## ● LAST WEEK'S HIGHLIGHTS

# ST. BERNARD'S CRUSH DE LA SALLE NORTH SCRAPE HOME FROM BLACKS ORMOND'S THIRD LOSS IN A ROW

By GEORGE McTAGGART

It was a day of upsets in last week's round, with four leading teams beaten, and no less than 17 teams in the fours suffering defeat. For one of the leaders, Hampton Rovers Juniors, it was the first loss for the season.

St. Bernard's overwhelmed De La Salle and displaced them from second on percentage, and Ormond lost their third game in a row. University Blacks, narrowly beaten by North Old Boys, kept themselves in the running for the four.

De La Salle were never in the game against St. Bernard's, who outplayed their opponents to establish a winning lead in the first half.

"De La" were held to one goal before half-time, when they trailed by 50 points, and although they improved after the interval they were unable to make any impression on their big leeway and were beaten by 59 points.

North's poor shooting for goal nearly cost them their first defeat. They were 19 points behind the Blacks at the last change but finished well to win by three points.

Marcellin's accuracy was a big factor in their comfortable win over Ormond who were well in it for three quarters. But their "off-target" forward work in the second half told against them.

Caulfield Grammarians dropped out of the running for the finals, when University Blues kicked 3 quick goals to beat them by 7 points in a very even game, and Coburg had a big win over Old Trinity.

The struggle in B Section did little to sort itself out, except that defeats to Old Melburnians and Monash Blues considerably weakened their chances of playing in the finals.

Melburnians went down by 29 points to Reservoir and Monash were

badly beaten at Geelong. Ivanhoe beat Old Paradians by 6 points in a fiercely contested game, with Parade's poor kicking (8-19) being a big factor in their defeat.

Old Xaverians beat Old Carey by only a point and Alphington, despite their score of 18-16, went down by 16 points to Power House. (Alphington lost their first match for the season when House beat them in the first round.) State Bank caused an upset, beating St. Kevin's by more than 7 goals.

North Brunswick were too strong for Old Mentonians, Commonwealth Bank crashed against Bulleen-Templestowe, who won by 17 goals, St. Bede's beat Footscray Tech. and University Reds had their first win.

Three challengers for fourth place in the Juniors, North Old Boys, Old Scotch and Monash University, were all beaten, the surprise being Scotch's 33-point defeat by Ormond. In Section 2, De La Salle broke Hampton's run, winning by nearly 6 goals.

In the Reserves, De La Salle had their first loss since the opening round, going down by 16 points to St. Bernard's, and another leader, Heatherton, was pipped by a point by Beverley Hills.

# PREVIEWING TODAY'S GAMES

## A SECTION

I tossed and lost last week, but not by much — those University teams are more than a tipster's nightmare — they're catastrophic!

But the Blacks won't let me down today. Their accuracy will steer them to a powerful win over a gallant but luckless Old Trinity.

Can a rejuvenated University Blues beat a staggering De La Salle? I'm tempted to think that the Blues, with Mike Sleeman and Simon Trumble in great form will inflict a second successive defeat on "De La", but I must not degrade De La Salle.

Perhaps the experience of Barry Lyons and Peter McDonnell will get them back on to the right track.

Coburg are rallying but don't appear sufficiently talented to trouble another "revival" team, Marcellin. Maurie Power slammed home six goals last week in a display of accuracy that demoralised a slap-happy Ormond.

Marcellin will pounce again today and keep alive a faint hope of creeping into fourth place.

A real poser — Once again Noel Rundle has chosen wisely for a keen game at Association Headquarters, Caulfield and Ormond are both a little shaky and certainly cannot be relied on as confident prediction material.

Caulfield were outmatched by the Blues last Saturday while Ormond's inaccuracy contributed to their downfall.

I'll pick Ormond, only because to date they have won two more games than Caulfield.

The match of the season — Those two dedicated rivals, North Old Boys and St. Bernard's, with little love for each other, again look like fighting out the A Section Grand Final — Today will be the Dress Rehearsal.

