THE PICTURE BECOMES CLEARER IN MOST SECTIONS SIX IN DISPUTE

By JAN HOWARD

And so to Round 18 and only eight of the final fours are decided — although only two of these are without the possibility of internal change. The most open Section of all is surely "A" University Blues is the unassailable leader and currently enduring a slump. The other three positions could be filled by any of five teams — Ivanhoe, De La Salle, North Old Boys, Old Scotch and outsiders University Blacks. The obvious evenness of the sides in A Section augurs well for a most interesting finals series. (Don't forget: the A Section Grand Final is on SUNDAY, September 17th, this year.)

The "nether" end of A Section is also full of interest, with today's clash between Ormond and Marcellin to decide who will join Caulfield Grammarians in B Section next year. Another pressure game is that between North Old Boys and De La Salle. The loser could well be fifth or sixth come 5.00 p.m. tonight.

In **Junior Section 1**, North are safely ensconced in the top spot despite their recent lapses. University Blues, Old Scotch and Ormond are all desperately trying to secure the double chance, whilst St. Bernard's and University Blacks are just as desperately striving to avoid relegation. Today they meet North Old Boys and Ormond respectively.

D Section's Old Camberwell will be looking for a return of form to enable them to return to the four. Equally will their opponents University High be looking for the win that could keep them in the Section for next year (particularly after last week's narrow miss). The St. Kevin's-State Bank match will decide who fills second place.

Main interest in **E Section** centres around the La Trobe Blacks-Beverley Hills and Old Geelong-Brunswick games, which will decide the final four's composition.

A Reserve sees University Blues, North Old Boys and Ivanhoe vying for the two spots behind St. Bernard's and Ormond.

The bye and the Therry-Commonwealth Bank game maintain the interest

in **F Reserve**. Therry must win to stay in the four (University Reds, fifth on percentage only, having the bye) whilst Commonwealth Bank need to win if they are to retain hopes of that coveted double-chance position.

There is one other "ladder" which is wide open at the moment and that is the **Tipster's**. Syd Whitfield has recently been assailed by Peter Nathan for the top spot (there is no "double chance" here). Third, fourth, fifth and sixth spots are also still "up for grabs" with only one point separating Brian Lauder from tied Peter Lemon, Norm Nugent and Jim Fidge.

Owing to the importance of so many of today's matches may I stress with all Home Club Press Correspondents the need for **promptness** and **accuracy** when phoning your scores through. Please check with **both** goal umpires first — do not rely on the timekeeper's only.

Finally, to those clubs which finish the year today may I say all the best for the next six months and good recruiting for next year's assault!

To the clubs that have survived through to the finals, Good Luck over the next three-four weeks!

PREVIEWING TODAY'S GAMES

A SECTION

Despite last week's upsets, or more correctly, because of these, the second, third, fourth and ninth positions (relevant as far as relegation is concerned) are still not finally determined.

Picking today's winners is going to be even more difficult than any other round in the year as every team will be desperate to win. The first game for discussion is **North O.B.** and **De La Salle**. Both sides know that they must win if they are to be certain of a place in the final four. Trying to get a line on form at this stage of the season, when grounds have been so wet and muddy for such a long time, is very difficult. Both sides have strong forward lines but with adverse conditions recent games have been a battle of the back lines. I am tipping **North Old Boys** to take the points in what will be a "do or die" struggle between both teams.

Another "last man standing" affair is sure to be the game between **Ormond** and **Marcellin**. The loser of this game will be relegated to "B" Division. Both sides have winning form and both showed great courage and determination in their wins last Saturday. **Ormond** have a home ground advantage over **Marcellin** and are a team that will be especially desperate not to leave "A" Grade. **Marcellin**, on the other hand, have shown very good form over the last few weeks and will not surrender to defeat easily. I am selecting **Ormond** to defeat **Marcellin** in a very tight finish.

Ivanhoe meet **University Blacks** in what is another vital game. **Ivanhoe**, despite the fact that they are in second position, could fall back to fourth if they lose to the unlucky **Blacks**. **Blacks** know that they have the slimmest chances of making the finals and would be foolish to not play this game as tightly as possible. Despite the fact that **Uni. Blacks** have shown good form over recent weeks I believe that **Ivanhoe's** win over **De La Salle** showed that they enjoyed the muddy and wet conditions and I believe that they will beat the **Blacks** and retain a second position.

University Blues meet **St. Bernard's** in what would have been another decisive game if **St. Bernard's** had not been defeated by a point by **Ormond**. **Uni. Blues** have dropped form in recent games and obviously are a team that prefer the drier conditions so that they can exploit their fast, open, play-on football. **St. Bernard's** performance in the second half of the game at **Ormond** was nothing less than dismal. In view of this and the fact that **Uni. Blues** will be keen to finish the season on a winning note I'm tipping the **Blues**.

