**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

It's by far the biggest selling Australian beer in Britain.

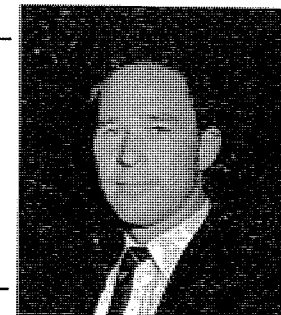

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

A Section Review

by Ross Booth

Last week's results went very much as predicted (except for Peter's and my selection of **Marcellin** — just what Mike McArthur-Allen needed!) with the result that **Bulleen-Templestowe** missed out and **Marcellin** was relegated along with **Ivanhoe**.

The Eagles were overwhelmed by **Ormond** by 82 points. **Marcellin** started well and led by 11 points at quarter time. But that was the end of it as **Ormond** went on to add 18 goals to 4. The crunch came in the early part of the third quarter when **Ormond** booted 4 quick goals into the breeze. **Ormond** managed to keep their forward line open this week and had many goalkickers. By contrast **Marcellin's** forwards, apart from **Rick Petroff** with 4 goals, were held in check by the **McDonald** brothers, **Mark** at centre half back and **David** at full back.

Caulfield Grammarians had a worrying time against **University Blues** at Elsternwick, winning by just 2 goals. **Caulfield** had the edge on account of their 6 goals into the breeze in the second quarter and led by 5 goals at half time. But **Blues** came back and but for bad kicking might have got up. **Alan Nalder** notched another 5 goals for the **Fields**, **Don McInnes** 4 for the **Blues**.

North Old Boys destroyed any hope **Bulleen-Templestowe** had of making the four when they beat them by 13 points at Timber Ridge. It was a good game — a big crowd and the best display by the Bullants for 6 weeks or so. Sadly their form came too late. **Bulleen** led at quarter time after first use of the wind but a poor second quarter of only 2 points really cost them the game. **Vin Asdagi** has had a consistent season and he contributed 4 goals. **North** were well served by forwards **Luke Morse** and the ageless **Jerome Griffin** at centre half forward.

Collegians have strung 15 wins together, the last over **De La Salle** by 49 points. **Collegians** usual second quarter burst of 6 goals put them in command. The Lion defence was supreme — **Gary Irvine**, **Andrew Wright**, **Stuart Hinchin** and **Greg Parsons**. **Mick Green** outrudded his Lion opponents and gave good use of the ball to ruck rovers **Greg McHenry** and **Gary Connolly**.

Old Scotch finished with a 31 point win over **Ivanhoe**, but it wasn't until the third term that **Scotch** broke clear. The Cardinals small men of centreman **Brian Hodge** and rover **Ric Senior** were very prominent. **Peter Sherwen** got 5 goals at full forward. **Wally Dutevskis** rucked well for the **Hoes** and **Rb Stewart** at half back was as reliable as ever.

A Section Preview by Ross Booth

Peter French has handpassed me this difficult job. It is only since I've sat down and tried to place the teams in positions that I've realised how hard it is! Both coaches **John Pollard** (De La Salle) and **Mike McArthur-Allen** (Ormond) will have been trying to do the same all week. I bet both get closer to the actual line-ups than I do! And they have to, because tagging will undoubtedly play an important part in the match, especially for the well prepared **De La Salle**.

Peter wanted a man-on-man preview. But Peter, if I do that I'll lose friends and have it used as inspirational material by coaches! I'd be sure to get a lot of the positions wrong so I'll stick to generalities. It is safer that way! People will still talk to me at the end of the day I hope.

The score stands at 1-1 so far this season with the away side winning both times. Most recently **De La Salle** 11.7 (73) defeated **Ormond** 5.5 (35) at the Gunn Reserve, but that was in the mud back in July!

Both coaches will be asking a few questions. Will **Mick Deveson** play? He didn't last week. And **Andrew Hill**, the young Ormond full forward who broke his collarbone against **Collegians**? Remember **Phil Mehrtens** grand final display last year up forward. Will **Ormond** try him there again?

It seems to me that **Ormond** have problems in their forward division. their key forward positions could be occupied by **Mark McDonald**, **Scott Taylor** or **Brad Nash**. They might have to play on **Peter Ryan** and **Dick Williams** - neither of them very tall. **De La Salle** have their forward troubles too. With **Deveson** out, **De La Salle** have had a makeshift forward set up. If **Kerin** plays it might be at centre half forward with young **Peter Pennie** at full forward though **Wayne McDonald** played there last week. Whatever the set-up, they will face tough tasks against **Martin Crampton** at full back and **David McDonald** at centre half back, should they line up that way.

If **Ormond's Phil Mehrtens** plays in the centre he should have a grand duel with **Tim Cooke**. Both have been in great form. **Ormond** might have the edge on the wings with either **Phil Kingston**, **Mark Gilmore** or **Geoff Russell** though **De La's David Harrington** has been in good form.

A lot will depend on De La's **Mick Greene** in the ruck. On-ball players **Gary Connolly**, **Greg McHenry** and **Mark Lowe** have been getting a lot of first use of the ball as has **Pat Maher** in defence in a similar vein. **Alan Naylor** will give his best for **Ormond** but won't have the mobility around the ground of **Greene**. Mind you **Ormond** have rover **Andy Mehrten** running into form plus **Joe Young** and **Tony Boyanton** in support.

What about **Russell Barnes**, the Ormond captain? He is an inspiration for his club whether in defence or on the ball. Half back **Craig Clark** has been a useful youthful inclusion since the start of the season. De La's **Carl Anderson** has been in good touch too in defence.

The more I look at it the harder I find it to pick the winner. I don't have a strong gut feeling this week — it usually helps in selection! **De La Salle** have been a little more consistent than **Ormond** in recent weeks and since **Mike McArthur-Allen** hasn't sent me a copy of the teams line-up I'll tip **De La Salle**. Sorry John!

In B Section, I was impressed with the enthusiasm of **Fawkner** last week. don't be surprised if they upset **Parkside**. **Fawkner** for mine!

Personality Pars

DOVETON SJOC

Glenn Malloy reached another milestone recently by kicking more than 400 goals since 1982. Well done Muddy, and we hope that you will continue to fire for Doveton SJOC in the finals.

