EDITORIAL by Phil Stevens

Good afternoon football followers.

Last year, after a couple of well documented prematch luncheons which continued on well after match starting time, thus incurring fines and warnings for clubs, the Executive asked me to issue some directives for clubs in planning luncheons.

I thought today it is well worth presenting again much

of last years Editorial about:

PRE-MATCH FUNCTIONS AND AMATEUR FOOTBALL

Without argument the best and most progressive rule introduced into the VAFA has been the "no drinking alcohol at any amateur venue" rule. This rule has enabled the family to once again attend local football without fear of harrassment by those "under the

The VAFA has allowed its member clubs, however, to serve liquor with a pre-match luncheon after having first gained approval in writing from the VAFA. In recent times the interpretation of this has been a matter of conjecture. For example, does this mean that even though the game has started that patrons at the pregame luncheon can continue drinking until bottles, jugs and glasses not consumed or not emptied before 2 pm can be emptied?

The organisers of any luncehon must ensure that no alcohol is consumed after 2 pm and nonadherence to this rule can have a member club charged with "Conduct unbecoming to a Member Club of the Association". The Association recognises the importance of such luncheons to fundraising and entertainment of the sponsors, and the following guidelines to clubs holding such luncheons are offered:

1. Organisers should ensure that no alcohol is served after, say, 1.45 pm so that the dilemma of patrons having full bottles, full jugs, full glasses at game time

is not a problem.

2. Waiters/waitresses should ensure that at approximately 1.45 pm half empty bottles and jugs are moved to tables requiring alcohol to save new bottles being opened or jugs being filled for these particular

That an announcement is made at the start of the luncheon stating that no alcohol will be served after 1.45 pm and that it is hoped that patrons at the luncheon will leave the dining facility at 2 pm and enjoy the spectacle of the football, which is the main reason, after all, for attending the ground on the

particular day.

4. That the organisers of the luncheon ensure that preluncheon drinks are completed by at least 12.15 pm and guests are seated by this time and the meal served by 12.30 pm enabling the meal and any accompanying speeches to be completed well

before game time.

The Executive has recognised that clubs are seeking quidance in this area and that various interpretations of the alcohol/luncheon rule have been in use in the past and as such the Executive is hoping that these clear directives will assist clubs in enjoying pre-game luncheons and making sure that the "VAFA no alcohol rule" is more clearly understood and adhered to.

After all, as mentioned earlier, the game of football is what we are all going along to enjoy between the hours of 2 and 4.30 pm. Let's all enjoy the sponsor's product

in a responsible way at the end of the day.

Clubs planning pre-match luncheons also need to know that under Association rules they are to advise Administration in writing of their plan to hold a function and to actually seek permission to hold a luncheon. This written permission needs to be in the Club's possession before the day of the luncheon.

If you are attending lunch before the game today, enjoy it and your afternoon of football which follows.

REVIEW

Collegians turned it on last week when they brushed Old Xavs aside with a first half onslaught that saw them hold a match winning 61 point half time lead.

The old names were in it again - Bennett, Hoyle, Irvine, Hinchen and co. to assure the safe keeping of

the Lion's top spot.

Dale Holmes, Doug Bailey and Andrew Dillon did well all day for the Xavs, but they did not have enough players with enough talent to match it with Collegians.

Leigh Carlson certainly must have a smile on his face, especially with another 3 or 4 players expected

to come back into the team.

De La Salle did a similar job on Old Scotch when they shot to a 43 point quarter time lead - game over! Col McClounan and Danny Smith tore the Cardinals to shreds and with Nick Fraser (4 goals) and Sam Hunter (3 goals) making good space up forward, De La were able to stay in touch with Collegians.

Gavin Eagle and David Iser were best for Old Scotch, but too many players failed to handle the

conditions.

Andrew Millar kicked 5 goals but basically this game

was all over by quarter time.

Marcellin had a complete form reversal when they went down to Old Haileyburians by 3 points. The wet conditions helped assure the Bloods of an ordinary day for Marcellin's Gary Petroff, who must kick goals if the Eagles are going to win games. Haileybury by contrast had goal kickers all over the place, but still lack a key forward.

David Connell at centre half forward and Adrien Walden at half back set up this most important victory, which made sure that the Bloods don't lose touch with

the rest of the pack.

Joe Amad, Andrew Tranquilli and Matt Chun lead the way for Marcellin, but they could not keep up the momentum that they had the previous week against

Ormond came from behind to continue Therry's woes. Matt McConvill, Justin Clarkson and Brett Connell certainly proved to be a strong on-ball

Therry's Paul Matton sharked much of the play, but had little to kick to in the forward line. Mick Grocock and Lou Carvana did well across the centre, but Ormond had too many dangerous players upfield.

From all reports the only thing interesting about this game was the fact that it was close. Anyway, Ormond have stepped into the four and, with Justin Clarkson back, are beginning to look dangerous.

North Old Boys came back on to the winners' list with a 34 point victory over St Bernard's last Sunday.

Tony Egan booted 5 goals from full forward and he was well assisted by Tony Cahill and Bruno Conti. up and they hope that some of their other injured players may come back in the near future.

St Bernard's just couldn't get going. The Gollant brothers were well held and Wayne Carey had little influence on the game.

Everybody is waiting for North to come good and maybe this win is the start of things to come.

PREVIEW

De La Salle take on Ormond in a game that will show how much better Collegians and De La are than the rest of the competition (if they are any better at all!).

De La will start as favourites and boast a fine running fleet consisting of talent like Col McClounan, Brett Mahony, Danny Smith, Chris Belleville and Julian

Maloney.

Ormand have been down in this area, but in recent weeks Ashley Orr and Brett Connell have been in good touch and this, coupled with the return of Justin Clarkson, has given Ormond a bit more bite. Stephen Grace has been in good form and always kicks his share of goals. De La have Nick Fraser and Sam Hunter kicking goals with their runners getting the leftovers.

Which ever backline is the tightest will decide the winner of this game. I can't see De La losing another

game at home. De La by 15 points.

North Old Boys take on Therry and they hope to make it two in a row.

Therry, after starting the year so well, have fallen in a huge hole. North are just starting to get their confidence back.

Tony Egan is kicking goals again for the Old Boys and **Abrahams**, Cahill and Conti are providing steadiness across the half back, centre and half forward lines.

Therry have the same players doing the job every week. Paul Matton, Mick Grocock, Mark Crotty, Jason Reddick and Mick Goodwin need a bit more assistance from the rest of the team. The lack of goalkicking forwards must be a problem for Tony Crotty as he searches for a solution to Therry's slump.

The **Old Boys** have got a sniff of the four and they'll win this one, not by much though, as they still don't quite have that killer instinct back. NOB by 10 points.

Collegians venture out to St Bernard's which is not a happy hunting ground for any team. The wind, the mud, those cold showers and the trip make it generally a miserable day for most visiting sides

But Collegians really are a good side! There muchspoken about forward line is all but unbeatable. How can you hold Mount, Hoyle, Woolhouse and Schober to a low score? And even if you do how do you kick a winning score against Bennett, Hinchen, Kerr and

Anthony and Paul Caper are good players for St Bernard's and so are Gavin Keane, Wayne Carey and Luke Gollant, but I feel that Collegians just have too

If St Bernard's are going to win they had better hope that Collegians just don't feel comfortable at Essendon.

