A LOOK AT THE RESERVE FOURS ALL STILL LIABLE TO ALTERATION

By JAN HOWARD

At the risk of incurring the displeasure of the Senior and Junior Sections which have provided editorial material for most of the season, this week looks at the six Reserve Sections and their final four contests.

A Reserve is as open as its Senior counterpart. St. Bernard's with a win last week now have a game break over University Blues (who were narrowly beaten by the Blacks) and Ormond who defeated Ivanhoe. Ivanhoe are fortunate indeed to be in the four and have Caulfield to thank. The Grammar boys notched their first win for the season when they bettered North Old Boys, who are fifth — nine per cent behind Ivanhoe. The issue will be resolved today, however, when North Old Boys play host to Ivanhoe. The loser will be a game behind. Marcellin (equal fourth but sixth on percentage) must win well when they visit Old Scotch, today, to stay in contention and to boost their lowly percentage.

Fawkner, in B Reserve, are two games out of the four but still have a bye to be added in. Their defeat of Collegians (fourth) last week was a very handy one. Today they visit Old Haileybury (seventh) and must win — as Collegians are host to Old Paradians (eighth). Monash Blues (third) have the chance to wrest second spot from Parkside when they play Coburg (ninth). Parkside play unbeaten Old Melburnians, who will be very keen to keep their Championship hopes alive now. O.M.'s cannot lose the top spot.

Geelong are showing the way in C Reserve, a game clear of St. Kilda, who, in turn, are a game ahead of Old Brighton. Hampton Rovers are fourth, another game away, with Old Xaverians and Old Carey fifth and sixth respectively. Although only a game outside the four Old Xavs have a very poor percentage. (How they must rue those unregistered players!) Today they play A.J.A.X. (seventh) whilst Old Carey confront Geelong and Hampton Rovers visit Kew (eighth). A loss today could prove disastrous.

Again those unregistered players have telling effect. In D Reserve Heatherton, fifth, two points behind M.H.S.O.B., could have been in the four. Today they meet State Bank who, after last week's defeat, will be eager to win and so retain second place — a game shy of Power House. West Brunswick, sixth, and two games out, have to visit St. Kevin's, third — behind State Bank on percentage. St. Kevin's need to win to stay in the race for the double chance. Melbourne High need to win against University High (ninth) to stay ahead of Heatherton.

In E Reserve fourth and fifth teams St. Bede's and Old Geelong — equal on points — today meet up with second and first teams Beverley Hills and Bulleen-Templestowe — a game apart. Old Geelong's loss last week to A.M.P. was very costly. St. Bede's only lost by one point to Bulleen-Templestowe and will be eager to take on Beverley Hills who, in turn, must win as North Brunswick, a game away in third, will be looking to today's clash with Old Mentonians (seventh) to "boost" them into second place.

The bye is serving to keep things interesting in F Reserve. Clayton, with one to come, are fourth on percentage behind Therry (both byes included). University Reds (fifth) still have a bye to be recorded and are only one game out of the four. Thornbury (sixth) have an outside chance of making it — with another bye to come. Today Univ. Reds are at home to Therry who must win to keep alive hopes of gaining second spot. Clayton meet Commonwealth Bank (on top but by no means safe), Thornbury meet Footscray (ninth) and Bulleen United (second on percentage behind the Bankers and no more secure) meet Monash Whites (eighth). A very open situation indeed!!!

PREVIEWING TODAY'S GAMES

A SECTION

Today, we have two games which will affect the Final Four and two which may well decide relegation, while the remaining game may be described as an each way job.

The game at Elsternwick Park should be a great spectacle. If University Blues are allowed to develop their usual run-on game they should win. De La Salle O.C. will be playing a pressure game, blocking the ball in and making the Blues' players earn every possession of the ball. "Lofty" had a great week last week and, even if he does not perform as well today, he has the capability of handling the ball often enough to cause damage. I fancy De La.

The other game affecting the Four will be at Royal Park between North Old Boys and Ivanhoe. After a poor start for the year, North are coming home well and we may well see a "North versus De La" Grand Final again this year. The Hoes have now lost two in a row and are facing the possibility of a disastrous slump. One wonders whether there is more pressure in 'A' grade than in 'B' grade. My selection is North to secure their place in the Four.

