## EDITORIAL

by Phil Stevens

Good afternoon football followers.

Finals time is fast approaching! That magic time of the year in Melbourne when the weather improves and excitement mounts as teams scramble desperately for the limited finals positions available; when teams still with a chance of making the finals check the teams they still are to meet, making rough calculations of points they are "sure of" and see if this will be enough compared to the other teams they are up against for these limited prized spots.

Recently I contacted clubs within the VAFA and outside the VAFA to see if they are prepared to host finals matches and today I present a display of proposed dates, venues and finals to be played for each of the sections of the VAFA – please see *Talking Football* for an explanation of the F section final 6 system.

I would like to point out that the program is only a proposed draft and may change should other venues

become available and certainly venues may change on a week to week basis as participating teams for various finals become known.

Where a venue is tagged with an (e) this means that VAFA will man a gate and charge entry fees to spectators – it is assumed that host clubs will provide canteen and after-match facilities on each day thus generating income for the host club. Of course it is also assumed that host clubs observe the VAFA 'alcohol' regulations strictly. In the case of non-VAFA grounds, a condition of a club being invited to host finals is that patrons who drink must do so within a licenced club and the club **must** make arrangements prohibiting alcohol to be taken outside the facility before or during a match. (Note this only applies to non-VAFA venues – VAFA venues can only serve alcohol at a pre-match function for which VAFA permission has been granted.)

### REVIEW

**Haileyburians** continued their winning form when they easily accounted for a lethargic **Old Xaverian** combination last weekend. The **Xavs** have virtually lost all chance of making the four and now must concentrate on trying to stay above **Marcellin** and **Therry**.

The **Blood's** dramatic turnaround in form over the past 5 weeks has coincided with the return of **Chris McKenzie**, **Glen Tanner** and **Gary Phillips**. Where **Haileybury** were struggling to find goal scorers, they now have unearthed many avenues to goal. **Wes Byrns**, **Connell** and **Phillips** have formed a most dangerous half forward line and with on-ballers such as **Simon Meehan** and **Chris Kraus** roving the packs, winning scores may come more often for the **Bloods**.

Where have **Xavs** gone wrong? They just don't seem to be able to string good games together. They certainly missed **Matt Haneberry** last week and with **Matt Bourke** off the ground after half time they lost all semblance of their usual selves. Hopefully the **Xavs** won't drop their bundle after a fairly competitive step into A Section.

**De La** fell in by a point after a last ditch bouncing goal by **Craig Wright** to down **St Bernard's**.

**St Bernard's** looked home and hosed at ¾ time when they held a 23 pt lead, but somehow the boys from East Malvern more than doubled their ¾ time score and scrambled in for both a win and place in the four.

Defenders **Mark Lowe** and **John Tully** were in fine touch as was ruck rover **Chris Campbell**. **Paul Capes** at full back did a great job on **Nick Fraser** but, although having four more scoring shots, **St Bernard's** were unable to win a game that should have been theirs.

**St Bernard's** managed to hold onto 2nd spot and with the likes of **Vin Comito**, **Rob Purcell**, **Gavin Keane** and the **Gollant** brothers (who will return from injury shortly) will certainly play in this year's finals and be a major headache to anyone they play.

**De La** still look good on paper and as they regain some of their injured players will most likely hold their spot in the four. We all know how dangerous they will be come finals time.

You can't help but to feel sorry for **North Old Boys** – two 1 pt losses in two weeks! After struggling to overcome form loss and injury problems, they now have to battle against bad luck!

The victory to **Old Scotch** keeps them in touch with the four.

**Rohan Aujard** continues to impress in the ruck as does **Mark Brady** and **Gavin Eagle** both of whom have rarely been out of the best players all year.

**North**, like St Bernard's, appeared to have this game in safe keeping at ¾ time but **Scotch** overran them. This type of loss may knock the wind out of **North's**

charge and make their push for the finals so much more difficult, as they would surely have suffered mentally after two such losses.

On the bright side, **North** must be happy with the form of **Tom Beare** and **Bruno Conti**.

**North** are now a game out of the four but they do have an excellent percentage – they are still very much a chance and for that matter so is **Scotch** – toss a coin!

**Collegians** flogged **Therry** by 93 points. This game was a no-contest after quarter time as the **Lions** piled on 17 goals to **Therry's** 4.

Not that the result of this game was ever in doubt, but I did think that **Therry** would be a little more competitive especially since they are struggling to avoid relegation.

Centre half forward **Stephen Mount** was unstoppable, booting 7 goals along with **Christian Davidson** on the wing, and **Mark Hibbins** in his "kick behind the play" role proved too good for **Therry**.

**Therry's Mick Goodwin** and **Bernie Carter** never gave up trying but the **Lions** had too much strength.

**Therry** are sitting right in the relegation firing line and would have to get a move on if they plan to spend '93 in the top grade. The return of **Tim Taylor** will aid their progress, but has the damage been done?

**Collegians** on the other hand are worthy favourites for the flag – I wonder if they'll go through a slump? – or are they that good? Time will tell.

**Ormond** jumped **Marcellin** in the first quarter and were never headed.

The **Marcellin** attack loses all its potency when **Gary Petroff** is held down.

**Ormond** showed that they can kick goals when allowed. **Paul Schuhkraft** and **David McDonald** bagged 4 each in good forward displays. **Andrew Jobling** continues to lead from the front and this week it was **Anthony Grace's** turn to get into the action.

**Gary Williams** has been in fine form for the **Eagles** and he was one of few to be competitive last week.

**Ormond** are now in 3rd place and have been the quiet achievers this year and should be respected.

**Marcellin**, with the report of **Joe Amad**, may have done their dash. A few weeks ago they were pushing for a place in the four but have dropped their bundle in recent times. **Eagle** coach **Murray Browne** must be at a loss to work out why his team has had such a dramatic form loss. We all know that **Marcellin** has talent but they certainly aren't playing to it.

**Ormond** are a good unit. Apart from **Jobling** and **Connell** they have no standouts – all 18 are playing well, but the loss of **Clarkson** will certainly be felt.

### ORTS REACHES 100 GAMES MILESTONE

Mark Orton, Old Haileybury's lanky ruckman, played his 100th game on July 11 and was one of the best afield in the Bloods' win over Old Xaverians. Orts made his debut for the club back in 1986 and has since won many admirers for his unceasing determination and the effort he puts into improving his game. Despite fears that Orts was once developing a liking for falling asleep under tables, he is nevertheless always wide awake on the ground and proved to be a runaway winner of Old Haileybury's Best and Fairest award for season 1991. With arms that really do reach up like tentacles (you should see them, Jack) and his familiar bellows of encouragement around the quarter time huddles, Orts is always guaranteed to give 110 percent. From everyone down at Old Haileybury, congratulations Orts and keep up the good work.

# LETTER TO THE EDITOR

It was very interesting to read the article Saturday 11/7/92 about the success of New Clubs in the Last 10 Years. However, my immediate thought upon reading this article and the attached table was how any meaningful analysis of the 1980s period could be conducted without consideration to the achievements of Therry CCOB and Banyule.

Although the admission of these two Clubs is just prior to 1982, the inclusion of Ormond in the Table obviously allows some "Poetic licence" to the analysis.

If my memory serves me correctly (and please amend any errors), Therry (nee Glenroy) and Banyule were "F" Grade Grand Finalists in 1981 and then again the next year in "E" Grade. These two rivals then contested the very physical 1983 "D" Grade Second-Semi at Nth Brunswick and the 1985 "C" Grade Preliminary Final, with Bernie Dunn's handballing Therry the narrow victor. After some heartbreaking attempts in "B" Grade, Therry finally reached "A" Grade

in 1990. Banyule, after a relegation hiccup in 1987 from "B" Grade, were brave losing Semi-finalists last year and seem destined for "A" Grade shortly.