Joe Doolan, Ray King, Peter Aughton and Mick Drennan are all excelling for the Saints while the consistency of Mark Hannebery, Mick Welch, Geoff Dillon and Gil Ould impresses North Coach, George Moloney and with skipper Shane Maguire back at his top, North look most formidable.

I have not a clue who will win — Perhaps North because it's at Royal Park? — I deserted them last week — I'll crawl back to them today.

**SELECTIONS:** University Blacks, Marcellin, Ormond, North Old Boys, De La Salle — **JIM FIDGE.**

P.S. — I'm beginning to have as much trouble in picking them as Alf Keam!!

## B SECTION

The round of matches just completed gave me yet another good reason for not enjoying my browse through the Sunday papers. However, a superficial scan of the draw for July 30th fills me with great confidence — the season is drawing to a close.

Old Scotch now look assured of the second chance in the finals as they have a most favourable draw to complete the season. They meet Geelong who are sure to be full of fight after their big win over Monash, a win that moves them one game clear of relegation country. However I'm sure that Laurie Aghan will drive the Cardinals even harder and that they will win.

Reservoir are finishing on well at the right end of the season and will face up confidently to their match against Collegians who still appear beset with the problem of playing well but not winning. The boys from Reservoir should have the ability and incentive to grind out another four points.

Old Melburnians have no doubt been a great disappointment to coach Tony Anderson — as indeed they have to me. Loaded with talent and experience they frittered so many chances of finals games away. They meet Old Haileybury who must produce another win to hold their place in the grade. They will put up a good fight but Melburnians should win a close encounter.

Monash, leaders half way appear to be really struggling at the moment and will find Old Paradians in a mean mood. Mean as a result of their narrow loss after really atrocious kicking. I can only see Monash drifting along outside the four whilst Parade pick up more points.

St. Kilda C.B.C. plays host to Ivanhoe in a match that is vital to both sides. Neither team will lack the incentive to give their all in this key game. If position on the ladder can be used as a yardstick, then my nod must go to Ivanhoe.

**SELECTIONS:** Old Scotch, Reservoir, Old Melburnians, Old Paradians, Ivanhoe — **ALF KEAM.**

## C SECTION

Saturday could have blown Hampton Rovers chances for their "four" hopes by losing to Old Ivanhoe. It was a good win by Old Ivanhoe and they could carry it further today with a win against Old Carey.

Parkside, only 4 points ahead of Hampton will find the Rovers in a desperate bid to regain their chances. Hampton's run up draw looks a bit easier than Parkside's.

Parkside just got in against Kew — they like their home ground and I believe they will just head off the visitors.

Kew at home to UHSOB will be a good tussle but local knowledge and the ability to pull one out of the hat should see Kew on top.

Old Xaverians must win to be sure of second place, and they will do it at the expense of the battling Melbourne High.

AJAX and Fawkner will be the match of the day — not a lot between these teams. AJAX have an advantage at home but Fawkner have the ability and team work to offset that.

The scores will be close, however if Fawkner are in full flight they will win.

**My Selections:** — Old Ivanhoe, Parkside, Kew, Old Xaverians, Fawkner — **ALEX JOHNSON.**

## D SECTION

Couple of real upsets last week with St. Kevin's going down to unpredictable St. Bank and Power House knocking off section leaders Alphington. This weeks games could see St. Kevin's falling from No. 2 spot to fourth as the final four fight out positions for first and second semi's.

Alphington play La Trobe Blacks and the visitors should have no problems here. The Assumption and Elsternwick game should be a close one, with both teams trying to fend off the third last ladder position.

Old Brighton's win over Old Geelong could very well put them up into second position.

Power House and State Bank game could be a real thriller, both teams last week rolled Grand Final contenders, Alphington and St. Kevin's but lack of consistency has left both out of the four. It will be close and I tip Power House to win this one.

