EDITORIAL by Phil Stevens

As our B Section scribe would say 'Boy oh boy what a week it has been in Amateur Football'.

A few negatives but plenty of positives and with three weeks to go plenty of exciting and high standard football is in store for us.

The Finals' Program display below shows the progress of the finals plot so far, today's matches and venues and the **likely** venues for upcoming matches. Everyone should realize that venues for the weeks ahead are **likely** venues only and are **subject to change** once the participating teams become known on a Saturday night. Reference to the **Telephone Mailbox** (644 3921)

on a Saturday evening or the Sunday papers (Sunday Age/Sunday Herald-Sun) will provide the most up to date information.

One of the major 'downsides' of the week has been the alleged abuse of the use of grounds which belong to other clubs outside the Association or grounds where our clubs play but on which a social facility stands which is out of control of the VAFA club using the ground.

Amateur rules forbid the consumption of alcohol by spectators, officials or reserve players who have finished their game around the ground or in a social facility **even though** the facility may be open to members of other

REVIEW

Full marks to **St Bernard's**. They showed greater determination, concentration and commitment when they defeated **Old Haileybury** by 3 pts last week.

Haileybury had a disastrous start to the game when they only managed 3 goals with the breeze in the first term.

St Bernard's on the other hand, were magnificent booting 5 goals against the breeze which left **Haileybury** chasing all day.

Luke and **Jason Gollant** were instrumental in the victory providing great targets in the forward line.

Frank Dunell was impassable in defence and certainly set a fine example for his team mates.

In the first half **Haileybury** were kept in the game by the efforts of **Andrew Walden** in defence – he was everywhere!

Haileybury came out firing in the 3rd term but were trying to kick goals from too far out and hence they registered 3.8 for the term.

Simon Meehan had played well all day but when he was 'cleaned up' the **Bloods** chances took a dive.

Scores were even going into the final term and only a miracle was going to stop a **St Bernard's** victory.

Wayne Carey had won the ruck dual and consequently **Matt Mulkearns**, **Vin Comito** and **Corey Mallia** gathered many crumbs.

St Bernard's now will wait to see who loses between **De La Salle** and **Collegians**.

Haileybury can look to next year.

The loss of **Chris McKenzie** and injuries to **Peter Theissen** and **Glen Tanner** prevented the **Bloods** from showing their true form but that's footy.

Well done **St Bernard's** everybody was so impressed with your application – you deserved your victory.

PREVIEW – 2ND SEMI FINAL

Premiership favourites **Collegians** do battle with reigning premiers **De La Salle** at **Elsternwick Park**.

Collegians thoroughly deserve to be favourites in this game, they have dominated the season and finished two games clear on top of the ladder.

With a potent forward line and a strong defence coupled with talented on ball players the **Lions** have had few lickings this year.

Rick Schober at Centre Half Forward is the main target up forward. His marking skills are unique for his size and he is always in the play.

Around him he has **Michael Lake** and **Tony Parker** to crumb the chances.

Further forward we find the powerhouse combination of **David Hoyle** and **Stephen Mount** with resting rovers **Danny Thomson** and **Jeff Lemon** always dangerous around the goals.

It has been rare to see the **Lions** forwards well held this year but **North Old Boys** did manage it in the second last game of the year.

Peter Rennie will lead the **De La Salle** defence. The way things have been going it is more than likely that he will take on **Schober**.

Grant Sheedy has had a knee operation but could be right for today's clash, but I doubt it. If he is fit he will take **Mount**.

The versatile **De La** combination could see numerous players in line for a half back flank berth.

Mark Lowe, **Andrew Mackintosh**, **Paul Fuime** and **Craig Wright** are all possible contenders for the ½ back flank – your guess is as good as mine as to who will get the nod.

Across the centre **Collegians** have **Gary Irvine**, **Mark Hibbins** and **Tony Wallace**. These three know how to play their positions to perfection with **Irvine** and **Wallace** running and kicking long while **Hibbins** sits a kick behind play and sets up the forward moves.

Chris Campbell, **Julian Moloney** and **Chris Belleville** are just as capable as their opponents and the centre line battle will be well worth watching.

If anything the **De La** centre line is in slightly better form than **Collegians'**.

The **De La** forward line boasts **Pat Mannix** and **Nick Fraser**. These two are unbeatable on their day, but they are ever so unpredictable – up one day, down the next!

The other positions are filled with resting rovers, ruck rovers and sometimes even out of form defenders.

Sam Hunter has kicked goals when he has been given a chance up forward as has **Chris Campbell** and **Julian Moloney**.

The **Collegian** defence is rock solid. Skipper **James Bennett** continues to dash down the ground.

Brad Woolhouse, **Stuart Hinchin**, **Steve Laussen**, **Andrew Wright** and **Christian Davidson** are most hard to beat and they will be just as tough as ever today.

On the ball **De La** will have the irrepressible **Col McClounan**, **Ken Mullini** and **Andrew Ronch**. **De La** will be hopeful that **Brett Mahoney** will be able to prove his fitness for this clash as his natural roving skills have been missed of late.

Collegians are fortunate to have **Danny Thomson**, **Matt Galbraith** and **Chris Pollock** all in form and enormously talented.

The engine room has been **Collegians'** strength over the year and one would expect them to get more than their fair share of the ball today.

Collegians have the psychological advantage of defeating **De La Salle** only two weeks ago.

Bernie Dunn had the chance to see the full strength **Collegian** machine in full flight and if it wasn't for a final quarter lapse in concentration **De La** wouldn't have got the chance to be within a kick of the **Lions**.

Put basically, on form **Collegians** have a more potent forward line, a tighter defence and a super strong on ball department.

It is difficult to see **De La** stopping the **Lions** today.
The big game experience of **De La** will aid their chances but somehow I don't think that this will be enough.

Collegians, in their centenary year, have a great deal to play for and they should be able to hold out **De La**.
Collegians by 15 points.

sporting clubs who use the facility during a Saturday afternoon.

The message is clear. Clubs **must** keep all Amateur persons from these facilities until **after football has been completed** for the day **and** host clubs must ensure that other sporting club members do not bring alcohol outside the facility to watch the football.

If this is not adhered to two things must be considered. One – all future finals will have to be conducted at VAFA facilities only which will result in a large loss of income to the VAFA which is a budgetted item which will have to be made-up by a hefty increase in affiliations fees to compensate this substantial loss, and two – all future finals being conducted at non-VAFA venues who agree to **completely close** a social facility during the playing of matches. Obviously clubs operating social facilities would not agree to this and an excellent venue will be lost.

The onus is on all participating clubs to do the right thing, enjoy football while it's on and celebrate and enjoy the social aspects of football after the conclusion of the **whole** day's play.

Old Brighton begins its finals campaign this weekend at Elsternwick Park.

We have it on good authority that the 'Awesome Foursome's' ex-Old Brighton players will be on hand cheering on their mates.

Hopefully when the boys next take to the water they won't be as hazy as Hagar's crew above.

'The Villian' is overseas for two weeks. Reviewing and previewing this week and next week's matches is 1992 Banyule senior coach **John Simpson**.

REVIEW OF THE FIRST SEMI FINAL

Played in blustery conditions at **Elsternwick Park** the First semi final proved to be a game of contrasting halves. Prior to the game **Old Trinity** would have been seen as the logical favourites with the experience, team structure and year record to date as advantages. In the first half, bold and aggressive **Whitefriars**, who had made the First semi final after a courageous win over **Old Paradians** the week before, took the game right up to **Old Trinity** ignoring their opponents reputation.

