**Foster's Lager—  
A symbol of Australia  
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

**Australia's favourite beer.**

## A Section Review

by Ross Booth

**Collegians** finished top of A Section when they decisively accounted for **North Old Boys** by 26 points at Harry Trott. **North** were top just two weeks ago but have finished fourth as **De La Salle's** win over **Blues** was enough for **De La** to go ahead of **North** on percentage.

**Collegians** never looked like losing after their good start against **North**. **Geoff English** at full forward kicked 5 goals and at the other end the full back line of **Wright, Williams** and **Irvine** was rock-like in defence. **Steve Laussen** was a very damaging ruck-rover.

**North** did not look impressive, and even when coach **Jim Durnan** called on his players to do "anything", very few responded. **John Dore** in the ruck and at centre half forward was one to stand out. **North** overdid the handball and short game and **Collegians** had tackling brought it unstuck.

**Ormond** retained the double chance with its big 58 point win over **St. Bernard's**. The loss ended the Saints hopes of surviving in A Section. **St. Bernard's** started the match well, kicking 5 goals straight in the first quarter to lead by 14 points but **Ormond** slammed on 7 goals 5 in the second term to the Saints solitary point. **Graeme Herkess** had a good duel with **Paul "Chief" Smith** in the ruck. **Mark McDonald** and **Michael Oaten** each kicked 4 goals for **Ormond**. **St. Bernard's** **Corey Klaaysen** was once again a fine ruckrover and kicked 3 goals.

**De La Salle** did not have it all their own way against **University Blues**. They eventually won by 33 points but not after a very close contest until three quarter time when **Blues** led by 6 points. **Blues** began brilliantly, having 5 goals on the board before **De La** scored. But **De La Salle** fought their way back into the game and

early in the last quarter broke loose with 9 goals. For **De La Salle** **Kerin** got 6, **Harrington** 5 and **Murphy** 4 and for **Blues** **McInnes** got 6 and **Wallis** 5 goals. **Harrington**, the **De La** half forward was best and for **Blues** it was evergreen centreman **Bernie Angel** and wingman **Dave Nugent** who starred. It was a satisfactory day for both clubs — **De La Salle** into 3rd place and **University Blues** remain in A Section.

**Old Scotch** handsomely beat **Bulleen-Templestowe** by 43 points but their good form came too late as they finished fifth. **Scotch** got the early break through **Smith, Hodge** and **Fuller** and were never headed. **Bedford, Kiel** and **Mason** each got 4 goals. **Bulleen** full forward **Stephen Pace** kicked 6 goals and finished on top of the National Trustees goal kicking list with 59. **Mal Palmer** and **Paul Lochhart** were other triers for the Bullants.

In a game without great importance, **Ivanhoe** beat **Old Xaverians** by 49 points. **Ivanhoe** held an 8 goal lead at quarter time and that was the final margin. Centre half back **Peter Gittos** has a good day and beat **Nick Wilton** and **Ivanhoe's** smaller brigade of **Course, Clements** and **Sedgewick** gave it the necessary drive. **Old Xavs** defended desperately — without the good paly of **Klein, Greetham, Trainor** and **Atkinson** the margin would have been greater.

In A Section's 1st semi final between **De La Salle** and **North Old Boys** I fancy **DE LA SALLE**. I picked 5 out of 5 last week — I wonder if I can keep it up.

In B Section **Old Paradians** upset of **Marcellin** stopped my clean sweep. In the Sunday 1st semi final I would be very surprised to see **Old Melburnians** upset **PARKSIDE**.

# The Whisper Previews Today's Games

Its finals time. The time when the heart pumps a little faster, you nick off from work a bit early so as to star on the training track and impress the coach, the light is better, blokes seem to throw off injuries that have kept them out of recent games and there is a real buzz around the club. Those in the first semi work out all the reasons for winning, those in the second know that winning means promotion at least, except in A section where the prize is appearance in the BIG match of the season.

