CLUBS NEW AND OLD ON THE RISE

Last Tuesday, the VAFA announced the inclusion for 2010 of the Point Cook Amateur Football Club as the competition's seventy – fourth football club.

Discussions had been in progress for over a year and we are delighted to welcome them into the Amateurs. Point Cook commenced as a junior club in the Western Region Football League and now boast fourteen teams. Next season, it is hopeful of going straight into D4, fielding two senior teams.

Point Cook services an expanding community adjacent to the Sanctuary Lakes Golf Course, with a population of 45,000. It is anticipated that the community will have to establish another junior football club as just one struggles to cope with the rapidly expanding demand.

It is vital that the VAFA continues to expand into new and developing communities as we provide an alternative to the metropolitan leagues.

Point Cook, along with Werribee, Old Westbourne, and Williamstown CYMS gives us a strong presence in the West which makes the task of gaining umpires that much easier when there are matches played weekly.

The previous two clubs to join the VAFA, St Francis Xavier and South Mornington, have enjoyed early success. St Francis Xavier is playing in the D3 Preliminary Final against St Marys / Salesian while South Mornington was defeated in the D4 Elimination Final against Richmond Centrals.

On behalf of every section of the VAFA, we welcome Point Cook, whose Number #1 Ticket holder is Deputy Prime Minister Julia Gillard. We wish them every success in their journey.

At the other end of the scale we have Old Xaverians and De La Salle meeting for the first time in a final

since 1993. Both of these clubs have had incredibly successful seasons throughout their clubs. Old Xaverians has had five teams contesting finals (Senior, Reserves, U19s, and Club XVIII 1 & 2) Much has been spoken about the revival of De La and it deserves much credit. It has had three teams in finals (Senior, U19s 1 & 2). In the Under 19s last week, these clubs displayed their junior talents with Xavs holding off the fast finishing De La by just four points.

The U19 competition is providing a genuine pathway for our clubs as they work on development rather than recruitment to provide success. This is also evident in B Section with minor premiers Old Melburnians also leading the way in U19 South 1 after winning a Club XVIII premiership a fortnight ago. They are certainly in the hunt for four premierships with the seconds also alive and playing in today's second semi final.

All clubs need to be aligning themselves with a junior football club or institution to provide a pathway for young footballers.

Congratulations to MHSOB who have gained promotion along with Rupertswood (D1), Peninsula (D2), Bentleigh (D3), and Latrobe Uni have joined Albert Park in D4. Today more teams will be rewarded with promotion and the opportunity to win a premiership. The clash at Sandringham between Oakleigh and Caulfield Grammarians promises to be a beauty. Whilst the Grammarians have led the competition all year, the loss last week to MHSOB will surely stir them into action and test their mental strength.

Good luck to all clubs. I urge all spectators to adhere to the VAFA rules and respect the players and officials who are completing their tasks to the best of their ability.

THE JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

September 5th, 2009 Price: \$3.00 Vol. 09 No. 20

As this page's immediate-past-pencil observed last week, Round 18 never fails to surprise. Certainly, this year it didn't. As the curtain fell on another home and away season, the top two teams lowered their colours, while the bottom team gained some last-minute consolation with a big win.

Suddenly there was sunshine at Chelsworth, ending Old Ivanhoe's winter of discontent. With just one win between opening day and closing time, the Browns have seen better years, but their final act was their best for the campaign, touching up a Tonner team that couldn't wait for all to be over. Coach *pro-tem* **Brad Thompson** inspired a team effort that yielded twenty-one goals shared among twelve marksmen, with **Adrian Delmonte** striking four. **Nick Marston**, the dour and reliable defender was best for Brighton and had assistance from the sparky **David Spriggs** and the consistent **Matt Gadsden**, but Old Ivanhoe had winners all over the field: **Stuey Low**, **Ricky Jessop**, **Sam Geilings**, **Hayden Heta** as well as the redoubtable gambolling gaffer himself. Despite the win, Old Ivanhoe have been relegated, while Old Brighton are searching for a new coach and undoubtedly a formula that brings back the joy to Beach Road.

Old Essendon entertained an A Section opponent for the final time this visit, but immediately fell behind Marcellin. Needing to kick a record VAFA score to hold its rung in the top tier, the Bombers went to the long break seven goals in arrears. Their second half yielded little joy for the home team either, despite strong efforts from **Dans Cooper** and **Flaherty**. In his last gunfight, the retiring (but not shy) **Daryl Marson** brought back memories of salad days, slotting home five on the trusty left, while the estimable **Gianluca Romanin** also slotted three from boots he'll be hanging up, bronzing, or simply throwing away. Marcellin survive in a Section, while Old Essendon must again navigate those shoals of B Section that they thought they'd left behind.

There was no lack of confidence at Camberwell, with Old Scotch keen to properly farewell **Rob Ashton** and **Ben Doherty** and the re-signing of **Peter Banfield** for two years ushering in a new era of stability. Uni Blues needed to win to hold fourth spot, though they might have expected some help from elsewhere. The Cards opened in sensational fashion to lead by four goals at the first change, which should have served as a wake-up call for the Varsity. Half-way through the second, however, Blues trailed by fifty four points and their season was in the dumpster. Well, temporarily. The wily **Mark Paterson** took over and with some inspirational work from **Andrew Lowcock** and some strong efforts from **Jack Watts** and **Matt Torney**, Blues added eighteen of the next twenty goals to roar home. An Elsternwick date beckons for the Uni team, while the Scotch braintrust is already focused on next season.

A listless Old Xaverians were shown the door by Collegians in a lacklustre affair at the Trott. Their seven goal lead at the end of three might have multiplied with more purple rain in the last had not the news filtered through via the radio that Scotch had faltered badly. The Red and Blacks, missing some stars and running down the clock on the minor round from the very first bounce, finally restored some balance with a good final stanza, though the Colls' hunger for the kill had understandably disappeared. **Nick Stone**, **Trent Zimbachs** and **Stuart Inglis** were in fine form for the Lions, who left their run for the four just a little late. **Cameron Purs** rucked well for Xavs and **Josh Agius**, **Andy Ryan** and **Mick Darvell** showed a bit around the packs.

The game of the day was to be the skirmish for second at Waverley Park. The visiting St Bede's Mentone Tigers had been in good form, while De La had appeared sluggish in recent weeks. Ben Corin returned to the line-

up and had a sizzling first term, booting three and sending the Tigers into worry mode. De La's speed again proved trouble for the reigning premier and by half-time, the margin was seven goals. It got worse for the visitors, as it added just a goal beyond that point, while the Dees added eight. Second spot, and the double chance was not gifted, rather snatched by the Blue and Golds who wanted it more. Damien "Damage" Hale was best afield, while Luke Jarvis added another notch to his belt and Corin and Mike Duggan kicked enough to win the game themselves. Hiwad Shakaib, Jack Hellier and Taxis Tyquin were best in the sash, who succumbed in the end by a massive 87 points.

THIS WEEK

It is September and now the questions will be answered. The carnival moves to the plain at Elsternwick, where reputations are enhanced or damaged and premierships won or lost.

Sunday's First Semi-Final between St Bede's Mentone Tigers and University Blues sees the reigning premier a strong favourite. An eighty-seven point thrashing is not the best preparation for a knockout final, but it's not the end of the world either. Bede's handled Blues with some ease at a Sportscover clash early in the year, and managed to crush them with one quarter of devastation under the spires. On paper, the Tigers are a more talented outfit, but the Varsity's strength is its dogged determination and belief that it can beat the best of them. The biggest queries are how Blues will kick enough goals to win and how they can stop an avalanche.

Barometers: **SBMT:** Anstey, Collins, Hellier, Phibbs and anyone named Wintle. **BLUES:** Paton, Lowcock, Watts, McConnell and Chadwick.

Skinny: Expect a fiery contest, but expect a handy win to the men of Mentone.

