EDITORIAL by Phil Stevens

Good afternoon football followers.

An emergency meeting involving every U19 team coach and a prominent official from each U19 team was held last Monday evening in an attempt to arrest the alarming decline involving on and off field standards of behaviour in Under 19 games this year.

The evening, compered by Max Lyon (U19 Chairman and Executive Member) was an outstanding success and hopefully will lead to a new era of VAFA Under 19 football.

I provide today a summary of the main points of discussion delivered on the night.

"IF THE CAP FITS WEAR IT"

Successful senior teams field successful U19 teams and successful clubs plan this "flow through effect" of quality players and quality young men from juniors to seniors.

To achieve this an U19 team needs to form firm **on-field** and **off-field** policies which need to be understood by all **and adhered to**.

A. OFF-FIELD REQUIREMENTS

- An umpire is required to tick a teamsheet checklist of off-field items to be attended to by each team – those lacking to be reported and clubs heavily fined (see a teamsheet for details).

- A stretcher must be provided by home team.

- Grounds with no fence must have a second line drawn 4m outside marked boundary line, over which no spectator is to encroach (see p.100 *Fixture Handbook*).

- Match panel **only** to be inside "second line" or fence.

- **Accurate** goalkickers and best players to be provided (everyone's self esteem needs to be fed and why not?).

- After 30th June, registrations gained mean players permitted can only play U19 football.

- Reported U19 players **can** have an advocate. If not the club secretary, the secretary to provide a letter authorising another to act as the advocate (**not** a solicitor or barrister).

- Teams must have 16 players for an official game to take place, teams have half an hour after the named starting time to gather 16 players. If unable to gather 16, match is forfeited to team with 16. If game if forfeited a game of sorts **must be played** with available players.

- If a count is called, umpire notes time, scores at

the time, sends off a player (if necessary) and game continues. Scores **are not wiped**. Events are accurately written up in umpire's report and an investigation committee determines what is to happen.

- Club umpires to be provided for a match by participating teams can be ascertained by calling the Telephone Mailbox (644 3921) on Saturday mornings at about 11 am.

B. ON-FIELD REQUIREMENTS

(the area of greatest concern)

- All coaches must have at least Level 1 Accreditation. If the coach is unavailable for a day or during the day he can **only be replaced by an accredited coach**.

- Coaches are solely to blame for the level of thuggery existing this year. Coaches condone whatever happens on the field and this year what is happening is causing our great game to die.

- A mark out of 10 is awarded by the umpires each week for each U19 team – **called the Discipline Award**. This is awarded according to how everyone associated with the team plays the game – how the "spirit of the laws" and the "spirit of the game" are aspired to.

- If a club on three occasions scores less than 6, Max Lyon will contact the club; if it happens a fourth time the coach is called in for a "please explain"; if it happens a fifth time the club will be asked to show cause "why the coach should be able to continue as a coach in the VAFA and why the U19 team should be allowed to continue in the VAFA".

- Many U19 umpires are young umpires who are paired with an experienced umpire on rotation whose job it is to assist him on the day, thus aiding his long term development – **every** umpire is to be treated with respect.

- Players uttering an audible obscenity are to be immediately ordered-off for 15 minutes; if a second offence is committed, the player again set off but this time to be reported as well.

- Players abusing an umpire to be automatically reported and ordered-off.

- Umpires to use the order-off as a "cooling off" measure.

As Max Lyon said in conclusion on Monday night, U19 clubs need to act positively now – "get rid of the rabble" and if there are hiccups in your club act now to stop them recurring.

REVIEW

Old Haileyburians, led by star centreman **Chris McKenzie**, produced "one out of the bag" to down **Ormond** by 6 goals.

Ormond capitulated in the final term when they only managed 4 behinds while the **Bloods** kicked 4-4.

Paul Schuhkraft and **Stephen Grace** represented the entire **Ormond** forward line. If it wasn't for the **Ormond** centreline of **Justin Clarkson**, **Phil Kingston** and **Rob Woodland** then this could have been a far more embarrassing loss for them.

Wes Byrns, **Mark Orton** and **Glenn Borg** refused to let this game go once they had a snuff of victory — well done **Bloods**.

Collegians, with 11 goal kickers, slaughtered **North Old Boys** by 64 pts.

The game was over at quarter time as the **Lions** strode to a 43 pt lead. **Matt Galbraith** was back to his best and **Danny Thomson** continued his good form.

Most of **North's** best players were found in their defence where **Richard Little**, **Damian Cerini** and **Bruno Conti** battled on all day.

Again the lack of a key forward was **North's** major problem. It seems that if **Tony Egan** is well held then the **Old Boys** are in strife.

The **Collegian** charge continued in their quest for a centenary flag.

De La fought of a dogged **Therry** when they added 6 gls to none in the final term.

Nick Fraser kicked 5 gls for **De La** and **Pat Mannix** made his return to the side after injury. Rover **Danny Smith** was well fed by **Tony Phillips** and **Grant Sheedy** controlled the defence.

Therry defenders **Mark Crotty**, **Paul Matton** and **Dennis Castaldi** managed to hold out **De La** for 3 quarters, but were finally over-run.

At the ½ way mark **Therry** aren't looking too flash and they would be hoping for a bit of luck!

St Bernard's ran away from **Marcellin** in the final quarter.

Centre half forward **Nick Mitchell** along with evergreen **Wayne Carey** and **Matt Mulkearns** steadied their team down. The duel between **Joe Amad** and **Rob Purcell** was as good as predicted.

The **Eagles** kicked themselves out of this game in the first term when they booted 1.5. The **Marcellin** ½ forward line was in good form but they were forced to get kicks too far up the ground.

St Bernard's managed to regain their composure every time **Marcellin** mounted a challenge which is the sign of a good side.

Xavs ran all over **Scotch** in the 2nd half to score a well deserved 54 pt win.

Dale Holmes and **Gavin Eagle** battled tooth and nail in the centre all day and both defences were strong.

The **Xaverian** runners of **Bill Mithen**, **Richard**

Green, **Holmes** and **Tim O'Sullivan** managed to score goals at will in the 2nd half.

Scotch relied far too heavily on **Andrew Millar** to score their majors and **Russell Greene** would have been most disappointed in his sides performance.

Doug Bailey controlled the ruck and in the final analysis this was most decisive.

PREVIEW

Collegians venture out to **Marcellin** full of confidence. **Marcellin** were most disappointing last week and one wonders how they are going to stop the **Collegian** forward line.

Matt Galbraith and **Joe Amad** will show two very different styles of centre play. **Murray Browne** did his homework when he plotted the demise of **De La** a few weeks ago and I would expect that he will have a more than interesting game plan this week.

As the grounds deteriorate the chances of **Gary Petroff** marking and goaling diminish. **Tony Caffry**, **Gary Williams** and **Matt Chun** will have to kick more majors to give the **Eagles** a fighting chance.

Danny Thomson, **Chris Pollock** and **Michael Lake** are in good touch for the **Lions** and too many **Collegian** players kick goals — for this reason I see **Collegians** winning easily. **Marcellin** will not be able to plug enough holes — **Collegians** by 35 pts.

Scotch are at home to **St Bernard's** and this will be a great game. 5th vs 4th. The winner will be in the four. **Scotch** were terrible last week. They will be a lot more serious today and the "Hart Foundation" may not take too kindly to the **St Bernard's** hard ball game.

Scotch's main problem is goal kicking. **Andrew Millar** will always get his share but where are the other goals going to come from?

