## “NEW” SIDES MEET WITH INDIFFERENT SUCCESS

### SOME FINE INDIVIDUAL AND TEAM EFFORTS RECORDED

Jan Howard

Whilst the farming community may despair at the unseasonable weather over the past several weeks, these were certainly a boon for the opening matches of the 1980 V.A.F.A. Season. Hard dry grounds were definitely conducive to some very high scoring and accurate goalshooting. (They also contributed to some badly-blistered feet as many players were heard to lament!)

Scoring honours for the day must surely go to newcomers Thomastown (F and Junior 3). The three teams amassed over 500 points between them. A grand way to begin in a new Association. Peninsula Old Boys also burst into the V.A.F.A. with their two sides totalling over 360 points.

Three particularly noteworthy individual performances were also recorded. University Blues' full-forward Peter Karvelis booted 15 goals and Marcellin's Frazer 12 in A Section, whilst Old Geelong's (E Section) "recruit" John Butcher put through 11 of his side's 20.

The "new" sides to the various sections met with chequered success. In A Section Marcellin just went down to Uni. Blacks in a cliff-hanging match-of-the-day at Elsternwick Park.

These two sides have set a very high standard and it is to be hoped that future matches at E.P. can emulate this performance.

Other newcomer, A.J.A.X, fulfilled their wildest imaginings with a 13 goal win over Ivanhoe to mark their entry into 'A'.

Old Paradians and Old Scotch (B Section) showed from the outset that they are both keen to reverse their form of 1979, whilst Kew fought back after half-time to account for their ex-C Section compatriots, St. Kilda.

C Section saw only one of the "newies" successful. Old Haileyburians scored convincingly over St. Kevin's and are obviously keen to regain their lost position. Old Trinity and Melbourne High Old Boys were both comfortably beaten, but Bulleen-Templestowe made up considerable ground in the last-quarter

before finally being defeated by three points.

Similarly in D Section was only one new side victorious. Alphington recorded their first win for over a season with a third-quarter burst that left Country Colleges too far behind to bridge the gap. The other three — Old Ivanhoe, A.M.P. Society, and Beverley Hills — all played at home and were all defeated easily, by Heatherton, State Bank and Old Carey respectively.

Elsternwick and St. Pius both won in E Section, though the latter appeared to wilt badly in the last quarter. West Brunswick had halved their three-quarter time deficit at the final siren. Princes Hill trailed one of the Section's stronger '79 teams — North Brunswick — all day and were 5 goals down at full time.

Coolaroo Rovers, Peninsula O.B. and Thomastown each started its V.A.F.A. career well in F Section whilst St. John's O. C. and Banyule appear to be needing a little more time to settle in. Today's matches should give a better idea of the potential of each of these new teams.

## Editorial (continued)

Both Coburg and Kew found the **Junior Section One** competition far stiffer than that of 1979, when they went down to Old Haileyburians and North Old Boys respectively. The 'new' Melbourne University side seems to have benefited from the decision to field only one representative Junior team as they scored by 22 goals over Ivanhoe.

The late withdrawal of University Blacks and Geelong from **Junior Section Two** has caused what could best be described as major chaos. But this did not worry Marcellin who registered a 12 goal victory over their unexpected opponents in M.H.S.O.B. Bulleen-

Templestowe were not so fortunate in their encounter with Monash Blues, as were Old Scotch who again started the season with a disappointing performance.

The even later withdrawal of Beverley Hills from **Junior Section Three** virtually left Parkside without an opponent but it is expected that St. Bernard's will field a Second Junior team to maintain this Section "in toto". The three other newcomers to the Junior ranks — St. Kilda, St. Kevin's and Thomastown all started successfully and are obviously looking for big things from this season. Old Brighton proved they are determined to be a force this year as too did Banyule both of whom inflicted crushing defeats on their opposition.

## PREVIEWS — 1980

### A SECTION

The clash at Ormond today is between two teams that suffered heavy losses in their opening rounds **Ormond** and **North Old Boys**. Pearce, Morris and Merton are playing well for the "Monds" and the team will be getting fitter, but I think that the overall strength of North should just see out the day in a very even tussle. Borsch and Maguire will prove too strong for their Ormond opponents. North O.B. just.