In the relegation area we have Ormond playing University Blacks. I feel that the small Ormond ground will suit the Blacks' style of play. However, the visitors do not perform well against sides of their own calibre. The home side have some great match-winning players in Bruce Bourne and Shane Dove and they have the overall strength to win today.

The other relegation game, at Albert Park, sees Caulfield Grammarians take on St. Bernard's O.C. A victory to Caulfield would put them equal to St. Bernard's and lift them out of the relegation area. They are always dangerous at home and this is their second game in a row there. My legal associate, John Butcher, is kicking accurately and the small ground will suit this vintage player. Gus Mitchell has a special play for St. Bernard's and is relishing playing on a ground with a good surface. St. Bernard's to win.

The each way game sees Old Scotch Collegians at home to Marcellin O.C. Scotch are in a slump and will be trying to reverse the result of their previous encounter. Marcellin is a side which never gives up and defeat today would almost certainly mean relegation. My choice is Marcellin.

I am tipping for this round: Marcellin, St. Bernard's, Ormond, North Old Boys, De La Salle — MICHAEL ARNOLD.

B SECTION

With only four home and away matches to go the top three teams have crept away and look reasonably safe to hold their positions. Old Melburnians, of course, are assured of top spot.

The battle for fourth position is still wide open and may not be decided until the last game.

Old Haileybury, Collegians, Monash Blues and Fawkner are all in the running. Fawkner is the only team in the group that will pick up the easy four points from the bye and they

are quite capable of winning their other three games. The tragedy is their fate may be in the hands of other teams. Old Haileybury look favourites to keep control of this all important fourth spot.

This week's matches are vital to the hopes of each of these teams.

Old Haileyburians take on Fawkner at Keysborough in what should be a do or die struggle. Mike Porter's boys could not handle O.M.'s last week and this has put them right under the hammer. Fawkner had a big win over Collegians and will be looking for another "kill" today. The big guns from Haileybury will really have to turn it on to stop Fawkner. I know Fawkner's style well and I believe they can get up and win this one.

Collegians meet Old Paradians at the Harry Trott Oval. This is a tough one to try and predict. I have a slight doubt about Old Paradian's on a dry ground. I think they could be outrun by a fast-moving team, but I don't think Collegians are playing well enough to bridge the gap. It's a hard one but I will go for Old Paradians to win.

Monash Blues are up against Coburg at the Uni. Oval. Coburg put in their best game for a long time last Saturday and will be keen to keep this form going. Monash at home are a hard side to beat and should prove too strong for Coburg. The Blues must win this one to stay in the race for the finals.

Old Melburnians have continued their wonderful form and this week journey out to Parkside to do battle with the "Red Devils".

This will be the match of the day. It's a pity it is not being played at Elsternwick Park. Both sides have a tremendous respect for each other and while anything goes out there on the ground, are the best of mates after the game.

Parkside's form has been patchy over recent weeks but a top pressure game like this will bring the best out of them. We all know O.M.'s will put in a great game as their team is well balanced and loaded with talent.

I will refer back to the remarks I made the last time these teams met. I honestly believe Parkside has the type of game to win over O.M.'s, providing they kick straight for goal. I know the Parkside boys want this game desperately and I believe they will win.

Old Trinity have the bye. They played well last week but were undermanned without players like "Billy Peers" (out injured). The week's spell should help solve this situation.

Selections: Fawkner, Old Paradians, Monash Blues, Parkside — BRIAN LAUDER.

P.S. My apologies to Mike Porter and John Houghton. I'll bet they were hopping mad when they read this column last week — B.L.

C SECTION

The C Section Four appears settled, but the top teams must face pressure games in the remaining four rounds.

A.J.A.X. must play Old Xaverians (fourth), Geelong (third), St. Kilda (second) and Hampton Rovers (sixth).

St. Kilda strike Old Ivanhoe, Kew and Old Carey — all down the list — in addition to A.J.A.X.

Geelong meet Old Carey, A.J.A.X., Alphington (fifth) and then Old Xaverians.

As well as the Geelong game, Old Xaverians, after today's clash with A.J.A.X., will be keen to win against Alphington and Hampton Rovers.

Hampton are finishing strongly, having won its last four games. They will provide a problem for A.J.A.X. and Old Xaverians.

