**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

A Section Review

by Ross Booth

De La Salle staged a remarkable recovery to defeat Collegians by 44 points in the preliminary final.

It was an amazing turnaround. Collegians led by 10 points at quarter time, 23 points at half time and 17 points at three quarter time, but succumbed in an amazing last quarter when De La kicked 11 goals to Collegians single major.

I did not give much chance to De La Salle at three quarter time. They had made a bit of a comeback after being something like 6 goals down half way through the third term. At that stage I was worrying about who I would select the following week — Collegians or Ormond. How wrong I was!

De La Salle have a never say die attitude. During that third quarter they kept plugging away, and when De La quickly hit the front in the last term Collegians fell apart at the seams as if they felt it was inevitable.

I wonder how much psychology will play in today's Grand Final? I suspect not as much as last week's Preliminary encounter. De La will be as determined as ever, will run, tackle and go low at the ball. They will believe they can win and will give it their best shot.

But what of Ormond? They will be much more mentally resilient than Collegians were last week. Ormond will fight to the end and will not become rattled if De La Salle even get a run-on.

Ormond will be prepared for De La Salle's defensive game and for De La to tag some of Ormond's prime movers. For example Paul Sutherland on the wing will have to be stopped. Who will get the job on him? Phil Mehrten is a danger at full forward but I think De La might get Peter Leonard to pick him up and get Hanrahan to work Oaten. Alan Naylor will provide more opposition for Mick Greene than he has had over the last two weeks. Mick has been a tower of strength even playing with a broken right thumb last week.

Shane Murphy missed last week with a broken rib but thinks he'll be back today. his replacement

Peter Barry did well last week with 4 goals. Ormond will have to watch De La half forward David Harrington and Peter Rennie. Both are quiet and skilful. The De La half forward line kicked 11 goals between them last week, and full forward Phil Kerin marked strongly and kicked truly for 9 goals. I doubt that he will be allowed to have the same influence on the game today. McAsey, McDonal and Barnes should cut out a lot of De La's forward thrust.

De La Salle's pace will worry Ormond. Players such as McHenry and Hollier are very quick compared with the slower but physically stronger Russell, Forsyth and Kingston. Ormond's on ball players of Eishold, Gilmore and Boyanton will match up with Maher, Lowe, Connolly and Cooke. Simon Eishold is a very dangerous player. It wouldn't surprise me to see Connolly asked to mind the ruck rover.

Then, of course, there will be the clash between McDonald and Deveson. McDonald is better in the air but Deveson is quicker and more physical. He's had a wonderful season.

I firmly believe this will be a close game. It would surprise me to see Ormond get the jitters — they will be very determined to make up for last year's loss. On balance, I think Ormond might have just a little bit too much strength and class and I think they will win narrowly, even though De La Salle will be quick and will play a disciplined, defensive, stopping game on Ormond's stars.

Good luck to both teams and let's hope for a good game of football.

For this year's flag: ORMOND v De La Salle

The Whisper's Final Preview

It is hard to believe we're at the end of the season, and that this is my swansong. Like Richmond's axed coach I too am on a verbal agreement but would hope for a return in 1986. I must begin this preview with a brief look at last week and to the Players and Committee of **Fawkner** and **Old Trinity** congratulations on an outstanding season — *Premiers and Champions* — you can't do any better than that. To **Brunswick** and **Heatherton**, and I know I went against you, all I can do is apologize and wish you all the success in the higher grade next year. **Parkside was my other miss last week and from all accounts stopped to a walk in the second half and Marcellin** literally ran away with the game scoring 10 goals to one. Marcellin's record in Preliminary Finals is excellent. They've won E, D, C and 2 B's and lost only one — in A Section in 1982. It was a record I'd overlooked.

De La Salle's performance in turning a 37 point deficit at the 22 minute mark of the 3rd quarter into a resounding 44 point victory was nothing short of sensational. I doubt whether any other team in the V.A.F.A. would have won the game from that position and De La's effort certainly silenced many of the cryptic and smart comments that came from the **Ormond** section of the crowd in the first half.

