

# Foster's Lager-**A symbol of Australia** for almost a century.

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore. It's by far the biggest selling

Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

# Australia's favourite beer.

**A Section Review** 

# by Ross Booth

At the half way mark of the season, it looks verv difficult to predict the four. Any of the top six could make it but **De La** appear to be losing touch and even hough the **Blues** are playing well they have a lot of around to make up.

scotch took over top position when they beat Collegians by 9 points at Harry Trott. Collegians started well and led by 16 points at quarter time, but started well and led by 16 points at quarter time, but Scotch kicked the first 5 goals in the second quarter and led by 14 points at one stage though Collegians fought back to trail by just 1 point at half time. Both sides added 5 goals in a good third quarter and Collegians regained the lead three quarter time, by 3 points. It was nip and tuck in the last quarter but 2 goals in the last few minutes gave Scotch victory. Andy Smith had a good day in the centre for Scotch and Fergus Kiel had the better of Tim Bennett, even though Kieh Parsons. Collegians best were defenders Greg Parsons, who played a great game, and Andrew Wright. Another good player was tall wingman Jeremy Schmidt. It was a very enjoyable game to watch and could have gone either way. Both had players missing; Collegians were missing Herman and Keith Parsons with injury and Scotch were without Sherwen and Thompson, Marx did his hamstring and Mason was unavailable. Another significant return was that of scotch forward Scott Nelson — he could be a big asset for them.

In the replay of last year's grand final at Elsternwick, Ormond tuned the tables on De La Salle by 41 points. Mark McDonald had the better of Mick Deveson and finished with 4 goals. Geoff Singleton got 6 at full forward and was given his opportunities by **Boy anton**, **Sutherland and Eishold**, all on ball players. **Ritchie** and **Beard** defended well. **Shane Murphy** starred for De La and kicked 5 goals and Mick Green continued his good comeback in the ruck .Hill and McDonnell were steady across the centre but overall De La were quite disappointing.

The upset of the day was up at the University where the Blues trounced third placed Ivanhoe by 69 points. Full forward Mary Ty quin starred with 9 goals and the Blues had other good half forwards in Roger Curnow and Don McInnes. Grutzner continues to impress in the ruck and Tim Carey was solid in defence. Alan Salter would not have enjoyed the return to the University but he was gracious in defeat and told the Blues that he could not understand their lowly position on the ladder. His better players were ruckman Wally Dulevskis, wingman Tim Donohue and half backs Greg Cameron and Tony Course.

Old Xaverians ran out of time and failed by just 3 points to upset Bulleen Templestowe. Bulleen's greater accuracy and earlier ascendency proved just enough. Bullants Stephen Pace was again on target with six goals and Steve Curtain got 4, all in the desparate last quarter. Kazuro, Delanty and Gilmore were impassable for three quarters for Bulleen and for the Xavs Ry an and Barry were great triers.

At the Brens Oval, North's seven goal burst in the thir quarter was the main difference in their 49 point win over St. Bernards. The experienced players at North, Borcich, Griffin and O Rourke did well as did newcomer Ball. For the Saints their best was again captain Gary McAllister, and Grbac and Wood were good contributors too.

The likely winners in A Section:

Bulleen-Templestowe v UNIVERSITY BLUES ST. BERNARD'S v Old Xaverians ORMOND v North Old Boys OLD SCOTCH v De La Salle **IVANHOE** v Collegians And in B Section: OLD BRIGHTON v Old Paradians ST. KILDA v Caulfield Gram. Kew v PARKSIDE Ajax v MARCELLIN UNIVERSITY BLACKS v Old Melburnians

# **VAFA v VFA**

The VAFA was defeated by 9points by the VFA in the fourth annual Victorian Football Cup clash ; a game in which football was the winner.

The crowd at Preston was estimated at 5,000. Everyone left feeling that the game was a thoroughly absorbing and worthwhile affair. in spite of the very cold, blustery conditions.

