BALL BRIEFS

300 TO A.M.P. ORIGINAL

This afternoon, as Bruce Ferrall prepares for his 300th game of football with the A.M.P. Society, players, past and present, club supporters and friends will come together at Oval 10 as a sincere gesture of appreciation of 18 years' dedication by this club immortal.

Bruce, affectionately known as "Ferret", has played in most positions throughout his career. It is fair to say he will never become a recognised ruckman, but equally it must be said that in his heyday as a rover he had no peer. No other player in the history of this Club has been able to clear the ball from the centre with the same consistency as "Ferret" and there have been few to match his ability to absorb punishment.

Since playing in the Club's inaugural match in 1961, Bruce has amassed 300 out of a possible 316. He has played in 217 senior matches and 83 reserve games and along the way has collected 2 senior and 2 reserve Best and Fairest awards as well as 2 senior goal-kicking trophies, and he is only thirty-five!

Presently Bruce is Reserve team captain, Club Vice President and a Life Member. Paralleled with his playing career has been a continuing interest in club administration. As such his hours of dedication extend well into many a winter evening. For this the Club says thanks to him and his equally dedicated wife Lyn.

To its "number one son", the Club says a humble thank you for your dedication off the field and the pleasure you have given us all on the field.

Best of luck for today and the remainder of your distinguished career.

250 TO T.C.C. BACK POCKET

All at **Therry Corpus Christi O.B.** join in congratulating stalwart **Norm Buhagiar**, who today plays his 250th game since joining the Corpus Christi juniors. His strong play in the back-pocket and his uncanny ability to read the play has thwarted many opposition forward thrusts. Off the field Norm is also very popular and has served on many committees. Well done, Norm, and we all hope you play many games yet.

BIG DAY AT ALPHINGTON

Three players, **John Skerry**, **Chris Manley** and **Ian Sheldrick**, all reach milestones in their careers for "The Tons" today.

John Skerry plays his 200th game and this is quite an achievement for this small in stature but large in heart winger. Club Best and Fairest winner, Treasurer, Committeeman and Selector — all of which John has filled with distinction. But Alphington and the opposition know him most for his lightning dashes and

great ball control. Well done, John. Let's hope that No. 12 jumper is worn by you in many more games.

Chris Manley, stripping for his 100th game, is another held in high esteem throughout the V.A.F.A. as Club President, Committeeman, Selector and Player. It's a regular thing to see this trophy-winner play his heart out in the Reserves then run the boundary for the Seniors. Thanks for your outstanding contributions, Chris.

Ian Sheldrick, the junior of the trio, takes the field for his 50th game. A good clubman and player, he is currently firing at centre half forward and on his present form we can look forward to the next 50. Well done, Ian.

150 UP AT DE LA SALLE

Tenacious De La Salle player **Michael Bourke** pulls on the No. 3 jumper for the 150th time this week.

Injuries have prevented this big occasion happening before today but now that it has come about everyone at De La congratulates Mick, and hopes he can turn it on against the "Blacks" today.

150 GAMES TO ST. BERNARD'S STALWART

Ray King, St. Bernard's vice-captain, today plays his 150th game. Ray is a most determined player, having won this award four times in his career. He started with the club in 1970 and has held down many positions with distinction, especially on the back line. His achievements include playing in 1975 A Grade premiership side and State representation in 1977-78. All at St. Bernard's wish you well, Ray, and hope to see you make it to 200. Congratulations.

BLUES CENTURY

One hundred games at the **Melbourne University Blues** is an unusual event. Club rules state that a player must be a student or post graduate. However, a well-earned pat on the back goes to **Graeme Pleydell** on reaching this milestone in his career. He started his football with the "Blues" in 1971 with the Junior 2 side. The next season he was part of the 1972 Junior 2 premiership and since has represented the club both in Senior and Reserve matches. Off the field he has been a Committeeman and assists with pre-season team preparation. Graeme can't get very far from football even when he is off the field. For two years he was with the Junior Football Council, and is at present Promotions Officer with the Essendon Football Club. However, all of his time is not taken up with football and we were all thrilled when he recently took himself a wife, as the beautiful **Debbie** is a real adornment around the Pavy.