**Marcellin O.C.** are at home to De La Salle. O.C. Marcellin last week kicked a "usually" winning score, and could do the same this week, especially with Frazer 'up front', but their back line will have to stay tighter if they are to keep the 'De La' boys out. De La Salle have all round strength and with Ruffolo, Calley and Peers all doing well near the goals, should prove too strong. Their combining and teamwork will again make them a force in 1980. De La Salle to win.

**AJAX** travel to the University to play **University Blues**. Uni. Blues crushed North O.B. last week and "Blues" coach Alan Salter must be reasonably pleased with the team.

Karvelis and Sleeman again started with their usual "goal getting gusto", and with Hindle, Dobbie and Wood playing well, Blues will again be hard to beat. AJAX on the other hand did acquit themselves very well last week and are going from strength to strength. Their speedy small men will worry the Blues and Korn, Komesarook and Rosner will certainly earn their fair share of the kicks. I feel however, that the more experienced and steadier Blues will win out on the day.

**Ivanhoe** play host to **University Blacks**. Ivanhoe last week had only a few good players and will have to pull up their socks if they are to beat the "Blacks". Ivanhoe are very hard to beat at home and there may be a gleam in "Idea's" eye late this afternoon, if a few more players can help Robertson, Toohey and Kilpatrick. Uni Blacks just scraped home last week and coach Ted Farrel will be looking for an improvement from his back-line. Blacks have a strong side but must put it together if they are to beat the 'Hoes' on their ground. In a close match Blacks just.

**Old Melburnians** play **St. Bernard's O.C.** at Fawkner Park. OM's were given a football display last week and should make amends for it this week. With Ian Cordner coming back, Brown, Pisarski and young Mike Waddington doing well the Saints will have their hands full.

St. Bernard's however, are playing better now and their fast game on the big ground will challenge the OM's.

Tambling is in form in front of goals and with "Wadey" showing form yet again, it will be a close struggle. In a very even game I will go for the home side.

**SELECTIONS:—**  
North O.B., De La Salle, University Blues, University Blacks, Old Melburnians.

Peter Roberson

### B SECTION

High scoring on a hot opening afternoon, was the order last Saturday. Today's round should help your intrepid tipster to gauge the relative strength of clubs.

**Kew**, whose play impressed me during the practice period, journey to Albert Park to meet **Caulfield Grammarians** who will be confident following their initial big win. Although the big ground and difference bounce will trouble Kew, I believe their overall talent will prove too much for Caulfield Grammarians.

**Parkside** faltered in the last quarter last week whereas their opposition today, **Collegians** had a 2 goal victory. For Parkside to win they must play out the game. Judging by coach **Welsh's** post-game comments last week, training would have rectified this situation. Parkside's reliable ruckman **Arnold** and recently returned Collegian **Cook** should have an interesting duel. Familiarity with the small Pitcher Park coupled with Parkside pluck should enable the 'Red Devils' to open their account.

The windswept Coghlan Oval is always a difficult venue for teams visiting **C.B.C. St. Kilda**. Today **Old Scotch** should encounter similar problems. Last week St. Kilda were not disgraced while losing to Kew while Scotch had five goals to spare against Fawkner. The Cardinals are a determined group this season and their overall skill plus dedication should see 'Laurie's Lads' ahead as the final siren sounds.

**Fawkner** await **Old Paradians** on the small Mutton Reserve ground. In their only previous appearance (1978) on this ground the Paradians scored a resounding victory. Last week the Paradian's resolution and fitness saw them to victory. On the other hand Fawkner failed by five goals at Yarra Park. Today I expect Paradians to prove too strong for Fawkner. However all their players must produce for a full hundred minutes to insure victory as Fawkner players will not easily wilt.

