## ● LAST WEEK'S HIGHLIGHTS

### ORMOND'S STRONG FINISH SWAMPS MARCELLIN NARROW WINS TO DE LA SALLE, COBURG FIRST DEFEAT FOR FOUR LEADERS

By GEORGE McTAGGART

After trailing badly for three quarters, Ormond unleashed a strong finishing burst to score an exciting 9-point win over Marcellin in last week's round.

The other main game was even closer — De La Salle scraped home by a point from St. Bernard's. In another close finish Coburg opened their account with a 3-point victory over Old Trinity.

It was Disaster-Day for four leading teams — Old Paradians, Old Xaverians, Alphington and Ormond Reserves, all of whom tasted defeat for the first time this season.

Ormond had no counter for Marcellin's pace, excellent backing-up and clever anticipation and were 5 goals down at half-time.

Their play improved a lot in the third quarter but Marcellin still looked to be in control with a 21-point lead at the last change. Then Ormond came with a burst of 7 goals in the final term to hit the front shortly before the siren.

Poor shooting for goal proved costly for St. Bernard's who had four more scoring shots than De La Salle. "De La's" determination earned them four goals in each of the second and third quarters and they held St. Bernard's off in a tight last term.

Apart from a scrambly first quarter, it was a good game to watch, with little between the scores all day.

North Old Boys finished well to beat University Blacks by 2 goals and a burst of 8 goals in the third quarter was mainly responsible for Caulfield Grammarians' 27-point win over University Blues.

Ivanhoe shocked Old Paradians, winning by more than 7 goals, Old Melburnians continued their run of success by easily accounting for Res-

ervoir Old Boys and Geelong suffered another heavy defeat, this time by Monash Blues.

Lowly Old Carey toppled Old Xaverians by 16 points (with 16 more scoring shots), Alphington crashed badly against bottom team Power House, and State Bank went down to St. Kevin's by 29 points.

Old Mentonians beat North Brunswick by 10 points and Heatherton beat Beverley Hills by 13. Bulleen-Templestowe "pipped" Commonwealth Bank by 4 points and Footscray Tech. lost their third in a row, going down to St. Bede's by 20 points.

In Junior games, University Blacks won comfortably over Monash, North Old Boys were too strong for St. Bernard's, Hampton Rovers beat De La Salle and Kew had their first win since entering the competition, at the expense of Melbourne High.

Several top four teams in the Reserves were beaten — Ormond, St. Bernard's, the Blacks, Collegians, Melbourne High, State Bank, Old Geelong, Beverley Hills, North Brunswick, Commonwealth Bank and Footscray Tech., many of them by teams outside the fours.

# PREVIEWING TODAY'S GAMES

## A SECTION

Some hard ones to pick again this week. I missed out by one straight kick with TWO of my selections last week. Here goes — the same could happen again today!

The match of the day at Elsternwick Park — North Old Boys had their closest call last week while St. Bernard's were pipped by De La Salle. Mauro Borcich and Mick Welsh are consistently giving great drive but it is not realistic to individualise with such an even all-round side. North and St. Bernard's are traditional contestants — the result could therefore be close but will favour the Northerners.

Well done Coburg — the rallying past heroes may have done it for you. Perhaps Chris Hansen should return to Old Trinity — Fitzroy don't appear to fully appreciate his talent. But Coburg's success will be short lived — Marcellin will be too strong today.

University Blacks emerged out of last week's round as a definite four chance.

They must crunch Old Trinity today to further enhance those prospects and bolster percentage. Vacation always casts a shadow over a University prediction — but I see no problem today.

Caulfield Grammarians, another finals "hopeful", will find Ormond a different proposition to the 'Blues. I doubt whether Caulfield will be able to sufficiently nullify the influence Alan Naylor will give from the centre square.

This could well be an exciting finish but Ormond should maintain its winning formula.

University Blues have disappointed and must pick-up or they could find themselves threatened with relegation. De La Salle sparked last week and will be "jumping" today.

