EDITORIAL by Phil Stevens

Good afternoon football followers.

Last weekend I had the pleasure to be invited to two official functions which were celebrating in nature, enjoyable to the extreme and a credit to the organisers. Lunch last Saturday was at the Harry Trott Oval where

Collegians played host to **Old Scotch**. These two sides, with a wonderful VAFA history between them, met before the game over a luncheon at which over 200 people were present.

It was wonderful to be present on such an occasion and to feel the great spirit amongst this 100 year old club makes me think that come September the Lions may well ensure the ultimate celebration by taking off the A section premiership in the club's 100th year. A wonderful incentive - thanks **Collegians** for a wonderful day - a big pat on the back to John Kerr in particular for his incredible efforts in putting on a show of this magnitude.

On Saturday evening VAFA President David Scott, myself and our wives were guests of my old club, **Old Haileybury**, for what turned out to be a wonderful night.

The club, to honour the school (Haileybury College) being 100 years old this year and also to honour the VAFA being 100 years old this year, held a dinner to toast each individual institution on its fine achievement.

Thanks **Haileybury** for your club's recognition of the VAFA and congratulations to the school on its fine record.

Finally, speaking of celebrations, two media pieces I think give the VAFA great exposure in this, our Centenary Year, were firstly the excellent article in last Saturday's *Age* entitled "Amateurs still going strong, a century on". Catch a copy of last weekend's *Age* or ask for a copy by contacting Elsternwick Park.

Secondly, HSV-7 will be putting on a documentary on the VAFA, as a tribute to the VAFA's Centenary, during half time of the AFL televised game tomorrow (Sunday) or next Sunday. This documentary features footage of the recent State game, interviews and vision of historical pictures and photographs.

Excitement is surely building up as teams battle for those all important final four places and as the season builds towards finals time the battle is on in earnest for the great honour of becoming a VAFA Centenary Year Premiership Team.

Good luck to all teams striving for the ultimate and to teams striving to avoid the dreaded relegation.

Whatever - keep playing good, fair football.

VAFA UNDER 19 PLAYERS

VAFA Under 19 players are eligible to alternate freely between our Under 19 competition and the VSFL Under 18 competition right up to the end of either competition's season.

VAFA Under 19 players, however, can **only** play in a VSFL Under 18 team and **cannot** be used in an AFL/VSFL (reserves) - the only players who can do this are players who

- chose, as of June 30th to elect to play AFL/VSFL for the remainder of the year **or**
- who were named in the June draft **or**
- were named on VSFL supplementary lists.

This ruling allows players not required by a VSFL Under 18 side to play with their regular Amateur team.

Note that normal **eligibility** rules apply to players wishing to qualify for Under 19 finals.

REVIEW

Collegians had too much power for **Old Scotch** as they cruised to a 55 pt victory at the Harry Trott Oval.

The normal goalkickers, such as **Mount** and **Hoyle**, were well held but **Brad Woolhouse** and **Vaughan Cleary** chipped in with 3 goals each to notch a winning score.

Mark Brady at centre half back was a solid defender all day for the **Cardinals** and **Andrew Hart** had a great duel with Collegian **Matt Galbraith** in the pivot.

With **Rick Schober** and **James Bennett** still to return to the **Lions'** line-up we're all wondering who will stop Collegians this year.

North Old Boys ran all over **Marcellin** after quarter time to win by 58 points.

North had good players all over the ground — **Richard Little** and **Bruno Conti** across the half back line were great players. **Tom Jones** in the centre has certainly regained his form and up forward **Tony Egan**, **Darren Martin** and **Luke Boyle** are all kicking goals.

Marcellin lacked goalkickers with **Petroff** being well held. **Andrew Tranquilli** at centre half back and, as usual, **Joe Amad** in the centre battled on all day but **NOBs** were too good and far too determined as they head for the finals.

St Bernard's jumped **Ormond** and were never headed as they jumped into second place after winning by 25 pts. Even without the irrepressible **Luke Gollant** the **Saints** looked the goods.

Nick Mitchell at full forward booted 5 goals and with the **Capes** brothers controlling the defence and **Gavin Keane** playing a blinder as a ruck rover, they simply outplayed **Ormond**.

Ormond lacked a cohesive, consistent forward line which is why 5 of their 6 best players named were defenders.

Don't worry, **Ormond** hasn't lost the plot, they just fell victim to **St Bernard's** home ground — don't we all love playing out there!

Therry blitzed the **Xavs** in the 2nd half kicking 8 goals to 3 to score a much needed 29 pt victory. **Therry's** accurate kicking and fine teamwork sent the **Xaverians** crashing to the bottom of the ladder.

Paul Matton (named as playing back pocket!) kicked 3 goals as did wingman **Mick Grocock**.

The **Xaverian** centre line of **Paul Kleen**, **Dale Holmes** and **Matt Hannebery** was in great form but only **Matt Bourke** looked a danger up forward.

The win may give **Therry** a bit of confidence as they attempt to avoid relegation.

De La, with a reported 21 injuries, were flogged by **Old Haileyburians**.

De La's 6 goals were kicked by 6 players as the **Bloods** kicked 11 goals to 2 after the long break.

Chris McKenzie dominated the middle as the **Bloods** got their running game going.

Peter Rennie at centre half back, along with **Andrew Mackintosh** and **Phil Brasher** in the back pockets, tried hard all day but the ball was coming down too often.

De La will be hoping that their injury list shows a dramatic reduction this week as they try to get back into the four.

PREVIEW

Collegians venture out to **Ormond** and can expect a very physical game. The **Ormond** defence had trouble holding **St Bernard's** last week and one would expect they they will encounter more problems with **Collegians**. By the same token **Collegians** minus **James Bennett** can have a suspect defence.

It will surely be up to **Paul Schuhkraft** and **Stephen Grace** to take advantage of their opportunity and boot a winning score. The on-ball battle between **Andrew Jobling** and **Brett Connell** against **Matt Galbraith** and **Mark Hibbins** should be the highlight of this game.

Collegians are coasting at the moment and haven't been pushed for a while. **Ormond** had their rest last week and will surely want to hold their spot in the four.

It's time for a **Collegian** hiccup! **Ormond** will win today — but not by much. **Ormond** by 8 pts.

Old Scotch are at home to **Marcellin** in a danger game. **Scotch** can't afford to drop games they should win but as each week comes along they seem to look worse.

Russell Green will have to do some work on setting up an effective forward line — **Andrew Millar** cannot be expected to carry the other forwards. **Marcellin** on their day can do anything but also rely on **Gary Petroff** to kick goals.

So here we have two teams with suspect forward lines and the result will be determined by the running players. **Joe Amad** and **Matt Chun** will hold the key for the **Eagles** while **Scotch's** chances will depend on **Mark Brady** and **Andrew Hart**.

I have a feeling that **Marcellin** will like the conditions at Flinders Park more than the home side. For this reason I'm going for **Marcellin** in another upset. **Marcellin** by 5 pts.

Therry are at home to **St Bernard's** and need to win this game, but they won't.

St Bernard's have taken that big step from B section to A section and many of their players have matured as footballers. **Rob Purcell** is a fine centreman, **Matt Mulkearns** a great rover, the **Capes** brothers tight defenders and **Nick Mitchell** a dangerous forward.

Therry have been carried all year by **Paul Matton**, **Mark Crotty**, **Mick Grocock** and **Jason Reddick**. It is unfortunate that these players simply don't get enough assistance.

St Bernard's work hard and have skill along with experience in the form of **Carey**, **Dunell** and **Keane**.

Therry once had a team that was virtually impossible to beat at home but how things change!

* **St Bernard's** will win easily today and cement their second place on the ladder. **St Bernard's** by 30 pts.

Old Haileyburians, after their fine win over De La Salle, come up against the in-form **North Old Boys**.

The duel to watch today will be between **Tim Jones** and the **Bloods' Chris McKenzie** in the pivot. **Wes Byrns** has been in good touch up forward for the **Bloods** as has **Chris Kraus** and they will have to be watched closely today.

At the other end of the ground **Tony Egan** and **Luke Boyle** are looking good. The move of **Peter O'Farrell** into the forward line has given the **Old Boys** another avenue to goal which has taken the load of **Egan**. **Damien Cerini** and **Matthew Armstrong** will do battle in the wing and **Tim Beare** will be worn by **Josh Hayter**.

North are looking a little too strong today but would not want to underestimate the running skills of **Haileybury**. **North** will continue their winning form and win by 20 pts.

De La Salle play the **Old Xavs** at Elsternwick Park on Sunday. Both were soundly beaten last week and both will be desperate for a win today.

De La still look good on paper despite their major injury list. **Xavs** can't get too much stronger and seem to have lost the momentum that they had a few weeks ago.