The VAFA's original squad of 25 was badly depleted. Six players were unavailable: Kiel (thigh), Gilmore (knee), De Marte (thigh), Spillane (ankle), Mike

. . .

McDonald (virus) and Peter Gittos for family reasons. That left 19 players, so three more got their chance: James Garde (Blacks ruckman), Tim Cooke (De La Salle utility) and Rick Garde (Blacks ruckman), Tim Cooke (De La Salle utility) and Rick Van Den Driest (Bulleen-Temp halfback). Ormond's Alan Naylor was the unlucky player to miss the 21.

The vAFA lined up a little differently from the selected side. Considine was in the forward pocket. and Deveson in the back pocket. But changes had to

be made fairly quickly as the VFA got off to a good start kicking with the breeze. **O'Riley** looked very dangerous up forward so **Mike Green** moved **Considine** on to him and **Deveson** to the back flank where he became a good player.

The VFA kicked 7 goals in the first term, but the Amateurs did well to kick 4 goals into the stiff breeze, and trailed by 22 points at quarter time.

The VAFA attacked for the first part of the second term, but it was the VFA who increased their lead to 31 points early in the second term. The VAFA was struggling. **Van Den Driest** came on to the back flank and he provided a lift and the Amateurs slammed on 5 goals, with the busy **Eishold** levelling the scores at the 29 minute mark. Centreman **Andy Smy the** had been instrumental in lifting the VAFA.

The VFA supporters behind me were pleased that it was a close game, that the VAFA were making a game of it. But, as the third quarter were on and the VAFA got on top with more desperate play they weren't so impressed and voiced their disapproval of the men in white. It was a great quarter by the Amateurs as they increased their lead to 20 points into the breeze. It was a much better game in the second half and the crowd had come to life. Mark McDonald was coming into it at centre half forward and Rohan Brown was on top in the ruck. Mark McDonnell was on top on his wing and Stephen Clark was a desperate rover. But at the 23rd minute mark of the third quarter, Gary Brice made two moves which probably changed the course of the match. The effect of Ian Rickman coming onto the forward flank was obvious; he provided a big lift. But the departure of Neil Jordan from the back pocket did not mean the end of his contribution. The VFA clawed their way back to trail by 13 points at the final change, but the Amateurs had the breeze in the last term.

**Eishold** kicked the first goal at the 3 minute mark and the lead increased to 19 points. But it was to be our last goal.Brice brought Jordan on and put him on the ball, and he began to take over as Brown had run himself into the ground. Ian Rickman continued to be a focal point for the VFA and with Considine off the ground. ORiley began to come into it. The VAFA battled hard but they didn't have the legs to go on with it and the VFA hit the front at the 18 minute mark. There were still chances to win but Lumicisi sealed it for the VFA with a goal just before the siren. The VFA supporters behind me were relieved, but they had great admiration for the spirited display by our players and a healthy respect for the Victorian Amateur Football Association. Well done ! The game was played in the right spirit — a credit to both competitions. Perhaps Blues fullback **Pat Salinger** typified the effort - he kept full forward Mark Fotheringham to just one goal. They deserve your support in future matches.

# Under 18's Go Down

The VAFA's U.18 team lowered its colours for the first time in going down to the VFA by 29 points. In a game marred by the wind and a heavy rain storm the VAFA started slowly and made little use of the strong breeze with the result it was well down at half time. In the second half the team showed great endeavour and whittled away their opponents lead before finally succumbing to a bigger better and stronger side.

# **The Whisper Returns**

Its certainly nice to be back and before looking at this week's games I must thank **Robert Lamb** and the University Blues for my 4 week break. Two glorious weeks on the Gold Coast and 2 in the garden so I'm sweet on the home front. Much has happened in the month I ve been off. A Section has proven very even although not as much as B or E and Old Trinity deserve special praise being the only club in the Association undefeated in the Seniors and Reserves. They tell me **Stuart Stockdale** has a grin that would do him justice at Luna Park !

