**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

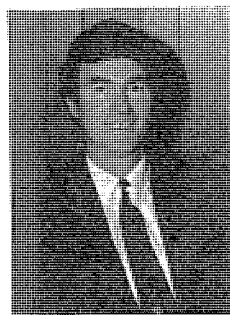

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

PRESIDENT'S MESSAGE

1986 is a year of great importance for the Victorian Amateur Football Association both on the domestic scene and in the area of representative football.

We welcome in particular our new Clubs **St. Andrew's**, **St. Leonard's O.C.** and **Whitefriars O.C.** who will compete in the Senior and Reserve grades of F Section and also **Eltham O.C.** and **GTV 9** who will compete in the G Section for 1986. The advent of G Section is of significance and it is hoped that this venture will be of considerable benefit not only to new Clubs wishing to join the VAFA on a formal basis in the near future but also to existing Clubs in providing a game each week for players where there is an excess of numbers over and above the requirements for Senior, Reserve and Under 19 Sections.

1986 will also be a great test for the VAFA in the representative games which are scheduled during this season. A Carnival to celebrate South Australia's 150th Year will take place in Adelaide in late June and early July, and in addition the VAFA will play its Fifth Annual game in June against the V.F.A. with the score reading "two all" at the present time. We welcome back Mr. John Fisher as coach of the Senior Side and assure him of the complete support of all Members of the Executive and the Association in our bid to reassert our supremacy of recent years in the representative area.

The CDEFG Section side will this year meet a team from the **Monaro (Canberra) Football League** as a curtain raiser to the game against the V.F.A. and the **Under 19 VAFA** side will also play the V.F.A., all of these matches being scheduled for Elsternwick Park on Sunday June 8th.

We look forward to a highly successful season in 1986 for Players, Administrators and Supporters of all Member Clubs of the VAFA.

John Dillon
President

A Section Review by Ross Booth

A and B Section get underway today to allow for a break later in the year when the carnival is in Adelaide.

North Old Boys face last year's runners up **De La Salle** first up at Brens Oval. North will be led by playing-coach **Mark Hanneberry** who has replaced **Jim Durnan**, now playing at Prahran. Ruck-rover **Mark Malone** also returns after an absence, but they have lost **Geoff Dillon** and **Dominic Butera**, both retired. **Gus Carroll** has not yet fronted but **Luke Morse** has returned from North Melbourne.

De La Salle is hoping to lure **Shane Murphy** out of what they see as a premature retirement. But, **Brian Bourke** is definitely hanging up the boots, **Vitacca** has gone, **Hollier** is overseas and **Klarica** is trying out at St. Kilda. On the positive side, back are **Dave Harrington**, and also **Mick Nugent** after knee trouble and three years rest. North won this corresponding game last year and I think they might do it again — De La Salle's practice match form has been good but so has North's. Remember, the De's are notoriously slow starters.

Blues meet **Collegians** at the University. Both Clubs have lost players.

For the Blues, **Don McInnes** is at Redan, **Pat Salinger** at Wodonga, **Dave Curnow** has retired and **Dave Nugent's** availability depends on employment.

The big news is that **Mike Yeo** will be back but not this week. They have a new ruckman in **Mike Yandell** from Preston and Collingwood and **Geoff Allan** joins from Werribee. **Gust** could be a pick up as well.

Collegians have lost an amazing number of players. **Schmidt** is at Essendon and **Tregear** is on the supplementary list. **Herman** is at Sandringham and **Eason** at Prahran. **Medicos**, **Daff** and **Bennett** are unavailable, **Baum** has retired and **English** has been transferred to SA. **Stephen Bickford** is back from Prahran and **Rick Schober** looks the goods from Richmond U19s.

I'll go for the Blues first up.

Old Scotch meet Bulleen-Templestowe at Yarra Park, a very tough initiation. Bedford has retired but Brian Hodge will not be at Collingwood and Fuller will probably be back from Richmond. Stuart Glascott, brother of David, will be a handy player.

