NEW-COMER SUCCESS THE ORDER OF THE DAY

By JAN HOWARD

All-in-all it must be agreed, that the 1978 Season started successfully. There were the usual upsets — and the predictable wins.

Therry C.C.O.B. in Junior 2 acquitted themselves remarkably well when it is considered that they had virtually no notice of their inclusion into the competition. Many club members were still stunned, on Sunday, that they had managed to "get organized" in time. The question of how they outfitted the side is a puzzle yet.

Of course Therry's inclusion came about by the very late withdrawal of Reservoir Old Boys following the disbandment of the Club. This has caused the unfortunate circumstance of a bye in B and B Reserve Sections. It has been suggested by some that the B and F Section teams with a bye could get together and play non-competition matches each week. It must be admitted however that much humour (?) greeted this proposal.

Clayton, new club into F Section, has commenced the Season with the proverbial "bang" perhaps indicating that it is not keen to remain in that Section for too long. Forty-nine goals in eight periods of football is not bad going in anyone's language.

Other success — stories last week were written by new A Section clubs Old Scotch and Ivanhoe, who had good wins over Ormond and Marcellin respectively. De La Salle continued on their winning way with a twenty-five point victory over University Blacks.

University Blues proved that they will be a force to be reckoned with in '78 with a run-away twenty-one goal win over Caulfield Grammarians.

B Section new comers did not fare so well, however. Both Fawkner and Parkside were well in their game at three-quarter time but could not withstand last-quarter bursts by Old Melburnians and Collegians. Perhaps experience is the key factor here. B Section is a very different game from C Section — ask any of the Clubs that in past years have not been able to withstand the additional pressures involved.

Coburg were, of course, forced to "cool their heels" for another week — a difficult situation when the Club was more than likely ready and rearing to go to seek revenge for last year's disappointing performances.

New-comer success was the order of the day — in C Section, where three of the four sides were the victors — St Kilda C.B.C.O.C., Old Brighton and Alphington — only Geelong missed out on the four points.

Only West Brunswick could manage a first up win in D Section, (over other new-comer U.H.S.O.B.) with Power House and Old Camberwell proving too strong for Heatherton and M.H.S.O.B. Country Colleges proved our D Section tipster right again when they went down to State Bank at Albert Park — surprising, perhaps, when it is remembered that St Pat's-Monivae was headquartered just up the road.

E Section again favoured the new-comers, with resounding wins to Bulleen-Tempestowe, Old Geelong and St Bede's O.C.

A serious lack of co-operation was exhibited by several clubs when it came to 'phoning scores to the "Herald" or to Press Correspondent Arthur Goudy. Probably the worst offenders were a couple of D Section Clubs (who shall, at this stage, remain anonymous) whom Arthur had "to chase" for their final scores — one Club unsuccessfully. There is no need for this to happen — it causes considerable trouble — and maybe more importantly costs the Clubs money.

The Herald numbers are 652-1892 or 652-1893 — deadline is 5.00 p.m. Seniors and Juniors; 3.00 p.m. Reserves.

PREVIEWING TODAY'S GAMES

A SECTION

Three out of five was not a great start to my tipping career. I'll certainly think twice about tipping anyone, even North, to beat St. Bernard's at home. They really do have an amazing record out at the school oval. My other mistake was that I obviously underestimated Ivanhoe. New coach Max Condie has a young, enthusiastic side and they look set for a good year. Their first big test comes today out at their new ground at Waringal Park where they meet St. Bernard's. The return of captain Charles Stredwick this week will further strengthen the 'Hoes and I'm tempted to pick them, but it's difficult to go past Gus Mitchell's boys. They took everything North could throw at them last week and came out on top. St. Bernard's to win a close one.

The other big game is at Elsternwick Park where North Old Boys play Old Scotch. North lost a close one last week and will be in a mean mood today. Scotch, on the other hand, overpowered Ormond in the second half last week and will approach this game with plenty of confidence. It is Scotch's first big test and I, for one, will be very interested to see how they fare. I mentioned last week that they have a lot of marking strength, but I suspect North might be too fast and strong for them today.

