## EDITORIAL

# CLOSE RESULTS EQUAL CHANCES LOST

by Jan Howard

Last week's round of matches could probably best be described as the day of missed opportunities — particularly in A Section. Old Melburnians and University Blacks could have been sharing equal fourth place ahead of Ormond instead of being two and four points behind them. The Blacks were defeated by Ormond by three points and Old Melburnians could only manage a draw with North Old Boys — despite both teams having led at three-quarter time.

Similarly Marcellin and North Old Boys could have thrown down a more serious challenge for that fourth spot if they had been able to sustain their final quarter revivals for just one scoring shot more.

The opportunists of the Section were University Blues who came from nine points behind at the last change to record a thirteen point win over De La Salle. This win enabled the Blues to retain the second spot on percentage from St. Bernard's, who must consider themselves a little lucky to have escaped with the points against A.J.A.X.

In B Section Old Xaverians missed their chance to move into second position with a fairly dismal performance against the holder of that placing: Kew. Old Xav's were never in the game after the first quarter. Old Scotch did not miss their chance however and after a slow beginning against Monash Blues went on to a nine goal win and a four point break over Old Xaverians.

Fawknor and Old Paradians both recorded wins to keep their hopes alive — though it is hard to imagine either side making it as they still trail by three games.

Old Haileyburians missed another opportunity to stay with Bulleen when they lost by seven points to C Section leader Old Brighton after having led by three points at the last change. Melbourne High Old Boys keep their hopes alive with vengeance, at the expense of those of St. Kevin's.

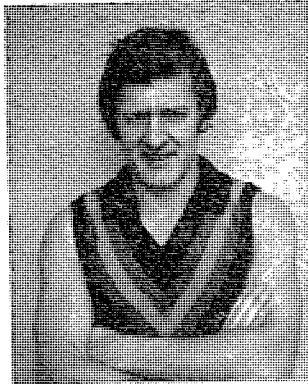

In D Section last quarter inaccuracy

cost Old Carey the game against Power House and second place on the ladder which they relinquished to a somewhat fortunate St. Bede's, who trailed Beverley Hills virtually all day before emerging with the narrowest of wins. Alphington avenged their only loss of the season to date when they soundly defeated fourth placed State Bank.

Elsternwick lost the top spot in E Section when they were led all day by A.N.Z. Bank, who only four weeks ago looked relegation certainties. A scoreless first term cost Mentone the chance to stay close to the leaders and only a desperate last quarter enabled Old Geelong to consolidate their position in the four. They had trailed bottom side Bulleen United by two points at the last change.

Peninsula Old Boys appear to be making a determined bid for the second spot in F Section if their three point win over Thomastown is any guide. They were nearly six goals down at three-quarter time against a side that had lost only two matches prior to last Saturday. Brunswick, Therry C.C.O.B. and Footscray I.T.O.B. all stayed within striking distance of Coolaroo Rovers and the fourth place when they recorded good wins — as too did Coolaroo, however.

## BALL BRIEFS

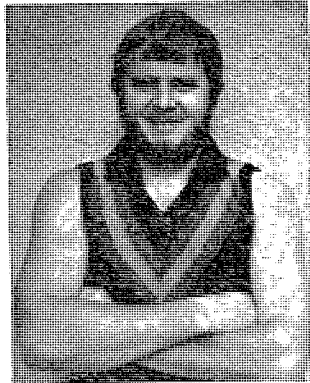

250 AT OLD CAREY

Old Carey footballers and supporters congratulate Roger Morgan on playing his 250th game today. Roger doesn't know the meaning of defeat and week after week is in there giving his all. He has been an inspiration to the younger members of the Club and we all look forward to many more years of the Morgan magnificence. Keep up the good work, Roger.

"Bruno" "Hypo", "Did Ya See that Goal!" Depace has just played his fiftieth game for Monash Whites. He has shaken off his calcium deposits and it looks as though we're going to have him around for another fifty games, unfortunately. (Only kidding, Bruno — best of luck for the rest of your footy career.)

