Last Sunday was a great day for VAFA football and at the same time a sad one, as it seems the curtain is drawing on football at the Junction Oval.

It is anticipated that Cricket Victoria will take over the lease of the ground and become a cricket venue 12 months a year, shutting out all Australian Rules matches.

Obviously that will have an immediate effect on one of our clubs, Old Melburnians, who use the ground for matches during the winter. The VAFA has used the ground for the early finals and it is a tragedy for our sport that this ground will be closed.

This ground should not be lost to football. Our peak bodies, the AFL and AFL Victoria, should do everything in its power to lobby the State government and ensure its survival.

The ground has played a unique part in the history of football, firstly as a home to the St Kilda FC for almost a century, then Fitzroy FC for fifteen years. My memories of the ground include the sensational VFA finals in the 70s with names such as Frosty Miller, Buster Harland, Harold Martin and Sammy Kekovich.

The Junction was where Bernie Quinlan and Peter McKenna brought up their tons and Bulldog Murray won his Brownlow. There is a special football feel about the ground and what a tragedy it would be if it closed to our great national game.

What could possibly possess our state government to allow Cricket Victoria access for twelve months a year, thus ending football's run?

Why can't football and cricket co-exist on this ground, like they do on so many other venues around Melbourne? If Cricket Victoria needs a ground to itself, why shouldn't it chase some reclaimed land or other open space to provide Melbourne with a new venue rather than taking one away?

How will Cricket Victoria utilise the Junction in between seasons? Given the conditions in the middle

of the year, I don't know of any fast bowler who would be interested in running through the mud to get to the crease. Perhaps someone will have to invent a game to keep our cricketers fit during those winter months!

Michael Sholly CHIEF EXECUTIVE OFFICER

Last Sunday approximately

2000 community football supporters flocked to the Junction (how long since cricket has attracted that many there?) to witness two matches, played on a high quality arena, and the games didn't disappoint. Whilst the VAFA went down after the siren for the second time in a row against the Country, we were winners in every other way.

Our disappointment in not winning either game should not cloud the reasons why representative football is played - to showcase our competition and most importantly to provide an opportunity to our players to play at a higher level.

Everyone at the ground last Sunday would have walked away knowing that the VAFA was a strong and vibrant competition that can hold its own with any other. I was certainly proud of all who contributed to the day from the coaching team, medical staff, officials, players and spectators. Organising the day is akin to a grand final without the lead-up games. They are major events and on Sunday we did everything right but get over the line.

This week our focus returns to the season's run home. Two matches left in the clubbies, five in the C - D4 and Unders and six in A and B Sections. Every kick counts as the final battles for places in the four and to avoid relegation begin.

Accordingly our football department's focus this week has been on identifying the best grounds for the finals and we are confident of bringing together another action packed finals series.

season.

With representative commitments complete, there is now a clear run home. Though there is still one-third of the home and away season ahead of us, the first three on the table look already to be locks for September, while the bottom three will definitely miss. For two of those, it'll be a ticket to B Section, with the ducat for the return journey to be purchased at a later date.

The middle four, however, continue to jostle. When the envelopes are distributed their way in six weeks, only one will contain an invitation to the finals. Before the last round, Old Scotch were in fourth, looking handy, but Uni Blues have now vaulted back up the ladder into that slot.

On current form, it is the Varsity that has the most favourable schedule over the next month and a half, but July and August are the season's dog days and often provide surprise. They'll need to, especially for Old Brighton, who alone play all three top sides, only one of their immediate rivals and two of the bottom three. We can't run the red ink though them yet, but with their paltry percentage a big burden, the pencil of popular opinion is poised.

In the cold and the wind that marked Round 12, certainty triumphed over surprise when all favourites saluted. Even inclemency as wild as a Mitch Johnson opening spell did nothing to quell the appetite of the competition's well-fed, while its paupers were left shivering.

Old Xaverians touched up Marcellin by a massive twenty-one goals, registering their fourth 100+ point victory for the season. The Eagles were completely obliterated by Matt Handley, who kicked eight goals before receiving an early minute from the coaching bench; Chris Larkins, who is playing out of his skin; the redoubtable Tim Clarke, who is relishing his role as a midfield maestro; and Josh Agius, who never stopped running and crashing and bashing. Marcellin was best served by Brendan Colville and Jonny Blanch, but were thoroughly outgunned all afternoon.

Old Scotch had a tense duel with De La Salle at Camberwell, but the visitors proved too strong into the breeze in the final quarter. Cardinals' coach Peter Banfield is not looking for honourable losses at this stage of the season, but this was nonetheless a creditable effort that might have even gone their way had their kicking been more precise. **Jacob Gotch** and **David Lowe** were omnipresent and damaging termites for De La. Both have been in slashing form over the past month, and were again standouts in a very even team performance. Charlie Tallent and James Barton, who played his first conjur

who played his first senior game of the campaign, gave plenty for the home team, while **James Byrne** is working his way into some top form after that knee injury that threatened to destroy his

SPORTSCOVER

Old Brighton looked early winners against Uni Blues as they moved the football into the gale with intent and contempt. It was not to last, however, as Blues applied the Full Nelson and slowly squeezed the life out of the Tonners. **Andrew Lowcock** started in defence for the Varsity, but an injury to **George deCrespigny** sent him forward with good effect. The half-time banter between the clubs as they left the arena hinted that a rugged second-half was on the menu, but it was hardly NRL State of Origin material as Blues managed to snuff out any resistance rather quickly. **John Perrett** tried valiantly for the vanquished, but the old firm of **Mark Paterson** and **Matt Torney** carried the day.

Despite some early third quarter resistance from Old Ivanhoe, St Bede's Mentone Tigers dominated the day at Chelsworth Park. The Tigers used the wind to their advantage, whether it was it at their backs or in their faces, with some hard running by **Ben Phibbs** and **Sam Anstey** and the strength of **Tim Mavric** and **Simon Richards**. When the Browns threatened, **Jack Hellier** and **Paul Wintle** did the job. The Hoers, still winless since their season opener, got good return from **Richard Butler** and **Stuart Lowe**, but were well off the pace on the ground as well as the scoreboard.

THE AMATEUR FOOTBALLER 2009

Collegians returned to the winners' circle when they punished Old Essendon on the Trott. The Bombers managed only three goals with the gust and two points into it, and there was little doubt from the first bounce that the afternoon would belong to the Lions. **James Kondarovswkis** kicked three and was best in a grand team effort from the Purples, **Andrew Baxter** continued his fine form of late while **Dan Cooper**, who must be a short-priced favourite for the Bombers' Best and Fairest, was in everything for the Essendonians.

THIS WEEK:

Marcellin have often provided problems for Uni Blues and the wide expanse of the Eyrie might not exactly suit the visitors. However, if Blues can afford to drop a game in the stretch, it's not this one. The Eagles have shown a propensity to bounce back after big losses, but a home victory would raise eyebrows. Woodrow Medallist Jack Watts may return for Blues after a couple of game at Club XVIII level, adding more bite to their improving list.

St Bede's Mentone Tigers welcome Old Brighton, who beat them at the Beach the first time around. Revenge, served cold, is the favourite dish at Casa Brindisi and the Tonners are very much on the menu this week. A victory on the Bay would re-ignite the Redlegs and their finals' chances, but seems improbable against such tough opposition.

Old Essendon may be in better spirits with their stars Cooper, Vale and Gestier performing well at the Junction last Sunday, and a win here against Old Ivanhoe would not surprise. A dark cloud of melancholy has descended upon the Browns' soul and blue skies are not smiling at them, nowhere those blue skies do they see.

Old Xaverians return to Barkers' Road to take on Old Scotch, who may yet have a real sting in their season's tail. The Red and Blacks jealously guard their ascendancy over the Cardinals and won't want to let this one slip. Their win streak, now at eleven, may run through Saturday.

Collegians looked in fine fettle at Sportscover earlier in the year but it's difficult, though not inconceivable, that they will be as good this Sunday against De La Salle. The Lions roared last start, but this is a step up in class that will probably result in a second-place finish.

ROUND 13

Whilst the world turned to the great race around France this week B grade were staging their own endurance challenge169 and the 12th leg of the race did little to sort out the general classification standings. The top three all look to be finals bound but will battle to secure a play-off in the qualifying final. The hottest contest in the race looks to be the bunch sprint for the last spot in September and this fight looks like it will go all the way to the line with four teams jousting to clutch that fourth rung. Then there is the relegation battle where riders are looking for one more win to saviour something for the season and their teams place in next year's competition.

The game of the round took place at the Junction where OMs welcomed SKOB and the chance to secure outright second spot on the ladder. The large picture perfect oval normally allows for expansive flowing football but with the wind blowing from all directions it was going to be a game of tactics and taken chances.

The red legs used their home ground advantage and the conditions better to skip away to handy 3 goal lead at the first change but SKOB hit back hard in the second and tied up the scores going into the long break. With the wind blowing at their backs the premiership favourites used the premiership guarter to again take control of the match with a 2 goal lead going into the last. Although SKOB never gave up the fight but without their leading goal kicker on the field they never looked as composed going forward as their opposite numbers.

The Tri-colours were well-served as always by their midfield and Luke Williams, returning to his training track in his days as a Dees player, is starting to show some of that elite form. For the victors Greene was prolific as always but it was the class of **Beaumont** up forward that made the difference on the day, his skills in these conditions making him a clear standout. The win takes them a game clear of their vanguished rivals and keeps them on the wheel of the leading rider.

The weekend also fired off some warning shots from two teams with big expectations, big finals aspirations and big self-esteems. Uni Blacks and Old Hailbury fear no-one in the competition, have the big

names to scare any and are showing form at the right time of season.

Old Hailbury still have plenty of their A grade premiership team running

around and with names like Harvey & Lowe on their list, they are the dark horse of the completion and their win this weekend took them into the top four. Better use of the wind and big games from their big men in **Lowe** and **Haysom** in the ruck were the keys. Ormond now faces a tough battle to reach the finals and overrun their victors on the ride home.