Today they will keep alive their Final Four prospects when they play Kew, at Kew. Evergreen Don Mullin and centreman Bruce Smith are trying to uphold a struggling Kew, which, in recent weeks, has managed to stay with most teams for three quarters. Hampton will need to play four quarters if it is to win; Kew will contest every issue.

Match of the day is undoubtedly between A.J.A.X. and Old Xaverians.

Old Xaverians are coming home strongly and, in their favour, they are one of only two sides to have beaten A.J.A.X.

The pacy, smaller A.J.A.X. players will trouble Old Xavs at Albert Park. Old Xaverians have consolidated in recent weeks and would appear stronger than was the case when they toppled A.J.A.X. on May 20th. It would not be illogical to select Xavs to repeat the effort today. However, I think A.J.A.X. will be too strong at home and will even the score.

Geelong continues its winning run and has now a chance of, at last, grabbing second place from St. Kilda. Their percentages have evened out and Geelong and St. Kilda both will be seeking big wins today. Geelong should score well against Old Carey at Bulleen. Sometimes, however, big scores can be elusive — but with the return of Geoff Lowcock to the Geelong forward line, their attack has gained physically.

St. Kilda disappointed against Old Brighton last week in a big upset and must make amends today. Old Ivanhoe are tougher to toss at home, but St. Kilda will take the points.

The final game — Alphington and Old Brighton — provides a tipping challenge. Last week, Alphington ran A.J.A.X. to three points; Old Brighton tossed St. Kilda. The season's performance of both sides makes an interesting comparison. Alphington has seven wins (percentage 96.0) whilst Old Brighton, with six wins, has a percentage of 96.4. I'll toss a coin and select Alphington at home — but would prefer to settle for a draw!

Selections: Hampton Rovers, A.J.A.X., Geelong, St. Kilda C.B.C.O.C., Alphington — JIM FIDGE.

D SECTION

Heatherton, now showing renewed vigour and on a winning streak, play State Bank, whose loss at home last week sent them out of the leading bracket. Although the incentive is present, I suspect the Bankers may be mentally relaxed. This coupled with Heatherton's home ground advantage should enable the home side to take the points.

The two form sides (judged over the immediate past), Melbourne High School Old

Boys and University High School Old Boys, meet at Forest Hill. Traditional rivals, these sides are sure to play at their best. The home side will be all out to maintain their top Four rating. On the other hand, University High will be all out to win and endeavour to avoid relegation. Overall strength should enable Melbourne High to emerge victorious.

The disappointing Country Colleges journey east to meet Old Camberwell Grammarians. The Colleges' players have not carried out on the field what their leaders have planned. Two weeks ago they looked definite finals material. Their recent form, along with that of Old Camberwell, has not been inspiring. Old Camberwell's victory last Saturday may prove to have been the necessary spur to bring the side back to top form. Knowing the Old Camberwell distaste for the Country Colleges' traditions, I select the home side because of their better overall performances during 1978.

St. Kevin's, lamenting opportunity lost, are hosts to West Brunswick today. The "Magpies" continue to disappoint and now must make every endeavour to avoid relegation. St. Kevin's failed under Power House pressure. Today they must be all out to recover lost ground and to build percentage. I believe St. Kevin's will prove too talented for West Brunswick and thus score a victory.

Power House, doubtlessly with the irate tones of Michael Perry ringing in their ears, showed their true form last week to repel St. Kevin's, who threatened their position. Today Elsternwick face Power House. Successive losses to University High School Old Boys indicate common worries to these sides. However, Power House will be all out to keep their lead while Elsternwick must endeavour to avoid a drop to ninth place. Greater talent will enable Power House to emerge victorious today at the final siren.

Selections: Heatherton, Melbourne High School Old Boys, Old Camberwell Grammarians, St. Kevin's Old Boys, Power House — NORM NUGENT.

E SECTION

St. Bede's beat Bulleen-Templestowe quite comfortably last Saturday to decide the outright leadership in E Section. Even more than in their previous clash, Bulleen-Templestowe's inaccuracy proved costly. Despite the outcome of the game however, both sides seem certain of a place in the Second Semi-Final. The rest of the Four is still far less certain.

Today, Old Mentone play North Brunswick, who really kicked the sweep last Saturday. North won't find the going so easy today, but as Mentone's loss to La Trobe has all but put them out of the running, I can't see Mentone having enough incentive to win this one.

