# BLUES THREE GAMES CLEAR OLD MELBURNIANS STILL UNDEFEATED DE LA JUNIORS BACK ON TOP

By JAN HOWARD

Last Saturday's round has left Old Melburnians — B Section — as the only undefeated Senior team. In the Reserves Section both Old Melburnians (B) and Old Brighton (C) are still unbeaten, as are North Old Boys in Junior One. Sweep honours went to De La Salle in Junior Two (again) when they won handsomely over West Brunswick and so regained top spot in the Section.

The day's thrills were provided by A Section's University Blacks, who, having an eight point lead over De La Salle at three-quarter time, could only manage one goal six in the last quarter to De La Salle's three goals two. The Blacks had to be content with shared points from a game that they could have won.

University Blues won well over Caulfield and have now established a three game lead over the rest. Old Scotch contributed to the Blues lead when they went down to Ormond by nearly nine goals.

My spies tell me that Ormond put on a magnificent display of team football all day. It certainly appears that they have pulled their game together and are now lying in fifth spot, two points out of the four.

Ivanhoe moved back into third place when they accounted for Marcellin, who must be having those relegation nightmares even more vividly.

The section's other slow-beginning — North Old Boys — seem to be back in step but are still sixth despite their nine goal win over St. Bernard's, who are starting to have those dreams too.

In B Section Fawkner looked set to overthrow Old Melburnians at three-quarter time. They had led at each change — the margin being sixteen points at the last. However, they were no match for O.M.'s onslaught in the final term scoring only three goals two to eight goals ten. O.M.'s emerged victorious by twenty-two points to retain their championship hopes.

Collegians will be looking forward to the 'Bye' today to regain some of the

form sadly lacking last week against Parkside, when they were held goal-less in two quarters. Parkside missed the chance of boosting their percentage however when they recorded an inaccurate nine goals fifteen behinds.

Old Paradians moved back into second spot when they scored shakily over Old Trinity by thirty-four points. They too were inaccurate though and amassed twenty-two behinds for the day (and sixteen goals).

A scoreless third term probably cost Old Haileybury the points in their match against Monash Blues. O.H.'s led by thirteen points at half-time, trailed by eight at three-quarter time and lost the game by two goals — and, thus, missed an opportunity to move into the four.

Alphington slipped into the C Section four when they proved too strong for Kew — particularly after half-time — and recorded an eleven point win.

Old Brighton's defeat by A.J.A.X. assisted Alphington's move. Scores were level at half-time in this match but A.J.A.X. emerged by twenty-nine points after a total of only one goal five had been recorded in the third term.

Geelong cemented their hold on the third spot with an eleven goal win over Hampton Rovers — who, if nothing else, were accurate. scoring five goals straight.

## Editorial cont. —

Old Carey's twenty-seven point win over Old Ivanhoe had a two-fold result. It allowed them to move off the bottom rung at last and virtually ended Ivanhoe's hopes of making the final four — they are now two games out. The Carey-Kew clash today should provide some excitement as the victor will have the better chance of avoiding relegation.

St. Kilda returned to the winning list with a 'bang' — recording an eighty-eight point win over Old Xaverians who could not match them at any stage.

Melbourne High Old Boys (D Section) provided the upset of the day when they held Section leader Old Camberwell goal-less throughout to win by eight goals. The Camberwell forwards will be out to avenge this humiliation today when they travel to Heatherton.

Country Colleges kept their finals chances glimmering when they defeated State Bank by six goals. (The defeat also cost State Bank their place in the four.)

West Brunswick returned to the winning list after a long run of 'outs' when they accounted for University High by thirty-one points.

St. Kevin's strengthened their place in the four when they scored by fourteen points over Elsternwick, who have become isolated in ninth spot.

Power House led comfortably all day over Heatherton and went on to score by five goals, thereby consolidating their hold on the number two position.

E Section's Old Geelong moved into third place when they won by eighty-six points over A.N.Z. Bank, after leading all day.

Late starters La Trobe are now seventh following their nine point win over North Brunswick, who have not regained their earlier form.

