VICTORIANS DEFEATED — BUT NOT DISGRACED VALUABLE LESSONS LEARNED

By John Miles

The Western Australians are out to prove that they are a force to be reckoned with in Amateur Football, as the preparation and work that they put into the match against Victoria last Sunday showed.

They had been training together for over eight weeks for this match. They were fast and vigorous and their backing up was truly something to see. Almost all their handballs found a player going past.

The Victorians were unlucky to lose though. After a nervous start, with all players trying hard, Victoria gained the lead but finished the first quarter with a high number of behinds on the board. As the team settled down during this quarter, some great football was played. Bourke and Lockie were good in defence and Sleeman was the driving force on the forward line. The W.A. defence showed their style and attitude, however, when Priestley, with his many fine leads, always managed to find himself at the bottom of a heap of players. This style of play was soon evident all over the ground.

The second and third quarters were fairly even, with fast, vigorous football from both teams. The match was of a high standard and was an exciting game to watch — with Western Australia starting to move the ball away from the packs better than the Victorians.

The last quarter was played in similar style. Victoria snatched back the lead early then W.A. gradually caught them again and regained the ascendancy. Victoria, with good defence from Ian Cordner at centre half-back, attacked from there and regained the lead. The West levelled the score again and then went to a one-point lead. A kick out-of-bounds on the Victorian back-line allowed the West to score a goal which was followed by two more in two minutes. Victoria rallied with a goal, but in the darkness of the Perth day, time ran out. It was only these three quick goals at the end of the match that won it for Western Australia.

Summing up: The Western Australian team is a threat to the other States. Their attitude is strong and they must be favoured for the Perth Carnival in 1982.

The trip to Perth last week-end was well worthwhile. We now know what is required for the Perth Carnival. The grounds are huge, well-grassed, with a spongy, tiring surface.

The Victorian team last Sunday played their hearts out. Every player contributed his best and the Coach, John Fisher, and selectors were pleased with their efforts, although some

positions will have to be strengthened for next year and the Carnival in 1982.

New players in the team, Cooper, Tunbridge, Dobbie, Lockie, Kaufman, Mike Greene and Hibbins, have a great future in the Victorian Amateurs.

Scores:

BALL BRIEF

200 GAMES AT ST. BERNARD'S

Last Saturday against Ivanhoe Peter Rackham played his 200th game for the club. "Racks" first played in 1969 and was a member of the Premiership team in Junior 2. Since then Peter has played 13 Reserve and 171 Senior games. He has been a most versatile player filling the following positions half forward flank, full forward, centre half back, and full back, where he won a Club Best and Fairest in 1974. Peter has represented Victoria 4 times in 1974-75 and '76 carnival. He was also a member of 1975 A Grade Premiership team. Congratulations from all at St. Bernards.

BALL BRIEFS

RECORD FINALLY TUMBLES AT A.J.A.X.

A.J.A.X.'s **Tony Robin**, who equalled the Club record of 235 games several weeks ago, breaks the record today against Marcellin. Tony, a courageous defender, has been a loyal and hard marking player and committeeman. He breaks former President **David Burstin's** record and all at A.J.A.X. congratulate him on this magnificent achievement.

"BLONDIE BRINGS UP THE TON"

Peter "Blondie" **McDonnell** played his 100th game in a winning "De La" side against traditional rival North Old Boys. Blondie has been a member of our 3 recent premierships sides, and has put in many fine games in a solid backline combination. He has often been called on to play a stopper role on many big games over the years, and has generally come through with flying colours.

Peter and his wife **Marg**, are soon to become proud parents, and who knows "De La" may have another "blondie" running around in years to come.

"SHERRIN — HSV7 WORLD OF SPORT TROPHY"

(Pictured front cover)

Negotiations have been made with **Spalding Australia Pty. Ltd.**, Sponsors of the V.A.F.A. segment during **H.S.V. 7's World of Sport**, to provide this magnificent trophy to the winner of the "A" Section premiership.

The trophy will be retained for ever by the winning club.

PREMIERSHIP MEDALLIONS

We are also pleased to announce that the "Sherrin Award Medallions" will be presented to all members of Senior Premiership Teams in Sections A-F and in Junior Sections 1, 2 and 3.