Saturday's main event is a marquee match-up that undoubtedly will attract a fair through the gates. Old Xaverians dropped two of their last three after clinching the double chance, while De La, perhaps stuttering and puttering since their R10 clash with these Xavs, ignited all burners in destroying the Tigers for the second time this year. The Blue and Golds won at Toorak Park in R1, while the Red and Blacks triumphed in a classic at Waverley Park. On the Elsternwick track this season, both teams are two wins from two starts, though only errant kicking from Collegians saw De La stay that way.

Barometers: **OX:** Handley, Fleming, Darvell, Agius and Clarke **DLS:** Harrison, Hale, Fieldsend, Jarvis and Duggan.

Skinny: Xavs, hitherto masters of the Wick, but De La's fast midfield and fast start will threaten. Extra time thriller. Toss a coin.

by William McCann

Well what a final round of footy. It had a little of everything including a thriller to decide relegation, 3 clubs reaching for the calculators and a second spot finally sorted.

It'll start out my report at Boss James were the match of the day lived up to its billing with Hampton Rovers facing formless Ormond. To state it mildly, the final round encounter had big repercussions with the loser a cert to be relegated to C Section.

Despite the wet weather, the expected big crowd descended on Boss James Reserve for the next installment of this great rivalry.

The pre match favourites Rovers had several big inclusions and when they kicked the opener on the way to a 22 points 1st quarter lead it looked how far Hampton.

It continued with HRAFC adding another eight goals in the second term capped to hold a very handy 28 points advantage at the half. They would need every bit of that lead as the tables turned in the second half.

Following an almighty bake Ormond came out a different side in the third quarter and started making an impact on the scoreboard. At the final change, the margin was reduced to just nine points and the stage was set.

The final quarter was a tense one with the big crowd getting involved in the game. The Rovers kicked a major with Ormond responding almost immediately and a further goal to the visitors reduced the margin to a kick very late on. This remained for the last few minutes with some desperate footy being played. In the end, the Rovers held on to win by four points and the crowd erupted as the final siren sounded.

I was not privy to the after post match revelry but after losing the C section GF last year the taste of victory would be sweet indeed. When prompted for information my spies out at Rovers told me "If you remember the party you weren't there.

Out at the Complex Carey led at every change to secure their B grade status for another year. It has been an injury hit year for the young Carey side, and injuries are what you can not afford with your 2nds get belted by 100 points on opening day. Nevertheless 3 wins from

the last 4 matches would be encourages for season 2010.

For the Ts bigger battles await after holding on by the skin on their teeth. The Bulleen boys must quickly regroup and learn from out lapse of Saturday if they are to go deep into September.

The Bloods fantastic second half of the season continued at the Badlands via smashing the hapless Wellers. With Team of the Century assistant coach O-Shaughnessy looking on Camberwell never really put up a fight and the Bloods went away to an easy if fruitless win.

The Bloods would be ultra disappointed to have missed out given their record over the finalist; the lack of depth and poor middle of the year proved fatal.

Another great if useless win was had by Blacks. With a vague hint of finals the Student completed an impressive double over the Premiership favourites who perhaps had an eye to next week. For the Blackers Matty O'Hara would have done his B&F chances no harm while the big beef VanderLoo clearly got the better of his battle with Horne with 6 of the best.

Like the Bloods, Blackers would be bitterly disappointed about missing this final series losing twice to Carey would be particularly galling for the faithful. The Redlegs on the other hand would not be losing too much sleep after finishing top and having it all to play for this week. The other feature of Round 18 was the battle for second spot out at the Rat Cage. After the customary slow start SKOB got on top of and then put a very young Snowdogs to the sword.

The game swung in a second quarter when SKOB slammed on 7 goals to three and despite a gallant run at the start of the 3rd term Bernards were never able to regain the lead. SKOB grabbed a comfortable 5 goal win with the pocket rocket Mick G kicking 5 sausage rolls.

For SKOB Shutdown Dave Sheehy with offspring looking on showed the way down back. The veteran's attack on the ball and superior rig would have given his

younger Snowdogs plenty to think contemplate in the post game.

Another one to please would have been Matt Murphy, given the Luke Ball treatment in the middle of the year this last quarter specialist has bounced back; his hardness and strength have proved crucial to SKOB holding the best second half of the year record (equal with OMs & the Bloods)

The West Essendon boys were bested served by Dutchy Holland who played a lone hand down back. While Current St Kevin's student and Snowdog Cook got plenty of the ball and was only a couple of finishes away from a stunning debut.

Previews

SKOB vs. OM

To borrow Mike Atherton's line as he pondered the lessons of Australia's defeat in the Oval Test, there is no truism in sport as dumb as the claim a winning side should never be changed.

I expect this lesson will have taken out at Righetti and if the rumour file rings true SKOB will welcome back plenty to the only finals side that actually won on the weekend.

Having said all that, OMs will go in massive favourites, from the time they humiliated the Wellers in Round 1 the Redlegs have barely put a foot wrong.

If they allow Range Rovers into the Coburg City Oval, the top of Collins St may well be toasting A Section football in 2010.

Snowdogs vs. Ts

When Napoleon rode into the battle of Waterloo he remarked to his offside "une perte ici pourrait être désastreuse" ("a loss here could be disastrous"). I assume similar comments are made before all elimination finals but B section it is particularly so given the A section, the Holy Grail is so close.

To the game: Snowdogs are in wretched form (losing record in the 2nd half of the season) and there are Bolivian soccer teams with more height while the Ts come off a lost to the relegation battled OC.

All things considered I fancy BI to feed Rambo who will be simply too big & too good for the quick and skilful but P plated Bernards.

Premiership betting has been sent into a spin, one-time odds-on favourites Caulfield offered little against a far more polished MHSOB unit and with Oakleigh in arguably the best form of all three teams, the Fields have been eased to the third line of betting as they stare a straight sets elimination from the finals right in the face.

SEMI-FINALS REVIEW

Second Semi-Final Caulfield Grammarians v MHSOB

Slashing rain welcomed the two premier teams of C Section at the Junction Oval, Caulfield favourite with the bookies and wider VFA community to jump straight into the Grand Final with a third victory over MHSOB for 2009. Moments into the game however, the private school fraternity looked worried in their Gant pullovers as Matthew White delivered a crunching hip and shoulder, the ball fizzing to Unicorn full-forward Matthew Hamilton-Ho for an early goal to MHSOB. Piling on another four unanswered majors, MHSOB looked like men playing boys as they had all the running, gigantic Unicorn ruckman Roger McIntyre owning the centre square and around the ground stoppages.

Caulfield skipper and mini mouse Simon Widjaja heeded the call in the second term, the Fields chipping away at the lead to get within a kick into the third quarter as MHSOB were in dire need of a spark to regain their early ascendancy. Enter Roger McIntyre. Thrust forward, the big man snaffled two marks and kicked truly to inspire the Unicorns as they edged back clear at orange time. The last quarter was simply a MHSOB clinic, exemplified by an uncharacteristic turnover from Ben Carboni which Steve "Devo" Harrison duly accepted and converted by foot from outside the fifty metre arc to send the South Yarra banter vibe into raptures. Matthew Hamilton-Ho applied the icing on the cake late, his sixth goal a delightful snap as MHSOB

strolled to a 54 point demolition of a very disappointing Caulfield.

Field forward dynamo Andrew Slevison had little to no impact, wearing a white doona around his knee, he was silenced by Andrew "The Glove" Villani in a masterful display of defending.

First Semi-Final Oakleigh v Beaumaris

Heading into the finals with a thumping of MHSOB, Oakleigh looked to have all the form over Beaumaris who suffered a shock Round 18 loss to cellar dwellers Monash Blues at home. Both sides showed their desperation early, a tight struggle prevailed as goals were put on the backburner to uncompromising defence. Oakleigh kicked the sole goal of the first term, Beaumaris firing back with three in the second to enter the main break with a slight nine point advantage. The Sharks No.1 player Mark Ensor was playing a stellar game, quelling the influence of Krusher go-to-man Trevor Bromely.