It's been a disappointing year for both A.N.Z. and Brunswick and both teams will be anxious to gain another win. Brunswick's only victory for the season was against A.N.Z., and although today's match is at Albert Park I think they'll repeat the performance — just.

La Trobe's win last week kept them well in the race, but A.M.P. are now in real trouble. This is their last chance today if they are to make the Four, but I can't see them getting

there. The home ground and the greater incentive will do the job for the Uni. side.

The top side plays the third side, the second plays fourth, and I suspect the results will show that the two leading teams in E Section will be difficult to beat.

Beverley Hills caught St. Bede's napping in the wet in the first round and beat them well, but I doubt that history will repeat itself. The game is a St. Bede's and, providing the ground is reasonably dry (there's an escape clause if ever there's one), and St. Bede's get their play-on game going, the hospitality shown to the visitors will have to wait till after the game.

Old Geelong are at home to Bulleen-Templestowe, who hadn't done a thing wrong in weeks until last Saturday. I don't like saying it — and might have to shout the bar if I'm wrong — but unless Geelong can start playing four quarters of concentrated football instead of one or two, they won't cause too much trouble to the visitors.

My selections: North Brunswick, Brunswick, La Trobe, St. Bede's, Bulleen-Templestowe — PETER LEMON.

P.S. Welcome to "the mob", Peter, and good luck with the tipping in the coming weeks — Ed.

F SECTION

Thornbury, at home to the Filites, should enable the locals to stay on top of the ladder for another week. A few windy days and Cain Park could be in reasonable condition for both sides to exhibit their skills. Thornbury should be too big and quick for their visitors.

Uni. Reds to tackle Therry C.C. at Royal Park, and again I am going for the home side. The Reds are a better side than their lowly position would indicate and my feeling is that today is a big chance to demonstrate this.

Clayton, at home to Commonwealth Bank, could be another home team triumph, but two roughies in one week is a bit much. The Bankers have the form, the height and the weight to carry the day. By the way, are those first aid people lady fellas? Is this the thin end of the wedge? I'm sure the V.A.F.A. will be much more sympathetic to ladies than that junior competition.

Bulleen United, at home to Monash Whites, shouldn't present the locals with much more than a decent workout, but whilst it's all right for me to think along these lines it would (could) be disastrous for Bulleen to become complacent.

National Bank have the bye — don't forget those stairs — 38 floors of them.

Selections: Thornbury, Uni. Reds, Commonwealth Bank, Bulleen United. — SYD WHITFIELD.

JUNIOR SECTION 1

Today's games will probably only confuse the matter. North Old Boys play hosts to Ormond in a most interesting clash. On form these are probably the best two sides in the Section. North have held off all challengers this year and that impossible dream of a Championship is looking more and more possible. They are big, strong and fast, but will have to play at their very best to win today. Ormond's recent form has been excellent with

wins over Blues and Old Scotch. Both these wins, however, have been at home and they their own ground. I deserted North a couple of weeks ago and regretted it, so I won't make the same mistake again.

The other vital game today is between Old Scotch and Uni. Blues at Old Scotch. Both teams have looked good at various times during the year, but neither is playing particularly well at the moment. Last week, Blues struggled against St. Bernard's, while Scotch made a fool of the tipster with their pathetic display against Ormond. It will be a close game, but I think Blues can win.

Hampton Rovers gave Ivanhoe a fright last week before going down by nine points. They will have a picnic today against Geelong, who have my sympathy, but that's about all.

Ivanhoe's form has slipped a little bit over recent weeks and they need a big win to build up their confidence and, even more importantly, their percentage. Blacks will be their unhappy victims today. The Uni. side still have hopes of avoiding relegation, but their form will have to improve dramatically if they are to win the minimum of two more games necessary to achieve that. Ivanhoe will win easily.

Monash are a ten goal better side at home and for that reason I'm tipping them to account for St. Bernard's out there today. St. Bernard's showed improved form in the mud last week. They need another win to ensure that they stay in Section 1 next year, but I don't think they will do it today.

Selections: North Old Boys, Uni. Blues, Hampton Rovers, Ivanhoe and Monash — PETER BRUKNER.

