# OLD PARADIANS CONQUER BLUES JUNIORS FEAST MOST SECTIONS STILL WIDE OPEN

By JAN HOWARD

The question that has been asked around for several weeks now has finally been answered. "Was there a B Section team good enough to topple Old Melburnians?" That answer is YES! Just ask Parade! My spies have told me that Paradians coach Brendan Danaher had been planning the coup for a week — to the exclusion of all else. Not only did Old Paradians win but they came from nineteen points behind at the last change and kicked seven goals straight to do so.

Junior One team University Blues had a goalkicking spree at the expense of Geelong — recording a huge two hundred and eighty-six points and boosting their percentage by nearly thirty-eight.

The "un-highlight" of the day was the abandonment of the game between Junior Two leaders De La Salle and Old Haileyburians early in the last quarter — a most unfortunate occurrence.

Back to the more mundane! A Section leaders Univ. Blues remained three games clear when they accounted comfortably for Ormond — and so, temporarily at least, halted that club's dash for the four.

Old Scotch regained momentum and retained second spot with a timely win over North Old Boys — also charging towards the four recently.

De La Salle came back with a vengeance after the draw with the Blacks, to run away from Caulfield and score convincingly by sixteen goals.

Ivanhoe clung to third place with a narrow five point victory over St. Bernard's (after trailing for most of the day). The defeat puts St. Bernard's in last spot and intensifies their nightmares.

Marcellin moved out of the hot spot and up to seventh with an eight point win over the Blacks. The scores indicate, however, that Marcellin lost much of their drive in the last quarter.

Parkside — B Section — after leading by sixteen points into the last quarter — could only manage a single scoring shot to Old Haileyburians' seven scores and must be considered fortunate to have escaped with shared points.

Old Trinity led Coburg comfortably all day to record their second outright

win for the year — by one hundred and forty-three points.

Fawkner's seventy-six point win over Monash severely dented the Blues hopes of taking part in this year's finals. They must come home strongly from here if they are to figure prominently.

Hampton Rovers trailed Alphington by seven points in their C Section clash and respectively positions would have pointed to an Alphington victory. But the Rovers came home the better (aided by the 'Ton's sudden inaccuracy) to win by fourteen points and so keep the competition more interesting.

Geelong withstood a valiant last quarter effort from St. Kilda to win by five points and so consolidate their place in the four.

Old Xaverians proved that they are still in with a chance when they bettered early leaders Old Brighton, but they must keep winning — their poor percentage will be of little assistance to them.

A.J.A.X. snaffled the Section's top spot when they defeated Old Ivanhoe by only nine points, after having led by five goals at three-quarter time.

The "battle-of-the-bottom" saw Kew emerge as the convincing victor and so relegate Old Carey to tenth spot once

## Editorial cont. —

again Carey rallied after half-time, but the damage was already done and they could not overhaul Kew's ten goal lead.

D Section's "upset" was the defeat of Old Camberwell by Heatherston — by five points in a game where only points separated the two for most of the day.

Power House moved into joint leadership when they accounted for State Bank by sixteen points after leading comfortably all day. Power House, presently, are deriving much of their success from their ability to start well thus establishing a big lead for the other side to conquer.

St. Kevin's consolidated their third place with a big win over Melbourne High after a tightly fought first half.

Country Colleges gave their poor percentage a boost when they defeated University High by eleven goals, although they did let the 'High Boys' in a little during the third term.

A good second half saw Elsternwick run away from West Brunswick and finally emerge victorious by sixty-three points.

After a very slow beginning La Trobe Blacks, in E Section, are now fifth, with a definite chance of making the four. Their one hundred point win over A.N.Z. Bank rocketed them into contention last week.

Old Geelong's rather dismal showing against leader St. Bede's has put them in the hot seat — only percentage is keeping them in the four at the moment.

Bulleen-Templestowe's nineteen goal win over Brunswick kept them in touch

with St. Bede's and firmed their hold on the number two spot.

Beverley Hills moved into third place when they accounted for Old Mentonians comfortably, despite a slow start.

A determined North Brunswick denied A.M.P. the chance of moving into the four when they led all day to win by nine goals.

In F Section, Thornbury scraped home by a goal against University Reds to hold top spot — aided by Footscray's draw with Bulleen United — who are now two points behind in second place.