Rick Cameron, Peter Koren, Brad Burns and Jim Woods have all recently played 50 games with the Old Melburnians. "Camo", or more recently and affectionately known as "The Whale" is known for his marking prowess. "Bunty" (the Jean Claude Killy of the Club) plays an aggressive game on the half-back flank. "Burnsy", who hasn't burnt recently because of a knee injury. "Woodsy", ex-rugby player turned Aussie rules rover, although the style hasn't changed a great deal. All four form part of the nucleus of young players at the Club on whom depends the future success of the O.M.'s. We all wish them well on achieving their half-centuries.

Richard "Titch" Callanan and Jeremy "Jezza" Nettlefold, the Club masterminds, play their fiftieth games for S.K.O.B. today. Both came to the Club straight from school, Titch as a rover and half-forward, and Jezza as a half-back and ruck-rover. Titch enjoys going to any turn, while Jezza enjoys his lager. Well done,

RESERVES CAPTAIN'S 200th

lan (Ocker) England achieves a milestone today by playing his 200th game for Old Carey. A ball player at all times, "Ocker" has been an inspiration to his team, particularly over the past few years when, as captain of the Reserves, he has had young players to lead and inspire. A winner of best and fairest awards and still producing the results. Congratulations from all and we look forward to many more games.

Greg Stokes has played his 50th game game with Kew in the Reserves and has been a regular supporter of the club for many years following in his father Noel's footsteps. Greg isn't actually a Life Member yet but with his tenacity and determination when on field together with a few more games to his credit may set the pattern for a double in the family. Greg has played in the Junior teams and records reveal that he was amongst the best and fairest for the Under 15's in 1974. Greg keep it moving for another 50 games.

Congratulations to Alastair Ewan, of Old Carey, who plays his 50th game today. A long time to achieve the total, due to injuries and work commitments. We still look to those long kicks from full back to get Old Carey started.

#### F' AND F' RESERVE SECTIONS

Please note that the premierships list for these sections may alter markedly this week due to ineligible players — amendments to appear in next week's Amateur Footballer.

## PREVIEWING TODAY'S GAMES

### A SECTION

The match of the round is at Elsternwick Park between Ormond and De La Salle O.C. Ormond went on their winning way last week and now are in the four by two points. This will be a hard one for them against the section leaders and they will be looking towards the continuing good form of Crump and Mehrten. 'De La' has had problems on their home ground in their last two appearances and today on neutral territory things should suit them better. On the firmer Elsternwick ground I feel they will perform with more endeavour and gain the necessary breaks to win.

University Blacks travel out to Essendon this afternoon to play St. Bernard's O.C. The Saints are continuing on their drive to gain second position for 'the double chance' in the finals. They are waiting for Univ. Blues to make a mistake and slip into their position. St. Bernard's are certainly better on their home ground and they will not want to let this game get away from them. University Blacks on the other hand if they are to have any remote opportunity of making the four will have to win this one. I feel their last chance will pass them by and St. Bernard's will win.

North O.B. play host to A.J.A.X. North had the chance to gain four points last week and only managed two. They may have left their run too late to gain the vital fourth position on the ladder, but today is a must if they are to have any hope. The Northerners will have to play far more desperately if they are to be a threat. It seems certain that Ajax will accompany Ivanhoe on the trip to B grade, but you never know. If the Ajax boys play as they are capable then there could easily be an upset in this game. If Mike Ritterman and Ray Lisner play as they have been then they could possibly stave off relegation by winning three out of the next five. In a good game I will pick North O.B. to win and possibly christen their new club rooms.

University Blues play Marcellin O.C. at the Uni. this afternoon. Hot from their win over the section leaders, Blues will be springing higher and looking forward to meeting De La in the finals. Blues don't want to lose second position and coach Alan Salter will remind them of same. This game will not be easy for Blues as Marcellin also have aspirations of making the four, although this may now be a little more remote after the draw with Ivanhoe last week. Marcellin have not lost a game for three weeks but I am afraid their run may have come to an end today when they meet the talented Blues side.

