## EDITORIAL

by Phil Stevens

Good afternoon football followers.

When is an Amateur not an Amateur?

At the end of this season I complete four years as General Manager of this Association. In that time during many Executive meetings and beyond the meeting room forum, debate has raged regarding the pros and cons of certain player reinstatement applications and thereby a player's qualification as an amateur to play football with our Association.

This debate is not a new phenomenon and to assist various Executive Committees over the years Reinstatement Guidelines have been written and regularly modified to give guidance to those deciding if a player qualifies or not.

The ever present difficulty is, and has always been, that a club or a small group of clubs that have pressured for changes to existing Reinstatement Guidelines at Annual Executive Seminars have done so because a change would have benefitted their club or their small group of clubs. When Executive Committees have rejected various submissions requesting changes over the years, clubs have felt aggrieved at times but have failed to understand that submissions have been denied because they may have benefitted a minority (maybe as low as one or two) of clubs but would have made football life harsher for many clubs.

Particularly as the VAFA bases its selection of sections on a promotion and relegation system, the "bigger picture" at all times has been in the minds of Executive Committees so that the lowest of F section clubs can at least see as a possibility the glory of becoming an A section club.

This year more than ever before the Executive is inviting input to frame guidelines for 1993 which will benefit the majority. All clubs a fortnight ago were asked to send a representative along to a meeting, loosely called a Reinstatement Guidelines Working Party meeting - 37 attended (perhaps only half the clubs are unhappy with the present guidelines). From this group each sections' clubs nominated one person to represent their section on the 'Reinstatement Guidelines Review Committee'.

Each member will field information from clubs in his section pertaining to what change clubs would like - each member will also contact and talk to clubs in his section. The RGRC will then meet in a few weeks time and table all information gathered with a view to producing a document, a submission to the Executive, which will be good for Amateur football and one which takes into account the 'big picture'.

Perhaps the first job of this Committee should be to define "What is an Amateur?"

NOTE: To assist clubs the following persons were elected as members to represent each section:

### REVIEW

**Collegians** bounced back on to the winner's list when they disposed of a tenacious **O. Xaverians**.

Goalscorers for the **Lions** were found everywhere as they got their running game going.

**Xavs** were trying desperately to avoid relegation but were unable to stop the top side.

**Damien Stoney** booted 4 goals once again in his new found role at full forward and he was well assisted by **Matt Hannebery** and **Tim O'Sullivan** but the performance of **Tony Wallace**, **Tony Parkin** and co. proved too good on the day.

**Marcellin** pulled one out of the left field when they stopped **Haileybury's** winning run. This result may see **Marcellin** stay in A section and also finish the **Blood's** finals push.

**Matt Amad** and **Dave Cooper** were in great touch as the **Eagles** got a sniff of victory and ran for home.

**Haileybury** must be disappointed after having such a great past 6 games.

**Wayne Phillips** continued his good form at half forward as did **Dave Connell** at half back, but their efforts were not enough to stop the unpredictable **Eagles**.

**De La Salle** ran away from their closest rivals, **Old Scotch**, to all but cement their spot in the four.

Even though **Stuart Gibbs** put **Pat Mannix** out of the game **De La** managed to kick goals through **Julian Maloney**, **Nick Fraser** and other runners.

**Duncan McCall**, in his second game back, booted 4 goals for **Scotch** in a fine display. **Andrew Millar** was **Scotch's** best player – in the ruck?

**Mark Lowe** did well in the centre for **De La** and as usual **Peter Rennie** proved why he is considered the best defender in the comp.

**Ormond** ran away from a dogged **Therry** to notch a 33 pt victory. **Therry** trailed **Ormond** by 30 pts at half time but through determined play by on-ballers **Matt Fitzpatrick** and **Paul Matton** were able to reduce the deficit to a mere 8 pts at ¾ time.

**Ormond's** victory was set up by half forward **Stephen Grace** who was proving far too elusive for the **Therry** defence.

Although the game was lacking as a spectacle it certainly stood out as a hard fought contest. When **Ormond's** chips were down captain **Andrew Jobling** and **Brett Connell** steered their side back on track.

If not for **Therry's** inaccurate 3rd term this result could have potentially gone the other way. **Therry's** loss keeps them in the relegation firing line as they trail the entire VicHealth VAFA A-section.

In the final game **St Bernard's** withstood the challenge from **North Old Boys** and clung to victory by 1 pt. Poor **Robert Hyde** must be the most "on edge" coach in A section having seen his team defeated by 1 pt 3 times this year.

Despite **Tony Egan's** 5 gis and **Darren Martin's** 4 the **Old Boys** could not kick a winning score even though they had more scoring shots than **St Bernard's**.

**St Bernard's** are always happy winning away from home and have a mortgage on second spot.

### PREVIEW

Well there's no doubt where the match of the day is today. The Harry Trott oval is the only place to be as **Collegians** play **St Bernard's**.

**Collegians** are deserved leaders and, for that matter, **St Bernard's** are deservedly second. Both teams have goalkickers galore.

**Mount, Schober, Hoyle and Woolhouse** will try to kick a higher score than **Gollant, Mitchell, Keane and Wood**. The defences are solid – **Collegians** with **Hinchin, Bennett, Laussen and Davidson** while **St Bernard's** have **Vin Comito** and the **Capes** brothers.

On-ball is fairly even, so basically this game could go either way. Both teams have lost in recent weeks and one will lose today.

I think **Collegians** will handle the pressure a bit better today and this, coupled with the home ground advantage, will see them win by 10 pts.

**Marcellin** will attempt to make it two in a row when they play **Old Xavs** at home. Both these teams can look great on their day but by the same token both can look ordinary. This game will be decided not so much on talent but more on desperation and which team wants to stay in A grade the most.

**Xaverians** have some wonderful mid-field and on-ball players such as **Dale Holmes**, **Matt Hannebery**, **Doug Bailey** and **Bill Mithen**.

The **Marcellin** talent is spread all over the ground. **Joe Amad** is the prime mover and feeding off him they have **Gary Williams**, **Andrew Tranquilli**, **Matt Chun** and **Luke Getson**.

Somehow I feel that **Marcellin** may have that composure which could see the result go in their favour. A great deal will depend on whether **Stoney** can kick goals again for **Xavs** and whether **Petroff** can kick any for **Marcellin**.

I'd love to tip a draw, but I'll go with **Marcellin** by 1 pt.

**Therry and North** will battle it out at **Therry** and this will be a most hard fought game. **North** must be sick of themselves losing by a point and **Therry** surely must win one soon.

**North** haven't had any luck this year. Injuries and players leaving, along with no luck have seen them struggle. They don't really have a lot to strive for today.

**Therry** meets its last chance today. They must win or they are gone. I don't believe that **Therry** have the talent to beat **North**, but they will certainly have the desire.

**Paul Matton** has been sensational this year and I feel that today may be **Therry's** turn to cause an upset.

**Tony Egan**, **Bruno Conti**, **Darren Martin** and co.

at North won't want to lose but surely they will just play this game out.

I'm going for **Therry** by 10 pts.

**Ormond** play **De La Salle** – third versus fourth. **De La** cannot afford to drop this game and for that matter, neither can **Ormond**.

These two teams are fairly evenly matched. Both have won their share of matches this year without being overly impressive.

The hard hitting **Ormond** style of game will have to be in full swing to stop the zig zagging **De La**.

**Nick Fraser** and **Pat Mannix** form a most potent forward set up and they will have to be watched closely. At the other end of the ground we find **Paul Schuhkraft** and **Stephen Grace** proving just as dangerous.

On paper it is hard to separate these two teams.

**Connell** and **Jobling** always perform well as does **Campbell** and **McClounan**.

The result of this game is really in doubt but today I'll go for **De La** by 5 pts.

**Old Scotch** are at home in a most important game to **Old Haileybury** who disappointed last week. **Scotch** are still a chance – albeit remote – to make the four.

The return of **Duncan McCall** has lifted their spirits and given them another target up forward. **Andrew Millar** played in the ruck last week. Why? I don't know! But he apparently played well.

**Haileybury's** charge is now finished. The wind was taken out of their sails last week by **Marcellin** and I can see them performing below par again today.

**Gary Phillips** and **Chris McKenzie** and **Wayne Phillips** are fine players who perform every week but may now find little inspiration in this season.

**Andrew Hart**, Stuart Gibbs and **Gavin Eagle** have also been very consistent, but they do have a reason to win.

**Scotch** by 15 pts.

## PERSONALITY PARS – A

### RESERVES STALWARTS REACH MILESTONES

Two of Old Haileybury's Reserves stalwarts have reached notable milestones in recent weeks. Dependable fullback **Darren Ray** played his 50th game for the Bloods against Old Xavs in Rnd 13 (11/7). The demise of St Leonards proved to be a bonus for Old Hailey when Darren decided to continue his football career at Tucker Road in 1990. A sold and determined defender, Darren played his 2 senior games in 1990 and has kicked 5 goals for the club to date.

**Robert 'Dolly' Parton** finally played his 100th game for the Bloods against Collegians in Rnd 14 (25/7). A former U19 captain, Dolly played 49 games at the junior level before being rushed into the 2s for the 1989 finals. He was a member of the Reserves Grand Final side that defeated Preston and booted 2 goals for the match. In between finding his niche roaming the forward line for the 2s, Dolly has, in fact, played 9 senior games for Old Haileybury. A fearsome sight if he gathers the ball on the run anywhere near the posts, Dolly has kicked 94 goals for the club to date.