Commonwealth Bank consolidated third place when they comfortably disposed of Monash Whites, whilst Clayton made things very difficult for National Bank when they scored by three points to record only their third win.

Big wins were the order in both Junior Sections. Monash Univ. are now sixth following their loss to Ormond who have moved into fifth place — a game out.

North Old Boys are still undefeated — last week Hampton Rovers were the victim.

Old Scotch led Univ. Blacks all day, as did Ivanhoe against St. Bernard's.

In Junior Two Kew led Terry comfortably to score by seventy-five points. Coburg moved into provisional second place after their big win over Fawkner, and Old Paradians maintained fifth place with their victory over West Brunswick. Caulfield's twenty-two point win over Melbourne High enabled them to hold sixth spot, but they are a long way from the four at this stage.

## PREVIEWING TODAY'S GAMES

### A SECTION

Modesty and honesty deem that I make it clear that I tipped one winner from last week's games after I had carried on about my success in the previous round. Success is short-lived. Uni. Blues, assisted by Cortese (6 goals) and Hogar (4 goals), proved far too talented and strong for Ormond, who seemed very slow on the day.

Old Scotch came out of a mini-slump with a clear win over North O.B., who were kept under pressure all the day long. Bates (O.S.) has returned to his best form and dominated the play throughout.

Marcellin lifted themselves off the bottom with a good and determined defeat of Uni. Blacks, while De La Salle returned to their best form to thrash Caulfield Grammarians.

St. Bernard's showed much of their old determination and were a little unlucky to lose to Ivanhoe in what was a close, tense match all day.

Today's games find North O.B. in the hot seat again when they have to face up to Uni. Blues. North O.B. were a little disappointing against Old Scotch and wilted under pressure. North are aided by their home ground this week but Uni. Blues coach, Salter, has them in such fine form I must tip the Blues.

Ivanhoe meet Old Scotch in what should be a very tight and strong game. However, Scotch, with the return to form of Bates and the continuing good form of Mason, should prove too brilliant for Ivanhoe. Ivanhoe were out of touch last week and just fell in on the bell which was not good enough for a team with premiership hopes.

De La Salle meet Marcellin at home following their resounding victory against Caulfield. Special mention should be made of the effort of A. Groves (D.L.S.) with his 12 goals, really a magnificent effort and Marcellin will find him difficult to cover today. De La Salle's form has been indifferent recently but their morale has no doubt been lifted greatly now. I think they will be too strong for Marcellin, who will prove lively opposition after their first taste of victory for some time.

Uni. Blacks meet St. Bernard's at the University Oval in what is a vital game for both teams who are still in the position to sneak into the Four but who yet could be relegated. Uni. Blacks' form had picked up prior to the Marcellin game and no doubt will provide stern opposition to St. Bernard's who at least appeared to turn the corner against Ivanhoe. The Saints battled hard all day and seem to be only a touch away from regaining their form with some of their stalwarts in King, Aughton, and Doolan on the improve. I'll tip St. Bernard's to win this one.

The final game of the round is between Caulfield Grammarians and Ormond. Both sides will be anxious to avoid defeat, particularly Ormond, who are pressing for a place in the Final Four. Both sides were soundly defeated in the last round but the more experienced players of Ormond should make sure that Caulfield do not get under their guard and steal the points at this vital stage of the season.

It seems that at this stage of the season the only team that can afford any kind of a slip in form are the Blues, who are sitting pretty on top of the ladder — 3 games clear of the nearest rivals.

Last week's games secured the places to some extent of the other teams in the Four but the next couple of rounds will be decisive.

My tips are: Uni. Blues, Old Scotch, De La Salle, St. Bernard's and Ormond — MICHAEL ARNOLD.

### B SECTION

Last Saturday was certainly the day for upsets. At long last the mighty Old Melburnians have been toppled.

My congratulations to Old Paradians team and their coach, Brendan Danaher. You have done everything right for weeks now and deserve the praises bestowed upon you.

It must have been a top class game with Old Paradians' accuracy in front of goal having a telling effect on the result.

It also brought the best out of Ian Cordner with a great 7 goals.

Old Trinity settled the issue at Coburg and Old Haileybury stopped their slide by forcing a draw against Parkside in a top pressure game.

This week the new glamour team of the Section, Old Paradians, journey out to Fawkner. This will be the match of the day. Old Paradians are playing at their best while Fawkner really turned it on for a big win over Monash Blues.