ONLY FIVE UNDEFEATED ORMOND, NORTH STILL "A" SECTION FORCES

By JAN HOWARD

With half the home and away fixture now completed only five teams still have the opportunity of winning the coveted "Champions" tag — Old Melburnians — both Seniors and Reserves, in B Section; Thornbury in F Section; C Reserve Sections Old Brighton and North Old Boys in Junior One. In each of the four other senior sections, the ladder leader has dropped only one game — University Blues (A); St. Kilda C.B.C.O.C. (C); Old Camberwell (D) and St. Bede's (E). Joint Junior Two leaders, Old Haileyburians and De La Salle have also only lost one match apiece.

Reserves sides Collegians (B), Geelong (C) Power House (D) and Beverley Hills (E) have also only been bettered on one occasion.

The "A" match of day last week between Univ. Blues and Old Scotch saw the Blues emerge victors by three points, and so take a two game lead. The Blues led for most of the day, but had to withstand a spirited attack from Scotch in the final term.

Ormond proved that they are still a force with a big win over St. Bernard's. Ormond are now fifth only a game behind De La Salle and Ivanhoe.

De La Salle led Ivanhoe by thirty-seven points at the last change and must have been counting the points. However they could only manage three behinds against Ivanhoe's seven goals one in the final term. This accuracy saw Ivanhoe emerge to take the four points by three. (and so thwart Ormond).

North Old Boys also consolidated their position only one game out with an "all-day" win over Marcellin who once again must be having relegation nightmares. These horrors were not dulled any by Univ. Blacks two goal win over Caulfield. To add to the anguish, however, the Blacks and Marcellin are still only two games out of the four (Good luck Michael Arnold!)

Collegians re-established themselves in second spot in B Section, and unseated Old Haileyburians when they met

last week. Collegians led most of the day to win by fourteen points.

Parkside are back in the four by virtue of their big win over Coburg, with a seven per cent break on Old Haileybury.

Old Melburnians proved too strong for Monash Blues and the Blues now have the task before them — being two games behind.

The day's thrills were provided by Fawkner and Old Trinity. The lead fluctuated at each of the breaks, with Trinity having the upper hand (by sixteen points) into the last quarter. Fawkner kicked five goals straight to draw level with Trinity at the final bell.

In C Section, A.J.A.X. over-ran previously undefeated St. Kilda to win by nearly eleven goals, having led all day (and thus proving Jim Fidge's faith in them). The margin would indicate a very disappointing performance — and one to be avenged this week.

Old Carey have finally made it — and in style — by defeating the third placed Old Brighton by nine points, having been eight points down at three-quarter time, and five goals down at half-time. Brighton badly need a win to-day, to consolidate their finals hopes.

Editorial cont. —

Geelong moved into third, on percentage, by virtue of their twenty-one point win over fourth spot holder Alphington, whilst Kew again proved their "nuisance" value by topping Old Ivanhoe and so keeping them a game behind the four figit.

Old Xaverians led Hampton Rovers comfortably all day to record a forty-five point win and maintain touch with the four.

D Section is still fairly wide. Erratic performances by several sides have meant that no-one is assured of a finals berth. Last week all margins were large, the closest being Melbourne High's seven goal win over Heatherton and State Bank's forty-four point win over West Brunswick. The other games saw Old Camberwell home by ninety-two points over Elsternwick; St. Kevin's by seventeen goals over University High and Power House by one hundred and six points over Country Colleges.

The E Section "surprise" was A.M.P. Society's twenty point win over Beverley Hills, in a closely contested game up till three-quarter time.

St. Bede's (section leader) and Bulleen-Templestowe (second) each scored comfortably — over A.N.Z. Bank and Old Mentonians, respectively.

Old Geelong moved back into the four when they defeated North Brunswick by twenty-nine points. La Trobe Blacks are only a game out of the four,

but missed the chance to boost their percentage last week against Brunswick.

Thornbury's ninety-nine point win over National Bank sees them undisputed F Section leader, ahead of Bulleen United, who kept in touch when they accounted for Therry.

Commonwealth Bank are now third, having defeated Footscray last week, whilst University Reds came back strongly after their rest to defeat Monash Whites.

Junior One leader North Old Boys scored a run-away twenty goal victory over Old Scotch to retain their unbeaten record.

University Blues slipped into second after their win over the Blacks. The Blues trailed by five points at three-quarter time but kicked eight goals in the final term.

Monash University are now third and Ivanhoe fourth following wins over Geelong and Ormond respectively.

Hampton Rovers led St. Bernard's comfortably all day to score by thirty-nine points and thereby moved into sixth position.

