## Foster's Lager— A symbol of Australia for almost a century.

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

# A Section Review

by Ross Booth

**De La Salle** advanced to the Preliminary Final with a comprehensive 46 point win over **North Old Boys** in last week's 1st semi-final.

**De La Salle** kicked with the breeze and mid way through the quarter slipped away to a handy lead thanks to 3 early goals from half forward **David Harrington**.

**North** trailed by 26 points at quarter time but by midway through the second quarter had fought back with 4 goals to trail by only 3 points. But this was the closest **North** got to **De La Salle**, and in fact **North** did not score another goal after this, adding just 2 pointed in the second half.

**De La Salle** led by 39 points at three-quarter time after a good 5 goal quarter with the breeze and then in a superb final term display of disciplined defensive running football into the breeze kicked a goal themselves and kept **North** scoreless.

A great part of **De La's** drive came from ruckman **Mick Green**. He missed the early part of the season with a leg injury and **De La Salle's** revival is in a large part due to his presence. **Gasparin** was a creative winger, and **Shane Murphy** a dangerous forward kicking 4 goals. But, it was the **De La** defence led by **Deveson** and **Leonard** and supported by **Bourke** and **McHenry** which repelled **North's** approach to goal and provided a springboard for attack.

**North** was terribly disappointing. The stage was set for them for a grandstand finish with the breeze but they folded in much the same fashion as the week before against top side **Collegians**. **Conti, Dore, Dubois** and **Griffin** defended as best they could but **North's** forwards were not to be found. Their main goal scorer was half back **Bruno Conti** with 2 goals. Rovers **Brown** and **Busutill** tried hard, even though they were changed off the bench!

**North** must now look to 1986 and **De La Salle** with all guns firing loom as a definite possibility for a crack at their 3rd successive flag.

The thought of playing **De La Salle** in the Preliminary Final will be an added incentive for both **Collegians** and **Ormond**.

I saw **Ormond** beat **Collegians** at the Gunn Reserve earlier in the year. **Mike McArthur-Alen** thought this was one of the best games he has seen. He has great respect for **Collegians** and so do I. I think the big ground will suit **Collegians**. They were the better side on the day in the recent draw at Harry Trott. I thought that day that I'd seen a warm up for the Grand Final. **COLLEGIANS v Ormond**

In B Section, both **Caulfield** and **Marcellin** won their home games. **Elsternwick** will suit **Caulfield** but I think they have lost their edge. **Caulfield v MARCELLIN**.

# The Whisper's View of the Semis and Predictions for the Preliminary Finals

Congratulations to **Clayton** who after 3 years of trying have now made it to E Section as a result of their good win over **Doveton**. Also to **Preston** who have now moved up to D Section in only 2 seasons although they were hard pushed by **Heaherton** who put up a fine show. **Old Trinity** and **Fawkner** as expected were clear winners and will now paly in C and B Sections respectively in 1986.

It's mothballs for **Commonwealth Bank** whose form fell away at the wrong time of the season and **Peninsula O.B.** who again disappointed. **Old Mentonians** was not a match for **West Brunswick** and **Banyule** live to fight another day with a solid win over **Old Camberwell**. At the top of the tree **North O.B.** put in a poor performance against **De La Salle** and **Old Melburnians** was as unlucky as **Parkside** was lucky to be tumbled out of the B Section 1st semi which was in reality an excellent game and both sides are to be complimented on their performance.

Finally congratulations go to Under 19 Premiers **Bulleen-Templestowe** and **Melbourne High School Old Boys** who were respective Zone 1 and Zone 2 Premiers. Their clash on Sunday is being eagerly awaited and as both sides reached the semis of this competition last season it's perhaps appropriate that they are playing off today.

The winner presents me with a difficulty as **Bulleen-Templestowe** have had a great season and won its second semi and Grand final well despite spirited opposition from **North Old Boys**. On the other hand **M.H.S.O.B.** have clicked at the right time as the fine wins over the unbeated **De La Salle** in both the second semi and the Grand Final show, and as a result of having the spirit and ability to overcome **De La's** first round invincibility I'm going for the High School to beat **Bulleen-Templestowe** in what promises to be a high standard game.