Back to A Section Blues again provided the upset with a most impressive and I dare say for **Dave Foster** and Peter Schauble encouraging win over Ivanhoe. Blues are really on the improve which now places tremendous pressure on **Old Xavs and St.Bernards** if they be to remain in the big time.

Did you all get onto the **Collegians** coach's remarks last week. He told Peter French that **Old Scotch**, **Ormond and De La Salle** would make the finals and either **Ivahoe**, **North OB** or his own side. Pretty honest fellow is **Bruce Ferguson**. Speaking of the final 4 in A Section the Whisper's four is: **Ormond**, **O**. **Scotch**, **Ivanhoe and North OB**. Controversial enough? **Bulleen-Temp** is the only side capable of upsetting that selection and **Ivanhoe** would be the crowd to miss.

Looking now at todays matches. After a week's spell **Ivanhoe** at home will be too tough for **Collegians**. The Hoe are hard to toss at the Boulevard and need this win to stay with the leaders. So too do **Collegians** but their attitude is pretty ordinary and they can only seem to win on dry days at Elsternwick Park and Harry Trott.

In a promotor's dream of a round De La Salle who are really at th cross roads meet leaders Old Scotch. How the Cardinal's will love their beer tonight. After accounting for their visitors whose days of power and glory are now all in the past, Scotch will really consolidate their position amongst the leaders and deal yet another blow to De La Salle who have so many players down on form. Scotch have been hard hit by injuries lately and yet have been able to call on Reserves to fill the bill which says much for their depth. De La on the other hand have been forced to rush Mick Green back and have Phil Kerin undecided on his football future. Harrington and Skipper Maher are down on form and the loss of Lowe who has been sorely missed has cost De La much mobility. The bright spot for De La has been the VAFA's recognition of their champion Shane Murphy who has been a great credit to his club in particular and the Association in general. Well done Murph on your most warranted appointment as State Captain. Scotch will welcome the return of Mason and Sherwen and even if there is some doubt of Kiel his onfield presence will do much for the Cardinals for whom **Hodge and Smith** are in fine touch.

North will find out just how good they really are afther their visit to the Gunn Reserve. I d be a mug to write them off especially as **Gus Carrall** and **Paul** 

**THE AMATEUR FOOTBALLER – 1985** 

**Considine** are having fine seasons and should give the North little men first use of the ball but really beating **Ormond** at Ormond its really not on, especially after witnessing the form of the team against De La a fortnight ago and the manner in which its state representatives played against the VFA. It comes down to this Ormond have more experience more depth and more talent and in a crisis **McArthur-Allen** has more to call on than **Jim Durnan**.

Bulleen-Templestowe faces a real danger game against the rapidly improving University Blues. It promises to be a fine match as a win is imperative to both clubs for entirely different reasons. Bulleen-**Temp** cannot afford to step any further behind the competition leaders whilst the Blues will be anxious to draw away from relegation candidates St.Bernards and Old Xaverians. The outcome of the game could lie with Greg Kazouro who is bound to be given the big task of minding Mark Ty quin, although Zemski may be tempted to rush Gilmore back. The Blues can expect Salinger to nullify Stephen Pace and will have a winner on one wing in Nugent. Polkinghorne will not have to contend with Clark who is reported to be trying out at Essendon and if **Demarte** plays his fitness would be suspect so with the edge around the packs. I'm tempted to go for the Blues. The more I write and reflect on this game the more I'm sure it will be the match of the day and the game for yours truly to sneak out and look at. I'll stick with my hunch and go for the Blues.

St. Bernards v Old Xaverians. What a game and how much hangs on this for both clubs. The home ground advantage and tenacity of St. Bernards are the Saints greatest asset but the return of Nick Wilton and the realization that a loss would almost certainly put the club in B Section next year plus their greater talent should see the Xavs home in what will be a physical game. Nick Bourke has settled in quickly and proving a most versatile player, whilst young stars Vaughan Carlin, Paul Curtain, and Mark Beattie plus the agression of Tony Barry will provide enough enthusiasm for an Old Xav victory. As I said earlier, and A Section match today will be a crowd pleaser and I hope to see you there.