Into the third stanza, the game started to break open with the clean skills and big bodies of Oakleigh starting to get on top of the smaller Sharks. Brothers Hogan were excellent in the middle, they started to feed Bromely and Barrand with some pinpoint delivery. Scott Gower down the other end was quiet, his form slump continuing as Beaumaris found little in the tank to limp out of 2009 with a 27 point loss. The Krushers are coming, next stop Sandringham and a date with Caulfield.

PRELIMINARY FINAL PREVIEW Caulfield Grammarians (\$2.30) v Oakleigh (\$1.60)

@ Trevor Barker Oval, Sandringham

Moving from the Junction Oval to Sandringham, Oakleigh march into this game with all the confidence and runs on the board to be pronounced favourites. They were the sole team to inflict a loss upon Caulfield in the regular season and were only a point shy from making it back to back defeats on the one time flag fancies in Round 12.

The most alarming point from last week's loss to MHSOB was Caulfield's inability to get their game plan into full swing against bigger bodies, something sure to be magnified against Oakleigh at the usually windswept Port Philip Bay venue. Fields defenders Strain and Docker both had a crack at Hamilton-Ho and failed miserably last week, Bromely and Edwards this week creating an even bigger problem on paper coupled in with Lee Barrand floating down into the fifty.

Caulfield will look to avoid a similar fate to Rupertswood in 2007, they too dominated the home and away season but come September, fell by the wayside to drop out of premiership running with straight sets defeats.

Verdict: Oakleigh by two goals

FOR THE LOVE OF THE GAME...

New Kids on the Block: Point Cook Football Club, which boasts Deputy Prime Minister Julia Gillard as its Number One Ticket Holder, will join the VAFA competition in season 2010. Point Cook, which fields fourteen junior teams in the Western Region Football League, will become the VAFA's

74th member club. The Bulldogs' home is adjacent to Sanctuary Lakes Golf Course in Melbourne's burgeoning west. A decision will be made over the coming months on whether Point Cook will join D4 with two teams or whether it will spend its first year in the Club XVIII competition.

Football Gods: Last Sunday, North Old Boys Reserves Coach John Rush was coaching his side in the 1st semi final against Whitefriars at Central Reserve. As well as the coaching butterflies, Rushy had other reasons to be nervous. His wife Katrina was sitting in the car, very very pregnant. The football gods smiled and delivered, Rushy's boys got over the line with a 9 goal towelling and then some hours later Katrina gave birth to Miller Grace (7lbs). From all reports mum, daughter, dad and the team are doing well.

New Footy anyone? One match grade almost new red Sherrin available free of charge. Pick up from the roof of grandstand at Central Reserve, where it landed after one huge hoof and big blast of wind.

We've all seen the field umpires enter the ground, followed by the boundary men and then the goalies, doing the military two step. Last week at Garvey Oval, however, the arbiters entered the field lined up, side by side, causing bemused spectators to watch them all the way to the centre circle. "Watch," said one, "I think they're about to link arms and do the Can-Can!"

DE LA/ XAVS 1. De La Salle was very grateful for Xavs' Under 19 coach Dino DiPierdomenico's half-time selflessness in

responding to help find a doctor when one of the De La boys went down. Tyson Hunt was clearly distressed after an accidental collision in the game which resulted in him being admitted to the Alfred with a severe concussion and severe bruising to his lower body region as a result of the same collision. Well done Dino, who put the health of an opposition player ahead of his half-time address, and well done to De La for showing its gratitude in the way it did.

DE LA/XAVS 2.

Hoodoo? Xavs have not beaten De La in a final since the 1981 preliminary final, though they've played them only once since, in the 1993 second-semi, which the Blue and Golds won before losing to collegians in the Granny.

Congratulations to Bentleigh's Adam Ferris on 100 games, a versatile player who fills in at either end of the ground. Adam is renowned for his good hands and accurate kicking and has been a key player in his team's success thus far this year.

New VAFA medallions: The VAFA has made available to each club a medallion to honour one of its volunteers and another medallion to recognise 200 game players who played at least one game this season.

Congrats to Corey Bannister of Therry Penola who kicked his hundredth goal in Therry Penola's semi-final win over Banyule last weekend.

The event caused a massive spectator invasion and it took the umpires at least 4 seconds to clear the field of backslappers, who included Carlton player Jordan Bannister.

Back in R17, one of St Bernard's favourite sons played his 250th game - Ben 'Hogi12' Hogan. Ben is another from the Hogan dynasty to have a distinguished St Bernard's career. Hogi has had many personal highlights culminating in winning the 2002 'A' Grade Premiership, joining his father Peter (1975) as an A Grade Premiership player. Recently Hogi's football has undergone a renaissance and he has had a big impact on the senior team with his pace, penetrating left foot and his ability to keep his feet under pressure. Once known as a bit of a lad, Ben has matured with the support and guidance of his beautiful wife Melinda and now plays an important role in the senior leadership group. Hogi joins elite company with only six other players in St Bernard's history managing to reach 250 games and Hogi is the only player to reach the milestone and play in an A Grade premiership (2002). Congratulations Hogi12!

CYSTIC FIBROSIS APPEAL: A few more clubs have brought in their tins, which gets us to about half way! Come on guys.

Finals' Ticket: Still great value at \$40. Gets you into every final at every ground. Call Jess on 9537 6777 to get yours.

Do you tip with your head or your heart? Form or sentiment? Could you tip your sworn enemy? I won my footy tipping comp last week, one of those mega online AFL ones that encompass work-related footy tipping around the country. Last Sunday night, getting warm on the couch after a bone chilling afternoon at Central Reserve, I filled up on chicken curry and self-loathing as I yelled 'Go Pies' at the telly. I needed them to get home to make me six for the round ...and a lay-down mazaire for the gorillas on offer. But I'd just watched Fitzroy thump Friars by 13 goals so had good reason to question my tipping prowess, besides, I should know better than to tip the Filth (their official name in my family) who let both the game and third pozzie slip. Luckily I had a marginally better margin than BenCooper72 and held onto the sizeable purse which should fund my September festivities nicely, if I didn't feel this burning need to donate it to charity in order to cleanse myself.

SECOND SEMI REVIEW

Westward Saturday to the Snake Pit to see the top two duke it out, Rupertswood convincing winners and thoroughly deserving of their place in the big show and promotion to C grade. Werribee didn't go down with a whimper; this often fiery clash had some sensational examples of the Tigers' enormous ticker. Interestingly, Rupo has a tendency to start slowly and has trailed Werribee in every first term this year. The semi was no different and the Tigers saluted early via Fastuca and **Wayne Pelar**, yet did not fully capitalise on Rupo's first term lethargy. They won the clearances and inside fifties, Bellegante was making his presence felt in the middle and **Brennan** was kept quiet as he lurked across centre half forward, but the Tigers took just a five point lead at the huddle. Sure enough, Rupo put the foot down in the second term with Spinner enjoying his

new home at full forward, his three goals for the term matched by Brennan who is just as happy to run and chase, keep his feet and checkside it from 45 on the boundary. **Anderson** was creative and **Aaron Taylor** refused to yield (he could've bought shares in Elastoplast he was so swaddled by half time) but it was an otherwise morbid quarter for Werribee. Supply out of the Rupo back and centre hurt like gunfire, **Podolczak** shining, and they took a forty point lead into the St Bernards digs at half time.