The first quarter began with **Trinity** kicking against a strong breeze and **Whitefriars** with the wind to the scoreboard end. The decision by **Allibon** to kick against the wind after winning the toss, a risky one, but was vindicated at quarter time. **Trinity** played well into the breeze for the first 12-15 minutes and only then did **Whitefriars** capitalize on their advantage to score their goals. **Lane** for **Whitefriars** was providing a great focal point and despite their tag as a small running side, the around ground marking of players like **Bonnyman** in the ruck and **Coghlan** was shading their taller opponents. Unfortunately **Bonnyman** was to tire significantly and with him went his sides hopes in many ways. His removal from the ground late in the day, exhausted, virtually ended **Whitefriars** competitive aerial option.

At quarter time **Whitefriars** had scored freely and kicked accurately to establish a good score. Unfortunately, the efforts of **Trinity** early in the quarter had them perilously close at the first break. Observers at the ground would have assumed that with the breeze **Old Trinity** would run all over their opponents but instead their score of 3.7 for the quarter reflected their method of attack. Winning the ball in the midfield they constantly bombed the ball into the forward line, often shooting from too far out - they played with little system and used the wind advantage poorly. The **Whitefriars** players were applying plenty of pressure and their run and share game into the breeze began to come to the fore. By pressuring **Trinity** into making mistakes the likes of **Jenkins** and **Mark Bateman** were able to run the ball in and look for their leading forwards. Such efforts restricted and frustrated **Old Trinity** and saw the game evenly poised at half time.

But what a turnaround. **Whitefriars** failed to score a goal in the third quarter despite having the breeze at their backs. Instead they allowed **Old Trinity** to bring the ball forward with ease and score five invaluable goals against the wind. This outstanding effort decided the game. On numerous occasions, after an ill directed **Whitefriars** attacking move, **Balazsy** (playing as a loose man in defence) was able to run the ball out of defence and by way of the far wing at **Elsternwick Park**

link up to move the ball forward. **Alan Johnson's** directions were followed to the letter and the discipline showed by **Trinity** to follow instructions are to be admired. **Anderson** and **Norman** linked well and provided the running options as the wingmen received the pinpoint **Balazsy** passes and then fed off to midfield running options. **Trinity** now had lots of options up forward and these forward led well and played in front. The excellent delivery to leading tall forwards **Makris** and **Phillips** was converted and **Whitefriars** began to look short and were often caught well behind.

The final quarter was insignificant in many ways. **Trinity** peppered the goals and resorted to trying to score from too far out again. **Whitefriars** battled on gamely and will benefit from their experience in the finals this year. They should be congratulated for their efforts, as should coach **Geoff Reilley** who has done a fantastic job in his first year. **Old Trinity** now have a break to rest weary legs and get over niggling injuries. No wearier legs than **David O'Shaughnessy** whose courage and commitment on Saturday were commendable. They will provide the loser of this week's game with worthy opposition and are now in a good position to launch an assault on the Premiership.

PREVIEW

A game featuring two sides with opposing systems of play will greet Amateur followers at **Elsternwick Park** on Saturday. Arguable the best two teams in B Grade Amateur Football both deserve their place in the Second Semi Final. The running handball game of **Old Brighton** will be matched against the long kicking game of **Melburnians**. **Brighton** will look to getting numbers to the ball and a handball at all costs movement until they can deliver to the brilliant leading **Hayden**. **OM's** will base their game around their outstanding midfield of **Webb** and wingers **Anastaksis** and **Maskiel**. Supported by the dashing **Nichols** off half back. All will provide long ball supply to their tall marking forwards such as **Teal**. It will be an interesting game. I favour **OM's** on **Elsternwick Park** who will not waste the ball on the huge arena and get it into attack far more directly than **Old Brighton**. **Old Melburnians** to win a close game.

FOUR'N TWENTY

The Great Australian Pie.

Congratulations to the **Fawkner** Football Club on attaining promotion to 'B' Grade for season '93. Too add icing to the cake their reserves also won through to the grand final. For the vanquished, **Bulleen/Temp.** (seniors) and **Uni-Blacks** (reserves) they at least survive to fight another battle.

REVIEW (29 August '92) 2ND SEMI FINAL DAY RESERVES – FAWKNER vs UNI-BLACKS

After a promising start by the **Blacks** (4 goals to 1) their opponents slowly but surely picked up the tempo and by half time had squared the ledger, 5 goals apiece. After the long break **Fawkner** looked the goods in setting up and converting many scoring opportunities. Whilst they never threatened to run away with the game, victory was never really in doubt thereafter. **Blacks** must now focus solely on **MHSOB's** and win to get another crack at the top dogs. Meanwhile **Fawkner** can rest and recuperate at the expense of the remaining 2 combatants.

SENIORS – FAWKNER vs BULLEEN/TEMP.

1st Qtr – A lacklustre affair in which both teams took time to feel each other out. **Bullants** first on the board with a minor followed shortly after by a major to **Fawkner**. **Bulleen/Temp.** won the ball out of the centre twice to score full points on both occasions. The **Fawks** then settled and rallied to kick the remaining 2 goals of the qtr. and in doing so sparked themselves into some positive team football.

Fawkner 3.5.23. **Bulleen/Temp.** 2.3.15.
2nd Qtr – belonged entirely to **Fawkner** as they jumped out of the boxes like a whippet and exerted their supremacy to slam on 2 twins and force the opposition into catch-up footy mode. The engine room players of **Fawkner** were getting on top and giving their forwards ample opportunities to score. On the other side of the ledger every forward foray of **Bulleen/Temp.** was met by dogged resistance. So much so that the **Bullants** only added 1 goal to their scoreline and allowed **Fawkner** in for a 6 goal haul.

Fawkner 9.10.64. **Bulleen/Temp.** 3.5.23.
3rd Qtr – Was to prove to be the best of the game (scorewise) for both camps. A reshuffled line-up for the **Bullants** got immediate results and were able to penetrate at ease the previously impassable **Fawkner** backline. A couple of subtle changes to the **Northerners** line-up sparked them into action and after several passages of fast free flowing football they got going in a big way to negate the **Bullants** attacking game and register for themselves a very handy haul of goals. In the wash-up **Fawkner** won the qtr. on the scoreboard but the **Bullants** won back the admiration of the crowd (all bar the **Fawkner** supporters) with their tenacity.

Fawkner 16.13.109. **Bulleen/Temp.** 9.9.63.
4th Qtr – With the sting gone out of the game **Fawkner** were able to cruise into 'B' Grade in the easiest of fashions. The **Bulleen** boys to a man didn't throw in the towel at any stage but simply were beaten by a

physically stronger and more adept team on the day. The commitment level of both outfits couldn't be questioned, however, for members of both the **Bullants** and **Bankers** squads much homework will need to be done to plot the downfall of the **Fawks**, if at all possible.

Fawkner 20.15.135. **Bulleen/Temp.** 9.13.67.

For goalkickers and best players please refer to match details report.

