Nobody quite knows how many different occupations there are, but it runs to several thousands. Think about your dad's time. That was before R & D Departments, real electronics, motels or mass media.

Today, a young man can make his way with ambition and a natural talent that will buy him success and satisfaction. Of course, it's more than just desire and flair; he has to work hard but he's doing something he enjoys.

An A.M.P. man understands that. After all, he's doing something that uses his own talents and he likes it.

Talk to an A.M.P. man. Tell him where you fit into life and he'll tell you how a sound insurance plan can fit in too.

## LAST WEEK'S HIGHLIGHTS

### R.O.B.'S OPEN ACCOUNT

### BLACKS DOWN TO HOODOO SIDE

### *Scotch too strong for Caulfield*

By GEORGE McTAGGART

University Blacks again went down to their hoodoo side, Reservoir Old Boys, who recorded their first win for the season.

Old Scotch were too strong for Caulfield Grammarians and are now clear leaders in B Section.

Reservoir raced away from the Blacks in the second quarter to run to a 9-goal lead and although Blacks fought back R.O.B.'s finished on to win comfortably.

A brilliant second quarter paved the way for North Old Boys to score an easy win over Ormond and University Blues got back to the winning list at the expense of Coburg.

Old Scotch and Caulfield were remarkably even for the first half but Scotch forged ahead in the third quarter and went on to win by 39 points.

Old Haileybury proved too strong for Parkside to gain the leadership of C Section and Old Melburnians won well over Fawkner.

Old Geelong's 8-goal burst in the third term and their accurate kicking, gave them a 3-goal win over Old Camberwell and AJAX scraped home from Assumption by a point.

State Bank (bad kicking and all) beat Old Brighton by 4 points, La Trobe Blacks went away from St. Kevin's in the second half, and West Brunswick beat Beverley Hills by more than 6 goals.

In the Juniors, Monash University thrashed Ivanhoe and University Blues beat Ormond by 2 goals.

In Section 2, Reservoir beat De La Salle by 7 points in a high-scoring affair, and West Brunswick beat St. Bernard's by a similar margin.

The ball officially approved for use in all V.F.L. matches since 1897.

# UMPIRE'S CORNER

By Kevin McKay

With so many new umpires joining us over the past two weeks, it is probably a good time to discuss one of the most important means of field umpiring — ball bouncing.

It is imperative that an umpire be able to bounce the ball consistently well, straight and high.

A great deal of practice is required.

The following fundamentals are common to all umpires who bounce the ball well.

**THE GRIP** — Two alternative grips are commonly used by umpires:—

- Seam running into body (Method A).
- Seam running across body (Method B).

In "Method A" both hands are reasonably close together, giving more control over the direction in which the ball will rise after being bounced.

- The possibility of the ball bouncing to your left or right is negligible.

- If the ball is not placed flatly on the ground during the bounce, it can either bounce away from you or over your head.

- A disadvantage of this method is that you will have more difficulty in gripping the ball in slippery conditions.

- In Method B" a firmer grip can be taken over the ends of the ball which is important in slippery conditions.

- The ball will not skid on wet surfaces as with "Method A".

- The ball will bounce either left or right if it is not placed flatly on the ground.

For this reason it is perhaps more difficult to control than "Method A".

A great deal of practice is required to learn to apply equal strength with both hands which will enable a flat, straight bounce.

Umpires should learn both methods, commencing with "Method B".

**The bounce** — you must aim to obtain a straight, high bounce. This requires careful control whilst placing the ball on the ground.

The closer the hands can actually guide the ball to the ground, the greater control you have over the bounce.

This is best done by Stepping forward with one leg, bending the knees and leaning forward at the waist so as to be able to place your hands and the ball right down onto the ground.

Your hands must be exactly opposite each other to place the ball flatly.

Place the ball down onto the ground directly in front of your leading foot.

Maintain your balance during this procedure — do not bounce the ball too far away from your foot.

Practice will indicate the appropriate distance.

The bounce should be strong but not so strong that you lose control.

Timing and balance will also assist you to gain correct placement of the ball onto the ground.

Achieving good balance starts from the time you commence to walk in for the bounce.