JUNIOR SECTION 2

Today, Therry C.C.O.B. journey to Royal Park to meet West Brunswick. Victory went to the home side at their last encounter and the visitors will want to make amends for that this time. West have not won a game since then and I cannot see them winning today.

Old Haileyburians are at home to Fawkner and will be using this game as a percentage booster to put them in front of De La. Haileyburians have an easier run home than De La and everyone is now anxiously awaiting the result of their game, a matter in the hands of the Investigation Committee at present.

De La Salle O.C. play Kew in what should be the match of the day for this Section. Kew must win to keep alive the double chance. On the other hand, De La will want to make amends for their loss when they visited Kew and are my selection.

Old Paradians await the arrival of M.H.S. Old Boys. Although Parade cannot make the Four they will want to prove that they are the best side out of the Finals and should win.

In the remaining game in the Section we see Coburg play host to Caulfield Grammarians. The visitors went down by 75 points last week and it is hard to imagine them giving any opposition to the top side.

Selections: Coburg, Old Paradians, De La Salle, Old Haileyburians, Therry — PETER NATHAN.

BALL BRIEFS

150 AT U.H.S.O.B.

Everyone at U.H.S.O.B. would like to congratulate Barry Parks on playing his 150th game last week. "Parky" has been with U.H.S.O.B. for many years and is popular with all concerned at our club. Barry was appointed the 1978 Reserve team's coach and through his dedication and leadership has helped many players.

Once again, Barry, congratulations.

100 GAMES TO ST. BERNARD'S

St. Bernard's welcome back former captain Michael Ginnivan. Mick returns after spending the last three years in England studying for his doctorate in agricultural science. Mick started with St. B's in 1970, winning the Best and Fairest award in 1972 and captaining the side in 1974. "Ginny" has played many fine games for St. Bernard's, mostly in defence or rucking, and since his return his determined play has helped the side rise up the premiersip ladder. Hope the next 100 don't take so long, "Doc". Congratulations.

Over the past few seasons Kew has seen the emergence of a quiet success story. This success story refers to a player who played his 50th consecutive game for the 'ones' last week. Despite work commitments, which make

attendance at training difficult, he marks the ball as surely as any in the competition. Footballers who have the ability to launch the ball into orbit get the name of "Superboot", well this player must be a member of that group. His footrunning talents are known since he finished second in the Kew Gift during a pre-season workout, which isn't bad for a fellow who is a fine build at 6 ft. 3 ins. and 14 stone. The man we refer to of course is Ken Rowland, and the Kew boys wish him well for the future.

Congratulations to Rob Sarosi who played his 50th game with Power House last week. As a former captain of our Junior side, Rob has already shown he is a most talented footballer and big things are expected of him at Power House. His high marking and mobility have seen him play most of his football in the ruck or at centre half forward where he has played many fine games. Congratulations Rob.

De La Salle Old Collegians Reserves captain, Ross Letson, pulled on the No. 13 jumper for his 50th game last week.

Although in his fourth season with the club, injuries have prevented him from reaching this target earlier.

We all hope that he can add another Best and Fairest award to the one he won in 1976, and also to continue the strong, relentless form that he has shown this year.

LOOKING BACK

BY NOEL RUNDLE

ROUND 15 — FIVE YEARS AGO — 1973

Bottom team Old Paradians scored a shock win over equal leaders St. Bernard's. Parade led all day and won by 26 points. Grace, Ford, Hough (O.P.) and Burgin, Iannazzo, Drennan (St. B.) were the stars.

Coburg failed to make sure of their finals position when Uni. Blues (7th) held them to a low scoring draw — 8.6 apiece, but were helped when top team Ormond 21.13 beat 5th team, Caulfield Grammarians, 17.11.

150 games to Ivanhoe veteran allrounder Ralph Bourke, a career stretching over many years and interfering with a very illustrious career as a punter, and to Bruce Watt, an inspiration to Brunswick over many years.

Phil Rowell and Don Dodds shared the winner's trophy at the Umpires' Golf Day at Torquay.

All at Ormond were deeply saddened at the death of Dennis Drum, a former great player and club captain in 1963. Dennis also played for Uni. Blacks and Old Xaverians before joining Ormond and also represented Victoria.

Congratulations to Jack McCann who, after a lifetime of service to Amateur Football, was made a Life Member of the Australian Amateur Football Council.