St Bernard's have good runners. **Cory Mallia**, **Simon Walsh**, **Luke Gollant** and **Rob Purcell** link very well and the **Cardinals** may have trouble stopping this. Up forward **Craig Wood**, **Nick Mitchell**, **Gavin Keane** and **Jason Gollant** can all kick goals. **Peter Brown**, **Cam Hunter** and **Tim Lang** will have to watch these forwards closey. **David Iser** will have to curb **Wayne Carey** and **Rob Purcell** and **Gavin Eagle** should have a great centre battle.

St Bernard's looked great last start — **Scotch** awful. The ground will be terrible and in a hard fought game I'll go for **St Bernard's** by 10 pts.

Ormond, after their hiccup last week, are at home to the **Xavs** who won in a most impressive fashion last week.

Ormond have many stars — **Clarkson**, **Grace**, **Kingston**, **Jobling**, **Connell**, **Sebo** etc, whereas the **Xavs** have 20 goers. The **Xaverian's** game of running in numbers coupled with their goal line strength consisting of players such as **Matt Hannebery**, **Matt Bourke**, **Dale Holmes** and **John Bowen** has held them in good stead this year. But **Ormond** at **Ormond**? This

is never easy. **Xavs** can fire or flop and as the conditions deteriorate their chances improve.

Justin Clarkson and **Dale Holmes** will provide a good spectacle at the pivot as will **Richard Greene** and **Brett Connell** on the ball.

Ormond will not play as badly this week as they did against the Bloods and one wouldn't expect the **Xavs** to play as well as they did last week. But today will be time for **Xavs** to stand up and be counted! **Xaverians** by 10 pts.

Thery are at home to **Old Haileyburians** and this game could go any way. **Thery** managed to hold out De La Salle for 3 quarters and this simply shows how desperate they are and how much of a home ground advantage they hold. The **Bloods** ran all over Ormond last week and should be confident of a win today.

The return of **Chris McKenzie** has lifted **Old Haileybury** and we all know the names of **Peter Thiessen** and **Wayne Phillips**.

Thery has really only had one consistent player this season - **Paul Matton** and lately **Mick Grocock** and **Mark Crotty**. But these players need more assistance and **Thery** needs a bit of luck with injuries. Maybe this week we'll see luck go in their favour.

This game is anyone's and for absolutely no reason I'll tip the home side - **Thery** really are due for a win and **Haileybury** had theirs last week. **Thery** by 10 pts.

De La Salle play **North Old Boys** at **De La**. It really is demoralising for **North** to cop Collegians and De La in consecutive weeks but that's the way it goes. **De La** bludged last week but they have a score to settle with **NOBs**, who knocked them off in the seasons opener.

The injury riddled **NOB** are searching for that 1991 form but every time they look like getting it together they relapse. **De La** have also had their injury problems, but still managed to win while going through this period.

Pat Mannix and **Nick Fraser** are very dangerous up forward and this is where I see **De La** being too strong. Put simply **De La** has a forward line and **North** doesn't.

Bruno Conti, **Darren Martin**, **Peter Tatter** and **Tim Beare** won't give this game away but **De La** with **Chris Beleville**, **Andrew Mackintosh**, **Danny Smith** and **Julian Moloney** get too much of the ball.

In a tough game **De La** will win by 25 pts.

200 GAMES TO MATT GETSON

This Saturday (20/6) **Matt Getson** will represent Marcellin for the 200th occasion. Matt began his career in 1980 with the U19's and played his first senior game in 1982. Matt was appointed Deputy Vice Captain in 1985, Vice Captain in 1986 and Captain from 1989-1992. Matt won the club's Best & Fairest in 1988 and was also 3rd in VAFA award that year. Interstate representative twice in 1982. In all his years at Marcellin he has been an inspiring leader and also a great ambassador for Amateur Football and is well respected by team-mates and opponents alike. Matt has always been a willing organiser and worker at Social Club functions at Marcellin. Everyone at Marcellin congratulates you on your fine achievement on and off the ground. Well done Matt.

A GRADE PROMOTION

Congratulations to **Sam Taylor**, Captain of St Bernard's Under 19s on his promotion to the A Grade side for the game against Collegians. Sam certainly played a great game on the wing and was a source of pride to his father Jim (The Bear) Taylor, a legendary player in the early days of the Club and now a well known and vociferous supporter of St Bernards. Sam is also training with the VAFA Under 19 squad, so is having a busy year. Good luck in your future senior career Sam.

MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches and club officials**.

NB: *Eleven Old Carey U19 players have just received their \$20 rebate.*

Do you have any U19 players who qualify?

TALKING

FOOTBALL

edited by Phil Stevens

Important information to understand relating to VAFA players playing AFL/VSFL (incl. U18) football and players drafted in June draft.

1. At the close of permits for 1992 (ie June 30) an Amateur player who has played AFL/VSFL football this year must decide whether he will play AFL/VSFL or Amateur football **only** for the remainder of the season.

2. Amateur players drafted in June can freely transfer between the AFL/VSFL and the VAFA up to round 17 of his section of Amateur football, when he must decide to play AFL/VSFL or Amateur football **only** for the rest of the 1992 season.

It was almost half time in last Sunday's reserves game at Elsternwick Park and the huge luncheon crowd was enjoying the early game before being summoned inside for the pre-game lunch.

Old Scotch's Bill Pinner, who helped organise the lunch, thought the best way to get the throng's attention was to ring a bell. He did, and loudly too – so loudly that the reserves grade field umpire raised his arms, blew his whistle and announced "Half time gentlemen".

Clubs are starting to look at qualifying players for finals teams so this week I include the following statement regarding eligibility requirements.

FINALS ELIGIBILITY

SENIORS: All registered players with a permit

SENIORS/RESERVES: If both teams are playing, reserve player must have played at least 2 matches (be registered and have a permit).

UNDER 19: Must be registered and have a permit. If player has played in an aggregate of 5 or more senior and reserve matches he must have played at least more than 5 U19 matches during the season.

RESERVES: Must be registered with a permit. Must have played 2 matches and not more than 8 senior matches during the season.

TWO U19 SIDES: Exactly the same conditions as per the senior team/reserve team playing on the same day or senior team playing only or reserve team playing only.
NB. U19/1 team assumes the role of the senior team.

An afternote to last week's story – an avid 'TF' reader has advised myself and one of our umpire observers to apply for a job with *Truth* newspaper. Looks like from now on I'll just have to watch in silence!

Another note from **Nancy** and **Phil** (who receive scores phoned in on Saturdays):

1. Please include **points** in given score – not 28.15 **but** 28.15-183.

2. Go through this sequence when giving scores:

Name: "Hi Jack from ANZ Bank – E Section score"

*Score: ANZ Bank 9.10-64 Fawknor 14.12-96.

*Regardless of result home team score first, away team score second.

3. There should be no excuses for phoning wrong numbers (some still are) – we are into round 10 (see *Black List* notice for numbers to be called).

4. Although 5 pm is the deadline many clubs leave this job to the last moment – earlier calls would be appreciated.

Many clubs have sought advice/tips for timekeepers. Next week I'll produce a list of handy hints for timekeepers (courtesy VAFA Interstate team timekeeper Alex Johnson).