Lookin now at the 4 Preliminary Finals — **Brunswick** will, in this scribe's opinion, start as favourites against **Doveton** in F Section. **Brunswick** beat **Doveton** by 10 goals in Round 18 to hold its place in the 4 and followed up with a fighting win in the semi final against **Commonwealth Bank**. **Doveton** has lost confidence and appears to rely on a few stars whereas **Brunswick**, like **Clayton**, are a far more even combination and I believe that is a strength that will see the "Wicks" move into the Grand Final and back into E Section. After 5 years in the wilderness **Doveton** will have to be content with a great improvement and early favourites for 1986!

The E Section Preliminary Final will be a humdinger. Virtual newcomer **Heatherton**, established in 1975, against **Elsternwick** which with **Collegians** and the **University** are among the Association's longest serving clubs. **Elsternwick** was decidedly impressive in its win over

the **Collingwood** of E Section **Peninsula Old Boys** whilst **Heatherton** can be counted as unlucky to have gone down to **Preston**. During the season both clubs had away wins, the most significant perhaps being **Elsternwick's** 4 point win at **Heatherton** on August 3rd. Both sides have plenty of what it takes and **Elsternwick** will need to keep a tight rein on **Steve Reiger** the section's leading goal kicker. However "Lumpy" **Rosewarne** is a shrewd tactician and the **Monash** oval should suit the running game which **Elsternwick** have gradually developed over the season, and this fact plus a degree more of enthusiasm should see **Elsternwick** through to its first Grand Final since 1975.

**Melbourne High** has the job in front of it in the D Section Preliminary. It faces **West Brunswick** for whom everything has gone right of late and the club is chock full of confidence and moreover playing strong disciplined football. There are some fine players at **West** and the **High School** will need to start well for if **West** get a sniff of victory they'll go right on with it. **Alan Quaife** will no doubt have spent many hours preparing both his players and a game plan but **Graeme Weatherall** his opposite number has imbued terrific spirit into **West Brunswick** and in the upset of the day I'm going for the **Black and Whites**.

In C Section **Therry** as anticipated meet **Banyule** who I'll admit surprised me with its semi final performance in the cut throat of matches. B Section, and all the recognition and privilege that section provides is the coveted prize for the winner and **Therry's** record against **Banyule** over their years of competition suggest that "Brockwells" **Banyule** may have the edge! Let me elaborate. During this season **Therry** won by 7 points at home on July 27th and **Banyule** were victors by 29 points on May 18th. The clubs first met in F Section in 1980 and **Therry** was successful on both occasions. 1981 saw **Banyule** win but more significantly **Banyule** despite going down in the second semi won the "big one" and the F Section flag. In 1982 each side had a home win but this time roles were reversed and **Banyule** won the second semi and D Section whilst **Therry** had its revenge when the E Section pennant was unfurled at Oak Park. In 1983 **Therry** won both home and away matches but slipped up in the second semi which saw **Banyule** into C Section and this time **Therry** did not follow as **Fawkner** upset them in the Preliminary.

All these stats are history now and **Bernie Dunn** is fully aware that his off field decisions plus the performance of his players will decide the club's immediate future. After lying second all season it would be a further blow to the **Therry** hierarchy if the club had to spend 1986 in C Section. Make no mistake this game will be a ripper and I expect nothing in it for three

quarters. However **Therry's** form all season and good effort last week against **Fawkner** suggest to me that its little bit of extra class will just see it home in what will undoubtedly be a match to remember.

