**Foster's Lager—
A symbol of Australia
for almost a century.**

Since the Fosters brothers brewed the first distinctive Australian lager in 1888 the fame of Australia's favourite beer has grown around Australia and around the world.

Foster's was first exported to South Africa during the Boer war. Today you can get a Foster's from Baghdad to Bangkok, San Francisco to Singapore.

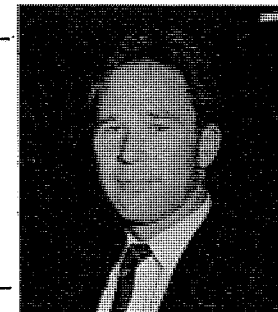

It's by far the biggest selling Australian beer in Britain.

One of the top 10 selling imports in the U.S.A.

Sold in every Australian state, Foster's outsells every other Australian brand of beer.

Australia's favourite beer.

A and B Sections Reviews and Previews by Ross Booth

De La Salle reversed last year's Grand Final result with a 51 point win over **Ormond** in last week's first semi-final.

In what was expected to be an even contest De La ran right over Ormond in the second half, kicking 11 goals to 2.

De La lost both **Mick Deveson** and **Chris Campbell** through injury on the morning of the match and Ormond recalled young forward **Andrew Hill** who had been out with a broken collarbone.

And it was **Hill** who proved a handful for **Brain Waldron** early in the first quarter to give Ormond an early 15 point lead. Not that Ormond had most of the play — they didn't. It was just that De La used the ball very indiscriminantly up forward with long ill-directed kicks to **Phil Kerin** and **Peter Rennie**.

The De's contained Ormond in the second quarter and just before half time **Phil Kerin** broke away from **Mark McDonald** for the first time. The margin at half time was just a point in favour of De La.

That was a sign of things to come.

De La Salle moved **Kerin** to full forward, **Tony Klarica** to centre half forward and **Peter Rennie** to the pocket. Their game was transformed. **Mick Greene** was marking strongly around the ground and the De La small running players took control.

Rover **Mark Lowe** was superb in the third term, as was winger **David Harrington** especially overhead. Their extra bite on the ball combined with the brilliant running of defender **Pat Maher** and **Peter Ryan** gave DLS many more opportunities to score. **Greg McHenry** made some scintillating forays deep into Ormond's defence and split it wide open. With **Peter Rennie** firing DLS added 6 goals in the third quarter.

Ormond weren't even able to rally in the last term despite the great efforts of centreman **Phil Mehrten**. He had a great dual with **Tim Cooke**. **Brian Hanrahan** helped to keep Ormond to 1 goal in the last term whilst De La Salle added another 5 goals.

It was a very disappointing display by last year's premiers. It was an interesting contrast in tactics. Ormond switching the play onto the grandstand attacking flanks. De La Salle, by contrast, using the defensive flank on most occasions, a tactic for which they're renowned.

I think that Ormond weren't allowed to play well, that's the best De La Salle have played for some time and they'll be difficult to get over in the Preliminary Final against their opponents either **North Old Boys** or **Collegians**.

I'd be very surprised if De La Salle don't face North Old Boys because I expect Collegians to advance to the Grand Final today.

Why do I think Collegians will win? Well, for a start they're a much more settled combination.

Let's start with their defence. They're a really mean lot, and tough. Imagine trying to get a kick against **Simon Williams**, **Stuart Hinchin** and **Rick Schober**. They can also run the ball well from defence, especially with **Andrew Wright**, **Gary Irvine** and **Greg Parsons**.

Collegians centre line is classy — **Greg Tregear**, **Peter Kahn** and **Andrew Ingleton** but perhaps could be pressured if North were to line up with a centre line of **Bruno Conti**, **Mauro Borcich** and **Peter Weir**.

It's the Lion attack which is really dangerous. **Ian Roberts** has kicked a lot of goals at full forward, **Stephen Rickford** has had a grand year at centre half forward and these two are flanked by the brilliant but enigmatic **Ian Herman**. Will he produce his best in the finals? **Tony Baum**, **Peter Wolff**, **David Hoyle** and **Richard Herman** are all capable of kicking goals.