Can't pick against the top side - Collegians by 15

points.

Old Xaverians are at home to Marcellin in what should be a good game. These sides are fairly evenly matched.

Joe Amad and Dale Holmes should have a great hattle in the centre, as will Matt Chun and Richard Green in the roving battle. Andrew Tranquilli will pick John Bowen and I expect Nick Bourke to pick up his brother Matt.

The Xaverian ground is usually dry which should suit Gary Petroff - if he fires then the Eagles will probably post a winning score. Chris Castagna and Tony Caffry may also prove to be too clever for their

Xaverian opponents.

The Xavs have made a fine debut into A section, but today may not be their day as Marcellin bounce back from their unexpected defeat at the hands of Old Haileybury last week -Marcellin by 2 goals.

Old Haileyburians play Old Scotch at the

Mackinnon Reserve.

Scotch are coming off a disappointing performance against De La, while Old Haileybury will have a bit more confidence after their win over Marcellin.

Gavin Eagle will have his hands full keeping up with the "in-form" Wayne Phillips in the centre and I can't see Scotch stopping Peter Thiessen on his wing. Billy Baxter will have to be right on his game or else Andrew Millar may kick a bag for Scotch.

Old Haileybury have fallen down up forward this year and the Scotch defense has miserly residents such as Peter Brown, Rob Fuller, Jeremy Laird and Andrew Lloyd, who have had very few goals kicked against them in recent weeks.

Scotch have been in excellent form apart from last week's first term hiccup - Scotch by 20 points.

DE LA'S 200TH GAME TODAY

Many fine personalities have passed through the ranks of De La, both on and off the field, none, however, better than Smacka (Mark) Lowe, who participates in his **200th** game today (30/5). Smacka came to De La Reserves in 1981 and his natural ability soon promoted him into the Seniors, and has, over the years, earned the respect and admiration of both friend and foe throughout Amateur ranks. He has participated in 5 De La Premierships, represented the State in 2 representative teams and was captain in '90, also the captain of '91 Premiership Team. What a feat of treasured memories he must have. He has been an active committee man, been the main organiser of functions for the Club and for end-of-year trips. We all salute you Lowie and earnestly hope to have you around for some time, CONGRATS SMACKA!!

DE LA DINNER

A Dinner Night for players and supporters is to be held at The Racecourse Hotel on Tuesday, 2nd June at 7.30 pm. Contact Ralph McHenry this weekend for bookings on 579 0540.

MARCELLIN — 150 GAMES TO AL

Committee, players and supporters of Marcellin OC AFC congratulate Al Hardy on playing his 150th game for the club against Bulleen/Temp on 16th May 1992. All has given invaluable service to the Eagles over the years, especially the way in which he has coached and organised the club's 'G' grade team for the last 2 years. Even though his studies prevent him from coaching this season, we are sure that AI will be of great assistance to new coach Tubby in the organisation of the 'G' grade boys. Well done AI, there is certainly another 50 games.

MARCELLIN - 50 GAMES

Congratulations to **Tim Mahon** on playing his **50th** game on Saturday 16/5 for the Eagles. Tim has fought against serious injury and all at Marcellin wish him the best for the future.

Would you like a weekend for two flying to Sydney, courtesy of Ansett Australia plus accommodation? WHO WOULDN'T? Well that's the prize for this year's winner of the VAFA CLUB PRESS CORRESPON-DENTS AWARD.

Clubs interested in participating need to submit a scrapbook or similar presentation to the VAFA at the end of the season. More details are listed in VAFA Memo 11/92 (April 1992).

This is a great competition whilst at the same time it is an essential part of raising your Club's profile in the

print and/or electronic media.

Last year's winner David (Dutchy) Holland from Old Mentonians is pictured here being congratulated on his very comprehensive Media Folio by Club Secretary, Andrew Newman. Dutchy and a lady friend had a fabulous weekend in Sydney at the Southern Cross Hotel and is already working hard again this year to keep Old Mentonians' media image highly visible. Well done

What about some other CLUB PRESS CORRESPONDENTS getting active and developing their own Media folios. They could quality for this year's prize.

Talking Football thought it a good opportunity this weekend to reproduce a couple of previous articles from this column. A great improvement has been noted since the time these were first produced, although greater improvement could be made.

Secretaries are the key people in both of the following.

ALL CLUB SECRETARIES AND UMPIRES ARE REMINDED OF THE 1992 PROCEDURE REGARDING REPORTS AND CONTACT TO BE MADE WITH FLSTERNWICK PARK AS A RESULT

 The Club Secretary of the reported player to ring Elsternwick Park on Monday morning ONLY IF the player wishes the Tribunal Co-ordinator to consider the

prescribed penalty being given.

The Tribunal Co-ordinator, once he has considered the player's previous record and the gravity of the report, will then inform all involved of his decision — if the prescribed penalty request is granted. If the request is denied the club secretary only will be informed of the denial.

Goal Umpires – white coat, 2 flags (45 x 45 cm)

*For the areas asterisked above field umpires have been instructed to stop the game until the offending person(s) leave the field – they can only return when correctly attired.

The Vics train on seagull soup!! Someone who looked very similar to State captain "Frosty" Fuller just happened to find a dead gull the other night at State training which just happened to find its way into the soup pot. When training finished and the players were about to enjoy their ritual of soup and rolls the "real" Fuller insisted the coach and his selectors for the first time should be served their soup and rolls before the players. Only five mugs of soup were consumed that night!!!

Talking Football has been told that this year the WAAFL (Western Australian Amateurs) has based it report forms and tribunal procedures exactly on our Victorian model.

So keen were WA to improve this aspect of their administration that during last year they despatched 2 of their Executive to Melbourne to study our system and make recommendations back to their full Executive.

During last Sunday's A Section match a goal umpire reported two players for striking each other behind the play.

Our umpire followed the correct procedure exactly which is – during the next available break in play (eg point or goal scored) the goal umpire to run and advise the field umpire that he has made a report(s). The field umpire then will advise the players that they have been reported and he then orders them from the field.

This is only to happen when VAFA supplied goal or boundary umpires are officiating at games.

NB: Club supplied boundary and goal umpires can only take action against players through their club who will lodge a request for an investigation in the normal way

REVIEW

Banyule managed to snatch victory from the jaws of defeat. The game against Old Trinity was a very mediocre game for the first 3 gtrs. Trinity looked home and hosed at the 15 min mark of the last atr as they skipped away to a 32 pt lead and looked set for an easy victory. But then the Bears' big fellow Dave Williams dominating the centre bounce, quick goals by **Broster**, a miraculous banana kick goal by Scutterby and the Bears were on fire as they overran Trinity to win in a stunning reversal of form by 9 pts. Banyule best player was Stephen Gray, Dave Williams and John Turnbull were instrumental in the Bear's win. Trinity best was rover Sam Oldfield, Mick Hendley and Nick Beardsley had good matches.

