● LAST ROUND HIGHLIGHTS

VIC'S GREAT THIRD TERM BRINGS WIN OVER S.A. CLOSER IN TASMANIA, BUT VICTORIA HOME PLENTY OF UPSETS ON LOCAL SCENE

By GEORGE McTAGGART

A magnificent third quarter by Victoria, when they added 9-1 to South Australia's 1-2, gave them a 41-point win in the Interstate game at Adelaide last Sunday. The first half was even with South Australia five points in front at the interval.

At Launceston, it was the second quarter in which the Victorians gained a winning break of five goals and this team went on to beat Tasmania by 32 points.

The last round in Melbourne a fortnight ago provided some surprises, most notable being the defeat of Monash Blues, Old Paradians, Old Xaverians, Fawkner and Beverley Hills.

Victoria's win was some consolation for the defeat by South Australia in the Carnival last year, but we still have to prove that we can beat the other three states in turn to win a Carnival — we haven't done that since 1967, in Launceston. South Australia have won the three staged since then — 1970 (Perth), 1973 (Melbourne) and 1976 (Adelaide).

Can we break their run of success at Hobart in 1979?

University Blacks climbed closer to the four when they made better use of the wind to beat Marcellin by 33 points, and De La Salle, with superior handball and kicking and their ability to play a full game of sustained football never allowed Ormond to get into the picture.

"De La" won by just over 8 goals.

University Blues showed their best form for the season in putting up a creditable performance against St. Bernard's, although beaten by 34 points in a high-scoring game. St. Bernard's won it with a burst of 8 goals in the second quarter.

Ormond's defeat knocked them out of the four, their place going to Caul-

field Grammarians, who beat an inaccurate Coburg by 5 goals.

Old Scotch thrashed Monash Blues to the tune of more than 11 goals and St. Kilda CBC's accurate kicking (16-5) gave them an 11-point win over Parade.

Ivanhoe proved too strong for Old Melburnians, who went down by more than 5 goals.

Old Ivanhoe beat Old Xav's by 7 points, Kew shocked Fawkner to win by 10 points and Uni. High's poor shooting compared with Hampton Rovers' accuracy accounted for their 2-goal defeat.

Old Geelong beat Elsternwick by 8 points in a high-scoring affair, Assumption ran leaders Alphington to 15 points, and Old Brighton had to be content with a draw against St. Kevin's.

Heatherton beat Old Mentonians by 7 points, ANZ Bank had 23 points to spare over Beverley Hills, and Commonwealth Bank proved they were in business with a big win over Bulleen United.

In Junior games, Ivanhoe won easily from University Blacks, the Blues beat St. Bernard's by 3 goals and Kew beat West Brunswick by 19 points.

PREVIEWING TODAY'S GAMES

A SECTION

North Old Boys have jumped right away — they must be the hottest premiership favourite for years. And talking of years Les. Murray answered my query in the last game with 7 goals!

Marcellin slipped badly in the last game and will need to take stock. That recent loss may have cost them a place in the finals.

I expect North to continue their unbeaten run against Marcellin. Ould is banging through plenty of goals and the team boasts a galaxy of stars.

University Blacks will move a step closer to the finals when they surprise St. Bernard's. St. Bernard's have Greg, Wade in outstanding form and their other interstate contingent of Peter Aughton, Ray King and Mick Drennan will not be unduly affected by not enjoying the break.

I fancy the Blacks — the scores will be close but their form has been a shade more impressive in recent weeks.

Ormond will move back into the four, despite their poor percentage. Even at Merri Creek Coburg will not muster sufficient opposition to trouble Ormond who will be keen to redeem themselves following their dismal showing against De La Salle.

University Blues will almost certainly consolidate their place in the Section — a safe four points away from the threat of relegation — by outclassing Old Trinity.

Bill Peers has more than his share of the load on his shoulders and here's hoping this young side can retrieve some of its lost glory before the end of the season. The Blues should be doing better than current form — Sleeman, Trumble, Tygulin, Standish and Church are all experienced players and in good form — with a little more backing up from their team-mates, they could still bolt out with a surprise or two.