In B Section we have certainly seen a change of pace. Parkside has lost its way of late whilst Caulfield and OMs have emerged as the sides to beat. I've not written off the **Devils** who have signed former interstate and Alphington ruckman Laurie Stretton who with Goran Yoksich now gives the club the best ruck combination in the section. However Parkside has some hard work to do as I believe the double chance will be vital for the Clubs with promotion thoughts. Marcellin is another side who've improved out of sight in recent weeks and will certainly trouble all teams and may even steal a spot in the 4 at the end of the year. Perhaps the biggest disappointment has been the **Blacks** who appear to have a far better side than last year but have not been able to win matches. Certainly they have the talent and if any club is capable of storming home and throwing out a challenge it will be Uni. Blacks. The Blacks are the sort of team who rival coaches will be pleased to see well out of harms way.

THE AMATEUR FOOTBALLER - 1985

The whisper's B Section selections today are: Old Paradians in a turnup. Caulfield to win the match of the day against St. Kilda, Parkside over Kew, Marcellin against AJAX and Blacks to surprise OM's.

In C Section the **Bany ule Fawkner** game will be worth going rules to see, and as 11 be in the area I probably will.**Brockwell** has **Bany ule** on the boil and **Fawkner** may experience the taste of losers beer by 5 pm today. **St. Kevins** who have had a disastrous season will grab a valuable 4 points against **Monash** at Righetti oval and **Therry** at home will be untroubled by the Rovers. **Old Hailey bury** must beat **Old Camberwell** to have any hope of a finals appearance but **Schwab** has the wells a real promotion chance and they're unlikely to falter even at McKinnon. Finally **Thomastown** are the obvious victors over **Coburg**.

The two main games in D Section are at Albert Park where **Balaclava** are bound to worry **West Brunswick** add with the fear of dropping from the 4 hanging over them, should have enough incentive to beat **West**. In the other game **Old Mentonians** have the huge task of upsetting leaders **Old Trinity**. Even

THE WHISPER S VIEW OF THE VFA MATCH Were we Stiff or just Not Good Enough?

Probably a bit of both although the fact that they had 14 more frees was not lost on me. Young Simon Eishold played a ripper and Mark McDonald was certainly the class player in both sides. However the Whisper's best was vice captain and O.M's skipper Rohan Brown. He almost rucked all day and was a great example to his team Johnmy Kanis, Guy Ritchie and Andrew Smy the can all hold their heads high as can the Uni. men Pat Salinger and James Garde.

Anyway its all in the past now and **Michael Green** has got to lift em for the Carnival. With a few stars hopefully over injuries, we're sure to defend the title of Amateur Champions and win the Melbourne Carnival before tackling the Country boys.

at Keysborough and with a place in the four at stake, the locals have no hope simply because Old Trinity have at least a C Section team playing in D Grade!

Other winners MHSOB, North Brunswick and Old Ivanhoe.

As in D Section there are 2 BIG games in E Section. At Elsternwick Park locals Elsternwick take on leaders **Preston** who will be much happier playing on the No. 1 oval than on Elsternwick smaller version No. 2 which has seen many a good side go down. The Wicks are low on confidence following successive losses and Preston should win easily. At Mt. Eliza **Peninsula** simply must win and with this in mind and its decided home ground advantage I ll stick with the **Pirates** to topple **Williamstown. Bulleen United** will beat **FITOB**, **Heatherton** will beat **Old Carey** and **Old Geelong** will beat **Uni. Reds** tomorrow.

Today's F Section Winners: Clayton over ANZ Bank UHSOB to beat Doveton Old Essendon easily against Monash Whites and Brunswick similarly over La Trobe.

**150 FOR DAVID "SOAPIE" PURCELL** Congratulations to **David** on his 150th game last Saturday. David, now one of the senior players is a great team man and a tremendous example to our younger players. Coach Jeeves is hopeful that this old 'pegs' will hold out and allow 'Soapie' a few more seasons.