O. Trinity had a top win at home against competition leaders **O. Brighton**. **Trinity** after losing two had their backs to the wall and responded accordingly. The game was as good as over at quarter time. **O. Brighton** didn't look good and now find after two losses A Grade promotion is not a foregone conclusion! The further the game went the better **Trinity** looked. The winning margin of 67pts should give them a major psychological boost for the tough matches ahead. **Trinity's** best player was **Mick Turner** who must have been disappointed missing the state side. **Rob Phillips'** 8 gls impressed as did **Sam Oldfield** who kicked 6. **Brighton's** better players were **Brad Pollock**, **Andrew Grant** and state rover **Adrian Pryor**.

I jumped on the **Whitefriars** bandwagon last match and the **Friars** away had a very important victory over **Uni. Blues**. The 1st quarter was fast and furious with the ball travelling up and down continually without any score. It wasn't until the 17 min. mark that the first score came the **Friars** way. They led 3.3 to the **Blues** 2.1 at qtr time. **Blues** looked committed kicking 5 gls to 2, giving them an 11 pt lead at ½ time. A tremendous 3rd quarter saw the **Blues'** lead reduced to 6 pts at ¾ time. In the final quarter sensational goals from **Noel Jenkins** and **Robert Reidy** (earlier playing for **Collingwood 2nds**) contributed to a 5 gl to 3 last term, seeing **Whitefriars** win by 8pts. **Whitefriars** best were **Dan Crowe**, **Simon Strike** and **Warren Lyall** whilst **Uni. Blues** best were **Adam Lennen**, **Hamish Worsley** and **Jim Finlayson**.

Banyule outstayed a dogged **O. Mentonians** to win a thriller by 2 pts at the Park in the dying seconds of the game. The game was tight all day. **O. Mentonians** appeared to have the ascendancy in the last quarter but **Banyule** fought back to trail by just 4 pts. With seconds remaining, the ball was kicked into the **Bangers** forward line where **Stewart Coulson** hauled in a remarkable one hander and kicked the winning goal - **Banyule** best were **Leigh Hall**, **Rohan Hogan** and **Michael Harte**. Best for **O. Mentonians**, **Drew Solley**, **Craig Davis** and **Adam Acreman**.

O. Paradians toyed with **Parkside** after a more determined 1st half effort by **Parkside**. **O. Paradians** had a brilliant 3rd quarter adding 10 goals and then went on adding a further 7 goals. **Parkside** were well beaten but the signs are there that they have turned the corner and with returning players, will improve. **O. Paradians** have the right blend of youth and experience and if they can play 4 qtrs of team football, they will give the 4 a big shake. **Parade's** best were **Peter Brabender**, **Matt Phelan** and **Neil Willits**. **Parkside's** best were **Lee MacNamara**, **Leo Panjari** and **Damien Gray**.

Monash Blues, with 30 years in Amateur Football had their celebrations ruined when **O. Melburnians** barn stormed the last quarter, winning by just 1 pt.

Best for **O. Melburnians** were **Chris Bryan**, **Zani Useinov**, and **Con Anastakis**. **Monash** best were **John Quinn**, **Barry Seaton** and **Anthony Quinn**.

TODAY'S GAMES

What a great round of matches! There could easily be 4 "Matches of the Day".

University at home could prove a stumbling block for **O. Trinity** if not at their best. **Alan Jarrot** was more than pleased with the **Blues** better showing last week but they have lost 4 on the trot and are missing many good players. **Trinity** finally got it together last week. I don't believe **Alan Johnson** (a former team mate of **Alan Jarrot**) will show any sympathy to the **Blues**. **Trinity** will win by 19 points.

O. Mentonians on the rebound, to an in form **Whitefriars** full of confidence. **O. Mentonians** will need to put it together to match **Whitefriars**. The ingredients of a great game and I am swayed towards the home team, largely due to their ability to win important matches at home. **Whitefriars** can win this match, however, the distance of the venue and the one sided home ground advantage leans me to **O. Mentonians** by 11 pts.

Parkside vs Banyule looms as a very interesting affair. On paper the very confident **Banyule** has already counted this match as a win. On the ground **Parkside** will renew their traditional clash with **Banyule** and with several experienced players **Parkside** should not be taken lightly. However, winning form is good form. **Banyule** by 39pts.

Monash coming off a loss, play host to **O. Paradians**. The **Students** aren't short of scoring power whilst **Parade** have a defence capable of negating all that's thrust at it. **Monash** have a terrific home ground advantage. **Parade** coach **Mick Mulvihill** must ensure his charges play as a team. **Parade** cannot afford to lose this match nor can they afford to underrate their opponents. This is a real toss of the coin. Kiss of death for **O. Paradians** who will win by 5 pts.

O. Melburnians vs O. Brighton clash has an interesting look to it. **O. Melburnians** had a very important, hard earned victory last week against the underrated **Monash**. **O. Brighton** have been disappointing of late. Earlier in the season **Perry**, **McLachlan** and **Hayden** took all before them. I am leaning to the **O. Melburnians** to win by the 5 pts.

SELECTIONS: Old Trinity, Old Mentonians, Banyule, Old Paradians, Old Melburnians.

BLACKLIST: Still celebrating **Keith? Monash**. Please fax me your club best players using full names and positions and brief summary by 1.00pm each Monday, Fax 487 9051. Phone 489 9511.

Congratulations to the victorious state sides and to the B grade players that did their clubs proud!

REVIEW – ROUND 9

VRC Stipendary Stewards are called to Murrumbidgee to swab **St Kilda/Sth Caulfield** and **Bulleen-Temp.** players following the **Saints** surprise annihilation of the **Bullants** by 97 pts.

Fawkner out toughed a determined **AJAX** by 32 pts after a pretty scrumbly and scrappy affair at **oval 2, Albert Park.** At neighbouring **Oval 4, Comm. Bank** blasted **Thomastown** away in the 1st stanza (10 to 3) and were never in doubt and won by 76 pts.

Kew whilst remarkably having 21 more scoring shots, only saluted by 25 pts over a very accurate **Ivanhoe**, and in the last of the games **MHSOB** had little trouble in defeating **Uni. Blacks** at the Sth Yarra oval by 46 pts.

★★★★★

Your's truly didn't give the **Saints** much of a hope against **Bulleen-Temp.** I've always known the **Saints** had plenty of talent and ability but it was a matter of them all putting it together on the one day. Well, **13 June 1992** they did just that much to the dismay of the **Bullants.** 28 Goals is a terrific day's work and all put together as a team. For the **Bullants**, a little bit of soul searching, however, they'll bounce back quickly enough. P.S. Could **Greenie** give me just a little of what he put in the **Saints** drink bottles!

AJAX spent most of last week's training having think-tanks, motivation talks, crisis meetings and the like in an effort to topple top of the pack **Fawkner.** Alas, to no avail as **Fawkner** withstood a hard and tough 1st half to assert their authority and won by 32 pts. For the victors, somewhat undermanned as a result of injuries in the state game, no better player than **Mark Roach** ably supported by **Paul O'Leary** who shut **Sheezel** out of the contest and again **Robt (Henry) Lawson** was terrific. New player to **Fawkner MR Ball** (that's all **J.K.** would tell me) was very serviceable at CHB and CHF.