It does not matter if you are better balanced by walking in two, three or four paces before placing your front foot forward, just so long as you find a pattern which suits you and then stick to it.

Once the ball has left your hands, immediately step back a few paces, both to give the ruckmen clear passage to the ball, and to allow you to view the contest.

Do not watch the flight of the ball.

Always practice the whole procedure the same as you would bounce in a match.

- Get a secure grip.

- Walk in.

- Bounce the ball.

- Move back quickly a few steps.

## "POSITION AND DIRECTION FOR THE BOUNCE"

Every umpire must know the correct direction to walk in for the bounce.

On sunny days, bounce the ball with the sun at your back to avoid being blinded by the sun.

On windy days bounce the ball so that the wind will tend to carry the ball away from you, not over you.

Umpires are instructed that "baulking" when bouncing the ball **MUST NOT** be practised.

If because of adverse ground conditions it is decided to "throw up the ball" the players should be advised of your intention.

Do you know that on June 2nd, 1899 Essendon player A. J. Thurgood using the place kick, kicked the ball 107 yards 2 ft. 1 inch (slight wind assistance).

On August 6th, 1912 using the place kick and kicking into the wind D. J. McNamara reached the distance of 102 yards.

## "MITCH" BRINGS UP HIS 150 GAMES

The very popular Paul Mitchell plays his 150th game for De La Salle Old Collegians against Old Trinity today. Paul always seems to be in a position to "bag" a few goals in each match. Last year he won the Reserves Best and Fairest, and was also a member of the B Section premiership side. We all hope that he continues from where he left off last year, and manages to play in the A Section premiership side this year!!

### 250 GAMES TO DAVE BERRY

Ivanhoe most senior player, Dave Berry, plays his 250th game with the club today. Dave started with the juniors in 1960 and was captain in 1964. His determination and ability soon gained him a position with the seniors, which he has held ever since. His consistency and popularity warranted him becoming captain in 1971 and culminated in winning the club's best and fairest award that year. Ever since, Dave has helped immensely, specially on the social committee and being a butcher by trade, meat supplies are no problem. His popularity and dedication to the club echoes strongly and assures any other member, who is willing to put the club before the individual, that there is a place for them here at Ivanhoe. Well done, Dave Berry.

His flash of red hair and dashing style of football has been an encouragement to many young players over the years. Dave is currently Treasurer of the club this year — a position he has held on previous committees over the years. ### OLD CAMBERWELL CAPTAIN'S 100th

Richard Hewitt today plays his 100th game for Old Camberwell and the club, players and supporters alike, offer their congratulations to him. Dick has been the club captain for the past two seasons and capped off a fine season last year by winning the club's best and fairest award for the season. This year we look to him to provide the experience and steadiness that our many young players lack. Congratulations 'Dicky' and we hope the club is fortunate enough to get another 100 games out of you.

### 2 MILESTONES AT ROVERLAND

Congratulations to Dave Combe and Gary Gleich who will play their 150th and 100th respective games for Hampton today. Over the past seasons Dave has headed the goal kicking in both the Senior and Reserve Sections on a number of occasions and his fine marking and accurate kicking especially with the right foot is a treat to watch. Gary has played most of his games in the ruck and he is a fine knock ruckman, his ability to leap is amazing as many an opponent's back will know. His other great asset is his verbal control. Both players have given the club their utmost on the field and are fine workers as well off the field. Once again congratulations boys and we at Hampton look forward to the parts you will play in this year quest for the flag.

# PREVIEWING TODAY'S GAMES

## A SECTION

Some tipsters really are bad. I have in mind the Truth's panel of six experts which got themselves eight winners out of a possible 36 in last Saturday's League round. I am encouraged to retain the pin I used for Round 4.

De La Salle are looking good on top of the ladder, having been undefeated to date. I have a feeling they will find Old Trinity a more determined combination than any they have despatched thus far, but look forward confidently to them remaining in the winners circle.

University Blues journey out to St. Bernard's which will relish catching a lot of tired students after a week of Inter-Varsity matches. St. Bernard's will win this one by a wide margin.

Coburg and North Old Boys, both well equipped in the following division, will stage a keen contest in the shadows of Pentridge. Coburg have proven to be inconsistent to date and I strongly favour North.