Uni Blues at home to **O. Paradians** on a heavy bog was a real struggle for both teams to come to grips with the conditions - only 5 gls kicked between the two sides at 1/2 time completes the story. The 2nd half Parade kicked 4 goals to Uni Blues 5 to win a lack lustre game by 15 pts, but most importantly the win by **Parade** now has the Catholic boys in the four for the first time this season! Parade's best player was rover David Beck who is a real goer. Every week player Peter Brabender keeps on amazing, Paul Shannon had a real go. Uni Blues best was the big fellow Mike Yandell. Grant Williams and Darryl Gust were more than useful.

In another tight game from this great round, O. Mentonians made me eat my words when they hung on to record a gutsy 3 pt win over the indifferent O. Melburnians. Mentone have a huge home ground advantage: they jumped Melburnians with Stuart Farrow dominating the backlne to gain a match-winning lead of 29 pts at half time then it was all **O. Melburnians**. After the break, talk about a game of two halves - O. Melbs 5.4 to O. Mentone 1.2 (in fact Mentone did not score at all in the last qtr) - to win by 3 pts. All at Mentone were talking about Gary Norton's one handed mark and play on for a goal (a career first) with their best being the great full back Stewart Farrow. Gary Dickson and utility John Sly stood out with good efforts. O. Melbs best was Chris Bryan - the experienced pair of Andrew Witts and Richard Webb led by example.

At Pitcher Park the battle of the bottom of the ladder teams, Parkside and Monash Blues, was a very scrappy affair. The first 1/2 was reasonably close due to both teams' positions on the ladder. Parkside only trailed by 8 pts athe long break. Monash started to play good football as in the previous weeks and Parkside's lack of depth saw the Devils captiulate as Monash kicked an incredible 20 gls after the break to Parkside's miserable 4 gls to run out easy winners by 114 pts. Monash's best players were all onballers - Adrian Barker, Justin Alexander, Barry Seaton all played very well. Parkside's best were Pappas, Delle-Vergini and Mark Page who never stopped trying.

The metals at the Dark hotween O Brighton and

Whitefriars was yet another game that did not reach the great heights expected. In fact at 1/2 time the **Tonners** led by 3-4 to the **Friars** 3-1 – unbelievable! The second 1/2 Brighton flexed their A grade muscles and moved up a gear. Whitefriars, with grit and determination, were still in the game but at no stage looked like winners. Brighton, handling the slippery conditions, kicked away from the Friars to run out comfortable winners by 54 pts. Brighton best player was the consistent Adam McLachlan, Tom Hayden and Brad Pollock were very consistent for their team. Whitefriars' best once again was Simon Strike, young player Mark Bateman and Michael Jackson continue to impress. (Was that Simon O'Donnell who kicked 3 goals in the seniors, it must have been - every shot at goal he missed, the boys were calling wide!)

TODAY'S GAMES

Whitefriars at home, who have lost 3 in succession, tackle Old Trinity who would have been bitterly disappointed with their last qtr fade out against Banyule. The Friars are a very good home team so Trinity must get back on track after last week's hiccup. I expect Trinity to win there 6th match ensuring Whitefriars lose their 4th successive match. Trinity's talented forward line to be the key to the game - Old Trinity by 19 pts.

Banyule vs Uni Blues with a spot in the four up for grabs. Simmo has finally got the Bears believing in themselves. The **Blues** with plenty of talent have been very disappointing in the last two matches. The contest between Williams and Yandell to decide the outcome of a match which could go either way - Banyule by

Paradians welcome the improving O. Mentonians in the match of the round. Both sides are on the improve and are very similar in personnel, so the team that produces the extra will win this match which has all the ingredients of a great game and I am swayed to the home team largely due to their ability to play the School Oval so well. O. Paradians by 11 pts.

Parkside travel to the Junction Oval to tackle the might of O. Melburnians. Parkside are really struggling: the Devils have been trashed 4 successive weeks but for the life of me I know they are much better than the results are showing. O. Melburnians, with too much at stake, will not take this game lightly. O. Melbs must beat **Parkside** and they must beat them easily if they are to be a finals contender. O. Melbs by 59 pts.

O. Brighton on the notorious Beach oval play host to **Monash Blues** in a game with plenty of appeal. The undefeated **Brighton** going for win No. 8 still are not putting 4 gtrs of good footy together: coach Mark Parker must improve the Tonners in this area. Monash had a great 2nd half against Parkside and I am sure the legendary coach Brian Ford will use this in the pre match build up. However, I think on the Beach Oval even the legend cannot alter the odds against Brighton notching win No. 8. 0. Brighton by 29 nts

REVIEW - ROUND 7

Predictably results involving the top 4 sides see the ladder with more congestion than the South Eastern in peak hour. Only percentage separates the top 4 sides with a break of 2 games to the rest. With 2 games to the half way mark, a lottery has really developed for top possie.

Kew lost top position on the ladder after the **Bullants** weathered the storm of a fiery battle to run out victors by 12 points. Neither team gave an inch, and whilst **Bomber** and his boys went down fighting, they can still pencil themselves down as a force.

Fawkner was awesome in their win over Thomastown going on a rampage to register 38 goals to 7. The onslaught was made possible by the return of Majerczak who bagged 10, Young who reeked havoc around the centre for 7 goals and full forward Ricky Jacobs who slotted 8.

The **Uni** boys stole the points from the **Jackers**, captain **Gray** led the way all day and **Uni** perhaps could have won by a bigger margin if not for inaccurate kicking. **AJAX** for mine will never be a "certainty" again, unless all players are having a red hot dip.

St Kilda/Sth Caulfield got off to a flying start against MHSOBs and held them at bay to take the honours by 24 points. With a few guys back from injury and better team effort, the Saints may be back in town. To the Schoolers credit they didn't go down without a fight and I'm sure they'll register a win shortly.

The **Bankers** started like a house on fire and at half time led **Ivanhoe** 14 goals to 1. **Comm. Bank** showed more desire, team work and certainly sticky fingers. The **Hoers** in the second half did show some spirit, but by then the "fish" had got away.

PREVIEW - ROUND 8

After a slight hiccup in arrangements Fawkner will be hosting Comm. Bank out "North" way and not at the Park as had been touted. A change in venue would not have changed my tip, the Fawks appear to have got the distinct "good" things and will stroll home 44 point winners before a parochial home crowd swelled by virtue of their sponsors day.

Ivanhoe versus AJAX promises to be a fairly willing affair between 2 middle of the ladder teams both hellbent on rising through the ranks after fairly ordinary performances thus far in the season. It's a fair bet that they've broken all the mirrors out Ivanhoe way as you just couldn't get a bigger or worse injury list in a wartime military hospital. Still, they'll field a very competative team of 20 and need to get back on the right track after last week's debacle. They will be extremely hard for the Jackers to overcome. AJAX will need to have more ball "winners" and less ball "receivers" if they are to pinch the points. Played at "Elsternwick Park" on the wide open spaces I'm tipping the "Hoers" to win by 13 points.