Other recipients of these medallions will be Club Presidents, Secretaries and Coaches of Premiership Teams together with the officiating field Umpires.

The Executive and Members express their thanks to **Mr. Ian Boucher** and the **Spalding Company** for their very sporting gesture.

ALEX JOHNSON,
Executive Chairman — V.A.F.A.

2 CENTURIES AT CAULFIELD

Two more players have now passed the 100 games milestone for **Caulfield Grammarians**, namely **Dean Felsenthal** and **Bruce White** and all club members and supporters congratulate them on the achievement.

Dean, like the majority of our players, commenced with the Juniors in 1973 and worked his way up to the Seniors, playing most of his games on the wing. Due to a broken bone we were without his services on the field during the 1979 season but good clubman that he is, he then devoted his time to the management of the Juniors. This season although still somewhat affected by his injury, he is making a comeback as a player and as the season advances his strong play and determination to win the ball at all costs will soon have him again named among the best players. His readiness to accept responsibility as a committeeman is greatly appreciated by the club executive.

Bruce also commenced with the Juniors in 1971 and following the trail of many other players reached the Seniors in due course. He is an accomplished player and has played most of his games as a rover, a flanker or in a back pocket. A volatile type he is frequently of some assistance to the umpires during a game with regard to the correct interpretation of the rules and because of his easy manner is a popular member of the club, particularly on social occasions. Both these players could play a big part in the clubs effort to get back to where we feel we belong, which is of course, "A" Section.

200 AT ROVERLAND

Congratulations to "**Rod Tregga Tregear**" on playing his 200th game for Hampton Rovers. Tregga started his career with the Club in our Juniors, where he won a number of awards. He is now a regular member of our Senior side and like his cheese he gets better with age. Rod is also a great clubman off the field and at the moment he holds the position of Vice President. He is also involved in our social scene along with his charming wife **Fran**. Well done Rod and all the players and supporters at Hampton applaud the work you've put into the club in reaching this milestone.

PREVIEWING TODAY'S GAMES

A SECTION

De La Salle O.C. meet **University Blacks** on their home ground. De La ran away last week from AJAX, even though they were hit with four out on interstate duty. Today they meet the strongest side they have encountered over the past three weeks, and this will make it a bigger challenge for them. University Blacks kicked themselves out of a win last week and no doubt will have had some practice at straight kicking during the past week. Blacks leave too much to too few and without a rounded team effort I can't see them beating the balanced De La Salle team.

Marcellin O.C. play **AJAX** at Elsternwick Park. Marcellin disappointed me last week against North O.B. They have now fallen back into ninth position and will have to start working very hard to stop the chance of relegation. They have been close to getting it flowing, and today may be the day against a side just a couple above them on the ladder. AJAX also were disappointing last week, when after half-time they were slowly weathered down by the top team. Elsternwick Park will suit them with the open spaces around the flanks and their little men will be too quick for the Marcellin boys. AJAX to win.

The match of the day will be between two teams in the four — **University Blues** and **St. Bernard's O.C.** University Blues bounced back last week with a good win and with the inclusion of their four State representatives will certainly be a formidable combination. St. Bernard's won their game at home last week and will look forward to inflicting a defeat on another team that is above them. They have won their last five in a row and will be looking for the sixth today. The University Blues, with strength in both defence and attack, I think, however, will prove too strong for St. Bernard's and retain second position.

Ivanhoe play host to **North O.B.** Ivanhoe found the force at Essendon too strong last week, although not disgraced, and this week play a lower order team. This may be their chance to win their first, but North O.B., after a good win last week, will want to continue on their winning way after a patchy season so far. In a very close game I think that North O.B. will have enough in reserve for the "Hoes".

Old Melburnians and **Ormond** come together down at Fawkner Park this afternoon. Old Melburnians just sneaked home last week to defeat a luckless University Blacks. Old Melburnians are playing with a little more consistency, although only a few players are playing for four quarters. Ormond disappointed me on their home ground last week after playing a weakened University Blues side. Today they will have to pull out all stops if they are to beat the improving Old Melburnians. Old Melburnians to win.

