## ● LAST WEEK'S HIGHLIGHTS

### THE AIR IS CLEARER - MOST FOURS SETTLED ORMOND, PARADE SAFE - PARKSIDE IN DANGER

By GEORGE McTAGGART

Well last week's round DID clear the air considerably, and whereas only two sections were settled then, there are now eight sections in which the composition of the four cannot be altered.

Ormond and Old Paradians made sure of their places in their sections with wins over St. Bernard's and Old Melburnians respectively, and University Blacks were beaten by De La Salle, which wiped out their chances.

Parkside are in danger of losing their place in C Section, with Old Ivanhoe and Hampton Rovers level on points with them. The Rovers look to have the better chance of ousting them.

St. Bernard's were never really in it against Ormond, who led all day and scored by 27 points. The superior pace and backing up of Ormond were big factors in their win.

De La Salle showed better form than the previous week to beat the Blacks by 17 points. They played with more purpose and determination although the Blacks' aerial supremacy almost closed the gap in the third term.

Marcellin were well off the target again in the second half against University Blues. They kicked 8-4 in the first half for a narrow lead, and 5-15 in the second (1-10 in the third quarter), but they won by 15 points.

Parade were too fast for O.M.'s to run out easy winners and make sure of a finals berth, but Reservoir had trouble in beating St. Kilda CBC, getting home by only 8 points. Old Hailiebury beat Collegians by 10 points and are safe from relegation.

Old Ivanhoe stayed in the running with a 14-point win over Old Xaverians and Parkside put themselves in the "hot seat" when they crashed badly against AJAX, going down by almost 9 goals.

Old Brighton's 23-point win over State Bank made them safe and settled Bank's hopes, and St. Kevin's easily beat Alphington to hold second place.

Old Mentonians beat Beverley Hills by 2 points and are now safe, but West Brunswick went down by 20 points to AMP Society.

Bulleen-Templestowe's poor kicking (6-20) contributed to their 25-point defeat by Thornbury. This win by Thornbury and the fact that Commonwealth Bank and Footscray Tech. also won, knocked Bulleen United out of the running.

North Old Boys' win over University Blacks and Ivanhoe's defeat of University Blues, put North into the Junior Section four in place of the Blues, but North have a bye today.

In Section 2, Reservoir were much too strong for Geelong and West Brunswick ended their slender hopes when they were overwhelmed by Kew.

### LOOKING BACK — 1978

Years to be covered next year will be 1973, 1968 and 1953.

If your club records report any events in those years that you think would be of interest for "Looking Back", please forward them to me at 561 Bourke Street, Melbourne 3000.

We do not have copies of "Amateur Footballer" for years 1957 to 1960. In those years publication was not under our direct control and was a "broadsheet" publication.

If any club or reader has in the "cupboard" any copies for those years, please ring Miss Foley at 61-3757 as we would like to borrow them for a short time.

Thank you.  
Owing to the Postal dispute many goal-kickers and best players were not received in time for publication.

# PREVIEWING TODAY'S GAMES

## A SECTION

Well the four is settled and it seems appropriate that the two early leaders gain the benefit of the double chance.

I'm amazed to see St. Bernard's slump so quickly but don't be surprised if their astute coach "Gus" Mitchell performs a miracle and livens the side back to the form produced in beating North Old Boys recently.

Nevertheless you can't look beyond North for the flag. They have come a long way in Amateur football and this is a credit to their excellent administration, in particular their retired President John Adams, current President and prolific forward Les Murray and their fine Captain, Shane Maguire.

Today North will complete the home-and-home games by proving too accomplished for Marcellin who despite the loss, must be congratulated on the way they have adapted to their first year in A Section.

University Blues, one of the most talented yet unpredictable teams I can recall, will finish on a high note by beating Old Trinity who must be prepared to rebuild their stocks in B Section next year.

The talent of Bruce Bourne and the steadfast defence of Bruce Corben has been the chief factor in establishing Ormond's place in the four. Coach Ian Cameron is also to be congratulated on a job well done in lifting this side out of the doldrums.

Coburg will be unable to counter their traditional rivals today and they too must adjust to the drop to B Section where they haven't played since 1963 when they beat Geelong in the Final.

University Blacks play St. Bernard's — another guess, but St. Bernard's have more at stake so I'll play a hunch that they'll get back into business on finals eve with a win.

De La Salle are a neatly blended line-up with Peter McDonnell on the half-back line, half-forward Terry Crothers and rover Simon Beddoe consistently among their stars.

