## A Section Review by Ross Booth

I have a revelation to make, and it's really to save my own neck because I've been the subject of some derision in recent weeks. I am not the Whisper! In fact I am quite surprised that some people would think I could write such nasty things about their clubs. That's not my style, and in any case The Whisper is turning out to be about as good as Lou Richards as a tipster! It's a good thing that he has remained anonymous till now because he might have been guillotined by now. It's a wonder he's not in exile. I think I know who The Whisper is, but I won't spill the beans. One word of advice: don't let the term 'former amateur star' put you off!

Whilst I'm on the subject, is the answer to the superimposed footballer who appears on the National Trustees Sharpshooter page 'The Invisible Man'? It wasn't in my copy! I know things are tight down at Elsternwick, but that's making fairly tough competition. Actually, you can send the prize of the Sherrin footy to me; I am sure I know who it is, but will anybody else find out?

But now down to business. The season is turning out to be a fascinating one. Old Scotch and Collegians are obviously good sides, Ivanhoe are thereabouts, Bulleen-Templestowe and Ivanhoe are beginning to make ground, De La Salle cannot be written off, Ormond has lost the close ones, St. Bernard's and University Blues have improved and the Old Xavs cannot be as bad as recent games would suggest. It is hard to pick winners.

Last week Bulleen-Templestowe beat Ivanhoe by 20 points in a high class game. Scores were close all day but Bulleen-Templestowe did better in the final term. Stephen Pace at full forward kicked 8 goals and gave a wonderful exhibition of high marking. Rover Vince Asdagi played well but perhaps a more significant feature of their win was the dominance of half backs Van den Driest, Gilmore and Delanty.

For Ivanhoe their best forward was pocket Paul Morcom and Greg Cameron was ever reliable at full

North Old Boy s scored a comfortable 48 point win over De La Salle. North led all day and ran away in the last quarter with 6 goals. They were more determined and ran better than a very disappointing De La Salle. North's best was reinstated half forward Brian Hanlon though Jerome Griffin did well to hold De La full forward **Phil Kerin** to only 2 goals. **De La's** best yet again was centre half back **Mick Deveson**.

University Blues broke through for their first win of the season with a 5 point win over the unlucky Ormond. They lost to St. Bernard's by a point the week before. It was a strange game with Ormond kicking the first 7 goals, then the Blues getting the next 11 goals. A significant feature of the Blues win was the move of captain Mark Ty quin to full forward during the game where he finished with 8 goals. The Blues best player was young ruckman Phil Grutzner: he's 6'5" and took 14 marks and gave 18 handpasses For Ormond it was the ever reliable McDonald brothers, David at centre half back and Mark at centre half forward who did best. Blues height worried Ormond who appear a touch slow at the moment and who are having difficulty kicking enough goals.

Collegians slaughtered a ragged looking Old Xaverians by 119 points. The Lions kicked 8 goals in the 3rd quarter and 10 in the last and new full forward Ian Roberts got 11 goals for the day. The Lions best was centre half forward Tim Bennett and for the Old Xaverians Nick Wilton tried very hard.

The game between Old Scotch and St. Bernard's was close until three quarter time, when Scotch held a narrow 17 point lead. But, in the last quarter, Scotch kicked 7 goals to go on to a comfortable 58 point victory . Full forward Tom Mason only kicked 4 goals but was a tower of strength in the ruck when forced to cover for the injured Matthews. St Bernard's tried hard but were outclassed in the end despite the moves of coach Paul Daffey. Their best was centre half back Corey Klaay sen.

I am looking forward to today's clash between Bulleen-Templestowe and Collegians. Who has The Whisper gone for?

## **Personality Pars**

Today UNIVERSITY BLUES salutes Club Captain Mark (Nails) Tyquin on the occasion of his 200th game, if anyone doubts the value of the Junior Competition they should take note of this players attitude to his Club and his dedicated service both on and off the field for the BLUES.