St. Bede's retained the top place when they led Old Mentonians for most of the day and won by forty points. They are still closely pressed by Bulleen-Templestowe who kept in touch by scoring over Beverley Hills (then third now fourth).

A.M.P. kept their hopes for the four alive when they defeated Brunswick by ten goals and so moved into fifth spot — out on percentage only.

Bulleen United staged the F Section upset when they bettered previously undefeated Thornbury by two goals. They led all day to do so.

Therry moved two games clear in fourth position when they defeated Footscray (by six goals) and University Reds accounted for National Bank by twelve goals. The Reds have improved recently — but have left their run too late it appears.

Clayton recorded their second win when they defeated Monash Whites again, this time by thirty-four points.

Junior Section One results saw North Old Boys again victorious, this time over Monash University. The margin of defeat cost Monash their place in the four.

Hampton Rovers defeated Old Scotch by two points. The closeness allowed Scotch to move into the four (replacing Monash).

Ivanhoe and University Blues changed places when the Blues went down to Ivanhoe by thirty-seven points.

University Blacks kept their hopes of remaining in Junior One when they accounted for St. Bernard's (eighth) by five goals, thus levelling their respective match points.

Ormond moved into sixth place when they scored handsomely over Geelong — despite a slow beginning.

De La Salle's big win over West Brunswick in Junior Two, together with Coburg's defeat of Old Haileybury, sees De La Salle back on top — a game clear.

Kew stayed with Coburg when they led Fawkner comfortably all day to record a seventeen and a half goal win over Fawkner.

Old Paradians' seven goals in the first quarter kicked them off towards their one hundred point victory over Caulfield, whilst Melbourne High scored seven goals in the second quarter (and none in the last!) on the way to their twenty-seven point win over Therry.

## PREVIEWING TODAY'S GAMES

### A SECTION

Your A Grade tipster made a bold showing with 4 winners and a draw in last week's round as the season starts to really hot up.

Uni. Blues remain safe and secure perched on top of the ladder — three wins clear of their nearest rival, whilst the other occupants of the Four are right under the hammer from the in-form Ormond and North O.B.

Uni. Blacks produced a marked improvement in form to tie with last year's premiers De La Salle. In fact, only poor kicking deprived the Blacks of victory.

Uni. Blues continued on their winning way with a strong win over improved Caulfield Grammarians.

Ivanhoe accounted for Marcellin in what was a hard fought game.

North O.B. inflicted a large defeat upon the out-of-form St. Bernard's who are now facing relegation.

Ormond who, with North O.B., are on the edge of the Four, demolished Old Scotch, who have now lost three games in a row.

This week's round produces two very interesting clashes, the first being between Uni. Blues and Ormond. The Blues, on top of the ladder and Ormond just outside the Four.

Bruce Bourne, Shane Dove and Chisholm are in great form for the "Monds" and shall keep the Blues under continual pressure.

The Blues have the advantage of their home ground which star forward Mick Sleeman plays like a treat. Both sides are high marking and fast but I feel that Ormond has more to gain with a win in this match and I'm tipping them to topple the Blues.

The other great match will be between Old Scotch Collegians and North Old Boys.

Scotch coach, Laurie Aghan, will be desperate to arrest his team's slide which is placing their position in the Four in jeopardy. Scotch's defence is proving vulnerable and North have brilliant forwards in O'Connor and Sheales who will take advantage of any slackness in the defenders.

I believe North will inflict yet another defeat on Old Scotch — to make the tussle for the Final Four more interesting.

Marcellin and Uni. Blacks meet at Marcellin in what will be a vital match with respect to the relegation of either team at the end of the season.

Uni. Blacks showed improved form against De La Salle whilst Marcellin battled very hard against Ivanhoe.

I fancy Uni. Blacks improved form will enable them to carry the day against spirited opposition from Marcellin.

St. Bernard's O.C. meet Ivanhoe at home with relegation to "B" grade staring them in the face after almost a decade in "A" grade.

