst **Old Hoes** were ordinary last week hey should be better at home today, but the **High** boys will still win. **Bedas** will continue their winning form at the expense of the **Oaks**. **Rovers** got back a glimpse of their early season form last week but are a bit stiff to cop their neighbours **Brighton** on the rebound from the first loss. **Tonners** should just get there. **Scotchies** take on unbeaten leaders **Chirnside** at Yarra Park and, if they can reproduce last week's form, I expect them to win. **Ashers** get their first real test of the season against the **Jackers** today. **Jackers** have given the top teams a big go in their last 2 games and with their home ground supporters in full voice will get the points today.

#### SELECTIONS: Caulfield Ajax Old Scotch Old Brighton MHSOB St Bede's

## COACHES CLIPBOARD edited by Mike McArthur-Allen

## **INTERVIEW WITH ROD AUSTIN** VFDF COACHING DIRECTOR

### by John Keenan, Assistant Coach, Fawkner

Two weeks ago I was indeed privileged to spend some time with Rod Austin doing an interview for Coaches Clipboard. The "interview" took the form of a general chat about certain aspects of football coaching.

J.K. What aspect of football do you feel is most neglected by the Amateur/district coach?

Rod. AT TRAINING. Not enough initiative (decision making) drills where players are put into ''game-like'' situations and have to make choices.

IN GAMES: Many coaches spectate too much - watch the ball and do look in front or behind to assess how histeam is setting up; ie, is the forward line open (space), are the half forwards pushing up; are backmen manon-man when the ball is in the forward line; are the ''on ball" and centre line players setting up correctly, etc. All these depend on your methods of coaching, your ideas and "Team plan". (See below.)

Too often the "LITTLE THINGS" are ignored or not acknowledged – smothers, tackles, shepherds, spoils etc. These "team" things are essential but credit only goes to "mark of the day", "goal of the day" situations. Remember, often some hard work down back, in midfield, or even holding the ball in the forward line can result in a ''great'' goal-give credit all round, not just to the "finisher"

(Rod also felt that a lot of coaches are often not "specific" enough with their instructions, ie, they'll tell a player or players to "RUN", but don't explain WHERE or WHY. He gives as an example the term "PLAY IN FRONT'' and how 3-4 coaches may all have a different interpretation of that term yet all can be correct.)

J.K. What is the difference between a 'game plan' and "Team plan"?

Rod.	TEAM PLAN	[ BASICS	
	(Style of play)	TACTICS (game pl	ar

A "Team plan" (style of plan) utilises your team strengths and is based on your basic philosophy as a coach as well - some examples being kicking to key forwards (St Kilda), possession game (Hawthorn, Eagles), defensive (Melbourne).

You would have "basics" as part of your team plan also. "Basics" are things you expect would be carried out in certain situations week in, week out - eg, punch from behind, centre the ball on the forward line etc. (allowing players some initiative as you would indicate).

The term ''Game plan'' would to me refer to tactics. Tactics alter from week to week depending on circumstances such as injury (yours/theirs), known opposition strengths/weaknesses vs your teams, weather, ground size and condition etc.

J.K. Over a period of time, how would you go about building variety into your message? (avoiding repetition) Rod. Probably one of the hardest things for a coach

to do. You need a number of ways of presenting

information to your players - individually, groups (eg all backmen), team, group discussions, guest speakers, videos, going as a group to watch an AFL team train/play etc. Training is one way you can avoid repetition and emphasise points - simply with variety in drills but keeping the same theme. (Rod also believes in instant "feed back" when situations occur that reinforce instructions he has given – eg. "That's what I mean can happen when you do/don't do what we spoke about'.)

J.K. An "On ball" player is doing a lot of running, but is simply "chasing" the ball around and not actually catching up to the contest. What would your advice to him be?