The early game at "E. Park" will see **Kew** have an early lunch and feast on **Uni Blacks** and hopefully come away with a percentage booster. Just when things look sure 'n' partain someone ruine the party but in this

case I just can't see the **Students** causing the strong **Kew** team too many worries. Early doors I can see **Uni Blacks** matching strides with the **K's** but overall strength will surely win out and an emphatic victory looms for **Kew**. Let's say about **70 points**.

Bulleen-Temp. awaits Melbourne High on what could also be a "heavy" ground. Both good strong teams it'll be a great battle of strength, not to mention character. The Bullants' big plus, as far as I'm concerned, is their real team unity on the field and in their style of play. This point is something I consider has been lacking in some of the Schoolers outings thus far. On their day nobody beats them, but play as individuals they can look very ordinary indeed. I'll stick with the Bullants to storm home by 32 points.

A real interesting little affair will be the Thomastown versus St Kilda/Sth Caulfield derby. No beg your pardons will be offered in this encounter and I'm sure it'll be no place for the faint hearted. A team of real "goers" up against a team with a number of "name" players makes for a terrific game. Until last week, Thomastown's form had been immeasurably better than early doors whilst the Saints have really been up 'n' down. I'm going for the Towners to call on their pride and perform to their maximum and "knock" the Saints off by 14 points.

250 AT KEW

All at Kew pay tribute to club stalwart **John Brassil** on attaining the **250** game milestone today (30/5). Jack's career has spanned three decades starting in 1978 with the U19s and culminating with his election as Club Secretary this season. "Bras" is a versatile onball player who likes a goal or two and only last year won the Best Team Award. Jack has once again been appointed Reserves Captain. Good luck today Jack from all at Kew.

JACKA'S "BUSHY" SCORES 100 GAMES

AJAX vice captain **Anthony "Bushy" Bursztyn** plays his **100th** game with the club today (30/5) against Ivanhoe. Bushy joined the Club in 1986 and has played most of his football in defence. A great clubman and a top footballer, Bushy is a credit to Amateur football and to the AJAX Football Club. Well done Bushy.

D SECTION by Peter Lemon

Another Saturday of upsets, with 3 of the teams in the Four losing, and the other – **Preston** – struggling home against 9th placed **Hampton Rovers**; the latter had 7 more scoring shots!

Both **Preston** and the **Rovers** stuck to their customary game plan – with **Preston** going to a big lead in their first half, and the **Rovers** doing little, before **Preston** stopped in the last quarter, and the **Rovers** came home like a steam train. The **Tonners'** lead was set up through the ruck game of **Darren Smith** (4 goals), and forward flanker **Malcolm Saltmarsh** who found plenty of room to also boot 4, whilst **Craig Smart** put in an intelligent game in the centre. The **Rovers** booted 7.10 to 1 goal in the final term, but the size of the leeway, plus bad shooting for goal never really saw them a chance: the best players were all the usual names – **Gary Hetherington**, **Matt Salmon**, **Melnjak**, **Matt McKellar**, **Ian Boyle**.

Old Camberwell used the open spaces of their ground to better advantage than Mazenod and set up a 2 goal lead in the first term which they held for the rest of the game. Their accuracy – which fluctuates wildly each week: check their scores for the last 4 Saturdays – was better than the Noddies and they got home fairly comfortably. For the visitors, Nick Kendall flew high at full forward to boot 5 by half time, Christian Varney, up from the U19s, made a good debut, and "K.B." put in a good performance.

Scores level at half time was indicative of a hard-fought clash between Old Ivanhoe and Old Geelong. The Hoes, with Mark Dyson, dangerous in the centre, went 3 goals up in the third, but Old Geelong showed plenty of tenacity to fight back and eventually take the lead late in the game. OG had plenty of goers, but none more so than John Manton against lots of opposition, whilst Stu Glascott and "Burge" put in easily their best games for the year. The Hoes' named backmen George Harros and Nigel Weston among their best, and, with the benefit of 10/20 vision, I would have added "No. 1" to that list.

Occasionaly there are acurate comments in this column: last week I suggested that Caulfield Grammar could lose their pace advantage if it rained, and that's what happened at St Bedes'. In a quagmire, the home team adapted better – just what they were waiting for – and whilst the Fields had great triers in the form of on-ball players Grant Williams, Richard Harris, and Trevor Royals, they were basically bogged down for much of the day. A third term rally saw the Fields hit the front, but that was about all they could muster as the Bedas went on to control the rest of the game. Ruck rover Andrew Boag was the catalyst for St Bede's all day – "got'em going, kept'em going" – whilst Blair Hutchison showed a welcome return to form and the

- for the first time this year - that saw St Kevin's win their fourth game for the season. "No weak links, with everyone contributing" was the bottom line, and they played the ground and used the wind better than the home team. Result: a fairly comfortable 5 goal win.

THIS WEEK

At Bluff Road, the clash will be between 2 clubs desperate for points. By now it will be more than obvious to the **Rovers** that the game starts at 2.00pm, not 4.00pm, and they will be fired up from the first bounce. If they can play 4 quarters, I expect them to win. Anything less, and the visitors will come out with the points. I'll give the **Rovers** the benefit of the doubt, and select them to play 4 quarters.

The clash of the **Saints** is another hard one: both clubs are on 4/3, so the outcome is crucial. The game has been moved to Oval 4, Albert Park, and on the firm surface **St Kevin's** might just have the edge in pace, but don't count out the chance of the season's first draw.

On paper, Caulfield, who will also relish the firm ground at Albert Park – should win against the Hoes, but there are questions. How long is the Fields' coach and major goal kicker, David Mathews, to be kept to just one goal? Will the Hoes have Cavanaugh back this week? Should the Hoes' selectors (as has been suggested) look at bringing up some players from the undefeated Ressies rather than naming players who might be carrying injuries? The Fields to enjoy the return to a hard surface and take the points.

Old Camberwell defeated Old Geelong twice last year, and despite a much better effort from OG last week, the Wells look like taking the hat-trick. A lot will depend on how tightly OG's backline can play without giving away frees, but I expect the visitors to be able to kick

straight enough for a winning score.

Preston against **Mazenod** looks very hard to pick: the last two weeks have seen the **MBOBs** starting strongly and then doing just enough to take the points. I doubt their opponents today will give them the luxury of the early break, and **Mazenod** can be expected to come home the stronger.

SELECTIONS: Hampton Rovers Old Caulfield Old Camberwell Mazenod (Last week, after a glimmer the week before, I crashed – even capitulated – again. Looks like it's slab number 2, Max.)

MACA PLAYS 150

Everyone at Roverland would like to congratulate Darren McConville on reacing 150 games. Darren first started at the club in 1980 with our juniors, and since then has gone on to captain the club for the last four years. He is also a past best and fairest winner and has played in the C-F State side twice. Congratulations Darren on reaching 150 and we all hope there are another 150 games to go.