Two of last week's losers clash in Yarra Park when **Monash Blues** visit **Old Xaverians**. The Red and Blacks performance left a lot to be desired last Saturday. Maybe **Michael Green's** temperate training doesn't appeal or maybe too many Xaverians attended the Head of the River! As Monash Blues are team

building they have yet to reach their full potential. Today the Old Xaverians will prove too strong and emerge victorious.

**Selections: Kew, Parkside, Old Scotch, Old Paradians, Old Xaverians. NORM NUGENT**

### C SECTION

The disappointment of last Saturday secured by now has turned into a fierce determination to make amends today. Two of our games between the relegates from B Section and the promotees from D Section promise to be most exciting.

**Old Haileyburians** play host to **Bulleen-Templestowe** and their interstate representatives **John Houghton** and **Roger Paul** look like having a mixed season. John is putting in his normal reliable game while Roger is recovering from a knee injury and leading the side from the boundary. The visitors went down by a mere 3 points to Geelong last week and unfortunately will be disappointed again today.

**M.H.S. Old Boys** are at home to **Old Trinity Grammarians** and both sides have yet to win. M.H.S. had the same number of scoring shots as **Camberwell** last week while Trinity were well beaten by **Coburg**. On this basis I select M.H.S.

**Old Camberwell Grammarians** meet **Geelong** and both sides will be full of confidence after their victories last week. It seems like **Greg Nielsen** is in for another great season and with the advantage of **Queens Park** I am selecting Geelong.

While **Coburg** had a good win last week it looks like **Hampton Rovers** are off to a slow start again. The **Coburg** small men know how to play their ground and for this reason they are my selection.

If the accuracy of **Old Brighton Grammarians** continues they should have an easy win over **St. Kevin's O.B.** Perhaps **Ian Paroisi** could let us have some of that information he promised at "Chaucers".

Hopefully I can improve on the one correct selection from last week.

**SELECTIONS:— OLD HAILEYBURIANS, M.H.S.O.B., GEELONG, COBURG, OLD BRIGHTON. — PETER NATHAN**

### D SECTION

There were no real surprises in last week's round, the highlight being **Alphington's** first win since 1978.

There are several games today which should be good indicators to which sides will be the ones to beat this season.

The first of these is the one where **Power House** journeys to **Heatherton**, and going on last week's results this should be a very tight game. **Power House** scored a solid win against

**St. Bede's**, finishing full of running, whilst **Heatherton** after a good start against **Old Ivanhoe**, slowed in the second half, but still ran out winners. With nothing separating the sides, I will have a guess and select **Heatherton**.

...**Old Carey's** crushing win against **Beverley Hills** will be a great confidence builder for their clash against **Old Ivanhoe**, who will be flat out to make up for last week's defeat. It is very hard to see **Old Carey** losing this game on their home ground, but I will go against any logic and select **Old Ivanhoe** to win.

**Beverley Hills** have the unenviable task of playing **State Bank** at **Albert Park**. **State Bank** are harder to beat at home than most other sides, and they will be out to follow up last week's big win against **A.M.P.** with another today. I can not see **Beverley Hills** being able to come up after their mauling from **Old Carey** to trouble **State Bank** today.

**St. Bede's** and **Country Colleges**, both losers last week, clash in a very crucial game at **Beda Park**. **St. Bede's** put up a good performance against **Power House**, and **Country Colleges**, apart from a bad lapse in the third term, performed reasonably well against **Alphington**. Even though they are playing away, I will take a punt and select **Country Colleges** to win.

In the final game **A.M.P. Society** travel to the ground tucked behind the **Paper Mills**, where they face the rejuvenated **Alphington**, who appear to have made the recruiting coup of the year. Playing the aggressive **Alphington** at home, when they are in a winning mood, is a daunting prospect, and **A.M.P.** do not appear to be good enough at the moment to take the four points.

**SELECTIONS:— Heatherton, Old Ivanhoe, State Bank, Country Colleges, Alphington. WILLY PICKHAM**

### E SECTION

Like some of the teams I did not start the season very well. It has often been written that **University** teams are slow to start, but **La Trobe** proved this to be a fallacy with their fine win over **Bulleen-United**.