Old Scotch meet lack-lustre **Caulfield Grammarians** in a game which **Old Scotch** know must put them back into the final four if they win. **Old Scotch** are very fortunate to find themselves in this spot, if it had not been for the upset win over **University Blues** last Saturday they would not be in a position to make the four. **Caulfield Grammarians** have shown nothing over the last few weeks to suggest that they

will defeat **Old Scotch** and I have to go for **Old Scotch** to win this match.

My selections therefore are: **North O.B.**, **Ormond**, **Ivanhoe**, **Uni. Blues** and **Old Scotch** — **MICHAEL ARNOLD**.

B SECTION

Today it's "mothballs" for some and high hopes for others.

The **Four** is settled and today's games will have no bearing on the final positions of teams.

It's been a hard season with most sides having their moment of glory, but I believe the four finalists have thoroughly deserved the right to fight out the premiership.

The big game today is the clash between **Parkside** and **Old Paradians** at **Pitcher Park**. This should be a ripper!

Parkside have not been defeated since the last time these two teams met. That day, **Parade** handled the conditions much better than **Parkside** and gave them their biggest hiding of the year. The ground today will be in a similar condition and should suit **Old Paradians**. To offset this the **Parkside** team has not lost a game at home this season and will be keen to keep this record intact. I know they are determined to avenge that previous thrashing, so I will go for **Parkside** to win a very tough game.

Old Trinity proved me wrong again last week with a very good win over **Fawkner**, and today throw out the challenge to **Old Melbourne**. I'm sure the **Trinity** boys will give it everything today so watch out **O.M.'s**. I can't tip against **Old Melbourne**, but with nothing hanging on the result, they could relax and be brought undone. It's **Old Melbourne** to win, but be careful.

Old Haileybury are at home and take on **Coburg**. This will be a tough game with no quarters asked — or given. **Coburg** showed last week they can play a game right out but so too do **O.H.** This will be the first time in many weeks the pressure is off **Haileybury** and they should enjoy the change. **Coburg** could learn a lot from this game if they approach it in the right manner. I'll go for **Old Haileyburians** to run out winners.

In the final game, **Monash Blues** host **Collegians** at the **University**. Both teams went down last week so club pride is the only thing at stake here. The **Blues** play well at home and this could be the deciding factor. **Collegians** started the season so well and looked set to play off in the Finals, but fell away disappointingly. I believe **Monash Blues** will lift and win this one.

Fawkner have the bye. They have had a strange season after a very slow start. I'm sure they are disappointed, but they have had a magnificent run over the years. It's now time to take stock and build up for next year.

My personal thanks and best wishes to all clubs. I hope you have found this column interesting, whether you agreed with me or not.

SELECTIONS: **Parkside**, **Old Melbourne**, **Old Haileyburians**, **Monash Blues** — **BRIAN LAUDER**.

C SECTION

What a Finals series it is going to be this year in C Section. With today's games to be played, only one thing is certain — the teams in the final four will stay there! Their placings, however, are completely up in the air.

A.J.A.X. (130.8%), with its second successive loss are now level with **Geelong** (126.1%); **St. Kilda** are close behind on 48 points (127.3%).

Percentages could well decide second place. If **Geelong** fails against **Old Xaverians** today, it could find itself in the precarious position of facing **Old Xavs** again next week — in the first semi-final.

While talking about "ifs", here's another one. Presuming **Geelong** win and **St. Kilda** account for **Old Carey**, a third successive loss for **A.J.A.X.** could see them drop to third, with percentage margins the deciding factor.

So much for the "supposing" — what will happen today? Perhaps anybody's guess!

Geelong go to **Yarra Park** with its magnificent winning sequence (10) still intact but having not made the most of its opportunities to improve its percentage. Had **Geelong** capitalized on two of these chances (the **Old Carey** and **Alphington** games) it would be unassailable in first or second place — firmly assured of the double chance. This double chance is important; I wouldn't fancy **Geelong's** confidence if forced to face its conqueror today, again in the first semi-final next week — even down at **Geelong West**.

Geelong will welcome the return of champion **Ian Davis** and, hopefully, **Russell Coad** will have regained fitness.

Old Xaverians, with 8 wins in 10, compare favourably with **Geelong** in consistency. The **Yarra Park** oval is well known to both sides and the game promises to be a thriller. **Curtain**, **Old Xaverians'** full-forward, is a danger player and must be played closely by top **Geelong** defenders **Tim Hardiman** and **David Ross**.

I don't expect **Geelong** to win by the ninety-odd points it did last time, however, I predict it will win and prove its right to be premiership favourite.

The order of the ladder will remain unchanged.

A.J.A.X. will not slip at home against **Hampton Rovers**, who have done well in the past few weeks. **Hampton** were unlucky not to beat **Old Xaverians** and they appear better suited when at home.