Students are always hard to judge but never to be under-estimated and although the name Matt Kempton won't be seen in the AFL hall of fame, it is well known and highly respected in VAFA circles and this esteemed leader was back on Saturday to lead his team to victory. The running back line, lead this week by the athletic **Batten**, is becoming a key part of the Blacks make-up and the super debut of Steve Flight was another reason to think better things are to come out of University. The outlook isn't so bright for Old Camberwell who, with bad percentage, now needs a couple of wins to avoid the drop.

Old Carey showed that with some important soldiers like **Baldwin** and **Reid** returning to the frontline they can play solid football and will march home strongly this season. They started with a good win over the Hampton Rovers, controlling the game without putting it beyond doubt until the last quarter. The Hampton crew fought bravely all day like they have all season with Martyn and Devereaux proving their quality again but the loss slips back into the relegation battle.

It was a close game out at Bullen but the inability of the home side to score into the wind and the consistency of the Snowdogs saw them comfortable 5 g winners. The form of OT's youngsters Howell and Jessop is pleasing but the team needs to lift if its keep up in the finals race. The Bernards boys seem to have too much run and carry for the competition at the moment but they are now the hunted and will have to defend their lead for the rest of the season.

Preview:

The Students class and depth across the ground will

get them over the line against the Bloods. Expect a classic game and a real four guarter fight as these two teams battle for the right to finals football.

SKOB will welcome the break to freshen up it list and will welcome back its injured players with a win over the Rovers.

Old Trinity to get their season back on track and keep their finals hopes alive with a win over Old Camberwell pushing them ever closer to C grade. The relentless Snowdogs to continue on their winning ways with a front running win of the midtable O's.

Carey are on the charge and will cause damage to some higher ranked outfits in the remaining rounds but expect OMs to keep them in the relegation zone and themselves in contention for the lead.

100 – Anthony Lynch, Simon O'Connor (St Kevins) 50 - Paul Silberer (Old Haileybury), Liam Dunne (St Kevins)

REPRESENTATIVE FOOTBALL 2009 SUNDAY 19 JULY, JUNCTION OVAL ST KILDA

Heartbreak for the Big V

The Sherrin sailed through the sticks as the siren sounded, breaking Ammo hearts again. Two years ago, the VCFL defeated the VAFA after the bell but a re-occurrence of that seemed highly unlikely when the home team kicked 26 points clear early in the final stanza.

The Country team, however, had other ideas and stormed home with the aid of the freshening gale. In the thirty-second minute, the deed was done and the game was lost.

The close contest all afternoon enthralled the crowd. Brett Voss starred early but the VAFA team couldn't hold out the VCFL, who scored five majors into the breeze.

The Amateurs' performance into the wind in the second term was outstanding, as they linked beautifully and created great opportunities for the forwards. However, a nine to five shot advantage did not convert to scoreboard advantage and they went to the locker room tied up.

The breeze dropped in the third, but the VAFA added six goals from thirteen shots, while the VCFL kicked three from four.

The Amateurs struck early in the final term, but the Country line-up did not go away. Amid much nailbiting on the sidelines, players threw themselves at ball and at opponents. The VAFA defence, led by Paul Wintle, did a sterling job, but into the wind it was easier to win a hard ball than it was to dispose of it to any advantage.

Despite the result, all can be proud of the commitment to the Big V shown by everyone who pulled on the jumper.

Tom Simpson won the Rob Fuller Medal for the VAFA's best, while the VCFL coaching panel awarded their best in Big V to Brett Voss. The Big V award went to Paul Wintle, who played a desperate game in defence.

Country Too Good in U19 Clash

Despite a promising beginning into the wind, the VAFA Under 19 team was soundly defeated by a strong and slick VCFL outfit.

Luke Gestier and Dan Noonan were good forward targets for the Ammos, but the VCFL managed to shut down most other avenues to goal.

Michael Sullivan, Dan Sargent and Tim Mavric provided great linkages through the middle, but the late Country

goals into the wind in the second stanza were a portent of things to come.

The VCFL's seven goal third quarter snuffed out all hope of victory for the home team.

The final quarter saw an improved effort from the Big V, indicating that quite a number of these boys have a big future in the famous jumper.

Old Brighton's Dan Sargent was named best by the VAFA, Charles Shaw was the voted best in Big V by the VCFL and the University Blues rookie also won the Spirit of the Big V award.

AROUND THE GROUNDS

The Match of the Year II lived up to expectations early, with league heavyweights Caulfield and MHSOB engaging in a shootout, minus stars Roger McIntyre (State Game), Ben Carboni (injured) and Fraser Gehrig (catching fish barehanded in the Yarra). Caulfield looked to have control going into half time, with forward ace **Slevison** slipping through some late majors to edge the home side ahead. The Unicorns responded with the wind, Jimmy "Tekken" **Tran** breaking the lines with his Stawell Gift speed to kick MHSOB back in front at orange time. At the same moment I Am Invincible scored a dominant win next door in the Sir John Monash Stakes, the Fields produced their own brand of dominance, dispatching the Unicorns with a seven goal last guarter (wind assisted) to remain aloft the 2009 ladder. Veteran Mark Liddell had sticky hands, marking everything that came his way to be named the best for Caulfield, aided by the Sundberg brothers and little rover Simon "Wila" Widiaia.

The Upset of the Year took place out at Central Reserve, with the wind tunneling through the ground and plaving havoc with the Mazenod goal efficiency. 22 scoring shots to 13 at three-quarter time, netted the Nodders only a nine point advantage that was always under threat with Old Geelong kicking with the '19th Man' in the last stanza. Directing the ball to gun forwards Matt Goldsworthy and Mark Vickers-Willis. the Como Boys surged to an unexpected eight point win that just about erased their relegation worries. David Hansen was gallant for Mazenod. who may look to inject David Maskill back into the fray next week after his bag of 8 goals in the reserves and the loss of **Jayaweera** to a season ending injury.

The John White Memorial Trophy was played for by the Nepean Highway. With a huge home crowd cramming into the Vultures Nest, Parkdale and Monash Blues battled for a relegation easing four points. Kicking with the wind early, the Sky Blues couldn't extract any fluency, only scoring two goals to one. Parkdale defender Tim Boland was brilliant throughout, his link up play with brother Matt making the Vultures look far the more dangerous. A six point orange time lead to Monash looked well short of the mark and with the salty Port Philip Bay breeze drying the sweat off **Darren** Rochford's brow: the enigmatic Vulture full forward overcame a double team to kick a flurry of last quarter goals as Parkdale tore away to a 51 point victory.

Heading to Scammell Reserve light with no David Fayman. Ajax looked under pressure to match Oakleigh's forward fifty firepower of **Trevor Bromely** and co. Sweeping through the neighbouring golf course, a fierce gale allowed the Jackas an initial glimmer of hope as they used the wind to slide clear at guarter time with Gary Blieden dominant in

Rutter starting to find Bromely and Edwards on a regular occurrence as the

the end result, with Oakleigh's finals run gaining momentum as Ajax's begins to severely stutter.

Finally to Ted Ajani, where the cellar dwellers Bulleen-Templestowe looked to muster an upset of epic proportions over Beaumaris, a side some seven positions above them on the ladder. Losing the toss, the Bullants hopes were effectively squashed as the Sharks burst out with six unanswered goals to none silencing the parochial crowd. Scott Gower was double teamed all day up forward, with Aaron Salisbury and Doug Pritchard left to fill the void for the Sharks, both excellent throughout the game. The Bullants usual suspects in Paul "B&F" Florance and Mark Pietryk were again valiant but must be looking forward to a breather from a harrowing 2009.

PREVIEW

Old Geelong (\$4.00) v Beaumaris (\$1.12)

By the Yarra River, the Sharks head to Como Park already penning the four points in the bag with Jason Mifsud and Robbie Cathcart likely additions to the 3rd placed side. With Mark Ensor repelling the forward thrusts of Old Geelong. Beaumaris should enjoy their trip into metropolitan Melbourne. The Sharks by plenty.

Monash Blues (\$2.90) v Mazenod (\$1.35)

The Hot N Spicy Chicken Match of the Week, this one takes on an added dimension with Monash eveing this as a chance to enact one of the upsets it needs in the run home to avoid a return to D1 for the first time since 2003. Forward line impotency is the issue unfortunately for the Sky Blues, Mazenod by four goals,

Aiax (\$3.00) v Caulfield Grammarians (\$1.33)

Aiax are stuttering and even the promise on the BOM website of little to no wind, can't allay the fears of a third successive loss here to the odds-on premiership favourites. Slevison can chalk up a bag here, with his current tally of 64 goals set to swell. Caulfield by seven goals.

MHSOB (\$1.33) v Parkdale Vultures (\$3.00)

MHSOB welcome back 202cm ruckman Roger McIntrye after state duties against the VCFL, his presence alone bound to help fellow Unicorn tap man Rick Van Es. who set a VAFA record last Saturday (most times carried off in a match - 3). The Vultures will come right away from the relegation zone and with **Boland** and **Rochford** firing, this

THE AMATEUR FOOTBALLER 2009

game will be far closer than their ladder positions would lead you to believe. MHSOB by two goals.

Oakleigh (\$1.04) v Bulleen-Templestowe (\$11.00)

One would expect Oakleigh to win this one comfortably. The Bullants have not kicked over ten goals in a match since Round 10 and against one of the best defences in the comp, that pattern looks set to continue. However, the Bullants are a very proud club and won't take relegation lving down so an improved performance won't surprise. however a victory would.

THE CHASE FOR 4th SPOT

The top three sides in Caulfield, MHSOB and Beaumaris look assured of finals action, leaving one remaining spot on board the September train to Sandringham. With a favourable run home. Oakleigh look poised to rise off the canvas and wear the smoky tag into the pointy end of the season.

MAZENOD: 4th. 32 points. 114.65%

To come: Monash (Away), Caulfield (Home), Oakleigh (Away), MHSOB (Away), Ajax (Home)

Hailed premiers in March, the Mazenod bandwagon has stopped to a crawl lately and with the toughest run home of the three sides battling for 4th, even a final round victory over nemesis Aiax won't be enough. AJAX : 5th. 32 points. 108.65%

To come: Caulfield (Home), Monash (Away), Bulleen (Home), Parkdale (Home), Mazenod (Away)

Plans for a return to B Grade were torn up when the ligaments on Jeremy Dukes' knee buckled mid-season. With only two 'aimme' wins in the run home and a poor comparative percentage, they look unlikely to be required in September.