Wonderful weather for spectators, but very tiring and a great strain on players and umpires. The grounds were very hard. A few inches of rain this week would be most welcome, but not on Saturday.

**Mentone** hosts to **ANZ Bank** this week and judging on your last encounter with the **Bank** and your home ground you should win.

**Princes Hill** found the new grade a bit tough on Saturday, but this week have a home ground advantage and an opposition, **Bulleen-United**, that was torn about last week. You may just get home.

**U.H.S. Old Boys** up against the flag winners from **F Grade St. Pius**, and it appears your bad kicking let you down last week.

With improved kicking and home ground you will win.

**La Trobe** at home to **North Brunswick**, after last week's effort the **University** must be

## PREVIEWS (cont.)

adds on, or have **Bulleen United** lost last year's form.

**Old Geelong** under a new coach **Mike Perry**, and a new recruit they are trying out at full forward, hope to make some progress this year.

They are at home to **Thornbury** this week and should add another win.

**West Brunswick** and **Elsternwick** according to last year's results seem to be very evenly matched so the advantage will have to go to the home side.

**Selections:— Mentone, Princes Hill, U.H.S.O.B., La Trobe, Old Geelong, West Brunswick. NUGGET STEPHENS**

### F SECTION

**Commonwealth Bank v St. John's**. Two losers from last week; the **Bank** "done" comfortably by **Uni. Reds** and **St. John's** murdered by **Peninsula**.

The **Harry Trott** ground is not the easiest to encounter early in the season and I anticipate **C'wealth Bank** winning this one.

**Whites v Thomastown**. For centuries **White** tribes have been terrified by the **Northern** menace and I confidently predict another massacre.

**F.I.T. v Brunswick**. These two have played against each other in many sections over many years. **FITS** were not in last week's game against **Therry**, whilst **Brunswick** were beaten by good kicking for goal. I fancy **Brunswick** to open their account.

**Banyule v Clayton**. **Banyule** had the great misfortune to run into the northern menace for openers. I doubt if things could have been worse for them whilst **Clayton** had an easy win over last year's easybeats.

**Banyule** could win this if they realise that other teams have made similar starts in our competition and yet reached the heights of **A Section**. I could tell you of my first game which is a vivid memory still.

**Peninsula v Therry**: **Peninsula**, like **Thomastown**, has made a spectacular entry into the competition and would appear to have come to us with a ton of experienced players from the local competition. **Therry** have continued as of last year, a good team, but they will have to be very good this week. I doubt if **Peninsula** will find **Therry** any sort of pushover but should be able to win again.

**Coolaroo v Uni. Reds**. **Uni. Reds** had a good win over **C'wealth Bank** whilst **Coolaroo** beat **Brunswick** by kicking 20.8 which is first-class anywhere. I fancy that the **Reds** could get home in a close finish.

**Selections:— C'wealth Bank, Thomastown, Brunswick, Banyule, Peninsula, Uni. Reds. SYD WHITFIELD**

## JUNIOR SECTION 1

The opening round of the season saw spirited competition between all teams. The good efforts by all sides promise well for the section during the year.

This week sees two of the losing sides **De La Salle** and **Ivanhoe** clash. Both teams will be anxious to atone for their losses, but I fancy the stronger, **Ivanhoe** will carry the day.

**Kew** and **Coburg** meet in what will be a very interesting struggle between two district sides. The game is sure to be hard with both teams fired with determination to win following first match defeats.

I feel this will be a close and thrilling game but **Kew** should just take the points.

**Hampton Rovers** play **St. Bernard's** at home. Smarting from their loss they will certainly provide the **Saints** with stern opposition.

**St. Bernard's** had a good win at home and should make it two in a row in what will be a hard tussle.

**Old Haileyburians** and **Ormond** both successful last Saturday meet in what should be an interesting match at **Keysborough**. I believe the home side's greater pace and local knowledge will carry the day.

**Melbourne Uni.** do battle with **North Old Boys** at the **University's** ground. This should be a fast and high-scoring game. Probably the best of the round. **North Old Boys'** marking ability and desire to win should enable them to succeed.

