EDITORIAL by Phil Stevens

Good afternoon football followers.
"Amateurs Outgun VFA in VicHealth Final"
screamed the headline in last weekend's *Victorian Footballer* – the football record of the VAFA U19
headline was indeed an apt description of the highly
team's magnificent achievement in defeating the highly
fancied VFA team for our first ever title in the five year
history of these championships.

To have been able to achieve this stunning success
was a credit not only to each of the 23 players who
combined in an excellent manner as a team and
displayed an outstanding level of determination to
achieve what many thought to be beyond them before
this championship began, but also to coach John
Simpson who left no stone unturned in his endeavours
to leave nothing to chance. John was ably supported
by a mighty support team, each of who had an important
role to play and did it to perfection. Two of John's support
staff deserve special credit, for they have worked long
and hard in the past to get the VAFA U19s into a position
of strength where in 1992 they were able to challenge

successfully for this title – to Max Lyon and Peter Harris
an extremely big message of "Well done!"

The second last match of the Championships, the
VAFA vs VFA, was the Championship Grand Final, with
the other 2 teams, VCFL and VMFL, well down on the
points table and to meet in the final match for position
3 and 4. In a memorable match our boys, built up for
the huge occasion, played skilful, courageous team
football to surprise a highly fancied opposition who at
this stage were looking with confidence at two successive
VicHealth Championships.

When the siren sounded to end this match, thus
clinching the Championship every VAFA supporter
present at Windy Hill (VAFA support was by far the
greatest of all participating teams) raced to congratulate
the team which had managed to make it a clean sweep
of 3 out of 3 interstate match wins in the Centenary Year
of the VAFA.

Well done to every person involved.

REVIEW

De La Salle sprang back into top gear when they easily accounted for an ordinary **Marcellin**. The star of the day was **Pat Mannix** who booted 10 goals in a single handed demolition of the **Eagles**. The loss puts **Marcellin** right in the relegation hot seat but they appear to have a better run home than **Xavs** and **Therry**. 15 of **De La's** 16 goals came from **Mannix** and half forward **Sam Hunter**. The return of **Andrew Ronchi** has certainly spurred **De La** on to greater heights. The same old names appear in **Marcellin's** best players — **Williams, Getson, Amad, Chun** and **Bourke** — new blood is sure needed at **Eagleland**! As **De La** cling to 4th spot by percentage they seem to be improving — which is dangerous for all other members of the 4. There are still some players to return to **De La's** line up so watch out!

St Bernard's ran all over **Xavs** in the final term when they slammed on 8 goals to run out easy victors by 32 points. The amazing thing to come out of this game was the fact that there were 19 goal scorers! The running game must have been well and truly on display during this game! **Nick Mitchell** and **Gavin Keane** are dangerous half forwards, who teamed well with **Greig Wood** in the pocket. **Matt Hannebery** tried hard all day as a ruck rover as did fellow on ballers **Doug Bailey, David Taylor** and **Andrew Dillon**. **D. Stoney** at full forward booted 5 goals for the **Xavs** but **St Bernard's** were that touch too good on the day. **Xavs** will need to win a game soon or they will be relegated — it's unlikely to happen today.

Ormond all but ended **NOB's** chance of contesting the finals this year when they ran out victors by 32 points. **Ormonds'** 86 third quarter blitz ripped the heart and soul out of the **Old Boys**. A feature of **Ormond's** play this season has been their ability to win without any single goal kickers of note. The goals seem to be consistently shared around. **Anthony Grace** in the centre has run into good form over recent weeks which has allowed **Fred Connell** to rove. **North** were in this game at half time but could not halt **Ormond's** 3rd term charge. It seems that injuries have certainly taken their toll on the **Old Boys** who have disappointed everyone all year. **Stephen Grace** continued his good form on a half forward flank and **Eachan Fraser** has slotted in well at CHB. **Ormond** are travelling along nicely without looking too dangerous, but while they're in the 4 they are always a chance.

Therry remained at the bottom of the ladder when they went down to **Scotch** by 40 points. The win keeps **Scotch** out of the 4 on percentage only. **Scotch** led at every change and were never really threatened. **Duncan McCall** returned and booted 4 goals. His comeback boosts **Scotch's** chances enormously. **Rob Fuller** despite having an injured shoulder kicked 3 goals. **Paul Mannix** was once again named as **Therry's**

best player. **Therry** kept their chances alive in this game when they kicked accurately, but the final quarter **Scotch's** onslaught was too much for them to handle. **Therry** would want to get a move on otherwise they may be playing in B-Section next year. Again **Therry** have been decimated by injury and now have to baffle the odds.

Pat McKenzie, Tanner and **Phillips** into a struggling side and suddenly you have a reborn, in form and dangerous **Old Haileyburians**. Everybody wrote them off 6 weeks ago but their 3 point victory over **Collegians** goes to show that they are back in form. **Collegians** had to trip up sooner or later but it will not greatly affect their finals performance. **Haileybury** now sit only 1 game out of the 4 and if **Wayne** and **Gary Phillips** continue their form we could see the **Bloods** sneak into the 4. It was **Haileybury's** 5 goal final term that enabled them to snatch victory. Although the **Bloods** were 33 points up at ½ time. **Collegians** led by **Garry Irvine** and 200 **Wright** came back to lead by 8 points at ¾ time.

PREVIEW

Old Xaverians are at home to **Collegians** on the rebound. **Xavs** have not been in very good form of late and **Collegians** are still the pacesetters despite last week's loss. Put simply, the **Xavs** do not have the manpower, the talent or the form to roll **Collegians**. **Stephen Mount** has been in great form recently as have forward flankers **Darren Warner** and **Vaughan Cleary**. The ruck duel between **Doug Bailey** and **Chris Pollock** will be well worth watching as will the **Matt Hannebery** and **Mark Hibbins** contest. **Danny Thomson** has developed into a fine rover for the **Collegians** and I feel that the likes of **Irvine, Galbraith, Schober** and **Hoyle** will easily be able to post a winning score — **Collegians** by 30 points.

North Old Boys visit **St Bernard's** in a game that offers very little. **North's** season is all over (unless a miracle occurs) and **St Bernard's** are all but certainties to win at home. The running game of **St Bernard's** has torn many defences apart this year. Most impressive has been their ability to continue winning without the dynamic **Luke Gollant**. **Rob Purcell** in the centre has given **Gavin Keane, Nick Mitchell** and **Greig Wood** countless opportunities this year and he will be hard to stop today but **Tim Jones** is no pushover. **Paul Capes** at half back will follow **Luke Boyle** and **Ferdie Comito** may be given the role on **Tony Egan**. **Bruno Conti** will mind **Nick Mitchell** but who will stop **Wayne Carey** and **Matt Mulkearns**? **St Bernard's** fairly easily by 3 goals.

De La Salle are at home to **Old Scotch**. This will be a good game. I doubt whether **Pat Mannix** will single handedly kick a winning score this week as **Scotch** have some fine defenders such as **Peter Brown, Gavin Eagle** and **Rob Fuller**. The **De La** defence is magnifi-

cent. Rarely does a team kick a big score against **De La. Peter Rennie** and **Grant Sheedy** along with **Craig Wright** are most consistent and dour defenders. Both teams can struggle to kick goals. The return of **Duncan McCall** has given **Scotch** another avenue, besides **Andrew Millar**, to goal. Although **De La** are at home I feel that **Scotch** are playing the better football and will just scrape in today – **Scotch** by 5 points.

The hapless **Therry** are at home to **Ormond**. A loss here could seal their relegation fate. For too much of the season **Therry** has been carried by **Matton**, **Eastmure**, **Reddick** and **Crotty**. **Ormond**, on the other hand, has had many contributors throughout the year that have assisted them in maintaining their position in the 4. **Therry** will be longing for the return of **Tim Taylor** and **David Whigglesworth**. **Ormond** will have too much strength today. Have no doubt that **Therry** will be busting to win this game but in the end talent will prevail. **Brett Connell**, **Stephen Grace**, **Andrew Jobling** and **Co.** will be hard to stop. **John Zannetti** seems to be **Therry's** only avenue to goal and he hasn't kicked goals for quite a few weeks. **Ormond** by 30 points.

AN INSPIRATION AT DE LA SALLE

AN INSPIRATION at De La is the, maybe not evergreen, goal umpire of the Reserves. A former player from the original 1955 team, **Tony O'Callaghan** not only gets out of a sick bed, at times, but even shortened a holiday, in the slightly warmer Gold Coast, to officiate at Marcellin last week. Tony has been a player of some ability, as a full back, committeeman, president and general factotum and over the last 20 years, goal umpire. De La salutes you Occa, keep those flags waving.