OAKLEIGH : 6th, 28 points, 117.22%

To come: Bulleen (Home), Parkdale (Away), Mazenod (Home). Old Geelong (Away), MHSOB (Home)

We are coming should be the Krushers theme for the rest of the year. Needing to win at least three games to jump ahead of Mazenod and Ajax into 4th, they could well string five wins on the trot and would then face a Round 18 encounter against MHSOB, a match that could well decide if the two teams square off again a week later.

FOR THELOVE OF THE GAME...

Last Sunday's contests brought down the curtain on the VAFA's busiest-ever representative season. From the bushfire match against the EFL in March to the last harrowing kick that saw the Country steal the game, there has

been a lot of time and effort put into getting our best players into the Big V. By and large, our players have responded really well to the call-up. While our results might have been better, it is true that every one of our teams played against formidable opposition and every player acquitted themselves with pride, dignity and behaved in a manner that brought great credit on the VAFA.

Apologies for an error in last week's entry on father-son combinations to represent the Big V. Mark Hibbins is the son of Collegians' legend Lex Hibbins, who apparently did not play for Victoria, unlike his brother Geoff.

Despite the forecast of showers, the sun came out at the Junction Oval on Sunday morning and so did the crowd. Gatekeepers were kept extremely busy taking cash as well as the coupons clipped from the Amateur Footballer that guaranteed free admission. The show of support lifted the players and many made comments on the size of the crowd, which we pegged at around 2000.

Robert "Frosty" Fuller, who is a Big V Legend was at the Junction to present the medal named after him to Tom Simpson. Frosty is these days a resident of the Bahamas and thus may have found St Kilda a little frosty too.

Old Essendon's V.A.F.A. Under 19 co-captain Sam Vale was the vice captain of the 2008 Assumption College team, whose captain was Jamie Sheahan, who played for the V.C.F.L. in yesterday's match. Jamie, who kicked 2 goals, was among the best for the V.C.F.L. Team-mates one season, opponents the next.

Best-dressed and man-abouttown Board member Anthony Amad, the driving force behind the Big V club, presents the Spirit of the Big V award in the room after the games. "Mush" has taken to giving a lesson to all about the history of the Big

V. He'd told the story to about 1937 when VAFA Prez Nick Bourke asked out loud "Yes, but who gets today's award?"

Country boys can kick wheat bags over silos, but it was apparent through the afternoon that the VCFL ump struggled to toss the Sherrin high enough for Big V silos Hayden Heta and Roger McIntyre. It was windy, but a summer in the gym might make all the difference!

> Michael "Bomber" Thomas, a twotime winner of Uni Blues Best Club Man and Reserves B&F reached 150 games in Round 10. A loyal and hardworking Blues player since

1995, Bomber has captained the Blues Reserves, been a long standing committee member (including many years as Secretary) and acted as Club delegate to the VAFA. Blues credit many successful Saturdays to Bomber's on and off field efforts.

Marcellin's popular **Gianluca Romanin** reaches 150 games with the Eagles this weekend. Gian

went straight into the senior team as an U19 in 1998 and was a key factor in the club's B section premiership win that season. Since then, Gian has become an integral part of the senior side, playing in all

key positions and in all their big successes. He was a big part of Marcellin's 2001 A section premiership and despite thoughts of retirement due to injury in 2008, was critical to the Eagles forward set up in their stirring B section Grand Final win.

Caulfield Grammarians' **Mark** Liddell wore the jumper for the 200th time last week. Delly first arrived at Caulfield in 1995 & made an immediate impact with his silky smooth evasive skills & sure hands. A Dual premiership

player, State rep & captain, Mark had a couple of years off to travel & work overseas, but returned to Caulfield this year. He has made an instant impression on the Fields' young playing group.

Michael O'Halloran plays his 150th game for Aquinas this weekend after debuting in 1999. Mickey O quickly became a favourite within the playing group and after a couple of frustrating

years with broken bones established himself as a solid player and a sensational leader. He captained the 2s for a number of years and even filled in as coach on a number of occasions, and still reminds players how successful he was. While his stab passes are legendary, his courage is probably his greatest attribute. After one heavy knock and a subsequent visit to the hospital, it was found that 'O' had been born with only one kidney. After that initial shock, he has continued to be a solid performer both on and off the ground, with his combined efforts of playing and being on the committee for many years establishing him as one of Aguinas' greatest clubmen. Congratulations and well done 'O'.

Warde Elliott notches up 150 games for Power House this week against UHS/VU. Currently an inspirational coach of the reserves, Wardey started playing for the House back in the mid 90s. Renowned for his relentless attack

on the football, he is still knocking on the door of senior selection, though he would very much like to see the Reserves do the business come September.

Elsternwick's **Matthew "Disco" Surman** plays his 200 for the Wickers this week after joining the club back in 1996, Disco has played in nearly every position on the back line, though niggling injuries in recent years has slowed

his tally of games. A tremendous club man, he always puts his hand up to run the water or act as runner when he is unable to play. Matthew recently started up his own business, McKinnon Cellars, which is now a sponsor of the Wickers. Cheers on the big 200!

Universally admired Manningham Cobras champion **Dave Trinchi** has stuck with the club through thick & thin – on & off the field and plays his 200th game today. Dave is a past captain, best & fairest winner

and is currently a committee member. One of the fairest footballers ever to don the boots, his bursts down the wing and long kicks into the forward line have set up many Cobras attacks. Hopefully the Cobras can reward his loyalty with a premiership soon!

The VAFA's intrepid tourist Sue Anderson was at Lord's to see the Australians play on their favourite ground in England. Happily, she didn't have tickets for the fifth day, but did report

that if VAFA clubs were as unruly as Mitch Johnson's bowling, there would be plenty of fines imposed.

Did vou watch Masterchef? If you ignored the tears, the group hugs and the bffl pledges, there were some meaningful lessons. We watched the amateur strive to improve and succeed against tough opposition. Just like the footy coach, an accomplished Chef takes a range of ingredients, combines and extends their properties using various methods to craft a unique and successful product. There was Poh, Tom, Chris, Justine ... just like the footy coach, they came in all different packages: young and full of fresh new ideas, wise old campaigners with bags full 'o' tricks, left-field existentialists and lovably naïve ves-we-can-ers. With just five games remaining, every D1 coach will be thinking: "We need to concoct something special to avoid relegation/make the four/get the double chance," and so he will look to his ingredients. Sure, there's always a hero element to any dish, but the hero can never succeed alone - it needs the full bodied seasoning of its natural accompaniments all working overtime to produce that tasty synergy. A bit of sweet, a bit of sour, and lots of grunt. Funny that the winner, Julie, typified all that is strong, reliable and good humoured in both her food and demeanour. A tough competitor, she won on her merits; no spite, no bad behaviour, and a classy display of good winning manners. Something in that.

ROUND THIRTEEN REVIEW

Every footy ground in town was chilled, whipped and aerated by a relentless wind last Saturday, however at Aquinas College it favoured the home side as it blew to the forward pocket, helping them to a three goal lead at the first change. Old Mentonians were beaten at the stoppages and despite undisciplined play in the second guarter were chasing just a ten point deficit at halftime. An otherwise unremarkable game, the simmering subtext was ladder position: Panthers desperate to sear themselves in fourth spot - Bloods determined to keep their toes above the boiling relegation waters. Aguinas controlled play for much of the third guarter, extending the lead to 27 points at the final change and bottled up play on the defensive wing in the last term as they wound down the timer. Williams boys Adrian. Anthony and Chris (3) were amongst the best for the Bloods, with a bit of spice from **Cormack** and **Cardamone** (3). Panthers were well served by Hecker (2) and Graham. The Two Blues might have been sitting ducks against the visiting Rupertswood side, but from the opening bounce they issued a strong challenge to the ladder leaders and trailed by just two points at guarter time.

lips. Rupertswood aimed true early in the second quarter, but Prahran replied promptly with goals from **Donahoo**, **Ledder** and **Pitts** and took a two goal lead to half time. But the third quarter belonged to Rupo as they applied the blow torch and sadly, like slow-baked lamb shanks, the Two Blues simply fell apart. The lead had evaporated, but Prahran still outscored Rupo in the last term, just not quite able to bridge the gap, going down by 22 points. Best for a valiant Prahran side were **Falcone**, **Stewart** and **Donahoo**.

No easy-beats at Lindsay Hassett either, as the visiting Tigers found an opponent in South Melbourne Districts harder, tougher and more determined than witnessed in recent weeks. Scores remained close throughout a hard-fought contest; only in the last quarter did Werribee kick clear, grinding out a win with a 31 point margin that was somewhat flattering. Stand out players for Werribee were **Pelar brothers Daniel** and **Wayne**, newcomer **Shibeci**, **Murphy** and **Aaron Taylor** (3). SMD were unable to break the drought despite good efforts from **Butler, Batchelor** and **Cheevers** (2) and will need to take immediate stock to avoid the wooden spoon and the drop ...the pressure test is on.

There was twittering aplenty at Bennettswood. Emmaus St Leos hosted a rejuvenated Fitzroy side that attacked the footy as avidly as it awaited reports of the OMs v Aquinas game a few suburbs further east. Excruciatingly close for most of the match, poor kicking nearly cost Fitzroy the chockies, who are now back in fourth spot and can thank the likes of **Dullard** (3), **Parkinson** and **Borland** for sparking renewed finals hopes, while **D'Amico**, **McCann** and **Beluszar** (2) played well for the Animals, who may soon return from whence they came.

Upset of the round was North Old Boys St Patricks' five goal win at home over the in-form Whitefriars who asserted themselves early, taking a 17 point lead at the halftime break. Chef Scanlon, however, plated up a ripper third course and suddenly the mitts were off all across the pressure cooker that was Gillon oval. With a number of reports and subsequent send-offs, the visitors were down to 17 players with less than a kick in it at the final turn ...and the Friars were fried. Peach Cobb(I)er for sweets as NOBS added six in the last. **Kyle Adams** was their 7 goal hero, accompanied by **Sheehan, Hosking & Davison** (4), while Friar-men **Brosolo, Scannell** and **Cunningham** were solid in defeat.