Bulleen-Temp under Laurie Aghan has lost Harisiou and Pace back to Thomastown, Van den Driest to Mooroopna and Delanty and Delaney. But they have gained Tony Keenan from Collingwood/Melbourne — a handy ruckman and Andy Smythe.

This is possibly the match of the day. I'll favour Barry Price's Cardinals.

Ormond meet Caulfield Grammarians at the Gunn Reserve. For Ormond Eishold is at Melbourne, Naylor has retired and Ritchie's knee will still keep him out. He missed the last 7 games yet still won Ormond's B & F.

For the 'Fields', Sisson has gone, Kanis is at Hawthorn and Harlock has shoulder injury. I cannot see newly promoted Caulfield winning this one against last year's Premiers.

Ivanhoe meets Marcellin in a local derby at Ivanhoe Park. Peter Gittos has gone to QLD. but Dave Boccabella returns after trying at Preston. Marcellin have luckily retained last year's side and have recruited Peter Carroll from Pakenham. The Carafas did pre-season at Carlton and Slattery is back from Hawthorn. I think Marcellin will be the only away winner this week.

My A Section tips are:

NORTH OLD BOYS v De La Salle
UNIVERSITY BLUES v Collegians
OLD SCOTCH v Bulleen-Templestowe
ORMOND v Caulfield Grammarians

150 GAMES AT ORMOND

All at Ormond Football Club would like to congratulate Tony "Bones" Boyanton on reaching the 150 game milestone for the Club today. Bones commenced playing with Ormond in the

George McTaggart goes for;
North Old Boys, Collegians, Old Scotch, Ormond, Ivanhoe.

In B Section, the newly promoted Fawknor and Therry meet in a replay of last year's C Section Final. Kevin Morrison's Fawknor should retain their edge over Therry.

Down from A Section are St. Bernard's and Old Xaverians. I think Frank Melican's Saints might edge out a strengthened Old Xaverians despite the return of Richard Armstrong from Melbourne. St. Bernard's at home.

Parkside meet a weakened Blacks without Costello and Heath (Fitzroy). Parkside will have Filipovic and Pappas and should win.

Old Brighton take on Old Paradians at South Road. It is hard to see Brighton getting over the OPs with McCann from Preston, Spillane back from Melbourne and Skeritt from Collingwood. Old Paradians are big improvers.

Finally, Old Melburnians meet St. Kilda at Fawknor Park. St. Kilda CBCOC have Simon Meehan lining up after a stint with West Torrens, and the Southern Saints. They will be too good for Andy Ristrom's OMs who will be weakened by the retirement of ruckman Rohan Brown and the loss of Tony Witts to the Swans.

The winners in B Section:
Fawknor, St. Bernard's, Parkside, Old Paradians and St. Kilda.

George McTaggart selects:
Fawknor, Old Xaverians, Parkside, Old Paradians, Old Melburnians.

Juniors playing in both the Under 17's and the Under 19's before progressing to the Senior ranks where he has been a regular member of the senior side. Bones has played most of his games as a rover and is renown for his fearless play, fierce determination and desire to win the ball. Bones was a member of the senior premier-ship side last year and was unfortunate not to have played his 150th game in the Grand Final. Bones is a valuable player and clubman at Ormond and his dedication to the Club is reflected in the amount of travelling he does each week to play and attend training. Congratulations Bones and we all hope you continue playing many more games for Ormond.

150 GAMES AT ST. BERNARD'S

All players and supporters of the St. Bernard's F.C. wish to extend their congratulations to Peter "Irish" O'Dea on his 150th game.

Peter has long been renowned at St. Bernard's for his contribution both on and off the field. The recipient of two best and fairest awards in the Reserves and a most improved trophy in the Seniors, "Irish's" 11 years at the club have not gone unheralded.

His enthusiasm and participation in club and amateur functions has also always been relied on.

Congratulations.

WHICH WITTS?