On the other hand, Ivanhoe, up from "B" division and in the Four, are going from strength to strength. Sheppard has been in good form and this has given them added bite. However, Ivanhoe's experience down at the Saint's oval is limited and I pick St. Bernard's to overthrow them on Saturday.

A vital clash for De La Salle takes place against Caulfield Grammarians.

De La Salle's form has been very patchy over recent weeks and some of their star players have suffered a let-down since the interstate game.

They realise that a loss this week could have them out of the Four and this is sure to spur them on to better things. I believe they will defeat Caulfield, who have also lost their last two games.

My tips are Ormond, North O.B., Uni. Blacks, St. Bernard's and De La Salle — MICHAEL ARNOLD.

### B SECTION

Another round gone and Old Melburnians stand out proudly as the only unbeaten team in the Senior competition.

Today they journey out to Bundoora to tackle Old Paradians. This could be a danger game for O.M.'s. If they don't approach this game in the right frame of mind the Paradians will get to them. On their own ground Old Paradians are a real handful for any team. Everyone is waiting for Old Melburnians to put in that bad one. I don't believe this will happen. There are too many good players in their team to all fall on the one day.

If they are to be beaten it will be by a team that can out-run them and keep moving the ball to limit O.M.'s scoring chances. I doubt if Paradians can play this type of game well enough to win, so I will go for Old Melburnians to continue their unbeaten run.

Fawkner meet Monash Blues at the Mutton Reserve, Fawkner. The Fawkner boys went down to O.M.'s last week but they must have played well if the scores are any indication. Monash had a good win over Old Haileybury, so this should be a keen battle.

I keep referring to the big advantage some clubs have by playing on their own ground. Fawkner is one such club. I believe their game has lifted over the last few weeks and with their ground giving them an edge I will tip Fawkner to win.

## PREVIEWS (cont)

**Coburg** play host to **Old Trinity**. This game is vital to both clubs. They will be desperate for a win to get themselves moving up the ladder.

If Coburg have been able to get their injured players fit again over the bye week-end, it could be just the lift they need to tip the scales in their favour.

Both teams have to put in a bit more each week if they wish to keep taking their place in the winners' circle. I think Coburg can find that desperation needed to win this one.

**Old Haileybury** meet **Parkside** at **Keysborough** in what should be another keen struggle. The home team, after two defeats in a row will give everything to stop the slide. Parkside again adjusted to the very poor condition of their ground to score a good win over Collegians. I am convinced Parkside's game will be better suited to good conditions so their journey to Keysborough should be a welcome trip.

Haileybury play a similar run-on style of football so it should be a good game to see. I'll stay with the in-form team and go for Parkside to take this one out.

Collegians are making use of the Bye to have a practice match against **Therry C.C.O.B.** who have the Bye in "F" Grade. My tip is don't take Therry too lightly. You will be surprised at the top quality football they play in "F" Troop.

**Selections: Old Melburnians, Fawcner, Coburg, Parkside — BRIAN LAUDER.**

### C SECTION

Well, I have started the second half of the season more or less sensationally — 5 winners. However, I can't see myself maintaining this standard after glancing at today's draw.

Match-of-the-day is between top team **St. Kilda** and up-and-coming **Geelong**. Geelong rarely play particularly well at St. Kilda, however, it is playing better now than its form during recent visits. This year Geelong has handled the heavy grounds better than most Geelong sides that I recall. St. Kilda's ground will be heavy and this should not worry Geelong as much as in the past.

I thought Geelong should have beaten St. Kilda at Queen's Park early in the year; now it is playing better my bias leans towards it to beat the top side today.

**Old Xaverians** and **Old Brighton** are at the crossroads. (In fact, Old Brighton seem to be permanently there.) Both must win to keep alive chances of playing in the Finals. Old Brighton are in the horrors, while Old Xav's could not match St. Kilda last week. However, Brighton, even at the beach, will not provide similar opposition and I expect Old Xaverians

to notch a handy win to keep them near the Four.

**Old Ivanhoe** have slipped and will not be strong enough to test mighty **A.J.A.X.**, which has not put a foot wrong for weeks.