In the following division is **Chris Pollock**, possibly supported by **Grant Newman** and complemented by two great rovers — **Jeff Lemon** and **Keith Parsons**.

What about North? Well I've made mention of their centre line, whatever its make up — it should be well. **Conti**, **Borcich** and **Weir** sounds pretty good to me!

therefore may be required to play a somewhat less attacking game than he is accustomed. Both players earn state jumpers this season and so were well thought of by **Messrs. Fisher, Stokes** and company. In the centre **Peter Kahn** will be playing in his first Amateur final compared to his likely opponent, **Mauro Borcich's** umpteenth. Both players go hard at the ball and are bound to have a hand in many forward moves. I shall reserve judgement on this particular clash until next week as I've not seen **Kahn** play for some considerable time.

Collegians forward line appears to revolve around **Stephen Beckford** at centre half and **Ian Roberts** at the spearhead. I said appears, and certainly **Roberts'** 80 odd goals suggests he's no slouch whilst **Bickford's** vast experience, body strength and field marshalling of his flankers and pockets has also had much to do with the club's success. Today they will line up, more than likely, on two players of equal experience, if not more in **Griffin's** case, more than equal desire and at least equal ability and besides **Jerome** I am of course referring to the ever reliable and hard working **Paul Considine**. **Conno** you certainly have a role to play today. However after these two North fall away in some respects whilst **Collegians** through **Wolff**, the **Hermans Richard** and **Ian, Laussen**, possibly **Baum, Hoyle** and resting rovers **Lemon** and "**Nipper**" **Parsons** converge on a loose football on the forward line as the proverbial "bees around a honey pot".

The roving duals will go **Collegians** was as **Lemon** and **Parsons** have had more consistent seasons than **Edwards** and **Morse** who has had more than his fair share of injury. North's **Peter Wright** will beat **Pollock** at centre bounces and throw-ins, although the **Collegian's** big man will worry his opposite number with his mobility and marking around the ground.

To sum up — **COLLEGIANS**. It's defence is better, its forwards smarter and its on ball players and centre line will at the very least hold their own.

In the replay of the B Section 1st semi-final I'm sticking with **Fawkner** despite a far more healthy respect for **Parkside** following its various periods of dominance last Sunday. **Fawkner** will be strengthened by the definite (this time) return of classy rover **Mark Majerczak** as well as centre half forward **John O'Leary** and both sides may also pick up doubtful starters in **Mark Park** (**Parkside**) and **Brendan Saggars** (**Fawkner**). I'm also sticking with **Fawkner** as I don't believe **Shane Rodes** will lower his colours two weeks running and I'm also of the opinion that **Terry Young** will benefit greatly from the outing. As **Tymms** and **Hills** can only improve and **Steve Buckley** whose second half was magnificent, can return to the pivot it all points to **Fawkner**. OR DOES IT? **Parkside** had clear winners in **Williams**, who was grandly supported by **Griffiths**. **Bradley** held the dangerous **Price** for much of the game and **Yoksich** was always dangerous especially up forward. I wonder whether **Ollie Filipovic's** winning goal will ensure him a place in the selected side this week? I would certainly include the 1985 B Section leading goalkicker, but that's a decision for **John Wise** and company.

Parkside's Shaw, Glasgow and **Gord** were most impressive and **Toorak Park** is likely to suit them more than **Elsternwick**. More often than not replays turn out to be fizzes, but I've no doubt this will be a beauty and **Fawkner** can just scrape through for they all know they, to quote **Kevin Morrison**, "got out of it last week".

In the second semi on Sunday it all points to **Old Paradians**. Their 4 point defeat of **Old Xaverians** at **Elsternwick Park** back on August 2nd was the start of the rot of **Old Xaverians** who last tasted success against **O.M.s** on July 26th.