Old Melburnians are at home to Ivanhoe today. O.M.'s were very lucky to gain two points last week against North O.B. although after three bad games in a row they may

have turned the corner and are now bent towards regaining fourth position. They have a chance of moving back into the four as Ormond have a hard game today, but Ivanhoe cannot be underrated. Ivanhoe drew with Marcellin last week, who in turn a week before had nearly doubled the O.M.'s score. This makes Ivanhoe goals better and they will be counting on Woolfe and Freeman to continue their fine form. Against the statistics and favouring Rod's decision I will go for the home side by a short half head.

Selections: De La Salle, St. Bernard's O.C., North O.B., University Blues, Old Melburnians. — PETER ROBERSON.

### B SECTION

Neighbours Caulfield Grammarians and Collegians meet on Oval 3. For Caulfield to be successful today their players must concentrate completely on the game. Lack of concentration has proved costly to Caulfield this season. Griffiths (8 times in Caulfield's best), Cooney and Watson (6 each) are by far Caulfield's best players over the season. The greater depth of Collegian's talent is demonstrated by the fact that their most consistently named best player is Etherington (6 games). Closely following him are Wagstaff, T. Loder, R. Loder, Baum, Hoyle, Hibbins and Parsons, all with five placings. Collegians are my selection.

The aura of optimism which has been prevalent among Old Paradians' supporters throughout their four week winning sequence will end abruptly today. At home, Monash Blues will have sufficient skill to defeat the Paradians. The Blues know their tricky and wild swept oval better than do their visitors. Rodger is a focal point in the Blue's attack and I suspect he will meet more success today than will Nick Hughes, who heads the numerous Parade sharpshooters. Architects of the Monash victory will be captain Olds, the consistently good Lindeman (named in 6 games), and McKenzie (9 games) as well as Sist (5 games). Stars for Old Paradians who will be expected to play well today include Marcello Di Paolo (half-back, 6 games), centreman Vin Considine (5 games), and versatile captain Sam Assetta (6 games).

The main game of today's round is at Kew, where Old Scotch Collegians are the visitors. The present Scotch players include twelve of their 1978 A Section Premiership side. (Thanks to Jim Fidge on 3LO for this fact.) Today's question is: can their experience overcome Kew's vigour and dependable play? For the home side, "Munro" Walker will be determined to outruck dependable Tom Mason. This advantage would assist Kew "runners", namely Haralambopolous, Smith, Hayes and the Zerbi brothers, against whom will be Tallent, Bubb, Marx and Anderson. The confines of Victoria Park will also help Kew's style. The dependable Ken Rowlands should prove too strong for

## PREVIEWS (cont.)

Cox, and mid-field duels between interstate representatives **Don Fletcher** and veteran **Ross Duke** could favour the younger Fletcher. Overall, I believe Kew will win.

**C.B.C. St. Kilda** will be all out to move above ninth position when they meet **Parkside** today. St. Kilda's drive from **White, Coates** and **Dynon** should provide enough opportunities for their forwards to kick a winning score. In defence, **Bob Hinrichs** and his fellows should be well able to hold out **Parkside** thrusts. For the "Red Devils", **Clarke, Jones** and **Ware** are playing well, but the lack of depth of talent in the side has been obvious this season.

**Old Xaverians**, who crashed last week, will be out to restore their credibility against **Fawkner** today. Leading goalsneaks **Curtain** and **Chard** should provide good value for spectators as each strives to kick his own side to victory. The Xaverians are my selection because **Noonan** and **Burne** will out-ruck the mercurial **Daryl Foley** and **Busst. Sierakowski, Adgemis, Vale** and **Morrissy** will provide many opportunities for Xaverians and **Curtain** in particular. Conversely, I believe **Old Xaverians** will be able to nullify **Allen, Flavel** and **McMahon**, who are frequently named among the best **Fawkner** players.