Two rapid goals from the left foot of Fastuca and the Tigers looked dangerous in the third, repelling the Rupo attacks with greater determination. As the sun came out briefly late in the quarter, Spinner moved to defence and stopped the rot, **Whitehead** sent forward where he duly goaled but the fighting Bees had dragged the deficit back to 27 points as the siren blew 3/4 time. Schibeci scored his second major in the first two minutes of the last quarter, but the well-oiled Rupo machine shut down most of the Tigers attacking endeavours. **Rowdy Lee** was frustrated, unable to gain any leverage and the dagger to the Tiger heart struck in the 17th minute when the umpire deemed he ran too far, the turnover resulting in a goal to West from a laces-out pass from **Brennan** on the forward flank. It was all over with a dozen minutes of crowd muzak to fill in the time, Rupo by 6 goals.

FIRST SEMI REVIEW

Eastward Sunday to the Noddies wide green deck ...and I watched Fitzroy kill Bambi. They murdered the Friar resolve from the first bounce, stifling their running players and choking off all supply. Whitefriars kicked 1.1 in the first quarter to Fitzroy's 6.3 and troubled the scorers nought in

the second term. Granted, they were missing players like **Marchesi** and **Woods** (although they certainly offer no excuses), but the Fitzroy backline was rock solid, working hard to help each other while the forward setup was unstoppable, spearheaded by **Borland** who kicked 8 and took a ripper hanger in front of goal in the third term. **Dullard** was invaluable, as were Zika and Kelleher while Whitefriars could find few bright lights aside from **Smith** on the wing and Crea who managed 3 goals despite the poor delivery that limited his chances. Twelve goals separated the two sides at the final break but **Simon Taylor** implored his players to stick to the defensive side of their men, and not 'slack off.' The Roys completely outplayed their opponents, compelling as they hijacked any Friar notion of finals advancement, but the large Fitzroy contingent held its collective breath all the way to the final siren; incredulous at what it had just witnessed: a 13 goal towelling to propel it headlong into today's showdown.

PRELIMINARY FINAL PREVIEW

Both teams have the ability to jump out of the blocks early. Nineteen year old **Borland** is in superb form and avenues to him will be hard to shut down. **Meighen**, **Dullard** and **O'Reilly** are experienced campaigners that will help steer the ship crewed by many fast, exciting young players that may give Werribee the Rupo-horrors. Strong input from **Biggs**, **Stoltz** and **Seddon** will be needed. On the other hand Werribee has its share of highly talented youth in players such as **Schibeci** and **Bellegante**, while the **Pelar** and Taylor clansmen are a formidable force indeed. The consistency of **Anderson**, **Dean** and **Palmington** will be crucial to a Tigers win, while the x factor may just be Cam Lee if he can inveigle his unique influence on the game. Often the Preliminary is the most exciting game in a finals series, and I think this one will definitely go to the wire. Fitzroy has shown it can kick a big score and shut down opponents at the same time, while the Werribee juggernaut is unlikely to falter two weeks on end. This tipping caper is tricky, but on semi final form (plus sentiment) I'm going with the Roys by 7 points.

D1 Team of the Year will be published in next week's Grand Final column. Please email your preliminary final summaries to dilangton@bigpond.com by Sunday evening.

UMPIRES CORNER

by Steve McCarthy & Leah Gallagher

Big milestones

This finals weekend we see **two** of our Life Members clock up their **350th Vafa games** in **David Hindle** and **Anthony Simpson**.

David has certainly taken a while to reach that milestone due to the fact that he had a 23 year break in the middle.

He joined the Vafa in 1969 as a field umpire after 4 years and 61 games with the VFL Reserve Grade panel and continued field umpiring until his "retirement" in 1983. On the field, his highlights included the A section preliminary final and C section grand final in 1979. 5 consecutive **A section grand finals** as a boundary umpire between 1971 and 1975. 2 boundary umpire games at the MCG in the 1973 Carnival. Best game ever was the **1973 Parkside/Alphington** clash.

He returned to the Vafa in **2007** and took up the flags and soon progressed to **A section**. He's now looking towards that **400th** game. David's message to the youngsters is "You will get out of umpiring as much as you are prepared to put in."

Anthony (Simmo) joined the Vafa in **1993** as part of a great umpiring family. His father **Graham** umpired over 300 games, as did his brother **Peter**. His nephew **Matthew** (Peter's son) is running with us at the moment and recently reached **150** games. **Simmo's son Michael** umpired with us last year and it was a highlight doing a couple of games together. **Anthony** (a former goal umpire) lists his highlights as 2 C section senior grand finals and 2 D4 reserves grand finals more recently as a field umpire. **Anthony** would like to thank his wife **Anne** and children **Michael, Joshua, Emma** and **Brooke** for their support over the years. His parents **Graham** and **Marie** have seen nearly every game he has umpired. His dad has travelled so far and wide he should be called **Mr. Melways**. Maybe **Simmo** will get him a GPS for Fathers Day. **Simmo** would like to thank all the Vafa clubs and the VAFUA family who have made all this possible.

Finals

Everyone is now into the swing, with all sections participating in finals. Congratulations to teams last week, who have won the right to play in a higher section for season 2010 and in some sections this weekend the last team to be promoted will be known also.

Punctual??

We constantly have issues with umpires arriving late to their games and this absolutely **shouldn't** be happening during finals. Lucky we've got blokes like **Patrick Coulthard**. **Paddy** did the right thing last **Saturday** by arriving at Garvey Oval over one hour before the start. Pity he was appointed to the **Sunday** game. We love your conscientiousness **Paddy**, but **25 hours** before the first bounce is not really necessary.

New Executive for 2010

At the last AGM the new executive for season 2010 was elected and is as follows:

President: **Russell Davidson**
 Vice President: **Luke Holmes**
 Secretary: **Alan Stubbs**
 Asst. Secretary: **Grant Wardrop**
 Treasurer: **Dean Schwab**
 Asst. Treasurer: **Brent Woodhead**
 Social Sec.: **Leah Gallagher**
 Building Manger: **Darren Dalgleish**

Evo goes Green

Doing the right thing last Saturday **Jason (Evo) Evans** did the right thing and caught public transport to his game at the **Scammell Reserve** in **Oakleigh**. He jumped on the bus at Ormond station and told the driver, "G'day mate, I need to get to the Scammell Reserve which is behind the Oakleigh Bowlo. I've gotta umpire a final today and with this weather can you get me real close please?" As the bus headed along North Road it failed to stop at the bus stop a bit before the bowling club. Suddenly he stops right across from Scammell (in between bus stops) and the driver says to **Evo**, "I've been giving it to you umpires for years, 'bout time I gave something back."

Great influence **Evo**, the new Minister for Transport.

Angry AD

Gotta hate it when you finish your reserves game and you get to the room to find the senior blokes taking over with their gear everywhere. Even worse when just about everything in the room ends up on top of your bag. Seems like serial prankster **Joey Hartwig** was at his best last Sunday. Let's just say the text message **AD** left **Joey** was a tad colourful. There will be retribution.

Social

A Section Grand Final Brunch is on again with limited seats; get your name to one of the table captains quickly as half the venue is booked. Payment will be in advance for this function, check with **Rob Sneddon** and or **Grant Wardrop** for cost.

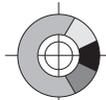

Golf Day

The VAFUA charity golf day is back at Waterford Valley (the place where your golf balls wear swimming trunks, cause they like a dip), be ready for a October 4th, 12 midday hit off. Cost is \$80.00 to be able to rally drive as well.

Pub run

Just because finals have come and you are not appointed to a game remember to still attend training to support you mates who are still going around. Just as important is to get down for the last night of training where we end up at the Wick while those poor buggers keep running around. Look forward to the 17th September night.

RESPECT THE UMPIRE – RESPECT THE GAME!!

D2 SECTION

by Caillin O'Shannessy

The first week of finals produced two close encounters for the favoured teams, who eventually managed to get on top of their opponents. If last weekend was anything to go by, the next two weeks will be an exciting test for the remaining teams.