In A and B Section it's Second Semi Day and in B Section there is of course 2 prizes for the winner. **Caulfield Grammarians** has not played in the top grade since 1978 whilst **Marcellin** of course has the unenviable record of having the greatest number of wins ever for a club deposed from A Section (8). During the season each recorded a home win and the two clubs have only met once before in a final, back in 1976 when **Marcellin** emerged victorious in the B Section Grand Final. Strangely both clubs were relegated from A Section in 1978 but where **Marcellin** bounced back to A Section in 1980, **Caulfield** slid further and went down to C Section in 1982 bouncing back to B in 1984 with the 1983 C Section flag.

The A Section second semi final promises to be everything a final should be as both sides **Ormond** and **Collegians** have very special reasons for succeeding and moving onto the major match of the season.

**Collegians** have not appeared in an A Section Grand Final in more than 20 years and **Ormond** has spent 12 months awaiting a chance to redeem its pride after the debacle against **De La Salle** of last season. Motivation will not be a worry for either **Bruce Ferguson** or **Mike McArthur** although the **Ormond** man has not quite the full list of players that **Collegians** boast. There is doubt over wingman **Paul Sutherland** who tragically missed last years final series and I for one am hopeful he is OK for a return bout with the highly regarded **Lion** wingman **Jeremy Schmidt**. Their clash promises to be a highlight is a game that should produce all that is great is Australian football.

**Collegians** have a fine crop of young players many of whom have had finals experience in both 1983 and 84. I refer to **Hermon, Roberts, Irvine, Baum, Tregear** and **Pollock**. Back them up with skipper **Hinchen**, the **Parsons Greg** and **Keith, Tim Bennett, Andrew Doff** and **Williams** and **Collegians** have a more than useful blend of experience, youth, skill and doggedness — the latter a quality which has enabled the side to finish the season as minor premiers. They have great pace and are easily the best side in the VAFA when it comes to ball disposal, either by foot or hand. On the wide open spaces of **Elsternwick Park** **Collegians** ability to move the ball quickly plus their even distribution of height suggests to me they're likely winners.

However experience has taught me that in finals the unexpected often happens and the unpopular or unlikely often wins. I do not for a moment suggest that **Ormond** is unpopular but I do think its form leading into the finals has not quite matched that of **Collegians** and hence my comment that its the unlikely winner or underdog, a situation that will not worry **Ormond** one little bit. Suppose **Collegians** do not get the ball moving because **Andy Mehrten** and **Tony Bov-**

**anton** (I hope he's fit!) get to it first. What if **Kinston** and **Russell** control the centre, a big factor at **Elsternwick Park**? Perhaps **Michael Oaten** will give **Ormond** the game of his life and **Chris McAsey** turns on a really big one. Surely **Simon Eishold** is better value team wise than **Collegians** **Ian Hermon** and **Russell Barnes** and **Ross Tonkin** are both hard working defenders who will not wilt under pressure. **Alan Naylor** in possibly his last season is bound to have a big influence on the game and having watched the **McDonald** brothers in various representative matches this year has me thinking that either **Stuart Hinchen** or **Greg Parsons** will have his hands decidedly full with **Mark McDonald** whilst brother **David** will form the perfect link with **Barnes** and **McAsey** to give **Ormond** a rebounding half back line. The more I write and dwell on this game the more I'm confused, as man for man, **Ormond** matches it with **Collegians**.

No the winner of this game will be the **Team** which functions as the name implies, and although there is plenty of team spirit and unity at **Harry Trott** I believe there is more at **Molone Street** as they've survived on nothing else in some bleak years and for that reason I'm going for the 'Mons' and I could not recommend a game more to you all. "Going to Waverley? not on your life mate. Get your car on the fence at **Elsternwick Park** and watch a really good game. They've even got an electronic scorebaord there now..."

My selections are:  
ORMOND,  
CAULFIELD GRAMMAR,  
THERRY,  
WEST BRUNSWICK,  
ELSTERNWICK,  
BRUNSWICK.