Mark and many of his former junior team mates still form the back bone of the Club and we hope they will remain at the University for years to come. "Nails" is the most popular man at the BLUES with young and old alike he always takes the time to offer his assistance or advice whenever requested.

Congratulations for your service and friendship Mark - "Your true Blue".

The Committee, players and supporters of WEST BRUNSWICK would like to congratulate STEVE McNAMARA on playing his 100th game today against OLD TRINITY. "Macca" a player with the most unpredictable foot disposal, has had many highlights since joining the Club but none more than kicking the "impossible" goal that put the team in front at the 29 minute mark of the last quarter in the preliminary final. "Macca" was on the verge of retirement with a crook wrist but decided to have another year and he has gone from strength to strength featuring in the better players wach week. Well done Macca, a fine achievement and who knows, you may be kicking more goals in the finals this year.

## Six Amateur Coaches Preview Round Five as we say BYE BYE to the WHISPER

by Peter French

The Whisper's big mouth (see last week's copy) has opened the door for COACHES PREVIEWS for the next four weeks and looking at the 6 Sections today are NORTH OB's JIM DURNAN, KEW'S RAY SLEETH, OLD HAILEBURY'S ANDREW LANGFORD-JONES, MHSOB'S ALAN QUAIFE, OLD GEELONG'S MIKE PERRY and ANZ BANK'S IAN CAVE.

To refresh your memory the Whisper promised to disappear for a month if UNI BLUES beat ORMOND and the Blues did just that staging a great recovery to inflict a 5 point defeat on the home side. Mike Mc-Arthur-Allen has his worries at the moment and one wonders of the 1985 future for last years finalists ORMOND and DE LA SALLE.

I put the following questions to the coaches whose comments provide interesting reading.

PETER FRENCH WITH JIM DURNAN

What is your impression of Amateur football after a career at League level both in Victoria and W.A.? Most impressed with the loyalty - a lot of people put in a terrific amount of time for the love of Ī.D.

football which is admirable.

Three wins from 5 games and the fact that Blues have now broken the ice how many games will be P.F. necessary to make the 4?

14 to 15. J.D.

I.D.

Are you happy with the commitment at North? P.F.

Yes, very happy. J.D.

Who is the best side you've met to date? and why?

P.F. Old Scotch - They combine well and have an even spread of talent.

Is the standard better or worse than you expected? P.F.

Better than I expected. LD.

Your thought on the umpires? P.F. I believe they are doing O.K. and are doing their job adequately without coming under notice.

J.D. Finally besides North to beat Blues, who are your selections in the remaining games and your final 4. P.F. Bulleen-Temp., Ivanhoe, Ormond, De La Salle. - North OB, Bulleen-Temp. De La Salle, O. Scotch.

PETER FRENCH WITH RAY SLEETH

Before your surprise and mammoth win over Old Paradians the Club appeared to be struggling. Have you now turned the corner?

We definitely have. We've put our house in order. We're there to play hard constructive play on

football and to produce the skills of the game.

Both wins have come at home. How important is Victoria Park to your style of play? We really should be producing the same style on opposition grounds. It is a ground that you have to know and is I suppose an advantage to us.

What sort of player do you require to return to A Section and is that return a definite possibility this

Our ultimate goal is the B Section Flag and we are worthy of being in A Section which is going to take a lot of hard work. We need a couple of rovers and are fortunate to have mobility.

Having umpired for much of your career what prompted you to take on coaching?

It's always been a burning ambition plus the fact that I've played, umpired, been an umpire's advisor, administrator and worked with the media. I'm thoroughly enjoying it.

As a former umpire how do you view the standard of umpiring in B Section?

As long as the umpires encourage and protect the ball player and are consistent with the interpretations then I've no complaints. I'd like to see the return of one umpire as the two umpire system is too

You meet Ajax today and must start favourites, your selection in other games please Ray - Old P.F. Brighton, St. Kilda C.B.C., Marcellin, Old Paradians and your Final Four - Kew, St. Kilda C.B.C.,

Caulfield Grammarians, Parkside.