In A section old rivals **De La Salle** and **North** meet in the cut throat first semi. Since 1975 they've played in 5 finals of which De La has won 2 and North 3. Today De La will level the score as they're the form side at present having had 3 strong wins against **Blues**, **Old Scotch** and **Ormond** in the lead up, whereas North have lost to **Collegians** and **Ormond** and only beaten relegated side **St. Bernards**. However North does have in its favour its unbeaten record against De La this season. They won by 53 points at De La Salle in the opening round and by 48 points in the return game on May 4th. There are a good number of De La "experts" who do not relish the prospect of playing North today and I wonder if there are not a few players also. The "experts" would have preferred to meet Ormond or Collegians against whom they are more than confident. I suppose such arrogance is fair comment after all De La has won 5 of the last 8 A Section Grand Finals. Enough of statistics — let's look at the players. De La have match winners up forward in **Phil Kerin** and **Shane Murphy** both of whom are in fine form, in fact Murphy is playing as well at the moment as he ever has for De La and **Gus Carroll** has a big task ahead of him. Young **Marchbank** will no doubt line up on Kerin and give away height and weight to the De La spearhead. If Kerin gets on top early **Durnan** may be forced to play skipper **Jerome Griffin** at full back which could upset his game plan as Griffin has been a useful on ball player and also done well up forward. Another vital clash will be between respective ruckmen **Greene (D.L.)** and **Paul Considine (Nth)**. Greene is stronger and a more consistent mark but the North man is more mobile has a better spring and kicks well. Conditions will suit Considine and his drive will worry the De La brains trust, although like many followers of A Section football I have the utmost respect for Greene. Around the packs, **Busutill** and **Cahill** should hold sway. They're stronger than **Lawe** and **Vitacca** who is rarely used on the ball and just as tough as the De La pair. Across the centre **O'Rourke** who is having a great season will beat **Maher** whose form has been patchy but De La should hold sway on the wings, although I note **Harrington** bobbed up with 5 goals last week which suggests he was used as a flanker or third rover than wingman. De La's defence has been led by the dashing **Leonard** and with the ever reliable **Deveson** and **Bourke** to support him, North's forwards will struggle.

**Dillon** may out mark **Leonard** but he lacks pace and is not good on the ground. He will need support especially from North's prime movers **Egan** and **Hanlon**. Besides De La's consistent and much improved form of late its big name players can be relied upon to put in and with the advantage of finals experience and more skill around the flanks, De La should put an end to North for 1985 and at the same time line itself up for the next step on the ladder of defending its title.

The **B Section** first semi looks a forgone conclusion and certainly **Parkside** are entitled to start favourites following their 55 point win over **Old Melburnians** last Saturday, and their 2 victories during the season. The Parkside players know they can beat O.M.s and coach **Peter Yeo** has the huge football challenge of motivating his side, some of whom, I think agree with their opposition! O.M.s will welcome the return of **John "China" Thompson** but to have any hope will need a more disciplined approach. Last week for example there were countless occasions where **Mattingly** flew against **Hec Thompson** and vice versa. In addition **Baglin** a fine rover who has plenty of courage was never in cooe of either **Freeman**, who like **Ormond's Eishold**, is always where the ball is and the evergreen **King** who relished **Elsternwick Park** and was allowed to roam free. **Witts Pattison** and **Davine** were others who did not work hard enough on the defensive side of their play. **Parkside's** biggest worry is who to select. **Coleman** is available after a "4 week spell" and both **Yoksich** and **Stretton** have. **Tom Johnston** assures, recovered from injury. I don't know about **Streton** who is tipped to play at full forward and his clash with **Pisarski** will certainly be worth watching, but **Yoksich** still had his broken middle finger well strapped last Saturday and the Club has to decide whether to risk him or not. Given **Bradley's** good form and the **Parkside** view that **Rohan Brown** is grossly overrated I shouldn't be surprised if Parkside's gentle giant is held back until the Preliminary. Parkside has so many players in top form, the brothers **Shaw**, **Williams** and **Page** that I can't see **O.M.s** getting close and it really wouldn't have mattered where they played this game **Northcote** or **The Park** — **Parkside** will win it easily.

In C Section **Fawkner** should move into B Section and keep its unbeaten record intact by defeating **Therry** and I've a feeling that **Old Camberwell** who will really be playing their third semi in as many weeks can continue their winning form and upset **Banyule**. **Old Camberwell** has won its last 2 matches by less than a goal and will thus be used to the pressure.

In D Section **Old Trinity** who are also chasing a championship title are odds on against **Melbourne High School**. They've had a great year. **Chris Brent** won the goalkicking and skipper **Scott Cawley** the competition B & F. As

victory will ensure them a C Section and a step on the return to former glory its **Old Trinity** for me.