Comm. Bank hosted **Thomastown** and for the initial 10 mins the **Towners** threatened to ruin the party. 3 goals to zip wasn't a promising start for the **Bankers**, however, they slipped into overdrive, piled on 10 majors to lead by 40 pts at qtr time and that was about the end of it all. Stanza's 2 and 3 were fairly ordinary but the last, following a real blast from **'Slug' Jackson**, belonged to **Comm. Bank** slotting home another 9 'twins' to the **Bears' 3.** **Thomastown** have many talented players capable of winning a lot more games, however, with all due respect I suggest they'll need to clean up their on field discipline to threaten the top teams. For the **Bankers, Short, Bunnett** and **Melican** were prominent and **Thomastown** best served again by **Tony Fellows.**

At Victoria Park (**Kew**) the home side had plenty of the ball but frittered away many scoring opportunities to keep **Ivanhoe** in it for a longer than they should have been. 30-18 scoring shots should and normally would result in greater than a 25 pt winning margin. One wonders whether the 'brains' trust at **Kew** will do an **'AJAX'** and schedule extra training to concentrate on goalkicking. I suggest not, knowing **'Bomber'** he'd be pretty happy his charges had so much of the **Tommy Sherrin.** At the school oval on the banks of the Yarra

MHSOB made short work of **Uni. Black.** This victory gives 'high' a sniff of the top 4 and spaces them from the cellar dwellers. For **Uni. Black's** the heat is on and the next fortnight or so will test their characters.

★★★★★

MID SEASON SUMMARY

Top 4 fairly safe, probable threat from **MHSOB**, possible rough outside chance to **St Kilda/Sth Caulfield.** No chance **Ivanhoe** for the finals but could help shape it. What is definite in my mind is that **Ivanhoe** wont be a relegation threat. Positions 9 and 10 look to be between **Thomastown, AJAX** and **Uni. Black.** I'll pot the **'Blacks'** and say they're certainties to go, leaving one spot between 2. Again I'll put my head on the block and nominate **!*Y(3)O!*** (↘). Too tough just now, give me 4 more rounds.

PREVIEW – ROUND 10

Bullants vs Towners – Angry pack of **Bullants** eagerly awaiting a plucky **Thomastown.** Difficult to see the **Towners** troubling **Bulleen-Temp.** But stranger things have and do occur. Just ask the **Bullants.** With more avenues to attack, a strong midfield and an enormous incentive to win I'll plonk for the **Bullants** to win by 44 pts.

Sainters vs Blacks – The **Saints** should just about be certainties based on the previous round's result. Provided the Stewards found no irregularities in the swabs and the **Saints** players keep on their 'milkshakes' the **Students** from **Uniland** are in for one long hard day's work. Team work and unity are keys for **St Kilda/Sth Caulfield** and provided both are in harmony then the **Saints** to the tune of 56 pts.

Schoolers vs Hoe's – I'm predicting this one to be the closest of the round between what I think are fairly evenly matched teams. Ground advantage a big plus for this 'high', however, **Ivanhoe** for me are a lot more plucky and determined than the **Schoolers.** With little confidence I'll lean towards the **Schoolers** to get home by 6 pts. Unlike my 'ghost writer' for the past 2 weeks (an imbisacle!) I will not be picking a **draw.**

Jackers vs Bankers – This encounter between **Albert Park** tenants promises to be a beauty. **Bankers** looking fairly safe in the 4 but not playing overly well and a desperate **AJAX** week in week out playing for survival. The **Jackers** put a heap of work into the **Fawkner** encounter for a nil result, however, if they work just as hard this week and keep their heads about them then I think they'll get the spoils this week. In what some may consider a strange selection, the **Jackmen** by 15 pts. (Remember – when back's to the wall you can only come out one way!)

K's vs Northerners – Top of the pack 2, level on premiership points, but only until about 4.35pm as then there'll only be one. Which one you may well ask? Well, I'll hazard a guess and go the way of the home side for the following reasons: 1. Ground advantage. 2. Visitors with a few prominent injuries. 3. **Kew** have had a picnic with the ball in the past few weeks. 4. A gutt feeling. 5. Wisdom or as some would have it, a distinct lack of it. The **K's** by 21 pts.

PERSONALITY PARS - C

150 GAMES AT FAWKNER

Today (20/6) **Paul "Slakey" Kerslake** plays his 150th game at Fawkner. Slakey has been around the club since 1980 having played in the Under 19s in 1980 and 1981. He is another member of our 1985 Premier side still playing at the moment. Known as a very flamboyant player he has played most of his football for Fawkner on a half back flank and enjoys kicking the occasional goal. The name Slakey will ring a bell with most Amateur Umpires and Officials and I'm sure his friend on a Tuesday night would like to wish him all the best today. The club also would like to congratulate Slakey on reaching the 150 game milestone.

AJAX PLAYER'S 100TH

Congratulations from all at AJAX to **Andrew Shenker** who plays his 100th game with the club this week (20/6). Andrew joined the club in 1982 and has reached his milestone in his 11th season. Numerous injuries have interrupted his career but he fronts up each year with the club. Andrew is a tough competitor and is to be congratulated for his courage - Well done Shen.

CLUB RECORD TO BERGMAN

St Kilda/South Caulfield Amateur Football Club congratulates its spearhead and section goal-kicking leader **Ralph Bergman** on equalling the club goal-kicking record of 16 goals against Bulleen-Templestowe last Saturday (13/6). Ralph returned to the club last year after successful stints with St Kilda, Melbourne and Sandringham and has been excellent on the field and a fine clubman.

D SECTION by Peter Lemon

An overjoyed **Williamstown** (10th) caused the upset of the season by (1) knocking off top team **Preston**, and (2) contacting me the following Monday – for the first time this season! As they say, better late than never. The visitors were unimpressive for the first three terms, yet trailed by only 9 points at the last break, but then the **Towners** cut loose, with a ten goal to one blitz in the last. **M. Cannon** fired right round the ground, **Leyton Miles** was a long way (miles) ahead of the opposition, and other good players were **Turnley** and club stalwart and living treasure, **Mick Derran**. For **Preston**, there were good triers in the form of **Rodney Dean**, the veteran **Peter Yendell** and, as usual, **Andy Philp**.

It was a tough, bruising, high standard affair at **Old Ivanhoe**, and the home side almost came out with the points. They hit the front for the first time in time-on in the last, only to see **SKOBs**, led by 100th-game captain **Johnny Watkin**, boot two in the dying moments. **Bruce Yarwood** continues his good form for the **Hoes**, along with **John Stevens**, whilst ruckman **Jason Weddle** came under notice in the ruck. For the winners, **Mick Pivetta** put in another good one, as did that speedy backman **Hartly Stone**.

It was ten minutes late in the first quarter which sunk **Old Geelong** in their game against **Mazenod**; the **Noddies** kicked 4 quick goals to lead by six at the first break. From there on **OGS** were playing catch-up football for the rest of the day – and catch up they nearly did, edging to within a couple of points in the last, before losing their sixth game for the season, (and the fifth by less than two goals). There was no shortage of endeavour, with **Gunn**, **Macdougall**, “**Peg-leg**” **Manton** and **John Handbury** among the best, whilst there was no report from the **Noddies**.

Conditions at **St Bedes** were like the E Section tipster. (Heavy). After half time the **Rovers** stopped arguing with the umpires, and their game improved markedly. The **Bedas**, with **Michael Beasley** and **Nathan McColough** to the fore, led by 2 goals at the long break, but the **Rovers**, led by **Mick Doukas** in the ruck, backman **Andrew Sutton**, and rover **Tony Manago**, came back against the wind. The last term was nip and tuck, with the **Bedas** missing a number of chances, before **AIF P.** snapped truly for the **Rovers** and they went on to win.