Reservoir and Ormond look to be evenly matched with Reservoir's current form much more attractive. The sight of some Ormond stars limping last Sunday morning did not impress me and Reservoir could climb out of the hot seat they presently occupy.

Blacks and Monash are taking a holiday, to allow the rest of the section to catch up on games played. — Alf Keam.

## B SECTION

Four weeks gone "and what have we here". — An Old Scotch which IS good and exciting — a Caulfield Grammar which is rich in names and talent as well as years and inches (in the wrong places). — A Geelong which reacts well to a little bit of needle and shows flight (maybe that's it!) — A Marcellin moving quietly but surely on — a reactivated Collegians — A "don't know" Old Paradians and Ivanhoe and a "do know" Carey, St. Kilda C.B.C. and Melbourne High.

Inability to beat Geelong at home raises doubts about Paradians — then you realise the only two teams they have led at the siren have yet to win so I must select Caulfield even though they would have been annihilated by Scotch but for Fox and Lester.

Overweight Rovers (notwithstanding early goals) and an unprotected John Butcher will not work although the class of Morphet and Fletcher and the doggedness of Griffiths and McDonald will keep them in it.

A seething Ray Wookey who eats scribes for breakfast will ensure Geelong will defeat Marcellin further proving Davis is only one of 20. Marcellin are capable of an upset but will finally bow to Geelong's home ground and fierce dedication.

On reflection Geelong's form is good —

they should have beaten Caulfield (even though Davis was down).

Scotch surely must beat Carey with Hinrichson savaging the forwards, Morgan's versatility and King's dream disposal to Sherwen. The Black Prince (or Omar??) will demand disciplined team work.

Ivanhoe shocked by losing at home but there is nothing in St. Kilda's performances to suggest they will break the ice (unless the wind blows across their ground).

Collegians are in it and I doubt if they will let Melb. High set them back again. Collegians to win but I think it will be a good match. — John Byrne.

## C SECTION

Thanks Fellas for doing the right thing — five out of five for the tipster.

A four is already shaping up with a tussle between five teams for fourth position.

Top side Old Haileybury at Kew will find the smaller ground a little hard to adjust to, however I think they are good enough to hold top place.

Parkside and Old Melburnians will be the match of the day. Melburnians' top talent are starting to shine and I'm picking Melburnians to win by a narrow margin.

Fawkner at home to Hampton Rovers will be flat out to retain a spot in the four and will make amends for last week.

Alphington are improving and will gain four points at the expense of Power House.

Old Ivanhoe Grammarians, refreshed from a good win last week will hit their straps again today with a win against U.H.S.O.B. — Alex. Johnson.

## D SECTION

Old Xav's must be jumping with joy with this season's success and I'll put my neck out and make them my early favourite for the flag.

Their captain, Peter Naughton is in fine form and playing well week after week. Today I expect him to lead the way again and inspire his Xav's to a clear win over State Bank.

The Bank have notched 2 and a half wins but certainly do it the hard way; 19 goals 38 in successive weeks is not percentage building football!

AJAX got a fright last week but today should not be troubled by Old Camberwell while Elsternwick may just shade Old Brighton in what I expect to be a "cliff-hanger" at Brighton Beach.

Assumption Old Collegians are certainly making their presence felt and they are my "dark horse" for the September play-off. They will be too strong for Brunswick at the Dunstan Reserve.

Old Geelong with deadly accuracy (17-4) got up last week and prevented me from tipping all five; I'll turn back to them today as National Bank are in the doldrums and I can't yet see them "breaking the ice". — Jim Fidge.

How about a progress score Ed.? JOHN BYRNE is right off beat — just ask GEE-LONG!!

Progress score next week, Jim — after all there's only been three games for ALL of you Scribes. — Ed.

## E SECTION

I'd be good if it wasn't for Findlay's mob. Wait till their head office shifts to Australia and the chairman gives them a free issue of a round ball. Plenty of excuses then.

All North Brunswick needed was a bit of encouragement to break the ice, but I'm going for Heatherton and the fresh air this week.