ROUND FOURTEEN PREVIEW

With just five games left before finals, there'll be some already dreaming of Premiership glory and celebrations; there'll be tears, group hugs, and pledges of undying mateship.

The Aquinas mini-run will prove to be a tenuous soufflé; a loud bang from Rupertswood will deflate their dreams of taking the ladder-leader cherry. Once again the Panthers find themselves fighting for finals against a team facing the chop (Emmaus St Leos) but this time they'll sniff out the prized truffles at Bennettswood. The travelling Royboys will throw everything but the kitchen sink at Werribee down at Solders Reserve as they cling to fourth spot, but won't have the power to stop the single-minded Tigers. Whitefriars will regroup at home against South Melbourne Districts, and another tantalising clash at Gillon Oval will see a gutsy Prahran leave everything on the field as they attempt to harness the victorious NOBSP. Delicious.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Milestone for Bobby

Goal umpire **Bob Seymour** will be celebrating his **450th VAFA game** as he steps out onto Como Park today. After starting with the old VFA back in 1980, **Bob** moved over to the Footscray District Football League in 1985 for a couple of seasons before "seeing the light" and joining the VAFA in 1987. After plenty of games under his belt he estimates that his total games with all leagues amounts to about **905**. A fantastic effort! Hopefully Old Geelong and Beaumaris will provide Bobby with a great memorable game.

New Arrival

In breaking news, congratulations to **Craig Brajtberg** on the birth of his first child, a healthy baby girl. She arrived on Monday quite conveniently so that **Berger** would have a minimum of disruption to his football season. Mother and daughter and of course dad all doing well. At the time of going to print the name hadn't been confirmed so at this stage we'll just go with **Junior Berger**. **Berger**. If as you knew it is all about to change!

Watt's that?

As most VAFA supporters would know, last year's **Woodrow Medallist** (A Section Best & Fairest) **Jack Watts** decided to take the year off to travel overseas. Well he recently arrived back in the country and thought he'd have kick in the Club XVIII's for University Blues whilst A & B sections were having a break. As it happens he was unhappy about a particular decision that didn't go his way and proceeded to give the field umpire a bit of a serve. At the next opportunity the umpire in question pulled **Watts** aside and said, "mate you have to be careful how you speak to us, if you ever get up to A grade you'll never get away with that!" Well done Gunny, great communication skills. Suppose you didn't watch a lot of A section footy last year.

Benny's Rule of the Week

When a point is scored the player must bring the ball back into play from within the goal square according to the rules which state;

(a) After giving a player a reasonable opportunity, the field umpire shall direct a player to kick the football back into play. If a player fails to kick the football back into play after being instructed to do so, the field umpire shall call "Play On". The player shall be required to dispose of the ball in accordance with the Laws 13.1 (b) and (d). Opposing players however may enter the Goal square and tackle the player with the ball once "Play On" is called.

(b) If the field umpire is of the opinion that a player has not

kicked the football back into play in accordance with **Law 13.1**, the field umpire shall bounce the football on the centre of the kick off line to recommence play.

This means a player CANNOT take the ball back through the goal area as he has not brought the ball back into play within the rules; this is therefore NOT a point but a ball up in the centre of the kick off line.

Temp's Tour

The next instalment of goal umpire **Graham Templar's Tour** de France.

Have just had two hard days and nights. Rode Tourmalet yesterday, a horror. 17 kms at 7.5%. Last night we celebrated Bastille Day and woke this morning looking for the truck that hit me.

In typical umpiring fashion....play on, didn't see it...came good and rode the Col de Peyresourde today.(See photoof me at the top of Peyresourde.) Feeling ordinary now (Umpires Corner cleaned that up!) but having some Heineken medicine to get me through. Another big climb tomorrow.

The mountains don't get any easier whether you are in the Pyrenees, Vosges or Alpes. Relentless and brutal is the only way to describe them. The rain put a dampener on things for a while, everyone got very wet and cold. However, all good now after plenty of beer medicine.

The driving and riding has been hard, some of the descents have been harder and certainly more dangerous than the climbs. One descent was extremely steep, with sharp switchbacks and a rough road. With the bikes doing over 70kph the vehicles could not keep up. Very stressful given that there are a couple of lunatic macho men in the group. I can't work out if I'm breaking even on the weight side of things given the amount of food and medicine that is being consumed.

Everyone having a ball, but we are constantly having to be on our toes to keep it that way.

Will definitely need a holiday when I get back. Au revoir GT

Upcoming Events

Next VAFAUA meeting will be next **Thursday 30th July** after training.

Don't forget our night of nights, the **Pre-finals Dinner** taking place at the MCG Members' Dining Room on **Monday 24th August.**

RESPECT THE UMPIRE – RESPECT THE GAME!!

D2 SECTION

by Caillin O'Shannessy

It seems as we approach the final leg of season 2009 some teams are finding their rhythm and breaking into a stride whilst others are stumbling at a crucial time. The last five rounds are important in any season, as form and confidence going into finals is on the line, as is relegation. The current top four sides may have looked the goods for the majority of the season, however if they fall away now it could all be for nothina.

Old Westbourne are certainly peaking at the right time of the season, having won three in a row after being beaten by the top side. Last week was perhaps the most impressive of their victories, hosting second placed Banyule and defeating the clear favourites in a low-scoring affair. Sam Collins and Brett Connors are plaving some good football for Westbourne who are knocking on the door of the top four. A poor percentage could hurt them in the end but if they do play finals, Old Westbourne could cause some problems for more fancied sides. They should continue their streak against Yarra Valley this week, while Banyule faces a tough opponent also coming off a loss in Williamstown.

Despite playing away. Williamstown would have hoped to push Peninsula harder than they eventually did last Saturday. While the game was close for a half, Peninsula played a fantastic third guarter and were able to kick seven goals into the breeze, setting up a comfortable victory for themselves against a team that had beaten them eight weeks ago. Tom Rees continued his very impressive season while Will **Coghlan** also had a good day out. Peninsula have booked a spot in the finals and look set to take out the minor premiership. This week's game against Eltham should not prove too tough, although you never can tell what's going to happen at Eltham College. Williamstown need to pick themselves up quickly for this weeks game against Banyule, which will be an enthralling tussle between two of the competitions better sides both coming off losses and looking to establish a psychological edge for the finals. Will Coopers efforts on the weekend should not go unnoticed, but he will need support this week if Williamstown are to knock off Banyule.

Therry Penola are flirting with danger and could lose their spot in the top four after a third straight loss, this

time against Old Paradians. It was the premiership third quarter again that decided this one, as the Paradians booted six goals and created an unassailable

lead. While it would nearly take a miracle for the Paradians to make the finals, they are certainly doing all they can at the moment, and can only hope some results go their way. Corev Bannister played a lone hand up forward for Therry, and Jarrod Egglestone tried hard in defence. However there were a lot of passengers who will need to stand up this week in a must win game against Glen Eira at home.

Glen Eira have come a long way since the beginning of the season, and have really distanced themselves from the bottom two sides. Eltham, on the other hand, have been unable to achieve the consistency needed to win as many games as they could, and as such are now lamenting a season that could have been. It was a hard fought win by Glen Eira, set up in the first guarter as they took advantage of the wind. In a good team effort Abdirahman Farah was excellent in his 50th game, as was Chris Massis and Scott Diamond.

Yarra Vallev had a very impressive win over Ivanhoe. who are quickly losing touch with Glen Eira and are a good chance of finishing in the bottom two at the end of the season. The Hoes will be disappointed with their efforts in a game they might have won on a good day, but nothing can be taken away from Yarra Valley who came out after half time and comprehensively outplayed a stunned lyanhoe side.

COACHES' CLIPBOARD AFCA/VAFA

THE POWER OF A NEGATIVE IMAGE JOHN COOKSEY – AFL.COM.AU

Thinking is a complicated process. A process that can help you find a solution to a problem, or a process that can bring about the very outcome you hope to avoid.

Over the past few years golfers have been advised to have a strong pre-shot routine. This routine usually includes feeling the swing or putt, seeing the flight of the ball and several other elements designed to separate the thinking from the hitting aspects of a shot. The same applies to other set routine skills such as kicking for goal. You only have to watch Matthew Lloyd Do not use thoughts such as: "Watch out for the preparing for his set shots at goal to know what I mean. Unfortunately, many players include some very destructive aspects in their pre-shot routine. One of the most damaging of these is the negative image.

Remember that every time you think of what you want to avoid, you practice making that mistake. The way the mind processes information makes this nasty occurrence happen. Remember the old joke about "Don't think of a purple cow", and, of course, you have do not need to fear having these images or thoughts. to think about that purple cow. You have to think about what you don't want to think about because part of the process is to clearly identify the subject, the purple cow. Of course, a cow is an object and not an action. If you think of an action, especially one that has a strong emotion attached to it, your mind will automatically begin to recall and/or create the experience.

Never ask yourself to do what you don't want to do. This means that when you think of something your mind must process the thought down to the fibres of your muscles. When you think of a water hazard, and hitting it into the water, your mind processes the thought and you must mentally PRACTICE hitting the ball into the water. It doesn't matter if you want it or not. If you think it, you practice it. Avoid the thoughts that force you to practice what you do not want to do. The best way to do this is to occupy your thoughts with

what you want. Focus on the centre of the goals (pick a specific target behind the goals), focus on the feel of a good goal kick, focus on the exact spot where you will put the ball. In the early stages of shot preparation, look up the field, at the target and where the mark is, but when you are ready to actually take your kick your thoughts must focus on the positive, on success. When it's time to kick the ball avoid all thoughts and/or images of failure.

opposing players on the mark". "Keep it out of the dead pocket", "I sure hope I don't kick it there again." or "My last shot was far too short". These negative thoughts force you to think about the very thing that you want to avoid. When you think it, you practice it. Confidently hold the image of the target and take your kick.