Xavs are bound to gamble on **Nick Wilton** and possibly **Klein** and I've a hunch they may resort to their 1981 ploy and play **Stephen Curtain** at centre half forward and leave **Cameron O'Brien** at full forward where of course he won All Australian selection earlier this season and also the AAFC medal as best player in the Carnival. **Dale McCann** is bound to play centre half back no matter what and leave **Tony Pritchard** at full back. One of **Parade's** strengths is its half back line where **Paul Considine** and **Peter Wood** will provide plenty of dash and support for **McCann**.

Parade will win around the packs as **John Atta** will give his rovers **Frank Gleeson** and **Arthur Roe** (Yes he's still going strongly) first use of the ball. They will be far too experienced for the **Xavier** pair, **Josh** and **Luke O'Sullivan**, the latter being the current school captain who it is tipped will play his first senior Amateur game in the final, rather a tall order. I saw the youngster play in a school game against **Haileybury** and he was most impressive, despite a tendency to try and do too much. One thing for certain is that he will come off **Elsternwick Park** on Sunday afternoon with a far greater knowledge of the game than he went on, and all for nothing too, thanks to **Messrs. Gleeson** and **Roe!** The **Parade** defence relies heavily on **Bill Denton** and **Paul Curtain** and a problem for coach **John Turner** is whether to play **Grummet** or **Greatham** full back. Certainly a back line of **Paul Curtain, Grummet** and either **Atkinson** or **Wilton** looks formidable and with **Klein, Peter Curtain** and **Denton** the **Old Xavs** will ensure **Parade** works hard. **Parade's** goals come through **Corcoran**, its resting rovers and on ball players where **Dominic Spillane** sets such a fine example.

Old Paradians coach **Gerard Sholly** is rightly wary of his former team mates and charges. Promotion to A Section is the great prize for the winner and having regard for the talent in **Old Xav** line-up the selection of **Old Paradians** as winners is made none the less with conviction as their form compared to **Xavs** is far more consistent AND there enough players in green and purple who can vividly remember successive Prelim final defeats in 1983 and 84 and they believe it's high time **O.P.'s** returned to A Section!

The cut throat Preliminary Final in C Section sees **Thomastown** looking down the barrel after the shattering loss to **Old Trinity, Banyule**, on the other hand, put in great effort in coming from behind to beat **A.J.A.X.** and will face the game with great confidence. I've got the feeling that **Thomastown** has run its race and that **Banyule** will realize a dream and win promotion to B Section in upsetting the **Town** out at **Northcote**, a ground well know to **Banyule's Martin Legge**.

SUNDAY SEPTEMBER 21st A SECTION GRAND FINAL

100 UP FOR DAVID HOYLE

Everyone at **Collegians** extends their congratulations to **David Hoyle** who played his 100th game for the Club several weeks ago. **David** joined **Collegians** as yet another member of that victorious 1979 Wesley College Premiership team.. Moving straight into the Senior side **David** has played in a variety of positions proving extremely valuable especially around goals. His courage and determination have many times been inspirational to his fellow players.

Career highlights include best Senior 1st Year player and memories of **Bob Zent** kicking drop kicks from full back. A more infamous incident was **David** turning up for the Senior game when in fact he had been selected in the reserves who had already played one half of football. Nevertheless **David** has played all bar two of his games in the seniors and in that time has shown himself to be a dedicated footballer and a willing helper around the Club. Well done **David**, we look forward to your next 100!

ANTHONY FELLOWS 150

Congratulations from all at **Thomastown** are extended to **Anthony Fellows** for playing his 150th game in the 2nd Semi Final.

Since **Thomastown** has been in the V.A.F.A., **Anthony** has been one of the best players and clubman you could wish to have in your team. He is superbly fit and dedicated to the task each Saturday.

He has been a regular member in the V.A.F.A., C,D,E,F team for the past three seasons and has played very well each time.

He is highly respected by all concerned in Amateur football being a credit to the game.