Caulfield Grammar with all their evergreen veterans playing well week after week will, however offer considerable resistance.

I don't know whether the Tootells, Butchers, Morphets, etc. are thinking of retiring but if they do, Caulfield will be in a sorry state.

I'm tempted to pick Caulfield, but "De La" position on the ladder argues that I have no reason to tip against the semi-finalists.

SELECTIONS:— North Old Boys, University Blues, Ormond, St. Bernard's, De La Salle — JIM FIDGE.

## B SECTION

Last week's round clearly established the final four composition which now cannot be changed. Great interest however remains

in what will occur at the bottom end of the table where discomfort still stares three or four clubs in the face. Still, that is what makes Amateur Football so great.

Reservoir and Monash may well turn out to be the non-event of the round as the former cannot miss out on the four whilst the latter appears to have sufficient percentage to avoid relegation. Reservoir are not putting their game together of recent weeks and coach Barry Evans must be far from happy with their last two weeks efforts against bottom sides.

However, their backbone, led by Jim Paulka and "Powerhouse" Carlyle should continue to withstand the pressure and give them a slim chance of taking off the coveted second spot.

St. Kilda C.B.C. surely have the incentive to roll the leaders in a last ditch effort, but I am not optimistic enough to suggest that they have the resources to achieve this worthwhile objective. The likelihood of firmer grounds should ensure that John Anderson will exert a telling effect on the game and ensure a win for Old Scotch.

Old Melbourneians played well below their capabilities last week — or am I the one out of step. Their game with Collegians is full of interest, particularly for the Purple and Golds. How they must have broken Ted Farrell's heart as they kicked away a golden opportunity to avoid relegation. The opportunity still remains, but I prefer O.M.'s (one of the reasons for my lowly position in Tipster's Tally) to take the points.

Old Paradians, despite their security in fourth spot, will not give Geelong an easy chance in this pressure game. With their bad kicking apparently cured and Steve Kohut dominating the ruck duels, they appear to be too much for the honest triers from Geelong to be able to manage.

The round will be completed with the clash between two last round winners in Old Haileybury and Ivanhoe. I find it hard to suggest that they are evenly matched. However, a win is not the most important event for Haileybury, but a defeat by a wide margin will prove disastrous. With Ivanhoe, proven over the season as worthy finalists, should come home with another win.

SELECTIONS:— Reservoir O.B., Old Scotch, Old Melbourneians, Old Paradians, Ivanhoe — ALF KEAM.

## C SECTION

What a finish for the season! Old Xavs have slipped away to third place with an out of form display.

Fourth spot is of great interest and Old Ivanhoe have almost crept in. A win today would give them a morale booster. I could even commit Tipster's suicide and select them against AJAX. AJAX now cemented for double chance haven't quite the same incentive to win — don't get a shock — Old I's to win.

Fawkner, the season's top performer, I feel can cope on away grounds and they should put together another 4 points against UHSOB.

Old Carey and MHSOB will be an even "go". If Old Carey play up to their home ground advantage — I pick them to win.

Parkside after their walloping last week can do better, and, they will at home.

Old Xaverlans, the early glamour side will need to pull themselves together or find themselves in trouble at the Parkside oval — if Parkside are desperate enough they could win.

All ears will be on the other game's scores at Kew, and if my earlier predictions flop, Hampton Rovers have a remote chance of making it — Kew are good at home however I'm going for the Rovers to put in a last minute bid.

I've again enjoyed writing for 'C' Section. I congratulate the teams making the four and trust we have a good final series.

To the boys facing relegation — bad luck keep by your clubs and try and pull them back to the higher grade.

My Selections:— Parkside, Old Ivanhoe, Hampton Rovers, Old Carey, Fawkner — ALEX JOHNSON.

## D SECTION

Looks as though the four is now finalised except for a miracle, it looks like Power House will be left knocking on the door. La Trobe Blacks would have to beat Old Camberwell by more than 10 goals and of course Power House must win to change the four — a few "ifs" and "buts".

This week Assumption at home to Power House and I think that the visitors will win this one. They have to.

La Trobe Blacks and Old Camberwell will be a game full of interest, for Power House anyway, but I cannot see La Trobe Blacks getting up.

Old Brighton should have a win over Elsternwick and if the margin is big enough it could see Brighton up into second position.

Alphington play State Bank and Alphington must win this if they are to keep top position and retain much needed morale for the finals.

In the last game of the day St. Kevin's should have no troubles accounting for Old Geelong.

SELECTIONS: Power House, Old Camberwell, Old Brighton, Alphington, St. Kevin's — KEITH FINDLAY.

