## ORMOND JUST FAIL — COLLEGIANS AGAIN — IVANHOE TOO STRONG

University Blues just managed to hold off Ormond and score by one point in an even and entertaining game at the Beaurepaire oval. Naylor gave the visitors a great last quarter in a game they should have won, but its two out of two for Blues and their match today against Old Scotch will be another significant test for both sides.

Collegians continued on their winning way against De La Salle. After an even first half the "Lions" proved too pacy and skilful for their visitors and now loom as one of the main threats in A Section.

Ivanhoe were too strong. North have got to break the ice and coach Terry Scanlon will be as worried as his rival Gerrard Shally in today's big game against Old Xaverians who are also without a win.

Old Scotch showing great desire and relishing the width of the Seven at Ovals showed some of the form expected of them, and as a very even combination led the Xavs all day.

Marcellin opened their account at the expense of a pathetic display by Old Melburnians who are sure to have paid for it on the training track this week. The win, a personal triumph for replacement coach, Mick Butler will lift the confidence of the 'Eagles' and give them a real chance today against Ormond.

In B Section Bulleen Templestowe brought Alphington back to the field with a fine win in a high scoring game. Old Paradians had ten goals to spare against Monash, whilst Kew came from behind to record its second win — this time against the Blacks. Old Camberwell bounced back well from their drubbing last week and repeated their C Section Grand Final win against Coburg who have now lost both games.

St. Bernard's surprised A.J.A.X. and ran out comfortable winners.

Caulfield Grammarians moved to top place in C Section with a big win over Old Brighton, due in no small way to full forward David Matthews who kicked 12 goals. St. Pius opened up a 5 goal break on St. Kevin's and clung on tenaciously for the 4 points which sees them as the only other undefeated side. Old Brighton and Melbourne High School are yet to break the ice.

In 'D' Section, Old Ivanhoe Grammarians and North Brunswick registered the first drawn match of the season whilst Terry is the clear leader as Fawknor have had the advantage of the Bye.

In 'E' Section three sides Thomastown, a vastly improved Balaclava and Peninsula O.B. remain

undefeated with Old Carey losing narrowly for the second week running.

Four sides share top place in 'F' Section, three of which Commonwealth Bank, Old Geelong and Clayton have had huge wins in both games as the percentages attest. The moment of truth will arrive this afternoon for either Clayton or Old Geelong in the 'F' Section "Match of the Day".

In U.19 Premier Division Old Scotch recorded a rather worthy win finishing too strongly for the students and St. Bernard's headed North O.B. all day winning by two goals in an inaccurate display.

U.19 Zone 1 shows Marcellin on top from Kew. Preston kicked away any chance of its first Amateur win whilst Fawknor had a form reversal at the expense of Williamstown.

In Zone 2 Old Melburnians had a huge win over Old Brighton who are possibly short of a run, having received a forfeit in round one. Old Xavs. kicked the sweep against Melbourne High. Hampton Rovers came from behind to down Monash Blues and St. Kilda CBCOC moved to top spot after defeating Old Camberwell by more than 23 goals.

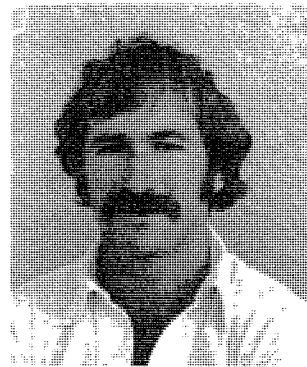

Full marks to John Pierdue and Collegians for their endeavours in fielding an U.19 side in Zone 2 last week. Collegians have replaced Caulfield Grammarians, a late withdrawal, and even though defeated, put in a creditable performance. John was coach, goal-umpire, time keeper and team manager and hopefully will have a trifle more "off" field support this week.

Michael "Tommy" Butler has been appointed coach of Marcellin O.C. replacing Peter O'Donohue who has retired on Doctor's advice. Peter has been an ornament to the Amateur game and has coached Uni. Blacks (1974 A Section Premiers), Old Melburnians, Marcellin and the State. All associated with Amateur football wish Peter the very best in his "enforced retirement".