PREVIEW (5 September '92) PRELIMINARY FINAL

SENIORS – BULLEEN/TEMP. vs COMMBANK

2 zip in favour of the **Bullants** gives them a psychological advantage but against this the **Bankers** have had a very nice little rest and time-out to study the opposition in action. Whatever the result I'm sure the game will provide a good spectacle in so far as skills on display from the array of talent spread evenly between the 2 teams. **Driver** on **Andrews** and **George** on **Melican** will be 2 battles which could go a long way in determining the winner. Engine room battles will be crucial to give respective forward lines the competitive edge. Defences will be sorely tested to hold out against quick leads and big hands of **Pace** for **Bulleen/Temp.** and **Rolfs** of **Commbank**. The more I study this game the more even the outcome appears. Very little separates these 2 teams but only 1 can go on to challenge **Fawkner** for the Flag and in doing so earn promotion. Either would be worthy contenders but to sort out the likely winner here's my summation: Break even between the midfielders, **Commbank** defence to hold out against the **Bullants** forwards and **Bankers** to win out slightly in the ruck division to give their forwards an edge in scoring opportunities to get home by the narrowest of margins. . . 3pts. Question: Will **Peter George** ever loan the 'Squirrel' his jacket again following this selection?

Variables – If a dry track, I stick to the above prognostication. However, if wet, soft and soggy (slow) I'm on the **Bullants** to win by 21 pts. it's called each way betting on 2 groups of good guys!

RESERVES – UNI-BLACKS vs MHSOB's

Stuck my head out last week and tipped the **Blacks** to do a 20 goal turn around and knock off the **Fawks**. Wasn't far wrong either I might add. Problem was that I added a rider and said that if they didn't win then they wouldn't or couldn't beat the **Schoolers**. Now do I weaken and change my mind about that or do I go for the jugular and declare all the reasons why I reckon the **Sth Yarra** boys will get the bikkies. I'll do neither, except to suggest that this will be one ripper of a rezzies game between 2 very talented outfits. The experience of the **Schoolers** sway me their way as does the threat of **Tony Drummond** sitting on me. Enough said, **MHSOB's** by 14 pts.

SPECIAL NOTE: Don't forget the big gala GRAND FINAL breakfast on Sunday 20th September at the Prahran Town Hall between 8am and 11am then off to the 'A' Gradew G.F. with free admittance. Book a seat at the 'C' table or with your own club.

D SECTION

LAST WEEK

They might have needed it in the VFA, but there was certainly no requirement for 'extra time' in last week's D Section Preliminary Final! When the final siren sounded, **Mazenod** had overwhelmed **St Bedes** to the tune of 57 points to set up a shot at their third premiership in four years. For only a short time in the first term, and ten minutes in the second, did the **Bedas** look like throwing out any sort of a challenge. The **Noddies** outmarked and outpaced them, and had winners all round the ground; their delivery into the forward line was significantly superior to the **Bedas**, who were forced into 'blaze away' mode for much of the game. **Noble** was a dominant force up forward for the **Noddies**, No 1 (**Kendall**) gave heaps of drive, and other players to catch my attention were **Maclean** who blitzed the opposition with pace, and **Marshall**. (That's the good news guys. The bad news is that I had an eye test yesterday – Monday – the result is a massive change in the prescription!)

For **St Bedes**, it was a disastrous day (three losses), and another big disappointment to echo their 1990 finals campaign. **Peter Lannan** and **Tony MacGeorge** would have taken my votes, along with **Sal Algeri**, and perhaps **Hambridge**, but for the second week in a row few players had any significant effect on the game.

In the Reserves, **Old Ivanhoe** traded in the penny-farthing for a V8, and **did** come out with all cylinders firing. Twice they outscored the **Bedas** against the wind as they regained some of the form that had taken them to the top of the ladder. **Bedas'** best were **Danny Spencer**, **Bill Dunstan** and **Mark Beasley** – whilst the **Hoes** named a massive list of best players: cutting it to 1/6 the size, they were **Darren 'O.D.' Caddy**, **Darren Scott** in the centre, and **The Dinosaur** in the ruck.

TODAY

This could be a great grand final. Both sides have similar strengths and great depth, and whilst **Caulfield** have been the more consistent over the season, the **Noddies** have certainly got their act together over the last fortnight. The **Noddies** are experienced finals campaigners and winning premierships has become an art form; few of the **Old Caulfield** players will have played much finals football before, yet the Club is hungry for success after a number of disappointing seasons – and a fine regrouping this year. Certainly the **Fields** players adapted quickly and easily in their 2nd semi final, and showed no signs of being green. Doubtless the influence of more senior players such as **Mathews** (who will have appreciated the week's rest) and **Berzins** will be helping their cause.

On the subject of green, the **Noddies'** full forward **Peter Green** managed only one goal last week out of a tally of 18; it's hard to see him being held to that number again today. **Noble** will also be a headache for the **Fields**; I wonder if **Andre Will** will be given the job –

he played a great game at centre half back when I saw him earlier in the year, but has been less prominent among their better players in recent weeks. At the other end of the ground, the **Noddies** will still need to watch **Mathews** carefully; he's kicked plenty on a number of occasions this year, but importantly the **Fields** had plenty of other strings in the bow when they won the 2nd semi.

Round the centre both sides have talented players – **Trevor Royals** is undoubtedly one of the best in the section, with **Glen Harrison** not far behind him (or is it the other way round?) but against the **Noddies** have powerhouses in the form of **Rogers** and **O'Hara**. All round the ground it looks like being a wonderful even competition, and picking a likely winner is one heck of a job.

The ruck duals will also be tight, although I expect the **Fields** duo of **Holmes** and **Ben Mathews** to hold a slight edge. In addition, one of the great strengths of the **Fields** – on their day – has been their tackling. If they can apply significantly more pressure on the **Noddies** than **St Bedes** were able to last week, then that could be a telling difference. I'm going for the **Fields** to take this game narrowly, especially if it's dry. If it's wet, I can't see the **Fields** handling conditions as well, so it looks as if two predictions are required: a mainly dry day – and a **Caulfield** victory by ten points.

Reserves: The **Hoes** will be buoyed by their much improved effort last week, and doubtless by another stirring motivational speech from their coach today. However, it's hard to go past the **Noddies** who were so totally in control when they last met. **Mazenod**, but it will be closer than last time.

Finals tipping, progressive totals: Firsts – 3 out of 3; Reserves – yet to score.

And we now have just two left with the rejuvenated **North Brunswick** now joining their neighbours in the Grand Final but more importantly earning for themselves that all important promotion to D-Section. After sneaking into 4th position the **Northies** have put together an excellent final series to this stage and fully deserve their elevation, they have certainly taken all of us by surprise and now play in the ultimate game. To **Noel Kenny, Paul Adams, Peter Fox, Dino DiMarco** congratulations on a job well done and good luck this week. A disappointing finish for **Doveton** who after being minor premiers and convincingly so, struggled at the final hurdle losing both their finals games. I'm sure it's shattering to them at the moment, but I'm also sure that when they look back and analyse their season in a couple of weeks they will realize they have come a long way and have a very solid footing on which to commence 1993.

SENIORS REVIEW

The game opened at a pretty brisk pace with both sides testing each other out trying to gain the psychological advantage and early ascendancy, and so at the first break the scores were pretty close with no-one really in control. The second term saw **North** start to take charge of the game. **Jason Tirschett** was playing a great game in the ruck and was nullifying **Big T** making it hard for the **Doves** to get the ball out of the middle. **North** worked really hard and in the end their persistence paid off as in the later part of this stanza with a loose man operating down one side of the ground they kicked a few goals to go in at the main interval with a handy break.