Old Carey will be keen to surprise **St. Kilda** out at **Bulleen**. I know "Reg" **Elliott** will be keyed up for this one and so will the **Carey** boys after last week's near miss against **Old Brighton**.

St. Kilda, with so much at stake, will keep alive any hope of sneaking the double chance.

Kew flopped badly against **Old Ivanhoe** and may be troubled today against a varied **Old Brighton**. I favour **Old Brighton**, but for no good reason.

Alphington battled determinedly down at **Geelong** and will threaten **Old Ivanhoe's** new-found lease-of-life. Home ground advantage will swing the game to **Alphington** and this should cheer up **Peter Harris**, whose only happiness befell him after the game last week.

SELECTIONS: **Geelong**, **A.J.A.X.**, **St. Kilda**, **Old Brighton**, **Alphington** — **JIM FIDGE**.

D SECTION

A real final atmosphere will pervade the **Burnley Oval** where **State Bank** players will be endeavouring to take their side into a **Final Series** for the first time since 1973. **St. Kevin's**, their hosts today, will be all out to secure the double chance and try to do better during the Finals than they did in 1977. Home ground advantage, a stronger side and my long held suspicion about the **Bankers** away from **Albert Park**, are the three factors which lead me to select **St. Kevin's**.

After being in the vanguard all season the **Old Camberwell Grammarians** now find themselves out of the **Four** at the eleventh hour. They must win today for their percentage to carry them back into the **Four**. **University High School Old Boys** will be looking for victory to keep them in **D Section**. The visitors' recent form, although better than that of the **Camberwell** lads, still may not be sufficient to enable a **University High School Old Boys** victory. Today is the **Camberwell** day of reckoning, **Peter!** Your players must be positive and do rather than debate what might have been. Without any real confidence I select **Old Camberwell**.

In a game which could assume more than academic or nostalgic interest (to quote **Peter Nathan**) **Country Colleges**, for the second time, will play **West Brunswick** on the **Ransford Oval**. Both sides can only reflect on what might have been their lot in 1978. The **Colleges** play-on game will be thwarted on the narrow **Ransford Oval**. **West Brunswick** will be all out to dismiss any chance of relegation. For them the game could be a "must". I have a reasoned opinion "The **Magpies**" can win. Veterans of the two clubs will remember the **West** performance against **Assumption O.C.** on August 16, 1969. Memories of that **West Brunswick** performance linger with me still. To be more realistic, neither side has won a match since July 8 (**Country Colleges** beat **Elsternwick**). Bearing in mind the **Colleges'** victory over the "Magpies" on June 10, as well as my own prejudice, I select the **Country Colleges** to end the season with a victory.

Elsternwick, on their recent form, must be firm favourites to take the points over **Heatherston** today. The home side (**Heatherston**) has not lived up to early promises. Their last victory was against **Country Colleges** on July 22. **Elsternwick** have proven giant killers as well as **Final Four** formers with their latest victories. Today, **Elsternwick** is my selection.

In another vital game **Power House**, a top berth assured, meet **Melbourne High School Old Boys**, who must do well to feature in a **Final**. The power of **Power House**, namely **Sykes**, **Perry** and **Bredyk**, should win the ball enough to deprive **Melbourne High** forwards, **Adams** and **Martin**, of scoring a winning total. Around the ground **Peatling** and **Flegeltaub** should deprive **Power House** of much of **Evans'** drive. I can't see the **Melbourne High School Old Boys** holding **Power House** to a losing total.

After my selections, I can only hope my form of last week holds, and I can see percentage deciding third, fourth and fifth placing. The State Bank and Melbourne High sides must beware that every score will be vital in deciding fourth place.

SELECTIONS: St. Kevin's Old Boys, Old Camberwell Grammarians, Country Colleges, Elsternwick Power House.

To conclude, I thank each side for the assistance given to me when I have sought scores and details during the season. May those who finish today do better in 1979, and to those four sides who win through, may fortune favour you over the next three weeks — **NORM NUGENT.**

E SECTION

The main interest in the Section today is still the outcome of the struggle for fourth place. La Trobe lead in the race, with a one game advantage over Old Geelong, but also with a danger game today against third team, Beverley Hills. Should La Trobe beat Beverley Hills, they'll secure fourth spot, but if they lose, Old Geelong, with a likely win over Brunswick, will edge them out on percentage.

La Trobe's game against Beverley Hills is on the big University oval where the home side has lost only two games for the season, and they'll go close to taking the points. Beverley Hills impressed me greatly a couple of weeks ago — on their ground — but that might not mean much today, firstly because they're now in no danger of missing the Four, and secondly, because their performances away from home have been very weak on a number of occasions. On the other hand, a loss for Beverley Hills would be a demoralizing prelude to the Finals, particularly as the loss would be against the team they'd then have to meet next week. So who knows, they might really turn it on. And in addition, there's another unknown factor: the number of players who'll be absent from the Uni. team due to the vacation. On thinking it over, and admittedly with an element of wishful thinking, I'm going for Beverley Hills to win narrowly.