The B Reserves Preliminary Final should see victory to the **Blacks**. They were the best side all season and were smarting after both allowing **Old Paradians** to draw and then beat them in the replay. **Marcellin** will be somewhat disadvantaged in that both sides are in action and so its the **Blacks** to win the right for another crack at Old Paradians.

In the A Reserves Section Grand Final I'm going for **De La Salle** to reverse last season's result which saw **Ormond** snatch an exciting win in a high standard game. I've no doubt the game will again be of high standard and close but De La's performance in beating **Bulleen-Templestowe** and **Ivanhoe** was most impressive. They have the discipline of their seniors and some very useful Reserve grade players in **Darren O'Laughlin**, **Michael Knuppel** (the hero of the Seniors win in 1983) and **Roman Frenetic** to mention but three. You can bet **Ormond** will prove worthy opponents but in 1985 it's De La — sorry Fish!

There's no doubt about Grand Final week. There's a real buzz in the air. For instance I popped into Elsternwick Park during the week to see V.A.F.A. General Manager Peter French and it was all go. **Max Lyons** was giving the rooms a final once-over, Council workers were mowing and cutting the arena and banks and the VAFA logo was being painted on the centre wing. Caterer **Chris House** and **Peter** were checking final details for the Marquee and official lunches and **Sue Anderson** had her hands full with telephones and typing instructions for gate keepers and marshalls. The place was literally a hive of activity and Elsternwick Park was in tip top condition.

The **B Section Grand Final** is really a foregone conclusion. **Caulfield** quite rightly are favourites and having tasted Premiership success in 1983 know the joys a flag can bring. In spite of the motivation tactics that both coaches will employ **Caulfield** will win because it has better players in more positions. The side will have appreciated

the week's spell, especially **Kanis**, **Fisher** and **Watson** who I'm told have had minor injuries. **Marcellin** is bound to give a better account of itself than it did in the second semi, but the loss of vice-captain **Tony Walshe** is a cruel blow because they have no-one capable of holding **Berzins** who is a fine player and whose long kicking for goal alone can turn a game. The **Eagles** are hopeful that skipper **Andy Cullinan** will be fit. However although he fought hard against **Matthews** in the semi the Caulfield man had the call on the day and I just do not believe **Marcellin** has the replacements to match those two Caulfield stars. In the ruck **Matt Getson** will match **Dick Fish** but Caulfield have the added flexibility of being able to run **Matthews** on the ball and the two Caulfield big men will wear down **Getson** over the four quarters. If **Marcellin** can get on top across the centre where I expect **Luke Getson** and either **Carr** or **Amad** to at least break even, then **Marcellin** will have an alternative route to goal. However Elsternwick Park watchers realize that the way to win there is down the centre and **Marcellin** just does not have the key forwards capable of kicking a winning score. **Steve Psoras** and **Petroff** are up against the class of **Cooney** and **Gregor** both of whom are somewhat underrated, but believe me they're both fine players and what's more they're reliable. **Caulfield** will no doubt rely on its tried and true game plan of long and direct kicking, a style eminently suited to Elsternwick Park, whereas **Marcellin** will need big games from **ALL** of its runners especially **Hellard** who was quiet in the second semi but turned on a big one against **Parkside**, **Slatery**, **Staffieri**, **Cooper**, **Caffry** and the **Carafa** brothers. They will also need a big one from **Ebert** and trust that **Tim Holmes** who could be useful in defence or attack has had enough match practice. There's no doubting the talent in the **Marcellin** line up but you can't buy experience and **Chisnall** is certainly fortunate that in **Stone**, **Kanis**, **Harlock** and **Roseman** to mention just a few he has the players who'll know how to handle any crisis. Whatever way you look at it **Caulfield** will win.

The **A Section Grand Final** promises to be a real beauty and I for one eagerly await it. It's my belief that for the first time in many years there's no favourite this year and thus no underdog, a tag that both clubs would like. Both wanted a low key approach and apart from the odd supporter in each camp no rash statements or promises have come from either side. In reality both sides are very even. They won a game

each during the year with **Ormond** win being more significant and impressive, for it was gained at Elsternwick Park in conditions similar to today's.