**Hampton Rovers** contested every inch of the way last week, but will find **Candy** and **Bromley** too hot handle out at **Alphington**. Alphington will win and strengthen their hold on that keenly countered fourth place.

**Old Carey** and **Kew** should be a clash full of entertainment. Neither team intends to be relegated, so today's situation spells desperation. Kew did well against Alphington last week and appear to be on the improve. Old Carey have won two in a row and with only pick. Frankly, I haven't a clue who will win — I would prefer to punt on a draw, but I must be positive and will favour Kew because they are playing at home.

**Selections: Geelong, Old Xaverians, A.J.A.X., Alphington, Kew — JIM FIDGE.**

### D SECTION

Last week's games added further interest to the competition. Again the top four changed composition. Congratulations to Melbourne High School Old Boys on their meritorious victory which enabled them to move into fourth place.

**Country Colleges** journey across Royal Park to meet **University High School Old Boys**. Percentage may prove vital to the Colleges' quest of the Finals. Providing **Ken Vipond** can generate drive and with **Maurice Mahony** doing damage around the packs, **Larry Coates** could manage a bag of goals. University High will be anxious to recapture its moment of glory, but I cannot see the home side taking the points.

Disappointing **Heatherton** await **Old Camberwell** whose first goal will doubtlessly raise a hearty cheer. **Peter Hutchinson** would have had a parched throat after last week's debacle. Heatherton have not adjusted to D Section and despite good play by the **Killens, Benning** and **Meeking**, the team is not winning matches. Old Camberwell should take the points today.

**Memo: Heatherton** — What about your team list?

Two of the lower ranked sides clash at **Elsternwick** when **West Brunswick** visit. The "Magpies" have slipped after a conspicuous start to the season. Elsternwick, according to my reliable informants, are a talented side who do not produce results. Today will be their day for a victory.

Giant killers **Melbourne High School Old Boys** return home to await **St. Kevin's**. A final position could reward the winner. The sides are fairly evenly matched on the season's performance. St. Kevin's forwards have been slightly more active. To balance this, Melbourne High have the home ground advantage. This factor, coupled with St. Kevin's failure to play out a full game, prompts me to select Melbourne High School Old Boys to win the game.

## PREVIEWS (cont)

**State Bank**, now out of the top Four, await **Power House** in a game between **Albert Park** tenants. Power House suffered eight injuries in their big victory over Country Colleges and their players will be fitter than they were against Heatherton. The Bankers' assets gain value at home. Despite their monopoly of Oval 4, I believe the Bankers will find a scoreboard deficit at the end of today's game. Power House, a big, strong and mobile side will prove too talented for State Bank.

**Selections: Country Colleges, Old Camberwell Grammarians, Elsternwick, Melbourne High School Old Boys, Power House.**

May I conclude with a big plea to the five home sides? Please phone your scores promptly today — **NORM NUGENT.**

### E SECTION

My tipping is improving, but so are my co-tippers. I have missed tipping the field by 4 points on one occasion, but made up for it last week by recording a perfect score.

**Brunswick** are struggling to score their second win for the season (the first being against A.N.Z. Bank) and today encounter second placed **Bulleen-Templestowe**. Brunswick have the home ground advantage but, on form, I must say that the visitors will prove too strong today.

**Old Geelong** have assured me they are going to be the second team to get a victory over the leaders, **St. Bede's**. If they can maintain the form they have shown the last three weeks they should be able to do it.

**A.M.P.** are very inconsistent and **North Brunswick** have not been very kind to me, but this week I will rely on North Brunswick to get me the points.

**A.N.Z. Bank** have the advantage of home ground but will not be strong enough for **La Trobe Blacks**.

**Beverley Hills** don't like me tipping them for a victory but on their home ground with the usual heavy going, they should get a comfortable win.