BLOODS COACH NOTCHES UP 50 GAMES

Last week (25/7) Old Haileybury coach **Simon 'Scraps' Meehan** notched up his **50th game** for the club and was among the best in the Bloods' stirring 3 pt win over Collegians. Since debut in Rnd 10, 1989, Simon has become renowned for his dashes through centre and skilful play around the forward line, while resting from roving. To date, Scraps has booted 86 goals for the club and is frequently among the leading possession gatherers. As a coach, Simon guided O.H. to successive premierships in 1989 and 90, enabling the club to play in A Section for the 1st time in its 30 year history. Simon puts a great deal of thought into his footy and holds strong convictions for O.H.'s future. Congrats from everyone at McKinnon and let's hope the old body is good for a few more games.

TODAY'S LETTER TO THE EDITOR

With the success of the U19s in the VicHealth Championships last Wednesday week a few letters received are published today. However, the best letter received is from one of the VAFA umpires which typifies terrific Amateur spirit.

Dear Phil,

Would like you pass on some well done work. Darren Earp and myself (Kevin Segota) umpired Old Ivanhoe and Monash Blues U19 Section 2 Stn. Both teams were well down the ladder. They were struggling to find some officials and players but managed to (just). We ended up with one boundary umpire not turning up. Knowing the clubs were struggling for officials I asked both coaches if the ball went out of bounds could a player throw it in? They said not a problem. We had no complaints from players when we asked them during the course of the match. I have umpired many matches and it was good to see the game played in good spirits. The way all Amateur games should and used to be played.

Field Umpire Kevin Segota

TALKING

FOOTBALL

edited by Phil Stevens

A superstitious Old Haileybury player once consulted a fortune-teller about prospects for the following day's vital match at Elsternwick Park – "What do you see in your crystal ball?" asked the player.
 "I see a large white van."
 "Anything else?"
 "I see a man wearing a white coat."
 "Crikey! This doesn't sound too good. Is there anything else?"

"Yes", said the teller, "I see you lying on a stretcher."
 "That does it. I'm not playing tomorrow – it's too risky", decided our courageous player.
 His team mates tried to persuade him to play, but he stayed home all day. Of course his team lost.
 Later that evening he felt safe enough to venture out to join his team mates at the pub. On his way home he was run over by an ice-cream van.

MELEES – BEWARE

A melee is "Where an incident takes place involving players, pushing, scragging, jumping into packs, throwing each other to the ground or other similar such conduct".

B SECTION by Tom Johnston

The match of the round between **O. Trinity** and **O. Paradians** was played in difficult blustery conditions. **Trinity** led all day to record a 25 pt victory. **Trinity** held a 7 pt lead at ¼ time, the game in the balance: both sides had 8 scoring shots in the 2nd qtr but **Parade** could only manage 1 goal to **Trinity** 3 to trail by 17 pts at the long break. In an even 3rd qtr with only 1 pt the difference, both sides on ball divisions were featuring. **Trinity** led by 18 pts at ¾ time. The last qtr was fairly tight, **Trinity** outscored **Parade** 5.1 to 4.1, their superior accuracy sufficient for victory. **Trinity's** best players were **Norman, Turner** and **Balazsy**; **Parade's** better players were **Wayman, Nicholas, Ellks** and **Geary**.

The 1st draw of the season was played between **Uni. Blues** and **O. Melburnians** at Melbourne Uni. with both sides kicking 15.13.103. The **Blues** led all day and at ¾ time by 27 pts. **Melburnians** had a great last qtr kicking 7.4 to 3.1 – snatching a memorable draw. **Blues** better players were **Kirsanous, Gust** and **Worsley**. **O. Melburnians** best **Webb, Bardsley** and **Stuckey**.

O. Mentonians at home are hard to beat as **Monash Blues** found when **Mentone** proved too strong by 16 pts. **O. Mentonians** had a very good first ½ in the difficult conditions holding a 30 pt lead at ½ time. The 3rd qtr **Monash** made **Mentone** look soft and they fought to get within 11 pts at ¾ time. The last qtr **Dickson** and **Scott** ensured **Mentone's** win to keep slim hopes for the finals. **Old Mentonians** best were **Dickson, Scott, Bournon** and **Solley**. **Monash Blues** best were **Alexander, Hipwell** and **Hogson**.

What can you say about the massacre at the beach oval where **O. Brighton** thrashed an injury depleted **Parkside** by 171 pts. For the 2nd time this season **Brighton** have kicked more than 30 gls against the **Red Devils**. **Parkside** was not helped by the late withdrawal of 2 players then to lose 2 stars – **Bradley** early in the game and **Leo Panjari** who was starring at ½ time. **Brighton** with **Grant** on fire kicked 7 gls in the 1st, 5 in the 2nd, 7 in the 3rd and 11 in the last. **Brighton** best were **Grant, Pryor, Hoar** and **Pollock**. For **Parkside** were **MacNamara, Leo Panjari** until hurt and **Meehan**.

Whitefriars with a place in the 4 at stake showed the injury riddled **Banyule** no mercy winning by 79 pts. With a deluge early on Saturday the ground was heavy. The 1st qtr was an even affair with both sides getting used to the conditions. **Whitefriars** led by 2 pts at the break. In the 2nd qtr the tide (literally) started to turn, the **Friars** were running the ball well out of the backline creating many forward plays and with **Pratt** back **Friars** had a focal point. **Whitefriars** accurate kicking had taken its toll on the **Bears** now leading 13.6 to 5.9. In the last qtr **Banyule** were gone, the goals came a lot easier for the **Friars** as they banged on 8 to **Banyule** 2, to be easy victors by 79 pts. **Friars** better players were **Philip, Carbone, Reidy** and **Coghlan**. **Banyule's** best

TODAY'S GAMES

Banyule are at home to competition leaders **O. Trinity** in a game the **Bears** can ill afford to lose. Earlier in the season **Banyule** won by 9 pts and have had the better of **Trinity** over previous seasons. Things have changed in the 2nd half of the season – **Bears** coach **John Simpson** would be tearing his hair out with the long list of injuries his club has – on the other hand **Trinity's** coach **Alan Johnson** is taking each match week by week and has been impressive in winning 6 on the trot. I believe **Trinity** are a genuine grand final side. They will prove me right today and rid the **Banyule** Hoodoo... **Trinity** by 39 pts.

O. Paradians in equal 4th spot meet **Uni. Blues** in another vital game. **Parade** struck a good side last week in **Old Trinity** and consequently were beaten. **University Blues** had a great match after leading **Old Melburnians** all day: the **Students** had to settle for a draw so we should have the ingredients of a great match. **Parade** are very good at home as **Brighton** and **Whitefriars** have found out. **Blues** coach **Alan Jarrott** would have been extremely disappointed by the season so far and will be trying to salvage something here. So expect a bold showing. **Parade's** home ground advantage to be the decider... **Old Paradians** by 5 pts.

O. Melburnians play host to **O. Mentonians** at the Junction Oval in a match neither side can afford to drop. Sitting in 4th spot by just 2 pts, **O. Melburnians** were held to a draw by **Blues** last week and will be hoping for the return of **Scottie Teal**. **O. Mentonians** are only 6 pts out of the 4 so coach **Bert Calvert** will have **Mentone** running in a straight line. The commitment will be there but at the Junction Oval **O. Melburnians's** pace and height and a winning centre line will give them the 4 pts but not before **Mentone** give their best shot... **O. Melburnians** by 17 pts.

Parkside travel to **Monash Uni.** with little riding on the result. Both sides will be relegated so all that can be gained from the match is team self respect. **Monash** after looking promising earlier in the season have lost their last 6 matches. **Parkside** yet to win a match for the season lost **Panjari** and **Bradley** last week due to injury and the last 4 matches cannot come quick enough for coach **Bruce Ferguson**! **Monash** are very hard to beat at home so I expect the legendary coach **Brian Ford's** side to win... **Monash Blues** by 39 pts.

Last but not least, the match at Donvale between **Whitefriars** and **O. Brighton** will be a ripper. Earlier in the season in heavy conditions at Elsternwick Park, **Brighton** had an easy 54 pt win over the **Friars** so I'm sure **Friars** coach **Geoff Reiley** has put that in the memory bank. **Old Brighton** thrashed an injury riddled **Parkside** by 171 pts last week. **Whitefriars** beat an injury riddled **Banyule** by 79 pts so who had the best victory, from all reports both sides were very impressive. The home ground advantage that **Whitefriars** have is

enormous. **O. Brighton** have lost away games to **Trinity** by 67 pts and **Parade** by 9 pts so their away record is not that bad. **Old Brighton** have a very experienced side with a good blending of youth and pace. **Whitefriars** have the youth and pace but not the experience but the **Friars** have the home ground advantage and this is a real toss of the coin, experience to tell out. . . . **Old Brighton** by 3 pts.

SELECTIONS: **Old Trinity, Old Paradians, Old Melburnians, Monash Blues, Old Brighton.**

BLACK LIST: **Banyule (late), Monash Blues, Old Brighton, University Blues** (A very poor week by normal standards).

