## EDITORIAL by Phil Stevens

Good afternoon football followers.

This week I have asked Chairman of the New Clubs Committee, David Cook to comment on the new clubs who have joined the VAFA and provide some advice on procedures for new clubs who eye the VAFA as a sound body to join for the future.

### 10 YEARS OF NEW CLUBS by David Cook

At this time of the season the New Clubs Committee usually begin to receive inquiries for admission to the Victorian Amateur Football Association. These applications come from both existing Football Clubs or from Sporting bodies now desirous of fielding a Football Team.

This year has seen a change to the normal flow of applications and in fact to the end of June we have received 10 written expressions of interest and a number of preliminary phone enquiries about our competition.

It is the policy of the current Executive that prospective Clubs first apply in writing and those considered suitable are then interviewed at length. The Clubs that successfully come through the interview stage are then observed over a 12 month period and then face a final interview before an executive vote for their admission is taken. The New Club is then presented to the membership at the AGM in December.

This practice may be varied by the Executive if unusual circumstances exist and this may well be the case this season which sees a proposed amalgamation of other football bodies and an unusual number of applications already received.

Most new clubs then enter F section (Some into G) with very high expectations. Nearly every Club then realises that the standard of Football in F section is on a par with the competition they have come from or in some cases better. All New Clubs certainly realise the fierce competitiveness caused by the promotion and relegation system at an early stage. F section is not by the nature of its position, a lowly standard of football and in fact comments are made by new Clubs who appreciate the fight for the ball and not for the man that this is what certainly distinguishes Amateur Football from their old competitions.

One can pose a question about the success of Newly admitted Clubs as to which Club is the most successful New Club.

**WHITEFRIARS** appear to be able to lay claim to this title over the last ten seasons. They entered the competition in 1986 and are at present in B Grade. Can Mazenod, St Mary's or this season's Newly admitted Club St Leo's better their record. Appearing below is a table listing these Clubs and a comparison to the most successful Amateur Club overall in the last 10 years,

Ormond. (Ormond have won 5 of the last 10 "A" Grade premierships.)

CLUB	F	E	D	C	B	A
WHITEFRIARS (1986)	86-4th 87-2nd	88-1st	89-3rd 90-2nd	91-1st	92-3rd	
MAZENOD (1989)	89-1st	90-3rd 91-1st	92-3rd			
ST MARY'S (1990)	90-1st 92-2nd	91-9th				
ST LEO'S W.PRK(1992)	92-1st					
ORMOND (1932)			33-1st	34-1st	35-4th 36-2nd	37-2nd 92-5th
WILLIAMSTOWN (1984)	84-1st	85-90 91-2nd	92-10TH			
PRESTON (1984)	84-2nd	85-2nd	86-87 88-1st 91 92-2nd	89-90		
AQUINAS	87-1st	88-3rd 89-3rd 90-5th 91-3rd 92-7th				

Other than the current year depicted in the table the positions are those the Clubs finished the season after the finals series. The area in bold is their present position the ladder after Round 12.

As most applicants express the desire to keep their applications confidential it is of interest that we have looked at the New Clubs who have joined the VAFA over the past 10 years.

Twenty two Football Clubs have joined the Amateurs in this time of which 18 now remain. Some of course have had moderate success and some have struggled but continue to look brightly to the future.

To the New Clubs now competing in F section this season for the first time and looking forward to being in the action come September (St Leo's, Salesian & St John's) best wishes for the remainder of the season.

## A SECTION by Adam Kenyon

### REVIEW

**Collegians** certainly showed **Ormond** who is king of the A-Section castle when they devoured the home team by 81 points.

The dynamic on ball combination of **David Hoyle** and **Matt Galbraith** led the lions to their landslide victory.

**Rick Schober** booted 4 goals in his 1st game back from injury.

The game was all over by half time as **Collegians** had posted a 61 point lead. **Eathan Fraser** at centre half back and ruckman **Paul McDonald** were valiant in defeat for **Ormond** but with all A-Section teams showing great inconsistency, one question must be asked — who is going to beat **Collegians**?

**Old Scotch** ran away from **Marcellin** in the 2nd half to notch a most important 18 point victory.

**Ed Allen** and **Andrew Hart** dominated the mid field and **Gavin Eagle** was prominent at centre half back.

**Marcellin** had very few 4 quarter contributors but the full back line of **Gary Williams**, **David Howe** and **Julian Kann** fought very hard all day.

The move of this game from the **Old Scotch** oval to the **Old Xav's** ground obviously worked in the **Cardinal's** favour.

**Russell Greene** also ran into some kind of form which is an ominous sign for opposition forward lines.

Despite atrocious kicking **Old Haileybury** won their 3rd game in four weeks when they defeated a disappointing **North Old Boys** by 1 point.

**Matthew Armstrong** was in dashing form on his wing for the **Bloods** as they now push for a spot in the 4 as opposed to looking at relegation only a month ago.

**Luke Boyle** booted 7 majors in a great display from his half forward flank.

**Tim Jones** is right back in form in the centre but the **Old Boys** can't afford to lose the close ones if they want to hold their spot in the 4.

**St Bernard's** continued to impress as they shrug of a determined **Therry**. With only 1 point in this game at ¾ time the **Essendon Derby** was anybody's game.

**St Bernard's** showed greater composure to score 5.2 to **Therry's** 2.5.

**Therry** had their chance but could not convert.

**Anthony Capes** at full back and **Greig Wood** at half forward were named as best for **St B's**.

**Therry** was well served by **Simon Eastmure** in the ruck and **Anthony Ratcliffe** as ruck rover.

**Old Xavs** continued **De La's** woes when they scored a 14 point victory at **Elsternwick Park**.

The **Xaverian** centreline was in fine touch with **Paul Klein**, **Richard Green** and **David McKay** all doing well.

**Michael Holmes** did a great job in his capacity of ruck rover and up forward **John Bowen** was a fine target at centre half forward.

**De La** just didn't have a functioning forward line. Their

better players were found mid field where **Chris Campbell**, **Col McClounan** and **Julian Maloney** all put in but had nobody to kick to. Could the premiers miss the '92 finals?

### PREVIEW

Just a few admissions before we get into this week's preview.

Firstly I can finally admit that I could not pick a winner in a one horse race — why don't some of you A-Section clubs play to form 2 weeks in row?

Secondly what was **Old Xaverian's Paul Klein** doing wearing a dress at a Melbourne nightclub last week — or, at least that's what he said his name was! Not a good look!

**Collegians** are at home to **Therry**, maybe I'll tip **Collegians** — correct me if you disagree!

**Therry** put up a good show last week but eventually folded under the pressure placed on them by **St Bernards**.

**Collegians** are just as tough and have great skill and, this year, a new found determination.

We could go on forever about the talent in the **Collegians** line up but generally speaking they have a better defence, a better forward line and a better on ball department than **Therry**.

The home ground advantage will create further havoc for **Therry**.

Match ups of interest will be **Paul Mattos v Danny Thomas**, **Mick Groisck v Gary Irvine**, **Mark Crotty v Rick Schober** and **Anthony Ratcliffe v Mark Hibbins**. **Collegians** by 36 points.

**Marcellin** are at home to **Ormond**. Both sides are coming off losses and seem to be lacking cohesion at the moment.

I am a firm believer that **Gary Petroff** is the key to **Marcellin's** success. If he is held then they struggle.

**Ormond** have numerous potential stars **Brett Connell**, **Stephen Grace** and **Andrew Jobling** have all been match winners this season.

**Marcellin** too have some fine players, none better than **Joe Amad**.

The duel between **Connell** and **Amad** should be a beauty.

If **Ormond's** defence plays up to scratch then I see **Marcellin's** chances as being remote.

The experience of **Ormond** coupled with the rebound factor will see an **Ormond** victory today.

**Marcellin** should not be underestimated though **Boysen**, **Chun**, **Williams** and **Co** can "turn it on" on their day. **Ormond** by 12 points.

**North Old Boys** are at home to **Old Scotch**. Winner stays in the 4 loser probably drops out.

This will be a fierce game. Inconsistency is the major trait of these two teams.

The **Scotch** charge will be headed by centreman **Andrew Hart** who has really kicked on this season.

He will need to be in form if he wants to curb the brilliant **Tim Jones**.

**Andy Smith** will be given the task of minding **Luke Boyle** while at the other end of the ground **Peter O'Farrell** will play on **Andrew Millar**.