All supporters love to watch him in action each week with his excellent position play, bodywork, handpassing and team play.

We thank you **Anthony** for the many fine game that you have played for **Thomastown** and really appreciate your efforts in taking the field carrying many injuries.

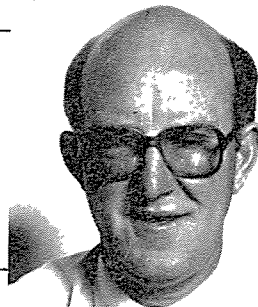

Good luck **Anthony** in your future games for our Club!

Norm Nugent Reviews and Previews D, E, F, G and U19 Matches

REVIEW OF MATCHES PLAYED AUGUST 30

D SECTION: Congratulations to **Monash Blues** who by reversing the two home and away results, easily accounted for **Balaclava** and thus won the right to return to C Section in 1987. **Preston** maintained their 1986 superiority over **Old Mentonians** for the second time in as many weeks. The **Mentonians** found form elusive over the last few weeks and can now hope that success will come their way in 1987.

E SECTION: **Bulleen United** confirmed their clear superiority in E Section with a ninety nine point victory over the hapless **State Bank**. The **Bulleen** players have thus won promotion to D Section. In the first semi final **Elsternwick** recorded a fifty nine point victory over **Peninsula** who retire from 1986 contention. It is to be hoped that the old amateur club (**Elsternwick**) is now on the way to resurgence as a power within the V.A.F.A.

F SECTION: As expected **Old Essendon Grammarians** proved too strong for **University High School Old Boys** in the second semi final. Thus in their comeback season in the V.A.F.A., **Old Essendon** has been able to achieve a club first, namely win promotion. In what must have been one of the greatest form reversals in history **Whitefriars** turned their last game deficit of thirty four goals into a four goal excess when they defeated **Doveton** in the first semi final. **Doveton** thus ended their season with a whimper after having shown such good form in the latter rounds of the home and away season.

G SECTION: The day's lowest scores were recorded in the second semi final when **Monash Whites** could only score a solitary goal against the stronger **Old Carey** side. The rejuvenation of the **Old Carey** side must be to the advantage of the V.A.F.A. The first semi final saw yet another amazing form reversal. In the last home and away game **G.T.V. 9** had beaten **Parkside** by seventeen goals whereas in the big occasion of a final **Parkside** was able to win by five goals.

JUNIOR 1: **Ormond** proved its superiority with a comfortable victory over **Melbourne High School** in the second semi final. This game saw both sides score freely which is an indication of a high class contest. In the first semi final between **De La Salle** and **Bulleen Templestowe**, the day's only drawn game resulted. Both sides had equal scoring opportunities and their rematch should again prove interesting.

JUNIOR 2: **Collegians** proved their right to be considered the section's top side when they disposed of **Old Haileybury** by fifty eight points. This margin was a remarkable one considering **Collegians** had only twelve points to spare in their August 2 game at **Albert Park**. In yet another most unexpected result **Old Melburnians** defeated **St. Bernard's** by fifty three points in the first semi final. In the home and away games **St. Bernard's** had proven by far the better performed side and further **Old Melburnians** had forfeited their last game due to lack of players. Who would want to be a tipster with reverses like this?

JUNIOR 3: **Old Paradians** won the second semi final by the narrowest possible margin despite **C.B.C. St. Kilda** having built an impressive early lead. The **Saints** were unable to convert several late opportunities which, my match representative believed, could have won them the game. In the first semi final **Ivanhoe** struck top form when they defeated **Hampton Rovers** comfortably by fifty points.

REVIEW OF GAMES TO BE PLAYED SEPTEMBER 6

D SECTION: **Balaclava** and **Preston** play at **Pitcher Park** for the right to promotion and to meet **Monash Blues** next week. **Preston's** form over the last two weeks has been the better as **Balaclava** in these two weeks have slipped from their early August form. Did they peak too early? Although last week's game on this ground will be to **Balaclava's** advantage I select **Preston** because of their greater final's experience and their current superior form.