U.H.S.O.B. - 250 GAMES

Several weeks ago **Ian Chettle** became the first player at Uni High to reach the 250 game milestone. Since 1971 it has taken **Chetts** 16 years of dedicated on-field service to reach this target. During this time Ian has won 2 reserves Best and Fairests and was a member of the 1984 and 1985 Reserve Premiership sides. Ian played well in the first half of last year's Grand Final but went to sleep in the second half. On the field Ian is mainly known as a close-checking backman who always punches from behind. However, this year he has been seen in the forward line and is shooting up the goal kicking ladder with a huge total of 4. Off the field Ian has held many positions: Press Correspondent for 4 years, Executive Committee Member for 6 years and has been V.A.F.A. delegate since 1979. Ian was justly awarded Life Membership in 1985. The committee, players and supporters of Uni High congratulate Ian on his remarkable achievement and we are all hoping the "Chetts" will front up again in '87 because "Sparra" keeps on keeping on. Well done Ian!!!

100 GAMES AT ROVERLAND

Congratulations to **Paul Pavlou** on reaching his 100 game milestone today. Pav commencing in the Under 19's in 1979 and has been a great asset to the Club both on and off the field. Known around the Club as the "black Barassi", Pav provides many an opportunity for the forward line. Pav received the Most Improved award in the Reserves in 1984 and his determination on the field is one of the reasons the reserves has once again made the finals. Pav has been an active committeeman for the past six years holding the positions of Assistant Secretary, Registration Secretary, Social President and this year canteen manager. Best wishes for today Pav from all at Roverland and we look forward to your next milestone.

ANOTHER BANKER REACHES 50

All at State Bank would like to congratulate **Dave Grant** on playing his 50th for the club today. Like his "twin" Dave started at the club in 1984 and although possessed with great ability struggled to maintain a permanent position in the side. With new coaches at the club this year Dave was moved to the backline and has blossomed. Dave's form was so good that he even won senior selection mid way through the year. Again, well done Dave and we hope to see you at the club for at least another 50.

THERRY

Therry would like to congratulate the following players on being adjudged the best and fairest for their respective sides: Seniors - **Gerrard Biddlestone**, Reserves - **Michael Donohue**, U.19's - **Michael Keenan**, Club XVIII - **Peter Kelly**. **Gerrard Biddlestone** has capped off a fine season as captain of the seniors and thoroughly deserves the title of club champion for 1986. **Michael Donohue** finished the season as the Reserves leading goalkicker and has had a very consistent year. **Michael Keenan** was a tremendous leader for the U.19's and made several fine contributions for his side. Well done boys and good luck for next year.

100 UP AT O.M.F.C.

All at O.M.F.C. would like to congratulate **Vinnie Sciacca** on playing his 100th game today. Vince has played many good games for Old Mentonians and has developed into a very reliable player on the wing. He is noted for his dummy handballs and ability to take strong grabs. Being a crowd pleaser Vince also likes to play on one side of the ground all day. Well done Vinnie.

50 FOR BRUNO

Congratulations to **Bruno Skalzo** who plays his 50th game today. Bruno who has been playing with the Reserves has finally made the Seniors and is playing well. Playing in the backline he always tries to turn defence into attack with his penetrating kicks, and bores in after the ball often. Well done Bruno and good luck for the next 50.

Peter French Previews Today's Semi Finals in A, B & C Section

What a great game we've been given to kick off the 1986 final series in A Section — a replay of the 1985 Grand Final between two proud and highly decorated clubs. **De La Salle** and **Ormond**.

De La is no stranger to the sudden death position of the first semi having won in a canter last season against North whilst **Ormond's** last first semi appearance was back in 1982 when they were easily defeated by **Marcellin** and caused some raised eyebrows by appearing in the Big White 'V'.

Looking at the two sides they are evenly matched in many positions. Across the centre, a vital line at Elsternwick Park, **De La** boasts an in form **David Harrington** who more often than not saves his best for finals at Elsternwick where his elusiveness, strong marking and left foot set up many attacking moves. He shall be opposed by either **Kingston** or **Russell** and either will be of equal value to the **Monds**. **Mike McArthur-Allen** has something of a problem with his centre line, especially as **Paul Sutherland** has returned to the side where surely he will not be selected as full forward especially when one remembers his best on ground display from the centre wing in last years second semi win over **Collegians**. Still that's Mike's problem not mine or **John Pollards**! I think **Ormond** will hold sway across the centre as whoever the **Ormond** selection panel play on the wing he will beat young **Klarica** and in spite of the regard I and others have for **Tim Cooke**, **Phil Mehrten** will control the pivot. His consistency, strength at the ball and team spirit are of inestimable value to the **Monds** and when things get tough the cries of "Lift 'em Chunky" echo round the ground. If one can be critical of the **Ormond** coaching bench for a moment it is that they've used **Mehrten P** as a troubleshooter too often, and lost his drive from the centre or on the ball. To **Mehrten's** credit he has handled the moves well and has in my opinion put in his best ever season for the club. Speaking of moves I listened with interest to an address from **Bill Jacobs** of 3AW fame during the week as guest of the V.A.F.A. Umpires Association. Bill informed the gathering of Collingwood's **Perc Bowzer** who was used in a variety of positions in Collingwood's 1929/30 and 1935/36 Premiership sides, which all goes to suggest that there's nothing new or revolutionary with placing players in a variety of positions.