University Blacks play Marcellin at the University and will win well. They gave De La a good run for their money last week with ruckman Peter Birch and little men Geoff Holland and Al Fisher starring. Marcellin disappointed the A Grade tipster as well as their supporters last week when they went down to Ivanhoe. They have been hard hit by injuries, but they won't get much sympathy from Bob Beynon's Blacks.

University Blues have never won at the old Ormond ground, so will appreciate Ormond's change of venue this year. The home side disappointed against Scotch, while Blues had a mammoth win over Caulfield. The Uni. side will find things a lot harder today, but I think they can make it two out of two and stay on top.

Caulfield played poorly last week, but will perform better at Albert Park. The loss of Lester, Morphet, Buchanan, Butcher and McDonald from the Senior side is more than most clubs could handle and they must meet De La Salle today without the services of Interstate ruckman John Griffiths. De La have not hit premiership form yet, but should win well today.

Today's winners: St. Bernard's, North Old Boys, Uni. Blacks, Uni. Blues and De La Salle — PETER BRUKNER.

B SECTION

"Welcome to 'B' Grade." This greeting was extended to three of the new sides in the Section, along with a polite lesson in how to play football. Each of the new teams lowered their

colours, although the Fawknor boys kicked over 100 points in a losing score.

Today we see Old Melburnians take on Old Paradians at the Corder Oval. O.M.'s, after their great win at Fawknor last week, should continue their winning run with another victory today.

Parkside at home face up to a very keen Old Haileybury. If they learnt from last week's defeat that you cannot win by playing only one quarter, then I feel, with the advantage of their own ground, the Parkside can win this one. The result of Tuesday night's tribunal will have a strong bearing on this game.

I still believe Fawknor is one of the top teams of the section. They will have learnt from last week's set back and should prove too strong for Monash Blues at Monash.

Coburg, eager to prove themselves in "B" Section, visit Old Trinity. I believe the fast play-on style of the Coburg team will create enough opportunities for their forwards to score well and win this one.

Collegians, after a great win last week, have the bye. Thanks for the refreshments after the game boys.

Selections: Old Melburnians, Parkside, Fawknor, Coburg — BRIAN LAUDER.

C SECTION

Only 2 out of 5 to start the season — so let's see if we can do better today.

Alphington and Hampton Rovers, both first round winners, will stage the match of the day — one of the few days in the year when veteran stalwarts Syd Whitfield and Fred Coldrey won't see eye-to-eye.

Hampton jumped Geelong early last week and proved that a good first quarter is essential. Hampton have a sprinkling of height and active small players. Alphington will be typically determined and have the home ground advantage. I am in a spot — selecting between first round winners, neither for which I cared last week. Peter Harris won't forgive me — I'll take Hampton.

All those pre-season stories of new-found success don't count for much, A.J.A.X. You will have your busy moments at home today. Old Ivanhoe started strongly, but may find A.J.A.X. a more difficult proposition than rebuilding Old Carey. I lean towards Ivanhoe, but expect a close game.

Geelong and St. Kilda played each other twice for a win apiece in 1977. Geelong is missing Wells around the packs, but is steadily establishing its now line-up that contains many new faces. "Ox" White will dominate C Section packs while Geelong has the raw Ellstone whom I predict will come good. I pick Geelong because it's at Queen's Park.

"Olds" Brighton and "Xavs" clash at Yarra Park. Brighton scored well last week and I think

PREVIEWS (cont)

they will have the poise to notch win number two today.

That selection was a "guess" but this one is a complete "stab in the dark".

Neighbours Old Carey and Kew meet at Bulleen. Both began their season's poorly — today a loss for either could be demoralizing. I fancy Old Carey at home — Kew won't adjust quickly enough to the wide spaces of the big Carey ground.

