**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

A Section Review

by **Ross Booth**

Second placed **Collegians** drew with top team **Ormond** in the main A Section game but, as a result of **North O.B.** winning, dropped to third place.

It was a low scoring game — 8.6 apiece. Collegians played a superb second quarter in which they kicked 5 goals against the breeze. Ormond gradually pegged Collegians back and in a tense last quarter, Ormond drew level with minutes to go through an oaten goal. **Mark Gilmore**, the Ormond rover, then had a running shot which took a leg break and hit the behind post — out of bounds and the siren sounded.

Collegians would have been unlucky to lose — they played the better football and can feel confident as worthy contenders for the flag.

Alan Naylor controlled the ruck for **Ormond** and **Collegians** best was ruck-rover **Steve Laussen**.

North O.B. moved into second place with a 4 point win over **Bulleen-Templestowe** in a very low-scoring game — only 11 goals for the day.

Defences were right on top — **Tierney** and **Griffin** for **North** and **Gilmore** and **Brett Giles** for **Bulleen-Templestowe**. The only highlight of the day was the final siren! **Brens Oval**, **Royal Park** is not good in the wet!

Old Scotch consolidated their place in the four with a 41 point win over **Ivanhoe**. The loss virtually means the end of **Ivanhoe's** chances of making the finals. They are not playing well, having lost their last three matches.

Lloyd and **Mason** each kicked 4 goals for **Scotch** and **Jim Marx**, back from a hamstring injury, kicked 3. Centreman **Brian Hodge** was best on ground and **Warwick Matthews** at centre half forward made a welcome return to form.

De La Salle cruised to a massive 83 point win over **St. Bernards**. The win still leaves **De La Salle** a game and percentage out of the four, with 3 games to go.

It was a rugged first quarter but after that **De La** got their running game going and added 7 goals in the second quarter, and then opened the game right up in the second half.

Peter Rennie kicked 5 goals and **Shane Murphy** 4. **Mick Deveson** at centre half back was **De La's** best. For **St. Bernard's**, it was the consistent **Klaaysen**, **McAllister** and **Smith** who held them together as best they could.

Bottom team **Old Xaverians** scored an upset 34 point win over **Uni Blues** and with form like that might have a faint hope of surviving in A Section.

Xavs led for most of the day **Nick Wilton** starred for them, firstly at centre half forward and then when he went into the ruck.

The relegation system certainly keeps the competition alive!

I approach this week's matches with very little confidence. It would not surprise me if I got 5 wrong.

BULLEEN-TEMPLESTOWE v Old Xaverians
ST. BERNARDS v North Old Boys
Ormond v DE LA SALLE
OLD SCOTCH v Collegians
IVANHOE v Uni. Blues

And in B Section, I think my run of 3 weeks without missing a winner might come unstuck. The first game is the hard one.

ST. KILDA v Parkside
Old Brighton v CAULFIELD GRAM.
Kew v MARCELLIN
Ajax v OLD MELBURNIANS
UNI BLACKS v Old Paradians

The Whipper Looks at Last Week and Previews Today's Games

With only 3 rounds remaining there is no doubt that the fight for the 4 is wide open in all sections. Only in the Under 19s have the fours been settled and their final series commences next week. Even the Reserve Grade fours are still to be finalized and so players, spectators, umpires and officials have an exciting time ahead.

Before looking at today's vital games I must take my hat off to St. Bedes on its shock defeat of MHSOB. St. Bedes broke the draught last Saturday and won its first game of the season against the High School who unwittingly have now left the door open for Old Mentonians to challenge strongly for the vital second spot.

Other highlights were the exciting draw in a dull game between A Section leaders **Ormond** and **Collegians**. An unlucky bounce cost Ormond victory but Collegians would have been entitled to feel hard done by. Similarly **Bulleen-Templestowe** were a bit stiff to go down to **North** and what about **Old Xavs** who won its first game since round 10.

In B Section **Old Melburnians** can thank accurate kicking for its win against a desparate **Kew** whilst in C Section **Old Camberwell** fell in by a goal against my dark horse selection **Coburg**.

In E Section **Elsternwick** had an exciting 4 point away win at **Heatherston** and in F Section **Commonwealth Bank** failed for the second time in as many weeks, going down to **Doveton** and losing the double chance. Three weeks ago the Bank was top of the Section and has now fallen from grace. The fight for promotion in F Section will be a ripper.