CLUB CORRESPONDENTS: Please fax me (especially the winning sides) a report of approx. 100 words about the game. Please fax your club's best players, full names and positions by 1.00pm each Monday. Fax 489 9051. Phone 489 9511.

REVIEW – ROUND 15 (25 JULY '92)

Towners kick the sweep and sail to a landslide victory over the **Schoolers** by 68 pts. **Bullants** go merrily on their way this time with a decisive 30 pt win over a hapless **AJAX**. The **Ks**, at home at Victoria Park score easily by 41 pts over the **Saints**. **Commbank** run out convincing winners over a fired-up **Uni Blacks** by 48 pts and the **Northerners** stem the **Ivanhoe** tide with a comfortable 39 pt win.

Thomastown really cut loose against **MHSOBs** and all but stitched up their C-Section spot for 93 in doing so. The **Towners** did have an enormous amount at stake and you didn't need to be a Rhodes Scholar to realise they would come out firing. Whilst the victory was quite predictable, I for one didn't think it would be so emphatic. Both teams are quite safe and whilst the remaining 3 rounds don't hold finals aroma, I'm sure both outfits will take the issue right up to the contenders.

Bulleen-Temp. cemented their hold on 4th spot by virtue of a 30 pt win over a D-Generation bound **AJAX**. Fifteen extra scoring shots should normally equate to greater than a 5 goal win. The **Jackers** now need a miracle and one senses that the season can't end soon enough for them, on the other hand the **Bullants** can look forward to the next few weeks with enthusiasm. Not that they're gilt edged certainties to make the 4, however, destiny is in their own hands which is something their nearest rivals (**Ivanhoe**) can't lay claim to.

Kew inflicted the last rites of the season upon **St Kilda/Sth Caul.** by a healthy 41 pts, the **Ks** really do play their smallish ground very well and my only reservation about them come finals time is when and if they play on a big tack. Only time will tell. The **Saints** rightly or wrongly carry a tag about them, that being, if you stop **Ralph (Superboot) Bergman** then you stop the **Saints** in their tracks.

At Elsternwick Park, **Uni Blacks** had 'Squirrel' running for cover in the first 20 minutes when they jumped out of the boxes to lead 5 goals to 2 pts making my **Dare of the week** look a distinct possibility. The **Bankers** got their act together, albeit late, to snag a couple just on qtr time to trail by 3 majors. Seven goals to 2 in the 2nd standza switched the game around by ½ time and after the long interval the **Bankers** continued on with the job to stretch the lead out to a final winning margin of 48 pts. **Commbank** back on the winning way and the **Blacks** must simply win 2 of the remaining 3, hope and pray for luck otherwise Te Ta!

Fawkner certainly didn't do any favours for **Ivanhoe**. The **Hoes** were certainly on the boil and looming as big threats. Not that they're out of it, far from it, however, all is not in their own hands from here on in. A little luck must also go their way if they're to sneak in. The **Northerners** are taking all before them at present and are now regarded as the 'yardstick' of the competition.

PREVIEW – ROUND 16 (01 AUGUST '92)

Ivanhoe vs Commbank – The **Hoes** just can't drop this one otherwise it's curtains for 92. The **Bankers** are sweet in the 4 but a loss wouldn't do the confidence level much good. A real good game is on the cards here

with plenty of individual match-up and tags put on from both teams. At home and with so much at stake, I'm leaning towards an **Ivanhoe** win by 14 pts.

Uni Blacks vs AJAX – Celler dwellers to do battle, however, on recent form I think the **Blacks** can and will make short work of the **Jackers**. The **students** really do have a number of talented players capable on their day of winning games virtually off their own boots. Good tails, good runners and generally too good for **AJAX** who are simply relying on too few to do too much. **Blacks** too keep their slim survival chances alive by winning comfortably by 48 pts.

Bulleen-Temp vs Kew – A lot at stake in this contest. For the **Bullants**, the chance to just about ensure their finals participation. For **Kew** the opportunity to wrap-up a 1, 2 finish for the year. Both sides will have studied each other long and hard as probable finals contenders, so there will be some terrific one on one battles. A lot will hinge on centre square clearances and whilst **Kew** have the height advantage in the ruck division I really do like the way the **Bullants** clear the square. I'll tip the **Bullants** in a close one by 11 pts.

St Kilda/Sth Caul. vs MHSOB – Pride on the line and something to salvage out of a pretty ordinary year for both clubs. On paper it looks to be a fairly even contest with both line-ups boasting good forwards and mid-fielders. The **Saints** possibly a little taller, the **Schoolers** a bit classier. In a game I'm sure will go to the wire I favour the **Saints** who's recent form has been fairly consistent. With reservation, **Saints** by 14 pts.

Fawkner vs Thomastown – Both last round winners, one at the top end, one toward the bottom. **Fawkner** should win what will be an interesting encounter against **Thomastown** who will certainly be buoyed by last week's great win. The individual stars of **Fawkner** just seem to be too many in number for the **Towners** to close down. The **Northerners** will be all out to 'fine-tune' their game whilst **Thomastown** would dearly love to knock-off a tall poppy. Today won't be the day, and I'm suggesting a **Fawkner** win by 49 pts.

Frostkickers – (Round 15) Easy win by the **students** over the **Bankers**, **Bullants** stung the **Jackers**, **Saints** scored a healthy victory over the **Ks**, **Towners** kicked themselves out of it and let the **schoolers** escape narrowly and the **Northerners** took the 4 pts against a gallant **Ivanhoe**.

This week – (Round 16) The **Hoes** a chance to register their 2nd win of the season over a struggling **Commbank** by 2 twins. **Uni Blacks** to decimate the **Jackers** by a margin of some 10 twins. **Bullants** to continue on their winning way, this time at the expense of the **Ks** by 36 pts, the **Saints** to further expose the **Schoolers** weaknesses, this time by 11 pts and in the last game the **Northerners** to take the points against a much improved **Towners** lot by 27 pts.

This week's 'Melways' Award – To **Commbank** reserves megastar player, namely **Lancie Lovechild** for not only turning up to, but stripping to play at Elsternwick Hockey field rather than VAFA (E'wick) Park. Them those **Premium Bitters** do take their toll on a Friday night.

250 GAMES TO MARK HOWARD

All at St Kilda/Sth Caul. congratulate **Mark Howard** on reaching the **250 game** milestone. 'The Cheat' has only 2 loves – this footy club & Richmond. This hard-drinking, hard-living, rough'n'ready sex legend debuted in 1978 & never having been at training on time, remains one of the fittest blokes at the club, renowned for his ability to 'put-in' over the full 100 minutes. He has served the club with distinction both on & off the field, having been Vice-President, Committeeman & Reserves captain amongst other things. A mild mannered solicitor by day, 'Cheat' is a fine example to any young player with his fearless approach to the game & never say die attitude. The entire club hopes that Cheat strives now to join the illustrious '300 club' – he would be a most worthy member!

150 GAMES AT FAWKNER

Today (1/8) **Dave Terry** plays his **150th game** at Fawkner. The man they call 'Magilla' has made it after 11 seasons, many frustrated by injury. Perhaps the worst coming on a cold day in May 1981, when running on centre wing at Mullen Reserve, Dave collapsed holding his ankle and in obvious pain. His achilles tendon had just snapped in half. He eventually recovered from this serious injury only to be annoyed with a few hammy problems over the years but has remained one of Fawkner's very skilled players even though his is approaching his twilight years. A past committeeman and loyal clubman Dave would love to finish with a Premiership this season. The Fawkner Amateurs congratulate Dave on reaching 150 games.

LAST WEEK'S REVIEW

Finals contender **St Kevins** found the fear of 'Getta' Brain summarising your weekend exploits was enough to snap the **Rovers** into gear at Bluff Road. With intense pressure the **Rovers** held the **SKOBs** to just 3 majors at ½ time whilst bagging 10 themselves. Playing catch up footy is difficult and despite a 7 goal burst to get within 4 pts in the final term the **Rovers** steadied and enjoyed a deserved win. The **Melnjak Bros.** – **Rob** and **Ed** controlled the centre for the **Rovers** whilst **Ross Hetherington** and **Jamie Ross** combined well in the ruck. 'Rowdy Rowston' was impressed with **Jamie Ross**, **Stephen Anderson**, **Mark Young** and **Darren McConville** for the home side. The **SKOBs** who must win at least 2 of their 3 (and hope on other results) to make the play offs had contributors in **Paul McNee**, **Rob Gross** and **Pat Hagarty** – (thanks **Cougar**!)

In Arctic like conditions **St Bedes** held sway in the by 9 pts over **O. Geelong**. The **Oggers** accurate kicking kept them in the game after ½ time but found the 'Bridge Hotel' clientele (and staff!) were desperate to stay in the finals hunt. Trailing by 3 gls ½ way through the last qtr the **OGs** tried hard but couldn't peg the home sides lead. 'Guru' **Tom Rowan** was pleased with **Noel 'Hitchhiker' Fitzgibbons** for the **Bedas** along with **Grant 'Wizard' McLachlan** and **Sol 'Tango' Algeri**.