## E SECTION

North Brunswick to play West Brunswick at Royal Park should be a grand final but a loss by North would mean losing second place. West upset me last week by bad kicking. North have definite incentive for winning this and I'll go for them.

AMP Society will remember last week's game for a long time and I think that they could keep that beautiful feeling for just long enough to account for the ANZ Bankers.

Beverley Hills will beat Brunswick but to no avail. Last week was the big chance and the hills were loud with lamentations which could have sounded like music from Mentone.

National Bank have had a diabolical year, similar to Old Trinity in A Section and to

many other clubs in seasons past, but 1978 will be a new start. That indicates that I don't fancy their chances against Heatherton today.

Old Mentonians can have the day off, no worries about losing fourth place and an opportunity to inspect the opposition from over the fence.

SELECTIONS:— North Brunswick, AMP Society, Beverley Hills, Heatherton — SYD WHITFIELD.

## F SECTION

The final matches of the season will be watched eagerly by many in F Section. The results today will determine two places in the final four.

Leaders Bulleen-Templestowe will be out to atone for last week's reversal when they meet University Reds. Top place could be at stake and Barry Murphy will be anxious to have his charges back in top gear for next week's big clash.

Because of their desire to do well, coupled with their proven all-round strength, I select the Combine to take the points.

In a deciding game, Thornbury journey to Mentone to meet St. Bede's, who aspire to top berth. Thornbury need a victory to cement their final position. Their fierce tackling and pressure football triumphed last Saturday — however they will find St. Bede's just as difficult to overcome.

St. Bede's have the advantage of their home ground where Thornbury will notice the different bounce from that of the "John Cain" and St. Bede's are my selection after a fiercely-contested match.

The game at Harry Trutt between former V.A.F.A. "greats", Commonwealth Bank and Footscray Tech., is in fact an elimination final — the losers will not be playing next week.

Home ground advantage together with a stronger, more purposeful attack should see Bank win after an even contest.

Glenroy, playing their last game under that name (they become Therry C.C. Old Boys next year) meet LaTrobe Reds, the home side could find the Reds at a low ebb due to the vacation, but I must select LaTrobe because of their apparent overall superiority when judged on the season's performances.

Monash Whites are at home to Bulleen United, whose late run home was thwarted last week. The United side will be keen to finish with a win to prove they are the best side out of the four. Their forwards should kick their side to victory as the Student defence has not proven their strongest line.

Best wishes to the clubs who will be competing in the finals and my thanks to the Editor for publishing my prose this season. I hope I will be invited by the Editors to write again in 1978.

SELECTIONS:— Bulleen-Templestowe, St. Bede's, Commonwealth Bank, LaTrobe Reds and Bulleen United, with a hope that they'll do the right thing for me and keep me at the top of the Tipsters' Tally tonight — NORM NUGENT.

### JUNIOR SECTION 1

Monash University's chance of playing in the finals is most forlorn, not only do they have to win by a huge margin to make up the percentage gap but they have to beat Ivanhoe to do so. Ivanhoe will win by a far greater margin than the 13 points when they last met and will utilise this opportunity to round off their preparation for the finals.

North Old Boys who were built up for their fine win last week over the Blacks will have a keen interest, to say the least, in the Old Scotch versus University Blues game today. Old Scotch won by two points at their last meeting, the Blues must reverse this decision and also win by something in the vicinity of eight goals.

I feel that the possibility of a finals place will be a great spur for the Blues and that they will win but not by a big enough margin to displace North from fourth spot.

The bottom two sides, Coburg and Ormond should provide an entertaining game. Coburg will be eager to score a win as will Ormond who did provide several surprises for higher ranked sides. Ormond will win because of their greater enthusiasm and better forwards.

The remaining game between University Blacks and St. Bernard's should be a beauty with the winner taking second place. St. Bernard's won easily in atrocious conditions at their last clash, today I feel it will be a different result.

The Blacks were shocked back to reality by North last week; their better back line and equally as good forwards should hold them in good stead in a very close and interesting game.

**SELECTIONS:**— Ivanhoe, University Blues, Ormond, University Blacks — CLIFF BAS-TOW.

### JUNIOR SECTION 2

The four and the placings thereof are now finalised for this Section. Congratulations to my co-tipsters Norm Nugent and Syd Whitfield for their fine tipping performances. Today sees the end of the season for many of our clubs and players. It has been a season which has not been kind from the weather point of view, but nevertheless they have put their best foot forward and competed.