**Selections: Collegians, Monash Blues, Kew, C.B.C. St. Kilda, Old Xaverians. — NORM NUGENT.**

### C SECTION

It would seem that my co-tipster, **Norm Nugent**, is an each-way person in that he picked **Parkside** in his commentary and **Fawkner** in his selections. No doubt **Jan Howard** will give us an independent decision.

**M.H.S.O.B.** had a good victory over **St. Kevin's** last week, and today welcome **Bulleen-Templestowe**, who won their first game for six weeks against **Coburg**. Victory to the **Old Boys** would put them equal third with the **B-T's** and out of the four on percentage. Despite their losses it is probably fair to state that the **B-T's** have been better served by their backmen than their forwards. However, in the conditions I do not think the backs will be able to contain **Craig Flegeltaub** or **Norm Peatling**, who make up a dynamic roving duo for **M.H.S.**, and they should win a close game.

**St. Kevin's** remain my problem side and perhaps they should now concentrate on remaining in this section. **Old Camberwell Grammarians** put up a creditable performance against **Hampton** last week and on their home ground today I think they will outrun **St. Kevin's** to show they are not interested in relegation.

**Coburg** always seem to relax after a win and must appear as good relegation candidates, as they still have to play the two top sides. Today they host **Old Haileyburians**, who just went down to **Brighton** last week even though they had three more scoring shots. The **Bloods** or the "Old Hails" as they are sometimes incorrectly referred to by my wise monkey friend **Michael Arnold**, should have too much class for the home side.

The grand-final preview takes place at

**Queens Park** between **Geelong** and **Old Brighton Grammarians** and it will be worth travelling the distance to watch. The home side is being well served on the forward line by **Johnston** and **Steven**, while **Greg Neilson** is regaining some of the form that earned him a "big V" last year. "Jumping" **John Priestley** is starting at full forward for **Brighton** and is only headed in the goal kicking by that old stager from **Old Geelong, John Butcher**. Any marks missed by **Priestley** are quickly gathered in by **Graeme "Morris" Tate** and **Gary Jones**, swooping down from the half-forward flanks. **Brighton** are the better side but I fancy **Geelong** because of their home ground advantage.

**Old Trinity Grammarians** put up a good performance against **Geelong** last week. Although they are at home today it is hard to imagine them giving **Hampton Rovers** too much trouble.

**Selections: M.H.S., Old Camberwell, Hampton, Geelong, Old Haileybury. — PETER NATHAN.**

### D SECTION

Last Saturday, **Alphington** thrashed **State Bank** and **St. Bede's** one-point win over **Beverley Hills** took them to second spot on the ladder due to **Old Carey's** upset loss to **Power House**.

Today, **Old Carey Grammarians**, who have lost their last two games by five points to **State Bank** and ten points to **Power House**, are at home to the very much in-form **Alphington**. Last week **Alphington** avenged their only defeat of the season with a seventy-two point win over **State Bank**, and today they will be trying to improve on their last kick of the day victory over **Old Carey** earlier this year. The home ground advantage will give **Old Carey** the opportunity to return to their earlier winning form, but **Alphington** look too good today.

The other two top-four sides, **St. Bede's O.C.** and **State Bank**, clash at **Beda Park**, with second spot on the ladder being the prize for the winner. **State Bank's** performance last week was very disappointing when you take into account their victory over **Old Carey** the previous week. **St. Bede's** have struggled the last two weeks, a draw against **A.M.P.** and a one-point win over **Beverley Hills**, but they have had the ability to snatch the vital points in close games. With the home ground advantage, a desperate **St. Bede's** to win.