Peter Rennie should get the job on **Matthew Bourke** and **Chris Campbell** on **Matt Hannebery**. **Dale Holmes** will play a major role for the **Xavs** in the centre and **Doug Bailey** in the ruck must play well if **Xavs** are to cause an upset today.

Depending on whether or not **Pat Mannix** plays, the **De La** forward line is struggling. Given that Elsternwick Park is in fairly good condition I see **De La** looking too strong and skilled and should win by 18 pts.

PERSONALITY PARS – A

600 UP AT COLLEGIANS

Three Collegian stalwarts played their 200th game for the club in the last month. First was **David 'Coathanger' Hoyle** against Haileybury. The following week saw **Stuart 'Hangman' Hinchin** join the 200 club. Finally, against St Benard's, **Chris 'C.J.' Warner** played his 200th. All three had interruptions to their careers, **Coathanger** and the **Hangman** tripping overseas and **C.J.** taking on the Reserves coaching job. Congratulations from all at Collegians to those three great champions.

MILESTONES AT THERRY

Congratulations from all at Therry to **Gerard Biddlestone** who last week (27/6) became the club's first player to notch 200 senior games, and also to **Anthony "Barney" Ratcliffe** who recently played his 150th senior game. **Gerard** and **Barney** share the rare distinction of having played senior football in all sections of the VAFA, beginning in F grade in the early 80s and being an integral part of Therry's promotion through to A section in 1990. Both have been in fine form in recent weeks and we look forward to many more senior matches from this duo.

DE LA SALLE – 100 COMING UP FOR CAPTAIN

Peter Rennie, the '92 Captain, is due to complete 100 games on 5/7/92. However, a hand injury from last week's game MAY sideline him. Peter came through the De La Under Age and 19 ranks and came into the senior team in '83 as a high flying speedy forward. After 3 years with Melbourne AFL he returned to De La in 1990 and has been playing consistently as a strong backman, gaining Interstate selection this year and was considered one of Vic's best players. A great leader by example, Peter is respected by all at De La and we congratulate him on his coming century and hope he will lead De La into the '92 finals.

50 GAMES TO CHRIS KRAUS

Last Saturday (27/6) **Chris Kraus** reached the 50 game milestone and celebrated with a fine display in **Old Haileybury's** win over De La Salle. Krausy joined the Bloods from Ormond in 1990 and has since developed into a consistent performer on a wing or forward flank. Never one to shirk scoring opportunities, Krausy has booted 54 career goals. Highlights would have to be the two games he played on one day in Round 16 '90, and being a member of that year's premiership side. Congratulations and well played Krausy.

THE IMPORTANCE OF GOOD TIME-KEEPING

At the recent Executive and Secretaries Meeting, the question of how Timekeepers should operate arose. Veteran interstate Timekeeper, Alex Johnson, was asked to provide some hints for club Timekeepers. Here are some useful hints which may help:

1. Communication with your opposing Club's Timekeeper is most important and don't be distracted – keep your eye on the Umpires.
2. Prior to commencement of match synchronise watches so that your start and finish times of quarters are the same.
3. *Adding Time.* To be in unison in the clocking of "Time on" and "Time off" is best done by talking to each other.
4. *Time-On when behinds or goals are scored.* Come to an agreement that when the goal umpire waves or crosses his flags you say "off" (meaning stop your clock). In the case of a behind, call "on" (commence watch) when the full-back makes contact with the ball on kick out. In the case of a goal, call "on" when the ball hits the turf from the umpire's bounce.
On a wet day, should the field umpire decide to throw the ball up in the air, call "on" when it leaves his hand(s).
5. A good tip is to check time elapsed for quarter after each score by calling audibly e.g. 2.12 or whatever time is applicable.
6. There can be several incidents when the umpire is required to blow his whistle and signal Time "on" and then Time "OFF". Umpires can make mistakes when a 25m penalty is given and secondly when the ball is kicked over a fence or even out of the

ground. Melees are another instance. The answer to any of this time effect on a match is for one of the Timekeepers to call to his partner Time "on" or Time "off".

7. When time is running out for a quarter, preferably check clocks at the 20 minute mark and in the last minute of the quarter one Timekeeper audibly count down "59, 58;" etc to zero when the siren or bell is rung. Check your score card and the goal umpires should signal to the Timekeepers if the scoreboard is correct. Timekeepers acknowledge with one toot on siren.
8. It is most important that matches commence on time and the specified breaks between quarters are adhered to.
9. Possibly the most controversial discussion surrounds:
Commencement of Quarters.
"Immediately prior to bouncing the ball the field umpire holds the ball aloft, this action being acknowledged with the blast of the siren. The field umpire then BLOWS HIS WHISTLE and it is on the whistle that the quarter, and therefore time commences.
10. *Player ordered off.*
Should a player be ordered off for the specified time of 15 minutes – he is ordered off for 15 minutes "playing time" and that time commences from when he steps off the ground through the marked inter-change area on the boundary. For a player to return to the field he must get the signal of approval from the Timekeepers.
11. *Motto:* "Be on time all the time".

Anybody who sees Amateur umpire "guru" Benny Goodman around the grounds today wish Benny a happy birthday, as last Tuesday he celebrated his 77th birthday.

Please note that Elsternwick Park is playing host to two Teal Cup matches – today (Saturday) and next week. Also Elsternwick Park has been named as the reserve ground for the July 22nd Under 19 VicHealth Championships in the case of Waverley being declared "off limits"

B SECTION by Tom Johnston

O. Trinity are back after giving **O. Mentonians** an 88 pts thrashing. **Trinity** kicked 6 gls with a strong wind in the 1st qtr, whilst holding **Mentone** goalless until nearly ½ time. **Pavey, Hudson and Dunn** were virtually impassable giving **Newton** few avenues to goal. Good to see **Andrew Allibon** returning to form with 5 big ones. **Mentone** missed **Adam Acreman**. After ½ time saw a contest but with a spot in the 4 at stake, **Trinity** outscored **Mentone** every qtr, to win in a way that's a worry to sides in the 4. **Trinity's** best were **A. Allibon, G. Pavy, G. Hudson and R. Heath**, and for **Mentone**, **T. Bournon, C. Gardiner, J. Sly and G. Dickson**.

The clash between **O. Brighton** and **Uni. Blues** went right to the wire before the **Tonnors** had a gutsy 2 pt win. **O. Brighton** stay in top spot. In a low scoring game in heavy conditions **Brighton's Carl Anderson** was at the ball feeding out opportunities, allowing **Tom Hayden's** fill-in, **Nick Perry** 5 gls. **Blues** struggled to pass **Brighton's Brad Pollock** and **Chris Brook**. The defence kept **Blues** to a losing score – leaving a real relegation prospect. **O. Brighton** best were **C. Anderson, B. Pollock, M. Talbot and N. Perry**. **Blues** best were **H. Worsley, B. Furphy, T. Finlayson and M. Johns**.

Whitefriars hosted **Parkside** on a very heavy oval, due to overnight rain. With **Tim Pratt** still out injured the **Friars** would be relying on **Jenkins and Reidy** to shoot accurately, and they didn't let them down kicking 10 gls between them. **Whitefriars** took an early 13 pt lead – heavy conditions not lending themselves to high marking. **Strike** was prominent. In both the 2nd and 3rd qtrs, **Whitefriars** extended their lead, their running style of play took its toll on the slower **Parkside**. **Whitefriars** won by 63 pts. The win giving them outright 4th on the ladder, a game clear of 5th place **O. Paradians**. I bet the **Red Devils'** coaching panel wished they played **Banyule** every week as they always lift. **Parkside** were disappointing after looking good last week. Best for **Whitefriars** were **S. Strike, D. Crowe, M. Jackson and R. Reidy**. **Parkside's** best were **M. Sherlock, C. Williams, L. Panjari and N. Slatterly**.

Banyule had their 6th successive win over a disappointing **Monash Blues**. **Banyule** keen to avenge for a poor showing against **Monash** early in the season, won by 59 pts. The win pushed **Banyule** into 3rd position, but due to the evenness of the competition, the **Bears** are by no means entrenched in the 4. **Monash** however, must start winning or once again face relegation with **Parkside**. **Banyule** outscored **Monash** every qtr, a good sign for the **Bears**. **Banyule's** best were **J. Turnbull** (44 possessions), **D. Williams, G. Sutterby** and **M. Harte** and for **Monash, A. Backer, M. Crampton, J. Alexander and A. McGregor**.