To turn now to today's all important games and from a finals viewpoint there are two beauties in A Section. **Ormond v De La Salle** at **Ormond** and **Old Scotch** and **Collegians** at **Old Scotch**. At the other end of the ladder the **Ivanhoe v Uni Blues** and **Bulleen-Temp v Old Xaverians** matches will also provide plenty of tease and hard fought football.

At **Ormond** I would nine times out of ten select the home side to win. However today "the kiss of death" falls on **De La Salle**. De La will win because it simply has to. A loss and a win to **Old Scotch** would see the Cardinals go two games clear and that would mean the end for De La as its percentage is poor by comparison. De La will therefore give this game "the works". It is a semi-final for them and they're the sorts of matches that left the Blue and Gold to great heights. The return of **Greene** will help nullify **Naylor** and the arrival of the acrobatic forward **Peter Rennie** has given the side another path to goal. **Murphy** appears to be recapturing his best form and being a big occasion player is bound to get his share of goals. When they last met, at Elsternwick Park, on June 1st **Michael McDonald** proved too good for **Mick Deveson** and set up many scoring opportunities, but since then **McDonald** has slipped, especially of late and I'm confident Devo can hold him. This will be a clash worthy of a final and one I'll be at for sure. I realise the Mons have a lot at stake too, but as I said earlier, De La has more and they'll win because of it.

Scotch almost fielded its very best side last week. **Moir** was absent injuring and **Nelson** was unavailable, the return at last of **Polkinghorne** plus the form of **Jim Marks** has Scotch on the boil and with the promising **Matthews** relishing his responsibility the Cardinals who don't mind playing Collegians are really eagerly awaiting the game.

Despite **Old Scotch's** genuine enthusiasm for today's game it would be foolish to write **Collegians** off. Their performance last Saturday was significant and my spies tell me it was Ormond that was grateful for the 2 points. **Collegians** will beat the Cardinals for pace and will match them for desire and skill but Scotch will get up due to the experience of the **Morgans, Tallents, Browns** and **Marks**, the onfield leadership of **Kiel** and the fact that its plight is a shade more desperate than its visitors.

Speaking of desparation, **Old Xaverians** can be expected to show plenty against **Bulleen-Templestowe**. Now that the Xavs have got the sniff of remaining in A Section in 1986 they're quite capable of upsetting the Bullants whose finals chances disappeared at Brens oval last week. With little to play for **Zemski** has a big 'motivational' job ahead of him and as Xavs need to win at least 2 of the remaining 3 games they're bound to produce a big one today.

St. Bernards clash wiht arch rivals **North OB** at home and North would not give 2 hoots in sending the Saints back to B Section. They have as much at stake as their hosts having worked their way into second place last week and can be expected to fight hard to keep it. **St. Bernards** will give this game a real go and keep the Pressure on early but I don't believe they can sustain it for 4 quarters and so its North OB for me.

Ivanhoe at home again meet **Uni Blues**. Both sides went down last week and as Blues need the win a bit more I believe they will come out on top. The Hoe have been very ordinary over the past month and have not won a game since June 29th. When looking at the remaining games this may well be its last chance, and as I said last week are they safe from relegation? Selections: De La Salle, Old Scotch, Old Xaverians, North OB and Uni. Blues.

There are no really big games in B Section today, although **St. Kilda** versus **Parkside** tops the bill. What a difference it would have been had the Saints got up last week. Although 6

points out St. Kilda believe they might just make it. However if you consider their draw its a pie in the sky and Parkside will continue on its winning way despite the vagaries of the North road oval.

In other matches **Caulfield** will be untroubled by **Old Brighton**. **Old Melburnians** will have the call over **Ajax**, **Marcellin** will beat **Kew** and **Uni Blacks** in beating **Old Paradians** will keep its finals hopes alive.

Its a different story in C Section where either **St. Kevins** or **Thomastown** will drop out of the finals race after their match today. Given that **Therry** at home will beat **Old Camberwell**, **Thomastown** needs only to win to move into 4th spot and with a not unfavourable draw could well remain there. **St. Kevins** task is I believe too great as it must not only rely on a **Therry** victory but **Old Haileybury** as well. In any event **Thomastown's** form of late has been better and it will win.