**Old Ivanhoe Grammarians** and **A.M.P.** **Society** are evenly matched for today's game at **Cheltenham Park**. **Old Ivanhoe's** position on the ladder is not as precarious as that of **A.M.P.'s**, but a loss today will be a shattering experience, especially after last week, when inaccurate kicking cost them victory over **Country Colleges**. **A.M.P.** had a good win over **Heatherton** last week, and this followed up their draw over **St. Bede's** the previous week. I will select **Old Ivanhoe** to win, mainly on home ground advantage, but if **A.M.P.** were to win it would be no surprise.

**Power House** defeated **Old Carey** last Saturday, and today they are host to **Country Colleges**, who had a narrow two-point win over **Old Ivanhoe** last week. When these sides last

## PREVIEWS (cont.)

met, **Power House** won with the last kick of the day, and it is interesting to compare their form over the past couple of weeks. **Power House** defeated **Heatherton**, and lost to **Old Ivanhoe**, while **Country Colleges** lost to **Heatherton** and defeated **Old Ivanhoe**. After analysing that form, it is apparent either side can lose. I will give **Country Colleges** the kiss of death and select them to win.

**Beverley Hills** showed a form reversal last week to be only one point behind **St. Bede's** at the final bell. But today they are away from their home ground, and one thing about their form on opposing sides' grounds is that it has been consistent — i.e., bad. Their opponents today, **Heatherton**, are good home ground performers, and they are going for their third victory in a row on their desolate ground. The form shown in defeating **Old Ivanhoe** and **Country Colleges** at outback **Heatherton** is good enough for me to give the home side the nod for victory.

**Selections: Alphington, St. Bede's O.C., Old Ivanhoe Grammarians, Country Colleges, Heatherton. — WILLY PICKHAM.**

### E SECTION

A change to have a calm, sunny day for spectators, but not so pleasant for players on some grounds, especially those having turf wickets.

Nothing surprises a good tipster. **A.N.Z.** followed the lead of their institution; when interest rates rose this week they must have said "Let's stick with the strength", and hence went ahead to knock off the leaders. I think they can win two in a row and account for **Bulleen United**, who were plagued with leg injuries to three players last week. I trust those injuries were not too serious.

**Elsternwick** will be smarting over their last week's loss to **A.N.Z.**, and will be striving for that top position again. **North Brunswick** did not do well against **Thornbury** last week and let their supporters and their tipster down badly.

**Old Geelong** are one game down to **Princes Hill**, and will be out to even the points at **Como** this week.

**La Trobe**, I thought, had a better than even chance of winning last week at home, and gave some encouragement by tipping them. **St. Pius** will notch another four points today.

**Mentone**, definitely a far superior home ground team, and contenders with **Thornbury** for fifth position, will have to settle down and play this game right out to get the points.

**West Brunswick** will not need to relax and take things easy, as **U.H.S.O.B.** are quite determined to get up from that relegation zone.

**Selections: A.N.Z. Bank, Elsternwick, Old Geelong, St. Pius, Mentone, West Brunswick. — NUGGET STEPHENS.**

### F SECTION

**Uni. Reds v. Clayton.**

The **Reds** are galloping away with **F Section**, and **Clayton** should provide yet another scalp to hang around the **Uni. wigwam**.

**St. John's v. Thomastown.**

I'm afraid **St. John's** may have to wait another month for the sun to shine again, whilst the **Hairy Ones** will be most unlikely to suffer a hat-trick of losses. In fact, I'm prepared to depart from my alleged practice of spinning a coin and state that **Thomastown** will be first home, daylight second, and **St. John's** third.

**Peninsula O.B. v. Monash Whites.**

This is another game with diversion the aim of one side and exercise the inevitable pursuit of the other. Both enjoyable in their own way but most of the smiles will be staying down south.

**Banyule v. Brunswick.**

**Brunswick** had an excellent win over the **Bankers** and will visit the river flats to, they hope, enhance their percentage to stay with **Coolaroo**. **Banyule** have to look ahead, not just in terms of weeks, but to next year or the year after when their junior ranks will fulfil their promise.