The match of the day — De La Salle and new glamour team, Caulfield Grammarians.

I am tempted to select Caulfield — but "De La" with only one loss and the fine percentage of 147.0, appear too good on paper.

Halasa and Lyons are the key players in a very talented and even De La Salle line up. Caulfield have a string of "leading lights" but then taper off a little. De La Salle will take the points but I don't expect this game to be a "certainty".

SELECTIONS: North Old Boys, University Blues, University Blacks, Ormond, De La Salle — JIM FIDGE.

B SECTION

What a disastrous day was June the fourth for me, with only one favoured team

getting home. Thank you Halleybury for preventing the complete whitewash.

However, may be the week's rest will assist me to regain my early season form, when I regularly picked three!

I trust MoMnash and Daryl Cranch enjoyed their brief spell on top of the list. When you are top dog Daryl, everyone is trying to knock you off your perch.

Having spent the last four or five weeks completely out of step with Reservoir, I feel morally obliged to make it six and call Monash as the likely winners.

Despite their great win over Parade, I cannot believe that St. Kilda CBC have achieved the overall strength to down Old Scotch who are well equipped all over the ground, and the Cardinals should consolidate their position in the top four.

Collegians against Old Melburnians will not only be a good match, but also a well attended reunion of many ex-players bedecked with long scarves and other paraphernalia in their old school colours as these teams have not clashed for many years.

I feel Old Melburnians have the talent to score a solid win, now they have discovered that you need more than confidence to win games in 'B' Section.

Old Paradians and Geelong both appear to be slipping from their good early season form. An even tussle should ensue and without any great conviction, I'm suggesting Parade will nab the four points.

How fickle can a tipster get?

I start this rubbish by blowing down Halleybury's ear, and finish it by suggesting that they will find the much improved Ivanhoe, too hot to handle.

Each week, somebody different kicks a bag of goals for Ivanhoe, and there seems no reason to believe that their recent good form will desert them.

SELECTIONS: Monash Blues, Old Scotch, Old Melburnians, Old Paradians, Ivanhoe — ALF KEAM.

C SECTION

Well, the fight for the four is really on, Old Ivanhoe now staking their claim.

And at the other end of the ladder I was pleased to see my old rivals (and mates) Kew knock off Fawkner in the upset of the round. Now with three teams equal on points at the top the second round will be very interesting.

Old Xav's disappointed last round and came up against form team Parkside, Xav's have been hit badly by injury and I can't see them stopping Parkside who seem to be the ones to beat at the moment.

This week gives Melbourne High a great opportunity to get off the mark. Old Carey have not gone on after their win against Xav's and without Rob Cooke will be unable to match M.H.S. It would be a great present for Alex's return if the Old School could get up and win.

Hampton Rovers are knocking on the door of the four and come up against Kew. Rovers have had a couple of close ones lately and must be starting to believe they can make the finals. Their play-on game

should be too much for Kew, whose "winning streak" could stop.

UHSOB, only one game out of the four, have proved a "form mystery" — very unpredictable. They unfortunately meet Fawkner who hate defeat and will be merciless after their loss to Kew. I'm tipping Fawkner to hold top spot.

The last game, on paper, looks like the match of the round but AJAX should have too much overall strength for Old Ivanhoe, who will have to keep close watch on AJAX's little men.

I would like to congratulate Mike Yeo and Wayne Blay on making the State sides and commiserate with Rob Cooke who was to go to Adelaide but pulled a "hammie" against Parkside. Still they've kept it in the family and his older brother Mike was chosen to play against S.A.

I'd also like to warn the other tipsters that their four weeks of relaxation have come to an end as Alex will be back next week.

Good luck to all sides for the rest of the season.

My Selections: Parkside, AJAX, Hampton Rovers, MHSOB, Fawkner — GRAEME JOHNSON.