Ormond's defence is sound although they will be hoping **Martin Crompton** has recovered from injury and can line up in his accustomed position at full back thus releasing **David McDonal** to centre half back where flanked by **Clark** and **Barnes** they form the first line of a somewhat ordinary attack! However more of that later. Although **Barnes** was tried as a half forward and ruck rover last week and kicked 3 goals he must return to half back and if I was **McArthur-Allen** I'd have him mark the dangerous **Peter Rennie**. Another problem for **Ormond** is whether to risk **Guy Ritchie**. It was a tribute to **Guy** that he returned to football this season after suffering such a serious knee injury last season, but the dual club best and fairest winner is made of the right stuff and despite a fair effort last Saturday there must be some doubts over his fitness. With reliables **Ross Tonkin** and **David Croffy** in the pockets **Ormond** can be satisfied that they will hold **De La** to a losing score. **De La** one notices have had **Phil Kerin** upfield and rucking in recent weeks, and left the spearhead to **Rennie**. I'm of the opinion that at Elsternwick Park **Kerin** should play full forward and **Rennie** further up field. The strong marking of **Kerin** is his great asset and with **De La's** ability to move the ball quickly there should be many "one on one" chances for the big man to use his strength and convert from relatively close in. **Mark Lowe** will be nuisance value in one pocket and although he will out pace either **Croffy** or **Ritchie** he will lack the **Ormond** man's strength. Nevertheless if he kicks 3 or 4 goals he will have done his job. On the flanks **De La** may change **Peter Ryan** and **Gary Connolly** both of whom will worry **Clark** although the promising youngster will outmark either. On the other side **Wayne McDonnell** who may even be asked to line up at centre half forward must be watched closely. He is a beautiful kick and has loads of experience. The main problem for **De La** is the vital centre half forward position, and whoever is given the job has a big task ahead of him.

At the other end **Ormond** too has its worries. In the key posts we are likely to see **David McDonald** who has been down of late and possibly young **Brad Nash**, although I feel **Ormond** will go with **Taylor**. With **Boyanton** and **Nash** beside him height may be a problem and **De La's** **Brian Hanrahan** and **Peter Waldron** supported by **Greg McHenry** and **Paddy Maher** will hold sway here. Across **De La's** half back line where there must be some doubt over **Mick Deveson**, **Dick Williams** is solid and experienced and one continues to hear good reports of **Carl Anderson**. They will need to be on their job as I have high regard for **Joe Young** who will be given a run on the ball and interchange with both **Boyanton** and **Andrew Mehrten**. **Nash** is the likely man on the other flank and where he will appreciate and capitalize on any opportunities.

De La will win in the ruck because **Mick Greene** is the most highly regarded follower in A Section and **Connolly** and **Maier** are dangerous and consistent ruck rovers and link men. **Ormond** will more than likely go with **Naylor** and **Herkess** off the bench and rely on its roving trio to collect the crumbs.

I see **Ormond's** forward line as its biggest headache and **De La's** fitness of one or two of its real champions.

My selection is **ORMOND** despite its poor run into the finals. I believe they will lift for the occasion and can cover **De La's** strengths.

If the **De La** and **Ormond** game wets the appetite in A Section, then the B Section 1st Semi between **Parkside** and **Fawkner** is a gourmet's delight. I was lucky enough to be in the right place at the right time last week — University Oval — where the **Blacks** and **Fawkner** met in what was really an elimination final. I'm prepared to say it's the best game of Amateur Football I've seen this season and regretted leaving with 15 minutes to go at which time **Fawkner** led by just 3 points. If **Fawkner** does well in the final series it should, to quote club secretary **Allan Henderson** "Build a monument" to **Harry Busst**. His game last Saturday was sheer inspiration and if he can handle the **Black's** big men, **Nick Heath** and **James Garde** he can certainly handle **Parkside's** **Goran Yoksich**. However where **Fawkner** may come undone is around the packs, as even with the expected return of **Mark Majerczak** their small men are not in the same league as **Parkside's** **John Papas**, the ageless **King**, **Griffiths** and captain coach **John Wise**. **Majerczak** does his best work up forward whilst **Greg Mitchell** although a hard worker at the ball, lacks the finesse of his more experienced opponents. The ruck-roving duels will be full of interest with **Parkside's** **Greg Williams** up against **Fawkner's** **Brendon Saggars**, over whom there is some doubt fitness wise and **Mark Tymms** a players of great ability and who appears to handle pressure well. **Fawkner** may just have the edge in this area. Up forward the clash between **Fawkner's** **Trevor Price** and **Parkside's** **Franklin** will have a direct bearing on the result. **Price** likes to fly from behind but has uncanny judgement and proves his value by rucking on the forward line. **Frank Sansonetti** may well pick up **Fawkner's** **John O'Leary** who did well on **Rod Lewis** last week. Across the centre **Parkside** will be looking for drive from **Mark Sturgess**. However he will not have it all his own way as **Andrew Brown** of **Fawkner** will appear as an unknown. The former **Old Haileybury** player possesses all the skills and will prove a worthy opponent. In the centre we find two of the better players in B Section. **Mark Page** of **Parkside** and **Steven "Skills" Hills** (a very appropriate nickname that) of **Fawkner**. I suspect they will play wide of one another and that **Page** will win more possessions but the **Fawkner** man is possibly the best foot pass in both sides and does not waste a kick, honours will be about even. The Devils will need a big game from **Ollie Filipovic** and a disciplined one from **Freeman**. They will surely be tested by **Shane Rhodes** and **Stephen Buckley** whose kicking to position from full back and coolness under pressure last Saturday had much to do with **Fawkner's** win. **Fawkner** I believe rely heavily on **Rhodes**. He is an excellent mark for his size and his left foot turn leaves opponents standing. He was well supported by **Habgood** as was **Buckley** by **Gray**. **Parkside's** are fortunate in that **Sansonetti** can play either centre half back or centre half forward which leaves **Bradley** free to ruck or fill in at one of the other key positions. Gee this will be a good game and in going for **Fawkner** I do so as a result of their display against **Parkside** back on July 26th. On that occasion they led **Parkside** to the ball and played with a greater degree of urgency. Last Saturday the pattern was similar in that they had numbers at the ball and worked harder around the ground. They will miss **Terry Young** who has a broken hand and provided they play to instructions and keep their minds on the job they should prove too fast and slick for **Parkside**, although I doubt if there will be much in it at the end.

In C Section **Ajax** should handle the Bentleigh ground better than **Banyule** and progress to the Preliminary, whilst at Northcote I believe **Old Trinity** will return to B Section by defeating **Thomastown**.

Just for the record my selections in the other sections are:

D SECTION:
PRESTON v Old Mentonians
MONASH v Balacava

E SECTION:
ELSTERNWICK v Peninsula O.B.
BULLEEN UNITED v State Bank

F SECTION:
WHITEFRIARS v Doveton
(They must have laid down last week!)
OLD ESSENDON v U.H.S.O.B.

