Australian Amateur Football Council 16th Carnival

John Dillon. President A.A.F.C. and V.A.F.A.

PRESIDENT'S MESSAGE:

As President of the Australian Amateur Football Council and the Victorian Amateur Football Association I extend a very warm welcome to our Visitors from South Australia, Western Australia and Tasmania who will participate in the Council's 16th Football Carnival and also to the members of the Sydney District Football Association who will represent their State of New South Wales for the first time in Interstate Football, in a series of matches against two V.A.F.A. teams and a Combined Victorian Universities team.

It is now twelve years since the last Carnival was held in Melbourne and it is fitting that the Carnival coincides with Victoria's 150th Birthday and forms part of the State's official celebrations. We in Victoria are looking forward to entertaining both old and new friends. The most important function on the social calendar, for all players and administrators, will be the Grand Welcome Dinner to be held at the Southern Cross Hotel on Monday 1st July 1985, which will enable visitors from all States to meet as early as possible in the Carnvial Week.

I wish to express my gratitude to the Carnival Committee, chaired by Mr. Alex Johnson, for its untiring efforts in the organisation and promotion of what we all trust will be a highly successful week for players, administrators and supporters alike. Nine matches are scheduled over six days. It can be stated with some confidence that a real Carnival of Australian Amateur Football awaits us all.

John Dillon

OFFICIAL OPENING OF THE CARNIVAL

His Excellency, Rear Admiral Sir Brian Murray, K.C.M.G., A.O., K.St.J., Governor of Victoria and Patron-in-Chief of the Victorian Amateur Football Association will formally open the 16th Carnival of the Australian Amateur Football Council at 2 p.m. on Sunday, 30th June, 1985.

The opening ceremony will be held immediately following the first match between South Australia and Tasmania.

The Architect of the opening ceremony is the V.A F.A. Carnival Director, Mr. Alex Johnson who has spent much time in planning a colourful and imaginative opening ceremony.

His Excellency is no stranger to Amateur Football having played for Hampton Scouts prior to World War II whilst his son Peter is a recent vice-captain of the Old Melburnians Club.

AUSTRALIAN AMATEUR FOOTBALL COUNCIL.

Peter French Secretary Australian Amateur Football Council and V.A.F.A. General Manager

VICTORIA - THE 1985 HOSTS

The first mention of a Carnival occurred at the Council Meeting held in Melbourne on 29th September, 1933 where it was decided to hold a Carnival in Melbourne in 1935 or Adelaide in 1936 arrangements to be left to the V.A.F.A. and S.A.A.F.L

And so at the meeting held in Melbourne on the 20th August, 1935 it was decided to hold the 1st A.A.F.C. Carnival in Adelaide to coincide with South Australia's centenary celebration and invitations were extended to the W.A.A.F.A. and New South Wales and Queensland Australian National Football Leagues

In August, 1937 it was resolved to hold the second Carnival in Launceston in August 1938 and invitations were again sent to West Australia, New South Wales and Queensland as well as the Canberra Australian National Football League.

Both of these Carnivals were won by this year's host state \sim VICTORIA.

Victoria has hosted Carnivals in 1951, 1962 and 1973 and takes great pride and pleasure in acting as host State for the 1985 Carnival which fortuitously coincides with the State's 150th birthday celebrations.

It is significant in view of New South Wales involvement in those pre-war Carnivals that the "Light Blues" have accepted an invitation from the V.A.F.A. to take part in a series of matches against the V.A.F.A.'s combined teams selected from C, D, E & F sections and the Combined Victorian Universities. Hopefully as a result of this initiative New South Wales will once more be included in future Carnivals conducted by the Australian Amateur Football Council.