Rod. In games, on ball players must be able to read the play and make "percentage" judgements as to their chances of winning the ball or being used - it is no use being 100% attack or 100% defence - the coach must know his player's ability and also be able to explain/show what he wants. If the player's direct opponent IS winning the ball, the player should play closer to him. At training, in a full ground movement drill (NOT circle work) watch his movements - call him in during the drill and watch one of your "smart" reading the play team members and let him match him. Let him run with this player and have it explained to him why the ''smart'' player did what he did. This is only one example.

J.K. We don't all coach good sides. What would your advice be to the coach who is struggling with an undermanned side and being beaten each week concentrate on skills or keep training to the Team plan? Rod. Stick to ''relevant'' Team plan drills, and coach

"individually' through those drills. Explain to players why they are getting into the right/wrong positions, where they should be going and what they should be doing etc. Once again try to utilise your senior players, get them to run with another player and explain where and why to run etc.

If you have a strong support coaching staff, get them to run some drills while you take some boys aside for skill work, or again use a senior player to help with some skills. Perhaps you need to get with some of the players before/after training for some extra skill work.

J.K. What difference do you see in the use of the interchange bench today compared to when it first came into being?

Rod. The interchange has turned a full circle since its inception - it does not seem to be blatantly over-used as it was a few years ago (a revolving door policy!) players are allowed to settle down more and are given some time to get into the game. Most interchange players are the utility style of player who can go anywhere -flexibility is the key word. The ''bench'' is also a great reinforcement agent if players persist with undisciplined, costly to the team actions.

Coaches Clipboard continued from page 39

J.K. In the case of the Reserves/U19 coach, should the obligation be to the individual or to the team when considering the use of the interchange bench?

Rod. Junior clubs (under age) have an obligation to players to ensure maximum participation for everyone (over a game, over a season). At senior level, the higher the competition level, combined with the overall club philosophy would dictate such a situation.

J.K. On the question of Coach accreditation - firstly why do we need it, and secondly, what do you say to the argument that it's better to have a coach who has played 200 games but it not accredited than the one who has never played but has achieved level 2 accreditation?

Rod. Firstly, coach accreditation is important as it aims to keep the coach up to date with latest developments in all fields that relate to football. Experienced presenters in their field present information in both practical and discussion-type sessions which involves much feed-

back from participants. The aims of coach accredita. tion is not to produce "winning" coaches but to expose them to a variety of topic areas relevant to their chosen coaching level. They can then take back and use what they see as being important. Our best publicity comes from positive feed-back. On the second issue, we would like to see all coaches irrespective of playing experience be accredited.

J.K. Who is the best reserves coach in Amateur football at present?

Rod. At work, every Monday morning for two years. Len Hanna (De La Salle) told me how good he was. It is too early in the '92 season to establish his successor

Although Rod's knowledge of current Amateur Coaches is obviously limited, I would like to thank him on behalf of all avid readers of the "Coaches Clipboard" for giving us his time and for sharing some of his thoughts on football with us.

## MARKETING NEWS by Mike McArthur-Allen

## SUPPORT YOUR SPONSORS

**HBA** has been a valued sponsor of the VAFA for some 3 years and in that time has provided quality health cover for many of our players.

As part of our sponsorship agreement with **HBA**, we suppled 50 of our clubs with "Support Your Club" pamphlets specially designed for the VAFA.

These pamphlets were to be distributed to all registered players for completion and returned to **HBA**. Out of the 4,000 pamphlets distributed, only 13 have heen forwarded to **HBA**.

The purpose of this exercise was to research how many of our players have:

- NO PRIVATE HEALTH COVER
- COVER WITH ANOTHER HEALTH FUND
- COVER WITH HBA

Priority was to be given to all players with no health cover. **HBA** would explain the obvious reason why people involved in a high risk sport should make sure they have adequate cover just in case the unthinkable happens.

Those players who have cover with another health fund would receive advice on the benefits of being an **HBA** member.

Whilst your players fitness is important, again I must stress that it is equally important for committees to ensure all players are protected against the financial loss as a result of injury.

The VAFA endorse and recommend **HBA** health insurance and we strongly suggest that the pamphlets be completed and returned to **HBA** as a matter of urgency.