Selections: De La Salle, Ajax, University Blues, North Old Boys, Old Melburnians. — **PETER ROBERSON.**

B SECTION

Another day of form reversal last week has plunged this intrepid tipster back into the relegation region to ponder on the western philosophy of the Perth travelling "Plastics Man," **Peter Nathan.**

Leaders **Collegians**, anxious to regain their winning ways, await my jinx side, **Old Paradians.** Form, so far this season, dictates that Collegians will win, as during 1980 the "Lions" have displayed much more depth of talent than have the Paradians. Collegians' forwards, **Parsons, Baum and Lausson**, should prove too elusive for the pressured Paradian defence, which really wilted last week. Paradians, who are experiencing a poor season, will need to adopt a more positive attacking pattern today on the big Harry Trott Oval if they hope to be successful.

Parkside will be striving to record a win against **Old Scotch** today to mark the end of the first half of the season. Old Scotch recovered their composure last week by discovering Collegians' achilles heel. Today the Cardinals have the chance to build percentage with the aim of taking second position. **Tom Mason** and able Parkside follower **Arnold** should have an interesting duel. However, once the ball hits the ground the Scotch small brigade, **Bubb, Marx and Captain Tallent**, should create enough scoring opportunities for **Meadows** and **Cox** to kick their side to victory.

Monash Blues really confounded the critics with their great win last Saturday. Today the Blues visit **C.B.C. St. Kilda**, who are also a stronger side on their own terrain. A win to either side would make it free from relegation worry at the mid-point of the season. **Anderson** (Monash) and **White** (St. Kilda) should have many interesting ruck duels. Once the ball hits the ground I believe St. Kilda link men **Dynon, Crottie** and **Gillan** will triumph. At home I favour C.B.C. St. Kilda, even though my sixth sense tells me Monash could have started their "Great Trek" to the four.

The Section "Jekyll and Hyde" side, **Fawkner**, await the talented **Kew** players. Fawkner's mixed form must be a worry to Coach **Dennis Groves.** For a side with final's aspirations the ability to win away from home is a must. Kew has great ability through **Walker, Hayes, Smith and Fletcher** to win the ball around the ground and from the centre. To cover Kew's individual stars may well prove beyond Fawkner's resources. Conversely, ace defender **Ken Rowlands** will receive much assistance as he attempts to blanket the dynamic **Chard.** Kew should win and in so doing further dent Fawkner's final's hopes.

A most impressive **Old Xaverians** await **Caulfield Grammarians.** The Xaverians looked a polished combination during their big win over Parade. Caulfield will have the unenviable task of nullifying **Noonan, Vale** and **Sierakowski** if they are to win. Also Caulfield

PREVIEWS (cont.)

defenders have to counter ace forward **Curtain** and prevent him kicking another big bag of goals. I believe the **Old Xaverians** will win this game convincingly.

Selections: Collegians, Old Scotch, C.B.C., St. Kilda, Kew, Old Xaverians. — NORM NUGENT.

C SECTION

According to my calculations, the improvers, **Willy Pickham** and myself, have caught up to **Norm Nugent**, and he has now joined us on the bottom of the ladder.

Last week I was let down by **St. Kevin's O.B.**, who are now two games outside the four and meet two of the top sides in the next three games, starting with **Bulleen-Templestowe** today. Unfortunately for the **Old Boys** the B-T's were beaten last week and they will be out to make amends today, particularly in front of their home crowd.

Old Haileyburians will welcome the return of "**Occa**" **Houghton** for their game against **Hampton Rovers**. While "**Hillie**" **Houghton** will win the award for candid camera, I have no doubt that the **Rovers** will return home with the four points.

Old Camberwell Grammarians just missed out again last week against the leaders, **Old Brighton**. They are now in the relegation zone and this will certainly jolt them into action when they travel to **Coburg**, who are also in the relegation zone. I think **Camberwell** will lift themselves up the ladder with a good win.

Old Brighton Grammarians only won by 8 points last week and this should remind them that they cannot afford to relax against bottom sides. With the return of the high marking **John Priestley** from Perth they can expect a big win over visitors **Old Trinity Grammarians**, even though the **Trinity** confidence will be boosted by their second win last week.

