## ● LAST WEEK'S HIGHLIGHTS

# OLD TRINITY GIVE ORMOND A FRIGHT POOR KICKING FATAL TO "DE LA" BLUES THRASH BLACKS BY 10 GOALS GROUND CLOSURES STOP EIGHT GAMES

By GEORGE McTAGGART

Ormond got a fright from Old Trinity last week, scraping home by a point from the bottom team, yet to "break the ice" this season.

North Old Boys maintained their unbeaten record, poor kicking by De La Salle spoiling any chance they had of topping the leaders.

University Blues shocked their fellow students, University Blacks by running away to a 10-goal win and sending the Blacks final four hopes crumbling.

The shocking weather in recent weeks caused the closure of several grounds and eight matches were not able to be played, much to the annoyance and disappointment of some 300 odd players.

Trinity kicked five goals straight in the first half and led Ormond by 15 points at the interval, but Ormond gradually wore the visitors down and just managed to win.

De La Salle trailed North by only 4 points at half-time, but kicked themselves out of it in the second half when they added a miserable 2-11 and went down by 4 goals, finishing with 7-20.

They did much the same in the first round match, kicking 9-23 to be beaten by 20 points.

A 7-goal burst in the second quarter gave the Blues a 28-point lead over the Blacks at half-time. The Blacks got to within 15 points at the last change, only to see the Blues streak away in the final term and add nine goals.

Marcellin opened smartly against a sluggish Caulfield Grammarians, who were 5 goals behind early in the second quarter.

Caulfield steadily whittled down Marcellin's lead which had dwindled to 4 points at half-time. Marcellin

were 11 points to the good at the last change but Caulfield finished much too strongly, adding 6 goals to win by 25 points.

Old Scotch beat Old Melburnians by 15 points. Paradians beat Collegians by 13 and Reservoir had 2 goals to spare over Old Haileybury.

Equal leaders in C Section, Fawkner and Old Xaverians, are still equal leaders — theirs was one of the games which could not be played.

Old Camberwell went down to Alphington by 16 points, but Power House, looking for a place in the four, did not take advantage of Camberwell's loss, as they were well beaten by St. Kevin's. Assumption eased the threat of relegation with a sound win over Old Geelong.

Poor kicking contributed to Heatherton's defeat by West Brunswick, who scored by a goal and pushed Heatherton out of top place, while Commonwealth Bank had a decisive 4-goal win over St. Bede's.

Monash University upset things in Junior Section 1, beating North Old Boys by nearly 5 goals, and the Blacks beat the Blues by 14 points.

In the Reserves, De La Salle thrashed North Old Boys, Scotch beat Melburnians by 5 points, Reservoir went down to Old Haileybury by 8 points, and Power House surprised St. Kevin's with a 3-point win.

Heatherton crushed West Brunswick, Commonwealth Bank beat St. Bede's by 10 points and Footscray Tech. won with a score of 1-4 (10 points). Their opponents, LaTrobe Reds kicked only 6 behinds. What a battle that must have been!

## TRIBUNAL

(JUNE 25th ROUND)

R. Divriglio (Bulleen United) was found guilty of striking M. Lockwood (St. Bede's O.C.) and suspended for three matches.

M. McArthur-Allen (Bulleen United) was found guilty of striking P. Fogarty (St. Bede's O.C.) and severely reprimanded.

P. Manning (Old Carey Gramm. Reserves) was found guilty of striking J. Rudd (Hampton Reserves) and suspended for seven matches.

## UMPIRE'S CORNER

### AUSTRALIAN RULES

It has often been mentioned of recent years that "Aussie Rules" captures the largest spectator audience per head of population of any field sport in the world.

To the many followers of the sport it is obvious the game provides for teamwork, skill, speed and physical contact between players. Also it creates excitement, tenacity, partisanship and controversy amongst spectators.

The rules of the Australian game of football have been framed in such a way that they permit players of various physiques to capitalise on their particular attributes.

Players of small stature are afforded the opportunity to excel by exploiting their speed and elusiveness whilst the taller and heavier players may utilise their natural advantages of height and weight.

**THERE IS, IT SHOULD BE ALWAYS REMEMBERED, NO SUBSTITUTE FOR SKILL.**

Not many followers of our great game stop to realise that the intention of the "Laws of the Game" is to help, not hinder, "Aussie Rules" and to afford protection to the fair player who is prepared to make the ball his sole, positive objective.

In order to cope with a vigorous fast-moving field game the laws must provide for many eventualities.

The umpire's advisor has a very onerous task in helping and instructing umpires in the interpretation of such laws and how to deal with the many eventualities that umpires are likely to meet during the course of any game in which they umpire.

Each year new situations occur which require an umpire to make an instant "reflex action" decision. Such an honest decision may lead to controversy but a decision must be made. After all that is what umpiring is all about — decision making.

Every umpire has the right to discuss "situations for decision making" with the Umpires' Advisor. It could result in the umpire deciding that the decision he made was perhaps an incorrect one (this does happen) but once an interpretation is given he can confidently be correct in the future.