Congratulations to both boys as all at Old Haileybury look forward to many more games to come.

## LETTER TO THE EDITOR

### PHIL'S LETTER OF THE WEEK

Phil,

Having been associated with a club 'charged with conduct unbecoming, for being involved in a melee' on a number of occasions over the years and subsequently having stood in the cold for many hours to be told we are guilty when we already know we are guilty (there is no denying a melee when it happens), has the Executive ever considered an automatic fine be imposed if a melee is reported by an umpire or official observer?

Of course an appeal mechanism would need to be in place for special situations.

#### 'Out in the Cold - often'

**Ed. Note:** Prescribed penalties are available if both clubs request the prescribed penalty (fine) for a melee as long as both clubs do not have a bad previous record. In this situation cases must be hard. However, your suggestion would certainly save lots of paper work ie clubs having to be formally charged.

★★★

Dear Phil,

After reading of the success of the VAFA U19 team in today's *Amateur Footballer*, I cannot help but pass on congratulations from our club to John Simpson, the officials, the players and the VAFA executive. This can only strengthen Amateur football.

Yours truly,

**Tony O'Connell**

To Max Lyon re: Old Xavs/De La Salle U19 match.

The best standard of U19 football I have seen. The game was played in a very hard, fair and good spirited fashion. Full praise is extended to players from both clubs.

**Chris Anderson**

★★★

Dear Phil,

The F Section clubs of St Leo's and Old Carey should be complimented on their pleasant, efficient conduct and attention to their duties, when they played at Elsternwick Park last Saturday. In the Reserves match, St Leo's cheerfully provided a Boundary Umpire, a very enthusiastic young man, when told the appointed umpire was unavailable. Some twenty minutes before the start of play, Old Carey were notified that another Boundary Umpire might be needed. St Leo's volunteered to supply a second Boundary Umpire, if Old Carey could provide the gear!

There was great rapport between the 3 club and 3 VAFA umpires and it was good to see them remaining together in the centre during the "drinks" breaks and were quickly supplied with drinks by the "Home" club.

The Umpires were duly escorted from the ground (a rarity in Reserves) with the St Leo's official even returning to the centre to accompany the Goal Umpires off the field.

The Reserves players from both clubs should be congratulated for playing a good, clean game in true amateur spirit.

**"An impressed Umpire"**

Just for the record. When reserve clubs call with scores (1.45 – 2.30) and ask for Nancy and are told that she is still in the shower, this isn't true at all – she is simply on another line taking calls and the G.M. is helping "person" the phones.

★ ★ ★

This year's vote count and presentation of best and fairests will be held at the Radisson Hotel on Monday September 7th. In the past, 4 separate nights were held but in our 100th year it has been decided to finish off the year in style by combining presentations, a counting of votes segment and entertainment all in the one night.

Clubs are required to have 3 in attendance (as in the past), one being the club's highest vote earner who will be invited separately. Some of these vote earners who figure prominently in counts will be invited free of charge. If clubs would like extra seats for people these to be included on the sheet required to be faxed to Administration.

Secretaries were advised at last Monday's meeting of score and match details during finals. Basically they are as follows:

1. All senior and U19 matches final scores to Nancy (528 3319) by 5 pm.
2. B and U19 section goalkickers, best players and Q by Q scores to Norm (467 2857) by 5.30 pm.
3. C to F sections (seniors only) goalkickers, best players and Q by Q scores to E. Park (531 8333) by 5.30 pm.
4. Final scores (only) of reserve matches to Phil or Nancy (531 8333) between 2 and 3 pm.
5. Nancy will collect all A section details after EP Sunday matches.

EACH OF THE ABOVE (1-5) TO BE DONE BY THE WINNING TEAM OF THE PARTICULAR MATCH.

## B SECTION by Tom Johnston

Boy oh boy what a difference a week in football makes. **Banyule** thrashed by **Whitefriars** last week, severely weakened by injuries, beat top side **O. Trinity** by 33 pts. **Banyule's** theme for preceding this game, 'let's get physical', and supercoach **Simpson's** coaching and instructions to beat **O. Trinity** were superb, the **Bears** outscored **Trinity** in every qtr, a hard task indeed. **Banyule's** 40 scoring shots to **Trinity's** 27 probably flattered **Trinity**, the winning margin only 33 pts, easily could've been much more. **Banyule's** hoodoo over **Trinity** continues and leaves a question mark over **Trinity's** ability to handle big game pressure; is this a forerunner for the finals? **Banyule's** best were **Holt, Williams, Ladd** and **Witchell**. **Trinity's** best were **Nick** and **Rick Beardsley** and **Hedley**.

**O. Paradians** gave **Uni. Blues** a real thrashing by 92 pts. The win, the result of good footy, and I'm sure other sides in the 4 will take plenty of notice in the way **Parade** went about their win. **Parade** went from strength to strength, outscoring the **Students** in every 1/4; a good sign for a side in the 4, and I now believe **Parade** can stay in the 4 at the expense of **Whitefriars**, who they play at **Parade** in the last round. **Parade's** better players were **Philip, Canavan, Ellks** and **Geary**. **Uni. Blues** (no corrsp.) – sorry unable to tell.

**O. Melburnians** were made to work very hard for the 1st 3 qtrs in their clash with **O. Mentonians** as good sides often do. **O. Mentonians** jumped **O. Melbs** in the 1st qtr and looked a good side but **O. Melburnians** had a great last qtr overpowering **Menton** to run out comfortable winners by 57 pts. **Menton**'s final hopes squashed by the high marking of **Cordner** who was superb. I was also impressed with two young U19's, **Theodore** and **Thompson** making their debut in the seniors. **Melburnians**' best were **Stuckey, Cordner, Fraser** and **Theodore**. **O. Mentonians**' best were **Dickson, Best, Gardner** and **Bourron**.

The match at Monash Uni. between **Monash** and **Parkside** was a keenly contested affair in the 1st qtr. Parkside's defence held **Monash** to 4 gls against the strong breeze. **Parkside** kicked the 1st 2 gls of the 2nd qtr but that was to be the end for the **Devils** as they trailed by 41 pts at 1/2 time. The 3rd qtr saw **Monash's** legendary coach make several positional changes, seeing them move up a gear, kicking away from **Parkside** to run out very easy victors by 106 pts, giving **Monash** a slim chance of avoiding relegation. **Monash's** better were **Kohler, Alexander, Quin** and **Hipwell**. **Parkside's** better players were **Williams, Meehan, Moodie** and **Panjari**.

With a place in the 4 at stake **Whitefriars**, at home for the 3rd successive week, took on **O. Brighton** in a very big match. **Brighton** kicked with the wind, but found **Whitefriars** very determined. **Whitefriars** looked good, **Brighton** were struggling but you can never write off **O. Brighton**, veteran campaigners in

the Amateurs. The last qtr was do or die football. Three basic errors from the **Friars** saw **O. Brighton** capitalise with 3 gls. A further goal gave them the lead for the 1st time in the game and run out eventual winners by 8 pts. **Whitefriars** could only add 1.1 for the qtr, not enough to combat a determined **O. Brighton** whose best were **Pryor, James, Hendrie** and **Barber**. **Friars'** best were **Bateman, Philip, McAuliffe** and **Crowe**.

### TODAY'S GAMES

The match of the round is between **O. Trinity** and **Whitefriars** in what should be a great contest. A lot is at stake in this game for **Whitefriars**, with the chance to get back into the 4. For **Trinity** the opportunity to wrap up a 1,2 finish for the year. Both sides will have studied each other long and hard as probable finals contenders so there will be some terrific battles. A lot will hinge on centre square battles and whilst **Trinity** have the height advantage, **Whitefriars** have some terrific on ballers. Both sides dropped very important games last week, which side will recover the best? I believe **Trinity**, but they will need their very best. **O. Trinity** by 11 pts.

**Uni. Blues** vs **Banyule** at Education City. Desperate stakes for both sides. **Blues** need to win to avoid relegation, **Banyule** need to win to have some say in the final 4. The **Blues** were pathetic last week, I can't for the want of me work them out. **Banyule** on the other hand are plagued by injuries, but beat top side **O. Trinity** with good old fashioned football. Earlier in the season **Banyule** beat the **Blues** by 36 pts and even allowing for the **Blues'** pathetic effort last week, I don't think that supercoach **John Simpson** can lift his injury riddled side two weeks in succession. I'll go for **Uni. Blues**, with a great deal of trepidation, by 5 pts.

**O. Mentonians** vs **O. Paradians**. A real danger game for **Parade** away from home and especially at the treacherous **O. Mentone** school. **O. Mentone** who blew their season last week, will be desperate to salvage something from the year and I expect **Bert Calveri** coaching his 150th game will more than have **Menton** psyched up for this game. **Parade** are a very underrated side; they have height, classy on ballers, plenty of commitment and also they owe **O. Mentonians** a beating, after **Menton** had a good win earlier in the season. In a game I'm sure will go to the wire, I favour **Parade**, who's recent form has been fairly consistent. **O. Paradians** by 9 pts.

**Parkside** vs **O. Melburnians** will be a massacre. How on earth are **Parkside** going to stop this very talented **O. Melburnians**. **OMs** to make short work of the **Red Devils** by 99 pts.