Caulfield Grammarians regained top spot with a comfortable win over the erratic **Wells**. As usual, the word “disciplined” featured heavily in the **Fields’** match report – an attribute which two or three other clubs could do with, judging from the comments made to me from last Saturday’s games. As they say, “where there’s a will, there’s a way”, and **Andrew Will’s** dominance in the ruck for the **Fields** paved the way for their win; he was well assisted by consistent ruck rovers **Richard Harris** and **Martin Dicrosta**, and **Glen Harrison** who enjoyed plenty of space on the wing.

THIS WEEK

As always, a cut-throat round, as we go into the second (and last) half of the season. **St Bedes** face a rejuvenated **Williamstown**, and I am inclined to hop off the **Beda** bandwagon yet again. However, in the interests of consistency, I’ll give them another chance.

The **Rovers/Old Ivanhoe** clash should be a beauty; the latter are obviously on the way back, whilst the **Rovers** are now casting glances at the **Four**. However, they might be without a key forward, and the result is that I’m tipping the **Hoes** to return to the winning list after a long absence.

Preston will be keen to make up for a 1 point loss earlier in the season (to say nothing of last week’s effort). **Old Geelong** will one day put in 100 minutes and give an opposition side a very nasty shock. I’m close to going for the **OGS**, but then I remember the game’s at “the Zoo” – **Preston**, by a little.

Caulfield Grammarians defeated **Mazenod** in the first round, but seem a little suspect on heavier grounds. However, despite the fact the ground will be heavy and there’s nothing wrong with the opposition, **Caulfield** should continue on their winning way.

With the track record of both the **Wells** and **SKOBs** this year, only one thing is certain: one team will win unless it’s a draw. The **Wells** will be keen to avenge that 1 point loss earlier in the season, but on form – and there’s a heck of a lot of that – I’ll go for the visitors.

SELECTIONS:

St Bedes (10pts) **Old Ivanhoe** (6) **Preston** (10) **Caulfield Grammarians** (6) **St Kevin’s** (18).

Ansett Australia.

E STREET by Tom Brain

And so we reach the half way mark, the early leaders **ANZ** have fallen by the wayside, **Doveton** go from strength to strength, the **Hunters**, keep winning despite their injuries as **Nth Brunswick** and **Powerhouse** maintain the pressure. **Bulls** and **Elsternwick** decide their own fate this week while **Trobbers** continue to try but are struggling.

REVIEW

The **La Trobe University** oval provided a muddy centre and slippery surrounds making it difficult, the homside adapted better, and had built up a good lead at ¼ time. The next 2 terms belonged to **Glenhuntly** as in their usual proficient, hard working fashion controlled the game to have a big lead at the final break. Despite experimenting with a few positions and perhaps relaxing, the home boys played a good last quarter scoring 5 goals to 1 to show they can play, a good win for **Glenhuntly** while the **Latrobe Ressesies** put in a great effort to run the leaders to 1 twin. **Timmy Hill** enjoyed his reprieve and was fantastic on his wing. Brother **Andy** booted 6 while **Crooky** was a great player. One wonders what **Latrobe** would do without **Bakogiannis** and **Ash Cummins**, well backed up by **Ribauw**.

Doveton although winning reasonably well were not totally happy with their performance, this is to take nothing away from **Elsternwick** who persisted and made a game of it. A 9 goal 3rd qtr burst finally did the trick for the **Doves**, but not to be totally outdone the **Wicks** came back in the final term to ensure **Doveton** did not earn the bacon too easily. This was not that good an effort from the **Doves** as they prepare for tough games ahead. **Pauline** and **Muirhead** put in good performances **Johnno** held the backline with plenty of assistance from **Stan Wilson**. Unfortunately the **Wicks** have again found the no talk syndrome.

Powerhouse continued their rise to prominence with a big win over a hapless **ANZ** who must really take a long hard look at themselves, they have drifted right off the pace and will find it hard to get back. It was a hard fought game for the 1st qtr before the **House** took total control, for the 3rd time in some 4 weeks **ANZ** had some 15 goals kicked against them in 2 qtrs before managing a major, although they showed some semblance of form in the final term. **Alan James** was great for **Powerhouse**, **Jamie "Jazzman" Kemp** found oval 15 to his liking and was everywhere for a great game, not bad at sculling either, while **Nick Pavlou** playing his best game for the season provided a great option up forward. In a forgettable day for **Zedders** at least **Ricky McDonald**, **Kenny Taylor** and **Paul "The Wools" Shoppee** could say they at best tried.

In pretty atrocious conditions where not a blade of grass was to be seen, the **Bulls**, who I felt deserved favouritism, failed to man up right across the ground and allowed **Aquinas** too many scoring opportunities, inexcusable in the conditions. A disappointing effort

from **Bulleen** considering their fighting victories the previous fortnight. **Aquinas** unobtrusively used the conditions better to come away worthy winners. They deserve mention, but **Whitehead**, **Peeters** and **Kirby** were leading lights, for the **Bulls**. **Paul Flew**, **Craig Parker** and **Brett Mott** gave their best.

After an even 1st ½ where both sides gave their all, **North** found something extra and after the long break were able to get their act together and with superior fitness managed to come away with the game after ½ time and in the end score a very comfortable and moral boosting victory. The **Northies** keep things to themselves but manage to put the score on the board with some degree of consistency. **Brunswick** had plenty of players down on the day, their form has been excellent this year, they must not be written off because of 1 loss. In a great team effort **Jason Turchett** led the way for the **Northies**, **Keith Hehir** had a field day and **Peter Di Marco** was a top rover. The only highlight for the **Wick's** was the fine form of **Garth Cross**. He had assistance from **Sayers** and **McCullogh**.

PREVIEW

What a round the repeat of Round 1 promises to be, a few results could be reversed today.

ANZ won by 15 gls in Rnd 1, today unless they show a marked improvement and more commitment they will not win at all. Although yet to win a game **Latrobe** should not be underestimated. **ANZ** but only just.

Glenhuntly not at full strength will be keen to maintain their ladder position, **Aquinas** in the mud at **Ringwood** is never easy, but the **Hunters** may have too much at stake to let this one slip.

Elsternwick await **Bulleen**, the loser here barring upsets could be relegated, there is rivalry between the 2 clubs, it will be an all systems contest. The **Wicks** have a few players back and on their own turf may just scrape home by the barest of margins.

Nth Brunswick await **Doveton** and what a game it promises to be, **Doves** having won 6 in a row, while **North** apart from a couple of stumbles are impressive. The **Northies** will miss **Deano**, while **Dyke** and **Burgo** at the other end hold the key, even though **North** play **Allard** better than anyone, I feel the **Doves** have the skill and incentive to reverse the opening round result.

Another big one is at Dunstan Reserve, **Powerhouse** makes the long trek **North**. The **House** impressed me last week, combining well as a team and have become a hard tackling side. If they combat the physical prowess of **Brunswick**, I believe they can and will win.

SELECTIONS: **ANZ Bank**, **Glenhuntly**, **Elsternwick**, **Doveton**, **Powerhouse**.

100 GAMES FOR MOOSE

Bruce "Moose" Wilson plays his 100th game for Powerhouse this week (20/6). A former club Vice President, it has taken Moose quite a while to reach this milestone due to some unfortunate mishaps. He began his career with the club in 1983 then went "missing in action" for a few years in the Middle East. Upon his return he was involved in a near fatal car accident which almost claimed his life. After many months of rehabilitation and rumoured steroid use, he finally returned to the field in 1986 and became a dangerous power forward arousing fear in opponents and team-mates alike. Although mild mannered off the field Moose suffers from white line fever. Once that headband is on his head, he may look like a Teenage Mutant Ninja Turtle but he plays like a madman! Moose holds the VAFA record for injuring the most number of team-mates in one game! Although he has a bizarre dress sense, Moose is a proud and loyal clubman. Well done Moose.