The "Laws of the Game" come under close scrutiny every year and additions, alterations and modifications are made by the "administration executive". Because of this it would do well for players, coaches, and officials to frequently peruse, like umpires, the rule book and become conversant with the laws under which their club plays.

Umpires are continually updating their knowledge of the rules, improving their mental and physical fitness and becoming aware of the vital and unique role they have to play in Australian Football.

## PREVIEWING TODAY'S GAMES

### A SECTION

The heavy grounds are certainly proving a tipster's nightmare — however Ormond scrambled home last week to give me four winners. I commiserate with ALF KEAM who has the unenviable task of scoring winners in "B" Section.

I've had a feeling for quite a time that Uni. Blues would cause an upset — and they did! Today they will overwhelm Coburg — some people out Coburg way must now realise that even the "mighty" must sometimes fall to the respectability of B Section.

And if the Blues win they may move a rung up the ladder. De La Salle, with more scoring shots than North last week will hold off Marcellin who appear to have surrendered their final four aspirations.

Caulfield Grammarians must keep winning — there is a chance that Ormond could slip from fourth place. Today I expect Caulfield to keep their hopes high by accounting for University Blacks who have developed some inconsistency.

At Elsternwick Park, North Old Boys, helped by De La Salle inaccuracy last week, will remain unbeaten. Ormond will improve after last week's "narrow squeak" but not sufficiently to take the points.

Mauro Borcich is in magnificent form for North but it's good to see some of the Ormond even-ness being restored — there is not total reliance on players such as Bruce Bourne and Bruce Corben.

Old Trinity showed amazing improvement last week and were a trifle unlucky. Billy Peers showed the way with great leadership and here's hoping this improvement continues. But I don't see a win today.

St. Bernard's, with Peter Aughton, Joe Doolan, Mick Drennan and Gavin Mitchell all back to top form will prove too strong.

**SELECTIONS:** North Old Boys, Uni. Blues, Caulfield Gramm., De La Salle, St. Bernard's — JIM FIDGE.

### B SECTION

The men are being sorted out from the boys this last few weeks. The top four look to have cleared out and from now on, the "relegation stakes", with four clubs on 16 points, will be starting to occupy the minds of the hapless coaches of these sides.

Selecting Old Melburnians over the past few weeks has proven to be an unrewarding pastime for a tipster. This week they meet Monash Blues on equal points outside the four.

The winner will remain a contender, just, whilst the loser can forget the final series. I'm going to follow my money and back the Navy Blues as they appear to boast slightly better current form.

There is no doubt many readers, who follow St. Kilda C.B.C. will have the distinct impression that I do not recognise their talents. Well, hang on boys. I think you may just sneak in from Collegians in a tight game. The result is going to be very important to both teams.

Last round losers Geelong and Old Haileyburians also meet in an important round, which either side could win without surprising. I'm surely tempted to change my mind, but will stick with my first impression and lean towards Haileybury.

Close neighbours, Old Scotch and Old Paradians will meet in what should be a most attractive game. There is not much between the sides except that the Cardinals appear more consistent, and I look to them to trap the points.

Whilst Reservoir have been good to me recently, one could hardly but be impressed by Ivanhoe's great winning streak since the second week of the season. I must go for Ida's 'Hoes to win a most interesting game.

**SELECTIONS:**— Old Melburnians, St. Kilda C.B.C., Old Haileyburians, Old Scotch, Ivanhoe — ALF KEAM.

### C SECTION

Unfortunately adverse ground conditions robbed us of seeing the two top teams in action at Fawkner — only to find them sharing the points.

All other games were battled out in fine weather but the "going" was very heavy — let's hope some wind and sunshine clear up the grounds for today's matches.

Old Xaverians should prove too strong for Kew.

Hampton Rovers at home to AJAX will keep the local fans on their feet. The Rovers look good at home, however AJAX are in good form and should come home strongly.

Old Carey and Univ. High will be a close encounter, but the Old Boys look a shade better and should take the points.

Melbourne High still struggling to win a game have a slim chance against Old Ivanhoe — still Old I's should be able to use their home ground advantage to gain the points.

Parkside play well at home and today's game against Fawkner could be a beauty.

Although Fawkner could be short of a gallop, I expect them to take the honours.

**My Selections are:**— Old Xaverians, AJAX, U.H.S.O.B., Old Ivanhoe, Fawkner — ALEX. JOHNSON.

### D SECTION

Apart from Old Camberwell all other teams in the four collected points last Saturday. Old Camberwell are in a precarious position with Elsternwick and Power House on the same points but slightly down on percentage. What will happen after today's games?

Power House at home to Old Brighton will be a hard game; on paper Old Brighton should win but this game means more to Power House, a chance to get into the four, a chance for the finals. I think Power House will win it.

Elsternwick also at home to Old Camberwell who have had a bit of a bad run in the last few weeks and I don't think that this game will see them come up. Elsternwick should win.

Alphington should have no troubles in disposing of Old Geelong.