Old Camberwell and St. Kevin's, again this will be another close game of the day. St. Kevin's needs this one to keep the double chance but home ground advantage could see Old Camberwell pick up the points. Old Camberwell to win.

**SELECTIONS:** Alphington, Elsternwick, Old Brighton, Power House, Old Camberwell — **KEITH FINDLAY.**

## E SECTION

Old Mentonians will be home to National Bank and should comfortably edge away from the fifth runner although O.M.'s need a big boost to their percentage.

West Brunswick are at home to Beverley Hills and should be able to seal top place. On the other hand, if Beverley Hills have any ambition, this is the game that demands the effort of the year. West Brunswick get my vote.

AMP Society v Brunswick is the big game of the drop outs. The loser becomes the running partner with National Bank and with nothing between them in performance over the season I am going for the home team.

ANZ Bank had a picnic against National Bank last week but can't make the finals but they could gain a lot of enjoyment out of upsetting teams higher on the list.

Heatherton this week, Beverley Hills and North Brunswick to follow. "Such are dreams made on". Heatherton for my money.

**SELECTIONS:** AMP Society, Old Mentonians, West Brunswick, Heatherton — **SYD WHITFIELD.**

## F SECTION

The results of today's games could well determine the composition of the F Section final four. They could add more interest to the Tipster's Tally where "dark horse" Syd Whitfield has emerged as a challenger to Peter Nathan and yours truly.

St. Bede's, now poised to gain the double chance await Glenroy, who have slipped to

tenth place. Glenroy will be determined to pick up so that with their new name they will start 1978 on a bright note. I forecast a big win for St. Bede's who appear too strong all over the ground for Glenroy.

Footscray I.T. travel east, to play leaders Bulleen-Templestowe, mindful of two facts. They defeated the combine at their May 28 meeting. Secondly defeat today could put them two games outside the four with three to play. Despite these facts I select the leaders to continue on their winning way. A repetition of last Saturday's form should ensure a comfortable victory.

Commonwealth Bank, anxious to erase last week's debacle from their minds, will play Monash Whites today. Back on the Harry Trot Oval and with the thought that Bankers could ensure a final position the Bankers should be able to notch another victory.

The Reds from Melbourne and La Trobe Universities meet at Prince's Park. University Reds have moved up to ninth following their initial victory. Despite this I must select La Trobe Reds to take the points because of their more consistent 1977 performances.

Thornbury, who will be determined to maintain their final four position, clash with Bulleen United. The visitors will hope victory may still take them to the finals. Bulleen United has disappointed over past weeks and I select Thornbury who have performed more consistently and who have the home ground advantage.

**SELECTIONS:** St. Bede's, Bulleen-Templestowe, Commonwealth Bank, La Trobe Reds, Thornbury — **NORM NUGENT.**

## JUNIOR SECTION I

With four rounds remaining only Coburg and Ormond have exhausted their chances of a finals appearance. With only one win separating four sides none of these teams can afford to relax, as Old Scotch did last week, a loss with so few games remaining will be very difficult to overcome.

Old Scotch and University Blacks today provide the match of the day. Old Scotch are smarting for their lapse against Ormond last week and are more than eager to get back on the winning list, however, Blacks will have their eyes on the "double chance" and will be formidable opponents.

I think the Blacks have greater all round strength and play a slightly better team game than Scotch and will win by a very narrow margin.

After last week's great win Ormond are elated, but today they will be brought back to reality by the very talented Ivanhoe team who will be far too strong in almost all positions and will register yet another big victory.

Monash University found the Blacks too powerful in physical strength last week but today against St. Bernard's they will encounter this problem. If they can muster their form of the past several weeks they will provide the upset of this round and defeat St. Bernard's who do not always perform well away from home.

North Old Boys still recall the physical pressure that caused their teamwork to crumble when University Blues defeated them in the first round. These two teams are locked together on premiership points for fourth place and North will not give in as easily as they did at their last meeting, however, the Blues will win.