**Monash Blues** vs **O. Brighton**. Both last round winners, one at the top end, one toward the bottom. **O. Brighton** should win what will be an interesting encounter against **Monash** who will be certainly buoyed by last week's great win. The individual stars of **Brighton** just seem to be too many in number for **Monash** to close

down. One of **Monash's** 4 wins this season has been over **O. Brighton** at the beach oval by 58 pts, a hard task indeed. **Brighton** will be to 'fine tune' their game for the finals, whilst **Monash** would clearly love to knock off the competition leaders to help their cause of avoiding relegation. **O. Brighton** by 24 pts.

**SELECTIONS:** **O. Trinity, University Blues, O. Paradians, O. Melburnians, O. Brighton.**

**BLACK LIST:** **Banyule, Uni. Blues** very consistent.

**CLUB CORRESPONDENTS:** Please fax me (especially the winning sides) a report of approx. 100 words about the game. Please fax your club's best players, full names and positions by 1.00pm each Monday. Fax 489 9051. Phone 489 9511.

## PERSONALITY PARS - B

### TRINITY RECORD OVERHAULED

**Craig Robison** today surpasses the club record of **242 games**. This achievement is even more spectacular because all but 8 games have been achieved in the 1sts. Robbo has played with O. Trinity since he left school in 1977. He is a true Amateur. He plays the game hard, he trains hard, and he always supports all the club social functions. If he remains injury free he will surpass the 250 game milestone in the finals this year. Robbo has played in A, B, C, D and E Grade as well as representing the combined side on a number of occasions. Well done Robbo. Congrats from all those people associated with the club over the last 15 years.

### 150 GAMES - FRANK SANSANETTI

Parkside would like to congratulate **Frank Sansanetti** on reaching **150** games against Monash last Saturday (1/8). One of the most popular and respected players to represent Parkside, The 'fireball' is looked up to by his team mates for his ability to play in any position and have an impact on the game. His strength and aggression make him an extremely tough opponent for any opposition. Frank started at Parkside in 1983, and was a significant factor in the winning 1988 Grand Final side. We wish him well as he surges toward his next milestone, 200 games.

## C SECTION by "The Squirrel"

Farewell to **Uni. Blacks** ('D' Grade bound in 93) after succumbing to the Might? of **AJAX** at Oval #2 Albert Park. Picking winners is no easy caper. On form you couldn't have selected **Jackers**. Anyway they won by a whopping 80 pts and kept alive a slim chance of staying in the grade in 93.

**MHSOB** were narrow, hard fought winners against **St Kilda/St Caulf.** The **Saints** aren't out of the relegation woods just yet and I'm sure they'll be hell bent on winning one of the remaining 2 if not both to secure their spot in the grade for next year.

Same winning margin (8 pts) was recorded by **Bulleen/Temp.** over previous top of the table **Kew**. The **Bullants** really are having a dip of late with their backs to the wall to keep their finals chances alive. With **Ivanhoe** breathing down their necks it is a credit to the character of the **Bulleen/Temp.** boys that they've been able to overcome all obstacles put before them. This same pressure now swings the way of the **Bankers** from round 17. For **Kew** the loss is not the end of the world and will give 'Bomber' the chance to reassess each player's finals aspirations.

**Fawkner** leapt to the top of the ladder after their demolition of **Thomastown**. The **Northerners** jumped the **Towners**, 8 gls to 2 at 1/4 time. 5 gls or so in it at 1/2 time gave **Thomastown** a sniff, however a few simple misses allowed **Fawkner** to stitch things up, ramming home several majors. **Fawkner** finished off the **Towners** and primed themselves up for their finals assault.

**Ivanhoe** ripped apart a pathetic **Commbank**. In fact the scoreboard somewhat flattered the **Bank** as they finished off the game with the best qtr of 5 gls. The **Hoes** were a couple of players short of top strength whilst the **Bankers** had some 7 'top' players out. After witnessing the drubbing I still wonder whether at full strength the **Bank** boys could've taken it up to the confident **Ivanhoe** boys. I have reservations about that as I was particularly impressed with the overall balance of the **Hoes**. Good strength, height and running players everywhere. Excellent players all over the ground for **Ivanhoe** and the **Bankers** were served in great fashion by **Pitts** and **Gilliam**. Fate is now firmly in the hands of **Ivanhoe** and **Commbank** as to see who will or won't make it to the finals. **Fawkner**, **Kew** and **Bulleen/Temp.** on the draw all appear safe and sound.

### PREVIEW – ROUND 17 (08 AUGUST '92)

**Kew** at home should have little more than an exercise gallop in defeating a very disappointing **Uni Blacks**. **Kew** have a lot to play for and won't forsake their hold on the prized 1, 2 spot by surrendering this game. Too many 'gun' players in the **Ks** side for the **Blacks** to counter and whilst **Uni** will be most competitive, the full 100 minutes plus time-on will be too big an ask for the **Students** to answer. **Kew** by 44 pts.

Crunch game at the Lakeside Oval where **Commbank** will host **Fawkner**. A real do or die effort is needed by the **Bankers** as a loss here together with other unfavourable results will see them out of the 4 for the 1st time this season. After that, 'Ladyluck' will come into play in round 18 for them to make it back.

Percentage in winning or losing is another important factor that the **Bankers** have to take into account. On form, and that's the best guide (I think) then **Fawkner** will start warm favourites. The wheels haven't exactly fallen off **Commbank** but rather it's a matter of players falling off the available list. There appears too many in form players for the **Bankers** to shut down and **Fawkner** should register a comfortable 36 pt victory.

The **AJAX** vs **Ivanhoe** game resembles a mini-finals for both teams. **AJAX** to possibly thwart relegation and **Ivanhoe** to possibly jump into the 4 and who knows, stay in! Fantastic incentive for both and unfortunately only one winner can and will emerge barring the odds about a drawn game. **Ivanhoe** impressed me very much last round and with their overall balance and strength should record a win against the defiant **Jackers**. The game will hinge in the balance for a fair while but I'm tipping the **Hoes** to get home by 27 pts.

**MHSOB** welcome **Bulleen/Temp.** to the pleasant surrounds of the 8th Yarra Oval. I suggest the 'pleasantries' will end there though, till the aftermath entertainment as the **Bullants** will not let anything, let alone the **Schoolers** stand in their way of a finals spot. Whilst I think the **Schoolers** are a classy lot (no pun intended) the way the **Bullants** can grind out a win is terrific stuff to watch. This game will possibly be won in that fashion by the **Bullants**. I definitely give **High** an outside chance of a turn-up but reckon on the **Bullants** by about 21 pts.

The **St Kilda/St Caulf.** vs **Thomastown** game also offers plenty of interest as the winner becomes safe and secure whilst the vanquished is still in a little bit of you know what! Home ground advantage is what swings me in this game. I'm on the **Saint's** bandwagon. If, and it's a big if, the **Saints'** forwards are on their mettle then **Thomastown** are in big trouble to shut them down. I'll go for the punt, that is, that **Bergman & Co.** get plenty of use of the 'Tommy Sherrin' and get on them (**Saints**) to win narrowly by 11 pts.

**Frostkickers** – (Round 16) An undermanned and Geriatric laden **Commbank** outgunned **Ivanhoe** by 7 majors, **Uni Blacks** toppled a competitive **AJAX** by 5+ gls, **Bulleen/Temp.** outclassed **Kew** by 9 twins, as predicted by yours truly, the **Saints** did add to the **Schoolers** woes by pinching the game by a solo 6 pack and in the last of 'em **Fawkner** took **Thomastown** to the cleaners by a mere 19 big ones.

Preview (Round 17) In the 'Squirrel' Cup at Lakeside Oval only an in excess player count late in the final qtr could stop **Fawkner** taking the spoils against **Commbank** by about 10 twins. **AJAX** over **Ivanhoe** by 4 big ones. The visiting **Uni Blacks** over **Kew** by 15 majors. **Bulleen/Temp.** over **MHSOB** by 12 pts. The **Saints** over the **Towners** by 8 gis.

**DARE of the WEEK** – To give the **Jackers** a little incentive to do a 'Houdini' and possibly escape relegation, ye olde 'Squirrel' will attend **AJAX**'s next training session with **Lancie Lovechild** of **Commbank**, and spit n' polish their boots with a toothbrush, if they can knock off **Ivanhoe**.

**SPECIAL NOTE** All 'C' Grade clubs are urged to patronise the forthcoming VAFA Grand Final Breakfast to be held at the Prahran Town Hall, Sunday 20th September from 8.00am to 11.00am. Details on page 46.

Let's show 'em that 'C' graders are proud of our comp. and be there in numbers for support. If clubs can't make up tables then book individually and ask to be clustered with other 'C' graders. Look forward to seeing you there!

### ANOTHER SAINT BAGS A TON

St Kilda/St Caulfield congratulates its goalkicking sensation, **Ralph Bergman** on being the first Amateur footballer for season 1992 to reach the century of goals. Ralph's ton is a first for the Club and follows his record equalling haul of 16 goals earlier in the season against Bulleen-Templestowe.