As in most football games these days the 3rd quarter is the championship quarter. Many games are won or lost here and this was to be no exception. **Deano** was creating havoc up forward giving **North** plenty of heart and instilling confidence in all the team. **Jason Tirschett** continued to dominate and **Kakafikas** must have a sore foot, the number of times he kept sending the ball in **Deano's** direction and so the **Northies** kicked 5 twins to the **Doves** one to all but have the game sewn up at 3/4 time with a 7 goal lead. The **Doves** were struggling, appeared to have a few players carrying niggling injuries and this appeared to affect their adaptability just a little. So the final quarter started **North** were still not finished, they kicked 3 early goals to open up a 10 goal break and ensure promotion. From here on in they appeared to tire just a little (something that could be a worry this week) to allow **Doveton** to kick the final 4 goals and add some respectability to their score. Nonetheless it was a great victory for the **Northies** who kept at it and did not deviate from their game plan. **Doveton** found the pressure a bit much and perhaps a bit of inexperience told at crucial stages but they will learn from this. Both sides has their share of good players but in my opinion no-one was better than **Jason**

Tirschett giving away many inches to big **Tony Ahdore** he really set it up for his side. **Deano** with 8 goals and a hand in a few others was tops. **Joe Boudoloh** in his 50th game competed hard against **Dyke**, and little **Kaka** was always about. **Doveton's** best was **Steve Reiger** who did a great job on **Ady Tirschett**, young **Campbell** was not overawed, **Burgo** was his usual self, and **Andrea Murphy** and **Johnno** continued their good form.

RESERVES REVIEW

This one was close all day with hardly anything in it. **Powerhouse** suffered a few injuries which did not help their cause, it left them slightly undermanned and did allow **Aquinas** to get their game going. The **House** led all day but one felt they never really had total control, the **Bloods** were unbelievable with their attitude and their refusal to give in, and this in the end proved the crucial factor as in the end they were just too strong and advanced to the GF with a 10 point victory. **Aquinas** really won the game out of the middle where **'Bogo' Rogers, Hacks** and **'Ned' Kelly** set it all up. **Dave Phelan** was superb across the back for the **House**. **Crossy** had a great 2nd half and **Copie** tried hard all day. All associated with **Powerhouse** wish to thank **George Tsolacos** who coached both sides all season. A superb effort - Well done **George** and the **Bloods** and all in the Street wish **Rob 'Boofa' Williams** a speedy recovery from his serious leg injury.

GRAND FINAL PREVIEWS SENIORS

Both sides have threatened me with the fear of death if I tip them this week, but the pen is mightier than the sword and I will make a decision albeit hard as I have tremendous respect for both clubs and all the personnel involved.

Before we get to the game both clubs have promised a tickertape parade down Sydney Road on Friday afternoon where they have promised to throw Pizzas and Salami to the awaiting throng. Nonetheless it should be a great game of Amateur Footy between the two best sides. **North** have surprised and are now a chance, **Brunswick** have improved as the season goes on and really deserve to start favourites. Both sides have some really good players **Northies** with **Vinny, Ady, Deano, Monty, Kaka** a strong defence led by **Vinnie and Barry Thorpe** while **Brunswick** have **Dasha, the Snake, the Watterson boys, Jacko, Kanna, Crossy, Strahny, Lars**, the list goes on.

The highlight of the game and what I believe where it will be decided will be the clash between **Danny Hall** and **Jason Tirschett** at the centre bounces. **Jason** will again give away inches but never stops trying but **Danny** is a class footballer (that will cost you mate), and the winner of this will set it up for both sides' little men. A week's break in Ammo finals is not always good but

today, I think it will work in **Brunswick's** favour and I'll tip them to win the Centenary E-Street premiership. I wish all the players from both sides the best of luck. May the better team win.

Two great tipsters this week **Danny Demir** who coached **North** to their last flag in 1981 and **Brunswick** to theirs in 1985 diplomatically tips a draw. And fellow scribe and newly re-elected President of VFAUJA Big **Mike Murray** tips **North**. Great to see you waving the twin calicos last week **Mike**, good job too, your shout now.

RESERVES

Should also be a good game **Glenhuntly** go in unbeaten which can be a worry, I'm sure **Schultz** will have his charges wary of this and will have them treating it just like another game. The **Bloods** never give up but will find the **Hunters** a bit strong today.

PRESS CORRESPONDENTS

MILESTONES AT BRUNSWICK

All at Brunswick congratulate **Brad Watterson** and **Ian Campbell** on reaching the **ton** in today's Grand Final. Firstly, to **Brad Watterson** a member of our '85 Premiership side who came out of retirement this year, carrying a few more kilos since we last saw him but he quickly regained his old form and is a key team leader, a courageous player always willing to do the hard work for the team. Secondly, to **Ian Campbell** who was also a member of the '85 Premiership side. Ian is a big occasion player and his versatility is the key to his game, whether it be holding the backline together or kicking goals he always gives his all. Well done Watto and Fumbles and we hope your individual milestones spur your team mates onto even more success today.

100 GAMES - HAYDEN HEWITT - AQUINAS (22/8)

All at the Bloods congratulate 'Hayds' on this significant milestone. Haydn has been a member of the last Reserve Grade Premiership side and while also being Runner Up in last year's B&F has played in numerous other finals and Grand Finals. He is looking forward to being in another victorious GF today to make game No **102** an even greater milestone. Congratulations from all at Aquinas Old Collegians.

Hello to Preliminary Final day. Congratulations go to **St Leo's** especially in their first year in the amateurs being promoted to E Grade for 1993. As for **St Mary's** its commiserations as they were expecting to feature in the Grand Final. Last week's issue I forgot to mention **Salesian** and **Peninsula** on the good year they both have had especially **Peninsula** who in 1991 struggled the year to finish 3rd bottom with a couple of wins. It just goes to show that with a few good players teams can improve and give themselves a chance of playing in the finals. Talking of the finals poor **Old Essendon** have had to travel more miles than the Leyland brothers to contest their finals. Anyway, Good Luck to both **Old Carey** and **Old Essendon** today with the winner going to E Grade and the loser staying in F for another year.

REVIEW

SENIORS: In the Second Semi Final **St Leo's** with an 8 goal last quarter defeated **Old Essendon** by 46 pts to advance to the Grand Final.

In the First Semi Final **Old Carey** were too talented for **St Mary's** to win by 31 pts.

RESERVES: **St Pat's** 'Golden Oldies' earned themselves a Grand Final berth with a hard earned 25 pt win over favourites **St Leo's**.

In the other Semi **Peninsula** proved too good on the day to defeat an injury depleted **Old Essendon** by 40 pts to advance to the Preliminary Final. Can they win the flag from 6th spot? Time will tell!

PREVIEW

SENIORS: As I sit here and write about this game I am pulling my hair (I've got no hair) out trying to get a winner. This definitely will be a no beg your pardons affair as promotion is for the winner. **Old Carey** would be happy with the return to form of the dynamic-duo **Ballagh** and **Hickey** last weekend and hope that these two will kick a winning score. On the other hand **Old E's** match winning forwards **Sumundza** and **Maddern** will be too hot for the **Old Carey** backmen to handle. Four weeks ago **Old Essendon** proved too good for **Old Carey** at Bulleen to win by 6 goals and that is the reason I am tipping **Old E's** to advance to the Grand Final to have another crack at **St Leo's**. **Old Essendon** just by 2 goals.