The match at **Elsternwick Park** between **O. Paradians** and **O. Melburnians** with a spot in the 4 at stake was a shocker. In windy but good ground

conditions the scores at half time were **Parade** 1.9 to **O. Melb.** 4.10. After ½ time the game got a little better but showed no desperation. I watched the 2nd half and felt the standard left a lot to be desired. Both sides would need to improve a lot to have any say in the finals. **O. Melburnians'** 16pt win kept them in touch with the 4. **Paradians'** loss saw them fall back to 6th. Best for **O. Melb.** were **M. Rose, P. O'Brien, S. Rose** and **C. Anatakis**. **O. Paradians'** best **F. Gleeson, J. Geary, D. Way** and **P. Zappa**.

TODAY'S GAMES

O. Trinity vs Parkside at **Trinity Grammar** (not **Parkside**) should be a one sided contest. **Trinity** look very good – the forward line is firing with **Allibon** and with the backline give **Trinity** a very good side. **Parkside**, certain to be relegated, will have to produce their best or cop a thrashing. **Trinity** easily by 49 pts.

O. Mentonians vs Uni. Blues promises plenty. If the trip to **Mentone** is done with any reservation, the **Blues** will lose. **Mentone** were very disappointing last week, however, if coach **Bert Calvert** can lift his boys **Mentone** should win. Boy, have the wheels fallen off the **Blues**, after successive losses **Alan Jarrot** would certainly be a worried coach. **Mentone** need both **Patterson and Acreman** to be a worthy final contender. Because it is a home ground I doubt the **Blues** have played on, I'll tip **Mentone** just by 11 pts.

Monash Blues at home take on **Whitefriars** in a very important contest for both sides. **Monash** were looking good but after 3 successive losses, I am starting to wonder. **Whitefriars** sitting in the precarious 4th spot will need to be at their best. **Monash** use the windy conditions well. **Friars** should know this from previous losses out there. Coach **Brian Ford's** skills against football brain **Geoff Reilly** adds to a great contest. A real toss up. **Whitefriars** by 3 pts.

The match of the round between 2 finals contenders **O. Melburnians** and **Banyule** at the **Junction Oval** should be a good game. Both teams are fairly evenly matched. The centreline battle should be a ripper. **Banyule** ruckman **Dave Williams** is the key, both sides lack aggression at the ball and this is where **Big Dave** can be the match winner. On the strength of last week's showing (or lack of strength) I cannot see **Melburnians** out bustling **Banyule's** on ballers. **O. Melburnians** gun players **Teal, Maskill, Useinov** and **Anastakis** against **Gray, Turnbull, Sutterby, Holt** and **Williams**. **Melbs** are a week to week side, one week hot, one week cold. I'm tipping the more consistent **Banyule** by 5 pts.

What an important match between **O. Paradians** and **O. Brighton** at **Parade College**. **O. Paradians** were very poor last week against **O. Mentonians** but on their own ground **Parade** grow another leg, where was **Parade's** aggression last week? **O. Brighton** one game clear on top but with a lesser percentage than **O. Trinity** must win to secure top spot. Both sides have plenty of

talent but what side is the mentally tougher? Only 4 qtrs of football will tell. Early in the season **Brighton** had a 38 pt. victory over **Parade** but **Brighton** have lost 2 of the last 3 away matches to **Monash** and **Trinity** before beating **Melburnians** by 6 pts and **Blues** at home by 2 pts. **Parade** if on their own glue pot, show aggression at the ball, will win. **O. Paradians** by 11 pts.

SELECTIONS: O. Trinity, O. Mentonians, Whitefriars, Banyule, O. Paradians.

BLACKLIST: Monash, O. Melburnians, University Blues (again) . . . it really would help me if the winning side sends a precis of approx. 150 words about the game. Please fax me your club's best players using full names and positions and a brief summary by 1.00 each Monday. Fax number for this week (075) 385 161 or Phone (075) 385 161. Congratulations **Whitefriars, Banyule** and **O. Brighton** who each week give me a great summary of their games.

50 GAMES AT OLD TRINITY – DAVID BALASZ

Congratulations to OT's ruck rover, 'Dangerous' Dave Balasz who plays his 50th game against Parkside on 4/7/92. Since commencing at the club Dave has cemented a place in the senior side with his tenacity

and willingness to do the hard team-oriented things in a game. His dedication on the training track and extra work on fitness and skills provide an example to all players of what can be achieved through commitment. Congratulations from all at OTs and we hope for many more fine games in the coming seasons.

REVIEW – ROUND 11 (27 JUNE '92)

At the picturesque and manicured Lakeside oval a totally committed **Comm. Bank** took apart a lethargic **Kew** by a staggering 84 pts. Top of the table **Kew** showed no sign of recent week's form whilst the **Bank** hit the ground running and went right on with the job. "**Bomber**" **Burden** must have thought he was in control of a "Greyhound" Bus. He had many, many passengers. For **Comm. Bank** it would be disrespectful to try and nominate good, better and best players.

Bulleen/Temp. journeyed to the **Uni.** oval distinct favourites to take the points. That they did, but along the way had their supporters reaching for the "Johnnie Walkers" and "Panadol's" to suppress the headaches the **Blacks** presented. For the **Bullants** a win is a win, albeit by 2 pts, meantime the **Blacks** presentation is very sound, their next victory is just around the corner.

The trip to **Thomastown** proved worthwhile for **AJAX** in what must have been a very good game of ammo footy. Final score of 18-17(125) to 15.15(105) suggests there wasn't much in it. The "**Jackers**" win does even up the bottom of the table with '**Blacks**', '**Towners**' and '**Jackers**' on 3 wins a piece and just above them on 4 wins the enigmatic **St Kilda/Sth Caulfield** combine.

Talking about the "**Saints**", they just happened to visit a rampaging **Ivanhoe** crew last Saturday and return home to Murrumbidgee down the tube by a whopping 90 pts after registering a lowly score of 2.6(18) against a healthy '**Hoe** score of 15.18(108). The upshot of this leaves the '**Hoes** still knocking on the door of the '4' and the '**Saints**' only 1 game clear of the cellar dwellers fighting to stave off the dreaded relegation threat.

I've deliberately left the **Fawkner, MHSOB** review to last hoping "**schoolers**" stalwart and all-round good guy **Tony Orchard** wouldn't read it. 'Cause if he has, he will debrief the ears off 'Ol 'Squirrel' after the lampooning I gave the '**High**' boys last round. In any event the win by the '**Schoolers**' will surely go down as their best for the season given their recent form, that of their opposition (**Fawkner**) and least of all that intangible 'Psyche' of venturing out **North**. The victory gives **MHSOB** a sniff of the 'finals' and makes (on paper at least) **Fawkner** appear a little "shakey". For the victors, state 'dynamo' **David Rosman** was in everything like 'salt-n-pepper' and **Chiefly Newton** gave great drive out of the centre and around the ground. **Fawkner's** best were yet again, **Warren 'He' Hoare**, **Roachy**, **Greg Mitchell** and **O'Leary**.

PREVIEW – ROUND 11 (4 JULY '92)

I preface this preview with a testimony to one of the VFA's most respected players, that being **Dean Commer** of the **MHSOB's Football Club**. If the grapevine is right then **Deano** will make his long awaited return to the field today against **Comm. Bank**. **Dean** has been an ornament to the game and has long been held in high esteem by officials, team mates and opponents alike. So much so, **Dean** was earmarked as captain of this year's C-F state squad but unfortunately had to withdraw due to a serious facial injury inflicted by a "squibb" from a metropolitan comp. during a pre-

season practice match. His determination, dedication and commitment to the squad was greatly appreciated and **Dean** was on the boundary line on the day to savour the victory. The 'Squirrel' along with all ammo footy followers wish **Dean** well today, and for the future.

★ ★ ★

Uni. Blacks vs Thomastown – the **Students** are playing very well at the moment and provided the semester break doesn't see too many of their ranks disappear, I think they'll take this one out fairly comfortably. There's a fair bit at stake in this game and both teams will be keen to get on a roll and space themselves from their rivals at the bottom of the table. The incentive's the same for both clubs and there can only be 1 winner. For mine, the **Blacks** by 29 pts.

Bulleen/Temp. vs Ivanhoe – both last round winners with **Ivanhoe** by far the more impressive. The **Bullants** have been a little hot'n'cold of late and I'm certain they'll be happy to be playing in their own backyard. **Ivanhoe** really do have an enormous incentive to win this game as they just can't afford to lose touch with the top '4'. I've been a wrap all year for **Bulleen/Temp.** and won't jump ship today. I'll stick with them; a closeby by 11 pts. (An upset wouldn't surprise).

St Kilda/Sth Caulfield vs Fawkner – Try as I might I just can't summon up the intestinal fortitude to select the **Saints**. However, if they're ever going to knock off another tall poppy then this is their best chance. **Fawkner** have an injury list that resembles the weekend running sheet at the Alfred Hospital Casualty Ward. The positive side is that they'll at least unearth some talent that otherwise might not have been given senior exposure. The **Saints** will need to have their big guns firing but I reckon the **Fawkner** troops will close them down and go on to record a win by 36 pts.