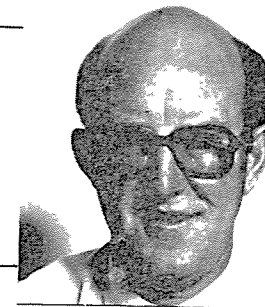

G SECTION:
G.T.V.9 v Parkside
OLD CAREY v Monash Whites

U.19 SECTION 1:
BULLEEN TEMP v De La Salle
ORMOND v M.H.S.O.B.

U.19 SECTION 2:
ST. BERNARDS v O. Melburnians
OLD HAILEYBURY v Collegians

U.19 SECTION 3:
IVANHOE v Hampton Rovers
ST. KILDA CBOC v Old Paradians

Norm Nugent Reviews and Previews D, E, F, G and U19 Matches

REVIEW OF MATCHES PLAYED AUGUST 23

D. The surprise result of the last round was the seventeen point victory by **Heatherton** against trend setter **Balacava**. As tipped **North Brunswick** proved too strong for **West Brunswick** and sent the Magpies back to E Section come 1987. **Monash Blues** rejoined the winning list against **Coburg** who fell a long way short of maintaining the home form. **Old Ivanhoe** with a sixteen goal victory sent **Powerhouse** from the section. Today's first semi final preview saw **Preston** return to the winning list at the expense of **Old Mentonians**.

E. Great results for your tipster were those in the last round of E Section as your tipster picked the five winners. **State Bank** proved too strong for an inaccurate **Brunswick**. Unbeaten leaders **Bulleen United** maintained their enviable record against **Williamstown** while **Peninsula Old Boys** ran out very easy winners over **Clayton**. **Old Geelong** were too talented for the bottom side **University Reds** who now can regroup in F Section come 1987. **Elsternwick** played with dash against **St. Bedes** and emerged comfortable victors.

F. Another spectacular tipping success was the selection of each F Section winner in the last round of matches. **A.N.Z. Bank** proved my forecast inaccurate when they offered strong opposition to leaders **Old Essendon**. **University High School Old Boys** received only token resistance from **Footscray Institute** who lost by over thirty goals. Only the accuracy of **La Trobe University** forwards enable their side to account for **Commonwealth Bank** who had more of the play. In the remaining two games **Doveton** and **St. Andrews** kicked cricket type scores against **Whitefriars** and **St. Leonards** respectively. The heavy defeat of **Whitefriars** must have proven disheartening as they meet **Doveton** again today.

G. **Old Carey** were not extended as they easily disposed of **Eltham College** while in the other match **G.T.V.9** proved far too strong for **Parkside** whose display was not in keeping with their previous good form. **Monash Whites** had the bye.

J.1. **North Old Boys** maintained their place in the section when they accounted for **University Blues**. **Melbourne High** sent **Old Scotch** from the section when they recorded a huge victory by forty one goals. **De La Salle** insures a final's appearance when they easily defeated **Marcellin**. In the remaining game leaders **Ormond** inflicted a ten goal defeat on **Old Xaverians**. **Bulleen-Templestowe** had the bye.

J.2. Only one game was played in this section and it resulted in **Old Haileybury** easily defeating **St. Bernards** and thus maintain second place. In an unusual occurrence finalist **Old Melburnians** forfeited to fifth side **Therry** while **Thomastown** and **Collegians** won by default against **University Blacks** and **Old Brighton** respectively.

J.3. Two games were played in this section **St. Kilda** defeated **Caulfield Grammarians** who have proven a difficult side for the two leading teams over the last two rounds. **Hampton Rovers** had over one hundred points to spare when they defeated **Williamstown**. In not an ideal lead up to finals **Old Paradians** and **Ivanhoe** received forfeits from **Old Camberwell** and **Monash Blues** respectively.

PREVIEW OF MATCHES 30th AUGUST.

D. FIRST SEMI FINAL:

Preston and **Old Mentonians** meet again this week at **Monash University**. In previous matches this season **Preston** won at home on June 21 by thirty eight points while last week they won at Keysborough by twenty eight points. **Preston's** rapid rise since 1984 has given its players greater final's experience. It has the stronger attack as **Hepburn** has proven a danger to all **Preston** opponents while **Coach Meese** is a proven player with extensive V.F.A. final's experience. **Preston** lifted their form last week whereas **Old Mentonians** have lost their last two games against sides which play close and contest with ferocity. Today I believe **Preston** will win again.

D. SECOND SEMI FINAL:

Monash Blues and **Balacava** meet at **Pitcher Park** for the right to promotion and to Grand Final entry. **Balacava** won their last encounter on August 9 when the accuracy of each side was markedly different. In their first 1986 meeting **Balacava** won on June 14 by thirty nine points. The students have no main focal point on their forward line whereas **Balacava's** **Crottie** is the leading sectional goalkicker. On August 9 while **Crottie** was held other **Balacava** forwards managed to kick a winning score. The

scoreboard that day showed these players were not subjected to great pressure when they had the opportunity to score. Conversely the **Monash** inaccuracy that day must have been caused in part by pressure exerted by **Balaclava** defenders. Attitude will play a big part in deciding this game and as **University** sides traditionally play on confidence early success could stimulate **Monash** to go on to victory. As this factor is indeterminable I select **Balaclava** because of their earlier victories and their better recent form.

E. FIRST SEMI FINAL:

Both **Peninsula** and **Elsternwick** had big wins last week and so each should be in fine fettle for today's game at **Hampton**. Over the season the **Wicks** have the better record and I believe they will handle the final's pressure better than **Peninsula**. In addition **Karapidis** has been a more reliable goalkicker for **Elsternwick** than has any one player in the **Peninsula** line-up. **Elsternwick** is my selection.

E. SECOND SEMI FINAL:

Unbeaten **Bulleen United** and **State Bank** meet on the spacious and quality turf of the **Harry Trott Oval**. Although the vagaries of the **Albert Park** winds will suit **State Bank** better than **Bulleen United**, the big ground will also enable a fast open game to be played. This will suit **Bulleen United** whose attack, despite missing the suspended **Quarrel**, will now be channelled via the evergreen **Divirgilto**. **State Bank** reliable forwards **Jenkins** and **Carboon** must be watched closely or they could kick their side to victory. However I believe overall talent will see **Bulleen United** win and thus move to D Section.