### PETER FRENCH TALKS TO ANDREW LANGFORD-JONES

P.F. After two good wins you went down to the bottom side Coburg. Why?

A.L.J. I under-estimated them - They had played two good sides in their three losses and certainly are not as bad as the bottom side. They were down to 17 men and with no height out ran us. As with all sides low down once they had their sniff of victory they proved too hard to beat. Finally it didn't help that 10 or 12 of the B's turned up to the Book Launch on Friday night.

Does C Section appear to be more even than last season.

A.L.J. Very much so -1 reckon 10 wins will bolt in the four especially if Therry and Fawkner keep winning. P.F. You're played a side up from D in '84 (Thomastown) and won and one down from B in Coburg and lost. How can you rate B and D Section?

A.L.J. My own belief is that Thomastown will finish above Coburg and that there's not much difference between the top sides in one grade and the bottom in the next. For example look at Marcellin who were almost in the four last year and where they are now.

P.F. What's the spirit like at McKinnon this season?

A.L.J. Fantastic. Best its ever been. The atmosphere is superb.

P.F. Have you picked up any outstanding recruits?

A.L.J. Yes - Mike Garland from the Swans plus Haughton and Paul from retirment and Darren Seccul from Melbourne Under-19s.

What do you need to get up to B Section?

A.L.J. We need a centre half back and a dynamic ruck rover.

P.F. Finally Andres what are your selections for today's round.

A.L.J. Fawkner, Coburg, Old Haileybury, Thomastown and Monash Blues, and my final four are: Therry, Fawkner, Thomastown, Old Haileybury.

PETER FRENCH SPEAKS WITH ALAN QUAIFE

P.F. Alan you've had a long involvement with Amateur Football, for whom have you played and coached?

Parkside, Bulleen-Temp., Bulleen- Utd., and M.H.S.O.B.

Third in 1984 what do you have to do to gain promotion in 1985?

A.Q. We've got to win at least 15 games to ensure second post and then treat the finals as another round.

P.F. Have you styled the side's game to suit the school oval.

Yes – we've got two game plans and interchange our players and game plan on the larger grounds How do you rate Balaclava and Old Mentonians who were promoted this season?

Balaclava are a very good side as are Old Mentonians - Balaclava are stronger and I believe they've

both a good chance of making the final four. Have you any new recruits besides Stephen Quaife Jun. for 1985 and how many of last years U.19%

have graduated to Senior ranks?

No we've kept onto our youngsters who've come thru the school U.15s and U17s and we've about 6-7 of last years U19's playing presently.

Your selections for today and the final four - State Bank, Old Trinity, Old Mentonians, Balaclava MHSOB, and the final four MHSOB, Old Trinity, W. Brunswick, Balaclava.

PETER FRENCH TALKS WITH MIKE PERRY

Mike is this the year for the OGGS?

Well I hope so despite an indifferent start. We're yet to have a full complement.

You appear to be almost unbeatable at home but fare porrly away - Why?

We've been down on numbers for both away games.

Are you confident of making the finals?

Yes. Very confident. We've got more depth than ever due to having a Third XVIII and boast about 50 - 60 on the track.

Have you a comment on the standard and spirit of play in E Section?

M.P. Yes. I am pretty happy but the key players in most sides come under plenty of attention as do the young guys. I would like to congratulate Bulleen United on their approach to the game.

Is recruting a big problem for the OGGS?

It has been but we've got into the schools and the peer group pressure from some of our key players is starting to pay off.

What about the umpiring?

We've been more than happy with the senior guys and even the practice matches were excellent, Its a bloody shame you haven't got the answer though the umpires would seem to be the best area for recruiting umpires.

Finally Mike today's winners and your final four.

M.P. Peninsula O.B., Elsternwick, Old Carey, Preston MBOB, Old Geelong. Final four (not in order) Preston Old Geelong, Elsternwick Williamstown.

PETER FRENCH TALKS TO IAN CAVE

Ian as a former Hampton Rovers player who have been a traditional C Section Club what is the main difference in F Section?