E SECTION: Two of the V.A.F.A.'s oldest and former neighbouring clubs **State Bank** and **Elsternwick** meet at **Monash University**. The present **Bank** side like many of its predecessors is an enigmatic one.

How coaches **Bremner** and **Bull** must wish **Oval 4** was portable because **State Bank** sides consistently play markedly better in home games. In addition last week's debacle will still be haunting the **Bankers**. Surely **Ken Bremner** will use it to motivate his players today! What of **Elsternwick** whose players have displayed consistent form all season? Their big win last week will have built their confidence as well as proving they can play well on big grounds. I know every game is different but as I cannot reconcile my mind with a **State Bank** renaissance today, I select **Elsternwick**.

F SECTION: **Whitefriars** and **University High School Old Boys** meet at **Old Scotch** for the right to promotion and to challenge **Old Essendon**. At their last meeting **Whitefriars** won in the **Donvale** mud but no such home ground advantage exists today. I expect **University High School** to be too talented today for the young **Whitefriars** side which has no forward focus such as the green and browns have by means of **Kufner**.

G SECTION: Today's game will see the youth and athleticism of **Monash Whites** matches against the cunning, strength and experience of **Parkside**. The **Students'** pace can be negated by the hard **Parkside** bump and tackles. Key forwards **Farley** (Monash) and **Bastow** have contrasting styles but each is effective providing his linkmen can deliver the ball effectively. Opposing rovers the **Salvatore Brothers** (Monash) and **McMurtry** will be keys to the outcome of this game as will be the ruck duels between **Ninnis** (Monash) and **Graham**. I expect a high standard game and difficulty selecting the winner. I expect **Monash** fitness will be the vital factor in earning them a narrow victory.

JUNIOR 1: How does one analyse the outcome of a replay? Each game is a different proposition and comparisons soon pale. One factor which I believe will be relevant is the fact the **Bullants** had a bye in Round 18 which could well have caused a hiatus in their match fitness despite the combined efforts of coach **Allan Parris**, team Manager **Dick Thompson** and consultant **Laurie Aghan**. Statistically **De La Salle** has been the better performed side over the season at both ends of the ground. However today I tip **Bulleen-Templestowe**.

JUNIOR 2: **Old Haileybury** and **Old Melburnians** meet at **Hampton**. Statistically **Old Haileybury** is the stronger side. However what of the inconsistent **Old Melburnian** players? Was last week a flash in the pan or are they big occasion performers? I select **Old Haileybury** as the **Navy Blues** will have great difficulty blanketing **'Blood's'** forwards especially **Cox** and **Stewart**.

JUNIOR 3: I have seen both **Ivanhoe** and **C.B.C. St. Kilda** from the boundary this season. Although **St. Kilda** has been the better performed side **Ivanhoe** impressed me more with their fierce desire to win the ball and then to move it quickly. **Ivanhoe** will be buoyant after last week's big victory while **St. Kilda** must be asking what do we have to do to win? Given this data I select **Ivanhoe**.

RETIREMENT OF RON 'BUNGHOLE' BUNGEY END OF AN ERA AT OLD MENTONIANS

All members and supporters of Old Mentonians would sincerely like to congratulate **Ron 'Bunghole' Bungey** on his contribution to the club over the many seasons.

A founding member of the club in 1968 Ron has finally decided to hand up his boots after the First Semi-Final last Saturday against Preston. During his 18 seasons with the club since joining direct from Mentone Grammar School **Ron** has not only greatly contributed with his on field performances — **344 GAMES (a club record)**, he has also filled in many capacities on the administrative side of the club — holding down positions as President, Vice-President and Statistician for the club since its inception.

This has culminated with Ron being awarded Life Membership of Old Mentonians and the V.A.F.A. 'Certificate of Merit' Award as recognition of his great service to Amateur Football.