OTF reports that the Brothers Witts ex OM's in 1985 were both in action on the Sydney Cricket Ground in last weeks Swans v Collingwood match. Andrew was recruited to Collingwood mid 1985 and surprised a number of Amateur Know Alls with senior selection. Younger brother Tony who had a stint at Old Trinity and was a member of the 1984 CDEF team transferred to Sydney over the summer and lobbied at the pre-season training and was selected in the Swans Reserves. Our man in Sydney reports that both Witts went well!

Looking Back

by Noel Rundle

5 YEARS AGO — 1981

Alex Johnson and **John Dillon** were elected president and chairman respectively. Life member **Manson Russel** retired from presidency after serving in that role with distinction. Despite a number of applications, no new clubs were admitted.

Sherrin footballs were the only approved balls for use in senior matches. "Poaching" committee of Messrs. Russell, Keam, Hawkins and Nathan set up to try and eradicate problem. **Old Xaverians** deny having approached **Mr. Des Tuddenham** to become a playing member of their club.

Executive committee were continuing to explore all possibilities of a permanent headquarters.

There had been so much trouble at 1980 finals series with owners bringing their dogs along for a run (including **Greg Fisher** of **Ormond** with his Alsatian) that the Treasurer suggested to the Executive that owners be charged \$1 to bring their dogs into Elsternwick Park. Still, its family football, and what's a family without a Great Dane, or a St. Bernard, or a Doberman Pincer to play with the children!

There was a sensation to start the season when on the Friday night prior to the first game, an investigation which had taken place over several weeks, culminated in **U. Blues** being relegated from A Section to B Section for season 1981, due to an irregularity in circumstances concerning a permit application for a prominent U. Blues player. **AJAX** was promoted to A Section.

10 YEARS AGO — 1976

Alf Keam, a man of many talents was the Amateur Footballer's A Section tipster for 1976, a new feature with other confident characters. "B" **John Bryne**, "C" **Alex Johnson**, "D" **Jim Fidge**, "E" **Syd Whitfield**, "F" **Keith Findlay**, Junior 1 **Norm Nugent** and yes, they couldn't keep him out, Junior 2, the one and only **Peter Nathan**.

Alf picked **Old Trinity** to beat **U. Blues**, 1975 premier coach **Gus Mitchell's St. Bernard's** to do **Peter O'Donohue's (State Coach) U. Blacks**, **N.O.B.** "always trained to the minute" against **Monash Blues**, **Coburg** and **Reservoir Old Boys** "a thriller" — lean to **R.O.B.'s** and **Ormond**, eager for a first up win for new coach **Ian Cameron** to defeat **De La Salle** "minus **Peter Murnane**".

You might say "Alfie needed the run" — for the record, **Blue** annihilated **O.T.**, **Gus** did the right thing with a 31 point win, **N.O.B.** (**L. Murray 6 goals**) too good for **Monash** (best player — **R. Booth**), **Coburg** 110 points over **R.O.B.**, and poor "Cammie", **De La** swamped **Ormond** by 45 points. Only two out of five, **Alf**.

A "sour note" to start season — a record 13 players reported for an opening round.

15 YEARS AGO — 1971

Lou Zachariah, a devoted Amateur Footballer man for years, and a particular enthusiast of Interstate and A.A.F.C. games succeeded **Ernest F. Atkins** as President, who together with two former secretaries, **Jack McCann** and **Geoff Moore**, was appointed "Patron of the Association."

Marcellin and **North Brunswick** joined the Association. (V.A.F.A. general manager **Peter French** played on the wing in **Marcellin's** first game and kicked one goal — **N.R.**).

Well known names among new coaches were **Roger Head (Old Haileyburians)**, **Kevin McLean (Old Ivanhoe)**, **Paddy Walsh (St. Kevin's)** and **John Bennetti (Ivanhoe)**.

1970 "A" premiers, **Caulfield Grammarians**, trailed **Collegians** by 2 goals at 3/4 time but put on 9.7 to 0.4 to win easily. Best for the victors were **Atchison (5)**, **Clark** and **Lester** and **Crow Opie Roach (5)** for **Collegians**.