There is no doubting **De La Salle's** spirit which was never more put to the test than last week. In fact for the past 8 weeks it has been playing top pressure games and come through them all whilst its finals form speaks for itself.

It has been said that to win at Elsternwick Park control of the centre line is essential. Well, **Ormond** will win on **Sutherland's** wing and I expect **Russell** to at least break even with **Gasparini**. De La are likely to be on top in the pivot where **Pollard** has either **Cooke**, **Connolly** or **Maher** on whom to turn. His move last week when things were tight in that all important third term, of running **Cooke** and **Connolly** out of a back pocket was first class. Up forward **Kerin** is obviously Ormond's bogey man as I do not expect **Murphy** to play. He suffered a broken rib in the first semi and where I do not doubt that he will want to, the De La selection committee will agonize over whether to include him or not. They must have been pleased with stand in **Peter Barry's** effort last Saturday. Ormond, I believe, will start **Ross Tonkin** on **Kerin** and should he prove incapable **McArthur-Allen** has a number of players who could be used including **Phil Mehrten** who is no stranger to the full back position. In the pockets **Forsyth** will have his hands full with **Williams** and **McCooke** will need to watch rovers **Lowe** and **Vitacca** who are dangerous around goals. The Ormond man will win in the air and reads the game splendidly but the De La rovers will beat him for pace.

On the flanks **Harrington** and **Rennie** who is a great find and plays the position to perfection will meet much stiffer opposition this week. Ormond's captain **Russell Barnes** will beat either player in the air as will his partner **McAsey** and both defenders have the concentration, and ability to match their opponents on the ground. Actually the aerial contests between **McAsey** and **Rennie** are sure to provide many highlights.

At centre half back **David McDonald** is a no nonsense and close checking defender. He will beat **Barry** and worry **Murphy**, although if the De La champion is included **Pollard** may well use him either in a pocket or off the interchange bench. As both coaches are fine strategists and put much time and effort into pre-match preparation all but the thinking spectator may miss the significance of the moves both coaches are bound to employ.

The Ormond forward line, in my opinion, is where I believe the **Mons** will win this game. Across the half forward line **Mark McDonald** will worry **Deveson**. He appreciates the extra room in which to move at Elsternwick Park and if he can take some early one grab marks **Deveson** may be in strife. On the flanks **Gilmore** who is also a useful on ball player will on occasions swap with either **Eishold** or rovers **Andy Mehrten** and **Boyanton**. This quartet will all kick goals and although **Brian Bourke** is a fine finals player who runs the De La Defence like a field marshal his work will be cut out today. **Leonard** will most likely start on **Oaten**. He will beat him on the ground and in the run to

the ball, but **Oaten** will do many unseen things and will surprise by bobbing up with a goal when least expected. **Hanrahan** was well beaten by **Collegian's English** last week. He will struggle when **Naylor** is resting and either **Hollier**, although I tip he will be played on a wing, or **McHenry** will have his hands full with **Phil Mehrten**. The Ormond man's great strength and sheer desperation and desire for an Ormond flag will see him feature in more than one goal — you can bet on that.

In the ruck, although like many I have high regard for **Alan Naylor**, De La's **Mick Greene**, who is surely the most valuable club player in the Association, will win. **Naylor's** contribution to this win could come from a forward pocket, leaving **Herkes** to contest with the De La man for much of the game. It has been suggested that **Connolly** will tag **Eishold**. It won't be new to **Eishold** and both players will play important roles. Don't underestimate **Connolly** he may do some silly things but he is all heart and gained most De La possessions last week. **Andy Mehrten** is the best rover in both sides and De La will be looking to "Smakka" **Lowe** to lift his game as he was unusually quiet last Saturday.