Banyule's season comes to a finish, losing to Therry Penola in blustery conditions at Alec Gillon Oval. Therry Penola advance to the preliminary final after taking control early with five goals in the first quarter whilst holding Banyule to none. At three quarter time Therry lead by seven goals but Banyule had the wind behind them in the last. With nothing to lose it was time for Banyule to throw caution to the wind, and give absolutely everything to keep their season alive. Banyule held Therry goalless in the last quarter and were able to pile on five of their own, however it wasn't enough and Therry Penola were able to hold on to a determined eight point victory. Ashley Mills was dynamic for Therry Penola in the guts, and Brent Kenny outstanding in defence. **Corey Bannister** and **Justin Crotty** both kicked three goals, and this takes **Bannister's** tally for the season to 100, a sterling effort.

Peninsula have earned themselves a week off and a spot in the 2009 Grand Final after defeating a gallant Williamstown side. It was obvious from the outset that a grand final berth was at stake in an intense and tightly contested first quarter, that saw wasted opportunities from Peninsula keep Williamstown in the game. In the second stanza Williamstown began to control the match, and despite **Stuart Grigg** repelling many of the CY's attacks, they were able to gain scoreboard ascendancy after some good football from **Tim Wheeler**. Again though, the dominance was not reflected on the scoreboard, and at half time

Williamstown held only a seven point buffer.

Williamstown came out in the crucial third quarter with a big effort to exert some physical pressure on the Pirates, but this tactic backfired as full back **Ben Hynes** was sent off for an overenthusiastic attempt to spoil. Peninsula responded to the pressure well, and really took advantage of the CY's playing one man short. **Tim Scarpella** excelled at half forward, while Brett Brisbane at full back also battled well. Captain **Shaun Payze** despite an ankle injury showed his leadership and class all over the field. To Williamstown's credit they fought back late in the quarter and were able to bring the margin back to seven points at the final break. This proved too difficult a task however, as Peninsula's **Stefan Barbour** and **Al Wood** dominated the stoppages, and looked ominous with **Jim Coghlan** & **John Rombotis** as forward targets.

The result sees Williamstown take on Therry Penola this Sunday at central reserve in the preliminary final, with the winner to meet a rested Peninsula side. The last time these two teams met, in round 10, Therry Penola got the best of Williamstown by five goals, however the ledger stands at one all throughout the season. It should be a very interesting match and the winner will certainly deserve their spot in the Grand Final. Peninsula have lost only two games this year, and they were way back in rounds three and four. This will give the Pirates plenty of confidence come two weeks time, although whoever they meet will have a belief they can win, as Peninsula's two losses came at the hands of Williamstown and Therry Penola.

... Retrospective

by Geoff Reilly

5 YEARS AGO – 2004

Both the **A Section first** and **second semi-final** results were very one sided even though both were tight contests up until half time. Both matches were previewed by scribe, **Jonathan Horn**, and we will look at his predictions further down the page. In the first semi, **Old Trinity** started slowly but had taken the lead from **Marcellin Old Collegians** at half time, albeit narrowly (9 points). Reminiscent of recent weeks, Marcellin's work rate fell away and with **Andrew Ramsden** leading the pack, Trinity too a stranglehold at three quarter time and blew the Eagles away in the last to win 17.14 to 7.14. Best players – **Ramsden (3), S Kennedy, L Kennedy, T Van Der Venne, Neville, L Deane-Johns** (Trinity) and **Dineen, Browne, Cox, Dobson, Hermans, Thiesz** (Marcellin). On that form Trinity could worry either of the top two teams the following week. The **second semi** saw **Uni Blues** ahead on the score board at half time (6.4 to 4.9) but **St Bernards** had missed a number of opportunities in front of the big sticks. Led by **Ross Young** in the third quarter, the Blues turned up the heat and started to cut the Bernies to pieces with the Essendon boys continuing to fail to make the most of their scoring chances. It was 'a walk in the park' for the Blues in the last quarter with goals coming all too easily and the final score of 20.12 to 11.18 confirmed the students as favourites for the flag. Best players – **Paterson, Scambler (7), Roydhouse, Lowcock, Young (3), Hayter** (Uni Blues) and **McIntyre, Wilkinson, D Jordan (4), B Jordan, O'Sullivan, Blunt** (St Bernards).

Jono Horn, the VFA's classiest columnist (**I wouldn't miss 'The Wednesday Horn' for quids - GR**), had tipped Marcellin in the first semi but evened the ledger by predicting the Blues in the second.

In **B Section**, it was a highly entertaining **first semi-final** with **St Bedes Mentone Tigers** only just succumbing to **Old Ivanhoe** 12.10 to 11.13. It had been all locked up at three quarter time and it was OF's Mark Luxon kicking two goals in the last two minutes that snatched the game from the Tigers. Best players – **Low, Luxon (5), Curatolo, Lochran, Gieschen, Quinlan** (Old Ivanhoe) and **Drury, Kane, Scaffidi, M Wintle, Osborne, Hecker** (SBMT). **St Kevins** came from three points down at half time to defeat **Collegians** 17.4 to 11.10 in the **second semi final** and advance to the top section for the ensuing season. Best players – **L Mahoney, Brady, Lucas (3), Mulgrew, Simpson, P O'Keefe** (SKOBS) and **Davidson, Blumfield, Dixon, A Baxter, Hosking (4), C Holst** (Collegians).

MHSOB won the right to again challenge **Caulfield Grammarians** after defeating **Monash Blues** in the **C Section preliminary final**, 11.16 to 5.9. Best players – **McCully, Brain, Fairchild, Smith, Cassell, Rosman** (MHSOB) and **Smyth, Smith, Main, O'Sullivan, Jansen, Bolton** (Monash). **Banyule** thrashed **Fitzroy Reds** in the **D1 preliminary final** 19.17 to 8.8. Best players – **Willmore, Plant, Williams, O'Connell (4), Wilson,**

Jones (Banyule) and **Abbott, Rawlins, Cianchi, Bahr, McGrath, Evans** (Fitzroy). **Old Carey** had a huge win in the **D2 preliminary final** over **Old Geelong** 20.17 to 8.8. Best players – **Stewart-Holmes, Everett, Kent (3), White (4), Vasilopoulos** (Old Carey) and **Cannon, Stinchcombe, Vickers-Willis (3), T Paul, W Paul** (Old Geelong).

10 YEARS AGO – 1999

St Kevins Old Boys won the **A Section first semi final** after controlling the game at half time 10.11 to 4.2, encountering a strong fight back by **Old Ivanhoe** in the third quarter and meeting a further challenge in the last term; winning score – 14.14 to 13.6. Best players – **Fraser, Lucas (5), M Dollman, Powell, Curtis, Callery** (SKOBS) and **Douglas, Lochran, R Weddle (3), McKie, Haros, Jenkins** (OI). In the second semi final the highly favoured **Old Melburnians** lowered their colours to **Old Xaverians** who had overcome indifferent mid-season form to now have a chance for their fifth consecutive premiership. OM's won the first quarter but then the Xavs controlled the game with their multi talented forwards all contributing strongly. Final score 21.7 to 14.5. Best players – **Bowen, Cranage, Stoney, Woodruff, R Dillon, Blood** (Xaverians) and **Roberts, Topakas (5), Pirouet, Kennedy, L Bunn, S Theodore** (OM's).

In the **B Section first semi**, **Mazenod** trailed all day but overhauled **Old Brighton** in the dying moments for a 13.15 to 13.10 victory. Best players – **Polan, Meehan, O'Donoghue, Kavanagh, Parry, Hanley** (Mazenod) and **Williams, Logan, Fitzgerald, Alderson, S Gadsden, Jackson** (OB). The **second semi final** was another close affair with **Old Trinity** proving too strong in the last quarter to win 8.14 to **MHSOB** 7.11. Best players – **C Phillips, Hatfield, Sutcliffe, Stickland (4), Stephens, L Kennedy** (OT) and **Limbrick, McIntyre, Gerner, Fairchild, Thompson, Simpson** (MHSOB).