In the "all or nothing at all" first semi **Old Mentonians** had better not take **West Brunswick** lightly. There is tremendous spirit at West and they have two key forwards in **Smith** and **Hall** plus the dangerous **Lawley** who could easily spike the **Old Mentonians** plans for entry to C Section. However **Old Mentonians** ave have shown greater consistency and should win a good game.

The E Section second semi should be won by **Preston** who will use the big **Bulleen** ground better than **Heatherston** and I believe **Peninsula** can overcome **Elsternwick** who will be weakened by the loss of ruckman **Errol Hill**.

**Clayton** should at last say goodbye to F Section after 3 years of disappointment thus forcing **Doveton** into the Preliminary next Saturday against **Brunswick** whom I believe can beat **Commonwealth Bank**. The Bank have lost the sarkle they showed early and mid season and may not have the character to match it with **Brunswick**.

The Under 19 Grand Finals should be won by **Bulleen-Templestowe** in Zone 1, although **North** can be expected to provide plenty of opposition. Bulleen are just a bit better. In Zone 2 **De La** made swift work of **Ormond** last Saturday and are really fired up for the return bout with **Melbourne High** today. The High school upset De La with its vigour in the semi and De La will be far more prepared this time and in what promises to be a great game should win narrowly.

#### RETIREMENT OF KEVIN 'OX' WHITE

After an outstanding career with St. Kilda CBOC, spanning 19 years and 327 games (all in the Firsts), 'Ox' plays his last game today against Kew. His contribution to St. Kilda and Amateur football has been magnificent. Among the highlights of his football career are: club record of 327 games, club captain for 9 years, club B & F 4 times, State Representative 1978, 1979, 1982, 1983, C Grade B & F 1981 and 1984 (runner up 1975, 1982) and 2 goals to date in 1985. Some other roles 'Ox' has played include club secretary, committeeman, reserves coach, selector and mentor for many players. Kevin is a legend at St. Kilda, an absolute gentleman on and off the ground who is admired and respected by opponents and umpires. Our congratulations 'Ox' on being what you are and many thanks to Jean for her support and patience waiting for the day she can burn the 'Boots'. Thanks, 'OX'!

#### HUNDRED UP TO TERRY SKIPPER

Last weeks' eighteenth round saw our club captain **Gerard Biddlestone** play his 100th game for Therry in the match against Coburg. Gerard has enjoyed a fantastic season as team leader with undoubtedly the highlight being his fine performance in the representative match against New South Wales. On behalf of everybody associated with the club I would like to congratulate Gerard on reaching this milestone and wish him every success in the finals.

Therry would like to congratulate the following players for heading the goalkicking list for the club at the end of the home and away matches:

<b>Seniors: David Wrigglesworth</b>	<b>63</b>
<b>Reserves: Chris Murcutt</b>	<b>30</b>
<b>U/19s: James Gallagher</b>	<b>75</b>

Notice how Murph doesn't get too hot under the collar any more?

It's probably because Murph's a lot more comfortable playing in his new Woolblend jumper.

In fact, since the whole VAFA State Representative team have been playing in Woolblend jumpers they've all been a lot happier.

Woolblend jumpers breathe, so no matter what the weather, there's no overheating, itching or scratching.

And while others lose their form after just one season, Woolblend jumpers keep their shape for years. They're also machine

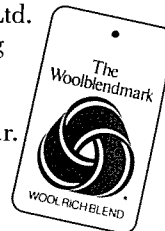

washable or commercially launderable.

Club secretaries are advised that Woolblend jumpers will be available for the 1986 season from Polwarth Knitwear Ltd.

But we also advise ordering by December to ensure delivery. Miss out, and your whole team could get very hot under the collar. Telephone: (03) 555 5588

Woolblendmark. The finest blend.

### 200 GAMES FOR BALACLAVA'S MEDIC

Balaclava players and supporters would like to acknowledge the great work of club medic **John Nation** over the years. **John** recently officiated at his 200th game as the club medical officer. Ever reliable **John** has pulled many a muscle back into shape, relieved many a cramp and applied just the right salve at just the right time to relieve the pain in a variety of trouble spots. His pre-match rub downs have helped many a player get into top gear a lot quicker. He has been an integral part in keeping many of our teams together for the full 100 minutes over the past few years. Well done on your past efforts **John** and we hope to see you around the place for many more seasons to come.