Selections: Geelong, Old Ivanhoe, Old Carey, Old Brighton, Hampton Rovers — JIM FIDGE.

D SECTION

Near neighbours Country Colleges and University High School meet in Royal Park. Forwards win matches and on last Saturday's form the U.H.S.O.B. were the better combination. Country Colleges may lack that vital yard in pace to enable them to compete with their urban opponents. University High is my selection despite my allegiances.

Heatherton, stung by last Saturday's reversal of form, journey into the East to meet 'Big' Peter Hutchinson and his 18 wise men from Camberwell Grammar. Old Camberwell have talented big men who are so necessary in a good side. Providing they heed the instructions of their sagacious coach Old Camberwell players should win the points.

West Brunswick, on the restricted confines of the Ransford Oval, should prove too talented for Elsternwick whose opening form is an unknown quantity to all who didn't see their game. The "Maggies" are really a rejuvenated club and they should continue on their winning way today.

Near neighbours St. Kevin's Old Boys and Melbourne High School Old Boys meet for the first time in many seasons. St. Kevin's, judging on 1977 form (which may well prove unreliable), should prove too talented for Melbourne High School whose opening form left a lot to be desired.

Two of the strong sides, Power House and State Bank, clash in the Match of the Round at the Ross Gregory Oval. Power House have already impressed some keen judges as potential premiers. Their well-known leader, Michael Perry, has brought a leavening of experience to the promising side of 1977. State Bank had a good win last week and with evergreen Peter Wynn starring, impressed with their overall strength. Home ground advantage prompts me to select Power House as the likely winner. In a decade of watching State Bank performances their home form has always been better than their away form.

A special plea to the five home clubs — please be prompt in phoning your scores to the Herald. A repeat of last week's fiasco will cause hundreds of people to lose faith in D Section clubs' integrity.

Selections: University High School Old Boys, Old Camberwell Grammarians, West Brunswick, St. Kevin's Old Boys, Power House — NORM NUGENT.

E SECTION

After receiving my appointment late at night, having some refreshment to celebrate, I was asked to put my tips in an envelope for first mail the next day and I finished up with three out of five. Knowing the habits of amateur football teams not playing to form it might be just as well if I do mostly guess-work and leave out the theory.

Bulleen-Templestowe will be too strong for Brunswick, who do not appear to have started regaining their strength of a few years back.

Old Geelong are a new, revitalised side and have started the season with determination for a higher grade in 1979. They also have the advantage of the home ground. St. Bede's made a very good showing in a practice match I saw and Old Geelong will have to watch St. Bede's smaller players or they will be in trouble.

A.M.P. — North Brunswick: Both winners last week and I think this will be a good tussle. Home ground, if the usual wind arrives, could be the influence.

La Trobe Blacks: As others have stated, University teams are slow starters, and A.N.Z. Bank will be too strong for them.

I haven't seen Beverley Hills in action but have seen Old Mentonians so with the home ground advantage and the determination of Old Mentonians it is my guess that they will be too strong.

Selections: Bulleen-Templestowe, Old Geelong, A.M.P., A.N.Z. Bank, Old Mentonians — NUGGET STEPHENS.

F SECTION

We will start with a hard one, Bulleen United v F.I.T. Both ran into good sides last week and I fancy that the Footscray side may be able to get off the mark at Bulleen's expense.

The next problem is whether the Commonwealth Bankers have improved on last year and whether Monash Whites have recovered from the shock administered by Clayton. I fancy that the "Bankers" will finish in front of the locals.

National Bank had a good win last Saturday over Uni. Reds, but this week they front up to a really good team, one which will test them to the utmost. Very likely even a bit beyond that point, if what I hear is correct. Clayton to win unless they go looking for golf balls.

Uni. Reds are to entertain Thornbury at Royal Park. Thornbury opened with a solid win against Bulleen United, while the Reds went down to National Bank. If Thornbury do not win this game — and win it well — they will have lost an old friend.