If any players or committee members would prefer to talk with an **HBA** representative, please feel free to contact the HBA HOTLINE on (03) 805 8000.

I would like to thank you now for your anticipated co-operation.

## Healthy News for all VAFA club members

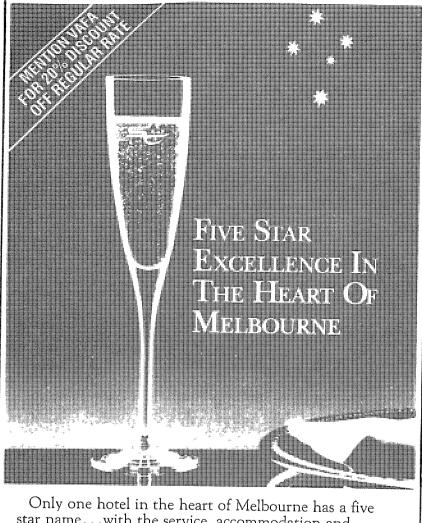

HBA has a range of tables to suit your budget and your lifestyle. All tables offer the convenience of Easypay – automatic payment deductions from your bank account or charged directly to your credit card.

## Special Offer

For all VAFA club members who are uninsured and join through Easypay, **HBA will waive** the normal two month qualifying period on any Hospital or Extras table (maternity and existing ailment rules apply).

If you are insured with another fund and transfer your membership, HBA will honour your qualifying periods served with that fund. For more details, call the HBA Hotline on 805 8000.

### ROUND 7

#### 5 YEARS AGO - 1987

UHSOB's tireless worker, Tony Eoyce, played his 150th game, "Boysie" can usually find something around the club to do on training nights which must be given preference to going on the track. Treasurer, committee member, captain-coach of reserves side – Boysie had done it all.

**Ormond** lost their first match for the season when they went down by 14 points to third team Old Xaverians. Early in the final term Ormond were 18 points up but then the O. Xavs boys piled on 6 goals. It was quite a game. Xavs' star, full forward Steve Curtain was knocked out by a heavy bump in the first minute and Mick Atkins caught Ormond's Phil Mehrten off balance in the last quarter and put him into the fence. Final scores were 15.14 to 13.12. Best were Atkins, Peter Curtain, O'Sullivan (O. Xavs) and Taylor, Clark, Tonkin (Orm.). Bulleen-Temp. (A) won their first match against second bottom, Caulfield Grammarians, 20.16 to 14.14. What a second quarter it was for the Bullants – 14 goals, 5 behinds. Harisiou, Bell, Keenan were best.

250 games to popular **North Old Boys'** champion **Mauro Borcich**, club B&F a record 4 times, Carnival player, club captain in 81, 82 and 83, leading the 1982 premiership side.

It was a thriller in 'D' Section when St Kevin's kicked 4.5 in the last quarter to Preston's solitary point to get up to score by a point. The stars were B. Campbell, A. Mulcahy, Trelear (St. K.) and Moore, DeBono, Thomas (Preston).

150 games to Kéw's champion rover, Joey Busuttil, club B&F in 1984 and 1986, and also 'C' Section B&F in 1986.

#### 10 YEARS AGO - 1982

All-Australian interstate half-forward flanker, and captain **Mike Sleeman** played his 150th game for **Uni Blues.** 

200 games for **Old Trinity's Stuart Stockdale** – Stuart's career had been highlighted by leading competition goal kicking in 'D' Reserve ('70), 'C' Reserve ('71) 'B' Reserve ('73, '74 and '78) and 'A' Reserve ('75 and '76) (Stuart is a Member of the Executive in 1987).

Joe and Kevin Segota become the first brothers to officiate as field umpires in the same match when they controlled the match between Kew and Alphington at Elsternwick Park.

In a high class match with scores close all day, Old Scotch beat Ormond 17.20 to 17.16. Best were Mason (7 goals), Tallent, Bowden (Old Scotch) and McCooke, Vane, Parisi (6 goals) (Ormond).