#### WILBA HITS TON

The Peninsula Old Boys wishes to congratulate Steven Wiltshire on reaching his 100th senior game with the club. Steve who has been our most consistent player for many years has contributed greatly to the Old Boys. He has twice won our B & F award, has represented the VAFA in the combined side that toured Tasie, where he was awarded the Tourists trophy for the best afield player and was runner-up in the B&F for the section in 1984. He is undoubtedly the best rover in the competition. Anybody who has had the pleasure of playing with Steve would have appreciated his skill with the ball and around the field, he leaves opponents astounded, and often out plays 2 or 3. Steve also contributes off the field where he is assist. secretary and has the respect of all at the club. His 100% contribution on and off the field is undoubtedly his best attribute. Congratulations Wilba.

#### **100 GAMES AT ORMOND**

Geoff Russell from the Ormond football club is congratulated by the clubs players and supporters on playing his 100th game today. Geoff commenced playing at Ormond in the junior sides where he made his mark by winning best and fairest awards in both the under 13s and under 19s. Geoff has played in both the senior and reserve teams and is currently a regular member of the senior team. Geoff usually plays in the centre and is renowned for his fierce tackling and fearless play. We wish Geoff all the best for today's game and hope he continues playing many more games for Ormond.

# **RECORD TO TONNERS EVERGREEN**

Owen Mills takes to the field today, against Old Paradians, for the 267th time which eclipses his "best mate's"Barry Hamilton, club record. ALthough looking more battle torn than ever and having lost much of that pace which allowed him to dominate the wings. Owen shows that he is still a top player having recently returned to the Seniors for a couple of games. Owen first played in 1969 winning the Under 19's B & F. He has played in both of Brighton's Senior premierships and has since shown up many a person who thought he was over-the-hill. Congratulations Owen.

#### **200 GAMES TO BRIAN BOURKE**

De La Salle's Brian Bourke will play his 200th game with the club today against Old Scotch. One of the toughest and best players to pull on the Blue and Gold jumper. Brian had to be enticed into playing again this season, and he is showing the form which made him one of the most attacking half backs in Amateur football.

Brian started at De La in 1973 and has played 198 senior games and one reserve game before today. Honours include an A Section Best and Fairest award, state representation, A grade premiership captain, and in 1984 his twelfth season with De La he finally snared the senior best and fairest award after being a runner up on several occasions. Only a handful of players have played 200 games or more at De La and Brian justifably now joins the elite group. He has been a valuable member of the senior side, which has come through from the Sheehy Era and continued through to the present and helped De La up the top of the amateur competition. Brian has been well supported by his wife Gaye and his father Laurie who are always on the boundary to support and encourage him of a Saturday. Well done on a fine achievement, and I'm sure all the senior players will be doing their best to commemorate your milestone with a big win over Old Scotch, and everyone at De La hopes you play many more games for the club.

# 100 AT A.N.Z. BANK

All at A.N.Z. Bank congratulate Chris "Pommie" Riley on playing his 100th game today against Clayton. Chris started his career with ANZ in 1980 and since then has improved his skills greatly to become a regular senior player. A feature of his game is his prodigious kicking with either foot. Chris who is in his third year as club secretary is a hard worker in a most demanding job. Once again "Pom" congratulations on your fine achievement and may there be many more.

# **100 FOR JOEL HARRIS**

Joel reaches his milestone having come up through the 19s and reserves to make his mark in the senior team. Joel was starting to hit his straps last season when a serious ankle injury sidelined him for most of the season. A dedicated effort in the off season has resulted in Joel having a bumper year so far.

# **50 GAMES AT THERRY**

Therry would like to congratulate Michael Taylor and Matthew O'Rourke for reaching their 50th game with the club. Both players have progressed from the U19s to the seniors over the last year and both are at present enjoying an excellent season.