Both of these teams play a similar game. Hard, fast and direct.

**North** are gaining momentum as they regain players from what was a huge injury list.

**Scotch** are missing **Duncan McCall** and **Rob Fuller** is anything but fit.

Whichever defence plays the better will decide the outcome of this game.

**North** are at home and so I'll go for them – just. **North** by 6 points.

**St Bernard's** look like inflicting another defeat on the flagging **De La Salle**.

The main reason for this is the home ground advantage.

**De La** haven't been playing well at all. Their confidence is at an all time low, their injuries at an all time high.

**St Bernards** have proven that their early form was not just a fluke.

**Rob Purcell, Nick Mitchell, Vin Comito, Anthony Capes** etc. have all taken to A grade with a desire rarely shown by B-section promotees.

**De La** still have great talent, and I certainly won't write them off but going on form I can't see them winning today.

**Chris Campbell, Col McClounan** and **Peter Rennie** have done well all season but too many others have come and gone.

The return of **Andrew Ronchi** is a boost for **De La** but he comes up against **Wayne Carey** today – welcome back **Mr Ronchi**!

**St Bernards** have a point to prove today. **St B's** by 8 points.

**Old Xaverians** take on the in form **Old Haileyburians**.

**Xavs** had a fine win over **De La** last week and the **Blood's** victory over **North** was no less impressive.

The return of **Glen Tanner** and **Chris McKenzie** to the **Haileyburian** line up has certainly made a difference to the team's confidence and performance.

The **Xaverians** have unearthed some great players this season – **Matt Bourke, Dale Holmes** and **John Bower** are 3 that immediately come to mind.

**Holmes** and **McKenzie** should provide a great spectacle in the centre.

**Doug Bailey** should control the ruck and give **Richard Green** many first possessions.

**Paul Klein** and **Matt Armstrong** will battle it out on the wing.

The **Xaverian** centreline has been their strength all season, but so has the **Haileyburian** centreline.

This is where the game will be won and lost and to my mind **Haileybury** are travelling a bit better than the **Xavs**. The **Bloods** by 10 points.

**ALL** interchange stewards (both SENIORS & RESERVES) please ensure you wear a white coat and hand in an official interchange card for forwarding with the umpire's paperwork.

Interchange stewards must station themselves at the interchange gate. Some reports filtering in, indicate stewards start off by the "gate" then **disappear** for the rest of the day.

★★★★

With permits now closed for senior sections I am advised that some 30 clubs are still to collect club slips which indicate a player is clear to play. Among this information is paperwork indicating that some permits were **not** approved. Thus some clubs may be in danger of playing unregistered players.

Clubs are advised to attend to this matter before points are possibly lost.

★★★★

Contrary to what "Peter from Peterborough" tells the Coodabeens regularly, the VAFA does not have a mid-year break to allow players to enjoy the snow for a week.

A, B and Under 19 Section 1 teams have a mid-season bye each year so that it allows the staggered end to the VAFA season to take place whereby the A, B and U19/1 grand final is played on the second last weekend of September.

To this end no A, B and U19/1 matches will be played on the weekend of July 18th.

### REVIEW

The clash at **Trinity Gr** between **O. Trinity** and **Parkside** was a very one sided affair after qtr time. In a game with both sides depleted by injury, the 1st qtr was a hard physical contest. **Trinity** had 10 scoring shots to **Parkside's** 4, but were not able to establish a large break on **Parkside** leading by 16 pts at ¼ time. But **Parkside** were unable to score a goal in the 2nd qtr, whilst **Trinity** added 6 goals to **Parkside** 2 in the 3rd to extend **Trinity's** lead to 109 pts at ¾ time. **Trinity** looked very good winning by a whopping 138 pts. **Trinity** best players: **R. Heath, G. Pavey, S. Hopkins** and **D. Rogers**. **Parkside's** better players were **D. Moodie, G. Yoksich, M. Sherlock** and **L. Panjari**.

**O. Mentonians** had a very important win over **Uni Blues** by 2 pts. **Mentone** in the 1st qtr got the biggest break for the game when they led by 14 pts at ¼ time. The next 2 qtrs both sides found goals very hard to get. The last qtr was a beauty with the lead changing 6 times. **Mentone** kept their nose in front, however **Mentone** coach **Bert Calvert** and all the supporters wish **Mentone** would stop being involved in close finishes. With the 2pt win **Mentone** keep their finals ambitions alive, whilst the defeat of the **Blues** pushes them in a battle for relegation with **Monash**. **Mentone's** best were **R. Beynon, J. Sly, S. Farrow** and **D. Murphy**. **Uni Blues** (once again no club details).

**Whitefriars** consolidated 3rd position on the ladder with a good 20 pt away win over the disappointing **Monash**. The game was won in the 2nd qtr when **Friars** added a match-winning lead of 19 pts at the long break. In the last ¼ the strong **Friars** defence only allowed **Monash** 2 opportunities at goal, however poor kicking by the **Monash** forwards only managed to add 2 pts to their final tally. **Friars** ran out winners on the day kicking 9.14.68 to **Monash** 6.12.48. It wasn't the most convincing of wins, but very important to the **Friars'** hopes for the finals. **Whitefriars** best: **Bonnyman, Philip, D. Growe** and **Jackson**. **Monash** best: **J. Quin, MacGregor, A. Quinn** and **Kohler**.

The evenness of B grade saw 3rd place **Banyule** tumble to 6th spot, and the victors **O. Melburnians** claiming 4th spot with their convincing 51 pt win over a disappointing **Banyule**. The rain came just after ½ time which marred the game, but the **OMs** outscored the **Bears** in every qtr, which pleased **Paul O'Brien**, but what did it do to **John Simpson** who I believe thinks his side is a finals contender. **O. Melbs'** best were **T. Stuckett, C. Anastaris, S. Rose** and **D. Maskiell**. **Banyule** best was **D. Williams**.

**Parade** had their most important win of the season over competition leaders **O. Brighton** by 9 pts. This was a real tough affair, as both sides slugged it out in heavy conditions at **Parade College**. **Brighton's** 12 pt lead at ¾ time looked enough, but turned out it wasn't, as **Parade** bombarded the goals in the last qtr kicking 2.9 whilst holding **Brighton** scoreless and running out

victors with a much needed win. **Brighton** have lost top spot and unless they pick up their indifferent form **Brighton** could slip further down the ladder. **O. Paradians** best were **Brett Pannam, J. Geary, P. Plunkett** and **D. Way**. **Brighton's** best were **C. Anderson, B. Pollock, C. Lade** and **J. Ryan**.

### TODAY'S GAME

Competition leaders, **O. Trinity**, at home should be too strong for **Monash** who have now lost 4 successive matches. **Trinity's** forward line is really firing and **Monash** will rely on the **Quinn Brothers, Kohler** and **Alexander** to tag the **Trinity** forwards out of the game. **Trinity's** versatile forward line to kick a match winning score by 39 pts.

**Uni Blues vs Parkside**. Both sides have had very disappointing seasons. The **Students** need to win and I hope the semester break doesn't thin the **Students'** ranks too much. **Parkside**, what can I say? I cannot believe the injuries the **Devils** have suffered this year. **Parkside** will need to have all their gun players firing if they are to snatch a surprise victory. I think the **Blues** will win, but not by much. **Blues** by 11 pts. (An upset wouldn't surprise.)

**O. Brighton vs O. Mentonians** at the Beach Oval. **Brighton** have gone off the boil for a side possessing so many class players and I don't believe they can play so bad for too much longer. Coach **Mark Parker** must psych his troops up, but if he doesn't the commitment and attitude of the **Mentone** club will hold them in good stead. Because its at the Beach Oval, but I'm not over-confident, **Brighton** by 5 pts.

**Whitefriars vs O. Melbs** – both last round winners with **O. Melbs** by far the more impressive. **Friars** have been a little hot and cold of late and I'm certain they will be happy to be playing in their own backyard. **Melbs** really do have an enormous incentive to win this game as they just can't afford to lose touch with the top 4. **Friars** are very good at home and both sides have the talent. This is a real toss of the coin. **O. Melburnians** by 5 pts.