Michael Butler is a fine choice as his replacement. He holds the record of games played at Marcellin (207) and has had experience coaching the Reserves and Thomastown High in the Herald Shield. A player who as Captain led by example, Michael will bring discipline, dedication and devotion to football at Marcellin.

Umpires come in for plenty of criticism each week, however coach John Moss is urging the clubs to invite umpires to attend training each week. This is an ideal opportunity for the players and coaching staff to get to know the "men in white".

I wonder how many players really do know the correct interpretation of the laws of the game?

200 TO A.J.A.X. STAR

All at A.J.A.X. congratulates **Barry Markoff** on his 200th game this week against Alphington. **Barry** joined the Club in 1971 and has been a star for most of his career. He has played in every grade from E Grade to A Grade and has been one of the players responsible for the Club's rise up the grades. **Barry** has played in many positions including Wing and half-forward but he has now settled down as the Club's back pocket and is playing great football. **Barry** is famous in the Amateurs as author of the book "The Road to A Grade" which traces the history and activities of the A.J.A.X. Club in great detail. He was awarded Hon. Life membership of the Club in 1979 and has been the winner of numerous Club awards. His achievements both on and off the field have made him a true champion and one the Club is very proud to be associated with. Congratulations **Barry** on your achievement!!!

### NEW COACH AT A.J.A.X.

Congratulations to new A.J.A.X. coach, "**Salad**" **David Dressing** on his fine debut with the club last week. Good players make a good coach, but in this case **David** has marked hard on the young players and has given them every opportunity to show their talent. The boys came up with a courageous win which should see a successful season for the new coach.

Congratulations to **Ferret Phil Aarons** on his first win as coach of the A.J.A.X. Reserves team. It is 2½ years since A.J.A.X. Reserves won their last game, and late 1979 since the club double was achieved. A big thrill for **Phil** and for his perseverance with the youngsters at the club over the past 2 years. 1983 should see the rewards of this hard work.

### 50'S NIGHT AT OLD PARADIANS

Old Paradians supporters are reminded about tonight's function. It is a "50's Night" to be held at the College Hall starting at 8 p.m. Admission is \$6 which covers a light supper and entertainment. Refreshments will be available. So Grease on out to Rock and Roll the night away.

Personal congratulations are offered to 4 players at Old Paradians who reached major personal milestones. Three became engaged — **Dom Spillane** to **Carol**, **Tony Hewitt** to **Lee-anne** and **Bren Considine** to **Sue** — and **Vin** and **Brenda Considine** commenced a new generation with the birth of **Luke Thomas**. We are already buying tape for him.

### OLD CAMBERWELL SOCIALITY

All at Old Camberwell congratulate **Peter "Killer" Buchanan** on playing his 100th game against Alphington last week. It was his comeback game after early retirement in season 1981 — "The Killer" always returns to the scene of the crime". **Peter** joined "The Wells" in 1975 and would have reached this milestone but for this early retirement and a successful season playing amateur football in W.A. in 1979. A skilful footballer who is a strong mark and a long and accurate kick, "Killer" has played mostly on the forward line where he has put in many fine performances for Old Camberwell. But like most talented footballers of the modern era **Peter** has the ability to play in several other positions thus giving his coach the much needed flexibility in team deployment. "Killer" was a member of our 1978 D Section premiership side — in that final series he combined with his brother **Greg "Igor" Buchanan** to give Old Camberwell a winning forward line. Well done **Peter** and we look forward to many more great games.

All supporters, past players and committeemen are invited to come down Old Camberwell's home ground at Gordon Barnard Oval, North Balwyn to celebrate the unfurling of our 1982 C Section Premiership flag before the game against Bulleen-Templestowe on the 23rd April 1983. A BBQ with refreshments available will be held after the match.

### COLLEGIANS NEWS

Collegians Football Club formally welcomes all those players who wore the Purple and the Gold for the first time last Saturday and, without exception, congratulates them on a fine "first up" performance.