Whitefriars bounced back in the **C Section preliminary final** over **Old Geelong** with the result never in doubt from half time; final score 15.16 to 6.8. Best players – **Houston, Law, M Carbone, Carrigg (5), Bateman, Northey** (Whitefriars) and **Taylor, Neeld, Middleton, J Paul, L Wilson, Seymour** (OG). In the **D Section preliminary Monash Blues** were forced to play catch up footy all day but could not overcome **Bulleen Templestowe's** determination and went down 6.5 to 9.6. Best players – **Young, N Bone, George, Alexander, Tulloch, Glover** (BT) and **Smith, McGee, Furnell, Farmer, Campbell, Creamer** (Monash). **Oakleigh** won the **E Blue preliminary final** 9.3 to **St Pats Mentone** 7.13. D3 SECTION

by Stephen Clarke

Two finals have been played out and predictably at least, the scores were close. When I was quizzed on this grade on Inner FM at the same time there was a frenzied mission to get in contact with **Dennis Grace**, the coach of Elsternwick, to comment also on D3. My comments were that this grade baring the top side was very difficult to forecast a clear finals group, a clear easy beat as all sides offered something different but of similar quality. I was happy to go with debutants St Francis Xavier on Saturday over the dominant Bentleigh unit whilst the Sunday game looked all too tough to call, settling on St Mary's. Then as Dennis was located he emphasised the similarity between our two top ranked sides and stated it will come down to 'which running side gets on top early and keeps getting the ball.' Exactly right. And when you need to get on top you go to those you can entrust with the job. I appreciate that this is never easy as that gun player might not play or be injured. And that goes from A Grade right through to us and the examples are glaring. Collegians needed a win at Harry Trott over the top side last week to make finals. Call on **Shura Taft** straight from Bendigo St studios to put in a typical brilliant display. The win was completed but finals eluded them just by percentage.

Jump to C Grade and Caulfield would only be beaten if **Matt Hamilton-Ho** could score in abundance. He did, they won. Another go to man successful. Or in D2 where at three quarter time the Pirates were challenged by Williamstown but the experience of **Payze** shines through.

Saturday started windy and stayed that way throughout although Scammell reserve presented a lovely flat deck with good grass cover to host our main final. **Robertson** and **Lawry** were obvious inclusions for the Premierships favourites. In the first term the X men were well on top with some pressure around the ball and great running play

from **Scott** and **Dimakopoulos**. In the second term the less fancied side got well on top, with on ballers **McNally, Anthony Pryor, Pabts** driving the ball forward with purpose. Bentleigh were doing enough to stay in touch and some inaccurate kicking cost St Francis an even bigger half time lead. It ended at the half with a 23 point advantage to the Beaconsfield boys. Things were still looking ok for them early in the third stanza. But suddenly **Shan Adaway** got on the end of some good fielding kicking and the Bentleigh side started their run. There's a great problem you face when this side win possession in spades – their finishers are classy and don't need encouragement. **Shan Fergus** has been good for 30 odd goals thus far and he kicked a couple of crucialsix pointers along with magnificent **Magnifico** and **Aiken**. With the X men holding a 2 point lead at three quarter time, coach Lenders pleaded with the guys for one last effort, as the reward was a week off and a quick way to the Grand Final and promotion. But in the last term, Bentleigh kicked the first goal to hit the front for the first time of the day and the Xmen dropped their heads. The favourites ended up running away with a 4 goal win. Bentleigh showed experience and took their chance. With a week off they must be respected enormously as flag favourites. They remain unbeaten against the challengers remaining. The new kids on the block got their second half wrong with a bit of panic setting in amongst their lower tier players. So time to regroup and rethink how they go about September now as they get another chance.

Sunday, the weather was ok but nothing flash. This was a tantalising affair on paper as Elsternwick boasted a recent win against the recently merged St Mary's Salesian and their last round heroics, well

almost heroics stood them in good stead to win this. Two things came to mind when I arrived at the ground. **Scammell** has that dead pocket at the North Road end which sucks in visitors and it's a ground where you can find a cheap kick and gain confidence. In the first half the 'Wicks kicked the ball to dead zones too much and SMS were able to get the ball easily. Early on it was **Ampt, Bonnici** and **Robinson** that could just get the phase completed for the yellow and black and ensure the forwards had shots on goal. Elsternwick allowed the opposition so many easy possessions early in the game it was frustrating. Too many players did not set their own agendas but played reactionary football. Coach **Grace** was beside himself by the last change and pleaded with his players to run hard as SMS are a heavy side and the likes of **Oldfield** and **Stevens** had to be challenged even if they were kicking into a breeze. For the second time in 2 weeks the 'Wicks flew home as players were more desperate and the run was more frenzied. 8 straight goals against the wind saw them come so close but the finish would end up short by 14 points. Lachie Bedingfield who has been herculan all of season 2009 was instrumental in the John Hewson like 'fightback' and the **Mahony** boys in **Craig** and **Brian** did their club, their family and themselves proud. **Grant Cameron** was very good in the ruck and Aaron Caratello proved he has been a good find for the old firm. Coach **Grace** has ended his term now after six great years with the club and his passion for football and this club are obvious for all to see.

TIPS – St Francis Xavier versus St Mary's Salesian

The holy battle is on for young and old today. Round six at Ferndale Park saw a win to the home side by 12 points whilst at Beaconsfield in round twelve the home side got up in dreadful conditions by four goals.

Shall we expect a close game? Of course, this is D3 after all . . .

Going with the X Men to win and gain promotion. Say 9 points.

A LEAGUE OF OUR OWN

BP009

LaTrobe University joined Albert Park in promotion to D3 on the weekend after a short sojourn in D4 that they hope will be marked by a flag. LaTrobe has long been considered a potential powerhouse of the VAFA with a large student base to draw on including residential colleges; however they have also had to contend with NFL and EDFL clubs on their doorstep, prepared to offer significant incentives for cash-shy students. Recent years have seen a gradual slide down the grades from D1. This year, with fresh faces involved at committee level and club legend Dean Sheldrick having a year's coaching experience under his belt, they have been able to recruit strongly and play some exciting football. It remains to be seen how they will contend with Albert Park, however Saturday's victory was a good start.

It is getting close to the Team of the Year being announced, and I have had some good input from most clubs, as well as a couple of supporters. The two most contentious positions have been ruck and full-forward, where there are many contenders. I would like to encourage supporters, players, and coaches alike to have a think over a few more contentious spots; Coach of the year, skipper of TOTY, Full-back and Centre-Half Back are all important positions that are difficult to pick. Get those thinking caps on!

Kew and LaTrobe had two close battles during the year, and the qualifying final offered more of the same. With injured stars returning, the Bears looked strong and the tighter confines of Garvey Oval also seemed to be in their favour. In the first quarter the game was reasonably tight, with Stephen Duke finding plenty of the football for the Bears, and Leigh Coffey creating havoc across half forward for the uni. With eight scoring shots to two though, LaTrobe were looking ominous. In the second LaTrobe simply dominated. With reigning best and fairest Joseph Mclean at the top of his game, Brad Van Ooi dominating out of the middle, and Stuart Patten

converting, LaTrobe shattered the Bears' confidence with a seven goal quarter and a forty-nine point lead at half time. In the third Kew regrouped and attempted to reduce the deficit and Craig Horne was giving them every chance down forward, however LaTrobe held firm and increased their lead. The last quarter followed the same pattern with Kew fighting hard, however the uni boys were just too quick, and with Patten finishing with seven and Terry Ludeman bobbing up with three goals they also had too many options up forward.