# **100 UP AT BRUNSWICK**

All at Brunswick wish to congratulate Alan Cook onplaying his 100th game with the club today. He has held reasonable positions in the clubs running since joining as a member and is much appreciated and tireless worker. All players and members wish him all the best.

# **50 GAMES AT PARKSIDE**

All at Parkside congratulate Mark 'Shirl' Sherlock on playing his 50th game today. Mark started at Parkside in 1982 and was appointed captain of our juniors. Mark also finished 2nd Best and Fairest in the juniors. Mark has progressed to the seniors where his style of play is 'typical' Parkside. Mark has quickly learnt the art of drinking whilst at Parkside. Most good judges rate his drinking ability above his football ability. Seriously Mark is a well liked boke and is highly thought of at Parkside. May there be another 50 good games for Parkside. Well done Mark.

#### **50 GAMES AT HEATHERTON**

It has taken Way ne 'Herbie' Elliott 5 years to achieve this milestone due to injury and work commitments. Last year he did not play at all because he was pencilling for a bookmaker on Saturdays. He is a jack of all trades and a master of none, however, at present he is the manager of Charger Promotions. a thriving new business. Most of his football has been played on the backline but on the odd occasion has been switched to the forward line to add a touch of glass and experience. This man has calfs as big as lethal Leigh's thighs, that is not his only claim to fame. Herb' won the Downlow' in 1984. This is an award given to the worst behaved player on the annual trip away. At social functions Herbie 'continues this trend of strange behaviour and often leads the boys into outbursts of Jumping Jack Flash and other 60's type songs. From all the players, committemen, friends and Tasmanians, well done Wayne and hopefully the next 50 won't take so long.

#### WELL DONE ROBBIE

Robbie Hill ran his 300th game as Boundary Umpire for the Bulleen-Templestowe Amateur football club against DL.S.O.C. on 18.5.85. Robbie has been with the club since 1977 and has run most of the Reserves and Senior Games since then. He would have to be one of the fittest men in white within V.A.F.A. ranks and has always put his name into the V.A.F.A. to run the boundary during finals. A most popular young man who always lets the 'Hierachy' know what he feels is right or wrong with the team.

From all players, officials and supporters a job well done Robbie and may there be many more kilometres left in those skinny legs.

# **COLLEGIAN CHANGES**

As the amateur season gradually unwinds there has been a change in the position of reporter at the Collegians football club. Peter Mitford the previous incumbent of this job, due to a succession of deflamatory articles (according to Peter "Lumbering" Lumpson) and in recent times no articles at all has had to pass over the reigns of this once powerful position to a more lucid and eloquent author, because of burgeoning business, home and football club responsibilities.

Collegians all thank Peter for his contributions as reporter over the past years for they have been of a consistently high standard with amusing anecdotes spread liberally throughout. Well done Peter!

The new Collegians reporter is Robert Oliphant. Noted little for any conceptual grasp of even the basic points of English, the opportunity was made too good to refuse due to a substantial reduction in my club subscription.

Coaching appointments are the same as last year with the exception that John "Moodey" Moodie has stepped down as Reserves coach for Keith Lugg. "Moodog" coached the reserves for two years finishing 3rd in his first year and out of the four last season. Although not achieving a premiership the value of "Moondogs" coaching is shown by the number of exreserves players now performing well in the seniors. Well done "Moondog"!

Keith Lugg, the new Reserves coach played with Collegians in the seniors between 1965 and 1970. Since then Keith has had varied coaching appointments including Clifton Hill, Blackburn United and Box Hill North. Everyone at Collegians extends you a warm welcome Keith and we wish you all the best.

Two players who held senior responsibility last year have had to step down this year. Mark Hibbins club captain for the past two years has migrated to Western Australia to get a tan and further pursue his football career. Thanks Mark for your efforts over the past years and all the best in WA.

Tim Bennett senior vice captain last year has had to step aside this year because of expanding work and personal committments. Thanks also Tim for your efforts last season and we know you will still display the same leadership and responsibility, just be more careful with your saline solution.