**Selections: Bulleen-Templestowe, Old Geelong, North Brunswick, La Trobe Blacks, Beverley Hills — NUGGET STEPHENS.**

### F SECTION

**Thornbury**, at home to **Uni. Reds**, could be a closer contest than the first time round. The Reds have won a couple of games and the Berries are shy of a few good players, but the odds about the Reds are still fairly long, so I'll pick the Berries.

**Monash Whites** will be hosts to the **Commonwealth Bank**, who will be keen to do some-

thing constructive about their percentage which, at the moment, will prevent them from improving on third place. The Bankers have a couple of hard matches following and a handsome margin over the Whites would be very handy.

**National Bank** are the roughies for a place in the Finals and a win against **Clayton** is essential. Fluff this and they might as well surrender and go surfing for the rest of the season. I think they have enough interest and are big enough to cope.

**Footscray** had a close encounter with **Bulleen United** earlier in the season and this game could be another good match. Bulleen play a good type of attacking football right from the back line and like plenty of space to operate in. They have a real chance of getting out of F Section this year and that is the hard part of Amateur football.

**Selections: Thornbury, Commonwealth Bank, National Bank, Bulleen United, Therry C.C.O.B.** have a chance to work on those bulges I mentioned a few weeks back — **SYD WHITFIELD.**

### JUNIOR 1 SECTION

An interesting round of matches last week saw North confirm their position at hot favourites for the flag with a big win over Monash, while Ivanhoe have emerged as the main threat after a good win, their sixth in a row, over Blues.

Today Blues should regain some of their confidence with a win over Geelong. The Blues high hopes for another Junior premiership received a setback last week at Ivanhoe where they folded after half time. They have a very talented side, but are losing concentration. However, they should be too good for Geelong.

**North** crushed Monash last week and are carrying all before them at the moment. **Hampton Rovers** also had a good win last week and will be desperate to keep their finals chances alive with a win over the top side. It will be a good battle but I can't see the Rovers getting up.

**St. Bernard's** hit rock bottom last week and today have to come up against Ivanhoe, whose form over recent weeks cannot be faulted. They have a big, strong side and will be after a percentage booster out at Essendon today.

Looking at their respective positions on the ladder, **Scotch** should have an easy win over **University Blacks** at Scotch today. However, Scotch's form over the past few weeks has fallen away badly, while the Blacks, after a disastrous start to the season, are now combining well and I think they might surprise the home team.

**Monash** have been up and down like yo-yos this season, so who knows what will happen when they visit **Ormond** today. Ormond, fresh from a good win last week, must win today to stay in the race while Monash badly need to

## PREVIEWS (cont.)

restore their confidence, so badly shattered last week by North. It's anyone's game and when in doubt I always go for the home side, so it's Ormond to win.

Today's winners: Uni. Blues, North Old Boys, Ivanhoe, Uni. Blacks and Ormond — PETER BRUKNER.

### JUNIOR 2 SECTION

Well done Coburg, and this scribe hopes that your good win will be an incentive to your Seniors. Come on Therry, I am sure you will cause a few upsets before the end of the season. De La have displaced Old Haileyburians at the top and today's game between these two sides promises to be a preview of the Grand Final.

Old Haileyburians have the home ground advantage and with players Lynch and McDonnell in top form we can expect a great game. De La Salle O.C. have been working hard under Colin McDonald and it is reasonable to assume that they will not take this game lightly. Assuming that Colin will not be calling in "stand-in" coach Hawkins, I select De La to win.

Coburg visit neighbours Fawkner, who are struggling to maintain contact with the Four.

After their good win last week, one would be foolish not to select the visitors.

Therry C.C.O.B. play host to the boys from Kew in what may well be a close game. The visitors were my "jinx" side for most of the first round and the hosts may well turn out to be my problem side of the second round. Kew obviously have the form, but I am going for Therry because I believe they are due to pull something out of the bag.

Caulfield Grammarians are at home to M.H.S.O.B. and will be "all out" to maintain their contact with the Four. M.H.S. had their second win against Therry last week since defeating Caulfield in the second game of the first round. I fancy that the results will be reversed today.

West Brunswick had another disastrous defeat last week and await the arrival of Old Paradians. The visitors must win to have any chance of making the Four and are my choice.

