BALL BRIEFS

"NEW COACH AT UNI. HIGH OLD BOYS"

ROBERT REID is not a new face around U.H.S.O.B., in fact it is one of the oldest. As a player, his first game was in 1964 and he

now has the fine total of 210 games. During these games, he held down most positions around the ground from the forward to the back line.

During one of his many "retirements" from playing he turned to administration (1968) and was President in 1975-76 and Secretary in 1977.

Robert is a worthy life-member and over recent years has been one of the tireless workers around the club. The examples and standards Robert has set whilst working for Uni. High have earned him a great deal of respect from all who know him.

An example of this is the way in which the players have rallied around Robert this year, his first as senior coach.

Robert has tasted the bitterness of defeat, but also the sweetness of victory. If his efforts for the club in previous years are any indication of what his efforts as coach shall be then success must surely be forthcoming.

Good luck — Robert Reid!

MICK GEORGE plays his 50th game for **FAWKNER** today. Mick who is vice-captain of reserves, but who has played in all senior games so far this year, joined the Fawks 4 years ago. Mick who doesn't know what give-in means would have reached his 50 games early last season except for a serious eye injury which kept him sidelined for 11 weeks in 1975. Mick was reserves best and fairest player last season also. All at Fawkner wish Mick all the best for today and the future.

"A" BUBBLES BURST

— MARCELLIN and DE LA
BACK IN STEP

By JAN HOWARD

Again, last Saturday, strong winds and sloppy ground surfaces did not favour many sides. The advent of wintry conditions has brought many early successes to a halt. Mud is said to be a great speed-leveller. The "slower" sides are now better able to hold their own against the more "fleet-of-foot".

The bubble burst for both A Section leaders last week when Marcellin recorded a fifteen point victory over top side Old Scotch. By virtue of the recent successes Marcellin are now lying fifth — out of the four on percentage only. They can prove today (against Univ. Blues) whether this was a fluke win or not.

De La Salle returned to the winning list with a resounding fifty-one point victory over University Blues. A scoreless first term made the Blues task almost impossible though they did outscore De La Salle after quarter-time.

Ivanhoe were also back amongst the winners when they scored by nine points over North Old Boys after leading all day.

St. Bernard's moved into fourth place with a comfortable win over Caulfield Grammarians, whose success was short-lived. Against Old Scotch today, St. Bernard's have the opportunity to show how good they are (and thereby perhaps help Peter Brukner out in future weeks).

University Blacks recorded their second win by defeating a disappointing

Ormond (who have now dropped back to seventh). The Blacks came from five points down at half-time to win by fourteen.

Still Old Melburnians continue to "lord" it over all in B section. A goalless third term put Parkside out of the race last week — in a game which was marred by poor goal-shooting from both teams. O.M.'s will, perhaps, try to improve their accuracy with some solid practice today as they enjoy the bye.

Collegians, who seem to be in a depression, fell out of the four when they were well beaten by Old Paradians, who have now moved into second place. Parade have the chance to consolidate against Old Haileyburians today — the loser could well be out in the cold again after this round.

Old Haileyburians (fourth) will, however, be looking for another win after their defeat of Fawkner last week. After being three goals down at the last change they went on to win by eight points.

Although inaccurate, Coburg doubled Monash Blues score, to record their first win for the season (excluding the bye).

Editorial cont. —

St. Kilda — still undefeated — have opened up a two game break on the opposition. Overpowered last week was Old Ivanhoe.

Old Xaverians did it well against number two side A.J.A.X., the final margin being eleven points.

Fortunes fluctuated during the day between Alphington and Old Brighton, with Alphington finally emerging the victors by eight points.

Hampton Rovers took three quarters before they found Kew's measure, but came home with a five goals to two final term.

Geelong are riding high at the moment. After their poor beginning to the season, they are now fifth, after their defeat of Old Carey, and will be looking forward to today's clash with A.J.A.X.

Power House and State Bank returned to the D Section four last week after convincing wins over Elsternwick and Heatherton respectively.