**Commonwealth Bank v. Therry C.C.O.B.**

Without peering too deeply into my crystal ball, it doesn't seem likely that either side can make this year's four. This places a veneer of indifference around this match and postulates a victory to **Therry** as the team with the greater need to perform well and to continue to play well from now on.

**Coolaroo Rovers v. Footscray I.T.**

If the **Fittes** win this and the rest, they could make the four, providing, etc., etc., etc. As most of my predictions are based on premises derived from week to week results, I fancy that **Coolaroo** will give the **Students** the complete treatment out where the north wind begins.

**Selections: Uni Reds, Thomastown, Peninsula O.B.'s, Brunswick, Therry, Coolaroo Rovers. — SYD WHITFIELD.**

### JUNIOR SECTION 1

Last week was favourites week again with the top teams consolidating their places in the **Four**.

**St. Bernard's** inflicted a heavy defeat on **North Old Boys**, **De La Salle** easily accounted for **Coburg**, **University Blues** proved too strong for **Ormond** whilst **Hampton Rovers** and **Old Haileyburians** had comfortable wins.

This week once again there are two games involving contenders for finals honours.

**Ormond face De La Salle** in what is a do or die game for the "Monds" if they are to keep their chances alive. This game will be hard and close and **Ormond's** determination will test **De La Salle** severely. However they are very difficult to beat at home and this advantage should carry the day.

**Melbourne University** clash with **Old Haileyburians** in a match that has a bearing on the four. The **University** side must win if they are to keep their position in the **Four** safe and their double-chance hopes up. These two teams have been excellent sides during the year and this game should be fast and exciting. The result is a toss-up and I'll plonk for the **University** team.

**St. Bernard's** vie with **Coburg**, one of the two teams to defeat the **Saints** this year.

## PREVIEWS (cont.)

Coburg will be keen to repeat the dose again whilst St. Bernard's will be equally as keen to avenge the defeat and retain top position. I believe that the Saints will be too strong at home and should take the points.

Ivanhoe, who showed great persistence last week meet North Old Boys who put in a poor performance last week. North will be down on confidence and the "Hoes" have a great chance to knotch a win this Saturday.

North Old Boys must win to flame their slim final hopes. This game could go either way but I feel that North's ability may get them up.

Hampton Rovers and Kew tussle at the Rovers ground. Kew continues to struggle each week manfully and are sure to give a good account of themselves again. Hampton have had a mixed season and with a bit of luck could have been a lot higher up the ladder. They will be certain to win this one to improve their rating for the season.

**Selections: Hampton Rovers, North Old Boys, St. Bernard's, Melbourne University and De La Salle. — M. J. ARNOLD.**

### JUNIOR SECTION 2

Five winners again but since Mick Arnold also got five it's still an as-you-were situation. Today I see that the top five teams play the bottom five so all augurs well for five winners. Furthermore they are all the home sides.

Monash were not up to it last week against Fawkner and must win today to stay in contention for a finals berth. Marcellin on the other hand are in the relegation zone and badly need a win. However I don't believe they can do it today.

Old Paradians lack killer instinct because they seem to get on top of the opposition but fail to crush them. If West Brunswick can take the field today, O.P.'s will win comfortably.

Fawkner won nicely last week to put them a game clear plus percentage in the four. It's hard to see them letting that position slip today when Old Scotch turn up.

Therry should make sure that their percentage stays over the two-ton level with an easy win over M.H.S.O.B. at Oak Park.

Bulleen-Templestowe will consolidate a position in the four with a percentage booster over Caulfield Grams.

**Selections: Monash, Old Paradians, Fawkner, Therry, Bulleen-Templestowe. — RON HANCOX.**

### JUNIOR SECTION 3

By virtue of their loss last week St. Kilda C.B.O.C. relinquished the top spot (to their victor: Banyule). They will, therefore, be out to avenge this defeat today at the expense of their hosts, Parkside.