Selections: Old Paradians, Caulfield Grammarians, Therry C.C.O.B., De La Salle O.C. — PETER NATHAN.

# LOOKING BACK

by Noel Rundle

## 5 YEARS AGO — 1973

Ormond completed the cycle of beating every team in turn when they finished 23 points to the good against North Old Boys — ninth win in succession with their only defeat for the season being by North in the opening round. Bourne, Graham, Curtis (Ormond) and Murray, Peasnell, O'Connor (North O.B.) were best.

Parkside continued their great form in 'C' (9 wins 1 loss) with a 67 point win over Old Melburnians who were in fourth position. Stars were King, Hayes, Wiseman (Park) and Weir, Cloke, Dick (Old Melb.).

150 games to Mick Johnson (A.M.P.), John Rigby (Old Hailey) and 100 games to 'Mafia Mike' (O.G.G.), Phil Simon (St. Kev's O.B.), Ray Moore (P'side).

Coburg also praised forward Peter Callesen who played his 100th game against Ormond today. Two years ago Peter had a serious knee injury but a successful operation and a year's rest worked wonders. Peter's marking ability and strength had made him a very valuable player for Coburg.

Only undefeated teams were Ormond (A Reserve), U. Blacks (B Reserve) and Coburg (Junior 2).

Old Brighton (C) kicked 22.22 to U.H.S.O.B.'s 11.13. Best were Agar (11), J. Shepherd (5) and D. Wood (Old B) and J. Griffin, Flavel, Boag (U.H.S.O.B.).

## 10 YEARS AGO — 1968

St. Bernard's skipper Geoff Tobin played his 100th game. Doug Puddy of the Alphington football family recorded his 150th game with the club as did Julian Prendergast with St. Kevin's O.B. and Tony Fink with Old Carey.

'Gympie' noted that in the Reserves Jim Carroll broke down and it looked like the end of a playing career that started in 1947. He was replaced in the last term by that recruit Alan Kirby (only 38 years old)! (Jim Carroll won three Association best and fairest awards.)

Perhaps Gympie was a little overcome as, despite Commonwealth's Bank's highest score for some weeks, 12.11, they were annihilated by Monash Uni. who kicked 22.7 with 8 goals straight in the second quarter. Malcolm (11 goals), Rattray (4), Home (4) starred for the students while Borrack, Edwards (6) and Ventura (4) kept Bank in the game.

Melbourne High, ninth with 18 points in 'A' Section, but only 6 points away from fourth position, defeated Uni. Blacks by 3 points. High kicked 1.6 in the last quarter to Blacks 5.4 and were lucky to scrape home.

West Brunswick, bottom in 'C' Section and battling to avoid relegation, were unlucky to lose by 5 points to Power House (5th). Allen, Lewis and Murray were good players for West Brunswick.

## 20 YEARS AGO — 1958

Victoria, after trailing Sth Australia by 13 points at last change, finally triumphed by 4 points with a goal scored seconds before the final siren. Best for Victoria were Law, Nelson, Grant, Capes, Stokes, G. Hibbins. Victorians selected to play in Australia Amateur team as part of ANFC Centenary Carnival were Geoff Hibbins, Leigh Grant, Ian Law, Noel Stokes, John Winneke, Les Eldering, Alan Pinkus.

Ormond (7th) surprised Old Xaverians (3) with an all the way win by 29 points in very windy conditions. It was Ormond's best performance for the season. Sonneleitner, Man, Kilmorgan (Ormond) and Burnes, Carroll, Sanders (Old X) were best.

A.J.A.X. congratulated Dave Burston, nippy little rover who marked sensationally over a pack of six footers — also kicked 5 goals too.

Brunswick (6th) (C) trailed Parkside (2nd) until the last change, and then attacked continually in the last quarter to win by 4 points. Strachan, A. Diggerson (B'wick) starred while Kane, Coventry and Biff held Parkside together.