**SELECTIONS:** University Blacks, Ivanhoe, Monash University, University Blues — **CLIFF BASTOW.**

#### JUNIOR SECTION 2

It seems that whenever your tipster decides to make a positive statement, something happens to alter the situation. Congratulations "De La" for stopping the championship run of Hampton Rovers. However, the Rovers are still my choice for the flag.

Before elucidating on my selections for this week, it is necessary to inflict upon you another provocative statement, ALPHINGTON JUNIORS have withdrawn, which is not only a disaster for the Alphington Club, but also for the other sides in this section and the VAFA. Unfortunately I cannot provide the solution to this problem, but no doubt there will be many VAFA followers discussing this situation and may I suggest that they put their comments in writing to the Secretary of the VAFA, Mr. J. Fullerton.

West Brunswick got the 4 points last week without playing and today travel to Hampton to meet the Rovers. Whilst West must win to keep alive their finals chances, they will meet a side that is set to prove their first defeat of the season will not be repeated today.

Although Kew have shown some pleasing form in recent weeks, their trip to De La Salle will be full of disappointment. "De La" have started their run into the finals and will not be about to relax.

Geelong travel to the city to meet MHSOB and should have no trouble in achieving their second win over High for the season.

While Caulfield Grammarians have the home ground advantage against Old Paradians, this may not be enough to win this rather unimportant game as far as the finals are concerned. However, Caulfield have the form and are my selection.

**SELECTIONS:** Hampton Rovers, De La Salle, Geelong, Caulfield Grammarians — **PETER NATHAN.**

#### 100 UP TO R.O.B. PLAYER

Reservoir Old Boys congratulate Jim "Bulldog" Paulka on playing his 100th game against Old Scotch. "Bulldog" is a name well suited to Jim for that's the way he plays the game, hard and straight through. He has played most of his football as a rover, and a good one at that. However new coach Barry Evans saw him as a back pocket player, and Jim didn't let him down, as "Bulldog" has played some great football this year, in that position. When R.O.B. make the finals Jim's experience will be vital to the club success. "Well done "Bulldog" sorry it was a little late!"

by NOEL RUNDLE

Ormond and Old Paradians played an exciting draw after Parade had many chances to clinch the game. However the two points enabled them to move up to third place ahead of Coburg.

In a high scoring game Ivanhoe's accurate kicking, 23.10 played a big part in the defeat of Old Trinity, 17.17, and they rose from fifth to third, knocking Trinity out of the 'B' Section four.

It was disappointing for Trinity who after 10 games had been on top with only two defeats.

Robinson, Berry, and Ireland were best for Ivanhoe.

Geelong ('B' Section) had every chance to make their position in the four secure by beating Old Scotch but poor kicking in the final term (4.11) let them down and they were beaten by 4 points.

Well known umpire Ian Marsden was standing for Doncaster City Council (won the election and later became mayor — Ed.).

Victoria finished too strongly for Tasmania and ran out winners by 32 points after Tasmania had got within 7 points of Victoria 10 minutes into the last quarter.

Best for Victoria were Birrell, King, Wade, McCrae, Rojo and Duke.

**10 YEARS AGO — 1967**

Collegians' inaccuracy (5.18) against Caulfield Gramm. (12.7) cost them a place in the four.

Noel Stokes played his 200th game for Kew — Noel had been captain, Club Best and Fairest (3 times) and Australian Amateurs player.

Six teams were still in the fight for fourth position in 'A' section.

Commonwealth Bank skipper, Tony Bor-rack, played his 150th senior game.

**CARNIVAL RESULTS**

Victoria 17.19 defeated West Australia 4.10. Best players were Joiner, W. Roach, Smith, Fisher, Parkes, Mulcahy.

Victoria 11.15 defeated Tasmania 8.12. Best players were S. Williams, Hughes, Pro-ser, Sykes, Payne, Wood.

South Australia, after a surprise defeat by Tasmania on the first day, convincingly beat West. Aust. on the second day, and were to play Victoria on the final day.