**Banyule vs O. Paradians** at Warrigal Park, Heidelberg. This is a mini grand final for both sides – a do or die battle for a spot in the 4. For **Parade** to be a genuine finals contender they must kick more goals. **Banyule** have been trying to increase their tackling and handball stats as a team. **Parades'** backline to make life hell for the **Banyule** forwards. This will be a very even game with **Parades'** aggression to be the winning factor. **Parade** by 11 pts.

### 50 GAMES FOR DIGGERS

All at Parkside congratulate **Leigh "Diggers" MacNamara** on reaching his **50th** game. Leigh started with the U19s in 1990, but his natural ability and good form led to him securing a senior berth. This year, he has matured into a dangerous ruck-rover, who is giving his heart and soul for the Devils every Saturday, and his form has been one bright light for the club.

### OMFC CELEBRATES 25 YEARS

**Old Mentonians** will celebrate its **25th** year in the VFA next Saturday (18/7) night at a Silver Jubilee Dinner Dance. Any Past Players, Supporters etc who have not yet purchased tickets should contact David Holland on 585 0646 ASAP.

### REVIEW – ROUND 12

No great shocks last week although some would argue that the wins registered by **Ivanhoe** and **Thomastown** were unpredictable. In the case of **Ivanhoe** I can be quoted as saying a surprise was on the cards. As for the 'Townners' victory, **Uni. Blacks** couldn't lay claims to being the most consistent team in the competition. In any event, from now to the last game, bottom of the ladder teams with backs to the wall are going to cause headaches to top teams and tipsters alike. **Kew** at home absolutely swamped **AJAX** and walloped them by 15 majors in what was more like their true form than their embarrassing effort the previous week. Least said the better otherwise we'll have the stipos out visiting the **K's**. **Fawkner** shook off their lethargy and comfortably handled **St Kilda/Sth Caulfield** in workmanlike fashion to run out convincing winners by 8 twins. At the Sth Yarra oval we had 2 starts to the game. Yes! 2 starts. Seems both umpires had differing opinions as to which team elected to kick which way and yet both teams were sure they were kicking to the Yarra end. It all made for a comedy capers act for about 2 minutes until '**Deano**' **Comer** snapped a goal then all hell broke loose between players, officials and umpires as to **JUST** who was kicking where. No score, start again and the **Bank** slammed on 9 majors to 1 and from there dictated the game. The **Schoolers** played a good brand of catch-up footy but all to no avail to finally go down by 26 points. In summary the round produced 2 clear ladder leaders, **Comm. Bank** and **Kew**, 1 game clear of **Fawkner** and **Bulleen/Temp.** with **Ivanhoe** the only threat 1 game astern of them. No hope **MHSOB**, buckley's chances for the rest although a great battle looms between them all for the unwanted you know what positions.

### PREVIEW – ROUND 13

**Thomastown vs Kew** – There's a fine line between brilliance and insanity, and in declaring that I'm tipping the **K's** in this one, I'm not sure which side of the line I'm on! One thing I'm fairly sure of is that this will be no 'boat' race. The **Townners** can be very, very difficult to knock off at home at the best of times, least of all when they've got their backs to the wall in times of relegation threats. Also their win last week will give them some confidence. Yes, the **Kew** boys have got the talent etc., etc to win but I reckon only **JUST**. **3 pts.**

**Ivanhoe vs Uni. Blacks** – The **Hoe's** are on a very nice little roll indeed at present and I'm sure **Quaiffey** will keep them at it in this little encounter against the **students**. The 'guns' are firing out the Boulevard way and **Uni. Blacks** are next in line to be 'broadsided'. A lot at stake for both clubs, a possible finals berth as against staving off the dreaded 9th and 10th ladder spots. Toss of the coin as far as incentive goes but not so hard to pick the winner. **Hoe's 51 pts.**

**Comm. Bank vs St Kilda/Sth Caulfield** – The 'enigmatic' **Saints** strut their stuff against an in-form top of the pack **Bank** outfit just rarin' to put another 4 points against their names to shore up their finals spot. '**Slug**' **Jackson** really does have the **Banks** boys playing a

good brand of footy at the moment and I find it difficult to see the **Saints** closing down enough of their 'winners' to trouble them in this one. I repeat, on their day the **Saints** can beat the best of 'em. Therefore the **Bankers** could do well to treat this one as some sort of danger game. '**Jacko**' I'm sure will do just that. **Comm. Bank 33 points.**

**Fawkner vs Bulleen/Temp.** – Match of the round without any doubt. The sleeping giant (**Fawkner**) has awoken or has he? The **Bullants** form of late appears to have tapered off. For the winner a spot in the finals nearly assured and for the loser a possible trip to 5th position after having occupied a top 4 spot all year. Ingredients for a great game. Barring a draw only one winner and I lean to **Fawkner** for a few reasons. Firstly the home draw, secondly, a few players back from injury/suspension etc., etc and thirdly that they may well be more focussed now that the 'grey' cloud that had been hanging over their heads has been put behind them. (**Squirrel was happy about that!**) In a ripper **Fawkner by 13 points.**

**AJAX vs MHSOB** – Form, facts and figures point to a **Schoolers** win. However, it's a 'Squirrel's' prerogative to go against the grain at times and tip an upset. This game has a sniff of an upset about it. It has all the trimmings about it where a team fearing relegation (**AJAX**) comes off the ropes like a prizefighter and delivers the knock out blow to a supposed superior foe. '**High**' won't go up nor will they go down so where's the huge motivation for them that **AJAX** have. It's crunch time **Jackers**, otherwise the trip to D-Generation is almost a certainty and I'm not so certain your great, old and proud club could stand for that. Go for it. **Jackers 11 pts.**

## PERSONALITY PARS - C

### MHSOB MILESTONES

The committee, players & supporters join in sincerely  
congratulating our 1992 vice captain, **Matt Beazley**,  
on playing his **100th** great game for MHSOB today (4/7)  
against C' with Bank. Starting with our U19s in '86 and  
progressing to senior football, Beaza has been  
inspirational over the years. His enthusiasm and spirit  
at the club has been unequalled and invaluable. Well  
done Beaza and good luck for the next 100.

**Greg Wilson**, our '91 Res Capt and living legend,  
today also plays his **150th** great game for MHSOB. A  
product of the '79 U19s, Greg's great drive around the  
packs & tear-thru style of play has won great admiration  
from team mates & opposition alike and with support  
from wife Sarah, has become an integral part of the  
MHSOB scene. Well done Willo for this great  
achievement.

**Mal Roach**, a real legend, also plays his **150th** game  
for MHSOB today. "Grandpa", the elder statesman of  
the Reserves, is renowned for his ability to turn on a  
sixpence and kick with both feet and rarely misses  
training, such is his loyalty and drive for success. A  
handy draft choice from Ormond in '83, Roachy is a  
very valued club member. Well done Mal on this fine  
milestone. Hope your next 150 comes quicker.

### THOMASTOWN MILESTONES

Thomastown AFC congratulates:

**S. Plant** - 50 games; **F. DiLorenzo** - 50 games; **T.  
Carcovski** - 50 games; **Jim Bubis** - 100 games; **L.  
Morebetto** - 150 games; **B. Jenkins** - 200 games -  
a great clubman, 3 times B&F (Reserves).

### DOUBE CELEBRATION

#### AT ST KILDA/STH CAULFIELD

All at St Kilda/Sth Caulfield congratulate **Gary Hofert**  
and **Tony (Axeman) Peart** on reaching their 50 game  
milestone against Commonwealth Bank today (11/7).  
Gary has proved to be a reliable backman and a leader  
in our young Reserves team. His application on the  
training track is a tribute to himself and a fine example  
to all of the Club. Tony has taken a number of years to  
reach this milestone having fallen for the delights of  
"Mullumbimby" and other far and away places.  
However, he has now returned (for good?) to complete  
his 50th game. The Axeman is a fearsome competitor  
on and off the field and last year was the backbone of  
the Reserves premiership leading from the front in the  
first ruck. This year he has made the step up to senior  
football and is proving an inspiration with his aggression  
at the ball and his "never say die" attitude.  
Congratulation to you both on your fine achievement.

## MELEES - BEWARE

A melee is "Where an incident takes  
place involving players, pushing,  
scragging, jumping into packs,  
throwing each other to the ground or  
other similar such conduct".