Top side Hampton Rovers play the up and coming boys from Kew. I understand that the Hampton seniors are taking several of their juniors to help them gain a position in the C Section four. Despite this, form points to the home side and I expect the Rovers to start their final run home today.

De La Salle are at home to Caulfield Grammarians and will most surely be concentrating on improving their game for next week's semi-final against Hampton. Caulfield had a good win against High last week, but will not be strong enough to beat "De La".

Old Paradians travel to Geelong in what shapes as a most uninteresting game. This should be an easy win to Geelong, unless

the Parade boys decide on a last minute piece of glory for 1977.

West Brunswick were most disappointing last week and entertain Reservoir Old Boys in another game which lacks interest. Reservoir have had good wins in the last 2 weeks and will not relax today.

**SELECTIONS:**— Hampton Rovers, De La Salle, Geelong, Reservoir Old Boys — PETER NATHAN.

### 150 UP FOR OLD CAREY VETERAN

Ian (Ocker) England played his 150th game for Old Carey against Fawkner and all at Old Carey offer him hearty congratulations for his fine service to the club. "Ocker" has played with the seniors and reserves and this year is reserves captain. Good form saw him back with the seniors for his 150th game. He played his usual solid game and kicked 2 goals. "Ocker" has been one of Carey's greatest clubmen and has been a very active worker for social functions. He has been mainly a back man and plays good clean vigorous football. As reserves captain he gives plenty of encouragement to juniors by word and example.

### 150th TO POWER HOUSE STALWART

Congratulations from everyone at Power House to Tom Cross who plays his 150th game with the club today. One of the fittest players ever to don the Power House jumper, Tom's dedication to training and example on the field are an inspiration to his team mates. His leadership qualities were recognised this year when he was appointed captain of the club and he has led the side with great distinction. In his youth, Tom's prowess in other fields of athletic endeavour were also well known, but with marriage and advancing years he has decided to concentrate all his spare time on football. Well done Tom and best wishes for your big day today.

### 100 GAMES FOR ST. KILDA CAPTAIN

All St. Bilda CBC players and supporters congratulate our captain Jim Carroll on reaching the 100 game milestone. Jim is in his first year as captain of the Saints and his enthusiasm and desperation both on the training track and during the game are true examples of his inspiring leadership. He has served on the committee for some time now and has been club secretary for the last few years. Congratulations Jim and we all hope that your involvement in the club continues for years to come.

### PARADIAN GETS AMONGST THE GOALS

Old Paradians full-forward, John Jordan, who kicked 11 goals against Old Melburnians last Saturday, brought his total goal tally to over 500. In addition, his game tally was the best by a Parade player for 44 years, and has only been exceeded twice in the history of the club — by Alan La-Fontaine, who kicked 18 goals in a match in 1929 and 'Phone Kyne, who kicked 12 in 1933.

Two well known identities at Alphington Les Liberman and Neville Jones both have reached the 50 game mark for the "Ton-nas". Well done boys, let's see you both make it to the 100.

## FORTHCOMING MATCHES AT ELSTERNWICK PARK

Matches to be played at Elsternwick Park for the remainder of the season are listed below —

August 27, Sept. 3, 10, 17 — FINAL MATCHES. A Section and A Reserve Section.

Duty Officer at Elsternwick Park — MR. ERN. FULLER.

## LOOKING BACK

by NOEL RUNDLE

### 5 YEARS AGO — 1972

Coburg and St. Bernard's met at Coburg to decide fourth place in 'A' Section and who would meet Old Paradians in the first semi.

The result was never in doubt as Coburg made good use of the wind in the first quarter to kick 8.5 to 1.2. Warfe, Sullivan, Jim Sabri, and Gardner (5 gls.) were best for Coburg. St. Bernard's battled hard but went down by 10 goals.

In the only last round match affecting relegation, Old Geelong outclassed Hampton Rovers to win by 12 goals and save their position in 'D' Section. Calder, Hopkins, and Whalley (O.G.G.) and Nash, A. Moore, Ryan (Hampton) were best.

Dave Berry celebrated his 200th game for Ivanhoe as one of the best afield and 'the older he gets the better he goes' — Club best and fairest in 1971 and captain in 1972.

150 games to Ian Cameron (Ormond) Phil Carey (St. Kilda C.B.C.).

Kevin Kinloch, after 18 seasons and 282 games with Brunswick, and captain of club's 1970 premiership team, decided to call it a day — a career of wonderful service in which Kevin held many club offices.

### 10 YEARS AGO — 1967

Coburg's captain, Brian Callahan, played his 200th game.