Therry C.C. should use this opportunity to get to know each other. A good collection of players is only half the game of football but a good team should be their aim.

Selections: Footscray I.T., Commonwealth Bank, Clayton, Thornbury — SYD WHITFIELD.

PREVIEWS (cont)

JUNIOR SECTION 1

The opening round of 1978 season produced some very heavy defeats for Geelong, Ivanhoe and University Blacks and we understand that the respective coaches of these teams have let it be known that a marked improvement is required.

The results indicated that Ormond, St. Bernard's, University Blues and North O.B. are to be the front runners for the season with Old Scotch O.B., Hampton Rovers and Monash University providing the most formidable opposition. This week's round provides a mixed bag.

University Blues should be too strong for Geelong following Geelong's first-up disappointing performance.

A most interesting clash should take place between Hampton Rovers and North O.B. I believe that North O.B.'s greater experience will overcome "Rovers" home ground advantage and enable them to win.

St. Bernard's O.C. should comfortably account for Ivanhoe following their confidence building win against University Blacks.

Old Scotch Coll. will defeat University Blacks unless the Blacks can recruit some stronger players into their team.

Ormond has to travel out to Monash University Oval but should not find the experience too difficult and should defeat the home side by a reasonably large margin.

Selections: University Blues, North O.B., St. Bernard's O.C., Old Scotch Coll., Ormond — MICHAEL ARNOLD.

JUNIOR SECTION 2

The late withdrawal of Reservoir Old Boys resulted in Therry C.C.O.B. joining this Section and, fortunately for your Scribe, defeating M.H.S. Old Boys last week, giving me a very lucky 4 out of 5 winners.

The Kew boys started the season well with a 10 point victory over Fawkner last week. Today they are host to Therry C.C.O.B. and the coaches of both sides will want their boys

to continue their winning run. At the risk of Kew becoming my jinx side, I am selecting the new arrivals to win.

Two of last week's losers meet at De Chene Reserve. This will be the first game at home for Coburg who would have been troubled by the trip to Haileybury last week. Fawkner will provide tough opposition but I will stay with the home side.

At the start of last season I had De La Salle as "early favourites for the flag". After their 180-odd points win last week over West Brunswick they should have no trouble in accommodating the visiting Old Haileyburians despite the latter's good first-up win last week.

West Brunswick will still be recovering from their massive defeat last week and should have records secretary Cliff Bastow working overtime entering new permits obtained by their recruiting committee. Nevertheless I am selecting home side Old Paradians to win.

The last game of the day sees M.H.S.O.B. at home to Caulfield Grammarians. The High boys will be keen to make amends for last week but the accuracy of the Caulfield forwards should give the visitors a narrow win.

Selections: Therry C.C.O.B., Coburg, De La Salle O.C., Old Paradians, Caulfield Grammarians — PETER NATHAN.

BALL BRIEFS

NEW "A" PRESIDENT

John Wilson, who has succeeded Claude Ullin as President of Caulfield Grammarians this year, is a well-known figure in V.A.F.A. circles as a player in the 'forties, seniors coach 1961-71 (Premiers "D" grade 1961, "A" grade 1970) and as a member of the club's administration. An executive officer with I.C.I., John's keen, analytical brain brings a good businessman's approach to club administration whilst his ability to mix easily with friend and foe alike at all levels will ensure that the club's best interests are in safe hands. Congratulations and best wishes for a successful term of office, John, from the administration, players and all club members and supporters.

PROFILES

NORM. NUGENT

Norm's career in the V.A.F.A. spans 19 years and three clubs it began in 1960 when Norm was a member of Power House. In 1961 he played 3 B grade games with that club — (not many Reserve XVIII sides were fielded in those days):

1962-3 saw Norm playing at home for Broadford in the now defunct Waranga — North East Football League.

Norm's longest, and most important, stint began in 1964 when he was elected inaugural Secretary of new V.A.F.A. Club Assumption Old Collegians. He played 128 games with this club. These games encompassed F; E Reserve; D and D Reserve; C Reserve and B Reserve, and included 49 goals. Norm was Club Secretary for 13 years.