In Junior Two, Old Haileyburians and De La Salle shared "sweep" honours over West Brunswick and Caulfield and remain at the top, a game and a half clear of "draw clubs" Coburg and Kew. De La were the more accurate, however, notching thirty-three goals to O.H.'s thirty-two.

Old Paradians scored well over Therry after having led all day, and Fawkner moved up one spot after their victory over Melbourne High.

PREVIEWING TODAY'S GAMES

At the half way point, the Tipsters' ladder is no less interesting than those of the Sections.

Syd Whitfield is finding "the unknowns of F Section" remarkably "true". He has averaged just over 3 winners (out of a possible 4) for each of the 9 rounds so far. The Junior 2 draw last week enabled Peter Nathan to secure second position over D Section's Norm Nugent (by a slender 2 points).

Currently fourth place is held by Michael Arnold, but I am sure that Peter Brukner (seventh) will be hoping for a reversal of their positions now that they have swapped Sections. For the remainder of the season Michael will be tussling with A Section, whilst Peter will attempt success in Junior 1. (Peter feels he has the better of the bargain at this stage — but only time will tell.)

Jim Fidge and Brian Lauder, fifth and sixth respectively, have the job in front of them if they hope to overhaul the leaders; whilst rumour has it that Nugget Stephens would prefer the "Tattslotto Six" to the "Tipsters' Crown".

A SECTION

After half a season developing a bit of form in Junior Section 1 your tipster has been given his chance in A Grade.

Faced with the position that only two games separate the third and last sides in the competition, I'm sure there are going to be a power of games that are close and hard fought. Selecting winners is never easy but with the competition so close and intense there's sure to be plenty of mud in this tipster's eye before long.

Uni. Blacks meet De La Salle O.C. at home this week with the university side buoyant from their defeat of Caulfield. Tracey and Cordner are in good form but I don't think they will be strong enough to withstand the pressure of De La Salle O.C., who will be coming back hard after the defeat inflicted by Ivanhoe. Sheeky will be bound to have his team geared up for a morale-boosting win and I must select De La Salle.

Ormond meet Old Scotch in the game which should be the highlight of the round. Ormond handed out a thrashing to St. Bernard's in a game in which Bruce Bourne was back to his mercurial best with 8 goals. Because of their better percentage Ormond are knocking on the door of the Four and will be fiercely determined to win. Old Scotch, on the other hand, were great in their defeat by Uni Blues and have Mason in good goal kicking form. This is bound to be a hard fought match and I'm tipping Ormond with their home ground advantage to win.

Ivanhoe, cock-a-hoop after their gallant defeat of De La Salle, meet Marcellin, who received a severe drubbing at the hands of North O.B.

Ivanhoe realise that Ormond are breathing down their necks and realise that they must improve their percentage as well as keep on winning to stay in the Four. Sheppard, Jones and Stewart are in good form and should overcome the stout resistance that Marcellin are sure to provide. Marcellin are in the hot seat as far as relegation is concerned and must make every post a winner from now on.

North O.B., after a very slow start, are on the rise and displaying the power that took them to the top of the ladder in 1977. O'Connor has been playing excellently and received great support from his team mates. On the other hand, St. Bernard's are very much on the down after two crushing defeats and Coach Gus Mitchell, will have to pull something out of the box to get the Saints off the floor. Some of St. Bernard's stars of yesteryear seem to have lost a lot of their glitter and most of their determination so I can't see them knocking off the confident Northerners.

The final game of the round is that between Caulfield Grammarians and Uni. Blues. Uni. Blues had a tough game against Old Scotch and are bound to be feeling the after-effects. This will be to the advantage of Caulfield, who just failed against an improved Uni. Blacks. It was good to see a veteran, J. Butcher, in such fine goal kicking form last week. Uni Blues are bound to have a let down this week but Coach Salter should be able to produce the best from Sleeman, Curnow, Anderson and others to win out against Caulfield.

My selections are: De La Salle O.C., Ormond, Ivanhoe, North O.B. and Uni. Blues — MICHAEL J. ARNOLD.

B SECTION

We have reached the halfway mark of the season and what a great competition it has been.

I take this opportunity to congratulate the Old Melburnians Club on the magnificent performance of their team. Apart from their unbeaten record so far, the manner in which they play the game is a credit to the Coach and players of the team.