Old Geelong today complete twenty-five home-and-away seasons with the V.A.F.A., and although that's some incentive to perform well, the bigger incentive will be to get back into the Four. Although almost everything hinges on the result of the game at La Trobe, I can't see Geelong chucking this one away by losing to Brunswick. It's been a disappointing year for Brunswick, and though they might push Geelong for a while, the home team will go on to win comfortably.

Old Mentonians finish the season at home to A.N.Z. Bank, and they'll do it on a bright note with a good win. Mentone struggled badly last week, but today will find goals easier to come by. As for A.N.Z., I'm afraid the only thing to look forward to today will be that beer after the game — but don't despair fellas, they serve a pretty good drop.

A.M.P. will be at home to Bulleen-Templestowe, not far from where the visitors will be playing in the Second Semi-Final next week. I can't see A.M.P. throwing out any serious sort of a challenge, and Bulleen-Templestowe will

win their third easy game in a row. Whether three easy wins in a row is a good thing for a club going into the Finals is another matter — but more of that next week.

North Brunswick again proved last week that they are a good team, and today they'll be looking for a win against top side, St. Bede's. North's coach is confident of knocking off the leaders, and I too, rate them a good chance, especially when it's remembered that St. Bede's only "fell in" by a point with much straighter kicking earlier this year. For all that, however, I'm going to play safe and pick St. Bede's, mainly because of their home ground advantage.

My selections: Beverley Hills, Old Geelong, Old Mentonians, Bulleen-Templestowe, St. Bede's — **PETER LEMON.**

F SECTION

Two losers clash on the Harry Trott in a preview of the first semi-final, which won't be on the Harry Trott. I don't know why the Bankers failed to win last week against the Filites, although that game resulted in a telephone conversation with an old adversary which gave me more pleasure than trying to pick this. Therry won against Clayton a couple of weeks ago whilst the Bankers must be wondering if and when they will finish ahead of someone. Perhaps I should go for one this week and the other the following week, but I'll stick with the strength and go for the Bankers, leaning very heavily on the home ground advantage (I've known them to have the advantage of the wind for three quarters).

Thornbury, at home to the big improvers, Monash Whites. However sweet the past two Saturdays might have been, now comes the dull thud. Such things have been known to happen when the low boat knocks off the section leaders, but not in F Section, nor this week.

Bulleen United are coming home like the good team they undoubtedly are and National Bank haven't got the strength or skill to get close. I trust that the Bank mob give it a decent try for Bulleen's sake as they could use a good workout for the trial ahead.

Clayton will be at home to the Filites, who should finish the year cursing their early season losses, and to whom I apologise for naming the wrong Oliver last week. They have a big side and with the resources of the Institute behind them, should be able to reach the heights again.

SELECTIONS: Thornbury, Commonwealth Bank, Bulleen United and Footscray I.T. Uni. Reds get the D.C.M. a week early — **SYD WHITFIELD.**

JUNIOR SECTION 1

The composition of the Four in Junior Section 1 seems finalised at last. Ormond's good win over Ivanhoe last week clinched their place and they will join North Old Boys, Uni. Blues and Old Scotch in the premiership battle. North, of course, will finish on top, but have now lost to the three other finalists in successive weeks. Uni. Blues will probably finish second and they seem to be coming good

at the right end of the season. The two in-form teams will probably finish third and fourth. Ormond and Scotch are both playing well at the moment and if I were a betting man I would have a few dollars on Ormond for the flag.

The relegation battle also sorted itself out last week. As I predicted, St. Bernard's had far more incentive than Hampton and won a close tussle to move ahead of Blacks on percentage. Unless Blacks can beat Ormond today they will join Geelong in Section 2 next year. Geelong finally broke the ice last week with a win over Monash to deprive me of my first tipping clean sweep.

Today's games are fairly straightforward, with the top five teams playing the bottom five. The main interest in the round will be to see if Scotch or Ormond can bridge the percentage gap that separate them from Uni. Blues and take over that coveted second spot. Blues travel to Hampton and should win by enough to stay second and meet North in the Second Semi. I can't see Blacks beating Ormond, while Ivanhoe will have a big win over Geelong and hope that someone above them falters. Monash play well at home, but I think that Scotch can win out there and North should return to the winning list against St. Bernard's.

SELECTIONS: North Old Boys, Uni. Blues, Old Scotch, Ormond and Ivanhoe — **PETER BRUKNER.**

JUNIOR SECTION 2

Today we face up to the last home and home round for the season. Commiserations to those sides that have not made the final four and congratulations on the way you have participated during the year. Now is the time to start recruiting for 1979 and hopefully we will see you preparing for the finals in 12 months.

The main interest in today's round will stem around the winning margins of Old Hailey-

burians and De La over Caulfield Grammarians and Therry. Which of these sides gets the double chance will be decided on percentage — co-operation is requested from both clubs in phoning correct scores before the due time.