## What Coaches Say

### Peter French talks to Mike McArthur-Allen of Ormond:

- Q. Having played in the second semi last season and been beaten narrowly, are you a better side and better prepared this year?
- A. We are a better side this year as there's more all round talent and we do not rely on 2 or 3 name players as in the past. We had 12 month's preparation and you can't have better preparation than being runners-up the previous season.
- Q. Did the final composition of the four surprise you?
- A. No — I didn't believe Scotch was the side others believed they were and the best four sides made it.
- Q. Looking now at the game how did you go against Collegians during the year and do you agree they play the same style as De La Salle?
- A. We beat them at home and snatched a draw at Harry Trott. Actually the win at home was the best Amateur game I'd seen as it had everything. With regard to style they're quite different to De La Salle who rely on a possession style. Collegians have a style of their own and have a mobile forward line.
- Q. Are you going into the game as the underdogs?
- A. No it's a line ball and the two best sides are playing.
- Q. Ormond like most clubs has been hard hit by injury this season. What is the latest on Phil Mehrten, and have you the depth to cover the others?
- A. We've got heaps of depth and it's no good having Reserves on top if they're not supplying players for the seniors. Mehrten's a 50/50 chance at this stage.
- Q. Are the players happy and confident of playing at Elsternwick Park and do you think that the size of the Ormond oval is disruptive to establishing a style of play?
- A. Yes, the players are delighted to play at Elsternwick Park, in fact two of our best performances this season were big wins over De La Salle and Ivanhoe. Yes, the size of the Ormond oval does present some difficulties.
- Q. Finally, where will you beat Collegians?
- A. I just think we're a better side and would never tip my hand in regards to strategy. It's our **Team** that will win it for us and I believe that's reflected in our Best and Fairest voting which I predict will be very even.

### Peter French talks with Bruce Ferguson of Collegians:

- Q. Bruce the side has shown more consistency and devil this season. How has this come about?
- A. The players have got older and with that has come experience.
- Q. The decision to field an Under 19 team seems to have paid dividends when one considers the performances of Schmidt, Roberts and Irvine. Are you worried by Ormond's greater finals experience?
- A. No, I'm just worried by their ability.
- Q. I asked Mike McArthur-Allen if he was surprised by the final composition of the four. Were you, and was the season as even as last year?
- A. I was surprised Scotch didn't make it as in my opinion they had some talented players. No not quite as even.
- Q. Has the loss of Cooke, Shimmens and Hibbins effected the side?
- A. Yes, it's allowed some younger blokes to have more of a go, one door opens another closes.
- Q. For years you've had the reputation of being a poor wet weather side. Will a wet and heavy ground worry you in these finals?
- A. Not as much as in the past and I think against De La Salle and Ormond we've proved we're improved on heavy grounds.
- Q. Where can you beat Ormond?
- A. We've got to pressure them around the ball so that our height can be of use to us.
- Q. I guess there's a real buzz about the Club at present?
- A. Yes, it's the first time in 20 years we've finished on top and the Club is confident of playing in it's first A Section Grand Final since 1961.

### Peter French talks to Peter Chisnall of Caulfield Grammarians:

- Q. Peter you are well remembered as a Member of North Melbourne's first Premiership side but what is your coaching background?
- A. After North I went to Tasmania and coached New Norfolk and was also made T.F.L. coach for two

- years where we had four wins and the only loss was to a V.F.L. side. At New Norfolk we were twice beaten in Preliminary finals. I then returned to my old Club Corowa who amalgamated with Rutherglen and reached the Preliminary in the first year and also coached the Ovens and Murray side. Since then I helped at Port Melbourne and been on the development side at North in Barassi's era.
- Q. What then is your impression of Amateur Football?
- A. I have a very high regard for it. I believe that the Amateur players and Amateur people — i.e. at club and Association level are well on the way to taking over from the V.F.A. The football is of a high standard and players I've seen have great talent.
- Q. What conditions would you hope for on Sunday?
- A. I think we'd prefer holding type conditions. We've lost a couple on boggy grounds but on those occasions it was an attitude problem and we didn't prepare ourselves well.
- Q. Would you agree that you have more 'name' players than the opposition and that their experience will be the telling factor?
- A. I think experience is going to be a telling factor. However, experience can come very quickly. With good young players, especially in finals where anything can happen.
- Q. Where else will you win the game?
- A. I think the areas we'll be working on are our forward line strength which is a big plus and the games we've played well we've only really put two good quarters together and our full back line who've been together all year is very tight. Our half back line is also a great rebounding line.