New Lions **Tony Griffiths**, **Scott Robinson**, **Andrew Shimmin** and **Andrew Wright** led the way in the seniors superb victory over last years premiers North Old Boys while in the Reserves **Nick Pike**, **Tackers Tierney**, **Peter Tadgell** and **Phil Crutchfield** did exceptionally well in a winning team.

Sadly the Thirds were pipped at the post by De La Salle O.C. but not through the fault of new boys **Jason Stephens**, **Nankers Nancarrow**, **Chris Fone**, **Ernie Medina**, **Eugen Grbac**, **Geoff English**, **Mark Tuck** and **'Hot Pepper'**, otherwise known as **Mark Davis**.

All Collegians were delighted too with the return to the fray of 'Drugs' Woodfull, 'Joey' Pitman, 'Sangers' Sanguinetti, **Craig Stephens** and **John Etherington**, all of whom were absent last season.

Well done boys. The future of Collegians Football Club looks to be assured, at least in the short term.

### 50 AT PARKSIDE

All Parkside players and supporters congratulate our dashing rover **Greg 'Griffo' Griffiths** on playing his 50th game for the Red Devils against St. Kilda C.B.C. last week. **Griffo** started with our juniors in 1980. His ability was soon noticed by the amateur umpires where he finished 2nd Best & Fairest in the junior comp. On progressing to the seniors, **Griffo** although small in stature, but big in courage, finished the 1982 season with the big double, D Grade V.A.F.A. Best & Fairest and a fine player in our winning grand final side. Congratulations **Griffo** on being a great Parksider.

### WE WERE WRONG

In last week's edition of the Amateur Footballer, the Premiership Tables incorrectly listed Parkside in both C & D sections and omitted Fawknor altogether. Similarly, in U.19 Premier Division and A Section Reserves Ivanhoe was incorrectly tabled as Ivanhoe Grammarians. Apologies to the Clubs concerned — Ed.

## F.I.T.F.C. RESERVES COACH

We are pleased to report our 1982 reserves coach, **Wayne Taylor** has notched up his 50th game with our club.

Wayne commenced his career with Footscray Institute of Technology Football Club in 1980. Prior to this, he completed 34 games with National Bank. Known to his mates as "Tails", this player has put in many sterling games as a rover in the last three seasons.

"Tails" has been instrumental in aiding the club, both as a player and a coach, and also on the administrative side.

We also extend congratulations to our new players who played their first senior game last week: **Peter Clarke, Phil Spurrell, Mal Godkin, Andrew Lasces, Darren Tanner** and **Ray Narkizwicz**. We hope these players have a long and successful career with the "Techers".

**Steve Peacock, Tony Firth, Brian Munn** and **Bernie Monagle** achieved the same honour with our reserves team.

## OLD CAREY

Stalwart defender **Mick Rooney** plays his 100th game for Old Carey today. Many an opposition forward has felt the presence of the "Red Headed Shadow" whose enthusiasm and dedication combined with good old fashioned G & D on the playing field has been an inspiration to the club. Great clubmen like Mick are a credit to the game and all at Old Carey wish him the very best for today, and we look forward to many more games from Mick — perhaps another ton?

## 50 GAMES AT OLD PARADIANS

Round 1 marked the half century of matches for one of Old Paradians' favourite sons, Brian "Chopper" Grills. Since his debut in 1979, "Chopper" has led our rucks in dashing style making our rovers' task that much easier. Well done, "Choppers" from all at Old Paradians. We look forward to many more seasons of tap outs and spectacular marking.

## LOOKING BACK

### ROUND 3 — 5 YEARS AGO

B Section coaches were **Tony Holloway** (Coburg), **Chris Roach** (Coll.), **John Russell** (Fawk.), **J. Thomas** (Monash), **Michael Poster** (Old Hailey.), **Peter McLean** (Old Melb.), **Brendan Danaher** (Old Parad.), **David Barclay** (Old Trin.), **Ern McKeever** (Parkside).

Ormond, 5 goals up against U. Blues at half time, were gradually overhauled by Blues who got up to win by one point, 18.14 to 18.13. Best were **Trumble, Yeo, Dohbie** (U. Blues) and **Murphy** (Interstate Selector 1983) Grump (10 goals), **Dove** (Ormond).