F. FIRST SEMI FINAL:

Last week's opponents **Doveton** and **Whitefriars** meet again. **Doveton's** recent form has been high class and following their thrashing of **Whitefriars** last week the gold and browns must be favoured to win again. **Mallon** is proving a focal point for **Doveton** forwards who have been able to boot very high scores over recent weeks. As I cannot see **Whitefriars** bridging the thirty five goal gap in seven days — **Doveton** is my selection.

F. SECOND SEMI FINAL:

The two leading sides for most of the season **Old Essendon** and **University High School Old Boys** meet at **St. Bernards**. **Essendon's** only loss this season was to **University High** by fifteen points on July 26. The **Essendon** side has had two secure avenues to goal via **Simmons** and **Egan** whereas the highest **University High** goal kicker has been **Kufner**. Last Saturday **University High** displayed the better form but today I believe **Essendon** will prove their top rating with victory and promotion to E.

G. FIRST SEMI FINAL:

The enigmatic **Parkside** side meet **G.T.V.9** again, this time in **Albert Park**. On their day **Parkside** are capable of beating all opponents while **G.T.V.9** have many individual stars led by **Tony Fox**. G Section form has been hard to follow but I cannot see **Parkside** bridging the seventeen goal gap **G.T.V.9** was able to build last week so **G.T.V.9** should win today.

G. SECOND SEMI FINAL:

Old Carey and **Monash Whites** have won the right to play in this game through consistently good performances during the season. Both have a sprinkling of talented big and little players who combine well around the ground. **Carey** have a key forward **Hearn** who can win the game off his won boot. Skipper **McMahon** who does well in ruck duels is able to bring others into the game. For **Monash** the **Salvatore Brothers** and **Bruce Ninnis** are great triers and will give their best all day. The sides are fairly evenly matched and the result can go either way. Without any great confidence I select **Monash Whites**.

J.1. FIRST SEMI FINAL:

Bulleen Templestowe and **De La Salle** meet on the peculiarly shaped **Oval 2** which in days past was the **De La Salle** home ground. Both sides have had similar seasonal success and are evenly matched. **Bulleen Templestowe** may benefit from last week's bye and I fancy them to emerge victorious. **De La Salle** will contest the outcome until the final siren but I believe the final bell will find them in deficit.

J.1. SECOND SEMI FINAL:

Ormond and **Melbourne High School Old Boys** meet on the **Ross Gregory Oval** which may suit the **Melbourne High** players better because of its size. **Ormond** has been the leading side all season and I believe they will prove too strong for **Melbourne High** today.

J.2. FIRST SEMI FINAL:

In the first semi final at **Old Xaverians**, **St. Bernards** play **Old Melburnians** who had to forfeit last Saturday which was hardly good preparation for a final. **St. Bernards** form over the season has been the stronger and I believe they will win today.

J.2. SECOND SEMI FINAL:

Collegians who lead the section play **Old Haileybury** at **Old Scotch**. **Collegians** won their last encounter on August 9 by two goals, so the neutral ground today should bring **Old Haileybury** closer. **Collegians** have the better overall performances although statistically **Old Haileybury** is the better side. To select the winner is a difficult task. In a line ball decision I select **Collegians**.

J.3. FIRST SEMI FINAL:

Ivanhoe and **Hampton Rovers** meet at **Melbourne High** in what promises to be a hard fought game. **Ivanhoe** have given some creditable performances as have **Hampton Rovers**. There is no doubting the strength of the **Rovers** defence while **Ivanhoe's** forwards have been the more active of the two. **Ivanhoe** move the ball well around the ground and I believe they will gain sufficient possessions to kick

the winning score over **Hampton Rovers**.

J.3. SECOND SEMI FINAL:

The season's top sides meet at **De La Salle** as both **Old Paradians** and **C.B.C. St. Kilda** have each suffered only one loss to each other when visiting. **Parade** will have to check the strong forward play of **Mann** while **St. Kilda** must cut the supply lines to **Parade's** **Kerr**. **Parade** must nullify **St. Kilda** stars namely **Fitzroy**, **Jackson**, **Dynon** and **Murphy** whilst to nullify **Parade's** strengths the **Saints** must quieten **Regan**, **Peyton**, **Jowett** and **Beck**. I fancy the **Paradians** to win because I believe their stronger centre line and running players will be able to win the ball often enough to allow their forwards to kick the winning score.

UMPIRES CORNER

with **Brian Goodman**

100 UP FOR DARK MIDGET

As we start the final series, we pause to congratulate **Little Kevin Segota** on umpiring his 100th match today. Kevin started field umpiring in 1978 with the Dandenong District League and joined the V.A.F.A. in 1979 and umpired until 1982 where he then joined the V.F.L. cadel squad, Kevin rejoined the V.A.F.A. (due to a small stomach problem) in 1986.

Kevin's achievements in his short career so far are: 'D' Res. Grand Final, 'C' Res. Grand Final, 'B' Res. Grand Final and 'D' Senior Grand Final.

Kevin says his highlights were gaining selection to the 'A' Section Panel and umpiring a 'B' Section match at Elsternwick Park with his older brother Joe. Kevin remembers that day very well, because no matter what happened "Segota" paid the wrong decision.

Well done, Kevin on this milestone and we hope you will continue to achieve success for many years to come.

This week I would like all umpires to read and remember this article submitted by Wayne Henry.

The Umpire - A Winner?

I am honoured to have received this appointment. But I will **not** be content until the final siren sounds to end the game and I have achieved my prime objective. I have given my **utmost** performance. There is **no** place for a second rate job, I **want** to be a winner. I have to perform from the ground up - from the souls of my feet, right up to my head, every part of my body has to be committed - my brain, my legs, my heart, **especially my heart**. My **finest** hour, my greatest fulfilment of all I hold dear is that moment when I have worked my heart out in a good cause and slump exhausted at the conclusion of the game - victorious - **A Winner**.

THE AMATEUR FOOTBALLER

After an extensive recruiting campaign at the end of last season it appeared as though we would have sufficient numbers to cater for all matches.

However, when training commenced in early February a big number of those people who indicated their desire to umpire did not appear.

Also, during the course of this season we have lost 21 field umpires for various reasons.