Kew vs AJAX – One thing I'm sure about **Kew** won't put in another shocker like last week. One thing I can't convince myself of; can they snap out of their lethargy and peak in a week? **AJAX** will be real keen to build on last week's success and if they can contain some of the tails of **Kew** they'll find themselves in the game with a real chance. I'm taking the punt on "**Bomber**" having "psyched" up his troops and corrected a few problems on the track and that being the case they'll get out of this one winning by 19 pts.

MHSOB vs Comm. Bank – The faint sniff of a finals berth still lingers along the Yarra down at **Melb. High**. For it to become a reality, they just can't afford to drop this one. Mind you, playing top of the ladder **Comm. Bank** won't be any easy assignment, especially after the **Bank's** fantastic win over **Kew** last week. '**Schoolers**' have a few injury woes, (but who doesn't?) and depend on too few too often to get a result. A good team effort got them the bacon against **Fawkner** last round. A repeat of that will be needed today to topple the **Bank** who at present are taking all before them. Form, facts and figures account for a **Comm. Bank** will by the margin of 25 pts.

200 AT THOMASTOWN

The ever-reliable **Brett "Jerka" Jenkins** played his **200th** game on 27/6/92 in a winning Reserves side. Jerka joined Thomastown in 1980 and has the enviable record of 3 B&F awards and playing in 3 Premiership teams. He is a model of versatility, consistency and dedication, and the travelling time and the effort he puts into training is a shining example to young players of what is required for success in football. Good on you Jerka. Congratulations on reaching the 200 milestone and keep producing those great efforts on the field.

150 AT THOMASTOWN

One of Thomastown's most popular senior players, **Leo Moribito** notched up his **150** game on 13/6/92. Known to all as "Chilli" (because in top form – as at present – he really runs hot) Leo joined the Bears in the U13s in 1981. Chilli is looking forward to playing in a Premiership team. This year's prospects are not looking good for that flag, but maybe '93 will be your year Chilli. Meantime, congratulations from all at Thomastown. We are confident of another 150 great games from you.

GOZI'S 100TH GAME

Last Saturday (27/6) **Noel Gosewinckel** (Gozi) played his **100th** game at **Fawkner**. It's taken nearly 9 seasons to reach this mark as he has played few entire seasons due to work or injuries. Gozi is a versatile player with great courage and the ability to run all day. He is also one of the great clubmen at Fawkner and never misses a club function. The Fawkner AFC congratulates Gozi on reaching his 100th game.

KEW MILESTONES

Kew congratulates winger **Ben Casauria** on playing his **100th** game today (4/7/92). Ben joined Kew U19s in '83 and also played a few senior games. However, since then he has been plagued with injury, retired a few times but finally reached the 100 game mark. Good luck today Ben from all at Kew and may the next 100

D SECTION by Peter Lemon

A strong 2nd half by the **Bedas** and accurate kicking saw them go right away from **Preston** and take over the 2nd spot. **Old Ivanhoe** returned to the winning list after eight weeks, and the **Rovers'** run of recent weeks ran out of steam.

At **Bluff Road**, an injury-depleted **Hampton** side was out-paced, with the opposition first to the ball, running in numbers and more creative forward, despite the efforts of **Mark Crawford** who was able to kick 6 for the home team. It was only bad kicking by the opposition (8.11 to 6.3) that left the **Rovers** a glimmer of hope at the long break, and this quickly faded in the 2nd half. Other good players for the **Rovers** were on-ball players **Matt McKellar** (roving), **Mick Doukas** (ruck roving) and **Ed Meinjak**.

It was **Preston's** third loss in a row when the **Bedas** controlled proceedings in the 2nd half. The "Winners are Grinners" sign in the **Tonnners'** rooms is now looking a little forlorn, and only the efforts of **Ronny Herbert** in defence and **Randall MacGaw** on the ball were worthy of mention for the **Tonnners**. For the **Bedas**, ruck rover **Andrew Boag** (that's spelt with an 'A') was again a driving force, **Dave Smith** came back from the Resses to cement his place in the Ones with a sparkling display in defence, and **Tony McGeorge** delighted the coach with 5 goals from the half forward line.

Judging from the scores, **Righetti Oval** was a bit firmer than my informant had led me to believe (thanks, **Nuggett**), with **Mazenod** scoring well, and the **SKOBs** doing it even better in the final analysis. There was little in it, with the **Noddies** hitting the front ten minutes into the last, before **SKOBs** struck back even harder to take the game – a new-found resilience and toughness has developed over the last few weeks. Best were forward-turned-backman **Paul McKnee**, regular backman **Pat Hagarty**, and **Marcus Olive** who is giving drive in the roving department, week after week.

Old Geelong were simply outclassed by Section leaders **Old Caulfield** in a game dominated by defences; the **OGs** had as much of the play, but did less with the ball, and their forward line was as organised as a Bombay market. The **Fields** have a number of talented players – **Andrew Way** has been a great acquisition for them, **Harrison** on the wing, **Simpson**, **Andrew Kalinski** on the flank – and great depth (even a couple of players out studying!) and will certainly be part of the action in September. For **Old Geelong**, one couldn't have asked for a better contribution and effort from the Captain, **Stu Glascott**, and he was well supported by the usual names in the form of "**Macca**" and **Johnny Handbury**.

Not much info from the **Williamstown/Old Ivanhoe** clash; in the finish it was the **Hoes** who did fairly comfortably to considerably improve their chances of staying in the Section. **Willie** had the advantage of a fresh lead in the first half, but was unable to capitalise

Major stumbling block for them all day was the **Hoe's** ruckman **Jason Weddle** who played a superb game in the ruck, and the two **Georges** – **Farlacas** and **Haros** – who dominated across the centre.

TODAY'S GAMES

Last week the esteemed **General Manager** of the **VFA** hazarded the guess that **Preston** would finish the home and away rounds on top – which means that they are, in all probability, doomed! Today they face a difficult away game against **Caulfield Grammarians** who I believe are the best dry weather side in the comp. It's a crucial game for the visitors who risk losing their fourth in a row, and even dropping out of the four, but I can't see them matching the all-round depth and ability of their opponents.

Hampton Rovers also face a crucial clash on the undulating **Mazenod** surface – a loss would just about put paid to the finals chances. The **Noddies'** home ground record this year is much better than away, and it's hard to see them letting this one slip.

Old Ivanhoe, on paper, are a much better side than their place on the ladder indicates, and they will put up a significant effort against the recently upwardly-mobile **St Bedes** side. (It will also be a clash of the coaches, with **St Bedes'** **Mark Tyquin** having played under **Old Ivanhoe's** **Allan Salter** at **Uni. Blues**). I'm going for the **Bedas** to take a close one – they are obviously playing well (more so at away games), but will have put in a full 100 minutes to get the points.

Williamstown's result last week has many of the pointers of a return to E Section next season, and a loss today would go close to making it a certainty. I doubt that **Old Camberwell** have managed two wins in a row this season, but today will probably be the start.

After three away games in a row, **Old Geelong** will be happy to get back onto familiar turf. They are now in desperate need of a win – against the **SKOBs** who have pushed their way into the four and will be decidedly keen to stay there. There's been no shortage of endeavour from **Old Geelong** in recent weeks, and if someone can just do something with that forward line I think they can cause an upset.

SELECTIONS:

Caulfield Grammarians, **Mazenod**, **St Bedes**, **Old Camberwell**, **Old Geelong**.

EDITOR'S NOTE:

200 AT SKOBs

Last week (27/6) **Richard 'Titch' Callanan** (SKOB Talisman) played his **200th** game in our great win over Mazenod. Titch, the last quarter specialist, has been somewhat 'hamstrung' with injuries of late restricting his on-field performances. Titch started with SKOBs back in '78 (only Cougar remains) coming from the school, a child sporting prodigy. He was once the fastest 'fat' bloke in the Ammos, who would drive back pockets crazy with his brilliant turn of speed and uncanny goal sense off the field. A fine bloke you will not meet. Congratulations from all players & supporters (past & present) for reaching this magnificent milestone.

MILESTONES AT WILLIAMSTOWN CYMS

Everyone at the club congratulates **Paul McNamara** on his **100th** game today (4/7). Another member of our '84 Premier side still playing at the moment. Known as a flamboyant player, he has played most of his football at CHB and enjoys the occasional run into the forward line.

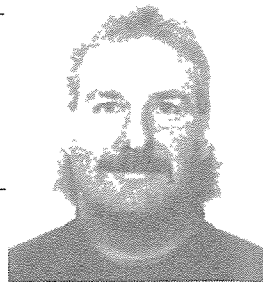

Congratulations also goes to Resxies wingman **Charlie "Chuck" Muscat** for his **50th** game, recovering from a knee reconstruction to once again roam the wing.