Old Haileybury's slim finals hopes will also disappear after its loss to the favourite of favourites **Fawkner** and **Banyule** will consolidate a finals place with a win over **Monash**. The **Coburg/Hampton Rovers** game will be well worth watching as the loser will undoubtedly end up in D Section next season. As Hampton rarely win away from home I'm going for the Burgers (as I did last week) to lift themselves off the bottom.

Match of the day in D Section will be at Melbourne High between **MHSOB** and **West Brunswick**. West knows that victory will consolidate its position in the four and will take the game right up to the High School. However I'm sure the shock loss to St. Bedes' last Saturday will sting the home side into a reversal and at home they'll win and keep the D Section fight for the four open as the other contender **Balaclava** are unlikely to take **St. Bedes** lightly and will be hoping for a big win to boost their percentage.

The other big game will be at the Ross Gregory where **Power House** must beat **State**

Bank to ensure it remains in D Section. Bound to be a pressure game this one and I'll go for the Bank to live up the relegation battle.

At Elsternwick Park competition leaders meet **North Brunswick** and in what I anticipate will be a good game its hard to go past **Old Trinity** no matter where they play the game. **Old Melburnians** can be expected to go all out against Old Ivanhoe as a big win will see them sneak into second place, the percentage difference between them and MHSOB being quite small.

In E Section **Williamstown** will be praying for a win over **Peninsula** and despite the game being played at Mt. Eliza I believe the seagulls prayer's will be answered. **Williamstown** itself will not falter against **FITOB** and **Elsternwick** will be out for a big win over **Old Geelong** in an attempt to grab second place from **Heatherston**, who meet **Univ. Reds** at the university on Sunday where they too can be expected to win and win well. **Bulleen United** returned to the winning list last week and should make it two in a row over a hapless **Old Carey**.

Commonwealth Bank features in the match of the day for the 4th week on end and must beat **Clayton** to square the table at two all. They've fallen from 1st to 3rd in that period and must win today to restore some confidence.

Even at Harry Trott winning is a daunting task as **Clayton** is determined that 1985 will be the year of the Dragon and make up for the great disappointments of 1983 and 84. **Clayton** have 2 goals — the Flag and Promotion and will be anxious to build up its aura of invincibility over one of its likely challengers. Its Clayton for me.

Doveton flushed with success from last week's big win have no problem with **ANZ Bank** and **Brunswick** is unlikely to falter at **Monash** and will be hoping against hope that **Univ. High** its victim last week, cna upset 4th placed **Old Essendon**. I can't see the High beating Old Essendon who must realize that a win today will ensure it of a finals berth.

150 AT FITOB

Everyone at **FIT** would like to extend their congratulations to **Chris (Magic) White** on playing his 150th senior game. Rumour had it that Chris wasn't going to get the boots out in 1985, but as soon as the hot weather subsided another season was on the way. That's not to say that Chris is one to shirk training, after ten seasons there is no need to rush into those things. Which seems to sum up the magic quite well. Not one to be rushed or hurried, Chris is always their and always in his own style. Be it on the wing or around the goals he is able to put experience to good use and can be relied upon for that timely goal. A reliable clubman off the field is another attribute that makes Chris so valuable. After many years assisting the committee Chris took the big step to become our '85 secretary. That unhurried way of life is there as well. I think we owe you a few beers for all the work you've done and I'm sure you won't say no. Thanks Chris, keep up the good work.

50 GAMES AT OLD GEELONG

Old Geelong congratulates two of its senior players on this week reaching 50 games, Captain **Dougal Morrison** and backman **Peter Devilee**.

CLUB STALWART REACHES 50th

Balaclava A.F.C. congratulates one of it's favourite sons in **Iain Withers**. The Withers' family have produced some great players and supporters of the club over the years, and **Iain** is no exception. **Iain** started with the club in 1982, and played his 50th game with the club against **Old Ivanhoe** last week. **Iain** has developed into a very competent, safe backman, who can take a very strong mark for his size. **Iain** vry rarely misses a club function, being a very hard warker on the social committee. **Iain** was a very valuable member of **Balaclava's** 1984 premiership side. Well done on your achievements in the past **Iain**, and we hope you'll be around to share a few more ales in the seasons to come.

St. Kevin's O.B. welcomed back **Dennis Grace** after serious injury.