I also feel that these Clubs, along with Whitefriars, deserve praise for taking Amateur Football into areas that have strong Local Competitions. Yet, these Clubs with the dedicated committeemen and band of workers, have still been able to progress upward, thwarting the many recruiting offers to their quality players.

One final thought. The standard in the middle Grades has improved significantly. "D" Grade is enormously close and competitive again this year. Perhaps the ambitions of Mazenod, Williamstown, St Leo's, St Mary's etc. will have to get used to lingering an extra year or two in some of the middle Grades.

Peter Hannan

TALKING

FOOTBALL

edited by Phil Stevens

We have been told!!

On Saturday night we went within a whisker of missing out on getting all match details into Sunday's newspapers and Monday's papers because **some home clubs didn't get details to Norm before 5.30**

We have a screen booked with AAP from 5.40 - if we don't have all information dictated to the operator by 5.50 the operator will be reassigned another job and we will be ignored.

With 10 clubs trying to phone Norm Nugent at 5 pm clubs must keep redialling continually until they "strike it lucky". I suspect that if someone misses the first or second time they go for a beer intending to have another go a little later on - hence the following typical spread of times:

Marcellin	5 pm	(excellent)	Old Xaverians	5.20	(good)	Monash Blues	5.45	(terrible)
North OBs	5.05	(excellent)	Collegians	5.25	(acceptable)	Whitefriars	5.55	(terrible)
St Bernard's	5.10	(excellent)	Banyule	5.30	(acceptable)			
Old Trinity	5.15	(very good)	Old Brighton	5.35	(poor)			

Please ensure we do not miss out on gaining this valuable exposure by every home club meeting this timetable:

by 5.30 All match details dictated to Norm Nugent

at 5.40 Norm must switch phone to fax

by 6.00 All match details must have been dictated to AAP.

I repeat once again, if we lose the assigned operator we lose the opportunity of getting A and B details in Sunday's and Monday's papers.

How are my predictions looking? In my *Editorial* of 27/6/92 I forecast my final fours.

At the moment it appears I've put the "mozz" on De La Salle; my choice of Collegians as premier looks odds-on; my B section premier choice of Old Brighton "a chance" and my B section four looks good.

The rest of my predictions look a reasonable chance of eventuating except my big blues appear to be St Bernard's U19s (I said 4th, currently 12 pts away from 4th), Old Camberwell U19s (I said to finish 3rd, currently 8 pts clear on top) and Monash Blues U19s (I said to finish 4th, currently 12 pts from 4th).

Another look at a later date.

### REVIEW ONLY OF LAST WEEK'S MATCHES

Top side **Old Trinity** really had to work hard before beating **Monash Blues** by 19 points. **Trinity** started all right but the determination shown by **Monash** was a credit to coach **Brian Ford**. **Trinity** had the bulk of the play in the 1st quarter but inaccurate kicking meant that at quarter time **Trinity** only led by 20 pts. In the 2nd quarter **Trinity** had more scoring shots than **Monash** but accurate kicking by the **Students** reduced **Trinity's** lead to 13 pts at the major break. The 3rd quarter saw **Monash** exert physical pressure on **Trinity's** onballers who could not deliver the ball accurately to the forwards. **Monash** outscored **Trinity** 32 pts to 19 pts leaving the score level at  $\frac{3}{4}$  time. Both sides went for the doctor in the last quarter, **Trinity** 10 scoring shots to **Monash** 6 but desperate individual efforts by **Norman** and **Anderson** enabled **Trinity's** forward line (**Heath** 2 goals in last quarter) to capitalise more effectively than **Monash** and end up recording a hard fought victory by 19 pts. **Trinity's** best players were **Graeme Clarke**, **Trevor Norman**, **Adam Anderson** and **Rob Phillips**. **Monash's** better players were **Mick 'Meat' Ham**, **Dave 'Ted' Lawrence**, **Greg 'Hippy' Hipwell** (unlikely tagger if you don't mind!) and **David 'Goose' Newman**.

**University Blues** saved themselves from possible relegation with a good workmanlike display in beating **Parkside** by 87 pts with **Yoksch** well on top of **Yandell**. The **Red Devils** were more than competitive in the 1st half trailing by 28 pts at  $\frac{1}{2}$  time. **Blues** coach **Alan Jarrott** moved **Mike** to the forward line with a devastating result and with the return of **Lockhead** from **Hawthorn** and **Yandell** in the pocket, the **Blues** had a potent forward line – they ran away from **Parkside** after  $\frac{3}{4}$  time slamming 9 goals in the last quarter. **Blues** better players were **John Kanis**, **Sam Steveson**, **Baden Furphy** and **Hamish Worsley**. Best for **Parkside** were **Goran Yoksch**, **Leo Panjari**, **Lee MacNamara** and **Mark Sherlock**.

Boy what a week in football does for some sides. **Old Brighton** beaten last week, thrashed **Old Mertonians** by a whopping 121 pts. **Old Mertonians** had 1st use of the 6 goal wind but could only manage 2 whilst **Brighton** kicked 4 against it – the game in effect was over. **Brighton** really hit their earlier season form, the **Brighton** team were aggressive with excellent teamwork that set up 12 different goalkickers. **Farrow** and **Sly** were missing for **Old Mertonians** and they were certainly missed, but by no means the difference between the two sides. **Brighton** had winners everywhere – **Simon Lennox** bagged 4, **Garry Denson** rucked solidly and was active up forward, **Gerrard 'Gut' Bennett** and **Tony 'Mumsa' Hoar** were both solid in defence. **Old Mertonians** best were **Dave Campbell**, **Tony Bournon**, **Cameron Scott** and **Drew Soliev**.

**Whitefriars** sitting in 3rd spot were extremely disappointing in losing to **Old Melburnians** by 56 pts and subsequently slipped to 5th spot with the worst percentage of all the final contenders. **Old Melburnians** had 1st advantage of the strong wind, however, in the 1st quarter the heavy conditions were a certain leveller – with both sides kicking 3.2, the 2nd quarter saw **Old Melburnians** adapting better to the conditions and started running the ball with ease. **Whitefriars** failed to capitalise on many forward moves and were always under intense pressure from the **Old Melburnians** half back line. **O'Brien**, **A. Witts** and **Cordner** were valuable players to **Old Melburnians** with **Anastasakis** playing an important role in the centre. The 3rd quarter saw **Old Melburnians** use the wind to their advantage kicking 4.4 to **Whitefriars** 1.5. **Friars'** **Mark Bateman** and **Ben Crowe** were trying all day to create opportunities for the **Friars'** onballers. **Old Melburnians** leading by 48 pts at  $\frac{3}{4}$  time eased up a bit but still outscored **Whitefriars** by 9 pts. **Old Melburnians** winning margin of 56 pts was a pretty true indication of the dominance **Old Melburnians** had on the game. Better players for **Old Melburnians** were the coach **Paul O'Brien**, **Jeremy Nichols**, **Steve Bardsley** and **Simon Newman**. **Whitefriars'** better players were **Mark Bateman**, **Ben Crowe**, **John Bonnyman** and **Simon Strike**.