BUSH BATTLER'S TON

Battling **Bill Dunstan**, Quambatook's most famous and unwanted son, played his **100th** game for St Bede's last Saturday (27/6) in his usual quiet, unflustered style. No club could wish to have a better player, worker or committee man than "The Battler". Though age is creeping on, we feel there is a good chance of you playing 150 provided you settle down, marry and stay out of "The Bridge" late at night. Congratulations from all at St Bede's and we look forward to the next anniversary.

Ansett Australia.

E STREET by Tom Brain

ANZ return to the winning list, **Bulleen's** improvement continues as they stun the **Northies**, **House** have a big win and the two leaders further consolidate their positions.

REVIEW

Powerhouse with good form, took a spot in the 4 and did their percentage no harm over **Latrobe** who were unable to carry on with last week's good form. The **House** were in control from the beginning, booting 8 in the 1st term. **Steve Acott**, making a long awaited return, killed them up front and **Francis "Frankie" Doyle** continued his good form in the middle and around the ground. For **Trobbers**, hoping to repeat last week's form, **Turner**, **O'Connor** and **Weekes** all competed well, while it was good to see **Cuz** making a comeback and scoring a goal.

Difficult conditions at Oval 15 with a blustery wind clearly favouring one end. **ANZ** had first use and were able to open up a lead at the 1st break which they were able to build on for the rest of the game. They perhaps won the game in the 2nd qtr, minimising the **Bloods** scoring opportunities. After that the result was a formality. The **Zedders** appeared to regain some lost confidence, worked hard and were more determined than **Aquinas** who at least finished the game very well. **Mark "Always" Azzopardi** played a great game in his new role as ruckman, **Paul "Capper" Boyle** led his fellow defenders **Nicolosi**, **Heyes**, **Shoppie** and **Stock** superbly while veteran **Szeitz** and **Darby** with 4 gls each were good up forward. **Aquinas'** best were all defenders, with **Whitehead**, **Kenny** and **Jeffrey** all having good games. **Marchy** didn't disappoint either.

The match of the round from all reports was exactly that, both sides totally giving everything. It was an important game with a lot at stake and was certainly played that way. **Doveton**, as usual, opened well, the **Wicks** then took control, playing top 2nd and 3rd qtrs, to level the scores. The final qtr belonged to the **Doves** as they played team football, running away with the game. They retired pleased having gone 9 rounds without a defeat, while for **Brunswick**, while not gaining the 4 pts, performed encouragingly, while missing a few players. With **Big T** injured early, **Steve Reiger** took over in the ruck and used his bulk to advantage against a bigger opponent to win the **BOG** award. **Dyke** kicked 8, **Burgo** played well again and young **Cameron "salt-n-pepper"**, who played 8 qtrs, still had fresh legs at the end, **Sticks**, as normal, controlled defence. **Dasha Stevens** (surprise, surprise!) was a busy rover for the **Wicks**, **Steve McBride**, alternating between wing and half back, was a good player, and a fine debut for the **Wicks** from **Hall** ruck rover.

After an even 1st term with the **Bulls** just leading and handling the conditions better, inaccuracy from the **Northies** cost them dearly. They missed too many easy shots and could only manage 1-12 for the rest of the

game, clearly kicking themselves out of the contention. The **Bulls** dominated the 1st qtr with 5 goals to **North's** nil, **Keays** with 4 goals in total, ruled the forward line, ably assisted by **Capt Snape** at CHF. **Parker** applied plenty of pressure in defence to force many efforts from the **North** forwards, **Kelly** was again everywhere under the packs, it all starting from ruckman **Cotterill** who contested well and took plenty of strong, timely marks, especially in defence. For **North**, now out of the 4 for the 1st time in a couple of years, **Deano DeMorton** in a new role in the centre, played very well, **Joe Boudoloh** competed well against the rampaging **Cotterill** and **Peter DiMarco** played another good game.

Elsternwick started very well with the aid of a slight breeze and were just in front at the 1st change. **Glenhuntly** unsettled early due to more personnel changes, took a while to get going, but once they found their feet, took control of the game, proving too strong and running out easy winners. **Chris "Sticks" Whelan** back from **Bali** took on **Hank** and came out on top, **Andy Withers** back from injury, was a great defender and **Tim Rossiter** winging and roving, was another fine **Hunter**. **Denny Contin** (would like money on him for the **Wick's** B&F) was again inspirational, **Peter Southall** played well in the middle and **Wes Nicholson** had a good hit out at Full Back.

PREVIEW

Some good games again this week, none easy in this Street, every game today could go either way.

ANZ travel to **Elsternwick** in a very important game for them, they must win to keep their finals chances alive. The **Wicks** must also win to keep survival chances intact. In a tough, close game **ANZ** to win.

Aquinas, showing a lot of promise, but not consistently, will be a little strong for **Latrobe**.

Out at **Allard**, **North** play one of their most important games for years and must win or face the prospect of seeing no September action. It's hard to tip against them at home but **Glenhuntly** are very consistent and have not dropped form this season and won't today.

Brunswick on the rebound must not take **Bulleen** lightly. Last week's victory proved that at **Dunstan** the **Wicks** are hard to beat and today will be no exception.

Another important game sees **Powerhouse** travelling out to **Doveton**. Again it is a must win for both sides but of special importance to the **House** especially with **ANZ** winning again. **Powerhouse** are a good side but I believe **Doveton** are an excellent one and will win their 10th in a row.

SELECTIONS: **ANZ**, **Aquinas**, **Glenhuntly**, **Brunswick**, **Doveton**.

F-TROOP by "Stand-In"

Well what can I say! As a stand in Tipster, I got full points with 8 out of 8 winners, wish I could do the same at the lucky shop. Looking at the run home to the finals, I have put together the sides who I think are a chance to make the finals and the sides they are playing.

In the last game, **St John's** held off an inaccurate **Richmond Central** to win by 26 pts. To have 4 more scoring shots and to lose by that margin, I would suggest goal kicking practice would be on the training menu this week.

I have left St Leo's out as I feel they will finish on top.

REVIEW

St Mary's continued on their merry way with an excellent 51 pt victory over **St Pats**, who must realise that their chances for a finals berth are just about over.

Boronia Park went down to a determined **FIT** in a close game by 5 pts out at **Footscray** and I would like to congratulate **FIT** on their first win for the year. **Boronia Park** has to learn that it's 100 minutes of football that you play, with 2 games in a row now being ahead only to get beat with 30 seconds to go. **Kaytees Night Club** and the **Bayswater Hotel** are a no-no on Friday nights fellas.

Old Carey struggled to get on top of a determined **Chirnside Park** who after last week's debacle against **Old Essendon** were hoping for a better showing this week **Old Carey** won by 37 pts.

Old Essendon after an indifferent start to the year crushed **UHSOB** with a 121 pt win. Can **Old Essendon** be the side to topple **St Leo's**? We will know in a fortnight.

St Leo's never got into top gear and cruised to an effortless 137 pt win over **Uni Reds**.

Match of the day was at **Mt Eliza** where **Peninsula** got the upper hand over **St Andrew's** in the end to win by 8 pts. There is expectation down **Peninsula** way that they will contest their first final series for a few seasons.

Salesian, another side who are struggling of late, finally wore down **West Brunswick** to win a close game by 7 pts. After a great start to the year, **Salesian** have been unable to string a few wins together and I'm wondering if they are March champions or Premiership material. Time will tell.

PREVIEW

Match of the day between **St Andrew's** and **Old Essendon** should be a beaut. The way **Old Essendon** have been winning of late, I have no hesitation in tipping them to win by 2 goals.

Richmond Central and **Peninsula** at **Hawthorn** should be another close game and with **Peninsula** on a high at the moment, should be too strong in the end and I'd predict they will win by 4 goals.

Uni Reds and **St John's** should go right down to the wire and I'll tip **Uni Reds** to win by 3 goals because of their home ground advantage and that their ruckman resumes after suspension.

FIT and **West Brunswick** should also be a close game and after their first win will be hoping for two in a row. I honestly cannot see this so I'm tipping **West Brunswick** by 5 goals.

Uni High and **Chirnside Park**, another close game but at home **Uni High** to win by 6 goals.

Old Carey and **Boronia Park** out at **Bulleen** will see **Old Carey** wearing down the **Parkers** in the end and cruise to an easy win by 6 goals.

St. Leo's at home will be too classy for **St Pat's**, who won't give up all day. **St Leo's** by 14 goals.

In the last game, **St Mary's** at home should be too strong for **Salesian** who are struggling of late. **St Mary's** after 100 minutes of football by 6 goals.

In Round 11 83% of my predictions in both divisions became fact.