State Bank have been up and down this year but they should not have any fears from La Trobe Blacks who have certainly seen better years.

Assumption and St. Kevin's — although Assumption have come up over the last few weeks, they don't have the strength to knock off St. Kevin's this time.

**SELECTIONS:** Power House, Elsternwick, Alphington, State Bank, St. Kevin's — **KEITH FINDLAY.**

#### E SECTION

West Brunswick regained top position last week by upsetting Heatherton (and me). This week, at home, they should be too good for Old Mentonians.

Brunswick and National Bank will be a hard struggle on the Dunstan Reserve mud heap.

Brunswick have to maintain a margin of match points over A.M.P. because of their respective percentages so it is the red and whites for me.

A.M.P. Society v. Beverley Hills should be a sure thing for the Hillites, but A.M.P. must surely realise that it is preferable to stay in E Section then to have to claw a way out of F Section again.

North Brunswick meet Heatherton (all the "wickers" playing at home this week). Heatherton were not good enough to beat West at home last week and I feel that North will be too tough for them to digest this week.

**SELECTIONS:** West Brunswick, North Brunswick, Brunswick, Beverley Hills — **SYD WHITFIELD.**

#### F SECTION

Last week's results served two purposes. They added more interest to the fight for the four, while at the same time they widened the gap between the top six and the bottom four sides.

All followers of Amateur Football are pleased to see the resurgence of Commonwealth Bank who should continue on their winning way today against University Reds. It would be the upset of the season if the Reds get up to take the points.

The game at the Footscray Institute oval, where Thornbury will be visitors, should prove interesting. The local side has moved to second place while Thornbury with a win today could sneak into the top four. Home ground advantage coupled with greater depth of available talent, prompt me to select Footscray.

Monash Whites make the long journey north to meet Glenroy whose form has not been worthy of note. A stronger defence plus the ability to lift form when necessary are two factors leading me to select Monash.

La Trobe Reds make the long southern journey to Mentone. Only to find St. Bede's out to erase memories of last week. For

the statistically minded, it appears La Trobe have half the strength of St. Bede's. This may be demonstrated today as I believe St. Bede's will record another convincing victory.

The "Battle of Bulleen" resumes today when leaders Bulleen-Templestowe clash with their visitors, Bulleen United. The sides play different types of football; the combine play a fast open game; whereas United have a more vigorous, close checking approach.

I believe the combine will prove strong enough to break away from the United defences, by so doing they will generate enough forward moves to win the game.

**SELECTIONS:** Commonwealth Bank, Footscray I.T., Monash Whites, St. Bede's, Bulleen-Templestowe — **NORM NUGENT.**

#### JUNIOR SECTION I

Monash University as last week's match seems to indicate, are not intent on going through the motions of playing out the remainder of the season but gratefully, will be a real headache to all sides in the remaining matches. Today they will be far too good for Coburg.

University Blues are keen to repeat their thrashing of Ormond in the first half of the season when they won by 22 goals. Because of the ground condition the Blues will not win as easily this time but they will win by a fairly comfortable margin.

Last week's forced lay off will not have been of much benefit to Old Scotch as they are really playing well as a team and need all the experience and practice that can only be obtained in match play.

St. Bernard's had a much needed morale-boosting win over Ormond last week but today they will have to adopt a keener attitude to keep Old Scotch at bay. This will be a great battle and I think Scotch will win narrowly.

North Old Boys are still reeling from the hammering received from Monash last week. Today they are challenging the might of Ivanhoe who have taken on all comers so far this season and disposed of them all with comparative ease. Today will be no exception.

**SELECTIONS:** Monash University, University Blues, Old Scotch, Ivanhoe — **CLIFF BASTOW.**

#### ASSUMPTION UTILITY'S 150th

Congratulations are extended to Graham Howard on reaching 150 games for Assumption Old Collegians. Graham first played in 1967 — being a member of the club's only premiership side in the same year. Having played in nearly every position on the field, he has been a very valuable player. He has played many fine games and, this year, with his high-marking and breakaway dashes from the half-back line he is playing as well as at any time during his career. Congratulations, Graham, may we soon see you record the elusive 200.

#### JUNIOR SECTION 2

While we all know football is a wet weather sport, it is not difficult to understand why some games were abandoned. Some will say that all games should have been cancelled, while others will argue that if they had known that Mr. Fullerton might have been able to arrange suitable alternative venues they would have sought his assistance.

Whatever your opinion may be, let us all endeavour to be constructive in our comments.

This week poses as a very difficult round with the top six teams playing one another. Starting from the top, Hampton Rovers play Caulfield Grammarians. The Rovers have lost some of their players to the Seniors and Caulfield will be trying to capitalise on their home ground advantage to make up for last week's big loss against Reservoir and to keep alive their final four hopes. The Rovers should hang on to win.

Second team Geelong play fifth team West Brunswick who should have benefited from their rest last week. However, they will have difficulty coping with the big ground at Geelong and the home side should win.