Both teams are running hot and on their own ground Fawkner are very hard to beat. By now everyone should know the great respect I have for the Fawkner Club, so the biggest compliment I can pay the Old Paradians is to tip them to win over Fawkner at Fawkner.

Old Trinity, after a crushing victory over Coburg, take on the Collegians. Trinity will be keen to keep on with the job of winning and I feel they are unlucky to meet up with Collegians this week. After a week's rest, the Collegians side should line up very strong and take this one out.

Old Melburnians may be just a bit lucky to be playing host to the young Coburg side. If a lack of concentration has crept into the

O.M.'s game, they have a chance to steady and get back on line against Coburg. The Coburg side has a lot of work to do if they are to lift and I can't see them improving fast enough to trouble the leaders this week. I will go for Old Melburnians to win this one.

Monash, the danger side when they are at home, meet Parkside at the Blues University Oval. Parkside, who appeared to be heading for a win last week, let the chance slip and held on for a draw. The Parkside game is a first class game but they must keep working on their weaknesses if they wish to stop losing games they should win.

Monash Blues have taught before it is dangerous to tip against them on their own track. Parkside are twice as hard to defeat after a set-back, so I will stay with them to sort out their problems and just get in over a stubborn Monash Blues.

A word of encouragement to Russ Fitzgerald. Just keep going the way you are. Our friends in white will start to look after you soon.

Old Hailleybury, who, at this stage, are going along nicely, have the bye. This should help them to get a couple of their big guns back into the team. Well played Mike Porter. You are going to be at top form come Finals time.

Selections: Old Paradians, Collegians, Old Melburnians, Parkside — BRIAN LAUDER.

### C SECTION

C Section has developed into a cut-throat competition with surprises galore — only the Coldrey Brothers would have expected Hampton Rovers to knock off Alphington last week!

And some people rated Geelong only a rough chance against St. Kilda Old Collegians.

New top-of-the-list side A.J.A.X. appears to be the team to beat for this year's flag. However, that does not mean they are by any means certain. They have been known to waver — Old Xaverians tossed them back in May. So, perhaps, more surprises will be in store for the important seven remaining weeks.

Today, A.J.A.X. will be too good for Kew at Albert Park. A.J.A.X. must retain its winning sequence to hold top spot. Kew will, undoubtedly, offer plenty of resistance — but A.J.A.X. will take the points.

Alphington are a mystery — beaten by Hampton Rovers. Well done, Rovers, on your determined come-back — a fine achievement.

However, I expect Alphington to remain in Final Four calculations by beating Old Carey at Alphington today.

St. Kilda and Geelong staged one of the "classics" last week, with both teams playing superbly. My apologies St. Kilda for my ill-advised comments about your "muddy ground". I am amazed that the ground can recover so splendidly from 1977 memories — the surface was like a bowling green.

Geelong's win put them right near the top, but St. Kilda should not panic, as the game could have swung either way. Today, the talented St. Kilda team will return to winning form and defeat Hampton Rovers.

Old Xaverians, close to the Four despite its disappointing percentage, will be tested by Old Ivanhoe, an inconsistent performer. Old Ivanhoe ran A.J.A.X. to a handful of points last week and can be expected to test Old Xav's, who will be looking for another win.

I fancy the Old Xav's to win this one at Yarra Park.

Geelong lost narrowly to Old Brighton when the teams clashed early in the season. In that game, Geelong raced home after allowing Old Brighton too much latitude in the first half. Old Brighton are struggling at the moment. An improved Geelong should strengthen its grip on third place with a win today.

Selections: A.J.A.X., Alphington, St. Kilda C.B.C.O.C., Old Xaverians, Geelong — JIM FIDGE.

### D SECTION

Last week's results have added more variables to the possible outcome of the Section. Congratulations to Heatherton on their victory over leaders Old Camberwell. What does today hold for your tormented tipster?

Two winners from last week meet at Burnley where Heatherton visit St. Kevin's. The home side is hitting form at the business end of the season. Their team work and endeavour appear to be atoning for earlier reversals. Heatherton still can see a Final's berth and, provided they haven't left their form at home, they will be formidable opponents. I'll stick with the home side, whose forwards have the better figures over the season.