Fortunately, we may not have had the quantity but we certainly have the quality and this has shown in the number of younger field umpires who have progressed through the sections, therefore the future looks very bright, especially for 1987, if these umpires can be retained.

We were most fortunate this year to have **Pat Bowd** as our Training Supervisor and he was ably assisted by **Graham Cavanagh**, and I thank both fellows for their expertise in the quality and variation of training.

To our goal umpires Adviser, **Julian Velleman** who again has done a marvellous job with the goal umpires, I thank him for his efforts and support, and due to Julian's coaching the goal umpires are a tight knit and dedicated group.

I also take this opportunity to publically thank my "right hand man" **Graeme Simpson** for his tireless efforts, his guidance and tolerance this season. Amateur football is certainly the richer for having Graeme in their ranks for so long and recognition of his service to the Amateurs was acknowledged earlier this season.

The following "ex umpires" who have observed matches this year in rain, hail or shine deserve praise and recognition for their contribution to umpiring, namely, **Roy Johnston, Ken Jorgensen, Peter King, Wayne Lyons, Foster Rossetto and Graham Cavanagh**.

To all teams participating in the Finals I wish them well and also to our umpires who will be officiating this is the culmination of months of hard work, of blood, sweat and tears, and to walk out onto the ground to umpire a Final is the just reward for your efforts.

Yours in Sport,
Neville Nash.

100 TO NICK SCHMIDT

Congratulations from all **Collegians**, and no doubt all Amateur Football Supporters, are extended to the Lions U/19 (Zone 2) Full-Forward **Nick Schmidt** who kicked his Hundredth goal for the season against **Old Melburnians** on the 16th day of August, 1986.

He is the first, and perhaps the only V.A.F.A. footballer to reach the 100 goal target in 1986.

Nick, who is a key to the U/19's Premiership hopes, is currently celebrating his achievement somewhere on the Gold Coast! All Collegians have their fingers crossed that he is not enjoying himself **too much** and will return in sufficient time and satisfactory shape to dominate in our Second Semi Final game against **Old Haileyburians**.

Well done **Nick**.

50 Games to "Dobbo" Ashley Dobson also knotted up his 50th game last week. Dobbo joined the club in 1984 and immediately stamped his mark on the half back or back pocket positions. A solid defender never giving the rovers or ruck rovers a rest Dobbo the "Quiet Achiever" can always be relied on to clear the ball under pressure with a minimum of fuss. Congratulations from all at O.T.s Dobbo, looking forward to your next 50.

Christopher Brent 50 Games: C.B. who has always had an uncanny sense of timing, not to mention goal sense, surprised all and sundry in arriving back from his offshore extravaganza just in time for the finals AND his fifty games. Chris has somehow in his travels managed to lose some of his "Bulk" from previous years to step comfortably into the firsts side and the upcoming finals. Chris topped the E and D Sections goalkicking in 1984/85 respectively and has lost none of his old magic in 1986. Well Done C.B.

FINALS 50s AT OLD TRINITY

50 Games Nick Sammut: Congratulations go to **Nickalus "The Gaff" Sammut** who played his 50th game last week against Kew. Always keeping a low profile around the club Nick made a dramatic appearance onto the ground last week wearing the infamous "White Boots" of Carman, Mercer, Maizels fame, ending up on the bench, the curse lingers on. Nick is a fine contributor at all social functions despite consistent and on-going lines of abuse to all and sundry. The club and supporters again congratulate you for you 50 and hope you have the proper boots on for today's match.

MACCA BITES THE BULLITT!
 No doubt V.A.F.A. President John Dillon was amazed by the scenes at McKinnon Oval as Old Haileyburians' **Don McQueen** made his annual return to the fray. Whats more, The Living Legend ran at the ball like a half back flanker, gathered as a crack centre half forward only could, pirouetted in true rovers style and finished off the job with a left foot snap that would do Warwick Capper proud (even if the shorts were a slightly different fit and the Sydney Swan has a toothier grin)! Only disappointment of the whole scene was that the goal wasn't a drop kick. Invigorated by his performance, the coach "dragged" his goal-sneak00 find early in the second term for Don to rest those delicate hamstrings over luncheon. He shouldn't get too carried away, however: even "Kingo" scored a goal!

Looking Back

by Noel Rundle

5 YEARS AGO — 1981

Best and fairest winners were, in 'A', **Steve Pirrie** (Old Xaverians) 17, **R. Brown** (Old Melb.) and **A. Reghenzani** (Marc) 16; 'B' **M. Hibbins** (Coll) 20, **J. Teasdale** (Fawkner) 17; 'C' **K. White** (St. Kilda CBOC) 25; 'D' **B. Ivey** (W.Brunswick) 21, **P. Bunting** (Old Trinity) 16; 'E' **A. White** (Therry) 14, **D. Weir** (Therry) 13; J.1 **P. Corrigan** (Melb.Univ.) 24; J.2 **D. Simonetti** (Marc.) 28; J.3 **A. Wilkie** (W.Brunswick) 19.

De La Salle annihilated Ormond in 'A' Section, 13.10 (88) to 2.7 (19). Best were **Maher, McHenry, Haurahan** (De La) and **Andrew, Ritchie, McCooke** (Ormond).

In a tough 'C' first semi **Old Camberwell** came from behind to defeat **M.H.S.O.B.** 7.11 to 7.10. Stars were **Hewitt, Warner, J. Steven** (O.Camb) and **Delaney, Todd, Knight** (M.H.S.O.B.).

In 'F' second semi **Therry** started their rise up, the sections with a convincing 5 goal win against **Banyule**. Players to stand out were **Gibson, Weir, White** (Therry) and **Power, D. Hobba, B. Wells** (Banyule).

Most exciting game was Junior 2 second semi when **Bulleen-Templestowe** and **Ivanhoe** drew, 100 points apiece, 13.22 to 14.16. Best were **Espenschied, Turner, Hooper, Chadwick, R. Osbourne** (6 gls) (Fitzroy's 1986 Richard Osbourne — N.R.) **Palmer** (Bulleen-Temp) and **McMahon, Cartledge, Diamond, Gray, Purcell, Loton**.