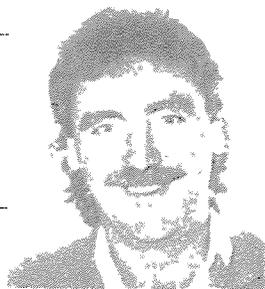

Carlton.

G SECTION by Norm Nugent

Round 9 results saw your favourite tipster hold his 83% as I again failed, by one game in each division, to top the card.

G NORTH

Therry did prove capable of defeating **Williamstown** and they did so by 63 points. On the credit side **Williamstown's** score totalled about 1/3 of their previous 1992 total. May be the tide is about to turn for the **'Townners'**. **Marcellin** did indeed defeat **Kew** to move to within a game of their vanquished. The **'Eagles'** margin of 53 points will also help by narrowing their percentage gap. **Eltham** showed better form when the **'Turtles'** overcame their travel problems to defeat **Old Scotch** by 53 points while the undefeated **Bulleen-Templestowe** maintained leadership through a 19 point victory over **North Old Boys** who thus missed an opportunity to move to equal fourth. **Old Westbourne** maintained their fine mid season form when they defeated **Banyule** by 109 points. I was wrong in my selection of **St Bernard's** who lost their second successive match when **Camberwell** defeated them by 11 points. The **'Wells'** will be a force if they can add consistency to their talent in the latter part of the season.

G SOUTH

De La Salle, who had the better of **Mazenod** in general play, ran out winners by 11 points, a margin which would have been wider had **De La** kicked more accurately. **Monash Whites**, obviously benefitting from **Russell Francis'** retirement, continued on their winning way with a resounding 81 point victory over **St Kevins**. **Bloods**, responded to their challenge in the best possible way as they defeated **Old Melburnians** by 24 points. **Bloods'** accuracy in front of goal leads me to believe the **O.M.** defenders did not exert sufficient pressure on the **Blood** forwards. **Collegians** continued their steady rise up the ladder when they accounted for **Glenhuntly** by 47 points while leaders **Old Xaverians** had a percentage building win over **Old Geelong**. The **'Crocodiles'** kicked the sweep in their 134 point victory. A 3 point victory by **Monash Gryphons** over **Old Haileyburians** prevented me selecting all six divisional winners. However, an examination of the scores indicates **Haileybury** were fortunate to be so close as the **Gryphons** had much more of the play and **Gryphon** accuracy around goal bore no resemblance to that of their coach **Arnold O'Brien** "around the rinks". **St Kilda/South Caulfield** had the Bye.

touch with the leading sides. **St Bernard's**, who must be worried by their consecutive losses face **Eltham**, at home in what amounts to a game which could well decide second place. **St Bernard's** can be an inhospitable ground for visiting teams and given their strong line up (on paper anyway) and **Eltham's** poor away record I select **St Bernard's** to win narrowly after a worthy final's preview. **Bulleen-Templestowe** play **Camberwell** in a match that may give a better insight into **Camberwell's** real ability. The **'Wells'** have put together good victories but have failed when expected to win. As **Bulleen-Templestowe** are doing all expected of them I select them to make it 10 successive victories today. **Kew**, fighting for their 1992 survival travel west to play **Old Westbourne** who at last are fulfilling their 1992 aspirations. I select **Old Westbourne** to win narrowly after a very even contest.

G SOUTH

Leaders **Old Xaverians** should be untroubled to defeat **St Kevins** while the **Bloods-Old Haileyburian** game will see (in biblical terms) the prodigal son playing host to the parent club. I forecast a victory for the son who unshackled by parental restrictions has by far the more impressive 1992 records.

Neighbours **Glenhuntly** and **St Kilda/South Caulfield** meet in a game from which the loser will emerge as hot favourite for the "wooden spoon". It should be a day out for defenders as neither side has an enviable scoring record this season. As **St Kilda/South Caulfield** have the better record I select them to win. **Collegians** and **Old Melburnians** appear very evenly matched for their game at **Albert Park**. After a close contest I lean to **Old Melburnians** to emerge narrow winners because their forward line has been the stronger during 1992. There seems no known way **Old Geelong** can defeat **De La Salle** especially as victory is imperative for the reigning premiers to remain in the leading bracket. **De La Salle** should win by around "twenty twins" as **Peter Hille** would say! In a final's preview **Mazenod** travel to **Clayton** to play **Monash Whites**. **Mazenod** faltered last week and their defenders today must negate **Monash** forward moves to **Sinn** who is an effective student forward. **Monash** is a difficult ground for visitors to master and I add this fact to my thoughts that **Monash Whites** will win because of their greater range of skills. The **Monash Gryphons** may use their bye to practice their straight kicking.

PREVIEW OF ROUND 10

G NORTH

Marcellin should be able to boost their percentage with a big victory over **Banyule** whilst **Old Scotch** should notch a rare 1992 victory at the expense of **Williamstown**. In the clash of traditional rivals I select **North Old Boys** to defeat **Therry** and thus keep in

REVIEW OF LAST WEEK'S GAMES

DIVISION ONE

OMs gave themselves a much needed percentage boost at the expense of the undermanned **Collegians** when they got home by a mere 255 pts. **David Field** and **Fabian Kuhn** were 2 of many who helped **Paul Theodore** bag 18 and "**Mini**" **Thompson** 10. **Bernies** struggled to shake off **Silla's Boys** and only a 13 goal last quarter saw them break clear thanks to the fine efforts of on-ballers **Trent Ogston** and **Chris Byrne** whilst **Marcus Daffey** repelled many of the **Bloods** attacks. **Xavs** shot a game clear of the field with an 8 goal win over **Mentone**. **Cook** again did well for **Xavs** as did **Egan** and **Dillon**. **Monds** gave **Marcellin** 6 goals start in the first ¼ but clawed their way back to get in by 2 pts. A great team effort but **James Agar**, **Azza Fischer** and "**Dobbo**" were singled out for a special mention. (I'll keep you in mind for another slab Peter!) I obviously have to re-assess my opinion of **Nodders** and **De La** after last week — I've underestimated **Nodders** and maybe overestimated **Ds. Nodder's** convincing win moved them to equal 2nd and be a big chance for the finals. Their best were **Gill**, **Makin**, and **Krom** while **Harrison** kicked 4.

DIVISION 2 CENTRAL

Towners once again won the game in one quarter when they opened up a 5 goal lead in the first qtr against **OTs** who outscored them in the 2nd half. **Hagar** reckons **OTs** showed up a few chinks in **Towner's** armour. **Towners** regulars all featured — "**Elbows**" **Risteski**, **Brett 'Magic' Thomas**, **Paul Colosimo** and **Greg Scarpa** booted 5. **Hagar** put **Sutcliffe**, **Carey** and **Mok** in as **OT's** best. **Hoes** were too good for the **Blacks** who earned praise from **Hoes'** coach for the fine way they played the game. **Reg** said **Hoes'** best were **Stu Northey**, **Shane McGowan**, **John Raywood** (7) and — how's this for a challenge after a few ales! — **Gee Dantanamarana**. (If the spelling is wrong **Gee** blame **Reg!**) That bonny scott **Angus Mackenzie** again starred for the **Wells** in their big win over the **Bullants** by booting an even dozen. As usual **Andrew Cocks** did well as did **Sam Horskins**. The **Therry** boys drove **Anthony** another step closer to a heart attack with another one kick result. This time that last kick gave them a 1 pt win over **Old Carey** who could not capitalise on **Hagar's** "harsh needle" last week. (It was **Hagar's** comments that I reported **John** — not **mine**.) **Therry** were best served by **Paul Stanko**, **Lee HOLLOW** and **Kieran Fitzpatrick** whilst **Carey's** best were **Nathan Doggett**, **John Dunn** and **Danny Walsh**.