This game, as I said at the outset, will be a great one. The teams are remarkably even but **Ormond** may just want success a trifle more and the other big thing going for them is their flexibility. **McArthur-Allen** like **Sheedy** has a number of players capable of performing in either defence or attack. As was said to me by an Amateur football follower during the week "If Ormond lose this year it'll kill the Club" — and he may be right!

My selections :
ORMOND to beat De La Salle and
CAULFIELD GRAMMARIANS to beat Marcellin.
In the Amateur 100:
have a bet on **Peter Keogh** representing the umpires. On the subject of UMPIRES the Whisper's prediction for the Grand Final are **Ken Coughlan** and **John Horwood**. But remember I've been wrong before!

What The Coaches Said

as told to Peter French after the Game

JOH POLLARD (DE LA SALLE): "We won because individual players lifted and the rest of the team followed suit. We have always had trouble beating Collegians and they had a real go in this game, in fact it's probably the best they've played against us. Apart from Murphy who will be right for the Grand Final, we have no injury worries."

BRUCE FERGUSON (COLLEGIANS): "We ran out of ability. We put on a lot of effort especially Herman and Pollock and when they tired we had no one to take over. I don't know who'll win next week."

AND THE CAPTAINS

PADDY MAHER (DE LA SALLE): "Persistence — sheer persistence which is our style of game. Their mark and kick style had them relying heavily on just one player."

STUART HINCHEN (COLLEGIANS): "We didn't lose it — De La won it. We gave them a sniff at three-quarter time and away they went. They've a perfect blend of youth and experience and I thought that we followed our instructions of contesting every issue. Next week — it's hard to say. It'll be close with only a kick in it and could go either way."

Well so long from OTF until next year. I hope you enjoyed the column and to the Premiers — **Brunswick, Heatherton, Old Trinity and Fawkner** — Well done and congratulations. To **Old Trinity** and **Fawkner** who completed an undefeated season congratulations. It is apparently the first time ever that the Association has been able to boast 2 Champion Teams.

Some guests at the President's Lunch on Sunday include The President of the Melbourne Cricket Club, Dr. don Corder and Mrs. Corder, The Deputy Commissioner of Police Operations Mr. Keith Thompson and Mrs. Thompson, the Mayor of Brighton Cr. Robert Smyth, the State Member of Higginbottom The Hon. Mr. Robert Lawson, the Presidents of the competing teams Messrs. OTF congratulates Mr. **Ian Munro** on being named **V.A.F.A. Amateur Footballer Personality of the Year**. *Munners* as he is affectionately known in Amateur circles was both surprised and delighted with the award. Other nominations were: **Harry Leigh (North O.B.)**, **Roger Paul (Old Haileybury)**, **Reg Taylor (Therry CCOB)** and **Peter Chisnall (Caulfield Grammarians)**. Former winners present at the Brunch were **George McTaggart**, **Peter Hutchinson** and **Peter Harris** and guests were entertained by **Maurie Fields** and V.F.A. President **Brook Andersen**.

Brook addressed guests on his philosophy of football which was for the V.A.F.A., V.F.A., V.C.F.L., V.M.F.L. and V.F.L. working collectively for the benefit of the game.

He was keen on the establishment of a National Competition believing that if the game was to prosper it need to be more widely spread.

Part of the V.F.A. submission to the N.F.L. was for a competition comprising 9 V.F.L. teams, composite sides from W.A. and S.A., the Sydney Swans and with Fitzroy in Queensland and St. Kilda in Tasmania.

From Over The Fence

Beaufepaires The Boys in Blue

The V.F.A. role would be as a feeder and to play curtain-raisers. From a financial view point the elite teams would be limited to squads of 30. Brook also saw the need for an Australian Football Commission operating in each state with each league or Association represented. It may be idealistic but was essential for the longterm success of the game. He expressed strong support for the promotion and relegation systems operating in both the V.F.A. and V.A.F.A., and was hoping for a Brunswick victory in 2nd Division.

Notice how Murph doesn't get too hot under the collar any more?

It's probably because Murph's a lot more comfortable playing in his new Woolblend jumper.

In fact, since the whole VAFA State Representative team have been playing in Woolblend jumpers they've all been a lot happier.