After setting a club record by winning three successive best and fairest awards **Mick Quinlan** deserved honour of appointment as captain of **old Paradians**.

20 YEARS AGO — 1966

For the second time in four years the Association has been forced to vacate its central ground, the latest blow being the loss of the **St. Kilda Cricket Ground**. The Association had used **Olympic Park** for five years after the 1956 Olympic Games but the introduction of a dog racing track decreased the size of the ground and it became too small for Australian Rules.

The following clubs did not reappear in 1966: **R.A.A.F.**, **Postal Institute**, **Bellfield**, **Cassie** (this was a club based on a Greek brotherhood and whose equivalent in South Australia were A1 Premiers in the S.A.A.F.L. in 1985), **Monash Whites** and **Kooyong**.

Mr. John Dillon was elected to the executive replacing **Mr. Geoff Moore** who had resigned.

25 YEARS AGO — 1961

Ian Cleland (in 1986 an "authority on A.B.C. on lawn bowls, trotting and football and anything else he decides he knows a bit about) was appointed V.A.F.A. umpires advisor. Rumour has it that **Ian** got reappointed each year because he sang so well at the Association's Annual Dinner — those smashing Top 40's numbers,

"A Man Called Peter", and "The Place Where I Worship". He usually told a couple of jokes of unusual quality before he sang.

Other notable events were that **Mr. Geoff Moore** of **Collegians A.F.C.** was awarded life membership, and **Old Geelong Grammarians**, desperate after finishing last in "B" Section, turned to former coach and star **Noel Rundle** to revitalise them in "C" section as well as be club president!!

PROFILE

by PETER FRENCH

A new feature in the "Amateur Footballer" this season will be the weekly profile of a former Amateur Personality, either player, administrator or supporter. We kick off Round 1 with **Ormond's** champion **ALAN NAYLOR**.

Q. Alan, what is the outstanding memory you have after 16 years of Amateur Football?

A. Without doubt, the 1973 and 1986 Premierships which are obviously the highlights of any players career.

Q. Any other highlights?

A. The overall highlight was being able to play football in a competition that is completely given over to the playing of football to the nth degree. I've played against teams from other competitions whose aims are either money or fighting whereas I have been privileged to play with and against those who saw football as the priority.

Q. Who would you rate as your most difficult opponents?

A. Early in my career **Mick Bates** of **Reservoir Old Boys**. Later on **Paul "The Cliff" Smith** of **St. Bernard's** who was hard to get around and played a similar game to me.

Q. And most respected?

A. Again **Mick Bates**. He really showed me what ruckmanship was all about.

Q. Which Ormond side would you rate as the best in your career?

A. It's hard to differentiate. In 1973 I was just a kid and lucky to be playing in a premiership side in my first senior year. In 1985 it was a family affair with so many of us out to achieve the same thing and and many of the side had all played together in junior days.

Q. What side(s) would you regard as being the best you played against?

A. It's hard to rate — obviously **De La Salle** has set the standard in my career.

Q. What are your impressions of Amateur Football now and throughout your career?

A. Early Amateur football was all I felt I could ever possibly play, but seeing the VFL today I may have been able to go higher. I don't think the quality of player is as good as 10 years ago. Amateur football is all I'd ever wanted to play these days. As I said earlier it is committed football. It's a sport — something to do in your leisure time. It's not a profession although some people are living off it at VFL level. The rest of football down to the Junior competitions cannot afford to follow suit. They have so many *has beens* demanding top dollar just because they've been to the League.

Q. What role if any would you like to play in football, now you've retired?

A. Administration at **Ormond**. Football is Saturday and Life and I'd be happy to sweep out the rooms if asked.

Q. Finally how will you be spending Saturdays this year?

A. Watching **Ormond** play with my 3 year old son **Timothy**.

For the record

Alan played 222 games for his Club. He represented **Victoria** at the 1985 Carnivals and against **South Australia** in 1975, 77 and 78 and the **VCFL** in 1984. He won his Club's Best and Fairest in 1977 and 1983.