Victoria's contribution to Amateur Football in Australia has been most noteworthy. The State has provided both playing and administrative leadership of the council providing Australian captains in D. Arnold 1950 and 1951, G.W. Hibbins 1958, J.F. Nelson 1962, D.J. Hughes 1968, M. Quinlan 1971, R.I. Cordner 1979, J. Jones 1983. Presidents E.F. Atkins 1939-51, J.S. McCann 1959-1962, J. Fullerton 1971-73, J.F.X. Dilion 1982-1985. Secretaries J.S. McCann 1933-51, G.T. Moore 1954-1956, J.B. Adams 1982-1983 and P.D. French 1983-.

All visitors to Melbourne for the 16th A.A.F.C. Carnival will receive a very warm Victorian welcome from the President, John Dillon through Chairman, Jim Hawkins and his Executive Committee to the players and oficials of its Member Clubs.

An interesting and varied round of social functions plus some typical Victorian on field opposition are bound to make the Melbourne Carnival a memorable and exciting week in which many new friendships will be made and old ones renewed.

In the dual role of A.A.F.C. Secretary and V.A.F.A. General Manager, I take very great pleasure in wishing all players and officials a most successful and happy carnival.

Carnival Director

Mr. T. Alex Johnson Immediate Past President — V.A.F.A. 1985 A.A.F.C. Carnival Director

Mr. T. Alex Johnson was appointed to this vital and most important role by the V.A.F.A. Executive early in 1984.

Alex is well known to Amateur football followers throughout Australia as the immediate Past-President of the V.A.F.A., a member of the Council, and the man behind the V.A.F.A. development of Eisternwick Park. In fact the main building is known as the Alex Johnson Pavilion.

Alex's contribution to Amateur football was recognised by the N.F.L. who awarded him a Certificate of Merit at their most recent Annual Meeting.

Alex and his hardworking committee have spent many hours in ensuring the success of the CArnival and have no doubt that our visitors will be most impressed with their efforts.

His Committee consists of — Messrs. F.C. Coldrey, R. Doran, R. Elliott, J. Fidge, P. Harris, T. Johnston, M. Lyon, D. McQueen, G. McTaggert, J. Miles, I.H. Munro, A.J. O'Callaghan, M. O'Kelly, A. Orchard and H.H. Thomas.

Tasmanian Amateur Football League

Amateur football in Tasmania was founded on the 10th June, 1931 at Launceston under the Secretaryship of Eric Coulter. Old Launcestonians, Old Patricians (now St. Patrick's Old Collegians) and Associated Banks were the foundation clubs. The Public Schools Old Boys Association was founded at Hobart in 1931 with Ray Vincent as Hon. Secretary and Hutchins, Old Virgilians, Friends' and Clemes affiliating. 1932 saw the commencement of annual intrastate games, now traditionally known as North versus South matches. In 1947 the P.S.O.B.A. changed its name to the Southern Tasmanian Amateur Football Association and in 1948 affiliated with the Northern body to form the Tasmanian Amateur Football League — the respective bodies being known as the Northern and Southern Divisions.

Eric Coulter and Ray Vincent did a tremendous amount of work for Amateur Football both in Tasmania and nationally and have been awarded Life Memberships of their Divisions, of the T.A.F.L. and the A.A.F.C. They have also received the National Football League and the T.A.N.F.L. Merit Award Certificates, as well as from the Sportsman's Association of Australia. Ray's greatest accolade, so richly deserved, was the award of Member of the British Empire in 1977 'for his outstanding services to the sport of Amateur Football'.

Each Division controls amateur football in their area and elect three delegates to the State Council. The State President and Secretary are from the same Division and hold office for two years after which the offices are assumed from the delegates from the other Division. This system of administration has been outstandingly successful and forms the only truly statewide competition for football in Tasmania.

Presently there are 27 clubs of which 15 play in the Southern Division and 17 in the Northern. The total number of teams is 62. A significant step was taken in 1985 with the absorption of clubs from the League.

Despite being relatively small in numbers, Tasmania has been a regular participant in all Carnivals and since 1960 has been playing regular matches against the V.A.F.A. Success has been limited but enthusiasm has never lacked.