Unless the 'Blues have something up their sleeves they could be the victim of a percentage building onslaught.

I hope I'm right because I'm punting on the bottom sides pulling a surprise or two to even up the competition.

SELECTIONS:— University Blacks, Marcellin, Ormond, North Old Boys, De La Salle — JIM FIDGE.

## B SECTION

After a very promising start. Geelong have slipped of recent weeks, and Old Scotch through their well spread strength and the experience and current good form of John Morgan should take the points.

Collegians and Reservoir Old Boys look to be evenly matched as both appear to lack big man strength and rely heavily on their roving divisions. In this area Reservoir look better served and should take the points by a narrow margin.

The match between the Old Boys of Haileybury and Melbourne Grammar at Keysborough looks to be the pick of the round. For the home side Code, Houghton and Paul are playing well but the Navy Blues could have more talent to back up their big guns Corder, Brown and Pisarski, and should score comfortably.

Old Paradians put in a bad one last Saturday to spoil their good record, and they will need to improve rapidly to rate a chance against Monash Blues where the youthful Chris Moore and Dave Bickford are firing consistently. If must, without great conviction, give Parade another chance however.

Ivanhoe somewhat surprised me with their big effort last Saturday. I have many recollections of stout marking efforts from the reliable Quinlivan over the years, but not many of him kicking 6 goals.

If Ivanhoe can line up with their strong players in attacking positions, then they will win many more. I do not think St. Kilda have enough players in form at the moment to handle Ivanhoe's confident play and foresee an easy win for the Magpies of the V.A.F.A.

SELECTIONS: Old Scotch, Reservoir O.B., Old Melbourne, Old Paradians, Ivanhoe — ALF KEAM.

## C SECTION

Alex finally got out of the queue at Tullamarine and has left with a pretty hard act to follow.

I face the threat of disinheritance, if he has fallen from the top of the Tipsters' Tally when he returns from overseas. It's a high standard to maintain without his mystical visions. Fortunately St. Bede's did the right thing in F Section and kept Norm Nugent at arms length.

Rags to riches side Old Carey had a great win against Old Xavs last week and it seems they have turned the corner. I believe they can go on and add another four points against Old Ivanhoe in what should be a close game.

Alex must be something of a clairvoyant having warned Old Xav's against complacency last week. I would like to see MHSOB break the ice but can't see them cracking it against Xavs who will be anxious to avenge their defeat last week and regain top spot.

UHSOB need to win to keep up with the four and look to strong at home to Kew. Hampton Rovers after a good win against Old I's should give Parkside a good run for their money but Parkside look the likely winners.

The match of the day between Fawknor and AJAX is a hard one to tip. AJAX had a big win last week following their close battle with Xavs the week before. Although they kicked the sweep Fawknor should have too much strength and will be hard to beat at home.

My Selections: Old Carey, Parkside, UHSOB, Old Xaverians, Fawknor — Graeme Johnson.

## D SECTION

I quote from my last week's comments — "Alphington will have no troubles in disposing of bottom of the ladder Power House" — "State Bank seem to be settling down and concentrating on the game — State Bank to win". The wind produces strange results or did it!

This week, despite last week, Alphington will be too strong for La Trobe Blacks.

Elsternwick at home to Assumption will also be hard to beat and on past form I could not tip Assumption.

Old Brighton should not have too much trouble against Old Geelong who have not been performing well lately.

State Bank against Power House. Power House confident after their win against Alphington could fall into that known trap — over confidence; I will still go for State Bank.

St. Kevin's proved me wrong last week but not this week — Old Camberwell to win.

SELECTIONS: Alphington, Elsternwick, Old Brighton, State Bank, Old Camberwell — KEITH FINDLAY.

## E SECTION

National Bank will entertain Old Mentonians but don't look likely to open their account now that Old Mentonians are in the four.