100 GAMES FOR NEW AND FEATHERS

St Bedes OCFC congratulate Paul Newport and Michael Beasley on reaching their 100 game milestones. "Newy" or as more commonly known, "Dinosaur", has played 100 consecutive games, testamount to his rigid training, which includes running 10 or 20 kms home from Beda socials at 3.00 am! Feathers however has not been so luck as his 100 games has been interrupted by frequent visits to surgeon Henderson to fix that shoulder. Less attempts at spectacular marks and running into West Brunswick legends might see him get his next hundred quicker. Frank Kean reckons he will donate his Melways for your away trips Newy as long as Vern travels with you! Well done guys from all at Bangholme.

E STREET by Tom Brain

Despite the wintry and wet conditions from all reports an interesting round of football with a couple of surprise results. The top half is now very interesting with 5 sides on a 5/2 win loss ratio separated only marginally by percentage. At the other end the **Bulls'** win keeps pressure on those above them.

REVIEW

Doveton continued on their winning way with a good, but far from convincing, victory over Latrobe who did put together some good passages of play but are still strugling to put it all together consistently. Dyke (9 gls) was a fine focal point, Cameron Pauline played very well as did Burgo, Murphy and Boots. For the Trobbers Bagogiannis and Sidebottom were again well to the fore as was Lilley. Latrobe had a very successful Trivia Night while apparently the girls from Doveton had a bit of fun with the gendarmes and a Booze Bus. All at Doveton sadly saw farewell to club stalwart Billy Stephens who is moving North. From all at Doveland – well done and thank you for all the work done around the club.

Bulleen, who have been steadily improving as weeks go by, travelled to Oval 15 for the first time in many years. It would seem they had never been away from the place such was their commitment to the job at hand. The Bulls had control of the game in the first 1/2 and at 1/2 time led by 8 pts. The 3rd qtr belonged to ANZ who snagged some 7 goals, one thought to have an unassailable 30 pt lead at the orange break. Then the inexplicable happened. Reduced to 17 men for 15 mins every Bulleen player dug into his reserves of strength and courage and lifted. They rattled on some 6 gls while holding the Zedders scoreless to take a well deserved 2 pt victory. It was a great team effort. They are all to be congratulated, none more so than Tony May, Paul Flew and David Thompson who gave his all. ANZ were disappointed but should learn from the Bulls' commitment and attitude. Coach McDonald tried very hard to lift his charges, Peter Smith continued his excellent form and Phil Knight was very competitive.

North Brunswick did not beat Elsternwick by as much as they would have liked. Although still down on numbers the Wicks kept at it and kept on coming back at the Northies all the time, thus making a contest of the game. North keep winning and are consolidating their position on the ladder. Vinni Lirosi played a fine game. He was well supported by Paul Cerasiotis and Joe Boudoloh played well. Would like to mention some Elsternwick players but the Correspondent appears to have gone missing.

Brunswick travelled to **Aquinas** where their record is not good – in fact they've never won there and last Saturday was to prove no exception. Both sides found it hard to kick goals early, but the **Bloods** took the

appeared in any form of danger against a Red & White side that really never looked like winning and could not match Aquinas' better skills in the wet conditions. Hurley and Coliver were great for the victors, supported by Whitehead. Dasha kept up his work rate, young Shane Moore again played very well and McCulloch refused to stop trying.

The game of the round was at Ross Gregory where Glenhuntly and Powerhouse turned on a great game of Amateur football. It was windy and favoured the Kingsway end but this did not stop the players of both sides moving the ball at will to both ends of the ground. Powerhouse controlled the 1st term and had a 2 goal lead at 1/4 time. Glenhuntly controlled the 2nd qtr kicking 4-7 but should have been much further in front than the 10 pt margin they held at the long break. Great skills were shown by both sides and the **House** used the wind well in the 3rd qtr to hold a 3 goal break at 3/4 time. The last atr was a nail biter with both sides giving everything. The **Hunters** pegged the **House** back and hit the front with about a minute to go. A good win for Glenhuntly, while Powerhouse were very disappointed to lose. Dave Gregory used all his experience, Halphin and Whelan played well and Andy Hill booted 6. The Doctor controlled the ruck

Desler had a great game, while Frankie Doyle had

A tough round this one – a few games could go either way.

Bulleen should continue on their winning way against **Latrobe** who will still keep trying.

sore feet from getting so many possessions.

It will be interesting at Doveland. The **Bloods** play muddy conditions pretty well as do **Doves** whose greater physical strength will tell in the end.

Brunswick will defeat **Elsternwick** but not before the **E'wicks** let them know they've been around.

Powerhouse play at home for the 2nd week in a row, this week they welcome North. This should be another classic game – both play good running footy. If House can control Deano and Monty they'll be half way home, but I feel Northies will just win a close one. Good luck to Powerhouse for the big Trivia tonight.

Glenhuntly play host to ANZ for the first time, the leadership of the Street hinges on this game. The Hunters are back in form after a slight stumble, while ANZ at the moment are totally out of touch and need a win to restore some confidence. With no degree of certainty I'll take a punt on ANZ.

PRESS REPORTERS: Another good week – keep it up. Don't forget Ph: 571 4808 or Fax: 569 8766 by 6pm Mondays. Even though long weekend is upon us still

MILESTONE AT AQUINAS

All members and supporters at Aquinas wish to congratulate Peter Grierson on his 200th game last week (23/5) against Brunswick, only the 3rd Blood to reach this mark. It was a big day for all - they managed a win for Peter, who still managed not to get dirty. Well done Peter.

ROUND 7 REVIEW

- The Grovellers began slowly according to the Beautiful One then hit the front only to run out of legs at the Snakepit as Burko's Boys achieved the hat trick.
- 71 pt win to the Brigade over the FFB (court challenge pending) left Skeeta contemplating a career in white.
- A hard slogging encounter between the Villagers and the **Poets** saw **Beaker's Boys** kick away in the 2nd half to win by 17 pts. Villager journo Himmler reports that umpire Steve Caple was excellent in decision-making and control. Well done Steve.
- Muscles was impressed with several rookie Cowboys who stepped into the firing line without a hitch and helped set up a narrow win over the Elitists who impressed Frotha with their commitment, vigor and competitiveness in a good game of football.
- Jack Horner was rapt in the Bell's effort of turning a 33 pt deficit into a 30 pt win over the Brewers.
- In other matches: the Shamrocks blitzed the Socialists in the 3rd qtr to set up a much needed win; the **Statues** had 38 pts to spare against the **Sailors**; the **Undertakers** laid a slab on the **Botanists** by nearly 30 goals.

ROUND 7 BEST PLAYERS

Footrot Flat: Steve Case, Paul Byrnes, Darren West. Grovellers: Tim Reade, G. Grameri and J. Pana, Undertakers: Ian Asby, Neil McDonald, Matthew Weate and another 10 goals to Jamie Tapner. Elitists: McLean, Wallace and Haeusler.

Cowboys: T. Buckingham, Charlie Borg, Chris

Konstantinidis.

Villagers: G. De Jong, Sore and Basso.

Brigade: Guy Matheson, Shane Southorn, Cahal

Meegan.

Sailors: Reid, Morley and Goding.

Bells: Brett Clark, Nick Power, Tim Brideson.

Young Poets: Ivan Bobetic, Brendan McHardy, Mark Canavan.