## Personality Pars

### 300 GAMES AT CLAYTON (a new club record)

Two players at **Clayton** have made history this year in achieving milestones that are a testimony to their loyalty and their ability. **David Clulow** who has reached that 300 mark after joining the club in 1963 as a youngster can be justly proud of his loyalty and football ability over the years. **David** who would have played in most positions in both the juniors and seniors other than rover has been a stalwart who even through heavy business commitments still applied himself to playing and enjoying football. Well done **David** that record is in sight! To **Terry O'Donoghue** who now holds the club record of games at 322 is a mighty achievement. **Terry** is and always will be well respected for his fairness and yet hard paly that he tries to encourage others to use. **Terry** has been coach of the reserves and won many trophies which testify to his ability. The loyalty displayed and dedication are a thing that really cannot be matched and **Terry** has displayed and encouraged it all. Well done!

### CLAYTON DRAGON MILESTONES

All at Clatyon are ecstatic after the good showing by the senior XVIII this past season and by their first appearance in the finals since joining the Amateurs in 1978. The reserves have also made the finals for the fifth time since 1978 but this season is a little different from others when they have been well entrenched in the four, they have only just made it by .95% in the last game of the season. A good effort by all concerned. During the year a number of players have reached milestones but in keeping with a policy of team and club efforts individuals were not to be recognised until now. It is with hearty congratulations that the following players efforts are not recognised briefly for their contribution to the club. 50 games... **Neville Wathen** and **Adrian Besley** who are both regular senior players and who both joined our club in 1983. To Nifty and Aids well done the ton is coming. 100 games... **Martin Dinsdale**. **Dinny** a player who has come from the Under 19's and has played 100 games in only 5 season of football

with this 6th season not yet over. A regular behind the bar or under it with most of his football in the firsts. **Russell Newton** 'Bucket' well done and another of the players who has achieved this effort from the Under 19's in the same period as **Dinny Russell** is also now a regular in the firsts with one best and fairest under his belt. **Charlie Cockerell**, one of the older players who just keeps on keeping on has finally made it after joining the club in 1977. Injuries and business might plague him but a very loyal clubman who is a solid player as many bruised opposition players can testify. **Peter Eaton**, our registration and statistic secretary who is an under 19 player with a best and fairest to his name. Has managed to combine his clubbed foot well with football.

150 games.... To club captain **Peter Burghardt** a very big well done. **Peter** has proved his leadership qualities never fail as he has been reappointed club captain this year and has inspired on many occasions with single efforts in most of his 150 games. Except for his ankles he should manage another 50 to that 200. **Andy Stink** after a forced absence through studies as a lawyer has returned to make it to 150. **Addy** 99% fit should also see it out to the double tone with a little luck. **Noel Gent**, the son of 99 games **Des** who we cant talk into pulling the boots on for the 100th game has achieved this milestone of 150 with regular excelling performances in the seniors. **Noel** would be always keen to do well and his club spirit and company is recognised by his many circle of friends. Well done **Noel**.

### CONGRATS TO DE LA MAN

When the pressure has been on in the finals **Shane** has always come through. His contribution to amateur football was recognized this year when he was selected as Victorian captian for the matches against the VFA Australian amateur carnival series, and the V.C.F.L.

Congratulations from all at DE LA, thanks for your magnificent playing deeds that have helped keep the club up at the top, and also silence your many critics.

**CLAYTON CONGRATULATE THE B & F**

All at Clayton congratulate the Best and Fairest at our club in both the seniors and reserves on their well deserved wins. To **Tim Pazianas** in the seniors who won by 2 votes from **Bruce Regent** and another vote behind him was **Brian Reynolds** our heartiest congratulation on a fine season. **Tim** has displayed courage and ability, consistently this season and has well earned the honour that has been bestowed on him. Well done **Tim!** **Tim** has asked that a big thanks be passed on to all teammates as he is humbled and feels the award is for the team and the real reward will be the win in the Grand Final.

To our club secretary **David Cook** congratulations on a good year with the reserves. **David** at 33 has had a consistent season and has played well in defence all year. He may reach that 300 game mark in a couple of seasons but maybe age will beat him. Still a good year and also a well deserved win.

**50 GAMES TO MATT CONROY**

Congratulations to De La Salles **Matt Conroy** who played his 50th game for the club against Old Xaverians. A former Under 19 captain and best and fairest winner, **Matt** has progressed through to the senior ranks, this year and there is sure to be many more games in the blue and gold jumper, to come. Well done and keep the good work up.