Marcellin offered plaudits to Michael Power on being first 100-gamer in the club.

TEN YEARS AGO — 1968

In the battle of the top two teams, Uni. Blues gained an early break on Old Paradians and went on to win by 8 goals. Calcott, Moylan, Whittakers and Moran (6 goals) dominated the game.

St. Kilda C.B.C. (9th) went right away from top team Ormond (in 'B' Section) to win by 3 goals. Best for the two teams were O'Donoghue, I. White and Hayes (St. Kilda C.B.C.O.C.) and James, Blight and Moran (Ormond).

Chris Milburn played his 150th game for Parkside while another to make that number was talented allrounder Denis Grace for St. Kevin's O.B.

Old Geelong scraped home from Old Brighton by 4 points, wiping out Brighton's last hope of making the Four.

TWENTY YEARS AGO — 1958

Alphington's poor kicking (7.15) threw the game away to Old Scotch 12.7. Reed was a tower of strength in the ruck for Alphington and was well supported by Hippiatt, R. Morris, Maughan and K. Melville were best for Old Scotch.

Old Paradians rover Brian Hill received best wishes on his 100th game. In his career, starting with B grade Grand Final in 1951 (while still at school), Brian won a Victorian guernsey, the club's best and fairest, and many other awards — with one ambition to fulfill — a premiership. Was 1958 to be the year?

A battle of top "D" Section teams and St. Kevin's finished strongly to defeat Port Melbourne by 28 points. Welsh, Rogers, Buckley,

O'Brien (5) (St. Kevin's) and Stevenson, Aghan, Murphy (Port Melb.) were best.

National Bank held on to their place in the 'C' Section Four with a three point win over U.H.S.O.B., both teams kicking poorly, 6.11 to 5.14. Bank stars were Woolley, Goddard, Selleck while U.H.S.O.B.'s best were Peterson, Lever and Thorley.

Junior Section captains were: B. Keane (Parkside), J. Maglen (M.H.S.O.B.), N. Gilmour (Coburg), B. Lake (C. Bank), W. Rush (Alton), A. Square (Uni.), G. Bradford (F.I.T.), M. Read (Ivanhoe), P. Ouley (Ormond) and D. Thompson (Power House).

THIRTY YEARS AGO — 1948

Hampton Rovers (3rd) made their finals place almost safe with a 5-goal win over Coburg, who slipped out of the Four with Old Scotch moving into the Four — "Prickles" Noble, Breadon, Lucas and Geoff Jones were stars for the Rovers.

Collegians, still without a win, were out-classed by O.M.'s.

At the Carnival in Perth, Victoria defeated W.A. in the Final, the victors kicking 4.6 to 2.3 in the final term.

Ken Rollason (O.M.) won the trophy for Best and Fairest at the Carnival, while others who starred for Victoria were John Backhouse (M.H.S.O.B.) and Jack Grainger (O.M.).

Brendan Campbell, one of St. Kevin's most enthusiastic clubmen (and one of our best players), played his 50th last week. Besides adding a pretty face to the club (Jolinda), Brendan is the inventor of the "word of the day" and occasional drop-kicker of left-foot goals on the run. Well done Butch.

Congratulations to Rick Whittle on his 50th game for Old Geelong last week. Rick's a great utility player with a very safe pair of hands and a kick that's often bigger than Texas! Everyone at Como will be putting their hands together for Rick and wishing him all the best for the next 50.

LA TROBE SPORTING NIGHT

All La Trobe Blacks' players and supporters are reminded of the Sporting Night at the pavilion tonight, commencing at 7 p.m. If unsure about arrangements for the night, contact Peter Gannon or Craig Nelson. It should be a great night, and we would like to see every club member and supporter making the effort to come along and support Tony Sheehan and the team in their efforts to reach the Finals.

100 GAMES FOR MELBOURNE HIGH ROVER

Sincere wishes and congratulations are extended to Melbourne High School's dynamic little rover, Norm Peatling, on reaching his 100 games milestone with our club.

Norm's career commenced with our club in 1973 when he coached our Reserves eighteen after transferring from Collegians Amateur club in Perth. However, his ability was soon realised and he was promoted to the Seniors and has not looked back since. In 1974, "Stumpy" was appointed Senior Coach of our club in "B" Grade and although many talented players were at the club, he enjoyed only moderate success. In 1975, Norm was the senior rover and 1976 won him the Best Clubman award. Norm continued as a prominent Committee member in 1977, in "C" grade, as Club Vice President; and in 1978, as Club Assistant Secretary and Press Correspondent, he has greatly assisted our club.