De La Salle O.C. play Therry C.C.O.B. My luck in catching Therry has been remarkably bad but today I am sure they will be no match for the home side. Nevertheless, Therry will contest the match to the end and any lapse in concentration by De La will be costly.

Old Haileyburians, at home to Caulfield Grammarians, should be an interesting game. There is no doubt that the visitors have the ability to make the Haileybury players earn every score they can get on the board. The home side forward line is most effective and will ensure a victory which will not be sufficient to displace De La.

Old Paradians prevented your scribe from tipping the card last week and today await the arrival of Fawkner who won on forfeit last week. This lack of match practice may have resulted in some of the Fawkner boys declaring the season closed at an early date and Paradians are my choice.

The forfeit of M.H.S. Old Boys last week makes one wonder whether they will actually play host to Kew today. The visitors certainly need the match practice as they will be playing in the first semi-final next Saturday. It is hard to imagine the home side causing any upset and my selection is Kew.

West Brunswick make the short journey up Sydney Road to play Coburg. The Burgers can expect an easy victory but they should be practising the skills of the game in preparation for next week's second semi-final.

SELECTIONS: Coburg, De La Salle, Old Haileyburians, Kew, Old Paradians — **PETER NATHAN.**

BALL BRIEFS

TWO CENTURIANS AT OLD TRINITY

Old Trinity congratulates both Neil Beer and Bill Peers on reaching their 100th Senior game together on August 5. Both joined the club from the school, Bill in 1972 and Neil in 1973, and have been regular senior members ever since. Neil has spent most of his football career on O.T.'s half-back line, where his determination to win the ball and his determined tackling have made him a most valuable and respected player for the club. Neil's desire to attack the ball at all costs has made him an ideal model for younger members of the club to base their game on, and his off the field support for the club has also been invaluable. Last year Neil was 3rd in the club's best and fairest voting and this year his form has continued to make him one of our best players.

Bill Peers is quite a well known Amateur personality to all clubs, first representing Victoria at the Interstate Carnival in 1973 and since then in 74, 75 and 78. Over the past few years, Bill has had an unfortunate run of injuries which have prevented him from always being at his top, but has still shown himself to be a damaging player and one that opposition clubs always take notice of. Bill is quite a skilful player and not afraid to win the football and send it down the field with his long

left-foot kicks. Bill was 2nd in the club's best and fairest in 1973 and last year won the best and fairest, previously winning it in his first year with the club in 1972. Bill has also given the club excellent support off the field as a club official and has been the club vice-captain for the last two years.

To both Neil and Bill, from all concerned with the club, well done and good luck with your next 100.

PARKSIDE BACK POCKET'S 100TH

All at Parkside would like to congratulate Tom Keogh on playing his 100th game last week against Coburg. Tom, who started with our Under 19s in 1970, has progressed to the Seniors where he has been our regular back pocket player for quite some time. Tom's efforts were rewarded in 1977 when he was appointed vice-captain of the seniors. Tom is really one of the best back pockets playing in amateur football and his off field personality makes Tom one of the really outstanding Parksideers that he is. Well done, Tom, and all the best.

All at Elsternwick would like to congratulate two of their players on playing their 50th games last week. Denis Grace and Gary "Tunnel" Bradshaw have been valuable players for the club over the many years and we look forward to many more good games from them.

BALL BRIEFS

A HUNDRED AND TWO 50'S UP FOR IVANHOE

Brian Lynn and Craig Williams both played their 50th game for Ivanhoe while Glen Stewart played his 100th last week.

After two seasons with the Under 19s, Brian Lynn graduated this season to the Reserves where he has played on the wing, half back and half forward flanks. Brian is a very determined and good team player as well as a good club man off the field. Brian also played 40 odd games with our Under 15 and Under 17 teams in the Doncaster and District Junior Football League.

Craig "Podge" Williams started with the Under 19s in 1976 and has played the last two seasons in the Reserves, being a member of last year's undefeated premiership team. A very clever player, Craig has played mainly across the centre, half forward line or on the ball.

Glen Stewart also commenced with the Under 19s where he played for three seasons and is now in his third season of open age football, all of which have been played with the Reserves until two weeks ago when he performed very well in his first appearance with the Senior team. A player who has done very well in many positions and we certainly expect big things from him in the future. He too was a member of last year's undefeated Reserves premiership team. Glen is also involved in the organization of the club's social functions.

To Brian, Craig and Glen — everyone at 'Hoeland wishes you the very best and look forward to seeing the many more games you will play with the club in the future.

Congratulations to Gordon Burrows (Mouse) from all at Thornbury for playing his 50th game recently. Mouse, who won the Senior's best and fairest last year, is a true champion and a very consistent player in any position on the field, and I hope we will all see you playing your 100th with Thornbury soon. Well done, Mouse.