The disappointing West Brunswick await Melbourne High School Old Boys at Royal Park. Reversals last week have jolted both sides. The "Maggies" have relegation visits whereas the boys from "Forest Hill" see their Finals dreams fading. The visitors will be all out to win and boost their percentage. They will be looking to Martin to kick a bag of goals. Despite the game being on the Ransford Oval, I select Melbourne High to take the points.

The State Bankers, anxious to regain a top billing, will be all out to inflict a heavy defeat on their visitors from University High School Old Boys. The visitors' attack hasn't proven very strong and as forwards win games, I must select the Bankers, who have forwards capable of converting opportunities. Both Ecott and Jefferies have proven capable of booting high tallies.

Two sides which kicked big scores last week, Country Colleges and Elsternwick, meet in Royal Park. Elsternwick have only a 1976 victory from their five previous appearances on the Western Oval. On that occasion they accelerated late in the final quarter to overwhelm Assumption O.C. The 1978 version, Country Colleges, has pulled a recruiting coup

## PREVIEWS (cont)

late in June to strengthen their side. With Larry Costas converting opportunities and with Ken Vipond and Frank Delahunty starring around the ground the Colleges may have too much mobility for Elsternwick. I will stick with the Colleges for one more week, which will bring a smile to the Editor's face. (Indeed! — Ed.)

In what could be a Grand Final preview Old Camberwell Grammarians visit Power House. The Grammarians' form has deteriorated over the past few weeks and Peter Hutchinson, their coach, will be apprehensive as he returns to the scene of his many playing triumphs. Remember to use the left hand side dressing room, Peter! Michael Perry appears to have his charges playing with precision. Power House, through Sykes and Evans, have reliable avenues to goal. The visitors lack a really talented spearhead and like many sides, have to rely on a concerted team effort to kick goals. On the Ross Gregory Oval and judging on June form, I select Power House to win and retain top spot.

Selections: St. Kevin's Old Boys, Melbourne High School Old Boys, State Bank, Country Colleges, Power House.

AMBITION: to read FIVE match scores in the Press — this will save time and energy for many and restrict Telecom revenue — NORM NUGENT.

### E SECTION

St. Bede's and Bulleen-Templestowe are out of danger this Saturday by holding the two top positions, then Beverley Hills with one game clear and another victory coming up today are safe for the time being. The power struggle is on with the next four sides — Old Geelong, A.M.P., La Trobe Blacks and one game behind these three, Old Mentonians.

My loyalty to Old Geelong is costing me points and prestige, but I will stay with them again to beat Old Mentonians.

La Trobe Blacks have won their last three games, but I feel this game today will be their real test when they tackle the leaders, St. Bede's. On form St. Bede's must be selected to win.

A.M.P. did not do as well last week as I expected, but they should be too strong for the A.N.Z. today.

Beverley Hills should be able to coast home in their match against Brunswick, but don't treat them too lightly — they never give in easily.

Bulleen-Templestowe, at home to North Brunswick, will give them the edge on North.

Selections: Old Geelong, St. Bede's, A.M.P., Beverley Hills, Bulleen-Templestowe — NUGGET STEPHENS.

### F SECTION

Clayton, at home to Thornbury, should be another win for the "Berries", even if they are not yet at full strength. To me, Clayton

have not been the success story of 1978, but then very few clubs have been able to take the V.A.F.A. by storm in their first season. They now know their problems and, I trust, have a few thoughts towards solving them.

The "Battle of the Banks" will be on at Harry Trott and the Common mob should have the edge in most departments. According to one of my mates, who is a good judge of a team, the Commoners are improving and have a better than rough show, although their major test will occur next week.

They will be at home to Monash Whites and should be able to pick up premiership points and percentage without straining themselves.

Bulleen United and Uni. Reds should be another tipster's thank you but of all the lower teams (from a premiership list point of view only) the Reds are capable of upsetting any team. Perhaps not this week.

Selections: Thornbury, Commonwealth Bank, Therry C.C.O.B., Bulleen United; Filites having a rest day — SYD WHITFIELD.

### JUNIOR 1 SECTION

A bit of an improvement in my tipping score last week and Mick Arnold certainly found out how hard A Grade is to fathom. All the top sides had good wins last week, with the Blues kicking a mammoth score and taking over second place again. Most significant result of the round was the defeat of Monash by Ormond. Monash would now appear to be out of business, while Ormond loom as the only side which could displace one of the top Four.