**Selections:— Ivanhoe, Kew, St. Bernard's, Old Haileyburians, North Old Boys.**

**MICHAEL ARNOLD**

## JUNIOR SECTION 2

Well two winners out of five is a fairly ineligious start. At least it does provide some clues as to who the form sides might be.

**Bulleen-Templestowe** and **Fawcner** clash. Both were first-up losers and another loss today could put one side in a difficult position so early in the season. I predict that **Fawcner** will find themselves in this embarrassing position after today's game.

**Marcellin** started the season well last week and I expect that they will continue on their winning way at the expense of a very disappointing **Old Scotch**.

**West Brunswick** and **M.H.S.O.B.** were both crushed last week in their opening encounters. Today I would consider that the home side, **West Brunswick**, will probably have their best chance for the season to break the ice.

**Therry** and **Monash** were both convincing first-round winners. The **Therry** boys thought I was mad (like everybody else) when I told them at the "P, S & M Dinner", that

## PREVIEWS (cont.)

Old Scotch would beat them first up. Well we all make mistakes so I'll eat crow and jump back on the bandwagon. So, today, I'll select Therry because the Monash boys will probably be worn out by the time they get to Oak Park.

Another pair of first-game winners will clash at Bundoora. Caulfield Grammarian's performance certainly surprised me. I hope it is an indication of better things to come. However, Old Paradians are always hard to toss at home and I'll give them the benefit of my selection this week.

**SELECTIONS:**— Bulleen-Templestowe, Marcellin, West Brunswick, Therry, Old Paradians  
**RON HANCOX**

### JUNIOR SECTION 3

Generally last week's matches were somewhat one-sided; but today's games should give a better indication as to which sides shall be the "strengths" this season.

Old Brighton Gram. after their win last week, travel to St. Bernard's today and will be keen to maintain their big percentage with a win over the hastily-convened side that has stepped into the gap left by the withdrawal of Beverley Hills in the week prior to St. Bernard's (B) some time to settle in Old Brighton should win handsomely again.

Both Old Ivanhoe and St. Pius disappointed last week and today's encounter should be a real struggle. For no real reason (except maybe sentiment!) I am selecting the visitors to open their account.

Heatherton were perhaps a little unlucky last week but should make amends today when they visit Power House.

Although not amongst the highest scorers last Saturday St. Kevin's did record a solid win away from home. Their home-ground knowledge today should be sufficient for them to overcome St. Kilda.

Banyule won easily last week whereas Clayton suffered a confidence-crushing defeat. Even playing at home today will not bolster them sufficiently to win.

The Thomastown v Parkside match is difficult to pick as the visitors are virtually "untried". This lack of match practice together with Thomastown's local knowledge should enable them to record their second win.

**SELECTIONS:**— Old Brighton, St. Pius, Heatherton, St. Kevin's, Banyule, Thomastown  
**RAY IRVING**

## BALL BRIEF

What a start for A.J.A.X. in A Grade last week. Congratulations to Sid Myers and his boys on a superb performance against Ivanhoe. The unfurling of the B Grade flag and the opening of the Godfrey Cohen Sports Pavilion was all A.J.A.X. needed to start it off in the 80's.

## "SCORES" Phone Number

The only number for the phoning of scores for the remainder of the season is

### 379 8171

Please follow "pattern" given below when calling and please do not ask for other match results. The number of calls to be handled on one line makes it impossible for the "scribe" to waste time on unnecessarily long calls.

Make your call early — the phone is manned from 1.30 p.m. So save your own time by calling as soon as the match is over — especially Reserve Section sides.

**RESERVE SECTION RESULTS** — These must be phoned to the above number before 3.00 p.m.

**SENIOR AND JUNIOR SECTION RESULTS** — These must be phoned to above number before 5.00 p.m. A fine will be incurred after this time. If results are not received by 5.30 p.m., a further fine will be imposed.

When phoning scores, please follow this pattern:—

- the Section concerned
- teams playing
- winning team
- actual scores — winner first.

Check with BOTH goal umpires before ringing. Incorrect scores equal a fine!

The phoning of all scores is the responsibility of the HOME CLUB.