G NORTH

In the **Williamstown** "derby" **Old Westbourne** triumphed when they defeated the '**C.Y's**' by the leviathan margin of 158 points. **Marcellin** did win their game against **Therry** with comparative ease as the '**Eagles**' had a thirty five point lead when the final siren sounded. **St Bernard's** had a day out against **Banyule** as the **Saints** triumphed by 107 points. Out east **North Old Boys** edged ever closer to the top four when their marked accuracy in front of goal enabled them to defeat **Kew** by 25 points. The '**Turtles**' speed of notifying the result of their vital clash with **Bulleen-Templestowe** really lived up to the 'Club' pseudonym. Really **Eltham** your reticence is a blot on the professionalism of our Association! The details which we sought indicated that leaders **Bulleen-Templestowe** maintained their unbeaten record with a 42 point victory over the '**Turtles**'. Two consecutive losses have placed the '**Turtles**' in a position where their final's bona fides must be open to serious question.

G SOUTH

Old Melburnians clearly outplayed **St Kevin's** and ended with a winning margin of 52 points. Much the same summary is true of the **Old Haileybury-Glenhuntly** game as the '**Hunters**, who were clearly outplayed, failed 76 points. Leaders **Old Xaverians** had a comfortable 25 point victory over **Collegians** whose march to the top four was thus thwarted. Even my selection couldn't motivate a quorum of **St Kilda/Sth Caulfield** players to take the field against **Old Geelong** who thus moved two places up the ladder as a consequence of gaining the forfeited four points. **Mazenod** gained a break on **Bloods** in the race for fourth place for two reasons. **Mazenod** themselves recorded a 72 point victory over **Monash Gryphons** while out at **Clayton**, **Monash Whites** outplayed **Bloods** to win by 19 points. In this game the comparative inaccuracy of **Bloods** enabled the **White's** margin to be greater than that which the closeness of the scoring opportunities indicated. **De La Salle** had the Bye to attune themselves for the business end of the season.

PREVIEW OF ROUND 12

G NORTH

North Old Boys should build vital percentage at the expense of **Williamstown** as the **NOB** final's march continues. **Marcellin** currently the custodian of fourth place should further consolidate it today at the expense of the poorly performing **Old Scotch**. In similar vein **St Bernard's** should consolidate their double chance with a big percentage building victory over **Therry**. Perhaps the game of the round will be that at **Timber Ridge** when **Old Westbourne** come east to meet

Bulleen-Templestowe. This will be a big test for **Old Westbourne** for whom victory could insure a final's berth. However, on the season's evidence to date I am confident **Bulleen-Templestowe** will win the game. **Kew**, now a game plus percentage out of the four face the daunting trip to **Research** to meet the '**Turtles**' who are lions at **Eltham**. The loser can virtually forget the final four participation so the contest will be keen. I will give the '**Turtles**' one last chance to redeem themselves by defeating **Kew**. **Camberwell** should be able to continue on their winning way at the expense of **Banyule** who lack the personnel to hold the '**Tricolour's**' stars.

G SOUTH

Mazenod should consolidate their position in the top four with a comfortable victory over **St Kevins** and **Collegians** should remain in the final's race by defeating the undermanned **St Kilda/South Caulfield**. A match which will have definite effects on the final composition of the ladder will be the clash between last season's Grand Finalists **Bloods** and **De La Salle** at **Glenhuntly**. **De La Salle** come into the match from the Bye whilst **Bloods** went down to **Monash Whites** last round. **De La Salle** forwards led by **Losinno** have the more impressive record this season so I favour the reigning premiers to win on this 'score'. **Bloods** have slipped this season and consequently I still favour **De La Salle** to win when all factors are considered.

Traditional rivals **Old Melburnians** and **Old Xaverians** meet at **Albert Park** where I favour the '**Crocodiles**' to continue on their winning way. **Monash Whites** are continuing to look like potential premiers visit **Old Haileybury** today. I see no reason to suspect the '**Whites** will not win again today. **Monash Gryphons** have the chance to win today against **Old Geelong**. I favour them to do so while **Glenhuntly** are enjoying their Bye.

CLUB RECORD AT COLLEGIANS

Today (4/7) will see Bruce Ferguson's long-standing record of **312** games for Collegians broken. Club stalwart and reliable G grade backman, **Steve Mackay** will break the record when he runs out for Collegians today. All Collegian followers salute Steve on his historical milestone.

200 UP FOR BLOODS LEGEND

All at the Bloods FC congratulate **Rod Ellam** on playing his **200th** game this week, the first to reach this milestone since the club's inception in 1980. "Giggles" is one of the Bloods mainstays, holding down a forward flank or wing each week as well as being the club's secretary; he was runner-up in the '81 B&F and took out the Presidents Trophy in 1987. He has played a significantly major role in the club's success both on and off the field, resulting in 9 grand finals in 10 years for five flags. Well done Giggs – and all who sail in her.

KEW MILESTONES

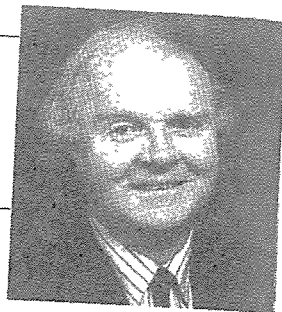

All at Kew congratulate club XVIII veterans and original members, ruckman **Tony "The King" Wilson (100)**, rover **Michael Manley (100)** and full back and premiership winning captain/coach **Richard MacIsaac (150)** on notching their respective milestones in recent weeks.

UNDER 19 SECTIONS by Max Lyon

Last week saw my worst ever tipping result — only 50% — and another green slab challenge taken up successfully by the **Monds**. Pays to be persistent **Peter** doesn't it. We also saw a great win by our U19 Rep. Squad over the VCFL Teal Cup Team — great effort fellas.

REVIEW OF LAST WEEK'S MATCHES

DIVISION 1

Noddors gained a 2 game break over the other finals contenders getting home by 3 goals over **Marcellin**. **Makin** was **Noddors** best with the two **McCuskers** which would have pleased **Brendon**. "The slab" sparked '**Dobbo**' into booting 5 for the **Monds** in their easy win over **Bernies**. **Luke Haddon** and **Codey Sparrow**, will also enjoy their share of the slab after their good efforts. **Xavs** gained revenge for their only loss this year when they doubled **OM's** score. **Tucker**, **Reis** and the **Egans** were **Xavs** best. The unpredictable (for me!) **Collegians** got home easily in the game I thought might break the drought for **Gilla**. The **Lions** best were **Phillips**, **Bamford**, **Palmer** and **Oldham** (4). As usual, no details from **De La**.

DIVISION 2 CENTRAL

As usual no call from **OT's** but **Carey** advised me of how they fell in a hole in the 2nd half and handed the game to the "silent ones". **Carey's** best were **Danny Walsh**, **Blackburn** and **Elliot**. **Therry** consolidated their spot in the 4 with an easy win over the **Fiars** with **Paul Gilmour** getting another 5 and good efforts from **Mark Finnigan**, **Jacob Dimech** and **Alan Newbould**. **C'well** got in by 7 against **Kew** with **Terry Walker** taking over from the "bonny Scott" and booting ½ a dozen. **Brad McManus** and **Chris Fisher** also pleased the coach. The **Bullants** broke the ice with a 9 goal win over the exam-struck **Blacks**. **Alan** was really pleased to tell me his best (sorry **Alan** about the answering machine) players were **Dave Somerville**, **Joe Scott** and **Paul Dall Oglio**. Once again, no info from **Parade** but that ever reliable (but still indebted) correspondent **Hagar** told me that his best were **Nitson** and **Digney** for **Parade** and **McGowan** and **Blackwood** for **Hoes**.

DIVISION 2 SOUTH

Jackers and **Oaks** didn't get their act in order and ring me — as usual! **David Harris** got back to his best for **High** and booted 6 in their big win over **Tonnors**. **Jeremy Goldwin** and **Keith Wallis** also starred in their major reversal of form. **Reds Rovers** kicked 7 into the wind in the 1st quarter and just had to cruise home from the **Fields** after that. From **Chris'** blurred fax, I gathered that **Rovers'** best were **Fergess**, **Hurst** (5), **Matt Hope** and **Dale Wellspring**. **Scotchies** kicked 7 in the last quarter to get home from **Ashers** and stay in the finals fight. Skipper **Phil Roberts** (4) again starred and **Stewart Bailey** kicked 9. **Bedas** caused the season's upset by rolling the undefeated **Parkers** in a real slog at **Bangholme**. Must have been fun watching only 1

point scored in the last qtr! **Bedas** best were "returners" from the ones **Matt McGraw** and **Christian Loos**.