RESERVES: Hot favourites **St Leo's** were brought back to earth with a thud last weekend against the geriatrics and I feel will turn the tables this weekend against **Peninsula** who are on a high after their win last weekend. **St Leo's** easily by 5 goals.

REVIEW OF LAST WEEK'S GAMES

DIVISION 1 – 1ST SEMI FINAL

I finally got the monkey off my back and now look 'Mrs Coach' in the eye as a result of my successful selection of **OM's** to beat **Noddors**. I can't help but commiserate with **Noddors** whose consistency and excellent discipline throughout the season was frustrated by a hat-trick of losses to finish the season. Whilst the final margin was 7 goals it was not until the last ¼ that **OM's** broke away. Dangerous forward **Theodore** got 5 for **OM's** whilst consistent goalsneak 'Mini' **Thompson** got 3. **OM's** were best served by **Pat Donovan**, **Aaron Teelo** and skipper **Kogler**. **Brad Meadows** kicked 6 for **Noddors** whose best were **Steve Poland**, **Scott Bruce** and **Paul Occhipinti**.

DIVISION 2 CENTRAL 1ST SEMI FINAL

The **Blues** really turned on the power against the injury stricken **Hoes** to win by almost 100 points. The **Blues** big man power was really to the fore with **David Koczkar** (8) and **Richie Dodd** (3) getting the bulk of their goals. Other good performances in a very even side came from **Brendan Cullen**, **Matt Unsworth** and **Adam Tippet** at F/Back – wouldn't have thought he had a lot to do there!! **Hoes** were best served by **J. Pace**, **McGowan** and **Fanelli**. **Hoes** were no doubt disappointed to finish the year on a low note but they have had a good year in their return to U19 ranks and should be a force next year with many lads again eligible. Good effort **Hoes**!

2ND SEMI FINAL

The final margin in this game of almost 15 goals in favour of **Therry** did not reflect favourably on the very good effort put in by **C'Well** for 2½ quarters. Despite having a 7 goal lead at ½ time I thought **Therry** could still be pushed if the **Wells** could get past the **Roys** ½ back line but, after a very even first half of the 3rd quarter, the **Roys** moved into top gear and went right on with it. **Wells** have picked the wrong time to cop a few injuries and also had a few down on their best whilst the **Roys** benefitted from their Friday Pasta etc. and played with a lot of confidence. **Strachan**, **David Walker** and **Donal 'U-etc.'** battled hard for **Wells** whilst **Therry** didn't have a passenger except for 'Gilly's' kicking for goal (Watch a **Royce Hart** video and give up the smokes **Gilly**!) 'Gilly' somehow managed to kick 8 and 'Big Bakes' (cool it in the G/Final **Bakes**!) got 4. **Peter Joyce** was just their best ahead of 'Gipsy' who was terrific at CHF and **Mark Finnigan** was a goal scoring backman. I thought **Nick Court's** effort with the 'coloured' eyes was also very good.

DIVISION 2 SOUTH 1ST SEMI FINAL

There is little I can say about this game, except that it was a scramble affair and I am always pleased to see

a team that displays exceptional control and discipline emerge as winners. **Melb. High** club can be very proud of the efforts of their boys who justifiably move into today's Prelim. Final. Commiserations to **John Meyer** who deserved a lot better for getting his boys into the finals again than they gave him in that disgraceful last quarter. Commiserations also to the **Bedas** boys who wanted to play football, particularly big **Beasley** who gutsed it out all day and **Hecker** and **O'Brien**. **Albergo** got 4 for **High** and good efforts came from **Barge**, **Walles** and **Jeremy Goldin** whose contribution was terrific until 'taken out of the game', hope he can front up next week **Steve**!

2ND SEMI FINAL

Chirnside showed improvement from their last encounter against **Jackers** and were only rolled by **Jackers'** last ¼ burst with only points separating the teams until then. **Pedler**, **Spurli** and **Cardetta** were **Parkers'** best and **Jackers** were best served by **Toffler**, **Engelman** and **Danny Rajch** and **Sheezel** who kicked 4.

PREVIEW OF TODAY'S GAMES

DIVISION 1 2ND SEMI FINAL

The last time **Xavs** and **De La** met, **Xavs'** team manager **Chris** was prompted to write and tell me what a good game it was – I hope that he again sees another top quality game but he might not be writing in next week as a winner as I think **D's** are just about ready to cause an upset. I haven't seen **Xavs** for a while but I was impressed by **De La's** teamwork in the poor conditions at **Mazenod** a couple of weeks ago. However, I think **Xavs** may be just better suited to the 'Trott' and will just scrape home today.

DIVISION 2 CENTRAL PRELIMINARY FINAL

Camberwell have undoubtedly been the best team throughout the season but have been dealt cruelly with injuries at the wrong time. If they can get the bad parts of last week out of their minds and focus on their good efforts, they are quite capable of upsetting the **Blues** who must be chockful of confidence after last week. However, I think the **Blues** will have too much of an edge in the air and should use the shorter direct route home at **Monash** to their advantage.

DIVISION 2 SOUTH PRELIMINARY FINAL

I really am at a loss to pick the winner between **High** and **Parkers** because they are so evenly matched. Because **High** played at **Monash** last week (and won, despite my selection!) they can be classed as the home team today, so I'll go for them again. Sorry **Steve**!

MELBOURNE'S OWN

Looking Back by Noel Rundle

5 YEARS AGO – 1987

Old Xaverians and **Ormond** lined up in the second semi. **Ormond's** only two losses for the season were to **Old Xaverians**. The A.F.'s tipsters **Ross Booth** and **Peter French** tipped **Old Xaverians**. At ¼ time things looked black for the tipsters – **O.X.** had kicked a solitary point to the **Monds** 3.4. From then on it was all **Old Xaverians**, final scores 15.11 to 8.13.

Dermott Dann (wing), **Peter Curtin** (h.b.), **Danny Meagher** (roving) and **Nick Wilton** (c.h.b.) were the best in a very even **Old Xavs** team. **Russell Barnes** was desperate, **Scott Taylor** was energetic, **Brad Nash** held **Steve Curtin** to 3 gls – the balance of the **Ormond** team was disappointing.

In a real thriller neighbours **St Bernards** and **Therry** played the administrators 'nightmare', a second semi draw, 15.7 to 14.13. At the 20 minute mark, **Therry** with two **Steve Reidy** goal square marks and goals, and another to **Kane**, were 13 points up. It looked all over but then **St B's** half forward **Greg Wood** kicked two marvellous goals, **John Pearson** got another to put them a goal up. **Therry**, handballing desperately persisted. Finally forward **Paul Jones** marked and goaled and the siren sounded for a draw.

What a turn-around in 'C'. Annihilated in the second semi by **Kew**, **Monash Blues** come out with a plan. They persisted and finally took out the flag, 13.18 to 10.11. Best were **Sturgess**, **Hipwell**, **Gill**, **Carman**, **Calvener**, **McGregor** (**Monash Blues**) and **Griffiths**, **Busuttill**, **Kalac** (**Kew**).