Even though **M.H.S.O.B.** had a percentage boosting win over **Coburg** last week I cannot imagine their trip to **Geelong** being successful. However, the **Geelong** boys cannot relax, as their opponents are only two games out of the four and will not have given up their chance of playing in the finals.

Selections: Bulleen-Templestowe, Hampton Rovers, Old Camberwell, Old Brighton, Geelong. — PETER NATHAN.

D SECTION

The four remained unchanged after last week's games, with **St. Bede's** gaining a game break over **Old Ivanhoe** and **Power House** following their defeats by **Alphington** and **State Bank**.

Today, the bottom two sides on the ladder, **Beverley Hills** and **A.M.P. Society**, clash. Both these teams have shown over the past few weeks that they are bridging the gap between them and the other sides in the Section. Last week, **A.M.P.** found **Old Carey** too strong for them, but it was still a good showing, and followed up their win the previous week against **Country Colleges**. **Beverley Hills**, after a close first half against **Country Colleges** last week, faded in the second half, but they are back on their home ground where they have won

their last two games. Despite this advantage, **A.M.P.** to win.

State Bank had only a narrow win over **Power House** last week, but winning form is good form; and they have now won three in a row. Their opponents today, **Country Colleges**, after four consecutive losses, had a win over **Beverley Hills** last week, which will help to lift their confidence after some poor performances in recent weeks. **State Bank** use their home ground advantage to the utmost, and with the opportunity to build on their winning streak, will be too good for **Country Colleges**, who always struggle at **Albert Park**.

St. Bede's O.C. returned to the winning list at the expense of **Heatherton** last Saturday, and **Old Ivanhoe Grammarians** will not be looking forward to their trip down to **Mordialloc** after losing their past two games. **Old Ivanhoe's** percentage has taken a hammering following their 6 and 11 goal defeats, and they must win today if they are to stay in reach of the four. **St. Bede's** were only beaten 1-14 points when they played **Alphington** at home three weeks ago, and I think that they will return to that sort of form today, and defeat **Old Ivanhoe**.

Power House have the unenviable task of travelling to **Alphington** to do battle with the Section leaders, who for the second week in a row annihilated their opposition. Last week, **Power House** again figured in a close finish, going down to **State Bank** by 5 points, and this was their second loss in a row. They now have to produce something extra to defeat **Alphington**, and thus remain in the race for the four. Unfortunately, **Alphington**, with all players on the forward line scoring goals, will see to it that **Power House** lose their third game in a row.

Old Carey Grammarians are at home to **Heatherton**, and last week they once again showed top form in defeating **A.M.P.** by a convincing margin. **Heatherton**, on the other hand, after winning their first two games, have managed to win only one other, and they now have to try and throw off this losing habit, or else they will be in big trouble in the very near future. I cannot see **Old Carey** showing any sympathy to **Heatherton**, as they will be out to ensure that they consolidate their position in the four, and consequently will chalk up another win today.

Selections: A.M.P. Society, State Bank, St. Bede's O.C., Alphington, Old Carey Grammarians. — WILLY PICKHAM.

E SECTION

Norm Nugent — will you save some boiled lollies for **Syd Whitfield** to throw at the guest tipster. I also need some on my form, but keep enough for yourself once again.

The four will remain the same after last week's games, but **Old Geelong** will move from second position to fourth, and will be keeping **North Brunswick** out on percentage.

This week will be another win for **St. Pius** in spite of the fact that **North Brunswick** ran a very close second to **West Brunswick** last week, but that did not gain the Club (or the tipster) any points.

It appears that **A.N.Z.'s** poor kicking cost them a game against **Thornbury** last week,

PREVIEWS (cont.)

but even if they correct that weakness they will not beat their hosts, **Princes Hill**, this week.

A good win, and a surprise to me and also to **La Trobe** I guess, when **U.H.S.O.B.** finished with a resounding victory out at the University last week. **Elsternwick** will probably have to draw up a new battle plan before they meet **U.H.S.O.B.** on their home ground today. On past form the win will favour the visitors.