**100 GAMES AT WEST BRUNSWICK**

Champion forward **Fred Hall** today plays his 100th game for **West Brunswick** in the 1st semi final against **Old Mentonians**. **Fred** commenced with the club in 1980 in the Juniors and after a shaky transition cemented a position in the senior team in 1983. **Fred** has that uncanny ability of all top forwards to know where the goals are and often kicks them from impossible angles. **Fred** is currently third on the Sharpshooters list having booted 62 goals so far this season. **Fred** has been a major part of the club's push to the finals and all at **West** congratulate him on this fine achievement. Well done **Fred!**

**WELL DONE 'REX'!**

All at Heatherton congratulate **Steve 'Rex' Reiger** on heading the E Section goalkicking at the end of the home and home games. As well as booting a swag of goals **Rex** is also a fine team player and his clever play has resulted in many goals to team-mates. With the finals over the next few weeks **Rex** may well crack the magical ton.

Thanks are also due to our boundary umpires, **Rod Harvey** and **Laurie 'Dina' Saver** and all others who have officiated in the numerous tasks throughout the season. Well done fella's, lets hope you are rewarded with success in the finals.

**Looking Back**

by Noel Rundle

**15 YEARS AGO**

**Peter "Tubby" Atkinson** became the second player to play 150 games for **St. Bernard's O.C.**

Finals umpires were **G.M. Simpson, Hagarty, Marchall, D.R. Dodds** and **Mason**.

**Old Carey** defeated **U.H.S.O.B.** by 15 points in a second semi final in "C" section with **Freeman** (27 kicks), **Birrell** and **Redford** (5 goals), best for **Carey** and **Hanton**, **Ashmead** and **Seath** (5 goals) Uni. High's best.

**Coburg** went into the Grand Final for the second year in a row when they were too strong all day for **Ormond**, even though **Ormond** got within 9 points at the last change. **Coburg** kicked 7.4 to 3.2 in the final quarter.

**Old Scotch** returned to "A" section with an easy last quarter victory over **Geelong**.

**Brunswick** centreman **Russell Abernathy** celebrated his 100th game with the club with a fantastic display of football which put his club into the "E" section Grand Final.

**35 YEARS AGO**

**Ormond** and **Old Melburnians** met in the second semi final in slippery conditions with **Ormond's** defence in control — allowing **O.M.'s** only 3 points after quarter time. Final scores were **Ormond** 6.19 to **O.M.'s** 3.3. Best for **Ormond** were **Joe Sheehan, Eric Donaldson** (celebrating his 50th game) and **Bob Rowse**. The win put **Ormond** into the Grand Final — the eighth in 13 full seasons since the club's inception in 1932 in "D" section.

In "D" section **East Malvern** finished too strongly in the semi final against **U.H.S.O.B.** to win the right to play **Power House** in the Final. **Ken Purcell** was in everything for the winners — his grand marking and general field play made him best afield.

**5 YEARS AGO**

In perfect August football weather the "A" section first semi provided the greatest excitement of the day with the "underdog" **Ormond** winning by the narrowest margin after trailing **St. Bernard's** by 25 points at the last change and needing to kick more goals in the last quarter than in the first three, and they did, winning 8.13.61 to 8.12.60. Best were **Fisher, McAsey, Morris (Ormond)** and **Wade, Angel, Rackliam (St. Bernard's)**.

In "C" **Bulleen-Temp.** came away in the final few minutes to beat **Hampton Rovers** by 10 points in a top quality game, 14.10.94 to 12.12.84. Stars were **Walton, Murphy, McCoy (Bulleen-Temp.)** and **McPherson, Kennedy, Mugent (Hampton Rovers)**.

**Collegians**, leader in "B" section for most of the season were defeated by **Kew** who led at each change and won by 23 points with **Harambopoulos** (6 goals), **Hayes** and **Toogood** stars for the victors while **Wagstaff, Hibbins** and **Baum** strove to keep **Collegians** in touch all day.

Leading goalkickers for season were: "A" **Karvelis (U. Blues) 104**, "B" **S. Curtain (O. Xavs) 105**, "C" **J. Priestly (O. Brighton) 108**, "D" **I. Henderson (AMP) 76**, "E" **J. Butcher (O. Geel) 106**, "F" **Peter Hille (U. Reds) 105**.

Finals field umpires included **Wayne Hinton** for "E" second semi, (Wayne umpired last Sunday's V.F.L. match on S.C.G. between Sydney Swans and Melbourne).