Power House led comfortably all day to win by eighty-seven points, whilst State Bank managed a six-goal win in a game of amazing accuracy from both sides.

Old Camberwell Gram. gained themselves a four point breathing space at the top with their win over Country Colleges.

St. Kevin's Old Boys continue to be second after leading West Brunswick all day. Playing at the school today they will be keen to win again before the "re-unioning" crowd.

M.H.S.O.B. are now fifth after their sixty-nine point win over Univ. High.

St. Bede's relinquished top spot after they were convincingly toppled by Beverley Hills — who ran away with it after half-time.

Bulleen-Templestowe's win over Old Geelong sees them back on top and O.G.

out of the four. Old Geelong's spot has been filled by A.M.P. who scored over an extremely inaccurate La Trobe Blacks.

Brunswick recorded their first win when they accounted for A.N.Z. Bank convincingly, the more so after half-time.

Old Mentonians won narrowly from North Brunswick in a relatively low-scoring game.

In F Section results were symmetrical — the top four won — the bottom four didn't — and the team in the middle (National Bank) had the bye.

The narrowest margin was recorded by Thornbury — against Footscray I.T., followed by Commonwealth Bank over Clayton, Therry over University Reds. The day's "honours" went to Bulleen United with their ninety-three point win over Monash Whites.

Hampton Rovers kicked the sweep in the Juniors to win by twenty-two goals over Geelong.

North Old Boys remain unbeaten, last week scoring over Ormond. University Blues defeat of previously unconquered Old Scotch enabled them to stay with the top bracket, whilst giving North a four-point break.

Ivanhoe accounted for the "Blacks" easily, as did Monash for St. Bernard's. This win put Monash four points clear in fourth position.

Kew's thirteen point victory put an end to De La Salle's unbeaten run. Old Haileybury maintained second spot with a win over Fawkner, after trailing at half-time.

Old Paradians moved into sixth place following their eleven goal win over M.H.S.O.B., whilst Coburg retained third by accounting for fifth place holder Caulfield Grammarians.

Therry — West Brunswick — who knows? I certainly do not!

PREVIEWING TODAY'S GAMES

A SECTION

Another disastrous day for the A Grade tipster last Saturday. As the season progresses, I'm getting worse instead of better. At least it means plenty of interest and this year's competition is the most even for many years. After six games there are still ten teams who can make the finals. There are no easy games and from the tipsters' point of view no such thing as a certainty.

Scotch and Blues were both due for a loss and I'm sure it will do them both no harm. De La are back in business, whilst Marcellin, Blacks and St. Bernard's are all moving up the ladder.

Old Scotch meet **St. Bernard's** today at Elsternwick Park. Scotch blotted their copy-book last week at Marcellin and will be determined to get back on the winning list today. Overconfidence and the wet weather probably cost them the game last week, but I'm sure they'll be back to their best form today. St. Bernard's once again did the wrong thing by yours truly last week—I must get them right soon. They are obviously a top side when they put it all together. Scotch cannot afford to take them lightly and I don't think they will. Scotch to win.

Blues also had their reputation dented last week and can't be considered a top side until they beat some of their main rivals. Their next three games against Marcellin, St. Bernard's and Scotch will tell the story. **Marcellin** are riding high at the moment with successive wins against St. Bernard's and Scotch and they are confident of making it three in a row. The Blues big guns **Sleeman**, **Brown**, **Dobbie** and **Trumble** went missing last week and the whole team played without desperation. Perhaps, like Scotch, they were just overconfident, or perhaps they are not as good as they think. I think they'll come back and beat Marcellin today in what should be a great game.

Ormond lost a game they expected to win last week against Blacks. They are desperate for a win and the advantage of their small home ground will make them difficult opponents for **De La Salle**. Last year's premiers came back to something like their 1977 form with a good win over Uni Blues. Their experienced players like **McDonnell**, **Loft**, **Halassa**, **Bourke** and **McHenry** showed a welcome return to form and **Simon Beddoe** again performed brilliantly around the goals. Their younger players are blending in well and I can't see them faltering today.