Beverly Hills went down to Heatherton last week so I can't offer them much joy against West Brunswick, even at home. West to stay put at the top of the ladder.

Heatherton should be able to win again, even pick up a point or two of percentage, against ANZ Bank even after ANZ's win last week.

Brunswick at home to AMP Society should be a close game. AMP could benefit from their bye last week and Brunswick could be feeling last weeks bumps still. AMP to keep some hope alive.

Selections: AMP Society, Old Mentonians, West Brunswick, Heatherton — SYD WHITFIELD.

## F SECTION

Last Saturday results were fairly predictable (unlike those in other Sections).

Today's games will have a great bearing on the composition of the F Section ladder. Let us hope that results will follow predictions as second place in the Tipsters' Tally is at stake.

St. Bede's who have bounced back into form travel to Glenroy where the locals hope for their second win. St. Bede's judged on 1977 statistics, have better forward and back lines. These two factors should ensure a St. Bede's victory.

Leaders Bulleen-Templestowe go west (geographically at least). The combine had a jolt last week while Footscray Tech. slipped by the seaside. Consistency coupled with all round strength are the major factors which prompt me to select Bulleen Templestowe.

Commonwealth Bank further vindicated my confidence by pushing the leaders last week. against the disappointing Monash Whites the Bankers should add to their strength by scoring an easy victory.

A red victory is my prediction for the academic's clash at Bundoora. However the question is; which Red? My prediction is that LaTrobe Reds will prove too strong for their Melbourne University counterparts.

The big game of the round will be at Bulleen where Thornbury will meet the local United side. This promises to be a no holds barred game for the coveted second place on the ladder.

The defences of each side appear equally strong on paper. However I suspect the Thornbury triple-pronged attack featuring the skills of Hayman, Lucas and Staff will manage to convert enough opportunities to win the game.

SELECTIONS: St. Bede's, Bulleen-Templestowe, Commonwealth Bank, LaTrobe Reds, Thornbury — NORM NUGENT.

## JUNIOR SECTION 1

Results of today's round will, even at this stage of the season, have a big bearing on the Final Four composition. Three of today's four games should be real hard battles.

The exception is the Ormond versus Ivanhoe game in which Ivanhoe will continue on their merry way with another percentage-boasting win.

As predicted, Old Scotch are coming along and forming into a team to be respected. University Blacks will give them a real test following on their fine win last week against Monash University. Old Scotch should win because of their keener attitude and teamwork.

The Monash University boys are very anxious to return to their early season form and atone for recent poor form, on the other hand St. Bernard's will not let their grip on a place in the final four slip without a great struggle, but even with their home ground advantage Monash University will be too strong for them.

North Old Boys will have a great tussle with University Blues out at the odd Western Oval. North have tightened their game up in recent weeks and will make it three in a row today as their all round strength will be too much for the Blues to overcome.

SELECTIONS: Old Scotch, Ivanhoe, Monash University, North Old Boys — CLIFF BASTOW.

## JUNIOR SECTION 2

Last week's results were disastrous in more than one way for your scribe. I am sure that everyone associated with amateur football will join with me in congratulating Kew on winning their first junior game since entering a side last year.

The bookmaker has been instructed to adjust his board and Hampton Rovers are now favourites for the flag. Full forward James is really burning and at half time last week had kicked all of the Rovers 6

goals. West Brunswick will be making the most of their home ground but will find the opposition too skilled.

Spurred on by last week's success the Kew boys will be eager to win their first game at home. However it would not be practical to expect them to overcome the speed of De La Salle, particularly as they will be doing everything possible to make up for their defeat last week.

MHSOB travel to Geelong. While the students will be fresh from their recent vacation, if some do not, get lost on the way down some will certainly be lost on the big ground at Queen's Park. Consequently they will be returning home without the four points.