Crucial games to decide second place

were:— 'B' Section — Ormond v U.H.S.O.B. (result was 8.12 to 5.6). 'C' Section — St. Bernard's v Monash (St. Bernard's crumpled in an astonishing way with victory going to Monash — scores were 1.6 (12) to 6.18 (54).

'A', 'D', and 'E' Sections were settled as follows:—

'A' Section — Old Paradians, M.H.S.O.B., Caul. Gramm., Univ. Blacks.

'D' — A.J.A.X., Parkside, Hampton Rovers, St. Pat's O.C.

'E' — Old Trinity, Toor-Malvern, A.M.P. Society, Assumption O.C.

Coburg lost their chance for the four in Round 17 — Coburg outplayed the leaders. Old Paradians and led by 23 points at half time but Paradians recovered well and won by 19 points.

### 25 YEARS AGO — 1952

Alan Shiel played his 100th game for Commonwealth Bank.

Old Scotch and Bank met, with fourth place the prize — Bank triumphed 13.12 to 10.5.

The finalists for the season were:— 'A' Section — Ormond, Old Melb., University Blues, C'wealth Bank.

'B' Section — Ivanhoe, State Savings Bank, Melbourne High, Geelong.

'C' Section — Coburg, Power House, East Malvern, Elsternwick.

'D' Section — Caulfield Gram., St. Kevin's O.B., Footscray Tech., Caulfield, Juniors — Ormond, Ivanhoe, Old Scotch, Balwyn.

The top teams in all sections (other than D) had earned the right of challenge.

## IMPORTANT NOTES

### DOUBLE CENTURY TO 'WICKER

All players, committee and supporters at Elsternwick extend their congratulations to Jeff 'Porky' Perkins on playing his 200th game. Jeff started at Elsternwick as a 'lad' some years ago and has proved with three club Best and Fairest awards that he can play brilliant football in any position in which he is selected. For a man of his size, 'Porky' can take superb marks over bigger opponents and on many occasions he has personally lifted our side to great wins. Once again Jeff, congratulations, and you never know, that 300 mark may still be there!

### DOUBLE CENTURY TO COLLEGIANS

Congratulations from all Collegians supporters, are extended to John Moodie on playing his 200th game recently. 'Moon Dog' commenced his long and illustrious career in 1964 and has played most of his football at full forward with a career total of over 300 goals. He also ran the social committee for a number of years, contributing significantly to beer sales! His wife Lyn worked tirelessly for those same years, when she organised the ladies committee. Apart from his impeccable club record, 'Moon Dog' holds the record for the greatest number of comebacks (beating Nellie Meiba by 6!). All at Collegians wish him all the best in his 'twilight' years.

### MILESTONES AT ST. BERNARD'S

Three St. Bernard's stalwarts have reached the 150 games mark recently. Peter 'Ra' Rackham started in 1969 playing in the Junior Section 2 premiership team. His record

includes 2 premierships (A Section 1975), vice-captain firsts, Best and Fairest 1974 and State representation in 1974-75-76. Mick Iannazzo (Snazza) to his friends) came straight from school to play in the firsts. Mick has missed many games because of work commitments and injury but has persevered and reached 150. His record includes a reserve premiership 1975, reserves Best and Fairest 1976 and committee man 1973-75. Gerard Mahoney commenced with the juniors in 1969 whilst still a school boy the youngest of four Mahoney brothers to play with St. Bernard's. 'Porky's' record — 63 junior games (club record), captain 1971, 1972. Premierships Junior 1 1972 and A Reserve 1975. Awards — Best and Fairest 1975, A Reserve — Most Consistent 1972 and Most Determined 1973. All at St. Bernard's congratulate these three fine players and hope to see many more games from them in the years ahead.

Congratulations to Kim Irvine, Martin Shembrey and Tony Sullivan on playing 50 games with St. Bernard's. Kim started in 1974, won Most Determined award with the reserves in 1976 and has served on the committee since 1976. Martin played 31 junior games being vice-captain of the 1976 side which was runners-up, and Most Determined in 1975. Tony Sullivan started with the U/19s in 1974 being captain in 1975. He missed most of 1976 with an injury but has come back strongly in 1977 with games in both firsts and reserves. St. Bernard's hope to see many more games from these three fine players and clubmen.

## TRIBUTE to a TRUE AMATEUR

by ALEX JOHNSON

Irrespective of the Rules governing Amateur Status and it's meaning, we find we are temporally losing (for a period of two years) one who fits my description of a "True Amateur". — One Mr. George Walter McTaggart. Born 5th October 1917.