De La Salle are at home to Reservoir Old Boys and this promises to be a great game. Over the season "De La" have been the form side, but Reservoir are real "goers" in the heavy conditions and are my selection.

Kew are at home to Alphington. All I can say is PLEASE win your first game at home today.

MHSOB play host to Old Paradians and as they have been the form side to date are my selection.

**SELECTIONS:** Hampton Rovers, Geelong, Reservoir O.B., Kew, MHS Old Boys — **PETER NATHAN.**

## LOOKING BACK

by NOEL RUNDLE

### 5 YEARS AGO — 1972

Upsets were the order of the day when Old Trinity and Ivanhoe joint leaders in 'B' Section, were both beaten. Old Trinity finished strongly against Old Scotch but went down by 9 points. Anderson, Kefford, Duffy (Scotch) and Just, Macaw, C. Fellows, (Trinity) were best.

University Blacks, trailing Ivanhoe by 3 points at the last change, kicked 6.3 to 2.2 in the last quarter. C. Corder, McLean, Moffatt (6 goals) for the Blacks and Robinson, Berry and Hughes (Ivanhoe) starred.

'A' Section coaches were John Caspars (Caulfield Gramm.), Alan Salter (Coburg), Ken Purcell (De La Salle), "Jocka" Nelson (M.H.S.O.B.), Clyde Laidlaw (Monash Blues), Bob Spurling (North Old Boys), Ted Farrell (Ormond), John Booth (Old Paradians), Gus Mitchell (St. Bernard's) and Barry Johnston (Univ. Blues).

The umpires bade farewell and thanks to Joe Jamieson who had looked after them so well at Elsternwick for some years, and had also greatly assisted the Association.

200 games to Hampton Rovers veteran Dave "Bridgie" Fullagar who joined the juniors in the late fifties and had given great service to the club.

### 10 YEARS AGO — 1967

Collegians stopped Kew's winning run of 5 games straight when they led through-out to score by 3 goals.

The two top teams in 'C' Section St. Bernard's O.C. and Alphington were both beaten by 1 point, by O.G.G.'s and Monash respectively.

John Wood played his 250th game for Brunswick (John has since been president of the club).

Parkside, undefeated with 11 wins, were 3 games clear of Hampton Rovers and AJAX in 'D' Section.

In 'A' Section Old Scotch, Ivanhoe and Old Xaverians were in the last three positions — yet only a game behind Collegians who were fourth.

### 25 YEARS AGO — 1952

'Curley Gemmell played his 150th game for Ivanhoe.

'A' Section captains were Phil McLaughlin (Old Paradians), Sam Birtles (Hampton Rovers), Ewan McGregor (Ormond), Harry Meredith (Univ. Blacks), Geoff Sinclair (Univ. Blues), Perc. Adams (Alphington), Jack Thomas (Commonwealth Bank), R. Ferguson (Collegians), Peter Cox (Old Melburnians). Who captained Old Scotch in 1952?

Old Paradians with only one victory to their credit, went down to joint leaders Old Melburnians by only 5 points, while Commonwealth Bank (4th) continued to be a hoodoo side for the other joint leader, Ormond as they led all day to defeat Ormond 7.11 to 5.9.

Stars for the Bank were Alan Shiel, Miles Hurley and Don Malcolm.

Congratulations to St. Kilda C.B.C. wingman Chris Meehan on notching up 50 games last week. A rover in the premiership side two years ago, Chris has now firmly established himself as a wingman and is having his best year so far. If he continues his great form, he will have no problems in playing many more games for the Saints.

Old Trinity congratulate Ric Murphy on reaching his 50th game for the club last week. Since joining in 1974 from the school, Ric has served an apprenticeship in the seconds and is nowadays a regular firsts player. In his first year his efforts won him an encouragement award from the club, and in 1975 he played in the A Reserve Final Series. He has played nearly all his football on the backline and has repulsed many an opposition attack with his strong marking and determined play.

### "SPANNER'S" 250th GAME

Melbourne University Football Club congratulate Amateur stalwart and "Blues" utility player Spence "Spanner" Williams in reaching his 250th Amateur game and his 36th Birthday over this weekend, it is doubtful if this fine player's record will ever be surpassed, this includes 23 Finals appearances, six State games, once as Captain, and twice in an Australian Amateurs side. He has also represented Melbourne University in inter-varsity competition where he won a Full Blue.

Spence is not only a dedicated and talented "Blues" player but he also serves the M.U.F.C. as a Vice President and still finds time to carry out his duties as Blues Delegate to the V.A.F.A. If anyone should doubt his keenness it may be well to remember that he travels from Monbulk to serve the sport he loves so well. Happy Birthday "Spanner".