Old Geelong is so unpredictable, but so far this season I have gained points if they play at **Como**. They seem to have a slightly better idea where the bigger posts are at the scoring end, they just got home two weeks ago after kicking twenty behinds, and no doubt a few less behinds would have given them a victory last week. Today they must show their supporters a good game against **La Trobe**.

Bulleen United, the Club that is re-forming, put up a very good performance against the top team last week, and will make their presence felt again this week, but will not be strong enough for **Thornbury**.

West Brunswick I tipped against last week, perhaps that was the reason for the good form. Don't let me down this week, and gather the points when you play **Mentone**.

Selections: St. Pius, Princes Hill, Elsternwick, Old Geelong, Thornbury, West Brunswick. — NUGGET STEPHENS.

F SECTION

The efforts of **Postcom** to save me from disaster failed dismally as the **Lord High Substitute** made the same errors that I had. Still, it's great to see the teams down the list making the game a bit more difficult for the upper half.

Brunswick v. Clayton.

Brunswick were well down at **Thomastown**, whilst **Clayton** got home by the absolute minimum from the "Coolarovers". However, I fancy **Brunswick** at home, especially if **Clayton** have to play in a strange set of jerseys.

Monash Whites v. St. John's O.C.

This match should leave the **Whites** in splendid isolation at the rear of the field. **St. John's** had a comfortable win over **Therry** last week and could rocket up the ladder.

Footscray I.T. v. Uni. Reds.

Something diabolical must have happened on the way to **Banyule** last Saturday for the **Fitites** to go down by 10 goals, and whilst this game will end with another win by the **Reds**, it mightn't be by that same margin.

Peninsula O.B. v. Banyule.

Here's a how-de-do! both good winners but **Peninsula** a bit more accustomed to the sensation and **Banyule** faced with a tour of scenic **Gippsland** before the game. **Peninsula** to sneak home.

Therry C.C. v. Thomastown.

Therry can't take any consolation from their effort against **St. John's**, whilst the "Bears" (are they all big and hairy?) keep rolling along.

Coolaroo Rovers v. Commonwealth Bank.

Two losers from last week and neither really impressive from a tipster's point of view, but the home ground and local support should bring the **Rovers** home.

Selections: Brunswick, St. John's, Uni. Reds, Peninsula O.B., Thomastown, Coolaroo. — SYD WHITFIELD.

JUNIOR SECTION 1

Last Saturday's round produced the most consistent performance by the top teams for many weeks. **St. Bernard's**, **Old Haileyburians**, **North Old Boys**, and **De La Salle** maintained top form, while **Hampton Rovers** continued their improvement.

This week produces some real "crunch" games and makes a very interesting last round for the opening half of the season.

Ormond play **Coburg** at the "Mands" oval, and this game will be a real trial of strength. **Ormond's** form has been up and down throughout the season and must be a disappointment to their supporters at times. **Coburg** has struggled valiantly with little success and deserve this win. However, I'm tipping **Ormond** to hold off **Coburg** on their home ground.

Old Haileyburians play **North Old Boys** in the main game of the round. "Old Hails" came out of a losing run last Saturday but they will need to be at the top of their form to defeat a confident and strong **North Old Boys**. **North's** attack and pace will ensure this a high scoring game. I think this will be the moment of truth for "Old Hails" as far as their potential for winning the flag is concerned and I believe they will win a good game.

St. Bernard's (A) clash with **Melbourne University** in what is a vital game in deciding the composition of the four. The **University** side realise that another loss would place the team under a lot of pressure and they are certain to throw everything at the **Saints**. **St. Bernard's** were not all that impressive last week in defeating an undermanned **Kew**, and they will need to lift their skills this week. My selection is **St. Bernard's** to win in a danger game.

Kew vie with **Ivanhoe** in what must be a needle game for both teams. Both Clubs have had little to enthuse about this year to date, and must be looking to the second half of the season for real improvement. I think **Ivanhoe** are a little stronger than **Kew** at this stage and should win in a torrid game.

Hampton Rovers, who are going from strength to strength, meet **De La Salle**, whose form has been impeccable in recent weeks. It would be a real feather in the cap of the **Rovers** to knock off **De La Salle**, and it would throw the competition right open. **De La Salle** are anxious to maintain prestige and have some very skilful players. I think they will be too talented on the day.