Congratulations to Jeff Hayman on playing his 50th game last week for Thornbury. Jeff has been and still is a great player on the forward line as he is very consistent in kicking goals. Hope to see you take the leading goal kicking award again this season. Good luck and hope to see you play your 100th.

Congratulations go to Gerry McNamee who played his 50th game for the Commonwealth Bank last week. Gerry is a plucky rover who has played many fine games in both the firsts and seconds. Gerry is a typical rover who bases his game on speed around the ground and guts in the pack — not to mention the occasional screamer. Well done Gerry and we all hope to see you playing your 100th for the Bank in the future.

All at Bulleen United wish to congratulate Peter "Cabana" Vening on playing his 50th game last week. "Cabana" joined "United" in 1976 and has been a member of both the

Seniors and Reserves teams over the years. A keen clubman, "Cabana" is a committee member this year. If recent form is to be a guide, Peter will be a great asset in United's coming finals appearances. Keep the good work going "K".

The State Bank Footy Club would like to congratulate Noel "Mr. Magic" Thane who recently played his 50th game with the club. Noel was recruited 3 years ago and is now turning into one of the finest ruckmen in the Reserve grade ranks. Regardless of size, he is seldom beaten and is equally at home on the forward or back line, making him a most valuable member of our team. When taking the marks of which he is capable he lifts the whole side and is one reason why the Reserve side is currently enjoying success. Congrats again Noel and see you for your ton.

The State Bank Football Club would like to congratulate Julian "Plunger" Lenehan on reaching his first milestone with the club. In only his 3rd year with us he has already notched up a Reserves best and fairest award and is currently playing some great football in the Senior side. His "bore-in at all costs" style of football is a headache to any opponent who has the misfortune to play on him and an example many of his team mates could follow. Congrats again "Plunger", keep up the great work and see you at 100.

Heatheron's Pete Hopkins played his 50th game for the club recently. We all applaud the achievement and are used to seeing his flowing mane solid in defence every week. Good stuff Pete, the next 50 come easier.

Last week Ian Dempsey chalked up the half ton for Heatheron. His tenacious play is inspiring to the team and many forward moves originate from his wing. It's the fellas like Ian that make the club.

All at Old Ivanhoe congratulate Greg Hannah on reaching 50 games. Greg, who joined the club in 1976, is a tough and determined defender who takes a good mark and always gets his kick. Greg, who works hard on the training track, is improving rapidly and should have a long and successful career with the club. Well done Greg.

Congratulations are extended to Tony Curry from all at St Kilda C.B.C.O.C. on reaching his 50 games last week. "Cuzza" started with the club in 1975 and quickly worked his way into the Firsts. He has developed into a fine centreman with a strong pair of hands and great disposal on either foot. Runner-up in the Best and Fairest award last year, his brilliant form of the moment will ensure him of again polling well. We all hope he continues his present form in his next 50 games. Best of luck Tony.

North Old Boys thank Caulfield Grammarians Reserves trainer for his help when John McPhee recently broke his leg. It was much appreciated.

LOOKING BACK

BY NOEL RUNDLE

ROUND 18 — 5 YEARS AGO — 1973

Kew continued their running run in B Section by topping leaders, Reservoir Old Boys and securing their place in the Four. Kew staged a great finish to score a 2 goal win. They trailed by 3 goals at three-quarter time and dropped further behind early in the last term, but then rattled on 8 goals. Pierce, Fletcher, Hayes (Kew) and G. Massey, T. Byrnes and J. Martin (R.O.B.) were best.

Caulfield scored a sound win over Coburg and climbed back into the Four by doing so. The Caulfield boys did their best to lose the game by kicking 3.12 in the first quarter — with many shots out of bounds.

Old Trinity continued on their winning way with a mammoth 29.16 to 9.9 against M.H.S.O.B. Johnson, D. Stephens (10) and Pygin were best.

Collegians congratulated lightly built Daryl Tucker on reaching 200 games. 150 games to Damien "Mugsy" Maguire (North O.B.), Peter Dakin (Power House) and Hughie Ford (Old P.).

The Umpires farewelled Jim Peters who retired as a field umpire with 301 games to his credit and 20 years. (Jim has continued as a goal umpire for many years — N.R.)

Leading goalkickers for season were "A" — Ladd (Orm.) 60; "B" — Harley (M.H.S.O.B.) 75; "C" — Chapman (C'field) 87; "D" — Thompson (C'wealth Bank) 66; "E" — Rosewarne (E'wick) 78; "F" — Signoreth (St. Bede's) 50; "Junior 1" — Whitton (Monash U.) and "Junior 2" — Mark Browning (Beverley Hills) 69. (Mark, in 1978, is South Melbourne and Victorian League utility player — N.R.)