LaTrobe Blacks will do Monash Whites (both LaTrobe teams won last week, whilst both Monash teams lost. An opportunity for a Ph.D. here).

Old Mentonians will be too polished for Commonwealth Bank; who ever heard of Lady Tellers in the first ruck.

St. Pat's-Monivae will have little trouble in gaining 4 more points against a disappointing ANZ Bank. (How do I get in touch with Tommy Hanlon?).

A.M.P. and St. Kevin's were both big losers last week. A.M.P.'s second successive away match so I'll go for St. Kevin's now that we are in the North wind season. Nothing worse than a strange ground and a northerly blowing off the Onions in the Burnley gardens.

Congratulations to Alec Johnson's office boy. — Syd. Whitfield.

## F SECTION

Last week saw some improvement in my selections and apart from the reversal of Glenroy's form, it could have been five wins.

This week the match of the day will be West Brunswick v St. Bede's with West Brunswick coming out on top although their winning margin will not be as great as their earlier matches.

Bulleen United will account for Footscray I.T. who have not been very impressive of late. Thornbury really let me down last week and I can't see them getting up to knock off Bulleen-Templestowe.

Beverley Hills put up a pretty good show against West Brunswick last week and will be rewarded this week with a win over La Trobe Uni. Reds.

I'll put my neck out again and tip Glenroy to win over Uni. Reds. — Keith Findlay.

## JUNIOR SECTION 1

My selections last week were certainly upset by the University sides, resulting in the miserable tally of two — I will now be seeking advice from Alex. Johnson, President of M.U.F.C. seeing that he selected all five winners.

IVANHOE are at home to North Old Boys but the home ground advantage will not be enough to stop the visitors continuing their winning form.

University Blues travel to Albert Park to meet Power House and will have no

trouble in accounting for the home side. The most even game of the day should be Ormond at home to Old Scotch, as they have both won one game. My selection is Ormond because of their home ground advantage.

The clash of the students takes place at Crawford Oval, Princes Park. Although University Blacks had an easy win last week they will find Monash too strong and I am selecting Monash to move into second place on the ladder.

Coburg are travelling south to meet Hampton Rovers and can expect an easy win unless the Rovers have been doing some excellent recruiting. — Peter Nathan.

## JUNIOR SECTION 2

More surprising results last week make the tipster's task a nightmare. My reputation is such that one side has told me that they prefer me to tip against them so again I have obliged!!

Thomastown, who are the trendsetters, welcome West Brunswick to their Main Street Oval. Despite the good teamwork and determination of the Magpie side, I must go for Thomastown.

Alphington journey north west to Niddrie to encounter St. Bernard's. The home side gain a lot of drive from big ruckman, Paul Smith and they should emerge victorious over Alphington.

Reservoir Old Boys travel to Albert Park to meet the lads from Caulfield Grammar. This should be a closely contested game but if form can be any guide Caulfield will win.

The young Kew side has to make the long journey to Geelong. Geelong will win but I expect Kew to give spirited opposition.

Long standing rivals Old Paradians and De La Salle clash at Yarra Park. This season's form points to a win for the visitors.

May I ask all sides to phone their scores to the Herald as required so as we all can know each result. Also could the three clubs who have no team list please send one to the Editor. These two matters, if given attention, will help all associated with this section. — Norm Nugent.

I heartily agree with your sentiments, Norm. — Ed.

## STATE SQUAD MEMBERS

All members of the Carnival Training Squad are required to attend training at Elsternwick Park tomorrow morning, Sunday, May 23rd at 10.30 a.m.

Any player unable to attend for any reason must contact the Chairman of Selectors, Mr. Manson Russel (phone 86 6679) or one of the other selectors or Coach — Peter O'Donohue.

I was quite confident, after the first week, that we would see out at least another year of existence. Now, I am not so sure.

When will players, and coaches realize, that we play football and have no place for football?

Please tell me how to get the message through.

I have tried.

The Executive had tried.

The Independent Tribunal are doing their share and more.

Umpires cannot report incidents that do not happen.

Then who can we blame for this disgusting blight on our honoured Association.