Preston regained a position in the 4 with a win at home over **Old Camberwell** in a lacklustre affair. The **Bros.** were always in control leading by 2-5 goals throughout the day. **Preston** were pleased with their overall team performance with special mentions for 'New Father' **Andy Bryson** in the ruck and **Mick Noble** with 6 goals from C.H.F. The **Wellers** now a game behind **Hampton** and level with **Williamstown** face the daunting proposition of **Mazenod** at Mulgrave this week – where they haven't been beaten this year, in what could be their last hurrah, to stay in D-Section.

The upset of the round – which the **Phantom** tipped again – was **Williamstown's** win over **Caulfield Grammar**. Only the fearless **Phantom** would tip the bottom team to knock off the top side and his instinct was indeed correct – 13 goals correct! Judging by the absence of my reporters the **Phantom** assumes the **Fishermen** are still celebrating and the **Fields** still in shock.

The now travellers **Mazenod** failed by 40 pts to the ladder climbing **Old Invanhoe**. A close game for 3 qtrs the **Hoes** let loose with an 8 goal bombardment in the final term. For the winners **Glen Alexander** in defence **George Farlacas** and **Mark 'Cat' Dyson** in the centre were among their best along with **Marty Stewart** and **Matty Clarkson** up forward. The Happy **Hoes** celebrated their success hard with a Mexican feast but are unlikely to gain any sponsorship from their chosen hosts!

TODAY'S GAMES

Last week's results saw more ladder shifts than a Kirner government cabinet and still we are no closer to knowing who will have plenty of time for pre-season cricket practice. With 3 games to go D-Section must

and if not featured soon in the 'electronic press' the **Phantom** will go directly to Hinch and expose all!

Top of Rap Charts **Caulfield Gramm.** go head to head with the 'Rock&Roll' **St Bedes** in the match of the day at Albert Park. The Rap Dancers didn't take off in the west last week and will need to improve to keep their No. 1 billing. The **Bedas** with the Mellencamp influence have the chance to go gold – if they can put 2 good shows in a row together!

Heavy metal band **Hampton Rovers** meet the Philharmonic **Preston Orchestra** down south with the winner likely to receive the coveted 'recording contract' and the loser spending more time in the 'practice studio'. Traditional rivals from their 1988 'Sunbury Festival Final' both bands will provide an exhibition of high standard with concentration required to come off stage winners.

Old Geelong with their 'Country&Western' influence are joined by the 'Alternate' **O. Invanhoe** at Como Park to decide which will stay in the hunt for the 'Series' Finals. With **John Manton** at home amongst the 'flora & fauna' the **Oggers** just might rise to the occasion but to knock off the rising stars will need something special. The **Invanhoe** 'REMS' are climbing through the ruck with 1 hit after another and shouldn't put out a bad one now.

St Kevins Jazz took a long time to get warm last week and left the run too late whilst the **Williamstown** 'Punk Rockers' blew their guest away. The **Townners** are fighting hard to survive in their new surroundings and need to pull some ratings 'Away from Home' whilst the **SKOBs** need to warm up thoroughly before going on stage. Another show with a lot at stake will feature innovation, desperation and perspiration and plenty of elation for some at the final curtain call.

'New Kids on the Block' **Mazenod** with an immense Eastern Suburbs following could well be playing the last rites to the Operatic **Old Camberwell**. At a venue not suitable to the 'tenors' it could well turn into a production of 'Les Miserables' with former 'E Street' stars **Mazenod** pushing for play off rites in September 'Battle of the Bands'.

SELECTIONS: St Bede's, Hampton Rovers, Old Invanhoe, Williamstown CYMS, Mazenod.

THE EARLYBIRD REPORT 'By Hero & Devil' – **Caulfield** home by 19 runs from **Willy** before the Doctor blew in. The **Hoes** repaired their broken rudder to sneak in 18 seconds over the **Noddies** and regain the lead. **Bros.' Marist** consolidated a spot by 8 handles over the **Wellers**, the **Bedas** rattled home on the last train by 3 stations from the **Oggers** and the **Rovers** got off their 'duck' by 2 good cover drives from the **SKOBs**.

This week 'Devil' thinks the **Bedas** Bark too much for **Fields**. **Townners** to outflank **SKOBs**, **Hoes** to laugh all the way home from Como whilst 'Hero' predicts the **Noddies** will win in a canter from the **Wellers** and the **Bros.** to outjump the **Rovers** at the last fence.

My spies at Telecom will bill **Mazenod**, **Williamstown**, **Old Geelong** and **Old Camberwell** extra calls if they don't ring in next week. Monday morning Ph: 542 1901 Fax: 542 1225.

PETER LATZER BREAKS BRIGHTON RECORD

Pete Latzer this week (1/8) achieves an ambition that caps off a remarkable, Amateur career, when he eclipses the Old Brighton record of **340 games** held by his good friend and former team-mate, Owen Millis. In a career spanning 3 decades, Peter has been an integral part of the club, cornerstone of its good humour and friendship. Has anyone else ever worn No. 29? Has anyone failed to be on the end of one of the 'Tsars' good natured one-liners? And don't forget the victims of his hospital short passes! Peter has many memorable achievements, a duel B&F with the Ressies, VAFA C Reserve leading goalkicker in 1978, premiership player – 'and what about that day at Carey when I kicked 6 out of 6 – the sides' whole score! Despite his penchant for quoting these personal milestones, no-one can doubt the service Peter has given to our club. Indeed, how many footballers have been willing to kick the dew off the grass more than 300 times! The astonishing thing is there are no signs of him wearing out, or losing enthusiasm for the game, or the camaraderie of his mates. The way the boys are playing, he may even be able to announce he's a triple prem. player... sensational Peter! Congrats, and let's hope no-one over 6ft3 walks in for a while yet! There has certainly never been a more likeable bloke in the red and blue... Pete... you might even be a living legend!

100 GAMES FOR OLD PARADIAN

Paul Walsh played his **100th game** for O.P.s last Saturday (25/7) against Old Trinity Reserves. Paul has been with O.P.s for 5 years and played in the 91 Reserve Premiership side. The committee & members wish Paul all the best for the rest of the season and hope to see him reach his next 100 games with Old Paradians.

OSSIE'S 50th AS COACH AT OMFC

All at Old Mentonians congratulate reserves coach **Mark Osborn** who last Saturday (25/7) coached his **50th game** for the club. Ossie, who is soon to leave the club for a new business venture, follows his 200 game milestone last year with this fine effort.

E STREET by Tom Brain

What a round of upsets and unfortunately this tipster was only good enough to tip 1 of them. With 3 rounds to go the race for the vital 4th position is still wide open and we're still not sure who else will return to F-Troop.

REVIEW

ANZ gave **Doveton** a run for their money and were competitive all day but in the end were just not consistent enough to defeat the ladder leader. **Doveton** had a few injury worries and were not really on the top of their form, but as all good sides should, they won the game. **John Reiger**, **Fudge** and **Andrew Murphy** were excellent **Doves** and for the **Zedders** it was the regulars **Azzopardi**, **Lasslett**, **Nicolosi**, **Taylor** and **Boyle** who contributed all day and **Mumbles** got a bit of the ball.

Latrobe certainly gave **Brunswick** a run for their money and after a scoreless 1st qtr the **Trobs** took the game right up to the **Red&Whites** in the next 2 and got within 5 pts early in the final stanza. When it got this close **Wicks** lifted their workrate up a notch and eventually with **Jacko** and **Crossy** kicking a couple of goals each from strong marks the **Brunswick** side were able to seal victory and with the **Hunter's** surprise loss grab vital 2nd spot. **Kevin Watterson** held sway across the centre all day, **Jacko Sayers** was dominant at both ends of the ground and **Dasha Stevens** as usual was dashing in and out the packs. For **Latrobe**, who have got close on many occasions, but struggle to play out all 4 qtrs, **Bakogiannis**, **Lischke** and **Morrice** kept them in the game all day.

What a vital game at Ross Gregory for both sides. **Elsternwick** started well against the breeze kicked the 1st 2 goals but **Powerhouse** came back very strongly and led by 15 pts at the short break. The 2nd qtr saw the **Wicks** hit back well to lead by 8 pts at the long interval. **Elsternwick** then desperately produced their best qtr of footy for the season against the breeze, played good disciplined football and at the orange break the scores were level. In the last term it was obvious the **Wicks** wanted to win more, they kicked the early goals to take a deserved victory over a disappointing **Powerhouse** side who did not have enough players prepared to work hard enough and have a lot of work to do before threatening the finals. The **Spiderman** was a great leader picking up some 45 possessions. **Peter 'Market Man' Southall** roved well and kicked 4 gls while **Ray Bravington** was an inspiration dominating the ruck and picking up plenty of possessions around the ground. The **House** were happy to have Fred Stafford back after injury, **Franki Doyle** continues to play well and **Alan James** was one of the few hard workers.