20 YEARS AGO — 1958

Collegians, leaders for the season in 'A' Section, confirmed their position with a 25 point win over Old Xaverians, keeping their opponents goalless in the first half. Gellie, L. Hibbins and G. Daff (Coll.) and Callan, Johnson and Carrol (Old X.) were best.

A determined U. Blacks, after trailing Old Paradians by 16 points at half time, forged ahead in the third term to finish 23 points in front of Old Paradians who scored only 8 behinds after the interval. It was a confidence booster for the victors as both the teams would meet again in 'B' Section second semi.

In 'C' Section, the top two, Parkside and De La Salle, battled out a hard game with Parkside's sustained finish, 6.3 to 1.5, giving them an easy victory. Best were BRIAN LAUDER, Radwell, Jensen (P'side) and Too-good, B. Teague, McCormack (De La Salle).

BALL BRIEFS

St Kilda C.B.C.O.C. would like to congratulate Peter "Stork" O'Sullivan on playing his 50th game for the club recently. "Stork" has played in many positions all over the ground, proving that he is a capable and adaptable footballer. He is a great clubman and is always willing to help out. Well done, Peter, hope you continue with the club for many years to come.

Many players at De La Salle O.C. have reached the 50 game mark this year. Three more did so last week.

Senior players Mick Nugent and Simon Beddoe, who are part of our powerful first ruck combination and have both come up through the Under 19's, lined up for their 50th game against Ivanhoe. They were both members of last year's premiership side, and shared the best first year player trophy between them.

Leading A Reserve goalkicker Peter Harley also played his 50th game. Although the Reserves have had an up and down season, Peter has still managed to get a couple of goals each week. He is also an integral part of the hard working social committee who have done a good job.

Congratulations to all three players and let's hope they put in good games to remember their 50th.

TWO CENTURIES AT POWER HOUSE

Congratulations from everyone at Power House to Steve Whitmore and Peter Stewart who both play their 100th game with the club today. In spite of many injuries over the years, which would have disheartened many, Steve has always battled on and the reaching of this milestone is a credit to him. His versatility has resulted in him playing in many positions on the field, most notably on the backline, and his ability was recognised last season when he was appointed vice captain of the club.

Following his recruitment from the club XVIII, "Stroppa" showed such rapid improvement to the point where he has now been a regular senior player for many years. His close checking and long kicking game make him a natural for full back where he has played many fine games. Off the field, Stroppa has been invaluable first as property steward and more recently on the social committee.

The club extends their best wishes to both of these fine clubmen today and during the finals series. Well done Steve and Stroppa.

Bob Conti is a very gifted rover at North Old Boys and recently reached his 50th game. Coming up from the Under 19's, Bob earned permanent status in 1977 and is now one of the first players selected each week. Very fast, courageous, a great kick and first class opportunist, Bob will be around for many years yet and every N.O.B. supporter looks forward to this.

NORTH CENTURY

Steve Crooks, a rangy, fast and long-kicking full back, recently played his 100th game with North Old Boys. Steve is both gutsy and talented and has many more games within his reach. Congratulations.

Defrim Kutrolli recently played his 50th game at North Old Boys and deserves the best wishes from all. He is a strong centreline player and defender who would have reached

this milestone much earlier if injuries had not delayed him. Defrim will wear the purple and white for many a year yet and North looks forward to his next milestone.

DOUBLE CENTURY TO BANKER

Congratulations go to Wayne McCrimmon who plays his 200th game for the Commonwealth Bank this week. "Waves" started with the club in 1968 and his record is outstanding. His achievements with the club include Best and Fairest winner, runner-up numerous times, committee man and life member. He is a most inspiring captain and in his 12 years with the club has only played in our senior side, which in itself speaks for his ability. Wayne was a member of our 1969 C Grade premiership side and if team mates show the same determination and dedication then he will be leading them to another flag. Well done, "Waves", and may we see many more fine games from you in future.

Congratulations to Frank Burrows from everyone at Thornbury on your 50th game. Frank has been a very determined player in the time he has been with the club. Well done, Frank, and hope to see you play your 100th.

200 CONSECUTIVE GAMES AT OLD MENTIONIANS

All at Old Mentionians congratulate Ron Bungey who today plays his 200th consecutive game for the club. Never out of the senior team, Ron was a foundation member of the club and has played in all but the first game the club played. A life member, former club president and committeeman for many years, Ron has given the club outstanding service both on and off the field. Often given the task of shadowing opposition star players, Ron has been an inspiration with his determination and dedication. Well done, Ron, and we look forward to your 300th.

Old Mentionians congratulate David Sharp on reaching 50 games. After playing most of those games on the wing, David has moved to the back pocket where he continues to be a consistent performer. Well done David.

ELIGIBILITY OF PLAYERS FOR RESERVE AND JUNIOR SECTION FINALS

The attention of clubs is drawn to the restrictions which apply concerning players eligible to take part in Final matches in the Reserve and Junior Sections.