Not a lot of difference in fact 8 or 9 of my players would walk straight into the Rovers. Its mainly a less "Professional" approach to their football - largely a social attitude. I have been impressed with the ability of a number of our opponents, however sides without Under 19s are really going to struggle to get up the grades.

How have the players reacted to your style of coaching?

I think they've found it a refreshing change. I used the Captain of the Bank's athletic club pre-season and Wayne Bevan for his experience under John Kennedy.

Are recruits a problem for the Bank sides? and where can ANZ go from here?

Recruits are not the problem. They are mainly 17 and 18 with little senior experience and I'm the first bank employee to coach ANZ for some time. Actually there are plans a foot for the Bank and we have a very exciting future ahead. We had 17 new players in Round 1.

Which side has impressed you most so far and why?

University High School because even though they were relegated they prove the difference between E and F and they certainly played Elsternwick Park to perfection.

What did ANZ do on the day they had the Bye?

Nothing, we tried Eltham O.C. but they couldn't field two teams so after a pretty torid week they watched U.H.S.O.B. v Commonwealth Bank.

Do you have an ambition of coaching an A Section Club?

My ambition is to coach a certain C Club and also to coach under age football as the youngsters today are more skilful then in my day and I see the gain in bringing the kids along.

Finally Ian, winners today in F Section and your final four.

Commonwealth Bank, ANZ Bank, U.H.S.O.B., Clayton, Doveton has the bye. Final Four - Clayton, Doveton, Commonwealth Bank and ANZ Bank.

## **Looking Back by Noel Rundle**

5 YEARS AGO - 1980

De La Salle continued merrily on their undefeated way, when, one point down at half time, they kicked 10.12 to Ormond's 1.5 in the second half. Calley, M. Greene, McHenry (DE LA) and Crump, Mehrten, Pearce (Ormond) were best.

200 games to David Urquhart (Old Melb.) - "the most popular and celebrated player at the club presently playing", "Turk" had captained the firsts. won the best and fairest, topped the section's goalkicking and was the chairman of the match committee.

Barry Hamilton became only the fourth Old Brighton Grammarian to have reached the 200 club started with the U.19's and in the 12 years since a regular and valuable member of the senior side. Club secretary for 1976 to 1979, all at Brighton congratulated Barry on his great achievement.

Fawkner gained a place in 'B' section four when they trampled on Old Xaverians in a high standard high scoring games by 18 points, 19.17 to 17.11. Best were Chard (9 gls.), B. Saggers, Mills (Fawk.), and Carmody, Noonan, Vale (Old Xavs.).

Therry continued their rise in F Section when they outlasted Commonwealth Bank's strong last quarter finish to win by 7 points, 11.8 to 9.13, with the stars Taylor, Clifford, Broomfield, Rogerson, White, McInty re, (Therry) and P. Barclay, Ellis, I. McGrimmon (C'wealth Bank).

10 YEARS AGO - 1975

Caulfield Grammarians (B) stopped Old Carey 's run with a jolt winning by 10 goals. Best were Griffiths. Morphett, Tootell (C.G.) and Yeo, Kelaher, Thomas (Old Carey).

Commonwealth Bank (D) opened their account with a win at the expense of National Bank. Reid (6 gls.), Eales and Petry nik were best for C'wealth Bank.

After 5 games U. Blues (B), St. Kilda CBC (C), Hampton Rovers (D), E'wick (E) and Monash Whites (F) were undefeated.

Beverley Hills (F) had an easy 79 point win over F.I.T. Allan, Mark, Browning, and Discombe (6) were stars for Beverley Hills.

15 YEARS AGO - 1970

Coburg jumped into top place in 'A' Section with a 63 point win over Melbourne High. It was High's first defeat. McFarlane (9 goals) Norm Beattie (3). and King were Coburg's best.

The Umpires' Association officials were proud to announce that with one week to go the total money donated to the Alan Thorpe Appeal was \$2,470.

Leigh ('Curly') Grant came out of retirement after 7 years - to kick 4 goals for Power House Reserves against National Bank.