The crunch comes today for Ormond with the visit of Uni. Blues. The Blues did as they pleased last week to kick 44 goals, but they will be brought down to earth today by Ormond. The "Monds" have Scotch in their sights and if they can win today they will probably draw level on points with that team. Blues are keen to hold onto second place, and I think they will win a close one.

Uni. Blacks are at home to unbeaten North Old Boys. Despite the fact that it is Ken Frenchman's 150th game as a coach at the M.U.F.C., a fine achievement by one of the nicest blokes in Amateur football, I can't see his Blacks ending North's run. North will be too fast and too good in the air.

Scotch returned to the winning list last week with a good win over Blacks, but today they meet an Ivanhoe side which is full of confidence and firmly believes it is the best in the Section. It should be a good game between two talented sides, but Ivanhoe's strength and discipline should give them their eighth win on end.

Geelong have had a disappointing year and certainly hit rock bottom last week. They will appreciate the return to their home ground, but I can't see them opening their account against St. Bernard's. The Saints must win and win well if they are to keep out of the relegation zone. They kicked plenty of goals last week and should kick a winning score today.

The tipster's nightmare for this week is Monash versus Hampton Rovers. Both have

## PREVIEWS (cont.)

been thrashed by North in recent weeks and Monash lost a vital game last week at Ormond. I can't follow Monash's form at all, but I have a feeling that back on their home ground they might be able to pull out enough stops to win a close one.

**Winners: Uni. Blues, North Old Boys, Ivanhoe, St. Bernard's and Monash — PETER BRUKNER.**

### JUNIOR 2 SECTION

Last week your scribe started watching an Under 13 game that started at 8 a.m. and was played in fog so dense that the goal umpires did not bother waving flags, but merely checked scores at the end of each quarter. However, as the day progressed the weather improved to give us near perfect conditions for football. Results were basically as expected, with the exception of the abandoned De La Salle O.C. v Old Haileyburians game. For the record, I believe De La were 19 points up 3 minutes into the last quarter.

Today De La meet giant killers Coburg. Depending on how the abandoned game is handled, Coburg may finish on top of the ladder if they defeat the visitors. They have not lost a game since going down to De La in the first round on 29th April and will be keen to avenge that defeat. A fitting result for this game would be a draw, but as a winner must be selected, I am going for Coburg to end on top of the ladder after today.

Old Paradians await travel-weary Old Haileyburians and as they are 2½ games plus percentage outside the Four they must get the four points today if they hope to play in this year's Finals. This will be a desperate game, both on and off the field, and I fancy the home side.

**M.H.S. Old Boys** are at home for the battle of the wooden spoon against West Brunswick. The visitors have not had a win since 20th May, when they defeated Therry C.C.O.B., while the home side's last win was a fortnight ago, also against Therry. M.H.S. have been performing better in recent weeks and if they give Dunne enough opportunities on the forward line they should win.

There will be another interesting game at Fawkner where Therry C.C.O.B. will be endeavouring to bring about a repeat of their last win which was against Fawkner. Murcutt has been performing well for Therry and if he can put in a good one today they should win.

**Kew** have established themselves as a Final Four side and today play host to Caulfield Grammarians, who are 3½ games plus percentage outside the Four with 7 games to go. Their chance of making the Finals is remote but not impossible. However, I feel that Kew have enough overall strength to win.

**Selections: Coburg, Kew, Therry, M.H.S.O.B., Old Paradians — PETER NATHAN.**

# LOOKING BACK

by Noel Rundle

## ROUND 12 — 5 YEARS AGO — 1973

Coburg (A) lost their third game in succession when they were well beaten at Ormond, going down by 41 points, and slipping to 5th position. However they were three games and percentage clear of Geelong in sixth position.

Top team, Old Camberwell (E) came from 5 goals behind at the last change to beat second top team Old Ivanhoe by 4 points. Their inaccuracy, 10.20, almost cost them the game. Best were McCallum, Mullett, Burt (Old C), and Williams, Kelsey, Purcell (Old I).

200 games for Parkside spare parts man Danny "Boone" Gleeson who had played in just about every position on the field and also found time to be coach of the Reserves for a spell, and for Bill Mumford, the 'Old Man' of National Bank F.C., a tremendous clubman both on and off the field.

Coburg Juniors kicked 13 goals straight in the second quarter of their match against Old Paradians.

## 10 YEARS AGO — 1968

North Old Boys and Kew figured in their second drawn game for the season, kicking 9.8 (62) each. When they met in the first round they scored 61 points, Kew kicking 9.7 and N.O.B. 8.13.