### 50 GAMES - THE DONKSTER AND THE KINGSTER

St Kilda/St Caulfield congratulates 2 of its 'young veterans', **Mathew King** and '**'Donky' Dave La Fontaine** on reaching their 50 game milestone. Both players had distinguished careers at U19 level before establishing themselves as key members of the seniors. D La is one of the real characters of the Club, known for his great sense of dress and his much loved dog, 'Gogh'. Dave has excellent skills on both sides of his body, complemented by a fierce determination to give his all every week. Mathew, along with his inseparable mate, the Bangster is one of the most popular figures at the club. He is known for his love of the Swans but more particularly for his strong hands and long-kicking. Despite injuries which would have ravaged lesser players, Mathew has continued to give 110% for the Club and is a player we feel sure will lead us through the 90s.

A melee is "Where an incident takes place involving players, pushing, scrapping, jumping into packs, throwing each other to the ground or other similar such conduct".

## D SECTION by "Phantom"

(substituting for Peter Lemon until the finals)

### LAST WEEK'S REVIEW

... 'Don't count your bottles of home brew until you open them' Old Jungle Saying.

Seven teams in the finals hunt, elimination stakes narrow to 3 possibilities and Phantom has his worst round of tipping so far, best summarise Round 16 of the 'D' Generation.

**Hampton Rovers** bounced out of the blocks quicker than **Ben Johnson** setting up a 6 goal lead in the 2nd term against **Preston MBOB**. The all important centre breaks were going the **Rovers**' way early with **Ross Hetherington** – ruck, **Jamie Ross** and **Ed Melnjak** controlling the getaways and giving their forwards every opportunity. The **Brothers** were not going to lie down however, and clawed their way back in the 2nd half. **Mick Noble** in the ruck lifted and captain-coach **Craig Lawson** and **Andy Brydson** combined to get control of the centre. **Jason McGaw** with 6 goals provided the focal point as **Preston** slammed on 6 gls in the final term, hit the front in time on – to win by 9 pts.

At Albert Park **Caulfield Grammarians** had a comfortable win over **St Bedes**. The return of key forward **David Matthews** – 9 goals and a great team commitment set up their victory. Among the best for the **Fields** were **David Cronin** in defence, **Ben Mathews** in the ruck and **Warren Horton** at CHF. The **Bedas** had tries in **Beasley Bros** – **Tim** and **Mick** as well as **Jason Selby** in defence but were overall disappointed with their 2nd and 3rd quarter efforts.

**St Kevins** stayed in the finals hunt with a win over **Williamstown** in a fiercely contested 4 quarters of pressure football. Both sides were fired up and there was nothing in the game to the final change. Around the ground the **Towners** appeared to have more system, teaming well together but couldn't put their hard work on the scoreboard. **St Kevins** on the other hand had focal points in **Phill Cahill** (back after 6 weeks) with 5 goals and **Rob Gross** 3 goals. Best players for the winners were backman **Anthony Bendorrichio**, and on ballers **James O'Brien** and 'veteran' **Andy Beale**.

**Old Ivanhoe's** winning streak came to a halt at Como Park. **Old Geelong's** height factor kept the **Ivanhoe** forwards quiet despite the opportunities provided by **Hoes'** smaller players including **Matty Clarkson**, **Mark Dyson**, **George Farlacas** and **George Haros**. **Old Geelong's** 'Collingwood' like defence and the 'Manton' factor facilitated the necessary 4 points to stay in the finals chase. Is there any truth in the rumour that **Peter Lemon** is the assistant coach of the Chinese swimming team or have some of **Glasco's** charges been climbing Como Park trees to lengthen their arms? **Alan Salter** is still scratching his head to find the 'growth miracles'!

No report from the final game between **Mazenod** and **Old Camberwell** with the **Noddies** having a comfortable win at home by 52 points to keep their place in the 4. It has been a long time between drinks for the **Wellers** and they are running quickly out of chances.

### TODAY'S GAMES

The competitors are lining up for another episode of 'Wacky Races' **Williamstown** at home to 'Dick

Dastardly's' **Hampton Rovers** in a battle royal to stay in 1993's Class of 'D' Section. If the **Towners** can sneak 'Mutley' a bone or two they might just sneak home in a photo finish.

'Peter Perfect's' **Old Geelong** have a short drive to race 'Penelope Pitstop's' **Old Camberwell** at the Gordon Barnard Raceway. The **Oggers** have developed a new engine and may pack too many horsepower for the **Wellers** who are in need of an overhaul to find the right gear ratio.

**Preston's** 'Ant Hill Mob' will be using 'Get Away Power' against **Mazenod's** 'Arkansaw Chug-a-Bug' in an effort to seal a position in the top 4 tour positions. In what will be a high scoring game with both sides having plenty at stake the home advantage may be the deciding issue.

**St Bedes'** 'Boulder Bros' (4th) host 'Professor Pat Pending's' **St Kevins** (5th) in another do or die affair. The **SKOBs** have made some good engine modifications of late and gained the necessary results, whilst the **Bedas** used the 'wrong tyres' at Albert Park last week. Position on the starting grid could well decide this issue and at home the **Bedas** by a spoke.

**Old Ivanhoe's** 'Creepy Goonies' who blew a 'rod' last week, take on race favourites **Caulfield Grammarians**. A loss could see the **Hoes** out of commission and it may be the incentive they need whilst the strong **Caulfield** combination appear to have all the answers on the track and in the pits. With **David Matthews** back in the drivers seat the **Fields** to overtake the **Hoes** on the final lap.

**SELECTIONS:** **Williamstown**, **Old Geelong**, **Mazenod**, **St Bedes**, **Caulfield Grammarians**.

**EARLY SHIFT REPORT** 'By Hero & Devil' – **SKOBs** end run of outs by a short half head from **Willy**, **Bedas** won on the last apparatus after 2 falls over the **Fields**, **Hoes** by 3 boat lengths from the **Oggers**, **Rovers** avoid the 'bubble' and paddle to gold over the illness affected **Bros** and host nation **Noddies** in near faultless display in dressage over the **Wells**.

80% success rate last week – can we improve? **Rovers** on a roll to find **sailors** at home in the breeze, **Hoes** to get a real fright but recover and sneak in against the **Fields**, **Bedas** by a penalty kick over **SKOBs**, **Wells** to outrun the **Oggers** and **Noddies** will catch and pass the **Bros** in the teams pursuit.

Keep up the good work lads, Mondays morning Ph: 542 1901 Fax: 542 1225.

### ANDREW BOAG 100 GAMES

All at St Bedes congratulate grand old sprinter Andrew Boag on playing his 100th. Sired by Beda stallion 'Vernus Boagus' from grand old mare 'Joanne', Andrew was bred to be a winner. It's rumoured that foreign bloodstock interests are attempting to mate an unraced full sister 'Maree Boagus'. With firmer tracks, muscle problems cleared by vets 'Donbern Assoc' and being able to race without blinkers now that his leading distraction is spelling in Queensland, leading trainer 'Mr Cruel' considers Andrew to be cup material.

All Bedas wish 1sts player Bernie 'Rivas' Rivalland a speedy recovery following serious surgery at Epworth. Rest up for 'Tassie' mate.

### 50 GAMES - GLENN ALEXANDER.

Old Ivanhoe would like to congratulate the reaching of 50 games today by Glenn Alexander. Glenn has made his mark in the seniors as a dashing backman often setting up many attacks into the forward line with his ability to exploit his natural pace and pinpoint disposal. Hopefully we will see his clearing runs for years to come.

### MILESTONE AT ROVERLAND

Committee, players and supporters would like to congratulate **Barry (Num num) Bird** on reaching 300 games for the club. Barry first started with the club in 1974, commencing in our U19 and has since gone on to become a consistent player for our 2s, with the occasional game in the 1s. Barry's achievements have been 3 B&F, One 2nd B&F and most determined all in our 2s. Barry has also been a member of the committee and this year is captain of our 2s. Everybody hopes that it all goes well on Saturday and the boys can pull off a win for your 300th game. Congrats Barry, put in a good one for your 2nd last game and we all hope you stay around at the club when you finally hang up your boots at the end of this year. Also we would like to congratulate **Richard Thompson** and **Greg (Virgil) McDonald** who both played their 50th games last weekend (1/8) against Preston. Well done boys, and we hope you stay around the club for another 200.

# Ansett Australia.

## E STREET by Tom Brain

Contrary to the Phantom's opinion E-Street remains the closest section in the competition. 2 rounds to go – 6 teams can still make the 4 spots available, while at the other end **Bulls** and the **Wicks** still battle for survival.

### REVIEW

**Doveton** again kicked the sweep with a big victory over the struggling **Latrobe**. The visitors kicked 4 of their 6 goals in the 1st qtr but had great difficulty with their game after that. The **Doves**, with a few injuries, got to test their depth and still keep their momentum going, their motivation is good and they have a fine mix of youth and experience. **Dyke** with 7, **Stokes** with 6 and **Burgo** with 3 were fine forwards, while youngsters **Pauline** and **Al Campbell** played very well. **Andrew Murphy** was missed around the packs. The **Trobs** were pleased with **Lieschke**, **Brown** and **Mario Bakogiannis** yet again.

It was nip and tuck all day out at **Bulleen** where **ANZ** just hung on to record a very important victory. It was close all day with neither side forming any clear advantage. In the last qtr, which seemed to last forever, the **Zedders** playing very good football but to their credit the **Bulls** kept plugging away to narrow the gap to only 7 pts when the final siren sounded. **ANZ** had fine players in **Swooper Lasslett**, **Manny Nicolosi** (18 marks), **Peter Smith** and **Timmy Reed**. For the **Bulls Keays** across half forward was always a danger. **Dick Morley** repelled many attacks and **Kelly** was a fine rover. Special mention to **Bulls'** veteran **Howard Turvey** who played a great defenders game in the Ressies.