**10 YEARS AGO**

After the first change **St. Bernard's** were always in control against **Reservoir O.B.** in "A" second semi. Finally scored a convincing 33 point win. Best were **Rackham, Mitchell, Burgin (St. Bernard's)** and **R. Shepherd, Bates, Trevascus (Reservoir)**.

**U. Blues** won their way back into "A" section with a 38 point win over **De La Salle**. **Barry Church** (8 goals) was a brilliant player for **Blues** well supported by **Sammon** and **Rendell**. **McDonnell, Slattery** and **Murnane** were best for **De La Salle**.

Winners of final games to win entry to grand finals and promotion were: **C: St. Kilda C.B.O.C. d. Old Ivanhoe; D: Fawkner d. Old Geelong; E: Elsternwick d. A.M.P. Society; F: Monash Whites d. Bulleen United.**

## Personality Pats

### BOLTY CHALKS UP HIS FIRST 50!

Congratulations to **Michael Bolt** of De La Salle who played his 50th game for the club against Old Scotch. Mick has worked his way up from the juniors, and broke through for his first game in seniors this year. A good clubman, who has the ability to go on and play many more games for the club. Well done on your efforts so far.

### 50 GAMES AT AJAX

All at AJAX congratulate **Rob Zubin** on playing his 50th game earlier this year. Rob, a most courageous and fast rover, joined AJAX in 1982 and has become a most integral part of the senior team. Twice runner up for the club best and fairest and runner up for the B grade B&F last year, Rob has had a most consistent career at AJAX always setting high standards for himself. A superbly fit athlete Rob puts his boot on the line on many occasions and has earned many admirers at the club. Everyone at the club wish Rob all the best on his achievement and look forward to Rob being part of AJAX in the future.

### CELEBRATIONS AT MONASH WHITES

Some milestones have been reached and will be reached over the next week at Monash Whites.

**Theo Theodorou** played his 50th game two weeks ago and **Colin Brice** played his 150th last week. These two have been two great clubmen with both contributing an enormous amount to the club. Everyone at Monash Whites hopes we can talk Colin out of retirement yet again.

Coach **Damien De Pace** and President **Peter Brooker** will play their 100th games next week. Both were members of the combined VAFA University side.

**Peter Brooker** has been an inspiration to all around the club for seven years now and we hope his association will be long lived.

**Damien Depace** deserves special thanks for his efforts as coach. No coaching job is easy, particularly at a University where a team is hampered by student demands such as exams etc. Damien has led by example and showed what can be achieved when the coach earns the respect of his players through dedication and courage. The club is indebted to all four of the above players. Many thanks from the committee and our future now looks pleasing.

**100 GAMES AT DOVETON**

Congratulations to **Greg "Poppa" Wadeson** on being the first footballer to play 100 games for **Doveton S.J.O.C.** "Poppa" has been a stalwart of the club since we started in 1980 at St. Johns College, although he has frequently announced a retirement he never took. "Poppa" has been on the committee in the early years as treasurer (two seasons) and played in defence, usually centre-half back in nearly every game the Jocs has played. If any player has earned a place in the finals team, Greg has. Well done Wado.

**100 UP FOR MURPH'**

Everyone at De La Salle congratulates **Shane Murphy** on playing his 100th game for the club in today's first semi final against North O.B. Shane has been a quiet achiever during his time at the club, where because he was an ex-league player, people expected a lot more than of a normal player. To his credit, Shane has been able to rise to the occasion, and show his great football ability, and when the pressure has been on in the finals Shane has always come through. His contribution to amateur football was recognised this year when he was selected as Victorian captain for the matches against the VFA Australian amateur carnival series, and the V.C.F.L. Congratulations from all at DE LA, thanks for your magnificent playing deeds that have helped keep the club up at the top, and also silence your many critics.

**DOUBLE HONOURS AT CLAYTON**

Two players at Clayton this week will have the honour of representing their Club in the Senior XVIII's first final appearance with the Amateurs since joining the competition in 1978, and also play their 100th game. This double honour is to be shared by **Steve Cooper** and **Rohan Blair**. Both have proved loyal and keen competitors with plenty of ability and will give their opponents in this weeks second semi final a lot to worry about. Both are skillful players and dedicated clubmen and with the added incentive of their 100th game deserve to remember the day with a good win for the club. Congratulations to you both.