Alphington's devastating first term, 7.3 to **Ormond's** 2.0, gave them a firm grip on the game to run out winners by 37 points. Best were **Haris, Fuge** (5 goals), **E. Whitfield** (Alph) and **Davidson, Byrne, McDonald** (Orm).

35 Years Ago — 1950

"**The Amateur Footballer**" had a good advertising manager back in 1950. Leading 'ad' on page 1 was "Melbourne Bitter — None Better".

Ormond got a fright against **Geelong** at Corio Oval when they trailed by 14 points at half-time and only managed to take control in the last quarter to win by 21 points.

Old Paradians battling to get in the 'B' section four, kicked themselves out of it by scoring 4.23 against **Collegians**, and losing by 5 goals.

THOMASTOWN CELEBRATE

Three players reached milestones in their football careers with Thomastown last Saturday against Monash Blues. **Eric Lentini** played a typical elusive game on the wing and to be named in the best players in your 150th game with the club is a fine performance. **Chris Fellows** had reason for his celebrations as he played his 100th game for The Bears. Chris in his first year on the committee is proving a fine clubman and it is hoped that he remains for many more games. **Peter Coverdale** was the third member for reason to celebrate as he also played his 100th game. All players, supporters and committee members congratulate the players.

250 AT BANYULE

All at **Banyule** would like to congratulate **Michael Power** and **Greg Hobba** on reaching the 250 game milestone. It is most fitting that a Mike and Greg should reach this milestone within a few weeks of each other because their football careers have run along parallel paths since they both played under 10 football with **Banyule** juniors in 1971. Mike's 250th came up against **Coburg** on July 20th and Greg's against **Old Haileybury** on 3rd August. Mike is a very talented an versatile left footer who has played in almost every position on the field, his long driving kicks regularly open up the forward line for scoring opportunities. He has played in 10 Grand Final matches for 7 Premierships, he has won many awards including B & F in 1979 and 1981; and is a life member of our junior club. Greg is one of the most talented players to play with **Banyule**; he reads the game very well and is very illusive and has kicked many fine goals for our club. He, like Mike has also played in 10 grand finals for 7 premierships; he also has won many awards including competition B & F in 1979 and club best and fairest in 1982; he played in V.A.F.A. interstate games in 1981 and 1982 and received honourable mentions in both; and is a life member of our junior club. Because of a knee injury early this season it was feared that he may not play at all this year and was appointed Chairman of Selectors. Both these players have given the club tremendous service over the years and we hope that they will be with us for many more years.

150 GAMES AT PRESTON

Everyone at **Preston Marist Brothers Old Boys** congratulates our senior captain, **Neil 'Nuffer' Calcutt** on his 150th game for the club against Peninsula today. Neil started with our juniors in the late sixties and with his inspiring leadership and enthusiastic play, he is putting in one of his best ever seasons. Injuries have prevented the tally being higher, but this year the old legs are better than ever. Well done Nuffer! Other notable achievements recently have been 50 games to **Benny O'Connor** and **Barney 'Nana' Milner**. To Barney and Benny we all offer our best wishes and hope they are both around for many more games with 'The Bullants'.

50 GAMES AT ST. KILDA

All at **St. Kilda CBOC** congratulate **Matt Driscoll** on playing his 50th game against Parkside today. Drisco joined from St. Kilda VFL in 83 and immediately established himself as a fearless and dashing defender who never shirks an issue and provides much of the strength of our backline, especially in tight situations. One of the personalities of the club, Drisco is well known for his unusual escapades on an off the field. Well done, Matt, and we look forward to even more contributions from you in your next 50.

50 AT PENINSULA

All at the **Peninsula Old Boys** congratulate **Arno Gurtler** on achieving 50 games last week against Old Geelong. Arno is a determined player that uses his bursts of speed and strength to great effect. He was given the distinction of being made deputy-vice-captain this year. All at Pirateland hope to see many more games from Arno. Well done 'Gursts'.

50 GAMES AT ANZ

All at **ANZ Bank** would like to congratulate **Robert O'Neill** on playing his 50th game today against Doveton. Rob who won our most improved player award last season has been a regular senior player this year. We look forward to many more milestones from this player who has high potential. Well done Rob.

St. Bernards treasurer Peter Hogan had a red face last Saturday. Peter collected the Amateur Footballer as usual from Speeds Shoe Stores on Friday and popped into Darryl Lee to buy some chocolates for his wife — a splendid gesture you will all agree.