10 YEARS AGO — 1976

University Blues collapsed in the second half of the first semi against **St. Bernard's** and were beaten by 9 goals, 23.16 to 15.10. Best were **Mitchell, Mahoney** and **K. Phelan** (St.B) and **Carmody, Bieworth, Tyquin** (U.Blues).

Closest game was "D" Section second semi where **Old Xaverians**, 13.10 defeated **Ajax** 13.9. Stars were **Noonan, Nankervis, Fitzpatrick** (Old Xav) and **Rozen, Bialek** (5 goals), **Kagan**.

"A" Section best and fairest was won by **Chris Hansen** (Old Trinity) scoring a mammoth 32 points. Chris scored votes in 12 of the 14 matches he played, and included nine first votes in his tally. **Ray Shepherd** (R.O.B.) and Monash Blues **Ross Booth** were level on 16 points with Shepherd being placed second on countback.

"B" Section was much closer with **Tony Lester** (Caul. Graam) one point ahead of **C. Stredwick** (Ivanhoe) and Marcellin captain **Michael Power**, one point further back.

U.H.S.O.B. captain **Alan Flavel**, took out the "C" grade award to repeat the performance of his clubmate **Max Johnston**, in 1975. **M. Ritterman** (Ajax), **G. Butler** (N.Bruns.) and **Bruce Ivey** (W.Bruns.) were winners in "D", "E" and "F". It was the second successive award for **Michael Ritterman**. **Michael Nugent** (De La Salle) beat

Alex Marcou (Thomastown) by 2 points in Junior 2 best and fairest.

Top goalkickers for the season after home and away games were "A" **Tyquin** (U.Blues) 77; "B" **Jones** (Marc.) 87; "C" **Roberson** (O.Melb) 71; "D" **Bialek** (Ajax) 54; "E" **Dancer** (A.N.Z. Bank) 77; "F" **O'Loughlin** (B.Hills) 76; Junior 1 **Sloan** (Monash) 86; Junior 2 **Czerny** (Thomastown) 156.

15 YEARS AGO — 1971

Best and Fairest winners were: A Section — **J. Douglas** (coburg); B Section — **M. Birrell** (Old Carey); C Section — **P. Cohen** (Old Trinity); D Section — **R. Abernathy** (Brunswick); E Section — **M. Herzfeld** (Ajax) and F Section — **P. Gartner** (Marcellin).

Coburg suffered their second successive defeat when they went down to **Ormond** by 27 points in the last round and lost second place. Coburg were hopelessly out of form, failing to score a goal in the first half and went in at the interval with a 10 goal deficit. Coburg had little chance in the second half as heavy fog settled over the ground and it was impossible to see much of the play in this period. It was Ormond's first win in nine meetings with Coburg.

Coburg went on to lost to St. Bernards in the first semi by 33 points. With an 11 goal burst in the third quarter St. Bernards held an unbeatable 12 goal lead at the last change. Best were **M. Mahoney** (6), **K. Mahoney** and **Burgin** (St. Bernards) and **Leckie, N. Beattie** and **Scanlon** for Coburg. A great performance by St. Bernards in their first year in "A" Section. An unusual feat for **Gary Amott** and **Mick Perrett** as they had played in finals from "E" Section to "A" Section.

Caulfield Grammarians (A Section), **Geelong** (B Section) and **Assumption** (C Section) missed fourth place on percentages to **St. Bernards, Ivanhoe**, and **Old Haileybury** respectively.

Marcellin in their first year of Amateur football had both sides in the finals.

150 games to St. Kilda C.B.O.C's robust, rugged, ribald, redhead but never raucous or randy, ruckman **Jack Scanlon**.

Ivanhoe 19.19 defeated **Uni Blacks** 14.13 in B Section first semi — stars were **Bill McWhinnie** for Ivanhoe and **Chris Cordner** with eight goals for the Blacks.

Ormond and **UNiv. Blues** met in the second semi with Ormond convincing winners of previous two meetings, firm favourites.

Finals umpires to main games were **Brian Hagarty, Don Dodds, Gavin Marshall, David Harradence, Pat Loy, Norm Sharpe, Bill Mason** and **Daryl George**.

20 YEARS AGO — 1966

North Old Boys, Old Geelong and Ajax who won second semi finals in C, D and E Sections respectively, already fulfilled one of the two ambitions of each club — promotion to a higher section.

Old Paradians trailed Caulfield Grammarians in A Section first semi and almost threw away the game kicking 2.10 in the last quarter before winning by a goal.

Oldest player in "A" Section first semi player's list was Caulfield's 31 year old **Max Brook** (5'6" and 9.13), a former "A" Section Best and Fairest (with Ormond). Captains were **Tom Tootell** (Caulfield) and **Peter Booth** (Old Paradians).

Ormond 24.14 beat Old Melb. 9.6, convincingly in B Section first semi.

Best and Fairest winners were **M. Mulcahy** (Old Xav) — A Section; **V. Crowe** (Kew) — B Section; **B. Pardon** (West Brunswick) — C Section; **W. Trinder** (Brunswick) — D Section; and **N. Pidgeon** (Commercial Bank) — E Section.

35 YEARS AGO — 1951

Ormond and Univ. Blues staged a stirring semi-final with only a goal in Ormonds favour at the finish. In the other semi, **Hampton Rovers** beat **Commonwealth Bank** by nine points. Under the finals system Ormond and the Rovers met at St. Kilda C.G. with umpire **Reg Caddy** in charge to decide the A Section Premiership.

Best and Fairest winners were A Section — **Geoff Hibbins** (Collegians); B Section — **Phil McLaughlin** (Old Paradians); C Section — **Bill McGrory** (Glenhuntly); D Section — **G. Allen** (Teachers College) and Junior Section — **Neil Roberts** (M.H.S. Old Boys).

Dear Editor,

After my first letter to you everyone else has remained silent.

Well the season has ended form many who have done a lot for Amateur Football so we thank them all while the rest of us slug out the finals.

The Herald for its help when scores are inaccurate, the line goes dead or we drop our notes on the floor.

The same goes for George and Nancy McTaggart for their patience and understanding.

As a Press Correspondent it annoys me at times to have to report "Goalkeepers and Best players not supplied". Lets hope 1987 sees an improvement. Congratulationstoallthefinalsides.