Collegians brought themselves back into final four calculations with a 4 point win over the leaders, Old Paradians.

Graeme Brewer, National Bank captain, played his 150th game as did Denis 'Tropical' Davies with St. Kevin's O.B.

Well known Parkside stalwart, Bill Rodda, won the award of 'father of the week' — twins (a boy and girl).

Geelong's hopes of making the 'B' Section four were jolted when they went down at home by 2 goals to bottom team, St. Kilda C.B.O.C. who were best served by Sheehan, Carroll and Vignola.

"De La" Reserves had a bad day — 0.9 for the day against Old Xaverians.

Old Trinity's captain-coach, Ian Curtis, played his 50th game.

Melbourne High continued their run with a 16 point win over Caulfield Grammarians (3rd). Nelson, Needham and Gilbert (5 goals) were best for M.H.S.O.B.

## 20 YEARS AGO — 1958

Coburg congratulated ruck man Jack Dugdale on his 150th game and his wonderful service to the club, both on the field and off the field as social secretary. Max Dempster played his 100th game for Parkside.

Old Paradians (B) with 10 wins and 1 loss and in top place, only scrambled home by 10

points in a low scoring game against Hampton Rovers. Foley, Dunn and McLaughlin (Old P.) and C. Adamson, Shaw, Hayes (H. Rovers) were best.

M.H.S.O.B. broke a run of seven successive defeats with a 27 point victory against Commonwealth Bank. Stars were Masters (5 goals), Nelson, L. Seward (MHS) and Board, Casey, Caven (C. Bank).

In one of the lowest scoring games for some time National Bank (C), 2.9 beat East Malvern (1.7).

Only undefeated team was Alphington in junior section — with a percentage of 323.5.

E. Section captains were R. McLellan (O. Bri. Gram.), R. Davison (St. K. CBC), G. Ridgeway (ANZ), R. Stein (O. Carey), D. Birang (P. House Gold), L. Dowling (Old Trinity), F. J. Lee (Coll. Gold), M. Marsden (U. Reds), A. Tunks (Brighton).

## 30 YEARS AGO — 1948

University Blacks, at home, avenged their first round defeat with a 36-point victory over Old Melburnians. Denis Corder, Heywood and Livingstone were outstanding for the Blacks.

Melbourne High showed their best form for weeks but still went down to Coburg by 8 points — ALF KEAM who shone on the wing and Ian Bailey at half-forward were best for the losers.

For the first time since the war Old Paradians (C Section) won three games in a row — Kev Power, Geoff Hill and Brian Hey were their best in the victory against Footscray Tech.

## BELATED CONGRATS FOR 150TH

Belated congratulations from all at St. Kilda C.B.C.O.C. to Bernie "Jaw" Salter on playing his 150th game for the club two weeks ago. Bernie came to the club in 1971 and immediately fitted in, both on and off the field. He has been a hard worker around the club, including a stint as Social Secretary. On the field he is renowned for his dashing play and raking drop kicks. Well done, Bernie. Hope you play many more seasons.

## A.M.P. RESERVES COACH'S 150TH

Another great achievement at A.M.P. last week against North Brunswick when Peter "Helmut" Henderson slipped past the 150 game mark on one good leg. Pete commenced with the club in 1970 and has been a tremendous asset — being a "one hundred per cent" man every week, whether rucking in the Seniors or leading his youngsters in the Reserves and on many occasions doing both each Saturday. Since taking over as Reserves' Playing-Coach in 1976 he has become one of the most dedicated and valuable members we have. He has the obvious aim of a Reserves Premiership but with the crippling run of injuries to the Seniors through '77 and '78 this aim has so far been more difficult to achieve. But if I am any judge of character, this will only spur him on and we all at A.M.P. could wish for nothing better for him than the success in this direction that he is striving for. If there happens to be anybody who doesn't know "Helmut", he can generally be found behind the goals going beserk every time his little brother Ian puts another one through. Well done pal, and stick around, we need men of your calibre.