This week Old Melburnians take on the Fawkner Boys at Corder Oval. Fawkner showed improvement in their staying power to fight out a draw with Old Trinity last week. I have always been a keen fan of Fawkner, but I don't think they are ready to toss O.M.'s just yet. The leaders are doing it well under all conditions, so I'll go for Old Melburnians to win.

The ball officially approved for use in all V.F.L. matches since 1897.

SHERWIN

The name our game grew up with!

PREVIEWS (cont)

Parkside meet Collegians at Pitcher Park in what should be an extremely hard game. Parkside overcame the bad conditions to defeat a very young, well-disciplined Coburg last week. Collegians had a good win over Old Haileybury, so both sides will line up confidently. Parkside must keep winning at home if they are to take part in this year's Finals, so they will be quite desperate. Both teams can play a game right out, but I think the advantage of playing at home will tip the scales in Parkside's favour.

Old Trinity at home, meet Old Paradians in another difficult one to pick. I have not taken a trick with either of these teams so far. They are both capable of playing top football. I was very impressed with the way the consistent Paradians went about their game two weeks ago. The bye should not have hurt them so I will tip Old Paradians as the winner of this one.

Monash Blues play host to Old Haileybury at the University Oval. The Blues could not handle O.M.'s last week, but I know of seven other clubs who have had the same problem this season. Old Haileybury also lowered their colours to the Collegians last week and this will not go down too well with Coach Mike Porter. I have learnt from experience that it is dangerous to tip against Monash Blues when they are playing at home, so I'll select Monash to win.

The young Coburg side have the bye. This will give them time to get a few of their injured players fit again and back in harness.

I would like to congratulate them on the disciplined way they played last week. They should have learnt a lot from the game. Their Coach, Tony Holloway, has the answers, so they should listen to him and get on with the job of winning games.

Selections: Old Melburnians, Parkside, Old Paradians, Monash Blues — BRIAN LAUDER.

C SECTION

Well done, Old Carey! Richard Elliott will be intrigued to know that I very nearly tipped them last week. However, while Carey may be struggling to avoid relegation, this year's C Section is capable of more upsets with the second half of club games commencing today. The "four" is wide open — third to fifth placings — Geelong, Old Brighton and Alphington — separated by approximately 15%, and Old Ivanhoe and Old Xaverians only one game behind. Geelong has the edge in third place at this stage, having dropped only one game (to A.J.A.X.) in the last six. Old Brighton (my early flag favourites), in contrast, has slumped decidedly in recent weeks.

That was a top effort, A.J.A.X., in accounting for St. Kilda so impressively. Today, you must now dispose of Old Brighton at home if you are to move closer to arresting the top spot. And watch Old Brighton, who are at the crossroads. A loss to them will threaten

their final four hopes. I expect A.J.A.X., at home, to be far too good.

Geelong, helped greatly by the inclusion of brilliant former captain, Lyn Bullen, turned on its most significant quarter of football for years, last week. Alphington challenged Geelong mid-way through the third term and bounced to the lead early in the final quarter, after having been six goals down! Geelong rallied and, with Greg Trevaskis, previously unthought of, kicking much-needed goals, grabbed back the lead and went on to a good win.

Hampton beat Geelong at the David Reserve early in the season. I expect Geelong to reverse this result at Queen's Park today.

Old Carey — Old Ivanhoe. I have "won" with my tipping on Ivanhoe at last. I still think they are a good enough side to beat Old Carey. However, I must stick with winning form — Carey will win at Bulleen.

Old Xaverians are an enigma — down two weeks ago, up again last Saturday. St. Kilda may not be entering a slump, as I'm sure that their dedicated President, John White (congratulations on 300 games!) will appreciate last week's loss will prove "a needle" for the club. Maurie Bilston is a shrewd operator — I expect St. Kilda to be too good for Old Xav's today.

Alphington and Kew is a poser. Alphington impressed me last week with their splendid comeback — they notched eight out of nine goals kicked at one stage in the game to get in front. Skipper Ivan Bromley has "tons" of talent and leads his young team well. Kew are causing trouble to most sides, however, I feel Alphington will return to fourth place by winning today.

Selections: A.J.A.X., Geelong, Old Carey, St. Kilda, Alphington — JIM FIDGE.

D SECTION

At the half way mark the Section appears to be separating into two halves. Teams now placed from sixth to ninth have the task in front of them to make the finals.