### Peter French talks to Neil Le Lievre of Marcellin:

- Q. Neil, what is your background as a coach?
- A. I was with St. Mary's in the Eastern Suburban Churches for five years and De La Salle for two years.
- Q. Was it a difficult decision to take on the Marcellin job, especially as they had been relegated from A Section and lost the services of experienced players such as John Jones, John Toomey, Dominic Simmonette, Bernie Cooper and Nick Bourke?
- A. Yes it was a difficult decision but not for those reasons.
- Q. Having coached in A Section and successfully I might add, what then is the difference between A and B Section football?
- A. The A Grade teams have far more depth.
- Q. Despite the last round loss to Old Paradians have you and the team any doubts that you won't emerge victorious?
- A. No.
- Q. Caulfield has been promotion and Premiership favourite for most of the year, is that a problem for your side who are really quite inexperienced by comparison?
- A. No I don't see that as being a problem, although we're all mindful of their good record this season.
- Q. Why will you win the game?
- A. If we're able to stop their star players and can run the ball we should emerge victorious. We've obviously got full respect for Caulfield and must approach the game positively.

Notice how Murph doesn't get too hot under the collar any more?

It's probably because Murph's a lot more comfortable playing in his new Woolblend jumper.

In fact, since the whole VAFA State Representative team have been playing in Woolblend jumpers they've all been a lot happier.

Woolblend jumpers breathe, so no matter what the weather, there's no overheating, itching or scratching.

And while others lose their form after just one season, Woolblend jumpers keep their shape for years. They're also machine

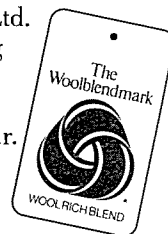

washable or commercially launderable.

Club secretaries are advised that Woolblend jumpers will be available for the 1986 season from Polwarth Knitwear Ltd.

But we also advise ordering by December to ensure delivery. Miss out, and your whole team could get very hot under the collar. Telephone: (03) 555 5588

## ST. BERNARD'S OLD COLLEGIANS AMATEUR FOOTBALL CLUB COACHES REQUIRED

**SENIOR, RESERVE and UNDER 19  
FOR SEASON 1986**

Applications in writing to:

The Secretary, St. Bernard's Old Collegians Amateur Football Club,

### No End to Milestones at Collegians

After a weeks vacation in Surfers Paradise recovering from writers block Collegians "poisoned pen" has again been enticed to put pen to paper due to widespread demand from not only Collegians supporters but followers of amateur football in general.

The first milestone is that of 200 games to one of Collegians favourite sons **Rick Lader**. The "Gucci" man of the club **Rick** joined Collegians from Wesley, first playing in 1973. (**Rick** is in fact 3rd generation Collegian as both his grandfathers and father played for the club).

Quickly consolidating a position in the senior side on the wing **Rick** was able to use his natural pace and long kicking to great advantage although **Lex Hibbins** was heard to comment "I've been watching **Rick** for 15 years now and he still hasn't learnt to kick." Despite this slight defect **Rick** has given great service to Collegians on and off the field serving as secretary in '75, '76 and serving on the committee in '74 and '81. Notable awards that **Rick** has collected are the Reserves Best and Fairest 1982 and the outstanding service award of 1976.

Congratulations **Rick** on reaching 200 games, it is a magnificent achievement and we all hope you will continue on for a few more seasons.

Congratulations must also be extended to **Clint Hinchin** who played his 100th game for Collegians against N.O.B. **Clint** joined Collegians from Kew after having played 86 games there.