In a high scoring C Section battle, **Alphington's** straight kicking, 24.8 was too much for **Hampton Rovers** 16.18. Best: **Hale, G. Candy, Jamieson, Bromley** (11 goals) (Alph.) and **Rowston, Stevens, Blair** (H. Rovers).

A Section umpires were **Mead, Rowe, Hill, Hindle, Sharpe, Fletcher, G.M. Simpson, Goodman, Rowell** and **Feld**.

The shy **Power House** recruit of 1956, **John Yallowe**, **Peter Hutchinson**, 1981-1982 coach of State team against Tasmania, coached **Old Camberwell Grammarians** against his old team, headed by **Rick Sykes**, who had returned from his visit to the "Promised Land" with De La Salle, 5 goals from **Rick Sykes** were not enough, and **Old Camberwell** triumphed 18.6 to 12.21. Best: **Hanson, Spencer, Williams** (Old C) and **Rigby, Newton, Evans** (Power H.).

### 10 YEARS AGO — 1973

North scraped home by 2 points from **Caulfield Grammarians**. North led by 46 points at quarter time and then scored only 26 points in the last three terms. Caulfield rattled home and lost the game due to inaccuracy kicking 2.7 in the final term. Best were **Curley, S. Maguire, Welch** (North) and **Clark, McNicol, Miller** (Caulfield).

One hundred games to **Roger Corfield** (AMP), **John Rojo** (Ivanhoe), **Mick Maloney** (St. Bernard's), **Colin Kinnear** (U.H.S.O.B.), **Fred Tuininga** (Reservoir O.B.), **Guy Sceney** (La Trobe) and 200 to **Bill McNamara** (Parkside).

It was a proud moment for all at Geelong when **Mrs. Jim Fidge**, wife of the President, unfurled the 1972 'B' Section premiers pennant, which had taken them into 'A' Section for the first time in 23 years.

Lowest scoring team for the day was **Old Xaverians** (D) who could only manage 41 points to **Old Melburnians**, 23.17.155. **Rudd, Weir** and **Collier** were stars for O.M.'s.

### 15 YEARS AGO — 1968

**Keith Harris** played his 200th game for **Alphington** to be the first in the club's history to do so.

Another to chalk up 200 was **Vin Pilkington**, Reserve's coach of **De La Salle**.

# BALL BRIEFS

## HOWE'S 50 FOR THE BEDAS

**Rod 'Rocket' Howe** recently played his 50th game for the Bedas. Rod played his first game with the Bedas in 1978 but then joined Prahran in 1980 and Ormond 1981. He then returned to the Bedas in 1982. Rod has been elected captain for season 1983 and his courage both in the air and on the ground burrowing for the ball has set a fine example for players around him. Congratulations Rod and lets have another 50 games like the first 50.

Old Xaverian supporters were pleased to see **Jamie Morrissey** at the game against Ivanhoe last week. Hawthorn have secured Jamie this season and we wish him every success. Jamie had a great year in 1982 making the under age amateur game against the V.F.A. and with **Danny Corcoran** polled excellently in the A grade best and fairest.

## 200 GAMES AT NORTH BRUNSWICK

When **Peter Fox** of the North Brunswick Football Club took the field last Saturday against Ivanhoe Grammarians, it marked the celebration of his 200th Senior game for his club. Peter joined North in their foundation year in 1970, and played in the Metropolitan Football League. The following year North Brunswick joined the Amateur competition, which started a long association with the Amateurs for him. Peter has shown great ability both as a player and administrator. In 1970, the initial year, he won the Club's Best and Fairest, a feat he was to repeat again in 1981. This was a mighty effort of consistency after years of good football. He also had the honour of being captain of the team at his club's first premierships pennant of "F" grade in 1974. In the role of administrator, he has served North for many years as a committeeman and vice president, and has held the position of V.A.F.A. delegate for a long period. Peter has been well supported in his chosen career by his wife Gayle and sons Craig and Darren who have rarely missed one of his games. Both boys have played with North throughout their junior years, and Craig now plays alongside his father in the Seniors.