Selections: Ormond, Old Haileyburians, St. Bernard's, Ivanhoe and De La Salle. — MICHAEL ARNOLD.

JUNIOR SECTION 2

Last week's results provided only one surprise for me and that was that **O.P.'s** were obviously determined to tolerate no challenges

PREVIEWS (cont.)

for their second spot. Today's round provides several matches with bearing on the final four.

Marcellin O.C. badly need a win after a long run of outs. Today they have the opportunity to regain some confidence and prestige at the expense of **Caulfield Grams.**

West Brunswick just do not seem to be able to put anything at all together. On the other hand, **Monash** appear to have indifferent form, but even they would not let this opportunity pass for an easy four points.

Bulleen-Templestowe and **Old Scotch** meet in an important clash at Yarra Park. B-T crashed last week against O.P.'s, whereas Old Scotch had a good confidence-booster against West Brunswick. Old Scotch need this one badly and a loss here would just about eliminate them as a finals contender. However, Old Scotch just don't seem to be able to handle good opposition and for this reason my choice must be Bulleen-Templestowe.

Fawkner have proved to be the big improvers of late and they certainly surprised me. Nevertheless today they face the acid test against unbeaten **Therry** at Oak Park. Even the best of optimists would like to stick with them, but being a realist I'll go for Therry.

Old Paradians lifted their form for last week's encounter, so today's easier opposition from **M.H.S.O.B.** should hardly prove a challenge.

Selections: Marcellin, Monash, Bulleen-Templestowe, Therry and Old Paradians. — RON HANCOX.

JUNIOR SECTION 3.

Again this week we seem to have upset the mail sorters, consequently Ray Irving's tips (posted in ample time) were late in arriving.

Selected winners in bold type:
Heatherton v. St. Kilda C.B.O.C.
Old Ivanhoe Gr. v. Old Brighton Gr.
Power House v. Parkside.
Clayton v. St. Kevin's O.B.
Banyule v. St. Pius.
Thomastown v. St. Bernard's (B).

BALL BRIEFS

Peninsula Old Boys will hold their first "Pirate Night" of the year on Friday night, **June 13th** at the Peninsula School, Mt. Eliza. All club supporters and players wives and girlfriends are welcome, and a special players revue will be the highlight of the night. The night is fancy dress, and those attending are expected to come along in "Pirate" clobber.

300 AT COMMONWEALTH BANK

Terry Dick achieved a milestone in his career when he played his 300th game with the **Commonwealth Bank** on the 24 May. Terry joined the "Bankers" in 1961 and has played most games at full forward. He has been a fine example to the younger and less experienced players and he once again put in an excellent all round performance for his 300th.

Congratulations Terry from all at the club for this fine achievement.

BALL BRIEFS

Dashing wingman/flanker **Doug, "Swooper"** Wallace plays his 50th game for M.H.S.O.B. against Coburg on 31st May. "Swooper" has only recently returned to Melbourne High after missing a number of seasons and his keenness, enthusiasm and courage have been a great boost to our chances this year. Congratulations Dougie and we all look forward to see you playing many more great games at our club.

Brunswick would like to congratulate trainer **Merv Mathews**, on his eleventh season with the club. Anyone who has been injured and seen Merv galloping across the ground towards them has made a miraculous recovery, also any player with a scratch or graze, knows Merv's magic cure, which he says is an old Irish remedy they used on horses (we are not sure whether to kill or cure them). We hope Merv continues to give his medical services to keep the team on the ground for years to come.

Congratulations also to **Old Brighton's Peter Draper**, who last week played his 50th game. Pete is a rover type with a fearless and somewhat volatile nature who is not afraid to put in for the hard ball. His spectacular leaping for marks and his activity around the packs make him a very useful player and the Club wishes him well today.

UMPIRES' CORNER

It has often been the subject of much debate among football followers on how far the umpire actually runs during a match. A survey carried out by **Ross Smith** (ex St. Kilda and former Hampton Scouts player — Hampton Rovers' Under 19's) on ten senior list V.F.L. umpires (using the two umpire system) indicated that an umpire runs approximately 7.3 miles (11,750 metres) per game. Such variables as wind and weather conditions, the time of the season, the fitness of both players and umpires and the standard of the game will obviously influence these distances.