## 150 GAMES AT ST. BERNARD'S

All at St. Bernard's congratulate Gavin Mitchell on playing his 150th game with the Club. Gavin started with the Under 19s in 1970 and since his promotion to the Seniors, has spent most of his career in the top side. Gavin played in the 1975 "A" Premiership side which has been the highlight of his career so far. That year also saw Gavin runner-up in the Club Best and Fairest, beaten by 1/2 a vote. In 1976 Gavin represented Victoria in the Amateur Carnival and has also been on the Club Committee, acting as Treasurer. Congratulations are also extended to Gavin and Denise Ginnivan upon their recent engagement and best wishes for their future together. All at St. Bernard's hope to see many more fine games from this courageous ruckman. Well done, Gavin.

## RECORD SCORE

The highest recorded V.A.F.A. score to date was that notched by Reservoir Old Boys Juniors in the opening round of the 1976 season.

The scores — a mammoth 55.37-367 against Kew's 2.3-15.

## ORMOND P AND P PLAYERS' DINNER

Ormond are holding their annual Past and Present Players' Dinner tonight — Saturday, July 8th, at Koornang Park, Carnegie, commencing at 6.30 p.m. The dinner affords the opportunity for former players and officials to renew old acquaintances and the evening is generally regarded as the social highlight of the year at Ormond. Former players and members of the club who may, for various reasons, have lost contact with the organisers, are cordially invited to contact Geoff "Silver" Harris on 579-5555 — even at this late stage — who will try his best to accommodate you.

## VOTE OF THANKS

The Melbourne University Football Club in general and the "Blues" in particular, wish to thank the new Registration Secretary, Mr. Cliff Bastow and his wife for the assistance and real help accorded this Club over the season so far. Their patience and good humour at all hours of the day or night has been most appreciated by this Club and we are sure by all Clubs in the V.A.F.A.

[On behalf of Country Colleges, I second that! — Ed.]

## C.G.F.C. SPORTSMAN'S NIGHT

Caulfield Grammarians will hold a Sportsman's Night at Khyat's Hotel, Brighton on Tuesday, July 11th, commencing at 6.30 p.m. Compered by Ian McDonald, well known V.F.L. Official and school "Old Boy" and supported by Dr. Alan Aylett, V.F.L. President, Gus Mercurio, Keith Stackpole, Bob Skilton and Neil Roberts, this promises to be a must for all Club members and supporters to turn up and enjoy the fun. As the hotel facilities — with regard to seating accommodation — could be rather strained, intending starters who have not as yet purchased the now limited number of tickets available, should contact Robin Harrison (569 0718), Geoff Ward (95 8566 or Tony Johnson (62 5901) without delay, otherwise they could miss out on a great show.

## ST. BEDE'S O.C.F.C. DEATH

Amateur football, and St. Bede's O.C. in particular, suffered a sad loss on the 27th June with the sudden death of St. Bede's O.C. President, George Alexander.

A warm friend to all who met him; an inspiring leader and a man dedicated to the spirit of Amateur football, his death is a severe blow to us all. His spirit will live on through our dedication to achieve his dream — A grade.

To lead is to serve. R.I.P.

## BALL BRIEFS

### 100 AT ROVERLAND

All at Hampton would like to congratulate **Graham Earle** who will play his 100th game for the club against St. Kilda C.B.C. today. Graham started his football with the club in the Juniors and has since progressed to the Seniors where he is playing great football. His long, accurate kicking and clever ball play have won him Best and Fairest awards in the Reserves. Well done, Graham, and we at Hampton wish you all the best for today and for many more fine games in the future.

### HALF-FORWARD'S 100

**Brunswick** would like to congratulate **Peter Egan** on playing his 100th game with the club. Peter joined us in 1972 and played in the 1974 Premiership team. A cool and calculating half forward and a very good clubman, Brunswick would like to see Peter play another 100 games.

### TON UP AT ST. BEDE'S

St. Bede's O.C. congratulates **Paul Negri** on playing his 100th for the club against Old Geelong on Saturday. Over the years Paul has been an invaluable player. His many great games have been highlighted by his determination, courage and versatility. A feature of Paul's play has been his long kicking to position and accurate hand passing. A fine team player and clubman, St. Bede's look forward to many more games from this great player. Well done, Nega's!

### 100 GAMES AT ALPHINGTON

Alphington's gutsy little rover, **Graeme Roberts**, today plays his 100th game for the club. Always a "goer", Graeme bores in hard for the ball and his skill, speed and disposal are an inspiration to the team and a delight to watch. Keep up the good work, Graeme. May your next hundred be as good as your first.