He quickly consolidated a position as a ruckman playing games both in the 2nds and the 1sts. Although not possessing any pace **Clint's** performance is always typically lion-hearted displaying a magnificent example to the youngsters in the side. **Clint** has also been great value off the field (more value says **P. Milford**) because of his heavy involvement in both the administrative and social aspects of Collegians. Despite this, **Clint's** most significant contribution is still the enticing of his brother **Stuart** down to Collegians. Well done **Clint** on your first 100 games and we all look forward to many more.

Another milestone reached in recent weeks is that of 50 games to **Robert "Bomber" Lancaster**. **Bomber** joined Collegians in 1983 from Wesley and commenced playing in the Under 19's in their first season since the war. **Bomber** in fact has the honour of being the first person of that under 19 year group to have reached 50 games. Since 1983 **Bomber** has consolidated a position in the 2nds in the back pocket with his own brand of fearless reckless football that was recognized in a tangible way last year by the award of *Most Determined Player*. This season **Bomber** has again been one of the 2nds more consistent players and although a senior game has not yet materialised it is not far away. Congratulations from all at Collegians **Bomber**.

A Section best and fairest went to **St. Bernard's** elusive centreman **Bernie Angel** on a countback from highleaping ruckman **Michael Yeo (Uni. Blues)**. Both players polled 22 points, with **Bernie** scoring 6 b.o.g. and **Michael** 3. Other awards were **B Mark Hibbins (Coll.)** 18, **Tom Mason (Old Scotch)** 16, **C John Houghton (Old. Hail.)** 23, **John Priestly (O. Brighton)** 16; **D W. Blair (O. Carey)** 22, **Gary Vallance (Alph.)** 18, **E Gary Norton (Ment.O.B.)** 24, **Peter Tunbridge (Latrobe)** 22, **F I. Fuhrmeister (Cool-Rovers)** 19, **A. White (Therry)** 17, **J.1 P. Kingston (Old Hail.)** 20, **J.2 J. Roseman (Caul. G.)**, **J.3. A. Beale (St. Kevins O.B.)** 22.

**Old Brighton** won their way into C Grand Final when they annihilated **Bulleen-Temp.** 15.5 to 5.6. Best were **Brown, Gedyne, Wilson, Mullett (Old Brighton)** and **Sheridan, Ling, D'Agostino (Bulleen-Temp.)**.

**Old Xaverians** came back to A Section with a 6 goal win over **Old Scotch** in B second semi, 13.16 to 8.10. **Adgemis, Corcoran, Calleo (Old Xaverians)** and **Alexander, Anderson, Morgan (Old Scotch)** were best.

### 10 Years Ago — 1975

A great last quarter by **North Old Boys** enabled them to wear down **Reservoir Old Boys** in the final and earn the right to meet **St. Bernard's** in the grand final. Four goals up at the last change, **Reservoir** looked to have it won but could not withstand **North's** onslaught and went down by eight points. Best were **S. Maguire, Wigney, D. Maguire (N.O.B.)** and **R. Shepherd, Paulka, Crompton (R.O.B.)**.

**De La Salle** were in control in the B final throughout and beat **Caulfield Grammar** to win promotion to A and gain another chance to defeat **U. Blues**. **Murnane, B. Bourke, R. Halasa (De La)** and **Griffiths, Morphet, Watson (C.G.)** were best.

**St. Kilda C.B.O.C.** came from behind to defeat **M.H.S.O.B.** by two goals in C grand final. Best were **Rothwell, Carroll, K. Drinan, (St. Kilda)** and **R. Wood, Cooper, Short (M.H.S.O.B.)**.

**Fawkner** kicked 6.3 to **H. Rovers** 0.2 in the final term to win D grand final by three points.

**Ajax** and **Monash Whites** won E and F grand finals.

### 15 Years Ago — 1970

**Caulfield Grammar** four goals down at the last change, kicked 6.5 in the last quarter to **Ormond's** 2.1 to triumph by 4 points and win the right in their fiftieth year in the V.A.F.A. to play **Coburg** in the A section grand final.