Since attending Melbourne High School in the yesteryears of 1931 to 1933 George has taken a vital interest in Amateur Football and he has gained many distinctions within the Amateur ranks.  
1955 Awarded Life Membership M.H.S.O.B.  
1956 Awarded Merit Certificate A.N.F.C.  
1974 Awarded with great Honour Life Membership V.A.F.A.

George's administrative duties commenced in 1938 as Assistant Secretary of M.H.S.O.B. P.C., quickly advancing to Secretary from 1939 to 1946.

From 1939 to 1953 he carried out with distinction the position of Secretary-Treasurer Victorian Junior Amateur Football Association which in fact joined forces with the V.A.F.A. in 1953.

He has attended all AAFC Carnivals since World War 2 (except for 1956 when he was overseas) together with numerous Interstate Matches and "Challenge" Matches against Tasmania, A.C.T. and V.F.A.

In his capacity as Press Correspondent, he has reported for the Sporting Globe, The Herald, The Age and has conducted the Amateur Football Segment on the ABC radio.

Perhaps you can say this is what you can do if you are single, but not of George.

He married our very popular Nancy in 1970 and they have one son Peter.

Nancy has been a tower of strength to George. She has given him wonderful support, particularly in 1972 after George was re-covering from a heart attack, and all Members of the V.A.F.A. applaud her for her meritorious efforts.

George retires from the Titles Office in October and is going overseas for two years. We hope the building doesn't collapse, but from one and the thousands of others who have known him since 1938, and earlier at school, we salute his efforts for a job well done and every good wish in his retirement.

George was appointed Editor of the "Amateur Footballer" in 1947 — a job which he has carried out courageously and faithfully for 30 years — this is an achievement in itself. Beside the "local" scene he has produced "Special" Carnival issues in 1951, 1962 and 1973.

He was appointed V.A.F.A. Press Correspondent in 1961.

### TRIBUNAL (AUGUST 6th ROUND)

D. M. Emerson (Old Trinity Gramm.) was charged with kicking L. Buchanan (Caulfield Gramm.) — charge not sustained.

K. Thomas (Old Melburnians) was charged with striking J. McKernan (Ivanhoe) — charge not sustained.

M. Findlay (Coburg Reserves) was found guilty of striking B. Kerley (North Old Boys Reserves) and suspended for four matches.

C. Trewin (Footscray I.T. Reserves) was found guilty of striking T. Greaney (University Reds Reserves) and suspended for two matches.

### V.A.F.A. MEETING

Club Secretaries and Delegates (Members) are reminded that the next meeting of the Association will be held at the Amateur Sports Club, McKillop Street, Melbourne, at 8 p.m., on Monday, September 5th.

Clubs are entitled to be represented by only one Delegate (Member), but repeated failure to be represented will incur a fine, or possible expulsion from the Association.

### 'HUTCHY' HANGS UP HIS BOOTS

Power House stalwart and well known Amateur identity, Peter Hutchinson has retired after a magnificent 356 games. This milestone is only 9 games short of the Amateur record held by another Power House great Les Gordon. 'Hutchy' made every endeavour to keep going this season but persistent leg injuries have forced him into retirement.

He has a formidable record, few, if any, could match including seven club Best and Fairest awards. Hutchy played in 3 premiership teams and represented Victoria as well as captaining the club. A great personality off the field, Hutchy has always enjoyed a drink after the game and made many friends within Amateur circles. He has always received great assistance from his wife Gwen and they both continue to be strong supporters of the club. 'Hutchy' is an extremely popular master at Camberwell Grammar School and a well known figure within the association of Lord Sommers Camp and Power House. Well done Hutchy and good luck from all at Power House!

### 250 GAMES TO COLLEGIANS PLAYER

All at Collegians heartily congratulate Darryl Tucker on reaching 250 games, and thank him for his outstanding service to the club. "Dazza" began his long history with Collegians in 1961 with the reserves. He quickly realized his potential and advanced to the A-grade side where he became one of the best half-forward flankers in the

game. His quick thinking and brilliant play led to many a Collegians victory and stamped him as a truly elusive half forward. Although he was unlucky to miss State selection during his career, "Dazza" was elected captain of the A-grade side in 1971. A great clubman who is always willing to help the ladies working on afternoon tea, "Dazza" is still showing the odd touch of brilliance in the third eighteen where his football experience is invaluable to the younger players. Age hasn't dampened his enthusiasm and who knows (perhaps Ferg's club record may be in jeopardy!