And thank you Graeme, for "Standing in" so capably — Ed.

D SECTION

Old Geelong on their home ground proved too strong for Elsternwick and with this loss Elsternwick is edged out of the four by Old Camberwell.

Bad kicking, and I guess Old Brighton players would have heard plenty about that after the game, robbed them of a win, but at the same time points to St. Kevin's for their game.

Assumption seemed to have fallen into a hole over the last few weeks whereas Power House are showing some signs of a revival. I will stick to a winning side and the home team, Power House.

Old Camberwell at home, should have no problems over out of form La Trobe Blacks. Elsternwick had the opportunity to secure their position in the four but lost; this week they front up to second rungers Old Brighton. Not that I am giving Elsternwick away but I think that Old Brighton will have too many guns this time.

State Bank at home to Alphington; with Bank's record this year, no way that Alphington could lose this one.

Last game for review St. Kevin's at home to Old Geelong; apart from last round at Como Old Geelong have not been that impressive. St. Kevin's to win this one.

SELECTIONS: Power House, Old Camberwell, Old Brighton, Alphington, St. Kevin's — Keith Findlay.

E SECTION

West Brunswick should be capable of tossing North Brunswick without a great deal of trouble but North have a big incentive and will offer more than just token resistance.

ANZ Bank got up last week to beat Beverley Hills, a very good effort for a team without cohesion. I have every right to expect the Bankers to beat the Insurers (A.M.P.) and so climb another rung up the ladder.

Beverley Hills should be feeling a bit down after the last round loss which could have a serious effect on their position later in the season.

Today they play Brunswick, at home, and must win to remain in contention. Brunswick have been disappointing and will need to make a tremendous improvement to keep away from relegation.

Heatherton are sitting very nicely, holding off Old Mentonians and should beat National Bank, complacency being their principal opponent.

I don't think that the Beverley Hills-West Brunswick analogy is an accurate one here, but some quite odd things have happened in every section.

SELECTIONS: West Brunswick, ANZ Bank, Beverley Hills, Heatherton — SYD WHITFIELD.

F SECTION

Today sees the half way mark of the season. Six teams vie for four final positions. The double chance is still wide open, with any two of the six sides capable of winning these coveted positions.

Leaders Bulleen-Templestowe journey to Prince's Park to play tenth side University Reds. Judged on the past eight week's form I can't go past the combine.

Thornbury meet St. Bede's in what could well prove a vital game. St. Bede's are now back in the final's fight. Whereas Thornbury may be suffering from mid-season injuries and could find lack of Reserves a real hindrance, I lean towards St. Bede's to take the points after a close tussle.

Commonwealth Bank are now a strength to be reckoned with as Footscray will discover today. Despite the Bankers good form I fancy Footscray will prove strong enough to be in front in the final analysis.

Glenroy travel to Bundoora to meet La Trobe Reds. The home side has proven stronger over the season and I suspect the students will take the points today.

Bulleen United, anxious to avenge last round's defeat, have the opportunity to win today against Monash Whites who nevertheless did well last Saturday week. I cannot see the Monash men matching Bulleen's strength around the ground and I believe Bulleen United will take the points.

SELECTIONS: Bulleen Templestowe, St. Bede's, Commonwealth Bank, La Trobe Reds, Bulleen United — NORM NUGENT.

JUNIOR SECTION I

Monash University will benefit from their hard earned win over Old Scotch last round and a further win today is a possibility if they can force Ivanhoe into errors by playing a full 100 minutes of real pressure football. I do not think they have the depth of players to do this and Ivanhoe will have yet another comfortable win.

University Blues will take second place on the ladder if they defeat Old Scotch today. A win to Old Scotch would keep their slim chances of making the final four alive. Both teams have a lot to gain from this match. University Blues should be too strong for Old Scotch and will win.

The two bottom teams Ormond and Coburg clash today. Both will be eager to gain the four points. Ormond's approach to the game may be a little more keener after their last round bye and this may be just enough to keep Coburg at bay.