# Looking Back

by Noel Rundle

The 'outsider' also got up in B section when **St. Bernard's O.C.** led **Geelong** by a point at the last change and then after the game was in the balance for all the last quarter, went away with three quick goals at the finish.

**Brunswick** confirmed their supremacy over **Reservoir Old Boys** with a win in the E section grand final by 21 points, and congratulated their coach **Bill Barnes**.

A surprise was the victory of **U.H.S.O.B.** in the C section grand final where they reversed their semi-final defeat by **Old Carey** with an easy 7 goal win, kicking 8.4 to 1.1 in the last quarter.

### 35 Years Ago — 1950

**Ormond** and **University** met at Elsternwick Park in the Final — victory to **Ormond** meant the premiership; defeat a replay against the **Blacks** the following week for the flag.

The game began in perfect conditions with **Ormond** holding a narrow lead at half-time. **Joe Sheehan**, **Ormond** captain and best player afield in the first half, injured his knee early in the third quarter and was replaced. **Brian Manuel, John Brady** and **Ken Melville** were stars for the **Blacks**.

The last quarter was played in drizzling rain with **Blacks** taking a 1 point lead with about a minute to go.

Then **Jack Boland** **Ormond** rover, marked 40 yards out and the bell went. **Boland** walked straight back, and without hesitation sent a torpedo punt right through the middle to give **Ormond** a 5 point victory and their first ever A section premiership for which officials **Les Smith, Doc Porter, Roy Smith, George Frew, Cec Hatton** and **Fred Yewdall** had worked so hard.

## BALACLAVA STALWART REACHES 150th

All associated with the **Balacava A.F.C.** would like to congratulate **Geoff Bottoms** on reaching his 150th game with the club. **Geoff** has a dry sense of humour which has been enjoyed by many over the years. **Geoff** was captain of the senior side in 1974, and captain-coach from 1975 till the end of 1978. In 1979 and 1980, **Geoff** was captain-coach of the second 18 and assistant coach of the seniors. In 1979 **Geoff** won the best and fairest in the seconds. **Geoff** retired for a couple of years, but staged a comeback in season 1983 when he once again saddled up as captain-coach of the seconds, and won the best and fairest in the same year. **Geoff** was appointed captain-coach of the seconds in season 1984, and this year **Geoff** took on the challenge of captain-coach of the new to the club Third Eighteen side. Mouse as he is affectionately known has achieved a great deal over the years, and has served his club exceptionally well. Congratulations on your 150th milestone, and we hope to see you around the place for a long while yet.

## STORK ACHIEVES HIS 100th GAME

**Peter 'Stork' O'Sullivan** would have to be among the most hard working men any club could boast. The things **Peter** organises every match day would send most club officials crazy, but **Peter** manages to make things happen smoothly, as well as contributing greatly on the field for the reserves. **Peter** has been down at the club since 1980, and has been a very valuable club member on and off the field. **Peter** has been on various committees over the years, and this year has performed the role of Vice President admirably. On the field **Peter** has shown himself to be a very skillful, determined footballer who disposes of the ball very well. He has set up many a goal with a timely handball, or a well placed left foot kick. Good luck today **Peter**, we know your contribution both on and off the field will be a big one. Congratulations from all at Balacava!!

## Personality Pars

### 100th GAME AT MARCELLIN

Everyone at **Marcellin O.C.**'s extends best wishes to **Michael Carrucan** on achieving his long-awaited 100th game. His ten year career includes many games in the seniors but injuries in recent years have restricted him to the reserve grade. Most players, past and present, can cite the numerous opportunities they have had from **Mick's** ability as a ruckman and strong mark around the ground. In 1984, he coached the reserves through to the preliminary final and it is a true measure of the man that he has returned as a player to help win an elusive premiership this year. Well done **Mick**, and thanks for the contribution you have made both on and off the field.

All players and supporters at **Marcellin O.C.**'s congratulate **Charlie Hesse** on playing his 100th game recently. As a regular member of the senior side, he has always set an example for the other players with his fierce determination and desire. **Charlie's** strong work around the flanks has contributed greatly to the team's

success this year. He is a valuable player and clubman and we wish him every best wish for the finals.