The **Monash** line-up – Bks: **Mick Hay**, **Chris Roberts**, **Dick Calvener**; H.B.: **Adrian Barker**, **Danny Carman**, **John Quin**; C.: **Greg Hipwell**, **Jamie Sturgess**, **Tony Kiers**; H.F.: **Justin Alexander**, **Ian Hildebrand**, **John Johnstone**; F.: **Peter Forbes** (C), **Peter Little**, **Graeme Gale**; R.R.: **Tim Gill**, **Andy McGregor**, **Steve Connelly**; I/C: **Brad Connell**, **Ian Kohler**; Coach: **Brian Ford**.

In a high standard high scoring game, **Old Ivanhoe** 21.10 beat **St Kevins O.B.** 19.12 to take out the 'D' Section flag.

State Bank, 21.12 easily beat **West Brunswick** 6.8 to win the 'E' Section flag.

One point was the margin – **Aquinas** 12.13, 'F' Section premiers over **Whitefriars** 12.12.

10 YEARS AGO – 1982

Best and Fairest results were 'A' **Tom Manson** (**Old Scotch**) 18; **Garry Carroll** (**NOB**) 16; **Danny Corcoran** (**Old Xaverians**) 14 (1987 A Section coach); 'B' **Tony Balcombe** (**Ivanhoe**) 16; and equal second **Dick Fish** (**Caulfield Grammarians**), **Warwick Watson** (**Caulfield Grammarians**) and **Rohan Brown** (**Old Melb.**) 12. 'C' **Ian Rogers** (**Old Camberwell Gr.**) 29; **Kevin White** (**St Kilda CBOC**) 26; **Alan Handley** (**Coburg**) 21. 'D' **G. Griffiths** (**Parkside**) 20; **D. Gee** (**Old Ivanhoe Gr.**) 18. 'E' **G. Rosewarne** (**Elsternwick**)

24; **D. Weir** (**Therry**) 17. 'F' **L. Swann** (**Clayton**) 23; **B. Bugden** (**Brunswick**) 20. Junior 1 **M. Knuppel** (**De La Salle**) 14; **G. Miles** (**Bulleen Templestowe**) 13. Junior 2 **M. Harty** (**St Kevins OB**) 20; **W. Maguire** (**Banyule**) 18; **B. Boyd** (**St Kilda CBOC**), **D. Lawrence** (**Old Melburnians**) 16.

Thomastown utility, **Kenny Steele**, better known as 'Careful' played his 200th game.

Ivanhoe (B), 5 goals down at the first change, fought back to be 9 points down at half time, and then went away in the second half to win by 15 points and go into 'A' section in 1983. Best were '**White Boots**' **McDonald**, **Balcombe**, **Simonsun** (**Ivanhoe**) and **Morphett**, **J. Thomson** and **Mitchell** (**Old Melb.**).

In a close 'C' preliminary final **Coburg** held on to beat **Hampton Rovers** by one point with **Sedgewick**, **Grazion**, **Palmer** (**Coburg**) and **Hope**, **Andrews** and **Parker** (**Hampton Rovers**) best.

15 YEARS AGO – 1977

Umpires in charge of main finals were **Rowell** (A), **Hindle** (B), **Dodds** (C), **Rowe** (D), **Goodman** (E), **Mead** (F), **Grubb** (J.1) and **Tracey** (J.2).

North Old Boys, a point ahead of **De La Salle** at the last change, kicked 5.5 in the final term to 1.1 to go into their third successive 'A' Section grand final. **Scanlon**, **Murray**, **O'Connor** (**NOB**) and **Donegan**, **Fitzpatrick**, **McHenry** (**De La**) were best.

Old Scotch, kicking 15.13 to **R.O.B.'s** 10.16 won their way back to 'A' Section, while in the 'C' Section **Final Parkside** continued their great finals form with a strong last term to defeat **A.J.A.X.** by 23 points. **Quaife**, **Howell**, **K. Clarke** (P) and **Bluzer**, **H. Ritterman**, **Aarons** (**A.J.A.X.**) were best.

Old Brighton gained promotion to 'C' with a 57 point win over **St Kevins O.B.** while **West Brunswick** with **Bruce Ivey** the star, held out **North Brunswick** who kicked 7.3 to a solitary point in the last term to win by 13 points and go into 'D'.

20 YEARS AGO – 1972

Ormond won their way into 'A' Section Grand Final when they finished too strongly for **Caulfield Grammarians**, kicking 5.5 to 2.2 in the final quarter.

Best were **Beecroft**, **Graham Bourne**, **I. Cameron**, **Russ** and **R. Cameronn** for **Ormond** and **Lane**, **S. McLaughlin**, **Griffiths**, **Williams**, **Butcher** (7 goals) out of team's 13 and **Fox** for **Caulfield Grammarians**.

With only a point between the teams at the last change, **Geelong's** 4.5 to **Uni Blacks** 1.5 in the final quarter earned the country boys promotion to 'A' Section in 1973. **P. Betts**, **E. Smith** and **Thornton** (**Geelong**) and **Moffat**, **Hill**, **Lipshut** (**Blacks**) were best.

Other teams to win Grand Finals were **Assumption O.C.** (C), **Parkside** (D), **Marcellin O.C.** (E) and **Elsternwick** (F).

25 YEARS AGO – 1967

Old Paradians who lost only two games in the first round, and both to **Melbourne High**, turned the tables to run out winners 15.11 to 10.12.

Best were **Proctor, Sambell, Ford (Old Paradians)** and **Needham, Turnbull, Macdonald (M.H.S.)**.

North Old Boys (13.7) triumphed over **U.H.S. Old Boys** (10.12) in the replay of the 'B' Section first semi final, while **Uni Blues** (13.13) soundly defeated **Ormond** (7.7) in the second semi.

Preliminary final results in other sections were: 'C' Section **Monash University** (15.9) d **St Bernard's O.C.** (6.2). 'D' Section – **St Pat's** (10.12) d **Parkside** (9.11). 'E' Section – **Assumption** (15.10) d **Old Trinity** (11.13).

Bruce Bourne (Ormond) was that club's best player in the final of the juniors.

MOUTHGUARD REBATE

To assist all VAFA players, as well as any Junior players associated with VAFA clubs, we have arranged a new sponsor this year, **SPORTSLAB**, who provide an excellent service for obtaining mouthguards. For as low as \$30 a professionally-fitted mouthguard can be provided by an Advanced Dental Technician.

All Under 19 VAFA players who can provide a receipt for a professionally-fitted mouthguard are also eligible for a \$20 rebate from the VAFA. Club Secretaries should forward the receipt to VAFA Headquarters and the rebate will be sent direct to the Club for distribution to the player/s concerned. This rebate is made possible through VicHealth funding.

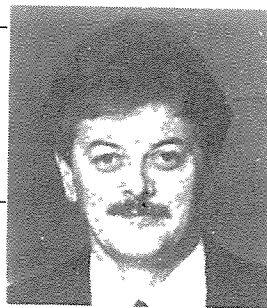

Remember, wearing a mouthguard at **training** as well as **playing** is strongly recommended and getting players accustomed to wearing mouthguards in **all** potential contact situations should be the policy adopted by **all coaches** and **club officials**.

NB: Eleven Old Carey U19, four Old Haileyburians U19, four Old Mentonians U19 and one Chirnside Park U19 players have just received their \$20 rebate. Do you have any U19 players who qualify?