The Victorian Amateur Football Association

"The Victorian Amateur Football Association was founded in 1892 making it the second oldest football body in Australia. It owes its existence in so many ways to its "founding father" Mr L.A. Adamson who was President from 1896 to 1915 and 1920 to 1932.

A great strength to the V.A.F.A. has been its many loyal and long serving administrators.

Messrs. H.J. Stewart, E.F. Atkins, J. Fullerton, F.C. Coldrey, G.T. Moore, L.S. Zachariah, M.G. Russel, T.A. Johnson, A.J. Keam and J.S. McCann are but some whose names have become synonomous with the V.A.F.A.

Today we have Messrs. J.F.X. Dillon, J.F. Hawkins and N.C. Rundle carrying on in the footsteps of those who have served the Association so well.

Since 1977 which saw inter-alia the formation of a Marketing and Properties Committee the V.A.F.A. has literally leapt into prominence.

Vital decisions were made which led to -

- the re-building of Elsternwick Park as the Association's permanent playing and administrative headquarters and at which the Association has appointed a caterer to handle all its official functions.
- · the appointment of the Associations first full time General Manager, Mr. Peter French.
- · erection of an electronic scoreboard.
- a wider programme of representative matches which now involve the V.F.A. and V.C.F.L.
- procuring of major and minor sponsorships.
- establishing closer and stronger ties with the media.

The Principle Office Bearers of the V.A.F.A. are —

President: Mr John Dillon

Chairman of the Executive: Mr Jim Hawkins

Executive: Messrs. David Bunes, Richard Elliott, Alex Johnson, John Miles, Peter Nathan, David Scott, Keith Sharkie. Ray Walsh. Bob Welch.

Keith Sharkie, Hay Walsh, Bob W Treasurer: Mr Noel Rundle

General Manager: Mr Peter French

Administrative Assistant: Mrs Sue Anderson

Australians all let us rejoice, For we are young and free: We've golden soil and wealth for toil: Our home is girt by sea: Our land abounds in nature's gifts Of beauty rich and rare; In history's page, let every stage Advance Australia fair. In joyful strains then let us sing, Advance Australia fair.

Notice how Murph doesn't get too hot under the collar any more?

It's probably because Murph's a lot more comfortable playing in his new Woolblend jumper.

In fact, since the whole VAFA State Representative team have been playing in Woolblend jumpers they've all been a lot happier.

Woolblend jumpers breathe, so no matter what the weather, there's no overheating, itching or scratching.

And while others lose their form after just one season, Woolblend jumpers keep their shape for years. They're also machine washable or commercially launderable.

Club secretaries are advised that Woolblend jumpers will be available for the 1986 season from Polwarth Knitwear Ltd.

But we also advise ordering by December to ensure delivery. Miss out, and your whole team could get very hot under the collar. Telephone: (03) 555 5588

Combined Victorian Universities

This side was born in the fertile minds of Messrs. Dillon & French who realized that if New South Wales was going to compete in Melbourne during the Carnival then the V.A.F.A. would have not only to provide worthwhile opposition but also an alternative to its CDEF team as New South Wales would also need to play in 3 matches.

The team has been training under the expert eye of Coach Michael O'Donnell and Manager Dr. Peter Brukner on whom most of the arrangements have fallen.

The Team's guernsey will feature the colours of the 6 University sides, currently members of the V.A.F.A. and the players have been selected in equal numbers from Melbourne University Blacks, Blues, Reds, Monash Blues and Whites and Latrobe. The Melbourne and Monash Under 19 teams are also represented in the Squad.of 21.

COACH: MICHAEL O'DONNELL

Mick O'Donnell, the coach of the Victorian Universities team is a former Victorian and All-Australian Amateur footballer. Mick played in the last A.A.F.C. Carnival held in Melbourne in 1973 while playing for Assumption Old Collegians. He coached Assumption in 1976 before heading West and continuing his playing career. Last year Mick coached Uni. Blacks to 4th place in B Grade and is hopeful of doing even better this season.