As predicted **Aquinas** turned the tables on what appeared to be an undermanned **Nth Brunswick**. The **Bloods** started well and had a slight lead early. A 7 goal lead by the home side in the 2nd term seemed to sap

North's confidence to set it up for **Aquinas**. The 2nd half was very even as **North** fought the game out, but admit to being outplayed. For the **Bloods** a good win and finals now a possibility. **Kenny**, **Tarulli** and **Livingstone** were all good players for the home side, as Midge, Barry Thorpe and **Keith Hehir** never gave in for the **Northies**.

At the racecourse **Bulleen** started like a team possessed, they played very vigorously with the ball their object and had a good lead at ¼ time. In the 2nd stanza against the wind and against the odds with only 18 fit men left, following a couple of injuries, it rained goals and they increased their lead. The 3rd term was all the **Hunters** as they hit back hard and seemed to catch the **Bulls** flatfooted to narrow the gap to only 1 twin. In the last term the **Bulls** looked tired and its desperate football left no place for the faint hearted, **Bulleen** with no interchange for ½ a game. In a great team effort where every player contributed, **Dolinko**, **Portbury** and **Dick Morley** were outstanding. No news from an obviously very disappointed **Glenhuntly**. After all this time the scribe forgot the phone number.

PREVIEW

What surprises are in store for us this week. There are many possibilities, **ANZ** still can make the top 4 but can also be relegated. **Bulls** and **Wicks** can both survive and **Bloods** loom as a big danger to sneak 4th.

One thing is certain **Doveton** will beat **Latrobe**, the rest of them could go either way creating all forms of nightmares.

Bulleen appear to be on a roll, **ANZ** are struggling for consistency. At **Bulleen** where **ANZ** have not played for a long time, I think the **Bulls** will just win.

I'll tip another upset here and go for the fit, controlled **Elsternwick** to beat a **Nth Brunswick** side still not at full strength.

Brunswick and **Aquinas** is another interesting tussle, the **Bloods** won the 1st time. Both sides have a lot at stake in this game. The **Wicks** to keep 2nd, the **Bloods** to keep their finals chances alive. **Brunswick's** record at their home ground is too good for me to tip against them.

Another important game at **Glenhuntly**, a must win for both sides, both unimpressive last week, both cannot afford to drop this one. I saw **Powerhouse** and was a little disappointed; as long as **Raffers** recovers **Glenhuntly** to win.

SELECTIONS: **Doveton**, **Bulleen**, **Elsternwick**, **Brunswick**, **Glenhuntly**

REVIEW

St Leo's overcame a determined **W. Brunswick** to win by 36 pts. Are the **Box Hill** boys due for a loss?

St Andrew's who were thumped by **St John's** to the tune of 55 pts have gone from bad to worse over the last few weeks whereas **St John's** have improved heaps.

St Mary's got home in a close game against **Uni Reds** by 10 pts.

Salesians kept up their good form of late with a convincing 32 pt win over **UHSOB**.

Match of the day was at **Bulleen** where **Old Carey** had too many guns for **Peninsula** to win easily by 44 pts.

Old Essendon after a pathetic 1st half, excelled with a 19 goal to 2 second half to win by 134 pts over a hopeless **Boronia Park**.

Richmond Central cruised to an effortless 63 pt win over a disappointing **FIT**.

Chirnside Park made it 2 in a row with great 6 pt win over **St Pat's**.

PREVIEW

West Brunswick travel to **Boronia** but at home I feel the **Parkers** will win by 2 goals.

St John's and **Chirnside Park** will be another close game and at home it's hard to go past **St John's** who are playing good football at the moment. **St John's** by 6 goals.

Old Essendon, after being a witness to their great win last week, will be too strong for **FIT** and should win by 15 goals.

Uni Reds at home should be too classy for traditional rivals **UHSOB** and will win by 3 goals.

St Andrew's and **Richmond Central** should be an entertaining game but at home it's hard to go past the **Coburg** mob. **St Andrew's** by 4 goals.

St Leo's and **Old Carey** should be a great game and I have a gut feeling that **Old Carey** are going to win this one. **Old Carey** by 6 points.

St Mary's at home will pack too many guns for **Peninsula**. **St Mary's** by 6 goals.

Salesians should keep up their good work of late and dispose of **St Pat's** by 5 goals.

PERSONALITY PARS – F

TAYLOR CREATES CLUB RECORD

All at St Andrew's Coburg congratulate **Neville Taylor** who broke the club record for games played last Saturday (25/7) against St John's. Neville, a club life member, former reserves B&F and senior century goal kicker, made his **284th** appearance consisting of 129 junior and 155 open age matches. There is no doubt that Neville will continue to increase his total and will break the 300 game barrier in the next couple of seasons. Well done Neville!

SAINT REACHES 250 GAMES

All at St Andrew's Coburg congratulate **Chris Leopold** who completes **250** appearances for the club against Richmond Central this Saturday (1/8). Chris always a reliable defender has slowed down over the years but still is able to use his ability to read the play and position himself in a good defensive position on most occasions to resist opposition attacks. Chris has become the 5th St A's player to reach this great milestone, well done Chris!

200 SHANE CONDIE – CHIRNSIDE PARK

Today (1/8) marks the **200th game** for **Shane**. He is the 1st player at the club to reach that milestone. He was an inaugural member of our 1st U19 team and also of our 1st Section F team. Shane's spirited and inspirational play for his beloved Panthers ensures that he will be the trendsetter for many years to come. Well done Shane!

150 GAMES CLUB

Old Essendon this week (1/8) welcomes players **Ian (Risty) Stevens, Ross Allan, Marty Egan** to the **150 games club**, also congrats to **Steven Gowty** playing his **50th game**. Congrats to all 4 & enjoy your game.

100 GAMES 'SPLATTER'

The University Reds would like to heartily congratulate their new Pres., **Andrew 'Splatter' White** on his **100th game** played 18/7/92. Splatter has been an inspirational player for all Reds since 1984 and was capt. of the Reds' finals side in 1989. A popular man around the club, Splatter has been an untiring contributor to the Reds operations. We wish him well for many more hard games on the HBF, barring injury to his plastic hip.

50 AT OLD CAREY

Peter Nance today (1/8) plays his **50th game**. Our own 'Bart Simpson' joined in 1990, is always on the training track and at social turns. Peter loves to stand up to his opponents even though he comes up to their knees on some of them and will always be at the bottom of packs. Well done Peter and may there be another 50.

One of the world's great brewers.

The ultimate 1st round results netted me an 83% dividend as I selected two clearly losing sides in G South.

G NORTH

Kew achieved the unusual as they prevented **Williamstown** scoring whilst scoring 56 times themselves. At the final siren **Kew** led by 226 points. **Eltham** had the better of **O. W'bourne** and won their match by 22 points. **Bulleen-Temp.** kept their unblemished record intact when aided by accurate kicking the 'Bullants' defeated **O. Scotch** by 54 points. **St Bernard's** had a 10 goal cushion over traditional rivals **North Old Boys** when their game ended. **St Bernard's** forwards through accurate kicking insured the breadth of the margin. **Banyule** justified my faith in them as they defeated **Therry** by 8 points. In another close encounter, inaccuracy by **Camberwell** contributed to their 8 point loss to **Marcellin** who thus maintained 4th place.

G SOUTH

Bloods did all they could to insure a final's berth with a gargantuan 233 point victory over **OGs** who recorded only 4 minor scores. However, simultaneous events at **Mulgrave** meant **Blood's** efforts were all in vain. Accurate kicking boosted **St Kev's** margin over **G'huntly** to 54 points. In a one sided game **O. Melbs** finished with a 94 point win over **St Kilda/Sth Caul.** who troubled the scorers only once. In the closest match of the round, where equal scoring shots were recorded, **Monash Gryphs** through marginally greater accuracy defeated **Collegians** by 5 points. Reigning premiers **De La Salle** insured their final's position by defeating **O. Hailey**, by 31 points. Once again **O. Xaverians** have stumbled at the business end of the season. Their off field aberration was multiplied by their misery at **Mulgrave** where **Mazenod** recorded a convincing victory over the 'Crocodiles' by 39 points. Sixteen scoring shots to 7 really tells the story of the match, much to the **Xav's** disgust. While all these events occurred **Monash Whites** were enjoying their **BYE**.

PREVIEW OF SEMI FINALS ROUND

G NORTH – to be played at B'wick, Sunday Aug. 2.
First Semi Final: Eltham vs Marcellin

When these sides met in Round 8 **Eltham** won by the minimum margin thanks to great play by **David Thorsen** (4 goals), **Tim Stickland** (3 goals) and the **Tucker Brothers**. Since that day **Stickland** has had his goalkicking hampered by injury whilst for **Marcellin**, **Treganowan** has improved his goal tally to head the Division. **O'Callaghan** who did well for the 'Eagles' in Round 8 will need close checking today as will the consistent **T.G. Slattery** and **Captain Bernie Crimmins**. **Eltham** who have been hit by injuries will rely on talented ruckman **Sinclair** to feed his running players such as the **Tucker** trio and **Thorsen**. Providing **Fitham** are at full strength a good game should ensure.