An injury riddled **Banyule** went down to **Old Paradians** by 33 pts in a game of vital importance. With injuries to 12 senior players, **Banyule** were always going to struggle. The 1st quarter was tough, **Banyule** trailed **Parade** by 5 pts at  $\frac{1}{4}$  time – **Parade** looked good in the 2nd quarter slamming on 5.6 in 15 minutes, while allowing **Banyule** to kick just 1.3 for the term. If not for the efforts of the **Bears'** **Stephen 'Hoota' Gray** across half back, the rampage may have become a massacre. Midway through the 3rd term things started to change for the **Bears**. **Dave Williams** began to assert his authority in the ruck and finally the **Bears** began to run, the difference in **Parade's** favour was 19 pts at  $\frac{3}{4}$  time – feeling they had a chance of victory the **Bears** began strongly – momentum was all with the **Bears** as **Barnes** marking strongly and goaling, **Banyule** only trailed by 6 pts but **Parade** stood firm and answered the challenge to rally and put the game beyond doubt with a 5 goal last term running out victors by 33 pts. Best player for **Parade** was **Brett Pannam** and the ammo superstar **Peter Brabender**, also **Nick Wayman** was good. **Banyule's** best player was once again **Dave Williams**, **Stephen Gray** and **Greg Sutterby** were major contributors for the **Bears**.

## C SECTION by "The Squirrel"

### REVIEW - ROUND 13 (11 JULY '92)

On a bleak and cold mid winter's Saturday, results went the way most pundits would've expect. 'Squirrel' man missed on **MHSOB's** win tipping an upset. Can't be right all the time I suppose. For avid readers of this column you'd be right saying I'm never right all the time!

**Kew** ventured out north to confront **Thomastown** in what appeared on paper at least, to be a danger game. The **Ks** came away winners by the biggest margin of the day, 35 pts to consolidate 2nd spot. For the **Towners**, the heat is still very hot in the 'kitchen'.

An in-form **Ivanhoe** hosted a determined **Uni-Blacks** team and emerged victors in the day's highest scoring encounter by 25 pts. The winning margin tends somewhat to flatter the '**Hoes**' as late in the last quarter the **Students** were still very much in the game. **Ivanhoe**, now equal 4th and poised to take the 'quantum' leap and the **Uni**. boys aren't far off knocking over a big 'scalp'.

At Albert Park, Oval 8 or more to the point Siberia Flats the **Commbank** unit took the days spoils from **St Kilda/St Caulfield** in a pretty lacklustre affair in conditions not conducive to good footy. The **Saints** had set themselves for a big effort following a week of in-house drama but all to no avail as the **Bank** kicked 4 into the wind while the **Saints** couldn't register a major. The **Saints** clawed to a slender lead near 3 qtr time but the **Bankers** steadied and then went on with the job in the final stanza. **Chapple**, **McGaw**, **Capiro** and **Buckley** tried hard for the **Saints** and the **Bank** were well served by **McDonald**, **Reid** and both '**Mahers**'. **Commbank** cement their top spot and the **Saints** on the basis of the recent showing should fend off relegation, but will do well to not relax for one moment.

**Melbourne High** took on and conquered a determined and desperate **AJAX** at Oval 2, Albert Park by 28 pts. In what I'd guessed could've been an upset the **Schoolers** made me look silly (not hard to do!) by having much more of the play and dictating the terms of the game to suit themselves. The scoreboard, 26 shots to 13 was indicative of their control, **MHSOB's** safe and secure whilst the **Jackers** are in more trouble than... I'll let you come up with the suitable analogies!

Final game for review was the match of the day between **Fawkner** and **Bulleen/Temp**. The **Fawks** were always in control and before you raise your eyebrows at the disparity in scoring shots let me tell you that the majority of the **Bullants** 18 pts came from 'rushed' or pot shots a mile out. The **Northerners**, a few injured players away from full strength, appear to be right back on track. However, the same can't be said of the **Bullants**. Not travelling at all well at present and a few 'Big' blokes short of being premiership testing material. With **Ivanhoe** breathing down their necks, **Bulleen/Temp** will need to call on all their reserves of character to keep pace with the leading 3. For **Fawkner**, it was a little bit like the '**Majerczak**' show with **Mark** and **Peter** amassing some 70 possessions between them and being ably supported by **Robbie Lawson** (ruck) and **O'Leary** off the H.B.F. The **Bullants** had **Tulloch** (RVR), **Driver** (HBF) and **George** (Centre) amongst their better players.

As promised 4 weeks back here's the draw for the remaining 5 weeks. In brackets, wins to this stage and anticipated # of wins at season's end. Highlighted are my win selections. You work it out for yourself who gets the 'chop' and who gets the 'double' chance.

**COMMBANK** (10) - B/Temp., Uni-Blks, Ivanhoe, Fawk., T/Town. (15); **KEW** (10) - MHSOB, St Kilda, B/Temp., Uni-Blks, Ivanhoe. (15); **FAWKNER** (9) - Uni-Blks, Ivanhoe, T/Town, C/Bank, AJAX. (13); **BULL/TEMP** (8) - C/Bank, AJAX, Kew, MHSOB, St Kilda/St Caul. (11); **IVANHOE** (8) - T/Town, Fawk., C/Bank, AJAX, Kew. (10); **MHSOB** (6) - Kew, T/Town, St Kilda, B/Temp., Uni-Blks. (9); **ST KILDA** (4) - AJAX, Kew, MHSOB, T/Town, B/Temp. (6); **THOM/TOWN** (4) - Ivanhoe, MHSOB, Fawk., St Kilda, C/Bank. (4); **AJAX** (3) - St Kilda, B/Temp, Uni-Blks, Ivanhoe, Fawk. (3); **UNI-BLKS** (3) - Fawk., C/Bank, AJAX, Kew, MHSOB. (4).

### PREVIEW - ROUND 14 (18 JULY '92)

**Ivanhoe** vs **Thomastown** - A cut throat game for both clubs. No beg pardons in this one. At home and in their present form the '**Hoes**' to win by about 6 twins.

**MHSOB** vs **Kew** - A danger game for **Kew** away from home and especially at the treacherous High School - Yarra oval. **Kew's** big man game is suited to smallish grounds so the fear I predict may not be as awesome as it would appear. I'm sure the **Schoolers** will be in this game for a long way, however, I just can't imagine the **Ks** letting this one slip by. **Kew** by 3 majors.

**Bulleen/Temp.** vs **Commbank** - Desperate stakes here for the **Bullants** with a visit to 5th right on the cards if they fail against the ladder leaders. On form of recent weeks I'll go for the visiting **Bankers** but with a degree of trepidation. **Commbank** only just by 15 pts.

**St Kilda/St Caulfield** vs **AJAX** - Sorry **Jackers** but I'm deserting the ship. The **Saint's** recent form is a little better. Even in their losses they've managed to threaten a little. The big man dominance of the **Saints** will tell in the 2nd half when as the old adage goes... they don't get any smaller but the fast get a little slower. **Saints** by 6 goals.

**Uni-Blacks** vs **Fawkner** - The **Students** form of late has been very good without winning many. On the other hand **Fawkner** appear over their troubled times and bound for more wins, this game, I think, one of them. When the game really is down to the wire and has to be won then it'll be the **Fawks** by about 5 big ones.

### SPECIAL FROSTKICKERS REPORT

Our often unsung heroes, yes the 'Frost-kickers', 2's, Rezzies call 'em what you like will feature from here on in, with a focus on finals.

The big '4' is well and truly settled, with **Uni-Blacks** leading the way from **Fawkner**, **Bulleen/Temp.** and **MHSOB**. The rest of the 'Magoos' are out of the finals race but are still serving their respective clubs with gusto and making up those very necessary numbers both at training and for games.

This week - **Towners** over '**Hoes**' by 27 pts, **Schoolers** over **Ks** by 53 pts, **Bullants** over **Bankers** by 48 pts, **Saints** over **Jackers** by 36 pts and the top of the table game the **Blacks** by 14 pts against **Fawkner**.