It would be ridiculous to believe that you can avoid or eliminate all of your negative images or thoughts. You they will occur. What you can learn to control is the effect that the images have on your game. You do this by controlling when you have them. This means that you control the sequencing of your thoughts. If, as you prepare to kick at the goals, you remember badly shanking a similar kick last week, don't panic. Simply remember to take an extra five seconds and immediately go to a positive image and recall a strong feeling of success. Refocus your mind on the target and execute the kick with all the confidence a good shot at goal requires. Never let a negative image or thought be your last image or thought before you kick. You will probably get what you mentally ask for, so don't ask for the negative, ask for success.

.. Retrospective

by Geoff Reilley

5 YEARS AGO - 2004

In D2 Section, Williamstown CYMS did not do Bulleen Templestowe any favours when they defeated the equal leaders with a great third quarter effort in a low scoring match. It was a really good team effort from the Williamstown boys with a 10 point victory, 9.11 to 8.7. Best players – Wheeler, Munro, Cocks, Street, Hart (Williamstown) and Schneider, Voglis (4), Chivers, Clarke, Daskalou (Bulleen Temp).

It was a really tight, low scoring affair in the **D3 Section**; **Mount Lilydale** versus **Uni High School/Victorian Uni** and in protecting their place in the top four, UHS-VU had to fight every inch of the way before winning 8.7 to 8.5. UHS-VU held a very handy lead in the circumstances at half time (6.4 to 3.2) but the mountain men kept coming and almost "took the chocolates". Best players – Carroll, Dimond, Mora, Dolence, Thorp, M Farrelly (UHS-VU) and **Baker, Roberts, Hayes, Kellett, Carns, Leonard** (Mount Lilydale). **Dimitris Pappas** and **Brian Woodhead** were the central umpires.

In **D4 Section** it was officially a 'five horse race' for the finals and **Kew** (2nd) were away to **Bulleen Cobras** (4th). Bulleen on their home ground expected to place a lot of pressure on the strong Kew line-up but by three quarter time had not scored a goal, rather 10 straight behinds while Kew with 8.15 had the situation under control. Although the Cobras outscored their visitors in the last term it was a six goal victory to Kew and consolidation of their double chance. Best players – **Wood, Ianni, De Blank, Gridley, Mainsbridge, Rakusz** (Kew) and **M D'Angelo, Fradkin, Fortune, McLaren, Cookson, D Trinchi** (Bulleen Cobras).

D4 Section senior coaches were – Pete Smith (Albert Park), Peter Armstrong (Box Hill North), Joe D'Angelo (Bulleen Cobras), Dennis Grace (Elsternwick), Wayne Reardon (Eltham Old Collegians), Rohan Doherty (Kew), Ange Sammartino (North Brunswick), Jeffrey Wilson (Old Westbourne), Frank Bove (Richmond Centrals) and Michael Learmonth (St Mary's).

Umpires Corner, presented by the two veterans, Leah Gallagher and Steve McCarthy, made note of some milestones from within their fraternity - Sean Scully Junior 50 games, Gaj Skandakumar 200 games and Trevor Flannery 100 games on the tribunal door as security. Also mention of former great goal umpire, Don McKenzie following his hip surgery. Don was not only a

good umpire but a dedicated VAFA follower who was enjoying following **St Leos Emmaus** each week where his son was club captain. (**Good to Leah**

and Macca still running well in 2009 and helping to guide some of the young umps – GR).

10 YEARS AGO - 1999

In **C** Section in extremely windy conditions the scene was set for a great contest between top four teams Old Mentonians and Glen Eira. Using the wind to advantage in the first quarter, Mentonians kicked six goals with leading C section sharpshooter, Adam Acreman, looking particularly dangerous. Glen Eira could only manage 4 behinds into the wind but made up for it in the second guarter with 9.2 although Mentonians kicked four to hold a slender lead. Glen Eira worked really hard into the wind in the third term, scored 3.3 but Mentonians, with McNish and Stroud also dangerous around goals, making life difficult for Glen Eira. In a fantastic last term each team in turn kicked goals in a great display of contested footy. Although Glen Eira converted 8 times with Hasell their main goal scorer. Mentonians had the answers and just held on top win by 4 points, 21.8 to 20.10, excellent conversion given the conditions. Best players - McNish (5), Brooks, Kitto, Acreman (8), Carter, Austin (Mentonians) and Matt Rvan, Hasell (8), Astapenko, C O'Donnell, Wilce, Tkocz (Glen Eira).

With 12 teams in **D** Section and consequently and unusually a final five, there was plenty of room for changes in the top group. Caulfield Grammarians versus Old Essendon would be a vital game and Essendon drew first blood and held a very handy lead at quarter time. Held scoreless in the second term, Essendon still held a 2 goal lead at half time then kicked away in the third quarter and held on to severely dent Caulfield's chances. Best players – Fletcher, Panagiotopoulos, Fleming, McPherson, Goodger, Dragoljo (Essendon) and Oscar, Will, Cassidy, Brohier, McGrath, Pearce (Caulfield).

Caulfield Grammarians' Kornel Dachs achieved his 200th game and had typified loyalty and club spirit throughout his journey with the Grammarians. Matt Cohen played his 100th game for Old Carey and had already become an institution at the C's. In A Section, Ormond (2nd) took on Scotch (7th) and did not have it all their own way. In fact, it took practically the whole game for the Monds to shake off the very tenacious Cardinals, typical of the rivalry between these two teams at this time. Scotch led by 2 points at quarter time which prompted Ormond to slip into top gear in the second term. Newly promoted forward for Ormond, Darren Roth, was proving a very handy replacement for regular spearhead, Paul Schuhkraft, while Justin Clarkson headed the charge for the mid-fielders. Paul Cox's return from injury also lifted the Monds around the ground. Peter Brown was excellent for Scotch along with John Moir, who won the ruck battle against the Ormond pair, Paul McDonald and Scott Taylor. Scotch's Andy Smith was consistent all day for the Cardinals. After seemingly taking control at half time, Ormond again found Scotch willing to take them on in the third quarter and Ormond had to work very hard to maintain their hold on the game, eventually winning 18.14 to 13.16. Best players - Roth (5), Clarkson, P Cox, Russell, Forsyth, David McDonald (Ormond) and Brown, Smith. Moir, Hooper, Brady, Kiel (Old Scotch). Following Collegians' narrow loss at the hands of Old Paradians. Ormond went to the top of the ladder.

In **B Section**, **Old Brighton's** first half was far more impressive than their second half against Uni Blacks. Squandering a 6 goal lead in the third term, the Tonners had to 'steady the ship' in the final term before winning 14.11 to 10.14. Best players – **Burns, O'Connor, Grant** (6), **Murray** (3), **Cooper, Lade** (Old Brighton) and **Van Denderen, Vaughan, Heath, McArthur, Anderson, Gibney** (Uni Blacks). **Old Brighton** remained in second place while the Blacks stayed in the middle of the pack.

30 YEARS AGO - 1979

The threat of relegation was 'kicking in' and it always impacts on this wonderful competition that we know as the "Ammos". With only ten teams in most sections, the fight for survival so often produces results 'against the tide'. On this occasion, firstly **Ivanhoe** defeated **Ormond** in a high scoring, A Section game that was close from the opening bounce until the final siren. Winning 20.11 to 17.14 may well have removed Ivanhoe from relegation stakes. It was a great game; best players – **Gittos, R Stewart** (3), **McNamara, Shepherd** (3), **B O'Brien, J Brewin** (Ivanhoe) and **Crump** (6), **Boehm** (5), **Fisher, Pearce, Mehrten, Holdsworth** (Ormond).

In **B Section**, middle of the road teams, **Fawkner** and **Caulfield Grammarians** met at the windswept Fawkner Oval and the home team appeared to have the better of their visitors, especially at three quarter time when only their inaccuracy (8.17 to 6.5) kept Caulfield in the game. In a thrilling last quarter, led by **Greg Tootell** (6 goals) and

Warwick Watson, Caulfield piled on 7 goals to Fawkner's three and at the siren it was 84 points apiece with all players exhausted by their efforts. Best players – Smith, Rochford, K Ward, Teasdale, T Mills, M Ward (Fawkner) and Watson, Lean, Fielden, Bierwirth, Kanis, Voyage (Caulfield Grammarians).

40 YEARS AGO - 1969

In C Section, it was match of the season with top team, Commonwealth Bank, travelling to Alphington (2nd), who were one game behind. Both teams were well clear of their rivals. The bankers kicked away early before Alphington kicked two late goals in the first term to be within 5 points of the bank. The Bankers asserted themselves in the second quarter to hold a valuable 4 goal lead by the main break. Alphington completely reversed the trend in the third quarter and also outscored the bank in the final term to run out winners 15.11 to 13.9 and now only a percentage advantage had the bank on top of the ladder. Best players – Williams, Wayman (3), McKay (3), D Puddy, Alsop, McNamara (Alphington) and Radford, Dick, Aldenhaven, Curtin, Borrack, Pretty (Commonwealth Bank).

In **D** Section it was a thriller at **Parkside** against **Old Trinity** before the home team held on to win 11.8 to 11.5. The loss placed Old Trinity in the relegation area while Parkside were waiting for the opportunity to grab fourth spot. Best players – **Stenlake, D Gleeson, Sammutt, Tolra, Romari, Eames** (Parkside) and **D Cox, Watson, McLean, Kleinart, Farmer** (Old Trinity).

50 YEARS AGO - 1959

Nearing the business end of the season, top team in A Section, Collegians, thrashed Old Scotch with greater determination and more purposeful football. Scotch had kicked the first two goals of the game but Collegians quickly rallied and had the advantage at the first break. Cowper was providing Scotch with plenty of drive but the forwards could not capitalize on his good work. Bennett was in brilliant form for Collegians having recently come out of retirement, not for the first time. Collegians continued to take their toll on the spasmodic Cardinals and won easily in the finish 16.6 to 4.10. Best players – Bennett (8), Opie, Umkenstein, Sunderland, G Hibbins, L Hibbins (Collegians) and McKaige, Cowper, Eggleston, Wilson, Maughan, R Morris (Old Scotch).