Fourth place is at stake in today's match between St. Bernard's and University Blacks. Playing at home in the "wind tunnel" is a distinct advantage that St. Bernard's have. However this will not be sufficient to contain the strength and tenacity of the University Blacks players who should win a very hard-fought game.

SELECTIONS — Ivanhoe, University Blues, Ormond, University Blacks — **CLIFF BAS-TOW.**

JUNIOR SECTION 2

The last round saw a pleasant change in the weather scene, but it also brought about some shock results in most Sections.

It is important that tipsters do not fall into the bad habit of continually picking the same sides to lose. The boys at Kew are still trying to win one at home and will be full of confidence after their good win a fortnight ago. A win over undefeated Hampton Rovers would be tremendous, but one must stick with the form side.

Caulfield Grammarians meet De La Salle who have lost one game. Although the Albert Park ground is a worthwhile advantage to Caulfield, "De La" have the form on the board and should win.

Alphington are at home for the second game in a row and meet Melbourne High. With three wins to their credit, High are the form side and are my selection.

The Geelong side make the long trip to meet Old Paradians. This game should go to Geelong on form provided no-one misses the bus and complacency does not set in.

The hardest game of the day will be between Reservoir Old Boys and West Brunswick. Both sides have won four games and both lost their last game. This game will probably end in a draw, but the rules say I should select a winner, so my choice goes to home side Reservoir.

SELECTIONS: Hampton Rovers, De La Salle, M.H.S.O.B., Geelong, Reservoir O.B. — **PETER NATHAN.**

UMPIRE'S CORNER

REPORTING OF OFFENCES

On every occasion when a player (or official) of a club is reported the umpire **MUST** have actually seen the offence committed and must not guess or suspect what may have occurred when reporting. The umpire therefore must be certain that the particular offence was committed.

If there is any doubt in the umpire's mind the benefit of the doubt must be given to the player.

The "LAWS OF THE GAME" also state that umpires shall not take into account any question as to whether the offending player received provocation or not.

The Rules of Australian Football provide that umpires shall report to the controlling body any player who commits the following offences:

- A. Disputes the decision of the umpire;
- B. Assaults another player;
- C. Violently pushes an opponent after such player has had his kick;
- D. Throws an opponent after that player has taken a mark or after the ball is otherwise out of play.
- E. Intentionally trips or kicks of attempts to kick or trip an opponent.
- F. Strikes or attempts to strike a player either with his hand or arm (It is not necessary for the hand to be clenched for the offence to be reportable. The elbow or forearm is regarded as the arm).
- G. Remains on the playing ground not wearing the proper uniform after being cautioned by the field umpire.
- H. Wears any equipment which may cause injury to other players.
- I. Uses abusive, threatening or insulting language, or otherwise misconducts himself during the progress of the match or within the oval on the day of the match.
- J. Shakes the goal post while another player is preparing to kick for goal or while the ball is in transit.
- K. Unduly interferes with, or assaults, or uses abusive, insulting or threatening language or behaviour towards an umpire during the progress of the match, or within or without the oval on the day of the match. (It should be noted that a player or official may be reported for any of the above-mentioned offences if they occur at any time of the day on which the match is played, irrespective of where the umpire may be at the time of the offence).
- L. Unduly interferes with a player whilst such player is kicking for goal, e.g. a player taking a kick for goal, after being awarded a mark or free kick, is interfered with by an opponent by being obstructed or by an opponent throwing any material or object at the player to interfere with his kick.
- M. Is guilty of unduly rough play.
- N. Wilfully wastes time.
- O. Charges an opponent.

Coaches, players, and club officials should familiarise themselves with those offences which may lead to a report. Also they should be aware of the definition of "charging", "tripping", "throwing", "slinging", "shepherding" etc. so that ignorance is not a weak excuse for "I didn't know".

In reporting players or/and officials umpires are carrying out a normal requirement of our great game and treat it as part of their umpiring duties. Umpires like players, are only human and are continually being criticised. Any umpire worth his salt would never lodge a report unless he was certain the offence was committed.