### 150 GAMES TO ST KILDA/STH CAUL CHAMP

Committee, players and supporters of St Kilda/Sth Caulfield AFC congratulate **Charlie Capiron** on reaching his **150** game milestone for the Club against AJAX today (18/7). Charlie (St Chas) is one of the Club's and for that matter, the Amateur Comp's favourite sons. Charlie began his distinguished career in '83 having commenced his football with St Kilda U19s. Charlie's list of achievements is a tribute to his football ability. '83 C Section B&F winner (3rd in '84), a consistently high competition vote getter, quadruple Club champ ('83, '88, '89 and '91) coach, captain, premiership player and regular interstate rep including a carnival medal winner in '85. Charlie's amateur record is second to none! His loyalty to the Club is surpassed only by his skill level and application. Certainly the most skilful player to have pulled on a boot in the club's history, the 'black panther' as he is affectionately known is revered by his team mates, opponents, umpires and the many friends he has made in his years in amateur football. St Kilda/Sth Caulfield (and your number one fan, Andrea) salutes its champion and favourite son.

## D SECTION by "Phantom"

(substituting for Peter Lemon until the finals)

The "Ghost who walks" will often take long walks with his faithful companion Devil, deep into the heart of the Bengali jungle, whilst contemplating his selections for the forthcoming round of Amateur football...

"I tipped this" and the **Seagulls** didn't fail the Phantom with the predicted upset of the round. The **Noddies** failed to their toll 'on the Bridge' and were punished by the infamous 'Williamstown Doctor'. **Andrew Featherston**, roving with 32 gets was best on ground sharking everything **Mark 'Big Bird' Cannon** (back from injury) sent his way from the air. Skipper **Alan 'Dirty' Harry** silenced the **Noddies** with great drive from the centre and provided the impetus for the **Gulls** 23 pt win and one step closer to another year in 'D'.

The **Hoes** journey to **Preston** was a successful mission with one straight kick deciding the issue. In a match of good standards there were less than two kicks in it all day. **Preston** was well served by **David O'Brien** in the back pocket, **Darren Smith** in the ruck and **Randall McGaw on the ball - who is a model of consistency**. The **Bros** led by a goal at the final change but couldn't finish off their work as the **Hoes**, led by **Dyson** in the 'middle', continued their resurgence with a thrilling victory.

South of the Boarder down Bangholme way the **Pinball Players** won the mud wrestle, kicking 6 gis before the **Wellers** had got off the bus. **Justin Sebire** continued on from his debut last week with another good performance. **Paul Newport** took over in the 'High and the Mighty' division taking many good marks in the conditions. **Jackson** tried hard for the visitors as did **Pike** in his traditional battle with '**Choppa' Lannan**.

**O. Geelong** chose to stay overnight at the 'Beaumaris' in preparation for the match at Bluff Rd, to overcome any travel difficulties brought on by the refuellers strike, and judging by the score the cost of lodgings by the Bay proved worthwhile. The silence is deafening at **Roverland** in recent weeks and their impending visit to division leaders Caulfield won't bring telegrams of good luck from Buckingham Palace. The **Oggers** have steadied with a couple of wins and they do seem to play better when Chief Reporter Lemon is out of sight!

**Caulfield Gr**, complete with 'chains', put together their best performance of the year to outski **St Kevin's** at the school. With Righetti closed due to 'lack of snow' and down a goal at  $\frac{3}{4}$  time, an injury depleted **Caulfield**, kicking against a 4 gl breeze, found another gear to defeat **SKOBs** by 4 pts. **Nigel Cox** on the back flank, **Trevor Royals** in the centre (again), **Glen Harrison** on the wing and **Martin Dicosta** ruck roving, were the best for the **Fields** who showed why they are the ladder leaders.

### TODAY'S GAME

**Williamstown** aboard the MV Yarra Princess make the journey up the Yarra to take on the **Cattle Barons** at Como Park. The **Sailors**' form in recent regattas has improved dramatically whilst the **Oggers** gave their 'groupies' an easier day at Hampton with a double figures winning margin. In their 2nd match race of the

season the **Sailors**, with their 'winged keel', might sneak home on the spinnaker run in the final quarter.

The **Noddies** are at home to the **Watersports Centre Crew** in what appears on paper to be the match of the round. Coaches **Matt Johnson - Mazenod** and **Mark Tyquin - St Bede's** will need little motivation to get their players up as the winner will consolidate a spot in the four whilst the loser will be closely checking the 'other results' come Sunday morning. **Mazenod** took the points when they first met and they may sneak home in a tight finish.

The **Marist Bros** – with Met Travelcard in hand will tram & train it to meet the **Travelling Wilburys** somewhere near the South Eastern car park. The **SKOBs**, who may be on the AFL shortlist to share Waverly Park next year, are knocking on the door to the 'four' and if they are to get in must pass the **Preston** Security Guards. The **SKOBs** have lost the past two games by 4 pts and **Preston's** ability to kick a winning score will be just enough to see them through and continue the **SKOBs** woes by – you guessed it – 4 pts.

The **Red Bluff Rovers** have lost all form on the wet tracks recently, whilst 'free for allers' **Caulfield** are as consistent as 'Popular Alm' and don't know how to put a bad one in. The **Rovers**' best chance would appear to be either switch to the reverse or 'Sydney' way of going or 'scout' wide on the turn in search of better going. The **Fields**, with **Gavin Matthews Lang** in the sulky, should ping straight to the front from the stand start and maintain their lead throughout the event.

The Grammarians Production between neighbours **Camberwell** and **Ivanhoe** would appear to be a 'Sampson and Delilah' battle on paper with the **Wells** staring E Street in the face following consecutive losses. The **Hoes** on the other hand continue their run towards the four and the **Wells** will have to cut out the **Hoes** 'ponytail brigade of forwards' if they are to have a chance. The **Wells** can turn it on at home on occasions but I can't see them stopping the **Hoes**' charge.

### PERSONALITY PARS – D

#### MILESTONE AT MAZENOD

One of Mazenod's favourite sons, **Adrian 'Jacksy' Green**, set another record today (18/7) when he becomes the 1st player to reach 250 games. Jacksy began his career in 1978 (the club's 1st year) whilst a student at the college and is the only player still playing from the original year. A testament to his great commitment and dedication. Jacksy has held positions

on the committee and rarely misses training. He has also been a regular trophy winner and is currently vice-captain of the reserves. He has also played in six premierships. Usually a tough reliable defender, he has received a new lease of life on the forward line this year. Everyone associated with the club salutes you Jacksy on this magnificent achievement. 'Long live Number 38'.

### PRESTON MILESTONES

Everyone at Preston Marist Brothers Old Boys congratulates these players for their particular achievements over the last few weeks: **Andy Brydson** (100th game against Old Ivanhoe last Saturday, 11/7), **Mark Zubak** (50 games), **Craig Smart** (50 games), **Grant Bennet** (50 games) and **David Philip** (50 games). Well done fellas, and let's make sure the bulldogs keep stinging.

### MILESTONES AT WILLIAMSTOWN CYMS

Congratulations to **David "Bubba" Bubnic** on his 100th game today (18/7). Bubba started with the U19s in 1986 and with his natural ability and good form has secured a berth in the seniors as a very reliable full back. Well done Bubba and good luck for the next 100. Congratulations also to **Steven "Little" Calderwood**, **David Temby** and **Grant "Spuda" Case** on playing their 50th games for the Seagulls.