## D SECTION by "Phantom"

(substituting for Peter Lemon until the finals)

### LAST WEEK'S MATCHES REVIEW

"It was the Phantom's Great Grandfather the eleventh generation Phantom who witnessed the first game of Amateur football, like the legend of the Phantom the story of 'D' Section footballers has been passed down through the generations to the current Phantom"

Three teams in the 4 defeated and the three sides at the bottom of the ladder winning was the story from last week's matches.

The Phantom's jungle reporters were at **AJAX's** ground to watch **Preston** defeat **Caulfield Grammarians!!** **Preston's** running players led by **Randall McGaw** took control in the Premiership 3rd quarter and they had a focal point in **Mick Noble** (4 goals) at CHF. **David 'Windscreens' O'Brien** wouldn't crack in defence especially after the rain came and the **Marist Bros.** enjoyed an 8 point victory with a post match sherry. The **Fields** were pleased with their 1st half but only the half-back line of **Simpson, Hill** and **Cox** along with **Trevor 'Chocolate' Royals** roving, were 4 quarter contributors.

**Williamstown** travelled across town to take the points at **Camberwell**. Ruck-rover **Larry Turnley** with 35 possessions was best on ground, and was well supported by **Morgan** and **Tempy** at half-back who repelled the **Weller's** forward moves and set up attacks themselves. The travelling medico '**Dr Geoff Clark**' fresh from a stint in Europe was also a welcome return for the winners. It was obviously a disappointing loss for **Old Camberwell** at home and with no report from their jungle drums would seem to reinforce this.

A one sided affair at **Ivanhoe's** as the home side jumped the **Bedas** to lead by 7 goals at quarter time. **Ivanhoe** looked a class act as **Dyson, Young** and **Stevens** cut **St Bedes** apart running in great numbers. The **Hoes** had focal points up forward and seem to have recaptured the form that saw them lead the section early in the year. **St Bedes** looked "all at sea" and only **Rob (Dr Pat) Parsons** who reportedly ran quicker than his horse 'Tangantic' and **Justin Sebire** in his debut game were contributors for the visitors.

**Mazenod** at home recorded a sound 11 goal win over **Hampton Rovers**. The **Noddies** are consistently kicking good scores and have established themselves well in 'D' Section. The **Rovers** however, are as hot and cold as a **Greg Norman** putter, and must begin to show something or slip further into the danger zone of relegation.

The **Toorak Times** local derby was a cliffhanger with **Old Geelong** winning by less than a kick. No wonder **Peter Lemon** has taken a holiday – the **Oggers** do give their supporters grey hairs, but this time it was the right result. **St Kevin's** would believe this a golden opportunity lost as a win would have seen them in the 4. If nothing else it would have created a talking point

for lunch on Monday which no doubt the Accountants had to shout for, and the Lawyers would have enjoyed.

### TODAY'S GAMES

What could be more difficult – finding a winner in 'D' Section or a cold beer in Box Hill? With the 4 far from settled and the relegation stakes still wide open, the next 3 weeks will prove crunch time for all clubs.

**Williamstown** host **Mazenod** at the Beach Oval in the 'E' Section graduation stakes. **Willy** must continue to win to catch the pack whilst the **Noddies** will be looking to cement a position in the 4. If **Willy** are at full strength they just might be out to settle an old score and the **Noddies** may find the trip over West Gate a difficult one.

In the 'North of the Yarra' battle **Preston** meet **Old Ivanhoe** on their turf. The **Hoes** roller coaster ride is on the up again, and in a game that should be highlighted by high marking, wide running and plenty of goals, I'll tip the **Hoes** to take the points and the fish tray raffle!

**Old Camberwell** make the journey down to the clean country air at Bangholme to take on **St Bedes**. Both sides will be keen to avenge losses last week and it will be the team who is more desperate for victory 'on the day' to take the points. **St Bedes** in a cliffhanger.

The Como Park chuck wagon (minus their four leader lemons) rolls down to **Hampton** in another clash of two teams 'in the ruck'. The **Oggers** tend to struggle away from home and Bluff Road is no place for the travel sick! The **Rovers** have lost two in a row and this is a must for them. In what will be a low scoring encounter, the on-balls could decide their team's fate. The **Rovers** in another heart stopper for the Toorak travellers.

With the ski season in full swing the game between **St Kevin's** and **Caulfield Grammar** could well be switched to Falls Creek to enable respective families the chance to view the game, but then again **Righetti Oval** could well have a good 3-4 inch cover of snow anyway! Forwards **Matthews (Caulfield)** and **Gross (SKOBs)** could well decide their team's fate (or will they play on each other?) The **SKOBs** might just have the edge in this one especially as the **Fields** don't appear to be wet track performers.

### SELECTIONS:

**Williamstown, Old Ivanhoe, St Bedes, Hampton Rovers, St Kevins.**

### EDITOR'S NOTE:

### MILESTONE AT WILLIAMSTOWN CYMS

Congratulations to **Geoff "Joffa" Hyland** on his 200th game today (11/7). Joffa joined the Seagulls in 1980 and played in the 1984 Premiership side. The ever-reliable half back flanker is known around the club for his dedication and consistency. We hope for many more fine games in the coming season. Congratulations also to **Tom Cannon, Alan "Cabo" Cabansag** born **Cetinich** and **Peter Graham** on playing their 50th games for the Seagulls.

### IVANHOE MILESTONES

Old Ivanhoe would like to congratulate **Mark 'cat' Dyson** and **Matt Huber** on reaching 100 and 50 games respectively. Mark, one of our clubs most decorated players was D Section's Best & Fairest winner in the Premiership year of '87, represented Victoria several times and won the clubs Best & Fairest 3 times. He is most noted for his incredible goals that usually result from evading several tacklers from a starting point at the half back line. We all hope to see 'the cat', his lovely wife Kim and those rottweillers down at the club for many years to come. Matty has distinguished himself on and off the field for his gritty style of play and his colourful abuse of many of Melbourne's nightclub bouncers. This year he is proving one of the driving forces around the midfield and looks set for a great future.

Realistically, it looks like the battle for some finals action has been narrowed down to 5 sides whilst at the other end the fight for survival rests between 3 possibly 4 sides.

### REVIEW

The battle between friendly rivals ANZ and Elsternwick promised much but delivered little, especially the **Zedders** who again lost the plot as well as probable September action. It was a good even 1st quarter with both teams playing good football. The **Wicks** took control of the game during the 2nd and 3rd quarters and by the orange break had an unassailable lead. During the last quarter, although trying hard, the **Zeds** could make no headway. **Big Hank** on fire this week rucked well. **Mick Andrew** with 3 goals was always a danger. **Sean McLellan** and **Spider** were good players and **Marty Daniels** was probably the best of all. Apart from **Con 'Roycey' Barumas** and **Paul Shoppee** it was hard to find **Zedders** who played really good all day.

In a game played in blustery conditions a determined **Latrobe** kept pace with **Aquinas** in the 1st half and at half time the game was in the balance. The **Bloods** set up victory in the 3rd quarter with some 10 goals, **Grierson** kicking 4 of them. The **Trobbers** to their credit never stopped trying in the final term but alas the damage was done. **Whitefriars** in the middle set up many attacks **O'Connor** defended stoutly and **Tarulli** as usual controlled his wing. For **Latrobe**, **Tim 'Spud' O'Connor** played very well and kicked some great goals and **Edmunds** and **Geoff 'Lurch' Liersch** were also good players.

The big clash at Allard proved a great bonus for the home side as they set it up with an excellent 1st half. 4 goals to nil in the 1st half gave the **Northies** the buffer they needed, but then kicking in a howling gale in the 2nd term, kicked 5 further goals to the **Hunters** 2 to have the game sewn up by ½ time. The last half was very even, the rain and wind making life difficult for the players. For **North** a very good and timely win, for **Glenhuntly** only a slight stumble but their lack of firepower up forward being a slight worry. **Dino** coached well. Must have had ESP as he used to great effect **Kevin Sheedy's** play of a loose man in the backline. **Deano**, despite flu, kicked 6 goals before ½ time. **Chris Keay** and **Vinnie Lirosi** were staunch defenders and **Joe Boudoloh** again played very well in the ruck. **Hunter's** good players were hard to find, but **Kevin Angwin**, **Paul Breslin** and **Tim Rossiter** rate a mention.