Unfortunately some players admit their inability to beat their opponent by superior skill and ability and resort to actions which lead umpires to carry out the instructions set down in Rules 28 and 29.

BALL BRIEFS

150 UP TO OLD HAILER

Today sees a major milestone for one of Old Hailbury's old 'stagers' Andrew Langford-Jones, as he plays his 150th game for the club. He has been a great rover and forward as his tally to date of 174 goals will show. He has turned in many fine academy award performances, but has not always caught the eye of the judges. Andrew has been a fine clubman over the year, having served on the committee for some years and has also been Social Secretary. He had some doubts at the beginning of the season that he would ever reach his 150th, for he thought business commitments would preclude his playing on Saturdays. However, the smell of the training oil and the roar of the crowd were too much, and he resumed his place in the team. Well done, Andrew, we look forward to the next 50.

CAULFIELD DEFENDER REACHES 150

Congratulations to our centre half back Jon Long who has now played 150 games for Caulfield Grammarians. Jon started with the Juniors several years ago and as Captain played many great games for them in the centre. Promoted to the Senior team, for some years he played on the wing and now holds down the important defence position as well as being Vice Captain. Quick out of the blocks, a good spoiler who can also take "the big mark", "gutsy" under pressure and good team-mate, what more do we want? Well, at least another 100 games, that's all. Jon's father, Dennis, a former Committeeman is "Leader of the Opposition" in the Senate, The House of Review, which sit at the Club House on Thursday evening and after home games with also an open forum at Khyat's on Friday nights.

North Old Boys welcome back Shane Maguire for his first game this season. Shane is North's Captain and was captain-coach in our first A Section premiership team last year. He has played 161 games, been a Victorian representative many times and won an All-Australian blazer. A big-mark, big-kick, strong and talented footballer, he has starred in key positions both forward and in defence, and rucked with the best of them. Only knee injuries have stopped him playing many more games. A great clubman and long-standing committee-man, Shane is a real big N.O.B. Everyone wishes him the best and the team will be stronger with him.

ANOTHER 150 TOO

Another Caulfield Grammarian who has now played his 150 games is John Gerrand, a strong determined player with a good pair of hands. As a ruckman and back pocket player, he is the reliable type which a club needs when the pressure is on, whilst off the field he well could be called "The Gentle Giant". It's a good clubman who after a couple of years overseas dons his togs again and puts his shoulder to the wheel to help the club in times of need. John's father "Jerry" is time keeper for the Reserves and as Executive Officer of the Caulfield Grammarians Association he is an important link between that body and the Football Club. Nobody could ever say that our clubs is lacking in dedicated members with such people around.

a foundation member of the club, David's ability also extends to the administration of our 3rd 18 team which he has effectively led in recent weeks. Congratulations Dave, on your great achievement, from the players, committee and supporters.

FOOTSCRAY INSTITUTE OF TECHNOLOGY FOOTBALL CLUB — A FIRST FOR F.I.T. SPORTS CLUB

On Saturday May 28th at Henry Turner Reserve, the Footscray Tech. Senior Eighteen achieved two firsts on the same day. One was to inflict the first defeat on the only undefeated side in 'F' Section, Bulleen-Templestowe. The second was to record the first win for the newly formed Footscray Institute Sports Club. This originated by the amalgamation of the F.I.T. Cricket & Football Clubs to benefit youngsters in the Footscray District. This Sports Club has united into a strong sporting body both on and off the field. Also we believe, the first in the V.A.F.A. to have gained the services of two beautiful female trainers. These girls, Gaye Baddeley and Cheryl Fletcher, both wives of players incidentally, attended the V.F.L. Trainer's Course and became fully qualified for the arduous task of attending the players' injuries and pre-match preparation. This club is appreciative of their very hard work. It shows that success in our sport can be reached with the close-knit help of dedicated females such as these.