Country Colleges await State Bankers, who play their second consecutive game in Royal Park. The Colleges acquitted themselves adequately last week (despite the marked scoreboard difference). State Bank has only a 1976 victory on the Western Oval to its credit. If Colleges have learned from last week and move the ball quickly to Larry Coates they will do well. Despite the good play of Peter Wynd, I see Colleges doing well enough to win as the game is at Royal Park.

Although Melbourne High School Old Boys did well last week and now are a real final four threat, I believe Old Camberwell Grammarians will have their measure today. McLardy is proving a reliable goal source for the Wells and their Brother sets: The Macraes and Stevens are giving the side drive each week. Old Camberwell should take the points and maintain top ranking.

Near neighbours West Brunswick and University High School Old Boys meet at the Ransford Oval. Neither side has given much inspiration to its followers of late. West Brunswick is my selection because its players are

PREVIEWS (cont)

more capable of winning the ball, moving it forward and scoring than are those of University High School Old Boys.

Elsternwick journey east to meet fourth placed St. Kevin's Old Boys. To assure victory, St. Kevin's players must produce a four quarter effort. My spies keep telling me of the talent in the Elsternwick side. Unfortunately the Wickers are not putting the score on the board and as a result I have to tip St. Kevin's to take the points.

Power House are at home to Heatherton, whose form and lack of consistency must be puzzling. Unfortunately Heatherton's press ban doesn't allow me to mention names. On the other hand I was impressed by the ability evident in the Power House side last Saturday. "Man Mountain" Bredyk and Coach Mike Perry generated a lot of drive around the ground. Rick Sykes is a focal point for the side. The stalwart Dakin Brothers believe Evans is a real dynamo and the scoreboard supports their assumption. I must select Power House to win and in so doing cement the double chance come September.

Selections: Country Colleges, Old Camberwell Grammarians, West Brunswick, St. Kevin's O.B., Power House — NORM NUGENT.

E SECTION

Only one team, Old Mentonians, let me down last week, and now they have a hard match coming up against their neighbours St. Bede's, who are determined to hold the top position.

Beverly Hills expected me to tip them last week, which I did in the paragraph, and then changed my mind in the summary which was 4 points to my advantage. Prove me wrong this week, because I say you will go down to Bulleen-Templestowe.

Old Geelong have brightened up their team work and have made a determined effort to get back into the Four. They will consolidate their position this week by gaining a victory over A.N.Z. Bank.

A.M.P. are looking towards the Four and had a good win last week, and should make it two in a row when they meet Brunswick today.

North Brunswick don't seem to be able to pull off the close matches, and they had the misfortune to lose points early in the season plus quite a number of injuries. They will not be strong enough for La Trobe Blacks.

Selections are: St. Bede's, Bulleen-Templestowe, Old Geelong, A.M.P., La Trobe Blacks — NUGGET STEPHENS.

F SECTION

Now for the return journey towards the main reason for all the trouble and strife.

Therry C.C. will be at home to the 'Fitites' and should have the necessary "g and d" to hold their position in the Four.

Uni. Reds play National Bank at the Royal Parade ground. The Bankers, despite what I said about them last week, have their fair share of big blokes and they are capable of playing good football. Perhaps a bit flatfooted at times — but who isn't? The Bankers are quite capable of winning this one and so remain a final four prospect.

Clayton and Monash Whites should provide a close match — not one that would attract a big attendance but this could be the highlight of the Monash season. However, I think that Clayton will have a faint edge.

Bulleen United at home to Thornbury could be a preview of a Grand Final and if Thornbury are going to fall over in their 1978 charge, this is the match. If Bulleen can match the Thornbury vigor and skill, and they should be capable of so doing if they have any hopes of leaving F Section, then today is the day. Should the Berries win, then, in the words of a famous club song, "the premiership is a cake-walk". Bulleen to win, and no offence meant to Smithy and his crew.

Selections: Therry C.C., National Bank, Clayton, Bulleen United, Commonwealth Bank — the idle mob. — SYD WHITFIELD.

JUNIOR 1 SECTION

After a frustrating nine weeks trying to comprehend A Grade form, I'm now faced with the task of tipping Junior Section 1. My predecessor tells me that it's a one-horse race, even at this early stage, but from what I've seen and heard, I don't think North Old Boys are the certainties that many people believe. Both Monash and Uni. Blues are improving all the time, but it remains to be seen whether they can continue that improvement.