**Brunswick** in what was a danger game jumped quickly and had 4 majors on the board before the hapless **Bulls** could touch the ball, and ended the term with a 5 goal lead. This set the trend for the rest of the game, as the excellent running game of the **Wicks**

proved too much for **Bulleen**. All the **Brunswick** players were able to contribute something to the victory. **Cross** played another outstanding game up forward, **'Snake' Carroll** got in this week for some fine ruck roving and **Campbell** held sway across the back line. For the **Bulls**, **'Snags' Gandolfo** finally made the most of his long awaited chance and was a fine ruck rover (1 beer mate) and half backers **Parker** and **McLaren** tried in vain to stop the avalanche.

**Powerhouse** played **Doveton** at their own game and at ¼ time had a 6 goal lead. They maintained control in the 2nd quarter to have a handy lead at the long break. The 2nd half saw a complete change, **House** appeared to fall asleep, and **Doveton** with sheer persistence, never lost their resolve for the ball gradually closing the gap and took complete control of the game to score a very character building victory, while for **Powerhouse** a gut wrenching loss. **Dyke** with 5 and **Spreckley** up from the **Ressies** with 4 were fine forwards, **Sticks** played very well in the ruck and **Steve 'Mr C' Reiger**, **Burgo** and **Murphy** were good **Doves** while **Powerhouse** sang the praises of **Frank Doyle**, **Luigallo** and **Jamie Kemp**.

### PREVIEW

**Latrobe** and **Elsternwick** play a very important game at the big Uni Oval. Both sides must win so it will be a real pressure game. The **Wicks** are showing some of their 1991 form and today will win.

**Powerhouse** and **Aquinas** on Sunday and will be really pumped for a big game in front of a big crowd and this should be enough to see them through.

**Bulleen** even at home will be no match for **Doveton** who all the same must not relax.

**North Brunswick** have to keep winning. Today at the Park they tackle **ANZ** whose season is fast disappearing. **ANZ** won the 1st time, they are a mere shadow of that side now **North** will win.

Also at the Park **Glenhuntly** clash with **Brunswick**. An important game this one. It could ultimately control who takes the coveted 2nd position. A strong forward line is a must on the big ground, I have a sneaking suspicion with **Cross** firing that the **Wicks** are stronger in the area and I think they'll win.

### SELECTIONS:

**Elsternwick, Powerhouse, Doveton, North Brunswick, Brunswick.**

## F-TROOP by "Stand-In"

Well hello again to F Troop supporters, missed this week on 2 getting 6 out of 8 selections, really not good enough by my standards, thanks **FIT** and **Centrals**! Heard from **Peter Hille** last week and he's fine and told me to tell his many admiring fans that he'll be back in 2 weeks. Here on the grapevine that popular umpire **Ron Smith** is in Bar-Bar-Barcelona and having a good time. Why is the umpires advisor always asked by clubs if they can have **Peter Harris** to umpire their games? Is it because he is the last person to leave at midnight or is he just a good umpire? Lucky **Phil** asked me for a photo to put in the top corner but I declined as I feel if people find out who I am, sales will definitely plummet and the sponsors will withdraw from the Ammo Footballer.

### REVIEW

**Uni Reds** after a couple of hidings in recent weeks returned to the winners list with a thumping 62 pt win over **St Johns**.

Match of the day between **Old Essendon** and **St Andrews** turned out to be a fizzer, with the home team turning on an 8 goal to 1 first quarter to set up a comfortable win by 68 pts. **Old E's** challenging for the all important 2nd spot are hoping that **St Mary's** may stumble. Which I honestly cannot see.

**Richmond Central** and **Peninsula** was another close game with **Central** outlasting the **Sailors** to win by 5 pts. I bet the **Peninsula** heirarchy will not be too happy in dropping the 4 pts in this game.

**FIT** surprised us all by making it 2 in a row against **West Brunswick** to win by 25 pts. No team should underestimate **FIT**, especially at home.

**UHSOB** another team who have copped a few hidings of late also returned to the winners list to outlast **Chirnside Park** by 28 pts.

**Old Carey** never threatened all day, crushed a pathetic **Boronia Park** by 89 pts. With forwards **Ballagh** and **Hickey** back in top form they are going to take some beating come finals time.

**St Leo's** must be getting bored with F grade at the moment with their cricket score type results every week. Last week **St Pat's** were on the receiving end, getting thrashed by 149 pts.

**St Mary's** with a brilliant first ½ cruised to an effortless 43 pt win over a disappointing **Salesian**.

### PREVIEW

**FIT** after 2 wins in a row are on a high, face **Old Carey** who will be looking for a big win to give their poor percentage a healthy boost. At home it's hard to go past **Old Carey** so I predict they will win by 12 goals.

**Salesian** and **Old Essendon** at Oakleigh in match of the day should be a slogging affair as **Salesian** must win to keep their final hopes alive. **Old E's** on the other hand have had a couple of easy wins lately and should be all fired up for this. **Old E's** by 6 goals.

**St Andrew's** at home should be too accomplished for **West Brunswick** who were humiliated at Footscray last week. **St Andrew's** by 10 goals.

**St Leo's** also at home will be too talented for **Uni High** and should win by 15 goals.

**Peninsula** travel to **Boronia Park** in what should be a no beg your pardons affair, if their previous clashes have anything to go by. **Peninsula** by 2 goals.

**Richmond Central** and **Uni Reds** both winners last week should be in for a close contest. At home it's hard to go past **Centrals** with **Old E's** and **Peninsula** as their scalps during the year. **Centrals** by 3 goals.

**Chirnside Park** travel to Glen Iris to tackle **St Mary's** who are hoping for a big win to celebrate the old warhorse, **Terry (Froggy) Ymer's 300th** game. **St Mary's** at home will be too classy for **Chirnside** and so will beat them by 10 goals.

Last game, **St Pat's** at home should be too good for **St John's** and will win by 5 goals.

### MILESTONES FOR ST MARY'S

This week **Terry (Froggy) Ymer** plays his **300th** game for the club. Terry started with the club in the juniors, back in 1974 and has been an integral part in the success of St Mary's through the years. Terry is a past premiership player, life member and still continues to show good form in the seniors, today everybody at the club would like to congratulate one of its favourite sons on reaching this wonderful milestone.

Also two of the famous **Huebner** brothers of three, **Peter** and **Michael**, both reach their **50th** game today (11/7) and we all wish them many more with the club. And another stalwart of the club **Dean Lupton** also reaches his **50th** game today (11/7). Deans gutsy play and determination have made him a regular senior player since arriving down at the club. Congratulations to a well deserved player.

## INTERSTATE WRAP-UP

In the VFA's Centenary Year anything less than a victory for our representative team over our traditional opponent South Australia would be a major disappointment.

On Monday June 8 at Waverley Park the VFA was represented by 21 players determined to restore pride in the Big V. After 120 minutes of football they had done just that.

From the outset the VFA team, under the expert guidance of VFL legend, **Barry Richardson**, was hard at the ball and ran in numbers and it was apparent the running game of **Connell, Thiessen, Hannebery** and **Jobling** was going to be a critical factor in the result.

Excellent team play and sure ball handling in trying conditions enabled the side to lead by a commanding 49 points at half time.

The third quarter ended South Aust's fate with the rock solid defence led by **Rennie, Bennett** and **Fuller**

restricting SA to a solitary point. In reply, the VFA added a further 6 goals to have an unbeatable 87 pt lead at the final break.

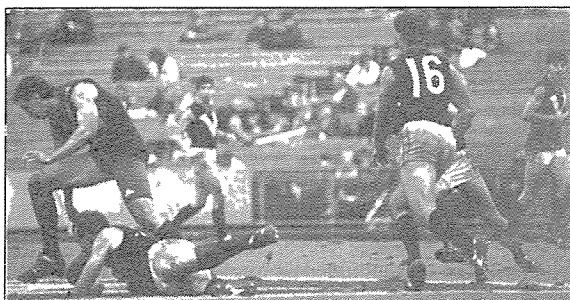

To South Aust's credit they fought out a valiant last quarter to slightly reduce the deficit. In the wash-up the VFA team with an impenetrable defence, mobile midfield and a strong forward set-up headed by **Gollan** (5 goals), **Bourke** (4 goals) and **Teal** (2 goals) at CHF providing a focal point were too good for SA.