DIVISION 2 SOUTH

Beda's moved into the four with their 6th win on the trot, this time an impressive effort over **Scotchies**. **Pat Kinder** repeatedly drove **Bedas** out of the gluepot; **Rob Randall** kicked 4 and **Mick Hecket** as usual played well. With scores level at half time, **Chirnside** did their

usual trick and ran over **Rovers** in the 2nd half and are now in the luxury position of 3 games clear of the field at the halfway mark. That astute **Rovers** judge, **Sue Anderson**, was impressed with **David Paola's** game for **Parkers** as was his coach. **Mick Mobillia** and "**Pembo**" were another 2 good **Parkers**. Big improver **Michael Fletcher** was one of **Rover's** better players as were **Fergus Hunt** and **Sam Wills**. **Oakleigh** jumped to a 4 goal lead over **Melb High** who eventually wore them down to get home by nearly 3 goals. **Carson Parris** and **Ian Gillespie** were **High's** best. I saw the 3rd ¼ of the **Tonnners** and **Ashers** contest and thought it was a great contest. **Ashers** spotted **Tonnners** over 6 goals and were wearing them down at ¼ time. Obviously they couldn't go on with it in the last ¼ as **Tonnners** got home by 9 pts. **Mike** thought his boys gave a great team effort — I agree — and also singled out **Andrew McLean**, **John Farrer** and **Andrew Skelton** for a special wrap.

PREVIEW OF TODAY'S GAMES

DIVISION ONE

Whilst they are not the team of the past couple of years, **De La** should rebound well enough from last week to get up against the **Eagles**. **Mentone** and **Ormond** at **Keysborough** is a tough selection as both are on the improve. A repeat of last week's effort should see the **Monds** get home. **OMs** should repeat their first round win over **Haileybury** but they will be pushed a lot harder than they were last week. **Collegians** will certainly improve from last week's thrashing but will still be steamrolled by **Nodders**. **Bernies** and **Xavs** at **Keilor** is a tough one. **Bernies** don't lose many at home whilst **Xavs** are the "form horses". If **Bernies** can put together 4 qtrs they will win, but I feel that **Xavs** are too persistent and won't let them put in 4 good qtrs.

SELECTIONS: **De La** **Salle** **Ormond** **O. Xaverians** **O. Melburnians** **Mazenod**

DIVISION 2 CENTRAL

A few tough selections in this group too, starting with **Blues** and **Therry**. I have a hunch that the current exam time at the **Uni** might prevent **Steve's** boys from being at their best and I'll go for **Therry** to give **Anthony** another 1 point win. **Hoes** are 2 games clear of **OTs** on the ladder but **OTs** have lost only to **Towners** in their last 5 games. I'll go against my usual cop-out of picking the home team in tough ones and pick **Frog's** boys. If it wasn't exam time at **Uni**, I'd probably pick the **Blacks** today but I think the **Friars** can just edge them out. **Parade** should keep in touch with the four at the **Bullant's** expense. The match of the round is between equal leaders — **Wells** and **Towners**. If **Wells** can stop the **Towners** from their one outstanding quarter they can inflict **Towners'** first defeat. I think they can do just that on their home ground.

SELECTIONS: **Therry** **O. Trinity** **O. Camberwell** **Whitefriars** **O. Paradians** **O. Carey**

DIVISION 2 SOUTH

Jackers and **Melb High** both take the half way turn with a 6/3 record so today's game is vital to the final's hopes of both teams. I think my assistant statistician's boys will win today. **High** by a goal. **Scotchies** will keep in touch with the 4 with a win over **De La** while **Red's Rovers** will do likewise at **Old Hoes'** expense. The other 3 games should all be close. **Tonnars** are at home to **Bedas** and the long range forecast indicates that there won't be a gale blowing at Beach Road today, so I'll have to go for **Bedas** to make it 7 in a row. **Oaks** took it right up to High last week and, whilst the **Fields** continue to improve, I expect the **Oaks** to get their 2nd win. The top 2 - **Parkers** and **Ashers** - meet at Chirnside Park. I was very impressed by **Ashers** 3rd 1/4 last week but they will need 4 of these to roll **Parkers** today. Home ground advantage and **Uni** exam time should be enough to give the edge to **Parkers**.

SELECTIONS: **MHSOBO, ScotchHampton Rovers St. Bede's Chirnside Park Oakleigh**

SLAB CHALLENGE: Very tempted to give it to Blues but I think it's about time to return to Section 1 so I'll make the offer to the **Eagles** - might be enough to keep them in the rack for the four.

COACHES CLIPBOARD

edited by
Mike McArthur-Allen

by **Ken J. Bremner – Assistant Coach Commonwealth Bank Football Club**

Having reached the half way mark of the year it's fair comment to suggest that some players/coaches are starting to feel the pinch and/or strain in relation to motivation for the remainder of the season. Yes or no. I urge you to read on as this article is all about the psychology of football/success and irrespective of what state of mind you're presently in, it could help you take a look at yourself and charge-up or re-charge the batteries.

Don't be beaten, hold your head up high, be fair dinkum to yourself, breathe in the air through your nostrils, grit your teeth and see the job through. The rewards are worth the pain. Some football teams succeed because they happily pay the price of success, others don't because they lack the willingness to 'cop' the pain. Confidence in a team game such as ours comes from believing in your team-mates desire to lend assistance by talking, encouraging and supporting. When you get on top of your opponent early in the game, don't just accept things as they are, aim for higher ideals for yourself and the team as a whole. Play desperate football, you will make mistakes but by having a desperate attitude you will not only get back into the ball game but end up playing with the ultimate. . . supreme confidence!

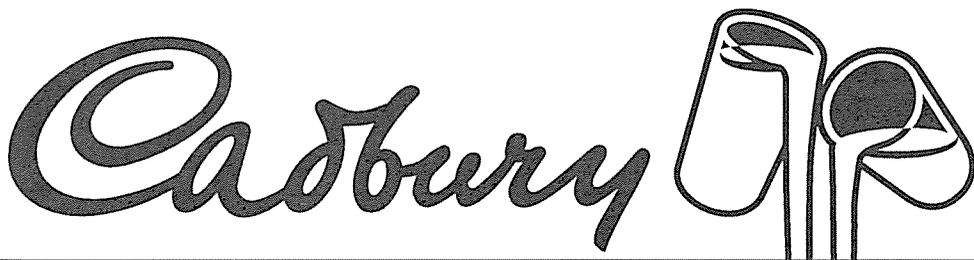

A good footballer carries out his task with enthusiasm and skill. Work well done is our contribution to our club. It gives us dignity, personal satisfaction, sense of achievement and a clear conscience. Be determined, persistent and have the courage to assist team-mates. Have an anger against mediocrity.