The study showed that on average the umpire runs backwards one mile (1,610 metres), jogs 3 miles (4,940 metres), runs (strides) 2.9 miles (4,680 metres), and sprints 0.4 miles (624 metres) per game. The type of running demanded of the umpire during a game shows that the umpire runs over relatively short distances with the majority being between 10 and 40 metres. Sometimes the umpire is found to run up to 110 metres in a single dash. On average the umpire makes 46 running efforts each quarter of a match, totalling 184 efforts for a game. So you can see that field umpiring is a very demanding endurance type activity.

No study has been made of field umpires under the single umpire system, but an educated guess is that they cover about 9 miles a game.

How far then, does a player run? A study carried out in Perth on senior players showed that a "wandering" centre man covered approximately 8 miles per game, whilst a half back flanker covered some 6 miles during the same match.

These studies underline the fact that Australian Rules football is the only sporting code in which the umpires have to be as fit as or fitter than the players in their games.

BALL BRIEFS

Thornbury would like to congratulate Chris "Hakenbush" Dymond on reaching his 50 game mark last week. Chris is a dedicated backman and he rarely lets his opponents get a touch. He has been at the club for a few years and attends every club function. Chris won the Best and Fairest in the Reserves in 1978 and has been in the Seniors ever since. Well done "Hakenbush" and lets hope we see many more games from the famous No. 15.

All at **Thornbury** would like to congratulate Michael "Chooka" O'Rourke on passing the 50 game mark last week. "Little Chook" is a great fast wingman who was recruited from Ivanhoe a few seasons ago (Ivanhoe's loss). "Chooka" uses his great speed on the wing to Thornbury's advantage and he gives lightning fast passes to our waiting men up forward. Well done "Chook" and we hope to see a lot more games from you.

LOOKING BACK

by Noel Rundle

5 years ago — 1975

Victoria held on grimly to beat **South Australia** by 12 points in the first series of interstate matches played on a Sunday in Melbourne.

South Australia trailed by 14 points at the last change and in a tense last quarter with the Victorians off target had a few chances to level the scores. Just before the finish Victoria took the ball forward and got a goal from a mark on the siren. Best were **Billingham, Bates, King, Wade, Anderson, Maguire.**

The Tasmanians played well in the first half but were unable to hold Victoria in the second half. Final scores were 22.22 (154) to 14.10 (94). Best were **Sykes, Standish, Power and Butcher** (5 gls). Umpires for the game were **George and Rowe.**

Long kicking competition held at half-time resulted as follows: — **Glen Fletcher** (Caulf. Gram.) 68 yds, **John Teasdale** (Fawk.) 66 yds, **Peter Ferguson** (North O.B.) 64 yds 2 ft.

10 years ago — 1970

'A' Section captains were **Bernie O'Brien** (Old Paradians), **Graham Warfe** (Coburg), **Rick Edwards** (Collegians), **Henry Halasa** (De La Salle), **David Williams** (Caulfield Gramm.), **John Cooper** (M.H.S.O.B.), **Ian Cameron** (Ormond), **Barry Church** (Uni. Blues), **Bill McWhinnie** (Ivanhoe). Who captained Monash?

University players, **Barry Church, Mike Nicholls, David Barkly** (from the Blues) and **Chris Cordner** (Blacks) were chosen in All-Australian Universities' team with Church, who won the best and fairest award at the universities' carnival by a point from Nicholls being selected as captain.

Uni. High congratulated their captain-coach **Col Kinnear** on leading his side to its ninth consecutive win.

Tony Borrack, Commonwealth Bank skipper, and former interstate player, became the fourth player in the club's history to achieve 200 senior games.

M.H.S.O.B. claimed their supporter, **'Pop' Shapir**, as V.A.F.A.'s keenest supporter. Over the last 40 years, 'Pop' had seen every senior game, except two, and his wife saw those.

'Pop' was disappointed to see **Ormond**, in an almost hopeless position, 28 points down at half time, bring themselves back into the game with an 8-goal burst in the third quarter, and hold on to win by a goal.