Power House congratulate Bert Bredek who plays his 50th game with the club today. Bert's career was interrupted last year by a severe knee injury but he is now starting to recapture the form which made him an outstanding Under 19 player and captain. As a knock ruckman or forward Bert is always under notice with his strong play. He has recently won his way back into the seniors and we look forward to a great game from him today.

Congratulations on A.M.P. half-centuries to Bob "Hanger" O'Rourke, goalsneak extraordinaire and David "Punter" O'Sullivan, rover turned wingman. Both have enjoyed a tremendous year and have contributed greatly on and off the field.

Congratulations go to David (Hi Ho) Silver on playing his 50th game for Geelong today. A former captain of our junior team, David shows leadership qualities in courage and dedication during a game and at training. He is known for his persistence at social functions and has never been known not to see the four quarters out. "Hi Ho" always comes through under pressure and we hope today will be no exception as he leads us to a most important victory.

### "200 UP" TO KSW VETERAN

Today's game against Hampton Rovers will see Gary "Johnno" Johnston play his 200th game for Kew. All at Kew are proud of Gary's achievement and wish him well. He started with Kew in 1966, the year the club won "B" Grade and for the early part of his career, looked likely to play reserve grade for most of his days. At that time "Johnno" had the bad habit of kicking the ball straight up in the air. However determination is the key to Gary's success and he has proved over the years, his ability to overcome his bad fault and become a regular and valued member of the senior side. At the moment, his greatest joy is to kick goals from the half-back flank — his tally for the year — 2. Gary has served the club on the committee and was treasurer for 3 years. Well done Gary from all at Kew.

### 100 UP TO ELSTERNWICK DEFENDER

Congratulations from all at Elsternwick to Phil (Bruce) Scott on playing his 100th game. "Scotty" has been a devastating player on the back line over the years and his marking has to be seen to be believed. We all hope he keeps up the good work and aims his sights to 250.

### OLD XAV'S CLUB RECORD

Old Xaverians congratulate Peter Fraser on equalling the club record of games played — 234 held by Peter Raffaele. Like 'Rats' Peter has given a lot to the club since he started with us in 1963 straight from school. He has been a committee member for a number of years and was secretary in 1968. In 1969 he took over the reins of Captain-Coach of the Reserve XVIII. Always a for-

ward due to his great pace he has been a prolific goal scorer and is currently heading the 'C' Reserve Section goal kicking list. He has played in two premiership sides — both A grade reserve in 1964 and 1966 and regards these two wins as the highlight of his playing career. A mild mannered legal eagle during the day Peter has been fortunate to have had the backing of an understanding wife Philipa and a great mascot Andrew.

### AJAX DEFENDER'S 100th

AJAX defender Michael Rosner played his 100th game with the club last week and received the congratulations from all supporters and fellow players. Michael a dashing defender, has taken over the key position of centre half back and has been part of AJAX's success over the past few seasons. A fair and skilful player he has stopped many "name" players and is a credit to the club. We all hope to see him notch his 200th game in the same manner achieved his first century.

Caulfield Grammarians applaud John Gregory who has now passed the 50 games mark. John came up from the juniors this season and his height and ability to take a good mark combined with a bit of pace soon earned him a place in the senior team. Unfortunately injury has kept him on the sidelines for some time and it is only during the past few weeks that he has been able to reach the half century mark. The club considers itself fortunate to possess such an "up and coming" and with his potential big things are expected of him next season.

Sid Jones played his 50th game last week for ANZ Bank. We all congratulate him on reaching this milestone and trust that he will be around for his next 50.

With his head still somehow intact, Tony Robinson played his 50th game for Old Geelong. 'Robbo' has copped more punishment on the field this year than "Smokin' Joe" ever got in the ring, but he just keeps coming back for more. One of the gutsiest players to ever wear a geurnsey for OGS. "Robbo" has put in some great games this year. Congratulations Tony, keep the good work up — and your chin down!

Congratulations to Len Gray on playing 50 games with Uni. High. Len plays either as a rover or wingman. This is his best season and we all hope he will "keep it up".

Ken Coughlan, De La Salle's boundary umpire made his 50th appearance with the senior side against University Blacks. Keep the good work up and keep following that line wherever it may take you.

Frank Herd played his 50th game for Geelong last week. Frankie returned from overseas this year and didn't take long to find top form, being judged best on the ground in his 3rd and 4th games. A brilliant player able to lift a whole team he is a necessary cog in our wheel. Son of a former Geelong great (Fred Herd) Frank is following in his father's footsteps and becoming a most valuable clubman.