Match of the Day sees Monash at home to the unbeaten North Old Boys. Monash will give North their hardest game to date and with the added advantage of their windy home ground, I'm tempted to start off my Juniors tipping career with a controversial prediction. However, I'll resist the temptation and stick with North. Their form last week was magnificent and they'll be too tall and strong for Monash.

Ormond travel to Geelong, determined to make amends for their loss last week, at Ivanhoe. Geelong are not far away from their first win as they showed in their last home game where they led Ivanhoe at three-quarter time. Another loss will put Ormond out of Final's contention and this should be sufficient incentive for them to scrape home.

Hampton Rovers had a good win last week over St. Bernard's and are confidently awaiting their clash today with Old Scotch. Scotch were totally overwhelmed by North's strength last week and got a sound thrashing. They will not have things all their own way today, but should win and consolidate their position in the Four.

Ivanhoe are at home to Uni. Blues in a game vital to both sides. Ivanhoe are out of the Four on percentage only and a win today would probably see them sneak in. Blues have finally taken second place and they will not give it up lightly. After their good form against

PREVIEWS (cont)

Hampton, they played poorly for three quarters last week before finally hitting their straps. Their backline of **Phimister, Nicholson, Gibb and Harbeson** is very steady and they should restrict Ivanhoe to a losing score.

Another vital game is at the University where **Blacks** play **St. Bernard's**. A loss today would put the Blacks well and truly on the way to Junior Section 2. They are improving every week and popular coach **Ken Frencham** has a very enthusiastic team. They played well for three quarters last week and if they can put together four quarters today they will beat disappointing **St. Bernard's**.

Today's winners will be: **North Old Boys, Ormond, Old Scotch, Uni. Blues and Uni. Blacks** — **PETER BRUKNER**.

JUNIOR 2 SECTION

The problems involved with being a scribe seem never ending and this scribe has been "barrelled" for comments made on June 10. There is no doubt in my mind that the Club administration at **Therry C.C.O.B.** is as good as that of any club and in fact far better than the administration for their Under 19 side. It is the responsibility of the home side to phone in the scores of their game.

The best thing **Therry** can do is concentrate on crossing the Yarra and beating **M.H.S.O.B.** today. They are 4½ games plus percentage outside the Four and must repeat

their first ever win in their first ever Junior game if they are to have any chance of making the Four.

De La Salle O.C. seem to be following the trail blazed by **Old Haileyburians** but they are not doing as good a job at percentage building. **West Brunswick** are away for the second week in a row and their coach has been working overtime to lift the side. **De La** to win but **West** will perform better than last week.

The message from the A.M.P. is that **Old Haileyburians** may have a few problems digesting their cut lunch while they travel to **De Chene Reserve** to play **Coburg**. The home side did well to draw with **Kew** last week and coming up for their second game in a row at home, will be really fired up to win. The visitors have the bigger side but they will be upset by the small game of the small men of **Coburg**. **Coburg** to cause the upset of the day.

Kew are at home to **Fawkner** and will be all out to make amends for their first round defeat. **Fawkner** had a taste of success last week and it was so good they will not give it up without a hard struggle. However **Kew** have the class and should win.

Old Paradians have taken fifth place from **Caulfield Grammarians** and now have the Four in sight. They have a distinct home ground advantage and should win, provided they can maintain their concentration.

Selections: **Old Paradians, Kew, Coburg, Therry C.C.O.B., De La Salle O.C.** — **PETER NATHAN**.

LOOKING BACK

by Noel Rundle

FIVE YEARS AGO — 1973

Caulfield Grammarians staged a reversal of form to beat Coburg by 51 points in the main game as the week before they failed miserably to St. Bernard's and lost their place in the Four. Best were Griffiths, McNicol, Morphett (Caulfield Gram.) and Warfe, Clark, Hibberd (Coburg).

Power House (C) crashed against St. Kilda C.B.C.O.C. by 19 points but held their place in the Four.

Top goalkickers were (A) G. Fletcher (C. Gram.) 32; (B) McCrohan (R.O.B.) 43; (C) Calleja (St. Kilda C.B.C.O.C.) 43; (D) Wayman (Alphington) 42; (E) Rosewarne (Elsternwick) 47 and (F) Thomas (Fawkner) 22.

Second bottom in B, M.H.S.O.B., after trailing second top team, Old Trinity, by 46 points, kicked 9.4 to 3.3 in last quarter to go down by 11 points. R. Harley (7), Sulberger and J. Woods led the M.H.S.O.B. revival with S. Emerson, Weir and Johnston best for Old Trinity.