In **B Section**, **Coburg** defeated **Kew** easily, 17.13 to 8.20 and retained the top position. Kew may have missed their chance of finals now, one game plus lots of percentage in fifth place. Despite Kew's inaccuracy, Coburg had all the answers with their fast play-on style of footy. Best players – **Hillyear**, **Shaw** (6), **R Dugdale**, **Gilchrist**, **Tupper**, **D Walsh** (Coburg) and **Porter** (4), **Blay**, **Snell**, **Woods**, **Fletcher**, **Hayes** (Kew).

THE AMATEUR FOOTBALLER 2009

D3 SECTION

by Stephen Clarke

How much would you love to be a fly in the wall in the rooms Saturday last week? I love the ridiculous phrases that people bellow like 'last roll of the dice fellas', 'now or never guys', 'time to put up now', those moments are priceless. After all, playing footy is a process, you field a team, play to instruction and do your best. Yet still the banter continues to see if you can gain advantage against the opponent.

Plenty of this must have been going on down at Rathmines where the Hawks hosted the well performed X Men. It was their last hurrah if they wanted to participate in finals and coach Murray cajoled some 48 scoring shots from his talented group. It was like waltzing down memory lane as the brown and gold went bang at the sticks all day long. The X Men are a young club and hadn't been to such a ground, full of guirks for a visiting side with little or no knowledge of it. I would be searching the annals for the last time 40 plus goals were scored in a game in this section. That is an outstanding return for spectators and the like. Big Alex Rowell enjoyed this day immensely. Rowelly is critical to a strong Hawks outfit and dominated throughout. The influence of Lenders and Prior was not significant enough here and the X Men failed again for the simple reason they rely on too few too often. All I know is the Hawks are a very handy 4-9 side and will reek havoc in the coming weeks at home.

The 'Elizabethan' inspired Monash side ventured toward the Zoo with a mission to steal four points from Uni High and stop this nonsense talk of relegation. After all, they have been steadfast in this section for years now and their reign must continue ! Thirteen majors in the second act here all but extinguished any doubts they have of their ability and laid the foundation for a terrific future. When they click they obviously have the required attacking options to be a threat to sides and must be the VAFA's best ten placed side. For Uni High this was a plain old fashioned disaster and they are in more strife than Flash Gordon now. Their run home presents some very tricky assignments and I don't like their chances escaping the bottom rungs for the remainder of the season.

Down at Ross Gregory Elsternwick made the visit

not used properly by either side in the first half. The third quarter saw ruckman Grant Cameron, wingman Ashlev Quinn and on baller Lachie Bedinofield providing plenty of opportunities as the Wicks applied pressure and bad kicking for goal resulted in only three goals from thirteen scoring shots leaving the Wicks vulnerable at three guarter time. In the last quarter full forward Dave Smith proved the difference as the Piranhas couldn't get the ball forward effectively to get a score on the board. The usual suspects did ok for the 'House in Sosic and Bahr but overall their mid season form has been well below expectation and they now look to season 2010 for a new hope and some direction. The five goal margin to the Wicks advantage was a fitting result for Shane Mahony's 300th game. If the VAFA has another club and family with more 300 games players in it please let me know, a truly grand effort this

Our dominate league leaders Bentleigh had to travel to St Johns with just victory on their mind, seeing that another four points would nearly seal the minor premiership. The home side had done well against them early in the season a slight upset could have been entertained. However a typically fast start by the red and blue brigade put paid to that idea and the game was over at half time with a six goals margin in place. Our old friend James Robertson and Chris Sharp were in great form here relishing the fine conditions and stamping their class on proceedings. Suddenly Sharp has 42 goals for the year, fair return in just nine outings. I think for Bentleigh now it's keeping the better players healthy and happy and ensuring August is the month they want to rev it up and ride. St Jonh's are by no means safe in the four but have been solid against the lower ranked asides doing enough the stay in. Their next fortnight is absolutely massive and the Peakes and Hangers must continue their form accordingly.

The Mappies headed to Ferndale Park and this was extremely close all day on the scoreboard but the class prevailed possibly in the end with St Mary's

THE AMATEUR FOOTBALLER 2009

Salesian falling in by 23 points. The home side as we have noted before have some great avenues to press forward and Marc Hill led well all day and assumed offensive responsibilities. He is very important to their overall success going forward. West Brunswick are another side that in recent times have been solid and their results show this. They are by no means safe but hard to pin them as the weakest link for season 2009.

TIPS -

This is my third year doing this grade and easily we see the best five game combination ever. I can not encourage people enough to go to any venue as they are guaranteed a tight tussle!

Bentleigh host the Xmen. You think a soft win again for the number one side but the Xmen will be absolutely fearless here. The home side by less than ten points.

Monash face the Hawks and this is it for both sides and finals chances. Hawks to roll on from their massive score last week to fall in and continue on. The Magpies Bombers clash at McAlister goes to Elsternwick but only just.

St Johns host St Marys and they might struggle to contain the visitors but again - close.

Finally history is made when Powerhouse host Uni High. Turning back the clock fifty years these sides were doing battle in a Grand Final. Home side must win for the jumper and to save face.

D4 SECTION by Duncan Palmer

Fremantle has the 'Doctor'. Melbourne now has the Port Phillip 'Butcher'. Whilst the Doctor blows in off the Indian Ocean providing welcome relief to a hot summer's day, for the past few weeks the butcher has been taking the hatchet to our football fields and slaughtering any signs of a guality, highskilled game of football. Through the propensity of our meat merchant to turn a football on its nose and send it spiralling 120 degrees away from the intended target, what has been created are two types of game; The dour but desperate 'trench fight' where every metre is earned through blood, sweat and tears, and the 'see-saw' where a seven goal lead can disappear faster than a parking spot at Northland. While neither may be pretty, either can create a thrilling match, and we saw examples of both on Saturday.

The match of the round lived up to its billing with the top two sides battling out a see-sawing affair at the 'racetrack'. Both sides belied the difficult conditions to kick goals into the savage wind. In the first it was La Trobe who snatched an early lead before a Nathan Dallas inspired flurry from the Falcons created a handy buffer at guarter time. With Dean **Sheldrick** winding back the clock with a vintage performance it appeared the lead would not be enough as the uni side dominated the second and threatened to blow the game open. Inaccurate kicking though saw the lead restricted to just five points at the half. In the third Albert Park again managed to edge in front, with **Rvan Haves** finding plenty of the football and Stuart Maunder showing how important he is to the Falcons with a six goal performance in his second game back from injury. At the final change the difference was two goals, and when La Trobe slammed on the first two goals in the dying breeze what ensued was a classic finish with six lead changes and the home side finally prevailing by five points. Stephen Staunton was best for La Trobe, whilst Stuart Maunder, as mentioned was brilliant for the Falcons. With five games to go only four percentage points separate the top two sides with automatic promotion beckoning the side that manages to take the minor premiership.

At Fleming Park Chadstone put tremendous pressure on the home side and managed to restrict North Brunswick to only two goals with the wind. Simon Reed was working hard for the Synners and with a good start in the second an upset was on the cards. North however are a far better team than their ladder position indicates, with many close losses to teams far higher on the ladder, and they demonstrated some of this skill with a blistering finish to the guarter and five goals into the gale! North did not release their strangle-hold on the game from then on, and extended their lead despite excellent pressure from Chadstone who did not relent. The final quarter saw some excellent free flowing football from both sides as David Barry-Macaulay for the Synners, and Robert

and Ben Santacroce Williams for North, racked up the possessions. North Brunswick has now climbed a rung or two on the ladder and may be a dangerous floater

for some of the finals aspirants in the closing rounds.

At Kevin Bartlett reserve a classic 'trench fight' was fought out with Kew initially bouncing out to a five goal lead, then only kicking one more for the match as Richmond clawed their way back Both sides would rue their inaccurate kicking, however would have been proud of the intense physical pressure and tackling in a finals type atmosphere. Sean O' Connor and Brendan Dagge were impressive for the home side who surely missed Daniel Pike in conditions that would have suited his 'in and under' style of play. For Kew, who appear to have turned the corner after a shaky few weeks. Heath McDermott and Aaron 'Phil' Carman impressed.

SPOCTROOVER

Swinburne had first use of the breeze and took full advantage. surging guickly to a seven goal lead against the Cobras. Ben **Cookson** then turned on a scintillating display of midfield football, leading his side to a narrow half time lead. In the third though, the Razorbacks really put their foot down and with their forwards led by Michael Westland enjoying the quantity and quality of possession delivered to them, took an eight goal lead into the last. With the wind dving in the last Manningham were unable to peg back the home side despite Warrick 'Raging Bull' De Vercelli thinking he was at Pamplona, and splitting packs at will. Swinburne is now on the cusp of the five and with Zac Scrase and Michael Manning in top form would be setting their sights on September action.

Elev Park would be wishing they had won the toss on Saturday with both reserves and seniors surging home with the sea spray to just fall short of the home side. In conditions not conducive to key forwards both sides managed to find multiple avenues to goal, with nine goal-kickers each. Ben Price and Sam Wright both continued their fine seasons to lead the Tigers to another important narrow victory, whilst David Bennett and Mitch Dunn performed well for the Sharks.

Box Hill North have shown improved form over the past few weeks and with Peter Currie continuing his excellent return from a serious knee injury, would have given themselves a chance against the Rams. Despite a four goal deficit at half time Adam Pritchard was winning a lot of the ball for the demons and the game appeared within reach. In the third however Jesse Pulkka and Havdn Moves hit the afterburners and were far too fleet of foot for the home side. Pulkka in particular played probably his best game of the year, and set

THE AMATEUR FOOTBALLER 2009

up several goals for the Mt Lilvdale forwards. In the end the Rams stretched their lead out to finish with a dominant 81point victory and their seventh win from their past eight matches.

Round 13 Previews Match of the Round

Swinburne Uni v Richmond: The victor will go a game clear in fifth (or fourth) spot, so the pressure will definitely be on. Swinburne's form has been a little stronger in recent weeks, however Richmond are 'big-game' tuned with several recent close losses against top sides. Can the Snakes hold Yaman and Westland and will Nuske start finding the big sticks again. Those questions can only be answered on the weekend: Razorbacks by 11 points at the pig pen.