An extremely popular player and club member, our 5 ft. 4½ in. champion has taken

many knocks and has won the respect of all for his courage and skill.

All supporters, players, past and present, offer Norm our heartiest congratulations and we hope his association with M.H.S.O.B.F.C. will continue for many years to come.

A.J.A.X. DEFENDER'S 100TH

A.J.A.X. defender, Mark Greenberg, plays his 100th game with the club this week against Old Xaverians. If ever a player is to be congratulated it is Mark, who has been forced to play many games under difficulty of recurring leg injuries. Most of Mark's games with the club have been with the Senior team and he was a member of the 1975 Premiership team. "Greenie" has won several club awards and is currently players' representative on the Committee. A great clubman and a great guy — well done Greenie.

"A" LEADING GOALKICKER'S 150TH

Barry O'Connor recently played his 150th game with North Old Boys. Now on top of the A Grade goalkicking list, he has been a full back of note for many years. Fast, a great mark, sure ball-handler and big kick, "Kanga" has also been a great clubman as well. Many more great games are expected and everyone congratulates Bazza.

Congratulations to Marshall Young, who played his 50th game for Hampton Rovers last week. Marshall has played most of his football with the club in the Seniors, and whether it be at half forward or half back, his clever play and fine judgement have been a thorn in many opposition sides. Well done, Marshall, and we at Roverland look forward to many more fine games from you.

150 UP TO COMMONWEALTH BANKER

Congratulations to Greg Dunkley, who last week played his 150th game for the Commonwealth Bank Football Club. He has been a very valuable player for both the Senior and Reserve sides since he joined the club in 1968. Features of his game have been his clearing dashes from the backline and his "friendly chats" with the man in white. Greg, who is a club life member, has been a great administrator, especially in the social field. His dedication to the club is bettered by none and we wish Greg all the best for the next 150 games.

"Herald" Phone Numbers

You may, again this season, dial DIRECT to the Amateur Football representative at the "Herald" Office. The numbers are:—
 652-1892 or 652-1893.

If you have any difficulty, you should ring 63-0211 ("Herald" switchboard) and ask for extension 1892 or 1893.

RESERVE SECTION RESULTS — These must be phoned to the above number(s) Before 3.00 p.m.

SENIOR AND JUNIOR SECTION RESULTS — These must be phoned to the above number(s) Before 5.00 p.m. A fine will be incurred after this time. If results are not received at the "Herald" Office by 5.30 p.m., a further fine will be imposed.

Phone calls not directed to the above numbers may go astray. In this event, clubs will be regarded as having failed to phone in their scores and will be fined accordingly.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with BOTH Goal Umpires before ringing the "Herald", for the correct scores. Incorrect scores equal a fine!

The phoning of all scores to the "Herald" Office is the responsibility of the HOME CLUB.

UMPIRES' CORNER

Regular readers of Umpires' Corner will recall that last year saw the creation of the Victorian Federation of Australian Rules Football Umpires with the V.A.F.A. Umpires' Association being one of the five foundation members.

One of the principal aims of the Federation being to promote the recruitment, education and training of umpires; it has been working closely with the Junior Football Council in its programs for schoolboy umpires. In May the Federation assisted in providing experienced umpires to attend a holiday course held at Scotch College to help provide practical training and assistance.

The Federation hopes to extend this assistance in the future and to, subsequently, ensure that potential umpires are not lost to the game. A brochure setting out the conditions offered by the member associations has been prepared and is available to any prospective umpire through the **Federation Secretary, Philip Rowell (ph. 25-2399).**

The first major project undertaken by the Federation is the provision of umpires for the Australian Schoolboys Under 16 Football Carnival in Geelong later this year. The Carnival is to take place between 22nd August and 1st September and it consists of 28 games. Umpires will be provided by each of the Federation members — being the Umpires' Associations of the V.F.L., V.F.L.R., V.F.A., V.A.F.A. and G.F.U.L.

The concept of umpires representing Victoria rather than a particular association is something that will be cherished by each umpire participating.