In the elimination final two sides with little finals experience went head to head. The Snakes were slight favourites after two narrow victories during the year, however South were full of confidence, despite having to travel across town. The first quarter from Richmond Central set the tone for the match with strong tacking and no space being allowed for South's runners. In the ruck Luke Jamieson and Scott Smith were having a titanic battle with neither truly holding sway, but both providing a target for their respective teams. Skipper David Speakman however was leading from the front for Richmond providing plenty of rebound from defence, and Daniel Pike was again dominating clearances. By the end of the first Richmond had a reasonable lead of 22 points, but more importantly held South scoreless. In the second Dale Andrew and Nathan Nuske combined to extend the Snakes' lead and like in the qualifying final the game was virtually over at half time. Skipper Grant Ryan and small forward Nick Wood tried hard to lift the Tigers, but with Andrew continuing to dominate and no let-up from the Richmond tackling, there was no way back into the game. Another six goals in the last put the icing on the cake for the Centrals who now look to a big game

against Kew, with the victor becoming the third side to achieve promotion. South will be disappointed with the margin; however can be proud of their year. With such a young side they can look to 2010 with confidence.

Finals Previews Second Semi-Final Albert Park v LaTrobe Uni

With one win apiece from meeting this year, two very different sides present a tipsters nightmare. The Falcons, strength, height and experience, matched up with LaTrobe Uni's pace, youth, and enthusiasm. Both sides have playing coaches with in Dean Sheldrick and Nathan Dallas who are inspirational on the field and charismatic leaders off. The prolific Albert Park goal kickers in Allan, Maunder, King, and Murnane have kicked a staggering 197 goals this year between them, so rebounding backs, Bence and Mclean will have to be at the top of their games. At the same time the Falcons will have to find a way to combat the speed and elusiveness of Van Ooi, Ganino, Coffey, and the hard-tackling Conheady. St Bernards College will suit the LaTrobe runners, however power forwards traditionally do well at the Snakepit. It is hard to go past LaTrobe after their brilliant form on the weekend, so I think they will advance to Grand Final with a hard-fought twelve point win.

First Semi-Final Kew v Richmond Central

The Snakes played arguably their best game for the year last week, whilst the Bears would be very disappointed in their performance. Dale Andrew kicked his biggest haul for the year, and will be a handful for the Bears backs. David Speakman, Daniel Pike, and Dean Sutherland guarantee that there will be no easy clearances for the Kew midfield, and Roo Liddie adds a touch of what is now known as 'Jurrah' (i.e. Magic). Kew meanwhile were possibly a little underdone with several stars returning from injury, and whilst Stephen Duke was typically prolific, some of the others appeared rusty and will be better for the run. It is a rare day when Carman, Bagnall, McDermott, Horne and Koschitzke are unable to kick a winning score, and the Snake backline led by Carpenter and Woodberry will have their work cut out. It is again hard to pick a winner, but I think Kew can reverse last week's result and move into D3 and the preliminary final by 5 points.

Under 18s

by Joe Morsello

Joey's Jargon

Three out of the starting eight left with UHS/Flem bowing out in a disappointing display which hasn't reflected their successful season. For the big one the bookies have now firmed Oakleigh into \$1.22 with the Bullants out to \$3.10 who haven't been able to peg back the Oaks. The value runner is St Bernards at \$11. You would feel that Oakleigh deserve their strong favouritism but with a big ground for Prelim and Grand Final of which the two sides vying for the last place would suit, finals can be a different kettle of fish as we all know.

Semi Final Wrap up

Oakleigh defeated Northern Bullants by 41 points

Oakleigh won their way through to the big dance with a comfortable 41 point victory. Leading throughout proceedings the Oaks were always going to have the upper hand in the conditions. With a strong chance of these two sides meeting again in a couple of weeks time the conditions could be a lot different making a fair difference. Scott, Hunt, and Corfe were up to their old tricks through the midfield and the quick Tsoucalas was devastating with 5 goals. Simcoe and Dellaportas tried their hardest for the Bullants, but will need some help against the Snow dogs this week.

St Bernards defeated UHS/Flem by 57 points

The Snow Dogs won their way through to a shot at the big dance with a strong last quarter ensuring a big win against an overwhelmed UHS/Flem side. The breezy conditions at Sports Cover as per usual were used well by St Bernards with UHS / Flem failing to make inroads when they had the chance. With the ever reliable Habel and Bourke down back for UHS the snow dogs still managed to break through despite their strong efforts. For the victors, Wheeler and Farrell were at their best.

This Week's Prelim Final Preview:

Northern Bullants v St Bernards

This Season: Played 3: Northern Bullants 3 / St Bernards 0.

I have plugged this strong Bullants midfield enough this year, but it will get the job done on the wide open spaces of Central Reserve. Although the big ground will suit the Snowdogs with their dung heap being of a similar dimension, I will be very surprised if the Bullants get beaten here if the conditions are dry. With a little bit of rain forecast though perhaps finals football can get the snow dogs to lift a cog to the class of the Bullants. Although the Bullants Under 39.5 looks inviting I'll be sticking with the Bullants to win comfortably and play in their first VAFA Grand Final despite Mr Kavanagh's protests.

Key Players:

Northern Bullants: Simcoe, Moustafa, Calcedos.

St Bernards: T. Sullivan, Overman, L. Sullivan, Kavanagh

It is getting close to that time of the year for the U18 Team of the year side to be announced. Please send through any nominations to me. Thanks to those who have done. Please email to joe@vafa.com.au

And then there were three! Week one of the finals series was a cracker with both games going down to the wire and the underdogs in each getting up. Plenty of punters left Trevor Barker Oval (which is in magnificent nick mind you) scratching their heads wondering if what they had just seen had actually really happened.

In the early encounter it was Uni Blues who got going early making all the play in a torrid opening stanza. When the dust had settled the tempo of the game flowed into an even arm wrestle between the 50 metre arcs as both teams struggled to hit targets in the windy conditions. By half time Old Scotch would have considered themselves lucky to only be 3 goals adrift of Blues as the Uni side missed plenty of chances through the second quarter. Old Scotch are a classy outfit and everyone expected a better showing and it came after the main break. While their field kicking was still not up to scratch The Cards were winning enough of the stoppages to claim first use of the pill through Ash Lim and Byron Smith. Fraser McFarlane was proving a handful for the Blues backmen with his searching leads around the forward arc and one sensed the flood gates about to open at the Red end however with every OS score Uni Blues would find Jack Townley or Albert Weddell open and able to maintain a slight buffer over The Cardinals. What was a calm Uni Blues bench throughout the game became increasingly tense as Old Scotch got to within 3 points of the lead. Time and again the Scotch midfielders pumped the ball forward only to be denied by another strong Hugh Vickers-Willis mark or a clearing handball from Jared Edwards and when Tyson Day marked 50 out directly in front all watching felt it was good bye Old Scotch. The resulting kick sailed wide and gave Old Scotch 2 or 3 minutes to get motoring and score from the kick in however when Llewyn Butler swooped on the loose ball a calmly slotted his first for the day The Blues bench could once again breath with ease winning this one by 10 points. Well done to both teams for providing a stellar game and a special mention needs to go to Joel Smith and Mark Rogers who put in a magnificent performance behind the whistles. I must also thank Old Scotch

coach Paul Dodd for his willingness to chat about all things U19 and VAFA for that matter through the year. With Uni Blues singing their song in the rooms De La Salle Blues and Old Xavarians took the field. An air of expectancy descended over Trevor Barker Oval as both coaches boxes worked furiously to cover their mid-week plans and match ups with last minute bench changes occurring right up to the first bounce. Who's gone to Buckley? Where's Murphy? Men in fluoro green polo shirts were clocking up some early miles and sprinting everywhere. Finals had definitely arrived and it was Old Xavs to settle first, Ulbrick gaining the ruck ascendancy with Sanfillipo looking dangerous at ground level. Careful attention was being paid to Dan Noonan up forward for Xavs but when the ball was kicked past his lead Richard Johnson stood tall to mark in the goal square and kick the opener of the game. From here the first half was all Xavs and they took a healthy five and half goal lead into the sheds. With De La's guns seemingly covered things looked grim for the Blues but as all good teams do they hit back. Edward Clinch and Adam Bonaddio fired up and with Lachlan O'Connell regularly troubling the scorers the Blue and Gold machine found some momentum and at the 25 minute mark hit the front to lead by a point. With only minutes to play one more roll of the dice came from Xavs as they launched what would be their final attack on goal. From a tight pack Luke Bisset was able to slot through his first for the day and send De La Salle to an appointment with Uni Blues in the Prelim this week. Preliminary Final week sees an elated winner and a stunned loser meet in what is always a must see contest no matter which comp you follow and this weeks match between Uni Blues and De La Salle (Blues) will be a cracker. Vickers-Willis will have his hands full as he tries to contain Stephen Muller who surprisingly went goal less last week while the De La Defence will need to wary of Townley, Day and

Damien Ractliffe

Justin Waldron

co. With things looking even at either end of the ground the midfield to get on top first will win this one and with that usually being the De La Salle midfield I can't go past them in this contest. De La Salle to end Uni Blues' gallant run by 4 goals.