Final Scores:

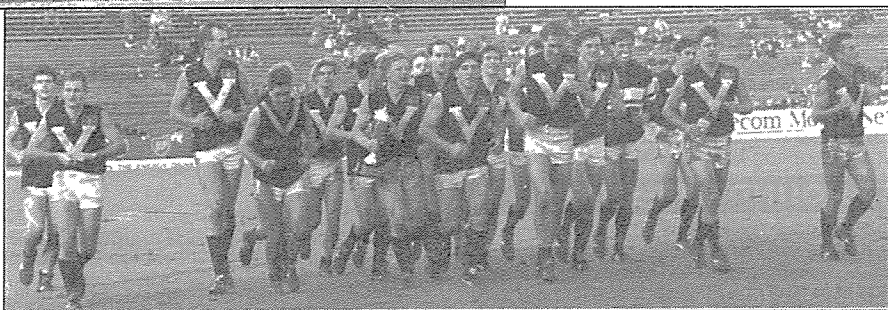

VFA	19.18.132	defeated	SA AFL	7.7.49
VFA	4.4	10.11	16.14	19.18.132
SA AFL	1.2	3.4	3.5	7.7.49

**Goals:** Gollan 5, Bourke 4, Connell 3, Hannebery 2, Teal 2, Amad, Thompson, McClounan.

**Best:** S. Teal, B. Connell, M. Hannebery, M. Amad, P. Thiessen, P. Rennie.

*"COMMITTED" - A desperate Wayne Carey drives at the ball whilst Bruno Conti runs to assist supported by 3 other Vics.*

Round 12 saw all my **Northern** predictions become fact whereas in the **South** I erred on my selection of **De La Salle** who went down convincingly to **Bloods**. A 91% return must put me in the 'Peter' class whether that be with **Hille**, **Lemon** or **Matovic**!

## G NORTH

**North Old Boys** did indeed build their percentage by over 20 when they outplayed **Williamstown** to win by 127 points. **Marcellin** moved to 3rd place as a reward for their 77 point victory over the disappointing **Old Scotch**. **St Bernard's** also had a day out at the expense of **Therry** who failed by 119 points to match **St Bernard's** score.

Inaccuracy almost cost **Bulleen-Templestowe** victory over **Old Westbourne** in a low scoring game which saw the "**Bullants**" fall in by a mere nine points. **Eltham**, obviously strengthened by the return of injured players, accounted for **Kew** by 8 points. The game in which **Kew**, despite having more of the play, kicked inaccurately for goal, saw the "**Turtles**" accuracy rewarded with the 4 points. However, due to this close result and to a big win by **Marcellin**, **Eltham** fell to 4th place. As I forecast **Camberwell** proved too strong for **Banyule** and won their game by 86 points.

## G SOUTH

**St Kevins** forfeited to **Mazenod** and so prevented any percentage gain for the "**Noddies**". **Bloods** proved my judgment astray and gave **Rod Ellam** a good 200 game present by defeating reigning premiers **De La Salle** by 52 points.

The **Old Xaverians** continued on their winning way by accounting for a disappointing and inaccurate **Old Melburnians** by 61 points. **Collegians** kept their finals' hopes alive and helped mark **Steve MacKay's** milestone by their easy 56 point win over **St Kilda/Sth Caulfield**. Inaccuracy almost cost **Monash White's** their game against **Old Haileybury** as the **Whites** only won by 14 points despite having a lot more of the play. **Monash Gryphons** had an easy victory over **Old Geelong** by 87 points while **Glenhuntly** enjoyed the Bye.

## PREVIEW OF ROUND 12

### G NORTH

**St Bernard's** make the seaside trip to play **Williamstown** in a game that all factors considered promises to be a percentage booster for **St Bernards**. In what promises to be an elimination final **Marcellin** are at home to **North Old Boys**. **Led by key forward Treganowan**, whom at least one fan considers A section material, the "**Eagles**" attack is the better performed. Conversely the **North** defenders have built an enviable record this season. Overall I favour

**Marcellin** because of their home ground advantage. **Eltham**, needing to win well, journey across the northern plains to meet **Therry**. Despite their poor away record **Eltham** do appear capable of winning this game well. Failure to do so would make the "**Turtles**" final's chances appear slim. Undefeated leaders **Bulleen-Templestowe** journey to **Banyule** who have one 1992 victory to their credit. Despite the small **Banyule** ground where prevailing winds can play havoc with unsuspecting visiting teams I favour **Bulleen-Templestowe** to record another big win. Near neighbours **Kew** and **Camberwell** meet on **Victoria Park** where I am sure the locals would like to celebrate the personal milestones of their veteran trio. **Richard MacIsaac** surely is carrying on the fine football traditions that his grandfather made with **Richmond**. There is remarkably little between the performances of each side this season so I will favour **Kew** because of their home ground advantage and through my **MacIsaac** relationship. **Old Westbourne** should be untroubled to defeat **Old Scotch** by a big margin. **Sayer's Road**, **Hopper's Crossing** is not a typical address frequented by **Old Scotch Collegians** and as well the **Old Westbourne** side is playing the better standard of football this season.

### G SOUTH

**De La Salle** has the opportunity to return to the winning list at the expense of the recently disappointing **Old Melburnians**. They should do so while **Old Xaverians** should be talented enough to defeat **Monash Gryphons** in **Yarra Park**. **Old Haileyburians** visit **St Kilda/Sth Caulfield**. **Old Haileyburians** with the better 1992 performance rate are my selection. **Mazenod** and **Collegians** meet in the match of the round at **Mulgrave**. Victory by **Mazenod** would put **Collegians** two games behind them with two rounds to play. A **Collegians** victory will put them on equal points with both **Mazenod** and **Bloods** with a final's berth in their centenary year a real possibility. There is no doubt **Collegians** have improved over the season and with **Mazenod** not taking the field last week **Collegians** could be the match fitter side. However, given **Mazenod's** home ground advantage and their better seasonal performances I select **Mazenod** to win. Two of the lower placed sides **Old Geelong** and **St Kevin's** meet on **Como Park**. Neither inspires confidence but despite **St Kevin's** better 1992 record I select **Old Geelong** to take the 4 points after a low scoring match. **Monash Whites** should record an easy win over **Glenhuntly**. However the '**Hunter's** like their immediate ancestor **Balacclava** have proven their ability to test any side. Without any knowledge of the calibre of the '**Hunter's** side for July 11 I have no hesitation in selecting **Monash Whites** to win. **Bloods** who have the Bye will no doubt be especially interested in the outcome of the **Mulgrave** match!

## PERSONALITY PARS – G

### 150 GAMES TO BRETT KENNY

The Monash Whites FC congratulates **Brett Kenny** on reaching the **150** game milestone (11/7). Brett began with the club in 1981 and has worn the No. 13 jumper with distinction. He remained loyal to the club during the difficult times of the mid 80's and has emerged as a strong onfield leader, culminating with his appointment as captain in 1988 and 1992. He cites the 1986 Preliminary final win over Parkside and our recent, first ever win against Bloods, as highlights of his playing career. Off the field, Brett has served the club well for several seasons as treasurer, and he and wife Sharon are regular convenors of the infamous Christmas function each year. Congratulations Brett and hopefully we will hear Sharon's 'well played young man' ringing across Amateur footy ovals for a few seasons yet.

### REVIEW OF LAST WEEK'S GAMES

#### DIVISION ONE

**OMs** gave themselves a 2 game break (plus heaps of %) over the field when they rolled **Ormond** by 10 goals. **Monds** must need the slab incentive to bring out their best. School vacationer **Justin Dery** provided the spark up forward for **OMs** with 8 goals whilst "**Mini**" got another 4. **Matt Thomas** and **Hugh Wallace-Smith** were other good performers for **OMs**. **Xavs** did it easily against **Collegians** with **Stones** ("gem" or "gall"?) kicking 8 and consistent performers **Cook**, **Fitzsimon** and **Gill** all firing. **Noddors** were also untroubled in beating **Gilla's Boys** by a healthy 82 points. **Harrison** booted 9 for **Noddors** whose best were **Makin**, **O'Hara** and **McCusker** (which one?). **Marcellin** gave coach **Scotty** a "welcome home" present with a 12 goal win over **Mentone**. **Scotty** agreed with me that **Simon Matthews** was his best while **Michael Frigo** dominated the ruck. **Craig McKenzie** lifted his work rate in the 2nd half to also please the coach.