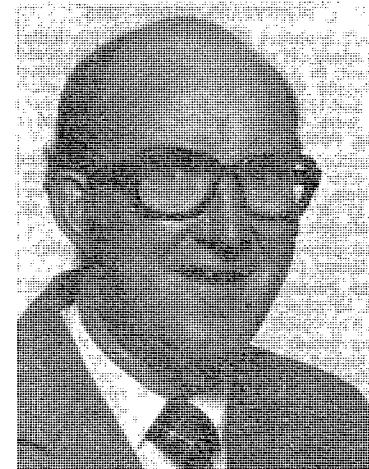

In 1977, Norm moved across to Old Paradians — still continuing as a V.A.F.A. Club Secretary. He has played 12 B Reserve games with Old Paradians and kicked 1 goal. A total of 143 V.A.F.A. games and 50 goals.

Norm has officiated as V.A.F.A. Duty Officer at finals games at Royal Park and Collingwood since 1971. (He missed 1972 because Assumption were playing in C Section Grand Final) Norm has been involved in all Sections except A.

1976 began Norm's tipping career — with Junior Section 2, last year Norm handled F Section.

This year, Norm is also a member of the V.A.F.A. Umpire Committee.

Norm is now the longest serving (and therefore, by some definitions, the worst) current Secretary in the V.A.F.A. — entering his 15th season this year.

PETER BRUKNER

Current A Section tipster Peter Brukner has been involved with University Blues since 1971, both on the administrative side and as a player.

His first role was that of under 19's manager, from there to committeeman and in 1974 he was appointed Chairman.

Peter has held this appointment for 4 years (1974-76 and 1978). He is also V.A.F.A. Delegate for the Club this year.

Peter started his playing career in 1973 "when the Reserves were short", and after a few games graduated to the Senior XVIII. In total, he has played about 90 games for the Blues — mainly in the Reserves. 1977 saw Peter captaining the Reserve Side.

Peter's target (as Chairman of the Blues) this year is for the club to win its first A Section premiership since 1960. "Eighteen years is too long to wait — for any club". Peter also admits that this aim may allow some bias to creep into his previews.

On a personal note — Peter graduated as a Doctor last year and is currently working at the Repatriation Hospital in Heidelberg.

He is looking forward to an interesting year, in A Section, with all the innovations and what looks like being an even competition.

LOOKING BACK

BY NOEL RUNDLE

FIVE YEARS AGO — 1973

1972 premiers Ormond suffered the indignity of defeat after unfurling their premiership pennant. In a real upset North Old Boys cleared out in the third quarter to establish a winning lead and held Ormond off to score by 29 points. Best were Crooks, Wilson, Power (North) and Moran, Pearce, Logan (Ormond).

Caulfield Grammarians put in a great second half after trailing Uni. Blues by 10 points at half time, kicking 18.15 to 5.3. McNicol, Voyage (5), S. McLaughlin, P. McLaughlin, Griffiths, and Morfett were best for victors.

100 games to Barry Lyons (De La Salle) and Don Munro (A.M.P.).

Old Paradians reported on farewell dinner given by club to John Booth, player 1957 to 1964 and coach 1966 to 1972.

Top scorer for day was State Savings Bank who kicked 28.26.194 in a 140 point defeat of Old Geelong. Stars for S.S.B. were Morrison, Evans, Webster, McGill, Spithill and Brennan.

TEN YEARS AGO — 1968

'A' Section coaches were Bob Spurling (North Old Boys), John Wilson (Caulfield Grammar), John Booth (Old Paradians), Geoff Hibbins (Collegians), Alan Salter (Coburg), Peter Kanis (M.H.S. Old Boys), Frank Snell (Kew), Don Howell (Old Scotch), Brian Gleeson (Uni. Blacks), Les Hughson (Uni. Blues).