Great to see Glen Cook at the past two games after five weeks in hospital and several operations on his back. Cooky is out of football for the rest of the season and all at Collegians wish him a speedy recovery. We will certainly miss your experience and talking on the field (although the nurses at the hospital won t miss him as indicated by the fact they took away his buzzer!).

# **50 GAMES AT OLD PARADIANS**

Congratulations from all at Old Paradians to Brendan McClements, on playing his 50th game today against Old Brighton. Brendan commenced playing with the club with the Under 19s in 1981, and has contributed a great deal in the senior ranks since then. We hope that he will be able to maintain his present form, and wish him the best of luck in achieving the next milestone at our club.

# THERRY SOCIAL COMMITTEE

On behalf of those who attended the function held at the club rooms last Saturday evening I would like to thank Craig McKibbin (Soc. sec.), Rod Egglestone, David Wrigglesworth as well as all those who assisted in the organising and planning of this event to ensure that everyone in attendance had an enjoyable time.

On behalf of the committee of Therry CCOB I would like to thank all those who supported our raffle which was drawn on the Sunday following the match against Fawkner. Congratulations to Mrs Mary Ratcliffe on winning first prize as well as the other people who were lucky in the draw.

# **50 GAMES AT UNI. BLACKS**

Congratulations to University Blacks utility Steve Pryor on playing his 50th game today against Old Melburnians. Steve commenced with the Blacks in 1982 after joining the club from Canberra which he revisited earlier this year with the intervarsity team. leaving his indelible mark on the city. "Sugar Ray" has missed the odd game or four in his time here, but the great Ressies 1984 Grand Final win will more than make up for that. Keep punching Steve. congratulations on your milestone and may the next 50 come a little quicker.

#### WELL DONE MUDDY

Well done Glenn "Muddy "Mallon on 16 goals kicked against ANZ Bank on June 1st. This season "Muddy" has kicked more than ten goals in a game twice, and his recent swag could well stand at Doveton SJOC for a long time.

#### **50 FOR BRIAN COCKERILL**

Brian after a regular berth in the firsts last season. had a bad accident early this year and is only just back into the reserves. I know that Brian will be knocking on the door for senior selection very soon.

All at Old Ivanhoe would like to congratulate the boys on their great achievements.

#### **50 GAMES AT TIGERLAND**

All at State Bank congratulate Mark "Beacon' Aumont on playing his 50th game today against MHSOB. Beacon's determined style of play is exactly what is required at State Bank to help us win more games. Beacon has worked hard at his game and rarely misses a training night. Once again congratulations mark and we all look forward to when you reach the ton.

## **50 GAMES UP FOUR TIMES AT DE LA**

Congratulations from all at De La Salle OC to the following players who have reached the 50 game mark: Pat Moore (RD 4), David Nugent (RD 6), Darren O'Loughlin and Neil Mitchelhill both in (RD 7).

All four players have made valuable contributions to the club, and we hope they can all go on and play many more games with the club.

#### **CLUB TREASURER'S CREATE RECORDS** AT POWER HOUSE

Peter Snyders, Treasurer for the past five years and current Treasurer John Stodgell have recently reached milestones in their careers.

Peter played his 100th VAFA Senior game against Melbourne High S.O.B. while John reached his 50th against St. Bedes.

Peter commenced in our U17's in the early 1970's and then played in the U19's before moving into our Club 18 side.

In those days Snyd's carried a lot of weight, but was hard to get around. Playing at full back he notched up over 50 games before breaking into the Seniors. Over the past six seasons he has alternated between the Seniors and Reserves, and has proved to be a reliable backman who has good judgement. More importantly, he has proved to be a loyal and dedicated clubman.

John had a similar background in that he played nearly 50 games with our Člub 18 before taking the step into Senior ranks. A talented footballer who backs his judgement, its been a pity that John has been plagued by injury and illness, maybe more regular training would overcome this. John has contributed greatly to the finance of the club and it is hoped that we will hear his voice around the club for another 50 games, especially at fund raising activities!