#### DIVISION 2 CENTRAL

**Wells** continued on their winning way with less than a kick to spare over **OTs**. **Terry Walker** got 6 for the second week in a row and the ever-reliable **Andrew Cocks** and **Sam Horskins** were **Wells'** best. **Old Carey** kept themselves in the fight for the 4 with a hard fought win over the **Bullants**. **Danny Walsh** was again **Carey's** best along with **Nathan Doggett** and **Toby Mitchell** whilst **Merry** kicked 5. **Therry** surprised me with the ease of their win over **Parade** whilst **Hagar** ran out of space to write down all the **Roy's** good players and he only needed 2 lines to nominate skipper **Cameron Pagon** and chf **Joyce** as the only 2 goers for **Parade**. **Gypsy** got 10 for the **Roys** and **Glen Baker** 5 while **John Chapman**, **Nick Court** and **Steve Villella** were 3 of the other 20 best performers.

#### DIVISION TWO SOUTH

**Rovers** gave their percentage a handy push along at **De La's** expense. On-ballers **Sam Wills** and **Steve Anderson** both played well and helped full forward **John Dakis** to boot 10. **Chirnside** stopped the **Oaks** "winning run" with a margin of over 100 pts. **Parkers** best were **Lino Cardetta** and skipper **Mark Van Leemput** playing his 150th game for the club. **Beda's** played below their best on a welcome firm ground but that was possibly due to the continued improvement being shown by the **Fields**. **David Kinsella** and **Luke Connolly** were best able to handle the bouncing ball for **Bedas**. **Melb High** cost me another slab (I'll give it to "Orch" so keep your fingers crossed about getting it intact fellas!) when they got home easily from **Ashers**. **Andrew Lam** and **Peter Baker** were **Steve's** pick as best whilst **Andrew Soultrey** kicked 5.

### PREVIEW OF TODAY'S GAME

#### DIVISION ONE

**Noddors** at Columbia Park should be too strong for **Tones** whose effort last week in the first ½ lacked sparkle. **Ormond** seem to be many goals better at home and for that reason I expect them to get home pretty comfortably from the **Lions** whilst **Xavs** will kick the sweep against the **Bloods**. **Scotty** still thinks his **Eagles** can make the four but, even after beating **Bernies** today, I think that is very wishful thinking. **De La** have let me down with 3 home ground losses this year whilst **OMs** have not been outstanding in the consistency dept. I am very tempted to go for **OMs** but I don't think I could handle the wrath of "Mrs Coach" if they lose so I'll give **Ds** another go at winning a "toughie" at home.

#### SELECTIONS:

**De La** **Marcellin** **Mazenod** **Ormond** **O. Xavs**

#### DIVISION 2 CENTRAL

**Frog's** lot should keep in touch with the 4 with a victory over the **Friars** whilst **Therry** should be too good for **Alan's** improving **Bullants**. On last week's form I could hardly go for **Parade** today but **Les' Kew** boys aren't as good as **Therry**. Should be close but the home side will win. **Carey** can almost say goodbye to the finals if they lose to **Hoes** today. This should also be close but **Hoes** form last week was too good to go against if they repeat it today. First and third clash at Crawford Oval and **Blues** are still likely to be below full strength because of Uni vacations. I expect them to do better on their home ground but the **Wells** have been just too consistent to risk going against them. **Blacks** have the bye.

#### SELECTIONS:

**O. Trinity** **O. C'well** **Therry** **Kew** **Ivanhoe**

#### DIVISION 2 SOUTH

**Old Brighton** and **St Bedes** will retain their standing in the battle for the 4 with wins today over **De La** and **Old Hoes** respectively. A few weeks ago I wouldn't have hesitated to pick **Ashers** over the **Fields** but exams and holidays have brought the **Monash** boys right back to the field. **Caulfield** have improved and will take it right up to **Ashers**. The incentive to stay in the finals fight should just get students in the winner's circle. **Red's Rovers** have performed better recently after a mid-season slump and should remember to play 4 quarters against the **Jackers**. Once again I am inclined to lean towards a home ground victory. My correspondents from **High** and **Parkers** are trying to confuse me (not hard to do!). **Steve** wants me to keep tipping against him and **Brendan** seems to think I will be more accurate if I tip against **Parkers**. **Steve** has to be rewarded for his ever-reliable communication with me over the last 3 years so I'll make him happy by picking **Parkers** to

Just get home by half a point (it's only a ½ size ground!!).  
**Scotchies** should be just a little too fast for the **Oaks**.  
**SELECTIONS:** **O. Brighton** **Ajax** **St Bedes**  
**Chirnside Park** **Monash** **O.Scotch**

**WINNERS** (also includes **De La** if applicable) phone  
 568 4727 (w/ends) or fax 646 0872 (Monday) with best  
 players and main goalkicker(s).

**SLAB CHALLENGE:** I reckon the **Fields** improvement  
 has been good enough to only need this special  
 motivation to upset the **Ashers** today. I haven't got  
 anything against your boys Steve. If you can save me  
 a slab (been pretty costly lately) I'll give you a chance  
 at it before the year is out.

## VAFA UNDER 19 PLAYERS

VAFA Under 19 players are eligible to alternate freely between our Under 19 competition and the VSFL Under 18 competition right up to the end of either competition's season.

VAFA Under 19 players, however, can **only** play in a VSFL Under 18 team and **cannot** be used in an AFL/VSFL (reserves) – the only players who can do this are players who  
a) chose, as of June 30th to elect to play AFL/VSFL for the remainder of the year **or**  
b) who were named in the June draft **or**  
c) were named on VSFL supplementary lists.

This ruling allows players not required by a VSFL Under 18 side to play with their regular Amateur team (regular – senior or under 19 team).

Note that normal **eligibility** rules apply to players wishing to qualify for Under 19 finals.

## FINALS ELIGIBILITY

**SENIORS:** All registered players with a permit

**SENIORS/RESERVES:** If both teams are playing, reserve player must have played at least 2 matches (be registered and have a permit).

**UNDER 19:** Must be registered and have a permit. If player has played in an aggregate of 5 or more senior and reserve matches he must have played at least more than 5 U19 matches during the season.

**RESERVES:** Must be registered with a permit. Must have played 2 matches and not more than 8 senior matches during the season.

**TWO U19 SIDES:** Exactly the same conditions as per the senior team/reserve team playing on the same day or senior team playing only or reserve team playing only.  
NB. U19/1 team assumes the role of the senior team.

**G SECTION:** Players must have played in at least 4 matches and not played in more than a total of eight senior and reserve grade games.

## COACHES CLIPBOARD

edited by  
**Mike McArthur-Allen**

by John Keenan – Reserves Coach Fawkner Football Club

One subject that appears to have been slightly neglected in coach education is that of **TEAM SELECTION**, yet it is a subject that occupies as much, if not more of a coaches time than any other. The "4 BIG W's" – WHO, WHERE, WHEN & WHY are a constant concern for all coaches, and factors such as ground size and condition, weather, team balance and needs, opposition strengths and weaknesses are just some that need to be considered.

In the case of the **RESERVES** side, the consideration points may not always be exactly the same, but they are just as numerous. Where to play the senior player who has been dropped or is returning from injury, the youngster just out of U19s, the "senior border-liners" or the ones showing "senior potential", are questions that require careful consideration. There is usually the urge to play them in the best position for YOU, but even if you would like to play a certain player at CHF of Full Forward, if you think he won't make it in that position at senior level it is often better for that player not to play him there. There is often a tendency with the "senior player" to play him "Where the action is" (i.e., the centre, ruck roving etc) but if the player is not familiar with that position he may spend all day chasing the play but never getting the ball, and so destroy his confidence.

The "WHO & WHEN" regarding senior promotion, is often very much in the hands of the Reserves Coach as the Senior Coach may not see much more than half the reserves game due to his many match day responsibilities. With the obvious differences in **SPEED & EFFICIENCY** between Seniors and Reserves, there is no sure way of knowing when a player is ready to make the step up in standard. However, a "LOOK BEYOND THE OBVIOUS" approach, together with a "BASIC CHECK LIST" can help to ensure that the player is pretty close – physically and mentally.

The "CHECK LIST" can include such points as . . .  
**FIRST TAKE BALL HANDLERS:** Players who take the ball cleanly at the first attempt, both in the air and on the ground. So often you see players in Reserves football who will fumble slightly at the first attempt, but get away on the 2nd take, end the game with 30 possessions, get promoted and then find that you don't often get 2nd time chances at senior level, you only get one crack at it most times.