Woolblend jumpers breathe, so no matter what the weather, there's no overheating, itching or scratching.

And while others lose their form after just one season, Woolblend jumpers keep their shape for years. They're also machine

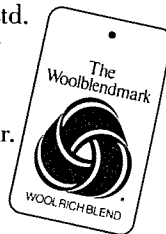

washable or commercially launderable.

Club secretaries are advised that Woolblend jumpers will be available for the 1986 season from Polwarth Knitwear Ltd.

But we also advise ordering by December to ensure delivery. Miss out, and your whole team could get very hot under the collar. Telephone: (03) 555 5588

Looking Back

by Noel Rundle

5 YEARS AGO — 1980

De La Salle O.C and University Blues met in the "A" Section Grand Final with the Blues favourites to take out the flag. 'Twas not to be!

The Blues failed to make use of the breeze in the second term and at half time De La had appeared to have the game in hand although leading by only 10 points.

The Blues attacked in the final term but inaccuracy and the bustling De La backs gave them no chance. Final scores were De La Salle 11.14 to University Blues 7.18.

The team to represent De La was as follows:—

Backs:	G. Connelly	P. McDonnell	B. Hanrahan
Half Backs:	R. Halassa	P. Donegan	B. Bourke
Centres:	D. Hollier	R. McHenry (c)	J. Doolan
H. Forwards:	S. Murphy	P. Green	P. Maher
Forwards:	M. Green	R. Cawley	R. Ruffolo
Followers:	I. Rabone	B. Dunn	T. Cooke
Res.:	A. Groves	W. Peirs	
Coach:	B. Sheedy		

Goal kickers were: De La: Ruffolo 4, M. Green 3, Murphy 3, Rabone 1.

University Blues: Sleeman 3, Karvelos 2, D. Curnow 1, R. Curnow 1.

Best Players: De La: M. Green, D. Burke, D. Hollier, G. Connelly, McDonnell, Rabone.

University Blues: Orton, Bedford, Yeo, Sleeman, Wood, R. Curnow.

Old Xaverians held out Old Scotch to win a thrilling "B" Section premiership by 2 points — quarter by quarter scores were:

Old Xaverians 4.4 7.5 10.12 12.12

Old Scotch 3.4 9.5 10.7 12.10

Best were: Burne, S. Curtain (6 goals), Brown, Ryan, Brimacombe, Atkinson for Old Xaverians and Mason, Duke, Kiel, Sherwin, Duffy, Talbot for Old Scotch.

FATHER and SON = SCOREBOARD

Alex Johnson and his son Cam are seen here in front of the Association's new Electronic Scoreboard. Alex provided the drive and enthusiasm whilst Cam's company, *Mach Systems*, installed the electronics and was responsible for the design.

The Scoreboard, sponsored by the *State Bank*, has further lifted the Amateurs Headquarters and is certainly a talking point at Elsternwick Park.

ORMOND PLAYER PROFILES

MIKE McARTHUR-ALLEN (Coach): In his third year at Ormond. Has worked hard, if not harder this year in making sure Ormond turn the tables in 1985. Is an excellent thinker, and has built up enormous respect from both players and officials around the club. Is always prepared to listen and to do that little bit extra to ensure success. Goes out of his way to be one of the boys and all at Ormond wish his deserved success this year.

RUSSELL BARNES (Captain): Attacking H.B.F. who greatly inspires his team mates by his desperation and never beaten attitude. An unselfish team player who has settled into his captaincy role very well. Excellent second semi.

ANDREW MEHRZEN (Vice Captain): Very gutsy non stop rover, dangerous around goals, prepared to run all day and is always prepared to run into defence. V.A.F.A. Representative.

PHIL MEHRZEN: Strong, adaptable forward/backman renowned for his strong tackling and ability to play explosive football. A great comeback game in the second semi after overcoming a serious eye injury.

ALLAN NAYLOR: Our old stalwart on the field and still one of the best top ruckman in the competition. Again won Victorian selection this year. Previous best and fairest winner and has played over 200 games.