Melbourne High extend congratulations to Derek Scott who played his 50th game recently. His drive, ability and enthusiasm have been an example to all players and his efforts on the field have won him the respect of all.

Congratulations to Melbourne High's Gary Jones and Tony Short, each of whom has chalked up his 50th game. Tony's ability and class on the field have won the admiration of his fellow players, while Gary's drive and high-marking are an example to all.

Strong forward Neville Sellers has played his 50th game with Reservoir Old Boys. He is the first player to come from the U19s and play 50 games, a fine effort. Nev has tremendous determination and although he has played in defence, this year he has been full forward. His personal tally of goals is not high but he has given many away with his teamwork.

Congratulations to Garry Rutty on playing his 50th game with Reservoir Old Boys. Blessed with great pace Gary has forced his way into the seniors, and has been playing well as a wingman.

## THIS IS A MUST

TO ENABLE THE DRAW FOR NEXT WEEK TO BE DETERMINED AS EARLY AS POSSIBLE, IT IS ABSOLUTELY ESSENTIAL THAT EVERY RESULT BE PHONED TO THE HERALD OFFICE TODAY. THE HOME CLUB IS RESPONSIBLE — THE NUMBER TO RING IS 652-1892 or 652-1893 BEFORE 5 p.m. FOR PUBLICATION AND CERTAINLY BEFORE 5.30 p.m. RESERVE SCORES to same numbers BEFORE 3 p.m. Alternative Herald numbers 63-0211 Ext. 1892 or 1893.

All clubs got their scores to the Herald last week — make sure you ALL DO TODAY.

## THE MAIL — OR LACK OF

The chaos which has prevailed in the mail service recently has had its effect on The Amateur Footballer.

There have been insufficient "Quarter-by-Quarter" scores received in time to warrant putting in those we had and the same applies to the Leading Goalkickers.

This week we have s-t-r-e-t-c-h-e-d the deadline for Goalkickers and Best Players to Wednesday morning's mail, but there are still a number of gaps.

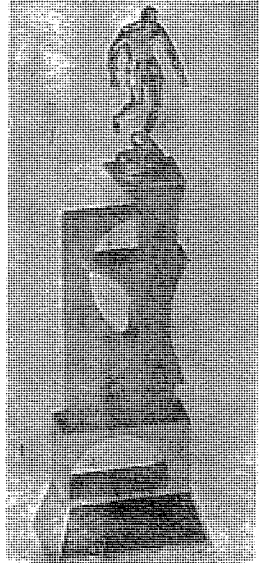

Press Correspondents must take note of the special arrangements for next week's issue — read PRESS CORRESPONDENTS — IT'S LIKE THIS! elsewhere in this issue.

National Bank a bye

Paul Chapman cracked the 50-game barrier with Ivanhoe last week in what has been a quick rise from junior to senior football. In 3 years Paul has developed into a handy player, and is presently holding down a position in defence. His keenness and ability to play team football has brought out the best in him, and with all going well this guy will do well at Ivanhoe for years to come.

Today it is the turn of two of the younger players at Old Halleybury to feature in the "honours listing". I refer to John Corrigan and Graeme Billings, both of whom played their 50th game recently. John played his 50th against Old Scotch, and his tight play in the back pocket was one of the features of the game. His timing, tenacity and temperament make up for his lack of size. Graeme played his 50th last week. Well done, and keep up the good work.

Warren Clark recently played his 50th game with North Old Boys. Warren began with the Under 19s where he was an important part of last year's Junior Section 1 premiership team and has now fought his way into the senior team. He is a very long kick, fine mark and speedy player. There is little doubt that he has many more good games in him. Congratulations form all at North.

### ST. BERNARD'S CENTURY

All at St. Bernard's congratulate Mick "Racehorse" Drennan on reaching 100 games with the club. Mick's record consists of deputy vice-captain of the Seniors this year, a member of the A Section premiership side in 1975 and most consistent in the same year. State representative on five occasions including the 1976 carnival team. Mick has played many fine games on the wing for St. Bernard's and has been a credit to the club and Amateur Football.

### CENTURY TO UNITED MAN

Bulleen United are pleased to congratulate Bob Lillie on playing his 100th game with the club this week. Bob first started with us in 1972 and since then has been a regular member of the first playing either back-flank or forward flank. 1975 was his best season when he was our Best and Fairest winner, playing mainly on the back line. Bob is also a keen clubman and well liked by all at the club, who all pass on their congratulations.