### CAULFIELD RUCKMAN'S 150th

Again Caulfield Grammarians salute one of its most popular members Ross Mathleson who has now played 150 games for the club. Blessed with a well covered frame Ross usually plays in the ruck and rests in a back pocket when off the ball. Able to take a strong mark and follow it up with a good distance kick he has been a tower of strength to the Reserves since he came up from the Juniors some seasons ago. Apart from being a serviceable footballer he is always in the forefront when club affairs require volunteers who are prepared to "put in" physically as well as in other ways. Ross and older brother Ian, one of the clubs good players of yesteryear, now run a Newsagency in South Melbourne but Ross somehow manages to see that Saturday is his day off.

Congratulations Mal, we hope to see you around for a long time yet.

### OLD MENTONIAN NOTCHES UP 100

This week against West Brunswick Garry "Norts" Norton plays his 100th game for Old Mentonians. Since coming to the club from school he has proved to be a great asset both on the field and socially. Since he first started playing in the side in 1972 we have seen a tremendous improvement in his playing ability — by starting in the Reserves and raising himself by sheer dedication to his present position this season as vice captain of the Senior side. His great asset on the field is his tremendous marking ability and whether in attack or defence giving great drive to the team.

Garry has also given administrative service by acting as Treasurer in 1973. Last season he won the Best and Fairest Award for the club and is still showing out well. From all at the club Garry — congratulations and we hope to see you on the field for your next 100 games.

### CENTURY TO CAULFIELD MAN

Most clubs usually possess a footballer who can be referred to as "one of the best players who has played for the club" and it is a safe bet that most Caulfield Grammarians would without hesitation agree that Tony Lester qualifies in this respect. Tony played his 100th game last Saturday and after the match back at the clubhouse went through the ritual reserved for such auspicious occasions. A natural ball getter he plays mostly as a ruck rover or in the centre but he is likely to bob up anywhere in quest of a kick. Few players of his rather spare frame possess the courage and tenacity he displays each week and his strong marking against bigger players together with his ability to come out of the packs with the ball and deliver it accurately to a team member with his left foot not only puts him in the category of one of the best players ever to have worn the clubs colours but also won for him the title of Best and Fairest last season, whilst this season he was Vice Captain of the V.A.F.A. team against Tasmania.

## ● LAST WEEK'S HIGHLIGHTS

# Blacks down Caulfield — Still in running North troubled by Ormond

By GEORGE McTAGGART

There were several reversals of form in last Saturday's round, played under the best weather and ground conditions for some weeks.

Ormond, who scraped home from Old Trinity by a mere point the week before, gave leaders North Old Boys a lot of trouble, but were finally beaten by 10 points.

University Blacks, beaten to the tune of 10 goals in the previous match by University Blues, turned round and beat Caulfield Grammarians by 32 points, moving up to fifth ahead of Caulfield on percentage.

They are both two games outside the four, but both have a better percentage than Ormond (fourth).

Coburg, who had managed only a total of three goals in the two previous games, finished 15 points ahead of the Blues, who had the chance to make themselves safe from relegation.

North started well but Ormond pegged them back and went to a narrow lead just before half-time.

North added 5-2 to 2-5 in the third term and did most of the attacking early in the last but their inaccuracy in front of goal prevented them from scoring a more decisive win.

After a slow start, the Blacks kicked 9-1 to Caulfield's 6 goals straight in the second quarter to be within 7 points at the interval.

The Blacks went on with the job and 7 goals in the last quarter took them on to a sound victory, and kept them in the running for the finals.

De La Salle were only 2 points in front of Marcellin at half-time, but Marcellin faded right out of it after that and were badly beaten.

Straighter shooting for goal played a big part in Monash Blues' 6-point win over Old Melbourne, and shocking kicking by Old Paradians (5-17) cost them the game against Old Scotch, who won by 8 points.

Ivanhoe's long string of successes was finally broken, as they went down by 10 points to Reservoir Old Boys.

AJAX crashed against Hampton Rovers and Parkside met a similar fate against Fawkner. Kew made Old Xaverians battle for a 14-point win and Old Carey scored by a comfortable margin over Uni. High.

Old Camberwell beat Elsternwick by 2 goals, Old Brighton won comfortably from Power House and La Trobe Blacks beat State Bank.

West Brunswick were too strong for Old Mentonians, AMP Society beat Beverley Hills, and North Brunswick despite their 7-25, beat Heatherton by 9 points. Thornbury surprised Footscray Tech, who went down by 28 points.

In the main Junior games, St. Bernard's beat Old Scotch by 4 points and De La Salle had 3 goals to spare over Reservoir.

Fawkner Reserves suffered their first defeat, going down to Parkside by 3 goals, and another leading Reserves team, Old Brighton, failed by 11 points against Power House.

In only three Sections (D, B Reserve and F Reserve) did the top four teams win — but only Old Scotch Juniors and Ormond Reserves lost their places in the top brackets.

## UMPIRE'S CORNER

Contrary to popular opinion "the man in white" DOES know his rules and he uses them appropriately at any of the 68 Victorian Amateur Football Association matches played every Saturday.

The 70 field umpires and 20 goal umpires who officiate at V.A.F.A. matches all belong to the V.A.F.A. Umpires Association.