Much more could be written about Ron but it could all be summed up with his determination and desire for the team and the club. Now Ron has set the mark for others to follow!

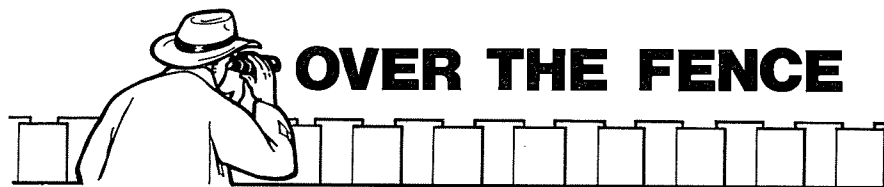

Well done Ron we hope that you will now give the club your service again on the administrative aspect of the club.

AN EARLY 50

Today sees **Old Haileyburians' Jeff Wood** play his 50th game for the club in the juniors' preliminary final. "**Woody**" joined us two years ago and secured a regular place in that year's reserves team which competed in the finals series. Oddly enough **Woody** played about 20 games in open-age football before playing in the juniors. This year he has settled in the back pocket and played in his usual dependable fashion — even his kicking's improved! Well done **Woody**.

150 FOR "JUNIOR" AT BULLEEN UNITED

It took a little longer than expected for diminutive **Neil Bowden** to chalk up this milestone due to injury in the middle of the season, though the title "Junior" is apocryphal after 150, Neil still shows the dash that he had in former days, as well as faultless passing and has been an asset in the wide open spaces of Koonung Park. It is a great effort to play for Bulleen so often and in in the successes of the 1982 Premiership and this year's effort, of which Neil has been no diminutive part.

OTF must make a comment about the draw in B Section, first semi last Sunday. The large crowd enjoyed it and proved it by bursting into spontaneous and sustained applause as the players left the field.

A SECTION

Collegians and North Old Boys have met on 15 occasions, Collegians having won 8 and North 7.

Strangely they have met only once before in a finals match. That was in the A Section first semi final played at Northcote in 1983 which saw Collegians 17.15.117 defeat North 13.10.88.

B SECTION

Old Xaverians and Old Paradians have met on 37 occasions. Old Paradians having 19 wins and Old Xavs 18.

In finals they have met thrice, once in B Section in the 1957 Preliminary Final which saw victory to Old Xaverians 10.8 to 9.11 and twice in A Section — 1964 2nd semi Old Xavs 12.19 defeated Old Paradians 10.4 and the 1964 Grand Final where O.P.s reversed the result winning 10.11 to 9.13.

In all other sections, apart from E, the competing clubs have not previously met in the finals.

E SECTION

State Bank and Elsternwick both long serving clubs of the Association have met on 38 occasions, although surprisingly never in a final.

The Bank has won 28 encounters, Elsternwick 9 and there has been one drawn game.

* * * *

Finally a reminder that the C and D Section heats of the "Fosters 800" will be run on Sunday afternoon during half time of the B Section 2nd semi final.

THE VAFA WEARS WOOL

VFA representative teams have enjoyed the comfort of wool for the last two seasons.

Players like Ormond's David McDonald seen here in the Woolblendmark jumper worn in the 1985 State Games, and Old Brighton's Peter Grant wearing the new Woolblendmark jumper for season 1986, enjoy the feeling of wool every week because Old Brighton is one of a growing number of VFA clubs making the change to Woolblendmark jumpers.

They're making that change because they know that wool provides maximum comfort whether players are performing in hot or cold conditions.

And no matter how many times they're machine washed or commercially laundered, Woolblendmark jumpers stay in shape, season after season.

That's why Woolblendmark has VFA endorsement, because nothing touches wool for economic performance that just goes on and on.

Woolblendmark jumpers are made to Australian Wool Corporation

standards by Hugh Lyons for the VFA, and are available through VFA Marketing on 663 6685 or from Hugh Lyons on 583 3277.

UMPIRES CORNER

LADIES DAY OUT

A first for Amateur Football happened, on the last home and away round of matches.