Congratulations are extended to **Mick "Fat" Thynne** from all at St. Kilda C.B.C.O.C. for playing his 50th game for the club last week. Mick started at the club in 1974, coming straight from school, and has since proved a valuable player, mainly in the Seconds. He is having a great season so far this year and is renowned for his high flying "plucks" in the goal square. Well done, Mick, and we all hope you play many more games yet.

Congratulations to **Mick Gandy** who played his 50th game for Kew against Old Carey and appropriately he celebrated it by being selected as best afield for Kew. Mick has risen through the Junior ranks to develop into a most reliable backman. His ability to leap high and mark or spoil, together with his tear-through dashes make him a delight to watch. Like many of his team-mates, Mick is only young and has a bright future at Kew. Well done, Mick, from all here at Kew.

Congratulations to **Old Brighton's Tony Gedy** who today carries the red and blue guernsey onto the ground for the 50th time. Tony is one of nature's giants and though he may not possess the most consistently safe pair of hands in the business, opposition ruckmen invariably find it somewhat difficult to outreach him when he stretches his arms some 2.50398 metres (metrication is such a bore!) above the turf. In fact, last Saturday he showed just how difficult it is for opponents by dragging down mark after mark in front of men of significantly less stature. Tony's skills are also evident when the ball hits the ground, and it is hoped that his present good form will continue for the remainder of the season. Well done, Tony.

Congratulations to **Dave Wenzel** who will play his 50th game for Hampton Rovers today. Dave has been a great asset to the club where his high marking, accurate kicking and dedication to training have been an inspiration to all. Well done, Dave, and we look forward to your ton.

Well done, **John Salvatco**, on playing his 50th game for U.H.S.O.B. today. **Johnny "Sal"** has been at U.H.S. for a number of years and is a dogged and fierce competitor. It is well known that "Salvo" enjoys "some donut" occasionally. Congratulations John.

All at **Old Camberwell Grammarians** congratulate David "Skull" Ellis on playing his 50th game against Power House today. Since joining the club in 1975, David has played most of his football in the Firsts on the forward flank and, despite a bad ankle injury last season (and the long drives from Somers this year), "Skull" is still flying high to take the spectacular big grab in the square, or running past for the crumbs or handball. Congratulations, Dave, on this 50, and best wishes for the next.

Congratulations to **Power House Reserves'** wingman **Geoff Pullin**, who plays his 50th V.A.F.A. game today. After a long apprenticeship in the Club XVIII, Geoff was "recruited" to the Reserves, where he has been a model of consistency ever since. Geoff's rare ability to always be on his own has started many a forward move and he has been a key player in the success of the Reserves this year. As a First Aid and training expert, his advice is frequently sought and most appreciated by the players. Good luck, Geoff, for another good game today.

Solid defenders **Wayne Toohey** and **Tony Course** notch up their 50th games today with **Ivanhoe**. **Wayne** has resumed playing this year after a few years absence and it didn't take long for him to make his presence felt in the side — a most consistent player this year. **Tony** has strung together some great games during his 50 and with youth on his side he has a fine future ahead of him. A very dashing player, he is always looking for the quick play-on tactics to create attacking football towards goal. All at Ivanhoe wish both players the best of luck in their 50th games today.

## UMPIRES' CORNER

Season 1978 has seen many 'firsts' for the umpires in the V.A.F.A. but one thing that has been overlooked until now has been the resumption of this section of the Amateur Footballer.

Organised training started very early this season — in February. A large number of new umpires were welcomed into our ranks — many with a great deal of experience. In fact by the first round there was a full list. Unfortunately injuries and resignations have since reduced our numbers. It is still not too late for new umpires to join the panel!

Among the 'firsts' for the year are included:

- The introduction of the two-umpire system into 'A' grade matches.

- The introduction of 16-18 year old lads as boundary umpires in 'A' grade. These are field umpires of the future and clubs are urged to make them at home in Amateur football.

- For the first time the Umpires' Association has a delegate at V.A.F.A. meetings. Daryl Hill is the man who worked hard to achieve this and it is appropriate that he should be the first delegate. He is a past President of the Umpires' Association and a senior umpire of long standing. The Umpires' Association is most grateful to the V.A.F.A. for accepting this proposal and welcoming Daryl to the meetings.

These are all progressive steps for Amateur football in Victoria and the Umpires' Association looks forward to playing its part in the promotion of our game.