So much for trying to tip upsets as the injury riddled **Elsternwick** found the desperate **Northies** just a little bit strong. The **Wicks** were in trouble from the first bounce with a number of last minute withdrawals a few blokes being forced to play 2 games. The **Northies**, who realised their finals future was on the line, totally dominated the 1st ½ to lead by 9 gls at the long interval. However, to the **Wickers** credit, they rallied together and even without **Spider** showed great courage to win the ball well and outscore the home side in the 2nd ½, the **Northies** appeared to line badly. **Deano** kicked another bag with 7, **Barry Thorpe** was a fine defender, **Chris Keay** gave them an option at chf and **Joe Boudoloh** was a fine ruckman. **Lethal Leigh Murphy** was superb in the centre, **Denny Contin** as usual was everywhere and **Laine McCooke** competed very hard trying to restrict **Deano's** opportunities.

**Brunswick**, as has been their practise of late, came out pumped and jumped their opposition, and from then on the game was all but over. **Aquinas** did their very best and did keep persisting a fine trait in any side but on the day just found the **Wicks** too tall, too strong and too good on the day. For the **Wicks** **Dayson "Snake" Carroll** was a fine centreman, **Robbie Shaw** started it all from the ruck and **Ian Campbell** controlled the defensive lines in a fine team performance. For the

**Bloods** whose finals chances took a nosedive, **Flynn** across half forward, **Tarulli** on the wing and **Grierson** around the packs all played top games.

The final game which was controlled a fair bit by the wind was a tough even contest with not much in it. **Glenhuntly** started well and took the early lead, **Powerhouse** fought back kicked 7 in the 2nd term some from a long way out to lead at ½ time. As usual the 3rd qtr turned out to be the championship qtr where the **Hunters** took control with a 10 gl burst led by coach **Mike Smith** with 5 gls and 100 gamer **Timmy Hill** who totally dominated. The last qtr was fairly even with the home side holding on for a well-earned victory. **Mance** a rejuvenated back pocket was a fine ruck rover, **Kevin Angwin** in the centre was a good player and **Phil McGrath** did a great job at full back. **Andrew 'Doc' Morris** controlled the ruck all day in a fine performance. **Peter 'Aspro' Hollowood** found a bit of form at the right end of the season and **Peter Ford** played his best game since coming to the club.

### PREVIEW

**Bulleen** whose form of late has been pretty good will just have a bit too much incentive today for **Latrobe** who must really for looking for the seasons end.

**Brunswick** face a danger game down at the Backyard. The **Wicks** will be really pumped this is their last chance it is a must game for them. But **Brunswick** also will be up and they must maintain the coveted double chance and this will be enough for them to just sneak home.

**Doveton** will continue to flex their muscles would be advised not to relax as mathematically the **Bloods** can still make the finals, but the **Doves** will end those chances today.

**North Brunswick** and **Powerhouse** is a very important game. The **Northies** can shut the door on everyone today even though in my head I'd like the result to go the other way. **North** will win.

I'll try again this week and tip another upset. **ANZ** will be desperate they still have a chance, they control their own destiny and will take the first step today by beating the **Hunters** in a very close game.

**SELECTIONS:** **Bulleen**      **Brunswick**  
**Doveton**      **North Brunswick**      **ANZ**

**MILESTONES:** Bulls veteran **Ian 'Legend' Cairns** retires yet again believe he took the balance of the **Hyphen's** cheque book with him. 100 games to Hunter's **Timmy Hill** and 50 to the House's **Shane Cross**.

**PRESS CORRESPONDENTS:** 2 weeks to go, back on track this week with another perfect score. The numbers are 869 3777 (W) or 571 4808 (H) and fax: 569 8766 by 6pm Mondays

#### SHANE CROSS - 50 GAMES FOR POWERHOUSE

This week (8/8) **Shane Cross** plays his 50th game for Powerhouse. Shane has been a great player for Powerhouse especially in 1990 when he won the seniors B&F. Unfortunately for Shane, he has been hit hard by injuries throughout his career especially this season, although he has begun to hit top form. All at Powerhouse congratulate Shane on finally getting 50 games.

## F-TROOP by "Stand-In"

**Peter Hille** where are you? The greatest sports reporter since **Alf Brown** has vanished. With 2 rounds to go the positions inside the six are unknown with only the **St Leo's** and **St Mary's** second semi being the only definite game at this stage. It's a shame they don't have a final six for socialising as I feel **Boronia Park** and **West Brunswick** would be the top two sides. It was good to see the **Bruswick** boys stay back last weekend as they have a long way to travel. It's also great to see that after a game of football that all sides stay back and socialise, because it helps clubs financially and the friendship that you can gain with the opposition.

### REVIEW

The **Old Essendon** ground, a graveyard for a lot of sides this year, was no exception for **FIT** as they were thumped by 213 pts.

**Richmond Central** continued on their good form of late by defeating a disappointing **St Andrew's** by 22 pts.

Arch rivals **UHSOB** and **Uni. Reds** had a close game with the **Old Boys** being victorious by 6 pts.

**West Brunswick** held off a determined **Boronia Park** to win by 10 pts.

**St John's** were too talented for **Chirnside Park** to register a 63 pt win.

**St Leo's** were too good for **Old Carey** at Elsternwick Park by 55 pts in the VicHealth Match of the Day.

**St Mary's** showed they are the 2nd best side in the competition with a great 37 pt win over **Peninsula**.

**St Pat's** at home held off **Salesians** to win by 13 pts.

### PREVIEW

**Salesians** host **St Leo's** and after their first round hiding will be hoping to turn the tables but I only said hope. **St Leo's** by 10 goals.

**Boronia Park** travel to **Mentone** to tackle **St Pat's** who would be on a high after their great win last weekend. At home **St Pat's** by 4 goals.

**FIT** and **Chirnside Park** will be a very close game but again at home **FIT** by 2 goals.

**Peninsula** and **Uni Reds** also will be close but at home **Peninsula** by 5 goals.

**Uni High** after their good win last weekend will be too good for **St Andrew's** and should register another win by 5 goals.

**St Mary's** who tackle **St John's** will be hoping to square the ledger after their surprise loss last time between the two. **St Mary's** by 5 goals.

**Old Essendon** journey to **Bulleen** to tackle **Old Carey** in a very important game for both sides, with the winner holding on to the important 3rd spot. As I have been witness to both sides I feel **Old Es** will be too talented and will win by 5 goals.

**Richmond Central** at home should win comfortably against **West Brunswick** by 4 goals.

### 100 GAMES AT OLD CAREY

**Michael Cooke** today (8/8) completes what must be some form of record. After playing his first game for the club way back in 1971, he today plays his 100th. Some 22 years later. Michael played from 1971-75 before being coaxed back to captain coach in 1978. After 1978 Michael played at Olinda and Uni Blacks. With a few seasons of retirement under his belt, Michael decided last year to make a comeback, achieve 100 games for the club and help the younger players with his vast knowledge of the game. For those of you with long memories, Michael also played a couple of games for the Hawks in September. Well done Michael.

### PENINSULA MILESTONES

All at POBFDC congratulate president **Neil 'Father' Franks** on playing his 100th Senior game for the 'Pirates' last week (1/8). 'Father' is one of the most respected members of the 'Pirates' due to his great determination and drive both on and off the field and we wish him all the best for his next 100 games.

Congrats to **Simon 'Macca' McMahon** on playing his 100th game 2 weeks ago (25/7). A tireless worker in all capacities around the club, 'Macca' has been one of the club's greatest assets in the last few years. All at POBFC hope 'Macca' goes on to play another 100 great games for the 'Pirates'.

Also 2 weeks ago (25/7) **Michael 'Chesty' Chesterman** played his 50th game for the 'Pirates' after abandoning the ship for a couple of years and going O.S. All at POBFC look forward to another 50 successful games from 'Chesty'.

## G SECTION by Norm Nugent

Semi Finals results netted me a 25% return which is by far my worst result of the season.

### G NORTH

#### First Semi Final

Bravo **Marcellin!** Our Maristian relationship brought my sole selection success when the 'Eagles' doubled my prediction and defeated the **Eitham 'Turtles'** by 20 pts. **Marcellin**, who built a 1st qtr lead, maintained it throughout the game. The 'Turtles' who trailed by 8 pts at the long interval were unable to wrest the lead in the 2nd half. Four goals by **Treganowan** in a match total of 12 (seven by **Marcellin**) stamped his efforts as match winning ones whilst once again **O'Callaghan** did well against the 'Turtles'. Another factor in the **Marcellin** victory was the ability of their defenders to limit **Eitham** forward **Tim Stickland** to 2 goals. For the 2nd time this season the good play of the **Tucker Brothers** and **Thorsen** gave the 'Eagles' bench a lot of worry. However, overall **Marcellin** proved too talented and so the **Eitham** season has come to a premature end while the 'Eagles' earned the opportunity to soar to higher success.