The racy, rapid, relentless, remarkable, rigorous, robust boys from Reservoir play host to Alphington. The visitors have proven themselves to be a mystery side. Their form has been patchy, but nevertheless they will take the game right up to the Old Boys. However the overall strength of the home side will enable them to hold on for a win.

Old Paradians and Caulfield Grammarians were both defeated last week and their clash at Bundoora should provide an interesting game. Caulfield have a more even team and should win.

SELECTIONS: Hampton Rovers, De La Salle, Geelong, Reservoir, Caulfield Grammarians — PETER NATHAN.

## LOOKING BACK

by NOEL RUNDLE

### 5 YEARS AGO — 1972

Coburg staged yet another form reversal to defeat previously unbeaten Caulfield Grammarians by 43 points and leave Ormond the only unbeaten side.

Coburg's brilliant second quarter burst of 8.3 to nil won the game; Leckie, Willoughby and Zylan were their best.

S.S.B. (in 'E') also lost their first game when they went down to Marcellin by 29 points. Marcellin "blitzed" Bank in the first quarter, scoring 9.10 to nil. Stars were Mahon, P. Toohey, and Hurley (Marc.) and Inglis, Spithill, and Wright (S.S.B.)

200 games to John (Herb) Adams (North Old Boys) and 100 to John Butcher (Caul. Gram.).

(John is now a member of V.A.F.A. executive — Ed.)

End of an era for Old Haileybury when veteran Andrew Home, 205 games in 12 years, played his last game. In his 12 years Andrew only missed 8 games, none of which was due to injury.

### 10 YEARS AGO — 1967

Phil Hay (St. Kilda C.B.C.), Peter Bowring (Old Haileyburians) and Spence Williams (Old Paradians) chalked up 100 games.

Coburg, after winning the first four, suffered their second defeat by 27 points at the hands of Caulfield Grammarians.

AJAX and Parkside were undefeated leaders in 'D' Section with 6 wins each.

Only senior teams yet to break the ice were Old Melburnians ('B') and Elsternwick ('E').

Old Scotch (23.13) annihilated University Blacks (4.11).

### 25 YEARS AGO — 1952

Uaurie (Socks) Holman played his 100th game for Ormond.

Adrian Schrader (still well known to many followers) starred for Old Xaverians.

M.H.S.O.B. (1.6) against Ivanhoe (10.16) recorded their lowest score ever.

Bill Mason (now an umpire) was starring for Ivanhoe Juniors.

Coburg (13.18) to East Malvern (4.9) continued their unbeaten run in 'C' Section.

Murray (11 goals) was a star in Caulfield Grammarians' big win over E.S.&A. Bank (23.18) to (6.3).

**200 GAMES FOR ORMOND CHAMPION**  
Ormond ruckman Roger Wood plays his 200th game today. Only the sixth player to reach the coveted "double ton" with the club. Roger has been a thorn in the side of opposition teams for many years. He has been captain of the club, a Best and Fair-

est winner and a Victorian representative on several occasions. "Woody" is renowned for his high marking and goal kicking and possesses a deadly left foot stab kick. Congratulations for today and we are sure that this season will be a typical "Woody" season.

The Secretary of Parkside has a new Telephone Number, Private 861-6131, Business 31-7222 Ext. 1649.

**150 UP TO PARKSIDER**

All at Parkside would like to congratulate Bob 'Chalky' Fletcher on playing his 150th game today. "Chalky" is one of the identities of our club with the colourful behaviour on and off the field. He has risen from our Juniors in 1969 to be one of our regular Reserves players, regularly pressing for senior selection. Also known as 'Tweety Bird' he was once an active committeeman but due to business pressures, Bob has become an important part of our Reserves. Well done Chalky and continue to brighten our club with your antics.

Congratulations to Old Brighton's Jon Tapp on playing his 50th game last week. Jonny is a tough, attacking half back and is a key player in Brighton's victorious Reserves side. His consistent play last year and his great form during the final series were significant factors in earning Brighton's first premiership flag. Though unavailable for the first few games this season, Jon has now settled back into the side and he is one of the experienced players who will we hope lead Brighton into the finals again this season. Well done, Tappy, for the first 50.