20 years ago — 1960

Victoria after a slow start kicked 6.5 to 1.1 in the second quarter against **South Australia** and went on to run out easy winners, 19.19 (133) to 6.5 (41). Best were **Harkness, P. Rush, Jobbing, Nelson, Peck, Lewthwaite.** Goals came from **Max Rush 5, Peck 4, McCormick 3, Law, Redpath 2, Grant, Nelson, Lewthwaite.**

Victorians picked in the Australian Amateur team were **Capes, Daff, Grant, Harkness, Job-**

bing, Kerr, Law, Lewthwaite, McCormick, Nelson, Peck, Redpath, and B. Roet. Ray Martin of Kew was coach.

Captain of M.H.S.O.B. Juniors was **David Parkin.**

Port Melbourne Club was expelled from the Association after the investigation of incidents in the match between that club and F.T.C.O.B. 100 games to **De La Salle** champion **Peter McCormack.**

30 years ago — 1950

Doug Arnold, of **Hampton Rovers**, was appointed captain of the Australian Amateurs team to play in the National Carnival in Brisbane. Other Victorians in the team were **Sam Birtles** (Hampton Rovers), **John Brady** (Uni. Blacks) **Jack Castle** (Kew), **Peter Cox** (Old Melburnians), **Geoff Hibbins** (Collegians), **Alan Mellors** (Brunswick), **Alan Reid** (Geelong), **Jack Stock** (Ormond) and **Don Morone** (Old Scotch). Mr. **Eric Couler** of Tasmania was appointed team manager.

Among the **South Australian** players was **Don Brebner**, who later became President of the South Australian Football League.

Old Melburnians and **Uni. Blues** (3rd and 4th in 'A' Section) played a vigorous high-standard game with O.M.'s triumphing 18.18 to 14.7.

Peter Cox with 7 goals was a match-winner for O.M.'s and was well supported by **Murray Mitchell** (half-forward) and **John Tucker** (centre half-back) while **Rick Morrison, Frank O'Connor** and **Jock Herd** showed great form for the Blues.

BACK MAN'S CENTURY

M.H.S.O.B.'s tough and relentless backman **Steve Grahame** played his 100th game on 31st May against Coburg and all his teammates and club supporters congratulate him on this fine effort.

Steve has reached this milestone in spite of a number of serious injuries and it is truly a credit to his courage, enthusiasm and club loyalty that he still remains a vital player in our Senior side.

A very popular club member, Steve has put a lot of time and effort into all aspects of our activities over the years and off-field his quiet, thoughtful manner belies the fierce desire he displays on the ground every week.

Well done "Mad-Dog" — now for 200!

150th for O. H. ROVER

Old Haileybury Reserves' great little rover, **Jim Bonwick**, today will run out on to the field to play his 150th game for the club. He joined the club in 1968 and played 128 games until the middle of 1975, when he prematurely "retired". He then played the odd game with our "socials" until last year when he was persuaded to get his gear out of storage and resumed playing with the reserves as captain/coach.

Judging by his form this year, he is playing as well as ever. He continually encourages and inspires the younger players with his determination and courage. Congratulations Jimmy, on a great effort for the club. Let's hope you can continue on far years.

PERMITS

Club Secretaries are reminded that, frequently, when players return home to country areas during holiday periods they play football with their local side.

THIS INVALIDATES THEIR V.A.F.A. PERMIT

To protect your Club, please check with any such players and submit a new permit application if necessary.

Fred Coldrey
Chairman — Permit Committee.

BALL BRIEF

100 GAMES TO O.M. TRAINER

Ron Hosking, the Old Melburnians trainer, officiates at his 100th game this week against Ormond. In fact, it could be classified as his 200th game, because Ron has helped strap and rub down both Firsts and Reserves for each of those 100 games. Since he joined the Club, Ron has never missed a game. He is always on hand with his "magic" towel to assist O.M. players as well as opposition players. Ron is always first at the ground preparing his bandages and mixing his training oil, and always last to leave, ensuring all injured players receive treatment. Everyone at O.M.'s offers Ron our warmest congratulations on this fine achievement.