Peter Fox, North Brunswick congratulates you, and owes you a debt of gratitude for your many years of discipline, dedication and the ability through personal example to encourage and inspire the teammates around you.

## 50 GAMES AT THORNBURY

Congratulations to **Dave Castagnini** on playing his 50th game today. Dave goes out each week to do his best, he's a very consistent and determined player and is also a great supporter for our club. Keep the good work up, from all at Thornbury.

## 50 GAMES AT ALPHINGTON

All at Alphington congratulate **Graham Lenthal** on playing his 50th game today. This is Graham's fourth year with the Toners. Well done Army.

## 300 GAMES AT WEST BRUNSWICK

**Bernie Curtin** of West Brunswick today achieves his milestone of football greatness on playing his 300th game. Bernie, well known in amateur circles, started his career with West, moved on to Comm. Bank, then on to Monash Univ. for career studies. He played with both Blues and Whites, only to return to his mother club West Brunswick. Bernie having played in most amateur grades, would have made great friendships over many seasons of football. So along with these players, plus West's Players Committee and Supporters, wish him well in his game today.

## BATTLE OF THE BROTHERS

**Michael** and **Henry Ritterman** were opposing captains in the B grade St. Bernard's v A.J.A.X. match last Saturday. They had been teammates until last season when Michael transferred to St. Bernard's as captain-coach. Both players have been amateur players for many years, winning many individual awards and premierships with A.J.A.X. Michael who is now endeavouring to lead St. Bernard's back to A grade was a great player in his teams' resounding victory on Saturday. Henry also played well for A.J.A.X. Congratulations to two fine sportsmen.

## 50 GAMES AT BALACLAVA

A belated congratulations to **Wayne Lotherington** and **Bernie Rafferty** on their 50th games, from players and supporters at Balaclava. Wayne is a senior utility player who shows many an opposition player a clean pair of heels. Wayne is also doing a great job as secretary of the club. Bernie is a senior player who can destroy opposition teams with towering marks around the ground and long raking punt kicks. His great sense of fashion makes him a very colourful character around the clubrooms. Well done fellows, the club looks forward to many great games from both of you.

## 250 TO TONNERS NO. 1

**Old Brighton's Barry Hamilton** took to the field for his 250th game last Saturday against Old Caulfield. The familiar No. 1 may not be chief goal sneak for the senior side anymore, but he is still making his presence felt in the Ressies.

Barry has been a stirring clubman over the years and he has won two Reserve Best & Fairest awards. He was a member of each of the clubs senior premierships teams and last year captain-coached the reserves.

By pulling on the boots twice more, Barry will create a new club record but the Tonners know that he is aiming for that big 300. Congratulations Bud.

## 50 GAMES FOR TWO DRAGONS

All at Clayton Amateurs would like to congratulate **Stephen Cooper** and **Mark Luxa** on reaching there 50 games. Well done fellas.

## TWO MILESTONES AT OLD MENTONIANS

The Committee, Players and Supporters would like to sincerely congratulate **Mike "Sticky" Durack** on reaching his 100th game. Mike has been actively involved in the Club since it joined the V.A.F.A. in 1968 and has acted as a vice-president for many of those years. Mike is a life member of the O.M.F.C. and in 1982 received a merit award from the V.A.F.A. for outstanding service to amateur football. During the life of the Club, Mike has truly figured as its back-bone and he is a perfect example of the dedication and attitude that is necessary to make a club successful. Well done and thankyou.

Congratulations are also due to **Doug Ferrari** on reaching his 50th game at O.M.F.C. and we wish Doug the best of luck for today's match and all his future games with the O.M.F.C. Doug has gained much respect from his teammates by his showing of that competitive attitude and determination which has made Doug the clubman that he is. Well done Doug.

## TWO 50'S AT ELSTERNWICK

Congratulations to **Peter Ritchie** and **Mick Batchelor** who today play their 50th games. Both came originally from the country, off the field both are quiet, gentlemanly types (although 'Batch' has been known to become rather aggressive after a few ales) and both have played most of their games in the reserves with occasional runs in the seniors.