Two winners from last week: Old Brighton Grammarians and St. Pius meet at the South Road Oval. Old Brighton have too much at stake to let this game slip away from them. They must keep winning if they are to regain their spot in the four.

Old Ivanhoe Grammarians scored a big win last week and they should be capable of repeating the performance when they visit Clayton today.

St. Kevin's Old Boys recorded a good win over Thomastown last week, but they are still only just in the four. They, too, must keep winning if they are to retain the placing. Consequently they will be eager for the points when they host Heatherton today.

New Section leader Banyule should be able to consolidate their position when they visit St. Bernard's (B) this afternoon.

Thomastown at home to Power House today will be keen to avenge last week's defeat and to boost their percentage to give them the opportunity to regain second place.

**Selections: St. Kilda C.B.O.C., Old Brighton Gram., Old Ivanhoe Gram., St. Kevin's O.B., Banyule, Thomastown. — RAY IRVING.**

## BALL BRIEF

### POWER HOUSE CENTURY

Congratulations from everyone at Power House to Graeme Alcock, who plays his 100th game with the Club today. "Sparrow" first joined the Club in the early 70's from Ivanhoe and quickly made his mark in the seniors with his pace and elusive play on the half-forward flank. Nowadays he is still showing the same old dash in the Reserves after an overseas trip last year. Well done, "Sparrow", and best wishes for a good game today.

# LOOKING BACK

by Noel Rundle

## FIVE YEARS AGO — 1975

**Monash Blues**, fifth, kept their 'A' Section final four chances alive when they scored a 5 point victory over Univ. Blacks who were really only in the game due to their very accurate kicking, 12.3.

**North Brunswick** congratulated **Ian Duncan** on his 100 games. Ian was a foundation member and had given the club wonderful service on the field, as well as coaching the U.14, U.15, and U.17 teams with great success.

Umpire for 20 years, **Ian Marsden** was keeping fit as Mayor of Doncaster-Templestowe.

Umpires' Corner EMPHASISED that umpires SHOULD have a COMMONSENSE outlook on free kicks.

On top in Junior Section 1, **Coburg** went away in the last quarter of an exciting game to defeat fourth team, Ormond 17.18 to 13.7. Best were **Mick Brown**, **C. Green**, **N. McAuliffe**, **M. Findlay** (6 gls.) (Coburg) and **Handley**, **Boyanton**, **Purcell** (Orm.).

## TEN YEARS AGO — 1970

**Bill McGrory** played his 400th game at Glenhuntly and went well.

**Old Scotch** suffered their second successive defeat when they were well beaten at Geelong. The home side more than doubled their score. This left **Uni. Blacks** and Geelong with one defeat each, 8 points ahead of **Old Scotch** (40) while **St. Bernard's** (138.6) were in the four on percentage from North Old Boys (110.00), both with 36 points.

The only undefeated team at this stage was **Coburg**, on top in 'A' Section, 8 points ahead of **Ormond**, second, who were 8 points ahead of **M.H.S.O.B.** third. **Caulfield Gramm.** (28), **Monash** (24) and **De La Salle** (20) were battling for fourth place.

After 13 games, **Rod McFarlane** (Coburg) was an top of goalkickers with 94 goals; others with big tallies were **Wood** (Ormond) 47 in 'A' Section; **Wayman** (Alph.) 71, **Morgan** (Uni. Blacks) 63, **Edwards** (Comm. Bank) 61, ('B' Section); **B. Davis** (U.H.S.O.B.) 63, ('C' Section); **Shannon** (St. Pat's) 57, **Formby** (A.M.P.) 52, ('D' Section); **P. Cavanagh** (S.S. Bank) 62 in ('E' Section).

## TWENTY YEARS AGO — 1960

Performances in later years proved **Coburg's** scribe a good judge: "**Graham Warfe**, Coburg Juniors wingman, turned in an excellent game against University last week. Although the youngest and smallest member of the side he played with the experience of a veteran." (Graham went on to lead Coburg to some great victories and to captain Victoria).