ROUND 6 BEST PLAYERS

Footflat Flat Boys: Flynn, Moloney and O'Shea Stationmasters: Hugh Ryan and Bairstow. Elitists: Hooper, Gunthorpe and Haeusler.

Brigade: Rob Walton, Dean Higgins, Shane Southorn. Brewers: D. Websdale, S. Ustick, A. Donohue.

Statues: A. Douglass, P. Murphy, G. Sargent. Sailors: Gover, Sharpin and Wiltshire.

Bells: Tony Huebner, Greg Mullins, Frank O'Rourke. Young Poets: Ivan Bobetic and Mick Bourke.

ROUND 8 PREVIEW

- Undertakers with a big score under their belt should account for the Villagers at Boot Hill by 7 or 8.
- The Stationmasters have won 3 in a row (shades of Lourdes) but I can't see them derailing the **Statues**.
- I'll give the Elitists one more chance at the Zoo against the Sailors who are better than my tipping suggests. Elitists by 3 twins.

 The interesting clash will see the Brigade at home. to the **Brewers** who are up and down this season. I'll give the Brigade the nod by about 15 pts.

The Young Poets should account for the Socialists at Southland. The **Socialists** seem to be yearning for summer.

- The Grovellers have taken a dive recently and I'm not confident in selecting them to win over the Cowboys who are developing some consistency. Grovellers by 2 twins.
- The Bells are back in town and should be able to give their percentage a boost with a big win over the Botanists who were buried by the Undertakers last week
- I'm prepared to give Skeeta's Boys (formerly the Footrot Flat Bys - before the High Court Injunction) the nod over the Shamrocks by 3 or 4 twins.

SOCIAL NOTES

- Frotha reckons thre are too many hills at Wooden. Elitists are having a "Rock Till You Drop" Night tonight.
- Bells talent search tonight a la Karaoke!

Brewers' Frog 'n Grog was its usually huge success reports Solvol who lives for this occasion.

 Fast Eddie was a little slow at the Brigade Trivia Night but the Brigade have certainly picked up the pace.

Peninsula musos "Caught in da Covers" entertained the Sailors at the Annual Talent(less)

Bells took over the **Tower** in Camberwell to celebrate their return to form.

Stationmasters had ghosts of the past at the Casey Jones Memorial Function last Saturday, Bucko as MC was in fine form telling stories about Cowboys firing blanks and college boys grovelling in the **Snake pit**. Tonight a **Bear Roast** at **Churchers**.

 Beaker barely made it to the Music Trivia Night after an impressive display by a Statuesque boundary

- Shock! Horror! at Statues' Karaoke function when renowned nude imbibers Andrew McCormack and Hooker Harrison failed to strip, reports Paddington who was bear of course!
- Skeeta is getting excited about forthcoming bus trips

whatever turns you on!

Brigade Trivia Night won by Mensa members Zak, Freckles, Higgo and Capt. Liddell.

MILESTONES

- 50 games to Young Poets Rob Cincotta and **Anthony Perna** – two of the best F Troopers around.
- 250 games to Statues' skipper Dave Miller well
- Brigade Reserves won their first game in club history reports **Fast Eddie**. A great effort – more to

G SECTION by Norm Nugent

Round 7 netted me a 75% yield which was lessened by defeats of top four sides in each division by sides which to Round 7 had not played to the standards of my selections.

G NORTH

Kew players would have returned to their eastern suburban comforts well pleased with their 129 pt victory over the inaccurate **Williamstown**. **Kew's** near neighbour Camberwell succumbed to an improved Marcellin by the "Heinz" margin of 57 pts in a surprise result given the respective performances of each side over past weeks. Bulleen Templestowe did maintain its unbeaten record by defeating **O. Scotch** by 33 pts which was the O. Scotch tally twice over. Under lights St Bernard's proved too talented for North O. Boys as the Saints continued their unbeaten run with a 49 pt victory. Therry recorded their first win for the season when they outplayed Banyule to record a decisive 43 pt victory. In a real turn up O. Westbourne triumphed over Eltham by 50 pts. The Turtles obviously lived up to their pseudonym and to their reputation for being lions at home and lambs away. The Turties may well repent their loss at leisure as they are now two games away from the double chance as the season reaches the half way mark.

G SOUTH

Xaverians could well have upset the reality of Noel Rundles' budgetary estimate for G Final receipts because the **Crocodiles** 35 pt demolition of reigning premiers De La Salle has really made them the premiership favourite. Collegians did make it 3 victories in a row when the Lions defeated St Kevin's by 47 pts. Mazenod moved to second place as a consequence of their 23 pt victory over lowly placed St Kilda/Sth Caulfield. Monash Whites' 109 pt victory over O. Geelong gave further evidence of the Whites' ability to figure prominently at the business end of the season. The disappointing form of Monash Gryphons continued when they failed by 35 pts against O. Melburnians who are now only one game behind fourth placed De La Salle. Bloods received a forfeit from fellow tenants Glenhuntly, thus had no chance to improve their percentage which could tell against their finals chances. O. Haileyburians would have enjoyed the Bye as their A Graders won a close match at Marcellin.

PREVIEW OF ROUND 8

G NORTH

Two sides yet to win a match in Banyule and Williamstown meet at Banyule where prevailing conditions will favour the home side who should win the game. Kew should score another victory at the expense of O. Scotch who are not enjoying a successful season. Eltham will strike strong opposition from Marcellin as the Turtles attempt to redeem themselves from last week's debacle. At home I select Eltham although I expect Marcellin to be worthy opponents. In what could be the Grand Final preview the only undefeated sides, Bulleen-Templestowe and St Bernard's, meet at Timber Ridge which will help the Bullant cause. This advantage plus their superior statistics prompts me to select Bulleen Templestowe. O. Westbourne travel to Therry with each side seeking a second successive victory. O. Westbourne, who until last week had disappointed, should prove too talented for Therry. North Old Boys journey east to meet Camberwell who disappointed last week. North Old Boys really, like their A Section sides, have been having a disappointing season and I can't see their situation changing today as I believe Camberwell will prove too talented and will take the four points.

G SOUTH

O. Melburnians should enhance their finals prospects by accounting for the undermanned Glenhuntly whilst on the other side of the Albert Park Lake Collegians will be seeking to defeat Bloods and so record their fourth consecutive victory. I suspect **Bloods** will appreciate the good conditions of the Harry Trott Oval and will outplay **Collegians** to maintain their finals quest. O. Haileyburians refreshed by their Bye should win at home against St Kevin's whose 1992 form has been disappointing. De La Salle should be able to return to the winning list at the expense of the disappointing St Kilda/Sth Caulfield. I expect **Mazenod** to have a percentage building victory over O. Geelong who have consistently failed to trouble the leading sides. In the **Monash** intercampus encounter the Whites should further entrench themselves in the four by comfortably defeating the **Gryphons**. Leaders O. Xaverians have the Bye to adjust the skis and barrack for their "ones" against Marcellin.