Brian Lugar

BULLEEN UNITED UNDEFEATED FOR SEASON

Bulleen United attained the goal few sides get a chance at by completing the home and away round of 18 matches undefeated, with an easy 82 point victory over **Williamstown** to be five games clear of second on the ladder.

Despite a poor start of 2.8 in the first term, the Bulls were never really challenged, settling down after withstanding some rough-house play by **Williamstown** trying to avoid relegation. Great play by **Alf Dirvirgilio** with 5 goals, **Kelly, Goldsmith & Creighton** 3 each and **Snape, Morley & Empey** in key positions. **Bulleen United** won 19.23.137 to 8.7.55 are now looking forward to the finals with relish.

The Reserves showed excellent form in a 111 Point victory 21.16.142 to 4.7.31 over the fifth placed side, to finish third. The teamwork shown in the first half portends a big threat to the other sides in the finals, with **ZORZI, ZIOGAS & BOWDEN** showing great pace **Thompson** bagging 4 goals, **Berkfeld, Hock- ing & Bowden** 3 each. **Bulleen** won 21.16 to 4.7.

The Bulls appreciate the supporters who help along on the sidelines and will not disappoint those who come to see good, fast modern football. The Senior second semi final is to be played on Harry Trott Oval, Albert Park at 2.00 p.m. on the 30th of August between **Bulleen United & State Bank**, and the Reserves first semi at 11.45 a.m. against **Elsternwick** on the same day at Hampton Rovers Ground.

THE VAFA WEARS WOOL

Vafa representative teams have enjoyed the comfort of wool for the last two seasons.

Players like Ormond's David McDonald seen here in the Woolblendmark jumper worn in the 1985 State Games, and Old Brighton's Peter Grant wearing the new Woolblendmark jumper for season 1986, enjoy the feeling of wool every week because Old Brighton is one of a growing number of Vafa clubs making the change to Woolblendmark jumpers.

They're making that change because they know that wool provides maximum comfort whether players are performing in hot or cold conditions.

And no matter how many times they're machine washed or commercially laundered, Woolblendmark jumpers stay in shape, season after season.

That's why Woolblendmark has Vafa endorsement, because nothing touches wool for economic performance that just goes on and on.

Woolblendmark jumpers are made to Australian Wool Corporation

standards by Hugh Lyons for the Vafa, and are available through Vafa Marketing on 663 6685 or from Hugh Lyons on 583 3277.

**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

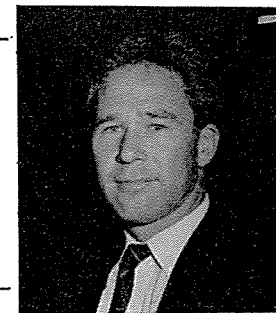

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

De La Salle reversed last year's Grand Final result with a 51 point win over **Ormond** in last week's first semi-final.

In what was expected to be an even contest De La ran right over Ormond in the second half, kicking 11 goals to 2.

De La lost both **Mick Deveson** and **Chris Campbell** through injury on the morning of the match and Ormond recalled young forward **Andrew Hill** who had been out with a broken collarbone.

And it was **Hill** who proved a handful for **Brain Waldron** early in the first quarter to give Ormond an early 15 point lead. Not that Ormond had most of the play — they didn't. It was just that De La used the ball very indiscriminantly up forward with long ill-directed kicks to **Phil Kerin** and **Peter Rennie**.

The De's contained Ormond in the second quarter and just before half time **Phil Kerin** broke away from **Mark McDonald** for the first time. The margin at half time was just a point in favour of De La.

That was a sign of things to come.

De La Salle moved **Kerin** to full forward, **Tony Klarica** to centre half forward and **Peter Rennie** to the pocket. Their game was transformed. **Mick Greene** was marking strongly around the ground and the De La small running players took control.

Rover **Mark Lowe** was superb in the third term, as was winger **David Harrington** especially overhead. Their extra bite on the ball combined with the brilliant running of defender **Pat Maher** and **Peter Ryan** gave DLS many more opportunities to score. **Greg McHenry** made some scintillating forays deep into Ormond's defence and split it wide open. With **Peter Rennie** firing DLS added 6 goals in the third quarter.

Ormond weren't even able to rally in the last term despite the great efforts of centreman **Phil Mehrtens**. He had a great dual with **Tim Cooke**. **Brian Hanrahan** helped to keep Ormond to 1 goal in the last term whilst De La Salle added another 5 goals.

It was a very disappointing display by last year's premiers. It was an interesting contrast in tactics. Ormond switching the play onto the grandstand attacking flanks. De La Salle, by contrast, using the defensive flank on most occasions, a tactic for which they're renowned.

I think that Ormond weren't allowed to play well, that's the best De La Salle have played for some time and they'll be difficult to get over in the Preliminary Final against their opponents either **North Old Boys** or **Collegians**.

I'd be very surprised if De La Salle don't face North Old Boys because I expect Collegians to advance to the Grand Final today.

Why do I think Collegians will win? Well, for a start they're a much more settled combination.

Let's start with their defence. They're a really mean lot, and tough. Imagine trying to get a kick against **Simon Williams**, **Stuart Hinch** and **Nick Schober**. They can also run the ball well from defence, especially with **Andrew Wright**, **Gary Irvine** and **Greg Parsons**.

Collegians centre line is classy — **Greg Tregear**, **Peter Kahn** and **Andrew Ingleton** but perhaps could be pressured if North were to line up with a centre line of **Bruno Conti**, **Mauro Borchich** and **Peter Weir**.

It's the Lion attack which is really dangerous. **Ian Roberts** has kicked a lot of goals at full forward, **Stephen Rickford** has had a grand year at centre half forward and these two are flanked by the brilliant but enigmatic **Ian Herman**. Will he produce his best in the finals? **Tony Baum**, **Peter Wolff**, **David Hoyle** and **Richard Herman** are all capable of kicking goals.

In the following division is **Chris Pollock**, possibly supported by **Grant Newman** and complemented by two great rovers — **Jeff Lemon** and **Keith Parsons**.

What about North? Well I've made mention of their centre line, whatever its make up — it should be well. **Conti**, **Borchich** and **Weir** sounds pretty good to me!