### 100 AT THOMASTOWN

**Jim Bubis** recorded his 100th game for the club recently. Jim joined the Bears in the U19s and has produced sufficient talent to earn his place in the Snrs and Res, even though he is far younger than his opponents. Jim is always dangerous around the goals, and has the results to prove it. Congratulations Jim, maybe soon you'll kick a century of goals to match your century of games. Make the most of your talent.

## E STREET by Tom Brain

What a round of matches did the 13th turn out to be. The Streets first draw for the season, not good for the **House**, a fine buffer for the **Bloods**, a good win for **ANZ** and disaster for the **Northies**. **Hunters** consolidate, the **Wicks** go down fighting, **Trobbers** doomed, **Doves** fly high, and the **Bulls** and the **E'Wicks** have some worrying weeks ahead.

### REVIEW

**Elsternwick** travelled the long journey out to **Latrobe**, had first use of the breeze on the heavy ground and started well. As usual the **Trobs** struggled to play the full 4 terms and despite a great last qtr where they got close to stealing the game, wasted opportunities and lack of time finally cost them. A most important win for the **Red & Blacks**. **Adrian Conti** kept up the family tradition by playing a fine game. **Ray Bravington** and **Brian 'Me' Hammer** formed a strong alliance. Ever reliables **Ash Cummings** and **Bakogiannis** were brilliant for the home side, **Shaw** was not disgraced and battled hard.

**Powerhouse's** big day was saddened by the untimely deaths during the week of 2 great clubmen. To them all go our sympathy. In a hard fought and pressure game in front of a large crowd **Aquinas** led at every change and looked the likely winners at orange time with a 4 gl break. But **Powerhouse** had other ideas as they finally started to run the ball and goals came very quickly for them. The **Bloods** steadied and managed to force a draw in a thrilling game of Ammo footy. **Powerhouse** were pleased with the excellent returns to form of **Darren Wright** and **Dominic Baxter** and the continued good form of **Frankie Doyle** whose having a great season. For the **Bloods** a very vital 2 pts. **O'Connor**, **Hurley** and young **Tarulli** were very fine players.

Once again **Laddy** had **Doveton** on their mettle at the start of the game, as they came out and jumped the home side thus setting up yet another victory for themselves. **Bulleen** were then forced to play catch up football for the rest of the game and were never really in the hunt. **Dyke** with 6 was again a fine focal point, **Mr C** and **Mr T** continue to impress, **Johnny Muirhead** was good and **Spreckley** continues to show good consistent form. **Humphrey**, **Parker** and **Cotterill** were 3 **Bulleen** players who were consistent all day showing plenty of determination and spirit.

At headquarters **ANZ** started with the aid of the breeze and kicked 6 gls to 2 to take full advantage. After this they were never headed and made **North** really fight for every possession. **'Always'** **Humphrey** had a great game for **ANZ** setting up everything. **'Caps'** held **Deano** to only 2 goals - that effort speaks for itself. In a good all-round effort also worthy of note were **Manny**, **Steerey**, the **Veteran** and **KT** in his new role as a forward, along with **Rubber** who gave his full back great support. For **North** **Jason Tirchett** never stopped

trying, **Warwick Crawford** was a good ruck rover and **Barry Thorpe** got fired kicking the ball forward.

**Glenhuntly**, after last week's surprise disappointment and boosted by the return of a few of their injured players, jumped **Brunswick** (who had the wind) in the 1st qtr, attacked the pill really hard and led at the short break. **Glenhuntly** kept plugging away, showed plenty of spirit and eventually reaped the reward and a very vital one at that. **Glen Richards** was again a good player, **John Gilmour** owned the back pocket, **John Sist**'s comeback game was most welcome (needs goalkicking practise [1.5]) and coach **Mike Smith** also put his ageing body on the line. **Rocket** reports that **Hall**, **Dasha Stevens** and **Jacko Sayers** all made it hard for Glenhuntly.

### PREVIEW

The last 5 weeks promises so much now, all we can be certain of is **Doveton** will finish on top and unfortunately the **Trobs** will join the missing Hille in F-Troop.

**Nth Brunswick** must bounce back today or it's time for cricket and I'm sure they will.

The **Bulls** are not easy to beat at home, have shown enough during the year to suggest they should not be taken lightly. **Powerhouse** too have shown they are finals material but seem to falter at the wrong time, can't afford to this week. They are used to these sort of games so I feel **George** and **Scotty** will get them up.

Another tough at the **Backyard** so vital for them both, 1993 really hinges on this. Both have been getting better of late but **Elsternwick** play so well on their own turf this is all that sways my selection in their favour, but gee it will be close.

**Brunswick** welcome back **Blackie** and await the rejuvenated **ANZ**. This is a must for both sides. Both sides are confident they can win. **Brunswick** have been consistent, the **Zedders** haven't. Can they get it back and do it 2 weeks in a row? **Wicks** have not lost a home game in many years so this impells me to tip in their favour.

Perhaps a grand final preview takes place out at the very sandy and overused Power Road. You really can't fault either side - their form is excellent. Both have depth and are playing well. **Doves** have proved their home ground advantage is decisive and for that reason alone they'll win but, be warned, it won't be easy - the **Hunters** never give up.

**SELECTIONS:** **Nth Brunswick** **Powerhouse**  
**Elsternwick** **Brunswick** **Doveton**

**MILESTONES:** **Northies** see **Gary McCall** and **Chris Jewell** make it to 50. Congratulations - well done.

**PRESS CORRESPONDENTS:** Another perfect score, great for your clubs and players because it means **exposure**. Don't you dare forget: Ph 869 3777 (W) or 571 4808 (H) and Fax: 569 8766 by 6pm Mondays

## F-TROOP by "Stand-In"

### REVIEW

**Old Carey** eventually wore down a determined **FIT** to win by 59 pts.

**Old Essendon** continued on their winning ways with a 12 pt victory over an inaccurate **Salesian**.

**St Andrew's** who needed to win to keep in touch with the 6 were thumped by **West Brunswick** to the tune of 64 pts. **St Leo's**, well what can I say? continued on their record breaking way to defeat **Uni High** by an enormous 153 pts.

**Boronia Park** for the 3rd time in 4 games lost by exactly 5 pts (unbelievable) with a few minutes to go. Don't worry **Parkers** the tide has to turn eventually, as for **Peninsula** another escape.

**St Mary's** thumped a disappointing **Chirnside Park** by a mammoth 109 pts to give 300 gamer **T. Ymer** a game he won't forget.

**St John's** held off **St Pat's** to win by 19 pts in a good effort.

An inaccurate **Richmond Central** were defeated by **Uni Reds** by 7 pts would be very disappointed in the close games that they have lost this year. **Centrals** have definitely been the big improvers and with a bit of luck would be a bit closer to the 6 than their present position suggests.

### PREVIEW

Match of the day is at Box Hill where **St Leo's** host an **Old Essendon** side who have been taking all before them in the last 8 weeks. At home it's hard to go past **St Leo's** and I feel they will win by 8 goals.

Two local sides **Chirnside Park** and **Boronia Park** clash for the 1st time at **Chirnside** in what should be a very close contest. I predict **Boronia Park** to win by 6 pts.

**FIT** travel to **Glen Iris** to tackle **St Mary's** who are playing top football at the moment. It's hard to go past the home team and I feel they will win by 12 goals.

**Peninsula** and **St Pat's** should be a close game at **Mt Eliza** and with home ground advantage the **Sailors** should succeed with an 18 pt victory.

The **Salesian** and **Richmond Central** contest should be a great game but at home **Salesians** by 6 goals to keep them in the finals hunt.

**St John's** travel to the **Zoo** to tackle **Uni High** who would be on a low after last week. The **Dandy** boys are playing good football at the moment and I tip them to win by 2 goals.