Umpires' Association continued their heavy social night by following up dinner-dance at Eliza's with next outing: "Fight Night" HSV 7 Ringside.

Assumption, in telling their club history, paid tribute to the great work of Des Tehan and Matt Byrne, to Norm Nugent, Club Secretary since formation in 1963, and to the three Presidents, Frank De Neefe, Adrian O'Keefe and Maurice Beaumont who had seen the club rise from 'E' Section to 'B' Section.

TEN YEARS AGO — 1968

150 games to two prominent players — Ken Rowse (Ormond) and Peter Dryden (Caulfield Grammarians).

It was a day for crashes. Ormond lost their first game for the season — down by one point to De La Salle who were now level in 'B' Section in second place with Monash, U.H.S.O.B., Ivanhoe and Geelong. De La's coach, Peter McCormick, was overseas and their press correspondent doubted if 'stand in' coach Jim Hawkins, flushed with success, would give the job back. Best were Clastkowski, Janson, Whitelaw (De La) and Lad, Ferrier and Moran for Ormond.

Footscray Tech, also went down for the first time — by 10 goals to Old Geelong who moved into second place in 'C' Section.

A.M.P. Society scraped home by 2 points from Old Ivanhoe in 'E' Section and were now the only undefeated senior team.

'A' Section umpires were Hagarty, Mason, Pringle, Sharpe and G. Thomas.

'D' Section coaches were Darrell Cranch (Old Haileybury), Tony Bull (State Savings Bank), Frank Clarke (Toor-Malv.), George Rice (Parkside), Bryan Harding (Assumption), John Boyle (Brunswick), Ken Kenny (Fairfield), Bert Gaudion (National Bank) and Ross Oakley (St. Kevin's O.B.). Who coached A.J.A.X.?

TWENTY YEARS AGO — 1958

A record crowd for a home and home match at Olympic Park saw a thrilling finish between 'A' Section leaders, Collegians and Old Xaverians with Collegians finishing four points in front and holding on to top place. Collegians, 25 points down at half-time, kicked 6.3 to 1.2 in a blistering third quarter. The lead changed several times in final quarter with Old X. attacking as the siren blew. Mansfield, L. Hibbins and Unkenstein (Coll.) and Callan, Greenway and Johnson (Old X.) were best.

Old Geelong Grammarians hung on to their place in 'B' Section Four when M.H.S.O.B. failed by a point to overhaul O.G.C.'s last change lead of 33 points. Best were Laird, J. Stephen and Captain-coach, David Lee (O.G.G.) and Jocka Nelson, Geoff Paul and Scott (M.H.S.O.B.).

In the battle of top 'C' Section teams De La outlasted Parkside to win by 23 points with B. Teague, Nesbitt, Watts (De La) and Billington, Kiff and Dempster (Parkside) best.

Johnny Neeson, Ivanhoe B. and F. in 1957, played his 100th game.

Congratulations went to Brian Root, Roger Vines, Leo Hart, Denham Grierson, Dave Shaw, John and Michael Winneke, Dick Reeve and Ian Murray who gained selection in combined Australian Universities team.

THIRTY YEARS AGO — 1948

Jack Bray (Ormond coach) made a come-back and led his team to an unexpected victory against Coburg. Others to star were Erick Donaldson and Jack Sheehan.

University Blues (9.4) defeated Parkside (8.8) to score their seventh win and join Old Xaverians, Commonwealth Bank and Balwyn in the fight for third and fourth positions in 'B' Section. Brunswick and Parkside were on top with 9 wins.

BALL BRIEFS

PARKSIDE 100

All at Parkside would like to congratulate Ken "The Kid" McLay on playing his 100th game today. The Kid is one of the personalities of our club. Ken has won the Reserves Best and Fairest and is currently one of Victoria's leading dog trainers. Well done, "Kid". Let's hope there's many more for the parkside club.

100 TO U.H.S. STALWART

U.H.S.O.B. F.C. congratulate Peter "Barney" Marr on notching up his 100th game against West Brunswick. Peter first played with University High as a member of their Under 17 side. He has had a chequered career with the club where he has put in some great games.

"Barney" is also an active member on the social scene.

Once again, congratulations on your 100th, Barney, from all at U.H.S.O.B. F.C.