Box Hill North v Nth Brunswick: Box Hill North's height versus North Brunswick's speed will create an interesting match with a close result beckoning. I favour North due to their recent win and the form of Adam Jeffrev and Lindon Dowsett: North by 7 points.

Manningham v Mt Lilydale: Manningham will give everything in David Trinchi's two hundredth and an upset is not impossible however I cannot go past one of the form sides in the competition. Rams by 16 points.

Albert Park v South Mornington: In a very important game for both sides South will give their all, however I feel the Falcons will be too strong; Parkers by 27 points.

Kew v Chadstone: There is too much at stake for the Bears to drop this one, though Chadstone will once again give their all: Kew by 43 points.

Elev Park v Latrobe University: The Sharks will run hard at La Trobe this week, and if they have a sniff early may surprise. but I think the Uni will hold onto top spot for another week; La Trobe by 33 points.

Reserves: NB. Kew. MTL. LTU. RC and AP to salute in the reserves in the week.

THE AMATEUR FOOTBALLER 2009

D4 SECTION

Under 18s

by Joe Morsello

Joey's Jargon

The Jargon had four of four last week to find some rare tipping form. Five rounds from the finish and there are only five realistic finals hopes in 09. The top two is set and it's just a matter of who is the inaugural minor premier. St Bernards who currently sit in fifth have to play Oakleigh, Northern Bullants, UHS / Flem in the Run home which looks a tough ask. For mine the four is set as it is currently. Good call? Bad Call? Let's see how they fared last week......

Last Round:

UHS/Flemington v SBMT: Well well, the underdogs came out firing and stayed firing to lead throughout in a grand performance and smash the higher placed tigers by 10 goals at the home of football last Friday night. The UHS tackling pressure was fantastic on the wide open Sportscover Arena which combated the Tigers quick movement of the footy. Coombe, Free, and Moore had a fair say in proceedings along with McSweeney (6) who thrived in his role up forward. For the Tigers Fikiner and Ary battled away along with Shipsides (2).

Oakleigh v Old Camberwell: Camberwell managed to get a side back on the park but this one went to plan with the Oaks comfortably saluting on their home track to keep first spot away from the Bullants. Camberwell were competitive for the most part but certainly lack the Krushers depth. **Jetta** (4) and **Tunik** (3) did most of the Krushers scoring with **Seel** and **Lavery** winning plenty of the footy. For Camberwell **Dean** and **Ross** were again well and truly amongst it.

Therry Penola v St Bernards: In result this one went to plan but definitely not in the process with Therry taking right up to St Bernards all day. Eventually the snow dogs ran out 11 point winners and hang on to their finals hopes. The **Sullivans** were the difference for St Bernards winning plenty of the footy and kicking six goals between them to

OAKLEIGH v UHS-VU/FLEMINGTON Friday Night at Sportscover Arena at 7.00pm OLD CAMBERWELL v ST BERNARDS Gordon Barnard Reserve at 12.00pm ST MARY'S SALESIAN v ST BEDES/MENT.TIGERS Ferndale Park at 2.00pm NORTHERN BULLANTS v THERRY PENOLA Preston City Oval at 2.00pm

Northern Bullants v St Marys / Salesian: The sun was out and so was the Bullants, back to their old ways of smashing sides through their skilful midfield to defeat St Marys by 105 points at the Zwar. The **Calcedo** brothers had a day out for the Bullants who had a much needed steadying victory. West was best for the saints along with **Phillips** and **Gatehouse** who also tried hard.

This Week:

Oakleigh v UHS/Flemington: On overall form you would have to stick the with Oaks, but UHS are red hot at the moment. Oaks only just by 9 points.

Old Camberwell v St Bernards: Snowdogs deserved favourites here, I'll tip Camberwell at home in an upset by 22 points.

St Marys / Salesian v SBMT: Both sides coming off disappointing efforts last start. Tigers should be to strong although were pushed by the Saints last time. Tigers by 17 points.

Northern Bullants v Therry Penola: Bullants by lots.

What was Cricket Australia thinking sending over that rabble of a team to defend The Ashes? It has become obvious to all U19 Premier supporters that The De La Salle (Blues) should have been handed those Qantas boarding passes for the flight to Heathrow as they could have had the series 0 - 2 in Australia's favour and still found time to win a couple of footy games in the best U19 comp in the country. (Or should that be second best?)

Uni Blues' may have been wishing the top 11 from De La were in England for their clash on the Uni's main oval, but when you're up against a side who's bottom 6 and top 6 players are pretty much equals in the skill and fitness departments then you're always going to have a tough day no matter who gets the call up to play for Australia or as was the case last week, the VAFA rep side. The game itself saw De La take an early lead from which they were never headed, Tyson Parker having a great day in front of goal booting 5 while Brendan Close was also getting plenty of the pill. For The Uni, Jared Edwards and Stuart Herben were solid contributors in a side that showed good signs in patches but just couldn't contain all of De La's guns.

Beaumaris hosted Uni Blacks and used the wind well in first term heading out to a handy 3 goal lead while holding Black's forwards to 1 solitary point. The roles were reversed in the second quarter as Uni Blacks fought back through Simon Yule and Harrison Fotia but after the main break The Sharks hit their straps outscoring the visiting students by 3 goals. Nick Dickinson (4 goals) was the main focus up forward for The Sharks while Peter Richter and Tim Lees also instrumental for Beauy.

Down the road and around the corner St Bedes Mentone Tigers hosted Old Trinity at the postage stamp on Brindisi St. Punters were treated to an impressive display of free wheeling U19 footy where 19 players managed to get their names on the score sheet. After 100 minutes it was The Tigers who saluted taking care of business with a 22 point victory in an even team performance, Brendan Dillon (4 goals) and Michael Locco amongst the votes down Mentone way while for The T's the Hunt brothers and Kris Spassopoulos showed some good form.

Normal transmission resumed at K2 stadium as Old Scotch found their winning touch again smashing Marcellin by a whopping 96 points. Marcellin used a handy 4 goal wind first but failed to capitalize going to the first break only 1 point up. In contrast The Cards used it in the second to bang on 6 goals while The Eagles struggled to get the ball to their forwards. The half time damage could have been worse with OS kicking 1 goal 8 in a 5 minute period to end

THE AMATEUR FOOTBALLER 2009

the first half. Despite huge efforts from Abrahams, Phillips and Kemp, the Eagles were unable to stem the red tide as Scotch continued to score heavily highlighted by full back Lachy Cooper's 3 goals and Ash Lim's effort as he continues to push his TOTY claims.

Rupertswood showed they don't intend to go down without swinging taking it right up to Old Xavarians last week at Sunbury, The Woodsmen getting out to an early lead only to lose it, then regain it again and went to the last change up on the scoreboard and looking

to cause the major upset of the round. Flying in Blue and Gold were Brendon Grech and Ben Gay in a team that was pumped up for the contest. Either Rupo had used all of their petrol tickets or Dino may have politely reminded his charges in Red and Black that this was a contest between 2nd and 2nd last I'm not sure, but The Claret and Stout had one of those final quarters you wish as a coach you could capture and replicate every week. 25 minutes of hell for Rupo saw their 7 point lead turned into a 47 point loss as the bell rang to end the game.

Round 14 Preview

Plenty of life left in the season yet and while spots 1-3 in the finals look set position 4 is still up for grabs. The Tigers have their nose in front and a win this week at Banksia Reserve against local rivals Beaumaris could close the finals gate for The Sharks and Uni Blues. A Beauy win and Uni Blues coach Matt Embling should be sending a case of Victoria's Best to Shark park as their season (provided they win at The Eagles nest) is kept alive while at the bottom of the table Old Trinity, Marcellin and Rupertswood can still save their skin as we often see teams in the relegation zone wreak havoc on those teams who are in finals contention. An enthralling round awaits.

Tips this week are

SBMT over Beauy in a close one to all but wrap up 4th spot. (Under 1 straight kick)

Rupo to stave off relegation by downing Blacks in another close match. (Under 1 straight kick)

Uni Blues to enjoy their day on the #2 oval and win by 4 goals

Old Xavs defence to hold tight against the Old Scotch onslaught in what will be a fantastic grudge match and

De La Salle to win the Third Ashes Test in 2 days then fly home and comfortably tear Old Trinity apart. Blues by 10 goals.

Round 13 Review - North 1

Old Camberwell continued on their winning ways with a comfortable 56 point win over the third placed St Bernards. The Snowdogs were never in it with only a 5 goal last quarter saving some face. Deev and Harris were instrumental Camberwell's win, for the Snow dogs Hoban worked hard all day. Bulleen Temp recorded a hard earnt victory over Banyule/View by 17 points. Edsall and Mackay were an instrumental in Bull/Temp's victory. After a slow start the Old Essendon lads were to strong for Fitzroy in a tight tussle at Brunswick St. Ellis and Jumeau won plenty of the pill for Fitzroy. Old Carey kept well in touch with the four after a 3 goal to zero last quarter to put a roadblock in the way of Mannigham's finals aspirations. Seal and Ramsay were better players for Carey, and for Mannigham it was Messina who tried his best.

Round 13 Review - North 2

Aquinas had one of their better days out in 09 to record their first victory for the season, but unfortunately their poor kicking cost them a nice little percentage booster. Jones and Ancona won plenty of the footy for Aquinas. For the home side Hogan battled away all day. Emmaus St Leos were much to strong for Fitzroy saluting by 61 points. Dickinson kicked four goals for the winners with Atchison a prolific ball winner. For the Roys Strating and Duthie tried hard. The higher placed Therry were always going to be to strong for Xavs. Farrelly and Egglestone again the main stand outs. Old Westbourne's massive last quarter got the job done against Ivanhoe careering away to win by 42 points. Barker was best on for West's with Riosa's 4 goals a shining light.