FOOTBALL THOUGHTS OF ALLAN JEANS

1. Everybody who is involved with our game, either as officials, or spectators, must have an obligation to grass roots football – it is part of our Heritage.

2. The mental approach to our game is so important. That is why we have inconsistent performances. It is a week to week proposition.

3. All players have physical courage just to step over the white line to play. The good players master their fear and can control their inner doubts.

4. Look for consistency in your performance, minimise the area between your top performance and your bottom performance.

5. The harder you work the luckier you seem to be.

6. Set reasonable and achievable goals, establish your plan, then have a weekly commitment to that plan.

7. Learn to lock your concentration into what is happening at the time – three phases:

- Us
- them
- neutral

8. Ask "What am I doing?" Don't let yourself get into stressful situations.

9. Don't take the easy way out or look for excuses. If???

Everytime you get a kick in the backside learn from it.

10. Have the courage to learn and analyse yourself and not accept what is happening if it is a negative in your life.

11. Morale comes from a belief that something is worthwhile and that they have the ability and knowledge to achieve it.

Morale is also achieved with self imposed discipline.

12. You must accept responsibility. You may not like your coach but you must respect his **position**. Do as he asks, carry out instructions to the best of your ability and be a coachable player.

13. Do you know where you come from? Life is a long journey as is football; there will be many crossroads and sometimes no sign posts but always remember where you came from.

14. Remember team sport builds your character. Be a man.

Share the good times and the bad.

Make sure you are a giver not always a taker.

VAFA COACH OF THE YEAR

At a recent Committee Meeting of the VAFA Coaches Association it was decided to make available an award to the VAFA Coach of the Year.

This will become an annual presentation to the VAFA's most outstanding coach. The VAFA/AFCA Committee will select the winner from the 188 current Coaches from 73 Amateur Clubs.

The recipient will also be entered into the 'Australian Football Coaches Association' Coach of the Year Award presented in November.

The presentation of the 1992 VAFA Coach of the Year is to be made at the VAFA Gala Grand Final Breakfast. The breakfast is being held on Sunday 20th September between 8am and 11am at the Prahran Town Hall.

The Coaches Association encourages all Amateur Coaches to attend the Gala Breakfast. The normal inclusive cost is \$50 (includes entry to the VAFA A Section Grand Final). To reward Amateur Coaches the Coaches Association will subsidise all VAFA/AFCA members \$10.

The Coaches Association intends to book tables for the breakfast. To get a seat at the reduced rate call me on 667 6111 (Bus.) or 370 6986 (After Hours).

Umpires Corner

by Mike Murray
and Steve McCarthy

• No sooner than the **VAFU Executive** adopts its 'Infectious Diseases Policy' and what happens? Goalie **Billy 'Chook' Fowler** and **John 'Any Port in a Storm' Natoli** (Boundary for a day!!) break out with chronic blood noses at their Finals fixtures last week. A quick clean-up and a commonsense approach saw both umps complete their engagements. How do you get the red out of a hankerchief?

• Was that **Andrew 'Paul' Hogan** spotted in the audience of **Andrew Denton's 'Live and Sweaty'** gig last week? Given his wonderful physique, only '**Hoges**' could have possibly re-enacted the Goalies spoof which followed! What a relief to know you're as skinny as a goal post!

• **Umpires Corner** congratulates 'D' Section scribe, **Peter 'Bitter' Lemon** on running his **400th boundary for Old Geelong** in recent weeks. As a journalist, he makes a top runner! Only kidding, Pete. Top effort!

• Speaking of scribes... it was great to catch up with 'E' Street's **Tom 'Hazza' Brain** and his **ANZ** bodyguard (Pres.) **Peter 'Gloria' Marshall** at **Northcote** last week. **Tommy** reckons that the '**Bank**' is a 'cert' to make the 'top ten' in its Section in 1993.

• Speaking of **Northcote**, it didn't take **Geoff 'Ant' Ridd** long to vacate his seat in the lower grandstand during the **Aquinas/Powerhouse** reserves final last Saturday. Talk about the vociferous, embarrassing, hyped-up supporter/barracker next to him! Then again, anyone who knows **Ronnie 'The Lip' Lippold** would understand why...!

• Congratulations to the following **VAFU Office-Bearers** who have been elected for season 1993... why wait till the end of the year anyway?

– **President:** Mike Murray; – **Vice President:** Peter Keogh; – **Secretary:** Andrew Kilner; – **Assistant Secretary:** Peter Harris; – **Treasurer:** Steve Hopper; – **Assistant Treasurer:** John Kelly; – **Social Secretary:** Richard Simon; – **VAFU Delegate:** Kevin Segota; – **Executive Members:** Justin Toohey and Wayne Henry.

Sincere thanks to **Andrew Belcher**, **Steve Clinch** and **Darren Dalgliesh** who have served the committee so very well in recent times. Your work is duly recognised.

• Speaking of the elections, we still need to appoint an Auditor (thanks to **Reno B.**) and a Property Steward (courtesy of **G. Ridd**). Surely you can wait till the AGM next February!

• **VAFU** Football team No. 2. Not the 'hypotheticals' but the 'alphabeticals'... – **Backs:** Ashton, Barichievich, Cherry; – **½ Backs:** Dunstan, Eastwood, Forde; – **Centres:** Gersch, Hayward, Jobling; – **½ Forwards:** Keeton, Ladd, Morgan; – **Forwards:** Natoli, O'Rourke, Pitcher; – **Followers:** Rapke, Simpson, Thuys; – **Rover:** Vescovi; – **Interchange:** Wakelin, Wiseman; – **Coach:** Zapadlo.

• **Benny's Rule of the Week: 12.1.3:** The ball shall be kept in motion. The field umpire shall call 'play-on' even though a free kick should have been awarded but by doing so would penalise the team offended against.

• Congratulations to goalies **Denis Webster**, **Nick Edwards**, **Andrew Hogan** and **Jason Tyrrell** who will officiate in **VSFU U18 Finals** matches this weekend. Your performances during the season certainly warrant these appointments.

• **Umpires Profile:** Happy 150th! **Name:** Paul Cherry. **Nickname:** PC or Two Bites. **Occupation:** Technical Service and Product Development Officer with Shell. **Year commenced umpiring:** 1980 (School football); 1983 (VAFU). **VAFU Games:** 150 (today) (5/9). **Highlights/Achievements:** 1983 (Golden Whistle Award); 1988 (AAFC Carnival in Launceston); 1989 (AFL Development Squad – **Jack McMurray** Scholarship). **Greatest Influence:** Neville Nash; David Levens; Glenn James. **Football Playing Career:** Melbourne Grammar (low grades). **Pet Hates:** Tribunals; Cold Showers. **Most memorable match:** 1987 'A' Section 1st Semi. **Best Amateur Footballers Seen:** Rob Vickers-Willis (Old Geelong); Mark Majerczak (Fawkner); Terry Young (Fawkner); Simon Strike (Whitefriars). **Best Amateur Umpires:** Brian Goodman; Greg Hardiman. **What I like about Umpiring:** Involvement in football; Fitness; Friends. **Ambition:** To umpire as well as I can for as long as I can.

MARKETING NEWS

by Mike McArthur-Allen

On Sunday 30th August, 1992 prior to the A Section 1st Semi-final the VAFA Executive hosted the annual Sponsors' Luncheon at Elsternwick Park. All 1992 VAFA Sponsors were invited with the intention of the lunch to publicly acknowledge the VAFA's appreciation of the generous support of our sponsors during the Association's 100th season.