**25 YEARS AGO — 1952**

After 14 games Ivanhoe, with only one defeat (by Geelong at Corio Oval), were on top in 'B' Section with a percentage of 229.9.

Geoff Frost played his 100th game for Power House.

Ivanhoe Juniors toppled the undefeated Ormond Juniors 8.14 to 7.12. Stars for the victors were Teddy Holberry, Louttit, and Mick Anderson.

And just to show the effects of inflation bound copies of 1947, 48, 59, 51 and 52 issues of "Amateur Footballer" were advertised for sale at seven shilling and sixpence per copy.

Two teams, now long departed, had a stirring battle in 'B' section with North Alphington 8.8 the victors over Myer 8.7. I'll bet it was quite a game!

**250 UP TO CAULFIELD VETERAN**

Breaking through a barrier of Blue and White streamers at the end of an Avenue of Honour, comprising team mates, club officials and opposing players, last Saturday Greg Tootell took the field for his 250th game for Caulfield Grammarians and became the first player in the clubs history to achieve this feat. Commencing with the Juniors in 1963, he later joined brothers John and Tom in the senior team and what a formidable trio they proved to be. John at full back, Tom first ruck and Greg alternating at centre half forward and full forward. John and Tom each played over 150 games and now Greg has topped them both by an extra 100 games.

Over 6'2" in height, wiry more than thick set, with a good spring and "grab", also agile in ground play, he has always been a focal point in attack and when switched to the ruck is extremely difficult to put off balance. At odd times he has also held down the centre half back position or has rested in a back pocket. These attributes have earned for him during the past 15 years the club's Best and Fairest awards on three occasions 1968-70-74. Club captain (seniors) 1972-3-4-5 when he has represented Victoria in V.A.F.A. Interstate matches three times, the last as Captain against Tasmania in 1975.

As a senior executive in the family Wine and Spirit business, to date he has had little spare time to devote to club management but this season he was able to accept office in the club administration, where his quick appreciation of problems besetting the financing of Amateur Clubs and his willingness to participate in the solving of these has proved him to be a potentially valuable asset to the club in this respect. All club members and supporters hope that Greg's playing days will not end with the termination of this seasons fixtures, but whether or not when Caulfield Grammarians discuss their "best ever players" the name Greg Tootell will, for sure, be one of the first to come to mind.

**HEATHERTON CAPTAIN'S 100**

One of the finest players Heatherton has seen for many years will play his 100th game today. Paul Carey, always a trier, often displays some of his natural sportsmanship on the football field. Voted Best 1st Year Player in 1972 and Senior Best and Fairest in 1974, Paul this year is Captain. A versatile player, he has played most of his games on the wing, in the centre and also as ruck-rover. Let's see another 100 'Casa'.

**CAULFIELD ROVER REACHES 100**

Congratulations to George Voyage who has now played 100 games for Caulfield Grammarians. In all clubs there are the usual "whou-ers and goers" and George is certainly in the latter category. Following a serious injury to his shoulder during a senior match in 1975 he successfully coached the junior team into the semi-finals of Section 2 last year and this season he has again taken the field as a player. An opportunist who reads the game well he gets his fair share of kicks particularly in heavy conditions and possessing great goal sense usually scores a major or two each game with his left foot punts. As a club official he is a sound thinker who works hard to get his point across, never shirks responsibility and is always ready to volunteer for the sticky jobs. It is fair comment to say that the club possesses few members whose overall efforts are more valued than his.

**CENTURY TO THORNBURY FLAG WAYER**

Thornbury extend their congratulations and gratitude to Barry Were who, this week celebrates his 100th consecutive official position as goal umpire for the senior team. His dedication, honesty and thoroughness have been most heartily appreciated by us at Thornbury and his decisions have always been "spot-on", as there has never been any dispute re his score indications. We all wish Barry the very best and pray he may continue in the same vein for many more seasons.