**W. Brunswick** and **Uni Reds** should be another close game and at home I predict **W. Brunswick** by 3 goals.

In the last game **St Andrew's** tackle **Old Carey** in a do or die game. If **St Andrew's** win they will keep their finals hopes alive, lose and it's curtains for 1992. At home it's hard to go past **Old Carey** so I tip them to win by 3 goals in an an entertaining match.

All at Old Carey congratulate **Simon Ustick** for 50 games (1/1) of quiet consistency mainly in defence (against Salesians 13/6) and look forward to many more of the same in the future. Only another 122 to go before Simon catches up with Dad Ian's 172 tally for Old Carey!

## G SECTION by Norm Nugent

The results of Round 13 followed my predictions except in the eastern suburban clash between **Kew** and **Camberwell** where the **Wells** convincing victory upset my prediction. Still 91% is a good selection rate.

### G NORTH

**St Bernard's** enjoyed their seaside trip and benefitted from a healthy percentage boost as **Williamstown** were 201 points behind at the ringing of the final bell. (Sirens are not used in Williamstown because of shipping rules.) **Marcellin** virtually removed **North Old Boys** as final's contender when the **Eagles** won their match by a 35 pt margin. **Eltham** didn't have things all their own way at **Therry** as the home side proved formidable opposition before going down by 21 pts in a game of symmetrical scores which would appeal to "Stan McCann". Undefeated leaders **Bulleen-Templestowe** recorded another comfortable victory when they accounted for **Banyule** by 96 pts. Only inaccurate kicking for goal prevented **Camberwell** defeating **Kew** by more than 32 pts. **Camberwell** thus maintained their final's hopes while for **Kew** the defeat put them three games behind the 4th side with 2 rounds remaining. **Old Westbourne** continued their good form with a convincing 62 pt victory over **De La Salle**.

### G SOUTH

**Old Melburnians'** disappointing form continued when they capitulated to **De La Salle** by 106 pts. **Old Xaverians** cruised to a 49 pt victory over **Monash Gryphons** whereas unbelievable inaccuracy by **St Kilda/St Caulfield** cost them the game against **Old Haileybury**. Despite having 7 more scoring shots the **Combine** went down by 8 pts. **Mazenod**, with a convincing 82 pt victory over **Collegians**, removed all hopes of a **Collegians** final appearance in their centenary season. In the closest match of the round, where scoring was predictably low, **Old Geelong** defeated **St Kevin's** by only 2 pts. How Brett Kenny must have enjoyed his 150th game with **Monash Whites** because his side annihilated **Glenhuntly** by 156 pts. While all these events were happening **Bloods** enjoyed the fruits of their Bye.

### PREVIEW OF ROUND 14

#### G NORTH

**Bulleen-Templestowe** should be untroubled to record another win at the expense of **Williamstown**. In the match of the round which has the potential to be replayed next month as a final, **Marcellin** travel west to meet **St Bernard's**. The **Saints** will appreciate the unstinting support of their vocal crowd while the **Eagles** may well take time to adjust to the Niddrie conditions. Although **Marcellin** has the better performed forward line the **St Bernards'** defence has been very tight all season. I am sure the **Pearson** coaching has included a form guide on the movements of **Treganowan** who poses a major threat to a **St Bernards'** victory. After

careful consideration I favour **St Bernard's** to emerge victorious. **North Old Boys** should take another step towards a final four spot by defeating **Old Scotch** today. Likewise **Eltham** should win easily over **Banyule** who lack the depth of talent to extend the **Turtles** at Research. **Kew** at home for the second successive week should be largely untroubled to record a telling victory over **Therry**. **Camberwell** can expect stern opposition from the season's big improvers, **Old Westbourne**. I am unsure of the outcome of this match as I feel the result can go either way. I will select **Camberwell** who know their ground the better.

#### G SOUTH

In the battle to avoid the wooden spoon **Glenhuntly** are at home to **Old Geelong**. As neither side has had great success in 1992, the winner will probably be the side which makes the less mistakes. I believe **Glenhuntly** will be that side! **Monash Whites** should be able to record another victory at the expense of **Old Melburnians** even at **Albert Park** while **Bloods** should edge closer to a final's berth with a percentage boosting victory over the more poorly performed **St Kevin's**. Leaders **Old Xaverians** should be largely untroubled to defeat **St Kilda/St Caulfield** while I expect **Mazenod** to consolidate their final's position with a win over **Old Haileybury**. In a repeat of their Round 1 victory I expect **De La Salle** to prove too strong for **Monash Gryphons**. **Collegians** have the Bye.

### REVIEW OF LAST WEEK'S MATCHES

#### DIVISION 1

**D.M's** really stamped themselves as a genuine premiership chance with a 10 goal thrashing of **De La** – their 4th home ground loss this year – along time since that happened if ever!! **Cornell**, on a 4 week loan from **Manchester United** showed he had lost none of last year's skills by booting 4 majors. "Mini" **Thompson** again starred as did **Tom Carlyon** whilst "Jobbers" return to top form was applauded by my former adversary **James Nixon**. D's only 2 good efforts came from **Richard Grace** and **Paul Gunther**. **Nodders** moved to 2nd spot with a comfortable win over **Tones**. **Harrison**, **Baxter** and **Gill** all kicked 4 whilst **Borg**, **Morgan** and **Polan** were 3 of their best. **Monds** came from behind to overhaul the inaccurate **Lions**. Peter said it was a good team effort but singled out "Woody", **Brett Turner** and "Gur" **McCarthy** for special mentions. **Xavs** romped home from the **Bloods** with **Tucker** getting 6 and **Stones** 5. Other good performers were **Scalzo**, **Salter** and **Dalton**. **Bernies** gave **Marcellin** a walkover.

#### DIVISION 2 CENTRAL

**Friars** notched up their best win of the year at **Trinity's** expense and effectively knocked **Frog's** boys out of the finals race. **Tim Carrigg** kicked 4 whilst best were **Uren** in the ruck and **Nick Parr** and **Mat Vernal**. **C'Well** almost sealed the double chance for themselves when they rolled the **Blues** in a game in which the boys in white were complimented by both coaches. **Wells** were best served by the **Chris's** – **Town** and **Fisher** and first year player **Donal UANWATANASAKUL** (try saying that after a few ales!). **Therry** gained a game's break over the others after a comfortable win over the **Bullants**. "Gilly" continued his good form in front of goals with 9 sixers whilst the consistent **Nick Court** and **Jacob Dimech** also featured prominently. **Carey** kept in touch with the 4 with a good reward for their accurate kicking against **'Hoes** (far be it for me to write you off **John** – remember it was **Hagar** who canned you!!!) Talking of **Hagar**, he saw '**Hoes** best as those regulars **McGowan**, **Blackwood** and **Raymond** and agreed with most of **John's** selections for **Carey's** best – **John Dunn**, **Ben Porter**, **Ed Elliott** and skipper **Craig Glindemann**. **Mark Merry** booted 5 for the winners. **O. Parade** couldn't make it to the phone/fax with details of their win over **Kew**.

#### DIVISION 2 SOUTH

As usual, the **AJAX** budget didn't extend to a phone call. **Bedas** were comfortable winners over **Old Hoes**. **Paul Razza** kicked 6 and half backs **Lee Patrick** and **Tim Sullivan** repelled many of '**Hoes**' attacks. After a sluggish 1st half, **Tonners** lifted their rate and got home from **De La** by 6 goals. **Simon Antonis** (6) and **Kim Teschendroff** (4) kicked nearly all of **Tonners'** majors

with their best being **Andrew Moratis**, **John Farrer** and **Derren Wilson**. Once again the "slab" did the dirty on the **Ashers** – this time it is the **Fields** who will be savouring the green ones. Nice to hear from my **Fields** "recruit" of 10 years ago – **El Supremo Garry** with details of his "stars" and prediction of more wins to come. **Reece Gosstray** passed the "half ton" with 9 while other good efforts came from **Stahmer**, **Pukula** and **Kuppe**. **High** put another dent in the **Parker's** armour as predicted by **Brendan**. **Steve's** best were **Adam Howard**, **Ian Gellispie** and the consistent **Jade Vidal**. **Scotches** got a walkover from the **Oaks**.