Last year's runners-up **North Old Boys** are bottom of the ladder with only one win and today meet **Uni Blacks**. North showed some signs of a return to form in the second half last week but will have to improve further to match Blacks. The Uni side returned to the

winning list last week with a good win over Ormond. They have finally vindicated my faith in them and I see no reason to desert them now.

Caulfield's winning run came to an end last week in the wet, windy conditions of St. Bernard's and they'll be glad to get back to Albert Park for the visit of **Ivanhoe**. Ivanhoe are a small side but they move the ball well and played good football at Elsternwick Park last week. This game should be a close one and it's only their home ground advantage that has swung me Caulfield's way.

Before I go may I congratulate all those selected to wear the "big V" next Sunday and wish coaches **Peter O'Donoghue** and **Bernie Sheehy** and their teams the best of luck. I hope every Amateur footballer will be at Elsternwick Park next week to cheer both teams on to victory.

This week's tips: Old Scotch, Uni Blues, De La Salle, Uni Blacks and Caulfield.—**PETER BRUKNER.**

B SECTION

I will try and forget about last week. Not one winner. (We all have our bad days.)

Congratulations to Coburg on their first win for the season. It's a nice feeling, isn't it!

This week's round of matches promises to be just as hard to pick with four very even games to be played out.

Old Haileybury after a good win last week meet the consistent **Old Paradians** at Keysborough. I feel Haileybury can take this one out if they can show the same dedication that they displayed last week. Paradians are doing everything right at the moment and will be very hard to beat. This is where the advantage of playing at home comes into account, and I think Haileybury will take full use of this and win out.

Parkside meet their old rivals **Fawkner** at the Parkside ground. This will also be a tough one. Both teams lost last week and will be desperate for a win to steady themselves. Parkside have not lost a game at home this season and this will probably be the decider, but their kicking for goal will have to show a vast improvement on last week if they are to win. One goal, ten behinds from sixteen shots in the last quarter—not good enough to win anything. I will go for Parkside in a close one.

Collegians at home to **Coburg** will be another photo finish. Collegians have hit a slump, while the young Coburg side have found their feet. Once again both teams will be desperate for a win and the advantage of playing at home will become vital. I will tip Collegians, if they can put their game together out there and I think they can.

PREVIEWS (cont)

In the last game to be looked at **Monash Blues** play host to **Old Trinity**. This one is also a toss up. I was impressed with the way Trinity handled the game when I saw them two weeks ago, and with the rest last week to get over a few hard knocks they should come up fresh enough to win over the Blues.

I can only repeat that all sides tipped must play at their best to win, as the competition has evened out dramatically, with no easy ones, and there will be many upsets before this season is over.

Old Melburnians have the Bye, and are looking forward to a well earned rest.

SELECTIONS: Old Haileyburians, Parkside, Collegians and Old Trinity Gram.—**BRIAN LAUDER.**

C SECTION

Old Brighton and A.J.A.X. let me down last week and now this year's "C" is on a par with last year's "B"—eight teams all within striking distance of the four. After today, I predict that only four points will separate fourth from seventh.

St. Kilda will kick the "sweep" today out at **Kew** and retain its unbeaten record. St. Kilda are certainly the form team and coach **Maurie Bilston** must feel confident that his team has the second-to-none chance of returning to B Section next season.

Old Ivanhoe slipped against St. Kilda and may find **Old Brighton**, on the rebound, a little hard to hold. Scores will be close at the final siren, but Brighton's consistency will give it the edge.

Old Carey gained confidence last week against a "handball-happy" Geelong and will trouble **Hampton Rovers**. With the return of **Cooke** to the goal-front and the activeness of **Mill**, Carey is going to improve its rating in the weeks ahead. I am tempted to take a punt on Carey—but **Syd Whitfield** has such a "tinny" lead in this crazy competition that I must play safe and favour Hampton—but only just.