Lex Hibbins (Collegians) retired after playing 222 games.

Old Carey congratulated John Elliott and Bruce Edwards on 150 games with the club.

Kew, who outplayed Old Paradians all day to win by 5 goals, and Uni. Blacks were the only undefeated 'A' Section teams after two games.

TWENTY YEARS AGO — 1958

Old Xavierians reversed the 1957 'B' Section grand final with an 11 point win over Alphington. Slattery, Capos, McPhail, John Sanders (5 goals) were Old X's stars with Miller, Shaw and P. Whitfield best for Alphington.

Trevor Cookson played his 100th game for E.S. & A. Bank.

Junior Athol Guy made a sensational debut with M.H.S.O.B. seniors kicking 9 of the club's 17 goals in their 31 point defeat of Kew.

New team St. Kilda C.B.C.O.B. received good wish telegrams for their first match from Laurie and Kevin Mithen, Peter Breachley, Don Williams, Terry Mountain, Frank Dunlin, Brian Walsh, Brian Molony, Geoff Feehan and Allan Killigrew (past pupils prominent in League ranks). Coach was Joe Sheehan, captain of Ormond's 1950 'A' Section premiership team.

Popular U.H.S.O.B. captain Jack Kalaf, in his last game before going overseas, starred with five goals in the club's big win over South Melbourne City.

'A' Section umpires were Watt, Luckman, Lance, Halliday and H. Roberts.

THIRTY YEARS AGO — 1948

'A' Section umpires were Creighton, Gamble, Walsh, Jennings and Wilkins.

Current A.B.C. football commentator Doug Heywood kicked 8 goals from half-forward flank for University Blacks against Hampton Rovers.

Another prominent figure mentioned — John Kennedy's vigorous rucking brought Teachers' College many opportunities.

Hampton Scouts, led by Roy Harper "kicked the sweep" against Ormond Juniors — 24.19.163 to 11.9.75.

A MOMENTOUS OCCASION

Wednesday 12th April '78 marked an important night in Victorian Amateur football history. This night saw the formal farewell by the Association to **Mr. and Mrs. Jack Fullerton** — after their twenty-seven years connection with the V.A.F.A.

The **Fullerton Testimonial** was combined with the tradition **President's — Secretary's** pre season dinner — which this year saw the **Club Delegates** also being invited (a practice which will be continued in the future).

The opportunity was also taken, on this night, to make a presentation to **Mr. and Mrs. Lou Zachariah** in recognition of the service that they have given to the Association during the past thirty-odd years.

The evening was organized by the V.A.F.A. Social Committee (under **Chairman Brian Lauder**) at "Chaucer's" Receptions in Canterbury. Proceedings were opened by **Michael Arnold** before he introduced guest compere **Peter Landy** (from Channel 7).

The apologies themselves made a formidable list of "who's-who" in sporting circles today, and a special welcome was extended to representatives of both Tasmanian and South Australian football bodies — as well as those from the V.F.L.

The presentation to the Zachariah's was made (in absentia) by **Mr. Manson Russel**, V.A.F.A. President and that to the Fullerton's by **Mr. Fred Coldrey** Vice President and Life Member of the Association.

In response to Mr. Coldrey, Jack Fullerton, visibly touched by the gratitude extended to himself and his wife Norma, stated that his guiding theme throughout life — both in and out of football — had been: — **TO TRY!** In all things that he undertook Jack had striven to "do his best" and if his best was not good enough then "I'm sorry!

I can only try." (A worthy philosophy for all to emulate.)

At the conclusion of his remarks, Jack and Norma were treated to a standing ovation.

The level of after-dinner conversation, and the considerable mixing that was evident seem to indicate that the rationale for the dinner — that various Presidents, Secretaries and Members meet together so that co-operation during the Season can be conducted on a personal level — was achieved successfully.

The attendance of many of the V.A.F.A. Umpires will further this air of co-operation during the Season.