However, in the final analysis I favour **Marcellin** to win through their depth of experience and greater physical fitness to win by 10 points.

Second Semi Final: Bulleen Temp. vs St Bernards

When these sides met in Round 8 the game was evenly contested with **Bulleen-Templestowe's** greater accuracy proving the winning factor. That day **St Bernards** could find only 4 good players so if 6 do well today they should be right in the game. For the 'Bullants' to win they must curtail the consistently good play of **Vinnecombe**, **Doolan** and the **Klaaysen Brothers**. Conversely **St Bernards** must negate the consistently good play of **Critchley**, **Parris** and **P. Kile** who often causes defenders problems with his goal tally. I know co-coach veteran 'Bullant' **Paul Ryan** is a talented player who will use his guile and experience to the maximum today and so I select the 'Bullants' to win narrowly after a high standard match – **Bulleen-Templestowe** by 7 points.

G SOUTH – to be played at Ross Gregory Oval, Saturday, August 1.

First Semi Final: Mazenod vs De La Salle

Last year **Mazenod** were the only side to stop **De La Salle** on their inexorable march to the pennant while in Round 9 this season **De La Salle** won by 11 points. As the **Malvern** side is not the most reliable at submitting match results little can be gained from pursuing that angle except to say **Losinno** has proven a reliable forward. **Mazenod** have been well served by reliable players in **Walsh**, **Wilson** and **Sharp** who along with **Tetley** knows how to kick goals. **Mazenod** appear to be in top form as instanced by their unexpectedly big victory over **Old Xavs** last week while I suspect **De La Salle** have had to fight valiantly to qualify for today's final. Therefore I select **Mazenod** to win by 20 points.

2nd Semi Final: Monash Whites vs Old Xaverians

Monash Whites, true to **Secretary Ross Trevarton's** promise, have had a very successful season following its hard recruiting work over last summer. **Old Xaverians** have staggered of late due to poor on and off field performances. When the sides met in Round 3 (ANZAC Day) **Old Xaverians** won by 23 points thanks to a 7 goal contribution by **M. Dalton** who convincingly heads the divisional goal kickers. His opposition number **Sinn** has done well for **Monash** as have running players **David Gemmola**, and **John Murray**. Fast movement of the ball has proven a **Monash** strength as has the experience of **Kenny** and **Graham**. The 'Crocodiles' who have been well served by **James Cummins**, **Callopy** and **Fennessy** will make **Monash** play the game out. However, I suspect that through greater experience and better form **Monash Whites** will win the match by 5 points.

VICHEALTH U19 CHAMPIONSHIPS

Whilst our success in these championships is acknowledged in other pages, it would be remiss of me to not record my thanks and congratulations to all those involved in achieving one of the VAFA's greatest ever representative victories at any level of competition. To **Simmo** and the lucky 25, a job well done! To the support staff — thanks once again for your tremendous input! To the many players who tried out but didn't make it — your involvement is appreciated as it was one of the essential steps in our successful campaign. To all once again — a fantastic achievement!

REVIEW OF LAST WEEK'S MATCHES

DIVISION 1

Marcellin kept **Scott's** 'dream' alive with an easy win over **Collegians** with **Craig Bernie** just missing the half ton by kicking only eleven. Winger **Matt Russell** and big **Michael Frigo** were **Eagles'** other best performers. **O.M.'s** were untroubled to beat **Mentone** for the 5th time in a year with skipper **Danny Kogler** showing a return to his best form. **Cornell** again led their goalkickers with 4 whilst **Tubs** thought **Richardson** and **Parker** were his best. **Noddors** moved to 2nd with a comfortable win over **Bernies**. **Harrison** was again their major scorer with 4 and their best were **Fisher**, **Goudie**, **Baxter** and **P. McCusker**. **Monds** showed little fight against **Xavs** whose easy win was highlighted by **Tucker's** 13 majors whilst **Black** chipped in with 5. **Xavs** best were **Gill**, **Stones** and **Egan**.

DIVISION 2 CENTRAL

Therry got a walkover from **Kew** which means that with today's bye they will go 4 weeks without a game — not a desirable finals lead up. Thanks to **Mathew Thomas** I can report that **OTs** got into gear after 10 mins. of the last ¼ and booted 9 goals to run away from the **Blacks**. **Sutherland** got 8 whilst their best were **Beet**, **Best** and **Gutteridge**. **Hagar** also threw in 'Rambo' in the ruck and full back **de Stefanis** as good performers for the winners and 'Sam' the ruckman and the 'HBF' with fair hair as best for the losers. **Wells** continued on their winning way despite keen opposition from the **Carey** boys who found the 'slab' too much of a burden. Coach's son and heir **Ben** got 3 for **Wells** whilst **Sam Horskins** and **Chris Town** were their best. **Carey's** best were **Glendemann**, **Dunn** and **Campbell**.

DIVISION 2 SOUTH

With all due respect to **De La**, they certainly achieved the upset of the year with their win over **Bedas**. Well done **Ds** it's good to see you rewarded for your persistence in bouncing back from your previous losses. Unfortunately, nobody gave me any info RE your great win. **Rovers** scored a walkover from the **Oaks** and **Melb High** got home more easily than expected from

the **Fields**. **Peter Fountas** moved to 2nd on the goalkickers list with 6 for **High** whilst **Ian Gillespie** and **Paul Barge** were **Steve's** best in an even lineup. **Tonnors** put an end to **Scotchies** finals hopes with a team effort that pleased the coach no end with **Sam Swannell** back in the goals with 4. I saw the last ½ of the 'battle' for top spot between **Jackers** and **Parkers** and must say that it was a very disappointing spectacle. **Jackers** were rewarded for their persistence in concentrating on the ball, despite an 'average' effort by the 'whistle blowers' and ran out easy winners. **Josh Hoppe** kicked 6 but thrilled the crowd more with his 'Jacko' impersonation. Other good efforts for **Jackers** came from 'Sluggie' **Slade**, **Brendan Chizik** and **Jeremy Klooger**.

PREVIEW OF TODAY'S GAMES

DIVISION 1

Can't see too many close ones today so I'll be brief. **Marcellin** should be untroubled against **Gillas Gorillas** whilst **Noddors** will be too even for the **Monds**. **OM's** will recover from the Friday discos better than **Bernies** for their early start at the Junction, whilst at the other end of the lake the **Lions** should be too good for **Mentone**. **Xavs** have now won 13 on the trot and that won't be their unlucky number today because I reckon they'll beat **De La** by at least 13 points.
SELECTIONS: **O. Xavs**, **Marcellin**, **Collegians**, **O. Melb.**, **Mazenod**.

DIVISION 2 CENTRAL

Kew are at home to **Trinity** and even if they get 18 on the field won't be able to match it with **Frog's** boys. **Carey** should be able to keep their faint hopes of a finals berth alive at **Black's** expense whilst **Hoes** will be too good for the **Bullants**. **Camberwell** won't want to take it easy against the **Friars** who are finishing the season off pretty well. **Wells** should still win. The tough selection is the one between **Parade** and the **Blues**. A loss to **Blues** says goodbye to the double chance and puts them in the dogfight for a finals berth. A loss to **Parade** sees them slip a game off the pace. I think **Blues** are regrouping after the holidays and at nearly full strength should just edge out **Parade**.

SELECTIONS: **O. Trinity**, **O. Carey**, **Ivanhoe**, **O. C'well**, **Uni. Blues**

DIVISION 2 SOUTH

Whilst I can't regard **De La's** win last week as a fluke, I feel that **Field's** recent form has been more consistent and, at home, I think they can sneak home. **Bedas** will be winners again at **Oakleigh's** expense while **Tonnors** will put an end to the **Rovers** chances of a finals spot. **Melb. High** will be far too good for **Old Hoes**. **Parkers** form last week was very ordinary whilst **Scotchies** have played some of the best footy I've seen this year. A loss to **Parkers** will see them in an unexpected battle for a

spot in the 4 and I think this and the travel fatigue that **Scotchies** will get will be enough for the home boys to sneak in. **Ashers** probably don't have any chance of making the finals but, because I have seen them display better form than I have seen from the **Jackers**, I think they can make a really good go of it today against the leaders, however, **Jackers'** winning form is too good to go against.

SELECTIONS: C'Field Gramm', St Bedes, Chirn. Pk, O. Brighton, MHSOB, AJAX.

Winning clubs phone best players and major goalkickers to me on 568 4727 (Sun.) or fax on Mondays to 646 0872

SLAB CHALLENGE

Almost gave it to **Ds** against **Xavvers** but I did promise to give **Ashers** a chance and I think it might be just what they need to roll the **Jackers**. Good luck **Ashers!**

MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.