LOOKING BACK

by NOEL RUNDLE

5 YEARS AGO — 1972

South Australia trounced Victoria at Alberton Oval, Adelaide when they swept to a 31-point victory. After the first quarter S.A. were always in control.

Best for Victoria were Birrell, Beattie and Moran with goals coming from Shannon (4) and Beattie (4).

Caulfield Grammarians gave a wonderful display of football to topple previously unbeaten leaders, Ormond, by 12 goals and take top place on the ladder by percentage. Caulfield outscored Ormond in every quarter even though there was a strong wind.

D. Clark, Long and Morphet were best while Ladd (5 goals), Crumpton and Burney showed out for Ormond.

In a high-scoring 'B' Section game Old Trinity, 31.13, had a big victory over neighbour Kew, 16.12. G. Fellows (10 goals), Stephens (9) and Fletcher (Old Trinity) and Mitchell, Pearce and McEwan (Kew) were stars.

200 games to Col Glover (De La Salle) — congratulations from all at the club to Col whose career started in 1960 and also included valuable service on the committee.

A.N.Z. Bank (E Section), yet to break the ice, gave Old Ivanhoe (3rd) a scare when they went down by 3 goals in a first class game, 17.9 to 20.9. Best were G. Stevens, Cultriss, Walker (Old Ivanhoe) and May, Pickering and Male (A.N.Z.).

10 YEARS AGO — 1967

Old Paradians had won seven games in a row and were now three games clear — six teams were level in second place.

Kew (16.10) with a burst of 8 goals in third quarter, beat Old Scotch (9.19) who kicked 1.8 in the last quarter.

Peter Lucas (Collegians) and Bill Rodda (Parkside) played their 100th games.

Ormond beat Commonwealth Bank by 1 point — 'Gympie' complained that the umpire had been mesmerised by the Ormond grandstand.

Caulfield Grammarians, trailing Ivanhoe by 13 points at 3 time, kicked 2.6 to a point in the last quarter to win by 4 points.

25 YEARS AGO — 1952

Victoria 9.15 (69) defeated South Aust. 9.9 (63) at Alberton Oval (Adelaide).

Victoria led by 17 points at the last change. However half way through the last quarter S.A. hit the front but Vic. again drew level and the scores remained at 9.9 to 8.15 for almost five minutes until Victoria got a goal with only a few seconds to play.

Best were Russel (5 goals), Brady, Paton and Birtles.

Geoff Paul played his first senior game with Melbourne High — (Geoff later was captain-coach).

Old Melburnians and Ormond equal leaders with 7 wins and 1 loss, met at Wright Street in the match of the day, with Roy Alexander the umpire.

O.M.'s let down captain Peter Cox, playing his 100th game, as Ormond won, 8.7 to 3.15, with the rain pouring down all day.

Victoria's great win over South Australia

After a very even first half, Victoria broke away from South Australia in a magnificent third term of superb football to gain a 7-goal lead at the final change.

South got 2 goals early in the last quarter but Victoria steadied and held the home side at bay to score by 41 points.

To quote Gordon Campbell in The Adelaide Advertiser — "It seemed Victoria took adrenalin and slipped SA sedatives at half-time —. The Victorians found extra pace and made SA look sluggish as they slammed 9-1 to 1-2 in a match-winning third quarter".

It was goal for goal in the first half, with SA leading by 2 points at quarter-time and 5 points at half-time.

Both sides were inclined to over-do the play-on style and this led to many mistakes.

South edged away to a 17-point lead at one stage but Victoria hit back with two goals shortly before the interval and may have had another but foolish handball came unstuck and they lost the chance to lead at half-time.

Victoria opened the third with 3 quick goals before South Australia got one in reply. It was their only major success for the term.

Victoria were playing with much more confidence now, they were much faster and in fact were winning practically all over the ground.

They backed up well, creating the loose-man to perfection and SA cracked under the sustained pressure.

South could do nothing to stop the flood of goals and were 7 goals down at three-quarter-time.