PREVIEW OF TODAY'S GAMES

DIVISION 1

Bernies form seems to have slipped the last couple of weeks and, despite their renowned home ground advantage, I can't see them rolling the **D's**. **Mentone** take it up to the best teams on their home patch and, because the **Eagles** are nowhere near the best, I think the **Tones** can win. An **OM's** victory over the **Monds** could give them a 2 game break over the field for 4th spot. **Monds** showed good form last week but without the slab incentive I don't expect them to win. **Xavs** easily — but not as easily as last time — against the **Lions** and **Noddors** should be in trouble against **Gilla's Gorillas**.

SELECTIONS: De La Salle, O. Mentone, O. Melb., O. Xav, Maxenod

DIVISION 2 CENTRAL

The **Bullants** celebrations should be short lived because **Carey** will be too determined to keep in touch with the 4 to let this slip today. I expect the other 4 games to potentially ruin my tipping score as they should all be close. Every time I go against **Frog's** 'silent ones' they win but there's no way I'll go against the leaders at home. **Hoes** slipped up last week whilst **Blues** had a spell. I expect **Steve** to be rewarded for his spying last week. **Blues** just! **Blacks** are like most Uni teams — a tipsters nightmare. They let me down last week so I won't risk them again today — **Les'** boys will get a welcome return to the winners' list. A **Therry** win today will give them a possible 2 game break over the field, enough incentive to get them home against **Parade**. **SELECTIONS:** O. C'well, Uni. Blues, O. Carey, Kew, Therry.

DIVISION 2 SOUTH

Hopefully, for this scribes tipping reputation, there should be only 2 really close games in this section today. **Scotchies** fell in against **De La** 2 weeks ago and they beat **Ashers** — so what do they do today? **Jackers** have been very consistent and I think they will get home today, through that consistency. How can I ever pick a winner of the **High's** games? I'm glad it's **Steve** who has to live with that wobbly form. Holidays may deplete **Ashers** a little but on the bigger ground than **High's** (aren't they all!) I think they can scrape in. **Tonnors** will be too strong for **Old Hoes**; **Parkers** will stop the **Oaks** winning run and **Bedas** will roll the **Fields**.

SELECTIONS: Hampton Rov., AJAX, O. Brighton, C'side Park, St Bedes, Monash.

Don't forget ALL winning clubs to advise details on 568 4727 (Ph. W/ends) or fax 646 0872 (Monday).

SLAB CHALLENGE

Sorry **Ashers** but I'll give **Steve's** High boys added incentive to keep in the finals fight by offering them the slab for winning today.

HOW TO WIN AT FOOTBALL

by Craig Jackson, Senior Coach, Commonwealth Bank FC

How do you win at football? Its the sort of question all coaches, players and supporters ask from time to time.

With the size of the oval, the unpredictability of the bouncing ball, and varying mental attitudes it is difficult to place a definite answer to the success question.

In David Wheadon's book "*Tactics in Modern Football*", it features interviews with several prominent AFL coaches who discuss their philosophies on winning.

The question asked in the book was "What is your basic philosophy on How to Win at Football?"

I have listed their answers below.

ALAN JOYCE

Alan Joyce's philosophy is based on the fact that football is a simple game. There are three essential things in football:

1. Players have to be fit.
2. Players have to have ability.
3. Players have to be motivated.

RAY JORDON

Jordon keeps his team plan simple - gain possession, kick the ball long, run, handball and choose the first option.

TOM HAFEY

The most important thing is getting in to win the ball - winning the ball by keeping your eyes on it, going hard at it and not letting anything knock you off the ball.

RON BARASSI

Ron Barassi is a great believer in going for everything possible. If every player does the right thing at the right time, the game takes care of itself - the very good players winning, on top in the important positions, while the lesser players will be preventing their opponents from starting.

ALAN JEANS

1. Alan Jeans believes that successful football is based on two main principles. The side that usually wins is the side that:

- (a) wins in most position;
- (b) makes the least number of errors.

2. This implies that one player is responsible for beating one opponent.

DAVID PARKIN

The game is no different wherever you are selected to play. When the ball is there, and it is your turn, you have to win it. You have to use the ball in the correct way (technically well and with the right option). When the opposition have the ball you have to work them over, no matter where you play, big or small, backman or forward.

KEVIN SHEEDY

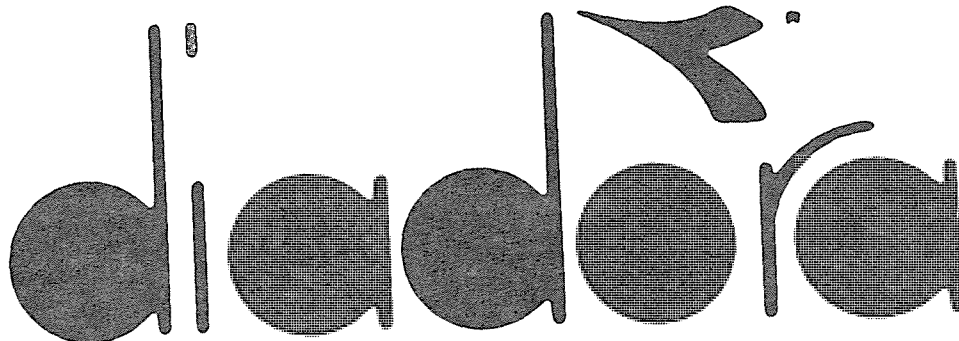

Successful football depends on winning the fifty-fifty contests in one on one and pack situations. You have to win the ball when the opposition look like they may be gaining possession. There are many plays in a game of football and the winning team wins more of them than the opposition.

ROBERT WALLS

Football all depends on the 'one-percenters' - those players who smother, chase, tackle, spoil and do all the unselfish team things. Other things in football naturally flow on from this.

MALCOLM BLIGHT

How you get to the winning team depends on how efficient you are. Efficiency relates to all aspects of the game, e.g. not making errors, the way the team is structured, conditions of the day, team balance.

MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches** and **club officials**.

NB: Eleven Old Carey U19 players have just received their \$20 rebate.
Do you have any U19 players who qualify?

MOUTHGUARDS - A FEW FACTS YOU SHOULD KNOW -

Whatever the sport, proper equipment is necessary to reduce the risk of injury.

Mouthguards have been proven to greatly reduce the number and seriousness of mouth injuries in active sports.

An understanding of how to use and look after a mouthguard will help you get the most from your appliance and increase your chances of **keeping your teeth for life!**

MOUTHGUARD CHECKLIST

1. A mouthguard that is to be held in place by clenching the teeth is not satisfactory.
 2. The **professionally-fitted** mouthguard is the most recommended type. Self-moulded or off-the-shelf mouthguards are not effective because it is impossible to get them to fit correctly.
 3. A mouthguard should have good suction to prevent it being dislodged by a blow.
- It should be comfortable, odourless, tasteless and

non-irritating to the gums, causing minimal interference to speaking and breathing.

4. It is normal to have a period of "getting used to" a new mouthguard.
5. Mouthguards should always be worn during **training sessions**. Injuries are just as likely to occur then, and the wearer will become used to wearing a mouthguard more quickly if it is a normal part of training.

HOW TO LOOK AFTER YOUR MOUTHGUARD

1. Always wash your mouthguard with water and soap after use.
2. Dry thoroughly to avoid mould growth.
3. It is a good idea to keep your mouthguard in a sealed plastic container.
4. Avoid chewing your mouthguard to save on repairs and to prolong the life of the mouthguard.
5. Mouthguards should last 2-3 years for adults, however children who are getting new teeth may need to replace their mouthguards more regularly.

Looking Back by Noel Rundle

ROUND 12

5 YEARS AGO – 1987

Old Scotch kept their slim final 4 hopes alive when they held on to beat a fast finishing **North Old Boys** to win by 3 points – **North** trailed by 14 points at the final change but with the advantage of a strong wind **North** looked good things! **North** kicked 6 goals but did not count on **Old Scotch** kicking 4. **Peter Sherwin** was relishing his change to full back. Other stars for **Old Scotch** were **Moir, Bones, A. McMillan, White, Borcich, Boyd** and **Millet** were **North's** best.

The **Monash Blues** selected their first ever set of twins, **John** and **Antony** "who normally only share trendy clothes, flashy smiles, and fast girls" for their good play on the half back flanks.

100 games to University Blacks captain, **Nick Clark, Frank Gleeson** and **Phil Hammond** (Old Paradians), **Greg Wood** (St Bernard's), **Brendan "Jack" Hall** (Brunswick), **Rob Schober** (Kew).

Umpires Corner wondered if **Wayne Henry** was really past it? Had his hearing gone? Did **Wayne** really stop a match when a car horn sounded?