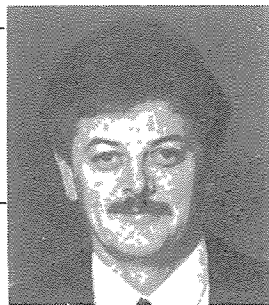

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches** and **club officials**.

NB: Eleven Old Carey U19 players have just received their \$20 rebate.
Do you have any U19 players who qualify?

COACHES CLIPBOARD

Mike McArthur-Allen

THE ODD COUPLE

by **John Simpson – Senior Coach Banyule Amateur Football Club**

Season 1992 has indeed been an interesting one for me as a football coach if for no other reason than where I have worked. For the last 19 years I have been confined to the environs of schools in the Northern Suburbs where on the rare occasion I have worked with few who have shared an interest in football in general (let alone an interest in Amateur football). These rare individuals were all players who held common interests. So it was with interest that I ventured into Private Industry Project and began working with the RACV at their Noble Park headquarters. My first port of call was the Personnel department where I first met well known and long serving VAFA umpire Steve McCarthy. In the past 6 months a strong friendship has developed. At first the foundation for our friendship was a common interest in and respect for our different roles. At first hand we have shared our highs and lows, ideas and opinions and routines involved in relation to our individual jobs. No doubt Steve now has a better understanding of just what is involved in getting a football team organised for each game. Similarly, I have a far better idea of just what is involved in umpiring. The key issue for us both has been communication and here lies the key point to improving coach/umpire relations – simply communicate.

Simple as it may seem it is often difficult for people to take the initiative to get things started and I for one can certainly improve in this area. However, it's worth a try. What is important to recognize is that both parties have vital jobs to do and certainly Amateur football can only benefit from a more open flow of opinions.

On Saturdays try to make the effort – seek out each other well before the game's preparations and enjoy some light hearted banter to break the ice. Coaches should take the opportunity to invite the umpires back to the after match there and then. Such an invitation at such an early stage can only set up more effective communications throughout the day. Prior to your meeting find out who the umpires/coaches are. Small talk could focus on how each party has been going or relate to a specific rule either party wants to query or discuss.

Umpires should try and ascertain as much about each club as possible eg key players, captain, ladder position etc. A clean umpires room with a bin should be provided (in white) as too should a valuables bag. The team manager of the home team should introduce club officials to the umpires.

Often umpires enter the rooms prior the game and approach the introductions in a rather formal and serious way.

Umpires should try and break the ice and enter the room relaxed, with a smile prepared to share some light hearted banter with the players deliberately avoiding an autocratic style or approach. Coaches should do the same and encourage their players to be at least friendly!

During the game negative comments from the bench should be non-existent (I'm trying hard!) Umpires will make mistakes but so too will players. Some coaches will be infuriated by an umpires error yet tolerate constant undisciplined or skill errors from their own players.

Umpires should try to use players names and nicknames as much as possible constantly communicating the reasons for decisions, rewarding good play or great efforts with a 'well done' and constantly reminding players to 'make the ball the object'. Again if umpires can inflict some humour into a game the players will respond.

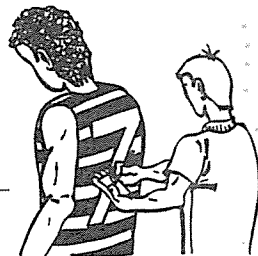

During the game if umpires need to remind coaches of the time the break from the quarter huddles etc a nickname and gentle reminder is far better than 'Time coach' – or a whistle blast.

After a match coaches should at least buy the umpires a drink back at the after match. Often home clubs make a point of welcoming umpires back and including them in the post match – eg to draw the raffle, some (not too heavy) post match discussion re the game – with umpires can only be of benefit to improving relations as well. In summary the key message of this article is simple – get talking. In many ways it took this fateful experience away from teaching and a chance meeting with Steve to give me an insight into umpiring. I hope that all coaches and umpires might respond to our experience and communicate far more effectively to bridge the gap.

Regards
John Simpson

While I have this forum it would be remiss of me not to recognise the magnificent effort of the players who represented the association in the recently held VicHealth under 19 championships. Without their incredible discipline, self motivation, determination and positive attitude little would have been achieved. Similarly the magnificent support of the 20 members of my back up team is recognised too. My sincere thanks to all. To Max Lyon special thanks for the trust and support.

MARKETING NEWS by Mike McArthur-Allen

WORMALD SECURITY

"We are enjoying our first year of sponsorship with the VAFA" says State Manager, Protective Services, Ken Corbett. He goes on to say "Both my colleague, Electronic Security Manager Peter Ashton and I were attracted to the concept from our first meeting with Phil Stevens and Mike McArthur Allen. We were pleased to be able to avoid the glitziness of our previous football sponsorship involvements. In the VAFA we saw an organization that whilst being stable and conservative is also progressive and entrepreneurial which is how we like to see ourselves at Wormald Security".

Historically, Wormald Security's beginnings can be traced back to 1933 when Electric Signals Pty Ltd as the Company was originally known in Sydney, pioneered the installation and monitoring of burglar alarms on a 24 hour a day basis.

The Australasian fire protection company, Wormald Brothers Industries Limited together with Chubb acquired the whole capital of Electric Signals Holdings Limited in 1960.

Wormald purchased the Chubb interest in Electric Signals in 1969 which made it a wholly owned Wormald subsidiary. However, it was still strictly an alarm company and the Wormald philosophy was that it should provide a total security service for its clients.

With this philosophy in mind, Wormald began a huge acquisition program which commenced with the purchase of the Australian Watching Company in 1970, which at the time was the largest guard and patrol company in Australia.

Other major acquisitions were made and Wormald Security with its policy of positive marketing, quality service and continued growth soon became the largest security company in Australia with central station and manpower services operating in every state.

Wormald Security's manpower force of guards and mobile patrol officers numbers in excess of 3,500 professionally trained personnel . . . and this, together with the Company's total security umbrella of both products and services makes it the most comprehensive company of its type in Australia.

However, it is not Wormald's size that sees it lead the field, it is in fact, the dedication to training, supervision and management of well selected personnel thus ensuring a quality of service to our clients second to none.

Racal purchased Wormald Security, the Australian security division of Wormald International in October 1988, and it now trades as a major independent company throughout Australia.

ROUND 16

5 YEARS AGO – 1987

Old Brighton (C) had a wonderful 40 pt win over **MHSOB** but it was not good enough to get them into the four as they missed out by percentage to **Thomastown**.

Therry moved into 2nd place in 'B' Section with an impressive 62 pt win over **Parkside** who sorely missed **Frank Sansonetti**. Club President **Tom Johnston** was in the doldrums.

Tony Riddell's 10 gls for **St Kilda** against **Uni Blacks** could not save **St Kilda CBOC** from C Section. It made 24 gls to Tony Riddell in 2 games.

B & F votes in DE&F Sections were as follows:

- D: **Mark Dyson** (Ivanhoe) and **Gary Norton** (O. Mentonians) tied on 16 pts. It was Gary's 3rd B&F, as he had previously won E Section in '79 and '80.
E: **Vic Zanin** (UHSOB) 19; **A. Mirakian** (O. Essen) 18; **C. Bilby** (O. Essen) 17.

- F: **B. Tierney** (Whitefriars) 22; **A. Post** (Comm. Bank) 20; **P. Tucci** (LaTrobe) 16.

Top goalkickers for the season were: A – **Paul Schuhkraft** (Orm) 77; B – **Chris Freeman** (P'side) 66; C – **Matt Cavanagh** (Kew) 72; D – **Collins** (O. C'well) 65; E – **Jenkins** (State Bank) 82; F – **Wilson** (St Andrews) 127.

10 YEARS AGO – 1982

300 games to **Assumption's OC Michael "Bull" Howe** who joined the club in its foundation year, after a season with Uni Black Jnrs in '62. A member of the club's only Premiership side in '67, senior coach, life member and above all, his friendly and good-natured manner, "**Bull**" is one of the club's greats.

100 games to **Jack Hamilton** (Uni Blues), **Terry Considine** (O. Parads), **Doug Dick** (O. Brighton), **Tim Mullett** (O. C'well).

Umpire **Pat Maebus** handled his 150th game.

In a superb game, **Ormond**, desperate to hang on to 4th place, defeated by 3 pts **Old Scotch**, who wanted a victory to get out of the relegation battle. Qtr by qtr scores were 6.3 to 5.3; 9.10 to 9.4; 15.12 to 14.10; 17.14(116) to 17.11(113). Best were **Morris, McCooke, Bourne** (4 gls) Ormond and **A. Smith, Fenton, Tallent** (O. Scotch).

In C top team **O. Camberwell Gr** defeated 3rd team **Hampton Rovers** 14.16(100) to 12.14(86). Best were **Armstrong, Rogers, King** (O. C'well) and **N. Kelly, Rowston**, Clark (Hampton Rovers).