**APPRECIATIONS**

To our many friends in Amateur football, my wife and I wish to express our sincere thanks for the many messages, cards, and visits to hospital. It was rare indeed for a day to pass without a visit or message from a V.A.F.A. person during my 18 weeks at Bethesda Hospital. To all concerned many thanks, with special mention to the V.A.F.A. Umpires Association, to Phillip Rowell, Kevin McKay, George & Nancy McTaggart and last but not least UNIVERSITY BLUES whose concern for our recovery made us so very proud to have served them for the past eleven seasons.

**Ted McNamara**

**200 MILESTONE AT ROVERLAND**

All at **Roverland** would like to congratulate **Barry Bird** on playing his 200th game last week against **Therry**. **Barry** commenced with the Rovers in 1974 and has spent his playing career in the backline. Brief highlights of **Barry's** career include Most Consistent 1980, Runner-up in the Reserve B&F in 1982, Reserve B&F 1983 and Most Determined in 1984. **Barry's** determination continued into 1985 gaining him selection in the Seniors for the majority of the year. Once again congratulations **Barry** and we hope to see you reach the 300 mark.

**ANOTHER 50 AT DE LA**

**Rod Bromley** is yet another De La Salle OC player to reach the 50 game milestone, when he played against St. Bernard's in round 15. **Rod** has been a consistent reserves player who has occasionally cracked it for a game in the seniors, but this has not stopped his enthusiasm and effort for the club. Congratulations on your achievement and we all hope you play many more games in the Blue & Gold.

**50 GAMES AT COMMONWEALTH BANK**

Congratulations to **Robbie Salla** who today plays his 50th game for the **Cobras**. **Robbie** is an excellent player with fine ball skills envied by most. Well done!

**UMPIRES CORNER**

**300 UP FOR BENNY**

All members of the V.A.F.A.U.A. sincerely congratulate **Brian 'Benny' Goodman**, who, today, umpires his 300th game. A wonderful achievement indeed, **Benny** has been an ornament to the umpiring profession and one anticipates that he will continue to control the centre square and environs for many seasons to come. This is **Benny's** 21st year in Amateur Football having initially spent 6 years at **Brunswick Amateurs** where he played 106 games. A spate of injuries led him to umpiring in 1971. His performances speak for themselves — 43 Final's appearances, which include 16 Grand Finals (3 'A' section and 2 'B' section); 6 Interstate matches; 2 Carnival Games (1985); A.A.F.C. v V.C.F.L. (1983); V.A.F.A. v V.C.F.L. (1985); V.A.F.A. v V.F.A. (1984) and V.A.F.A. v V.F.A. U/18's (3 occasions). A Life Member of the Umpire's Association, **Benny** also served as Assistant Secretary for 6 years and currently is an Executive Member of the V.A.F.A.U.A. A humble and modest fellow, **Benny** is known for 'sharon' his umpiring experiences and knowledge with younger members of the umpiring fraternity.

Well done **Benny**. We duly applaud and acknowledge your achievements and commitment to umpiring. May you continue to bring credit upon yourself and the V.A.F.A.U.A. in general.

## OLD XAVS

The Old Xaverians are off to B Grade to do a little team building. As **Lou Zachariah** would say "We are at the wrong end of town". Don't despair Lou we will improve for you.

Our club wishes to thank the editor of the Amateur Footballer for publishing our notes and the McTaggart for all they have done for the game.

Best of Luck to the A grade finalist. We hope you have an exciting finals series with victory going to the finest amateur team. Bye for 1985.

**Old Xavs**

## CONSTABLE PLAYS 50

Constable **Mark Barrett**, an off duty centre half back with **Old Mentonians** football club, plays his 50th game today. **Mark** is the Rock of Gibraltar of our backline and has a never say die attitude which has resulted in him winning the "Most Determined" award last year. Although Constable's style is not glamorous, it certainly is effective; just ask some of his opponents who have usually been kept goalless. We're sure glad to have the Constable around, particularly with the finals ahead. Congratulations mate.

## 50 GAMES AT POWERHOUSE

Talented forward come centreman **Nick Pavlov** played his 50th game against **State Bank**. It has taken **Nick** five seasons to reach his half century due to injuries, illness and absences, and we hope it won't take him another five years to reach the century! **Nick** has always been loaded with natural talent, however, due to his inability to train regularly it has only been this season that he has held down a regular place in the seniors. Last year **Nick** tied with **Brendan Stewart** for the reserves best and fairest award. We await the achievement of your next milestone at the club. Well done Nick!