#### SLAB CHALLENGE

Not much credibility in offering it for the 2 apparently one-sided games today but it may be enough for **Gilla's Gorillas** to put in their best effort yet and press the D's at **H.Q.** I couldn't make the same offer to the **Oaks** today as it would be an insult to **Bedas** to suggest that any incentive could see them being toppled by the **Oaks**.

## COACHES CLIPBOARD

Mike McArthur-Allen

### "DON'T WASTE MY TIME - PLAY TENNIS"

by Simon Meehan – Senior Coach Old Haileyburians

As a coach, I am constantly amazed by the mentality and characteristics of the amateur footballer. The total lack of commitment from some individuals is the reason why so much hair is pulled and eventually lost throughout each year.

Why do we put up with these players?

Can we tolerate them?

Do they help our cause at all?

The obvious answer is No!

The reason why we put so much effort into the "head cases" is because we see a lack of depth within the club, and the natural talent that a lot of these cases possess. We fear our own short term failure knowing full well in the back of our minds the club can only be strengthened by committed players. "If only we could get him committed". "If we could just get him fit". The statements can be as varied as the player dedication. All we are doing is kidding ourselves. By playing these individuals we are trying to hide and patch up initial problems. You will never succeed by playing these people as all they are doing is extending your team problems - dragging individuals further apart. They are "I" players concerned only about themselves and what they can get out of it for themselves.

Not only do these individuals disrupt the clubs, but they take up much of the valuable time of the coaching panel. The problem is that we spend more time on them fixing

their needs than the genuine ones who care and want to play. The committed players sometimes do not get the time spent with them that they deserve. They are the ones who make a club succeed because they are team orientated. The player who is the coach's dream, never has excuses. They always train hard, are never late for training or meetings, never question decisions and always willing to do anything to help the side succeed. They are the ones always talking and encouraging at training and during a game. Russel Barnes from Ormond epitomises this player. On the few opportunities I have spent with "Barnesy" in representative matches, I have always had great respect for the man because of his enthusiastic approach and total commitment to the cause. Of course coaches have their favourites. We would not be human if we didn't. More often than not the favourites are these dedicated and committed people. It's difficult not to feel more for these people as they are the ones who are spreading your voice, attitude and enthusiasm.

To the rest, the ones who believe they are better off not doing Pre-Season and only training once a week and are never the cause of their own bad form or the reason why they can't get a game.

"Don't waste my time - play tennis"

## MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

**All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.**

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches** and **club officials**.

**NB:** Eleven Old Carey U19 players have just received their \$20 rebate.  
Do you have any U19 players who qualify?

## MARKETING NEWS by Mike McArthur-Allen

### FORESTERS FRIENDLY SOCIETY Meeting the Needs of Australian Families since 1856

I am pleased to provide some background information on our Society for the Marketing News Column. For those of you not familiar with Foresters, we are a traditional Friendly Society that has successfully served the Victorian community for over 135 years. We are proud of our rich history, our record of investment performance and service to members.

The origins of our Society stem from the self-help movement amongst foresters in 17th Century Britain, at a time when guilds and trades bonded together to provide social and financial benefits in times of hardship and distress. The role of Foresters Friendly Society has broadened considerably since this time, reflecting the diverse needs of modern society.

The traditional funeral and sickness benefits, life and health insurance products are important elements in the present day operations of Foresters. We also offer

our growing membership base a well researched, professionally managed and prudentially sound range of financial services with a unique combination of tax effectiveness and security.

In addition, Foresters maintains its links with its origins by actively and proudly sponsoring and supporting a diverse range of community activities and charitable organisations, such as sponsorship of the VAFA and provision of scholarships for young Victorian student achievers.

If you are looking at investment bonds, savings plans or even a specialised savings plan to help meet the costs of your children's education, you should really speak to Foresters Friendly Society first - After all, our Society has been helping Australian families for almost 140 years.

Call Robyn Smith, Marketing Manager 572 1611.

### ROUND 14

#### 5 YEARS AGO - 1987

O. Xaverians confirmed their position as hot favourites for the A section flag when they made it two out of two with a 22 point defeat of Ormond. The Xavs' superior physical strength and marking power, led by Nick Wilton (c.h.b.) and Mark Summers (ruck), was too much for the 'Monds. Geoff Greetham blanketed Paul Schuhkraft. Ormond's bright spot was Paul Cox who showed he was a rover of real class.

Level on points, it was make or break for De La Salle or O. Scotch, and it was 'break for O. Scotch who after quarter time were never in it. Final scores O. Scotch

7.6, De La Salle 15.16. Best were M. Greene, Maher, Rennie (De La) and Fuller, Burford, Brown (O. Scotch)

It was a black day for Uni Blacks. Not only did they lose Mike Yandell (leg injury) and Mark Tyquin (broken wrist), their 26 point loss to Collegians looked like goodbye to A Section.

St Bernard's saluted Ray 'Soapy' Vallance on 300 games as team manager.

200 games to Hampton Rovers Michael 'Beast' Malone, B&F '80, Best Team Player '78 and '79, Most Consistent in '82 and captain in '81.

At Marcellin's 20th birthday celebration, the club's best ever team was announced and sparked off much controversy. The team was:

B—Paul Carafa, Bernie Cooney, Tony Paatsch  
HB—John Gartner, John Jones, Andrew Cullinan

C—Bernie Cooper, Chris Mahon, Greg Shaw  
HF—Frank Marchesani, Peter Gartner, Chris Slattery  
F—Dominic Simonetti, Tony Jones, Peter Toohey

R—Gerry Price, Mick Power, Dirk Ebert  
I/C—Mike Butler, Tim Holmes

Coach—Ray Walsh  
(How did they overlook Peter French? N.R.)

#### 10 YEARS AGO

Wayne Henry, in his 150th game, and Denis Henry, in his 100th game, umpired together for the first time and joined the Segota Brothers as the only pairs to umpire together.

Thomastown, 2nd in E, convincingly defeated 4th team, Balaclava 13.8 to 8.10. Stars were Steele, Weidnle, A. Fellows (T'town) and Darvell, Crottie, S. Withers (B/clava)

200 games to Michael Butler (Marc), 150 games to Ian Rice (Coll) and Nick Brennan (St Kev's)

Kew 4th in B, were too strong for top team, Ivanhoe, scoring 18.12 to 13.12. Best were Burden, Smith, Busuttil (Kew) and O'Flaherty, Edwards, Morcom (Ivanhoe).

#### 15 YEARS AGO - 1977

Umpires' Corner featured 'Gentleman' Jim Peters, who had completed 450 games of football both as a player and umpire – 9 years as a field umpire and 6 years as goal umpire.

Ormond (A) continued its slide with its 3rd successive defeat – 10 points ahead of Marcellin at the last change, it scored only 4 behinds in the last quarter to Marcellin's 6.5 and was now only one game ahead of Uni Blacks.

North O. Boys (A) undefeated after 14 games, were 3 games ahead of St Bernard's and De La Salle.