Uni Blacks, fifth in B Section, at home, trailed fourth team **Marcellin** by 10 points and then kicked 16.5 to 2.6 in the 2nd half. Players who led the surge to victory were **Vaughan, Garde, Hyett, Heath** (6 gls), while **Paatsch, Slattery** and **Castagna** were good players for the losers.

Only undefeated team was **Old Xaverians** (Under-19 Section 1).

10 YEARS AGO – 1982

Victoria won its first match of the carnival very easily when it defeated Tasmania 32.12 to 9.4. **Geoff Dillon** kicked 10 goals.

In the battle of the two top teams in A, **North Old Boys** and **De La Salle O.C.** were 9.10 each at the last change. **North** kicked 8.2 to **De La's** solitary goal in the final term.

A Section umpires were **D. Dodds, K. Segota, A. Hobson, R. Tracey, J. Smith, M. Hafey, W. Hinton, B. Goodman, C. Mead, T. Flannery**.

Top goalkicker for the season was **Hristovski** (La Trobe Uni) in F with 61 goals.

150 games to Richard Loder, the third generation to play for **Collegians**.

15 YEARS AGO – 1977

Coburg caused a real surprise in "A" when after scoring only 3 goals in the 2 previous games they finished 15 points ahead of the **Blues** who had the chance to make themselves safe from relegation. Best were **Royal, P. O'Brien, McAliffie** (Cob.) and **Pager, Carroll, Standish** Blues.

Old Paradians 3rd in B Section kicked themselves to a 5 point defeat against **Old Scotch** (1st) who won by 8 points, 8.7.55 to 5.17.47. Best were **Currie, Morgan, Rogerson** Old Scotch and **J. Assetta, T. Considine, Lyons** Old Paradians.

Hampton Rovers (5th in C Section) kept their final four hopes alive when they annihilated **AJAX**, 3rd, 22.15 to 9.10. Best for **Rovers** were **Slattery, Tregear** and **Blair**.

Alby Bolger celebrated his 200th game with **Parkside** against **Fawkner**. In a quite remarkable performance **Alby** failed to get a kick; however his club didn't let him down as they defeated the previously unbeaten **Fawkner Reserves** team. The 'scribe' reported that **Alby**, a life member (twice) had seen better seasons but was still trying.

20 YEARS AGO – 1972

Upsets were the order of the day when **Old Trinity** and **Ivanhoe** joint leaders in B Section, were both beaten. **Old Trinity** finished strongly against **Old Scotch**, but went down by 9 points. **Anderson, Kefford, Duffy** (Scotch) and **Just, Macaw, C. Fellows**, (Trinity) were best.

Uni. Blacks, trailing **Ivanhoe** by 3 points at the last change, kicked 6.3 to 2.2 in the last quarter. **C. Cordner, McLean, Moffatt** (6 goals) for the **Blacks** and **Robinson, Berry** and **Hughes** (Ivanhoe) starred.

A Section coaches were **John Caspars** Caulfield Gramm, **Alan Salter** Coburg, **Ken Purcell** De La Salle, "Jocka" **Nelson** MHSOB, **Clyde Laidlaw** Monash Blues, **Bob Spurling** North O.B., **Ted Farrell** Ormond, **John Booth** Old Paradians, **Gusa Mitchell** St Bernard's and **Barry Johnston** Uni. Blues.

The umpires bade farewell and thanks to **Joe Jamieson** who had looked after them so well at **Elsternwick** for some years, and had also greatly assisted the Association.

200 games to Hampton Rovers veteran **Dave "Brickie" Fullager** who joined the juniors in the late fifties and had given great service to the club.

25 YEARS AGO – 1967

Collegians stopped **Kew's** winning run of 5 games straight when they led throughout to score by 3 goals.

The 2 top teams in C Section **St Bernard's** and **Alphington** were both beaten by 1 point, by **O.G.G.s** and **Monash** respectively.

John Wood played his 250th game for **Brunswick** (John has since been president of the club).

Parkside, undefeated with 11 wins, were 3 games clear of **Hampton Rovers** and **AJAX**, in D Section.

In A Section **Old Scotch, Ivanhoe** and **Old Xaverians** were in the last three positions – yet on a game behind **Collegians** who were fourth.

40 YEARS AGO – 1952

"Curley" **Gemmell** played his 150 game for **Ivanhoe**.

A Section captains were **Phil McLaughlin** Old Paradians, **Sam Birtles** Hampton Rovers, **Evan McGregor** Ormond, **Harry Meredith** Uni. Blacks, **Geoff Sinclair** Uni. Blues, **Perc. Adams** Alphington,

Jack Thomas Comm. Bank, **R. Ferguson** Collegians,
Peter Cox Old Melb., **Don Morone** Old Scotch.

Old Paradians with only one victory to their credit,
went down to join leaders **Old Melburnians** by only
5 points while **Comm. Bank** 4th, continued to be a

hoodoo side for the other joint leader, **Ormond** as they
led all day to defeat **Ormond** 7.11 to 5.9.

Stars for the **Bank** were **Alan Shiel**, **Miles Hurley**
and **Don Malcolm**.

Umpires Corner

by Mike Murray
and Steve McCarthy

- From the 'Seeing is Believing' Department - Les 'Hooker' Harrison, that noted teetotaler, representing his mates at a recent Marcellin after-match 'skol'. What an effort! It was certainly a tribute to him for keeping the amber down.
- Who cut Steve Hanford's hair? It is certainly not the same hairdresser who tends the craniums of Messrs R. Bell, S. Clinch and W. Henry.
- Congrats to two flag wavers - Graham 'Roy' Wright and young Steven 'Sok' (Son of Ken) Pitcher - on their appointments last weekend. Graham's 1st 'A' Section and Steve's 1st 'B' fixture were certainly deserved.
- Speaking of Ken Pitcher, we understand it was a case of taking money under false pretences for his efforts at the recent Scotch/St Bernard's fixture. Of the total 7.13 scoreline, Ken only had to adjudicate on 4 behinds all day. We hear Mr Rundle is now seeking a 'Please Explain'.
- The recipient of the 'NAGA' (Not a Golfer's...) Award from the recent Umpires Golf Day was none other than Peter 'The Great White Minnow' Wiseman. Even loving wife Betty reckons she could have scored more than 23 points.
- The spies report that former goalie guru, Julian 'The Rabbi' Velleman was seen 'filling in' at AJAX recently. Has the man got itchy feet again?
- June Meeting highlights:-
 - * Rob Bell turning up.
 - * Bernie Hoare shutting up.
 - * 'Agate' Harris putting up.
 - * Ken Walker acting up.
 - * Mark Gibson's 'A-B-C' on wet weather umpiring was very well received. Remember - i) Anticipation; ii) Breaking up scrimmages and iii) Communication.
 - * Wayne 'Chuck' Hinton conceding that he hears and believes everything that Advisor, B. Bullus, is saying.
 - * 'Woody' Award: Tim Sutcliffe.
 - * 'White Wacker': Jason Moore.
- Umpire Profile: Today, with the utmost humility, we

acknowledge the performances of a **true survivor** in umpiring ranks - a **big man** who **reaches the 350 mark** this afternoon:

Full Name: Mike Murray.

Nickname: 'Tangles' (playing days); 'Big Mike' (umpiring).

Year commenced umpiring: 1973.

Highlights/Achievements: 1983 'A' Section Grand Final; VAFA v VCFL (1984); Vic v WA and Vic v SA (1985); VAFA v VFA (1985); VAFAUA Life Membership; VAFAUA President (twice).

Greatest Influence on Career: David Bennett, Don Hillier, Julian Velleman.

Football Playing Career: Ormond CYMS; Ormond AFC (1968-70).

Football Pet Hates: Tribunal visits; Trying to write this dossier.

Personal sponsor: Coles and Garrard.

Most Memorable Matches: 1984 'B' and 'C' Grand Finals.

Amateur People to Remember: Ted Farrell, Bruce Bourne, Les Murray, Tim Standish, Mick Deveson, Andy Smythe, Jack Maxwell, Peter Wiseman, Benny and Joe Doolan.

Statistical trivia: 57 Finals; Umpired 75 teams on 58 grounds; worked with 135 Field ump's and 104 Goalies; Have waved (approx) 8011 goals and 8556 behinds.

What I like about Umpiring: It's a character builder... The friendship of fellow umpires, players and officials is special too.

Personal ambition: To continue as long as I can or as long as my wife lets me!

Coming events: See Richie and Co.

- * July 18th: Trivia Night (City of Melb. B.C.).
- * August 3rd: AFLUA 'UPD' (Arden St).
- * August 20th: Pre-finals BBQ (after training).

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

Our 1991 survey of players showed
89% of mouthguard owners always
wear their mouthguard at matches.
But . . . Only 10-13% always wear their
mouthguard at training.

**So, wear your professionally fitted
mouthguard when training and
playing football.**

Make this your GOAL in '92.