Use all your courage to force yourself to concentrate, to have a high and sustained determination and to remember that nothing worthwhile has ever been achieved without constant endeavour, some pain and constant application of your talents to achieve your ambition. Ask yourself . . . Am I willing to endure the pain of the struggle for the comforts and rewards and the glory that go with achievement, or shall I accept the uneasy and inadequate contentment that comes with mediocrity.

WILL YOU PAY THE PRICE OF SUCCESS?

The above article is an adaptation of excerpts from a compilation of football notes written by the late and great Len Smith.

- Either Len Smith was before his time (in a coaching sense) or else football hasn't really changed that much other than the physical fitness and political side of modern day football . . . (KB).

MARKETING NEWS by Mike McArthur-Allen

WHAT DO YOU WANT TO HAVE IN 5 YEARS TIME?

"This is often the first question we at **INNOVATIVE BUSINESS DYNAMICS** ask a new client," says company consultant, Corinne Petterson.

"The answer to this simple question forms the basis for any planning – be it business or personal planning. We have found that often people are unclear on their goals, so our first action is to assist the key personnel clear on what they want for themselves and for their business. From here we can systematically develop their business plan from these established goals.

"People say to me, 'I hate planning, it takes too long and the plans go out of date, and so forth...' In response to these considerations we have developed a planning system that is fast and develops easily to suit your individual work style and needs.

"This Planning System is extremely flexible and adaptable. It can take a 5 year or 10 year goal that is very large (and maybe very daunting!) and "chunks" down into smaller and manageable components until we identify very precise strategies that start **today**, moving forward on the big long-term picture."

Clear written goals – are the **first** key in aligning and empowering any team; we see this reinforced every

weekend on the football field, and parallels have long been drawn with business and sporting achievements.

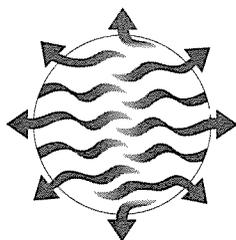

Planning – is the **second** key in the process of building better bridges to your future, in ensuring that your goals truly come into "the here and now".

In addition to **Business Planning**, **INNOVATIVE BUSINESS DYNAMICS** offers a range of consultancy services:

ROUND 10

5 YEARS AGO – 1987

Parkside was on top of B section. Was 1987 to be the year in which **Parkside** realised its ambition to be an A section team. However they suffered their second defeat when they went down by 9 points to 4th placed **St Bernard's** in a low scoring game, 6.11 to 5.8. Best were **K. Mahady, McAllister, Comito** (St Berns) and **Wood, Williams, Shanahan** (Parkside).

10 YEARS AGO — ROUND 10

The Association expressed its regret at the death of **VFA** stalwart **Jack McCann** on 8th June, 1982. Jack started his career with **Collegians** in 1925, was Secretary for many years, president for 10 years, and became a Patron of the Club in the early 60s. When **Collegians'** new clubroom was officially opened in 1981, it was named "The J.S. McCann Room".

Jack was Honorary Secretary of the **VFA** Executive between 1933 and 1946 and was awarded Life Membership of the **ANFC** in 1960 and the **AAFC** in 1975.

Marcellin congratulated **John Jones** on his 100th

game. Club B&F in 1978 and Club Captain in 1981, John was a State player in 1981 and 1982 and Captain of the **AAFC** Team in 1983.

Only undefeated teams were **North OB** (A Res), **Coburg** (C Res), **Old Mentonians** (E Res), **Brunswick** (F Res), **Ormond** (Jnr 1), **St Kilda CBCOC** (Jnr 3).

15 YEARS AGO — 1977

After a club record number of 225 games **De La Salle** farewelled **Col Glover**, transferred in his employment to Tasmania. A great worker, on and off the field, Col would be sadly missed.

West Brunswick congratulated **Bruce Ivey** on his 150th game and his achievements since joining the club in 1969 – club B&F in 1972 and 1976.

Umpires' Corner featured **Trevor Rowe** (200 games), **David Hindle** (150 games) and **Brian Goodman** (100 games).

Old Camberwell turned in a miserable performance against **Old Brighton**, scoring only 2.6 to 8.22 and dropped from 2nd to 4th. Best for Old Brighton were **Draper, Levvey** and **Warnock**.

Old Xaverians' Captain **Peter Naughton** played his 100th game of an outstanding career with the club – B&F in 1974 and '76, leading goalkicker in 1976 and Captain of 'D' section premierships team.

20 YEARS AGO — 1972

Geelong, 'B' Section leaders were badly beaten by **Uni Blacks** and dropped down to 4th with Blacks the new leader. **S. Costello, McLean** and **Cussack** (Blacks) and **R. Foster, Hogarth** and **Wookey** (Geelong) were best.

Teams still to record a victory were **De La Salle** (A), **UHSOB** (B), **C'wealth Bank** (C) and **Latrobe Reds** (F).

The spearheads had a good day – among the goals **9 to Butcher** (Caul Gr), **De Luca** (St Berns), **D'Arcy** (UHSOB), **Roche** (Latrobe Blacks) and **8 to Von Moger** (Monash).

Grace (6 goals) was the star in **Hampton Rovers'** 3-goal win over **O. Geelong**.

200 games to popular dynamic **Melb High** captain **Ian Turnbull**. All-Australia side in 1970, countless Victorian sides. 'A' section B&F were features of Ian's great career, mainly in the centre and half-forward.

Another **MHSOB** veteran, **Alan (Chook) Featherby** played his 150th game. Alan had also doubled up as club secretary in 1971.

25 YEARS AGO — 1967

Kew, with **Crowe, Briggs** and **Mullin** the best, gave a great display of wet weather football to overwhelm **Coburg** 12.13 to 8.6; and moved into 2nd place in 'A' Section with **Melb High**.

St Kilda CBCOC Junior suffered their first defeat for the season.

In an extravaganza of scoring for a wet day, **Fairfield** kicked 18.9 to defeat **National Bank** 16.11.

Former **Richmond** player, **Frank Dunin** (coach of **Uni Blacks**) was appointed coach of the Carnival team to play in Launceston, with **Fred Coldrey** as manager and **Harry Heathershaw** as assistant manager.

100 games up to **Jeff Birch** (MHS), **David Rhoden** (Kew) and **Frank Brennan** (Comm Bank).

Assumption (O'Connell 8 goals) swamped **Reservoir OB**, joint leaders in 'E' Section 18.16 to 10.8.

40 YEARS AGO — 1952

In the worst 'slush' for many years **Ormond Jnr** 11.17 defeated **O. Scotch** 3.8 to continue their unbeaten

run — stars were **John Byrne** (later VAFA executive member), **Brian Walsh** (later to play with St Kilda), and **Col Wilson** (a member of the Melbourne 1950's premiership team).

Clubs were reminded that the VAFA had never cancelled a game while the tops of the goalposts were showing above water. There is no provision for cancelling a full round.

Old Xaverians 16.14 were happy with victory in 'C' section over **Glenhuntly** 9.12 and were looking forward to **Jim Ralph's** return to the field.

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

**Our 1991 survey of players showed
89% of mouthguard owners always
wear their mouthguard at matches.
But . . . Only 10-13% always wear their
mouthguard at training.**

**So, wear your professionally fitted
mouthguard when training and
playing football.**

Make this your GOAL in '92.

A graphic with a dark background and a pattern of white circles. The text 'Keep Teeth' is on the left, 'WEAR A MOUTHGUARD' is written diagonally across the center, and 'for Life' is on the right. At the bottom, there are icons of people playing various sports (soccer, basketball, tennis, etc.) and the logos for Vic Health Foundation and Dental Health Services Victoria.