Under 19 South 1 and 2 South 1 Review:

Got to kick things off this week with the win of the year by the De La GOLDS!!! Upsetting the rampaging Melburnians away from home by 8 points. Huge win for De La Salle as they could have dropped this one and still had the pressure of dropping out of the 4 within the remaining rounds. Now they have really put the pressure on side's below them and I can't wait to see how this one pans out. Solid games from T. Naughtin and A. Papamiltiades helped the victors onto a historic win.

Another thriller this week down at E.E.Gunn Reserve as I tipped last week, "Ormond vs. Old Brighton: Ormond in a thriller at E.E. GUNN to the tune of 18 points." See I did tip a thriller just got the result wrong as Old Brighton got up by 5 points in what was one of the games of the season. D.Willis booted 3 for the home side but wasn't enough to stop the likes of A. Dewar and C. Reilly who gave the Brighters some real drive around the ground. Brighton still have a pulse.

Caulfield kept their season alive in 09 and also ended the Collegians brave charge for finals action as they ran out victors by 7 points. What a round of footy!. M. Kyroussis tried his heart out for his team but constant run and carry by D. Spanos, D. Allanson proved too much in the end for a gallant Collegians outfit.

Old Haileybury fair dinkum copped it this week as they were belted to the tune of 79 points by St Kevins. Solid contributions from B. Sullivan and D. McLennan all but sealed the deal for the hungry hippo's sitting 2nd on the south 2 ladder.

Mazenod had the week off.

South 1 Preview:

Old Brighton vs. De La Salle: Both coming off terrific wins, Im going to go with the home team by a spoiled behind with a second to go.

Ormond vs. Old Haileybury: Ormond to bounce back in a big way 80+ points.

Caulfield vs. Old Melburnians: Caulfield really need to cause an upset here but I can't see the Burners dropping two on the trot, Melburnians by 4 goals. St Kevins vs. Mazenod: St Kevins by plenty Collegians have the BYE

South 2 Review:

The 4 looks set in stone as I believe the outside teams may not have it in them to cause enough upsets to gain entry into this year's finals series. Kicking things off, with a challenged win by Bentleigh this week edging out a fired up Vultures outfit by 22 points. It was the B. Lovell show this week as he was named B.O.G after booting 6 of the very best.

Ajax got the job done this week by 6 goals over the Beauy Sharks. With solid contributions from across the board keeping the Jackers a game clear on top of the ladder. Prahran enjoyed a rare win on the weekend to the tune of 25 points over a disappointed Pirates outfit. T. Maya booted 4 and the home side had plenty of leather throughout the day but most impressive around the ground was W. Lucardie who had statisticians looking for more paper. Hampton sat in cruise control at the weekend as they ran out victors by 6 goals over a shattered Monash Blues outfit. D. Brogdan tried hard for the Ashes but the likes of M.

THE AMATEUR FOOTBALLER 2009

Greenway and N. Fallon from the impressive Rovers outfit proved to strong.

Upset of the year this week. MHSOB who couldn't field a side last week have come from nowhere to get up by 2 points over a disappointing Mentonians outfit to record the most historic win in Under 19 history (maybe not but geez it sounds good). Hero of the day went to D. Hamilton-ho who booted 4 and had plenty of prune throughout the game.

Preview:

Bentleigh vs. MHSOB: Melbourne high will be high on life right now but Bentleigh are travelling nicely and won't let this go. Bentleigh by 8 goals.

Beaumaris vs. Hampton Rovers: Hampton by 70+ Prahran vs. Old Mentonians: Mentonians to bounce back 4 goals.

Ajax vs. Monash Blues: Ajax 10 goals. Peninsula vs. Parkdale: Parky by 4 goals.

CLUB XUIII SECTION

by Norm Nugent

Round 13 results, while being mostly those predicted. did serve to virtually form the final four teams in Section 2 and in the South. It does seem that the four is settled in Section 1, which leaves doubt in only the North where six teams remain in the quest for four positions. My success rate was 90%

Review of Round 13 Section 1

Lack of match practice did not prevent Old Scotch from severely denting De La Salle's finals' aspirations. Their match could not have been more even, with both sides having identical scores. The result provided the first Club XVIII tie of the Season.

Collegians, who now lead the competition, scored a one hundred and eight point win over St Kevin's.

University Blues, who now appear safe in fourth place, scored a fifty five point win over Prahran.

It was not a happy home coming for Old Xaverians 2, who went down by two points to Old Melburnians, who still mathematically can finish fourth. The game was a high standard one in which the result was in doubt until the end. The end was delayed as a consequence of a serious injury to a Xaverian player, which cast a pall on the final delayed minutes. The "Ménages", as a consequence of their second consecutive loss, have slipped to second.

In the afternoon match. Old Xaverians had a percentage boosting win over St Bernard's by one hundred and forty five points. It must have been veteran's day at Bulleen as; Andrew Wilson, Robert Dillon and Jonathan Silk were named among the Xaverians best.

Section 2

Monash Blues celebrated their players' milestones with thirty three point win over Old Camberwell, who now face a monumental task to finish fourth. The game, despite being played in gale force winds, was of a high standard. Fortunes fluctuated before Monash gained the ascendancy and converted their six point three quarter time advantage into their winning margin. Best for Monash were: Perry. (ruck). Sheldon (ruck). O'Dwyer and Lombardo.

North Old Boy's/ St Patrick's were able to inflict a twelve point defeat on Fitzroy.

University Blacks built their lead over three quarters in their clash with Whitefriars, who persisted and actually outscored the Blacks in the last quarter. Whitefriars

inability to score at the city end virtually assured their defeat. An inaccurate Old Brighton

defeated Old Trinity by thirty five points to virtually insure they will finish fourth.

Nine unanswered goals in the first quarter really set up Marcellin's big win over Mazenod in cold and very windy conditions at Marcellin College. The "Eagle's" winning margin ended up being one hundred and thirty nine points. Petroff and Dignam each kicked six goals for Marcellin.

North

In the morning match, Old Essendon cruised to victory over North Old Boys/ St Patrick's by eighty seven points. In very windy conditions, Banyule took control early in their match against Werribee, whose players did not surrender and who produced an even second half contest. Banyule, thanks to their early supremacy, ran out winners by forty seven points. Their best were: Rory Butterworth. Kaine Barker and Grant Fikaris. For Werribee: Mo Tuaca. Rhvn Bell and Mark Butler were best.

Leaders, Old Ivanhoe defeated twelfth placed Old Westbourne by eighty two points.

Bulleen – Templestowe kept their final four hopes alive with a thirteen point win over Therry Penola.

Old Carev proved too talented for Kew and ran out victorious by seventy two points. Luka Guerra was again among the goals for Old Carey.

Williamstown C.Y.M.S., who remain in the race for fourth place, scored a fifty four point win over Whitefriars.

South

Old Scotch secured their final's berth with a twenty seven point win over Hampton Rovers. Best for Old Scotch was McDonough, who kicked five goals.

Ormond outplayed Oakleigh to record an eighty nine point victory. Best for Ormond was Duthie, who by kicking five goals outscored Oakleigh's total by himself. Old Geelong proved no match for Caulfield Grammarians, who defeated them by one hundred and sixteen points.

Undefeated leaders, Old Melburnians scored a one hundred and nine point victory over St Bede's/ Mentone Tigers.

St Marv's/ Salesian had the bve.

Preview of Round 14 Section 1

Old Xaverians 2 should be able to return to the winning list by defeating Old Scotch, who again could struggle to field a full complement. St Kevin's have their best chance of gaining their first win when they play St Bernard's who have won three games. When they met in Round 9, St Kevin's did well until half time. St Bernard's then took over and went on to win by thirty three points. Even on the Righetti Oval, I select St Bernard's to win again. For a final preview. Old Xaverians journey to leaders, Collegians, who lost to the Xaverians by twelve points in Round 7.Collegians, who kicked inaccurately that day, can expect no respite today from the desperate tackling by the "Crocodiles", who have systematically repelled many challengers. The Xaverians are an impressive outfit as, I am told, Collegians are. I select the Old Xaverians to win a really closely fought contest. Old Melburnians finals' hopes should be extinguished today by University Blues, who have recaptured their best form over recent Rounds. De La Salle should possess enough talent to defeat Prahran in the afternoon match.

Section 2

I select Old Trinity to be strong enough to defeat North Old Boys/ St Patrick's on the wide expanses of the Hudson Oval. Old Camberwell should possess the ability to defeat Mazenod, whose endeavour could not be faulted last week. Preliminary finalists for the last two seasons. University Blacks and Monash Blues play on the Crawford Oval. The Blacks won at Monash earlier this season and I suspect they will do so again as they try to expunge their Preliminary Final losses. Marcellin are proving a force to be reckoned with and today they will be tested by Old Brighton Grammarians, who now seem certain finalists. Despite the game being held on the Beach Oval, I lean to a Marcellin victory. On the wide expanses of McHale Stadium. I favour Fitzrov to defeat Whitefriars, who will be competitive.

North

Leaders Old Ivanhoe should comfortably defeat Werribee. Whitefriars should prove too strong for North Old Boys/ St Patrick's. The Banyule versus Williamstown C.Y.M.S. match should decide who will play in the First Semi Final. Banyule's form over the last rounds has not been their best, whereas Williamstown has continued on their successful path. The key could prove to be Banyule's home ground advantage and their experienced players who should be reliable in a close contest. Old Essendon, who face a danger game against Bulleen – Templestowe, should win because of their superior pace. Kew could score a rare victory out west against twelfth placed Old Westbourne. Old Carev should continue on their winning way at the expense of Therry Penola, whose players will lack the strength to bustle Carey players off their game.

South

In a final preview, Old Scotch travel to Ormond, where many a visiting team has suffered defeat. Today I select second placed Ormond to defeat fourth placed Old Scotch. At home, St Mary's/ Salesian should be able to defeat Oakleigh, whose form has tapered off in recent weeks. The match of the round should be that between Caulfield Grammarians and Old Melburnians. This game should be one of a high standard as the Grammarians strive to inflict the first loss on the Old Melburnians, whose form has been excellent and whom I select to win again today. St Bede's/ Mentone Tigers should return to the winning list by defeating Old Geelong, whose form has flickered lately after burning brightly mid season. Hampton Rovers have the Bve.