Boom recruit, Des 'Friar' Tuck, turned it on in his first game for Assumption to kick 5 goals against Hampton Rovers and be best afield.

St. Kilda CBOC's veteran Warren Pipkorn had been transferred to Sydney and announced his retirement after 206 games, spanning the 13 years the club has been in existence.

St. Kilda has had no finer clubman than 'Pippy' who has been a member of premiership teams and has taken the field injured when the Reserves were struggling to field a team.

25 YEARS AGO - 1960

Bad conditions for fifth week in a row and Old Paradians (A) (3.10.28) went down to U. Blacks (5.6.36) to record their first loss.

All at Parkside congratulated Brian Lauder on reaching his century and on his captaincy. Brian was the sixth member of the unbeaten 1954 premiership side to notch the 100.

Other 'C' Section captains were Geoff Paul (MHSOB), Bill Keenan (FTSOB), Alan Dick (National Bank). David Merkel (AJAX). Who captained Brunswick?

200 games to Alan (Walta) Kirby.

Graham Rowe was the star at Ormond's monster tennis day with help from Max Brock.

100 games to Dave Moran (Old Scotch) and 50 games to John Tindley and Toby Pearson, both of Ďe La Salle.

35 YEARS AGO - 1950

Kew coach, Alf Perrin, scored a double - the team has a good win over Glenhuntly and Alf announced his engagement.

Walker (Ormond) 35, Backhouse (Univ. Blacks) 24, and Anderson (Unvi. Blues) 24 were leading 'A Section goalkickers after 5 games.

## From Over The Fence

VAFA Executive Chairman Jim Hawkins attended Old Hailey bury book launch "Play Hard and Play the Game" which has been published to coincide with the Clubs Silver Jubilee. Jim was presented with a copy for the VAFA library which already has copies a copy for the VAFA library which already has copies of De La Salles "Pride & Premierships", Marcellins "A History 1968-1980", Old Collegians "Football Guide", AJAX's "Road to A Grade".

Jim advises OTF that the launch was a great night and kicked onto the wee small hours and was just what he needed after the Executive bus trip to Warrnambool the day before! OTF has reviewed the book and is full of praise for author and curent secretary, David Southgate. For amateur footballer readers the club best side over the 25 years reads as

Backs: John Corrigan (1975-84), David Code (1974-79), Darryl Regan (1966-72).

H.Backs: Graham Curry (1962-67). Peter Gadsden (1969-74), David Miller (1980-85).

Centers: Richard Metherall (1964-82), Roger Paul (1974-85), Andrew Williams (1968-80).

H. Forwards: Peter Mason (1968-80), Michael Porter (1963-79), Andrew Langford - Jones (1966-82).

Forwards: Alan Ross (1963-67), Peter Bowring (1961-78), Roger Gerney (1978-85).

Rucks: John Houghton (1971-85), Andrew Home (1961-81).

Rover: David Young (1962-74).

Interchange: Eric Mulvey (1965-71). Coach: John Masters (1974-75).

Speaking of Warrnambool, OTF went along for the ride and can report that Old Carey's immediate past President Des Rowe was the perfect steward both on the trip down and back. He was ably supported by Old Trinity president Stewart Stockdale whose cries of "Heavy or Light" are still ringing in my ears. Association Treasurer Noel Rundle was quieter than usual and should be grateful that Messrs Hawkins, O'Callaghan, Dillon, Scott and Carroll were not 20 years younger! Star of the trip was undoubtedly the Sporting Globe's Geoff Poulter who made Max Gillies look like a New Faces debutante. Geoffs impersonation of John Ridley, John Kennedy, John Arlott, Harry Beitzel, Jack Dy er, Bob Hawke, Jo Bielke-Petersen, Sir Bill Sneddon and Scott Palher to name but a few highlighted the return journey.

OTF apologies to readers for the absence last week of the 'superimposed' footballer on the National Trustees sharpshooters page. I'm pleased to see its back today and the offer of a Sherrin football is still on if you can name the player.