**De La Salle**, on top in 'B', went down (7.11) to **Kew**, (10.9) who were determined to hold on to fourth place.

Best were **Woods**, **Lumley**, **Snell** (Kew) and **O'Toole**, **Conway**, **Kelly** and **Dillon** (De La Salle).

**U. Blacks**, 5th in 'A' surprised leader **Collegians**, 10.13 to 8.7. Stars were **Whitford**, **Steer**, **Kuhlmann** (U.B.) and **G. Hibbins**, **Thompson**, **Jobling** (Coll.).

**Ormond**, struggling to stay in 'A', stayed with **Old Xaverians** (3rd) until the final minutes to go down 11.4 to 12.11. Best were: **O.X.: Sanders**, **G. Keogh**, **Storey**; **Orm.: Hatton**, **O'Connell**, **Burdekin**.

## THIRTY YEARS AGO — 1950

The round was played in appalling conditions, with grounds very muddy after heavy rain during the week, and showers during the afternoon making the ball greasy and hard to handle.

Top teams, **University Blacks** and **Old Melburnians** (2nd and 3rd) met, with Blacks giving O.M.'s a football lesson. Final scores were 20.12 to 5.4. Blacks had many fine players with **Meredith**, **Reid** and **Backhouse** the best while **Geoff Coleman** (first game) and **Des Dawson** continuing his great form, were outstanding for O.M.'s.

Top team, **Ormond**, met **University Blues** (fourth), and in the shocking conditions Ormond went away in the second half to win convincingly by 5 goals. **Jack Boland** was Ormond's best while **Geoff Sinclair** and **Graeme Cameron**, across the half-back line, were good players.

## COMEBACKS AT LA TROBE

In recent weeks, many **La Trobe** players have comebacks worthy of note. **Michael "Electric Legs" Butler** was moved to return to the side after a phone call from another ageing "rover" **John "I" lost my Lord Jim hairpiece in the shower "Solomon"**, after "**Toulouse**" had snaffled three goals in the one afternoon. After trying hard against **Old Mentone**, Mick cracked it for a bag of goals last week, and seemed headed for the one's. Also seen making appearances in the seniors are none less than the Archbishop, **Brendan Kelly**, who has shown glimpses of his class; **Rex Hardman** and his family; and **Peter Metz**. Incidentally, the masked man seen running around the oval last week was none other than our treasurer-extraordinaire, **Peter "Spanner" Gannon**, who took time off from balancing the books with his usual professionalism, to inform the coach that he was not available for selection "this week". Just as well another **La Trobe** ruckman reached "Peak" performance last week. And if you think that's sick, have a look on **Spanner's** face when he hands out a free beer . . .

## NOTICE

The Executive Committee has interviewed **Mr. Ian Cooper** (Hampton Rovers) with respect to advertising in which he has appeared in the press and on television.

It is completely satisfied that these advertisements do not infringe his amateur status as they were made prior to his re-instatement and without payment for his services.

# BALL BRIEFS

Having had an apprenticeship of some 38 games with the Under 19's, **Peter Salerno** has now played his 50th game in the Reserves at Kew. His speed and ability around the packs results in many goals and initiatives which leave the opposite flat. Peter we need another 50 and more games from you and congratulations for the first 50 so well played.

**Graeme "Joiner" Joynson**, resident artist, handyman and football superstar, has played his seventy-fifth game for **Monash Whites**. The Club thanks "Joiner" for inspiring the team last Saturday and we appreciate his help in bringing about our fifth victory.

Some three weeks ago, little "**Joey**" **Busutill** played his 50th game at Kew having achieved this just after he had risen from the Under 19's. His ability led him to play 22 games in 1979 Season and also to play in two grand finals of J2 and C Sections. He has been a consistent goal kicker and now as a regular Senior player he often ranks amongst the best each week. As a Sign writer his aim is to write his name in gold leaf somewhere around the Club rooms.