Alphington and **Old Xaverians** is anybody's game and I was impressed with the wins of both teams over leading lights Old Brighton and A.J.A.X. I was nearly selecting five "away" teams but a sudden change of mind persuades me to stick with **Alphington** at home.

Geelong can play as brilliantly as any team in the grade and if it produces this form it will beat A.J.A.X. After winning its last three games, it has gained in confidence. Today, at A.J.A.X., if it plays directly on the short Albert Park ground, three in a row will become four in a row. With tongue-in-cheek, I'll stick with Geelong.

SELECTIONS: St. Kilda C.B.C.O.C., Old Brighton Gram., Hampton Rovers, Alphington, Geelong.—**JIM FIDGE.**

D SECTION

As our Editor stated this Section is a tipster's nightmare. The evident evenness of sides is a promoter's dream and at Kilmore, boys were taught wind and rain are the great football levellers. At this stage of a season all clubs are capable of winning to add to the tipster's problems.

Heatherton await **University High School Old Boys** who make the long southern journey. Heatherton, smarting from last week's Albert Park reversal, will be all out to crush the 'Green and Brown' boys who are facing the possibility of the drop to 'E' Section. Heatherton is my selection. I predict a convincing win for them.

Melbourne High School Old Boys have placed themselves within grasp of the Top Four. Today they await **Elsternwick** who collapsed last week. At **Forest Hill**, the local side will be all out to score a victory and move up the ladder as a consequence. **Elsternwick**, too, will be trying hard to win. This season, little separates the sides but I believe **Melbourne High**, at home, will just have enough talent to win.

In what shapes as a preview of a final game, **State Bank** journey east to play the leaders, **Old Camberwell Grammarians**. Camberwell are doing all that is asked of them. **Peter Hutchinson** must be happy that his messages of playing consistently and believing in one's own ability appear to have at last fallen on receptive ears. State Bank are progressing well but away from home I doubt if they can extend Old Camberwell whom I select to win.

St. Kevin's, who have hit top gear, await **Country Colleges**, whose form must be a real disappointment to their committee—who saw the formation of the club as the solution to problems faced by the parent clubs. **Alan Oile** and **Matt Byrne** each will be anxious to prove to the other who has the better side. St. Kevin's have the score on the board and they are my tip to take the points. [Come on, Colleges, do your best to prove me wrong!]

Power House really made me eat my words as they turned on the heat last week. This may have been the form we critics have come to expect from them. Restored to the leading quartet **Power House** will be anxious to stay there. **West Brunswick**, "The Magpies", have had their wings clipped over the last two weeks. Their forwards have not been as active as their **Power House** counterparts led by **Rick Sykes** who has made a welcome return home. Forwards win matches and as a result I select **Power House** to defeat West Brunswick.

SELECTIONS: Heatherton, Melbourne High School Old Boys, Old Camberwell Grammarians, St. Kevin's Old Boys and Power House.—**NORM NUGENT.**

E SECTION

It appears there will be two teams and a "tipster" for relegation in "E" Section this season. Firstly I tried skill, then I tried guessing, and neither seems to be getting me points. The home ground advantage and in

PREVIEWS (cont)

some cases sloppy surfaces seemed to produce the winners, as all those at home except North Brunswick notched victories.

I warned the Bank boys to look out for Brunswick and the warning now appears justified—Brunswick breaking the ice for the season.

Beverley Hills must have had some solid kicking practice during the week after their defeat by A.N.Z. through bad shooting for the big sticks, and then to come out and be the first team to topple "St. Bedes".

There is a change in the four: Old Geelong have slipped from third position to fifth, Beverley Hills have moved up to third and A.M.P. have made the four.

I have just drawn the following teams out of a hat to be winners today: St. Bede's, A.N.Z. Bank, Old Geelong, Bulleen-Templestowe and A.M.P.—NUGGET STEPHENS.

F SECTION

National Bank at home to Monash Whites shouldn't get the students off the mark, who are well in the doldrums, but not the slough of despair. The Bankers are going to drift in and out of the four as other sides win and lose and they need a good win to lift their percentage.