Old Melburnians welcomed back state star winger, Bryce Thomas, who had been out of the game for almost a year through illness. His absence had not dimmed his pace which was an important factor in Old Melburnians' win over Ivanhoe.

## 30 YEARS AGO — 1948

'A' Section coaches were Jack Ross (Ivanhoe), Ray Martin (Malvern), John Atkinson (Uni. Blacks), Gus Dobrigh (Old Scotch), Ted Poole (M.H.S.O.B.), Jack Bray (Ormond), 'Bos' James (Hampton Rovers). Who coached Coburg, Old Melburnians and Collegians in 1948?

# BALL BRIEFS

## HAMPTON ROVERS 200

All at Hampton Rovers would like to congratulate John "Slag" Macnish on playing his 200th game for the club. "Slag" started in 1964 and came through from the Under 19s to establish himself in the Seniors — his speciality being his accurate drop kicks! His hard work is evident on and off the field, winning a "Most Consistent" award and "Best Clubman" twice, a committeeman for 9 years and club delegate for 3 years.

The club greatly appreciates John's keenness and dedication and his many friends at Roverland would like to say, well done "Slag" — a great clubman.

## 150 AT ELSTERNWICK

All at Elsternwick would like to congratulate Gary "Lumpy" Rosewarne on playing his 150th game today. Lumpy has been with Elsternwick for a number of years and is popular with all concerned at our club and is also an identity on the field with players and supporters of opposition clubs. Once again Lumpy, congratulations and may there be many more games to follow.

## CENTURY AT OLD BRIGHTON

This week, congratulations are being handed out at Old Brighton to one of the club's better known characters and players. His name is frequently mentioned in inevitably sensational, if not always complimentary terms, and he has never been known to remain silent for longer than a few seconds. Whether calling for the 'sky ball' under the lights of the Beach Oval, imitating the mannerisms of well known sports commentators, or informing anyone willing to listen of his amazing performance a couple of weeks ago when he kicked the sweep in the Reserves game by scoring every one of the side's six goals, this fellow never fails to make his presence known. On the field his somewhat extrovert manner again exerts itself, usually in the form of kicking goals or offering advice. In fact his goal kicking form is such that he is leading the Reserve Section goalkicking and enjoying a very good season of football. The man is of course Peter Latzer and the club's congratulations are extended to undoubtedly its most popular player, who today plays his 100th game.

## 100 TO FAWKNER BACK POCKET

Peter "Frosty" Smith will pull on his No. 12 jumper today for the 100th time to represent Fawknier in their match against Monash Blues. "Frosty" has been at Fawknier since they joined the Amateurs 6 years ago, playing in all their Grand Final teams. Initially he started his career as a winger, then had a stint as rover, but over the past 3 seasons has developed into a back pocket specialist (being judged Best Player in the 1976 and 1977 Finals). Frosty is also an active social worker within the Club. All at Fawknier would like to congratulate Frosty on reaching this milestone in his football career.

## TWO CENTURIES AT MONASH

Congratulations to Ken Rosenheim and Chris Moore who, in recent weeks, played their 100th game with Monash. Both commenced their Amateur football career with Monash Juniors in 1972. Ken went on to play three seasons with Monash Whites, then joined Chris in the Blues in 1976. Over their six seasons with Monash they have won numerous club awards, including Best and Fairest. Both played inter-club football and Chris played interstate football against Tasmania in 1977, and this year the Monash club is proud of both Ken and Chris, and the Committee and team members wish them well in the future.

## O.H.'s RUCKMAN'S 100

Today sees Old Haileybury's ruckman and vice-captain, John Houghton, play his 100th game for the club. "Ocka" first played in 1971, and since then has been one of our best players. He won the C Section Best and Fairest award in 1972, in which year he also won the club's Best and Fairest award, and gained his first State selection. He also won the club's award last year, and played in the State team against South Australia a few weeks ago.

Congratulations from us all, John. Let's hope there is another 100 still to come.