50 AT M.H.S.O.B.

Last week against Old Trinity, Greg Maidment played his 50th game for the club. Greg joined our club in 1982 as reserves coach and the following season saw Greg stay at the club playing at fullback in the seniors. In 1984 Greg again had a stint at coaching, this time in the E.D.F.L. This season Greg was back at MHSOB where he has proved to be an important link man in Quaife's bid for the 85 flag, whether he's playing centre half forward or ruck rovin. It is hoped by all that Greg chooses to continue on and hopefully reach his ton.

CAN WE SING THE SONG REACHES 50

All of us at Old Haileybury would like to congratulate Tony 'Lawn-Mower' Gilchrist on reaching the milestone of 50 games for Old Haileybury versus Therry back in round 5. Gilla, the master of 'the lawn-mower' and the 'inside reverse torp', shows uncanny skills with both hand and foot as well as a crowd pleasing sense of humor. A member of our U.19 premiership team, Tony finds himself a regular member of our 1st XVIII much to the delight of all of us at Old Haileybury. Congratulations Gilla and may your next 50 not make you feel so 'Toyyard'.

50 GAMES AT OLD PARADIANS

Hearty congratulations from all at Old Paradians is extended to Brendan Exton, on playing his 50th game on 20th July 1985 against Parkside. Brendan commenced with the Under 19's and represented the Under 19 premiership team in 1980. Since then he has been a valuable player for the club in the seniors, and we are sure that he will be contributing towards the success of the club for many more years to come. Our best wishes to him in achieving his next milestone at the club.

FIFTY GAMES AT UNI BLACKS

Congratulations to University Blacks defender Matt Gibney on playing his 50th game today against Old Paradians. Matt commenced with the club in 1983 from Kyneton and in his first season won the reserves Best and Fairest award. Whilst at the club Matt has played in a variety of positions, in attack, defence or as a rover. This season he has established himself as a very reliable and dashing half back flanker with the seniors, often providing a springboard into attack. All at the Blacks wish Matt well today on playing his 50th and look forward to many more fine achievements in the future.

50 GAMES TO ARNO GURTLER

All at the Peninsula Old Boys F.C. congratulate Arno Gurtler on achieving 50 senior games against Old Geelong today. Arno joined the club in 1982 and has become one of the most consistent performers for the Pirates. In 1983 he was runner-up in the 1st XVIII Best and Fairest and this year achieved the distinction of being appointed deputy vice-captain of the seniors. A determined and skillful footballer we all look forward to many more great games from Arno.

ANOTHER 50 AT O.M.F.C.

The Old Mentonians are again happy to announce that one of it's young team members plays his 50th game today. Johnnie Sly has been at the club for only a few years but has rarely missed a game. John spent the first few season as a mediocre reserves player, but has been one of the most improve players at the club, and now plays on the wing or forward flank every week in the seniors. Although not a big man, John is an excellent mark and is very fast. If you dont see him dashing towards goal, he'll probably be on the bottom of a pack. All in a days work for Johnnie. Congratulations mate!

Personality Pals

Part of the crowd at the game between Doveton and Commonwealth Bank included a large contingent of Clayton players to study the Cobras' form for their match today. It is to the credit of all that the St. Johns bar was heavily patronised by the visitors of both clubs. Also that three clubs with as heavy stakes as these could create a friendly after-the-game atmosphere at a time when sport in the public eye is receiving so much damaging reporting is a welcome item of news. If this could happen more often, then maybe sport would be seen as it should be; friendly competition, where the most important aspect is that one does one's best in its structure, cops set backs on the chin, and feels a better person for participating.

Noble sentiments and congratulations to Doveton, Commonwealth Bank and Clayton. Your performance continues the tradition of Amateur Football - Well Done ED.

OLD SCOTCH INVITATION

Old Scotch football club would like to extend an invitation to all interested parties to attend our VFL Grand Final Breakfast at our Yarra Park social rooms. For information please ring Don Symington 484 6194.

300 GAMES AT NORTH BRUNSWICK

North Brunswick wish to congratulate two foundation members on reaching their 300th game with the club. 2 weeks ago **Lindsay Cambell** despite missing many games with an ankle injury, reached this milestone. Today **Terry TJ Jewson** who missed 2 seasons due to a shoulder injury, followed by a burst blood vessel in his leg, reaches this milestone. All at North Brunswick hope that they will play many more games for the club.