Therry replaced **Banyule** in top spot in E when after an even 1st half, they kicked 9.4 to 5.9 to win by 29 pts. Best were **O'Sullivan, C. Mott, Whyley** (Therry) and **Power, Barnes, Attard** (Banyule).

15 YEARS AGO – 1977

Uni Blues (8th) staved off relegation when they kicked 10 gls in the final term to overwhelm **St Bernard's** (3rd) by 73 pts. Best were **Booth, Carne, Anderson**

(7 gls) (Uni Bues) and **Monaghan, Annazzo, Nadzielski** (St. B's).

200 games to **Ian Cave** (Hampton Rovers) following in the footsteps of father **Bob**, a star rover in 'A' Section, many, many years ago. Ian's sister Sue is administrative assistant at Elsternwick Park.

Ivanhoe (J.1) were 3 games clear of nearest rivals, **Uni Blacks** and **St Bernard's OC** with only loss to date.

In the Tipster's Tally, **Syd Whitfield**, on 235, led **Norm Nugent**, 231. Trailing the field was well known football administrator, **Alf Keam**, on 164 pts. Still, it was agreed that his section, 'B' was the toughest in the competition!

Old Melburnians, one game outside the four in 'B', defeated 2nd team **Ivanhoe**, by 14 pts. Stars were **Roberson** (8 gls), **R. Brown, Stuart** (O. Melbs) and **Knop, Grant, C. Stewart** (Ivanhoe).

200 games to E'wick's **Jeff "Porky" Parkins, John Moodie** (Collegians), **Gary Johnston** (Kew).

Peter Hutchinson (PowerHouse) retired after a magnificent 356 games.

20 YEARS AGO – 1972

Reservoir OB, Assumption and **Power House** were safe in the C Section 4, but the fight for the final place was intense with **St Kilda CBC** (32), **O. Xavs** (30), **Nat Bank** (28), **Fairfield** (24) and **O. Hailey** (24) all in the battle.

Congratulations to **John Tudor** of **O. Paradians** for his 200th game against **Uni Blues**, one of the best players and clubmen that Paradians has seen. John started his amateur career in '61, was a member of the Carnival side in '62 and had played in 6 winning grand final sides.

Alphington (5th) stayed in the fight for the D Section 4 when they came from behind to defeat **Hampton Rovers** (9th) by 17 pts. **Williams, Shaw, Roberts** and **Alsop** (5 gls) were Alphington's best.

Leading goalkickers were A – **Butcher** (Caul. Gr) 72; B – **Stephens** (O. Trinity) 74; C – **Tuck** (Assump) 80, D – **Shannon** (St Pat's) 68, E – **Walker** (O. Ivanhoe) 92, F – **MacCullivar** (O. C'well) 52.

25 YEARS AGO – 1967

Victoria thrashed **South Aust. 14.16 to 1.4** in the final match of the Carnival at Launceston. It was and still is, the lowest score ever recorded in a Carnival match.

Best were **Murphy, Hughes, Ward, McLean, Parkes, Wood**.

David Hughes was runner-up to Tasmania's captain, **Bob Newton**, for the Grosvenor Medal for B&F player. (David won the trophy at the Adelaide carnival in '64.)

Life member and committeeman **Colin "Polly" McDonald** played his 200th game for **Ormond**.

100 games to **Charles Edlesten** and **Bill Mumford** (Nat. Bank), **Tony Blazey** and **Tony Fenton** (OGG), **Fred Proctor** (O. Parads) and **Mick Donegan** (Power House).

Would you like a weekend for two flying to Sydney,
courtesy of Ansett Australia plus accommodation?
WHO WOULDN'T? Well that's the prize for this year's
winner of the **VAFA CLUB PRESS CORRESPONDENTS AWARD**.

Clubs interested in participating need to submit a
scrapbook or similar presentation to the VAFA at the
end of the season. More details are listed in VAFA Memo
11/92 (April 1992).

This is a great competition whilst at the same time

it is an essential part of raising your Club's profile in the
print and/or electronic media.

Last year's winner was David (Dutchy) Holland from
Old Mentonians. Dutchy and a lady friend had a
fabulous weekend in Sydney at the Southern Cross

Old Mentonian's media image highly visible. Well done
David.

What about some other CLUB PRESS CORRESPONDENTS getting active and developing their own

Umpires Corner

by Mike Murray
and Steve McCarthy

- It appears that the **State Government** is about to seek expressions of interest for the position of **Chief Commissioner of Police**. Perhaps they should consider what the VFAFA has to offer in the guise of 'Gallopings' Graham Thwaites, 'Dashing' David Humphries and 'Perfect' Peter Molley. Then again... perhaps not!
- **Kevin 'Roof' Tyler**, now (and always) an avid St Bernard's follower, would like to wish all his (former) goalies mates every success as the **Finals** draw near.
- Some more Trivia Night reports:
 - **Congratulations to the winning table** which included such 'Masterminds' as 'Rowdy' Hales, 'Rusty' Francis, 'Buster' Keeton, 'Rags' Keogh and 'Wild' Cherry.
 - 'Agate' Harris and his lovely Pat, who swears 'the sun' shines over Hanging Rock. Will their next holiday be in Gundagai or Bangkok?
 - The 6 goal umpires who attended - **W. Binch, S. Hopper, M. Murray, K. Segota, N. Nugent and P. Harris.**
 - **David D'Altera's brother.**
 - **Baby Henry Simon** making more noise than Dad, Richie.
 - Heard that **John 'Port Flogger' Natoli** and **Paul 'The Judge' Rapke** had a great time at the **Gippsland Umps Association** second annual UPD in Drouin recently. That they did not require an overnight stay speaks volumes for their professionalism.
 - Word has it that **Richie Simon's** raving syndicate selection from a few weeks back was due to run at 1.50 pm and not 4 pm. Imagine the surprise displayed by players at Harry Trott when Richie enquired "How did the horse go, Ken?" to which the goalie responded, "Listen to it yourself in future". Correct weight boys.
 - **A word of warning** to those umpires seeking transport with **Wayne 'Oh' Henry** from the southern suburbs direct to Fawkner - **don't!** Apparently Wayne's last trip took in the sights of Wattle Park, Canterbury, Doncaster, Heidelberg etc. Get a Melway's, Wayne!
 - The **best late night radio show** on Fridays must definitely be **Brian Taylor's 'Good Sports' program** on **3 UZ**. With former AJAX notable, **Ross 'Rocky' Dabscheck** and our own **Normie Nugent**, the VFA Report around 11.15 pm is compulsory listening. Thanks for all those mentions, Norm.

• **UMPIRES PROFILE:** Today we acknowledge the 200th performance of the man whose head appears in the top right hand corner of this column:

- **Full Name:** Stephen John McCarthy; **Nickname:** Macca;

- **Year commenced umpiring:** 1978 (VFL Reserve Grade); 1984 (VFA).

- **VFA games:** 200 (today).

- **Highlights/Achievements:** 'A' First Semi (90/91); 'C' Grand Final; Seeing 'Stud' Kilner next to me in the forward pocket in the opening minutes of the '91 'C' Grand Final.

- **Greatest influence on career:** Jack Irving (the greatest!); Neville Nash; Benny; Wife Cheryl for her support. Special thanks to Harry Beitzel who changed my bouncing style. It's been no good ever since!

- **Football playing career:** At school. Think of Bruce Reid as an opening batsman... that's me as a footballer!

- **Pet hates:** 1992.

- **Most memorable match:** Old Xavs defeating Ormond at Ormond (May '87) with 'Digger' Wiseman.

- **Best Amateur footballers seen:** Terry Young (Fawkner); Rob Fuller (Old Scotch); Stuart Hinchin (Collegians) and Steve Wiltshire (Peninsula) - could have played in the higher sections.

- **Best umpires:** Kevin Segota (at his peak - a sensation); Peter Wiseman (makes it look easy) and 'Big Mike' (most helpful when filling out a report sheet).

- **What I like about umpiring:** Writing this column; being involved with a great footballing body; being involved with the victorious VFA U19 on Championship day - **well done Simmo.**

- **Ambition:** To complete 10 years service; to become a VFAFA Life Member; to retire after 'Wisey'!

P.S. We're kicking on in Carrum Downs tonight - be there!

• Which **beloved umpire** was christened '**Deserthead**' by an ardent barracker at NOB's last week? Give us a bell when you think you know.

• REMINDERS:

- **August 17th: Annual Seminar at Arden Street.** Be there or be docked!

- **August 20th: Pre-Finals BBQ** at the Park.

- **August 27th: Umps Annual Meeting.**

• **Go to the RACV Travel Service** for your leisurely, comfortable and relaxed holiday.

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

Our 1991 survey of players showed
89% of mouthguard owners always
wear their mouthguard at matches.
But ... Only 10-13% always wear their
mouthguard at training.

**So, wear your professionally fitted
mouthguard when training and
playing football.**

Make this your GOAL in '92.