**DISPOSAL/VISION:** Not just the ability to transfer the ball to a team-mate safely and not "Turn it over", but to place it "To the advantage" of a team-mate and not put it into a 50/50 situation.

**MAKING POSITION:** Often a Reserves game, or at least great portions of the game, won't progress or "Flow" in the more predictable manner of a senior

game for a variety of reasons, making it difficult to "Read the play". Good players often move to the right positions to receive the ball or to keep the play flowing but find that the ball doesn't always go where it should, or the player with the ball isn't able to put it into the right place regularly. Getting to the **CORRECT** place **CONSISTENTLY** also covers several other requirements of football such as Fitness, Leg speed, desire etc.

**TALKING: (Constant, correct communication)**  
Often you can identify a good "Football communicator" in situations as simple as the pre-game warm ups in the rooms, when groups are simply handballing across the room to each other. If "Talking" is **NATURAL** to the player, he'll be doing it even then, calling for the ball **CORRECTLY** and with **URGENCY**, ("over the top", "on your left" etc), encouraging and praising even in this simple routine.

Team selection certainly requires much thought and attention, and the coach will find himself **Questioned** on this subject more than any other. (Although it is fair to say that questions regarding selection issues really tend to centre on **NON-selection**). Often the 24hrs following team announcement will find a coach more involved with players **NOT** selected (either dropped, or not promoted when they feel they should be) than with the players who are **IN** the side. Once again the Reserves Coach will face different circumstances to the Senior Coach in dealing with those players left out. Where the Senior Coach can inform a player of his omission and the reasons for it, and then be safe in the knowledge that the player will still have a game of footy to look forward to and attempt to improve those poorer areas of his game, the Reserves Coach (unless he has the luxury of his club fielding a "G" grade side) will know he is sentencing the player to a week-end of no football. Often the only advice he can pass on to the player is to "show club spirit" and assist where possible on match day, and get on the track and work hard – don't just be another one of the numbers goind around, but strive to be **OUTSTANDING**, and then spend a little extra time on the weak parts of his game. Of course in the case of the Reserves, the player should also be told to "bring your gear". With 42 players selected ahead of him, it's a reasonable bet one of them will pull out. Finally, all players should expect an honest explanation as to the reason or reasons for their omissions.

Team selection is about **CONSIDERING** (Who, Where, When & Why) and **COMMUNICATING** (Why & What to do about it).

### ROUND 13

#### 5 YEARS AGO – 1987

**Old Scotch** held on to their chance for the four when they defeated 3rd team **Old Paradians** by 6 points. **Parade's** pace worried the **Cardinals** early in the match. The **Scotch** key position players, **Sherwen** (f.b.), **Burford** (c.h.b.), **Hodge** (c) and **McCall** (c.h.f.) dominated and helped them to a strong last quarter to win by a goal, 10.11 to 9.11.

**Old Xaverians** won their eleventh match in a row when they defeated an accurate **Caulfield Gr** who kicked 14.4 to **Old Xavs** 15.20. Best were **Beattie, J. Curtain, Summers** (O. Xavs) and **Berzins, Harris, N. Matthews** (Caulf. Gr). Tipster **Ross Booth** thought the Xavs were a great chance for the flag.

It was 150 games for **Collegians Tony Baum** whose career highlights were Club B&F, 1984, A Section premiership 1986, and his marriage to Carolyn this year. **Marcellin OC** paid tribute to the fine performances of **Anthony Caffrey, Chris Carr, Mick Day** and **Chris Slattery** who had all played in the club's supreme Under-19 side which won every competition entered.

**Michael Rosner** capped his illustrious career with **Ajax** when his 232nd game broke the club record. A member of the group of players who played in every section from E to A, Michael's winning goal in the 1978 second semi to put **Ajax** into B was matched only by being a member of the club's 1979 B Section premiership team.

## Umpires Corner

by Mike Murray  
and Steve McCarthy

• "VAFA is Family Football." Over the years the VAFA umpires have had a heavy family involvement. Have a look at this list. **Brothers:** Wayne, Denis & Ian Henry, Neil & David Wilson, Brian & Gary Lowe, Brian & Stan Goodman, Joe & Brian Segota, Craig, David & Gordon Chalmers. **Fathers/Sons:** John & Wayne Hinton, Ted & Tim Keating, Graham & Peter Simpson, Pat & Stephen Pitcher. **Fathers/Daughters:** Graham & Suzie Cavanagh, Wayne & Leisa Henry. **Mothers/Sons:** Nancy & Peter McTaggart. **Uncle/Nephew:** Kevin & Colin Segota. **Uncle/Niece:** Bill Ross & Sharon Alger. **Brothers-in-Law:** Anthony Damen & Paul La Vale, Steve McCarthy & John Creuser. **Husband/Wife:** Richard & Karen Eastwood. **Almost???** Justin Toohey & Therese Bolger. If we've missed any, let us know. It reads a bit like the list of Tasmanian Football League umpires.

• **Big Mike** would like to pass on a special thank-you to the **Ormond** and **Collegians** Football Clubs for helping him celebrate his **350th** game last week. **Bernie, Barks, Wayne** and **Darren** contributed to the day and it was great to see the **Simon** family and **Gary Waldron** turn up at the after match. Looking forward to **400**.

• Seems like they do things a little differently in **Sin City**. First year feldy **Shane Burdack** was seen showering after a recent muddy game - **with his gear still on**. Probably not a bad idea! Sorry Shane we can't tell you who told us this **little** story.

• Early in the year **Andre Belcher** had a pair of jeans nicked down at one of the Albert Park grounds. **Tony Murphy** tells us that while at Powerhouse a few weeks back he was positive he could see a denim tent in the distance...

• **Simmo** - please clarify - Can we wear our **seminar** jackets and use our **seminar** stubby-holders at the North Melbourne and Albury **seminars** this year?

• Check the haircuts on **Reno & Birchy**. Spikes are in for the finals.

• **David Humphries** and **Stephen Pitcher** were looked at by AFL observers last week. Hopefully they did themselves proud. We'll wait and see.

• You can always rely on a goalie to get you out of trouble. **Bernie (the taxman) Hoare** cam to the rescue recently when **Richie** left his socks behind. Maybe

they're in **Henry's** nappy bucket. Lucky that a 'firey' is always prepared.

• **Ted Keating** had an interesting occurrence at the **Uni** a few weeks back. During the U19 game a **dog** ran onto the field **biting** and **tripping** a player. **What to do?** Tripping, holding the man or dropping the ball? **Ted** warned the dog that a second offence would see him sent from the field. Another dog day afternoon.

• Something a little different this week. Finals are approaching and we are all placed under **extreme** pressure. Here's a few quotations to remind us of the importance of our roles on the field and then perceptions of average football fans. "I do think that umpires should be stopped from open criticism, but not from the truth - you can't put a restriction on that" **Jack Gibson (legendary Rugby League coach)**.

"Things got so bad in South America that advertising for European umpires included the message - "good pay, good lodgings and a decent burial". In one small town near Khartoum the umpire made so many dubious calls that towards the end of the game the losing team kicked him to death, and their supporters asked: "Why did you wait till the second half?" **James A. Michener**. "You can say something to Popes, Kings, Prime Ministers and Presidents, but you can't talk to umpires. In the next war they ought to give everybody a whistle". **Anonymous B Grade coach**. A definition of "**the Man in the Middle**" "Our job is the only one where you have to start out perfectly and get better each time. For umpiring is the only occupation in the world where the highest accolade is silence" And to finish with a **rhyme**. There once was an umpire whose vision/was cause for abuse and derision/He remarked in surprise/Why pick on my eyes?/It's my heart that dictates my decisions. We think there's something in that for all of us - don't you?

• **Social notes** - Trivia Night next Saturday, the 18th at City of Melbourne Bowling Club. **Don't forget** the compulsory Annual Dinner Seminar at the North Melbourne Social Club on 17th August. All VAFAUA and DDJFL umpires are to attend. Get those deposits to Stud ASAP for the Albury "seminar".

# **WEAR A MOUTHGUARD When Training and Playing!**

**Well done VAFA!**

Our 1991 survey of players showed  
89% of mouthguard owners always  
wear their mouthguard at matches.  
But... Only 10-13% always wear their  
mouthguard at training.  
So, wear your professionally fitted  
mouthguard when training and  
playing football.

Make this your GOAL in '92.