DAVID McDONALD: Tall agile defender who has held down C.H.B. extremely well this year. Eventually was recognised by the Victorian selectors and was rewarded for a consistent year. Reads the play well and sets up many attacking moves.

PAUL SUTHERLAND: Explosive pace and great recovery are Paul's greatest trademarks. Unfortunately has had an interrupted year with injury but burnt in the second semi. A good link-up man, from his winging position.

GEOFF RUSSELL: Geoffrey is one of the best and strongest tacklers in the side. An elusive centre player with speed and strength. Has deceptive pace and is a long kick of the ball.

SIMON EISHOLD: Classy young ruck rover who in only his second year zoomed to further prominence with V.A.F.A. and All Australian selection. A great thinker, runs all day and great user of the ball. Tons of natural ability.

MARK McDONALD: Returned from Melbourne this year to join his two brothers. A very mobile centre half forward with strong hands and an excellent kick for goal. Has settled in very well to the side and was another to gain V.A.F.A. selection this year.

STEVE McCOOKE: Versatile player who has demonstrated an ability to play well all over the ground. Strong mark, reads the play well, and kicks long and accurately to position. Dangerous around goals. Has won best and fairest twice and previous V.A.F.A. representative.

CHRIS McASEY: In his second full year with Ormond. Has developed as a strong team player with great marking ability and an asset to our attacking H.B. line. Reads the play well as was shown in the second semi final.

GREG FISHER: Experienced forward player has the ability to capitalise on opportunities. Has excellent anticipation and kicks well into position.

PHIL KINGSTON: Courageous, pacy wingman with a never say die attitude. There's only one speed for "Kingo" and that's flat out. A great clubman and contributor. A real fighter for the ball; adaptable player.

MICHAEL OATEN: Second year at Ormond. Again frustrated by injury but battling back. An excellent accurate long kick, top team player and strong hands. Works hard.

TONY BOYANTON: One of our young veterans. Tony has played almost 150 games mainly as a damaging rover/forward pocket. A very accurate kick for goal and displays tons of courage.

GRAHAM HERKESS: A knock ruckman who epitomises determination and is an inspiration to his team mates. Works hard on the field and always gives 100%. Strong and fearless.

CRAIG TONKIN: An excellent running player and very accurate, long kick. Can play wing, half forward, half back and has worked very hard this year.

PAUL KITELY: Missed last year through business but this year has returned and settled down to a wing very well. Paul is an excellent deliverer of the ball, a good mark for his size and always gives 100%.

MARTIN CRAMPTON: Full back. This is his first year at the club and Martin has shown both strength and aggression in this vital full back position. Is a strong mark and good team player.

MARK GILMORE: Another one of our younger brigade who has slotted into a roving/ruck rover role extremely well. Can run all day and has a fierce desire for the ball. A good team player who can play in a number of positions.

GEOFF SINGLETON: Geoff has had a consistent year up forward. Is a strong mark and a good ground player. Encourages strongly and works hard at his game. Likes the open spaces of Elsternwick Park.

PAUL SCHUHKRAFT: Paul is an elusive, strong marking half forward and an accurate kick for goal. Has worked extremely hard this year and is capable of anything.

CHRIS STONE (Captain): Former St. Kilda V.F.L. player and has represented V.A.F.A. and been an All-Australian representative. Versatile player and best tackler in the comp.

DICK FISH (Vice-Captain): Winner of 2 Club Best and Fairest awards. Strong marking ruckman who is bound to play a top game.

TONY ANDERSON: Recruited from school XVIII and has followed in brother Simon's footsteps by being one of our most consistent performers.

RAY BERZINS: Winner of the club Best and Fairest in 1984. Strong marking forward whose kicking for goal is a delight to watch.

PHIL CALLIL: Represented V.A.F.A. this year. "Fabulous" is a highly skilled centre player who kicked the "goal of the year" in the second semi.

CHRIS COLLETT: Recruited from St. Kilda U.19's and Reserves. Excellent mark and kick whose return from "retirement" has boosted the centre line.