Peter, who won the Best Clubman trophy in 1982 and is now a committeeman, is a tremendous clubman and great worker for the club. His football skills have improved greatly and he is now pressing for a regular senior game.

Mick has been a strong defender in the reserves without, so far, being able to make the improvement necessary to become a regular senior player. But this year Mick is training more and should make the grade.

Congratulations to you both, from all at Elsternwick.

## TON UP TECHER

F.I.T.O.B. would like to congratulate **Chris White** on his 100th senior game this week. Chris is the perfect example to the Club's "young brigade" with his on and off field dedication. Many an opponent has been dazzled by Chris' speed and agility and judging by two good games so far, the best advice we can give is "watch out wingers, Whitey's gunna getcha!"

## COMMONWEALTH BANK MILESTONES

All at Commonwealth Bank congratulate **Phil O'Keefe** on playing his 50th senior game for the club last week. Phil joined the Bankers in 1980 from Warrnambool and soon stamped himself as an exciting prospect with his spectacular and sure marking and his ruck work around the ground. He has continued to improve with every game and this year his efforts were rewarded when he was appointed senior vice captain. Off the field, Phil has been known to treat anybody prepared to listen to impromptu singing performances, and perhaps more importantly has been a hard-working member of the social committee. Congratulations again Phil on this first milestone and all at the Bank look forward to your next 50.

Similarly our best wishes go to **Bill Murfitt** who today plays his 50th club game for the Bank. Bill who also hails from Warrnambool, joined the club in 1979. Although not big in stature, Bill has always displayed great courage and tenacity and thoroughly deserved his appointment this year as vice-captain of the reserve side. Congratulations on your first 50 Bill and lets hope the next 50 does not take quite as long.

## 150 GAMES FOR M.H.S.O.B. VETERAN

The Committee, Coaches, Players and all Supporters at Melbourne High School Old Boys Amateur Football Club join in saluting popular **Ken Hutton** on reaching the milestone of 150 games today against St. Pius.

Ken has now worn his familiar No. 53 around the packs for M.H.S.O.B. for many years — his first official game, according to our ever reliable record books, being in 1971 under Senior Coach **Keith Marshall**. Ken is noted for his left foot drop punt passes down the throat of the expectant full forward and in earlier days his speed and tenacity down the wing were a pleasure to watch. Ken, a quiet and unassuming clubman had an excellent 1982 season finishing runner-up in the Reserves Best and Fairest Award and being presented with the Reserves most determined award.

Ken, a previous B & F award winner in 1980, is a very valued member of our club and can always be relied on to kick an impossible angle goal or lift the team when we are down. Ken occasionally even experiments with a right foot kick which brings a smile to the face of supporters and coaches alike.

Ken's attitude of "keeping on keeping on" will hopefully realise another ambition, that of reaching 200 games. We hope Ken and his wife, **Jo**, are around at M.H.S.O.B. for many years to come as his dedicated and loyal attitude to the Club can only serve to enthuse and encourage our younger players to devote themselves to our great Club and get as much enjoyment out of football as Ken Hutton has. Well done Ken.

## COMEBACK AT THORNBURY

Everyone at Thornbury would like to congratulate **Darren Bromley** for his gutsy comeback this season after a bad injury that has kept him out for a couple of seasons and has this season returned more determined than ever and is playing his 50th game this week. Again, well done Darren and we all hope to see you make that magic ton.

## 50 GAMES AT UNIVERSITY BLACKS

Popular Blacks player, **David Hays**, the man who loves to go for a run and let the opponents and all

know celebrated his 50th game for the Club last week by leading the Reserve side to a 28 point victory over Kew.

## 100 GAMES AT THORNBURY

All at Thornbury would like to congratulate (**Bear**) **Michael Flanagan** for playing his 100th game last week. Bear in recent years has been one of our most successful ruckmen and a prolific ball getter. The way he break's through the packs, and heads straight for goals, just shows how valuable he is to our Club. "Well done Bear".