CAPTAIN: MARK TYQUIN

Mark Tyquin, captain of the Combined Victorian Universities team, is in his third year as captain of A Grade club, University Blues. Mark recently played his 200th game for the Blues, a rare achievement for a University footballer. Initially a full forward and leading A Grade goalkicker, Mark was switched to defence with great success a few years ago. 1985 however sees him figuring among the goals again. Mark works as an architect and is also heavily involved in the administration of his club.

MANAGER: PETER BRUKNER

Peter Brukner is the Manager of the Combined Victorian Universities team. Peter has Blues playing over 100 games and serving as President for a total of seven years. During that time the Blues were one of the most successful A Grade Clubs. Peter is currently the Blues delegate to the V.A.F.A. His association with University sport continues next month when he goes to Japan as Australian Team Doctor for the World University Games.

Western Australian Trotting Association Shield

The Western Australian Trotting Association Shield —

At the Council meeting held in Perth in August 1948 West Australia's delegate Mr. Grosvenor reported that the Western Australian Trotting Association had offered through the W.A.A.F.A. to present a shield valued at 25 pounds for perpetual competition at A.A.F.C. Carnivals and a replica of the shield would be given to the winning state at each carnival, the shield to be known as the Western Australian Trotting Association Shield.

It was decided to accept the offer and to make the record complete it was resolved that Victoria's victories in the 1936 and 1938 carnivals be recorded on the shield.

Umpires

The V.A.F.A. extends a warm welcome to Umpires Chris Mehaffey and John Ferme from South Australia and Gary Dawson and John Matthewson from Tasmania who have been selected by their respective states for umpire duty during the Carnival.

They join a panel of umpires from the V.A.F.A. Messrs. Brian Goodman, John Horwood, Stephen Green, Richard Tracey, Peter Wiseman, Ken Coughlan, Foster Rossetto, Colin King, Stephen McCarthy, Russell Francis, Trevor Flannery and Ray Woolley.

All will come under the control of the host State's Umpire's Advisor, Mr. Neville Nash who will be responsible for all appointments.

Carnival Best and Fairest

The winner of the Australian Amateur Football Council Best and Fairest Award medal as adjudged by the A.A.F.C. Executive or their nominee will also receive an excellent trophy, compliments of **BEAUREPAIRES**,

Electronic Scoreboard

The V.A.F.A. will proudly display its new electronic scoreboard which will be in operation for the first time during the Carnival.

The Association acknowledge the magnificent contribution of the STATE BANK which was the catalyst Mr. Alex Johnson needed to convince the Executive of the necessity for such a project.

Despite several interruptions and the wait on material from overseas, the scoreboard has progressed until it is now a reality.

Appreciation must also be expressed to Mr. Cam Johnson of Mach Systems who designed the electronic and software installation, D. & C. Kerley Construction Engineers and Mr. Rex Doran, Builder.

The scoreboard is the largest "free standing" board, apart from the MCG.

Receptions

There will be a busy round of official and semi-official functions for all competing teams and officials. Most notable are -

- (i) An "At Home" Reception hosted by His Excellency, Rear Admiral Sir Brian Murray, Governor
 of Victoria and Lady Murray. Sir Brian is Patron-in-Chief of the V.A.F.A.
- (ii) A State Reception hosted by The Honorable Mr. John Cain, Premier of Victoria and his Cabinet at the Windsor Hotel, Melbourne.
- (iii) A Civic Reception hosted by Her Worship, Councillor Kate Harman, Mayor of Brighton.
- (iv) A Grand Welcome Dinner hosted by the Victorian Amateur Football Association at the Southern Cross Hotel, Exhibition Street, Melbourne.