#### 15 YEARS AGO - 1977

The selectors picked the following to represent Victoria against South Australia in Adelaide: J. Griffiths,

B. Morphett (Caulfield Grammarians), R. Halasa (De La Salle), J. Gartner (Marcellin), P. Hall, G. Wilson (North OB), W. Peers (Old Trinity), B. Bourne, A. Naylor (Ormond), P. Aughton, M. Drennan, R. King, G. Wade (St Bernard's OC), S. Trumble (Uni Blues), I. Rice (Collegians), I. Davis (Geelong), J. Houghton (Old Haileybury), I. Cordner (Old Melb.), J. Anderson (Old Scotch) (captain), R. Cooke, M. Yeo (Old Carey). Coach was Peter O'Donohue with Brian Lauder as manager and John Butcher as assistant.

**Commonwealth Bank** congratulated **Sam Athans** on his 200th game. Sam started with the club in 1962 in the junior side and as committeeman and captain "his leadership has been inspirational".

In a high scoring game, FIT inflicted first defeat on Bulleen-Templestowe 'F' by 2 points after trailing by 5 goals at the first change. Fahey (6 goals), Hoyne, Ferguson (FIT) and Foulds, Murphy, Nauscawen (Bulleen-Temp.) were best.

150 games to Ian Ramsay (Elsternwick), Graeme Atchison (Caulfield Gramm.), Ian Poulton (Geelong), Peter Hogan (St Bernard's), Wayne Gale (Alphington), Chris Roach (Coll.).

#### 20 YEARS AGO - 1972

**Coburg** staged yet another form reversal to defeat previously unbeaten **Caulfield Grammarians** by 43 points and leave **Ormond** the only unbeaten side. **Coburg's** brilliant second quarter burst of 8.3 to nil won the game; **Leckie, Willoughby** and **Zylan** were their best.

SSB (in 'E') also lost their first game when they went down to Marcellin by 20 points. Marcellin ''blitzed'' Bank in the first quarter, scoring 9.10 to nil. Stars were Mahon, P. Toohey and Hurley (Marcellin) and Inglis, Spithill and Wright (SSB).

200 games to John (Herb) Adams (North Old Boys) and 100 to John Butcher (Caulfield Grammarians).

End of an era for **Old Haileyburian** when veteran **Andrew Home**, 205 games in 12 years played his last game. In his 12 years **Andrew** only missed 8 games, none of which was due to injury.

#### 25 YEARS AGO - 1967

Phil Hay (St Kilda CBC), Peter Bowring (Old Haileyburians) and Spence Williams (Old Paradians) chalked up 100 games.

**Coburg** after winning the first 4, suffered their second defeat by 27 points at the hands of **Caulfield Grammarians.** 

AJAX and Parkside were undefeted leadrs in 'D' Section with 5 wins each.

Only senior teams yet to break the ice were **Old** Melburnians ('B') and Elsternwick ('E').

Old Scotch (23.13) annihilated University Blacks (4.22).

#### 40 YEARS AGO - 1952

Laurie (Socks) Holman played his 100th game for Ormond.

Adrian Schrader (still well known to many followers) starred for Old Xaverians.

**MHSOB** (1.6) against **Ivanhoe** (10.6) recorded their lowest score ever.

Bill Mason (later an umpire) was starring for Ivanhoe Juniors.

Coburg (13.18) to East Malvern (4.9) continued their unbeaten run in 'C' Section.

Murray (11 goals) was a star in Caulfield Grammarians' big win over E.S.&A. Bank (23.18) to (6.3).

## CLUB SECRETARIES/PRESS CORRESPONDENTS

## AFTER MATCH SCORES

Club secretaries were advised in a March Memo (No. 8/92) of the procedure to be followed in phoning after match scores and information. This was extremely poorly followed for Round 1, however all fines will be waived for Round One as many callers (press correspondents) indicated their secretary didn't pass on the memo to them.