UNDER 19 SECTIONS by Max Lyon

UNDER 19 REPRESENTATIVE TEAM: An initial training squad has been selected and training has commenced under Coach **John Simpson.** Thanks to all who made the commitment to turn up to recent trials. Ongoing reviews will be made of the squad in the coming weeks so all is not lost for those who have not made the initial list. A trial game between squad members will be the curtain-raiser to the 'C-F' Grade State Match on Sunday, June 7th.

REVIEW OF LAST WEEK'S GAMES DIVISION ONE

Xavs moved to the top of the ladder by inflicting De La's 2nd "loss" by a kick. Xavs were best served by Salter, Strachan and Thomas while Tucker kicked half their goals (4). **Marcelin** continued on their winning way, this time at **Haileybury's** expense. However, once again **Scotty** was annoyed at the way they relaxed again after opening up a big lead - 10 goals in the first 1/4. Once again Jonno Murray had a "million" possessions and Steven Cross also starred. "Secko" showed he'd lost no touch in his debut for '92, Beasley and Bennie each booted 6 for the Eagles. 'Hagar' Nugent gave a big wrap for the **Bloods' Richardson** who played a ripper on the h.b. flank. **Nodders** held their spot as equal leaders with a 40 pt margin over the Monds. Morgan (5), Gill and McCusker were Nodders' best. Bernies cruised in the 2nd half against an inaccurate OMs who once again failed to overcome the "kiss of death". I thought State squad members Trent Ogston and Sam Taylor did well while I was there.

DIVISION 2 CENTRAL

Only one report received from 6 matches – shame on Ols and Wells (as usual) and Hoes, Carey and Blues! I witnessed almost half of the Towners and Therry encounter and was disappointed that the game was not allowed to flow and reach the standard that was possible. Towners led at the halfway mark and Therry almost bridged the gap, but Towners remained "undefeated" with a final margin of only 3 pts. Enzo Valentino, Nathan Grech and Mark Reid were Towners' best whilst Jim Bubis bagged another five.

DIVISION 2 SOUTH

Fields notched their first win against De La whose inaccuracy cost them the 4 pts. An excited Graham Woolridge refused to nominate any individual for honours but admitted that the 11 goals that Recce Gosstray booted had a big bearing on the result. Chirnside moved into the enviable position after only 7 games of being 2 games clear of the field when they beat Scotchies by 9 pts at Yarra Park. Tony Spurli kept Parkers stats men busy with 43 touches whilst Fabian Paola gave an impressive display for a 16 y.o. Rovers confounded "experts" like me by spotting Towners a 5 goal lead at ¾ time and changing home to get up by 5 pts. Well done Red – a big effort after losing Steve,

Ned and Tony to the ones. Rovers' best were Richard Bulmer, Wills and Harvey whilst Chris Rowston thought Red's moves of Bain to chf and Hunt to f.fwd were strokes of genius. Melb High were untroubled in getting home from an undermanned Old Hoes with Jade Vidal again starring, while Peter Fountas (6) and Paul Albergo (5) were their main scorers.

PREVIEW OF TODAY'S GAMES DIVISION ONE

Monds are unlucky to cop De La on the rebound from their 2nd loss in 2 years and whilst they will press Ds early they will not be able to match them for four atrs. Bernies should continue their return to winning form at Collegians' expense. The other 3 matches are pretty tough to pick. Haileybury have yet to open their account whilst Tones started last week. Gillas Boys should do better at home but **Tones** have improved too much lately to miss out on two in a row. Nodders are at home to OMs and, whilst I genuinely believe that if OMs were to put in 4 qtrs they could win, I'm chicken to give them another "kiss of death" and I must go for Nodders. Only a fool - like me - would go against the top team and form horses in Xavs to get rolled by Marcellin. Having seen both teams in recent weeks, I have a hunch that **Scotty** is "shielding" enough good players from the "ones" and, boosted by **Secko's** return, the Eagles can just sneak home. Therry at home to Frog's OTs is another tough selection. I keep tipping against OTs and they keep winning, Having seen Therry just miss last week! think that a repeat of that form should enable them to get in at home today. Kew's coach Les is hopeful that he'll get a few of his injured boys back today. If that's the case they could beat 'Hoes but I'll punt on them still being below full strength and go for the more consistent 'Hoes. Uni Blacks will give it their best shot against traditional rivals the Blues, but the Blues will be too strong and have too much at stake - 2nd place - to let this one slip. A couple of cellar dwellers - Bullants and Friars - meet in what should be a really close one. I can't separate them and will go for the **Bullants** to use their home ground to advantage. Towners are at home again, this time hosting Old Carey. Carey need a win to stay "equal 4th" and, even though this is a strong incentive, I expect the **Towners** to win again. **Parade** seem to have gone off the boil with a hat trick of losses and I expect the Wells will make it 4 in a row today. Ivanhoe Uni Blues SELECTIONS: Therry Bulleen/TemplestoweThomastownO'Camberwell

DIVISION 2 SOUTH

Melb High will keep in touch with the four by rolling De La while the Fields' contact with the winners circle will be short lived after their encounter with **Scotchies** loday. I think **Bedas** will have their winning run halted oday against the consistent Jackers. Two weeks ago Isaw Tonners and Scotchies and on that form I would have tipped Tonners to beat Parkers even at Chirnside Park. However, Towners slipped up last week whilst parkers continued on their winning way. Even though the match is at Chirnside, I think last week's loss will folt Tonners back to their best. Old 'Hoes have been down on fit numbers lately whilst the **Oaks** have given most teams a run for their money for a couple of quarters. I expect they'll put in four atrs and notch their first win today. **Ashers** will be smarting after last week's thrashing but **Rovers** will be buoyed by their great win over Tonners and should continue that good work today. **MHSOB** Old Scotch SELECTIONS: old Brighton Oakleigh Hampton Rovers

paying half his dues (Villain and Hilly please note!!) and honouring my debt to the Thomastown boys. Last week saw the **Ashers** go the way of most others this year. Brendan has pleaded for the chance for the **Parkers** to "grab a slab" and while I reckon they re almost even money, I'll give in and offer them a green 24 if they can roll the Tonners.

COACHES CLIPBOARD edited by Mike McArthur-Allen

As an avid amateur football watcher, and a more than passing interest in coaching, I frequently go to team huddles to watch how other coaches approach this integral part of the day. I have been surprised that many coaches allow players to talk to friends and fathers, focus too much attention on relatively minor injuries, and even break away into smaller groups. Often coaches start talking to the group whilst less than half the players are concentrating; some coaches even allow players to walk around behind the coach obviously not engaging in the address.

Arranging the position of the players into a tight semicircle facing the coach where maximum concentration can be maintained by eye contact is essential. So too is the need for coaches to not speak too long but to zero in on 3-4 key points. Long rambling speeches filled with cliches achieves very little and is often counterproductive.

Here is an article written 2 years ago by Kevin Madden, himself a very successful country coach before he moved into a football administration role. It makes some excellent points and is a great opportunity for coaches to compare their performance in this area with a handy check-list.

THE PEP TALK - WHAT TO SAY? by Kevin Madden, National Director of Coaching

Many football coaches feel threatened at the thought of addressing a group of players during a match.

The following points may be useful in composing an effective pep-talk.