The objects of the Association are to foster goodwill amongst members, protect and safeguard their interests, encourage and promote umpiring as an integral part of Australian rules football and work with the V.A.F.A. to ensure that it is an efficient Amateur football body.

Membership of the V.A.F.A.U.A. is open to people who officiate in at least three home-and-away games, people appointed to the umpires' list and Life Members.

But being an umpire is not just running around a ground or standing between goal posts at a football match every weekend.

Umpires attend two training sessions a week — on Tuesday and Thursday nights. These are held at either Elsternwick Park or Royal Park.

At these sessions the V.A.F.A. umpires' adviser, Alan O'Neil ensures that the men in white are not only fit, but also know the rules by which the game is governed.

There is also a social side to umpiring. There is a great comradeship between all members of the V.A.F.A.U.A. especially at the annual dinner, held in August and the grand final dinner dance held in September.

## PREVIEWING TODAY'S GAMES

### A SECTION

Surprises again. No sooner do I give University Blues the big rap and they fall in a great bog hole!

Perhaps I'd better re-asses COBURG — they may blast their way through the vital games ahead and hang on in the section. I have a strong feeling Coburg WILL NOT be relegated.

Ormond are coming along nicely and will settle any rough chance University Blacks may consider they have for a place in the finals.

Tony Von Moger is on target and last week collected 7 goals to give him 11 in two weeks. The accuracy of the Blacks forwards certainly off-set the Caulfield minor scores. But 'Blacks' will need more than straight kicking to toss Ormond.

Marcellin, down in recent weeks, will pop back among the winners today. After beating Old Trinity. But a warning — Trinity are improving so don't treat them lightly or they will sneak their first four match points.

St. Bernard's are looking more like the side of old and while it would seem this match may be a "cliff-hanger", I will be surprised if St. Bernard's surrender Caulfield the points.

Those names are still bobbing up among Caulfield's best — a fine bunch of in-form veterans — but perhaps Tony Lester, Barry Morphet, Jon. Long, John Griffiths and company need a little more support from some of their less experienced team-mates.

It's a funny season but St. Bernard's will just make it.

North Old Boys draw closer each week to dropping a game — but their all round ability still gleams. I don't expect them to lower their colours this round — Uni. Blues are well short of their mark.

De La Salle, on performances the likely September "runner-up", will continue their fairly safe hold on the "double chance" by exploiting the team-building problems of an improving Coburg.

SELECTIONS: Ormond, North Old Boys, Marcellin, St. Bernard's, De La Salle — JIM FIDGE.

### B SECTION

My opinion of the relative team strengths appears to change weekly as this crazy competition, in which it appears that anyone can beat anyone, moves towards its climax. Some teams obviously have no regard for their tipster's sensitivities!

Despite their thumping win last week, whereby they climbed from the bottom Geelong are not yet out of trouble as they must face up to Old Melburnians, who slipped again with the aid of poor goal kick-

ing. I must give the Navy Blues their very last chance to redeem themselves.

Recent form of Monash Blues and St. Kilda CBC has been good and they meet in a very vital clash. For the winner, final four chances stay alive, though dim, and I feel that Monash will continue their winning way.

Surely the keystone of the round is the Old Scotch and Reservoir match. The boys from Reservoir obviously enjoy their spot in the four as they overcame a big obstacle last week to stay in.

Badly needing some winners at this late stage, I'm taking a desperate throw and going for Reservoir, as Scotch appeared to fall in due to some really atrocious kicking last week by their opponents.

Now firmly entrenched in the hot seat, Old Haileyburians have a very tough nut to crack in Old Paradians, who will be desperate to atone for letting the big one slip last week. I cannot see them repeating their mistake, and call them as the likely winners.

Whoever said "One month a rooster, the next a feather duster" must have had Collegians in mind as they have drifted into a dangerous situation. Although they convincingly beat Ivanhoe the first time around, times have really changed. I could not possibly suggest that the Magpies, challenging for the lead will drop this one.

SELECTIONS: Old Melburnians, Monash Blues, Reservoir O.B., Old Paradians, Ivanhoe — ALF KEAM.

### C SECTION

Tipsters are always sitting ducks to be "duded", but I think it often gives the underdog incentive and great satisfaction in notching up a win — last Saturday was no exception.

Hampton Rovers showed their supremacy against AJAX — a great effort Rovers and now you certainly set the leaders a poser with only two points between the first five.

Old Carey also showed improvement and their 4 points helped them up the ladder. Today they travel to Kew, who incidentally gave Xav's a good run for their money. Form plus home ground advantage — I expect Kew to chalk up a win.

To keep their final four hopes alive, Parkside have their backs against the wall facing an away game, but they should be good enough to win from Old Ivanhoe.

The battle of the High Schools should prove an interesting game. Melbourne are trying their hearts out to win however I think they will be up against it again today with University.

Top team Fawkner won't have it all their own way with Hampton Rovers in fine form. At siren time Fawkner will know they have had a hard game but should take the honours.

AJAX meet Old Xaverians at Elsternwick Park which will be a good one. Xavs will be out to pick up four jettisoned points. This will be an interesting game with Xavs finishing on top.