200 GAMES AT WEST BRUNSWICK

All at **West Brunswick** would like to congratulate **Ray Monger** on reaching a milestone of 200 games against State Bank. Personally tutored by his father Ced, Ray's disposal of the football by hand or foot is legendary down at West and attributed to his being named as a half back flanker in the All Stars team a few years ago. Whenever Ray takes the field we are always guaranteed 110 percent effort which makes Ray one of the most complete footballers playing today. Although Ray may have lost a yard or two in the last couple of seasons, there is no doubt that he will play a big part in the club's push for the finals.

100 GAMES TO RUSS

Don't tussle with **Russell** because today he plays his 100th game for Old Mentonians. Russ is another young member of our successful team, which owes a lot to the versatile talents of its blonde gutsy rover. Russ, who has probably laid a bet with someone that he'd make it to 100 games also regularly contributes to the social side of the club. There's one in every group, and we've got Russ. Congratulations mate from the committee, players and supporters at Old Mentonians.

FOUR MILESTONES AT HEATHERTON

Simon 'Missing' Link plays his 150th game on Sunday against Uni. Reds for Heatherton. 'Missing' has progressed through the junior ranks and is a devoted clubman having served on the committee for a number of seasons. Also known as 'F. Slob' for his 'norm-like' style of lounging back in a chair, tinnie in hand watching television, 'Missing' has been a solid defender which resulted in his winning the 1983 reserves best and fairest.

Peter 'Ackers Atkinson' celebrates his 100th game in the victorious reserves side against Elsternwick last Saturday. This was a double bonus as there is nothing more that 'Ackers' likes than defeating 'The Wickers'. A straight ahead ruck-rover/half back 'Ackers' is one of the best tankers in the side.

Ray 'Barrel Bum' Spinks also celebrated his 50th game last week. 'Barrel' is an inspirational player with his great encouragement to his team mates. 'Barrel' is enjoying a wonderful season in the centre for the twos and is always burrowing in to get the hand ball. With neat disposal 'Barrel' is always looking to bring teammates in to the game.

Steve 'Fes' Lydster plays his 50th game against Uni. Reds. 'Fes' has developed into the reserves No. 1 ruckman this season with his strong marking around the ground. At only 21 a big future is assured for 'Fes' who has had an outstanding season so far. All players are fine clubmen and everyone at Heatherton congratulates them on their achievements and looks forward to the next milestones of their careers.

MILESTONES AT ST. BERNARDS

50 games to **Marcus Marshall**, speedy winger and penetrating left foot kick who was a member of the U.19 premiers side in 1983. 50 games to **Rob Purcell** effective back pocket player and occasional rover already in his brief career has played in two premierships U.19s 1983 and B grade 1984. 50 games to **Ray Czajko** a player with brilliant pace but who has missed many games through injury.

100 games to **Maurice Sullivan** a versatile player who has served the club admirably. Member of B grade premiers 1984. 100 games to **Paul Hogan** started his career in defence but now a very competitive C.H.F. played in 1984 Premiership side after battling his way up from the thirds side early in the season. 100 games to **John O'Connell** rover former U.19 capt. Played every game last year including winning Grand Final side.

100 games to **Andrew Hargreaves** battling half back flanker who was a member of the reserves premiers side in 1983. Congratulations from all at St. Bernards to all these fine players and clubmen.

Congratulations to **Darren Looker** on playing his first senior game last week against De La Salle. Darren has battled well to overcome a severe knee injury suffered whilst still at school. Well done your persistence has been finally rewarded.

50 GAMES AT COMMONWEALTH BANK

All at **Commonwealth Bank** congratulate **Richard Bailor** on playing his 50th senior game last week. **Dick** is an inspiring player, who although tender in years, has matured quickly and was rewarded with the position of deputy vice captain of the seniors this year. **Dick** can play in a number of positions and always give 100% and never gives in. Well Done **Dicko** and heres to the next 50.

50 GAMES AT OLD BRIGHTON

Rohan Murray recently played his fiftieth game for Old Brighton. Muzza may not be one of the prettiest footballers to watch but he certainly is a trier. Always keen to get in amongst it, Rohan really enjoys his football. Congratulations Rohan, sorry we're late recognising this milestone, but we will be on time for your hundredth.