Congratulations to Jeff Rosewarne who plays his 50th V.A.F.A. game with Power House today. Jeff already has the outstanding achievement of winning the "Bluey Truscott Trophy" for the Best and Fairest senior player in his first year out of junior ranks. As a ruckman he frequently is at a height and weight disadvantage but he is an excellent judge of a mark and a great team player. One of our most valued players, his "mechanical legs" appear tireless as he puts in a consistent performance every week. Congratulations and best wishes for another good game today, Jeff.

Congratulations are extended to Old Brighton's Bruce McClure who plays his 50th game today. Bruce, one of the senior side's prime movers and on whom a great deal depends, is one of the several very good young players who have contributed greatly to the Club's recent success. A true utility player, "Macka" has been given the job of holding down several problem positions this season and he has done everything required of him with consistent success. A man who never puts in a bad game, he is an example to all during the Club's present lean period and everyone at Old Brighton heartily congratulates him on today's achievement.

Congratulations to Nigel "Boofa" Officer, who notches up his 50th game with Old Geelong today. One of the real high flyers at Como, he usually caps his "screamers" off with one right through the hi-diddle-diddle! "Bewdy, Boofa!"

## "Herald" Phone Numbers

You may, again this season, dial DIRECT to the Amateur Football representative at the "Herald" Office. The numbers are:—  
652-1892 or 652-1893.

If you have any difficulty, you should ring 63-0211 ("Herald" switchboard) and ask for extension 1892 or 1893.

**RESERVE SECTION RESULTS** — These must be phoned to the above number(s) Before 3.00 p.m.

**SENIOR AND JUNIOR SECTION RESULTS** — These must be phoned to the above number(s) Before 5.00 p.m. A fine will be incurred after this time. If results are not received at the "Herald" Office by 5.30 p.m., a further fine will be imposed.

Phone calls not directed to the above numbers may go astray. In this event, clubs will be regarded as having failed to phone in their scores and will be fined accordingly.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with BOTH Goal Umpires before ringing the "Herald", for the correct scores. Incorrect scores equal a fine!

The phoning of all scores to the "Herald" Office is the responsibility of the HOME CLUB.

### V.A.F.A. MEETING

Club Secretaries and Delegates (Members) are reminded that the next meeting of the Association will be held in the Settling Room of the Victorian Club, 141, Queen Street, Melbourne, at 8.00 p.m., on Monday, July 3rd.

Clubs are entitled to be represented by only one Delegate (Member) but repeated failure to be represented will incur a fine, or possible expulsion from the Association.

Make sure your club is represented.

### BALL BRIEFS

Congratulations to **Jim Monaghan** on playing 50 games for **St. Bernard's**. Jim started with the Juniors in 1976, playing in the Grand Final side beaten by a point. In 1977 he was Vice Captain of the Juniors but missed the Premiership as he was needed in the Firsts on that day. Jim has won two Second Best and Fairest trophies and has shown plenty of determination in the Firsts this year. Well done, Jim.

Old Trinity congratulates **Greg Jones** on reaching his 50th game for the club against Old Paradians. Greg joined from South Croydon in 1975 and has given the club valuable service as rover, centre and back-pocket in the Firsts. A "nuggetty" small man, Greg is not afraid to burrow in and win possession. This determination makes him a very useful player. Unfortunately, Greg's 50th coincided with an injury, but hopefully he'll be back in a short time and regain the good form shown in the last few weeks. Well done, Greg, from all concerned with O.T.

### FORTHCOMING MATCHES AT ELSTERNWICK PARK

July 1 — St. Bernard's O.C. v Ivanhoe

July 8 — Ivanhoe v Old Scotch Coll.

July 15 — Ormond v North Old Boys

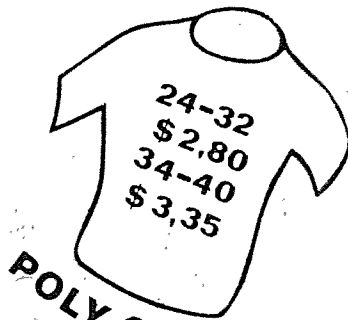

July 22 — De La Salle O.C. v Old Scotch Coll.