A Section Review

by Ross Booth

I only tipped two winners last week, testimony to the evenness and unpredictability of the season as much as my inability to read the form. Ormond is sitting comfortably on top, followed now by North, then come five sides on 24 points: Collegians, Scotch, Ivanhoe, Bulleen-Templestowe and De La Salle. In the battle to avoid relegation, St. Bernard's at present are a game clear of Old Xavs and Blues.

North Old Boys moved into second place with a 41 point win over Old Scotch who slipped to fourth spot. North looked good from the start but Nelson and Smith for Scotch held them out. North's running began to take over in the second quarter and their defence held strong; its hard tackling led by Considine kept Scotch to just 6 goals for the day. Jerome Griffin kicked 4 goals for North but their best was robust centreman Steve O'Rourke.

De La Salle had a good 30 point win over Ivanhoe. It was all Ivanhoe until 10 minutes before half time when De La Salle added 4 quick goals to go to a 2 point lead at the break, all caused by some undisciplined play by the Ivanhoe defenders, in particular reacting badly to some umpiring decisions. De La Salle did not look back after that and handled the conditions better in the second half to become easy winners. Shane Murphy stood out on the forward flank and kicked 3 goals.

Collegians had their first win for some time when they beat University Blues by 59 points at Harry Trott. Collegians began to get on top in the second quarter, but in the third term they added 8 goals, with half forward Tony Baum getting four for the quarter. Tim Bennett played in the ruck and rested in defence and was a good player. Blues lacked players up forward apart from Tyquin who kicked six. Ashton and Salinger were good defenders.

St. Bernard's lifted themselves off the bottom of the ladder and out of the relegation zone with a 10 point win over Bulleen-Templestowe. St. Bernard's won the game in the first quarter when they kicked 7-5 to one point. It is asking a lot of a side to come back from a bad start such as that in the mud at Essendon and Bulleen-Temp were not good enough to bridge the gap.

The Saints combination of ruckman Paul Smith and ruck rover Gary McAllister once more

proved a winning one.

Ormond retained top spot on the ladder with a convincing 62 point win over Old Xaverians who kicked only two goals for the day. Needless to say it was a slogging day in the mud at Ormond but the Old Xaverians were not able to make use of the opportunities that came their way. Boyanton and Andy Mehrten were busy rovers for Ormond while Beattie, Greetham and Curtain were able defenders for the Xavs.

My tips this week in A SECTION: Bulleen-Templestowe v ORMOND UNIVERSITY BLUES v St. Bernards NORTH OLD BOYS v Ivanhoe Old Xaverians v OLD SCOTCH DE LA SALLE v Collegians

And in B Section the 5 home sides: KEW v Old Brighton OLD PARADIANS v St. Kilda CAULFIELD GRAMMARIANS v Ajax PARKSIDE v University Blacks MARCELLIN v Old Melburnians

CARNIVAL PROSPECTS

The 16th A.A.F.C. Carnival in Melbourne will see Victoria defending its title as the premier state in amateur football. Victoria won the last carnival in Perth in 1982 and three years earlier in 1979 in Hobart. Those two wins came after wins by South Australia in 1976 in Adelaide and 1973 in Melbourne, so the Victorians will be out to make up for losing the carnival in front of their home crowd way back in 1973, in fact on the sacred MCG turf.

On the more homely surface of Elsternwick Park, Victoria can be expected to face stiff opposition from the South Australians in particular, though the Vics have tended to have

the edge in recent interstate matches. With some recent memorable clashes between the VFL and the SAFL, these clashes now prove even more interesting. The draw has been designed in expectation of a Victorian-South Australian final on Saturday 6 July. But before that both teams can expect stiff opposition from both Tasmania and Western Australia. The weather will probably favour the Tasmanians but the West Australians will have more class and are sure to prove a danger to the Vics and the Croweaters.

In what I anticipate will be a great week's football my selection is Victoria to retain the W.A. Trotting Association Shield.