3 of our umpires ran together for the first time and they were **women**. Sharon Alger field umpired, flanked by boundary umpires Theresa Bolger and Leah Gallagher. These three young women umpires all said what an enjoyable day they had and are looking at the finals with great anticipation and enthusiasm. Congratulations girls on your year so far and on behalf of all umpires, we wish you all every success for many years to come.

★ ★ ★ ★

All umpires please **remember**, our Annual Dinner Dance to be held on Friday 26th September. A Great Night is assured by all — **be there!**

On Monday night the 25th August our Umpires Association held our Annual Dinner and it was certainly well attended. It was a real treat to see so many past umpires and life members chatting about **old** times. The night was very well run by M.C. Peter Feil (reliable and humorous as ever). Life Membership was attained by "Mr. Wonderful" Mike Murray (Congratulations Mike).

There was quite a few speeches made on the night by none better than our Presidents, Peter Wiseman. Lets hope his words have not gone unnoticed.

DOUBLE 50 AT ELSTERNWICK

Congratulations to **Albert (Albie) Contin** & **Ben Hill** of Elsternwick on playing their 50th games today in the Preliminary Final.

Albie Contin has shown remarkable improvement in his football during the three seasons he has played with Elsternwick. This season **Albie** has been the mainstay of the rucks and finished a very close third in the 1st Best & Fairest.

Ben Hill is one of the key runners in Elsternwick's game. A fine mark, a good kick and can run all day. **Ben** is a great ball-winner but has a short fuse and **occasionally** gets involved in altercations with the opposition. When he has his mind on the game **Ben** is a real winner.

Both players are important parts of Elsternwick's drive for D Grade in 1987. Congratulations to **Ben Hill** & **Albie Contin** on achieving their 50 games.

Looking Back

by Noel Rundle

5 YEARS AGO — 1981

North Old Boys 'A' justified their top position when they destroyed **Old Xaverians**, 30.16 to 14.14, in the second semi. Best were Butera, Horen, veteran Shane Maguire (7 goals), Dillon (7 goals), S. Weir and Consideine (N.O.B.), and for **Old Xaverians**, Vale, Sullivan, Callil, Pirrie, Noonanan, Stanley (**Old Xaverians**). The question on everyone's lips after the game were whether **Old Xaverians** could recover and whether veteran Shane Maguire would be able to repeat his magnificent performance in the grand final.

10 YEARS AGO — 1976

It was another **North Old Boys — St. Bernard's** grand final when St. Bernard's held on long enough to stop **De La Salle's** bid and get home by 2 points. St. Bernard's inaccuracy, 11.24 to De La's 13.10 almost cost them the game. Best were **K.Phelan, Nadzielski, Angel** (St.B.) and **Lyons, Groves, Donegan** (De La Salle).

Marcellin won their way into 'A' Section in 1977 and the 'B' Section grand final when they beat **Old Scotch** by 34 points. **Old Melburnians, Old Xaverians, La Trobe Blacks, & West Brunswick** won 'C', 'D', 'E' and 'F' premierships.

Umpires in charge of grand finals were 'A': **Rowell**, 'B': **Wills, 'A' Reserves: Simpson**, 'B' Reserves **Grubb**.

15 YEARS AGO — 1971.

Ormond earned the right to meet **Uni. Blues** when they inflicted a crushing 43 point defeat on **St. Bernard. Wood, Ladd** (7 goals) and **Murphy** were best for Ormond, who were in control all day.

North snatched a 6 point win over **Ivanhoe** after trailing by 19 points in the third quarter. **Ivanhoe's** inaccuracy, 3.12 in the second half led to their defeat.

Premiers in other sections were 'C': **Tooronga-Malvern** (who beat **Old Trinity** by 5 points); 'D': **Power House** (beating **Reservoir O.B.** by 15); 'E': **St. Pat's** (who beat **La Trobe Blacks** by 1 point) and 'F': **Marcellin** (beating **Old Ivanhoe** by 29 points).