O. Geelong marvelled that a rather shorter than average pair of legs had carried their great little rover to 100 games – Sandy Gilbert who had also played 100 games with MHSOB in their great A Section days.

150 games to Peter Gartner (Marc) and Don Barton (Geel).

#### 20 YEARS AGO - 1972

St Bernard's (5th) lost another chance of getting back into the four when they faded towards the finish and went down by 11 points to a determined Monash Blues (8th). Scores were 12.12 to 9.19 while best were D. Young, Flett, Amor, Lowcock (7 gls) (Monash) and Iannazzo, King and Wade (St Bernard's).

Battle for the four was tough in B Section with Uni Blacks on top with 40 points and 4 teams one game behind, Geelong, O. Scotch, O. Trinity and Ivanhoe.

De La Salle scored their first win for the season at the expense of O. Paradians. Bothe, Peart (7 gis) and Ashford were the stars in a convincing win as De La led all day.

Only sad note was that champion ruckman Henry Masala dislocated his thigh bone and it looked like curtains for the season.

150 games to O. Brighton living "legend", 17 stone Roger Wilson, Reserves coach for years and enthusiastic urger of the seniors, meat pie in one hand and transistor in the other.

#### 25 YEARS AGO - 1967

Coburg's accuracy 12.3 enabled them to defeat Collegians 10.7 by 8 points.

O. Camberwell scored only 5 points against Glenhuntly 20.22.

Top scorers for the day were Ormond Jnr, 35.19 (Wallis 11, Grace 6), who defeated C'wealth Bank 4.7.

Graham Daff played his 250th game for Collegians – Graham had also represented Victoria on numerous occasions.

Others to chalk up 150 games were Adam Shostak (Ajax), Cam McMillan (OGG), Graham Tozer (O. Brighton).

John Fisher (Kew) and Mick Mulcahy (O. Xavs) had been appointed captain and vice captain respectively of Carnival team to play at Launceston. (John later coached State & Australian Amateur teams.)

A Section umpires for the day were Doherty, Hinton, Marks, Marshall and Murphy.

#### 40 YEARS AGO - 1952

Well-known Alphington identity, Perc Adams, played his 100th game.

A Section results in sloppy heavy conditions - **Alphington** 8.13.61 d **O. Paradians** 3.9.27; **Ormond** 11.13.79 d **O. Scotch** 6.10.46, **O. Melb** 11.7.73 d **Hampton Rovers** 6.2.38, **Uni Blues** 12.15.87 d **Comm. Bank** 6.11.47 and bottom team **Collegians**, yet to crack it for a win, drew with **Uni Blacks** 3.10 to 4.4.

**A REFRESHING CHANGE**

## Umpires Corner by Mike Murray and Steve McCarthy

- **What is the world coming to?** Having reported previously that **Geoff 'Ant' Ridd** likes to dry himself (after showering) with a **chamois**, we now find **John 'Granny' Smith** utilising the standard **baby facewasher** to keep himself nice. He also provides his own carpet square to keep his feet clean. Perhaps our **Marcellin educator** would like his own personal dressing room too.

- **A pat on the back** to a number of **first year goalies** who have settled in so well. To **Alan Bishop, Bobby Armstrong, Steve Pitcher, David Humphries** and **Martin Mayhew**... keep up the good work.

- Congratulations to **Peter Gersch** and **Anthony Damen** on their initial 'A' and 'B' Section appointments last week. Consistent performances will be duly rewarded as you both have demonstrated. Well done!

- The recent workout at **Trevor Barker's 'King Club'** produced the following snippets: - **Karen 'The Little Mermaid' Eastwood** mesmerising all with an impressive Olympic workout in the Pool. Husband **Richard ('Clint')** was certainly left in her wake. - **Benny** too scared to dive in! A happy (belated) **44th birthday** anyway. - **Les 'Hooker' Harrison** wearing glasses while holding fort with the shallow end of the Pool. Maybe he wanted to keep those golden locks in good shape. - **'Bomber'** acting like a child!

- We've heard of solid pre-match warm-ups but this would be hard to toss. It appears that everyone's favourite couple, **'Mother' Therese & Ken 'Kick an early Goal' Pitcher** overnighted the other Friday at a posh city hotel - the result of a **silver wedding anniversary** present. Totally refreshed after an 11am (Saturday) checkout, he fired up brilliantly for his **Collegians/Therry** fixture. **Therese** reckons it's the only way to spend a Friday night. Don't worry about the rest of us! Perhaps we should book through **Bass**.

- The 'Spy' column (Sunday Age - July 12th) reported that "the man credited with polishing the sharp edges of the image of Maggie Thatcher, PR flak **Sir Tim Bell**, has just departed Australian shores after lecturing state governments and the Federal Government on privatisation". If this **Tim Bell** happens to be our respected Advisor, will he, in fact, be back for the finals in September?

- The recent '**Goalies Gourmet**' evening at the **South Yarra Trattoria** was certainly enjoyable. Great to

see **Julian 'The Rabbi' Velleman** and '**Bomber, Benny** and **T. Bell** in attendance. The highlight was certainly the recurring demonstration and use of a very 'legit' alcohol testing device. **Gary 'The Flounder' Clancy**, who almost blew the unit apart, was last seen blowing into the exhaust pipe of his taxi - such was the good time he'd been having.

- Congratulations to **Clark 'Family' Thuys** who officiates in his **100th VAFA** game today. A hardy performer in the lower sections, **Clark's** work is very much appreciated (Stay tuned for an '**Umpire Profile**').

- Speaking of future '**Profiles**', look out for **Ted Keating, Peter Wiseman** and **Steve 'The Great' McCarthy**.

- The next bouts for '**Goalie Ringside**' include **Reno 'Mr Nice Guy' Barichievich** versus **Wayne 'Shame, Shame' Binch** to be followed by **Billy 'Chook' Fowler** and **Mike 'The Leviathan' Lentini**. Current training form makes the outcomes hard to predict.

- **Umpire Profile:** Happy **150th** today...  
**Full Name:** Mark Bushfield. **Nickname:** Bushy. **Year commenced umpiring:** 1986 (VAFA). **Highlights:** 'B' Grand Final ('91); 'A' First Semi ('91). **Greatest Influences on Career:** Kevin Mitchell, Brian Goodman. **Football Playing Career:** Noble Park U11 (as a mascot!) Devon Meadows - South West Gippsland F.L. (15 games - still as a mascot!). **Football Pet Hates:** Officials who don't do their jobs. **Most Memorable Match:** Ivanhoe vs Fawkner (1987) - one umpire! **Best Amateur Footballers seen:** Brett Burden, James Bennett. **Best Umpires:** Peter Wiseman, Ron Lippold, Richie Simon. **What I Like about Umpiring:** Mixing with players and officials at the 'after match'. **Personal Ambition:** To umpire an 'A' Section Grand Final.

- **Dates to Remember:** - **July 30th:** Monthly VAFAUA meeting. - **August 3rd:** AFLUA 'UPD' (Arden St). - **August 17th:** Annual Dinner Seminar (Arden St). Compulsory for all umpires currently on our lists. Be there or be docked! - **September 25th:** Presentation Night Dinner Dance.

- **RACV TRAVEL:** Keeping you on the move...365 days a year.

**Mike and Macca**

# **WEAR A MOUTHGUARD**

## **When Training and Playing!**

**Well done VAFA!**

Our 1991 survey of players showed  
89% of mouthguard owners always  
wear their mouthguard at matches.  
But... Only 10-13% always wear their  
mouthguard at training.

**So, wear your professionally fitted  
mouthguard when training and  
playing football.**

**Make this your GOAL in '92.**

**Keep Teeth**

**WEAR A MOUTHGUARD**

**for Life**