- Keep in mind the purpose of the quarter time, half time and three quarter time intervals.
- it allows time for your players to change ends;
- it gives your players a break from the demands of match conditions and receive medical treatment if required:
- and finally, it enables the coach to review the game to date and plan strategies to improve the team's performance.
- Don't rush into your pep-talk. Let your players settle and use the time to plan your main thoughts. Select key words.
- Before speaking to your team **eliminate the distractions**. Choose a location away from the sun's glare, call the players in together and move eager trainers and parents away. Prepare the scene carefully.
- **Be composed.** Junior coaches in particular must be selective in their choice of words, glances and movements.

- Skills your team's performance in this area may be highlighted.
- a) Offensive kicking, handballing, marking, backing un.
- Defensive tackling, spoiling, shepherding, manning up.
- c) General talking, use of space, reading the play.
- 2. Positional Play general observations can be made on the following areas:
- a) Forward Line.
- b) Back Line.
- c) Centre Line.
- d) Followers.
- **3. Tactics** How well has the pre-game plan been maintained? Is there an area where the plan is falling down?

In all of the above, the coach should emphasise the **team aspect** of play. The match is merely an extension of training and team meetings, with team play and tactics of vital importance.

- **4. Environmental Conditions** Factors such as ground surface, wind strength and direction and general weather conditions can be mentioned.
- 5. Umpire Mention can be made of the umpire especially at quarter time where reference can be made to specific rule interpretation or his bouncing of the ball.
- **6. Opposition** can refer to their collective strengths or weaknesses or a dominant player.
- **7. Match Statistics** if available, statistics can be used sparingly to reinforce a point.
- 8. Aim for the next quarter an essential part of all pep-talks, the coach must set team goals for the next quarter outlining expectations and areas for improvements.
- Given the above, the dilemma becomes not what to say but what not to say.
- In any talk only **two or three points** should be emphasised. In **keeping it simple** the good coach must also **keep it positive**.
- An effective coach should be able to "gauge the mood" of his players and adapt words accordingly.
- Evaluate your own effectiveness in this area by having your team manager tape your address during the course of a match.

Finally, the effective pep-talk contains the following elements:

Review – a brief summary of the game so far and,
 Preview – our aim for the next quarter of play.

The Vics rattled on 6 goals but SA steadied and led by 21 pts at the last break. Victoria fought back and half way through the final term trailed by one point. South Aus kicked two goals to gain a narrow but deserved victory.

AFTER MATCH SCORES

Club secretaries were advised in a March Memo (No. 8/92) of the procedure to be followed in phoning after match scores and information. This was extremely poorly followed for Round 1, however all fines will be waived for Round One as many callers (press correspondents) indicated their secretary didn't pass on the memo to them.

The procedure is as follows:

- G SECTION AND RESERVE MATCHES
 Final scores to Elsternwick Park 531 8333 ask for Nancy McTaggart (by 3pm)
- U19 AND SENIOR MATCHES
 Final scores to Nancy McTaggart 528 3319/528 2471 before 5 pm
- A AND B SECTION MATCHES

 Both team's goalkickers, best player and 1/4 by 1/4 scores to be phoned to Norm Nugent 467 2857 before 5.30 pm.
- · Home team secretary/press correspondent to provide this information.

Umpires Corner by Mike Murray and Steve McCarthy

Goalies corner. At training last week we saw the goalies tunnelball team attempting a new training method. Not too sure whether it was 'hokie-pokie or 'Twister' but we're sure it helps their flag-waving.

 As for their antics on the field, well they're getting better. MM looked like he should be joining Actors Equity after his performance at NOBs a few weeks back. His partner of the day(?) informed Umpires Corner that Mike, with his arms in the air and head back looked more like the **Swan blimp** (his words Mike). And what about David Jobling's interesting three-handed signal at the Junction. It left a few players smiling too.

 We've had some complaints that the column is becoming a little too cryptic. Read between the lines

Mickey Mouse. Those Bushfields like to hit the ground hard. First we saw Mark's horizontal pose in the Sunday paper. Now we hear the Chris (Mrs Bushy) actually went sky diving a few weekends back. And they are both injuryfree. Well done Bushys.

Was NN seen carrying a goal umpires coat home

from training last week?

 A special note of thanks to all concerned at Preston MBOB who looked after Peter Keogh last weekend. (No, he wasn't stuck in a lift!) Peter was stuck in an unfortuante situation after his game and the Preston people were good enough to lend assistance. Peter would sincerely like to thank all concerned.

 Great turn-up at the Marcellin after-match for Justin Toohey 100th game celebration. Heard it was

more like a goal umpires reunion night.

Who is the current B grade umpire becoming

famous for his handball marks?

 Boundary umpire Jeff Wright has earnt himself a new nickname - The Dogcatcher. Jeff had to chase a dog and put it over the fence in last week's game. Was AD at the game? Na na na na na na....

 Interesting 4 km time trial ran by Stud a few weeks back. A one minute interruption to rest his corked thigh.

Yes – Dirk did have a haircut!

 Most people like to keep the advisors' reports confidential, but we had tomention this quote from a recent one. 'Andrew has his own method of control. He is the boss - and the players know it. Anyone who sat through his meetings last year will agree. Which Andrew?

This week's profile is of another centurion -

boundary umpire Leah Gallagher.

Name: Leah Frances Gallagher, Nickname: Spider, Year commenced umpiring: 1986 (VAFA).

VAFA Games: 100 TODAY.

Highlights/Achievements: Being in the 1st all female umpiring team. 1 C grade and 2 B grade grand finals. Beating Macca back to the centre square after a goal. Greatest Influence on Career: Brian Goodman and anyone who has given me positive advice.

Football playing career: One season of under-age

Football Pet Hates: Supporters who are too quick to blame the umpire. Players who don't put themselves in for the hard ball.

Most Memorable Match: Umpiring with Therese and

Shron. 1989 B Grade Grand Final.

Best Amateur Footballer Seen: Phil Kingston

Best Umpires: Greg Hardiman, Peter Wiseman. What I like about umpiring: How everyone encourages each other.

Personal ambitions: Keep on umpiring. Have a top day, Spider. We wish you well.

- · Quotes of the week: BB at last weeks brief meeting. "With the rain we had we weather", and PW with "I see better in the dark"
- Social Notes: 13th June VAFAUA Centenary Dinner/Roast at the Junction Oval. See Ritchie. 14th June: Golf Day at Waverley Golf Links. See Clinchy.

See you next week.

Big Swan and Piewarmer

Stil ran 17 flat. Good effort. e Great Australian Pie.

WEAR A MOUTHGUARD

When Training and Playing!

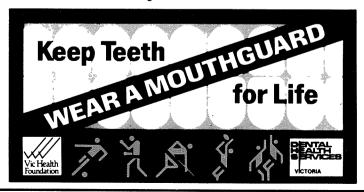

Well done VAFA!

Our 1991 survey of players showed 89% of mouthguard owners always wear their mouthguard at matches.

But...Only 10-13% always wear their mouthguard at training.

So, wear your professionally fitted mouthguard when training and playing football.

Make this your GOAL in '92.