20 YEARS AGO — 1966

Coburg trailed **Old Paradians** by 15 points at three-quarter time in the Final and fought back to lead in the last term only to see Parade come back to score a goal and win their way to the 'A' Section grand final against **Melbourne High**. The Parade winning margin was 5 points.

Ormond were overwhelmed in the second half by **Ivanhoe** who kicked 7.4 to 1.2 for a 31 point win and chance to play **Kew** in the 'B' Section Grand Final.

Premiers in other Sections were **Geelong** (C); **Old Geelong** (D) and **AJAX**. (E). It was a double to **Old Geelong** as their Seniors and Reserves defeated **Old Carey** in both Grand Finals.

Umpire **Kevin McKay** was the man in charge off the 'A' Section Grand Final at South Melbourne C.G. when **Old Paradians** defeated **M.H.S.O.B.** to make it 4 premierships in 5 years.

In 'B' Section **Kew** repeated their semi final victory over **Ivanhoe** to take the premiership.

35 YEARS AGO — 1951

Old Paradians repeated their Final win over **Alphington** in the Grand Final to take the 'B' Section premiership (decided under the "pre-Page system" when the minor premiers had the right of challenge if beaten in the semi-final or final).

"MILESTONES ABUNDANT AT NORTH"

The following players have reached important milestones with the North Old Boys Amateur F.C. in recent times.

Peter Jongbloed reached 200 games recently and this milestone was achieved in his 13th season with the club. Commencing in 1974 in the Under 19's, Peter has been a member of our 1977 and 1983 'A' Reserve Premiership sides also captained the Reserves in 1981 and 82, which was the side Runners-up in both seasons. Peter has represented the Club in a staggering eighteen 'A' Reserves Finals Matches and also has spent well over 10 years on the Committee, well done Jonger !

Dominic Butera a team mate of Peter Jongbloed's in 1974 and also commencing in that season and winning the 1974 U19 Best and Fairest, Dom reached the 200 game mark against Caulfield Grammarians. Dom has been a member of our two 'A' Grade Premierships in 1976 and 82. Dominic has also played in a lot of finals matches, 16 in fact, all in 'A' Grade. Dominic has been well known for his lightning dashes along the wing and half-forward line and the way he is playing at the moment could well add to his impressive tally.

Jerome Griffin has recently attained the 150 game total and is presently captain of the Senior Team. Jerome has been captain since 1984 and incidently won the club's Best and Fairest in that season. Jerome has been a member of the 1977 'A' Reserve Premiership team, the year he started with the club, and the 'A' Grade Premiership side of 1982. He has also represented the VAFA on a number of occasions with distinction. Well done Jerry !

Mark Bowman reached the 100 game mark some time ago in a season where he is showing great form, must have been the trip overseas that did it. Mark commenced in 1979 after coming straight from the school side. Since that time he has excelled in the small man brigade enabling the Reserves to play in 3 consecutive Grand Finals in the early eighties. A member of the 1983 'A' Reserve Premiership side and also winning the Best and Fairest in that year, Mark has now won himself a more regular place in the Senior team and should play a big part in the September action.

John McIntyre finally reached his 100 games after some frustrating injury setbacks. John has shown good form this season with several Senior appearances and he could play a hand in our aspirations in September. John commenced in 1978 and has been a member of our 1978 Junior Section 1 & 1983 'A' Reserve Premiership teams. John has displayed great ability around the goals and has kicked many a memorable goal in his time also he has displayed great courage in his quest to win the hard ball. Well done John !

Mick Brown reached his 100th this season after coming from Coburg Amateurs in 1977 in which year he devastated the opposition to clinch the 1977 'A' Reserve Premiership for the Club. Brown has played many fine games in the seniors and if not for his work commitments he would have featured more prominently in recent times. Brown's desire for the ball has left many an opponent floundering, especially one day at O.M.'s and he still has many fine games left in him.