CAMPBELL COONEY: Former Melbourne Reserves player who has had an excellent season at both C.H.F. and C.H.B. Strong dashes and long kicks are highlights of his game.

DAVID GREGOR: Former St. Kilda U.19 player. Has had a very consistent season and must be the best full forward in the competition.

ANDREW HARLOCK: Very versatile player whose consistency in the second semi was a highlight of the game.

ANDREW HARRIS: This year's big improver. "Harry" has not looked back since being moved to the backline and his second semi game was a "bottler".

DAVID HART: Another part of the determined backline that has made kicking goals hard for opponents.

JOHN KANIS: Represented V.A.F.A. this year and was selected as rover for the All-Australian team. Hard worker who creates opportunities for his team mates.

WAYNE MORGAN: First year player who has improved greatly throughout the season.

ALAN NALDER: Former Captain of Richmond U.19's. Has overcome frustrating early season injuries to be a major contributor in a variety of positions.

ANDREW PONSFORD: "Ponny" showed in the second semi how dangerous he can be on the forward line with a top class display of opportunism.

MIKE SISSON: Hardest working and most consistent and versatile player in team. Sure to play well in any position.

JEREMY STONE: Jeremy's mid-season return has been a great boost to our small man strength. Lightning dashes are a highlight of his game.

WARWICK WATSON: Former club Best and Fairest winner and "veteran" of this young team showed in second semi that he has plenty of goals left yet.

JOHN ROSEMAN: Smallest man in the team who polled well in the V.A.F.A. voting this year. Has improved a lot this year and keen to get a "bag" of goals in the Grand Final.

DOUG ALLEN: Promising close checking backman whose dashes from the back line are a feature of his game.

ROSS ALLSOP: Tallest player in the team who has shouldered No. 1 ruck role manfully this year when asked to do so.

ROBERT MORRISSEY: Promising first year player who has played some solid back line games.

GREG SASSELLA: Early season injuries denied Greg the opportunity to follow up his excellent practice match form.

JEFF SCOTLAND: Good performer in a variety of positions this year and bound to benefit from the year's experience up from "D" Grade.

BOB SWEETLAND: Another first year player whose consistent roving displays in the Reserves earned him a place in the seniors later in season.

TIM HOLMES: Former V.A.F.A. State Player and capable forward or defender. Returning after injury.

GARY PETROFF: Elusive half forward.

ANTHONY CARR: A very exciting youngster who to quote his club secretary "A boy who completed a man's errand".

PAUL CARAFA: Represented the V.A.F.A. U.18's against the V.F.A. this season. Aggressive and attacking back pocket.

TONY AMAD: "Mushie" B Section best and fairest runner-up this season. Courage personified, would dearly love a premiership and a state jumper.

M. DAY: Tall, high flying follower.

BRENDAN HELLARD: Recruited from De La, Brendan has fitted easily into the Marcellin style and is a damaging "running" player.

CHARLIE HESSE: Attacking backman with plenty of pace.

ANTHONY CAFFRY: Tough, nuggety winger.

DINO STAFFIERI: Built low to the ground, but always close to the ball.

TONY WALSH: Vice-captain who tragically broke an ankle in the second semi.

PAUL BOEMO: Has plenty of G & D and remarkable energy.

STEVE PSORAS: Attacking winger who can kick goals.

BRENDAN BENTLEY: Always concentrating and most dependable.

ANDY MAHER: Attacking goal sneak who can always kick a bucket of goals.

LUKE GETSON: Has played well in both finals and is bound to come under notice today. A.G.S. High jump record holder.

What The Chairmen of Selectors Say

as told to Peter French

VS

ANDREW CHISHOLM (ORMOND): "Our team plan, team attitude, greater depth and the overall pain of last year will see us through. We've got some very much unfinished business in a year where nothing has been easy for us and I believe this will stand us in good stead on Sunday."

JOHN O'HALLORAN (DE LA SALLE): "We'll win because we're a very talented team. We've certainly got respect for Ormond but we're determined to do well in the finals again."