#### Second Semi Final

In the greatest upset of the season **St Bernards**, aided by accurate kicking inflicted the 1st defeat of 1992 on **Bulleen-Templestowe** by 28 pts. A great opening quarter by the **Saints** set up their victory as at the 1st break they led the 'Bullants' by 31 pts. By 1/2 time **Bulleen-Templestowe** had reduced their deficit to 18 points which proved a fruitless effort as **St Bernards** powered away again in the 3rd quarter. At 'Kiwi fruit time' (a **Devers** legacy) **St Bernards** had built their lead to 29 pts; a margin which **Bulleen-Templestowe** failed to decrease in the final quarter. For the winners **J. Monaghan** with 5 goals and the **Klaaysen** brothers again did very well as did **Vinemcombe** and **Doolan** for the 2nd time this season. For the 'Bullants' veteran **Paul Ryan, Parris and Kile** again did well and it wasn't their fault **St Bernard's** are now Grand Finalists.

### G SOUTH

#### First Semi Final

**Mazenod** after their sterling victory over **Old Xaverians** in the last home and away round crashed against the proven **De La Salle** side who won this final by 39 pts. **De La Salle's** best included many stalwart clubmen - names like **Maher, O'Callaghan and Manning** are etched in the **De La Salle** history. This victory served to add another episode to their contribution. The regular stars for **Mazenod** were held by **De La Salle** players and so a lot of customary **Mazenod** drive was missing. Upon reflection **Mazenod** can be pleased with their season's efforts.

#### Second Semi Final

**Old Xaverians** showed their form against **Mazenod** was not their true form when the 'Crocodiles' reboun-

ded to defeat 'minor premiers' **Monash Whites** by 35 pts. As in Round 3 the **Monash** defenders could not contain **Xaverian** forward **Dalton** who again booted 7 goals. The **Xaverian** accuracy indicated that their forwards were not sufficiently harassed by **Monash** defenders. For the 2nd time against **Old Xaverians**, **David Gemmola** did well for **Monash**. However, **Monash** players were unable to control the ball sufficiently to feed their leading goalkicker, **Sinn** who only managed one for the game. Congratulations to **Old Xaverians** who thus move to the Grand Final.

### PREVIEW OF AUGUST 8 GAMES

#### Preliminary Finals:

#### G NORTH – Bulleen-Templestowe vs Marcellin

These near neighbours met in Round 6 on May 16 when **Bulleen-Templestowe** won by 49 pts after a very accurate display. **Shellard** had a real day out for the 'Bullants' and received great support from regular best players **Paul Ryan, Parris and Saw**. Each of these men could prove dangerous to **Marcellin** if allowed latitude. For **Bulleen-Templestowe** how to curb **Treganowan** (5 goals in Round 6 and 4 last week) is the major task. Other players likely to worry the two 'Bullant' coaches include the consistent, **O'Callaghan, Robinson and Paonessa**. I believe last week's aberration by **Bulleen-Templestowe** was only a temporary one and that given their superior performance rate during 1992 I expect **Bulleen-Templestowe** to win narrowly and go on to challenge **St Bernard's** on August 16.

#### G SOUTH – Monash Whites vs De La Salle

When these sides met in Round 15 it was **Monash Whites** who triumphed with a 46 pt victory thanks to 'a great team effort' part of which was **Sinn's** 7 goals. It is interesting that 4 of **De La's** best that day were also named in their Semi Final victory – namely **O'Callaghan, Fay, Ladson and Manning**. These players as well as key forward **Losinno** will pose major threats again today to **Monash**. Last week the **Monash** stars failed to shine and today they cannot expect an easy time from the experienced **De La Salle** players who see themselves as again being the 1st leg of their club's 2nd premiership quadrilla.

To select the winner presents a difficult task. Although not as strong as in 1991 **De La Salle** lack nothing in determination and effort whilst **Monash Whites** have been the section improvers who head the final 1st round ladder. As **De La Salle** have the more impressive forward line and the greater experience in hard finals' encounters I select them to win. Sorry **Monash** but I have leapt off your bandwagon in a hurry – **De La Salle** should win by 11 pts.

#### Gala Grand Final Breakfast

**Memo to all clubs:** Organize your table now – my long standing friend **David Dressing** awaits your call on **802 4396**.

**Who will be the G Section team of the year?** The two premiers; Old Westbourne who improved greatly; one of the less successful sides who faithfully turned up each week to face a thrashing?

**Who is the personality of the season?** Paul Ryan and/or Mal Prior?; Star forwards Treganowan or Dalton; Camberwell Coach Steven Sherry?; Monash White's Greg Leech?; Monash Gryphons: Arnold O'Brien?

**BE THERE** on SEPTEMBER 20  
to LEARN THE ANSWERS.

### REVIEW OF LAST WEEK'S GAMES

#### DIVISION 1

**Xavs** continued their consistent march to the finals with a good 5 goal margin over **De La** which puts **De La** into a keen battle for the double chance. **Stones** and **Tucker** with 4 each were again **Xavs'** main scorers with **Dalton, Cook** and **Barlow** their best. **Haileybury** went from **Gorillas** to **Killers** with their first win of the year at the expense of the **Eagles**. **Scott's** finals dream is now officially ended. **Gilla's** best were **'Richo', Pete Jenner** and big **'Fish'** and **Matt Kelly** snagged a few. **OMs** survived a 'testing' encounter against a disunited **Bernies** team at the Junction. Good to see the disciplined team get the results they deserve! **OM's** best were **Teelow, Richardson** and **Wallace-Smith** while **'Branch'** showed he still could find the goals after a long absence. The consistent **Nodders** got home from **Ormond** by 8. **O'Hara** got 6 and **Harrison** got his usual 4 for **Nodders** with **Crowe, Baxter** and **Occhipiti** their best.

#### DIVISION 2 CENTRAL

**OTs** survived the 1/2 time 'interlude' to get home from **Kew** by 2 goals and keep the finals chances glimmering. **Matt** 'the silent one' listed **Toby Gibson, Gutteridge** (4) and **De Stefanis** as **OT's** best. **Carey** are still hanging in with a chance and keen to prove **Hagar** wrong after their 11 goal win over the **Blacks**. Skipper **Craig Glindemann** led well from the quiet end of the ground and big **Marcus** controlled the rucks. **Toby Mitchell** was **B.O.G.** despite **Christian Hyndman's** effort in booting 8 majors. **Ivanhoe** hung onto 4th spot after a hard working win over the **Bullants**. **McGowan** was again **Hoes** best and was helped well by **Leighton Pearce** and **John Raywood**. **Hagar** reported on the **Parade** vs **Blues** game (only 30c for a phone call **Steve**!!) and said the big man power of **David Koczkari** and **Richie Dodds** saw **Blues** break away in the 2nd half. **Hagar's** prediction - 'Blues must do more/concentrate to threaten in the finals'. **Parade's** best were **McCrohan, Pagan** and **Batchelor**.

#### DIVISION 2 SOUTH

**Bedas** repeated their easy win of a fortnight ago against **Oakleigh** with a 15 goal margin, 6 of them booted by **Gerard O'Brien** with **Brendan Beasley** their best. **Peter Fountas** booted 10 in **High's** easy win over **Old Hoes** with the consistent pair of **Paul Barge** and **Jade Vidal** pleasing their coach. **Jackers** were well behind at 1/2 time but rallied to edge out **Ashers** by 2 pts and thus save me a 'slab' - thanks **Jackers!** **Simon Frid** did a good job at full back on leading goalkicker **Douglass** with **Jeremy Wrobel** and **Brett Duzenman** also firing. **Tonners'** inaccuracy cost them valuable percentage against the **Rovers**. **Simon Antonis, Daniel Atkin** and **Perry Robinson** did best for **Brighton** whilst **Rovers** best were **Shaun Magee, Matt**

**Hope** and **John Dakis, Parkers** also missed out on percentage against **Scotches** because of inaccurate kicking with **Vinnie** being the major offender despite his 6 goals (I reckon you've got to play him at F. Fwd **Michael**). **Tony Spirli** and **Brian Pedler** did well for **Parkers** while I thought skipper **David Paolo** was the best while I was there.

### PREVIEW OF TODAY'S GAMES

#### DIVISION 1

**De La** should beat **Monds** and **Xavs** will roll the **Eagles** in a couple of one sided games. **Gilla's Gorillas** are probably still celebrating last week's icebreaker but they'll come back to earth today when **Murphy's Maulers** take to them. I think **Tones** should be about one kick too good for **Haileybury**. Two teams that are down on form meet at Keilor and if **Bernies** can get their discipline back together - anything would be an improvement on last week - they should beat **Collegians** easily. **OMs** and **Nodders** should be a terrific game with the vital double chance the target. **Nodders** have certainly been more consistent than **OMs** but as the **OMs** are capable of a little more 'brilliance' and, having the legendary 'Branch' back in action, I think they can squeeze in to keep the double chance alive.

SELECTIONS: **De La Salle, O. Xavs, O. Mentone, St Bernards, O. Melb.**

#### DIVISION 2 CENTRAL

**Therry** will be dusting the cobwebs off the boots after their 4 week break and will probably be slow starters against **OTs**. However, I think they will move into top gear in the 2nd half and collect the 4 pts. The battle of the **Uni** teams will be a one sided affair with the **Blues** showing the **Blacks** no mercy. **Old Carey**, with the bye, will be hoping for a **Kew** win over **Ivanhoe** but I'm afraid they'll be disappointed as the **Hoes** are determined to hang onto 4th spot. **Camberwell** will put an end to **Parade's** hopes of a spot in the finals whilst **Friars** will just edge out the improving **Bullants**.