1st Semi Final

Fitzroy v Old Carey

Heading out to Marles for the clash between Fitzroy and Old Carey, it was sure to be a game that went down to the wire. With the promise of continuing on towards finals glory, the game see sawed until half time, with both teams giving their all in a display of dedicated hard football. After the oranges, Old Carey put the pedal to the metal and went into the last with a 3 point advantage. Leaving the punters with baited breath, both teams knuckled down and really gave it there all in the last stanza. With the momentum though, Old Carey dug deep and were able to fend off the valiant attempts by Fitzroy to steal victory. Impressive performances from Woofindin, Simpons and De Leijer for Old Carey, with Jumeau, Bisetto and Anderson playing well for the Roys.

2nd Semi Final

Old Camberwell v Old Essendon

The showdown between the ladder leaders Old Camberwell and Old Essendon was on paper pitted as a cracker of a game. It was apparent early on however, that a blow out was on the cards, with the ladder leaders keen to exert their dominance on the competition. Smashing on an impressive 6 goal first quarter, Old Camberwell made it clear that they meant business, and kept Old Essendon to just 4 goals at half time. Never really getting into the game, Old Essendon went down by 61 points at the final siren. It was an absolute day out for S. Killworth and S. Bennett, who kicked 9 between them for the victors, steering their team to the Grand Final and the handy week off.

Preliminary Final Preview

Old Essendon v Old Carey @ Alec Gillon Oval

Tip: Old Essendon to leap out of the gate early to redeem their big loss from last week. Old Carey will be feeling good after running their last game down to the wire, and delivering a hard fought victory. Confidence is key. Momentum crucial. A close one here. Old Carey by less than 10 points.

North 2

1st Semi Final

Old Westbourne v Ivanhoe

Bolting out of the gate, Ivanhoe got straight to work, kicking 9 through the big sticks before ¼ time, leaving a shell shocked Old Westbourne team in their wake. Emerging from the first break huddle, Old Westbourne tried to regroup and managed to kick 5, but it was to no avail given the increasing list of goal kickers for the Hoes in the same quarter. By half time, the lead was out to 39 points and not looking good for the Warriors. After a good rest at half time (or perhaps a spray from the coach) Old Westbourne ran onto the ground with a definite spring in their step. Playing hard, dependable footy, Old Westbourne had all the momentum in the final half, keeping Ivanhoe to just a 1 point score in the last quarter. The late charge home was left all too late though, with eventual winners Ivanhoe holding on by 15 points.

2nd Semi Final

Old Geelong Blacks v Therry Penola

The top of the tables clash between Therry Penola and Old Geelong had the makings of a great game. With a spot in the Grand Final up for grabs, supporters were hoping for a close, down to the wire event. It was not to be. Although evenly matched in the first quarter, Old Geelong appeared to be chomping at the bit, and put on quite a show in the second term, to break away from Therry. From there it was onward and upwards, as Kent, Wood and Skelton kicked bags for Old Geelong, to set up the victory and the Grand Final appearance. Old Geelong 58 point winners. Best for Therry Penola were Ryan, Milanovic, Walshe and Dimaio.

Preliminary Final Preview

Therry Penola v Ivanhoe @ Alac Gillon Oval

Tip: Ohhhh!! What a game this is shaping up to be. Ivanhoe just hung on last week after a disappointing second half against Old Westbourne, while Therry were brought back down to earth after a whooping from Old Geelong. A real close one here folks. Get ready for the fireworks, its all on the line now! Therry to prevail in the closest of close ones.

U19 SOUTH 1 AND 2

South 1

First Semi Final:

Woweeeee!!! What a start we have to this year's finals series as the underrated De La Salle Gold's defeated St Kevins to the tune of 48 points. The De La Salle

boys were simply unstoppable as they had a wide range of goal kickers across the board and plenty of team orientated gut running proved to be the difference between the two sides.

For De La it was S. Lowe, D. Hutchinson & T. Naughtin who set the standard throughout the day winning the contested ball and showing poise under pressure. For the losers it was K. Brick who was left to do far too much.

Second Semi Final:

Well this is a very concerning result in terms of a level playing field in this seasons finals as the Melburnians completely belted Old Brighton by a solid 118 points in what was to be a very one sided affair.

The forward fire power that the Burners had on display in L. Bennett who kicked 6, A. Marangon jaggng 5 along with the silky delivery of P. Levy just proved to be a class above on the day as the Melburnians have sent a real message to any remaining challenges that they are the real deal in September this season.

The Burners now have the week off as they have booked a spot in the big dance and now await there final challenger. Who Will It Be?

Preview Preliminary Final:

Old Brighton vs. De La Salle

This game will be a belta! De La in red hot form and the Brighton lads will be out seeking some redemption this week. It sounds cliché but both teams want the same outcome therefore it really will come down to who wants it more and at this point in time i believe the De La Salle lads really want a crack at the cup just a tad more then the boys from Old Brighton. De La Salle by 4 goals.

South 2

First Semi Final:

Holy Smokes!! I had a little gut feeling that the Mentonians had a few tricks up their sleeves but didn't expect the belting that they handed the disappointed Bentleigh lads over the weekend as the Mentonians ran out victors by 13 goals. This ended a Bentleigh season in which they had some very high hopes of pushing deep in to September but just wasn't meant to be.

For the Old Mentonians it was L. Hull booting 9 of the best & J. Lumsden who jaggng 5 that proved to be the real x factor on the day along with the well groomed skills of S. O'Halloran who had the pill on a string.

Old Mentonians are the real smokey now this is shaping up to have one hell of a finish come that final day in September.

Second Semi Final:

Hampton just reserved a table for the big date on the 13th of September as they defeated Ajax in a thriller at Sportscover Arena by a close 15 points. Both teams were hard at the football and willing to run but it was Hampton's ability to push both forward and back that proved the real difference on the day.

For the Rovers it was E. Turner, B. Culvenor & R. Johnston that did the damage to the Jackers with their poise under pressure and spearing passes. For Ajax D.Glass tried his very best booting 4 and giving his side the best chance of winning.

Preview Preliminary Final: Ajax vs. Old Mentonians

Well Ajax have their backs to the wall this week after losing such a close hard contest at the weekend it's going to be hard seeing them stopping a rampaging Old Mentonians outfit that wiped Bentleigh off the face of the earth.

The fire power for the Mentonians in L. Hull & J. Lumsden may prove to be the difference in the end as I believe the Mentonians will advance to the big dance after a comfortable 5 goals win.

We have taken big steps to make sure the VAFA is at the forefront of recruiting the best available talent of umpires available by seeking to employ a part time Recruitment & Development Officer to attract Field, Boundary and Goal umpires that we require to service our matches on a regular basis.