Who then can we blame but you, and you and you, and this includes those who were responsible for the senseless barracking, that was heard at the game between St. Bede's Old Coll. and Footscray I.T. and the game between Bulleen United and

Bulleen-Templestowe last Saturday, and for that matter at any other venue you care to visit.

J. Fullerton, Secretary, V.A.F.A.

## 5 Years Ago — 1971

St. Bernard's stalwarts Bob Hampson and Peter "Tub" Atkinson became the club's first players to reach 150 games. Peter had also been secretary for 5 years.

**Lucky Monash Blues** — scraped home again. For the third successive week Monash Blues won by a narrow margin — three points this time — at the expense of Old Scotch who were in front when the siren sounded and lost the game when Monash goaled from a free kick awarded a few seconds before the siren.

Marshall, Galbraith, Bartley (Monash) and Addison, Heaton, Welch (Old Scotch) were best.

Coburg (21.15-141) annihilated Melbourne High (3.10-28).

Alan Salter (Coburg) and Sam Birtles (Monash Blues) had been appointed coaches of teams to play South Australia and Tasmania while the managers of the respective teams were Brian Le Brocq and Fred Coldrey.

## 10 Years Ago — 1966

John Anderson proved a capable full forward for Old Scotch Juniors with 7 goals against Coburg to bring his tally to 14 (What happened to the true boot? — Ed.) Ormond were thrilled with Ian Cameron's great display against Footscray Tech. for his 50th game — "tigerish and tough".

Colleagues announced Prime Minister, Harold E. Holt, as a financial member of the club for season 1966.

It was reported that "Gympie" Sutherland dropped a trayfull of glasses at "Commonwealth Bank's Saturday night turn" — reason advanced was something about Nancy and "Gympie's" thrill of his life.

## 25 Years Ago — 1951

Among the 'B' Section notes Coburg thanked Geelong for their great hospitality after the game. One who no doubt enjoyed it was Bob Sinclair "many thanks for his acceptance of that quite thankless task of boundary strider" (No doubt Bob could still handle the hospitality but not the boundary — Ed.)

'A' Section captains were Joe Sheehan (Ormond), Doug Arnold (Hampton Rovers), Peter Cox (Old Melburnians), J. Thomas (Comm. Bank), Geoff Sinclair (Univ. Blues), Keith Lewis (Colleagues), Wally Sparks (Ivanhoe).

Who captained Old Scotch, Brunswick and Univ. Blacks?

Sad to report — Old Xaverians went down to undefeated 'B' Section leaders Alphington with scores 21-20 to 0.1. Yes, Old Xav's scored in the second quarter and not again!

## TRIBUNAL (MAY 1st ROUND)

G. L. Roberts (Alphington) was found guilty of striking B. Hunt (Kew) and suspended for six matches.

D. Zerbi (Kew) was found guilty of attempting to strike J. Williams (Alphington) and suspended for four matches.

G. W. Candy (Alphington) was found guilty of striking A. O'Dowd (Kew) and suspended for six matches.

P. Blake (AMP Society) was found guilty of striking D. Payne (North Brunswick) and reprimanded.

R. Field (Ivanhoe Reserves) was found guilty of continually disputing the umpire's decisions and severely reprimanded.

R. Harris (Ivanhoe Reserves) was found guilty of disputing the umpire's decisions and severely reprimanded.

B. Hickey (Ivanhoe Reserves) was found guilty of striking I. Duffy (Old Scotch Coll. Reserves) and suspended for four matches. He was also severely reprimanded for disputing the umpire's decisions.

N. Emmett (Footscray I.T. Reserves) was found guilty of striking J. Forrest (University Reds Reserves) and suspended for four matches.

## (MAY 8th ROUND)

P. Callesen (Coburg) was found guilty of kneeling D. Emerson (Old Trinity Gramm.) and suspended for six matches.

## (AUGUST 30th, 1975 ROUND)

C. Ramsdale (Thornbury) was found guilty of striking R. Morley (Bulleen United) and of general misconduct towards the field umpire and suspended for eighteen matches.

## 150 UP TO NORTH'S COACH

North Old Boys congratulate their Captain and Coach, Shane Maguire, who plays his 150th game today. Shane has played in many Victorian teams in his long career, has been Captain since 1972 and is now in his third season as Coach.