The luncheon also provided opportunities for the two A Section competing clubs, St Bernards and Old Haileyburians, to mix socially prior to the main A Section game for the afternoon. It also gave both clubs a closer contact with VAFA Sponsors and a better appreciation of their generous contribution to the overall financial operation of the Association.

The luncheon attracted some 25 sponsor representatives including:

VIC HEALTH - MR. RANDALL KENT; DENTAL HEALTH SERVICES - MR. JOHN McLENNAN, OPERATIONS MANAGER, MS. KELLIE-ANN JOLLY, CO-ORDINATOR DENTAL HEALTH PROMOTIONS UNIT, MS. LIBBY MEARS, DENTAL HEALTH PROMOTIONS UNIT; FOUR'N TWENTY - MR. CHRIS CATCHLOVE, VICTORIA SALES MANAGER; SPORTSCOVER AUST. - MR. BRIEN SMITH, MR. JOHN WLODARCZYK; HUGH LYON KNITWEAR - MR. HUGH LYON, MRS. RHONDA LYON; NATIONAL MUTUAL TRUSTEES - MR. BERNIE HOY, CONSULTANT; CADBURY RED TULIP - MR. MICHAEL TINKLER AND FINANCE; HBA - MS. MARIE ALLEN, MS. CHRISSY JACKSON; DIADORA (ACTIVE LEISURE) - MR. PETER WARNER; LEUKO (BDF BEIESDORF) - MR. BRUCE CORMACK; INNOVATIVE BUSINESS DYNAMICS - MS. CORINNE PATTERSON, MRS. ANNIE McARTHUR-ALLEN; RACV TRAVEL - MS. PAM MACKENZIE, MR. JOHN SIMPSON; MANIFOLD STATIONERS - MR. CHRIS TOULI; FERRARI FORMAL HIRE - MR. IAN WILMOTT, MS. PATRINA LEDDIN; WORMALD SECURITY - MR. KEN CORBETT; TESCA/MULTI-SCREENS - MR. CAM JOHNSON.

The backcover of the 'Amateur Footballer' for the finals series has been enhanced displaying more corporate colours and including RACV Travel who formalised their sponsorship agreement after the season had commenced.

A highlight of the luncheon was the display by Multi-Screen, a company developed by Cam Johnson who was responsible for the installation of our electronic scoreboard at Elsternwick Park, the third largest electronic scoreboard in Melbourne after the MCG and Waverley Park. The MULTI-SCREEN system provided five television screens simultaneously displaying sponsors advertisements in text and graphics form and these were continuously broadcasting throughout the luncheon, during the half-time break afternoon tea and during the after game socializing. Sponsors were suit-

ably impressed with this facility and saw it as an 'add-on' to the promotional opportunities they had received throughout the season with the VAFA. Further details on MULTI-SCREEN can be obtained by ringing Cam Johnson on 706 3880 or mobile 018 369 177.

The luncheon audience was also alerted to the sponsors messages that appear on the electronic scoreboard throughout all games played at Elsternwick Park. This is further exposure for the sponsors and some very positive comments were expressed by a number of sponsors regarding the improved ground signage at Elsternwick Park. Our thanks to TOWN & COUNTRY SIGNS for their assistance with the dramatic improvement in this valuable advertising.

The VAFA for this year's finals series has hired a mobile billboard which is a 30 ft. x 10 ft. banner erected onto a tandem trailer and displaying information about the 1992 finals series and, in particular, the Gala Grand Final Weekend on September 19th and 20th at Elsternwick Park. The major sponsor of the VAFA VIC HEALTH and DENTAL HEALTH SERVICES logos are proudly displayed on this banner. During weekends this is parked on the hill overlooking the entrance to the ground, clearly visible to the great amount of traffic passing in Glenhuntly Road. During weekdays it will be towed throughout the metropolitan area giving a wide exposure to the VAFA finals series and bringing VIC HEALTH and DENTAL HEALTH SERVICES sponsorship of the VAFA to a wide cross-section of the community.

During the luncheon attention was drawn to the great support which we received from SOUTHERN FM 88.3, a community radio station located in Moorabbin. Each week the VAFA conducts two regular time slots on this radio station, Thursday 3 p.m.-3.30 p.m. John Kelly, one of our VAFA goal umpires, hosts a ½ hour show in which Phil Stevens the VAFA General Manager provides a report on VAFA news and upcoming games; and on Sunday 9-9.30 a.m. the Amateur Footy Show is hosted by Graeme Byrnes and Mike McArthur-Allen with Mark 'Dos' Anderson providing reports on games and upcoming VAFA events. A major announcement made at the luncheon was that this year will have the A Section Grand Final on Sunday September 20th broadcast live from Elsternwick Park throughout Southern FM 88.3. 'Dos' Anderson will provide expert commentary on the game with special comments by Graeme Byrnes and Mike McArthur Allen.

This historic broadcast of the Centenary A Section Grand Final is being brought to all Amateur followers by VIC HEALTH, DENTAL HEALTH SERVICES and RACV INSURANCE, a new co-sponsor of the A Section Grand Final. The broadcasting range of Southern FM covers all of the southern suburbs and extends north into suburbs such as Brunswick and Balwyn and into some of the eastern metropolitan area. This is a great

Those who attend the game itself can bring their transistor radio with them and be entertained by the broadcasting team. The broadcast goes to air from 1 p.m. until 5 p.m. and will feature some interviews during the pre-game and half-time interval. We are particularly appreciative of the support of the three sponsors who are enabling this broadcast to be provided to the VAFA footballing community.

The VAFA VIC HEALTH Telephone Mailbox, 644 3921, is another service provided for VAFA followers anxious to get the latest scores of the day's matches. This service is generously donated free by Doug Dick's company COMPUTER IMPLEMENTATION CONSULTANTS of Port Melbourne and we take this opportunity to thank Doug Dick for his invaluable support of Amateur Footballer.

a Saturday evening and throughout the week for updated information.

The Dilettare company of Mr. Peter Marr has also provided an opportunity for VAFA clubs to record their success this year during their finals campaign. A Centenary Port Crock can be produced in your club colours recording your Premiership victory in this historic year. Contact PETER MARR on 018 362 401 if your club is interested in arranging an order of port crocks.

Other Centenary merchandise is still available from VAFA Headquarters including the Centenary wines, a very nice white and red, along with Centenary logo Spalding golf balls, Centenary beer mugs and Centenary apparel including pull-over, T-shirt, tie, cap and visor. The outstanding publication "FOR THE LOVE OF THE GAME" written by Joseph Johnson is a history of the 100 years of Amateur Football and copies are still available through the VAFA.

Any of this Centenary merchandise would make an ideal Father's Day present or perhaps be kept for Christmas presents but stocks are moving so don't be slow in getting your orders in and miss out.

In conclusion can I, on behalf of the VAFA, acknowledge the wonderful support of all the 1992 Sponsors and I look forward to them continuing their involvement with the VAFA in 1993.

WEAR A MOUTHGUARD When Training and Playing!

Well done VAFA!

**Our 1991 survey of players showed
89% of mouthguard owners always
wear their mouthguard at matches.
But... Only 10-13% always wear their
mouthguard at training.**

**So, wear your professionally fitted
mouthguard when training and
playing football.**

Make this your GOAL in '92.