**Marcellin O.C.** players and supporters congratulate **Brendan Cullinan** on playing his 50th game. A most reliable player, he began his career in our highly successful Under 19's before moving on to the senior grade football. **Bren's** skills and determination are characteristics which are valued by all his team mates and we look forward to him having a goal final's series.

### HARRY'S HUNDRED

At last **Harry Korpetutuncu** (Better known as Hamstring or Koncussion) has played his 100th game for **U.H.S.O.B.** At times it appeared **Harry** would not quite make it. In the end it was only **Harry's** love of training that got him there. Congratulations from the Committee and players. We all hope you get through your next '5' games without injury.

## OLD SCOTCH DEFENDER WINS J.N. WOODROW TROPHY

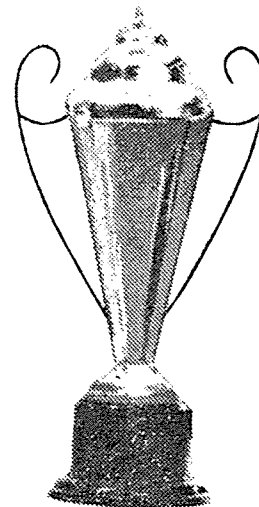

**Andrew Smith** of **Old Scotch** won the J.N. Woodrow A Section Best and Fairest award at the A,B. and C Section Vote Count held at Elsternwick Park on Wednesday last.

**Smith** who was selected in the VAFA team to play the Victorian Country polled 13 votes — 3 firsts, 1 second and 2 thirds, to win the award on a count back from **Roger Curnow of University Blues** (2 x 3, 3 x 2, 1 x 1) and **Mike Greene of De La Salle** (1 x 3, 5 x 2). **Greene's** effort was outstanding as he only appeared in eight matches. Others to poll well in an extremely close affair were **Greg Cameron (Ivanhoe)**, **Jeremy Schmidt (Collegians)** and **Paul Smith (St. Bernard's)** who each polled 12 votes, and **Simon Eishold (Ormond)** and **Steve O'Rourke (North O.B.)** who polled 11. **Smith** was presented with a handsome trophy by **Mr. Kevin Halpin** of **Beaurepaires**, a sponsor of Amateur Football.

B Section winner was **Parkside's** veteran **Jack King** who polled 15 votes to defeat **Tony Amad** of **Marcellin** and **Rohan Brown (Old Melbourne)** and **Mike Varney (Kew)** who each scored 14.

The C Section award went to **Craig Robson** of **St. Kevin's** with 22 votes, from **Terry Young** of **Fawkner**, 20 and **S. Trist (Old Camberwell)** and **A. Beale (St. Kevin's)** on 18.

#### M.H.S.O.B. UNDER 19 PREMIERSHIP

All Senior players, officials and supporters of M.H.S.O.B. would like to congratulate their Under 19 side for winning the 1985 Zone 2 Premiership, the first flag for the club since 1964. This premiership was the result of two main factors, the first being the tremendous effort put in by their coach **Ray Magill** and team manager **Daryl Price**. Without their continued and diligent efforts the team probably would not have reached its ultimate success. The second factor was the tremendous team spirit and enthusiasm shown by the players and their ability to believe in themselves and work together as a cohesive unit. Not only did the team pull off the coveted premiership but they

also won the two other prizes up for grabs. **Con Anastasakis** won the V.A.F.A. best and fairest award for the second time to set a precedent which may never be equalled again in Under 19 football. The other prize won was for leading goalkicker which was taken out by **Greg Moritz** kicking 124 goals for the season. A tremendous effort by both players as these type of awards rarely go to players in premiership sides. All the players celebrated well into the night and it was noted that the coach was still at the club rooms cooking up a breakfast Sunday morning for those who were still going. Once again congratulations to captain **Damien Joyce** and the boys from all of us who support the club. You have done us proud!!!