Uni Reds and Fitites should be more of a match as they both have possibilities. The Reds have the home ground advantage and I am inclined to give them my nod, judging by the performance of the Red Reserve, the club has more players of equal standard than the Fitites.

Therry C.C. visit Clayton and I can't see Clayton improving their position out of this. Therry have a good side, a bit of height, a bit of weight (not always in the right place) and a degree of skill that should see them safe home.

Bulleen United will welcome the Commonwealth Bank mob. Not much between their facts and figures and they've played almost the same programme so far. I'll go for the home side as I don't think the Bankers have seen the ground before. Should be a good game.

SELECTIONS: Bulleen United, Therry C.C., Uni Reds, National Bank, Thornbury the bye.—SYD WHITFIELD.

JUNIOR SECTION 1

Round 6 produced a clearer picture of the relative strengths of the top sides.

Uni. Blues overcame the previously undefeated Old Scotch in a game marred, but made closer, by the Uni. side's inaccurate kicking.

North Melbourne O.B. further enhanced their premiership prospects with a clear win over Ormond.

Hampton Rovers had a huge win over Geelong to boost their burgeoning confidence whilst Ivanhoe and Monash Uni. continued on their winning way.

The highlight of the season to date will be the clash between North O.B. and Uni. Blues.

I'm tipping North to remain undefeated and account for the Blues.

Old Scotch meet St. Bernard's at home for the first time this season I'm deserting the Saints (perhaps it will help them) and selecting the home team which had been the model of consistency until last Saturday.

Hampton Rovers will be full of confidence when facing Ormond. I believe that the "Monds" might be too strong in the finish and I'll stick with them.

Geelong play away from the delightful and scenic surrounds of their home park! Unfortunately Geelong's farm has not been good this season and I'm picking Uni. Blacks to be too skilled for Geelong.

Ivanhoe vie with Monash Uni. in which should be a most interesting tussle. Both teams are improvers and battle out every issue. I fancy that Monash's high marking ability will be the deciding factor in their favour.

SELECTIONS: North Old Boys, Old Scotch, Ormond, University Blacks, Monash University.—MICHAEL ARNOLD.

JUNIOR SECTION 2

There is some compensation in the fact that my inability to make the correct selection about Kew is matched by the inability of Peter Bruckner in picking the form of St. Bernard's. It was disappointing to see that scores from both the Therry C.C.O.B. and M.H.S. Old Boys games did not make the press.

Perhaps the only way I can "catch" Kew is to ask one of their supporters to write a paragraph on their game each week. Nevertheless, I will have another go this week and pick Kew to beat Old Paradians. The school boys have a great home ground advantage but they will need more than that to overcome the confidence and tenacity of the Kew players.

One of my informants told me that De La Salle O.C. deserved to be beaten last week as they had become over-confident. There was talk about how much they could beat Kew by rather than concentrating on the task of winning. At home today they should make amends and have a good win over Fawknor.

Old Haileyburians are now sharing the lead with De Lo and it is hard to imagine Therry C.C.O.B. travelling all the way to Keysborough for a win. The home side must be careful, however, as the visitors need to win to keep in touch with the four.

Caulfield Grammarians were well beaten at the hands of Coburg last week and will be keen to make amends this week when they go to West Brunswick. Kanis is playing well for the visitors at present and should again contribute to their winning score.

The final game sees Coburg at home to M.H.S. Old Boys. Stan Matthews has the Coburg machine moving well at present and they should have another good win today.

SELECTIONS: Coburg, Caulfield Grammarians, Old Haileyburians, De La Salle, Kew.—PETER NATHAN.

LOOKING BACK

BY NOEL RUNDLE

5 YEARS AGO — 1973

'B' Section coaches were Jim Gallagher (Assump. O.C.), Ross Oakley (Coll.), Graeme Johnston (De La Salle), John Fisher (Kew), Ron Read (M.H.S.O.B.), Brian Steele (Old Scotch), Ian Law (Old Scotch), Brian Kann (Old Trinity), Laurie Aghan (R.O.B.) and Peter O'Donohue (U. Blacks).