**CENTURY TO CAULFIELD MAN**

Marcus Peters has now played 100 games for Caulfield Grammarians and all members congratulate him on achieving this distinction. Not short of a word or two or a pound or two Marcus throws himself into the fray with great gusto and his courage and determination to get the ball is an object lesson to his team mates. Following a couple of years with the Juniors he is now proving to be a useful utility type player with both the senior and reserves teams mostly as a rover. He is also a member of the club administration where his efforts, particularly in the social and fund raising areas are, as is expected of him, usually energetically and successfully applied. When you are "touched" by Marcus you couldn't be "touched" by a nicer fellow.

Old Brighton congratulate Rob Draper for his 50th club game last week. Rob is an extremely talented footballer and one of the band of young players who are helping to make this season such a successful one. He is also a keen participant in the more mundane affairs of running the club, especially in the dispensing of refreshments, and is a member of the Social Committee. His 50th game has been unfortunately delayed by several serious injuries caused by his apparent desire to run into players, both opposition and team mates alike (not the smallest of whom was this correspondent). One hopes Rob has overcome this desire. We look forward to your continued service on and off the field.

### ANOTHER CENTURY AT AMP

Popular Peter Parkinson has survived numerous concussions and knee problems to notch a courageous hundred with A.M.P. "Parko" has played in all the key positions but seems to handle centre-half-back above the others. He certainly creates a panic when he makes one of those mad "Parko" dashes and contrary to recent comment would frighten more than a blindfolded chinese duck. Congratulations Pete, let's see one of your best today.

### BRUNSWICK FORWARD REACHES 100

Congratulations are extended to Brunswick's skipper John Palmer who plays his 100th game today. Since joining the club in 1971 John has provided excellent service both on and off the field. As a ruckman — forward he has probably played his better football over the last couple of years. He is also a hard working committee man and represents Brunswick as Association Delegate. All club members wish him well today and although he claims he is in the twilight zone we look forward to seeing him around the club for many years to come.

### 150 TO WEST BRUNSWICK RESERVES COACH

All at West Brunswick would like to congratulate Bob Green on his 150th game. Bob, a seniors and reserves player has had a very colourful career with the club. An active committee man, Bob is playing one of his best seasons this year in his role as captain-coach of the reserve 18. An inspiration at all times, no one can match his determination which has lifted the side out of many close ones. A great captain coach, Bob is a true clubman through and through and he's got 150 great games to his credit to prove it. Well done Bob.

## BALL BRIEFS

### DOUBLE CENTURY AT OLD HAILEY

Today marks a major milestone in the football career of Old Haileybury reserves captain-coach Dick Metherall, as he plays his 200th game for the club. Dick first played in 1964 and for the first few years was a regular player in the firsts, apart from the whole of 1966, when he was unavailable. He has been captain-coach of the reserves for the past two seasons, and was captain for two seasons prior to that. He has played virtually all his football on the forward flank or wing, and has kicked just over 100 goals in the process. Dick has been a true gentleman both on and off the field — if all the players followed his example, the umpire's job would be much easier. In paying tribute to Dick, mention must also be made of his father, Harry. If this is Dick's 200th game, it must be Harry's 195th! Harry has been a regular supporter (and umpire's adviser) for many years. Well done Dick, and congratulations on a fine effort.

### 150 UP TO PARKSIDER

All at Parkside congratulate Peter 'Squibby' Harvey on playing his 150th game today against Hampton Rovers. Peter started with our club in 1970 and has won himself a regular position with our seniors. Peter is a fine clubman, as well as being a danger to all opposition backs, where his long left foot shots for goal are a constant danger. Well done Peter we at Parkside are sure your next 100 games will be as colourful as your first 150.

### CENTURY TO HEATHERTON FULL-BACK

All associated with Heatherton congratulate Michael O'Shea on reaching 100 games with the club. Although Mick is often not as tall as his opponents, he is still able to take some fine, safe marks. As a sturdy full-back, he has consistently played an important part in winning matches. Regrettably, Mick played his 100th game with the Reserves, however, we hope to see him back in the senior team soon.