Play was scrambly at the start of the last quarter but then SA opened up the game and scored 2 quick goals to give them an outside chance, but Victoria had no intention of letting it slip away from them and finished full of running to win very comfortably.

Victoria kicked 12-1 to 4-5 in the second half.

TASSIE'S GAME FIGHT

Victoria beat Tasmania by 32 points in the game at Launceston but the home side put up a game fight.

After a tight first term with Victoria gaining a narrow lead, the visitors added 5-4 to 1-5 in the second quarter to go to a handy lead of 32 points at half-time.

In the third quarter first one side then the other gained a break and Victoria were 33 points up at the final change.

Tassie made a bid for victory in the last term and the Vic's seemed to be tiring, but Victoria cut loose to score 3 quick goals and thus sealed the game.

CLUB RECORD AT PARKSIDE

Celebration day at Parkside today as Danny 'Ferret Head' Gleeson breaks the club record of 270 games. Danny has played most of his games in the Seniors and has had a long and successful association with the club. Winning the Best and Fairest and being our Reserves Capt./Coach for several seasons. At Parkside Danny is highly regarded although some of our own Parkside critics think he is getting a little long in the tooth but he answers them with his fine display of football ability. Well done Danny on reaching this important milestone for the club today and aim for your 300th game next season.

De La Salle congratulate coach Bernie Sheehy for "chalking up" his 50th game as our senior coach against Caulfield Grammar today. Bernie is a very popular figure around the club, and also a coach whose ability is well known throughout the Association. He already has a "B" Grade premiership to his credit, and let's hope he can add the club's first "A" Grade flag this year.

CENTURY TO PARKSIDER

All at Parkside congratulate Mel Carruthers on playing his 100th game today against Old Xaverians. Mel is a typical Parkside half-back flanker, he sees the ball, attacks it had then kicks to position. Well done Mel on reaching your 100th game. So make it one to remember.

150 GAMES TO VINTAGE EAGLE

David "The Mountain" Hurlay has played his 150th game for Marcellin O.C. with much the same style as he did some 10 years ago when he played as a schoolboy in our inaugural match against Frankston Y.C.W. in 1968. Although he is now clean shaven, opponents in Amateur ranks would remember Dave as looking like a bearded and erudite university student, which in fact he was. Dave's football career for Marcellin spans games played in our most successful years through the sections. A natural athlete, he seldom seems to tire and has held down every position in the goal to goal line along with being a great contestant in the ruck. Apart from being

Congratulations to Greg Stevens from Elsternwick on his 100th game today. Greg has been a consistent forward with the club leading the goalkicking in the seconds on numerous occasions. We look forward to many more games and goals from Greg in the future.

We also congratulate Gary Patience on his 50th game today. Gary has played most of his games in the ruck in the seconds and has proved to be a most consistent and valuable player. All at Elsternwick can look forward to more great games from him.

Old Trinity congratulates Pete Cumming on reaching his 50th game for the club against North Old Boys. Pete joined the club in 1974 and has given valuable service both on and off the field ever since. A small and skilful player, he has worked his way from the seconds to be a regular firsts player on the wing. He finished third in the seconds Best and Fairest voting in his first season and the following season was a member of the A Reserve Grand Final team. Pete had problems with a back injury earlier this season, but we hope that now he is playing again he will help lift the club. Well done, Pete.

DOUBLE CENTURY TO PARADIAN VETERAN

All round sportsman Hugh Ford plays his two hundredth game for Old Paradians against Geelong today. Hugh is a clever rover, who accelerates when he sees the possibility of kicking goals. This acceleration has earned him 342 goals to date. All but a handful of Hugh's games have been in A and B Sections. His Reserve appearances have usually been at the start of each season. In between football seasons he distinguishes himself as the Essendon wicket-keeper in District ranks. With Old Paradians, Hugh has played in four premierships sides (1966, '67, '68 in A Section and 1971 B Section). Congratulations on your achievements Hugh. We all look forward to many more great games from you.