The procedure is as follows:

- Round 7 already with only 120 days to the 'A' Section Grand Final. Where will you be on September 19/20?
- Best wishes for a speedy recovery to Kevin 'Chili' Segota who underwent arthroscopic surgery that he injured his knee after falling off his wallet. Good news for the Club is that he's out of action for a month or so.
- Headline in Monday's 'AGE' 'Sport Extra' "Goodman lifts new record, heads for Olympics". Unfortunately it wasn't Benny. The only records he lifts nowadays are old 78's!
- Was that really Les 'Hooker' Harrison with the new 'perm' and wearing a collar and tie after training? How did the hairdo fit under the bike helmet?
- After watching 'Agate' demonstrate the simple art of putting all one's Match paperwork in the official envelope, the 'great Bald One' is seriously considering conducting Origami lessons after training.
- Great to catch up with former Bulleen-Temp. champ (and now Bulleen United coach) Andy Smythe and Michael 'The Bear' Flanagan at a recent 'E' Section fixture. Good luck to all teams in 'E Street'.
- Congratulations to Geoff 'Puff' Grigg on his first 'A' Section appointment last weekend. The genial goalie – a former North Balwyn Little League and Vickick coach – was encouraged by Old Ivanhoe's favourite umpires man, Alan Salter, to join the VAFA ranks. With the 1991 U19 'South' and 'G/F' Grand Finals under his belt, Geoff can look forward to an enjoyable Amateur career.
- Congrats to Graham Byrnes, The Hyphen and backroom assistant, John 'Grace' Kelly for their entertaining Amateur Footy Show on Southern FM 88.3 every Sunday morning. For those of us who live beyond the 1 kilometre broadcasting band – stiff! We are sure 'M.M.-A' can do tapes – at a price!
- Speaking of radio was that Norm 'Nude Nut' Nugent previewing Amateur fixtures on 3UZ just before midnight on Friday night? Obviously, Norm doesn't need as much sleep as the rest of us before Saturday's game.

- Thanks to John Kelly, Bill Fowler, Wayne Binch and the 'Pres' for working with the young Haileybury goal umpires over the past month.
- Spied Jason 'Roger' Moore with his Tupperware container prior to a recent Tribunal hearing. Is the 'Top Taste' supremo seeking a catering franchise on Tuesday nights?
- Our Umpire Profile this week zeroes in on Justin Toohey, who, today officiates in his 100th VAFA fixture:

Name: Nicholas Justin Toohey. Nickname(s): 'L.A.', The Judge. Year Commenced Umpiring: 1986. VAFA Games: 100 today. Highlights/Achievements: Adelaide end-of-season trip (1987); AAFC Carnival in Perth (1991). Greatest Influence on Career: Pat Bowd. Football Playing Career: Too long ago to remember. Football Pet Hates: Umpires who think they know a lot about playing football and players/officials who think they know a lot about umpiring football. Most Memorable Matches: U19 Second Semi (AFL-1990); 1991 VAFA 'A' Section Grand Final. Best Amateur Footballers Seen: Ric Schober (Collegians); Bruno Conti (NOB's). Best Umpires: Therese Bolger, Greg Hardiman,

Shane Urwin. What I Like about Umpiring: VAFAUA Golf days. Players with a sense of humour.

What I Dislike about Umpiring: Tribunals. Personal Ambition: To keep performing at a high level. Not to let Mark Jenkins beat him in a 4km Time Trial.

Well done, Justin!!

- · DATES TO REMEMBER:
  - · Thursday, May 28th: Monthly Meeting.
  - · Golf Day: See Steve Clinch.
  - Saturday, June 13th: VAFAUA Centenary Celebration Dinner. See Richie Simon.
  - End-of-Season Trip: See 'Stud' Kilner.
- Go RACV Travel . . .

# WEAR A MOUTHGUARD When Training and Playing!

## Well done VAFA!

Our 1991 survey of players showed 89% of mouthguard owners always wear their mouthguard at matches. But...Only 10-13% always wear their mouthguard at training. So, wear your professionally fitted mouthguard when training and playing football.

Make this your GOAL in '92.