My Selections are:— Kew, Old Xaverians, Parkside, U.H.S.O.B., Fawkner — ALEX JOHNSON.

## D SECTION

Looks as though I stuck my neck out a little too far last week. The results make it just a little harder for Elsternwick and Power House to force their way into the four. Old Camberwell had a good win against Elsternwick to give them a breather for the time being.

This week Old Brighton are at home to Alphington and this should produce a close and keenly fought game. I think that Alphington will have the overall strength to win despite Old Brighton's home ground advantage.

Old Camberwell probably think that I have it in for them, last week they win well, this week they play a lower team Power House, they have a home ground advantage and I still go for Power House to win by a small margin.

La Trobe Blacks meet Assumption and despite their win last week they won't be able to match Assumption.

Two weary teams, Old Geelong and State Bank meet at Como Park. Both teams have had a poor track record this year so it's a bit hard to select a winner on form. However I think home ground advantage will give Old Geelong a win.

The St. Kevin's and Elsternwick match will be keenly fought with the visitors desperate for a win to keep their final four hopes alive. I think that St. Kevin's will have the power to foil Elsternwick's attempts.

**SELECTIONS:** Alphington, Power House, Assumption, Old Geelong, St. Kevin's — **KEITH FINDLAY.**

## E SECTION

Old Mentonians can take it out on Brunswick this week. They were not good enough to toss West last week but need a bit of percentage to be able to withstand Beverley Hill's challenge.

ANZ Bank don't appear to have the players to beat West Brunswick. West have a virtual two-game lead now over the second team and should continue their onward march.

AMP Society must have had a good think about their position in E Section and duly fixed Beverley Hills. They run up against a good side in North Brunswick this week and, as North have the chance to go to second place on the ladder, they have the greater incentive to win.

National Bank have a problem in that they duly front up each week and get beaten. This leads to general frustration, individual effort and loss of team work. How about a deep think about the mental approach, after all AMP defeated Beverley Hills last week, so why can't you?

Heatherton have the bye and a very good chance of starting the week in fourth place.

**SELECTIONS:** Old Mentonians, West Brunswick, North Brunswick, Beverley Hills — **SYD WHITFIELD.**

## F SECTION

Today we move to the last third of the season. In F Section five teams vie for three final positions. I class Bulleen-Templestowe as certainties and their neighbours Bulleen United as unlikely finalists following their July performances.

Your favourite scribe has hit the lead. However today's prognostications needs careful thought if the lead is to be maintained.

Commonwealth Bank, at home, with forwards Dick and W. McCrimmon on target should enhance their finals' chances by accounting for Glenroy.

Thornbury should easily account for bottom side University Reds. If Thornbury is to finish as a finalist a percentage rise may be a necessity. Today gives the side a big opportunity to improve that.

St. Bede's await leaders Bulleen-Templestowe on their spacious Beda Park. As this game could be a preview of the grand final, selecting the winner is no easy task. Intuition, and home ground advantage prompt me to select St. Bede's as there is little between the sides on their seasonal scores.

However, at the risk of being in error, I select Bulleen-Templestowe because they have won games more convincingly throughout the season.

St. Bede's have faltered at pressure points so they must be suspect again today!

Teams from two "new" Universities will meet on the sports field at Monash where the home "Whites" should put themselves closer to the leading bracket by outclassing La Trobe Reds.

Bulleen United will need to draw on Mike McArthur-Allen's psychological knowledge to overcome Footscray Tech.

The western students let a golden opportunity slip last Saturday and find themselves now just holding fourth place. United's late form has not been worthy of enthusiasm and I select Footscray.

**SELECTIONS:** Commonwealth Bank, Thornbury, Bulleen-Templestowe, Monash Whites, Footscray I.T. — **NORM NUGENT.**

## JUNIOR SECTION I

Interest is still centred around which clubs will fill the third and fourth spots in the finals. Five clubs are still vying for those positions and no side can afford a loss at this stage of the season.

University Blacks will consolidate their hold on third position with a repeat performance of their 115 point win early in the season over Coburg.

University Blues will meet fierce opposition from Monash University who are making a spirited bid to reach the finals after some administrative set backs early in the season.

There will be no place for the fainthearted on the field today. I think the strength and fierceness of the Blues backline, if they set their mind to the task will be too much for Monash to overcome.

Old Scotch at home will give Ivanhoe their toughest game of the season. In their first meeting Ivanhoe won by 21 points but since then Old Scotch have matured into a well knit team.

Ivanhoe will be tested to the fullest extent however, I think they will stand firm and win what should be a very close and interesting game.

North Old Boys have not scored a win since the eighth round but should keep their finals aspirations alive with a win today over Ormond.

It will not be easy for North as their recent form has been poor while Ormond turned in a creditable game last week against University Blues and are quite capable of causing an upset.

**SELECTIONS:** Unversity Blacks, University Blues, Ivanhoe, North Old Boys — **CLIFF BASTOW.**

## JUNIOR SECTION 2

Thank you Kew and congratulations on winning your first game at home.