Ormond scraped home by a goal from Caulfield Grammarians in an exciting finish at Elsternwick Park. The defeat dropped Caulfield Grammarians from first to fourth.

Collis, Webster and Spithill starred for S.S.B. in their victory over Marcellin to give the Bank 5 wins and 1 defeat.

150 games to Robert Reid (U.H.S.O.B.), 100 to Rob Dean (Alphington), Alan Graham (Ormond), Tony Costello (U. Blacks), Rick Sykes (Power House) and 200 to Foots. Tech captain coach, Geoff Fletcher — 'a grand effort from a grand club man'.

10 YEARS AGO — 1968

Kew suffered their first defeat for the season at the hands of University Blacks who in a brilliant first half kicked 9.4 to 2.4. Kew added only another 2.4 in the second half. Sinclair (4), Stevens and Carnie dominated for Blacks while Mullin, Haldoupis and Ridd were best for the losers.

Ormond, undefeated in 'B' Section, kicked the sweep against St. Kilda C.B.O.C. 18.21 to 3.6.

Monash Uni., also undefeated, went away in the last quarter to have a convincing win, 8.10.58 to 4.9.33 over De La Salle (5th). Mc-Masters, Grey and Taylor, for Monash, and Dorrizzo, Broderick and Walsh were best.

U.H.S.O.B. farewelled Jim Nettleton — captain, best and fairest in 1966, and only member of the Club's 1960 premiership team still playing.

100 games to Peter Sedgewick (Old Brighton), Peter Curtis (Ormond) and Rob Thompson (Old Melburnians).

20 YEARS AGO — 1958

State Savings Bank's defeat of joint leader, Old Xaverians, by 6 points, left Collegians above at head of 'A' Section ladder. Bank led all day and held on desperately in last 10 minutes with Hill, Salmon and Douglas best. Old Xaverians were best served by Callen, Carroll, Gibson.

'D' Section captains were John Douglas (St. Kevins), K. Washford (P'ton), Lionel Rosenberg (Ajax), T. Baird (F.T.O.B.), P. Mills (Fairf.), W. McGroary (Murrumbidgee), Harrison (Port Melb.), who captained E'wick, Melb. Blues, and Bellfield?

Ormond welcomed old players Laurie Mithen, Colin Wilson, Brian Walsh and Neil Crompton to training.

Old Brighton Grammarians congratulated temporary coach, Horrie Berry, on his debut and wished him well for next three weeks.

30 YEARS AGO — 1948

Ormond 3 points down at ¾-time kicked 42 to Old Scotch's 32 in the last quarter to reverse the result. Jack Stock and Bob Rowse were stars for the victors while Keith Gough with 5 goals from centre half-forward dominated for the Cardinals.

Parkside continued their unbeaten run with a victory over State Savings Bank — for the victors Harry Nance gave a grand performance of sustained football. (Harry was a V.A.F.A. umpire for many years and assistant umpire's coach.)

OLD SCOTCH "DOUBLE" CENTURY

In the next couple of weeks two talented members of OLD SCOTCH will reach their 100 games milestone. "Legal Eagle" Andy Moulds and "Snowman" John Nickless have progressed through the club from Juniors and have both made their mark in Senior football. Andrew finds training difficult these days due to the work house conditions imposed on him by his employer (Club President Leigh McGregor). Nevertheless Andy, by dint of talent and application regularly stars in the Reserves. John, who started his days as a flighty rover and forward flanker, has progressively moved rearward and is at present fighting manfully to stop the tide in the back pocket. His performances this year in a very successful line up do credit to his resourcefulness and determination.

Congratulations to both players and we hope they have many seasons left in them.