## BALL BRIEF

**100 GAMES TO ST. KEVIN'S CAPTAIN.** Congratulations to John "Ol" Oile who plays his 100th today. John's inspirational play in the centre has this year been rewarded with the captaincy. John has the ability to lift the team with his strength and determination. He won the Best and Fairest in 1977 and has always featured strongly in other years. All at St. Kevin's wish John well in his first year as Captain.

## BALL BRIEF

### 150th FOR KEW STALWART

Always in the centre of things, **Bruce Smith**, played his 150th game last week for Kew. Having been Best and Fairest for several years Bruce is best known for his continual drive around the packs and his uncanny ability of kicking a goal just when it's needed most. He has been Social Committee Chairman for 2 years and Vice Captain of the Senior Team and repeatedly ranks amongst the best players each week. His 150 games for Kew have been valuable and as his age matures so does his strength and inspiration that he gives to Kew. Kew wish him well for his next 100 games.

Foundation member of the club, **Gus Mitchell**, had been appointed senior coach of **St. Bernard's**, capping off a career including club best and fairest and captain.

# UMPIRES' CORNER

At the 1980 Annual Meeting the Umpires' Association elected the following office-bearers for the coming year:

President: **Don Hillier**

Vice-President: **Jim Peters**

Secretary: **Richard Tracey**

Treasurer: **Michael Woodruff**

Assistant Secretary: **Brian Goodman**

Social Secretary: **Ray Muller**

Executive: **Collin Wills, Daryl Hill, Robert Croxford**

It is many years since the Association's two senior positions have been held by goal umpires. It is a tribute to the contribution made by these men to V.A.F.A. football. Too often they are forgotten men in the umpiring team.

## TRAINING VISITS

One of the innovations to be introduced this year is visits to clubs by umpires during weekly training sessions. The idea is that umpires will train with players and be available to assist with match practice and ruck work. It will also put a "human face" on the men in white and build friendship and co-operation between players and umpires. The umpires are looking forward to meeting players from all clubs in the course of the year and to participating in a different kind of physical training.

## MINI-LIGHTING PREMIERSHIP TO START SEASON

Prior to the commencement of the season 3 neighbouring clubs were invited to participate in practice games with North Brunswick at Allard Park, Donald Street, East Brunswick. These games took the shape of a lightning premiership and consisted of 2 halves of 15 minutes each. In the opinion of club officials this was a unique event in Brunswick because the games commenced about 6.45 p.m., and were played under lights recently installed by the Brunswick Council. Basically the lights were installed for practise purposes but it was proved possible that matches could be played. The competing teams were: — West Brunswick — E Section, Brunswick — F Section and North Brunswick & Latrobe University — E Section. As a matter of interest the scores were:—

West Brunswick	2.4-16
Brunswick	0.4 - 4
North Brunswick	3.7-25
Latrobe University	1.3 - 9
Brunswick	5.4-34
Latrobe University	0.0 - 0
North Brunswick	4.2-26
West Brunswick	2.4-16

The officiating umpires at the games commented that, in their opinion, it was an excellent way to start the season and a good way of making friends. They also added that they would like to see it continued next year in an enlarged form.

## BALL BRIEFS

**"100 GAMES TO THORNBURY LEADER"**  
Thornbury today pays tribute to our "Number 1 Son", Captain and Coach Trevor Greenwood. Trevor would have to be one of the most talented players to ever lace up a pair of boots in the V.A.F.A. He can turn on a sixpence as well as put a stab pass on a teammates chest from 40 metres away. Best of luck today Trevor and may we see another fantastic 100 games.

**OLD HAILEYBURY RUCKMAN'S CENTURY**  
Today is a major milestone in the football career of Old Haileybury's Michael Houston, alias "The Mountain", as he plays his 100th game for the club. Since the start of his career in 1974, he has played mostly in the Firsts, where he has been a forward/ruckman. With his ability to take the big mark in a pack, and normally a lovely kick, he is a very handy player around the goals. Well done, Michael, and congratulations from everyone at Old Haileybury.