Congratulations from Caulfield Grammarians to Ian Cunningham who passed the 50 games mark recently. Ian has played in a number of positions for the club mainly as a rover, winger and half forward flanker and he always "puts in". Another Cunningham who also contributes is Eric, Ian's father, who waves the flags each Saturday for the Reserves and it was noticed that Dad brought his camera along on the day Ian led the Reserves team out.

### R.O.B.'s FIRST 200

Reservoir Old Boys congratulates Don Scott on being the first player to reach 200 games with the club. A mighty effort. Don has been a great member both on and off the field, having been with the club from the beginning in 1965 which means he has played in every grade in the Amateurs. Don who has been vice captain of the seniors also won a Best and Fairest in 1969 and goal kicking in 1970. He also captained the Reserves and won Best and Fairest in 1927. Although small in stature Don's pace and brilliant ball handling have overcome this. He has played in many positions including centre, rover, wing and back pocket. Off the field he has worked hard on the committee and has managed to secure many sponsors for the club this year. Well done Donald, now for 300.

### 100 UP TO R.O.B. PLAYER

Reservoir Old Boys congratulates Trevor Wilson on playing his 100th game with the club. Although he has played mainly in the Reserves he has been the club's regular full forward for the seniors this year. A fine mark, Trevor is a utility player and is above all a great team man, both on and off the field. The club is lucky to have such a member. Well done Trevor.

### ST. BERNARD'S-NORTH, PLAY FOR PERPETUAL TROPHY

In today's match of the day at Elsternwick Park, last year's grand-finalists St. Bernard's Old Collegians and North Old Boys will be competing for the first time for the JOHN ADAMS and GEOFFREY TOBIN PERPETUAL TROPHY. Both clubs joined the Association in 1963 and have been very keen rivals ever since. St. Bernard's won its first A Section flag when it defeated North in 1975, and North reversed the result to win its first flag last season.

The trophy is provided by John Adams (North) and Geoff Tobin (St. Bernard's) who were the respective captains in 1963 and both of whom later became President of their respective Clubs. Results of all previous matches are set out on the trophy showing that St. Bernard's have won 10 games, North 8 and one match has been drawn.

### 100 TO GEELONG SEC.

Congratulations to Geelong Secretary Murray Hunter who today plays his 100th Amateur game. Murray's 99th in the back pocket at Monash last week was the best game he has turned on in the seniors, so hopes are high for a "sizzler" today. As Secretary for the past two seasons, and Junior player for years (over 100 games) before reaching Senior ranks, his invaluable club service has been really outstanding.

### CENTURY TO COMMONWEALTH CAPTAIN

Congratulations to Paul "Stagecoach" Anderson who plays his 100th game today for Commonwealth Bank. Paul has played most of his games in defence with solid clearing dashes and high marking that the opposition find very hard to combat. As captain this year he has already shown great leadership and should lead the club to a premiership and back to higher grades. All at the club wish "Stagecoach" the very best and hope he can put in another 100 solid games.

To mark this milestone for Ray we hope this club can produce "more beer". Bruce Reid today plays his 50th game and we all wish him the best. Bruce has proved to be a very loyal clubman as no-one would doubt his ability to play in "A" grade should he want to. A very important cog in our fight for a premiership as he can play in any position on the field. All the best Reidy.

Within the next month the building will be superseded by a rather magnificent brick and blue stone structure at a near vicinity to the old establishment.

The Geelong club considers it to be appropriate that the vacating of the old "haunt" is of considerable significance.

Therefore, on SUNDAY, JUNE 5th a "DEMOLITION DAY SUNDAY SERVICE" will be held within these hallowed walls, commencing at 11.30 a.m.

**ALL GEELONG** past players and officials are invited to make this day a must — members of other Association clubs are most welcome.