SELECTIONS: **Therry, Uni. Blues, Ivanhoe, O. C/Well, Whitefriars.**

#### DIVISION 2 SOUTH

**De La's** efforts of the last fortnight have been dramatically improved and at home, will take it right up to the **High** boys but **Steve's** lot have too much at stake to let the **Ds** get a hat-trick. **Scotches** were a little undermanned last week but still took it right up to **Chirnside**. With a few more back this week and at home they should be too good for the **Fields**. **Ashers** almost upset **Jackers** last week but it won't be an upset today when they beat the **Rovers**. The other 3 games should all be pretty close. I think **Jackers** will put **Bedas** in the hot seat for the finals spot with a narrow win at Albert Park today whilst **Tonners** will use the 'wind tunnel' to

advantage against **Parkers** and put them in danger of sliding out of the 4. The other close one will be between the cellar dwellers **Oakleigh** and **Old Hoes**. The **Hoes** best form this year has been at home and, whilst the **Oaks** have slipped a bit in the last couple of weeks, I think they might just be a kick in front at the finish.  
**SELECTIONS: MHSOB, AJAX, O. Scotch, Monash, O. Brighton, Oakleigh.**

Winning clubs phone me on 568 4727 (Sun.) or fax 646 0872 (Mon) with best players and main goalkickers.

### SLAB CHALLENGE

**Ashers** just missed the 24 greenies last week and I did offer the **Fields** slab to 'Cougar' on Monday but he couldn't take them so I guess I'll try to get 'Chippy' to be the courier. **Old Hoes** have their best chance to notch up a win today and I think that a slab might just be enough to help them get up against the **Oaks**.

## COACHES CLIPBOARD

edited by  
**Mike McArthur-Allen**

### LIES, DAMN LIES AND STATISTICS

by Ken Bremner – Assistant Coach, Commonwealth Bank AFC

I myself have never been a big advocate of statistics. Whether it was a matter of distrust in those who tallied them or something in the stats I didn't want to see, I'm not sure. My concentration as Snr coach was focussed on the game as a whole picture and not on individual issues. This season ('92) in my capacity as assistant coach to Craig Jackson I must admit that I've seen statistics in a different light. Craig organises on a match to match basis. Tally teams to gather specific data on his own charges as well as those of the opposition. Individual stats aside the most useful data I find is the teams based facts and figures i.e., tackles, shepherds, smothers and all other 1% efforts.

The issue of usefulness of statistics in Aussie Rules Footy is debatable. Whatever data is gathered by statisticians will not turn losers into winners. Generally speaking, the reason that stats are taken are for three (3) prime purposes: 1/. Evidence, 2/. Indication of weaknesses and strengths, and 3/. Feedback, reinforcement and motivation.

**Evidence** – A) Isolation of strengths and weaknesses in individual and team performance patterns may necessitate changes of personnel and/or position. B) An invaluable source of feedback for both player and coach to determine which players and/or strategies are more effective to the overall team performance.

**Indication of Weaknesses & Strengths** – A) Over a period of time trends can and may appear to which the coach/player can structure practice drills to rectify or further strengthen. B) Following practice sessions to rectify weaknesses and enhance strengths, stats are

useful to evaluate the effectiveness of the remedial/practice work.

**Feedback, Reinforcement & Motivation** – A) Statistical analysis can be a beneficial coaching aid by helping to reinforce a player's performance. B) Feedback on a one-to-one basis re an area of deficiency can be extremely motivating. C) Recognition of effort. Making stats available to players will highlight both positive and negative performances. Positive will stimulate, negative should be used to isolate and overcome weaknesses.

Game statistics must be kept in their right perspective. They only tell part of the story. A coach must use all of the resources available to him, both human and mechanical. Human resources are the coaching staff, match committee panel and club members and players. Mechanical devices are audio visual aids.

#### In summary, What Value are Statistics?

The statistics which can be taken from a game can provide a coach with valuable information. A coach needs to have objective data, in addition to his 'gut' feeling from the game, to provide him with some basis for making decisions through the game. This data also provides valuable information to assist with the design, planning and implementation of practice drills to overcome deficiencies identified. So many things happen in a game that it is impossible for a coach to remember all aspects. However, with this supportive information, he can make more informed judgements.

### FOR GOOD PLAY - STICK TO FUNDAMENTALS

by Keith Tustin – Reserves Coach, Parkside AFC

Aspiring footballers who depend on talent alone can be a liability.

Being competitive is more important than being talented and it's a matter of basics.

With top teams it does not matter how much skill and talent you have, if you don't work hard in the 3 areas of the game you're a liability to the side. You have to be prepared to work hard at:

- 1) getting the ball;
- 2) Keeping it; and
- 3) When the opposition have it you have to work at getting it back.

The fundamentals include such things as chasing, tackling, smothering, talking, punching from behind and manning up when the opposition have the ball. These are fundamentals that a footballer must memorise if he is to be competitive. He must work hard while the ball is in his area, then the rest will fall into place.

We grow up kicking goals and taking speckies, they come naturally to us and everyone loves to see those things but as Charlie said to Maverick in TOP GUN 'it takes a lot more than the fancy flying'.

At top clubs they enjoy success through the feats of some great players but when you analyse those feats you can easily see that they are steeped in discipline. How a great mark or goal happens depends not only on the talent of the specific player, but in most cases the teamwork and hard work that take place up the ground.

I believe that top players discipline themselves in adhering to the fundamentals. If you, as a player, can do this, you certainly will enjoy your football a lot more. Your loyalty to yourself is expressed in the way you keep your performance from slipping.

If you have learnt the fundamentals and adhere to them and commit yourself to improving your level the rest just falls into place and you STAND OUT.

## MOUThGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

**All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.**

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches** and **club officials**.

**NB:** Eleven Old Carey U19 and four Old Haileyburians U19 players have just received their \$20 rebate. Do you have any U19 players who qualify?

### ROUND 17

#### 5 YEARS AGO – 1987

Hot favorites, **Kew** won the second semi in 'C' very easily to move into 'B' Section. **Kew** led **Monash Blues** by 39 pts at 1/2 time and went on to win by 95 pts. Best were **Jenkins, Griffiths, Clayton, Cavanagh** (6 gls).

**Monash** would regroup to meet 1st semi winners **Old Melburnians** who finished too strongly for **Thomas-town**. Only 1 pt separated the teams at the final change. **Old Melburnians** kicked 3.6 to 1.2 in the last quarter. **Cordiner, Seccull, Bradshaw (Old Melb.)** and **Sinni, Assettta, Fellowes (T'town)** were best.

'D' Section B&F **Mark Dyson** was **Old Invahoe's** best player in its narrow win against **St Kevins** 6.16 to 6.7. Others to star were **Wells, Ball, Doddrell, N. Skalberg, Ryan**. The **St Kevin's** best were **A. Mulcahy, McKaige, Stone, Watkin**.

**Old Mertonians** 24.16 defeated **Bulleen United** 13.12 in the 1st semi. The **Sciaccia** brothers (V & D) and **Acreman** (9 gls) were **Mertonian's** stars.

'A' Section B&F, the **J.N. Woodrow Medal** was won by **Frank Gleeson (Old Paradians)** 19, from **Mike Greene (De La Salle OC)** 17, with **Simon Macauley (U. Blues)** and **Steve O'Rourke (North Old Boys)** 16.

**Frank Gleeson** was the 1st **Old Paradian's** player to win the 'A' Section B&F since **Denis Dalton** way back in 1963.

The **G.T. Moore Medal** for the 'B' Section B&F player was won by **Gary Williams (Parkside)** 24, from **Nick Heath (U. Blks)** 20, with two **St Bernard's** players, **Mark Mahady** and **Mick O'Dea**, 3rd on 15 pts.

The 'C' Section B&F, the **L.S. Zachariah Medal** was a great result for **Thomastown** with **Tony Fellows** on 22 winning from **Mick Sinni**, 2nd on 15 pts with **Gary Phillips (Old Haileybury)**.

#### 10 YEARS AGO – 1982

At the AVFA's Annual Cocktail Party, a special "50 years' service" presentation was made to **Fred Coldrey** who began his involvement in 1926 as a Member of the 1st Hampton Scouts troop football team. **Fred** became VAFA Delegate in 1933, and was still there in 1982. All joined in congratulating **Fred** on his magnificent performance.

When **Old Melburnians** (B) ran onto the ground to play **St Bernard's**, coach **Laurie Aghan** coached his 500th game in Amateur Football. Premierships with **Reservoir Old Boys**, then back to back 'B' and 'A' flags with **Old Scotch** – his record, 16 grand finals for 9 flags in 13 years. **Laurie** also coached the VAFA side in 1974 (and went on in 1983 and 1984 to again be successful state coach, against the VFA, VCFL and SA).

**West Brunswick's** striking big man **Bruce Ivey** played his 250th game – 3 times section B&F, 8 Club B&F, **Bruce's** contribution to the Club was truly magnificent – committeeeman, Chairman of the social

committee, delegate and assistant secretary. **Bruce** also represented Victoria in Tasmania with great distinction. He is still at the Club and is currently the VAFA member.