### 100 UP FOR UNI. REDS PLAYER

Congratulations to Andy Hendy on playing his 100th game for University Reds this week. Andy first played for Uni. Blacks and transferred to the Reds in the Metro League and has continued as a regular Reds player since they entered the V.A.F.A. Andy although not a star is a player a team relies on. He is a regular Reserves player now but if the seniors are short and look like forfeiting you can rely on him to play another game. Well done Andy, congratulations from all at M.U.F.C.

### 150 UP TO COMBINE FORWARD

Congratulations to Craig Sheridan on playing his 150th game for Bulleen-Templestowe. Craig played on the back line all last year and half way through this year, but now has made the transition to centre half forward where he has been an instant success. All at Bulleen-Templestowe wish him all the best.

### 100 TO HEATHERTON UTILITY PLAYER

Congratulations to David Buck on playing 100 games with Heatherton. Dave has played many games for both the senior and reserve teams. This year he has established himself in the reserve team playing as ruck-rover, on the half-back flank and also half-forward flank. A committee member for the last two seasons, he has also been very active as a coach to a junior side for four years. Keep it up 'Frank'.

Congratulations to Ian McCrimmon who last week played his 50th senior game for Commonwealth Bank. Ian who has been with the club since 1970 has been a most serviceable player. Although he had his career interrupted by a serious leg injury and was also in New Guinea for some time he has come back and is currently enjoying one of his best seasons on the wing. All at the Bank wish Ian the best and hope he can put in many more games of the same calibre.

Congratulations to Rod McKenzie on playing his 50th game with Uni. High. Rod is also doing an engineering degree at Melbourne University, but he has been able to play nearly every game since he began in 1974. We wish Rod all the best for the future.

### 150 UP FOR GEELONG PERSONALITY

Congratulations to Don Barton on playing his 150th game for Geelong today. Don has been a devoted clubman since joining our Juniors in 1962. He is probably the most popular bloke in the club, except with the curator of Queen's Park who found him driving around the 18th fairway at 3.00 a.m. one Sunday morning, when he had been unable to navigate his way out of his own home ground. But despite the occasional dig about his chest marking Don is a most willing worker and is a key figure at Geelong and will be for many years. We believe you have at least 3 or 4 games left in you old boy, good luck today.

### 100 GAMES TO OLD IVANHOE PLAYER

Although one week late, Old Ivanhoe would like to congratulate Trent Mackenzie on playing his 100th game for the club. Since coming from the school XVIII Trent has given great service and his efforts both on and off the field have been legion. Although he has played with a glass jaw for the past four years he still has not let this deter him. Well done Trent, and we all hope to see you up for your 200.

### OLD GEELONG ROVER REACHES CENTURY

A rather shorter-than-average pair of legs have finally carried our great little rover 'Sandy' Gilbert to his first hundred games with the O.G.'s. Being built closer to the ground than most players has never been a handicap to 'Henry', and his great agility, speed and knock-on style of play has been an inspiration to many. Hearty congratulations Sandy, from all at Como Park.

"EAGLE" GREAT NOTCHES UP 150  
All at Marcellin congratulate Peter 'Noddy' Gartner who plays his 150th game against Coburg today. As a footballer he has enjoyed a magnificent career. Peter has always been a natural at any sport, be it cricket, golf or football — he progressed from captain of the college first XVIII and established himself as a valuable member of our inaugural Old Collegians team some ten years ago. On the field he looked every bit a champion, his skillful ball handling, prodigious goal kicking and courageous attitude won him a Y.C.W. and F Section Best and Fairest awards. Quite at home in front of the goals, he once kicked 22 goals in an amateur match and has always been a source of inspiration to all his team mates. Around the club, Peter has won his share of trophies including a club Best and Fairest award. He has served on club football and social committees and has proven quality as an organizer. Regarded highly around the club, for his modesty and unassuming nature, Peter now finds a little more time to devote to being a father and a football-playing husband of his good wife, Denise. Well done, Peter — more games to you — you're looking at 200.