## 100 GAMES AT MARCELLIN

All players and supporters at Marcellin congratulate **Chris 'Chicka' Bowlen** on playing his 100th game. Throughout his career with the Eagles he has moved to be a tenacious centre line player and many scoring opportunities have resulted from his 'never say die' attitude. A keen student of the game, Chris has added depth to the coaching panel on a number of occasions as well as encouraging many of the younger players to strive for senior selection. Well done Chicka on reaching this milestone, and for the contribution you have made to the club over the years.

## CENTURY TO C.B.

Everyone at Old Trinity congratulates **Chris Brent** on kicking his 100th goal for the season, against Old Mentone last Saturday. CB is the first player in Old Trinity's history to register a ton of goals. His strong bustling play and great marking has provided a focus for all players up field, and his great play has been a key factor in Old Trinity being unbeaten on top of the ladder. Well done Chris.

Old Trinity also congratulates **Steven Adgemis** on playing his 100th game for the club against State Bank today. Adg. has been one of the major reasons for Old Trinity's resurgence in the past 4 years and this has been reflected in his high finishes in B&F awards, including runner up in 1983 and his appointment as vice captain for 2 years. Steve's straight through style of play and brilliant tackling should see him be one of the first players picked for many games to come. Well done Adg.

On a lighter note, the editor feels it would be remiss of him not to offer **Andrew 'Miss Alice' Allitson** heartfelt congratulations on his great victory in the Miss Trinity quest. His phone number is available to those who can afford it. Well done also to the Divinyls on their victory in the talent quest, although **David O'Shaughnessy** of the famous combo spastic as anything lodged a very vocal protest on hearing the result and may be taking legal action.

### 100 GAMES TO ROSCO

All supporters, players and committeemen at Old Mentonians would like to salute **Ross Newman** on playing his 100th game today. Ross, who as vice-captain, leads by example, is one of the most determined and inspiring players at the club. His never say die attitude means he throws his body into everything; but Rosco can take it. His seemly fearless determination have resulted in a number of slight injuries, but you can't keep a good man down. Rosco is one of the reasons why Old Mentonians looks like going into C Grade next year. Well done mate!

### 100 GAMES AT AJAX

Congratulations goes to AJAX **Jeffrey Jankie** on playing his 100th game last week. Jeffrey who joined AJAX in 1975, played in 4 grand final sides including the 1979 B grade premiership. Jeffrey, a most capable ruckman would have achieved this milestone earlier but for an unfortunate injury in 1979 which resulted in the removal of part of his kidney. Over the past few seasons, Jeffrey has been the runner for the seniors but Jeffrey could not resist the temptation of playing 100 games and decided to make a comeback this year, a most courageous decision. Well done Jeffrey, an achievement well deserved.

### 50 GAMES AT ROVERLAND

Players, committee and supporters congratulate **Ross 'Lurch' Hetherington** on reaching 50 games for the club. Ross started in 1983 as a tall raw skinny kid in the Under19s and has now progressed to be the seniors number one ruckman. 1984 saw Ross runner

## Personality Pals

up in the Best and Fairest and will no doubt feature prominently in the awards this year. Well done, Ross. We look forward to your next fifty.

### 50 GAMES AT AJAX

Everybody at AJAX give their best wishes to **Gary Velleman** who plays his 50th game today. Gary who joined AJAX seniors in 1981 after a distinguished junior career has reached this milestone in great style. Gary, 20, a most talented utility player represented the VAFA under 18s in 1983, and over the past couple of seasons has been a most important member of the club. Whilst the club is going through a period of transition, Gary has matured very quickly and has become a responsible team member. Well done Gary, all at AJAX look forward to seeing you continue your career at AJAX in the same manner for many years to come.

### 50 AT MHSOB

Today, a player who some consider to be a 'legend' already, plays his 50th game with MHSOB. We of course, refer to **Mal Roach** who joined us in 1983 and has produced some of the most consistent football seen in the reserves for some time. Whether playing on the wing or on the ball his courage cannot be doubted and invariably when a bullet like handpass rockets from a pack, one knows the 'legend' is in the thick of things again. Mal is a very creative player even when streaking downfield he is always looking to bring a team mate into the game either with an accurate hand or foot pass. Roachy is a great type of player to have around the club and all his friends wish him luck as he works towards the magic ton.