150 TO GEELONG RUCKMAN

Congratulations to Russell Coad on achieving the 150 game milestone against Old Brighton Grammarians. Russell is a great clubman, his dedication in travelling 30-odd miles to training from his Shelford farm and 80 miles to Melbourne to play sets an example to the younger players. His experience is needed to put Geelong back in "B" Section and we hope to see him around for many more games. Well done "Coady".

ST. KILDA BACKMAN'S 150th

Congratulations are extended to Chris "Hooker" Lynch on playing his 150th game for St. Kilda C.B.C.O.C. Chris has been with the club since 1970, and has been a magnificent player mainly in the seconds but also when called upon to play in the firsts. Known mainly as a dashing backman, "Hooker" is one of the most determined players to don the St. Kilda jumper and has rarely been beaten in his consistent career. Above all he is a great team player and clubman and is a great example for all players with his courage and dedication.

100 AT GEELONG

Alan Treviskis played his 100th game for Geelong against Old Carey last week. Alan played over 100 Junior games, was a member of the 1972 "B" Section team, has been vice-captain of the club and has often been in the running for best and fairest player. He always revels when the going's hard and is an inspiration with his guts and determination. "Tracker", if those legs can keep you going, we would love to see you play another

ton. Good luck today. Maybe a Solomon at home.

After taking two years to play the last 10, David Ross has finally tallied 50 games. Known for his long kicking and strong voice, "Rossy" is a good clubman and if he gets that knee right will again be a valuable player. He was in the 1975 State squad and all at Geelong wish him the best in his endeavours to regain fitness and form.

CENTURY AT POWER HOUSE

Congratulations from everyone at POWER HOUSE to WAYNE DIGBY who plays his 100th VAFA game today. Having started with the Club in the Under 17s, Wayne's versatility has seen him play in many positions over the years, but it is on the halfback flank where his form has been outstanding this season. Wayne's dedication to football is such that he rarely if ever turns in a bad game, and his strong marking and pace has been continually under notice this year. Well done, Wayne, and we hope you top off a fine season with a premiership.

BANK RUCKMAN'S 100

Today marks the 100th game of Commonwealth Bankers popular ruckman Greg Sullivan. Since joining the bank in 1971 Greg has been plagued with injury which has affected his football career somewhat. We hope to see many more games from him in the future.

All at Commonwealth Bank congratulate Noel Keating who plays his 50th club game today. Since 'Keats' joined us in 1975 he has been inspirational with his marks and dashes. It's this football ability which has earned him the nickname of "Swooper" which he has lived up to. Well done, Noel.

Caulfield Grammarians will always be proud of those players who over the years have given great service to the club both on the field and also as club administrators. But they are also proud of the newcomers who step up each season to take the spaces left vacant due to retirement, transfer interstate, etc. This season those who have joined the senior's ranks include Bob Cameron, a key position player, Glen Hilleard, a rugged ruck-rover type, Ian Hood, late school firsts, half forward, Campbell Cooney, wingman, and Bob Nood, rover from Horsham, whilst up from the reserves are Neil Hampton, giving great service in the ruck, Greg Sassella and Jock Irvine, backmen. The return of Derek Dickeson from overseas, the reinstatement as an Amateur of Geoff Cayzer, a former club Best and Fairest, added to those just mentioned, will we hope assist us in our pursuit of another 'A' Section premiership pennant and all club supporters wish them well.

You may, again this season, dial DIRECT to the Amateur Football representative at the "Herald" Office. The numbers are:—

652-1892 or 652-1893.

If you have any difficulty, you should ring 63-0211 ("Herald" switchboard) and ask for extension 1892 or 1893.

RESERVE SECTION RESULTS — These must be phoned to the above number(s) Before 3.00 p.m.

SENIOR AND JUNIOR SECTION RESULTS

— These must be phoned to the above number(s) Before 5.00 p.m. A fine will be incurred after this time. If results are not received at the "Herald" Office by 5.30 p.m., a further fine will be imposed.

Phone calls not directed to the above numbers may go astray. In this event, clubs will be regarded as having failed to phone in their scores and will be fined accordingly.

When phoning scores, please follow this pattern:—