A.M.P. FORWARD'S 100TH

Ian "Barass" Henderson plays his 100th for A.M.P. today. "Barass" started on the wing in '72, got a sniff of the goals roving in '73 and filled in occasionally in front of the sticks. Converted to a defender for a season, he returned then to attack and after 7 and 11 consecutively, gained permanent promotion to senior ranks. Since then everything has been on the up with 51 and 58 in successive seasons. Possessed of a spectacular leap, Ian provides headaches in more ways than one for opposing defenders. One of the Hendo clan, Ian is very popular within the club and is looking for his fiftieth goal this season. Congratulations from all and let's make it today, "Barass".

All at Parkside would like to congratulate Gary "Abbo's Brother" Poyntz on playing his 50th game today. Gary has taken 6 years to play 50 games which is nearly a record for Parkside in itself. Gary is having a fine year for the "Red Devils" and his pending marriage might hopefully make him a fine player in the finals. Well done, Gary.

Peter Brace of the De La Salle O.C. Football Club has a double celebration today.

Apart from being his birthday, he also plays his 50th game in the match of the day against Haileybury.

His dashing play and lightning bursts of play result in many forward moves and are reminiscent of his Magpie protege Ricky Barham.

Congratulations to Monash Whites Reserves' Captain Phillip Gleeson on playing his 50th game today. Phil joined the Whites in 1975 and has played all his games in the Reserves, mostly at full back. Despite a broken leg in 1976, Phil has come back well, and also the whole club greatly appreciates Phil's efforts off the ground. He is a great clubman. Congratulations, Phil.

All at M.H.S.O.B. F.C. congratulate Howard "The Mole" Morgan on playing his 50th game for us against Heatherton. Howard is a very popular and loyal clubman who has played a number of fine games, both in the Seniors and Reserves. With perhaps a shade more application to training and a little restraint with the "Fosters" "the Mole" would be the champion befitting his ability. Well done, Howard!

THANKS TO ORMOND

St. Bernard's Football Club thank the Ormond Football Club Trainers who rendered assistance to Peter Maffi when he suffered a serious injury to his ankle in the second quarter. This courtesy is much appreciated.

"Herald" Phone Numbers

You may, again this season, dial DIRECT to the Amateur Football representative at the "Herald" Office. The numbers are:—
652-1892 or 652-1893.

If you have any difficulty, you should ring 63-0211 ("Herald" switchboard) and ask for extension 1892 or 1893.

RESERVE SECTION RESULTS — These must be phoned to the above number(s) Before 3.00 p.m.

SENIOR AND JUNIOR SECTION RESULTS — These must be phoned to the above number(s) Before 5.00 p.m. A fine will be incurred after this time. If results are not received at the "Herald" Office by 5.30 p.m., a further fine will be imposed.

Phone calls not directed to the above numbers may go astray. In this event, clubs will be regarded as having failed to phone in their scores and will be fined accordingly.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with BOTH Goal Umpires before ringing the "Herald", for the correct scores. Incorrect scores equal a fine!

The phoning of all scores to the "Herald" Office is the responsibility of the HOME CLUB.

BALL BRIEFS

Last week marked the 50th senior game for one of the **Commonwealth Bank's** greatest clubmen, **Greg Dunkley**, who is a life member of the club, has, this year, secured his place in the back pocket with his fine exhibitions of dashing play and his enthusiasm, both on and off the ground. Although not the fastest back pocket player in the game, his value is made up by his experience, teamwork and his vocal attributes. All at Commonwealth Bank wish Greg the very best.

Last week **Neil McGregor** played his 50th club game for the **Commonwealth Bank**. Neil has proved to be a most valuable player in the Reserves, on the forward line. He is the club record holder for the Reserves goalkicking and we anticipate him breaking his own record again this season. All at the Bank congratulate Neil and hope he will keep kicking bags of goals.

Bulleen United centreman **Rinaldo "Renna" DiVirgilio** finally played his 50th game for the club last week. Although in his 4th season with the club, "Renna" has been unfortunate with injuries and the tribunal which has delayed this milestone in his career with the club. This season has been his best. So far he has featured in the club's best players in every game. "Renna" was rewarded for his good service to the club by being selected vice-captain for this season.

Congratulations to **Greg "Fish" Salmon** and **Colin "Scratch" Earle** who played their 50th games for **Hampton** last week. Both players started with the Club in the Juniors and have been great triers for the club, both on and off the field. Great work boys and all at Hampton look forward to your 100th games.