Top two teams in 'D', **Parkside** and **Old Ivanhoe**, met with '**Parkers**' too strong in the 2nd half to win, 17.16 to 13.14. Best were **Allen, M. Ware, McBride (Parkside)** and **Taylor, Baird, Jones (Old Ivanhoe)**.

#### 15 YEARS AGO – 1977

**Ormond**, A, 4th and one game clear of **Uni Blacks**, retained its lead when it scraped home by 3 pts from **De La Salle O.C.**, 2nd in A, final scores 9.13 to 9.10. Best were **Corben, Russ, Bourne (O)** and **McHenry, Crothers, McDonnell (De La)**.

With his goals in **Old Paradians** B, 56 pts win against **Old Melburnians**, **John Jordan** brought his tally to 500. His tally was the club best for 44 years, and had only ever been exceeded by two really great names – **Alan La Fontaine**, captain and centre for **Melbourne** in their League Premiership teams in 1939, 1940 and 1941, who kicked 18 in a match in 1929, and **Phonse Kyne**, captain, then coach of **Collingwood** and in fact coach of the **Magpies**' Premiership team in 1958, who kicked 12 in 1933.

**Old Xaverians** congratulated **Peter Fraser** on equalising the club record of 234 games held by **Peter Raffaele**. Always a forward due to his great pace, **Peter** was then leading 'C' Reserve goal kicking.

'B' Section coaches were **Ted Farrell (Coll.)**, **Ian Davis (Geel.)**, **Bill McWhinnie (Ivan.)**, **Darryl Cranch (M. Blues)**, **Brendon Danaher (Old P.)**, **Laurie Aghan (Old Scotch)**, **Mike Porter (Old Hailey.)**, **Tony Anderson (Old Melb.)**, **Barry Evans (Res. OB)** and **Norm Caine (St Kilda CBCOC)**.

#### 20 YEARS AGO – 1972

**Caulfield Grammarians**, after trailing **Ormond** by 45 pts at the last change, put in a great last term to go down by only 5 pts.

Best were **Candy, Macdonald, Ward (CG)** and **Wood, Bourne, Jackson (Ormond)**.

In a tight finish **Ivanhoe** scraped home by 4 pts from **Collegians** to hold 4th position in 'B' Section. **Collegians** threw the game away by kicking 2.8 in the final quarter.

**St Kilda CBC** retained fourth position in 'C' Section by defeating **Fairfield** – a reward for accuracy 11.1 up to the last, to finish up with 16.2 while the opposition **Fairfield** squandered opportunities with 13.7.

**Celleja** kicked 8 gls out of 16 but did not rate a mention in **St Kilda's** 6 best who were headed by **Bilston, Browne** and **Casey**.

**Reservoir Old Boys**, C, and **Old Camberwell**, F, were still undefeated.

250 games to **John Wall, Nat. Bank**, playing coach of the Reserves, and 150 to **Les Caldwell (Old Melb.)** and **Barry 'Tanglefoot' Wilson (Old Melb.)**.

**25 YEARS AGO – 1967**

**Uni Blacks** 9.16 defeated **Kew** 6.14 to take that team's place in the 'A' Section four.

**Collegians** and **Coburg** were both in the fight for the four.

'B' Section four was settled – **Ormond**, UHSOB, Uni. Blues, NMCCOB (now **North Old Boys**) but all were in the fight for the top 2 positions.

Clubs headed for relegation were **Old Melb.** (B), **St Kevins** and **Old Haileybury** (C) and **Preston** (D).

## CLUB PRESS CORRESPONDENTS AWARD

Would you like a weekend for two flying to Sydney, courtesy of Ansett Australia plus accommodation? WHO WOULDN'T? Well that's the prize for this year's winner of the **VAFA CLUB PRESS CORRESPONDENTS AWARD**.

Clubs interested in participating need to submit a scrapbook or similar presentation to the VAFA at the end of the season. More details are listed in VAFA Memo 11/92 (April 1992).

This is a great competition whilst at the same time

it is an essential part of raising your Club's profile in the print and/or electronic media.

Last year's winner was David (Dutchy) Holland from Old Mentonians. Dutchy and a lady friend had a fabulous weekend in Sydney at the Southern Cross Hotel and is already working hard again this year to keep Old Mentonian's media image highly visible. Well done David.

What about some other CLUB PRESS CORRESPONDENTS getting active and developing their own Media folios. They could qualify for this year's prize.

## Umpires Corner

by Mike Murray  
and Steve McCarthy

- Highlights of last week's **Association Meeting**: First up a hearty congratulations to the 2 new Life Members – **Andrew Belcher** and **Kevin Segota**. A great honour boys – well deserved. The meeting is always livened up by that little pocket in the corner (ringleaders were **AD**, who was blamed for everything, and **two** past presidents). The **Woody Award** was won by **Vinny Vescovi** in his 1st year as a fieldy he's killing them. A great effort in the 4km time trial from Vinny, too. New goalie **David (Yogi) Humphries** did well to pick up the **White Wacka** after his recent trip to the Riddell League. It was great to get a postcard from **Ronny Smith** who sounds like he's fair to s... house in **Bar-Bar-Barcelona**. The raffle winner was of course **Daggles** (first mention this year).

- A special thank you from **Macca & the team** who made last week's **200th** a day to remember. Especially **Richie, Pam** and **Henry Simon** for decorating the rooms pre-match. The **De La Salle** and **Old Scotch** people are also to be thanked for their kind words, even if **Ralph** didn't have much of a voice. A good night at Carrum Downs, too.

- While on **that game**, it appears that the wrong field umpires were appointed. During the 2nd quarter **Peter Rennie (DLS)** accidentally snapped a goal post. **Simon and McCarthy** couldn't do much and looked fairly helpless. We're sure that if **Chuck and Daggles** had the game they would've backed their vans up and had the problem fixed in no time, (for a small fee of course). After a bit of handy work by the DLS officials (supervised by **Bernie Hoare**) the game was back underway. Suggestions were made that **Peter Rennie** could be booked for time wasting...

- Congratulations to another 1st year fieldy **Shane Burdack** who umpired his first B Grade match last weekend. Nerves may explain his dress in the visitors rooms before the game. Anyway **Shane**, it's a great effort to get there – all the best for the finals.

- A couple of belated congratulations for milestones. **Geoff Ridd (Kevvy's godson)** umpired his **100th** game on 25/7. **Riddy** has become a VAFA legend since turning to umpiring after a distinguished playing career with **Kew and Parkside**. **Geoff** joins the growing list of ex-VAFA players to establish themselves as top class VAFA umpires. Also **David (Ball Tearer) D'attera** umpired his **150th** game last week. Just a few snippets on this former VFA legend (like **Freddy Cook**) – Tearer says he likes umpiring in winter because the cricket season only lasts

6 months (???) and he's looking forward to next months rendez-vous with old mate **Ronny (Granny) Smith** in the Greek Isles. This trip is making up for the 1990 'mystery illness' European Tour. We wonder how many parking fines he had stuck to his windscreen when he returned. Surprisingly, Tearer lists his favourite foods as Malt Sandwiches and Beer Biscuits. Pleasant trip, B.T.

- Two milestones this week. **Fifty** games to **Paul Vale** who joined us a couple of years ago from **Powerhouse**.

**Paul** retired as a player and umpired the twos for a while and then got the taste. Early this year he made it to B Grade and looks to have a bright future with the VAFA. Another young up-and-comer. Have a good one **Paul**. Next a big profile on one of the biggest field/goal/field/goal umpires. **Full name:** Andrew Cameron Belcher.

**Nickname:** None that can be published in a family magazine, eh, Rusty. **Year commenced umpiring:** On the boundary for **Collegians** in 1980, and in the field for the VAFA in 1983. **VAFA games:** 200 today. **Highlights/Achievements:** To have started umpiring in the 1st place, and to have lasted as long as I have. **Greatest Influence on Career:** All those people who give advice, (solicited and unsolicited) that I take heed of, not reject out of hand. **Football Playing Career:** Wesley school teams, Blackburn Utd and Collegians. **Football Pet Hates:** Spectators who know better than umpires but won't pull the whites on and do it. Cold showers, semi-submerged grounds, and fast-running teams. **Most Memorable Match:** 1991 D Grade 2nd Semi. AJAX vs Old Geelong. **Best Amateur Footballers Seen:** Steve Wiltshire (Peninsula), Richard Morley (Bulleen), James Bennett (Collegians), Mike Yeo (Uni. Blues). **Best Umpires:** John Horwood, Greg Hardiman, Richard Simon and Russel Francis (when he's not growling at me). **What I like about umpiring:** The friendships that you make and all the great Amateur people you meet. The training that keeps me partially fit. **Personal Ambitions:** To continue umpiring, and get more ex-footballers to start to umpire and not become blobs (People in glass houses Andrew – M & M).

- Getting closer to the finals now, so let's look at **Benny's Rule of the Week** – 10.1 A player may hold the ball for any length of time provided he is not held by an opponent.

- Don't forget the Seminar on the 17 August at North Melbourne.

# **WEAR A MOUTHGUARD**

## **When Training and Playing!**

**Well done VAFA!**

Our 1991 survey of players showed  
89% of mouthguard owners always  
wear their mouthguard at matches.  
But . . . Only 10-13% always wear their  
mouthguard at training.

So, wear your professionally fitted  
mouthguard when training and  
playing football.

Make this your GOAL in '92.