The single sour-note of the evening was that caused by the President's announcement that the Reservoir Old Boys Club had just disbanded.

In closing the night's proceedings, **Secretary Alf Kearn** acknowledged the assistance that he had received from the Fullertons — and admitted that he had accepted all their advice and acted on about 95% thereof.

Generally, a most successful, and enjoyable night! congratulations must go to the V.A.F.A. Social Committee for the work they put in to achieve their various aims, on that memorable evening.

FIRST 100 FOR THE WHITES

Ross McKenzie today becomes the first to play 100 games with Monash Whites. Ross joined in 1971, the club's first season and has played almost all games as first ruck.

Ross was a member of the 1972 Reserves Premiership side and was runner-up Best and Fairest. In 1974, Ross won the Reserves Best and Fairest having played only 6 reserves games!

Ross's best year was 1975 when he became captain of the senior side after the playing coach retired in the fifth round. Ross went on to lead the side to the Whites only senior premiership.

Off the field Ross has held positions of press secretary and general treasurer from 1972 to 1974.

After missing last season whilst in the U.S.A. on a company transfer we welcome Ross back and wish him good luck for his next 100.

(Congratulations on a fine effort, Ross — Ed.)

BALL BRIEFS

BLUES' RECORD

Yet another Record fell to **UNIVERSITY BLUES** rover, **Barry Church**, in the Opening round last week, when he became the first University Blue's player to play 200 games. Barry celebrated the milestone with four goals and a mention in the best players.

Barry's total is now 267 Amateur games having played 37 games with Old Camberwell and 30 games with Old Melburnians prior to his joining the "Blues".

During 1975 he was adjudged Amateur Footballer for that year. A true Amateur, Barry has shunned many approaches from other football bodies as his list of achievements in our code has grown. These have included State and Interspers representation both as player and captain, Club captain on many occasions and Blues' Best and Fairest.

The only person who has seen the Blues in action more than Barry is his father **Garth** who has not missed a game since his son joined the Club. It is this type of support that keeps so many good players in Amateur ranks.

BALL BRIEFS

CAULFIELD LEADERS

After the final training session last week Caulfield Grammarians seniors players selected Jon Long to be their captain for the 1978 season. Warwick Watson as vice-captain and Mike Sisson as deputy vice-captain.

Jon has played over 150 games with the club commencing with the juniors several years ago, winning their Best and Fairest trophy before being promoted to the seniors. A determined player, a good ball getter and a dedicated club man, he sets a splendid example for other team members to emulate. His father, Dennis, the well-known sports critic and raconteur, is occasionally seen around the clubrooms.

Warwick, second in command, has played many great games mainly as a half back flanker during the past few years but has often been plagued with injuries and has missed many games. However this could be his year.

Mike, a utility type and one of the younger brigade is a hard worker on the field and should prove to be an excellent stand-in when required. The club administration will fully support these leaders in their efforts to get the club into the Finals this season.

BALL BRIEFS

A.J.A.X. CENTURY

Congratulations to A.J.A.X. defender David Segal, who played his 100th game last week against Old Brighton Grammarians.

David, a great club man and courageous defender has been an inspiration to his club mates. Congratulations Seges on your ton.

Ivanhoe's elusive full-forward, Andy Jones, bobs up with 50 of the best today against St. Bernard's. Another junior lad, Andy has finally made the seniors with sheer persistence, which looks like paying off. Congratulations Andy and keep up the good work.

Stalwart defender Mick "Grizz" Fleming plays his 50th game for St. Kevin's O.B. today. I expect it will be another strong and steady game in one or other of the key back positions, another game in the mould of an earlier number 16, Life Member Jack Douglas. Off the field Mick is an active and enthusiastic committeeman. Well done "Grizz". All the "Skobbers" wish you well for today and the season.

Jeff Pottenger pulled the A.M.P. colours on for the fiftieth time in the first round and immediately slipped into the "Potts" touch with three rare goals. Congratulations "Potts", keep up the slick work.