The Rule relating to eligibility of players in Reserve Section Finals reads:—

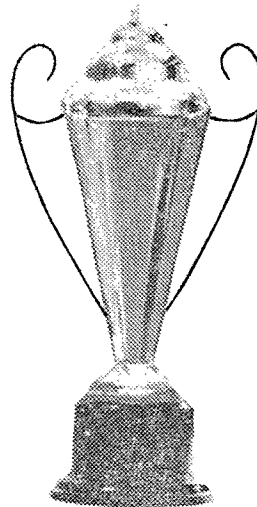

A player who has been a member of a senior team of any club in nine or more matches during the home-and-home matches in any season shall not be eligible for inclusion in the reserve team of a club taking part in a final match in the same season unless both the senior and reserve teams are participating in a final match on the same day.

Provided that no player shall be eligible

for inclusion in a reserve team taking part in a final match in any season unless such player has been a member of such reserve team in at least TWO home-and-home matches during the said season.

JUNIORS

A player who has been a member of a senior or reserve team in more than five matches during any season shall be ineligible for inclusion in a junior team taking part in a semi-final, final or grand-final match in the SAME SEASON UNLESS he has been a member of the junior team for more than five matches in the same season.

Old Paradians — Bye

La Trobe Blacks Reserves captain and rover, John Solomon (alias Toulouse-Laurec) caused a sensation recently when, due to a rare lapse by the Bulleen-Templestowe defence, he burst through a pack and kicked accurately to record a goal — an unprecedented occurrence. As a result, Mick "Bluebeard" Butler suffered a heart attack, while others escaped with an ear-bashing. "Toulouse's" illustrious career has spanned eight sordid seasons and well in excess of 100 games, during which Toulouse has been Reserves captain, coach of the Red's reserves, official bourgeois-basher and well-known voice on the members' flank, rivalled only by Nelson, Roscoe and Ivan the Terrible. Will lightning strike twice? Only time will tell.

Fawkner won by forfeit from
 M.H.S. Old Boys

Two more A.M.P. players have joined the 50 game clan. Last week Geoff "Bozo" Caddick slopped his way thru' the Bev. Hills quagmire to reach that mark in pretty short time. Well done, "Bozo", let's see you proceed to the seniors where you belong.

The other is Frank "Aussie" De Propertis who makes the grade today. Frank also manages to avoid injuries and has made short work of the half ton. I believe we have not yet seen the best of "Aussie", and when he gets it all together he could go on to be a key player in the A.M.P. senior team.

"Herald" Phone Numbers

You may, again this season, dial DIRECT to the Amateur Football representative at the "Herald" Office. The numbers are:—
 652-1892 or 652-1893.

If you have any difficulty, you should ring 63-0211 ("Herald" switchboard) and ask for extension 1892 or 1893.

RESERVE SECTION RESULTS — These must be phoned to the above number(s) before 3.00 p.m.

SENIOR AND JUNIOR SECTION RESULTS — These must be phoned to the above number(s) before 5.00 p.m. A fine will be incurred after this time. If results are not received at the "Herald" Office by 5.30 p.m., a further fine will be imposed.

Phone calls not directed to the above numbers may go astray. In this event, clubs will be regarded as having failed to phone in their scores and will be fined accordingly.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with BOTH Goal Umpires before ringing the "Herald", for the correct scores.

The phoning of all scores to the "Herald" Office is the responsibility of the HOME CLUB.

Clayton — Bye

Brunswick would like to congratulate Joe Anderson, Paul Cutajar, Eric Heskett, Gary Johnston and Peter Sheehan on passing their 50th games with Brunswick. It has not been a winning year for the "Wicks", but these players have been there every week trying their best to lift the club both on and off the field. We hope that their next 50 games with the club will see more success for them and the Brunswick club.

UMPIRES' CORNER

100 GAMES TO SENIOR UMPIRE

Pat Maebus umpires his 100th V.A.F.A. game today at Parkside. Pat joined the Amateur panel in 1973 after three years as a player in the Y.C.W. competition. His first game was Fawkner v St. Bede's at Fawkner Reserve.

After two years in the Reserve grade, Pat officiated in his first senior game in 1975. Since then he has worked his way up and this year has done all his games in B and C Sections.

Pat is married, has a family, and when he is not umpiring, finds time for fishing, snow-skiing and golf. He is one of a group of electricians on the umpiring panel who keep the power flowing at Elsternwick Park.

Pat's greatest disappointment in umpiring was having to withdraw from his first finals appointment in 1977 due to illness. We hope that 1978 will be a more successful year. Congratulations on your 100th!

CLUB BOUNDARY UMPIRES

In order that a full team of neutral umpires can be supplied for all finals, club boundary umpires who officiate regularly are being invited to apply to be appointed to finals games on 26 August.

Any boundary umpires who are interested are asked to let the V.A.F.A. field umpire at their ground today know. Their names will then be passed on to the Umpire Committee.