Despite a loss last week, the place of Reservoir Old Boys in the four is still reasonably safe because West Brunswick and Caulfield Grammarians were beaten respectively by Geelong and Hampton Rovers.

This week, Kew will be doing everything possible to continue on their winning way — however, it will be a disappointed side that returns home from Reservoir.

Hampton Rovers are still firing on all cylinders, with James and Cole being consistently accurate up forward. The gallant gallopers from Geelong will perform like gladiators on the only away ground in the competition that should suit them. However, Hampton have heaps of form and are my selection.

Alphington have shown very little form to date and despite their home ground advantage they will find Caulfield Grammarians too good.

MHSOB are at home to De La Salle. High had a good win last week, but De La must win to keep the double chance.

West Brunswick are 2 points outside the four and must win against Old Paradians if they are to have any chance of making the finals. With their home ground advantage, West are my selection.

**SELECTIONS:** Reservoir Old Boys, Hampton Rovers, Caulfield Grammarians, De La Salle, West Brunswick — **PETER NATHAN.**

## LOOKING BACK

by NOEL RUNDLE

### 5 YEARS AGO — 1972

St. Bernard's, trailing Coburg and Old Paradians by 4 points for fourth place, built up their percentage at the expense of De La Salle with a victory by 15 goals. G. Wade, Aughton, Phelan and Pearson (7 gls.) starred for the winners while Firman and Whitelaw battled for "De La".

Brunswick (D Section), unbeaten after 9 games, suffered their third successive defeat when Parkside (6th) surprised with a 20-point win after being in control all day.

Best were Johnston, Sammut and Rodda (Park.) and Abernethy, Gillett, Hirst (B'wick). Father and son Goal umpire combination Vic and Roger McKenzie were in charge at the Ormond game.

Milestones — 300 games to Power House veteran Peter Hutchinson, Victorian rep. club best and fairest seven times and well known 'imbiber' raconteur, and singer; 200 to Coburg captain Graham Warfe, three times Victorian team, and captain 1970, and Ronald C. Faul (De La Salle) noted for his great tenacity and judgment.

### 10 YEARS AGO — 1967

Parkside (5.12) undefeated leaders of 'D' Section were beaten by Fairfield (7.10).

Old Melburnians (9.9) opened their winning account when they scraped home by 3 points from F.T.C.O.B. (8.12).

U.H.S.O.B. (9.10) with Kinnear, A Hume and Peterson the best, stopped North Old Boys' winning run — North after losing the first four, had won seven straight.

Rex O'Brien, player, Reserves Captain and Coach and Committeeman played his 150th game for Caulfield Grammarians.

The team to play in the Carnival at Launceston was G. Ward, D. Williams (Caul. Gram.), P. Parkes (Coburg), C. Roach, W. Roach (Collegians), G. Carter, F. LaRose (Ivanhoe), J. Fisher (Kew), R. Harley I. Wood (M.H.S.O.B.), E. Murphy, S. Williams (Old Paradians), D. Hughes, G. McLean

(Old Scotch), M. Mulcahy (Old Xav.), G. Crouch, P. Patterson (Univ. Blacks), J. Nance (De La Salle), L. Smith (Geelong), R. Payne (Old Melb.), B. Finlayson (Ormond), W. Sykes (Univ. Blues), L. Prosser (U.H.S.O.B.), J. Crennan (St. Bernard's).

Eight of this team later played league football — can you name them? — Ward (St. Kilda), Fisher (Haw.), Murphy (Rich.), McLean (St. Kilda), Crouch (Ess.), Patterson (Geel.), Payne (Melb.), Sykes (Fitzroy).

### 25 YEARS AGO — 1952

University Blues (7.11) beat Old Scotch (5.5) in a battle for fourth place.

Best for Blues were Geoff Tunbridge (later a half-forward flank star in Melbourne's premier teams), Rick Morrison and Mick Eggleston, while for Old Scotch Dave Hilliard and Tom Adams starred.

Third and fourth teams in the junior section, Melbourne High and Old Scotch met with High winning 8.9 to 5.11.

Among the notes — 'highlight of she match was Brian Dixon's display of marking in the first half (made the selectors' faces red').

Foundation member Bill Lucas, played his 100th game with St. Kevin's Old Boys.

### 200 UP TO IVANHOE STALWART

All at Ivanhoe congratulate Ralph Bourke on his 200th game with us today. This guy has been around the club all his life and has given us some great football over the past few years, especially this year with his judgment and fine clearing dashes up the field, which has turned defence into attack on many occasions. Ralph also has shown us the way on the organisation side of social activities, which has brought great monetary benefits with his financial wizardry. Because of these contributions the club honored him last year with the "Clubman of the Year" award and since then he has gone onto bigger and better efforts.

I'm sure all at Ivanhoe — players, supporters and committeemen — would undoubtedly agree that this club owes a lot to Ralph. Congratulations once again, and well done.
